Description

– Full-Length Studio Album from Jon Thurlow Tells Story of Redemption Through Trial

In his first full-length album since 2013, longtime International House of Prayer of Kansas City (IHOPKC) worship leader Jon Thurlow addresses themes of redemption, trial, and hope on *Different Story*

Written and recorded in the middle of a stormy season of life, and a three-year journey in the making, this album is a grace of God album. He brought it all together. The entire process has been a testimony of His mercy, His gentleness, and His faithfulness. Interwoven into these songs are parts of my own journey with Him, my prayers to Him, as well as His words to me (and to all of us). May we each come up from the wilderness leaning on Him.

The title track to Jon's first Nashville recording was influenced by his first time working with legendary multi-Grammy-Award-winning producer Brown Bannister, and multi-talented Ben Shive (Laura Hackett Park, Brandon Heath, Bebo Norman, JJ Heller, Andrew Peterson). "I had a melody and some lyrics, and I was talking to Brown about how the Lord takes our messed up, broken stories and He redeems – He rewrites them through Jesus," Jon says. "It's a very hopeful song, an anthem."

Track Listing:

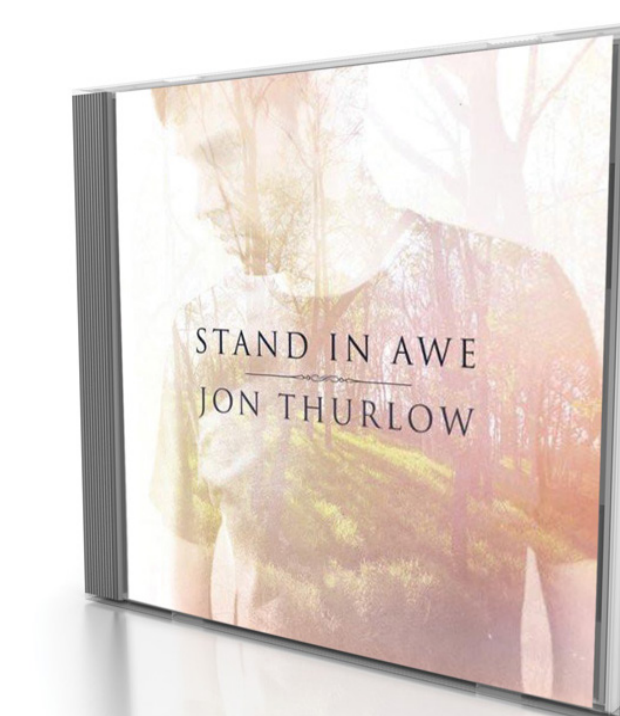

1. Your Light
2. I Want You
3. Different Story
4. For You
5. I Want Your Heart
6. Your Love is Better
7. Closer
8. Power of Your Love
9. Need to Know
10. Shout Your Name
11. Still Looking Back at Me

Description

– When the family patriarch dies suddenly, the Delvecchio’s are thrown into crisis. Family secrets and simmering feuds between brothers, fathers and sons threaten to undo the family until God intervenes.

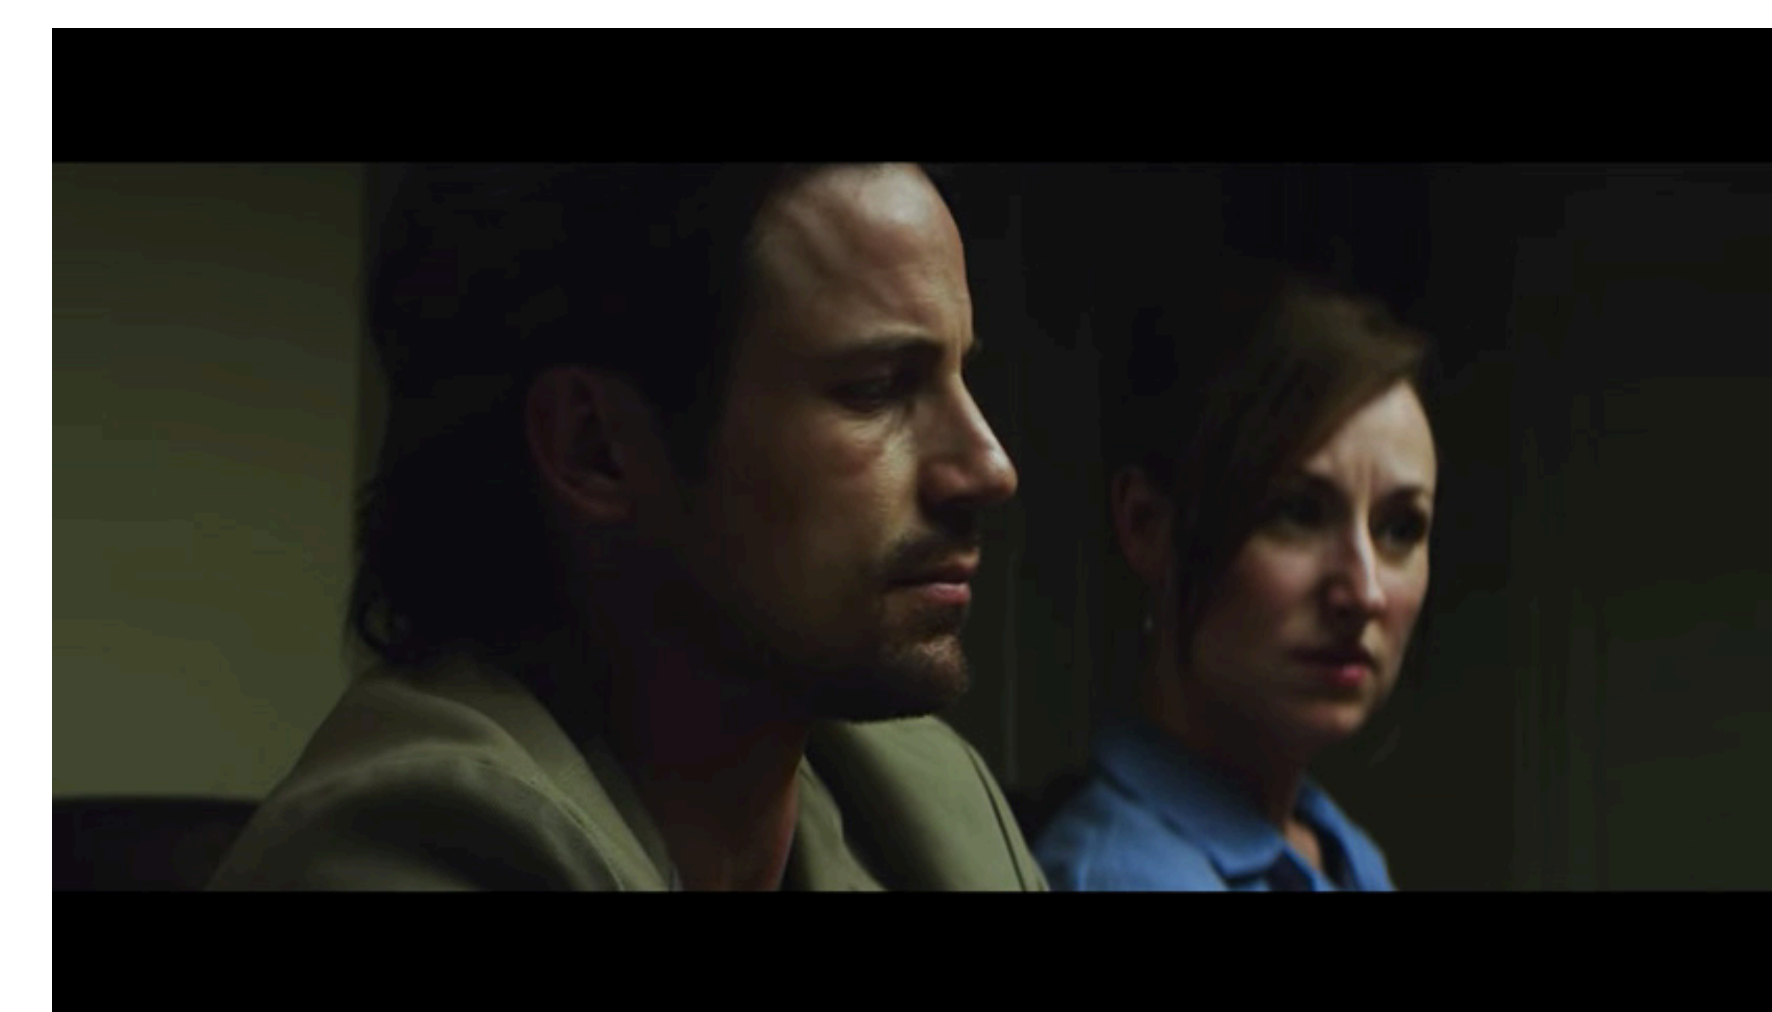

The Delvecchios are a close-knit extended family, but after the death of the patriarch, two feuding brothers are left to run the family business.

Then a dark family secret comes to light causing old grudges to be magnified and loyalties to be called into question. When one family member seeks to fix the ongoing turmoil he gets more trouble than he bargained for.

Inheritance is the story of how sons look to their fathers for identity, and how one son learns that true identity comes from a source deeper even than family.

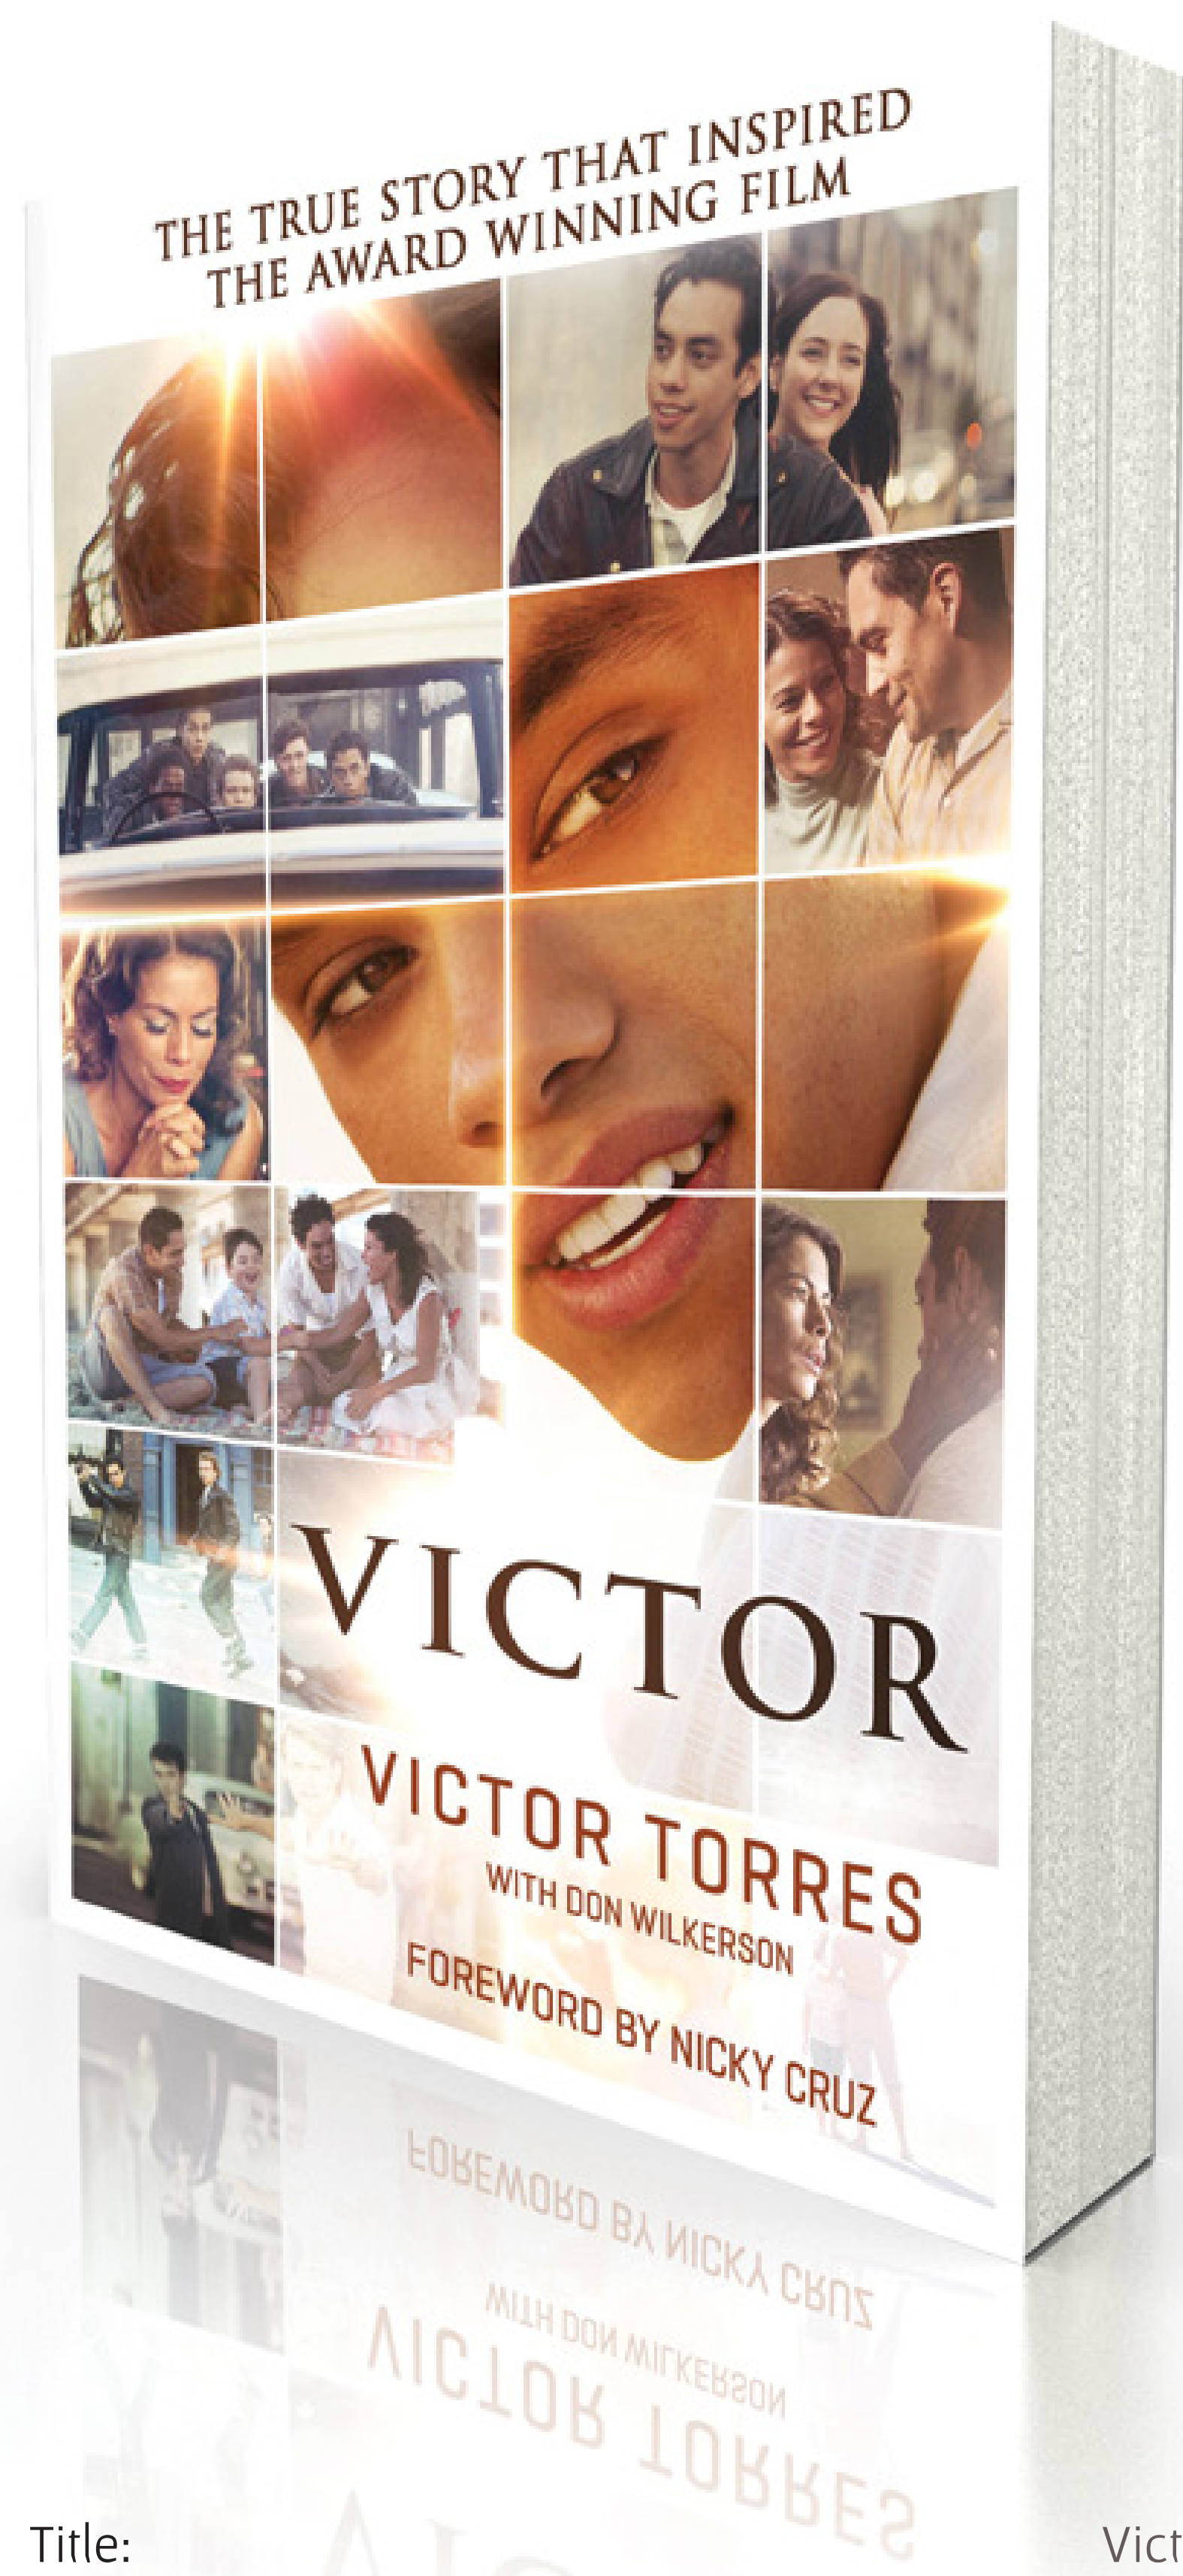

Starring Andrew Cheney (Beyond the Mask, Champion) and Robert Miano (the Book of Esther, Donny Brasco).

Description

– Fans of The Cross and the Switchblade will love Victor.

It is the true story of Victor Torres, who moved with his family from their native Puerto Rico to Brooklyn, New York, in search of a better life. Their American dream, however, quickly faded into a nightmare when young Victor was introduced to gang life on the New York streets. Within a few years, teenage Victor had set up a lucrative drug-trafficking business in an attempt to help his financially struggling family. But Victor quickly became enslaved by his own drug addiction, as his parents, Manuel and Lila, desperately searched to find a way to help their son.

Through the persistent prayers of Victor’s mother and the ministry of David Wilkerson, Victor’s parents realized that a faith-based rehabilitation program was their last chance to rescue their son. After a series of personal tragedies, Victor experienced a life-altering encounter with the Lord that changed everything.

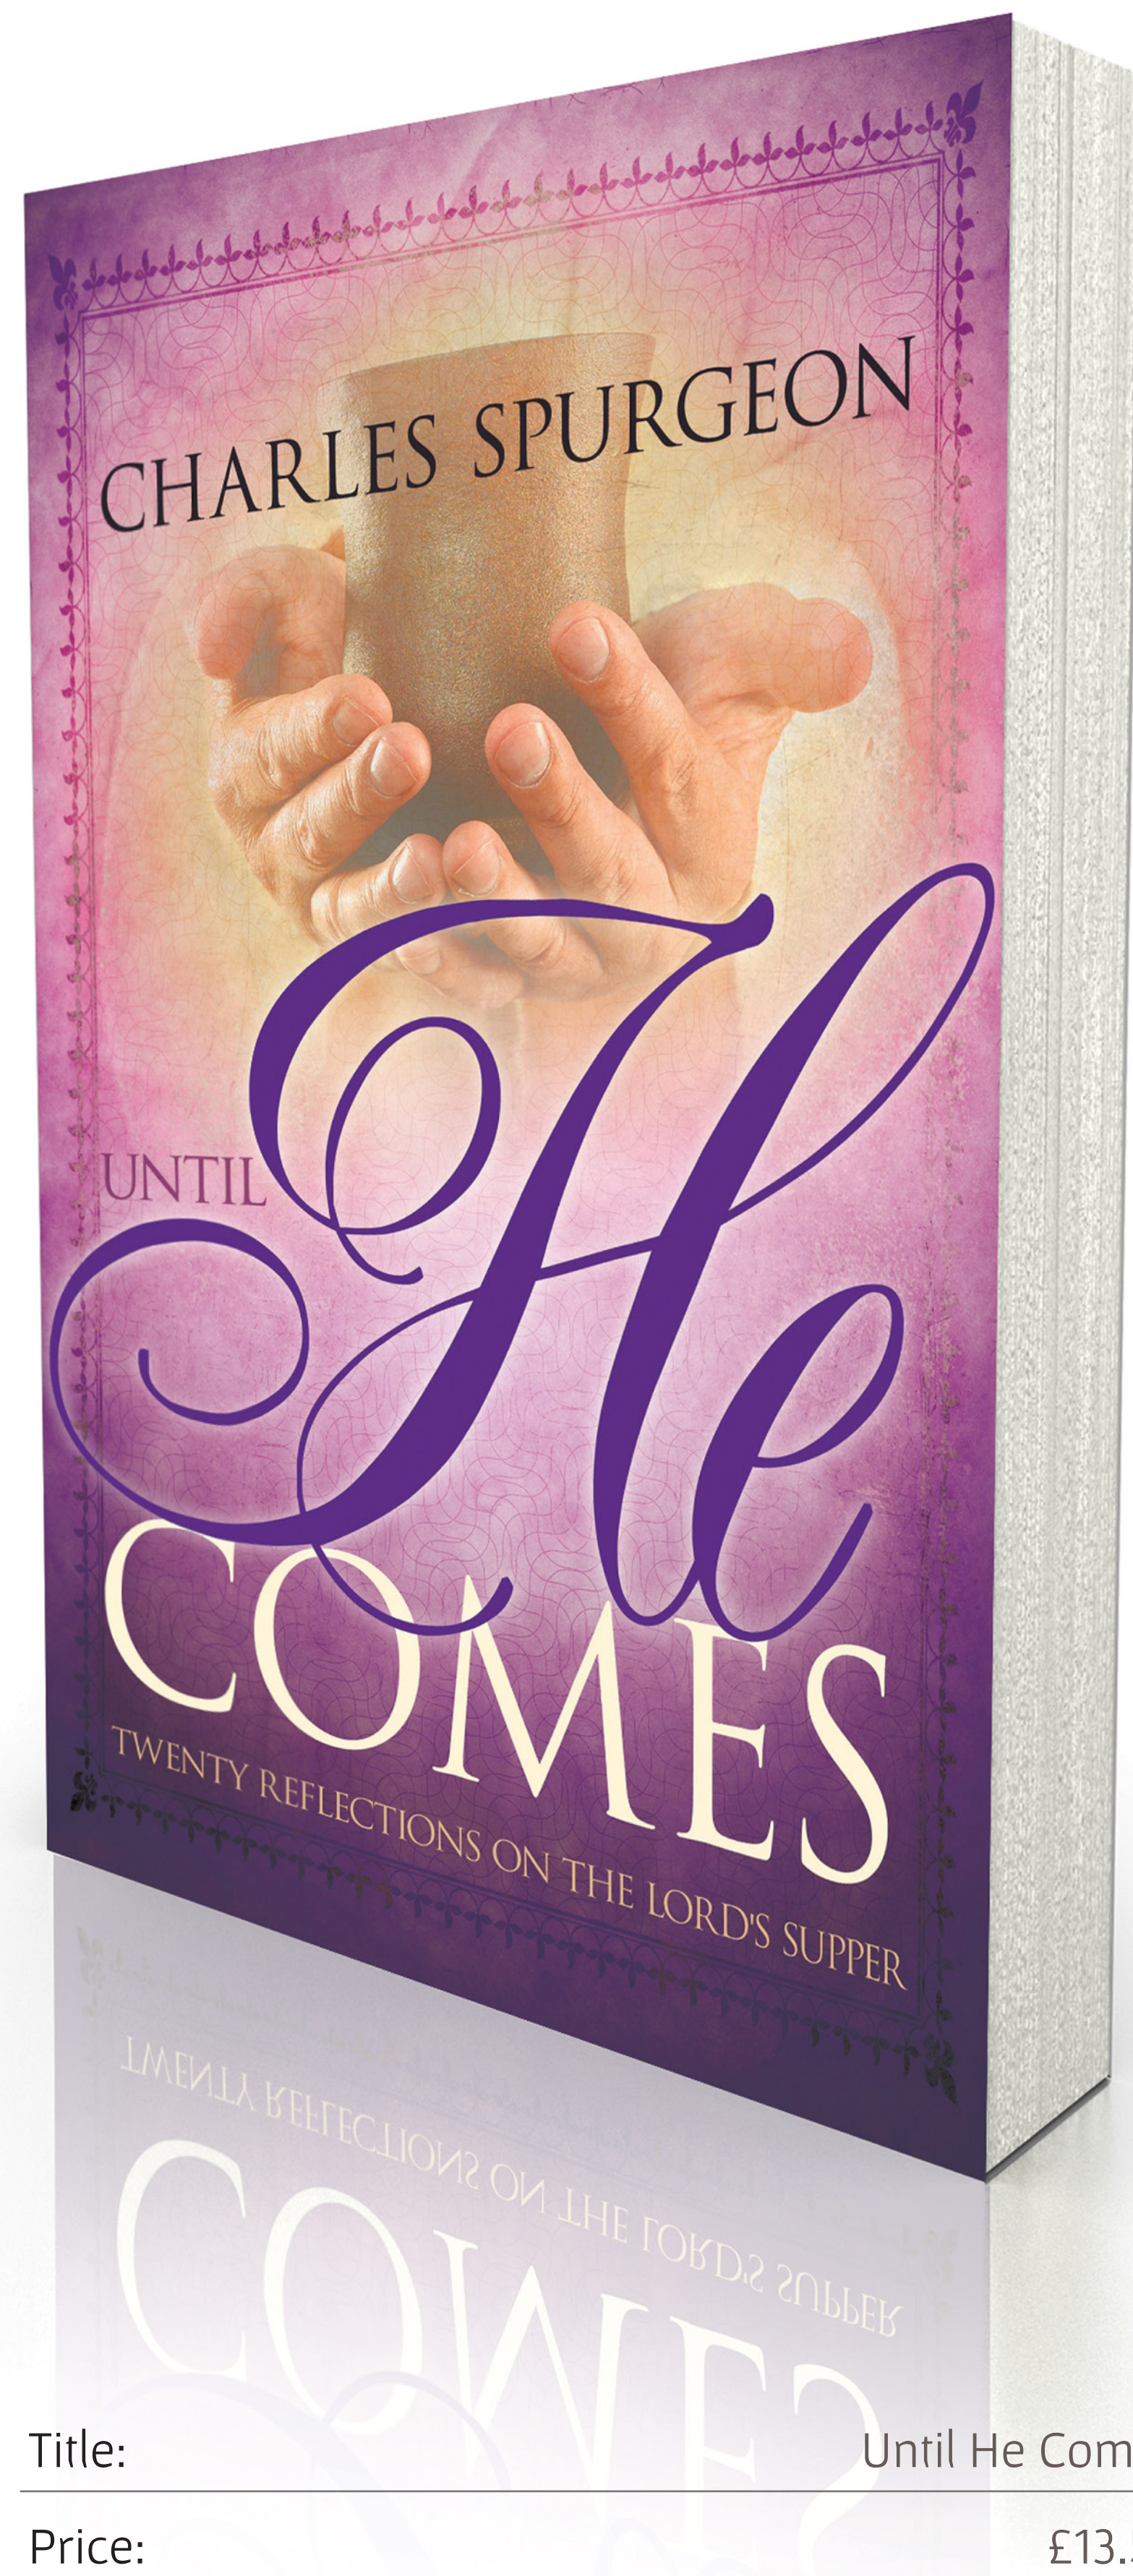

In this companion book to the award-winning movie of the same name, Victor Torres himself takes you through his journey, from tragedy to triumph, a living example of the power of redemptive freedom found only in Christ.

Description

– Twenty Reflections On The Lord's Supper

Spurgeon observed the Lord's Supper every Sunday, unless illness prevented it.

He often said that the more he obeyed Christ's command, "This do in remembrance of me" (Luke 22:19), the more precious his Saviour and the more helpful and instructive the celebration became to him.

He always intended to publish a collection of his reflections on the Lord's Supper, some given in front of thousands at the Metropolitan Tabernacle and some in front of two or three gathered in his living room; and although they were not published before his death, they have become a treasured favourite among fans of Spurgeon.

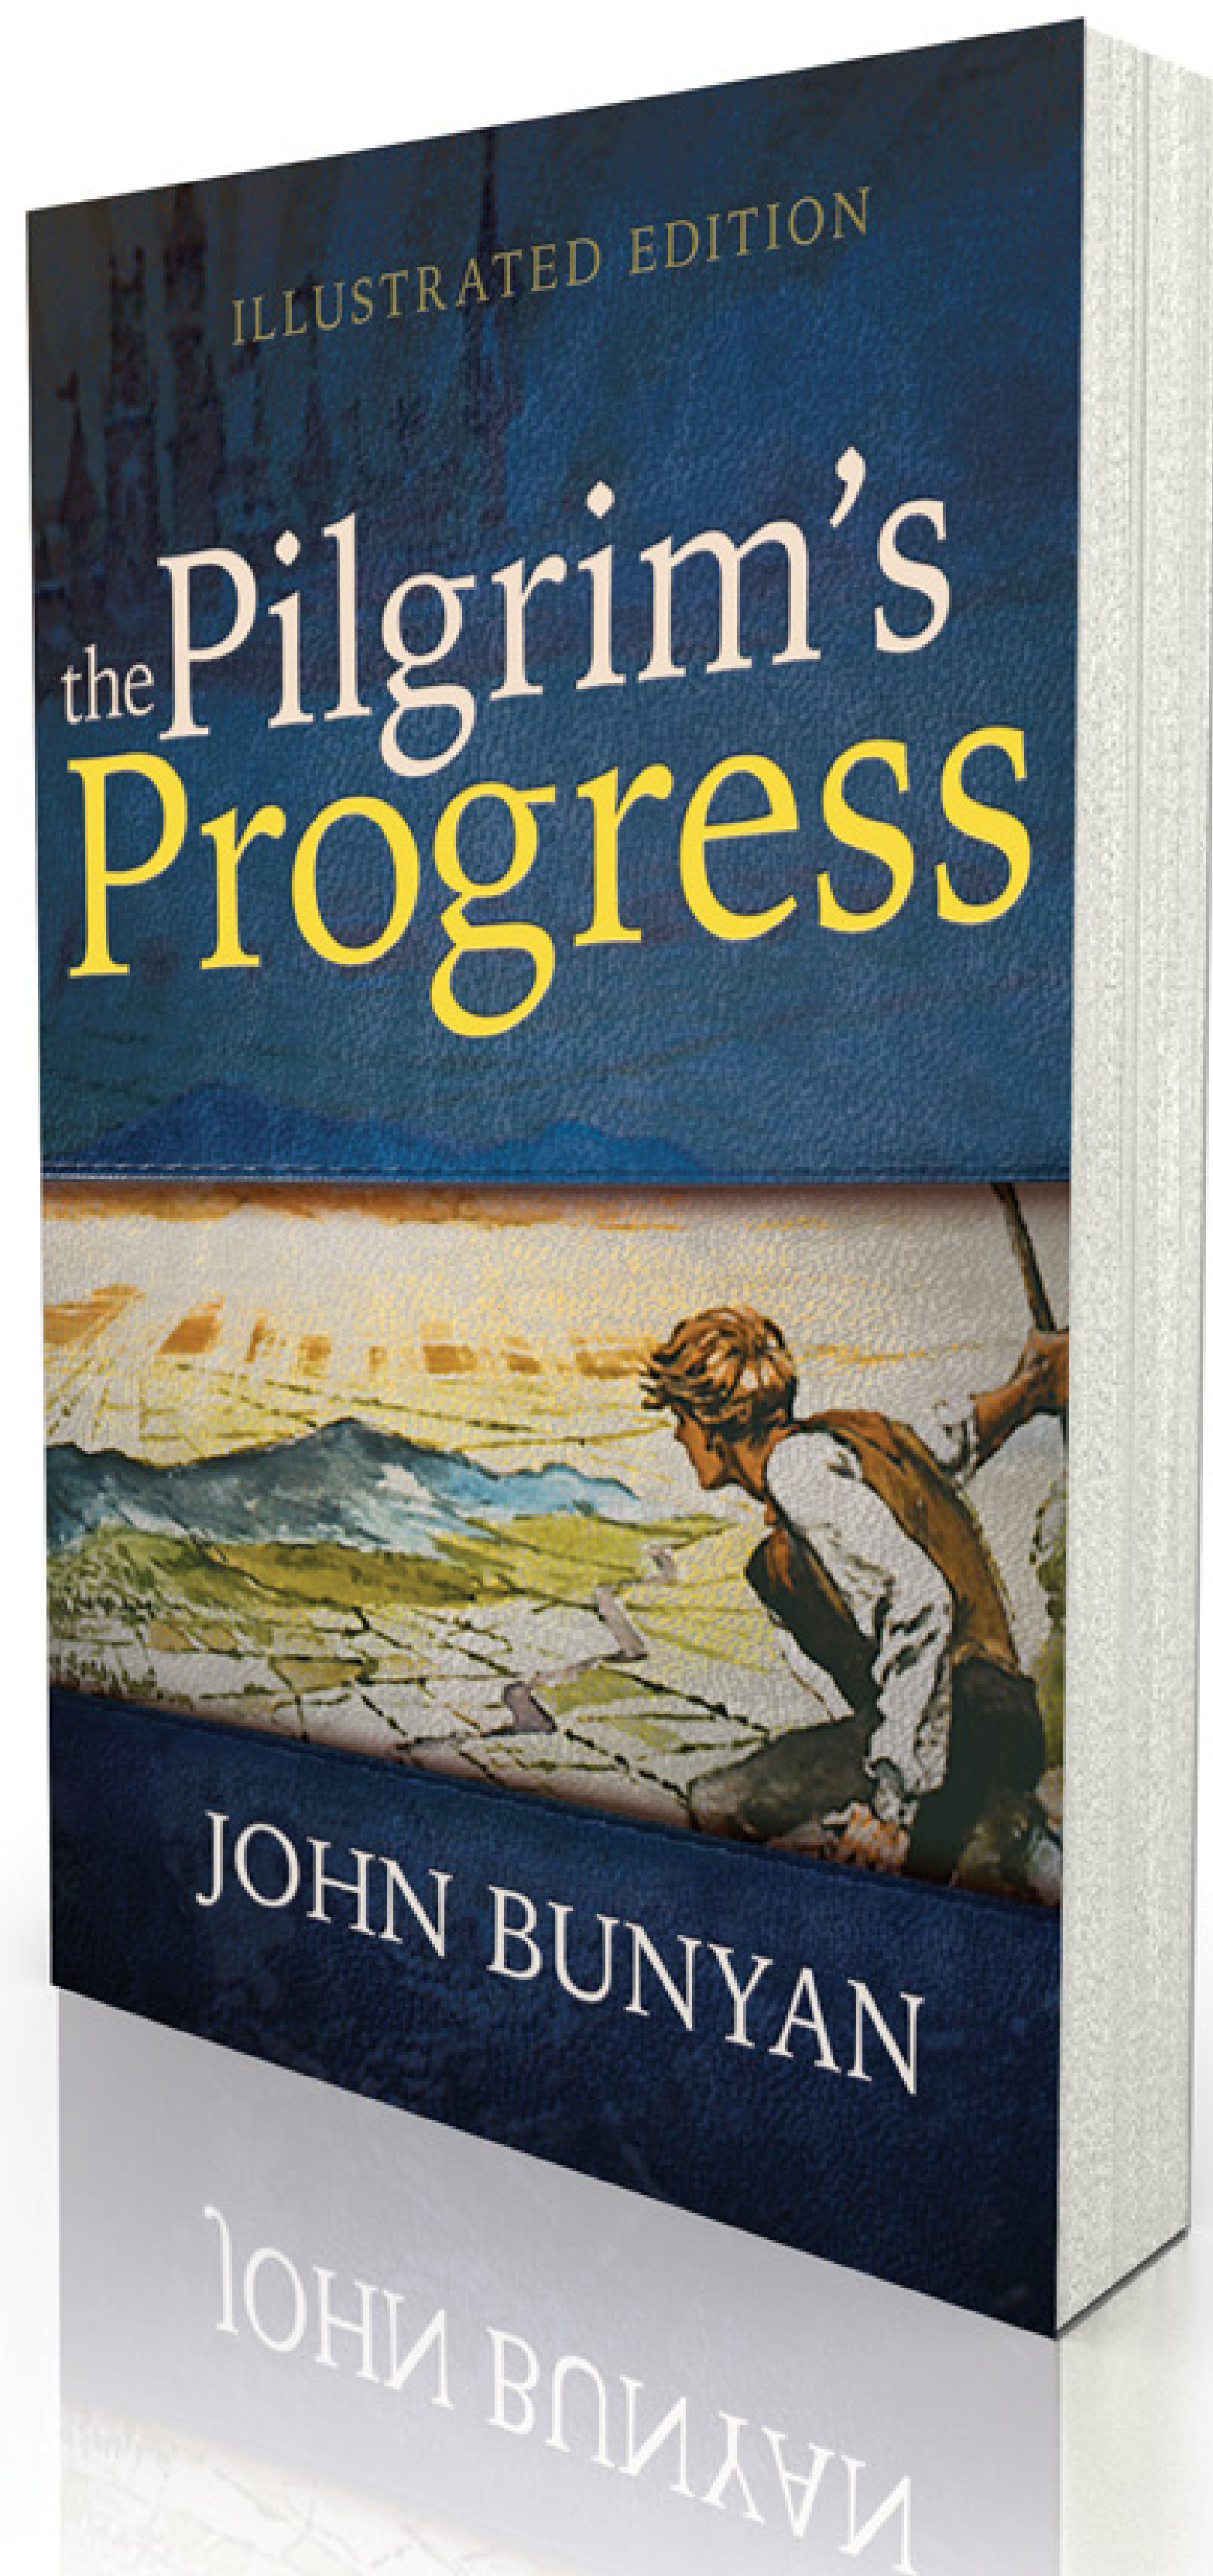

While centered on the Lord's Supper, these twenty reflections range topically from comfort, to redemption, to Christ's love.

About the Author

Charles. H. Spurgeon (1834–1892), the "Prince of Preachers," preached his first sermon at age sixteen. During his lifetime he preached to an estimated ten million people. He founded and supported charitable outreaches, including educational institutions. He also founded a pastors' college and the famous Stockwell Orphanage. Spurgeon published over two thousand of his sermons, as well as numerous books. Highlighted with splashes of spontaneous, delightful humour, his teachings still provide direction to all who are seeking true joy and genuine intimacy with God.

Description

Acclaimed as “one of the greatest literary masterpieces in the world,” John Bunyan’s beloved allegory captivates the reader’s attention while providing insight into the Christian life.

Join Bunyan in this illustrated edition as he tells the story of “Christian,” a man on an adventurous journey across rough terrain, over sunlit hills, and through dark valleys.

His trek is an intriguing allegory for today – mixed with the chivalric adventure of yesterday – as the pilgrimage takes us from the City of Destruction to the Celestial City whose builder and maker is God.

About the Author

John Bunyan (1628–1688) was born in Elstow, England, and his life was spared twice in his early years, something he believed God had done for a special purpose. In November 1660, when Bunyan arrived to preach in the little town of Lower Samsell, he was informed that a warrant had been issued for his arrest. Unwilling to denounce his Christian faith and his calling to the ministry, he was imprisoned for twelve years. Among the many writings he published during his imprisonment are *The Holy City*, *Grace Abounding to the Chief of Sinners*, and the most famous, *The Pilgrim's Progress*. After his release, he continued to write and publish stirring works that have endured through time. Among these classics are *The Holy War*, *Visions of Heaven and Hell*, and *Journey to Hell: The Life and Death of Mr. Badman*.
