## Description

On March 1st, KXC gathered at the iconic gig venue, Scala, right in the heart of their community in King's Cross, London, UK to worship, pray and record their new album 'All Things New'.

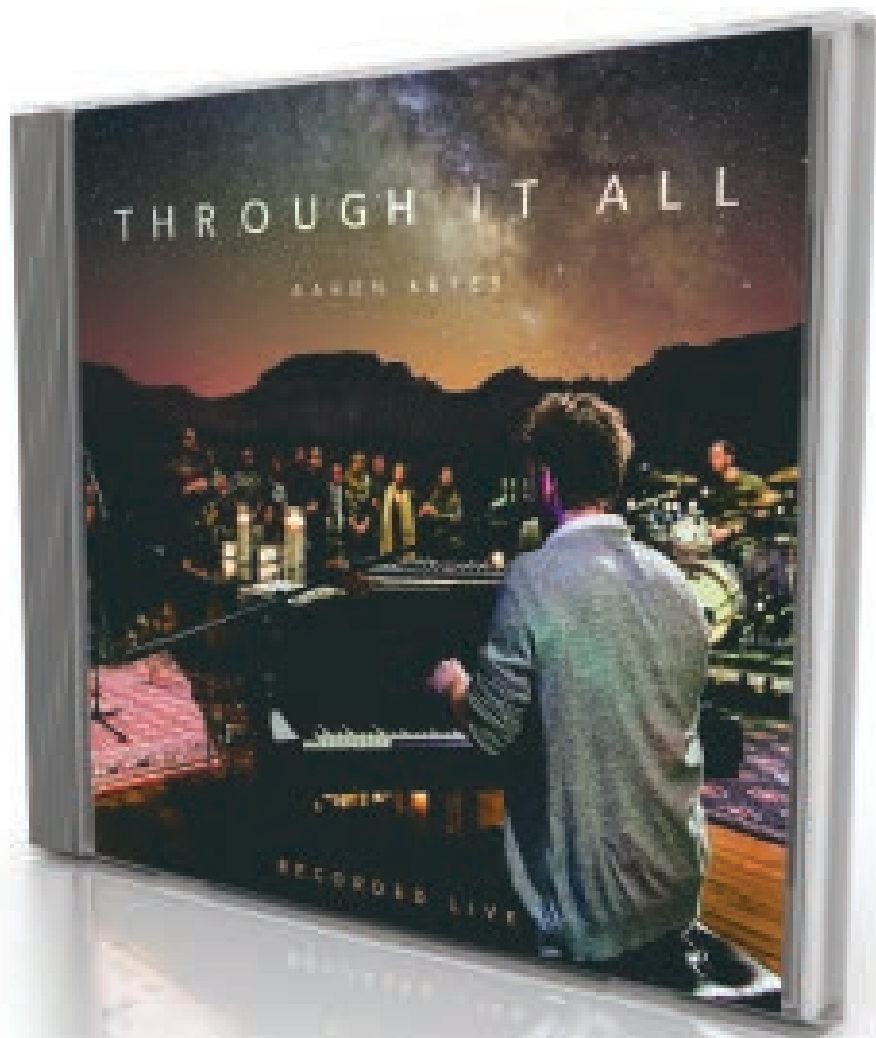

Recording took place in the wake of sudden tragic news that the producer Andrew Jackson (Jesus Culture, Matt Redman, Kari Jobe, Michael W. Smith, Bethel Music), who flew to the UK for the recording, died shortly after landing, aged only 29! Andrew's team made the courageous decision that they wanted to continue and finish the project as a way of honouring him. Pete Hughes, leader of KXC shares these insights from that moment "I hope this album enables people to know that whatever they're going through, God is with them, God is good, and his love for them will endure forever."

'All Things New' is a prayer of hope to arise in the darkest places and a song of deliverance for those in the worst situations imaginable.

'Be Lifted Up' is about choosing to put Jesus at the highest place in our lives. We all worship something or someone... but only Jesus can bring true life and freedom.

# Only The Brave – Live Worship From Spring Harvest 2018 CD

EPP  
SCALE OUT

## Description

This year's Spring Harvest theme was 'Only The Brave' and the live worship captured from this event is a bold declaration of love and devotion to Christ and the Gospel. Spring Harvest's Live Worship CD's are recognised as being a wonderfully inspiring audio window into the depth and diversity of declaration that rises up from thousands of voices, and the latest release from the most recent event is no exception.

'Only The Brave' features strong anthems of praise and heartfelt melodies of worship from all three locations (Minehead, Skegness and Harrogate) with lead worshippers Bright City, Elim Sound, Kees Kraayenoord and Pete James.

Popular songs 'Reckless Love', 'Build My Life', 'So Will I' and 'Gracefully Broken' sit majestically alongside newer songs including 'Your Kingdom Come', 'One', 'This Is Jesus' and 'Rock of Our Salvation'. An excellent album for individual or family devotion and as a resource for worship teams and churches.

Carry Me Home is a short film following the true story of Maria Ennals (Lindsey Grimble) and her family in the Antebellum South in the cold winter of 1860.

Maria is a young mother trapped in slavery who seizes the opportunity to escape with her family when she encounters HARRIET TUBMAN (Karen Abercrombie, War Room).

## Description

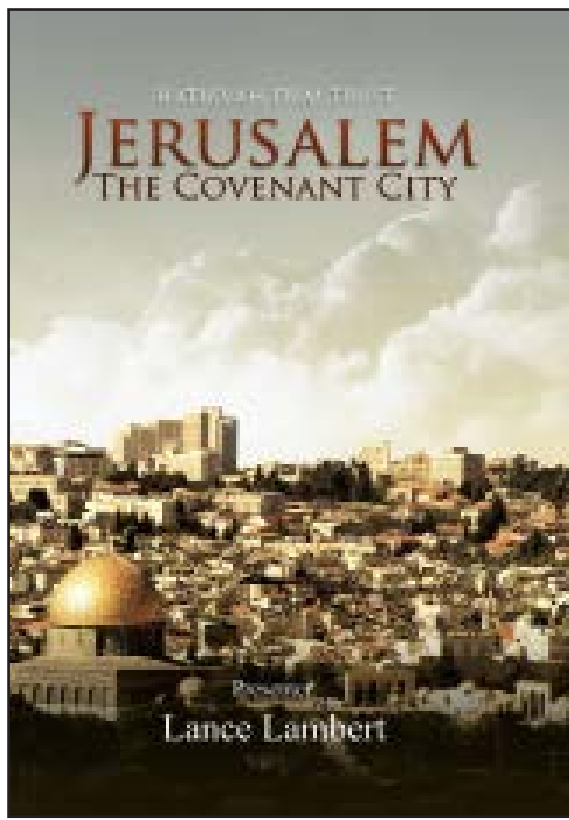

COVENANTS. SUPERPOWERS. PROMISES. BETRAYAL.  
Thousands of years ago God vowed to Abraham that He would “bless those who bless you, and curse those who curse you” (Genesis 12:3). Many individuals, nations, and empires have put God’s word to the test. As one of the greatest superpowers the world has ever known, has the United Kingdom’s history proved the potency and longevity of God’s ancient covenant with Abraham and his descendants?

This documentary film traces the rise and fall of the British Empire alongside Britain’s complex relationship with the Jewish People. What was Britain’s role in the re-birth of Israel in her historic homeland? How did Britain’s rich Christian heritage influence the geo-political factors surrounding the First and Second World Wars? Was the timing and circumstances of the tumultuous British mandate over Palestine merely coincidental? Is the demise of the British Empire a direct result of a forsaken promise?

In ancient times King Cyrus had a unique call to restore the Jewish People to their homeland. Is the UK a modern-day Cyrus?

## Description

Without doubt one of the greatest threats to society and the church today is the multifaceted environmentalist movement. Although its reach is often subtle, there isn't an aspect of life that it doesn't seek to force into its own mold.

Environmentalism has become a new religion

Environmentalism's policies are devastating to the world's poor

Environmentalism threatens the sanctity of life

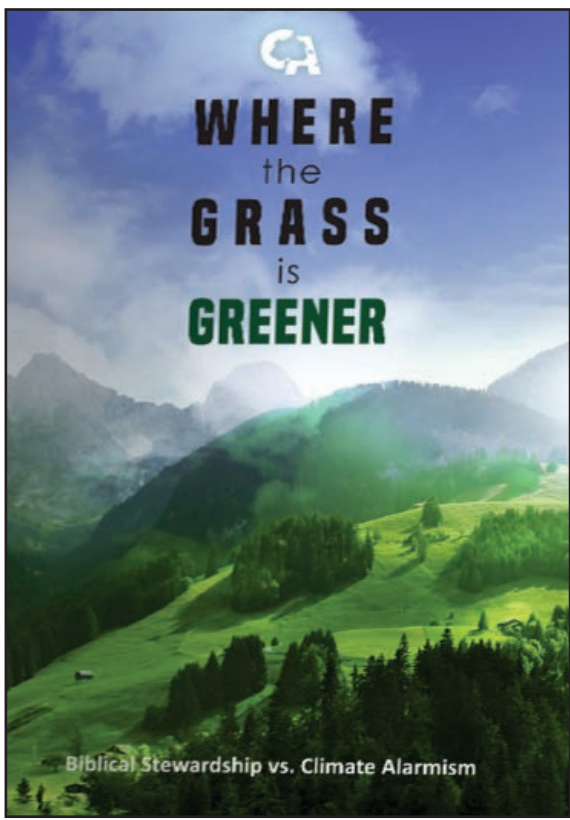

Environmentalism is targeting our youth

Environmentalism's vision is global

Resisting the Dragon takes its cue from James 4:7, "Submit therefore to God. Resist the devil and he will flee from you." Learn how the Bible powerfully confronts environmental fears and how – in God's wise design – people and nature can thrive together.

This explosive series, conducted by some of the top Christian leaders and scholars in America, contains twelve half-hour sessions along with a special 30-minute bonus documentary, which is suitable for churches, Sunday schools, families, classrooms, home schools, and small groups.

## Description

I'd gone through a very testing time in my personal life when God spoke to me very clearly: "You passed the test, but you still aren't ready for my greatest test..." Alarm bells rang and disaster scenarios filled my mind, before the Holy Spirit completed the sentence: "...my greatest test: the test of my blessing."

This statement set me on a journey – one I want to share with you. In this book you'll discover what type of person you need to become in order to handle the blessing of God, and to steward His greatest gift: more of the Holy Spirit.

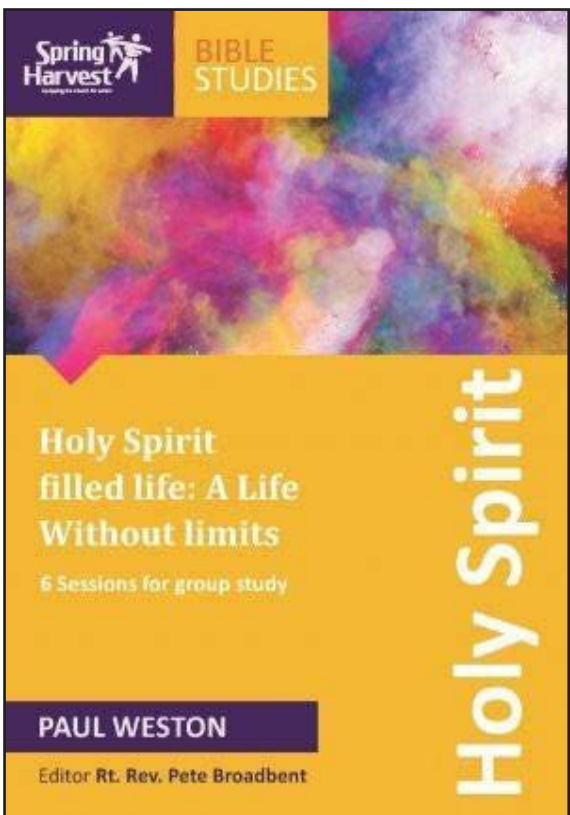

Lots of books have been written about Abraham, but not many about Isaac. Yet Isaac's story exemplifies how to prepare your life so you will be able to handle the overwhelming blessing of God. Isaac is the biblical example of what happens when a person willingly surrenders all to God.

In this book you'll discover the Isaac factors that will help you to receive all that Father God has for you – an outpouring of Heaven itself.

Description

The last three words of 1 John 4:8 form one of the most profound, amazing statements in the whole Bible. For many, they are also the hardest to believe. John proclaims confidently, “GOD IS LOVE!”

Like other writers of the Bible, he invites us to open up the Book and find God – the God of love. Love is the most breath-taking, awe-inspiring expression of God’s very nature. To grasp this is to find God and discover life. Yet both within and without the Church, few ever seem to find the God who is love.

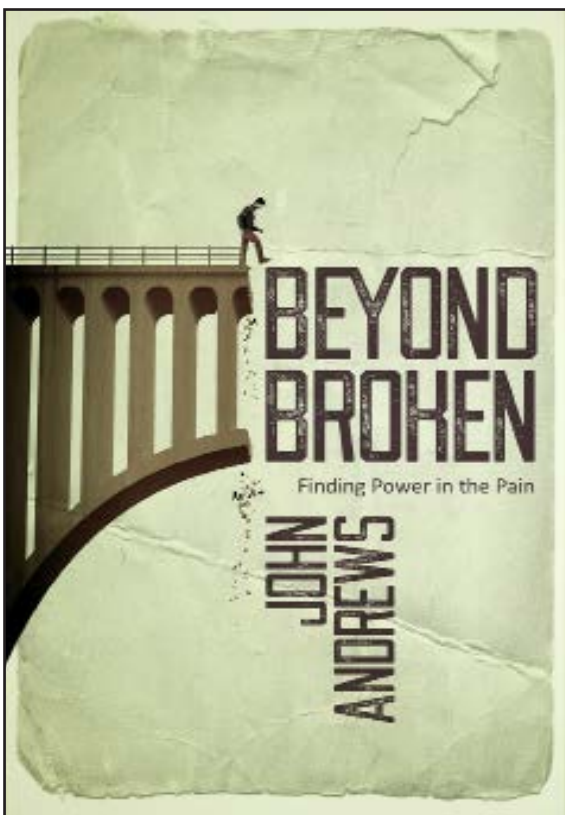

The most important thing a person can know is the truth that, You are loved! God knew exactly how much loving you would cost, and He was willing to pay whatever price had to be paid. Do you know how much you are worth to Him?

When we understand the true nature of God’s love for us, it opens the door for us to experience a quality of life far above the poverty and limitation of a servant mentality. We enter true sonship – as sons and daughters of our Father. Only then do we truly understand that we have nothing to prove and nothing to do to earn His love.

## What People are saying about ‘Find the Truth and Lock It In Your Heart’

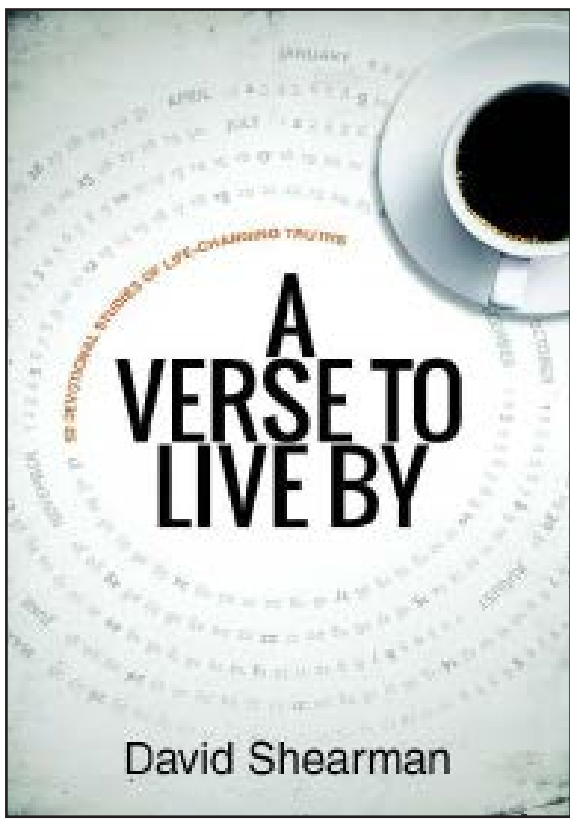

“A wonderful account of a faith journey, it will inspire, humble, inform, challenge and encourage many. Ralph shares his story with openness and clarity as he traces key aspects of his life, from a Jewish childhood in Sudan to Christian ministry in the UK” – Rev. Alex Jacob (The Church’s Ministry Among Jewish People (CMJ))

“Ralph can only be described as one of God’s ‘one-offs’. Here we have the cocktail of a truly amazing background, blended with a large dose of God’s sovereign purposes, well served with a deepening desire to adventure with God. Ralph’s story is both an affirmation of God’s grace and a challenge to our response to His call.” – Rev. John Fieldsend (Author & Speaker)

In GRAB A TOWEL, Message South Africa CEO Tim Tucker issues a clarion call to every leader who wants to make a mark for God.

It is counter-cultural. It is often costly. It is the way of Christ.

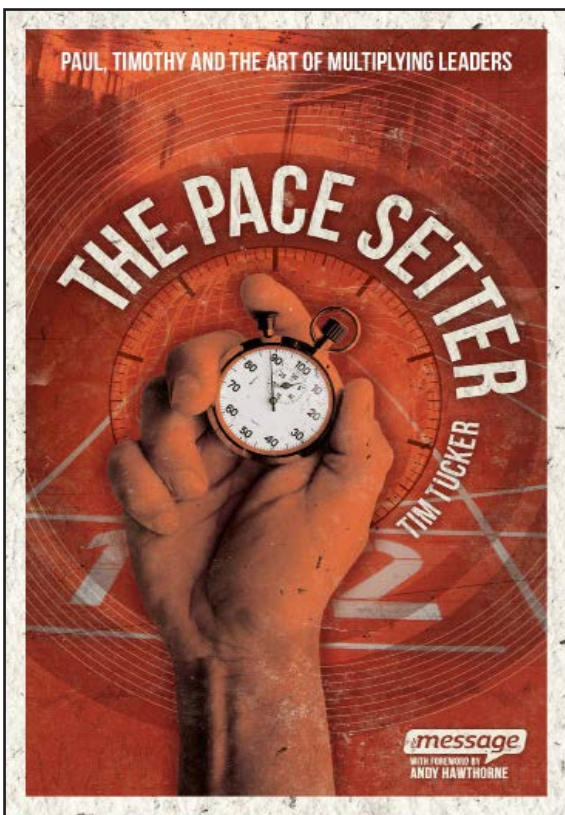

In this biblical yet highly practical book, Tim Tucker shows how Christ-centred servant leadership has helped The Message become one of the fastest growing mission movements of the twenty-first century.

Forged in the crucible of front-line mission to gang members and prisoners, GRAB A TOWEL shows not only that it can work, but that it does. Whatever our leadership context, in Jesus we have the perfect model to emulate.

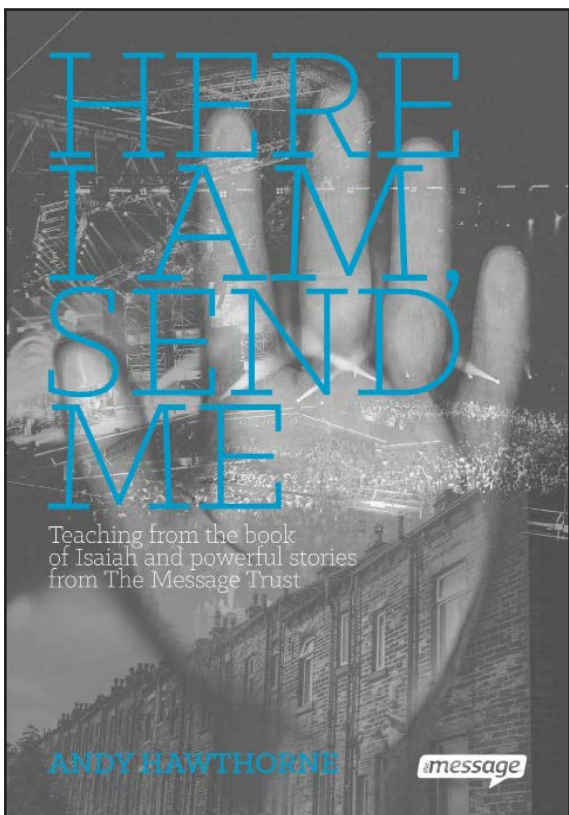

It's time to GRAB A TOWEL – and join him.

“Essential reading for any leader” – Andy Hawthorne.
