

DECEMBER RELEASES

Description

Off the back of the huge success at the U.S. box office, where the film grossed over \$80 million, and national cinema release in UK, 'I Can Only Imagine DVD' is due to release through Kingsway Trust in December 2018.

It tells the story of how Bart Millard (MercyMe) wrote the song of the same name, that has brought ultimate hope to so many ... often in the midst of life's most challenging moments.

Amazingly, the song was written in mere minutes, but in reality, the lyrics took a lifetime to craft. 'I Can Only Imagine' is a gripping reminder of the power of forgiveness, and beautifully illustrates that no one is ever too far from God's love – or from an eternal home in Heaven.

Stars Dennis Quaid and Priscilla Shirer (War Room).

Description

The year was 1940....Winston Churchill had just become Prime Minister when Germany launched their attack westward—and the nightmare of a second world war became a reality.

The British Expeditionary force had already been deployed when advancing Nazi forces threatened to surround them. Their best chance of evading defeat would be a strategic withdrawal to coastal Dunkirk. The risks of an evacuation were high and time was short as a national call to prayer sounded across Great Britain.

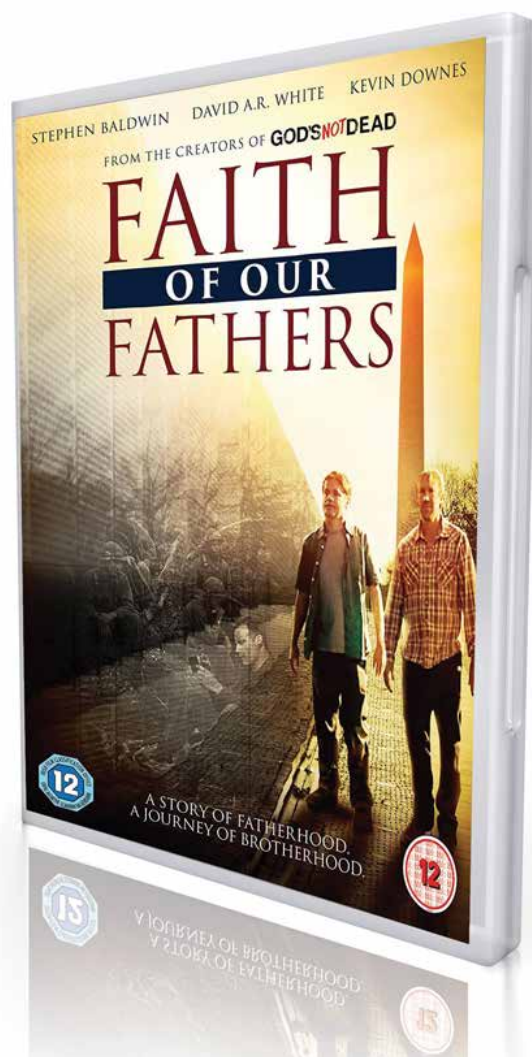

Narrated by Scott Burgess, this inspiring docu-drama features animated maps, original war-time film footage, and insightful interviews. All new reenactment scenes dramatically bring to life the emotion of the famous Dunkirk evacuation, which was code named “Operation Dynamo.”
