The Belonging Co. is a church in Nashville pastored by Henry & Alex Seeley. ‘All The Earth’ is a mammoth 17-track album that encompasses songs penned by and for their church. Perfectly capturing the heartfelt worship of their service, it is as rich in anthemic songs of praise as it is in soul-stirring worship tracks.

Description

The Keswick Convention is renowned for great teaching but also for a depth of worship that is rooted in theological truth and Christ discipleship. This years album is no exception. It contains stirring versions of well-known hymns 'All Creatures Of Our God And King', 'Love Divine' and 'I Cannot Tell' as well as contemporary classics including the Getty penned 'Facing A Task Unfinished' and the Getty/Townend collaboration 'Hear The Call Of The Kingdom' .

Alongside these, 'Sent' includes new songs by Keswick returning worship leaders Colin Webster and Phil Moore, 'See Jesus Stripped Of Majesty' and 'When The Word Of God', both of which went down really well with those attending.

Emu Music deliver some lovely moments with 'Won My Heart' and 'This Life I Live' and the excellent 'Stuart Townend' contributes newly written 'Christ Be With Me' and 'How Good It Is To Sing', capturing the poetic quality and heartfelt worship expression he is known for.

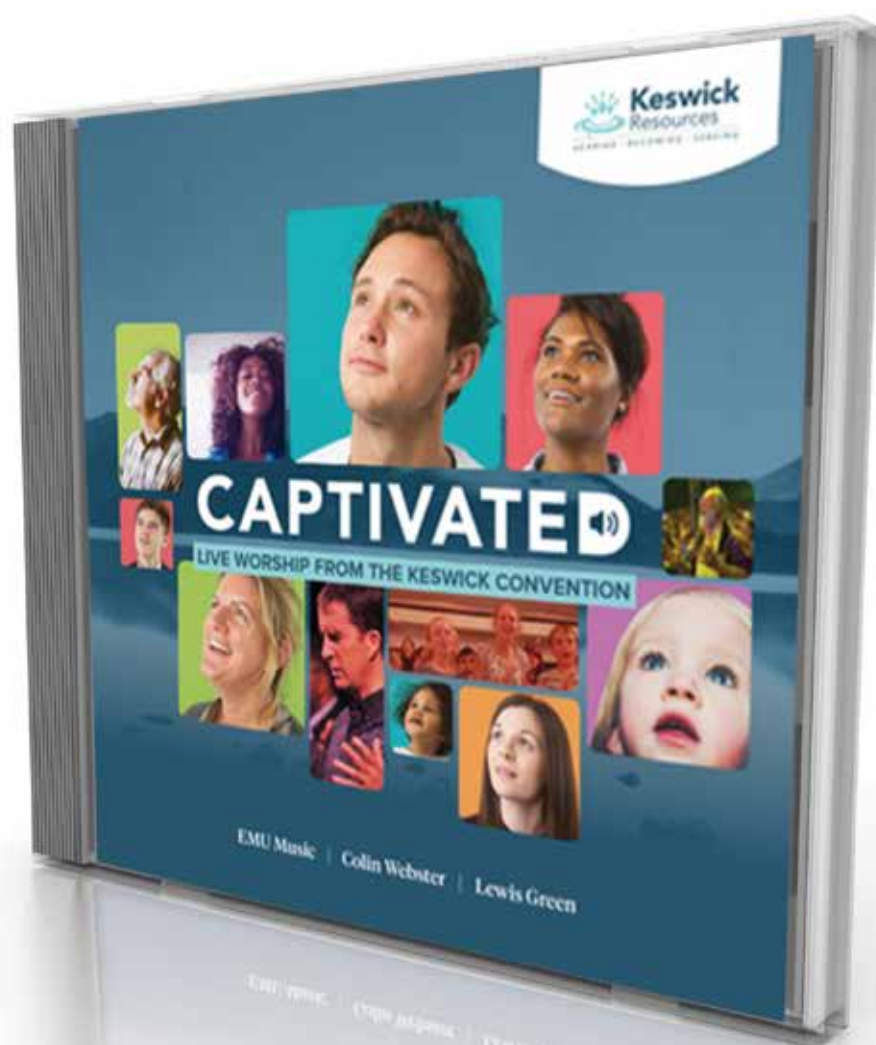

Altogether an excellent collection of songs to focus your faith and encourage your heart.

Description

“Follow” is a mix of new songs and fan favourites from Mark Schultz. Recording the album live was appropriate for this musician who thrives in that environment. “Most people thrive in the studio,” says Schultz, “but for me, I love the live shows so much...I just love the energy of people.”

The powerful title track parallels how Schultz navigates his life, not by his own will, but God’s. Originally inspired by a story he heard about a girl with a rough upbringing and no father-figure, Schultz discovered “Follow” was farther reaching than he knew: “As I lived with the song, I thought, ‘This isn’t just for her; this is for me. What do I follow?’”

Description

Recorded by Aaron and a group of his friends in Northern Ireland, this album is not just a collection of songs. It is a collection of declarations, prayers and of anthems that help us all hold the truth of the gospel over our lives.

“Jericho” is a song written in a night when the prayers of 3 friends broke through. Upon finding out Aaron’s eldest daughter Lily (who has Cystic Fibrosis) had to go into hospital for 2 weeks, Aaron, Jamie and Ryan did what they know best: they worshipped. Through all the questions, hurt and fear, a worship anthem sprung up.

The chorus of “Beauty For Ashes” was written while leading worship for 20 rescued girls in Cambodia. Songs such as “Story”, “To The World”, and “I Will Follow” have powerful messages that challenge us to be the hands and feet of Jesus.

Navajo – Code Talkers of World War II DVD

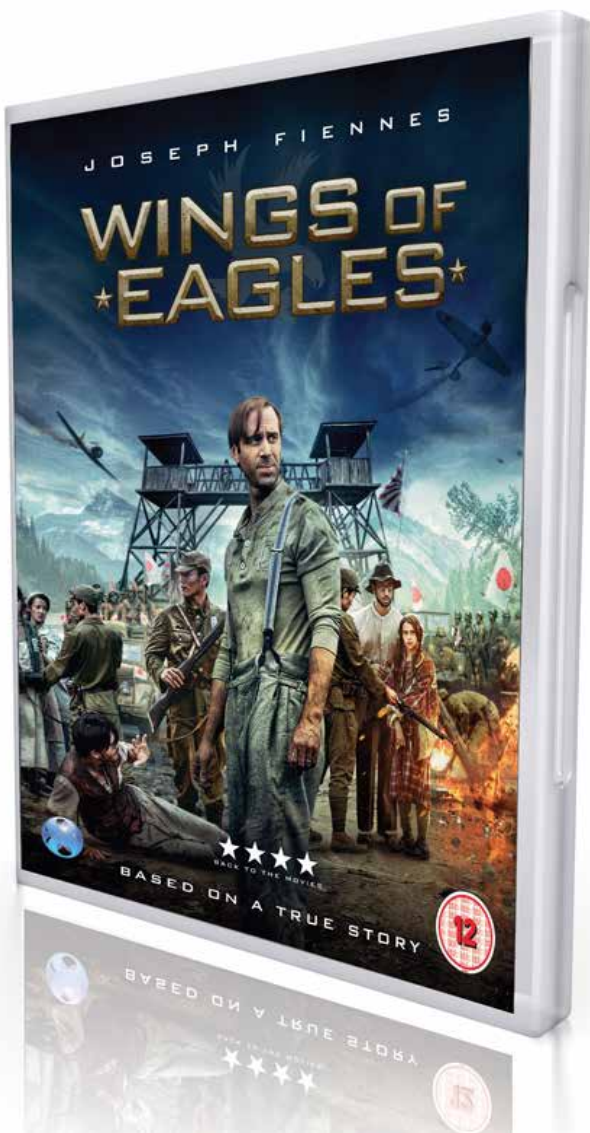

Description

Navajo Code Talkers of WWII provides viewers with highly personal insights from a group of Native American war heroes regarding their service on behalf of the United States and the Navajo Nation.

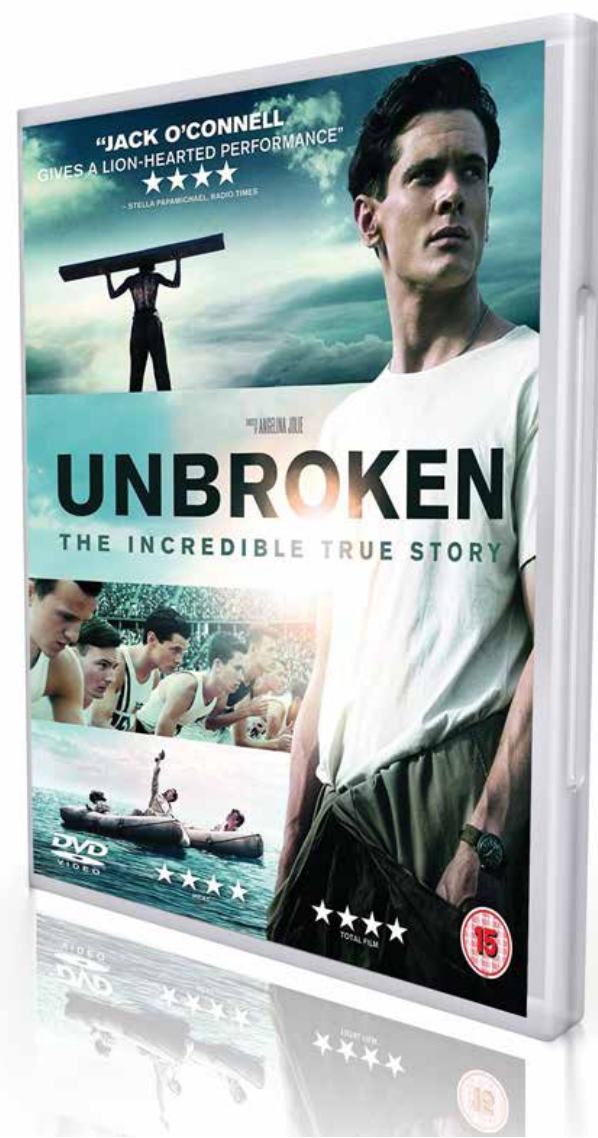

The secret code these marines developed based on the unwritten Navajo language was never broken, giving American troops an upper hand in many battles that ultimately led to Japan's surrender in 1945.

Filmed on locations in Iwo Jima, Okinawa, Saipan, Guam, and Tinian during two trips with six USMC World War II veterans and their family members, the documentary reveals the wartime stories of these heroes as they travel on their journey of remembrance.

Description

The human brain performs astonishing feats.

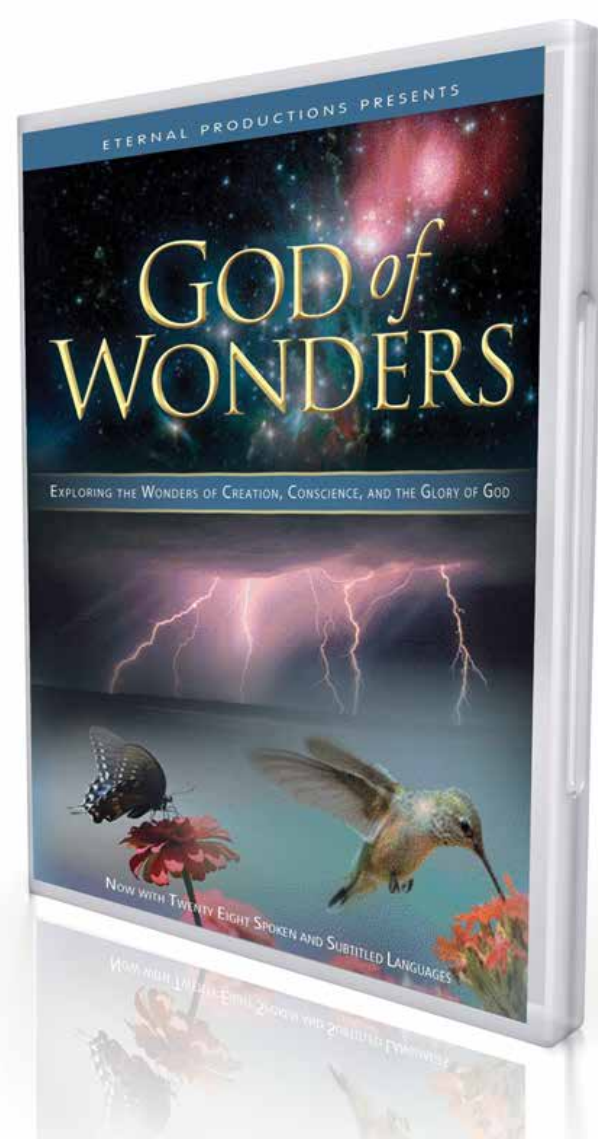

Neuroscientists attempt to understand how the brain works and find themselves confronted with the most fundamental questions about humanity: how is our personality connected to the structure of our brain? Could computers develop consciousness? Can the “I” be found in the brain? Do human beings have free will? Is consciousness possible without a brain? Are the experiences of God or transcendence merely an illusion of the neuron?

This documentary takes you on an interdisciplinary journey with neuroscientists, philosophers, theologians, all asking these great questions, and points to where science exceeds its limit to become a world view.

Description

Jeff Deyo invites you into a conversation about worship in a book that was written for anyone seeking to experience the Lord in a deeper way.

Does God’s presence seem distant? Do you have a friend who has grown numb to the things of God? Have you given up on hearing God’s voice in the way so many authors and preachers talk about? Are you ready to awaken your life to a vibrant, one-on-one relationship with the Father once and for all? This is your moment.

Your hope is about to be restored as you consider these questions and more:

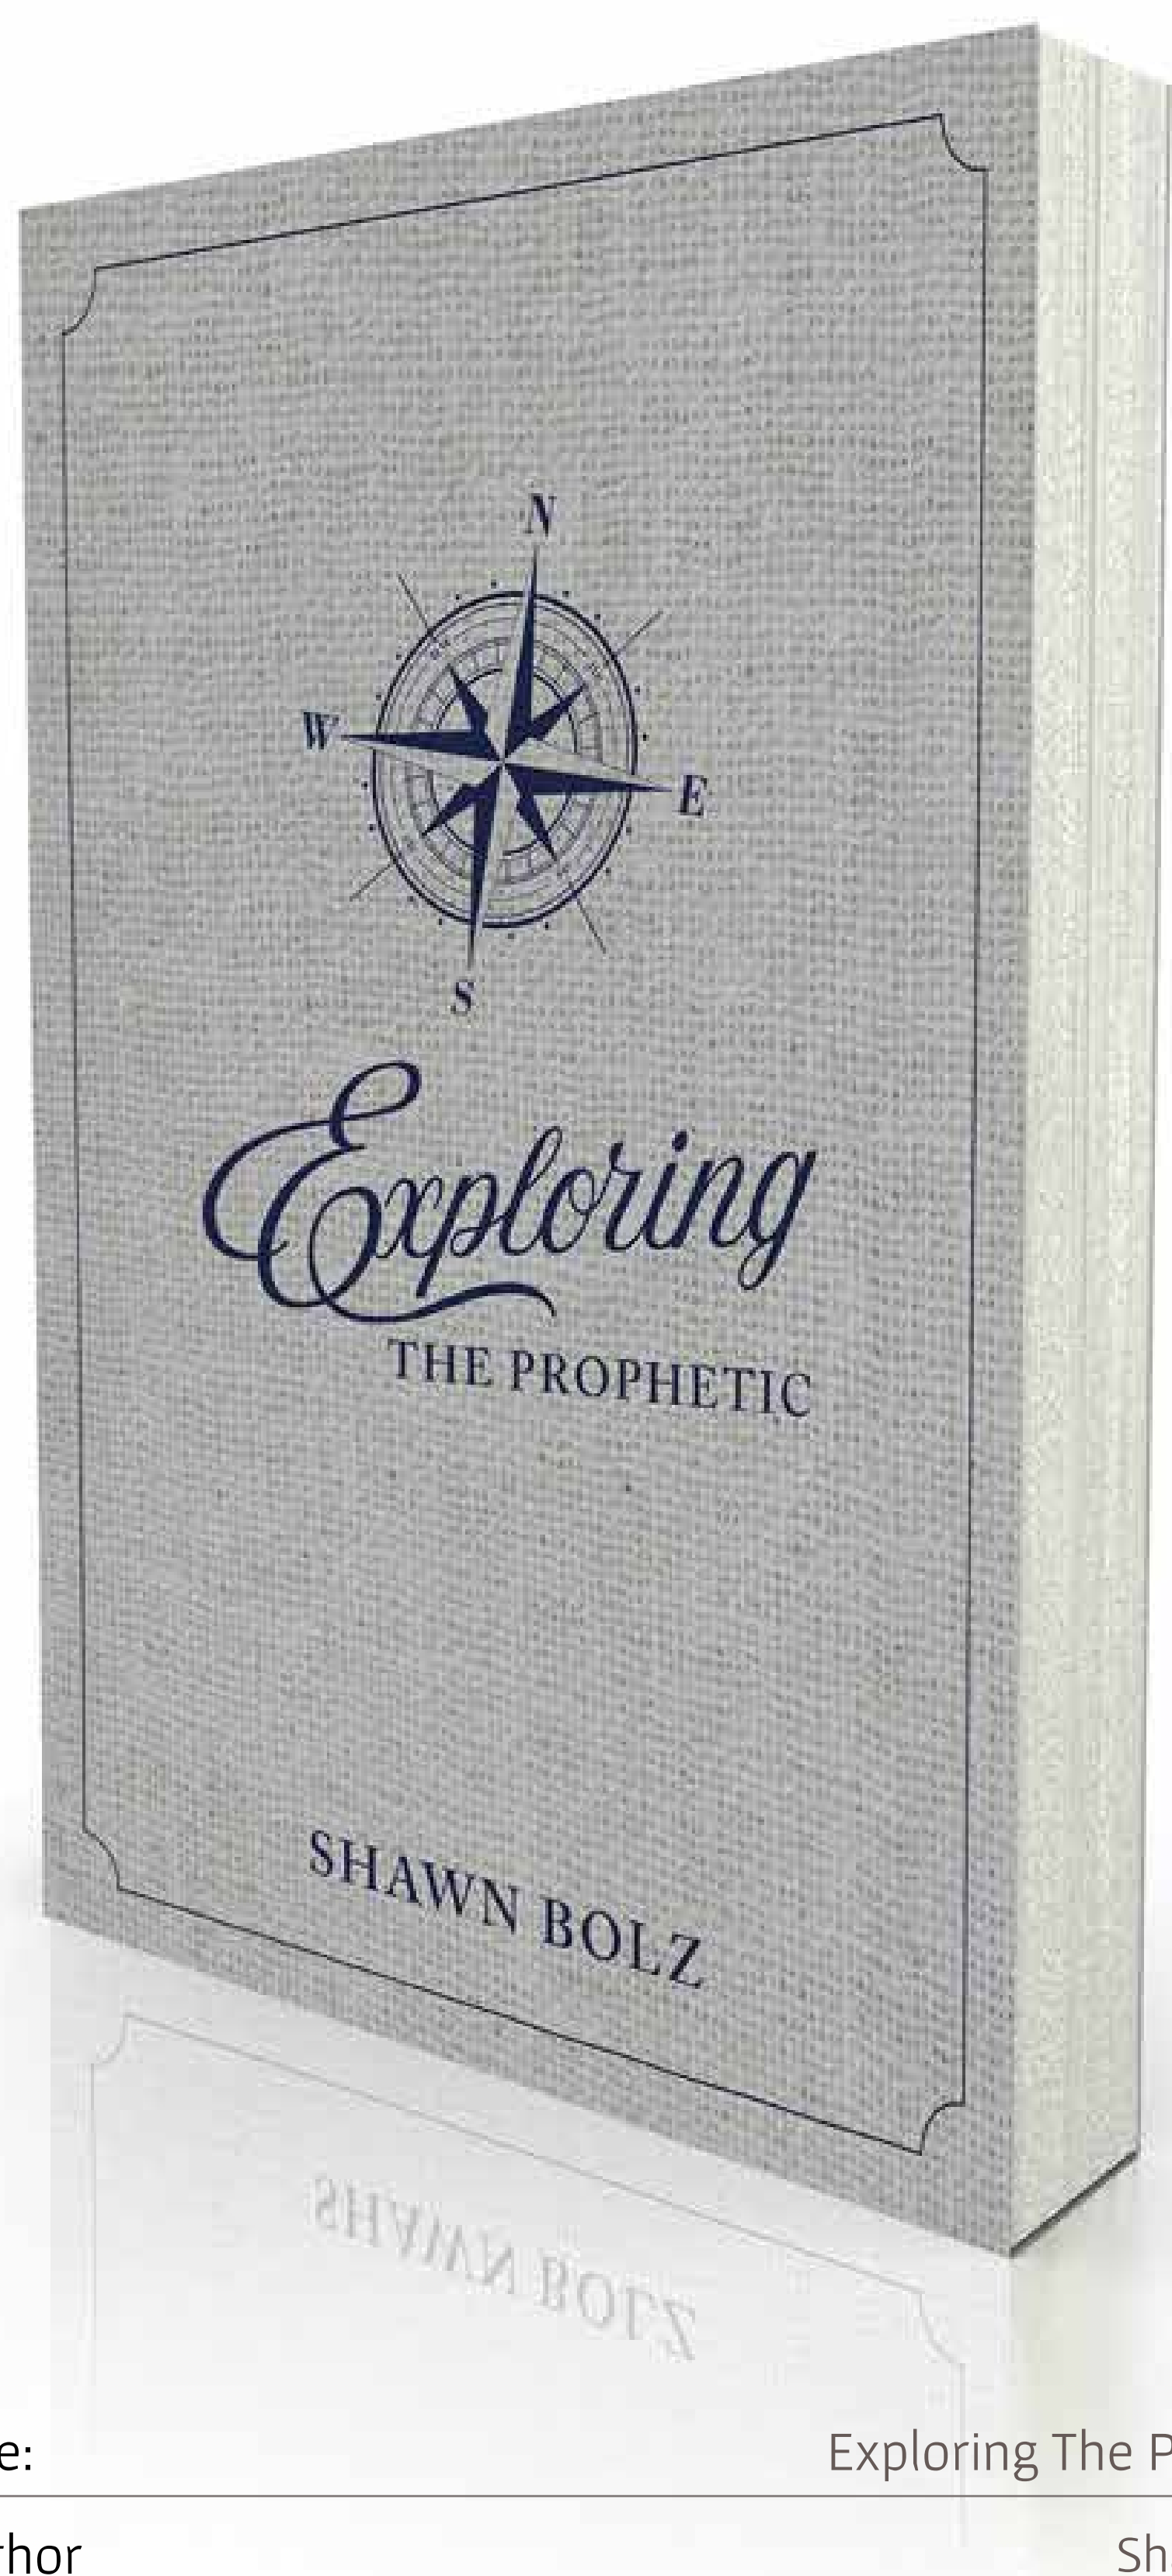

- Are we truly present in God’s presence?
- Do we encounter songs, artists, and atmospheres without encountering God Himself?
- What do we do when we lose the emotion that often surrounds worshipping God?
- Why are so many of us tempted to put ministry for God above intimacy with God?
- Are we unintentionally worshipping the image of a false god when we cherry-pick easy-to-swallow scriptures about God’s character?
- Can the good work of serving the poor and moving in the supernatural cause us to miss the one thing?
- Do we allow potential embarrassment to keep us from loving and worshipping God extravagantly?

Shift your perspective on relationship with God from obligation to invitation and rediscover authentic worship that reaches from the secret place to the marketplace.

Description

Keeping your love on. It's a hard thing to do. Sometimes it's the hardest thing to do. But if you want to build healthy relationships with God and others, learning to keep your love on is non-negotiable.

Adults and children alike thrive in healthy relationships where it is safe to love and be loved, to know and be known. Yet for many, relationships are anything but safe, loving, or intimate. They are defined by anxiety, manipulation, control, and conflict. The reason is that most people have never been trained to be powerful enough to keep their love on in the face of mistakes, pain, and fear.

'Keep Your Love On' reveals the higher, Jesus-focused standard defined by mature love – love that stays 'on' no matter what. Danny Silk's practical examples and poignant stories will leave you with the power to draw healthy boundaries, communicate in love and ultimately protect your connections so you can love against all odds. As a result, your relationships will be radically transformed for eternity.

When you learn to keep your love on, you become like Jesus.
