# God's Not Dead: A Light In Darkness DVD

## Description

A church destroyed. A congregation silenced. A relationship shattered. Yet even in life's darkest valleys, a small flame can light the way toward healing and hope.

A deadly fire rips through St. James Church, devastating the congregation and Pastor Dave. Adjoining Hadleigh University uses the tragedy to kick the congregation off campus. The escalating controversy creates a dilemma for the small church – can Christians fight for their rights and be the light for Christ at the same time?

Facing a court case and his own struggle to see Christ's light in heartbreak, Dave asks for help from Pearce, his estranged brother. The family reunion opens old wounds, as the brothers wrestle with the questions that pulled them apart years ago: Is God really good all the time? Where is God when bad things happen? Can Christ really heal the brokenhearted?

GOD'S NOT DEAD: A LIGHT IN DARKNESS is a powerful reminder that in all circumstances, we are called to be a light for Jesus to a world in desperate need of hope.

## Description

When tragedy strikes three families, their destiny forces them on a converging path to discover God's love, grace and mercy as the challenges of their fate could also resurrect their beliefs.

Pastor DAVID NEWMAN is a loving husband and father, set to take over his dad's church while neglecting the promises he's made to his 12-year-old son, ERIC.

KATE HERNANDEZ is a spiritually driven single-parent and owner of a local restaurant. Her daughter MARIA is a free-spirited teenager aspiring to be the first in her family to go to college.

JOHN DANIELSON is the owner of a failing construction company who sees his daughter MICHELLE's fledgling singing career as a way out of financial trouble.

The lives of these strangers collide when two twists of fate strike back to back.

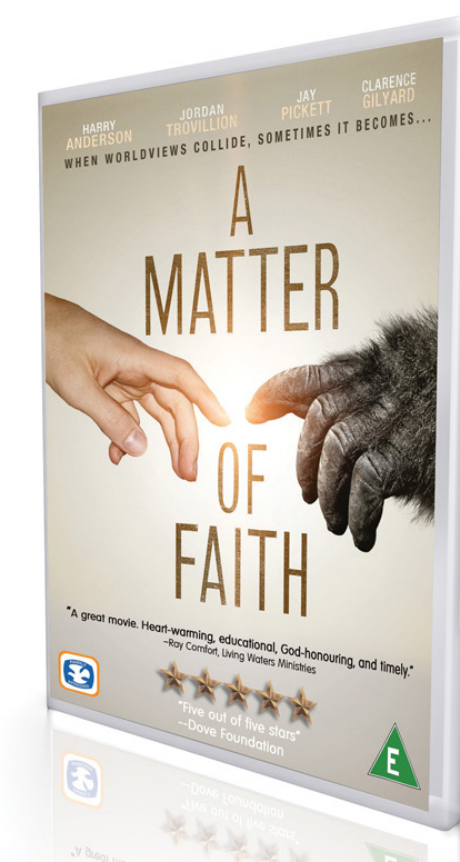

All three families find themselves at a crossroads, questioning their faith and the higher power that guides their lives. As each family member deals with their issues, their worlds start to intertwine. Will the families give in to the loss, pain, and uncertainty that has shattered their lives or will they find the tie that binds them all together through hope, trust, redemption and goodwill?

# Unbroken/ Unbroken: Path to Redemption 2-DVD Collection

## Description

The complete unbelievable true story brought to life in this two film collection – including Unbroken and all-new movie Unbroken: Path To Redemption.

### Unbroken

Academy Award® winner Angelina Jolie directs and produces this epic drama that follows the incredible life of Olympian and war hero Louis “Louie” Zamperini (Jack O’Connell) who, along with two other crewmen, survived on a raft for 47 days after a near-fatal plane crash in WWII – only to be caught by the Japanese navy and sent to a prisoner-of-war camp. Adapted from Laura Hillenbrand’s (Seabiscuit: An American Legend) enormously popular book, it’s the inspiring true story about the resilient power of the human spirit.

### Unbroken: Path to Redemption

Beginning where the hit movie Unbroken concludes, the next chapter brings the rest of Louis Zamperini’s inspirational true story to life. After surviving years of torture as a prisoner of war, Louis (Samuel Hunt) returns home from World War II, where he meets and marries Cynthia (Merritt Patterson). Haunted by his past, he is driven deep into despair. But when Cynthia turns to God at the 1949 Billy Graham Crusade, her most fervent prayer for Louis is to find peace and forgiveness. Based on Laura Hillenbrand’s bestselling book, Unbroken: Path to Redemption is a “beautiful, beautiful film” (Kathie Lee Gifford, Today Show).

### Bonus Features Include:

- The Making of Unbroken: Path to Redemption
- Reliving the Revival
- “You Found Me” by Switchfoot – Music Video, The Making of “You Found Me”

## Description

Like countless others Philippe, Michel, Andre and Patrick were labelled ‘idiots’, locked away and forgotten in violent asylums, until the 1960s, when the young philosopher Jean Vanier took a stand and secured their release – the first time in history that anyone had beaten the system. Together they created L’Arche, a commune at the edge of a beautiful forest near Paris. A quiet revolution was born.

Now in his 80s, and still at L’Arche, Jean has discovered something that most of us have forgotten – what it is to be human, to be foolish, and to be happy.

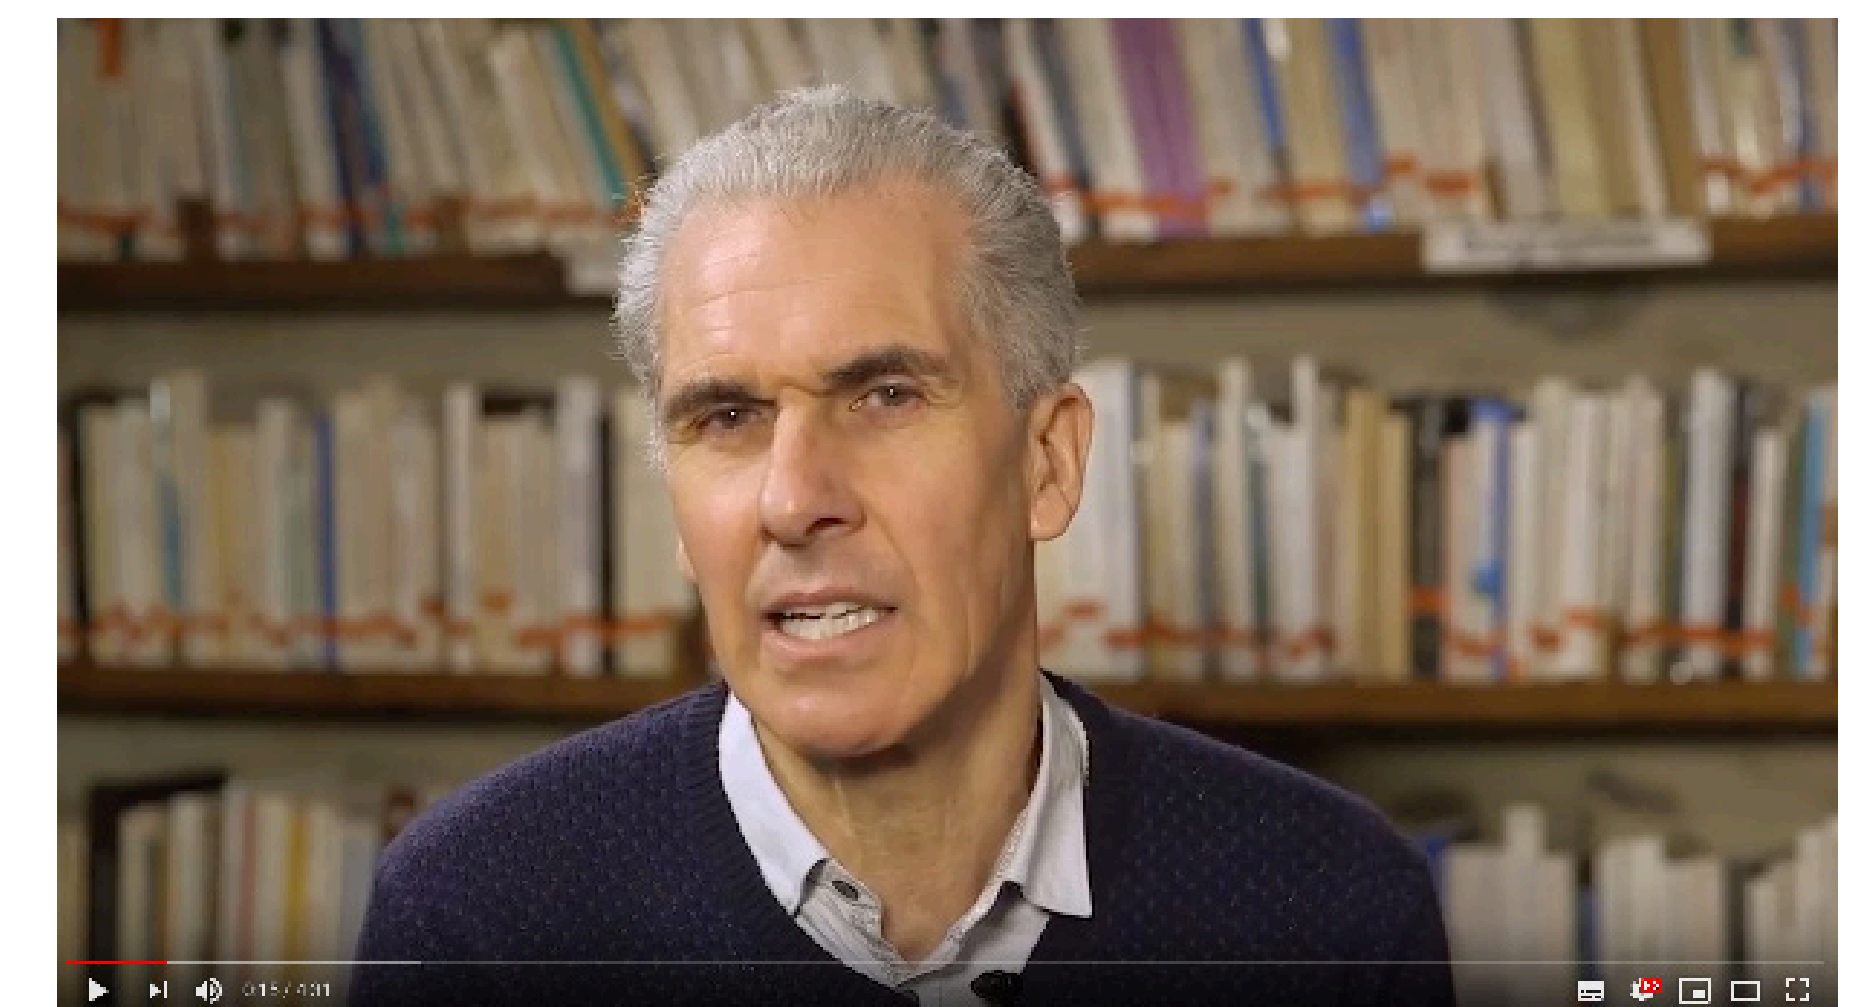

SUMMER IN THE FOREST invites us to abandon the rat race and forge new friendships. Amid the ancient trees, Philippe, Patrick, Jean and the others welcome us into their lives. If there are rules to break, they will be broken and if there is a truth to be told, they will tell it. Michel reveals his war torn past, Andre is desperate for a date, and young David will prove himself a hero in the fight against the forces of evil.

Features an interview with Nicky Gumbel.

# Pope Francis – A Man Of His Word DVD

## Description

In March 2013, Cardinal Jorge Mario Bergoglio from Argentina was chosen to become the latest leader of the Catholic Church, selecting the Papal name of Francis.

Pope Francis – A Man of His Word, written and directed by three-time Academy Award® nominee Wim Wenders, is intended to be a personal journey with Pope Francis, rather than a biographical documentary about him.

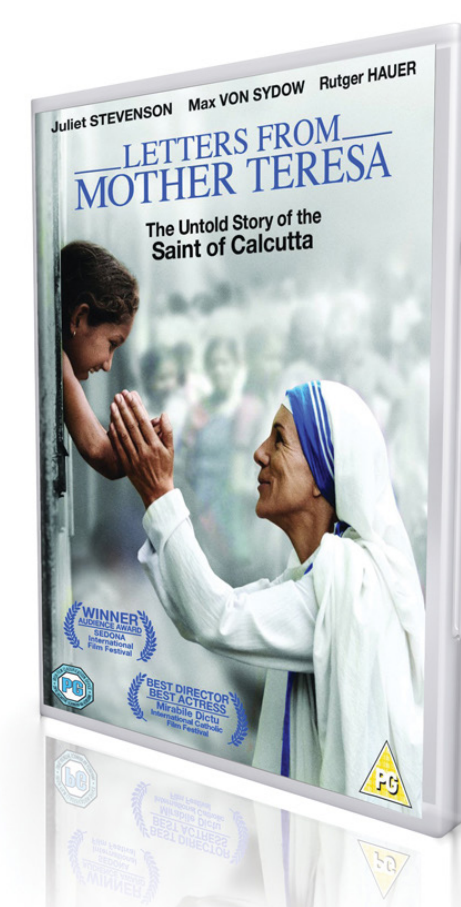

A rare co-production with the Vatican, the pope's ideas and his message are central to this documentary, which sets out to present his work of reform and his answers to today's global questions from death, social justice, immigration, ecology, wealth inequality, materialism, and the role of the family.

# The Man of Galilee DVD

## Description

The Sea of Galilee is shaped like a harp. It's just 21 kilometers long, 13 kilometers at its widest and lies 200 meters below sea level, with an average depth of just 25 meters.

In the first century, there were over 200 towns and villages around the Sea of Galilee, and over 250 boats fished its waters. The Galilee was a thriving agricultural region and was the setting for much of the mission of Jesus Christ.

In Nazareth, Capernaum, Bethsaida, Tiberias, Tabgha, Magdala, at the Mount of Beatitudes and along the Jordan River, Keith Garner explores the ministry of Jesus in the context of first century life, explains biblical stories, and considers the questions asked of Jesus by his followers and adversaries, and which challenge the Christian faith today. Six 26-minute episodes:

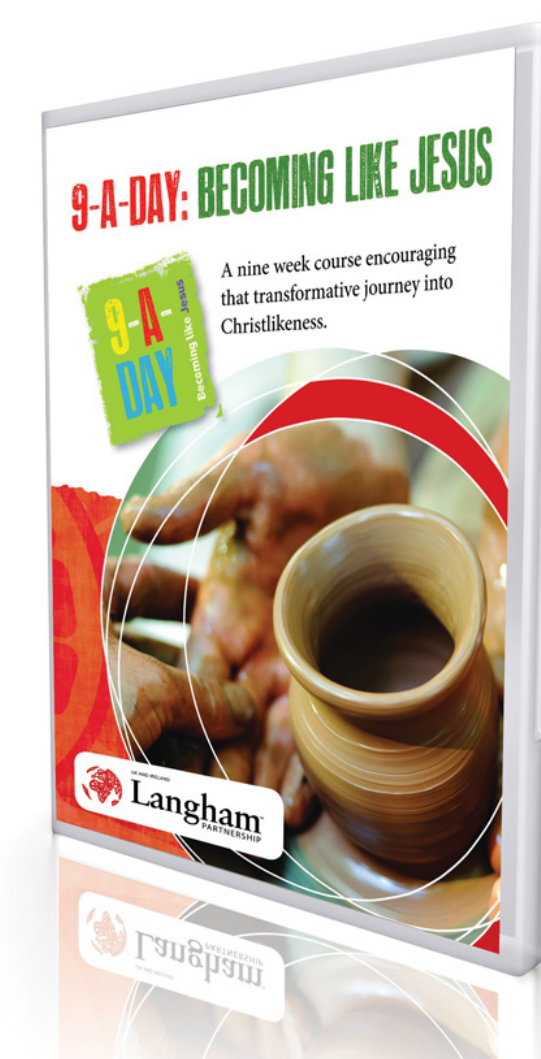

Episode 1 – Who is the Man of Galilee? Episode 2 – How does Jesus call people? Episode 3 – How does Jesus teach people? Episode 4 – How Jesus spoke to others. Episode 5 – Detractors and adversaries. Episode 6 – Life and Religion.

## Description

2 billion people watched the Royal Wedding on Saturday 19th May 2018.

The love and emotion in the cathedral between Harry and Meghan warmed the nation, but there was one stand out performance by the incredible 'The Kingdom Choir.' As the Cathedral paused throughout every lyric of the beautiful delivery of "Stand By Me" they made the already massive hit their own. The choir's debut album track listing includes heart-rending renditions of Beyoncé's Halo, John Legend's All Of Me as well as the title track of the album. Also on the album is a brand new, emotionally powerful ballad written by members of The Kingdom Choir called Chases.

## Description

If your passion is to make a significant contribution to building a thriving local church in your community, this devotional is for you.

Each day it will:

- Focus your praying on specific aspects of your local church family
- Grow your understanding of the nature and purpose of the local church, and
- Provoke you to practically play your part in building your local church

Jesus said, 'I will build my church and the gates of hell will not overcome it' (Matthew 16:18). Our task is to build with Him and for Him; to build only the wonderful, multifaceted church we read about in the Bible, and through it to bring salvation and freedom to our world.

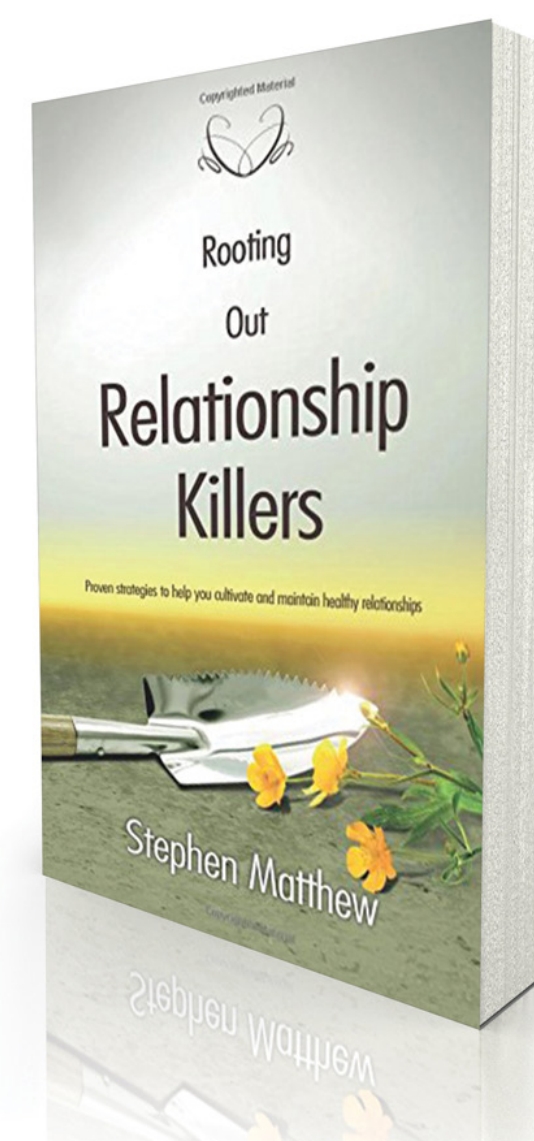

For that to happen, you must bathe your local church – its people, projects and wider community – in prayer, because prayer draws God into your church-building endeavours and ensures we build His House and no other. Let's pray ... and build!

## Author Bio

An international itinerant minister birthed from a 4-day meeting in Canada, Randy Clark illustrates perfectly the aphorism, "don't despise small beginnings." The son of an oil-field worker, Randy, like most from his generation, learned the importance of perseverance.

After his miraculous healing from a car accident when he was eighteen, he felt led to go into the ministry. Since that day, November 20, 1970, Randy's involvement in ministry soared. Shortly after graduating with a Bachelor of Science in Religious Studies 1974, Randy went on to receive his Masters of Divinity from The Southern Baptist Theological Seminary in Louisville, KY in 1977.

Now an international speaker, Randy Clark demonstrates the Lord's power to heal, with great tenacity. With more than 30 years of pastoral experience, and 44 years of ministry, Randy's love for people exudes.

Randy has travelled to over 50 countries and continues to travel extensively to see that God's mandate on his life be fulfilled. He resides in Mechanicsburg, PA, with his wife, DeAnne. They have 4 adult children and eight grandchildren.

## Description

Within the ancient book of Job there are keys to inner healing.

The enemy often uses seasons of suffering as opportunities to speak lies about God, yourself, and your situations. If not confronted, these lies can create life-long wounds.

Traditionally, the book of Job is read as an account of suffering. But Teresa Liebscher, co-founder of Sozo, invites you to see this ancient Biblical text as an invitation to powerful inner healing through defeating the enemy's lies and maintaining strong connection with God.

As you encounter Job through this revelatory lens, you will experience healing from past hurts and become positioned to face any trial with God's supernatural power and divine perspective!

Learn to...

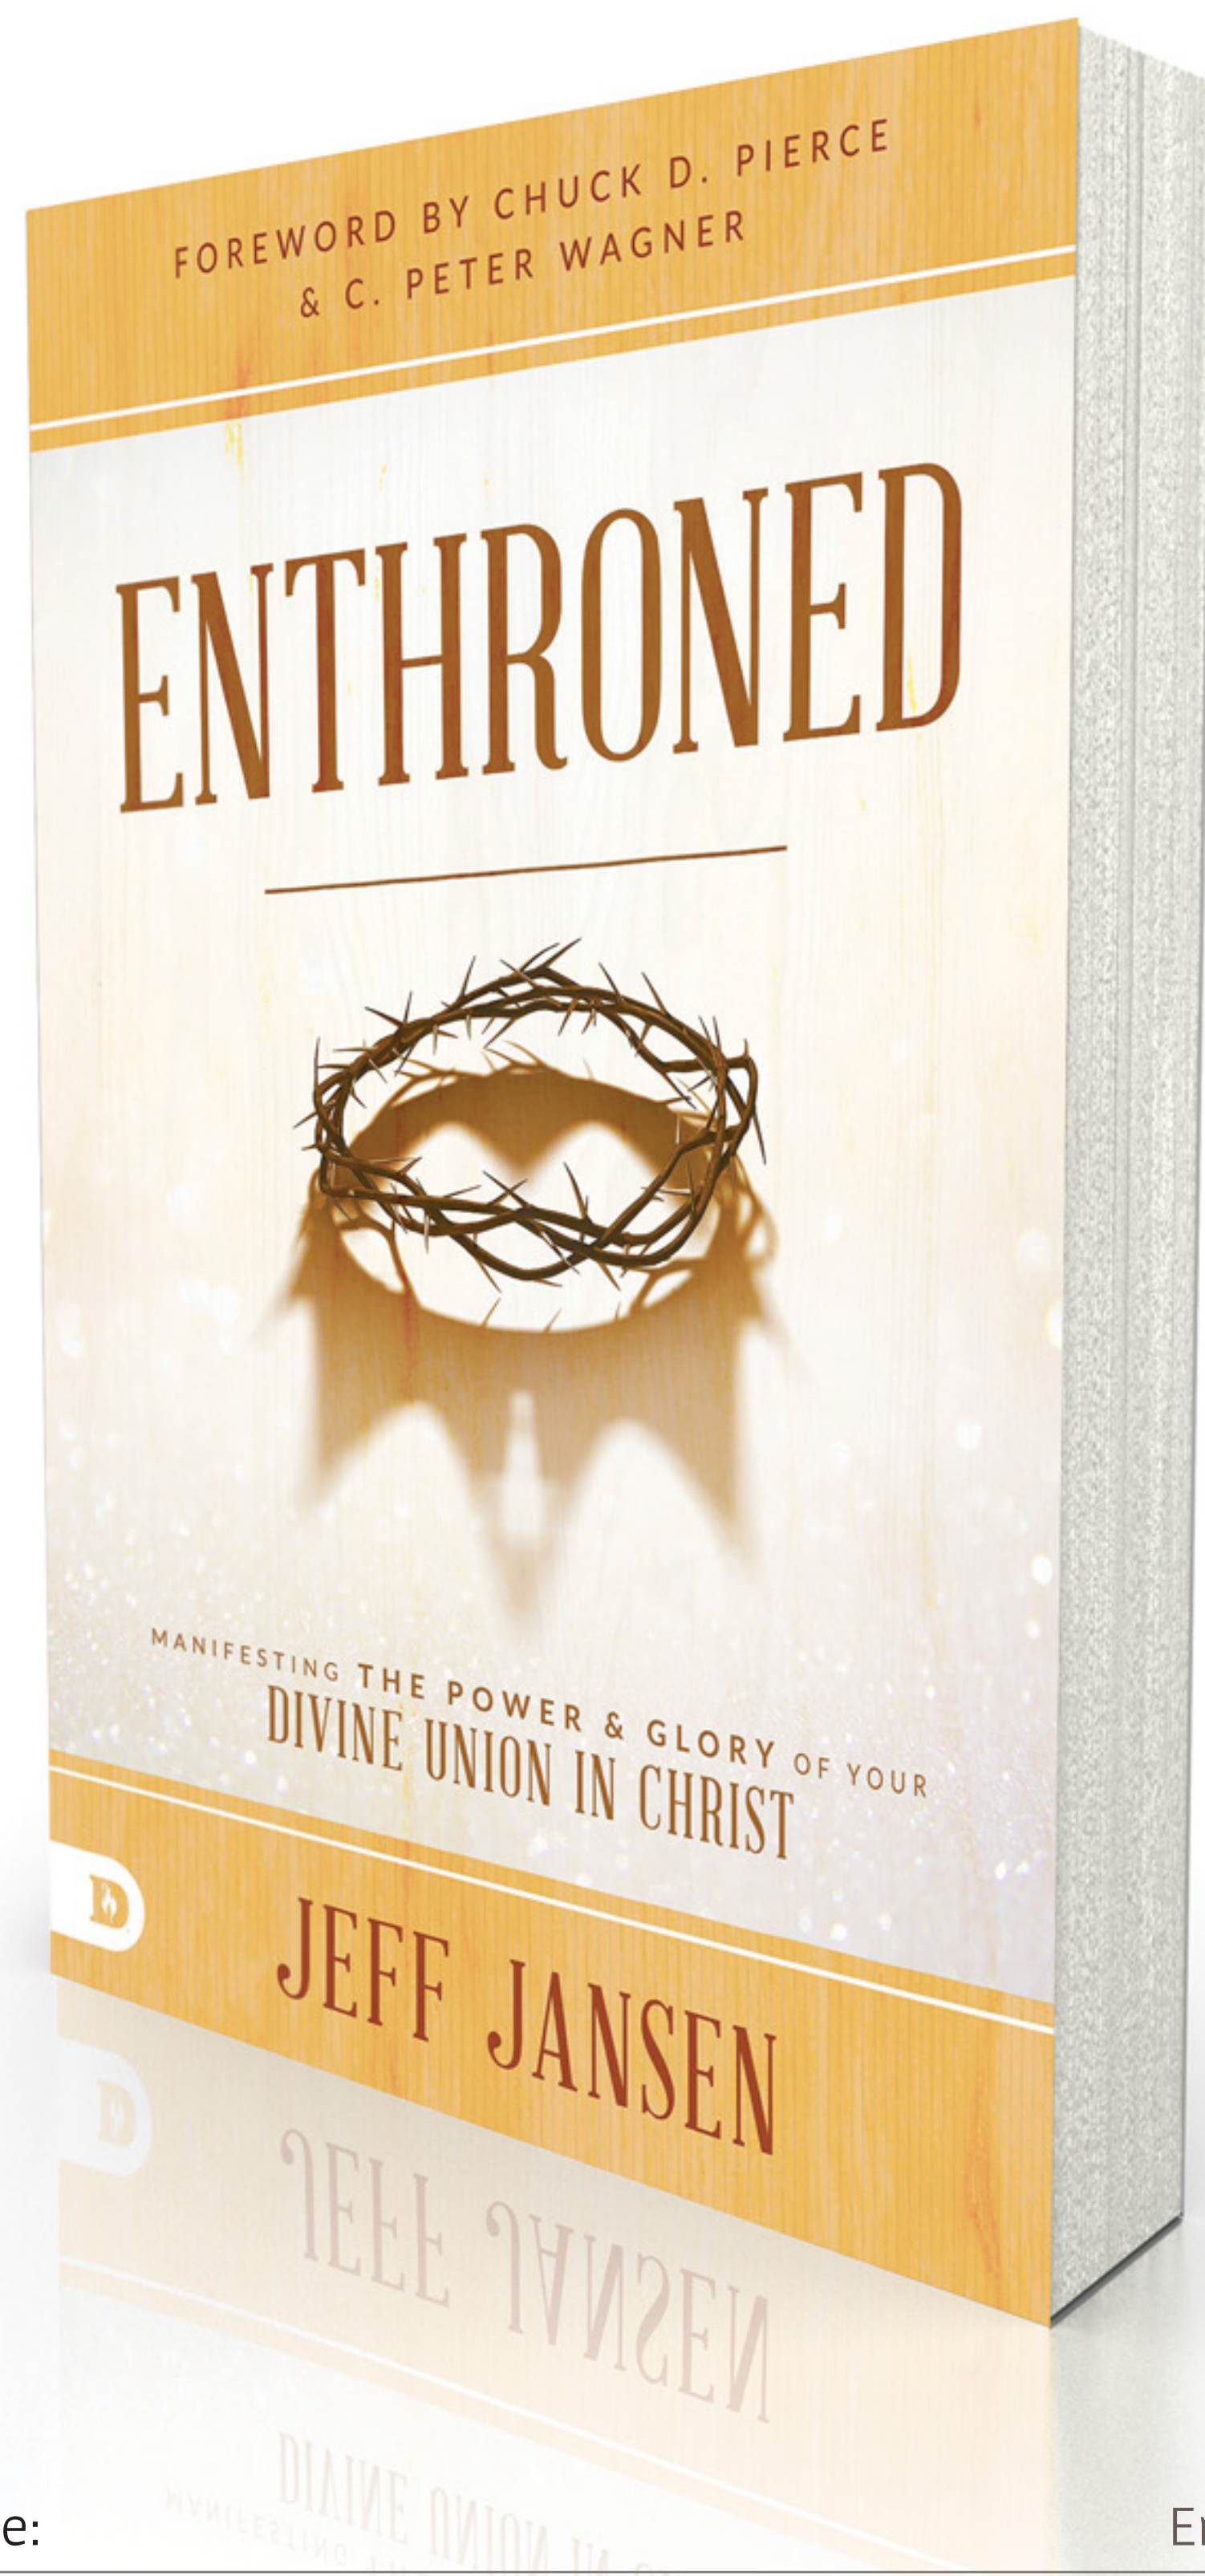

- Identify and reject strategic lies the enemy uses during difficult times.
- Recognize the difference between godly counsel and ungodly opinions in people who give advice during hard times.
- Strengthen your connection with God instead of running away from Him during challenges.
- Receive freedom from religious deceptions such as "God sends pain to fix us" and "suffering is directly linked to our sins."
- Discover the path through suffering, and embrace wholeness on the other side! Unlock your healing within the book of Job!

## Description

“More than any other book I know, ‘Enthroned’ draws you into the throne room of God and sends you out equipped to advance His kingdom here on earth.” – C. Peter Wagner (1930 – 2016)

Live like you are seated with Christ in the Heavenly Places!

In Ephesians 2:6, the apostle Paul tells us that, “God raised us up with Christ and seated us with him in the heavenly realms” (NIV).

Jeff Jansen, author and founder of Global Fire Ministries International, teaches that this status is not just an eternal reward, but also a present reality. As believers we sit in the throne room of heaven, and our lives should be marked by this divine inheritance!

“The reality of enthroned living is that Jesus invites us to share in His enthronement at the right hand of the Father – RIGHT NOW. This invitation is not only set aside for God’s Generals or anointed ones, but is the privilege and inheritance of every Spirit-filled believer. We are seated with Christ in the heavenly realm and have the right to enjoy living from heaven to earth in the here-and-now.” – Jeff Jansen

The supernatural benefits that come with Enthroned living include...

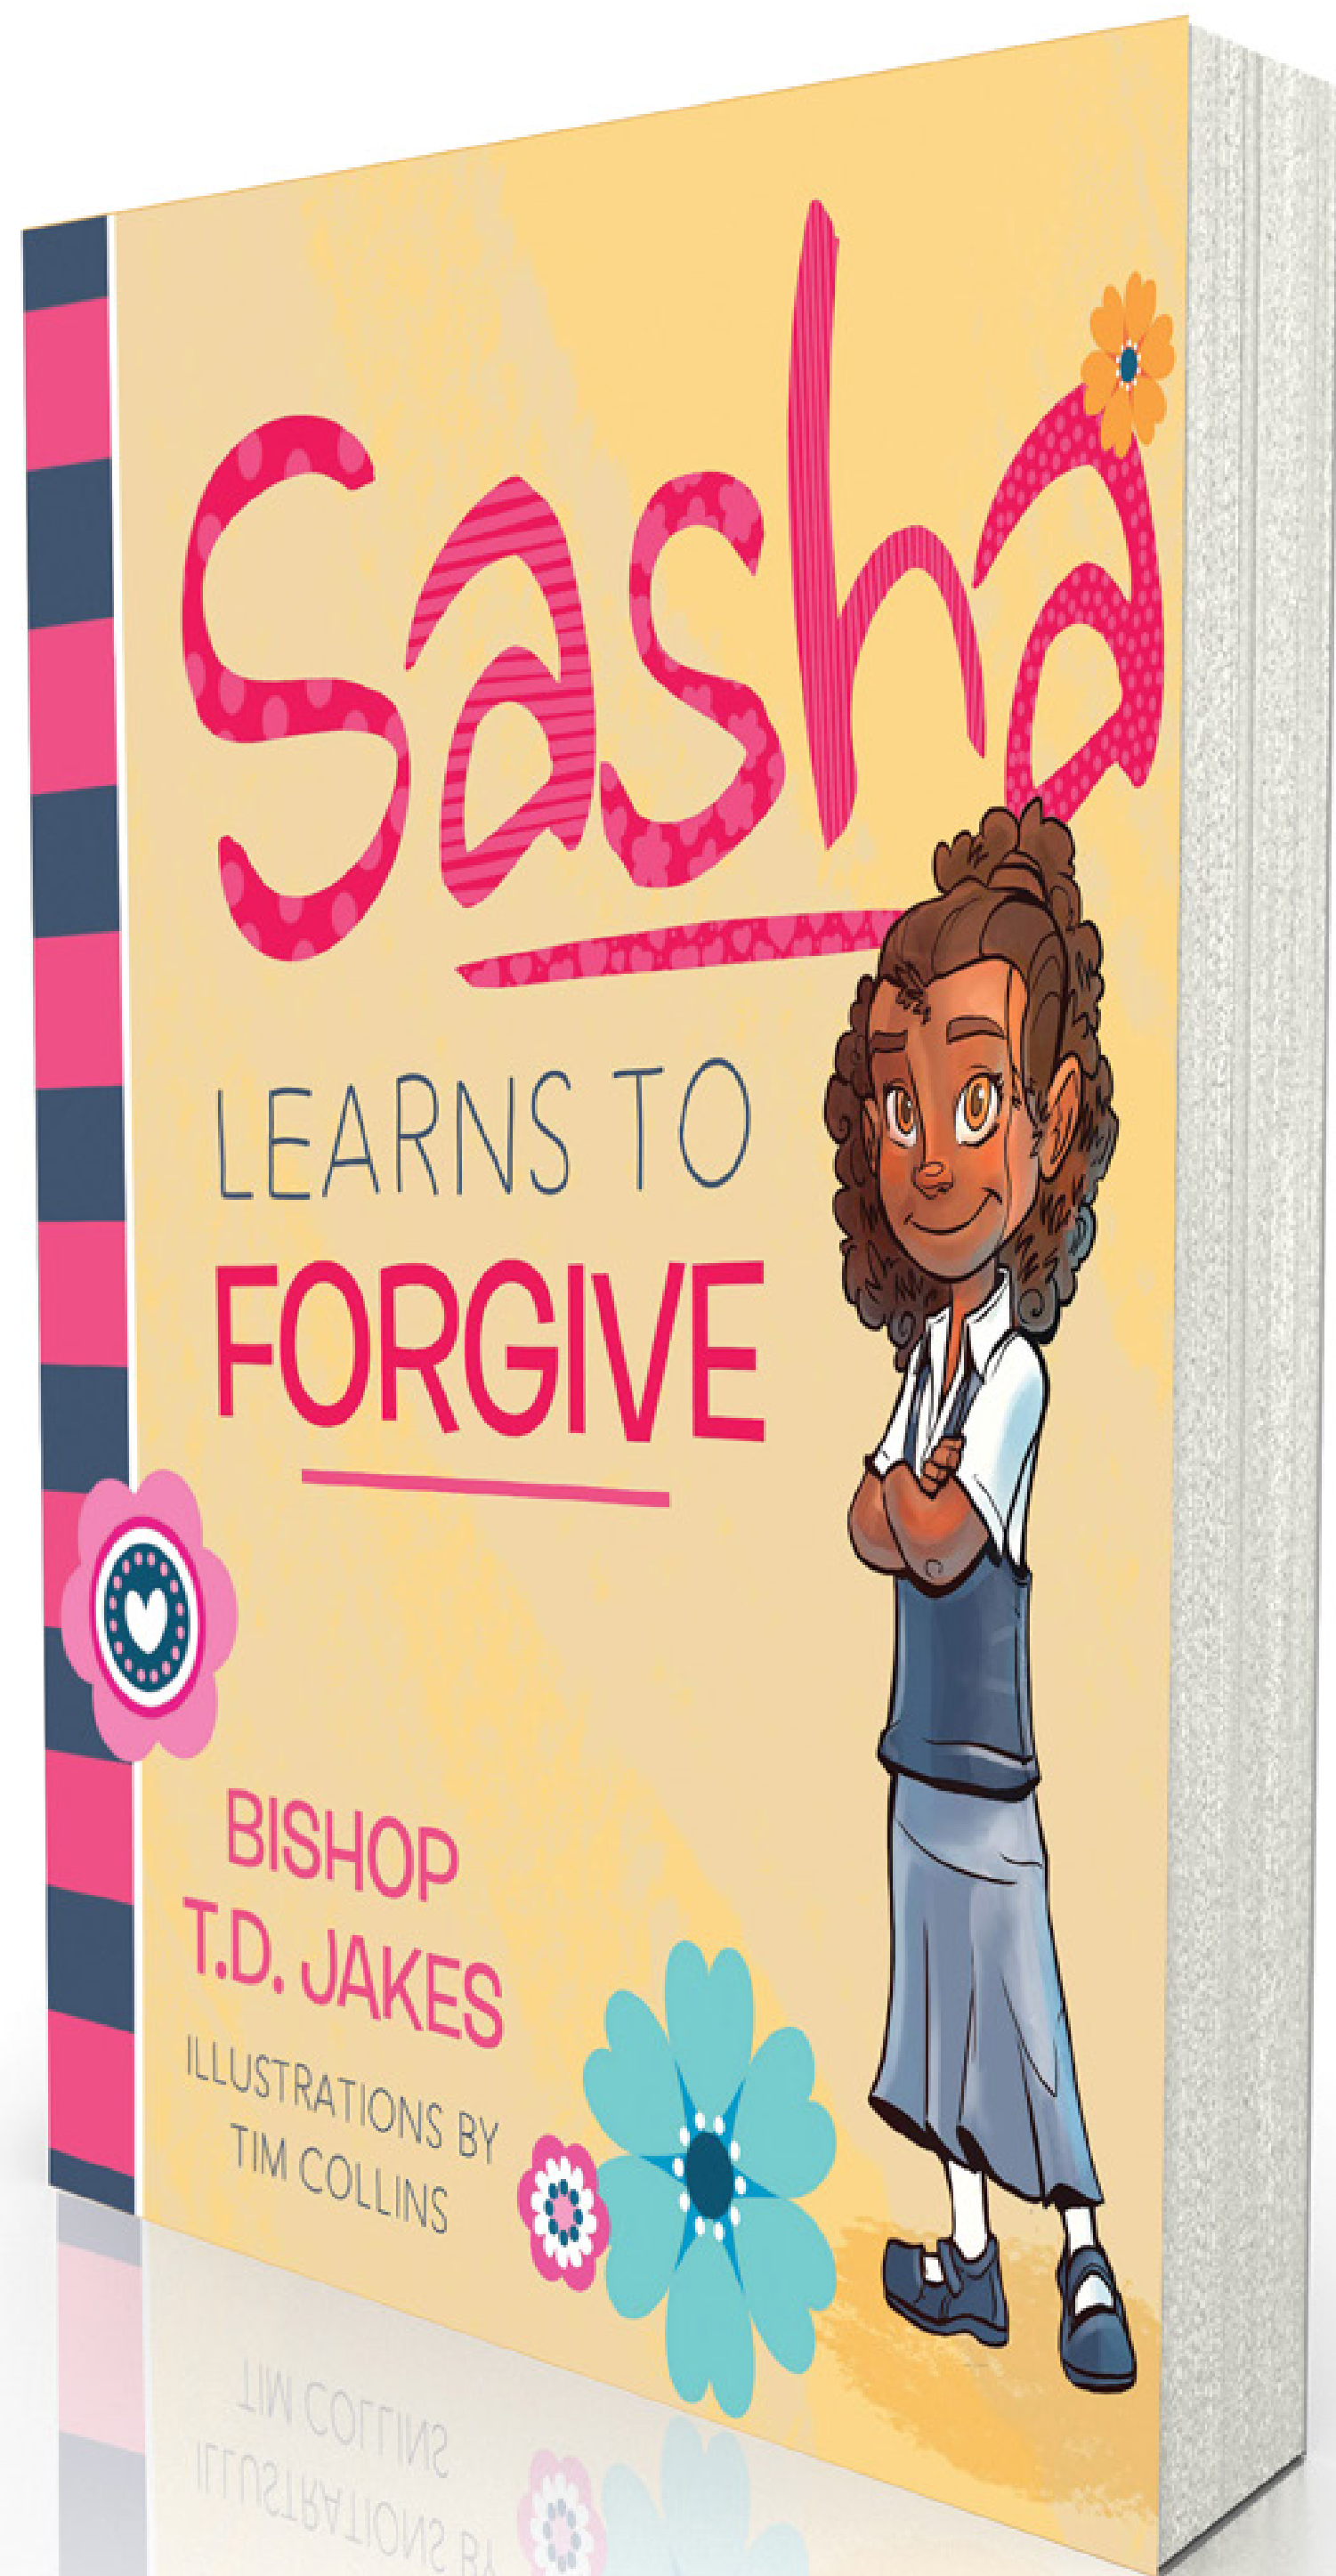

- Enthroned identity: learn to powerfully walk out your identity as a new creation
- Enthroned thinking: access the hidden wisdom and revelation of Heaven’s thoughts
- Enthroned decrees: make anointed declarations that change circumstances around you
- Enthroned future: receive a victorious “end-times” vision that gives a blueprint for the coming move of God
- Enthroned blessings: discover how to unlock the glory encounters, revelation, and power available in the “ascended life”

Satisfy the Hunger in Your Heart!

The prophetic movements in church history and in contemporary life are fed by two mighty streams:

- the prophet, whose revelation is primarily verbal
- the seer, whose revelation is more visionary

While the role of the prophet is familiar, less is known about The Seer dimension. To many people, these visionary prophets remain mysterious, other-worldly, and even strange. Knowledge dispels misunderstanding, and you will discover the prophetic power of dreams, visions, and life under the open heavens.

Questions answered include:

- How does visionary revelation happen? Can it be trusted?
- Where does it fit into your life and today's church?
- Can any believer become a seer? Is it a prophetic dimension reserved for the spiritually-gifted?

The Seer will move your heart and stir up your hunger for intimacy with God because the seer's goal is to reveal the person of Christ Jesus—to you, today.
