Description

Prayer can take us on a journey, engaging us not just in the words of our heavenly father, but also taking us into his presence. As we develop our conversation and communication with God we can discover just how much he loves us and who he has created us to be. We step into his purposes and find hope and fulfilment, even in difficulties.

Prayer is a huge biblical topic and there are many books written on the subject. Whilst this study cannot answer all your questions or cover all the areas of prayer, it is our hope that as you navigate the sessions, either on your own or with a group, God will fan into flame the gift within you. Who knows what discoveries you will make.

Specially crafted for churches and small groups, this workbook offers a 6 session course to help you grow in your relationship with God. As you go through the study offering both interactive and reflective activities you will journey to a deeper relationship with your loving heavenly father through prayer. Offering both interactive and reflective activities, this course has something for everyone. Each week includes a Bible passage, key thoughts, questions to reflect upon or discuss, action points and prayer guidance.

Description

We don't want our children to just survive church – we want them to live as spiritual champions in the world, who will raise the next generation of spiritual champions after them!

At Home with God looks at the Biblical principles for raising children in faith. Jewish families have been following these principles for centuries and have developed ways to practically implement God's design for faith in families.

These principles do not require another three nights a week, an extra two hours per day, or a degree in theology to execute. They are things any parent can do within the busy life of the modern family. All you need is to make a conscious decision to give it a go (and an occasional reminder to keep giving it a go). The way you do it will be different to other families, because your family is unique, but these principles have worked the same for all families throughout history.

Learn about the rhythms of family life, growing your children's spiritual lives at different stages of their development, feeding children the meat of God's Word and helping them to transition into adulthood. Discover the keys you can use to raise the spiritual champions that God has entrusted to your care.

Description

Hello . . . My name is Jesus. There are many ways to learn about Me. You can study how I lived, or My miracles, or My sermons, or the way I talk to people. You can see My full deity in the things I said, and you can also see my full humanity in the gospels. But I want to tell you about all My names, offices, titles, and pictures of Me in scripture. Each one gives a glimpse of who I am and what I do. When you put all of them together, you begin to grasp who I, the Son of God, I am.

Why are there so many names about Me? Because I am God. My many names reflect My many qualities, even then there are many things about Me you will never know. Remember, as God I am eternal . . . omniscient . . . omnipresent . . . and omnipotent. These are qualities that humans can't comprehend . . . measure . . . or fully understand.

You can never completely know Me because you don't have a divine mind to know all things. Only the Father and the Holy Spirit know Me completely and understand every aspect of My life.

There are over 700 names–references to Me in scripture. Some of these are names I gave Myself, some are names given to Me by the Father, or the Holy Spirit. Other names are given to Me by humans who spoke under divine inspiration and/or direction by the Father or Holy Spirit.

Making Sense of Making Money for Making a Difference.

As Matthew 6:24 says, You cannot serve both God and money. But unfortunately, many people serve money without ever having made a conscious choice to do so. By not learning how to manage your money, you become a servant to your finances.

Even though you may have a heart that wants to boldly serve God, you can end up serving money by default simply because of your financial situation in life.

Money Mastery is a book that offers a spiritual and practical guide to becoming the master of your own money.

Learn how to build wealth, not for wealth's sake, but for the power, as 2 Corinthians 9, "to be able to give to every good cause!" Through your wealth, you can have city and nation impact.

Description

The release of mantles to the end-time generation.

Standing on the Shoulders of Giants is a book that opens up the vastly unexplored subject of mantles.

Just as Elijah passed on his mantle (his anointing) to Elisha, we see clearly through the pages of this book just exactly how mantles are transferred, received, and imparted through the workings of the Holy Spirit. This fascinating topic is highlighted by biblical illustrations, modern day stories, and the author's own extraordinary personal testimony.

This book is essential reading for those who desire to be positioned for the soon coming move of God that is destined to break upon the Church with an unprecedented deluge of God's glory, His cleansing fire, and an enormous harvest of souls that will be of epic proportions.

Discover God's order to moving in the gifts of the Spirit!

Believers are called to authentically demonstrate both the character of Jesus and the supernatural power of the Holy Spirit in their daily lives. Unfortunately, parts of the church are unwilling to encourage the operation of the Holy Spirit's empowering gifts for fear of creating disorder and chaos. Greg Mohr contends that the Biblical mandate for all believers is to move in the regular, supernatural demonstration of the Spirit's gifts.

Flowing in the Supernatural offers practical instruction and liberating guidance for operating in the gifts of the Spirit, according to their Biblical order.

Discover how to:

- Recognize the gifts of the Spirit in your life
- Exercise spiritual gifts in personal and corporate settings
- Unlock the hidden power of the baptism of the Holy Spirit.

When we move safely within the boundaries of biblical order, we can confidently partner with God to release His supernatural power!
