# Steven Curtis Chapman – Deeper Roots Where the Bluegrass Grows CD

## Description

“My earliest memories of growing up in Paducah, Kentucky are woven together with the sound of bluegrass and folk music, with my dad on guitar and his good buddies, Scotty Henson on the banjo and Jack Curtis Martin (which is where my middle name came from) on the dobro. I loved that sound and couldn’t wait to learn to play the guitar and join in!

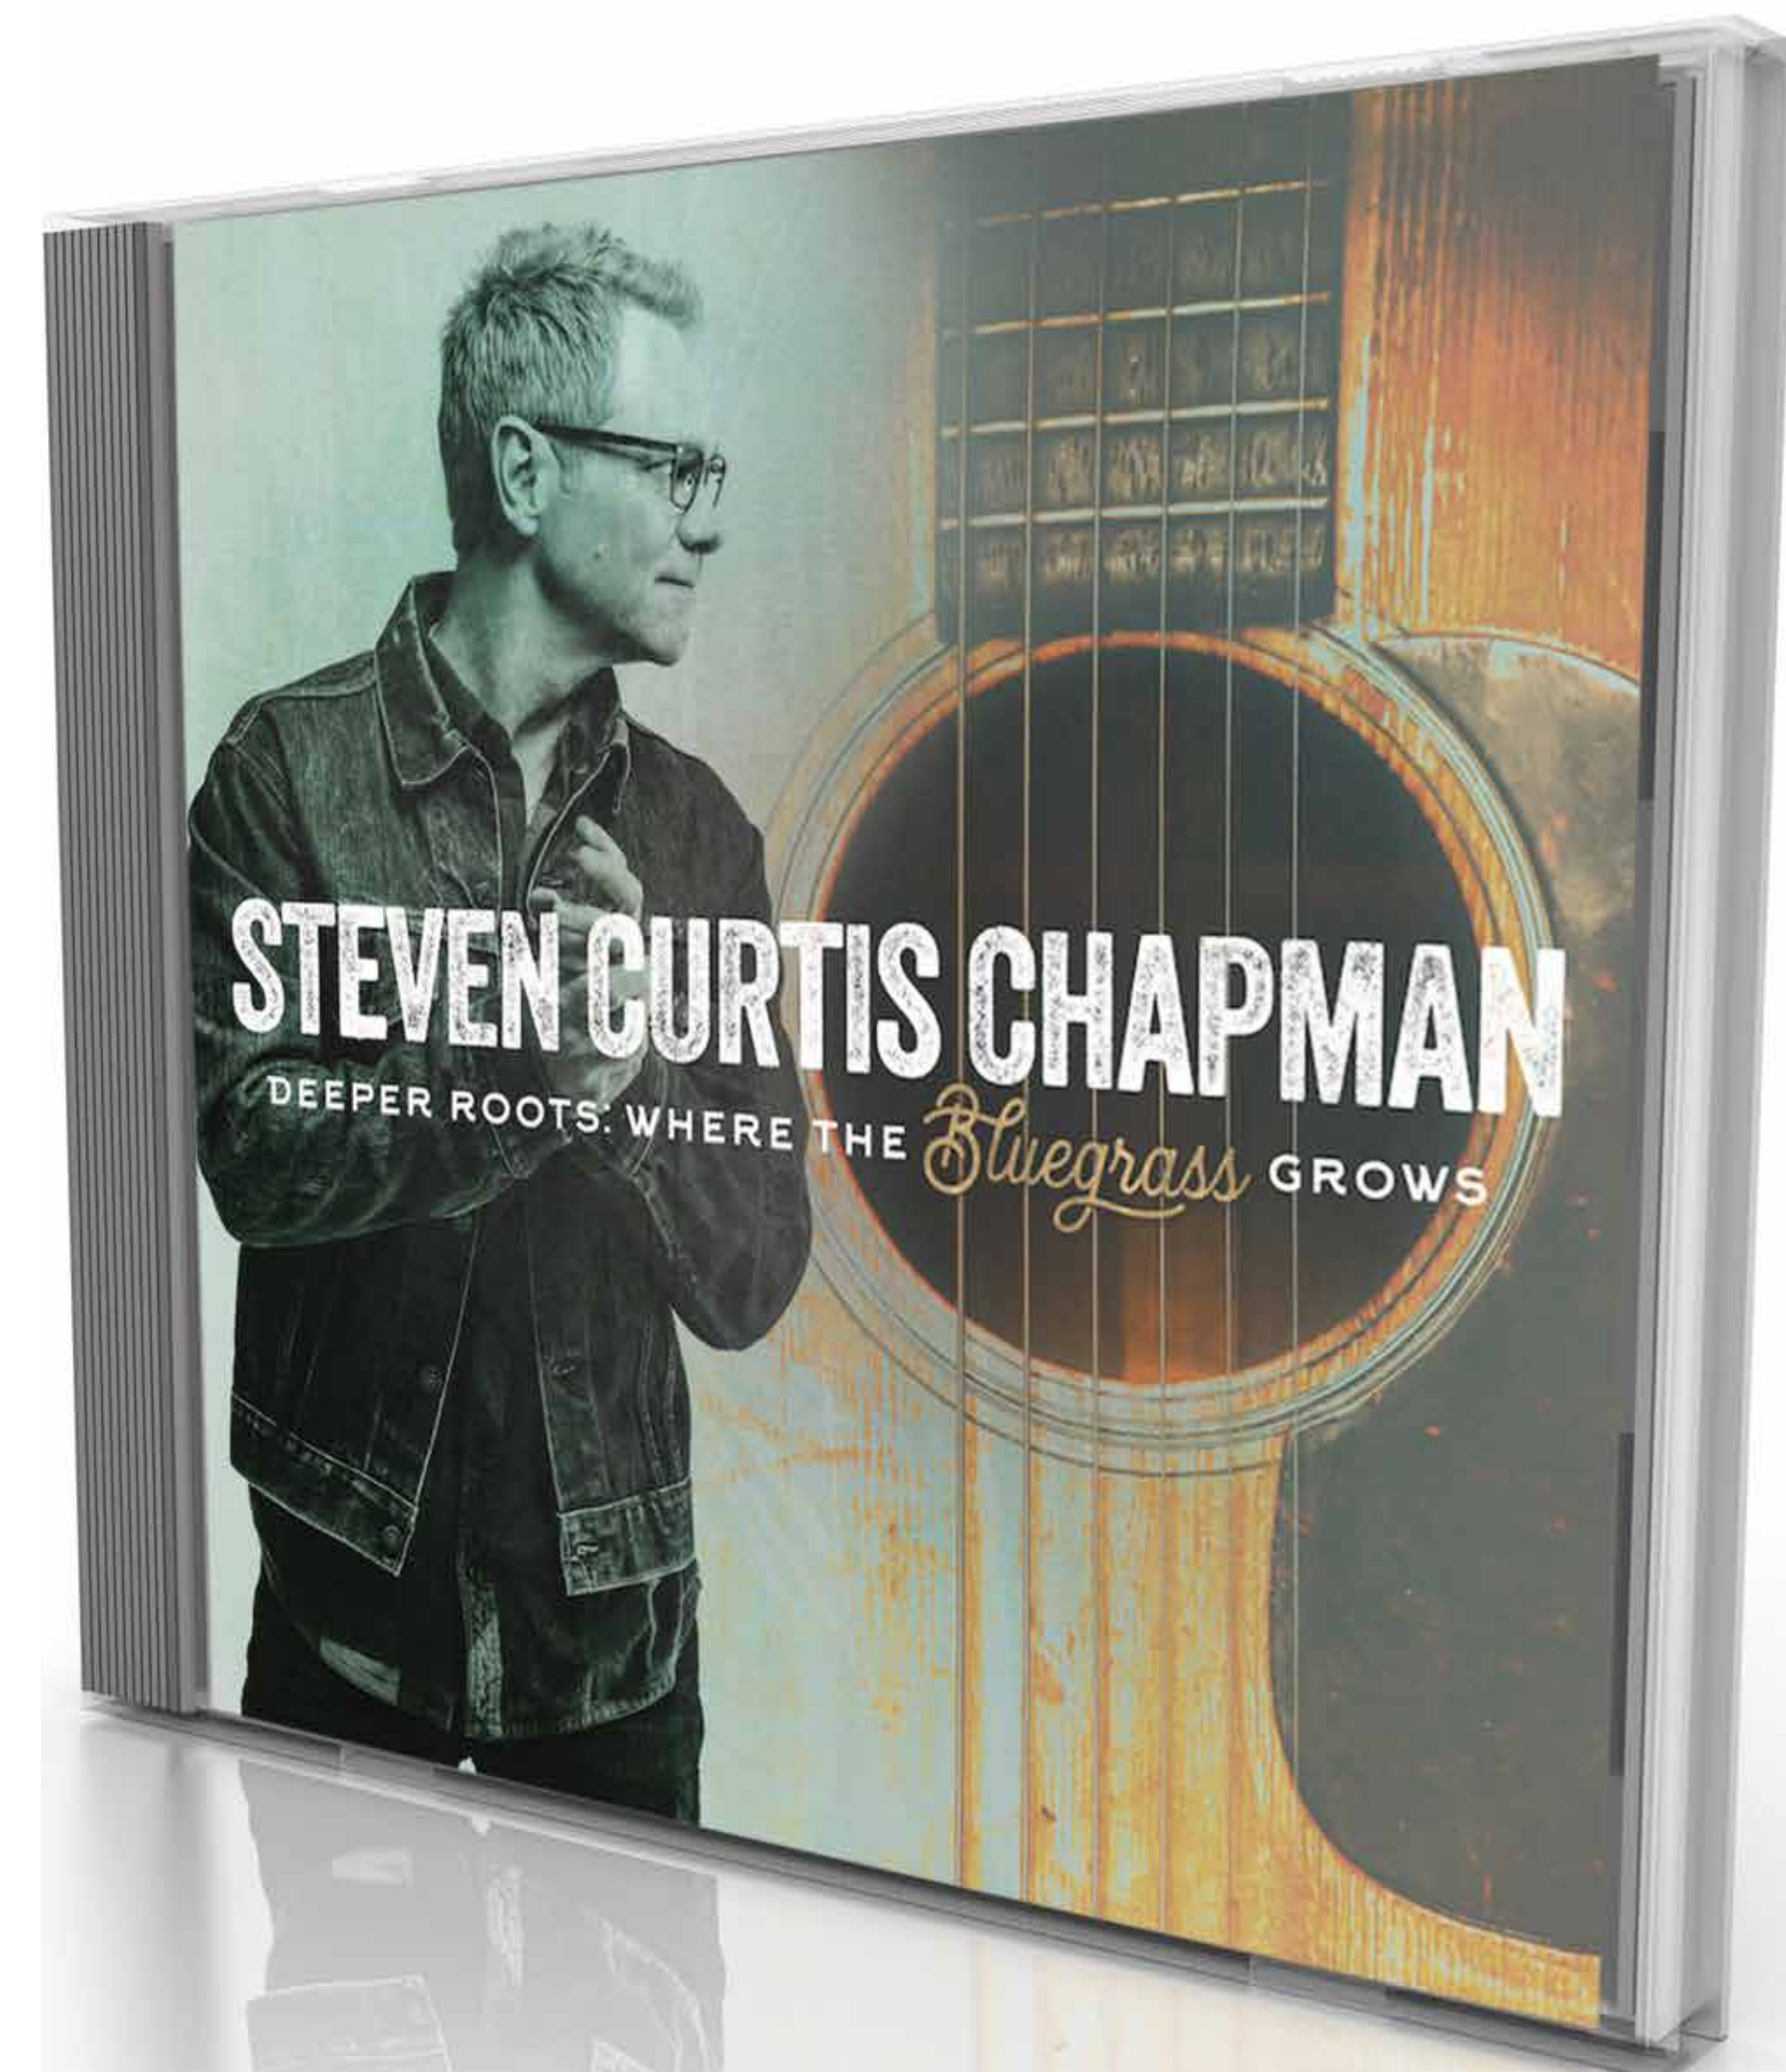

By the time I was 8 years old, I was playing and singing in church with my dad Herb, Sr, my brother Herb, Jr., and my mum Judy. I loved the sound of our voices harmonizing together. The hymns and ‘Gospel songs’ we sang together, filled with theology and truth about God’s grace and love, planted the seeds that would grow and become the ‘fruit’ of so many of the songs I’ve written and recorded over the years.

Deeper Roots: Where the Bluegrass Grows, features performances by my bluegrass hero, Ricky Skaggs, my good friend and incredible singer Gary LeVox (of Rascal Flatts), my son Caleb and my daughter-in-law Jillian. I couldn’t have done this without my dad and my brother, Herb, Sr. and Herb, Jr. We recorded a few of these songs live, the three of us sitting around a microphone just like we did when we’d gather around our kitchen table all those years ago.”

## Description

Recorded between 2013 – 2015, 'Garden (Live)' is a 12-track, double album featuring original early recordings of the songs from their studio album 'Garden'.

As they gathered weekly to worship as a community, these were the spontaneous songs and refrains that carried the flame of their passion for God. These early, not-quite-complete versions are exactly what people love about United Pursuit, and this release has been prompted by requests from their followers to hear how the fully grown 'Garden' studio versions began.

The songs are real, raw and vulnerable. They are prayers and reminders, intercession and intimacy.

## Description

From his birth in Bethlehem to his death and eventual resurrection, the life of Jesus Christ is given the all-star treatment in this epic retelling. Major aspects of Christ's life are touched upon in this 1965 film directed by George Stevens.

Max von Sydow sensitively plays the role of Jesus, best reflected in his spontaneous mourning at discovering his friend Lazarus has died – and Stevens renders the familiar tale with a handsome authenticity.

The star-studded cast includes John Wayne, Charlton Heston, Pat Boone, Martin Landau, Angela Lansbury, Roddy McDowell, David McCallum, Dorothy McGuire and Carroll Baker amongst others.

# Johnny Cash – Cash: Ultimate Gospel CD

## Description:

No music meant more to Johnny Cash than the simple hymns of his Christian faith. This most complete CD of his gospel recordings – two dozen tracks spanning the ‘50s to the ‘70s – presents Cash at his most reverent, and includes three previously unreleased performances.

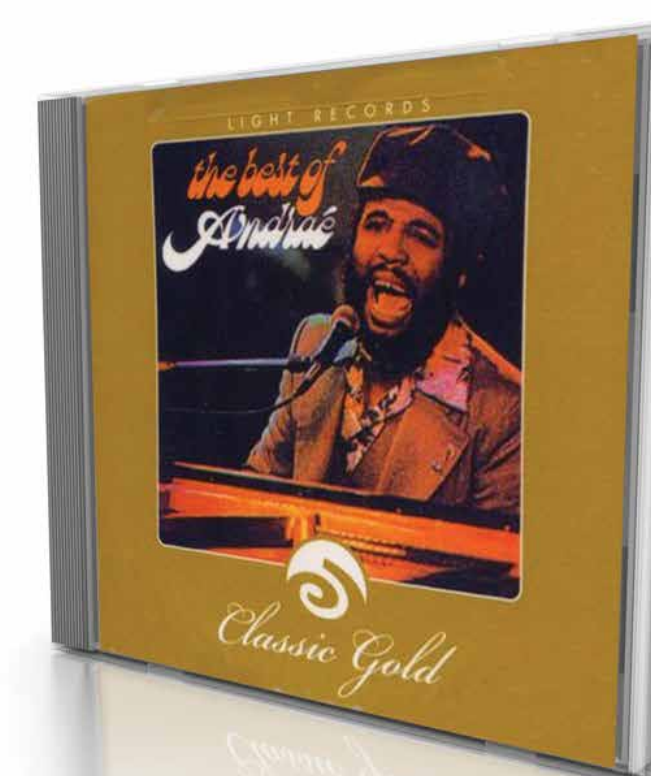

The earliest tracks, from 1957, hail from Johnny’s Sun Records days, while stops in the ‘60s include eight songs with the Carter Family. The 1970s were arguably Cash’s most reverent period, after his marriage to June Carter and the success of his television show -- nine songs are included from that decade.

Of the previously unreleased tracks, two recordings from 1981 feature Marty Stuart on guitar and were produced by Jack Clement, as was the 1974 session that yielded “My Ship Will Sail.”

# London Gatch – New Stories CD

Formally with  
Elevation Worship

## Description

London Gatch (formally of Elevation Worship) releases 'New Stories' which chronicles her inner faith journey since transitioning away from full-time ministry.

Eight years on staff had led to burnout and anxiety, as can often happen to pastors and ministry leaders. London says she felt "spiritually frozen." Now, in this new place and new season, she says, "I've finally been defrosted."

'New Stories' is a testament to this, how the soil can turn from frozen to flourishing, how our minds can turn from anxiety to peace, how the voices in our heads can turn from lies to truth, and how our hearts can turn from bondage to freedom.

For fans of: Mack Brock, Elevation Worship, River Valley Worship, Kim Walker-Smith, Kari Jobe, Amanda Cook.
