# Billy Graham – The Message Lives On DVD

## Description

HE PREACHED ONE MESSAGE TO MORE PEOPLE THAN ANYONE ELSE IN HISTORY

For more than 70 years, God used Billy Graham to proclaim the Gospel of Jesus Christ across the globe with clarity and authority. But it wasn't without its challenges. Watch how this humble evangelist responded to criticism, faced his fears, and remained committed to declaring the truth. In old age—and even death—the message could not be silenced.

When Billy Graham died in February of 2018, the world once again heard the same Good News that he preached for all those years—Christ's love for all people. The Message Lives On explores his remarkable ministry and how God continues to work through the Billy Graham Evangelistic Association to reach people around the world today.

Double feature DVD includes Billy Graham's Funeral.

# Steve McQueen – American Icon DVD

## Description

Steve McQueen truly is an American Icon. One of America's most endearing and intriguing movie stars, he "is still the King of Cool" according to Esquire Magazine – 50 years after the zenith of his career! The coolest thing about him, however, is barely known, despite countless biographies and articles.

Steve McQueen was a believer in Jesus Christ.

On the surface McQueen had everything he could want – fame, cars, homes, more money than he could spend in a lifetime. An avid fan of the actor (and owner of a replica of McQueen's car in the classic film Bullitt), Pastor Greg Laurie hits the road in his mint Mustang, travelling the country in search of the true, untold story of McQueen's redemption-filled final chapters.

Narrated by Gary Sinise, interviews include: Barbara Minty McQueen, his widow; Academy Award®-winning director Mel Gibson; Renown stuntman Stan Barrett; Celebrated McQueen biographer Marshall Terrill; Actors Barbara Leigh and Mel Novak

# David Dunn – Yellow Balloons CD

## Description

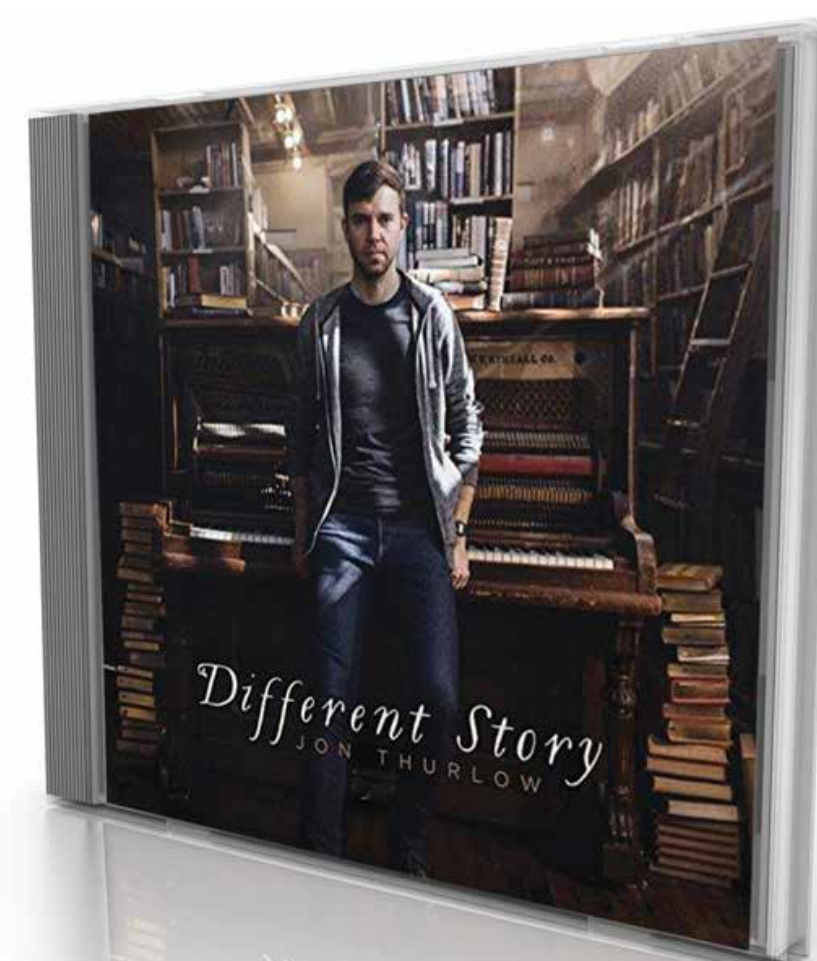

Since appearing on the second season of NBC's The Voice, David Dunn has received a lot of attention for his music, and his latest release 'Yellow Balloons' is no exception.

A brilliant, soulful singer/songwriter, this Midland, Texas native writes in unfiltered, human terms, mirroring doubt and faith in a single stroke. He doesn't use churchy language, and he ignores sonic blueprints, fusing and confusing genre confines. And he does this with great intention, valuing art as the context for music, as much as for conveying a spiritual message.

# David Dunn – Crystal Clear CD

## Description

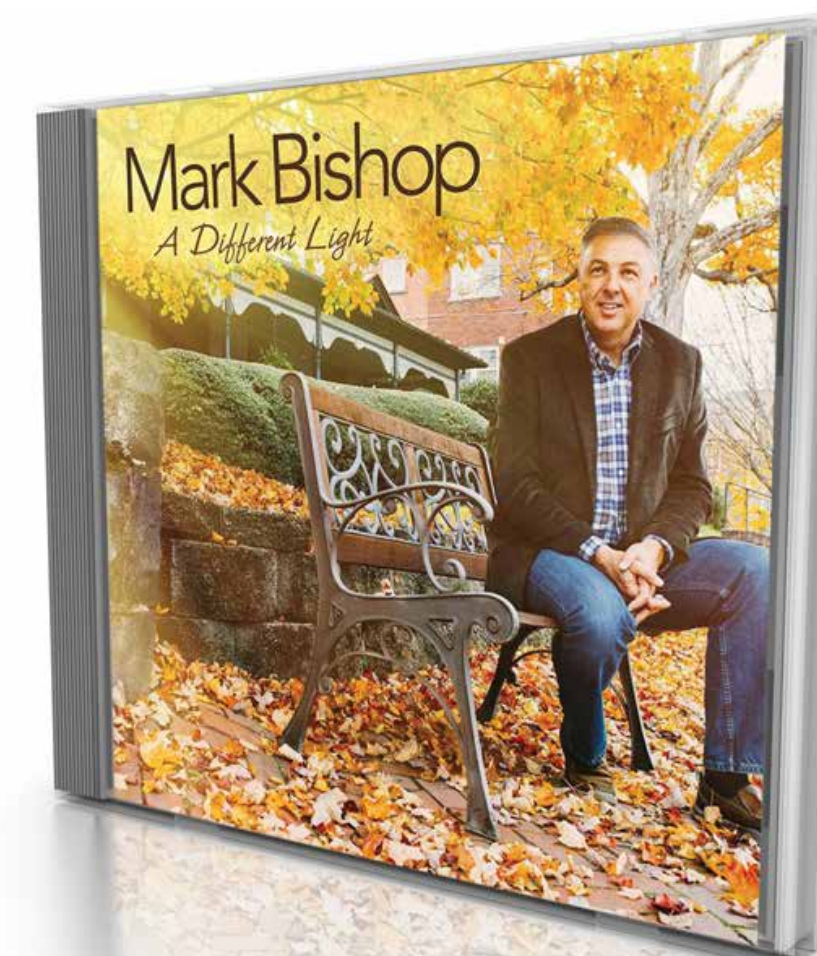

Talented Texan David Dunn brings a new sound to the table with Crystal Clear, a sound that has been carefully crafted and produced to stand beside that of much more seasoned artists. Built around big beats with synthesizer and piano accompaniment, this collection includes the breakout single “Today Is Beautiful.”

“I’ve been thinking a ton about how I spend my time,” Dunn explains. “When my kid was born, it was like a timer started in my head that was counting down the 18 years I had to help prepare this little human to make his own decisions. And because that timer became real to me, I could clearly see my own mortality for the first time. I became aware of the finite number of seconds I had left on earth. And that realization led me to this: Time is our most precious, God-given resource, and I refuse to go on spending it like it’s cheap.”

# Demon Hunter – War CD

## Description

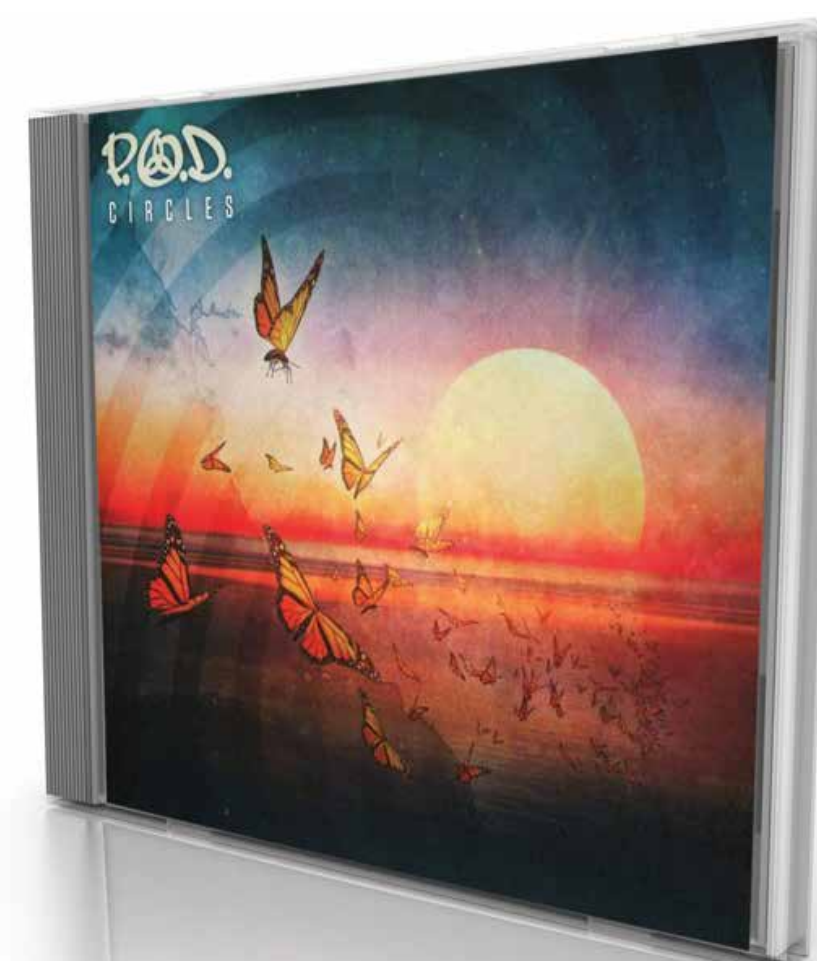

Spanning two separate releases, the Tooth & Nail-issued 'War' and 'Peace' is the Seattle-based Christian metal institution's ninth studio album, and the follow-up to 2017's crowd-funded *Outlive*.

## Description

Laurie Ditto's life was forever marked when she experienced supernatural visions of hell.

She knew these encounters were meant as a wake-up call for herself and others, so she has made it her mission to share this message with the world.

The Hell Conspiracy is a somber warning. It records harrowing accounts of souls enduring endless torture and eternal separation from God. It also reveals terrifying secrets of the afterlife in Hell, including...

- The five pains of hell: water, bone marrow, breath, agreement, and the garment.
- The activity of demons.
- The connection between unforgiveness and eternal torment.
- The ultimate destination and fate of the condemned.
- The changing shape of people's bodies in hell.

But this book is also a beacon of hope! These horrors are contrasted with the glorious hope of Heaven. Those who receive salvation through Jesus escape torment and experience an eternity of life as it was meant to be: as renewed bodies, souls, and spirits in perfect relationship with God.

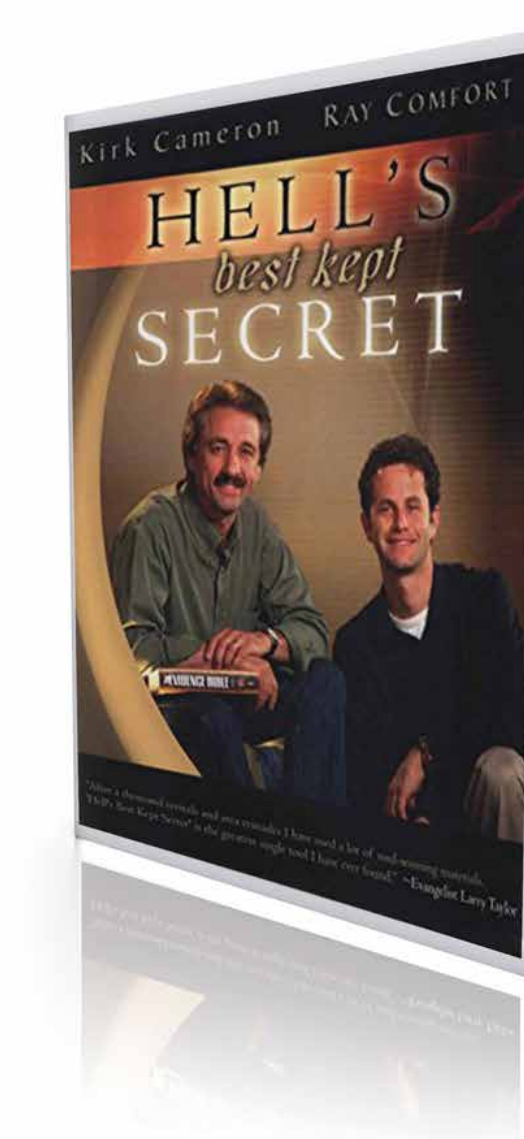

The alarm is sounding! Heaven and Hell are real. Where will you go?
