Description

After losing his young son to cancer, Dr. Sol Harkens has dedicated his life to the cause of atheism. As a best selling author and a celebrity debater, he has managed to parlay his attacks on Christianity into a very lucrative business.

His lifestyle has isolated him from his ex wife Katy and their two remaining sons. Their unrelenting faith in God is something that Sol has actually grown to resent, especially her praying for his soul.

Sol's self-destructive habits eventually catch up to him and a serious car crash leaves him clinically dead for four minutes. It's a miracle that he's still alive, but what really changes Sol's outlook on life is what happens during those four minutes.

With the support of Katy's unwavering love and faith, and his own questions about what he may or may not have actually experienced, Sol struggles to find meaning and purpose in the words LET THERE BE LIGHT.

Description

Rescued from the streets of San Pedro Sula, Honduras, murder capital of the world, orphaned girls find their voices in poetry as they heal traumas of their past and prepare to transition into an uncertain future.

“Voices Beyond the Wall” explores the question: how do those subjected to profoundest trauma and rejection begin to heal themselves and change the course of their lives? It bears witness to the catharsis that occurs when marginalized adolescent girls are encouraged to find their voices, in poetry and their own words.

This film, like the poems within it, opens a door to an intimate universe. Voices will be heard, clearly and at long last, by a country that had no place for them and a world that, until now, has turned a deaf ear.

Description

'How Great Thou Art' was originally released in the 60's and won a Grammy for 'Best Sacred Performance'.

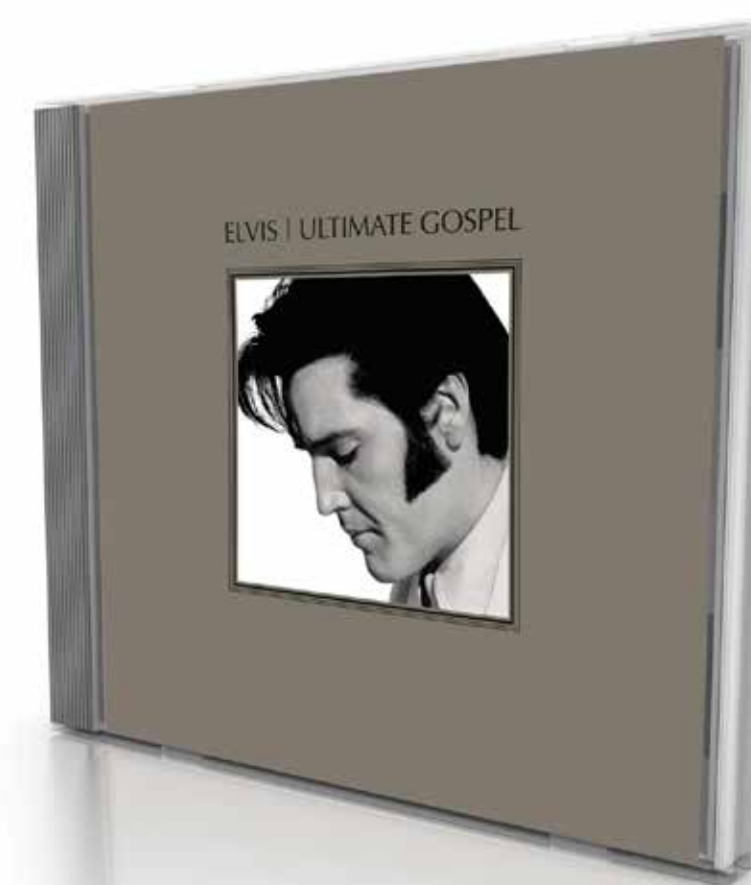

The traditional hymn and title song was a perfect vehicle for Elvis' voice. A choir introduction leads to just his voice accompanied by a piano for the majority of the song. If anyone wants to hear the 1960's Elvis at his vocal best, this song is the place to start.

The production on the album was crisp and the vocals, crystal clear. The Jordanaires and Imperials provide stellar backing vocals. 'How Great Thou Art' album remains a must for any fan of gospel and especially of Elvis Presley.

Description

The Bible teaches us, “Let God transform you into a new person by changing the way you think. Then you will learn to know God’s will for you, which is good and pleasing and perfect.” (Romans 12:2 NLT)

When our behaviour fails to live up to our faith, and the way in which we want to live for God, how do we change? The answer is a revelation of the Truth. The key to changing our behaviour is through establishing a belief system built on a solid foundation of truth. This is the simple but profound premise that ‘Truthformation’ explores.

Often we pour a huge amount of energy into trying to change negative behavioural patterns, without ever addressing our core belief system, which fuels such behaviour. But the power of truth is such that, when engaged with, it has the power to radical alter the way we think, which empowers us to say no to the patterns of behaviour we want to escape from.

Without revelation we...

- Go in the wrong direction and come to the wrong conclusions
- Are filled with doubt
- Constantly regret our mistakes

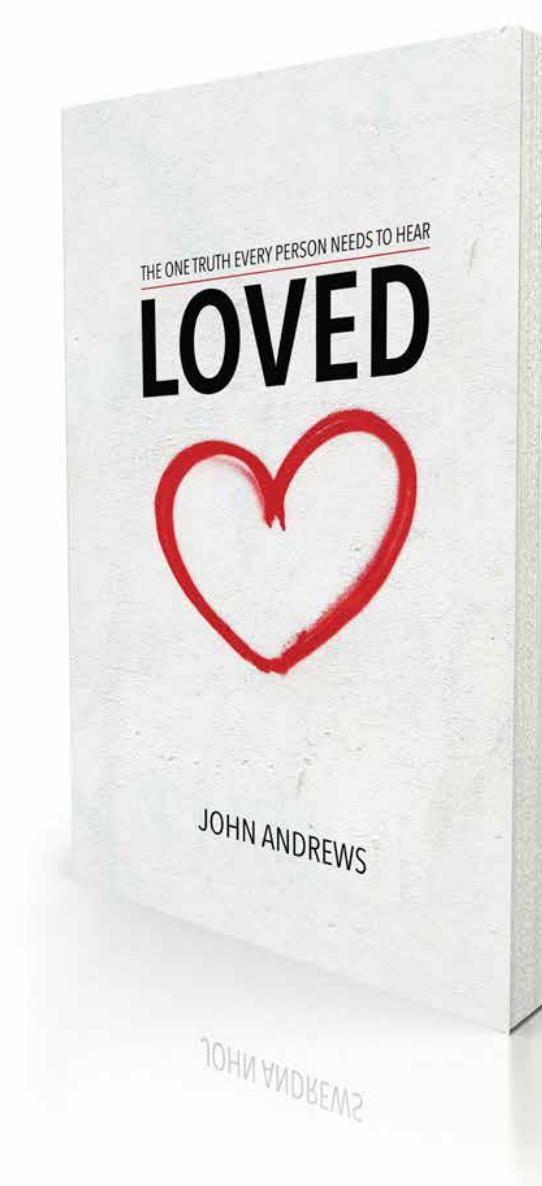

With revelation, the power of truth can...

- Make sense of our past
- Transform our present
- Revolutionise our future

Description

Acclaimed as “one of the greatest literary masterpieces in the world,” John Bunyan’s beloved allegory captivates the reader’s attention while providing insight into the Christian life.

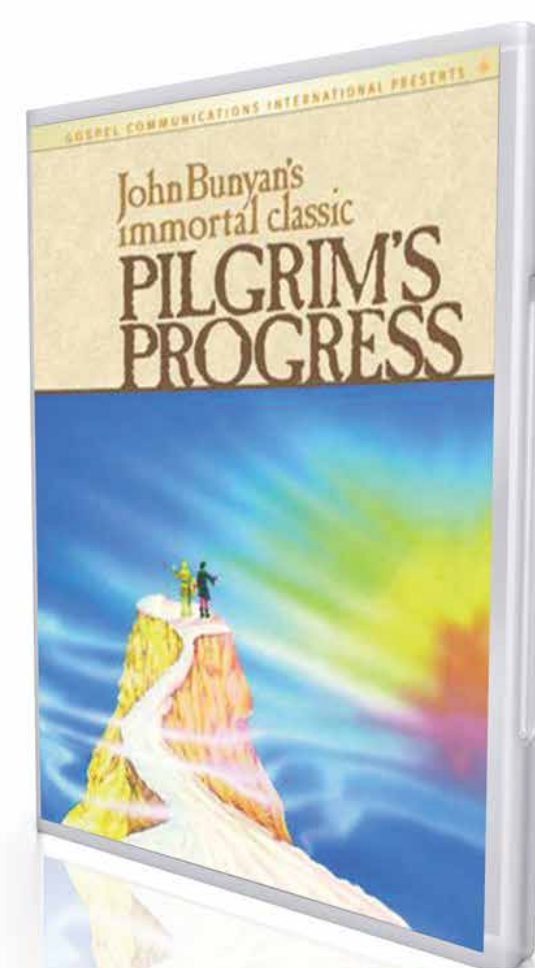

Join Bunyan in this illustrated edition in modern language as he tells the story of “Christian,” a man on an adventurous journey across rough terrain, over sunlit hills, and through dark valleys.

His trek is an intriguing allegory for today – mixed with the chivalric adventure of yesterday – as the pilgrimage takes us from the City of Destruction to the Celestial City whose builder and maker is God.

Author Bio

John Bunyan (1628–1688) was born in Elstow, England, and his life was spared twice in his early years, something he believed God had done for a special purpose. In November 1660, when Bunyan arrived to preach in the little town of Lower Samsell, he was informed that a warrant had been issued for his arrest. Unwilling to denounce his Christian faith and his calling to the ministry, he was imprisoned for twelve years. Among the many writings he published during his imprisonment are The Holy City, Grace Abounding to the Chief of Sinners, and the most famous, The Pilgrim’s Progress. After his release, he continued to write and publish stirring works that have endured through time. Among these classics are The Holy War, Visions of Heaven and Hell, and Journey to Hell: The Life and Death of Mr. Badman.

About the Author

Olly Goldenberg has been ministering to children in churches and outside of the church for twenty years.

For fifteen of these years he led one of the largest children's ministries in Europe, with responsibility for children aged 0–14. The ministry more than doubled in size under his leadership. He saw a reversal of the trend of children leaving the church, with many of the children inviting their friends to be part of the church. Over the years the fruit remained up into the youth ministry and beyond.

Currently he leads a ministry, together with his wife and five children, called 'Children Can' www.childrencan.co.uk.

At the heart of their ministry is a passion to see children raised as disciples of Jesus.
