Description

BREAKTHROUGH is based on the incredible true story of one mother's unfaltering love in the face of impossible odds.

When Joyce Smith's adopted son John falls through an icy Missouri lake, all hope seems lost. But as John lies lifeless, Joyce refuses to give up. Her steadfast belief inspires those around her to continue to pray for John's recovery, even in the face of every case history and scientific prediction.

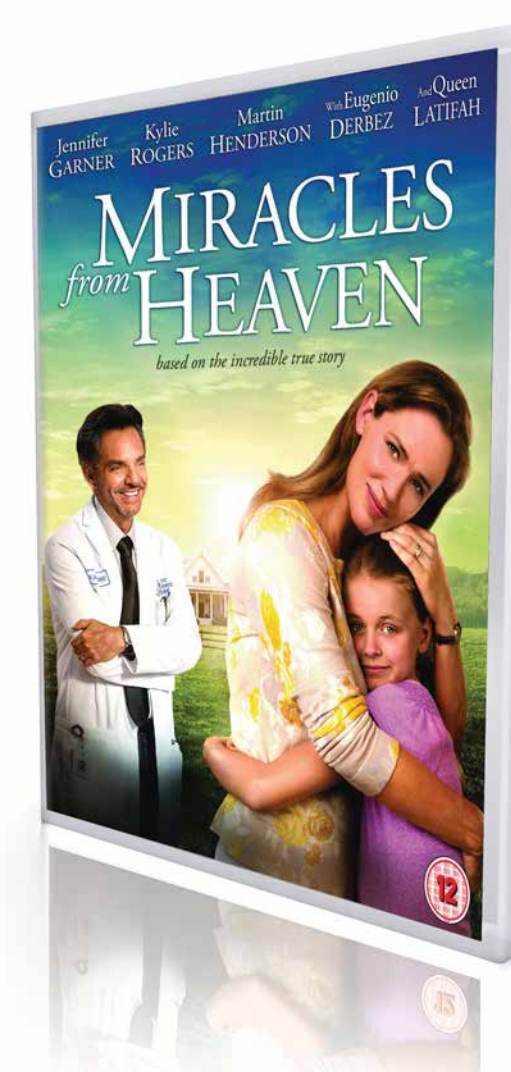

From producer DeVon Franklin (Miracles from Heaven) and adapted for the screen by Grant Nieporte (Seven Pounds) from Joyce Smith's own book, BREAKTHROUGH is an enthralling reminder that faith and love can create a mountain of hope, and sometimes even a miracle.

Description

Internationally recognized worship band Planetshakers releases their newest album Rain. Rain is a live recording of all new songs from the Planetshakers Conferences in Manilla, Philippines and from their Planetshakers Conferences and home Church in Melbourne, Australia. This 12 song CD contains the perfect blend of their signature uptempo praise songs, together with wonderful rich worship moments.

All of these new songs were produced, written (or co-written) and mixed by Planetshakers' Joth Hunt during a season in which he was battling cancer. Longing for a "refreshing touch of God's presence" with the song 'Fall On Me', and "a personal encounter with God's glory" with 'Rain Your Glory Down', while declaring his love for God with the song 'My Reason', Joth relays that 'God On The Throne' is a song that God gave him during his battle with cancer. Joth has concluded through this experience, "No matter what circumstance we find ourselves in, God is still on the throne."

Description

God wants to perform wonders and great exploits through a holy, set apart people. The question is have you given your life completely to the Lord and His purposes? This level of commitment and consecration comes only by having a prophetic vision of the returning Jesus.

Author, prophet, and church planter, Jeremiah Johnson, is convinced: this message is a prophetic vision of the why behind what we're called to do. More than simply focusing on Christian behaviours and actions, when a believer has set Jesus before their eyes and lives as a bride eagerly awaiting the returning bridegroom, everything changes!

In The Power of Consecration, Jeremiah helps you to...

- Sit at the “Table of Encounter” with the Lord.
- Discover how consecration is the result of your revelation of Jesus.
- Enter into a “new kind of fasting.”
- Discern the 5 warning signs of the end-time “harlot bride.”
- Resist the traps of legalism and religion.

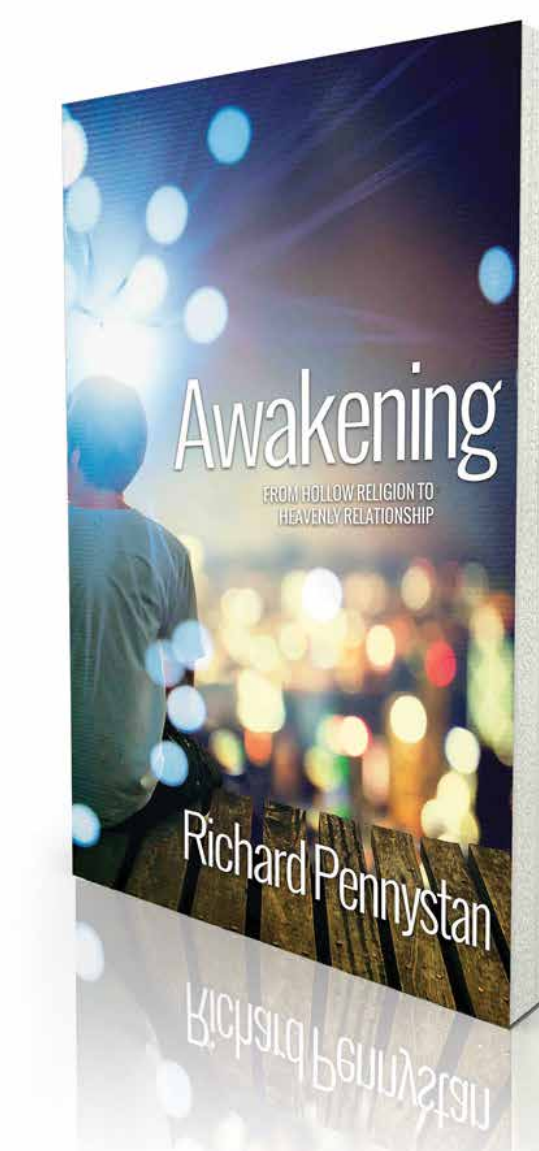

Could it be that the Holy Spirit is daring those who are hungry to come seek Him in a new way? For if we are willing to pay the price and consecrate ourselves fully to Him, He will manifest His kingdom fully in the earth.

Description

INCREASE Kids Volume One is a collection of real-life stories from children around the world who are living a supernatural life empowered by God.

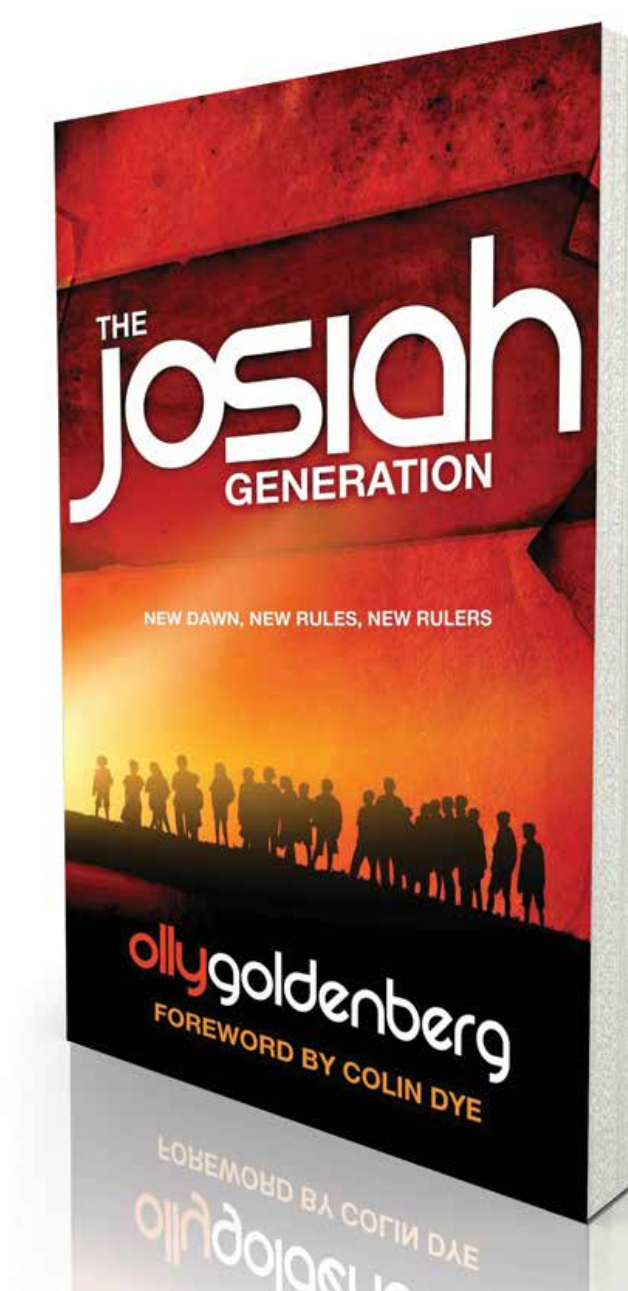

As King Solomon prophesied in Psalm 127:4, “like arrows in the hand of a warrior, so are the children of one’s youth,” God is raising up a new breed of families across the world who are teaching their children that they don’t have a junior Holy Spirit, and that God wants to partner with them to bring Heaven to Earth.

Jesus has created kids to be weapons who destroy the works of the enemy and disciple nations. As you read this book, we hope you are inspired to empower a generation of children to walk in intimate connection with their Father in Heaven, do the works that Jesus did, and even greater!
