Graham Cooke - Prophetic Wisdom

KINGSWAYCLC TRUST

Description

Moving in the prophetic requires a deep level of faith. It's through practiced listening and intentional time with God that we can truly learn His intentions and be joyful carriers of His word through prophecy.

In 'Prophetic Wisdom', the third book of The Prophecy Series, you will learn through Scripture, exercises and meditations that when we see what He sees our life opens up to new developments.

Prophetic Wisdom is the book Graham never had to write. In fact, Graham had this to say about writing Prophetic Wisdom:

"The Lord said, 'Write this.' And I didn't have a thought of my own, I just started taking dictation...I'm used to writing books with God, but I've never taken dictation before."

The Prophecy Series is an upgrade and expansion of Graham's beloved book, 'Developing Your Prophetic Gifting.'

Each book in this series includes a variety of exercises, meditations and activations to engage your thinking and help you develop a deeper, more powerful identity in the Kingdom.

About the Author

Graham is a popular speaker around the world with a passion to empower the people of God to walk in their true identity.

He is a powerful, revelatory communicator with a radiant idea of Jesus, himself and the Kingdom of God. It examines the work of the Cross, the demise of your old nature, and the development of the new man as God sees it. This unique perspective will unlock any area where you feel stuck in your spiritual experiences. It will provide you with a wisdom that enables you to know how God sees issues, how He thinks about them, and the way He would speak to them, empowering you to step into that place He has set aside for you in the truth.

'The Newness Advantage' is the second book in the 'Letters from God' series. It follows 'The Nature of Freedom.

The book takes the form of letters written directly from God to us. There are questions of consideration, processing tools, and activations that will prove to be exceptional, thought provoking, developmental tools designed to empower you into a dynamic place of relationship with God.

Danny Silk - Unpunishable

KINGSWAYCLC TRUST

Description

2,000 years ago, Jesus Christ revealed the Father to humanity, not as an angry punisher of sinners, but as a merciful forgiver bent on reconciliation with His lost sons and daughters.

Through Christ's perfect sacrifice, the Father ensured that inside this reconciled relationship with Him, nothing we could ever do could separate us from His love. He made us unpunishable. Yet the body of Christ struggles to create a relational culture that accurately reflects the heart of the Father - a culture of mature love that drives away the fear of punishment (1 John 4:18) and leads people who sin on a journey of repentance, restoration, and reconciliation. In fact, the fear of punishment often seems to have the strongest hold at the leadership level in most churches.

Many leaders live in isolation and performance, and often burn out or crash morally, because they believe that if they have any problems, they will be punished - a belief that is too often realised. At the same time, these leaders struggle to see how they can lead and protect people without using tools of punishment when people sin.

Unpunishable is a call to all believers, but especially leaders, to end our dysfunctional love affair with the fear of punishment and build a relational culture that empowers people to walk in the light of freedom and love, own and clean up their messes, and mature into sons and daughters who look like the Father.

About the Author

Danny Silk serves on the Senior Leadership Team of both Bethel Church in Redding, California and Jesus Culture in Sacramento, California.

He is the President and Co-Founder of Loving on Purpose, a ministry to families and communities worldwide.

Danny is also the author of five books covering the subjects of building successful relationships, a culture of honor, and strong families.

Paul Tautges - Anxiety: Knowing God's Peace

Description

Anxiety can feel like a daily battle - at times bringing great suffering to both the body and the soul. Whether you experience nagging worry or debilitating panic, God's Word offers hope and help.

In this 31-day devotional, pastor and biblical counsellor Paul Tautges delves deeply, but gently, into the heart of fear and unbelief, using daily readings, reflection questions, and practical application to fuel the faith that strengthens inner security and peace.

The Bible is honest about human experiences of dread and fear, even in the lives of believers. We wage our war against anxiety through the disciplined exercise of biblical faith rooted in who God is, what He has done for us in Christ, and how He promises to continue to care for those who belong to Him.

In the 31-Day Devotionals for Life series, biblical counsellors and Bible teachers guide you through Scripture passages that speak to specific situations or struggles, helping you to apply God's Word to your life in practical ways day after day.

Paul Tautges (MA, DMin, Northland International University) is senior pastor of Cornerstone Community Church in Mayfield Heights in Ohio.

Jim Newheiser - Money: Seeking God's Wisdom

Description

This book is meant to be a biblical, practical, and self-reflective devotional to help Christians understand the wisdom contained in God's Word on the subject of finances. It will be targeted for Christians who are in financial distress.

Our financial problems are usually spiritual problems, as we place too much value on the security, possessions, and pleasure we think that money can buy.

Financial idolatry leads to every kind of evil, including slavery to debt, and every kind of moral compromise for the sake of wealth.

Jesus removed our debt of sin and gave us the riches of His righteousness. Those whom He saved are transformed from worldly idolaters to worshppers of God.

Financial success for the believer begins as he seeks God's kingdom first and strives to acquire treasure in heaven. From that perspective he can earn, spend and save money according to God's principles of wisdom and for His glory.

About the Author

Jim Newheiser (MA, DMin, Westminster Theological Seminary) is director of the Christian Counselling programme and associate professor of practical theology at Reformed Theological Seminary in Charlotte.

He is a fellow of the Association of Certified Biblical Counsellors (ACBC) and a board member of the Fellowship of Independent Reformed Evangelicals.

Jen Hatmaker - 7 Days of Christmas

KINGSWAYCLC TRUST

Description

Inspired by and adapted from her breakout book 7: An Experimental Mutiny Against Excess, 7 Days of Christmas takes Hatmaker's social experiments in seven key areas—food, clothes, spending, media, possessions, waste, stress—and turns them into thoughtful and practical generosity that captures the true spirit of Christmas.

7 Days of Christmas covers 7 days during the Christmas season to practice both generosity and restraint in the areas related to the book. It will contain snippets of Jen's journey throughout to offer insight, humor, ideas, facts, and encouragement for the reader to consider while embracing this change, if only for 24 hours.

We'll see the reasons why each area is important to Jen and also applicable to most American families. We'll also see how that particular area of excess impacts the family unit, the community, and the world at large—complete with ideas on how to reduce thoughtless consumption and consider other practices that lead to less stuff but more joy.

Description

Noah's ark. Joseph's dreams. Jesus's miracles. The Bible is rich with stories for our children to hear and enjoy, but when those stories uncover the thread of God's promises, our children learn much more than individual Bible stories.

They discover how God has demonstrated His love for us, from the first promise in the garden to the promise of the new heavens and earth.

A conversational, whimsical, biblically faithful retelling of more than fifty key Bible stories, 'The Promises of God Storybook Bible' lets your child hear favourite stories with new ears, repeatedly assuring them that each word is proof of God's unstoppable love and unbreakable promises to His people.

About the Author

Jennifer Lyell has taught hundreds of children the Bible over the course of many years and finds her joy in those end-of-the-year Sunday School classes when the children teach it back to her. Ray Comfort - Undeniable Evidence

UK & Europe

KINGSWAYCLC TRUST

Distribution:

Description

Even though the Bible wasn't written as a scientific book, it contains amazing scientific facts that were penned thousands of years before man discovered them-facts regarding the earth being round, its free float in space, laws of quarantine, the existence of the dinosaur, and many others.

Although Christians don't need convincing that the Bible is the Word of God (because they have met the Author), such gems in Scripture tend to warm the heart and solidify our faith.

While this publication is written primarily for Christians, unbelievers-who are perhaps interested in the Bible's immutable promise of everlasting life-may like to examine the undeniable evidence, and consider the implications if its offer of Heaven and warning of Hell are indeed true.

About the Author

Ray Comfort is the Founder and CEO of Living Waters and a bestselling author who has written more than 90 books, including 'God Has a Wonderful Plan for Your Life', 'How to Know God Exists,' and 'The Evidence Bible.'

He also co-hosts the award-winning television programme 'Way of the Master,' airing in almost 200 countries.

Do you feel like you are alone in your grief?

'Her Grief Was Heard' is a unique approach to a devotional using diary entries from Cady's journal after she lost her husband at age 24. The author doesn't shy away from hard questions she struggles with during her grief process.

The candid dialogue between the young widow and God are not only emotionally validating for any reader, but also show that no emotion is too dark or ugly for God.

Don't be surprised if you see chapters titled by questions you wanted to ask God but felt too afraid to say them. As Cady vulnerably wrestles with her questions and raw emotions, she finds one thing that is irreplaceable-hope.

We believe you will too. Each chapter is woven in Scripture that will tenderly comfort your grieving soul. And in each chapter, you will find that there is only One who can pick up the pieces of your broken heart.

Description

This book will equip you with tools to protect the five fronts of spiritual battle: your relationship with God, your identity, your family and friends, your church, and the world.

'Win Your War' is a practical marriage, parenting, and relationship book that is grounded in the Word of God and focused on recognizing Satan's role in your life. Mark and Grace Driscoll help you understand the power Jesus gives you to overcome the enemy's attacks.

Mark and Grace Driscoll look at the nature of spiritual warfare in response to Adam and Eve. God has a kingdom where His people are governed by the Spirit. Satan has the world, where his people are governed by the flesh. Spiritual warfare is the battle between these two realities in everything, including our identity, temptation, gender, marriage, and emotional well-being.

Some years ago Mark Driscoll preached on the Book of Genesis and discovered an unexpected theme about spiritual warfare that works itself out in all of human history: the storyline of the Bible is that there is first a wedding and then a war. Satan did not show up until a man and woman were married and had a ministry call on their lives. The first thing he did was attack marriage and separate men and women. After reading this book, you will uncover the five fronts of spiritual battle: your relationship with God, your identity, your family and friends, your church, and the world.

About the Author

Mark and Grace have been married and doing ministry together for over twenty-five years. They planted the Trinity Church with their five kids in Scottsdale, Arizona. Mark has been named by Preaching magazine as one of the twenty-five most influential pastors of the past twenty-five years.

R.T. Kendall - Word and Spirit

KINGSWAYCLC TRUST

Description

This book will help you unite the power of the Holy Spirit with the knowledge of God's Word, and anticipate a last-days revival because of this union.

In October 1992 while pastoring Westminster Chapel in London, England, R. T. Kendall organized a conference around a series of sermons prophetically describing what God may have in store for His people in these last days. The series proclaimed an outpouring much deeper than anything we have ever experienced—an awakening not based on feelings or emotions but inspired through the irrevocable truth of God's Word, fulfilled through the conviction and direction of the Holy Spirit.

In 'Word and Spirit' best-selling author and theologian R. T. Kendall challenges your traditions, emotions, convictions, and maybe even your faith. Kendall shares his vision of the future—of a holy unity of the Word and the Spirit that leads to a last-days revival.

There are those who live their spiritual lives by biblical explanation only. Meanwhile, others base their theological dispositions on "signs and wonders" characterized by the Pentecostal/Charismatic movement. In this exciting and controversial book R.T. revives his original messages, adding new insights into what they mean for us today and revealing everything we need to know about the coming move of God.

About the Author

R. T. Kendall was the pastor of Westminster Chapel in London, England, for twenty-five years. Born in Ashland, Kentucky, he was educated at Southern Baptist Theological Seminary (MDiv) and Oxford University (DPhil).

Dr. Kendall is the author of a number of books, including Total Forgiveness; Holy Fire; Pigeon Religion: Holy Spirit, Is That You?; Sensitivity of the Spirit; Grace; and The Anointing: Yesterday, Today, Tomorrow.
