## Description

Far from home and at the mercy of the Irish pirates who kidnapped him, young Patrick is forced to spend his days tending sheep and surviving wild animal attacks. That is, until he calls out to the God of his youth.

Long days spent aching for home become long days praying. After six years as a slave, Patrick hears a Voice urging him to make a daring escape.

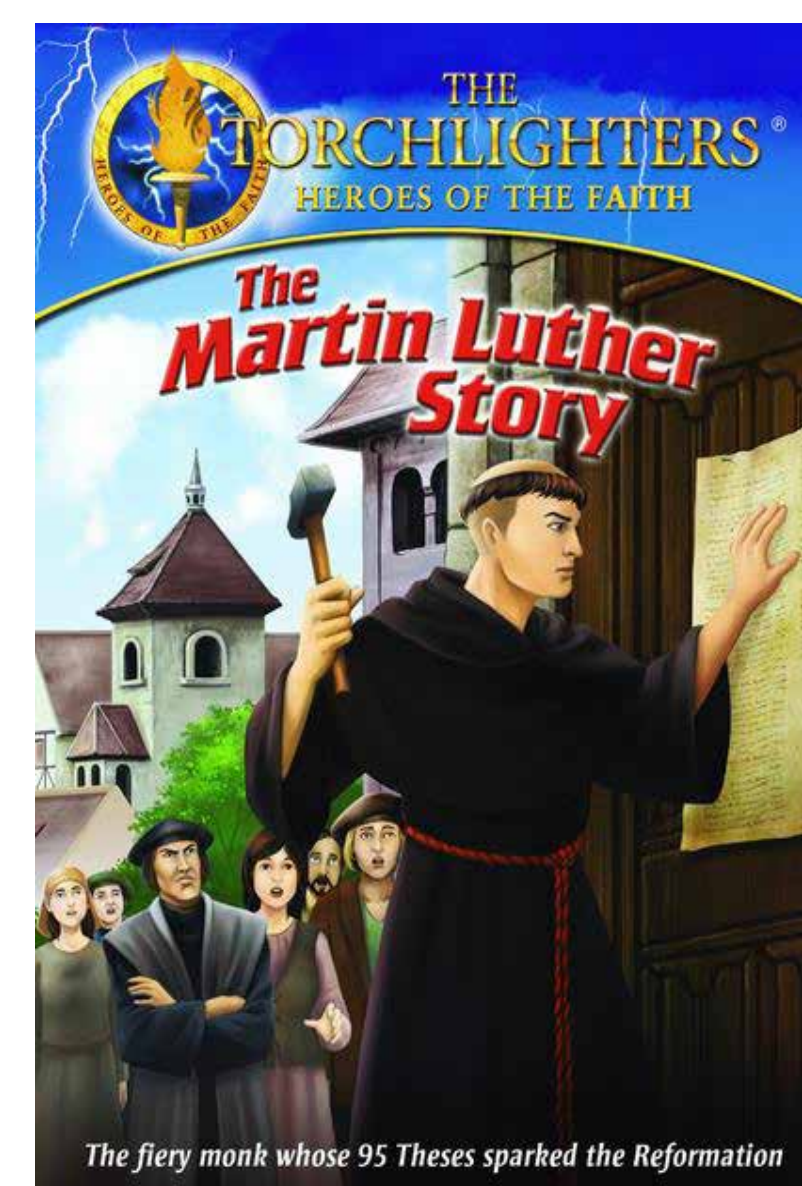

Once back home, Patrick feels called to become a priest and is eventually appointed bishop, but all this pales when he receives yet another calling of God—to take the Gospel to his former kidnappers.

Find out why the man known as St. Patrick is credited with introducing Ireland to Christ in this episode of The Torchlighters.

## Description

St. Patrick may be the most popular, yet least-known, figure in Christian history. Each year revelers hold parties and parades to celebrate his day, yet the average person likely has no idea who Patrick of Ireland truly was.

'St. Patrick: Pilgrimage to Peace' unearths the true story of this fifth-century Christian who was brought to Ireland as a slave, where he laboured six long years before finally escaping. But after returning home, Patrick shocked his contemporaries by voluntarily returning to the place of his enslavement in order to bring the gospel message to the Irish people.

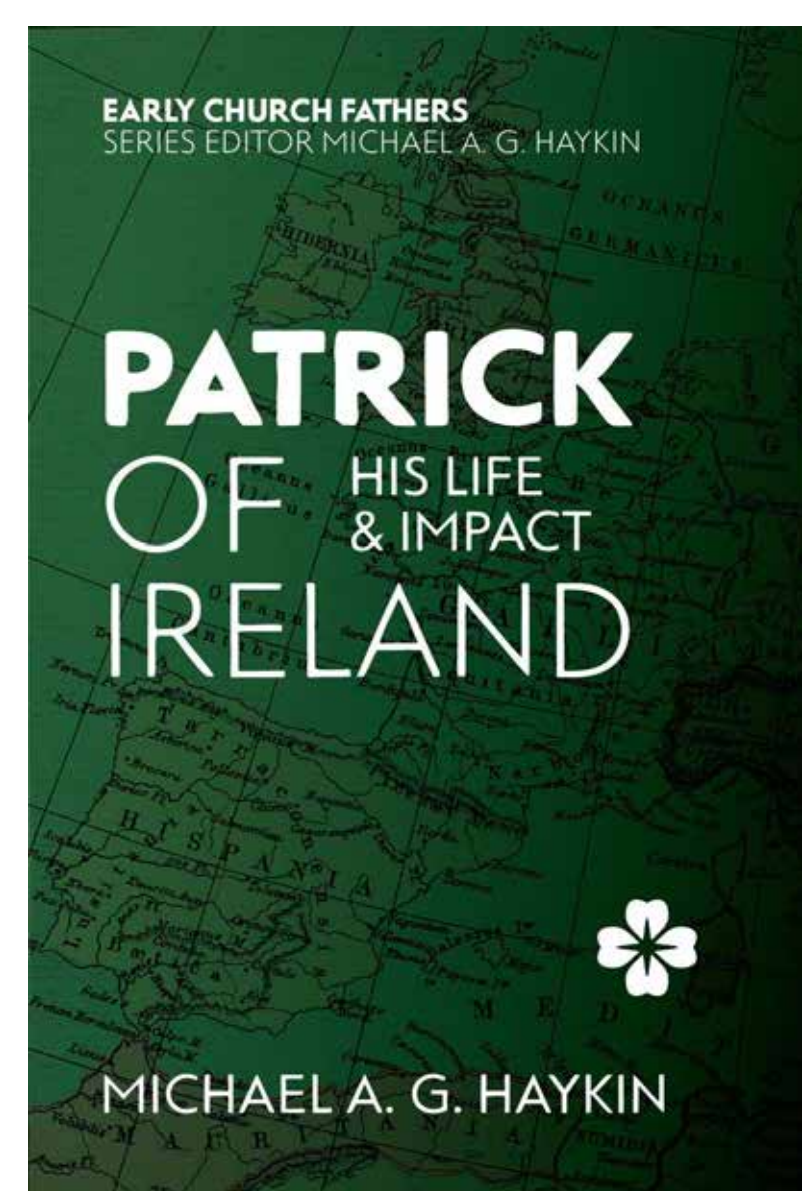

Go beyond the legends and clichés to discover the real St. Patrick, a man whose life continues to call us to the peace of Christ.

## Description

UFO conventions may not seem like a good place for a Christian theology professor, but that's where you can sometimes find Dr. Michael Heiser, an Old Testament scholar and author of the book, *The Unseen Realm: Recovering the Supernatural Worldview of the Bible*.

Dr. Heiser's interest in UFO stories has led him to ask intriguing questions like, are all these stories of unidentified objects in the sky and alien abductions merely the product of Science Fiction run amuck or could there be something deeper hidden under the surface?

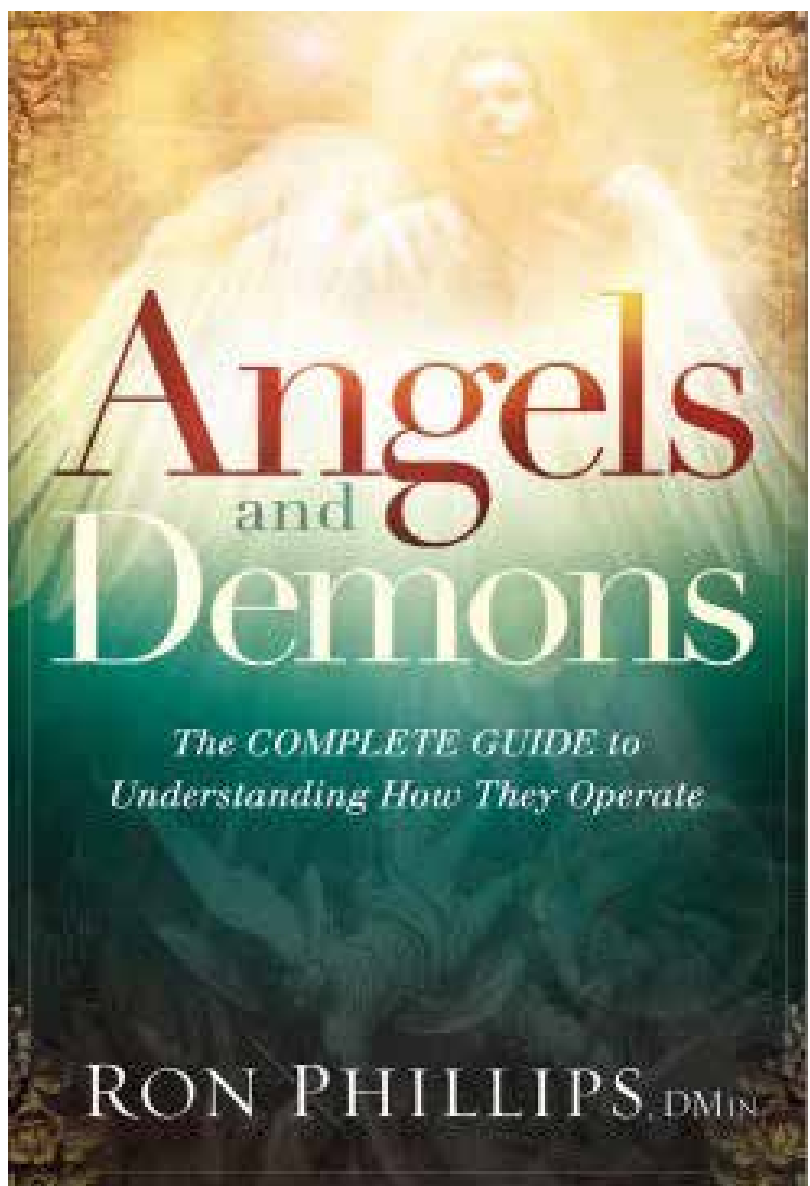

In this provocative documentary, Dr. Michael Heiser explores the unexpected intersection between UFOs, alien abductions, the world of angels and demons, and the ancient texts that speak of them.

## Description

Many Christians limp through their lives feeling beat up by the enemy, their circumstances, and internal strife. They look at the pattern of world events with a sense of hopelessness. Too often they simply accept these as the natural trials and challenges of life. However, other Christians acknowledge that there is a war happening, a battle between angels and demons. They want to know: What are the rules of engagement for this battle? What weapons do we have? What kind of enemy are we facing? Is this battle always happening, or are there moments of rest and peace? Am I really meant to fight in a battle where I can't see my enemies or my allies?

Blake Healy has seen angels and demons since he was a small child. In this book readers will discover what Healy has learned about the nature of spiritual warfare after over thirty years of seeing in the spirit. They will learn the truth about how they can be victorious in both their personal battles and the battles that are happening in the world. And they will see how they can truly feel as if they are fighting their spiritual battles from the winning side. This book will:

- Teach readers how to posture their hearts and minds for personal spiritual battles as well as global spiritual warfare.
- Show readers how to live from the victory Jesus won on the cross.
- Give readers insight into the nature of spiritual warfare—how we fight, what winning looks like, our authority as Christians, and how much power the enemy has.

## Description

Respected author and theologian R. T. Kendall shares a profound revelation of the meaning of John 5:44, the scripture that has guided his life for more than sixty years. Early in his ministry the wise counsel of two mentors brought this scripture to light, and he has determined to live by it ever since. Now he passes on the same wise counsel to his readers.

In 'For an Audience of One,' Kendall explores what it means to truly live for Christ alone. Many Christians believe in God and claim that Jesus is their Lord and Saviour, but sadly their actions betray them. They are more concerned about the approval of people. They avoid truly following God's leading or taking a bold stand for righteousness if they fear they might lose a friend. Because they are more worried about what people think than what God thinks, they miss out on what God is doing.

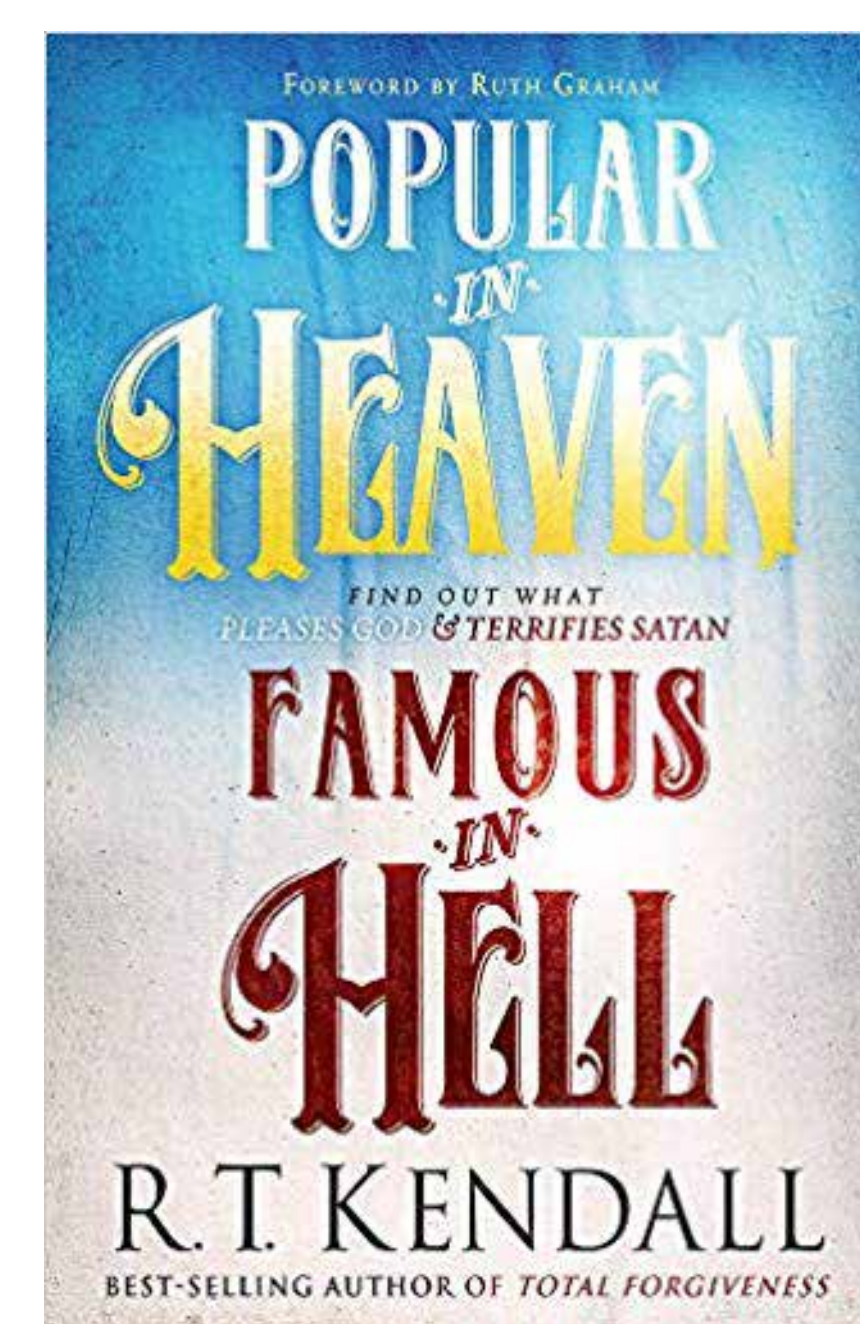

It's time to learn what a life truly surrendered to God—and God alone—looks like. Readers can live the life He has purposed for them! They can stop being motivated by fear of others and addicted to their approval. 'For an Audience of One' shows readers how to start living for the honour and praise that comes from God alone!

## About the Author

R. T. Kendall was the pastor of Westminster Chapel in London, England, for twenty-five years. Born in Ashland, Kentucky, he was educated at Southern Baptist Theological Seminary (MDiv) and Oxford University (DPhil).

Dr. Kendall is the author of a number of books, including 'Total Forgiveness,' 'Holy Fire,' 'Pigeon Religion: Holy Spirit, Is That You?,' 'Sensitivity of the Spirit,' 'Grace,' and 'The Anointing: Yesterday, Today, Tomorrow.'

In 'Moving from Sword to Scepter,' you will discover how to displace demonic forces and release Heaven's rule from a place of spiritual authority, both personally and corporately as the Ekklesia of God.

This revelatory prayer protocol will teach you how to:

Christopher Ash shows us how to read and apply the book of Psalms. He takes us through 15 pairs of psalms that represent various ‘types’—including some that are very familiar and some that are often ignored. He helps us to see how they are fulfilled by Jesus and therefore point to Jesus first and foremost, transforming how we read them, enjoy them and sing them. Christopher Ash comments that this understanding of the Psalms “can shape the dynamics of our Christian lives in ways that neither a dry and arid intellectualism nor a rootless emotionalism can do. The Psalms can make us Christians with deep feelings, deep emotions, deep thoughts, and deep desires.”

## Description

In Chasing Vines, Beth shows us from Scripture how all of life's concerns--the delights and the trials--matter to God. He uses all of it to help us flourish and be fruitful. Nothing is for nothing.

Looking through the lens of Christ's transforming teaching on the Vine and branches in John 15, Beth gives us a panoramic view of biblical teachings on the Vine, vineyards, vine-dressing, and fruitfulness.

Join Beth on a journey of vine-chasing all over the Bible, from Genesis to Revelation, to discover why fruitfulness is so important to God--and how He can use anything that happens to us for His glory and for our flourishing.

Most of us have times when, if we are honest, we'd admit to feeling like our lives are embarrassingly small and insignificant. Times when it seems like we're going through a whole lot of pain and striving without much to show for it. Like our daily pursuits don't really matter in the long run. At times like that, we can't help wondering if we really matter—to the world or even to God.

In 'Chasing Vines', Beth Moore gives us a new hope, revealing the abundant secrets of a fruitful, Kingdom-building, God-pleasing life. Tracing the images of vinedresser, vine, branch, and fruit through Scripture, and sharing stories from her own journey, Beth shows us how nothing in our lives is wasted.

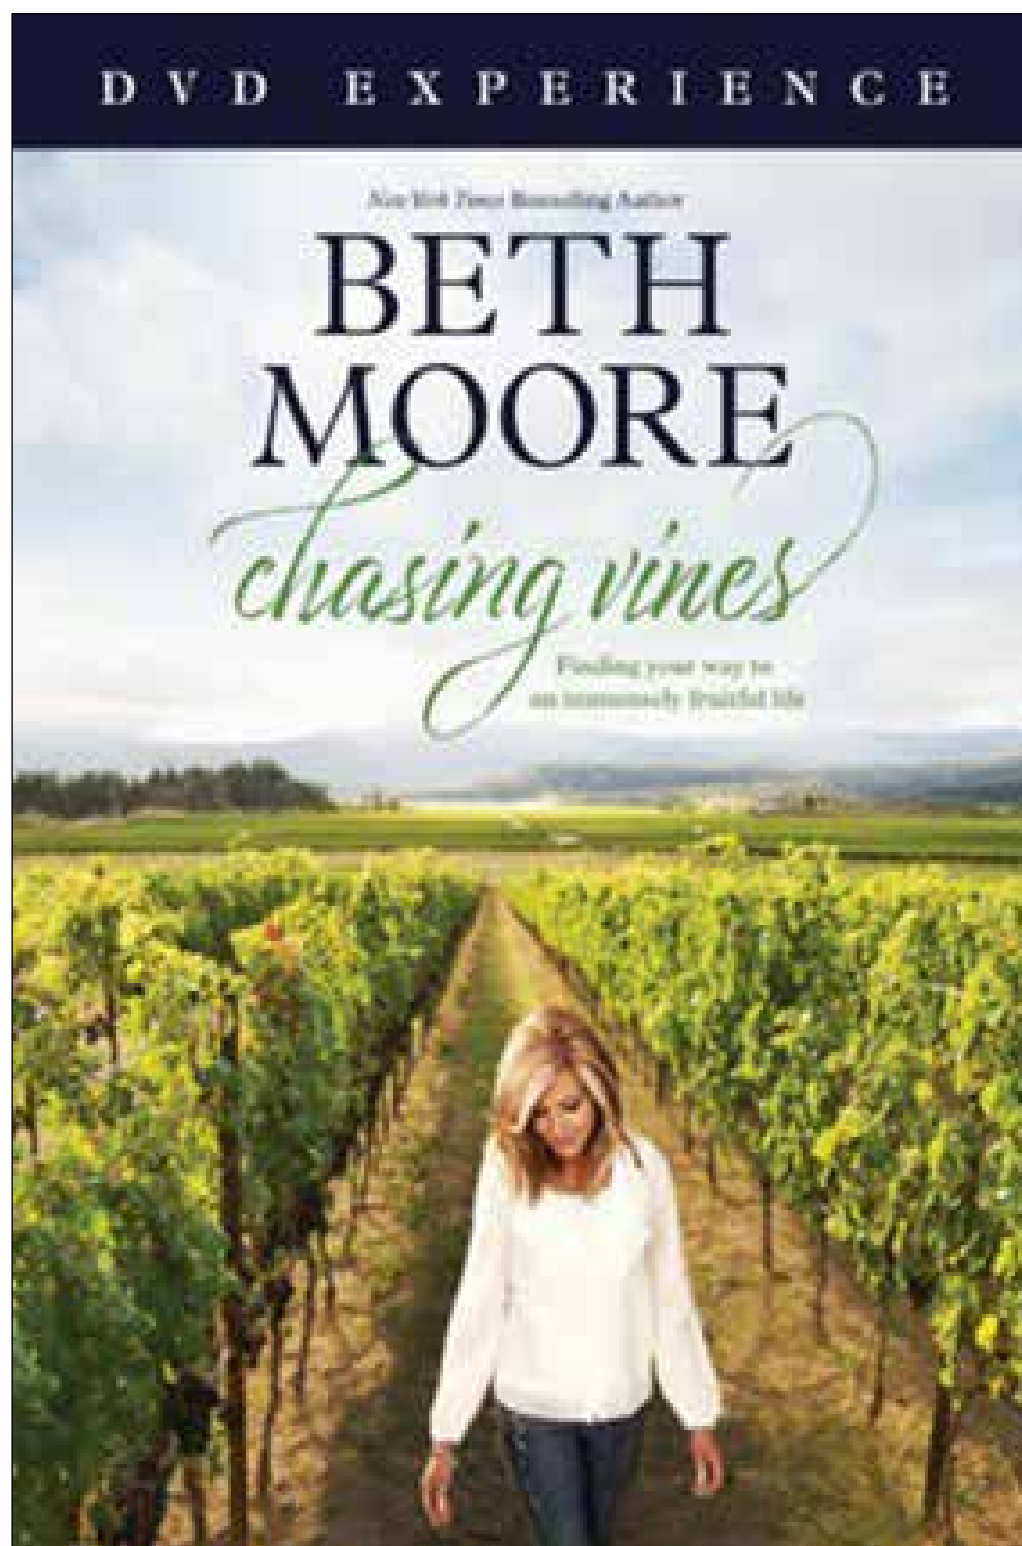

Beth is convinced from Scripture that every person who knows Jesus is meant to thrive in fruitfulness. Life might not always be fun, but in Christ, it can always be immensely fruitful.

Product Code: 9780802419200  
Format: Paperback  
Distribution: UK & Europe

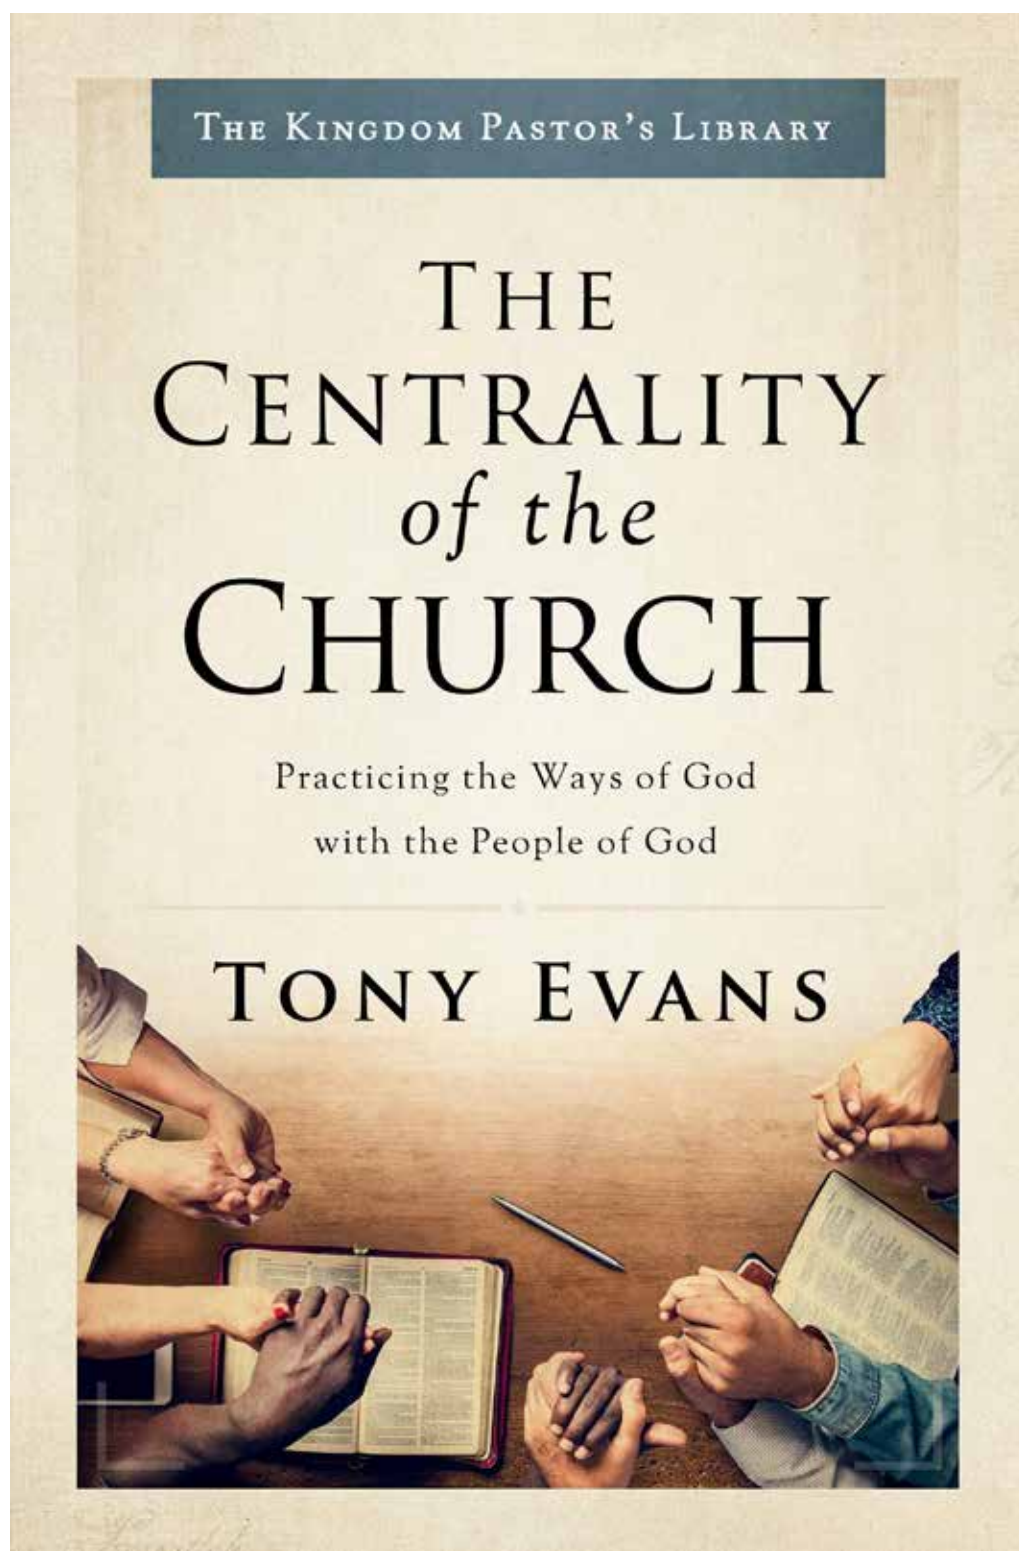

Sadly, seminaries often function under the assumption that the African American preaching tradition is incompatible with expository preaching. They tend to believe that preachers who truly care about the text preach as white preachers traditionally have. This viewpoint is not only incorrect but harmful.

African Americans have a strong legacy of poignant, timely, impassioned preaching that is faithful to the text and reveals truth, justice, and power.

In *Say It!*, celebrated African American preachers teach young pastors how to do expository preaching in the African American style.

Each chapter walks you through a sermon from a different African American pastor. That pastor will walk you through his notes, his final manuscript, and explain how it all came together.

This is an important and powerful resource for pastors and seminaries across the country, celebrating an often overlooked expression of faithful, biblical preaching.

All of us have questions about faith, but we often feel awkward or uncomfortable asking them. We assume doubt is always a bad thing. God is infinite, beyond our understanding—yet He chooses to reveal Himself in ways that spark our questions rather than settling them all. Instead of making Himself smaller and easily understood, God invites us into a larger faith—one that has room for questions, victories, failures, and mystery.

Belief in an infinite God by finite humans is an act of exploration. It's a process of learning all we can understand and trusting God in all we can't.

Our culture is in a time when reports of inappropriate touch are commonplace. In the church, we're not doing much better. On one hand, we give side hugs or instate six-inch rules. On the other, we find out—almost daily—about sexual misconduct, affairs, and abuse inflicted within our own walls. Singles are staying single longer, dating is wrought with angst over purity, and marriages struggle to not interpret all forms of touch as sexual. We can't even talk about touching our own bodies without the underlying assumption that it must be sexual. In the laws within the Old Testament, there is a form of one statement made 38 times: "Do not touch." Everything seems off-limits to the people of God. But a curious thing happens in the New Testament when Jesus comes into his ministry: He touches. Jesus touches the sick and the outcasts, the bleeding and the unclean. What could it mean for families, singles, marriages, churches, communities, and the world to have healthy, pure, faithful, ministering touch? Somewhere in the mess of our assumptions and fears about touch, there is something beautiful and good and God-given. As Jesus can show us, there is ministry in touching.

Title: The Bible and Moral Injury  
Author: Brad E. Kelle  
Price: £25.99  
Product Code: 9781501876288  
Format: Paperback  
Distribution: UK & Europe

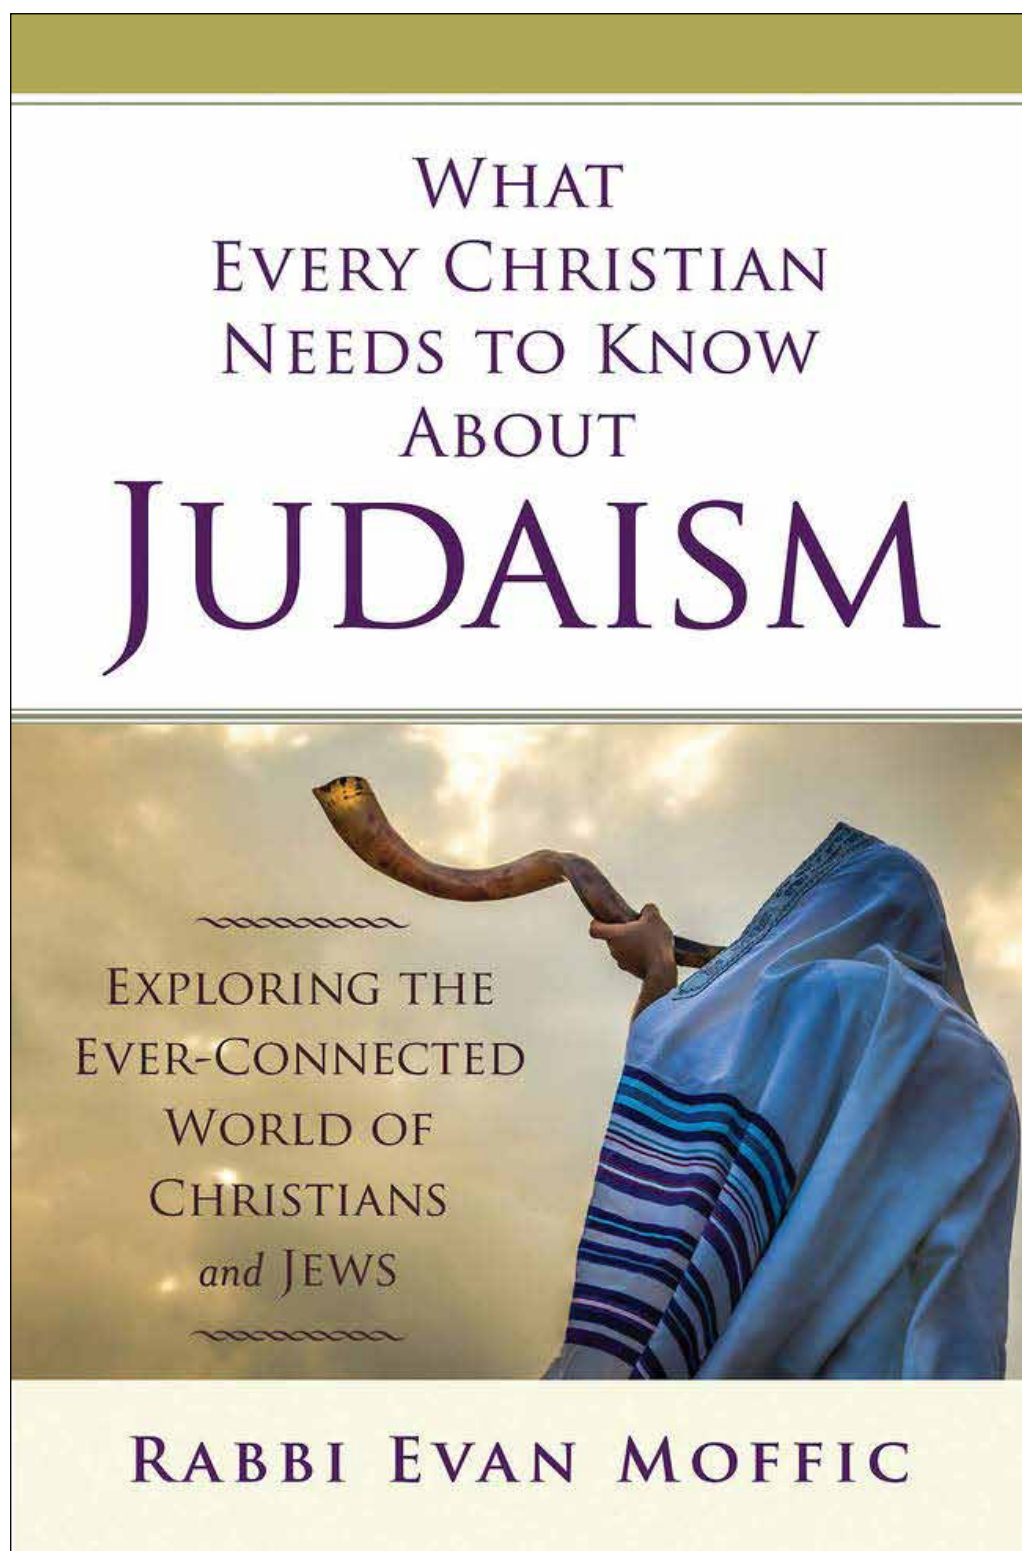

‘The Bible and Moral Injury’ offers an exploration (with case studies) of the interpretation of biblical texts, especially war-related narratives and ritual descriptions from the Old Testament, in conversation with research on the emerging notion of moral injury within psychology, military studies, philosophy, and ethics. This book explores two questions simultaneously:

1. What happens when we read biblical texts, especially biblical stories of war and violence, in light of emerging research on moral injury?, and
2. What does the study of biblical texts and their interpretation contribute to the emerging work on moral injury among other fields and with veterans, chaplains, and other practitioners?

In the end, The Bible and Moral Injury suggests that current formulations of moral injury provide a helpful lens for re-reading the Bible’s texts related to war and violence but also that biblical texts and their interpretation offer resources for those working to understand and express the realities of moral injury and its possible means of healing and repair.

Title: Holy Living Series: Celebration  
Author: Elaine Heath  
Price: £11.50  
Product Code: 9781501877704  
Format: Paperback  
Distribution: UK & Europe

Christians crave a deeper, more intimate relationship with God. Spiritual disciplines are activities and practices that guide you in your daily walk through life bringing you closer to Christ. They also help you to make a difference in our world.

Practicing these spiritual disciplines opens you to God's transforming love and help you experience Holy Living.

The act of celebration has deep and ancient roots among God's people, who throughout their history have joyfully celebrated God's deliverance and faithfulness. In life's high and happy moments, celebration happens naturally. But what about when life's experiences are dull and flat, or worse, when they cause us to hit rock bottom? Does God expect us to celebrate then? God does, and we can. This book explores celebration not as an isolated event or an occasional occurrence but as a response to the reality that God is continually present, always faithful, and ever loving.

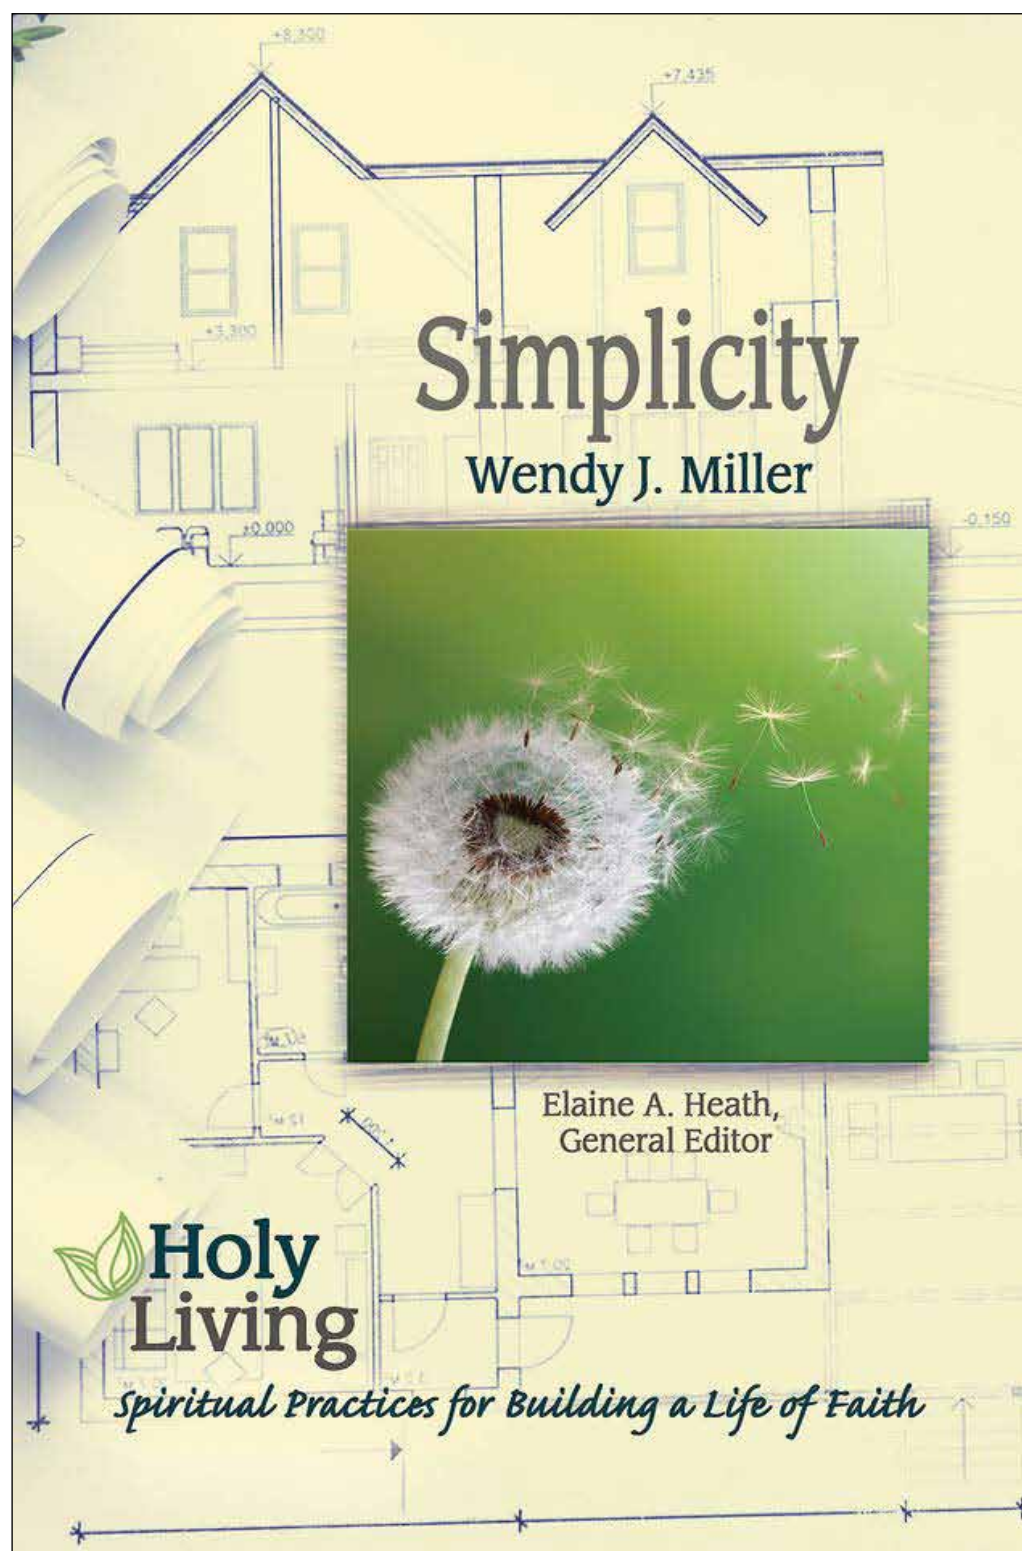

Title: Holy Living Series: Confession  
Author: Paul W. Chilcote  
Price: £11.50  
Product Code: 9781501877681  
Format: Paperback  
Distribution: UK & Europe

Confession may be good for the soul, as the saying goes, but most people give little thought to its practice, at least on a daily basis. Like prayer, a person's needs tend to trigger a confessional response. As a result, we often have a limited understanding of the true nature of the practice.

Confession is so much more than a call to apologize, though that is an integral part. Confession is fundamentally relational, providing the opportunity to experience a much fuller relationship with God.

This book provides opportunities both to examine and to practice the many forms that confession takes. It begins by looking at our confession of faith (not sins) and what we affirm about the nature and purposes of God. From there it moves to exploration and practices of individual confession, mutual confession, and worship, which provides one of the most significant contexts for the people of God to confess their sin before God and one another.

At its core, the spiritual practice of simplicity enables us to eliminate from our lives all the things--both material possessions and thoughts, habits, and attitudes--that distract us from God so that God has complete freedom to work in and through us.

Simplicity brings freedom, balance, and perspective to our lives and enables us to align our priorities with the priorities of God. It reorients us and allows us to be open to the present moment. Developing the spiritual practice of simplicity is key to a healthy, vibrant relationship with God and others.

This book helps us know how to begin and implement this practice.

In order to fully embrace study as a spiritual practice, we must first rid ourselves of the idea that study is a boring, dull, and unimaginative exercise.

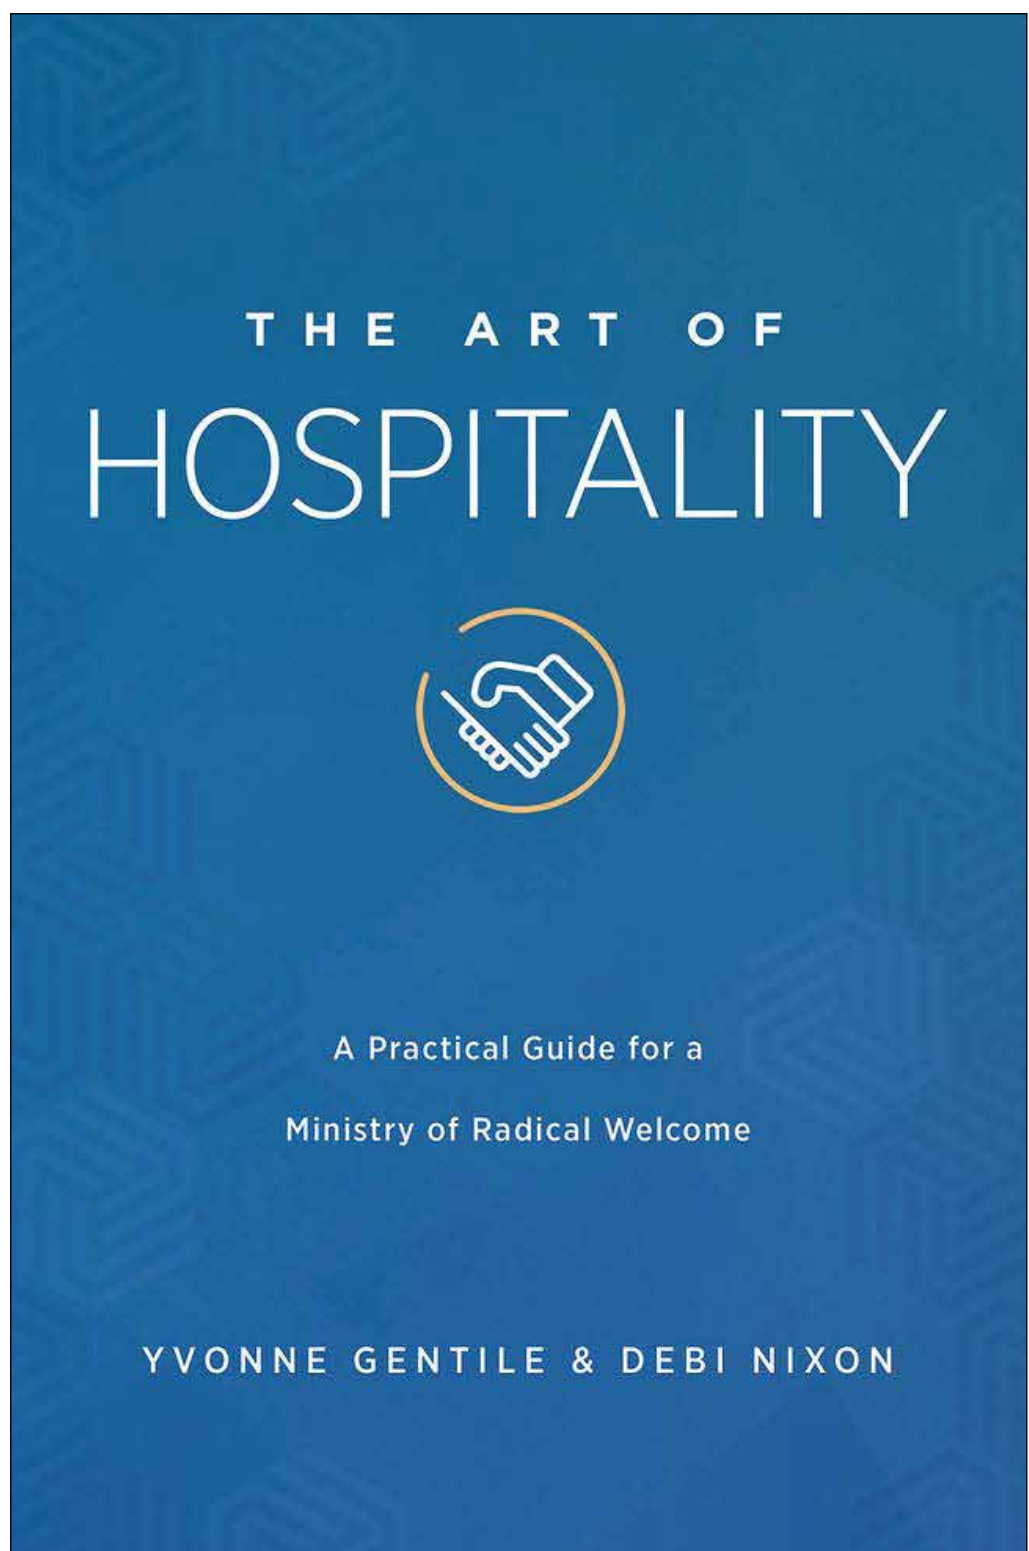

Study as a spiritual practice is, in fact, just the opposite: exciting, stimulating, and imaginative. It is a way to encounter and experience the living God; examine and discover more of ourselves in relation to God; and deepen our faith in God. It helps ground us in what God thinks and helps us reorder our priorities. It enlivens and energizes our faith.

Study fills us with God's words, and the more we study, the more of God's words fill our hearts and minds and inform our thoughts, words, and actions.

This book challenges our preconceptions of study and offers practical steps on how to develop the habit of study.

## Description

Well-known as a public figure and theologian, Abraham Kuyper was also, like David, a man after God's own heart.

His profound thought was energized by a vibrant faith. It is fitting that the Psalms--the anatomy of the human soul--inspired abundant meditation for Kuyper as he endeavoured to apply Christ's Lordship to all of life.

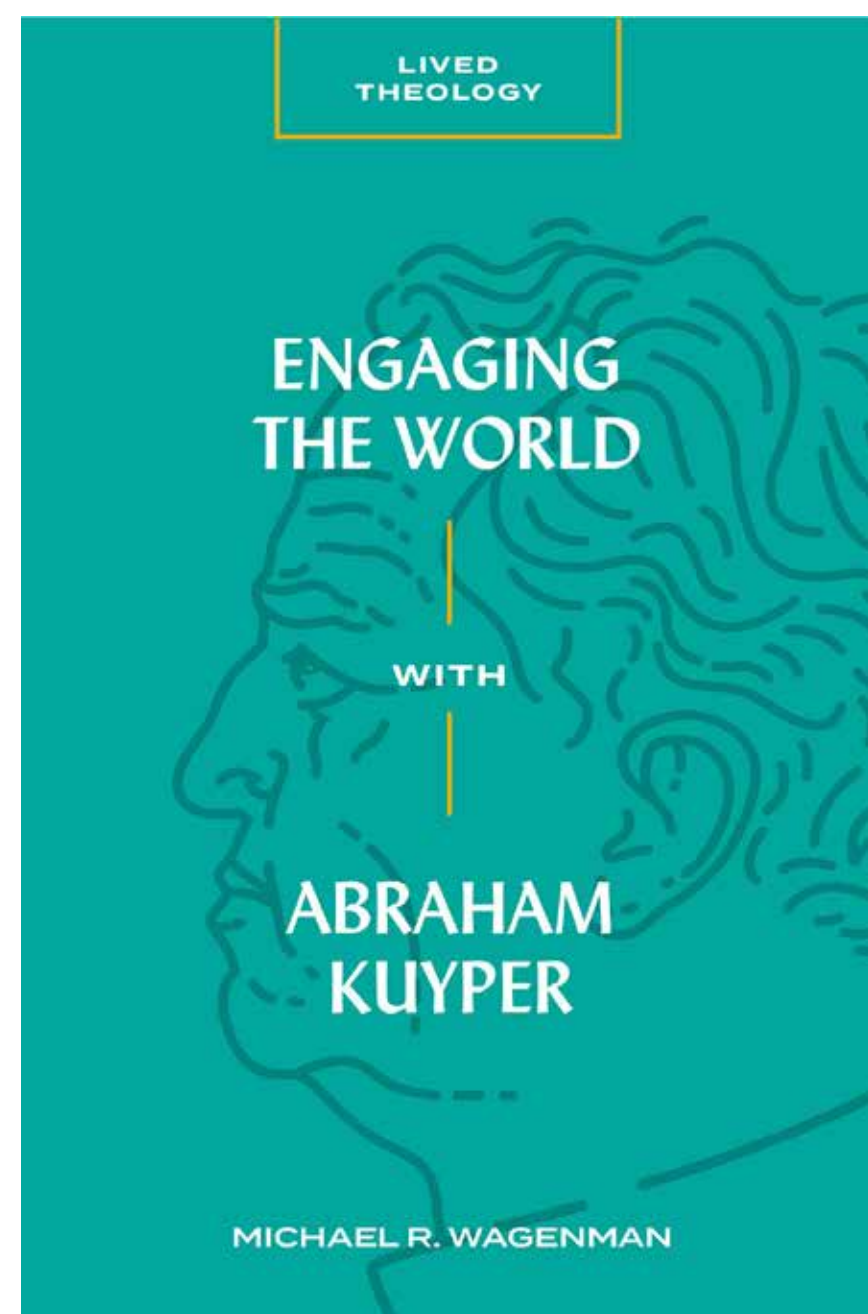

Translated and introduced by James De Jong, these thirty-one meditations on the Psalms reveal the devotion of a seasoned saint who remained faithful to his Lord.

## About the Author

ABRAHAM KUYPER (1837–1920), a Prime Minister of the Netherlands and founder of the Free University of Amsterdam, applied a revived confessional Calvinism to all areas of modern Dutch life. The faith that inspired him and his followers in this effort is captured in his published weekly meditations.

JAMES A. DE JONG, retired president of Calvin Theological Seminary, graduated from Calvin (BA and BD) and the Free University of Amsterdam (ThD). He is widely published in the history of Reformed theology and history of missions. He has taught on the undergraduate and graduate levels and has lectured globally.

Format: Paperback

Do you know who you’re talking to? All human beings are made in the image of God . . . but you wouldn’t always be able to tell by how we talk to them. And when it comes to listening, we’re even worse! The result? Hurt, misunderstandings, frustration, division, and sometimes all-out war.

Scripture says that human beings aren’t worms or weasels but rather wonders who are worthy of our time and respect. From that truth, we can draw important guidelines that will transform our conversations, relationships, and lives together.

Pastor Tim Shorey blends the marvellous with the mundane, laying out a COMMUNICATE lifestyle built on eleven practical decisions we need to make when we converse.

Whether you’re trying to repair a relationship, interact on social media, talk to your teen, or understand someone whose beliefs differ wildly from your own, there is hope!

Title: Same Lake, Different Boat  
Author: Stephanie O. Hubach  
Price: £13.50  
Product Code: 9781629956916  
Format: Paperback  
Distribution: UK & Europe

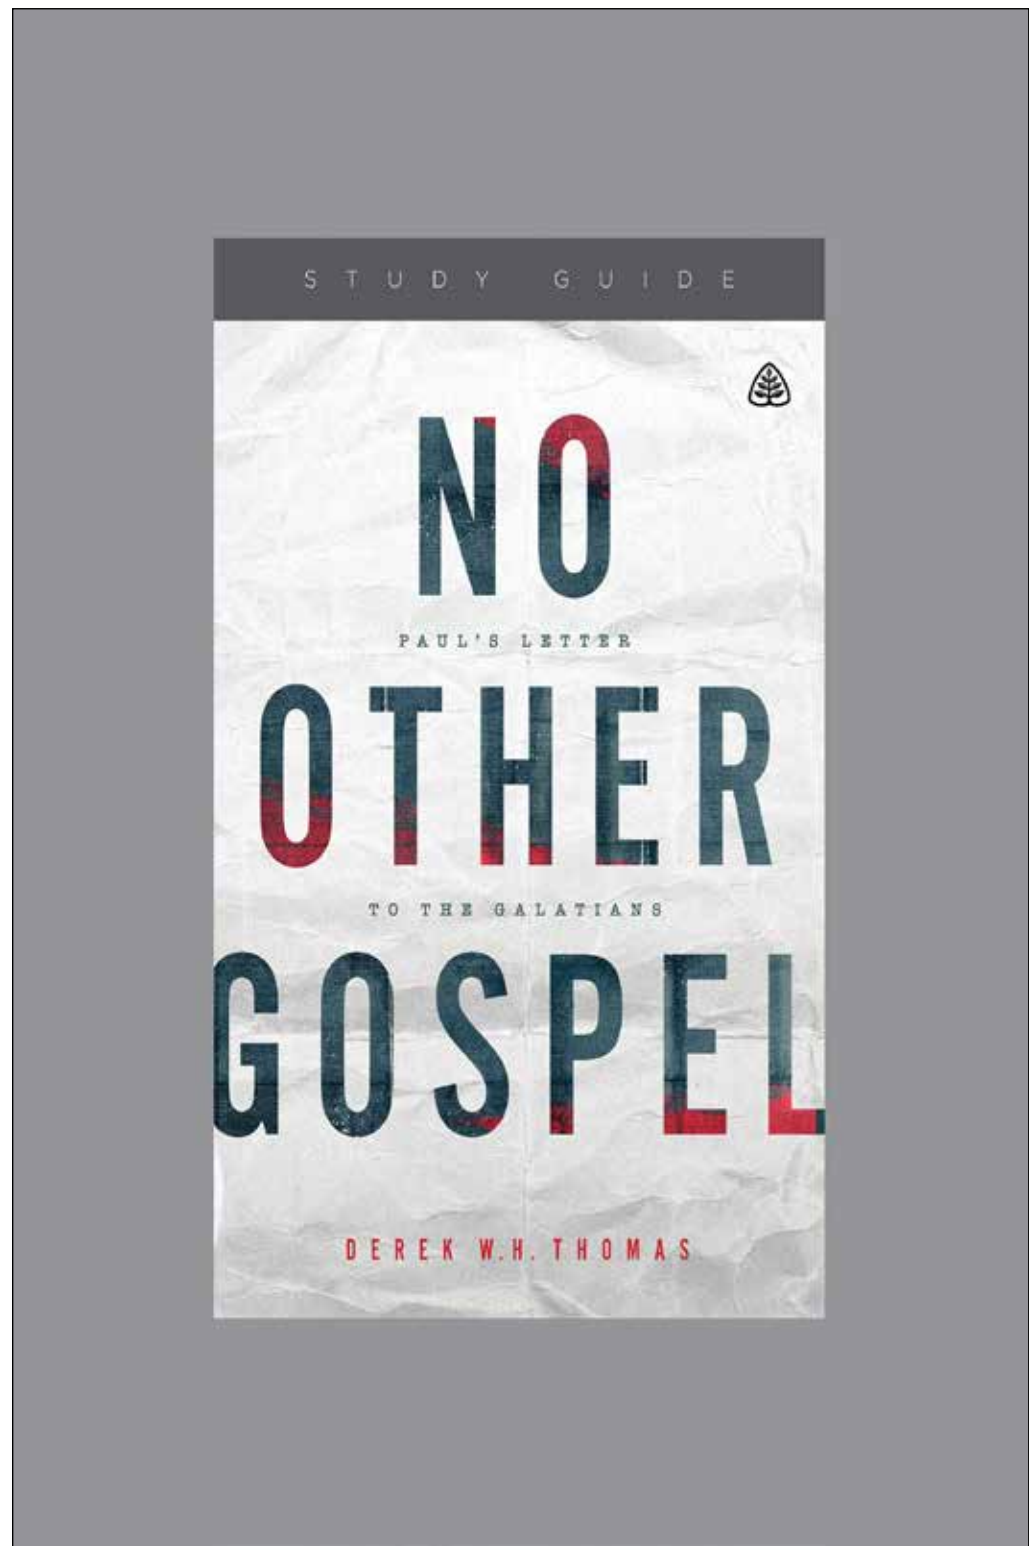

In a fallen world, we all experience brokenness and limited ability. We’re in the same lake, sharing a common story—but because our experiences differ from person to person, we’re not in the same boat.

When it comes to people with disability, however, we often act like we’re in different lakes. Disability seems frightening, abnormal—or irrelevant to those who do not experience it. But Stephanie Hubach argues that there is a better way to think of disability, a better way to understand the challenges facing those touched by disability, and a better way to understand the role of the church in the lives of people with differing abilities. She pinpoints what is true about disability, in contrast to common secular views, and what we need to rethink and relearn in order to support one another and make God’s kingdom truly accessible.

This revised and updated edition includes new chapters on growing in grace and journeying into maturity.

Title: Blood Work  
Author: Anthony J. Carter  
Price: £9.99  
Product Code: 9781642892130  
Format: Paperback  
Distribution: UK & Europe

Evangelical Christians often sing and preach about the blessed blood of Christ and the wonderful things it accomplishes for believers. To the uninformed ear, such language can convey the idea that Jesus' blood had semi-magical qualities. Actually, Jesus' blood was normal human blood, but the Bible refers to it in metaphorical terms to portray the many benefits that come to Christians because of Jesus' death.

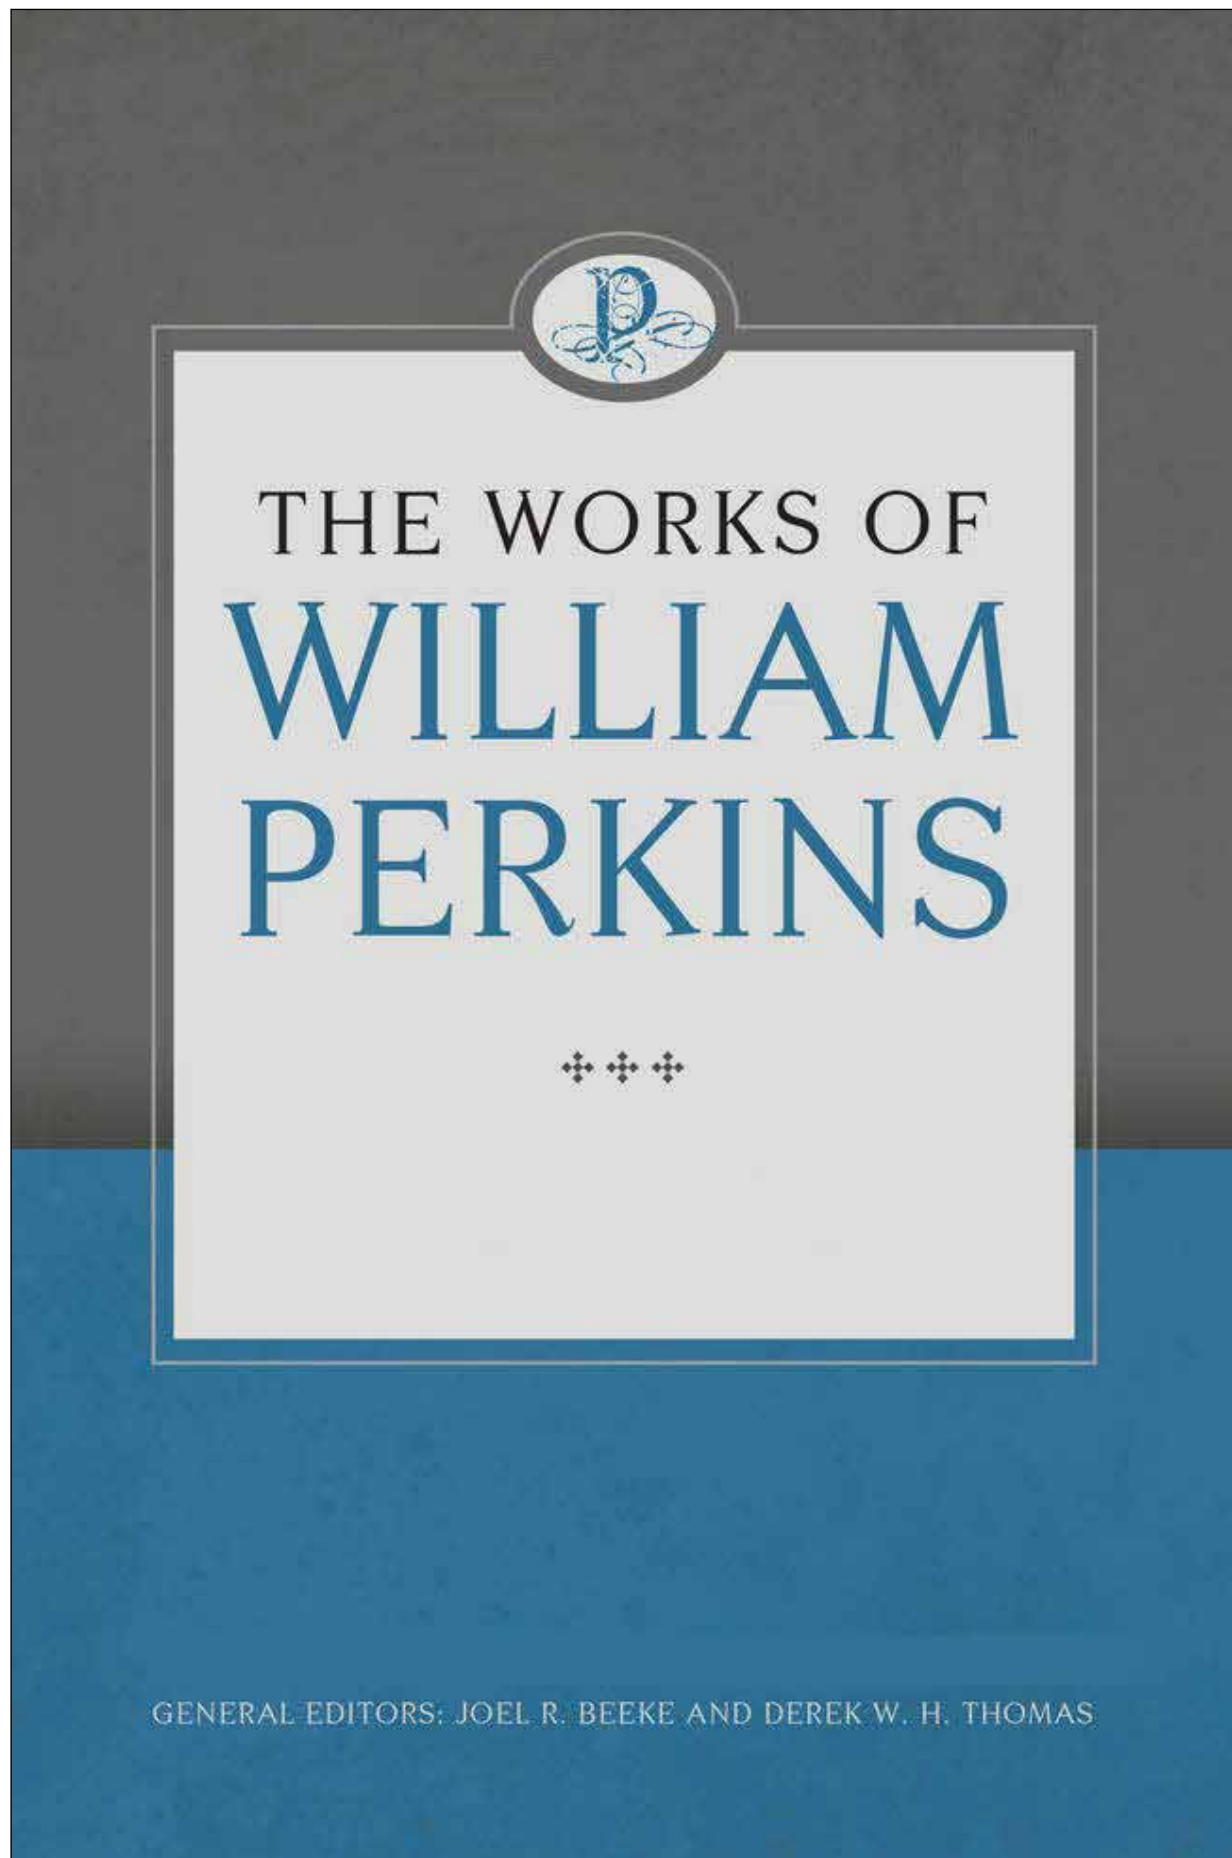

In Blood Work: How the Blood of Christ Accomplishes Our Salvation, Anthony J. Carter traces this theme through the New Testament, showing how the biblical writers used the powerful metaphor of the blood of Jesus to help Christians grasp the treasures Jesus secured for them in His death on the cross. In doing so, he provides a fresh perspective on the atonement Jesus made.

The Works of William Perkins fills a major gap in Reformed and Puritan theology. Though Perkins is best known today for his writings on predestination, he also wrote prolifically on many subjects. His works filled over two thousand large pages of small print in three folio volumes and were reprinted several times in the decades after his death. His complete works, however, have not been in print since the mid-seventeenth century.

This volume contains:

- A Declaration of the True Manner of Knowing Christ Crucified
- The True Gain: More in Worth than All the Goods in the World
- A Faithful and Plain Exposition upon Zephaniah 2:1–2
- The Nature and Practice of Repentance
- The Combat of the Flesh and Spirit
- A Treatise of Man’s Imaginations
- A Direction for the Government of the Tongue According to God’s Word
- A Discourse of the Damned Art of Witchcraft
- A Resolution to the Country Man
