Sheila Walsh – Braveheart Worship CD

'Braveheart Worship' is the new worship expression from the best-selling artist and author, Sheila Walsh. The songs on 'Braveheart Worship' all have a signature worship style, with a Celtic flavour. Sir Cliff, one of the top selling artists of all time with sales of over 300 million albums, has produced a couple of Sheila's previous albums and has been a great friend to Sheila over the years.

Sheila has most recently authored many top selling books, including "It's Ok Not To Be Ok," "Living Fearless," "Honestly" and 'Life is Tough, But God is Faithful.'

Description

'Mystery' is the fifth album from Ian Yates (who is part of Elim Sound). Here, Yates wrestles with the mysteries of life, loss, disappointment, grief, and faith whilst trying to embrace the tensions surrounding us.

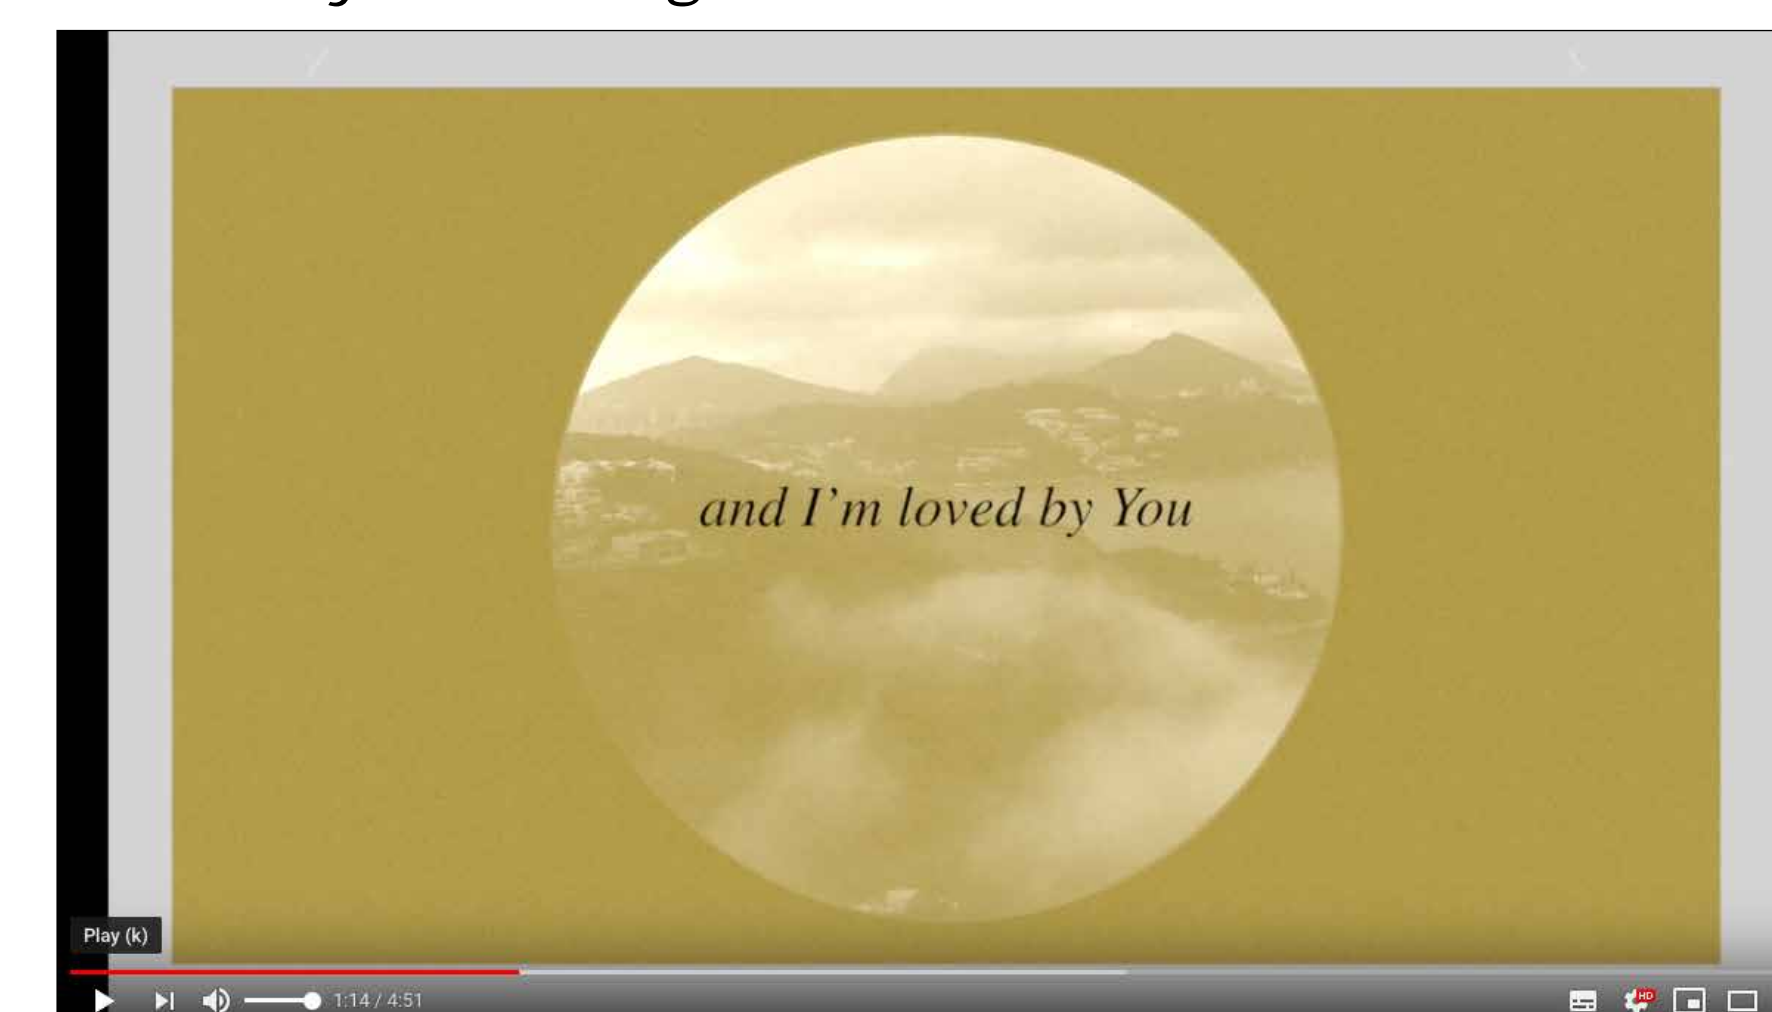

Musically, this is a more stripped back, intimate sounding release, creating space for rest and contemplation, with the key theme being that God is with us in the mystery, the unknowing and the asking of big questions. Many have become distracted by the noise, the chaos and paradoxes all around us. Through these songs, Yates longs for the return to simple and authentic adoration.

Ian has again teamed up with producer Trevor Michael (Snow Patrol, Matt Redman, Martin Smith) for what 7Core Music believes to be an album full of depth and maturity that will speak to hearts, souls and minds, proving Ian Yates to be one of the UK's greatest worship wordsmiths.

Various Artists – 50 Country Hymns – Classics Collection 2CD

Description

The founder of Rural Rhythm Records, Uncle Jim O Neal, had a deep love and appreciation of the old and great songs, and that love never served him better than on his gospel collections. These hymns simply cannot be surpassed. They've survived the test of the ages, and their message still resonates with us as strongly as it did with our ancestors. Every generation has a role to play in handing down these songs, and this collection is part of that ongoing process. Just as we look at old church pews and wonder about those who once sat there, so we listen to these songs and reconnect with our own forebears who sang them too.

Description

Oscar Wild has created a utopia in his pizza parlour by financially rewarding his employees for reading dense, philosophical books. So much so, each employee changes their name and takes on the nom de guerre of famous existential literary giants (with characters named Jack Berouac, Ann Rann, Albert Kamoo, and Wendy Wittgenstein).

The pizza parlour ended up on a Reddit's "Top Ten Best Places to Work in the Service Industry," which caught the attention of Sam Zander, a YouTube star famous for "bashing" people and top tens. With the restaurant on the verge of closing, Sam has arrived at an optimal time to "bash" an already sinking ship, but when he starts to see the real human connection the restaurant employees show him and each other, he discovers how "likes," "shares," and "subscriptions" are empty calories compared to 8 slices of pizza. Approx. 83 mins.

Description

We are living through a unique, era-defining period. Many of our old certainties have gone, whatever our view of the world and whatever our beliefs.

The coronavirus pandemic and its effects are perplexing and unsettling for all of us. How do we begin to think it through and cope with it? In this short yet profound book, Oxford mathematics professor John Lennox examines the coronavirus in light of various belief systems and shows how the Christian worldview not only helps us to make sense of it, but also offers us a sure and certain hope to cling to.

Here's why John Lennox wrote the book: "This book consists of my reflections on what we are experiencing right now. I started writing it a week ago, and things have changed quickly since then and no doubt will do again...I would invite you, the reader, to view the book like this: we are sitting in a coffee shop (if only we could!) and you have asked me the question on the book cover. I put down my coffee cup and attempt to give you an honest answer. What follows is what I would try to say in order to convey some comfort, support and hope." 64 pages

About the Author

John Lennox, Professor of Mathematics at Oxford University, is an internationally renowned speaker on the interface of science, philosophy and religion.

He regularly teaches at many academic institutions, is Senior Fellow with the Trinity Forum and has written a series of books exploring the relationship between science and Christianity.

 Product Code: 9781496441843
 Format: Paperback
 Distribution: UK & Europe

The first in a two-book saga by the beloved author of 'Redeeming Love' and 'The Masterpiece,' 'Her Mother's Hope' is a rich, moving epic about faith and dreams, heartache and disappointment, and the legacy of love passed down through four generations in one family.

Near the turn of the twentieth century, fiery Marta Schneider leaves Switzerland for a better life, determined to fulfill her mother's hope. Her formative journey takes her through Europe and eventually to Canada, where she meets handsome Niclas Waltert. But nothing has prepared her for the sacrifices she must make for marriage and motherhood as she travels to the Canadian wilderness and then to the dusty Central Valley of California to raise her family.

Marta's hope is to give her children a better life, but experience has taught her that only the strong survive. Her tough love is often misunderstood, especially by her oldest daughter, Hildemara Rose, who craves her mother's acceptance. Amid the drama of World War II, Hildie falls in love and begins a family of her own. But unexpected and tragic events force mother and daughter to face their own shortcomings and the ever-widening chasm that threatens to separate them forever.

Title: Her Daughter's Dream
 Author: Francine Rivers

 Product Code: 9781496441850
 Format: Paperback
 Distribution: UK & Europe

In the dramatic conclusion to the Marta's Legacy series, the beloved author of 'Redeeming Love' and 'The Masterpiece' delivers a rich and deeply moving story about the silent sorrows that can tear a family apart and the grace and forgiveness that can heal even the deepest wounds.

Marta's granddaughter, Carolyn, comes of age during the turbulent 1960s, struggling to navigate a tense family life. Though college offers a taste of freedom, tragedy shatters her confidence and she disappears into the heady counterculture of San Francisco. When she reemerges, more lost than ever, she reluctantly turns to her family to help her rebuild a life for herself and her own daughter, May Flower Dawn.

But familiar tensions emerge when Dawn develops a closer bond with her grandmother than her own mother. As she struggles to avoid the mistakes of those who went before her, Dawn determines to become a bridge between the women in her family.

Her Daughter's Dream is the emotional final chapter of an unforgettable saga about the silent sorrows that can tear a family apart, the sacrifices mothers make for their daughters, and the very nature of unconditional love.

Your Story Matters' presents a dynamic and spiritually formative process for understanding and redeeming the past in order to live well in the present and into the future.

Leslie Leyland Fields has used and taught this practical and inspiring writing process for decades, helping people from all walks of life to access memory and sift through the truth of their stories.

This is not just a book for writers. Each one of us has a story, and understanding God's work in our stories is a vital part of our faith.

Through the spiritual practice of writing, we can "remember" his acts among us, "declare his glory among the nations," and pass on to others what we have witnessed of God in this life: the mysterious, the tragic, the miraculous, the ordinary.

With a companion video curriculum from RightNow Media, this is a "why not" book as opposed to a "how to" book. Leslie asks each of us an important question: "Why not learn to tell your story, in the context of the grander story of God?"

Christianity has tended to focus on right beliefs and right choices as the keys for personal growth. But biblical evidence and modern brain science show that our character is shaped more by whom we love than what we believe.

Through conversations he had with Dallas Willard at the Heart & Soul Conference shortly before Dallas's death, Jim Wilder shows how we can train our brains to relate to God based on joyful, mutual attachment—which leads to emotional and spiritual maturity as our identity and character are formed by our relationship with God.

Title: Immortal
Author: Clay Jones
Price: £13.50*
Product Code: 9780736978279
Format: Paperback
Distribution: UK & Europe

Is There Life After Death?

Death is terrifying. We try to live as long as possible while hoping that science will soon find a way to allow us to live, if not forever, then at least a very long time.

Whether we deny our mortality through literal or symbolic immortality or try to turn death into something benign, our attempts are usually unsuccessful.

No matter what our view of the afterlife, in the end, our realization that we cannot escape death often leads to a midlife crisis. But what if the real solution is not in denying death's reality, but embracing it?

Clay Jones, a professor of Christian apologetics, examines the various ways people face death and how our "immortality projects" are largely unsuccessful, even destructive. Along the way, he points to the hope of the only true immortality available to all. When you fully grasp the glory that can await you in eternity, you will understand God already offers a path to our hearts' deepest longing: glorious resurrection to eternal life.

What separates pastors who finish well from those who don't?

We've all experienced the pain of a major pastoral failing whether directly or indirectly. When trusted pastors fall into sin and destroy a ministry, we all get hurt.

After helping two large churches through the aftermath of such an event, Daniel Henderson discovered that pastoral failings are not primarily rooted in overdeveloped passions for self and sin but rather underfunded visions of eternity and a lack of zeal for God's glory.

Find out:

- Why focusing on God's glory is the key to a fruitful ministry
- How leaders can build habits that keep them captivated by God and His glory
- How to stay glory-oriented in the grind, challenges, and spiritual attacks of ministry

Forget the latest techniques and the strategies—spend some time recentering on what you know is most important—His glory.

Help! My husband's addicted to porn!

If these words are familiar to you or someone you know, you've found the right book.

FIGHT FOR LOVE is a biblical battle plan for wives seeking to take their marriage back from porn. In these pages you'll discover:

- The science behind why your husband struggles to stop watching porn.
- Why the wrong marital advice will only make things worse.
- How to help your husband get free and stay free from porn.
- How to best protect your kids and yourself from porn.
- What fighting against porn will do for you, your marriage, your family, and your faith.

Pornography is a billion dollar industry, a national epidemic, seeping into our homes, and taking marriages captive. In the battle against porn, instead of hiding, faith-filled women must engage this issue head-on, armed with a right understanding of biblical truth and their roles as wives and mothers. With God's help and a battle plan in hand, wives and their husbands can face the darkness and emerge victorious, taking back their marriages and families.

About the Author

Rosie Makinney is a writer and speaker who ten years ago entered the fight against her husband's compulsive porn use. Through her faithful and uncompromising stance and his repentance, counselling, and group work, their marriage is now porn-free. From the very beginning of her journey, Rosie has been bold and relentless about reaching other wives struggling with porn-invaded marriages and has built a recovery community on the central coast of California.

Together with her husband, Mark, a certified sexual addiction therapist, Rosie founded Fight For Love Ministries, which takes a message of hope and truth into churches.

What is the answer to the opioid addiction problem that is snuffing out so many lives; is there even hope?

For over 60 years the Teen Challenge ministry founded by David and Don Wilkerson has been presenting the positive cure to addiction through Jesus Christ. At a time when some faith-based rehab programmes are compromising the gospel, including a few Teen Challenge programmes, Don Wilkerson shares about the importance of faith when pointing addicts towards a new life, a life of freedom. ‘

Keeping the Cross Central’ demonstrates that through God the unthinkable can happen, and shows how thousands of drug addicts, alcoholics and others with a life-controlling problem can be set free.

About the Author

Don Wilkerson, co-founder of Brooklyn Teen Challenge, returned in June 2008 to the Centre where it all began over 50 years ago. Don joined his brother David at the beginning of Teen Challenge, and served as the Executive Director for over 26 years. The Centre became the inspiration and model for similar programmes across the United States and around the world.

Today Teen Challenge is in 90 countries with 1025 Centres and growing.

Don and his wife Cindy, who now lives in Brooklyn, has three children and five grandchildren.

Description

'Wondering about the Bible with Children' encourages natural curiosity and wonder as they read the biblical faith stories.

This book addresses the following questions:

- How do we talk about miracle stories, healing stories, and the creation stories? What about violence?
- What's my role in helping children learn about the Bible and feel comfortable asking questions about what they read?
- When kids ask about the relevancy of the Bible for today, what do we say?

How we read and interpret the Bible with children may mean the difference between whether or not it will continue to be an important source for their faith development as they become young adults. We want to teach them in ways that they don't have to unlearn later. Written by an expert in children's ministry as a guide for anyone helping with the 'Celebrate Wonder' Sunday school curriculum; however, it is relevant for all adults who want to explore ways to help children read, engage, wrestle, and grow into deeper understanding of the Bible. 'Wondering about the Bible with Children' is for those who come to the Bible with souls open to be fed and who want their children to seek faith and wisdom.

Title: Everything I Need to Know I Learned in Eden
 Author: David Kalas
 Price: £13.50*

Building off the concept that life's basic lessons are taught to us early from the Robert Fulgham classic,

All I Really Need to Know I Learned in Kindergarten author and Pastor David Kalas takes a similar approach, suggesting that the most important lessons for humanity were revealed at the beginning...in the book of Genesis. Kalas takes us back to that first classroom—the Garden of Eden—found in the beginning of the book of beginnings. In fact, the word genesis translates to “beginning”.

‘Everything I Need to Know I Learned in Eden’ leads readers through origins of important concepts in Christianity, It is in the beginning, in the Garden of Eden, that we discover fundamental insights from the origins of God’s nature, human nature, creation, temptation, sin, redemption, and more. If we truly dig in and learn these truths from the first book of the Bible, we will all be well-positioned to read and understand the rest of what follows.

There was a time when discipleship was taken for granted. It was assumed that people could be persuaded to believe and that each person would step into the path that took them to Jesus.

That assumption is no longer valid. As early as the Gospels, Jesus and his biographers recognize that each person brings experience to the journey, which travels through different times and places.

The discipleship path for each individual disciple is assessed and determined through this Gospel Discipleship Participant Guide while the Gospel Discipleship Congregation Guide serves as the implementation guide for church leaders. It also assesses the discipleship path for the congregation as a whole. By understanding what type of disciple you are, participants in Gospel Discipleship can clarify the path they need to walk.

 Format: Paperback
 Distribution: UK & Europe

Preachers increasingly see the need to deliver sermons that are 'dangerous' in a variety of ways: the way they challenge hearers' comfort levels and challenge established powers and hierarchies.

Author Frank Thomas helps readers understand those dangers—especially the forces of power and hierarchy that are so intrinsic in our everyday lives and in society as a whole. He teaches how to anticipate and navigate those forces, to open opportunities for dangerous preaching, and to mitigate negative impact on congregants, the preacher, and the preacher–congregation relationships.

'Surviving a Dangerous Sermon' is a logical follow-up to Thomas's previous book, 'How to Preach a Dangerous Sermon.' It equips preachers to say what must be said, in a way that it is heard, so that the sermon has a chance to do its work on human hearts, without negative consequences.

Title: Following God Life Principles for Loving One Another
 Author: Eddie Rasnake
 Price: £14.50*
 Product Code: 9781617155314
 Format: Paperback
 Distribution: UK & Europe

There are 59 "one another" statements in the New Testament that are direct commands. Together, they define God's desire for His people – how He wants us to interact in relationship with each other.

The centerpiece of these "one another" exhortations is the repeated call to "love one another." In fact, one could say that it is not possible to rightly live out the other "one anothers" without loving one another first.

The Bible makes it clear that our faith is not an individual sport. In our modern age of isolation, the timeless message of Scripture calls us back to being the "body of Christ" – an interconnected amalgamation of diverse individuals living in community with each other.

Over the course of this Bible study we will look at every "One Another" command in the Bible, and hopefully move closer to being the community God desires and Christ is praying for us to be.

Description

Did Jesus Christ really rise from the grave?

The credibility of the Christian faith rests on this claim, and Jesus' own disciples laid down their lives to defend it. However, the resurrection of Christ is often dismissed as fantasy by those who assume that miracles are a scientific impossibility.

Is faith in the empty tomb nothing more than blind belief?

In 'Alive: How the Resurrection of Christ Changes Everything,' Dr. Gabe Fluhrer demonstrates that Jesus' defeat of the grave is no mere myth—it is a historic reality supported by overwhelming evidence. To deny Christ's resurrection is an indefensible position, but by God's grace, to embrace the reality of the risen Lord is to have our lives changed forever.

Title: The Ten Commandments
Author: Peter J. Leithart
Price: £12.99*
Product Code: 9781683593553
Format: Paperback
Distribution: UK & Europe

The Ten Commandments have become so familiar to us that we don't think about what they actually mean.

They've been used by Christians throughout history as the basis for worship, confessions, prayer, even civil law.

Are these ancient words still relevant for us today? Their outward simplicity hides their inward complexity.

Jesus himself sums up the entire law in a pair of commandments: Love God with all your heart, mind, and strength, and love your neighbour as yourself. Peter Leithart re-introduces the Ten Commandments.

He shows us how they address every arena of human life, giving us a portrait of life under the lordship of Jesus, who is the heart and soul of the commandments.

Product Code: 9781683593607
Format: Paperback
Distribution: UK & Europe

Can we all agree on some things about Jesus, regardless of our belief--or unbelief?

Perhaps surprisingly, there is a lot upon which all scholars can agree. When surveying historical scholarship, there are certain truths about Jesus that Christians, agnostics, and skeptics must affirm.

In 'The Bedrock of Christianity,' Justin Bass shows how--regardless of one's feelings about Christianity--there lies a bedrock of truths about Jesus's life and ministry that are held by virtually all scholars of religion.

Through an examination of each of these key facts, readers will encounter the unalterable truths upon which everyone can agree. Useful for both Christians and non-Christians alike, this study demonstrates what we can really know about the historical truth of Jesus' death and resurrection.

Title: A Covenantal Vision for Global Mission
Author: Paul Wells, Peter Lillback, Henk Stoker
Price: £23.99*
Product Code: 9781629957302
Format: Paperback
Distribution: UK & Europe

Reformed missional practice and Reformed missional doctrine are inseparably connected. Thus, the weighty subject of mission is not only a vital practical concern of the church, but also a theological and academic enterprise that requires deep thought and careful research.

For centuries, those in the Reformed tradition have proclaimed the gospel of Christ to the four corners of the earth. But even so, discussions concerning the mission of the church do not sufficiently engage with the great theological truths of the biblical covenants—of creation, grace, and redemption.

Bringing together contributors from Africa, Asia, North and South America, and Europe, 'A Covenantal Vision for Global Mission' shows that the growing interest in the missional character of Christian outreach is grounded in the classic biblical and historic Reformed theological understanding of God's covenantal relationship with mankind.

Title: Does God Care How We Worship?
Author: Ligon Duncan
Price: £10.99*
Product Code: 9781629957920
Format: Paperback
Distribution: UK & Europe

Does God care how we worship? For thousands of years, believers have answered with a resounding yes!

Ever since the days of Cain and Abel, God has emphasized right worship, and it's clear that careless worship can have serious consequences.

Worship consciously regulated by God's Word is a distinct characteristic of the Reformed church. Yet today many churches do not understand that both the Old and New Testaments have much to say about appropriate worship before God. Ligon Duncan lays the foundations of the regulative principle in worship, providing full biblical support as well as historical context.

He also answers objections: Is this "right worship" essentially European? Is it flexible to different churches and contexts? Is it really still applicable today?
