Various – The Animated Bible Series Episode 2: The Flood DVD

Description

The Animated Bible Series, currently in production, is the world's first visual narrative of the entire Bible from creation and the fall to the kings and prophets, to the coming of the Christ and His final Revelation. This unique graphic-novel style depiction of the Bible will capture the imagination of new generations as God's redemptive story unfolds in vivid visual language.

Episode 2: The Flood: After Adam and Eve are cast out of the Garden of Eden, the story of the fall of man continues with Cain's jealousy of his brother Abel, people turning away from God, the earth being covered by a flood, and the people of Babel erecting a tower to reach the heavens. It highlights Genesis chapters 4-11 and reveals what life is like after the Garden, Abel's murder at the hands of Cain, God's judgment for mankind's rebellion, the cursing of Canaan, and the Tower of Babel.

Description

We live in confusing times. Our society has shifted on its moral axis, and many are asking whether Christianity needs to be reinvented—or even reimagined—in order to save it. With Newsweek declaring “The Decline and Fall of Christian America” on its cover and The Daily Beast questioning “Does Christianity Have a Future?” bloggers and Christian commentators are discussing whether we need a “new of kind of Christianity.”

In ‘Saving Christianity?’ Dr. Michael Youssef explores this train of thought and its pitfalls. He describes how similar discussions in Christianity’s recent past explored the very same question. ‘Saving Christianity?’ will help you discern what is going on within the church while it reviews the essentials of the Christian faith as described in the Bible.

We dare not abandon this “mere faith,” as Dr. Youssef describes it, because it is the light for all humanity—and especially for those of us living in today’s chaotic times.

After reading ‘Saving Christianity?’ you’ll have a renewed confidence in the future of the church and the central place it will occupy for generations to come.

About the Author

Michael Youssef, PhD, is the founder and president of Leading The Way, a worldwide television and radio ministry, where Dr. Youssef is heard daily by millions in over 190 countries.

In 1987, he founded The Church of The Apostles in Atlanta, Georgia, which was the launching pad for Leading The Way.

He and his wife have four grown children and ten grandchildren.

Title: I Am A Leader
Author: Angie Ward
Price: £12.99
Product Code: 9781641581769
Format: Paperback
Distribution: UK & Europe

You feel it, deep in your bones: God is inviting you to join Him, to participate in His redemptive work in the world. And yet, as a woman leader, you face so many potential obstacles. Lack of clarity over your unique calling. Competing time demands. Changing seasons of life. Challenges such as self-doubt, criticism, and spiritual dryness. With nearly 30 years of ministry experience, Angie Ward knows firsthand the unique challenges that women leaders face as they seek to pursue their calling.

In I Am a Leader, Angie explores the concept of "calling" as it applies specifically to women leaders—those women of influence both in Christian ministry and the broader world: What is calling? How do you discover it? And what does it look like to live out that calling practically amid a multitude of challenges?

Thoroughly researched, theologically and biblically integrated, and uniquely personal, I Am a Leader will resonate no matter where you are on the calling journey: whether you are wondering about your God-given purpose; sensing an inkling of an invitation to a particular ministry; or embarking on the path but encountering challenges.

Title: No Such Thing As Can't

Format: Paperback

There are many books about overcoming obstacles, but this quintessential story of victory over limitations is unique. How many doctors have cerebral palsy? Not many. Yet this disability was part of the Great Physician's plan for Tyler Sexton.

Because of it, Tyler has become a role model for others facing adversity, including his patients. He has also become a humble healer who uses his heart and faith along with his intellect and training to help kids and give them hope. Tyler's story has been featured on ABC's 20/20 and was the basis for many episodes of ABC's new show The Good Doctor.

This is a story of a man who says, "I'd rather walk with a limp in Christ than with a strut in the world"; who wears superhero T-shirts and tells his little patients they're "super" too, despite their physical problems; and whose stint at a medical school in the Caribbean completely erased the islanders' negative view of disability. Through this inspiring true story, people will be encouraged to face adversity with hope, determination, and the strength of Christ.

Brain specialist and bestselling author Dr. Daniel Amen is on the forefront of a new movement within medicine and related disciplines that aims to change all that. In *The End of Mental Illness*, Dr. Amen draws on the latest findings of neuroscience to challenge an outdated psychiatric paradigm and help readers take control and improve the health of their own brain, minimizing or reversing conditions that may be preventing them from living a full and emotionally healthy life.

With the unexpected death of Russian President Aleksandr Luganov, and Iran's efforts to acquire fully operational nuclear warheads successfully thwarted, American President Andrew Clarke decides the moment has come to unveil his comprehensive proposal to achieve peace between Israel and the Palestinians.

However, when a series of senior American officials involved in the peace process are assassinated, Clarke orders Marcus Ryker and a team of CIA operatives to hunt down those responsible and bring the killing spree to an end.

What Ryker uncovers is a chilling plot to kill the American president himself, but at first, it's unclear who is the driving force behind the plot. Is it the Russians, seeking payback for the assassination of Luganov? Is it the Iranians, in retaliation for the American operation to keep Tehran from acquiring nukes? Or is it another conspirator altogether, someone plotting to strike a blow against American hegemony in the Middle East and seize the leadership of the entire Sunni Muslim world?

Title: Resuscitating Evangelism
 Author: Jordan Easley & Ernest Easley
 Price: £13.50
 Product Code: 9781535941112
 Format: Paperback
 Distribution: UK & Europe

When was the last time you shared your faith? If we're being honest, it's an awkward, challenging conversation.

Christians know that we're supposed to be sharing the gospel with the lost. Jesus gave us the Great Commission before he left, telling us to go and make disciples of all nations. But we still just... don't do it. Why? Is evangelism dead? Here's the good news: evangelism is the means by which Jesus promised to build his church, and Jesus will make good on his promises.

In 'Resuscitating Evangelism' father-son duo Jordan and Ernest Easley—both pastors and evangelists—share a biblical strategy for obeying Jesus and bringing new life to evangelism. As we bring new life to evangelism, we'll see God bring new life to the lost all around us.

Title: 90 Days With The God Who Speaks
 Author: -
 Price: £10.99
 Product Code: 9781462744664
 Format: Hard Cover
 Distribution: UK & Europe

90 Days with the God Who Speaks is a devotional for men and women of all ages. It is your chance to take a chronological, Christ-centred journey through the story line of Scripture.

You will encounter God's plan of redemption in Scripture through the study of Bible narrative, the essential doctrines of the faith, and the call to join in God's mission locally and around the world.

Learn about the importance of God's communication, and the different ways in which He has chosen to communicate with us. God reveals Himself both through His creation and through His Word.

However, we view God's Word with suspicion and doubt, even though it is perfectly true, trustworthy, and authoritative—just like its Author. Because of our response, Jesus became like us to take our place so we could share in His. How will the gospel of Jesus Christ transform you over the next 90 days?

Title: A Holy Pursuit
 Author: Dianne Jago
 Price: £14.50
 Product Code: 9781535962353
 Format: Paperback
 Distribution: UK & Europe

"Chase your dreams and follow your heart, no matter the cost" is the call of the world today. The opposite extreme, often advised by the church, is to lay down all of our dreams and passions, avoiding all self-interest.

One narrative says to follow a passion, and the other says to lay it down. Both offer happiness and purpose on the other side. But what does the Bible say about dreams, goals, and passions?

With compelling illustrations from Dianne Jago's unexpected journey in creating *Deeply Rooted Magazine*, along with thoughtful scriptural examples, Dianne shares an honest account of how God changed her plans and aligned them with His.

As you read this book, you will be challenged to look upward instead of inward, seeing the God-given purpose of every Christian as the foundation of your "dreams." Scripture shapes a believer's pursuits and the gospel speaks to our passions. Instead of the one-size-fits-all formula for dream-chasing, *A Holy Pursuit* will help you identify whether it's time to pursue, pause, or surrender a dream you hold.

Title: The Leadership Formula
 Author: Juan Sanchez
 Price: £15.99
 Product Code: 9781535979801
 Format: Hard Cover
 Distribution: UK & Europe

We have a leadership problem, and we all know it. When we look at our churches, we see two glaring problems: a lack of qualified leaders, and a general mistrust of leadership as a response to sinful leadership.

But churches need leaders. What do we do? The answer is in The Leadership Formula. In the New Testament, qualified leaders are identified by character, conviction, care, and competency.

When these four qualities are observed over time, the result is credibility. Pastor and author Juan Sanchez helps readers know what to look for in leaders, how to identify them, and how to commission them in the church, for the sake of the world.

We all have relationships – with parents, siblings, partners, friends. And all of our relationships are, in some way, broken.

We mess things up, they mess things up, people get hurt. The Bible has a lot to say about how we should relate to other people, how to make things right when we've done something stupid and what we should do when someone has hurt us.

But most importantly it tells us to make sure that our relationship with Jesus comes first, and that everything else flows from there.

- What does Christian service look like?
- For new Christians
- Part of the First Steps series

For those who trust Jesus and want to live for him, it doesn't take long to run into the idea that we have been blessed by God so that we will be a blessing to others.

The nitty gritty of that service, though, isn't easy. It can be tedious, and it's often downright annoying, frustrating and discouraging. When we try to serve others, we face our own sin and theirs. We face the lies which tell us we can't do it – we're not worth anything – we've got nothing to offer.

But the truth of the gospel changes all that. Now our hope is not in what WE can do, but in the work of Christ in us. Now that we trust Jesus, now that he's our King – how to do we get on and follow him day by day.

Title: Flow: The Ancient Way to Do Contemporary Worship
 Author: Lester Ruth
 Price: £14.99
 Product Code: 9781501898990
 Format: Paperback
 Distribution: UK & Europe

Is there a way to do the prescribed or suggested orders of worship from denominational worship resources--such as the United Methodist Book of Worship, Evangelical Lutheran Book of Worship, the Book of Common Worship of the Presbyterian Church (U.S.A.), or the Book of Common Prayer--in a way that feels legitimately and authentically contemporary?

This practical, how-to book will help churches plan and implement passionate and invigorating worship.

Step by step, Flow will break down the process of re-thinking what the official or recommended order of worship is truly suggesting, so pastors and worship leaders can plan and lead a service of Word and Table that feels genuinely relevant and attuned to the congregation’s culture. With this goal, Flow casts a new, but classic, understanding of traditional worship as well as spurs a reconsideration of how contemporary worship can be done by honoring the traditions of denominational congregations.

Title: Ecclesiology in the New Testament
 Author: Elizabeth E. Johnson
 Price: £23.99
 Product Code: 9781426771934
 Format: Paperback
 Distribution: UK & Europe

The earliest Christians thought of themselves in communal terms. They did not simply make individual commitments to Jesus as God's messiah; they constituted themselves as communities shaped by the in-breaking of God's realm. They likely learned to do so from Jesus himself. When he summoned an inner circle of his followers and numbered them twelve, he signaled that his ministry had the character of a reform movement within Israel.

In his work of preaching, healing, exorcism, and prophetic sign actions, Jesus shaped his followers into what would eventually become the church. By transgressing contemporary religious and social boundaries in his ministry, he planted the seeds of the church's later inclusion of non-Jews.

This book will investigate New Testament texts about the church from a comparative standpoint. That is, the various authors adopt different metaphors for their communities—family, assembly, nation, priesthood, and so on—to make varying claims about how they ought to live together and how they ought to live among their neighbours.

Robert Henderson – Father, Friend, and Judge

Description

Apostolic leader and author, Robert Henderson, is world-renowned for his bestselling series on 'The Courts of Heaven'. In this new work on prayer, Robert provides Biblical strategies for every believer to unleash the full power of their prayers, and see them answered!

God gave us prayer as more than a religious ritual. In fact, prayer is a supernatural portal through which we encounter God in multiple spiritual dimensions!

In the Gospels, Jesus presented three different dimensions of prayer. Each one is connected to a specific identity of God:

- Father: We encounter God the Father in the Secret Place and Throne of Grace.
- Friend: We take our place as Friends of God when we operate as intercessors.
- Judge: We come before the Judge when we are dealing with an adversary who resists our breakthrough.

When Christians learn how to operate in each of these spiritual dimensions, they can align their prayers with God's will, and release His power for miraculous results!

About the Author

Robert Henderson is a global apostolic leader who operates in revelation and impartation. His teaching empowers the body of Christ to see the hidden truths of Scripture clearly and apply them for breakthrough results.

Driven by a mandate to disciple nations through writing and speaking, Robert travels extensively around the globe, teaching on the apostolic, the Kingdom of God, the "Seven Mountains" and most notably, the Courts of Heaven.

He has been married to Mary for 40 years. They have six children and five grandchildren. Together they are enjoying life in beautiful Waco, TX.

Michelle McClain-Walters – The Sarah Anointing

Description

This book will teach you how to live out your nature as an active participant in God's vision.

Sarah was a loyal wife who followed her husband, Abraham, when God spoke to him. Even when Abraham made mistakes, she still called him "lord." She is an example of a woman with a submitted spirit who responded biblically to her husband without losing her identity.

Sarah was an active participant in God's vision--perhaps too active, as she ran ahead of God and tried to fulfill His covenant in her own timing. She also laughed at the possibility of a miracle.

But when God changed Sarah's name, He changed her nature. The name change linked her to Abraham in co-rulership, including her in God's covenant promise, which was fulfilled by the couple's working together. Sarah's example shows us that God has included women in His purposes and plans throughout history and will include them in the next great awakening. Her life is a positive lesson in faith that breaks personal limitations.

About the Author

Michelle McClain-Walters has travelled to more than fifty nations and has conducted schools of the prophet that have activated thousands in the art of hearing the voice of God.

She is the author of *The Prophetic Advantage* and five books in the *Women of Influence* series. For many years she served as director of prayer ministry on the staff of Crusaders Church under the leadership of Apostle John Eckhardt. One of the house prophets and apostolic team leaders at Crusaders Church for many years, she now ministers out of Orlando, where she lives with her husband, Floyd Walters Jr.

This book will teach you the Jewish roots of your faith and help you gain a fresh new perspective on the resurrection of Jesus.

In this fascinating book, biblical scholar Michael L. Brown PhD, takes you on a captivating journey beginning in Brooklyn, New York, where this famous rabbi died in 1994, then back through Jewish history, looking at little-known Jewish beliefs about the Messiah, potential Messiahs that emerged in each generation, and teachings about the reincarnated soul of the Messiah. Dr. Brown then looks at the evidence for the resurrection of Jesus from his unique perspective as a Messianic Jew, demonstrating why Jesus' resurrection uniquely confirms that He alone is the promised Messiah.

Title: The Ministry of Healing
Author: A.J. Gordon
Price: £11.99
Product Code: 9781641234009
Format: Paperback
Distribution: UK & Europe

Classic Christian author A. J. Gordon expresses curiosity about whether the healing miracles from the Middle Ages up to his day can be verified as a continuation of Christ's Spirit in the church.

Through deep study and inquiry of the established history, Gordon concludes that the power to heal followers remains with the church--there was no special era of miracle working. God and His powers remain the same in the modern era as they have right through human history. For Gordon, God's intervention in the suffering and sickness of His followers is frequent; the will of the Lord however is variable--but He will not prolong the pain of someone whose illness is too great.

Throughout this text, A. J. Gordon makes his argument from a biblical perspective, citing passages in both the Old and New Testament that support the continuation of spiritual gifts. Quoting testimonies of believers across the ages, he offers a convincing argument that the church ministry is, to this day, one of healing.

Title: Two Kinds of Righteousness
 Author: E. W. Kenyon
 Price: £7.99
 Product Code: 9781641233873
 Format: Paperback
 Distribution: UK & Europe

“The instant a man knows that he is the righteousness of God in Christ, and knows what that righteousness means, Satan is defeated.” --E. W. Kenyon

In this classic Christian work, legendary Bible teacher E. W. Kenyon fully describes biblical righteousness. The church has been good at teaching about man’s need of righteousness, his weakness and his inability to please God. But far too many believers remain in that shameful state of sin condemnation because the church has neglected to proclaim who we are in Christ, that righteousness is not reserved for someday in heaven--it is available to us now!

Unless you know who you are, and what you are in Christ, you cannot live a victorious life; Satan, sin, and disease will be your masters. Righteousness is the ability to stand in the presence of God without any sense of guilt or inferiority. If you live a life of weakness and defeat, it is because you do not know what you are in Christ. The supreme need of the church at this hour is to know who we are in Christ, to fully comprehend how the Father Himself looks upon us, and to walk in the knowledge that righteousness can be ours today.

The author of the book explains how she was bound for many years in a religious sect who's teachings involved complete separation from the world, to the extent of having to separate from husband and children in order to meet the sects demands. This was until God enlightened her through the Scriptures to eventually see the error of their teachings and escape leaving other members of her family behind. "This is an excellent book that explains to Christians cult like behaviour and how we need to be aware of the signs and not to get caught up in these so called 'churches' but to find a true church that follows the word of God and that lives are being transformed through the Spirit of the Lord." –Pastor Maria Yiangou (Senior Pastor of Victory in Christ Ministries, London, UK).

The collapse of the Christian worldview in America is happening to the utter shock of Christians. Why?

They've been blind to the enemy's stealth attack on biblical history and authority that has led multiple generations to abandon God's Word as their foundation. With God's Word removed, people feel empowered to redefine history, reality, society, and morality. The issues addressed in this book are the "tip of the spear" for the enemy to radically transform a once exceedingly Christianized culture.

The passion and purpose of this book is to equip Christians with clear, concise biblical answers to effectively stand on God's Word and boldly proclaim the gospel of Jesus Christ on the frontlines of the battle today!

Description

As the believer's understanding of spiritual truth deepens and he develops godly affections, the attraction for the former, sinful life fades.

The Christian life is a war for holiness. Our calling to be set apart lands us in the crosshairs of a culture that opposes God's truth. Even as the world around us is changing, our battle remains the same. To withstand the temptation to compromise in sin or retreat from suffering, Christians must hold fast to God's Word. Only then can we live well for the Lord.

In 'Stand Firm: Living in a Post-Christian Culture,' Dr. John MacArthur drafts biblical battle plans for maintaining a life of Christian faithfulness. God has revealed what kind of people we are to be in a hostile world, and by His Word and Spirit, He supplies us with everything we need to persevere in holiness, humility, and love.

Title: Surprised By The Parables
 Author: Michelle Lee-Barnewall
 Price: £14.99
 Product Code: 9781683592990
 Format: Paperback
 Distribution: UK & Europe

In the gospels, Jesus used parables to teach transformative lessons and convey deep spiritual truths about the kingdom of God. But he often used them to confront and challenge his audience as well, forcing them to open or close their hearts to the kingdom.

Jesus understood the power of stories, but there are some things lost in translation when we try to interpret those same stories thousands of years removed from their original context. The unexpected twists and surprises in the parables might be missed by a modern audience because they're unfamiliar with the underlying points of reference.

In *Surprised by the Parables*, Michelle Lee Barnewall explores the ancient context these parables drew from. These stories of grace reveal many of the mysteries central to God's character, and understanding the ancient world behind them will help us see the parables from a new perspective.

Title: The Wonderful Decree
 Author: Travis James Campbell
 Price: £18.99
 Product Code: 9781683593324
 Format: Paperback
 Distribution: UK & Europe

How can God be sovereign over all things and loving towards all people while His creatures possess real freedom and responsibility for their choices?

Theologians have wrestled with this question for centuries. But have our attempted solutions made the problem worse?

In *Wonderful Decree*, Travis James Campbell suggests we cannot solve the problem by sacrificing either divine sovereignty and goodness on one hand or human responsibility on the other. While considering Arminian and Molinist alternatives, he concludes that the traditional Augustinian and Calvinist approach best allows these truths to remain in a healthy and biblically-faithful tension.

Inspired by the example of Spurgeon, who preferred biblical mystery over human solutions, Campbell encourages readers to trust—even delight—in the harmony of God's love for all and sovereignty over all.

Title: Born Again
 Author: Sean McGeever
 Price: £18.99
 Product Code: 9781683593300
 Format: Paperback
 Distribution: UK & Europe

The gospel message is simple but not simplistic.

Learning the gospel and its implications is a lifelong process, but modern evangelicals are often too focused on the moment of conversion while ignoring the ongoing work of sanctification. For John Wesley and George Whitefield, justification and sanctification were inseparable.

In *'Born Again'*, Sean McGeever maps Wesley's and Whitefield's theologies of conversion, reclaiming the connection between justification and sanctification. This study helps evangelicals reassess their thin understanding of conversion leading to a rich and full picture of the ongoing work new Christians face.

Title: Journeys of the Apostle Paul
 Author: Various Contributors
 Price: £23.99
 Product Code: 9781683593577
 Format: Hard Cover
 Distribution: UK & Europe

The Apostle Paul is one of the most important figures in the early church. He is a main character in the narrative woven through the book of Acts and his thirteen letters make up a significant portion of the New Testament canon. Because Acts and his letters appear as discrete books in Scripture, it can be difficult to piece together a clear narrative for Paul's life and ministry.

In *Journeys of the Apostle Paul*, 20 contributors present a coherent picture of Paul's life, connecting the events in Acts to his letters and theological teaching. With beautifully rendered maps and timelines, this book takes readers through the Acts narratives of Paul's journeys step by step--his interrupted journey to Damascus while persecuting Christians; his three missionary journeys; and his long journey from Jerusalem to Rome. Along the way, you'll discover new insights into his life, his teaching, and his role in the early church.

Title: Evangelical Exegetical Commentary: Daniel
 Author: Paul J. Tanner
 Price: £39.99
 Product Code: 9781683593096
 Format: Hard Cover
 Distribution: UK & Europe

In this volume from the Evangelical Exegetical Commentary, Paul Tanner argues that the book of Daniel is the Old Testament blueprint of the Bible's overarching eschatological narrative.

Tanner examines key aspects of the book of Daniel such as the revelation of Israel's future in relation to gentile kingdoms, God's exaltation of Daniel as a channel through whom he reveals his will and God's sovereign control of the nations under whom Israel is being disciplined. Tanner provides exegetical insight to help readers better understand not only how God worked in Israel's history through Daniel, but how he sovereignly directs all of world history--for all time.
