Micah Tyler – New Today CD

Description

For Micah Tyler, the eleven songs on 'New Today' are an all-encompassing representation of his family, his story, the trials he's personally faced and how he's found God through it all. He says, "I love this album so much because not only are we telling good stories and representing the Gospel, but it's so heavily influenced by music I've grown up listening to, everything from Elvis to Shane & Shane to Ray Charles and Boyz II Men. I wanted these songs to melodically convey all the different emotions so you could really feel what we're saying."

He happily concludes, "If you want a glimpse of what my life's been like the last three years, it will take you about 53 minutes of listening to this album."

Various – Painted Horses DVD

Description

Ms. Pam Hoog is a history teacher who is starting a new job with a class of kids that disrespects her as well as each other. Not only does she have problems trying to get the kids to want to learn about history, she's dealing with a most serious personal issue of her own – her son needing surgery – so she has to find a way to solve both situations. How does she do it? By getting her students interested in hunting for a treasure with a long history in the area. In doing so, the teens find out things about themselves, and Ms. Hoog finds out that most of her students are not so different from her: they all have personal problems to deal with just as she does. The kids learn during the course of this hunt to work as a team while they learn about history with great interest. This is a story about encouraging others and seeing people for what is in the inside, not just seeing what's on the outside.

Various – The Cross and the Switchblade – 50th Anniversary

Description

Long before faith-based films became a regular feature of mainstream movie theatres, there was, 'The Cross and The Switchblade.' It went on to become a worldwide ministry phenomenon and it stands among the early sparks that ignited today's growing Christian film movement.

This is the 50th anniversary edition DVD of the classic story of Pastor David Wilkerson and gang member, Nicky Cruz.

Restored and re-mastered from the original 35mm film. The story lives on in the book, in this film but more importantly in the legacy of lives transformed by the message that no one is ever so far gone that they cannot find the way home.

Description

God's silence in the midst of human suffering is a great mystery of our existence. Faced with mass suffering, such as pandemics, plagues, and natural disasters, we may wonder whether God actually cares about us or whether He just says that He does.

'Pandemics, Plagues, and Natural Disasters: What is God Saying to Us?' helps explain the role of God in suffering.

Dr. Erwin Lutzer examines how God uses tragedies throughout the Bible to speak to His people, and that, ultimately, God always has our wellbeing in mind even when He doesn't relieve our immediate pain. Perhaps most importantly, find lasting joy and relief by learning how times of such widespread trouble reveal God's ultimate plans for our salvation from all temporary and eternal suffering.

About the Author

DR. ERWIN LUTZER is Pastor Emeritus of The Moody Church in Chicago where he served as the Senior Pastor for 36 years.

A renowned theologian, Dr. Lutzer earned his BTh from Winnipeg Bible College, a ThM from Dallas Theological Seminary, a MA in philosophy from Loyola University, and an honorary LL.D. from the Simon Greenleaf School of Law.

He is an award-winning author and the featured speaker on three radio programmes that can be heard on more than 1000 outlets in the United States and around the world.

Dr. Lutzer and his wife, Rebecca, live in the Chicago area and have three grown children and eight grandchildren.

Description

In a world of varying beliefs and endless opportunities, determining how to spend our lives can seem impossible. And even more difficult than finding direction can be finding meaning. Perhaps we know what we're most interested in, but how do we know if it has purpose?

These longings are rooted in our desire to feel God's presence in our lives, which begins when we know how He communicates with us.

'Seen. Known. Loved.' examines how God--the Creator of the universe--intimately communicates with each of His people. Relationships expert Gary Chapman and co-author R. York Moore offer practical insights for how to know your own love language and how God uses it to communicate with you. When we come to understand our own unique love language, we discover how God both speaks and listens. And, therefore, how He is intimately involved in our lives in ways we have never before identified. The first step to living with meaning is living in union with our God--the source of meaning.

Instead of an Anxious Parent, Become a Praying Parent

In 'A Practical Guide for Praying Parents', Dr. Lutzer addresses: -How to pray when children have hardened hearts -How to pray for children who have become wayward prodigals -How to become a prayer warrior who prays in the face of spiritual warfare

This small guide will help you pray scriptural prayers that both bring you closer to God and bless your children.

Title: On Waiting Well
 Author: Bradley Baurain
 Price: £11.50*
 Product Code: 9780802419675
 Format: Paperback
 Genre: Personal Growth
 Distribution: UK & Europe

Why Does God Make Us Wait? And Wait... And Wait...
 In a fast-paced society, we don't like waiting for anything. Drive-throughs and microwaves expedite dinner while texting and email afford instantaneous communication.

Because we're conditioned to expect instant gratification, we're startled—even frustrated—when we have to wait. And perhaps we become spiritually frustrated, doubting our faith, when we find ourselves waiting on God.

Bradley Baurain invites Christians to reject how society has conditioned us to view waiting—especially when it comes to knowing God.

On 'Waiting Well' identifies the experience of waiting as a crucial dimension to loving God, having faith, and following Christ. Your time doesn't have to become passive, purposeless, or tedious when God seems to be absent or moving slowly. Instead, discover how waiting is actually integral to God's plans of life and salvation. When we gain that perspective, these seemingly dry times of waiting become invigorating opportunities to strengthen our hope in God and see that He is always faithful.

Ryan Stevenson – The Eye of the Storm

Description

The story behind the Dove Award-winning song by Ryan Stevenson.

Many recognize the blockbuster song "Eye of the Storm," but few know about the arduous journey that took Ryan Stevenson from farm boy to acclaimed singer and songwriter.

Here, Stevenson shares about the turmoil of his early life, the rejection and pain faced in his initial attempts to launch his music career, the grief experienced during his mother's long battle with cancer, the stress and burnout of his days working as a paramedic, and how an unexpected lightning storm gave him a front-row seat to a miracle that would turn his life around.

When the dark clouds roll in, Stevenson has learned to listen to that still, small voice he hears—the voice of a trustworthy God who holds on to him even during the fiercest storms.

About the Author

Ryan Stevenson is a singer, songwriter, and the Grammy-nominated recording artist behind hit Christian music songs such as "Eye of the Storm" and "Speak Life."

Raised in rural southern Oregon, Stevenson worked as a paramedic before his music career took off.

Title: 7 mitos sobre la soltería (7 Myths of Singleness)
 Author: Sam Allberry
 Price: £10.99*
 Product Code: 9781535997096
 Format: Paperback
 Genre: Spanish/ Single Life
 Distribution: UK & Europe

A menudo pensamos que ser solteros es estar solos y espiritualmente obstaculizados. Mucho de lo que comunmente se asume como soltería, básicamente la ausencia de cosas buenas como la intimidad, familia o un ministerio significativo, no es totalmente cierto o al menos no debería serlo.

Este libro busca ayudar a cristianos (casados y no casados) a valorar la soltería como un regalo de Dios para que podamos animar a otros solteros a tomar oportunidades únicas que la soltería ofrece y a ver este rol en el florecimiento de la iglesia como un todo.

To be single, we often think, is to be alone and spiritually hindered. Much of what we commonly assume about singleness that it is primarily about the absence of good things like intimacy, family, or meaningful ministry is either flat-out untrue or, at the very least, shouldn’t be true. This book seeks to help Christians married and unmarried alike value singleness as a gift from God so that we can all encourage singles to take hold of the unique opportunities their singleness affords and see their role in the flourishing of the church as a whole.

Description

What is legalism? Wearing hats? Not wearing hats? Raising your hands in worship – or not? What is freedom from legalism? Doing your own thing?

Not according to Dominic Smart. Legalism is, he points out, the belief that we can make and keep ourselves right with God by the keeping of rules and regulations.

Pointing out how often churches collude in this deception, he gives us the antidotes to legalism and shows us how it robs the Christian of joy and assurance, but also robs God of the glory that is rightfully His.

This is a book to challenge your thinking and behaviour, one to read and meditate on. Let it transform your life!

About the Author

(1959 – 2020) Originally from Yorkshire, Dominic Smart was minister of Gilcomston Church in Aberdeen from 1998 to 2015.

An author and conference speaker, he was married to Marjorie and they have four grown-up children.

Gospel doctrine is the lifeblood of mission. Most missionaries in church history have, in preparation for the field, committed themselves to rigorous study and extraordinary theological training, but there has been a move away from that in recent times.

E. D. Burns contends that this is dangerous, leaving those who need it most ill-equipped to deal with the difficulties mission life brings.

This brotherly and friendly plea challenges those who are already in, or are considering joining, the mission field to rest in Christ's work and abide in His Word.

Pushing her back against the wall to stop the flow of blood she gave herself enough time for other medical staff to come to her aid.

This is the story of a young Irish girl who went to Africa despite her families objections due to the crystal clear call on her life of a God who assured her, 'I am with you I am all you need'. Maud found that out to be absolutely true in all circumstances.

Early one morning the call went out that communist soldiers were approaching their town. Betty was nursing their young baby girl when John decided that perhaps now was the time to leave ... as they began to make their plans the rebel soldiers broke through the walls and they knocked against the door.

Calm in the face of trouble the Stams trusted in their loving heavenly father – and with that faith faced their future whatever that would be.

This is a story of tragedy as well as trust. It is heartbreaking but full of strength. It is the story of two young martyrs who believed in God and in his call on their lives. The painful story of John and Betty Stam retains a spark of hope through the power of their testimony and the life of their infant daughter who survived them.

Title: Ecclesiology in the New Testament
 Author: E. Elizabeth Johnson
 Price: £23.99*
 Product Code: 9781426771934
 Format: Paperback
 Genre: Bible Study
 Distribution: UK & Europe

The earliest Christians thought of themselves in communal terms. They did not simply make individual commitments to Jesus as God's messiah; they constituted themselves as communities shaped by the in-breaking of God's realm. They likely learned to do so from Jesus himself. When he summoned an inner circle of his followers and numbered them twelve, he signaled that his ministry had the character of a reform movement within Israel.

In his work of preaching, healing, exorcism, and prophetic sign actions, Jesus shaped his followers into what would eventually become the church. By transgressing contemporary religious and social boundaries in his ministry, he planted the seeds of the church's later inclusion of non-Jews.

This book will investigate New Testament texts about the church from a comparative standpoint. That is, the various authors adopt different metaphors for their communities—family, assembly, nation, priesthood, and so on—to make varying claims about how they ought to live together and how they ought to live among their neighbours. In their descriptions of themselves as the church, Christians implicitly and explicitly describe their theology but also the Roman empire, the Jerusalem temple, the synagogue, popular philosophical circles, and first-century domestic order.

Title: Holy Imagination
 Author: Judy Fentress-Williams
 Price: £21.99*
 Product Code: 9781426775314
 Format: Paperback
 Genre: Doctrine & Theology
 Distribution: UK & Europe

Many books about the Bible introduce students to this sacred literature through a critical tour of the historical events and cultures that were present when the authors were at work. Holy Imagination, however, groups sections of the Bible by genre, to include the whole canon.

This "reader's introduction" is informed by literary theory and theological synthesis. For example, the first section will describe the primordial history in Genesis 1–11 as literary myth. How do we use the term myth when it is applied to the beginning of Genesis? The next section, the ancestral narratives in Genesis 12–50 is described as "formational narratives of identity." How do the stories use sibling rivalry to shape national identity then and now?

Each section in the introduction will identify and describe the genre (myth, historiography, poetry, apocalyptic literature, and so on) and then move into a discussion about its literary characteristics. Once the range of materials within a genre is evaluated, the introduction will deploy literary tools useful in reading a particular genre. The application of these tools will be guided by a set of "literary rules."

 Author: Stephen E. Strang
 Price: £12.99*
 Product Code: 9781629999173
 Format: Paperback
 Genre: Contemporary Social Issues
 Distribution: UK & Europe

This book is a timely follow up to God, Trump and the 2020 Election that reveals insider information about China, the virus, and the ever-increasing stakes of the upcoming election.

It will answer the question for the Christian believers (and seekers) of where God is in all this?

It provides a little known prophecy by the late David Wilkerson about a plague coming that would shut down the government as well as churches and bars, including shaking New York City as it's never been shaken. Wilkerson said this plague would force believers into radical prayer that will spark an awakening--something echoed by Christian leaders and prophets.

The author has inside information about what happened in China early in the pandemic and what went wrong. He even documents how Donald Trump has led the nation in this time of crisis.

 Format: Paperback

One of America's most-respected prophetic voices brings a critical message to a nation—and world—at a crossroads.

Just like the very first Passover, God is looking for a remnant that will hold strong and bring His love to a hurting planet. Pierce divides the rumours from the Word, and answers such questions as:

- Why would the current situation be happening around the time of Passover 2020?
- Is this a modern-day plague for a modern-day Passover?
- Are nations still trying to bring other nations under their control and economic rule?
- What is Israel's role in this critical time?
- How do we move forward today?

Description

Robert Wainwright demonstrates the importance of covenant theology in the early years of the Reformation when Huldrych Zwingli, Heinrich Bollinger, and John Calvin recast late medieval conceptions of the divine pact within radical new parameters of grace alone and Scripture alone.

Their ideas spread surprisingly quickly into English discourse, explaining the early emergence of Reformed theology under Henry VIII.

Wainwright scrutinizes the covenant thought of William Tyndale, Miles Coverdale, John Hooper, and John Bradford, questions essentially Lutheran characterizations of Henrician evangelicalism, and portrays early Reformation covenant theology as distinct from proto-Puritanism.

“The clarity of its analysis and the richness of its evidence make Robert Wainwright’s book an excellent guide to the early English Reformers encounter with the theology of Zurich and Basel, Strasbourg and Geneva.”
—Steven Gunn, Professor of Early Modern History, Merton College, University of Oxford

“For too long a picture of the young Calvin’s theology has been only partially available in English, with the result that key moments in the development of his reforming vision have been obscured. David Noe’s crisp and complete translation of Calvin’s first publication after his arrival in Geneva makes the full scope of Calvin’s early reforming priorities accessible and so illuminates for English readers the emergence of central themes in Calvin’s religious thought between the writing of the first (1536) and second (1539) editions of the Institutes.

In this treatise, consisting of two open letters published in March 1537, Calvin for the first time openly criticizes the moderate French evangelical reform movement of which he had recently been a part...

...This translation will serve, among other things, as an excellent classroom resource for unpacking the emergence of the distinctively Calvinist concern with the ethics of religious dissimulation and the potentially polluting effects of ceremonies judged to be illicit—matters that reflect the growing centrality of the glory of God and an increasing fascination with the complexities of human nature in both his theology and his work as church reformer.” — Barbara Pitkin at Stanford
