David Dunn is a Christian soulful singer/songwriter raised in Texas and based in Nashville. His newest album, 'Perspectives,' follows the trajectory of 2017's Yellow Balloons, with every composition a reflection of the current season.

"Every song on the record is about perspectives, how the way we view the world shapes our understanding of it," says Dunn, whose career officially launched in 2015 after appearing on NBC's The Voice. "We all have different perspectives. Some are opposing and yet still valid."

Description

Do you long to see people come to know Jesus Christ through your life?

To be a disciple of Jesus is to make disciples of Jesus. This has been true since the first century, when Jesus invited four men to follow him. More than searching for fish all over the Sea of Galilee, these men would spread the gospel all over the world. They would give their lives by not simply being disciples of Jesus, but by sacrificially making disciples of Jesus. And God's design for twenty-first-century disciples is the same.

Becoming a Christian involves responding to the gracious invitation of God in Christ. As we follow Christ, he transforms our will, mind, desires, relationships, and our ultimate reason for living. Every disciple of Jesus exists to make disciples of Jesus, here and among every people group on the planet. Bestselling author and Bible teacher David Platt invites you to take a closer look over the next thirty-five days at what it means to be a true disciple; to become a fisher of men; and to give up your life, take up your cross, and Follow Him. (Adapted from Follow Me)

About the Author

Dr. David Platt, President of the International Mission Board, is deeply devoted to Christ and His Word. David's first love in ministry is making disciples, sharing, showing, and teaching God's Word in everyday life. He has traveled extensively to serve alongside church leaders throughout the United States and around the world. A life-long learner, David has earned two undergraduate and three advanced degrees. He holds a Bachelor of Arts (B.A.) and Bachelor of Arts in Journalism (A.B.J.) from the University of Georgia, and a Master of Divinity (M.Div.), Master of Theology (Th.M) and Doctor of Philosophy (Ph.D) from New Orleans Baptist Theological Seminary. He previously served at New Orleans Baptist Theological Seminary as Dean of Chapel and Assistant Professor of Expository Preaching and Apologetics, Staff Evangelist at Edgewater Baptist Church in New Orleans, and eight years as the Senior Pastor of The Church at Brook Hills in Birmingham, AL. Description

Many Christians go to church each week burdened by guilt and shame, believing they are unworthy of God's full love. In 'Abide in Christ,' Andrew Murray reminds every Christian that God promises His constant presence with them.

In just ten minutes a day, Andrew Murray's 31-day spiritual guide offers timeless meditations and practical lessons. Move from a divided heart to wholehearted surrender. Your hunger for God's presence is made to be satisfied--experience a deep, authentic, and ongoing connection with Jesus.

In this edition, Murray's 19th-century classic features lightly updated language for easier reading, understanding, and connecting with Jesus.

With a foreword and afterword by Doug Nuenke, US president of The Navigators, 'Abide in Christ' will send you into the world even as it draws you into a full life in Christ.

About the Author

South African pastor and author Andrew Murray, (1828–1917), one of four children was raised in the most remote corner of the world – Graaff-Reinet (near the Cape), South Africa, It was here, after his formal education in Scotland and three years of theological study, in Holland, that Andrew Murray returned as a missionary and minister. Murray's first appointment was to a remote and unattractive territory of nearly 50,000 square miles and 12,000 people.

In 1873, he helped to establish the Huguenot Seminary for girls. He also served as the first president of the Young Men's Christian Fellowship (YMCA).

Not only was Andrew Murray the author of over 240 books, he was also a man of great prayer. He began writing on the "deeper Christian life" – a favourite subject for Murray – for his congregation as an extension of his local pastoral work, but he became internationally known for his books, such as "With Christ in the School of Prayer" and "Abide in Christ", that searched men's hearts and brought them into a deep relationship with Christ.

She never expected to be a minister's wife. And the life she discovered was more challenging--and more beautiful--than she could have anticipated.

We all wrestle with tough questions about life and faith, and Karen Stiller has learned that answers don't come any easier when you're married to the minister.

What does it mean to live faithfully in our complicated world? Is there a place here for me--the real me? What does everyone expect of me, and what if I fail?

In *The Minister's Wife*, Karen shines a light on the rhythms and tough realities of the spiritual life for each and every one of us. She explores how community helps us grow; the unexpected beauty of doubt; the messy pain of families and funerals; how church can hurt and heal; and the beauty of showing up when sometimes it is more appealing to go to a coffee shop on a Sunday morning (even when you're the pastor's wife).

Warm, witty, and achingly honest, *The Minister's Wife* is a memoir in essays on choosing to belong, and an invitation to join a spiritual adventure.

Description

To my earthly father, my only worth was through my death. But God saw me so differently that, at first, I could barely comprehend it.

Esther Ahmad thought she knew the way to earn her Muslim father’s love. She raised her hand for the suicide mission, her martyrdom guaranteeing her family a place in heaven. But God had a different mission for Esther—a journey out of Pakistan, from despair to hope, from shame to purity, and from Allah’s wrath to a Father’s love.

In ‘Unveiled’, Esther examines a world in which women have no rights, no worth, no voice, and she shows how the treatment of Muslim women is linked directly to Islamic teachings. With vivid personal stories, she lays out the lies of the Qur’an against the truth she found in the Bible. This is no academic comparison but a question of life or death: What is a woman worth?

About the Authors

Esther Ahmad fled her home country of Pakistan due to life-threatening persecution for her Christian faith. She and her family were refugees in Malaysia for eight years; today, they reside in the American South. Esther shares her story of survival and redemption as she speaks to churches and organizations.

J. Chester is a writer living in England. He has written widely on international development and social justice.

Can Flex Deal with the Drama? Flex is a football player, not an actor. But he can fake it if it means getting to see KK, the girl he's dating (sort of-it's complicated), every day after school for about a month.

This play isn't for the weak, though. First, Flex has to deal with his nemesis, Actor Boy, the guy who greets girls with kisses on either cheek. C'mon, dude.

Really?!? Then there's the whole Shakespeare thing. What was "Bill" thinking when he wrote this gobbledygook? Thou dost protest...seriously.

Meanwhile KK is hanging out with Watson, the King of the Youth Group, and no amount of video game playing is going to make Flex feel okay about that.

He'd better get his jealousy in check before KK checks out on him for good. But with some encouragement from Mimi and Pops (his mum and dad), a little advice from an unlikely ally, and a whole lot of truth from God's awesome book, Flex might just turn his fear of failure into a performance befitting of the bard himself. Or at the very least, get KK to return his texts.

Renowned evangelist Becky Pippert draws on decades of conversations about Christianity around the world to call and equip ordinary Christians to share Jesus through their ordinary day-to-day conversations. She shows that by leaning on our extraordinary God, such conversations can, and often do, have extraordinary results. They will transform hearts, transform society, and transform the world!

Weaving Bible teaching with compelling stories, 'Stay Salt' is the next generation "Out of the Saltshaker" for this new era. It will give readers the confidence share Jesus like Jesus—relevantly, thoughtfully, and effectively.

Title: The Voices We Carry
 Author: J.S. Park
 Price: £11.99*
 Product Code: 9780802419897
 Format: Paperback
 Distribution: UK & Europe

During hospital chaplaincy training, J. S. Park began to see patterns in his own life and the lives of patients he met. Often they understood the problem, maybe, like him, they could even point to the root causes, but they still felt stuck. So he developed the Voices Model to help people find their one, true voice. It explores the false voices we listen to, four inner voices (self-condemning, self-exalting, condemning others, and exalting others), and four outer voices (guilt, family dynamics, grief, and trauma). Through it you'll learn how to identify these unhelpful voices and successfully kick them out of your headspace.

Filled with first-person narrative stories, and psychological, spiritual, and clinical insights, 'The Voices We Carry' is an enjoyable, disarming, and important read.

For anyone who wants to grow but isn't quite sure how to move forward, this book is for you.

Title: Prayer Revolution
 Author: John Smed
 Price: £11.99*
 Product Code: 9780802419873
 Format: Paperback
 Distribution: UK & Europe

Most prayers are constricted ones. They're prayers that only focus on one part of the Lord's Prayer: "give us our daily bread." They're usually focused on self and envision God as a heavenly caretaker.

Disruptive prayers, on the other hand, are powerful, uncommon, and deeply biblical. They focus on God rather than self, seek to advance the kingdom, and submit all things to God. They are also prayed with a profound belief that prayer actually accomplishes something.

When we pray disruptive prayers, that's when the revolution begins. This book shows you how to equip leaders, fuel kingdom movements, and do real damage to the powers of darkness in the here and now. But most of all, discover how your own heart will be transformed as you begin to see how much bigger prayer, and God, is than you ever thought possible.

Title: Embody: 5 Keys to Leading With Integrity
 Author: Karoline M. Lewis
 Price: £14.50*
 Product Code: 9781501899423
 Format: Paperback
 Distribution: UK & Europe

Pastors and other leaders feel trapped in systems and institutions where actions and decisions often seem to have little to do with the scripture they read or the theology they profess. They are swept into leadership norms that resemble business models more than mission. They see in others and (sometimes) recognize in themselves the disconnect between their own theology and their leadership. They feel unable to fully integrate their beliefs with their behaviour.

In ‘Embody’, Karoline Lewis shows how to frame leadership in the church and public square theologically, and from the perspective of incarnation.

She shows how leadership can be a direct line between what you believe and what you do. She incorporates examples of Jesus’ leadership and the Paraclete in the Gospel of John, showing how leadership was achieved by walking beside.

 Format: Hard Cover
 Distribution: UK & Europe

The New American Commentary is for those who have been seeking a commentary that honors the Scriptures, represents the finest in contemporary evangelical scholarship, and lends itself to the practical work of preaching and teaching. This series serves a minister’s friend and a student’s guide.

The New American Commentary assumes the inerrancy of Scripture, focuses on the intrinsic theological and exegetical concerns of each biblical book, and engages the range of issues raised in contemporary biblical scholarship.

Drawing on the knowledge and skills of over forty scholars and encompassing forty volumes, the NAC brings together scholarship and piety to produce a tool that enhances and supports the life of the church.

In Ephesians Paul encouraged the church, the body of Christ, “built” from saved Jews and Gentiles, to conduct herself in a manner consistent with her calling to unity in Christ Jesus. Saved Jews and Gentiles are a holy temple fitted together and “growing.” They are a corporate new man, a living body being “built.”

Title: The Grace of Healing
 Author: Bob Yandian
 Price: £10.99*
 Product Code: 9781680315042
 Format: Paperback
 Distribution: UK & Europe

Do you have questions about divine healing? How does it work? What is required? How much faith is necessary?

In The Grace of Healing, pastor, author, and renowned Bible teacher Bob Yandian answers these questions while revealing the missing ingredient to the healing you've been praying for—grace!

Over the course of church history, the doctrines of grace and faith have been taken to separate extremes as they relate to healing. The result is that many believers struggle to understand or receive healing from God. Those on the side of grace deny the need for faith, believing that God only heals a select few. For those who only see a need for faith, the pursuit of healing becomes a legalistic struggle to change God's mind.

But Pastor Bob takes a different approach, offering practical and straight-to-the-point biblical teaching that balances the elements of grace and faith—so your health can spring forth speedily.

 Product Code: 9781629956589

Even by the high standards of the Psalms, the poems contained in Books 3 and 4 (Psalms 73-106) are extraordinary and memorable.

In this thoughtful, devotional commentary, pastor-theologian Richard D. Phillips shows how these psalms' particular honesty about the trials in our human experience magnify the justice and grace of our sovereign God.

He alone offers the remedy to life's fiercest struggles. In our spiritual walk of faith, the psalmists take believers by the hand and guide us in our communion with God, pointing always to Christ.

As are all Reformed Expository Commentaries, this book is accessible to both pastors and lay readers.

Each volume in the series gives careful attention to the biblical text, is doctrinally Reformed, focuses on Christ through the lens of redemptive history, and applies the Bible to our contemporary setting.

William Strong (ca. 1611–1654) was an influential leader at the Westminster Assembly and was greatly admired by his contemporaries.

In modern times, however, even those most indebted to the Westminster tradition are unfamiliar with this stalwart of the seventeenth century.

In this book, Thomas Parr opens by introducing us to the significance of the life and ministry of Strong and then launches into a survey and summary of Strong's teaching on the covenant of works.

Along the way, this book shows that the condemnation from a covenant of works serves as a dark backdrop to display the glory of the covenant of grace.

Title: Church Doctrine & The Bible
 Author: David Instone-Brewer
 Price: £11.99*
 Product Code: 9781683593768
 Format: Paperback
 Distribution: UK & Europe

Too often, Christians are content to state a doctrine, list a few supporting Bible passages, and proceed on to the next. But are these doctrines truly derived from the Bible, or are we slotting verses into our pre-determined theological grids?

In *Church Doctrine and the Bible*, biblical scholar David Instone-Brewer applies his expertise in first-century backgrounds and culture to popular Christian doctrines.

Peeling away thousands of years of theological development reveals how the Bible’s original hearers would have understood these doctrines and helps us resolve some of our doctrinal disputes and misunderstandings. Through this process, Instone-Brewer answers the question, “is this doctrine biblical?”

Church Doctrine and the Bible will help pastors, theologians, and laypersons see familiar doctrines with fresh, first-century, eyes. By restoring the revolutionary simplicity of the Bible’s teachings, we gain new insights into these doctrines and what they mean for the church today.
