Brandon Lake – House of Miracles CD

Description

For Brandon Lake, “House of Miracles” is much more than an album, it’s the prayer of his life. His prayer is that every home in the world would become a house of miracles. Every heart is a hosting place of the Spirit of God, intricately designed to experience miracles. The songs were written to be conduits of hope for every person who listens.

Brandon Lake is a songwriter and worship leader with the [Bethel Music Collective](#) and a worship pastor at Seacoast Church in South Carolina. Brandon is known for his song “This Is A Move,” written with Tasha Cobbs — a song that won a 2019 GMA Dove Award for “Gospel Worship Recorded Song of the Year,” and was also nominated for a 2020 Grammy Award. Brandon Lake’s single “We Praise You” is featured on Bethel Music’s [Revival In The Air](#) album, co-written with Brian Johnson and Phil Wickham as a bold declaration that the power of praise changes everything.

Various – Volendam: A Refugee Story DVD

Description

Packed onto train cars, idling just inside the Soviet Occupied Zone in post war Germany, the fate of over a thousand Mennonite refugees was dependent upon a single railway light turning green. This Anabaptist sect, who were never supposed to get this far, had endured famine, religious persecution and war. Now they were being hunted and for the train to be turned back now would mean imprisonment or even death.

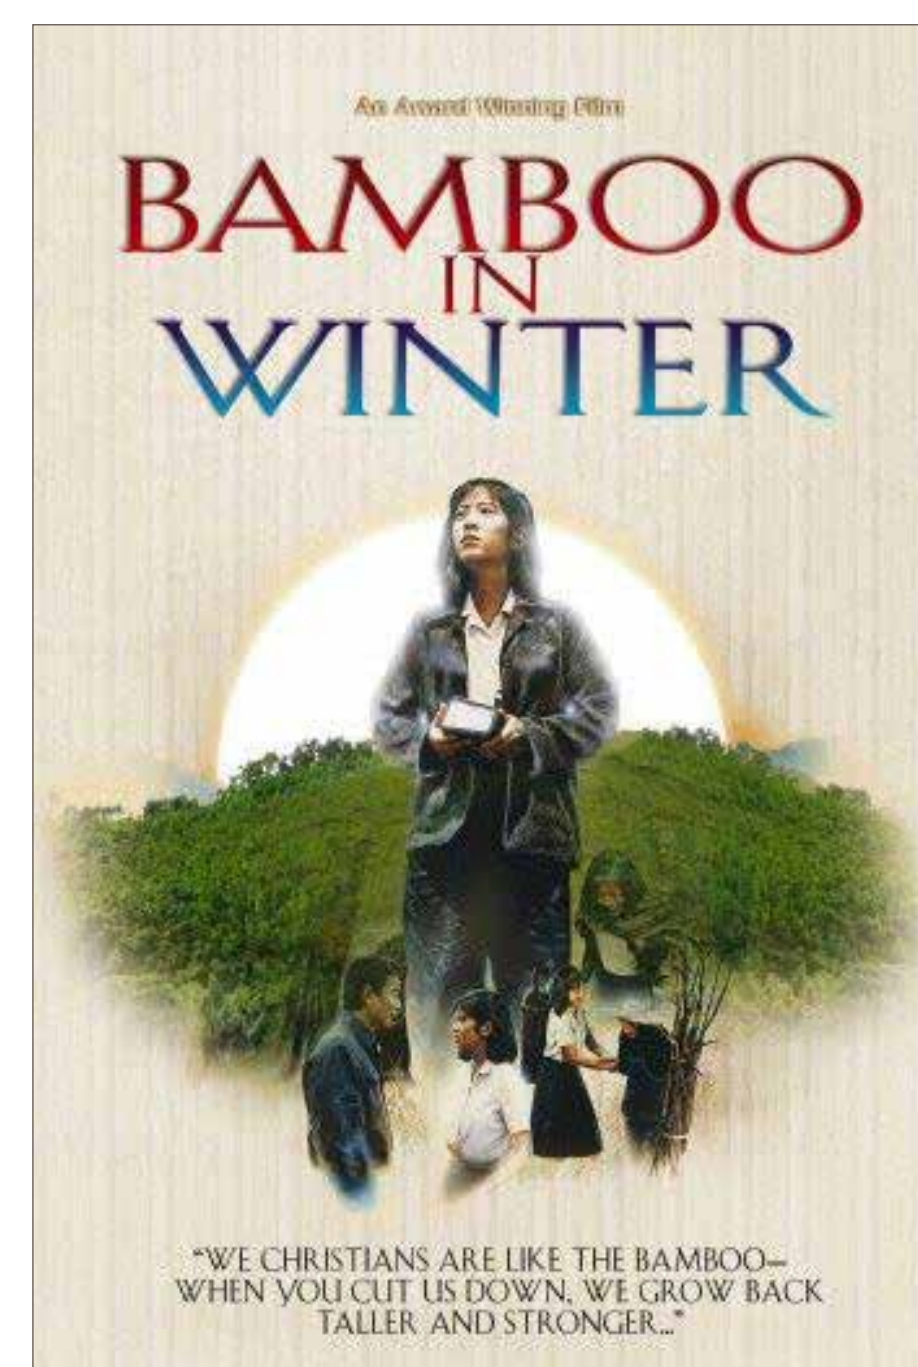

Waiting for a miracle, the Mennonite refugees had nothing left to do but pray. Pray they would escape long enough to board the ship waiting to take them far away, to the only country that would take them. The destination was the jungle of Paraguay. The ship was the Volendam.

Various – In God’s Time DVD

Description

Living in a big city can be very lonely and discouraging—but then sometimes God will intervene in order to repair broken relationships, hearts and souls. Set in Los Angeles, the loneliest city in the world, the film “In God’s Time” relates such a journey as it follows four characters who have lost their faith and are struggling with the gritty challenges of a life filled with anger, sorrow, resentment and fear. Enter a mysterious watchmaker named Charlie, who sets in motion a chain of events with a special wristwatch that brings a new perspective on the past. The wristwatch first takes hold of a curmudgeonly panhandler named Jerry and then weaves it’s way to transform the other characters—Rorry, a millennial who is on the outs with her parents due to an unplanned pregnancy; Dr. Keith Phillips, Rorry’s uncle; and Brandon, a lost soul who has been living out of his car since going AWOL from the Army.

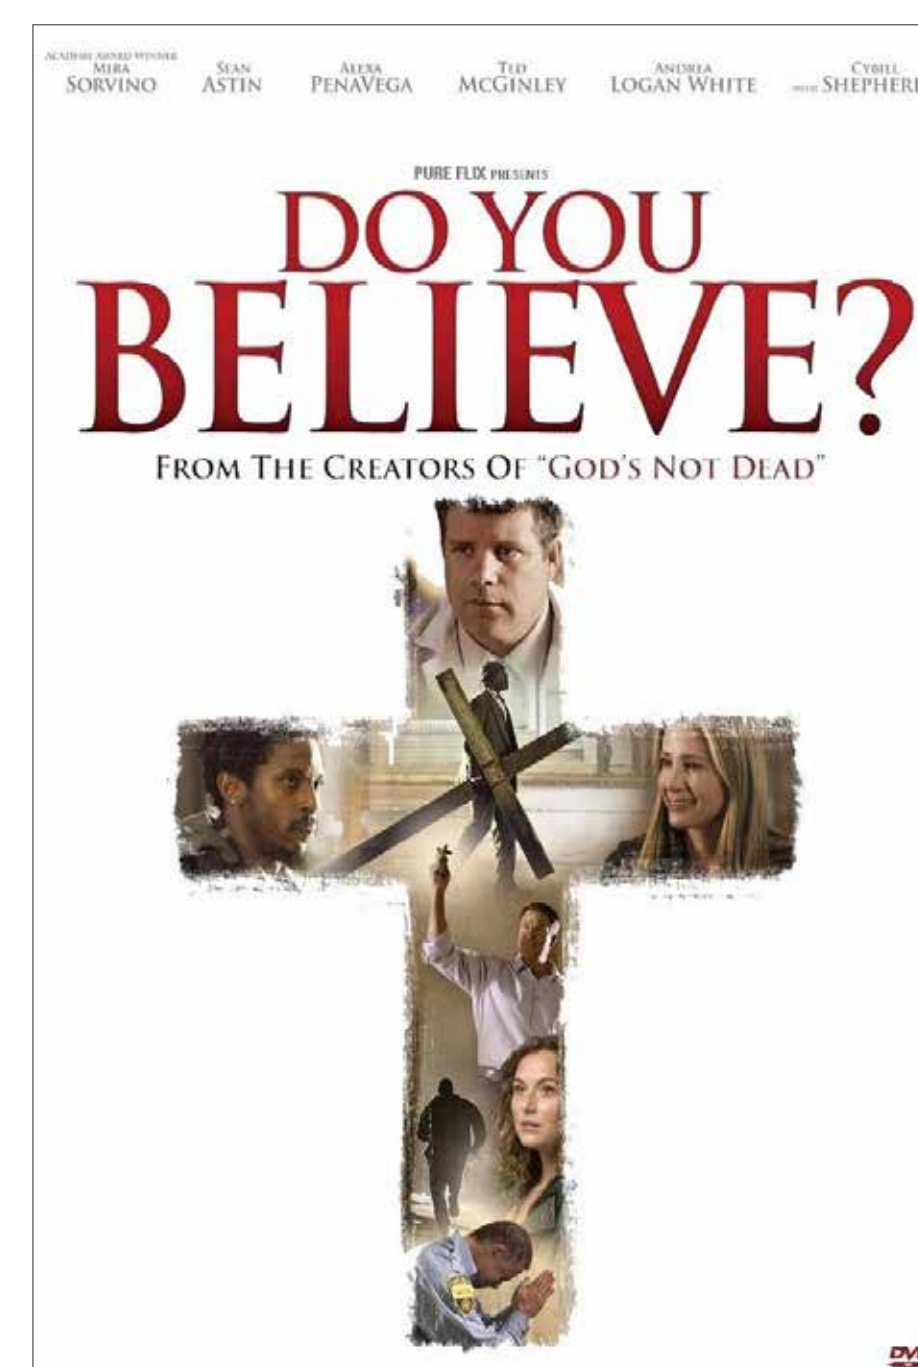

As each one of them comes to face their personal trials (addiction, terminal illness, death of loved one), it is through the power of the wristwatch they have a chance to encounter the healing love of Christ... all in God’s time.

Description

As Jesus is about to enter into eighteen years of obscurity, Luke gives us only one clue as to His preoccupation during those years, informing us: “And Jesus grew in wisdom and stature, and in favour with God and man.” (Luke 2:52)

The temptation is to think that Jesus grew “naturally” in these areas, but the verse implies that He grew intentionally and deliberately. In short, Jesus grew on purpose.

When it comes to Jesus, we often want to get to His miracle-laden ministry, His teaching on the Kingdom and His death and resurrection. Our natural inclination is to look forward at what is about to happen, not look back at what has been.

For approximately 3 years Jesus impacted His world, but these 3 years represent only 9% of His life on earth. So what about the other 91%? These silent years of Jesus undoubtedly formed the foundation for the 9%, for which Jesus is most famously remembered. It’s in these years that He grew!

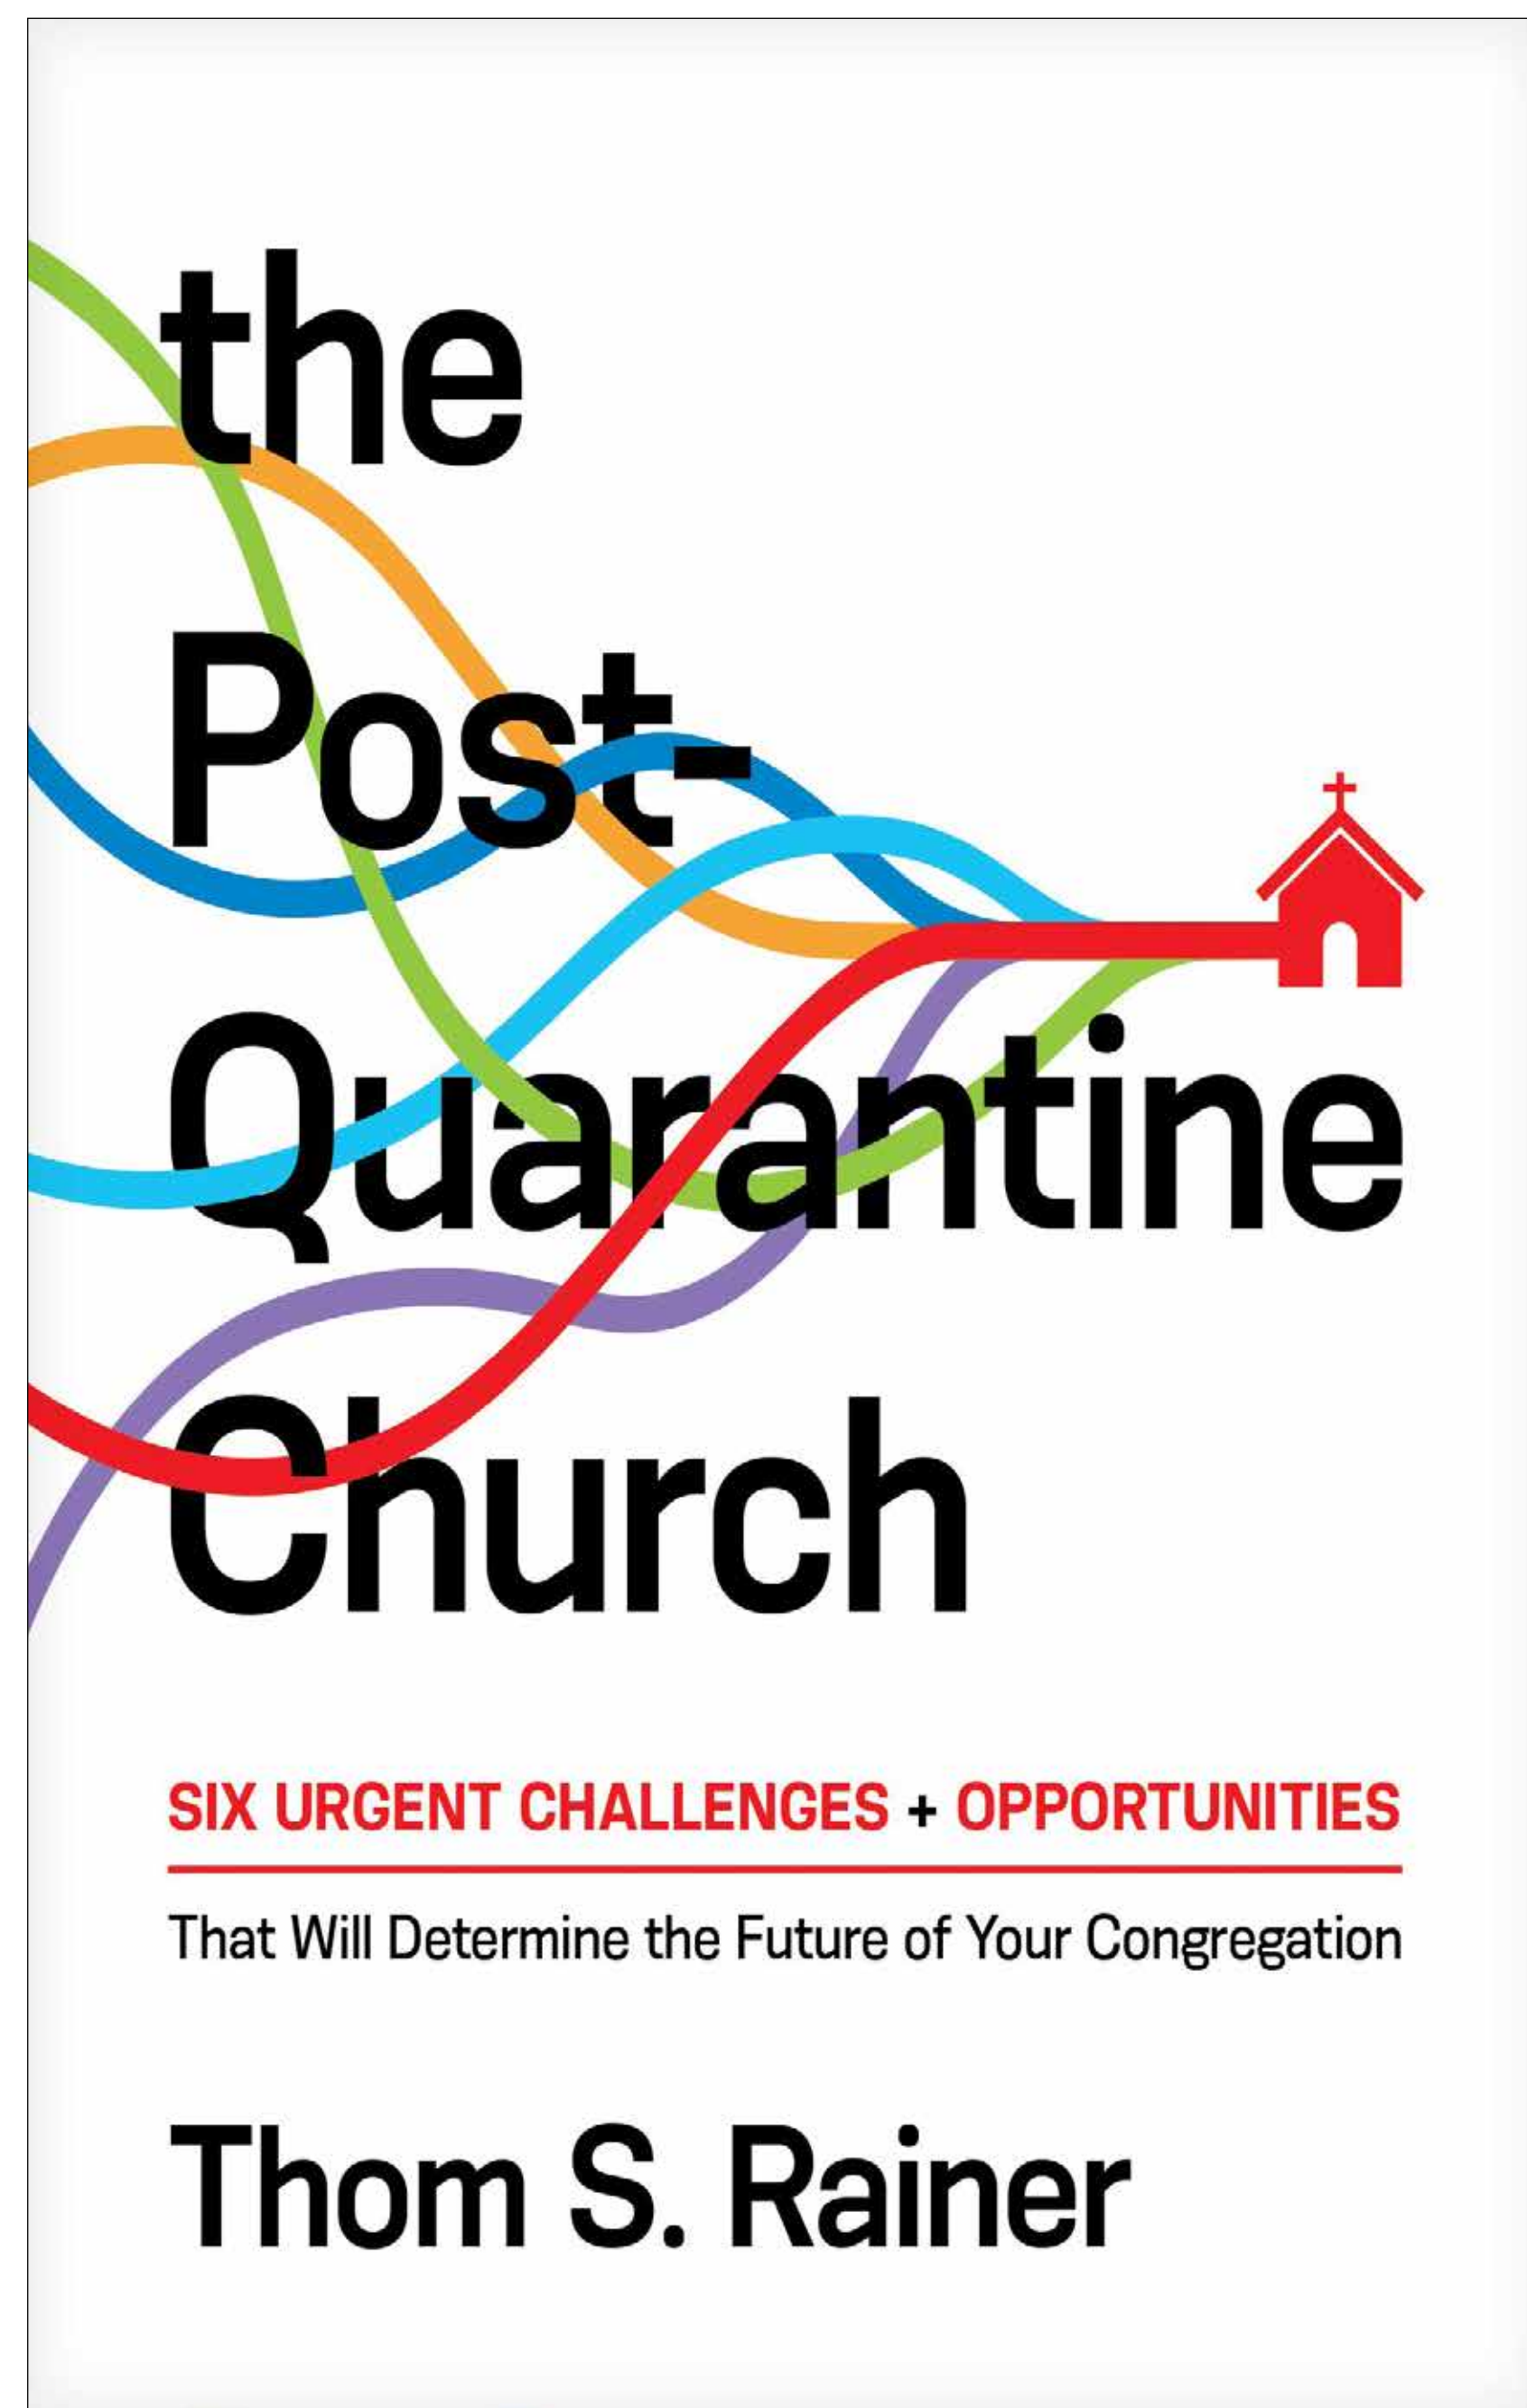

Every follower of Jesus, and any person who seriously desires to take up the mantle of leading others, must also learn to lead themselves. Even though Jesus was God in flesh, He intentionally grew intellectually, physically, spiritually and relationally. If Jesus grew, then so should we. Contained within 2:52 lies the blueprint of learning to grow on purpose.

About the Author

Dr John Andrews is an author, speaker and teacher with a passion to equip and inspire leaders, as well as empowering followers of Jesus into effective lifestyle and service.

He is the author of several books.

Description

Emotions--love them or hate them, we've all got them.

And we've all got to figure out what to do with them. But wait--can we do anything about our emotions? Can we learn how to identify, express, experience--and yes, sometimes wrangle--our feelings in order to live a vibrant, healthy, fruitful life for Jesus?

In 'All the Feels', author Elizabeth Laing Thompson uses her experiences as a big feeler to encourage and equip different kinds of feelers with the biblical perspectives, practical tools, and scriptural reservoir they need. As a woman who has lived every day of her life having All The Big Feelings All The Day Long, Elizabeth knows what it's like to live life through our emotions--and how important it is to understand, take control of, and grow from those emotions. Whether you have a sensitive soul with more feelings than you know how to name, a logical personality that doesn't quite know what to do with feelings, or a steady flow of emotions somewhere in the middle, All the Feels will help you

- discover your own God-designed "feelings style" and how it impacts your life and relationships,
- distinguish fact from feeling and figure out which feelings you can trust, and
- understand which emotional gifts God wants you to expand, explore, and enjoy.

About the Author

Elizabeth Laing Thompson writes at LizzyLife.com about clinging to Christ through the chaos of daily life.

As a minister, speaker, and novelist, she loves finding humor in holiness, and hope in heartache.

She lives in North Carolina with her preacher husband and four spunky kids, and they were totally worth the wait.

God likes watching things grow.

The metaphor of God as Gardener plays out through Scripture as He tends His people with care, skill, and intention.

When Jesus began His ministry on earth, He took this idea to whole new level, revealing that He himself is the Vine. He invites us to the sacred ground of abiding, calling us to flourish in the abundant life He offers.

In these beautiful reflections based on Beth Moore's bestselling book *Chasing Vines*, Beth invites you to explore the fruitful life through the language of the garden--and through the words of the Master Gardener Himself.

It's amazing how heavy the weight of emptiness can feel, how much room it can take up in our souls, how much pain can be caused by something that isn't even there. But while we may see the emptiness of our lives as our greatest problem, that's not how God sees it.

Title: Pawverbs for a Dog Lover's Heart
 Author: Jennifer Bleakley
 Price: £13.50*
 Product Code: 9781496447272
 Format: Paperback
 Genre: Devotional
 Distribution: UK & Europe

Your dog doesn't ask you to be anyone other than yourself. When you're with your dog, you don't have to worry about what you say or what you look like; all your canine friend wants is you (and food, and belly rubs, and treats).

But dogs are even more than our best friends--they can be our wise teachers, sharing lessons that stay in our hearts forever. Every day, they show us the value of listening and loyalty; what it means to trust and obey; and the importance of just sitting with someone and being a friend. God has given us animals, ultimately, to point us to Himself--to the One who is always there and who loves unconditionally.

Pawverbs for a Dog Lover's Heart is a collection of stories with beautiful photographs, each featuring a real-life animal and sharing a principle from the book of Proverbs. You'll not only find inspiring and heartwarming tales, but spiritual truths to touch your heart and remind you of God's unfailing love, wisdom, and grace.

 Ian Cameron, a Boston cabinetmaker turned frontier trapper, has come to Mountain Laurel hoping to remake himself yet again--into his planter uncle's heir. No matter how uneasily the role of slave owner rests upon his shoulders. Then he meets Seona--beautiful, artistic, and enslaved to his kin.

While Heather remains quarantined with other survivors, she works with her FBI colleagues to identify the person behind this attack. The prime suspect? Dr. Chad Lawrence, an expert in his field ... and Heather's husband. The Lawrences' marriage has been on the rocks since Chad announced his career took precedence over his wife and future family and moved out.

Seona has a secret: she's been drawing for years, ever since that day she picked up a broken slate to sketch a portrait. When Ian catches her at it, he offers her opportunity to let her talent flourish, still secretly, in his cabinetmaking shop. Taking a frightening leap of faith, Seona puts her trust in Ian. A trust that leads to a deeper, more complicated bond.

As fascination with Seona turns to love, Ian can no longer be the man others have wished him to be. With more lives than his and Seona's in the balance, the path Ian chooses now will set the course for generations of Camerons to come.

Title: Sorprenda Al Mundo
 Author: Michael Frost
 Price: £6.50*
 Product Code: 9781496447104
 Format: Paperback
 Genre: Children's Books/ Fiction
 Distribution: UK & Europe

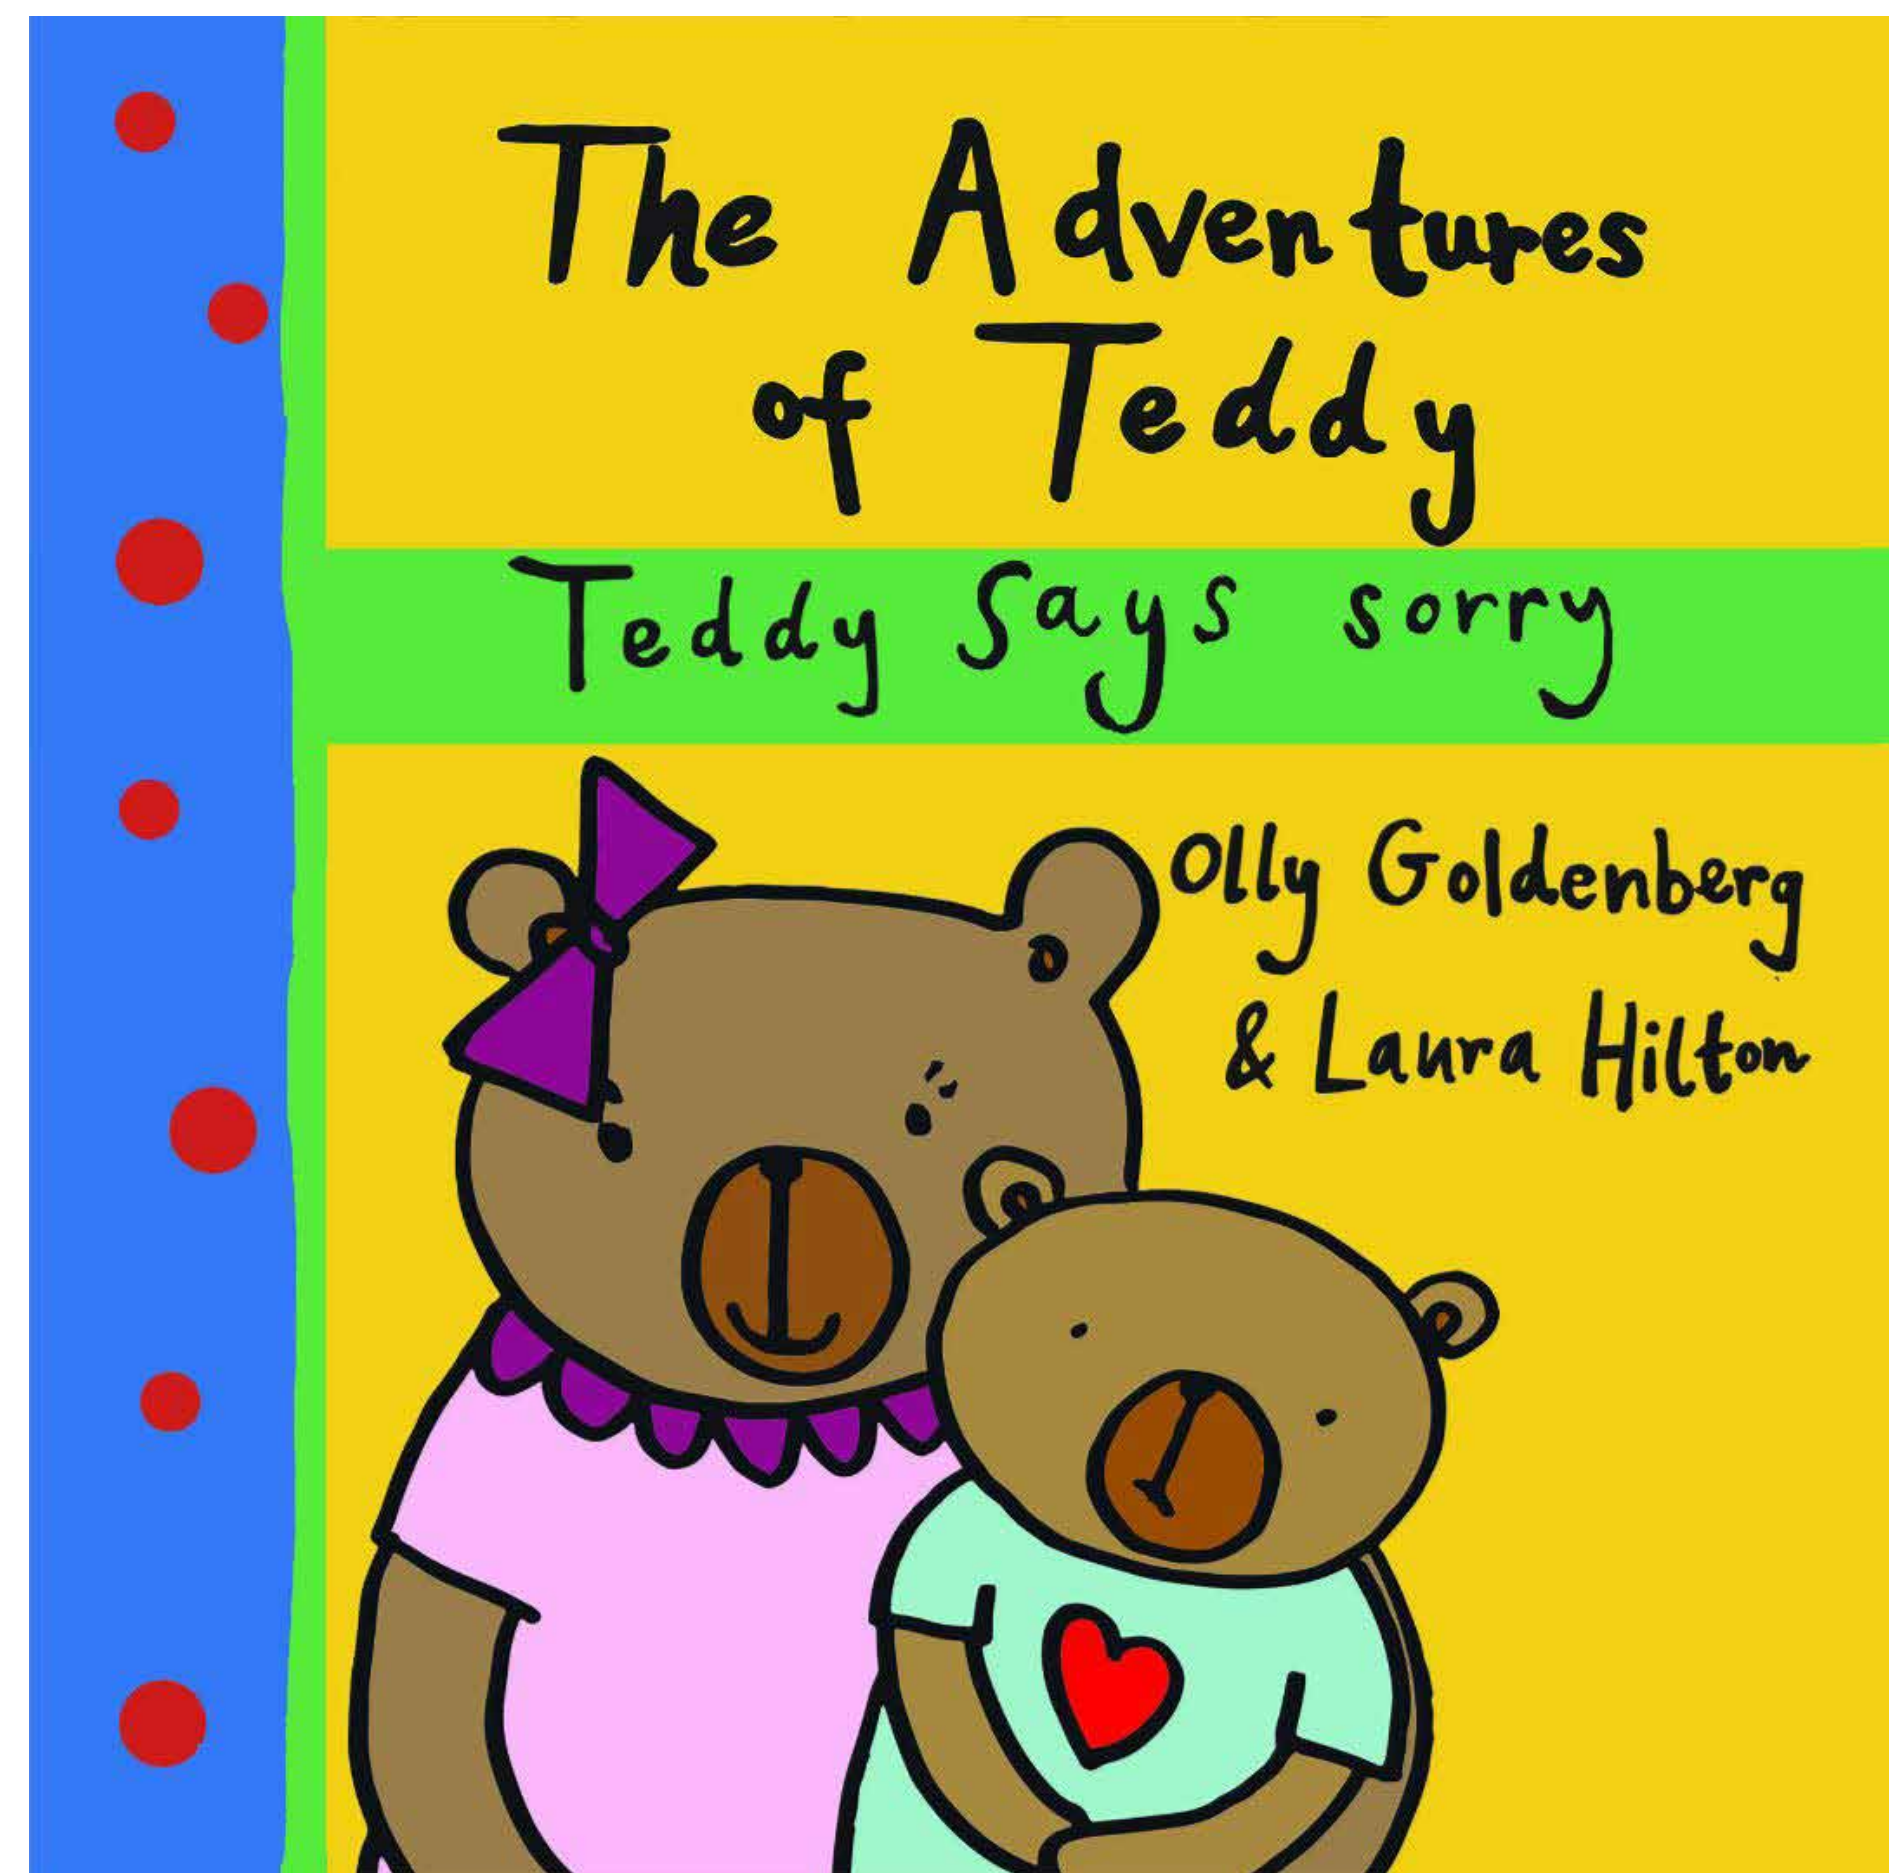

El cristianismo es una religión sorprendente. Ha cambiado al mundo de manera notable a lo largo de la historia simplemente a través de los cristianos que viven su fe. Recientemente hemos llegado a temer a un cristianismo habituado, pensando que las rutinas robarían la vitalidad de nuestra fe. El efecto neto es que hemos reemplazado los hábitos que sorprenden al mundo por hábitos que imitan al mundo, y tanto nosotros como el mundo estamos sufriendo por ello. La integración de los cinco hábitos del modelo ACERO (Animar a otros, Comer juntos, Escuchar al Espíritu, Reflexionar sobre Cristo, y Ofrecernos como enviados por Dios a la vida de los demás) ayudará a difundir el evangelio de manera orgánica, amable y sorprendentemente.

Christianity is a surprising religion. It has changed the world in remarkable ways throughout history simply through Christians living out their faith. More recently, we've become afraid of a habituated Christianity, thinking that routines will rob our faith of its vitality. The net effect is that we've replaced the habits that surprise the world with habits that mimic the world--and both we and the world suffer for it. Integrating the five habits in the BELLS model--Bless others, Eat together, Listen to the Spirit, Learn Christ, and understand yourself as Sent by God into others' lives--will help you spread the gospel organically.

Description

Suffering and evil affect us all, both at a general level, as we look at a world filled with injustice, natural disasters, and poverty, and at a personal level, as we experience grief, pain, and unfairness. And how we think about and process the reality of pain is at the heart of why many people reject God.

Dr. Amy Orr-Ewing is no stranger to pain and gives a heartfelt yet academically rigorous examination of how different belief systems deal with the problem of pain. She explains the unique answer that is found in Christ and how he can give us hope in the reality of suffering.

This empathetic, easy-to-read, and powerful evangelistic book is good for both unbelievers and believers alike. It will help those hoping to answer one of life's biggest questions as well as those who are either suffering personally or comforting others.

About the Author

Dr Amy Orr-Ewing is the Co-Director of The Oxford Centre of Christian Apologetics, and speaks around the world on how the Christian faith answers the deepest questions of life.

Having experienced the sorrow of miscarriage herself, she acknowledges the isolation commonly felt and the impact that such an experience can have on faith. The 31 biblical reflections in this beautiful and comforting book remind grieving women that God sees them, knows them, loves them, and is actively caring for them. These precious verses will show women that God can bring comfort, assurance, protection, and purpose in the very sorrow that they are experiencing.

Includes personal stories of pregnancy loss from others, including Courtney Reissig, Kristie Anyabwile, and Eric Schumacher encouraging sufferers that they are not alone. It is a very helpful book to give to women who are suffering in this way.

We live in a fast-paced world, and our minds are working in overdrive. Mindfulness promises a method of tuning out the voices for a few minutes to live in the moment. Biblical meditation offers something better: an opportunity to be transformed by God's voice of truth.

Psalm 1 says that the person who delights in God's word and meditates on it day and night is like a "tree planted by streams of water". Linda Allcock gives us a framework to help us slow down and dwell deeply on God's word so that it clears our minds and fills our hearts, making a real difference to the way we live.

This book will help Christians who feel overwhelmed by their thought life, as well as those who want to go deeper in their devotional life.

Full of down-to-earth anecdotes and practical advice, this warm and accessible book is designed to help make biblical meditation part of your everyday life.

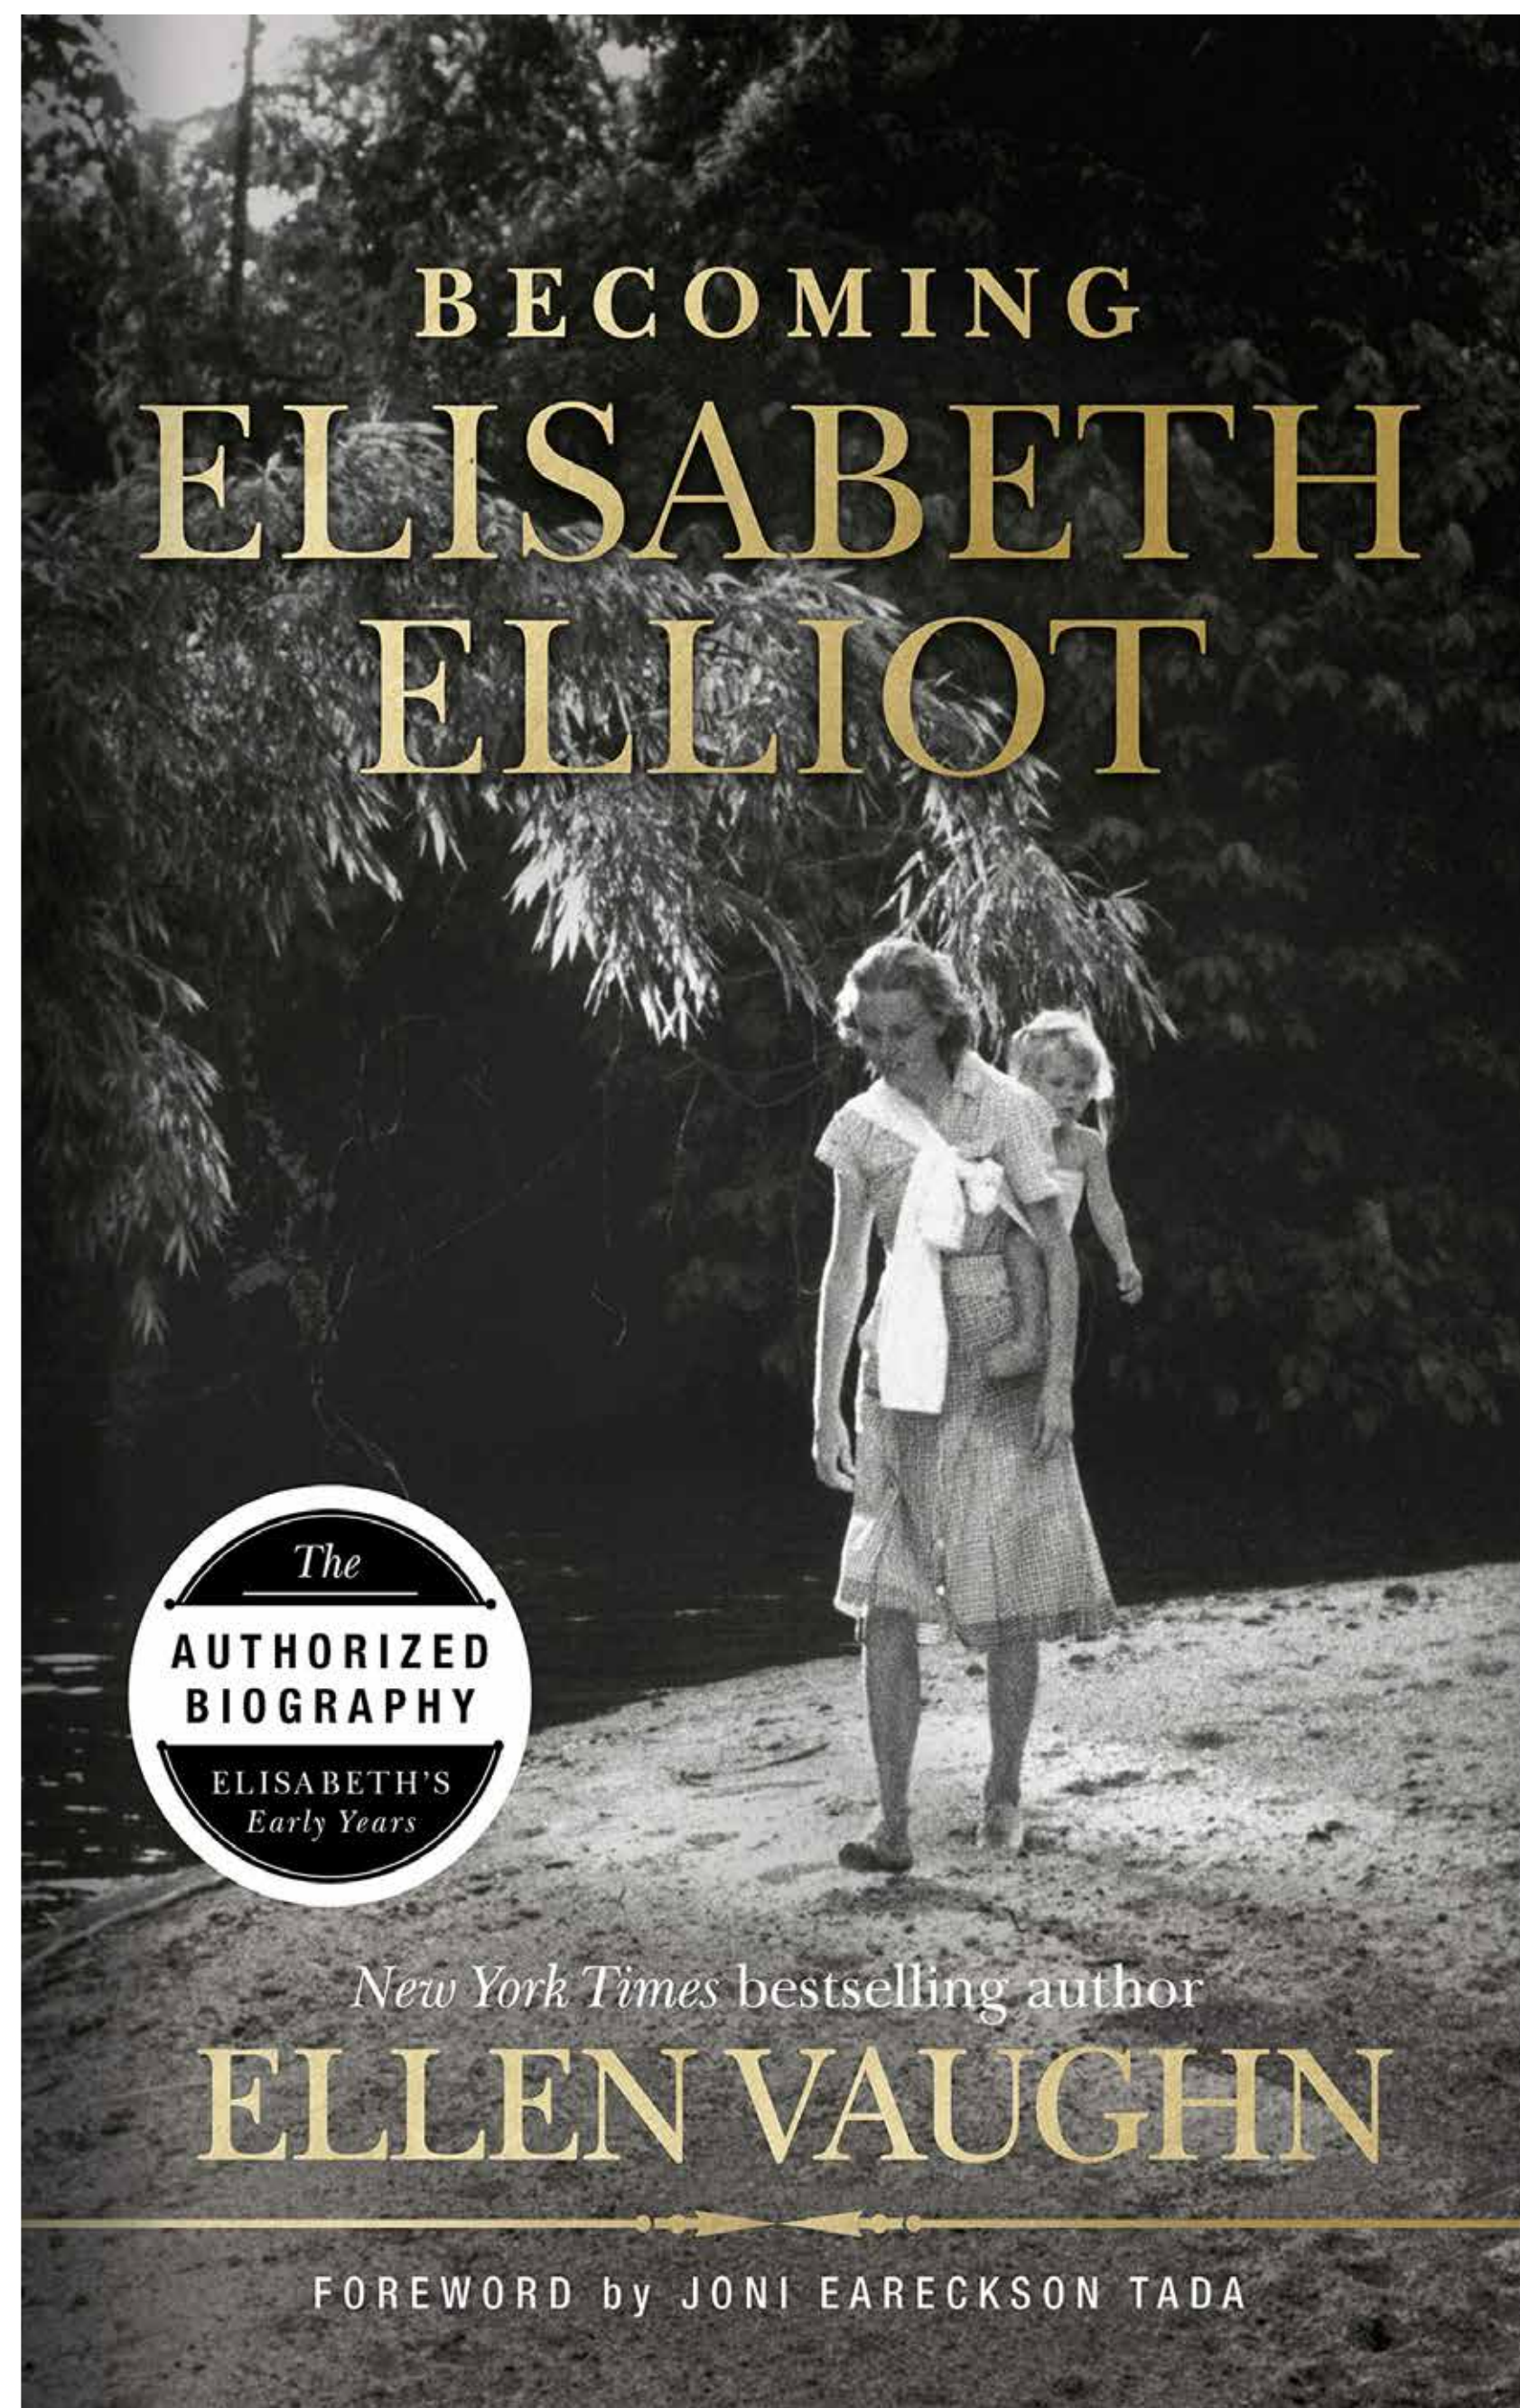

Title: Stop Taking Sides
 Author: Adam Mabry
 Price: £7.99*
 Product Code: 9781784984465
 Format: Paperback
 Genre: Contemporary Social Issues
 Distribution: UK & Europe

Love and wrath. Sovereignty and responsibility. Victory and suffering. Some of the truths we read in the Bible seem to be in opposition to each other. We naturally tend to gravitate towards a side, but when we lose sight of one truth in order to protect the other, we are in danger of becoming proud, creating division, and diminishing our faith.

In this compelling, inspiring, and at times provocative book, Adam Mabry urges us to stop taking sides and refuse to participate in tribalism by mapping out a way to hold in tension truths that we so often divide over.

You'll discover how our joy and our witness rest on us learning to hold to all that the Scriptures teach and growing in virtue as we do. You'll learn how to wrestle with all that the Scriptures say, to embrace mystery, to listen closely, and to speak with clarity.

Description

Elisabeth Elliot was a young missionary in Ecuador when members of a violent Amazonian tribe savagely speared her husband Jim and his four colleagues. Incredibly, prayerfully, Elisabeth took her toddler daughter, snakebite kit, Bible, and journal . . . and lived in the jungle with the Stone-Age people who killed her husband. Compelled by her friendship and forgiveness, many came to faith in Jesus.

This courageous, no-nonsense Christian went on to write dozens of books, host a long-running radio show, and speak at conferences all over the world. She was a pillar of coherent, committed faith; a beloved and sometimes controversial icon.

In this authorized biography, 'Becoming Elisabeth Elliot', bestselling author Ellen Vaughn uses Elisabeth's private, unpublished journals, and candid interviews with her family and friends, to paint the adventures and misadventures God used to shape one of the most influential women in modern church history. It's the story of a hilarious, sensual, brilliant, witty, self-deprecating, sensitive, radical, and surprisingly relatable person utterly submitted to doing God's will, no matter how high the cost. For Elisabeth, the central question was not, "How does this make me feel?" but, simply, "is this true?" If so, then the next question was, "what do I need to do about it to obey God?"

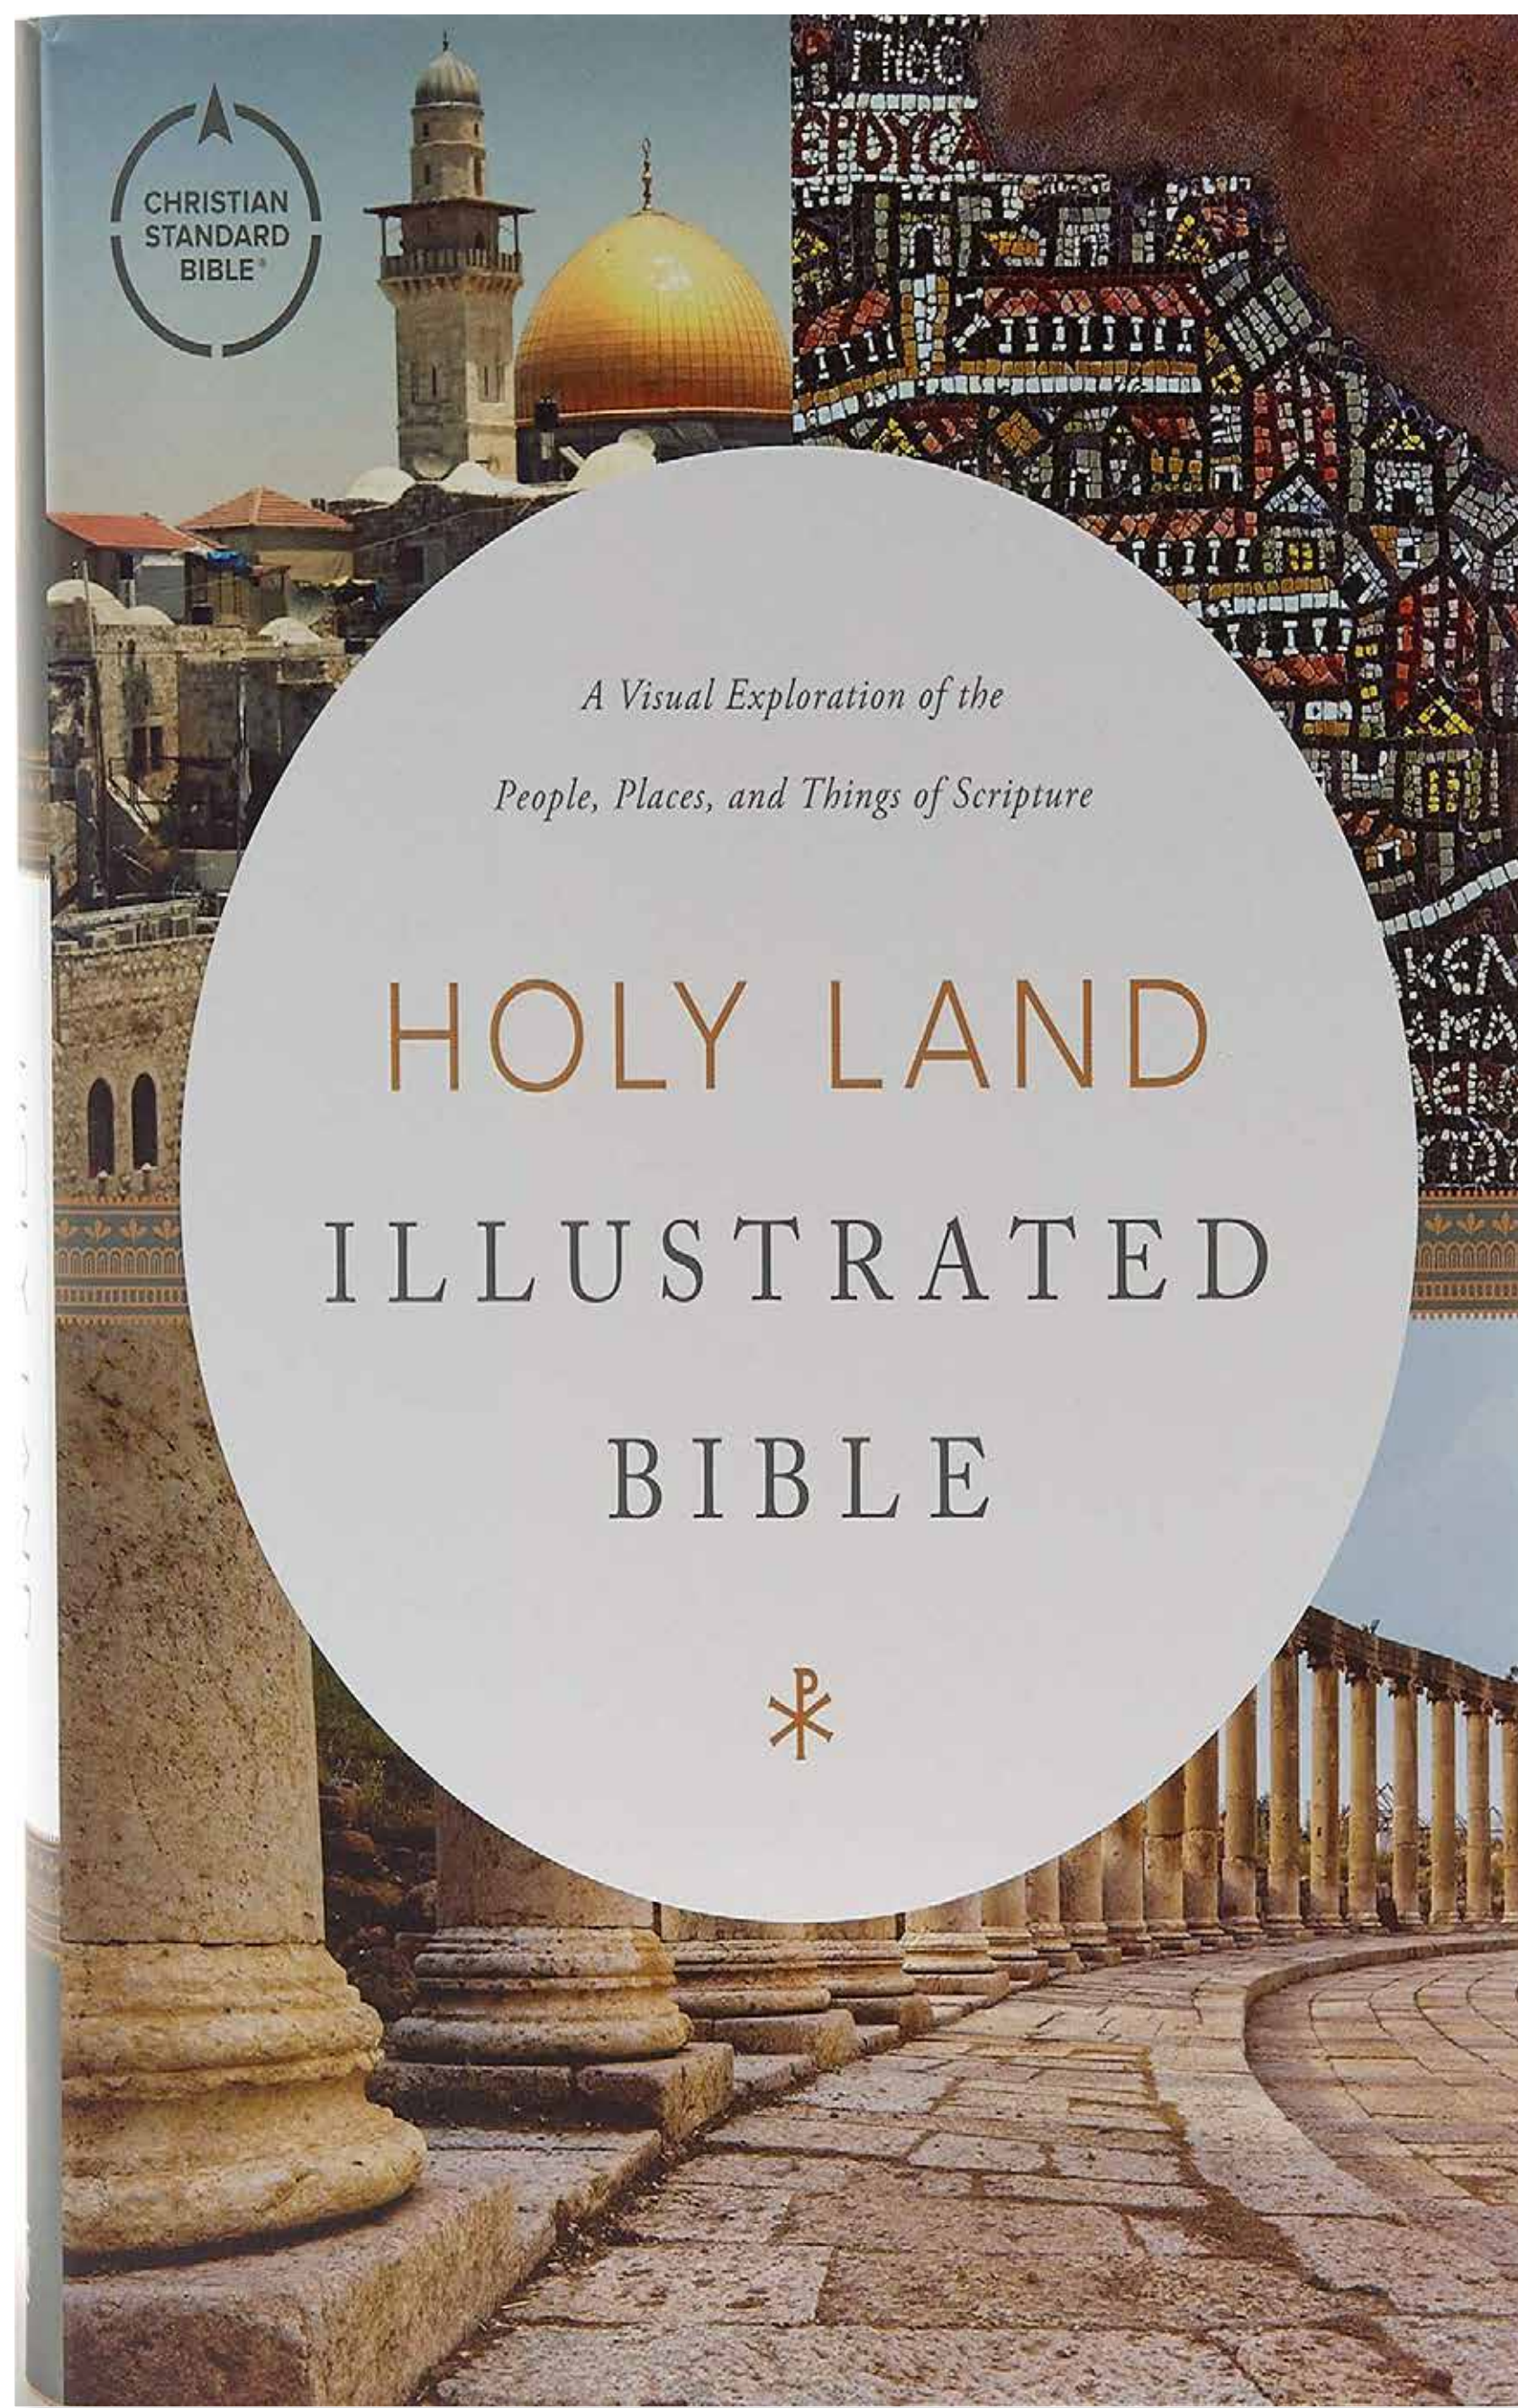

About the Authors

Ellen Vaughn is a New York Times bestselling author and speaker who has written or co-written 23 books.

Former vice president of executive communications at Prison Fellowship, she collaborated with the late Chuck Colson on a number of his seminal works. She speaks at conferences, often travels to interview Christ-followers in hostile parts of the world, and serves on the board of directors for ICM, the global church developer.

With degrees from Georgetown University and the University of Richmond, Ellen lives in northern Virginia with husband Lee, a regional pastor for McLean Bible Church, a daughter and two grandchildren, and one clueless dog. She enjoys reading, hiking, drinking coffee, and staring pensively at the ocean.

Cultural intelligence requires that we understand the changing world around us, and engage these changes in ways that edify the church and winsomely seek after the lost.

In *Cultural Intelligence*, Darrell L. Bock builds a theology of cultural engagement, and equips readers to relate well to their culture with an eye on the example set by Paul in the New Testament.

This timely book will highlight the need to center our beliefs and practices around God's word while interacting well with a culture that is increasingly detached from biblical truth.

Title: Deep Discipleship
 Author: J. T. English
 Price: £18.50*
 Product Code: 9781535993524
 Format: Hard Cover
 Genre: Discipleship
 Distribution: UK & Europe

Everyone is being discipled. The question is: what is discipling us?

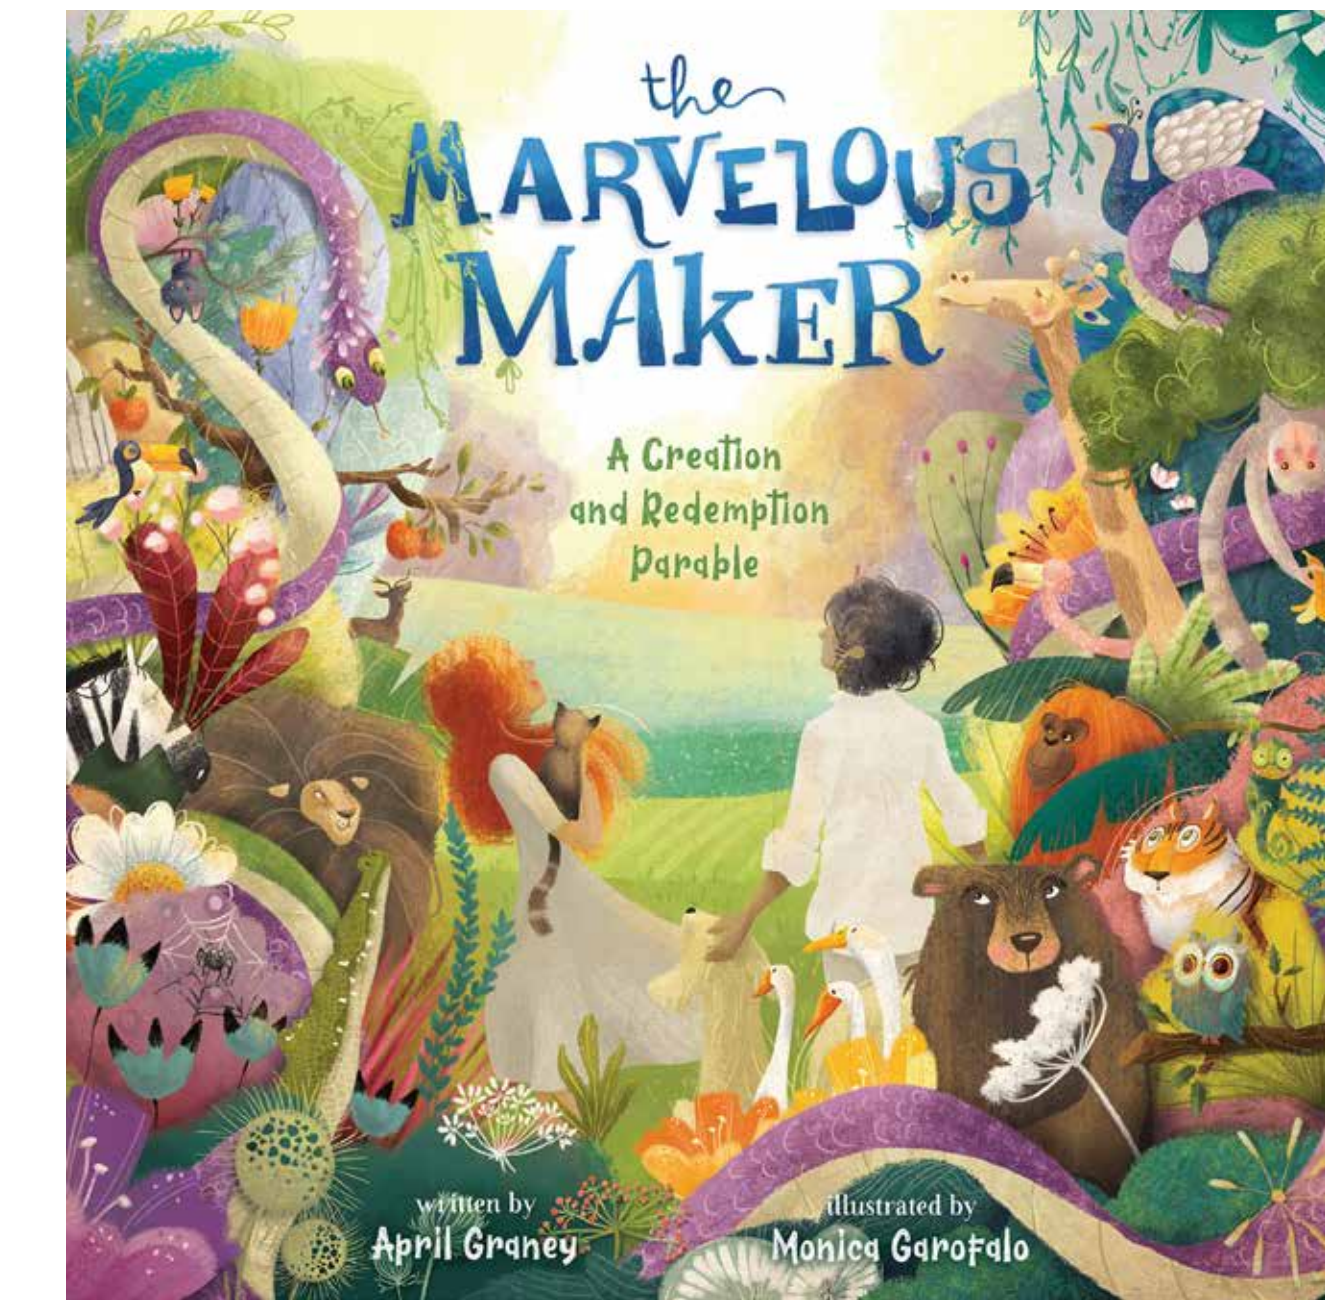

The majority of Christians today are being discipled by popular media, flashy events, and folk theology because churches have neglected their responsibility to make disciples. But the church is not a secondary platform in the mission of God; it is the primary platform God uses to grow people into the image of Jesus.

Therefore, as church leaders, it is our primary responsibility to establish environments and relationships where people can be trained, grow, and be sent as disciples.

There are three indispensable elements of discipleship:

- Learning to participate in the biblical story (the Bible)
- Growing in our confession of who God is and who we are (theology)
- Regularly participating in private and corporate intentional action (spiritual disciplines)

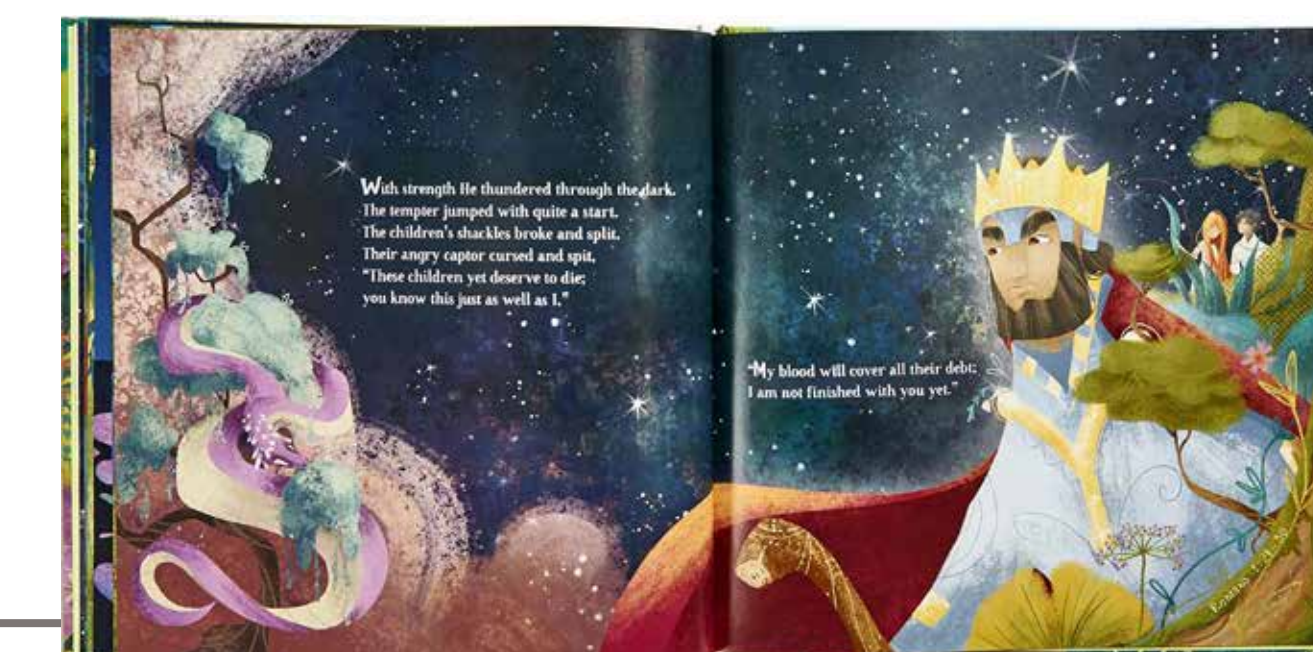

Deep Discipleship equips churches to reclaim the responsibility of discipling people at any point on their journey.

Description

Any mum who has tried to create a godly home for her family knows it doesn't happen automatically. Through books, blogs, and Instagram accounts, culture asserts that good mums must follow certain standards and abide by certain rules if she want what's best for her children. She must do everything she can--and she must do it all just right.

Following the suggested steps and recommended rules may seem best, but what if we're missing the point?

This is something Maggie Combs came to realize while seeking to be a good mum to her three sons. Though the world around us may have critical expectations and rules for mothering, Christ instead calls mums to an intimate, abiding relationship with a triune God. In 'Motherhood Without All the Rules', Maggie identifies the main "rules" mums today often feel pressured to follow and counters them with gospel truth.

You'll discover how the character of each member of the trinity practically impacts your role as a mum. Join Maggie in forgetting the rules, so that instead of being a good mum, you grow to become a holy mum.

About the Author

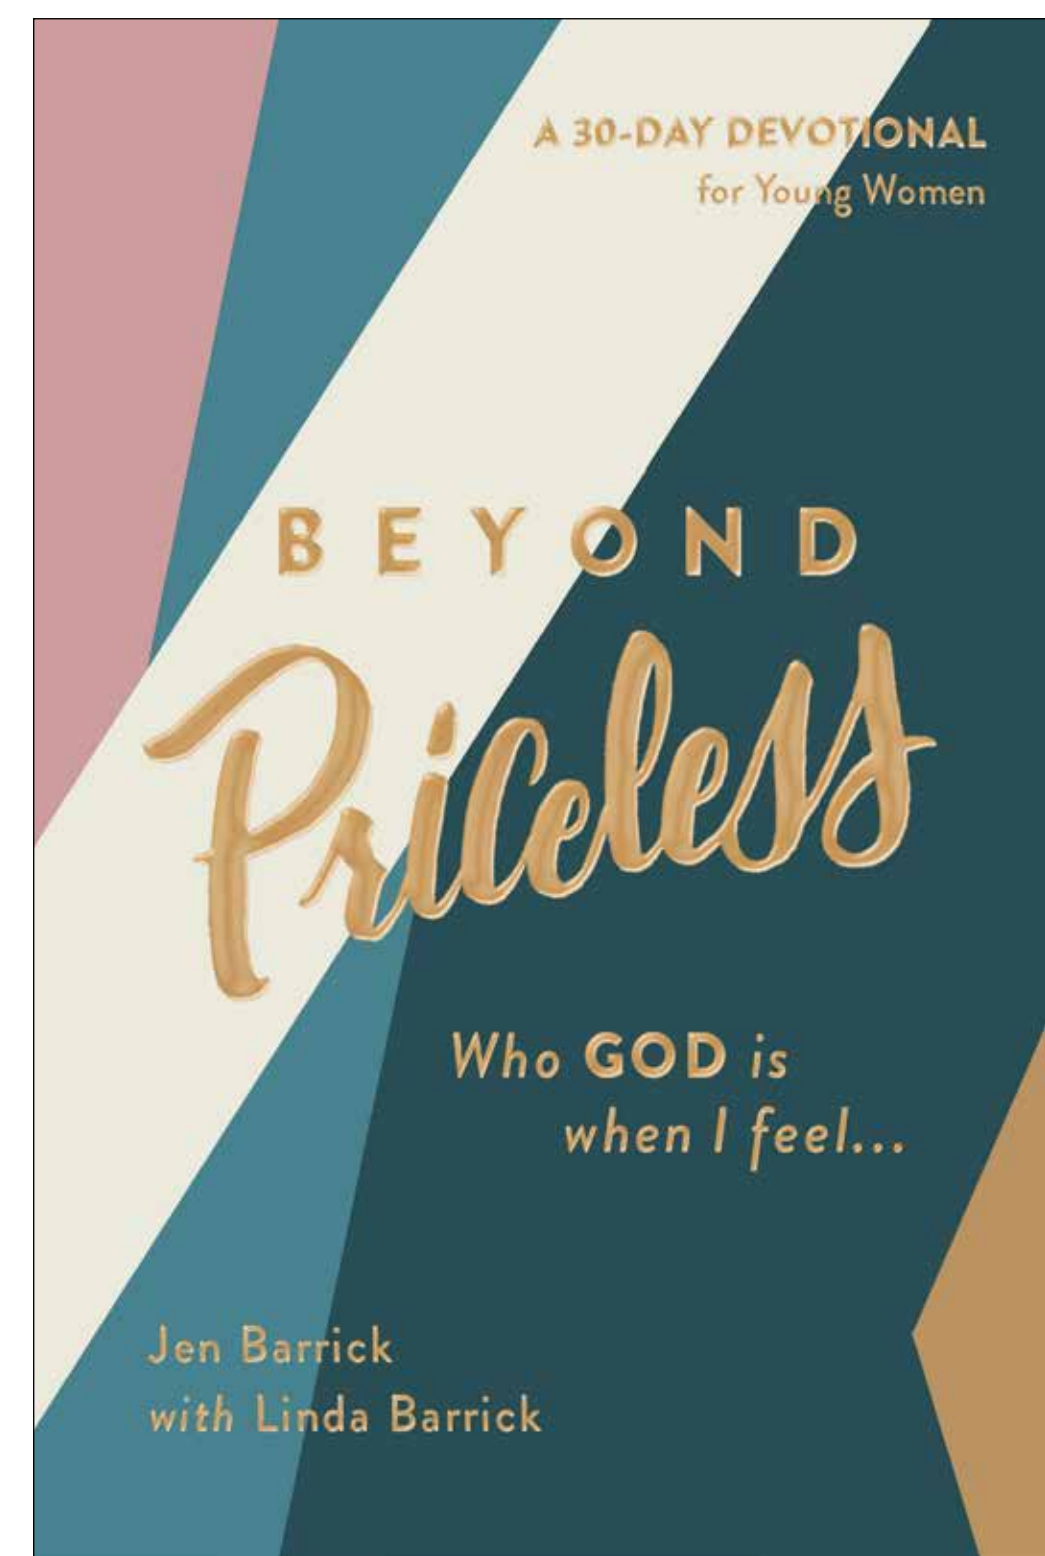

MAGGIE COMBS is a wife, mum of three busy boys, writer, and speaker. When motherhood overwhelmed her, God drew her closer to Himself through the writing of her first book, 'Unsupermommy: Release Expectations, Embrace Imperfection, and Connect to God's Superpower'.

You may have seen her before at The Gospel Coalition, Risen Motherhood, Revive Our Hearts True Woman Blog, The Journeywomen Podcast, and more.

Title: Dangerous Virtues
 Author: John Koessler
 Price: £11.99*
 Product Code: 9780802419644
 Format: Paperback
 Genre: Spiritual Growth
 Distribution: UK & Europe

When sin is disguised as virtue, the path to cultivating righteousness becomes impossible. Such is the challenge Christians face in the modern age. Not long ago, most people would agree that the seven deadly sins are in fact deadly. But ask them today, and you'll hear a different answer. Today, "anger" is often considered an admirable emotion, "lust" the only expression of love, and "greed" the unassailable right to "get what's yours." The world can rebrand sin all it wants and declare the death of truth, but it has no power against the truth of the Scripture. What God calls sin is sin--no matter what the world says. And sin always has the same destination--death and destruction.

Dangerous Virtues examines how to recognize these seven deadly sins as they are subtly disguised in today's culture. Dr. John Koessler provides a theology of sin and why the Christian must develop a prayerful heart and discerning eye to identify where sin exists in a world where good is called evil and evil called good.

Title: Scripture and the Skeptic
 Author: Eric Huffman
 Price: £13.50*
 Product Code: 9781791004217
 Format: Paperback
 Genre: Bible Study
 Distribution: UK & Europe

The Bible is the best-selling, most widely read, and most quoted book in history. It is also misunderstood, misquoted, and fiercely debated. If, as Christians believe, the Bible is the Word of God, why is it so complex and difficult to interpret in parts, yet simple enough for even children to understand in others?

In *Scripture and the Skeptic* Eric Huffman, author of *40 Days of Doubt*, helps readers understand and cope with confusion about the Bible and provides answers to questions by reframing it as a perfect and seamless story. Huffman illustrates how the Bible, even the parts some consider ungodly, presents the beautiful story that God intended to tell.

Through storytelling from his own experiences and his take on Bible stories, Huffman helps readers understand the Bible by interpreting the entire book through the lens of Jesus's life, death, and resurrection.

He shows how every part of the Bible is either crying out for Jesus, witnessing his incarnation, or responding in the aftermath of his resurrection.

 Genre: Bible Study

Few things make us feel as helpless as living with a story we don't like. Maybe one that involves the loss of a loved one, an unwanted transition, a difficult diagnosis, or a dream that fell through. At one time or another, we all deal with disappointments and feelings that life is unfair or that we are being punished.

In *Renewed*, a four-week study of the Book of Ruth, women glean wisdom from Naomi's perspective, a woman who lived a story she didn't choose or like. Forced to chart a new path as she mourned the loss of her husband and two sons, Naomi learned that the journey from bitterness to renewed hope and joy was rooted in God's promise of redemption.

With insight from her own journey of living with a story that is not easy, Heather teaches women to flourish even as they live hard stories through a willingness to trust that God can transform them and trade their heartache for hope. They will learn to rely on God's movement in the details of their story, even when it can't be seen, gain confidence to act in the part of their stories that they can change, and watch expectantly for God to redeem the parts they can't.

 Format: Paperback
 Genre: Church Growth & Revival
 Distribution: UK & Europe

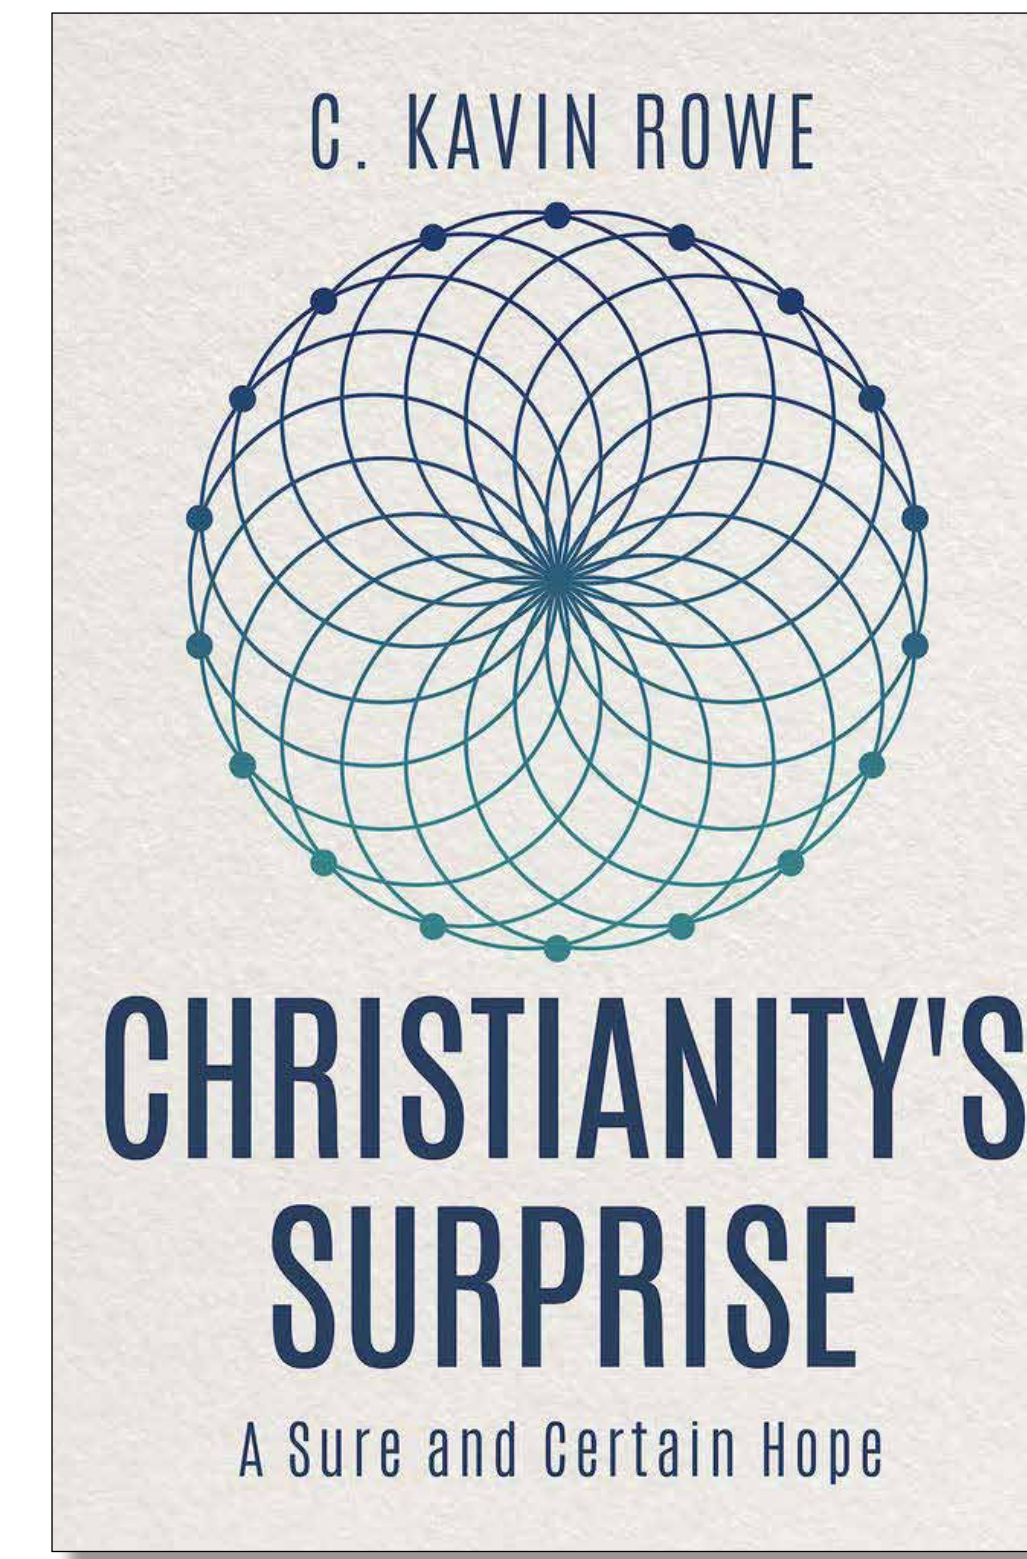

People have lost faith in all collective institutions: government, corporations, the media, and the church. We are in the midst of a spiritual disaster, a flood of biblical proportions, and house churches provide lifeboats for people who are seeking a more authentic, life-giving form of Christian community.

Many people remember that the early church started in homes, but they don't understand that house churches are still a legitimate and viable model today.

House churches can create the intimacy so many people are hungry for. They can nurture life-changing discipleship for individuals and create justice-centred communities.

This book provides an alternative model for denominations and established churches to consider.

It will help pastors reconnect with the traditions of community organizing, itinerant preaching, and discipleship training that sparked Methodism and other church movements in the United States. Church Comes Home offers alternative ways to look at some of the problems facing our church and our culture.

Title: Christianity's Surprise
 Author: C. Kavin Rowe
 Price: £15.99*
 Product Code: 9781791008208
 Format: Paperback
 Genre: Missions
 Distribution: UK & Europe

At its beginning Christianity was surprising, powerful, creative, world-shaking.

Today in the West it is many times familiar, common, and expected, losing its power to surprise and transform. We have developed societal amnesia and ignorance of what Christianity originally was – and what it still can be. We need to recover the surprise of Christianity. We need to ask the same fundamental questions as the early Christians, which will help us rediscover the surprising power of Christianity in our midst.

Focusing on the surprise of the gospel message takes us into the heart of what it is to understand Christianity at all, and thus what it is to remember and relearn the life-giving power and witness that went with being Christian at the beginning. This remembering and relearning can, in turn, surprise us all over again and chart a course for our witness today.

 Format: Paperback
 Genre: Devotional (Advent)

Often our Advent preparations have an inward focus as we prepare for the significance of God breaking into our world through the birth of the Christ child. But in a closer examination of the Advent story, we quickly learn that the focus of the coming of the newborn king is outward.

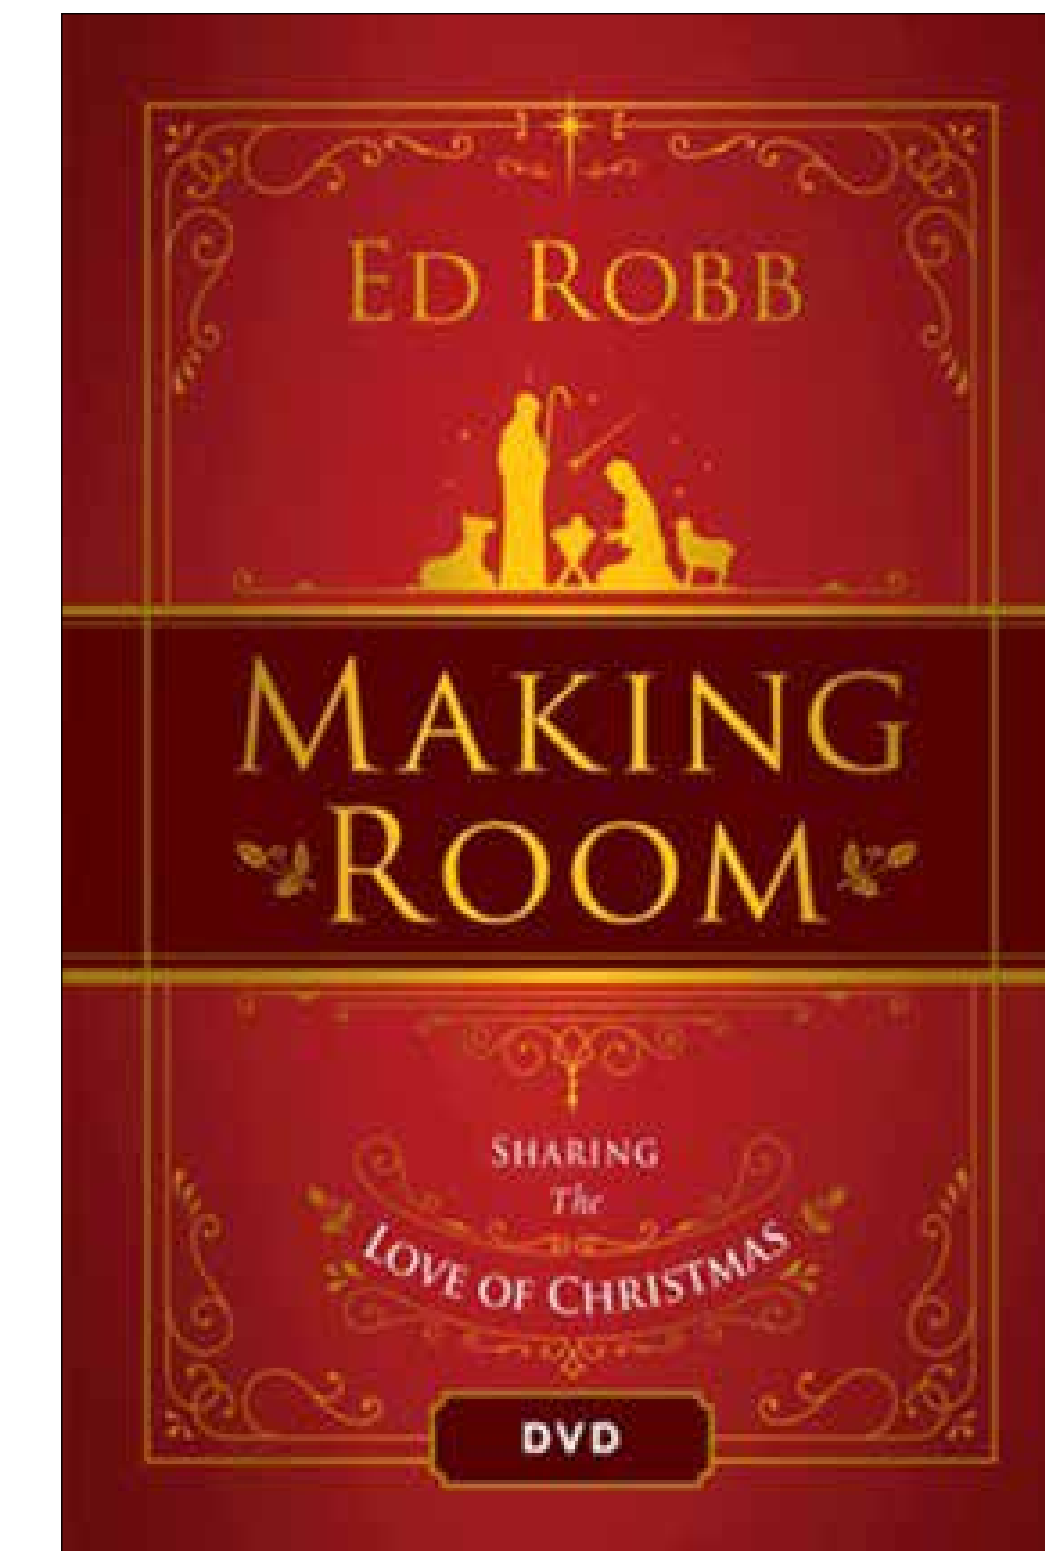

In this book and Advent study, Dr. Ed Robb explores the warmth of welcome at Christmas following interactions with Mary and Joseph, the shepherds, and the magi. Just as Jesus made room in God's kingdom for a host of people that society wanted to leave on the margins, beginning with the appearance of the shepherds, we too should be asking ourselves who we can make room for this Christmas.

Perhaps it is to the people in your community, or the newly immigrated family in town that doesn't speak your language. Or maybe it's the next-door neighbour who just settled in from yet another corporate move? The story of Christ's birth encourages us to widen our borders and increase our sense of community--and make room for others.

Authors from three of the worst-affected countries in Europe have united in this book to reflect on the only comfort we have in life and death – Jesus Christ.

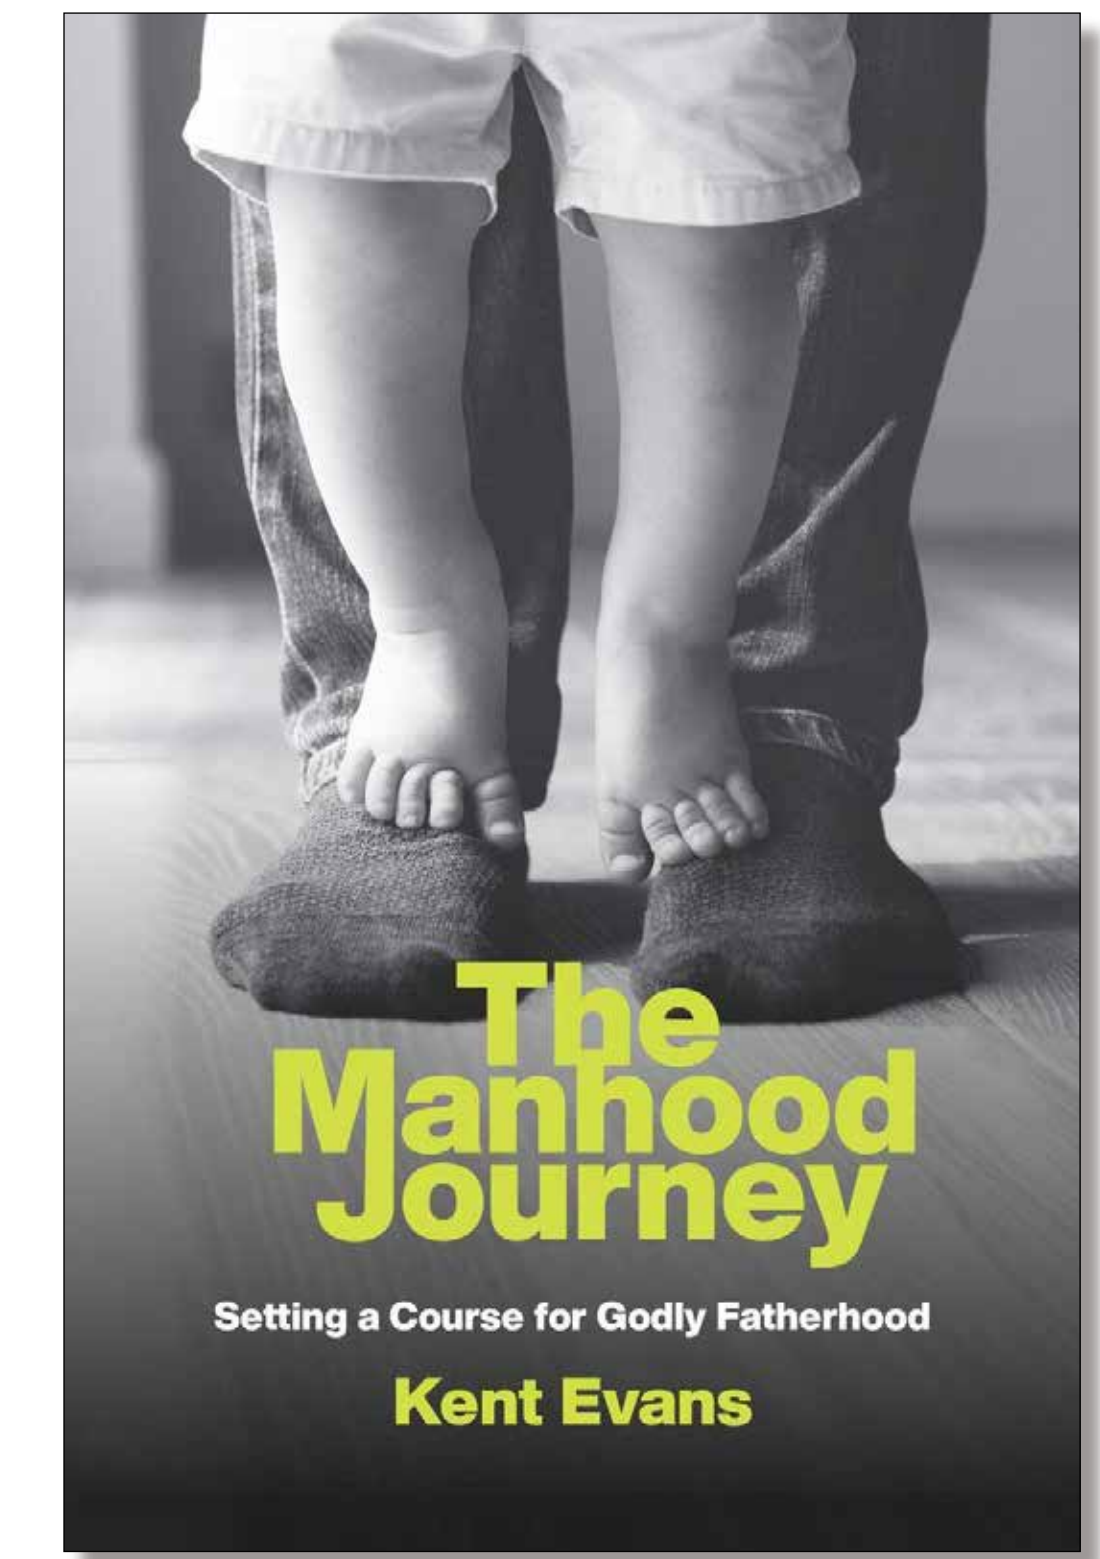

Each taking a different aspect of what this hope looks like, they answer the question, what can we believe and hope for in times like this?

 Product Code: 9781527105553
 Format: Paperback
 Genre: Spiritual Growth
 Distribution: UK & Europe

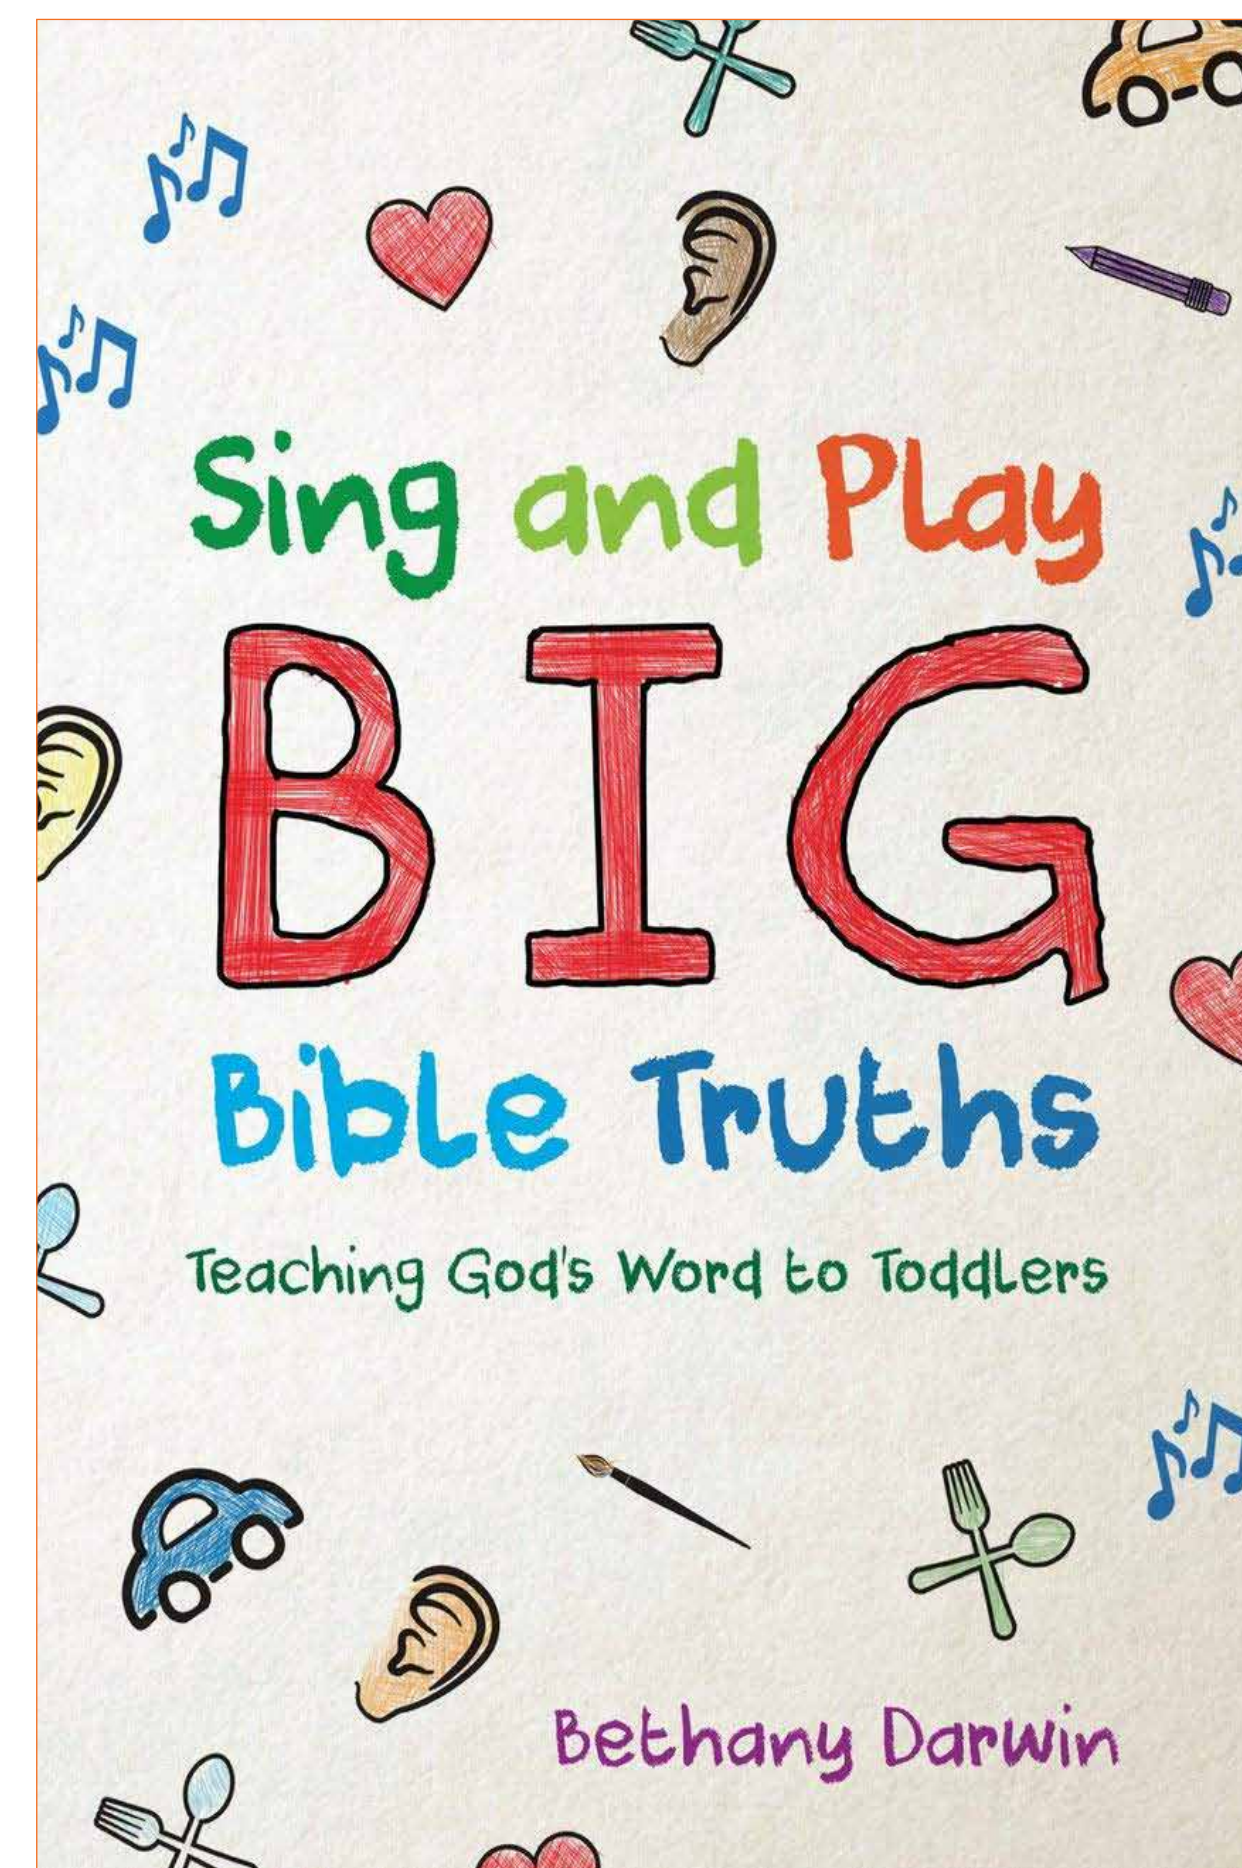

A Christian believes that God's Holy Spirit indwells them, and that through Christ they have a relationship with God.

But for many of us the experience of that relationship varies in intensity, our devotion seemingly affected by the external factors that make up our life.

In this book John D. Hannah examines the nature of the spiritual life, and argues that while our Christian walk is bound to traverse peaks and valleys, there is a lifestyle we can put into practise that allows us to focus on the faithfulness of God's promises.

This does not entail relying on one's own strength but emphasises God's Word, prayer and the church family as blessings through which to cultivate intimacy with God.

Description

Today many of us are figuratively drinking from broken cisterns that hold no water. Rather than finding satisfaction in God, the Fountain of living waters, we seek to satisfy ourselves with the broken cisterns of this world, and we remain discontented.

In 'Broken Cisterns', Sarah Ivill exposes these broken cisterns—addictions to things like social media, physical appearance, shopping, sex, and others. She helps us understand why we are drawn to these things and how dangerous it is to seek contentment in them.

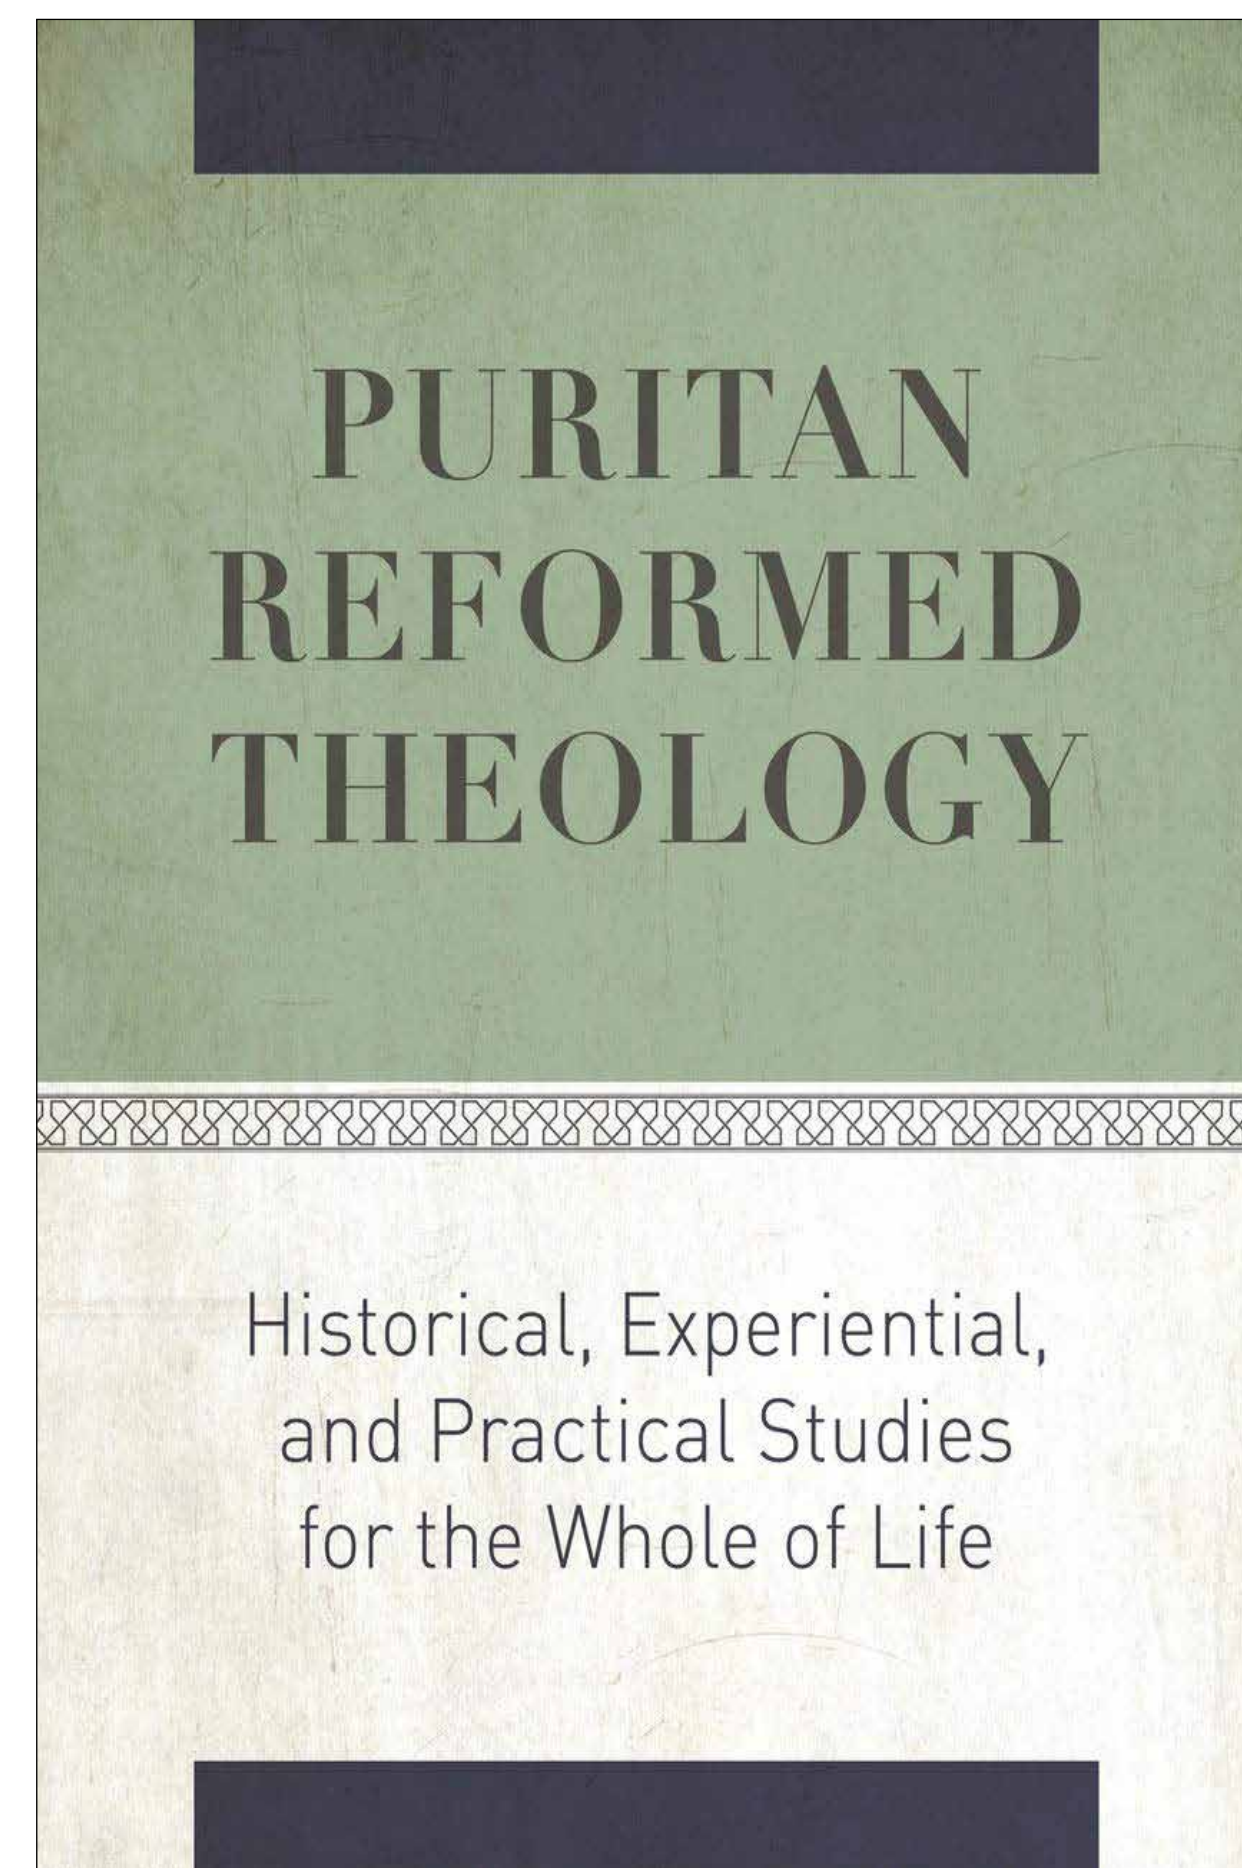

Using Scripture, she also gently and practically leads us to the Fountain of living waters, who will transform our hearts and eternally satisfy our thirst.

About the Authors

Sarah Ivill (ThM, Dallas Theological Seminary) is a Reformed author, wife, stay-at-home mum, Bible study teacher, and conference speaker who lives in Matthews, North Carolina, and is a member of Christ Covenant Church (PCA).

Title: Puritan Reformed Theology
Author: Joel R. Beeke
Price: £35.99*
Product Code: 9781601788115
Format: Hard Cover
Genre: Doctrine & Theology
Distribution: UK & Europe

"Puritan Reformed Theology is a title with a subtle double entendre. It certainly delivers what it promises—theology in the Reformed tradition mediated especially through the life and writings of the Puritans.

But it also celebrates the quarter centenary of the Puritan Reformed Theological Seminary in Grand Rapids, Michigan, by presenting in one volume the wonderful series of essays its founding president, Dr. Joel R. Beeke, has contributed to the seminary journal.

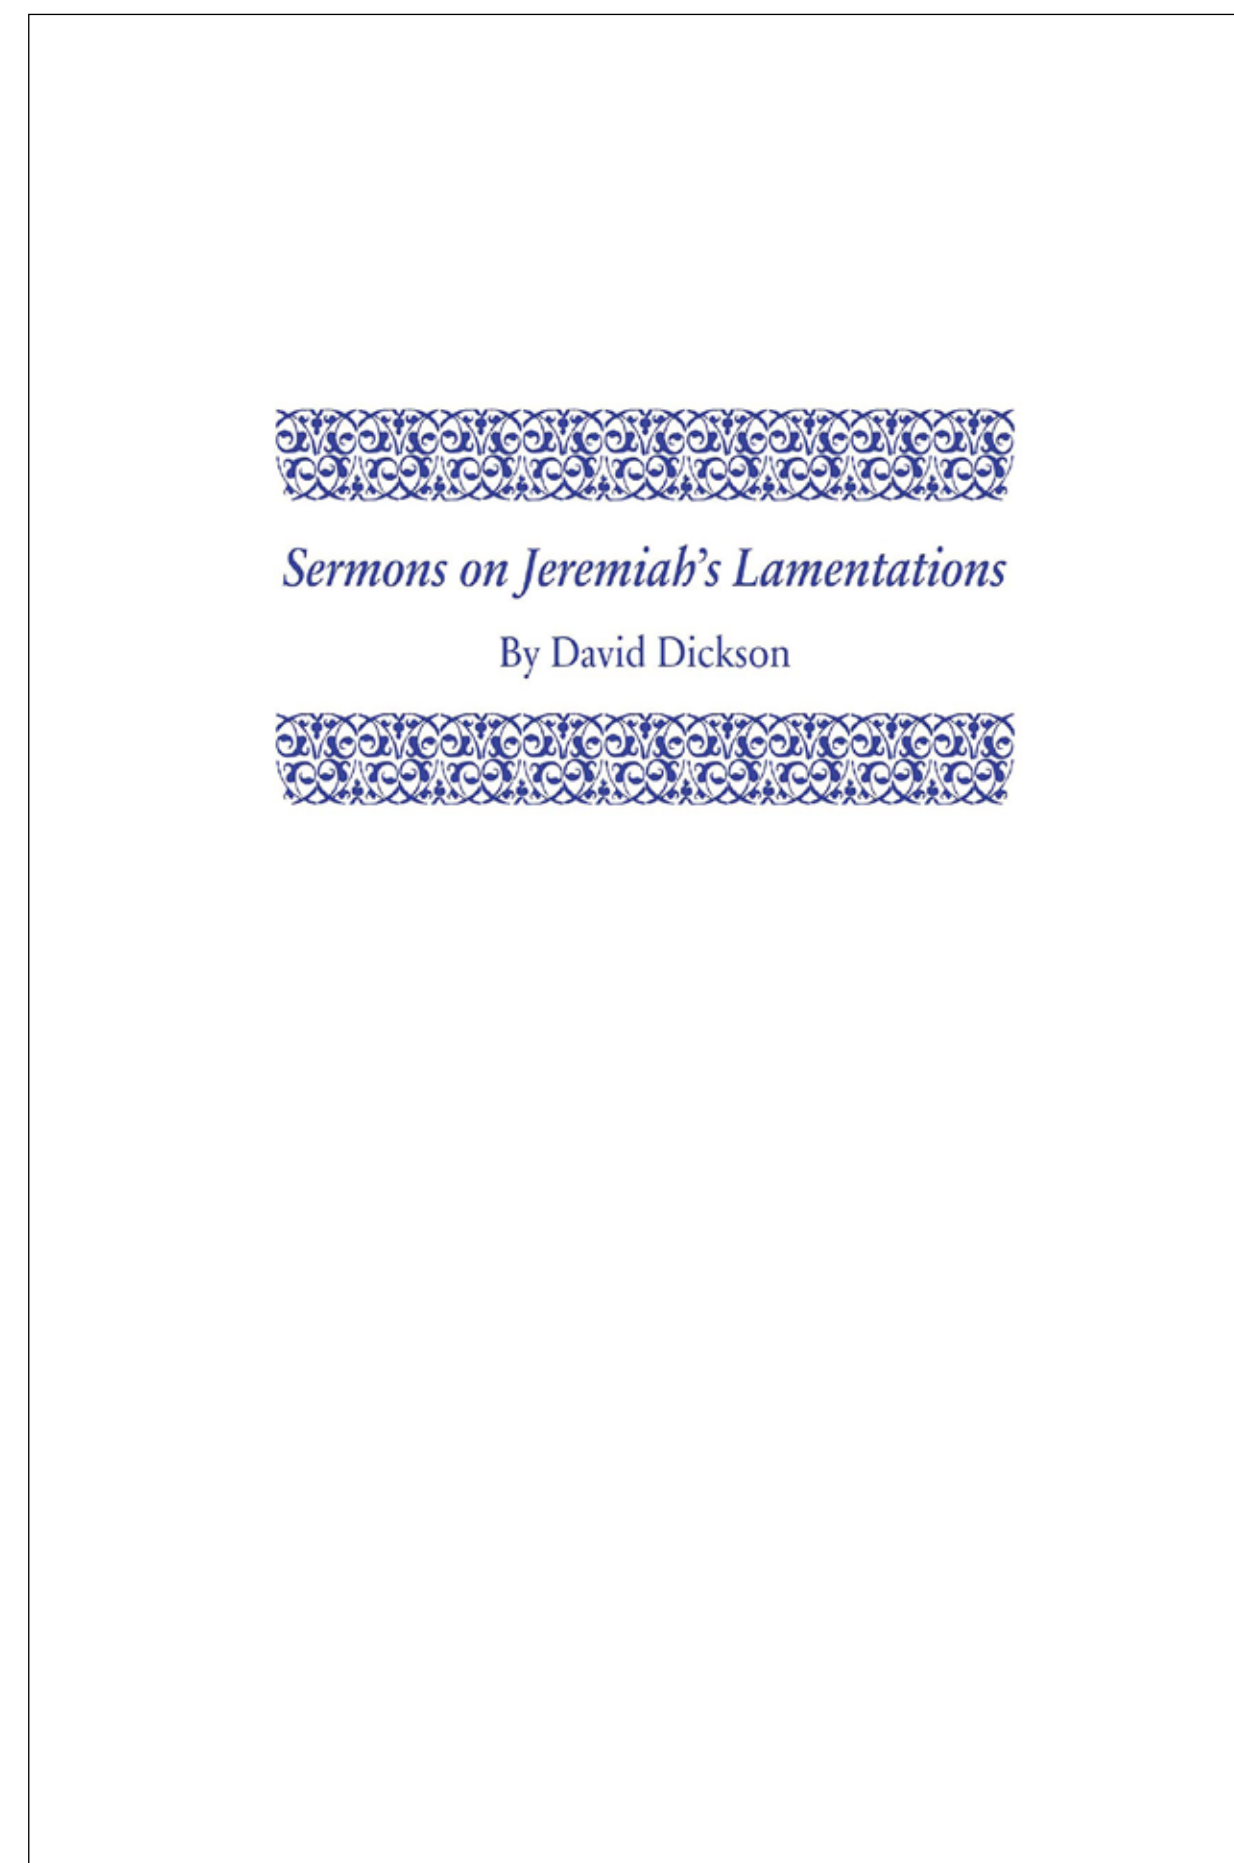

In these pages Professor Beeke handles a wide variety of subjects and turns them, one by one, into theological and pastoral gold. The range is extraordinary and yet focused on the main things. The ease of readability pleases the ordinary reader and yet there are footnotes in scholar-satisfying abundance. The sheer size of the book may seem intimidating, yet like a great cathedral it can be appreciated one stone at a time. Here then is a thesaurus of theological and spiritual riches, a veritable Aladdin's cave of intellectual and spiritual pleasures. I feel sure that readers will find themselves frequently returning to Puritan Reformed Theology to find in it both theological treasure and spiritual pleasure." — Sinclair B. Ferguson, chancellor's professor of systematic theology, Reformed Theological Seminary; teaching fellow, Ligonier Ministries

Title: Christ's Prayer Before His Passion: Expository Sermons on John 17 (2 Volume Set)
Author: Anthony Burgess
Price: £71.99*
Product Code: 9781601787446
Format: Hard Cover
Genre: Preaching and Sermon Resources
Distribution: UK & Europe

In Christ's Prayer before His Passion, a major work consisting of 145 sermons, Anthony Burgess expounds such topics as God the Father and God the Son, the love of God, providence over death, election, the deity of Christ, the Mediator as teacher and priest and king, union with Christ, the knowledge of God, eternal life, justification, sanctification, obedience, separation from the world, faith, prayer, perseverance, worship, Christian unity, gospel ministry, and the glory of heaven. All these truths are discussed by this judicious Puritan divine according to the order of the text in John 17.

Burgess rightly regarded John 17 as a mountaintop of divine revelation, "a pearl in the gold" of the Bible. He asserts that the Lord offers this prayer in the presence of His disciples so that those who hear it (and later, those who read it) might be filled with joy. This prayer is especially significant because Jesus utters it the night before His crucifixion, which is the climax of His earthly work. Burgess thus asks his readers, "If the words of a dying man are much to be regarded, how much more of a dying Christ?" In this light, Anthony Burgess expounds John 17 as the prayer of Christ, both as our Mediator—if we are believers—and as the model of a godly man.

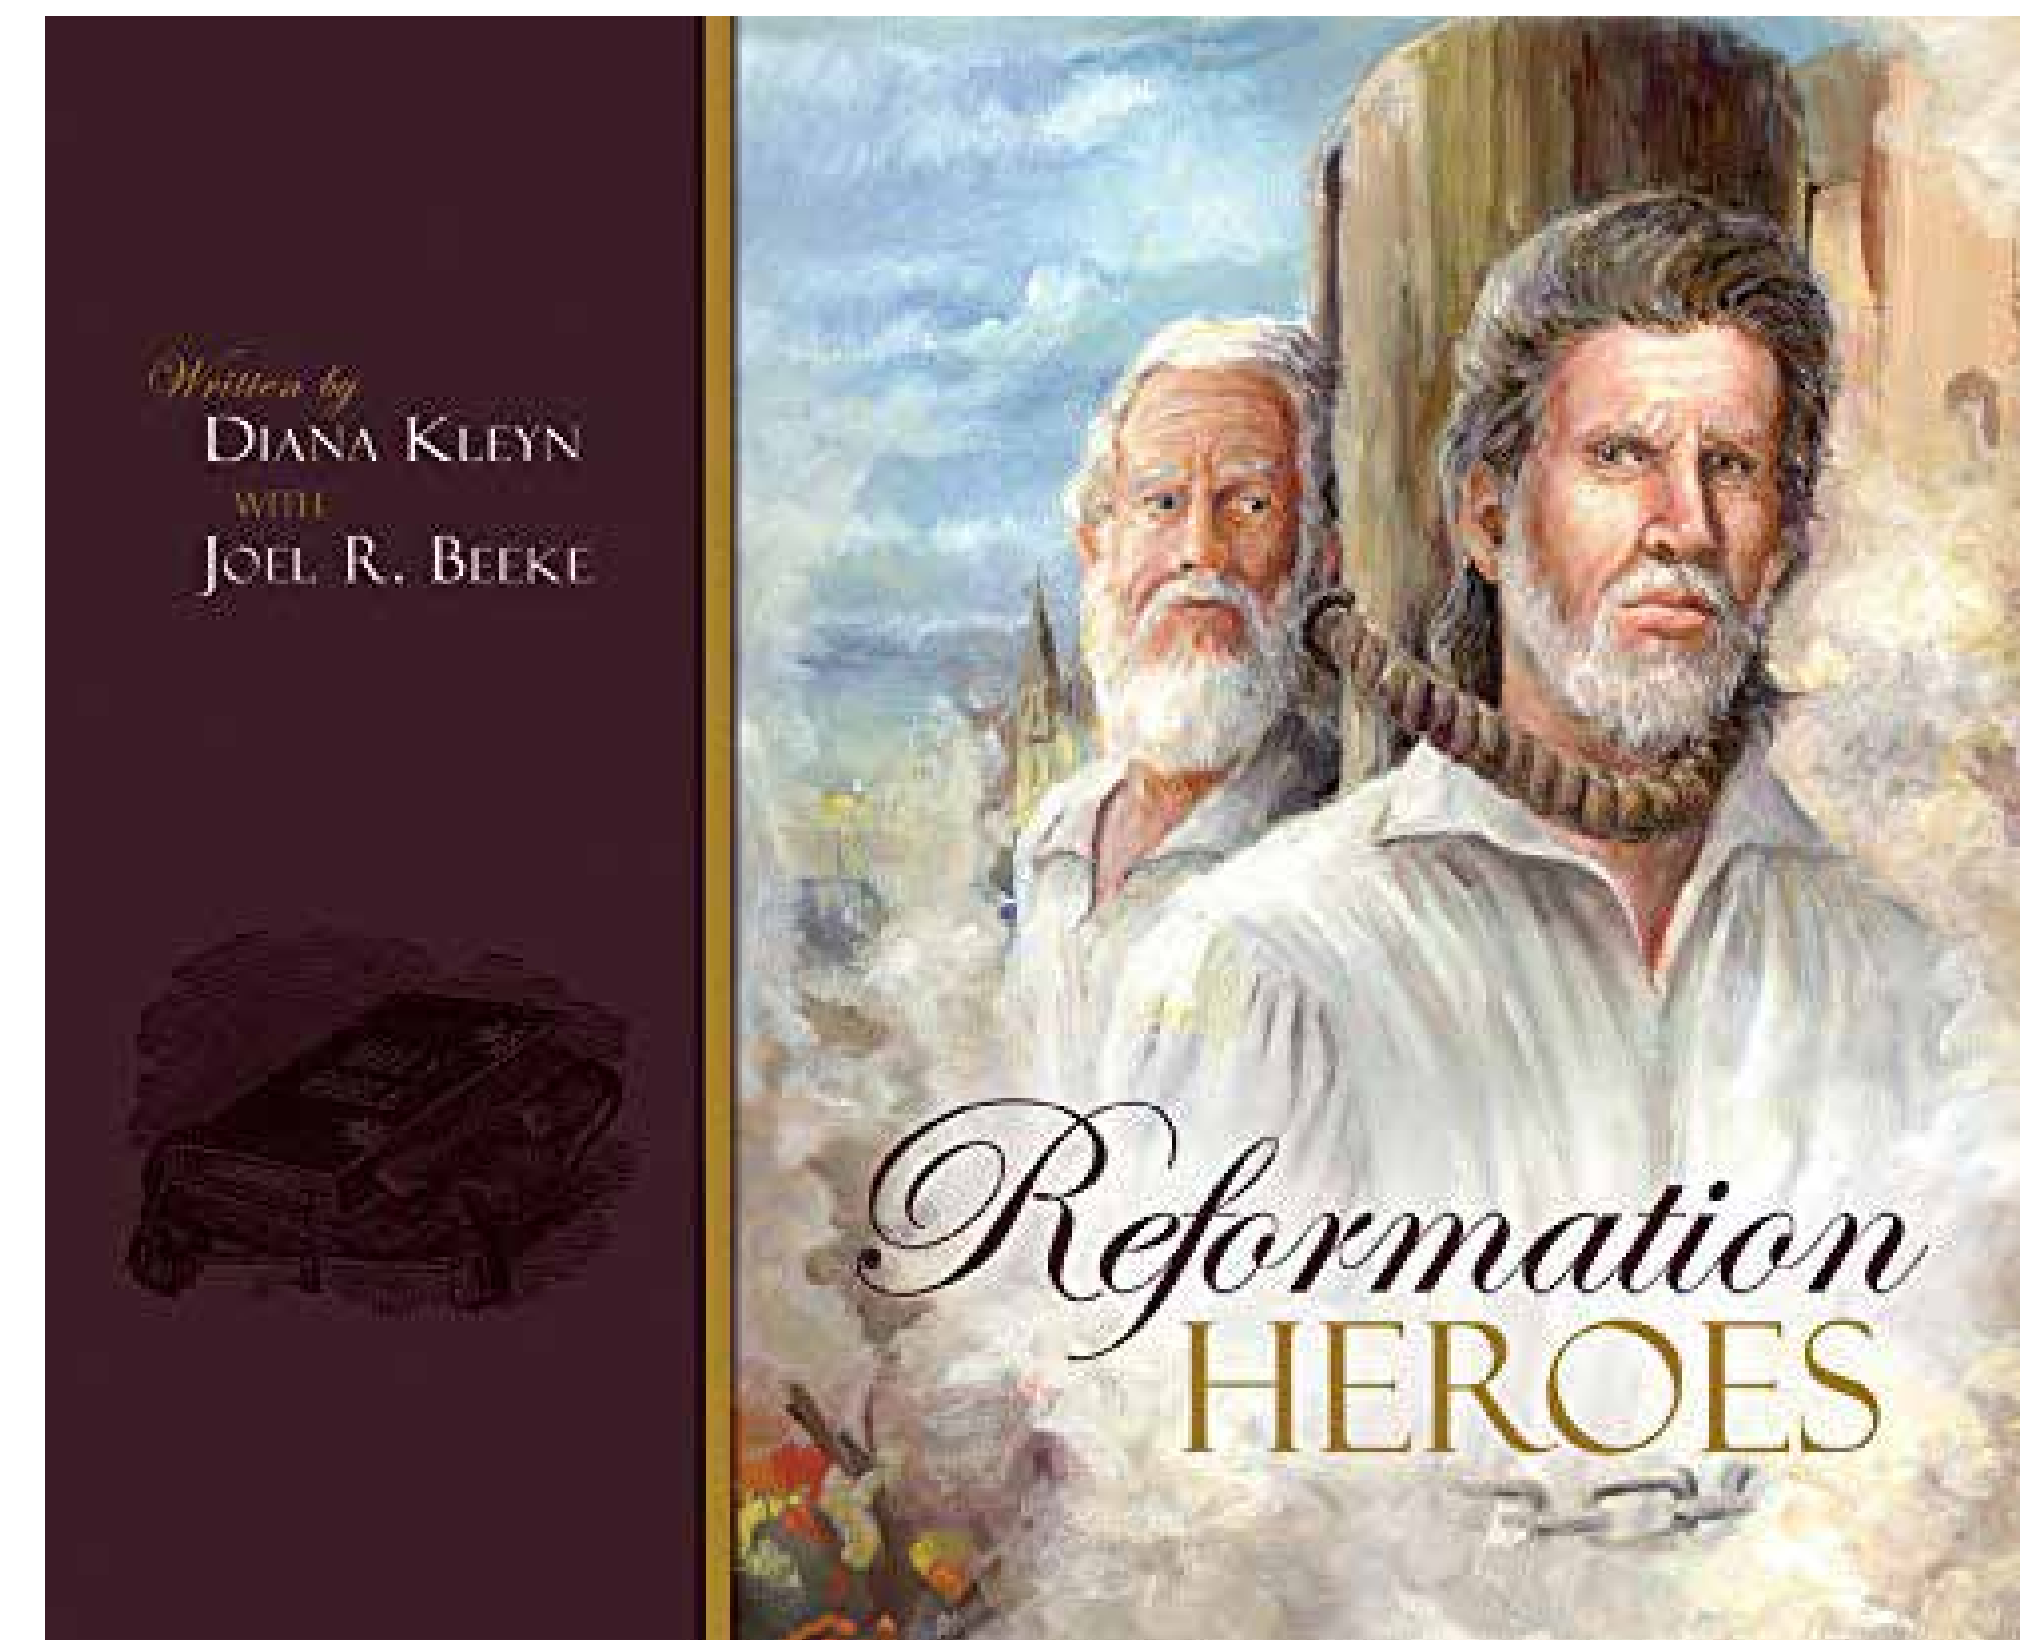

Title: Sermons On Jeremiah's Lamentations
Author: David Dickson
Price: £39.99*
Product Code: 9781601787989
Format: Hard Cover
Genre: Preaching & Sermon Resources
Distribution: UK & Europe

This rare, never-before-published volume powerfully expounds a neglected book of Scripture. David Dickson carefully applies Lamentations in a time not only of epidemic disease, international turmoil, economic devastation, and persecution but also of revival.

There are clear parallels with our own time, particularly the unprecedented circumstances of upheaval in the nations of the world.

Dickson also deals with church decline and argues that its afflictions should cause us great sorrow. Yet he also shows how Lamentations gives those with such heavy hearts words with which to sorrow in hope.

This edition has been carefully produced from notes taken by a member of Dickson's congregation.
