# Dante Bowe – Circles CD

## Description

'Circles' marks the highly-anticipated sophomore release and Bethel Music label debut from Atlanta-based songwriter and artist, Dante Bowe.

The 13-song collection represents reflections Dante penned as he spent time in 2020 learning and appreciating his own roots, honouring the people and the journey that have formed him. Like a patchwork quilt discovered at grandma's house, this project tells a story; and Bowe artfully weaves his newfound perspective from looking back into every song.

Set against an infectious mix of R&B, soul and gospel style, Bowe confides in and inspires listeners with thoughts on struggle, perseverance, and faith. Dante's lyrics bring listeners in close and make space for real conversation, with the honesty and comfort one would feel from a close friend.

'Circles' celebrates that the potential of our story with God is limitless, and that our past is not something to fear, but to gain strength and courage from.

## Description

Forced to take charge of a Christian high school's struggling drama department, burned-out math teacher Theodore Pitts must tell the students that the next show will be their last.

But when Mr. Pitts meets the theater program's band of tragic misfits, he can't quite bring himself to deliver the bad news. Pitts announces that their next production will be "Jonah and the Whale." But with only one week to rehearse, the students' inability to overcome their own interpersonal drama threatens to sink the whole show.

Frustrated with the kids and his dead-end career, Pitts secretly courts a better job outside of teaching. All these madcap efforts land him in his own proverbial (and literal?) belly of the whale. This zany re-telling of the Book of Jonah has lots of laughs and a profound message about following God's direction while caring about those he directs us to.

“Amir Tsarfati tells the prophetic story of the Bible from Genesis to Revelation and in the process helps his readers to comprehend God’s unique purpose and plan for both Israel and the Church. His refutation of Replacement Theology is profound and yet easy to understand. This book answers a lot of questions many prophetic writers are afraid to ask.” – Dr. David Jeremiah

As the day of the Lord rapidly draws near, we must appreciate God’s plans for all His people

To truly grasp Bible prophecy, we must first understand how God’s promises to Israel complement His vision for the church. While some believe God has forsaken Israel for the church, this goes against the nature of the faithful Lord we find in Scripture.

In his latest book, native Israeli and bestselling author Amir Tsarfati makes clear what the Bible says about God’s unique master plans for His two chosen groups, Israel and the church. Amir gets to the heart of key questions, such as...

- Do the promises God made to the Old Testament nation of Israel still apply to the Jewish people today?
- Has God replaced rebellious Israel with the church?
- Now that the church exists, does Israel possess a distinct role in the present age?
- How are current events in Israel relevant to the church?
- What should the church’s attitude be toward Israel?

‘Israel and the Church’ provides a fascinating look at all that God has prepared for His two peoples and why it’s so relevant to us today!

He is the founder and President of Behold Israel a nonprofit ministry providing access to news and information about Israel from a biblical and prophetic standpoint.

Treasure hunters descend upon the hills of West Virginia, including those surrounding the small town of Emmaus, where TD Lovett and Waite Evers provide the latest updates and the beating heart of the community on radio station Country 16.

## Description

Are you weary? Trying to follow Jesus and be a “good Christian,” only to hear the voice of shame whisper, try harder?

Good Christians are supposedly known for diligently practicing spiritual disciplines like Bible study, prayer, evangelism, and serving God. Disciplines that are expected, through inspired effort, to conquer sin in us and in the world. The tragedy is, so few Christians understand that we aren’t just sinful but wounded. We don’t need a list of disciplines. We need a Healer, a Deliverer to come and set us free.

Here is the truth: We have a Healer. His name is Jesus Christ. He loves us. His calls us first to own how desperate we are--for him; and then to accept his invitation to abide in his great love.

Kevin Butcher points us toward this healing Jesus, who offers us his all-encompassing love. You will find nothing here about lists and shoulds. Instead, you will discover how to fall in love with Jesus and then how to walk with him--not in drudgery, but freedom--abiding in his love. A love that rescues us from drudgery and shame, surrounding us with joy even in our darkest hour. A love so powerful that it births our worship, obedience, and willingness to surrender all to him.

Even when hell is at your doorstep, the love of Jesus will surround you, protect you, empower you, and set you free. Because God’s love isn’t just important to your journey--God’s love is everything.

The Whole Story for the Whole Family is the family devotional parents need to help their kids grow in their faith.

Parents are called to be the primary spiritual influence in the lives of their children. That means we, as parents, should help them know and understand the Bible so they can know, love, and understand God and His Son, Jesus. But so many parents feel overwhelmed and exhausted at the thought of disciplining their children. Where to begin?

'The Whole Story for the Whole Family' is a step in the right direction. In an easy-to-use and simple format, this devotional guide will equip parents to start teaching their children the Bible. Rather than seeing the Bible as a mis-matched collection of random stories about different characters in history, your kids can see the Bible as one story, woven throughout space and time, with one character standing at the centre: Jesus.

Through the use of an object lesson every day, digestible sections of Scripture, and simple discussion questions, The Whole Story for the Whole Family can help kids understand God's ongoing story and find their place in it.

Title: Historical Theology for the Church

 Price: £31.99\*  
 Product Code: 9781433649158  
 Format: Hard Cover  
 Genre: Church History  
 Distribution: UK & Europe

Historical theology is the study of the development of Christian doctrine and tradition from the Bible, by the church, and for the church. Church, in this context, refers both to the global body of believers, and local Christian assemblies.

Historical theology serves the church by keeping faithful record of the development of Christian doctrines from the past, and provides important historical context for work in the areas of systematic, biblical, and applied theology.

In *Historical Theology for the Church*, editors Jason Duesing, Nathan Finn and Thomas White survey key doctrinal developments from four periods of church history: the Patristic (AD 100–500), Medieval (AD 500–1500), Reformation (AD 1500–1700), and Modern (AD 1700–2000) eras.

Trusted experts contribute chapters outlining the main theological developments from each era, and each chapter concludes with a unique “For the Church” application section, clarifying the connection between the historical doctrine in question and the Christian church of the present age.

Title: Exalting Jesus In Romans

Exalting Jesus in Romans is part of the ‘Christ-Centered Exposition Commentary’ series.

Edited by David Platt, Daniel L. Akin, and Tony Merida, this commentary series, to include 47 volumes when complete, takes a Christ-centred approach to expositing each book of the Bible.

Rather than a verse-by-verse approach, the authors have crafted chapters that explain and apply key passages in their assigned Bible books.

Readers will learn to see Christ in all aspects of Scripture, and they will be encouraged by the devotional nature of each exposition presented as sermons and divided into chapters that conclude with a “Reflect & Discuss” section, making this series ideal for small group study, personal devotion, and even sermon preparation.

It’s not academic but rather presents an easy reading, practical, and friendly commentary.

## Description

Her parents called her Lenya Lion because of her ferocious personality and hair that had been wild and mane-like since birth. But they never expected that, five days before Christmas, their five-year-old daughter would suddenly go to heaven after an asthma attack. How do you walk into an emergency room with your daughter and leave without her?

In *Through the Eyes of a Lion*, Pastor Levi Lusko shares the eye-opening truth of the power of hope in a world that is often filled with pain, suffering, and loss. In his words: “This book isn’t a manual for grieving, but a manifesto for high-octane living, and through it I want you to see that God made you for a purpose. There is a wild and wonderful calling on your life—a microphone in your hands. Jesus wants you to look at the adventure of your life through His eyes, the eyes of a Lion.”

Both overtly instructive and deeply inspirational, this study covers difficult ground with sensitivity and passion. You’ll realize that preparing for death is key to living a fuller life. You’ll understand that Heaven is nearer than it seems. You’ll learn how to see with eyes of faith. And you’ll get the insight you need to face your fears and turn your journey into a “roar story.”

‘Through the Eyes of a Lion Bible Study Book’ includes printed content for six sessions, personal study between group sessions, applicable Scripture, “How to Use This Study,” a leader guide, and tips for leading a group.

## About the Author

Levi Lusko is the author of the bestselling books *Through the Eyes of a Lion* and *Swipe Right*. He is also the lead pastor of Fresh Life Church, a multisite church located in Montana, Utah, Oregon, and Wyoming, that he and his wife, Jennie, pioneered in 2007.

Levi travels around the world speaking about Jesus.

He and his wife have one son (Lennox) and four daughters (Alivia, Daisy, Clover, and Lenya, who is in heaven).

As Christians, we live busy and harried lives, most often because we are eager and earnest to join with God in His work in the world. In the confusion and sheer volume of opportunities and ideas vying for our attention, we must constantly return to the words of Jesus to find our focus and purpose, for the truths.

He spoke, when believed and applied, lead to our flourishing. Using parables and stories, Jesus spoke most often of the kingdom of God as what matters—the ways of the kingdom, the values of the kingdom, and the cultivation of the kingdom here on earth in light of its fulfillment in heaven. In other words, the kingdom of God defines who we are and what we do as Christians.

Many Christians don't have a working knowledge of the kingdom and their true citizenship in a way that affects their daily lives and decisions. Seek First the Kingdom cuts through the clutter of life with the words of Jesus, urging readers to stop, think, take notice, and reorient themselves solidly around the kingdom.

How can we know if the Bible's promise of everlasting life is true? One word: prophecy.

One prophecy (among many) says that troubled times would come, with "men's hearts failing them from fear and the expectation of those things which are coming on the earth." These certainly are troubled times. The CDC reported that in June 2020, a massive 30 million Americans seriously considered committing suicide.

However, among its fearful predictions, the Bible also gives wonderful hope to those who will listen. Only God knows the future, and thanks to the Scriptures, so can we.

God's Team – Unleashing the Full Power of the Church is a call to all Christians to fulfil their role in the Body of Christ so the gospel is both preached and lived out in society.

If both pastors and church members embrace this then the Church will achieve its global ministry to preach the gospel to every person.

"One of the curses of the modern church has been a consumer mentality and a resulting passivity. In "God's Team: Unleashing the Full Power of the Church," my friend Jack Redmond calls the church to action with practical life application. It is a needed prophetic word in a critical moment."

– Dr. Ron Walborn, Vice President and Dean of Nyack College and Alliance Theological Seminary.

Teen Challenge, also known as Adult and Teen Challenge, was founded as an evangelistic outreach to drug addicts in Brooklyn, New York City.

As a holistic Christian ministry with the life-changing message of the gospel, this faith-based rehabilitation programme was created with the vision that God can redeem the whole person, starting on day one of the programme. This unique approach has produced success rates of over 70% for those who complete the rehabilitation programme.

However, as Teen Challenge has grown worldwide, with over 1,400+ centers in 129 countries, some centres are now turning to secular methods in order to access government funding.

As co-founder of Teen Challenge, Don Wilkerson raises a warning flag on this mission drift: the power of the Cross, which brings about a changed life, must be the priority in treating drug addiction; if the Cross is not central to the mission of any Teen Challenge centre, then it is not worthy of using the name "Teen Challenge." The ministry must never lose its vision and focus in bringing men and women to Christ—through the gospel and discipleship—and stay faithful to the original mission which the founders stood upon.

Title: The Life Of Our Lord by Charles Dickens  
 Author: Gene Fedele  
 Price: £11.50\*  
 Product Code: 9781610362573  
 Format: Paperback  
 Genre: General Biography  
 Distribution: UK & Europe

'The Life of Our Lord' is a unique and special book in that it, more than any other, reflects Dickens' love of God and faith in Jesus Christ.

Within its pages, the great novelist unfolds the Gospel message of Jesus Christ, hand-written in the beautiful "Dickensian" prose the world has come to adore, specifically for his own children during their earlier years.

This biographical sketch is not intended as a detailed chronology of the author's life and writings, but instead is primarily a reflection on the heart of the man and the primary motivation behind his great literary works—his faith in Christ and his love for his fellow man.

With humility and adoration, we add this precious book to the distinguished Pure Gold Classics collection in anticipation and expectation that young and old alike will be richly blessed by the simplicity and warmth of the story of the life of our Saviour that Dickens left as a blessing to the world and a glorious testimony of his own personal relationship with the Lord.

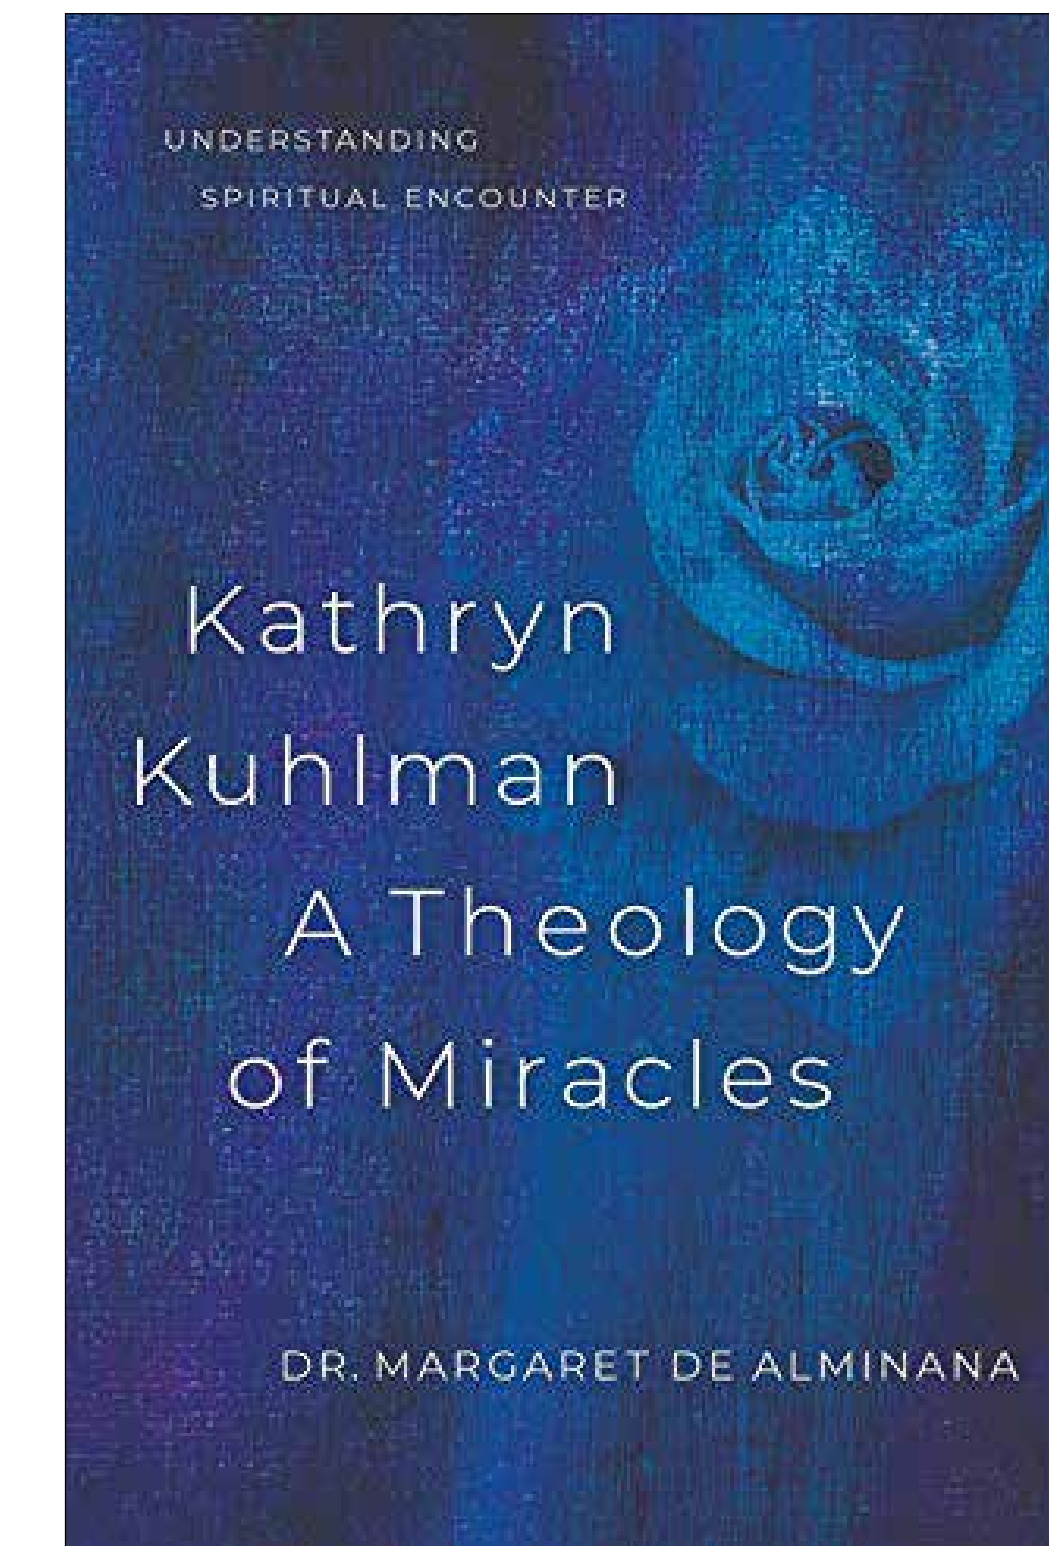

Title: Prayers That Heal The Heart (Updated)

Have you ever prayed for healing of a heart wound and found that you experienced only partial healing, or perhaps no healing at all?

If so, this book brings you hope! The heart has its own language that we must use if we want to bring healing to it. The language of the mind will not touch the deep places of the heart. And since a heart wound usually has multiple contributing causes, we need to use the right prayers to address each of these roots.

The synergy of seven different prayers working together provides the spiritual energy necessary to release full, complete healing to the heart. This prayer counseling model has proven effective in thousands of lives. Biblical training on each of the seven prayers is given, along with worksheets which guide you easily through each prayer. These become a coach at your side.

Extremely practical teaching on how to hear the voice of the Wonderful Counsellor is included.

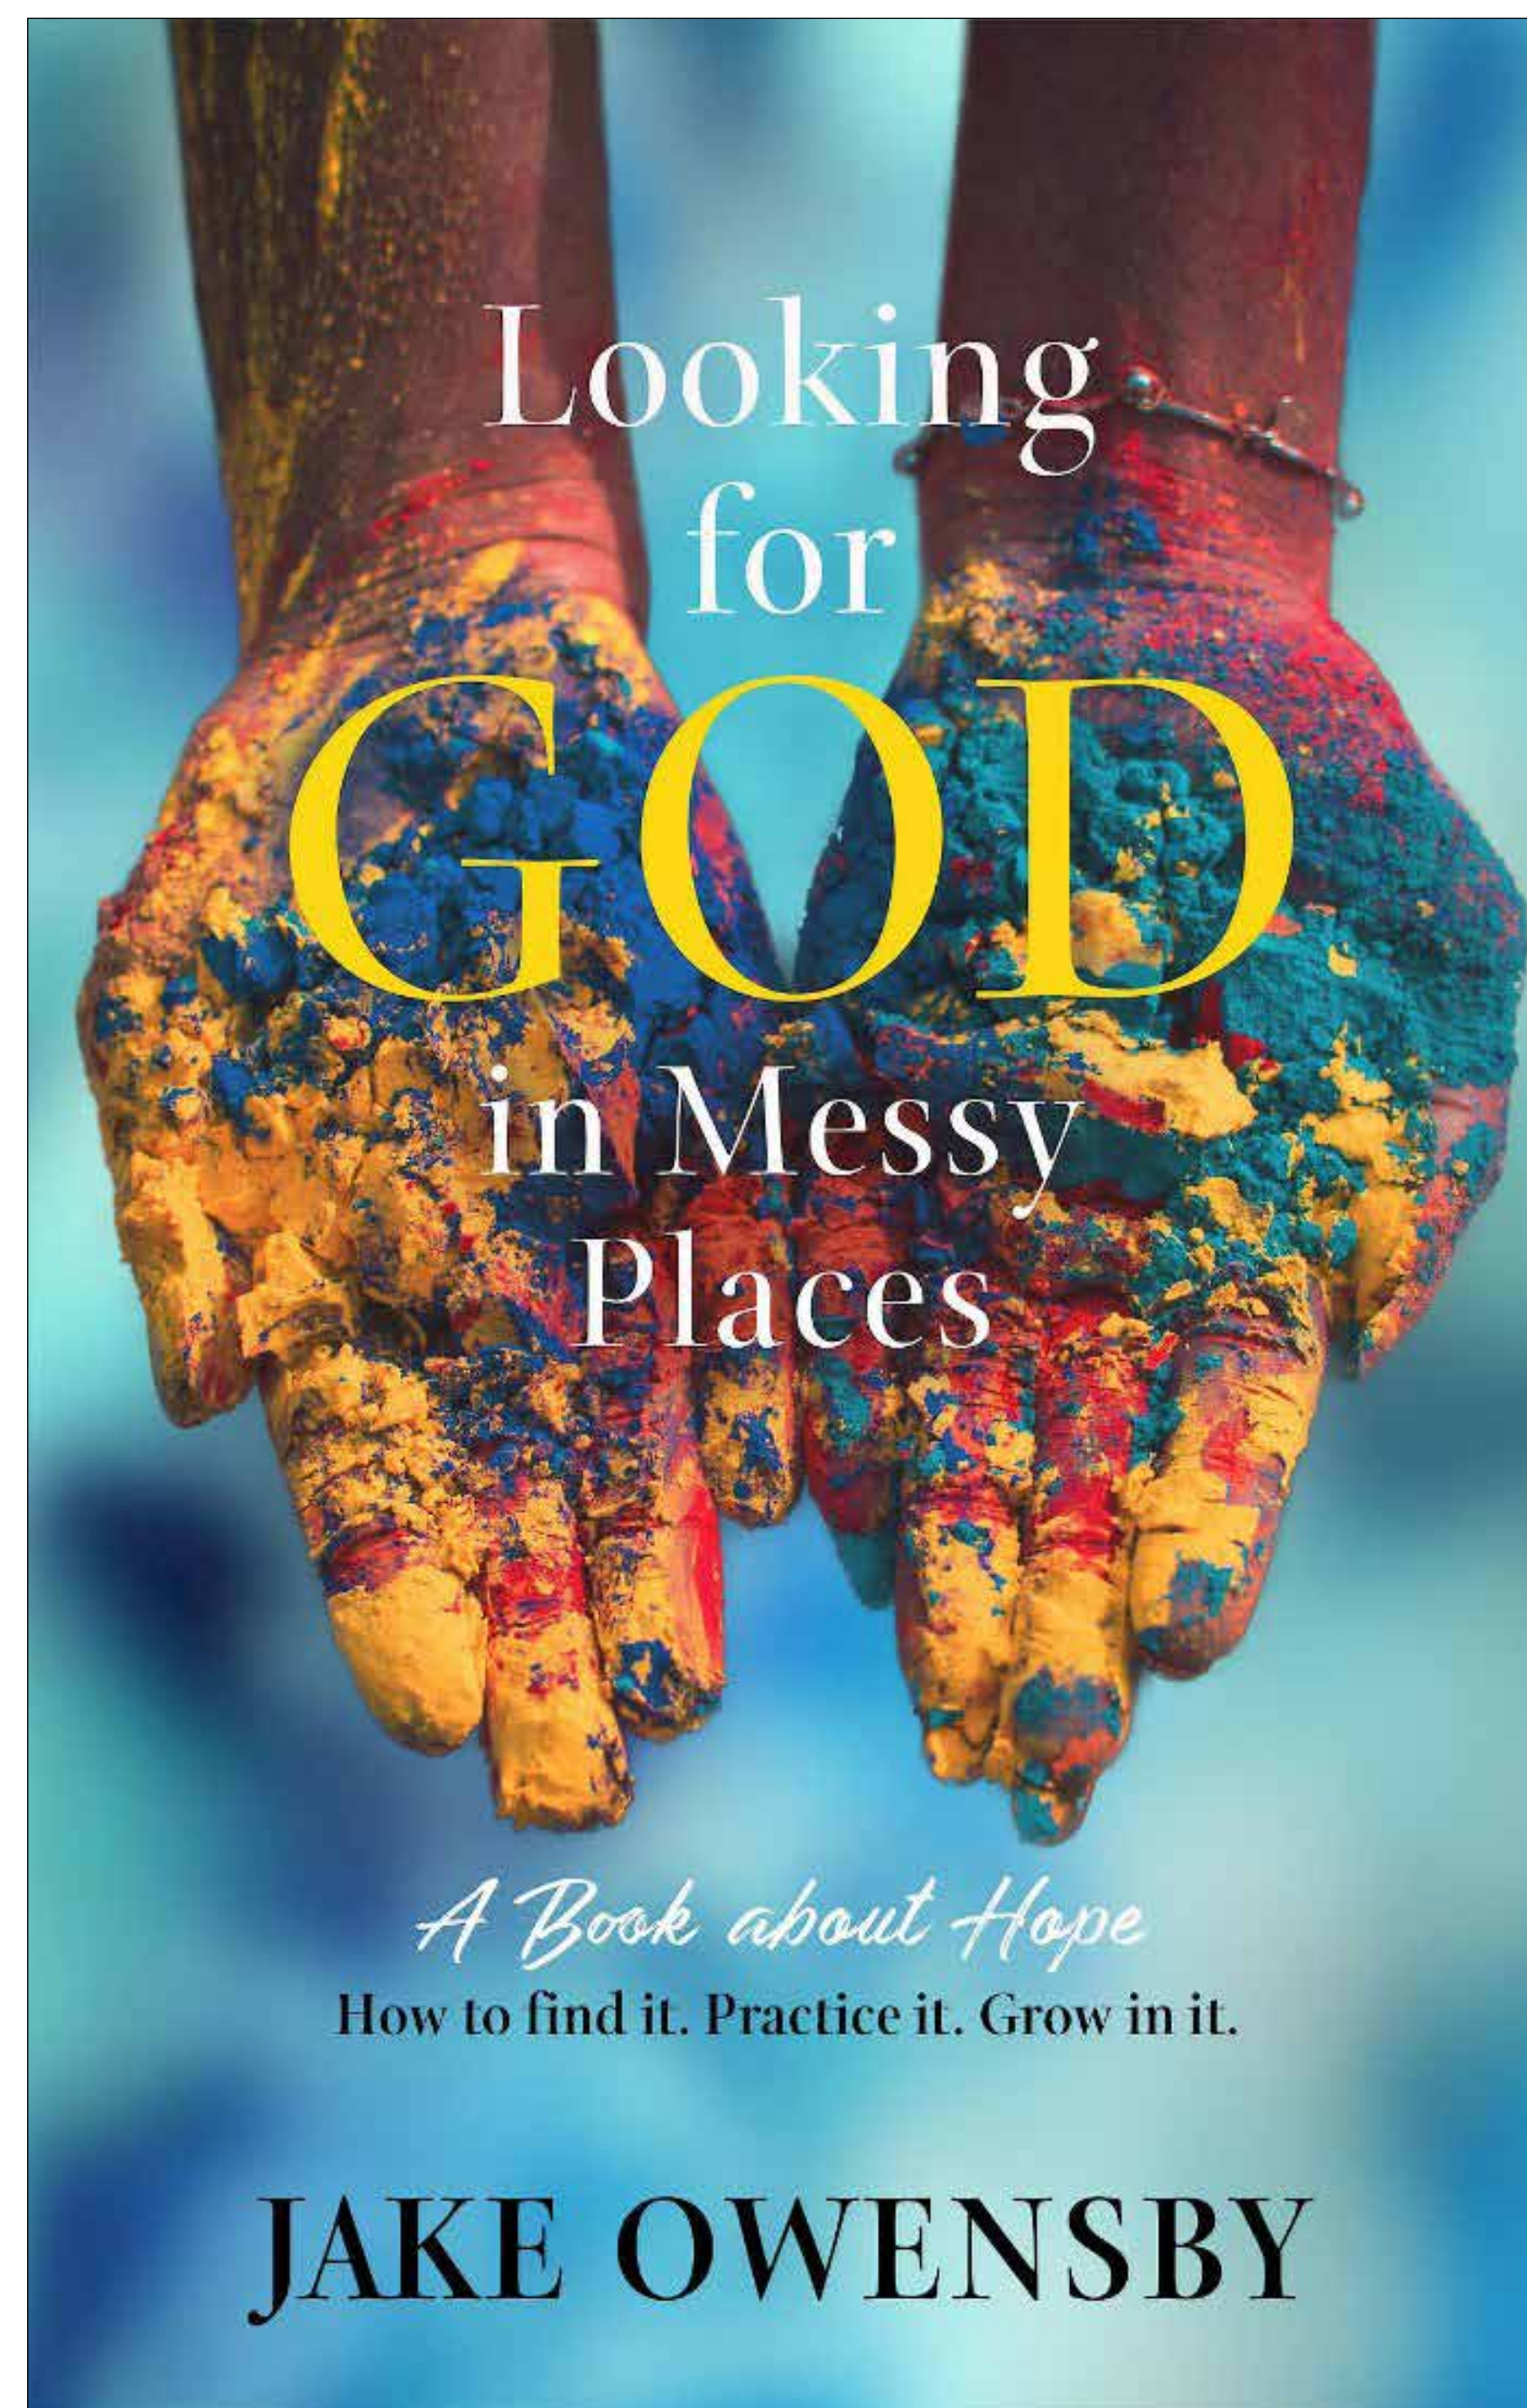

Title: Kathryn Kuhlman A Theology of Miracles  
 Author: Dr. Margaret De Alminana  
 Price: £14.99\*  
 Product Code: 9781610362559  
 Format: Paperback  
 Genre: Holy Spirit & Renewal  
 Distribution: UK & Europe

Kathryn Kuhlman helped to shape a generation of Pentecostal/Charismatic theology and practice by reintroducing a depth of spirituality which harkened back to the teachings of the mystics.

She introduced the concept of spiritual silence to a generation of Sawdust Trail Pentecostals known for their exuberant and lively worship services, and she popularized the experience of being "slain in the Spirit." But her most notable innovation resulted from discarding healing lines and cards together with a healing theology based upon the faith of the adherents. Instead, she invited pilgrims into a transcendent experience of the manifest presence of the Holy Spirit, which rested upon a foundation of love.

It is those miracles, and the way those miracles took place, or the 'method' or 'praxis,' that became her greatest contributions. The methodology she used and the theological basis for it are some of the most interesting and poignant aspects of her incredible life and yet what is least understood. Many have attempted to mimic her methods and to adopt her style, but few, if any, have fully understood or appreciated the theological and practical leap she made when she entered into a new realm of spiritual expression. It is this hidden manna that this book seeks to uncover.

Title: How Women Transform Preaching

 Product Code: 9781791013363  
 Format: Paperback  
 Genre: Preaching & Sermon Resources  
 Distribution: UK & Europe

Women preachers are everywhere. The pulpit, once a bastion of male presence and power, has become, in many denominations, a place where women regularly exercise their gifts, leading congregations and proclaiming God's word each week. The number of women scholars who are publishing and teaching in the field of preaching has also expanded dramatically.

Leonora Tubbs Tisdale explores how the presence of women preachers and scholars of preaching has transformed the practice of homiletics this country--from the reclamation of women's "herstory" in preaching, to the topics addressed in preaching and scholarship, to the way in which Biblical hermeneutics and theologizing are undertaken in preaching, to the imagery, illustrations, shape and embodiment of the sermons themselves.

'How Women Transform Preaching' begins with a fascinating survey, including statistical information and historical analysis. Interviewing 16 women preachers/homileticians, Tisdale shares 'untold stories' of women preachers throughout history who are largely unknown but who serve as examples of both the struggle and power of women's preaching. She then tells the stories of contemporary women preachers.

While some people might become pastors to offer counsel, I expect that many pastors see counseling as a daunting, disorienting, and even dreaded part of the job. It can even be scorned by some who consider this pastoral work an unnecessary distraction from leadership and mission.

Yet pastoral counselling is a non-negotiable component of pastoral ministry that provides an excellent opportunity to display the love of Christ.

'Kairos Care' teaches a theologically sensitive, practically formed framework for providing focused, time-limited pastoral care and counsel.

To keep this framework tangible, this book offers a kairos diagram that illustrates the model for counsel. While the kairos diagram is readily found online, it has been modified to fit a pastoral counsel context for ease of use.

The second letter to the Corinthians is a touchstone for pastors seeking advice on effective ministry. It is a revealing window into the tumult of Paul's relationship with this congregation that shows Paul's concern for the spiritual welfare of a local church.

Although he loved the Corinthians dearly and laboured for them intensely, their relationship was marked by the tensions and challenges that are acutely familiar to church leaders today: unclear expectations, comparison to other pastors, criticisms of ministry style, vocational stresses, disputes over money, and more.

Reuben Bredenhof expertly unpacks these complexities and reveals Paul's vision for Christ-shaped gospel ministry—a vision that can help you, too.

Jesus made gospel preaching a priority for Himself, the apostles, and the church. And if we are going to carry out the task of gospel preaching today, we must consider why the Lord committed this sacred duty to His followers.

In this booklet, Martin Rizley winsomely describes the nature, necessity, and manner of gospel preaching so that we will better recognize it as the high priority Christ established it to be.

Most ministers, missionaries, and laymen know and affirm these truths when they hear them, but how often do we forget them in the midst of the battle when so many other worthy needs are set before us?

John Shower explains that as it is our duty and privilege to celebrate the Lord's Supper, we should come to it with repentance, love, gratitude, and joy.

Showers eight discourses will help us as we meditate on the meaning of the Supper in devotional love.

 Price: £27.99\*  
 Product Code: 9781601788481  
 Format: Hard Cover  
 Genre: Doctrine & Theology

Of all the sublime subjects tackled by Goodwin, this is among the best known and the most-often read. No matter how mature you are in your faith, Goodwin will open up a fresh, heavenly perspective that shows Christ at work from the beginning to the fulfillment of your life.

He shows us the gospel in origin—as an eternal transaction among God the Father, God the Holy Spirit, and God the Son—for the salvation of man

Accomplishing salvation required a full and complete satisfaction for justice, something we could not do for ourselves.

We need a mediator: first, someone who must be God, able to perfectly fulfill the broken promises of Adam's race; and second, a man to be a representative substitute for us. As our mediator must be both God and man, our only Mediator could be Christ.

Henry Bullinger was one of the most widely esteemed leaders of the Reformation Churches.

The Decades was the most famous of the 150 treatises and manuscripts that he wrote, deriving its name from being a series of fifty theological addresses divided into five groups of ten.

Each address is a helpful, detailed exposition of an important doctrine. Combined, they provide an overview of the Christian faith suitable for the everyday Christian.

When first published The Decades outsold Calvin's Institutes in England, a work that performs a similar function.

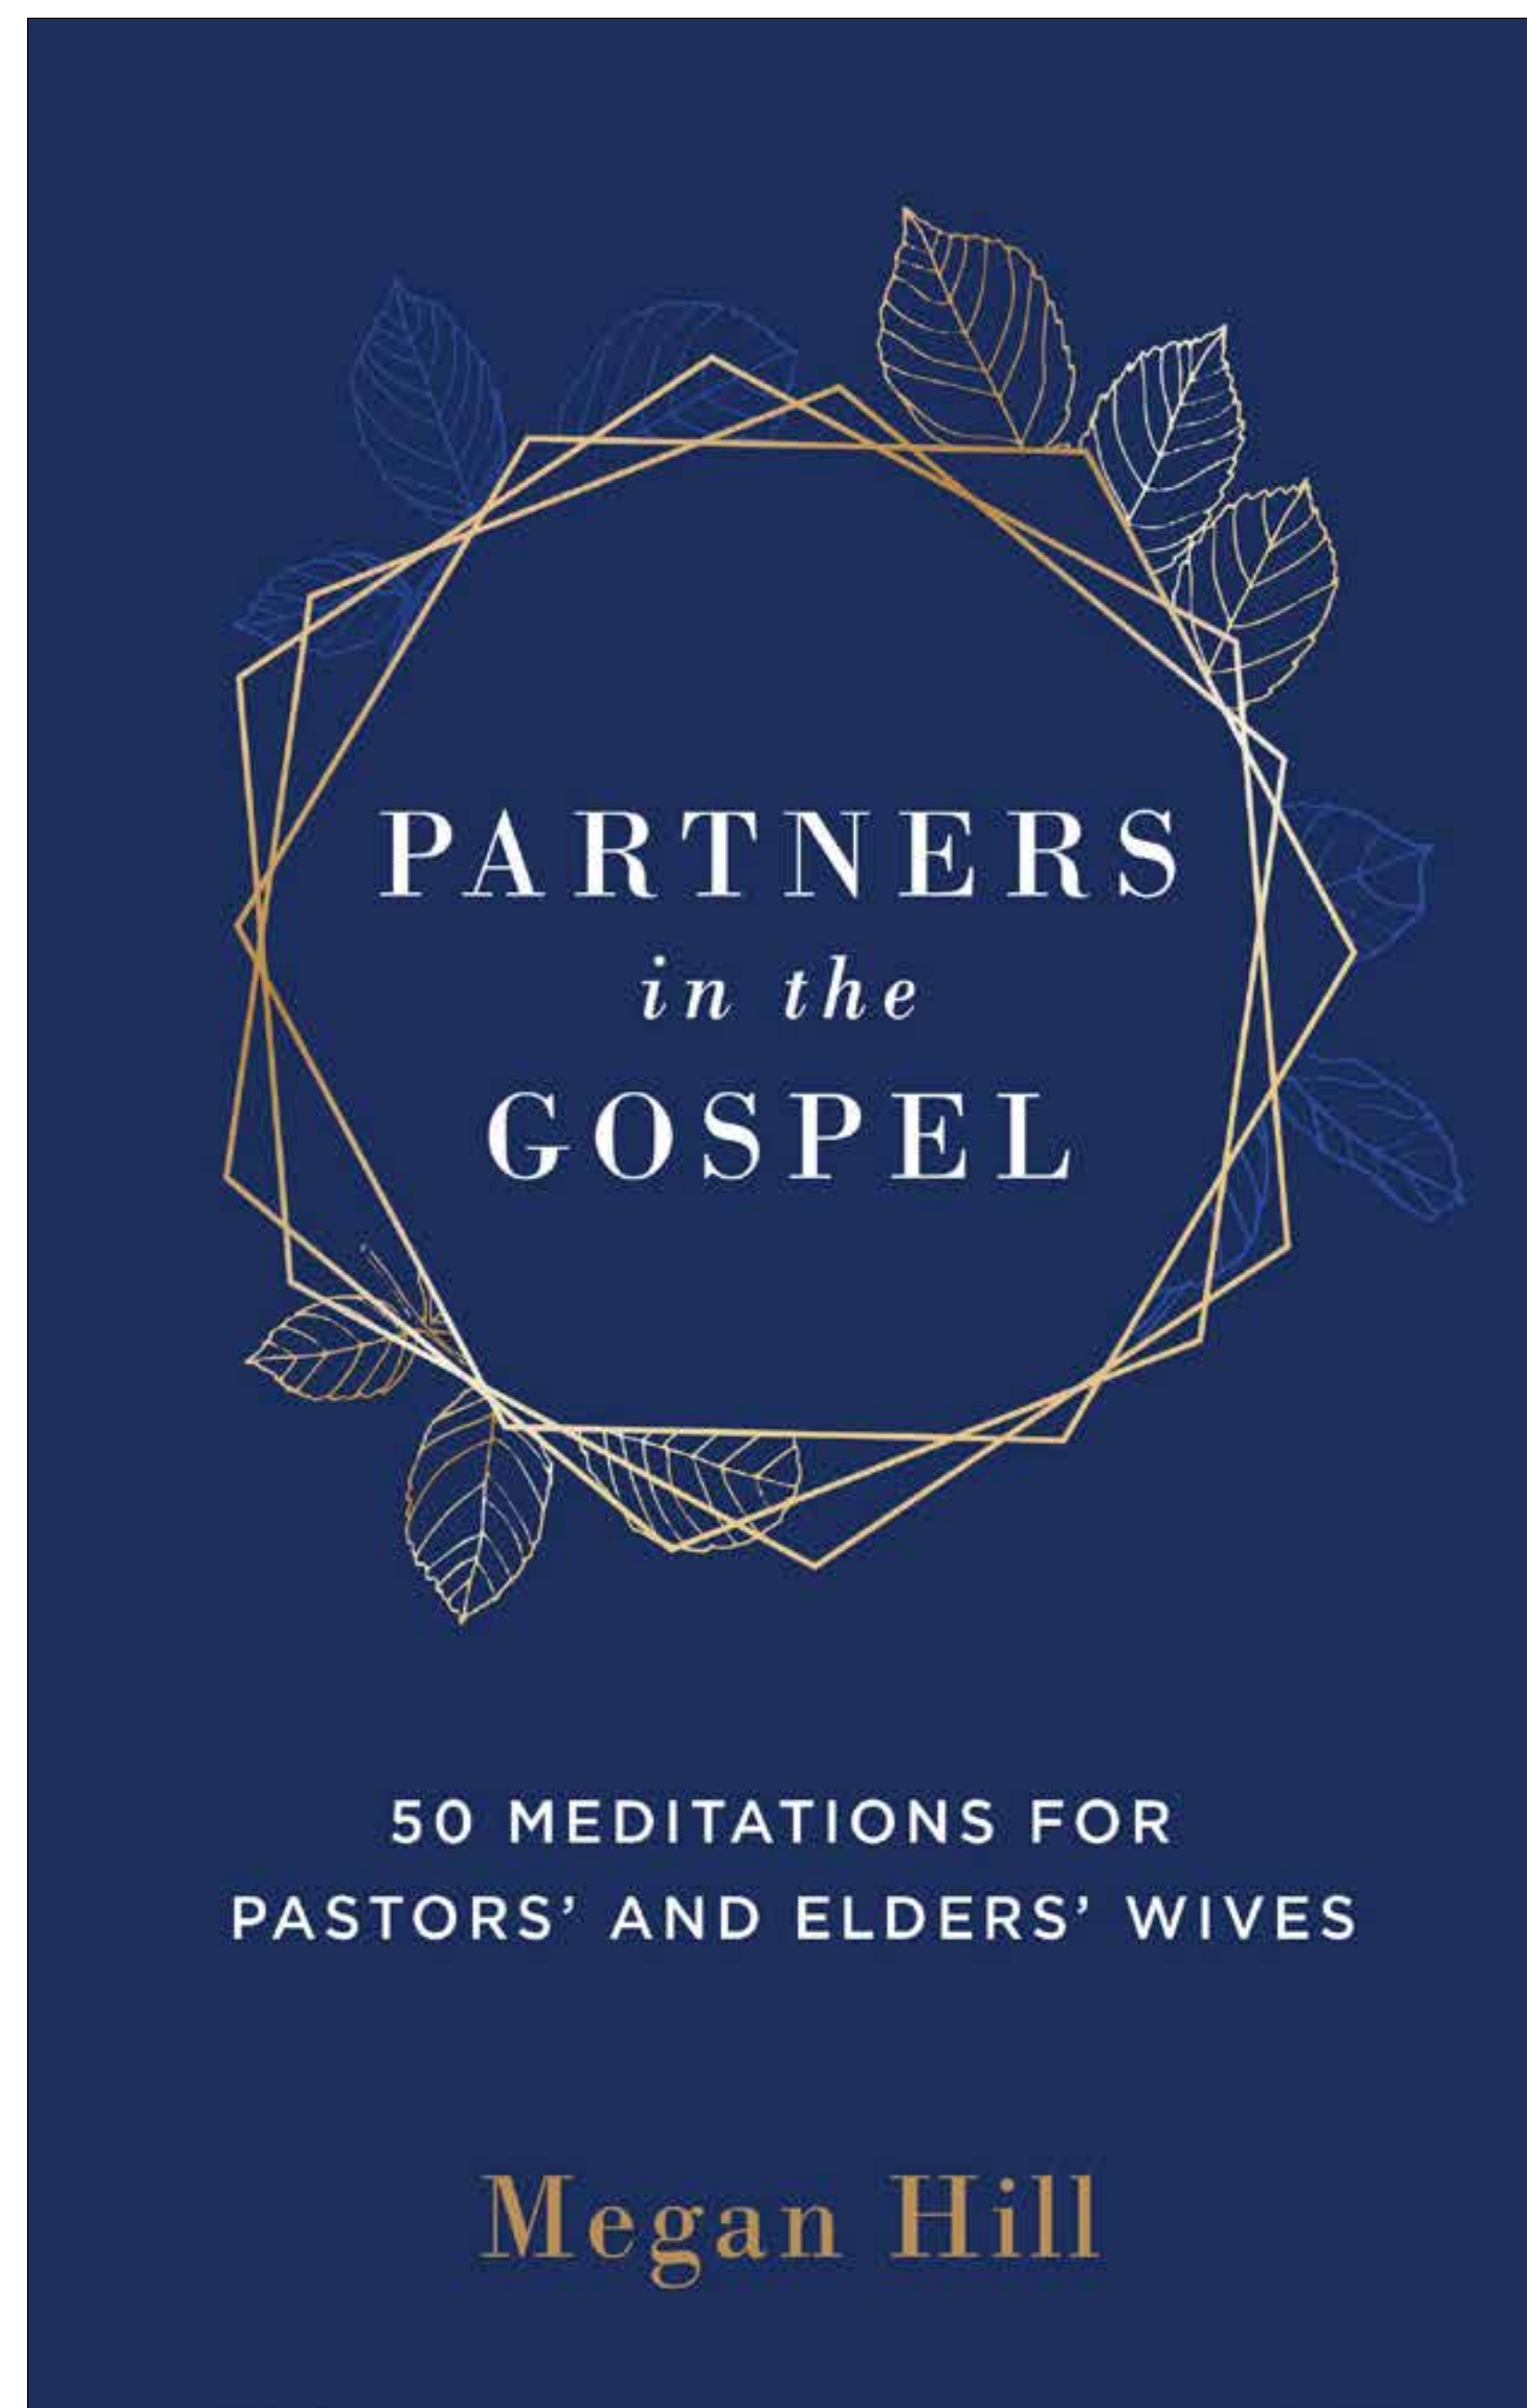

This edition features introductions to the life of Bullinger and to the work itself by George Ella and Joel R. Beeke.

Title: Freedom to Flourish  
 Author: Elizabeth Garn  
 Price: £11.99\*  
 Product Code: 9781629956084  
 Format: Paperback  
 Genre: Women's Interests

So many women in the church today are exhausted by the mistaken belief that God's purpose for them is rooted in what they do. We've come to believe that if we try hard enough, we can measure up; if we marry the right man or have enough children, we'll have arrived; if we do the right studies and read the right books and volunteer more, we'll be "good Christian women."

This belief is wounding the hearts of women in the church—all because of a misunderstanding of God's purpose for us as women. It's not rooted in what we do, it's rooted in who God is. In his loving plan, he created us to imitate him and to find true flourishing by living as his image.

Elizabeth Garn takes us to Genesis to reexamine the all-too-common misconceptions that surround image bearing, filling and subduing the earth, and living as women in God's world. When we see what God has created us to be, we will see what we are free to do—to imitate and glorify him in all the ways he has gifted us.

It is becoming a prison, but Christ offers us true shelter. Through thirty-one daily readings with reflection questions and practical action steps, Ellen Mary Dykas helps you to renew your thinking: growing in your trust of the Lord and becoming prepared to cultivate Christ-centred relationships with others from a place of confidence and peace.

Title: Martin Luther's Ninety-Five Theses

To combat abuses in the church of his day, a young German monk drafted nearly one hundred propositions for public debate.

Martin Luther posted these theses on the church door in Wittenberg, an action that helped to give birth to the Reformation.

Many people have heard of the Ninety-Five Theses, but few have read it. Yet it is a crucial text—a bold and stirring challenge to one of the largest political and ecclesiastical machines this world has ever seen.

This complete reproduction includes an introduction and extensive annotations to explain the context and meaning of a short, simple work that changed the course of history.

## Description

Our culture is determined to redefine masculinity as something it was never meant to be.

The American Psychological Association asserts that “traditional masculinity is psychologically harmful.” Many agree that “forcing men to behave in accordance with the worst stereotypes of manliness harms them, and it harms others.” But is the answer then to marginalize and feminize men? Despite culture’s determination to redefine masculinity, the great heart cry of our day is for men to rise up and take back their rightful place. It’s a cry that echoes deep in the soul and from all ends of our society, and particularly from the women who love their fathers, husbands, brothers, and sons. Most women want their men to be honored and to stand up and be men.

Men have faltered and lost a lot of influence and territory. The good news is that for many who struggle there is often a daily yearning to make it right. The reality is, masculinity is not and never was “toxic.”

Tim Clinton, president of the American Association of Christian Counsellors (AACC), challenges readers to reject culture’s redefinition and seek biblical examples of true manhood. Fast-paced, filled with relevant biblical and contemporary stories of godly men like David, Nehemiah, George Foreman, and Tim Tebow, Take It Back empowers men to be who God created them to be and to impact the culture that is in desperate need of their influence.

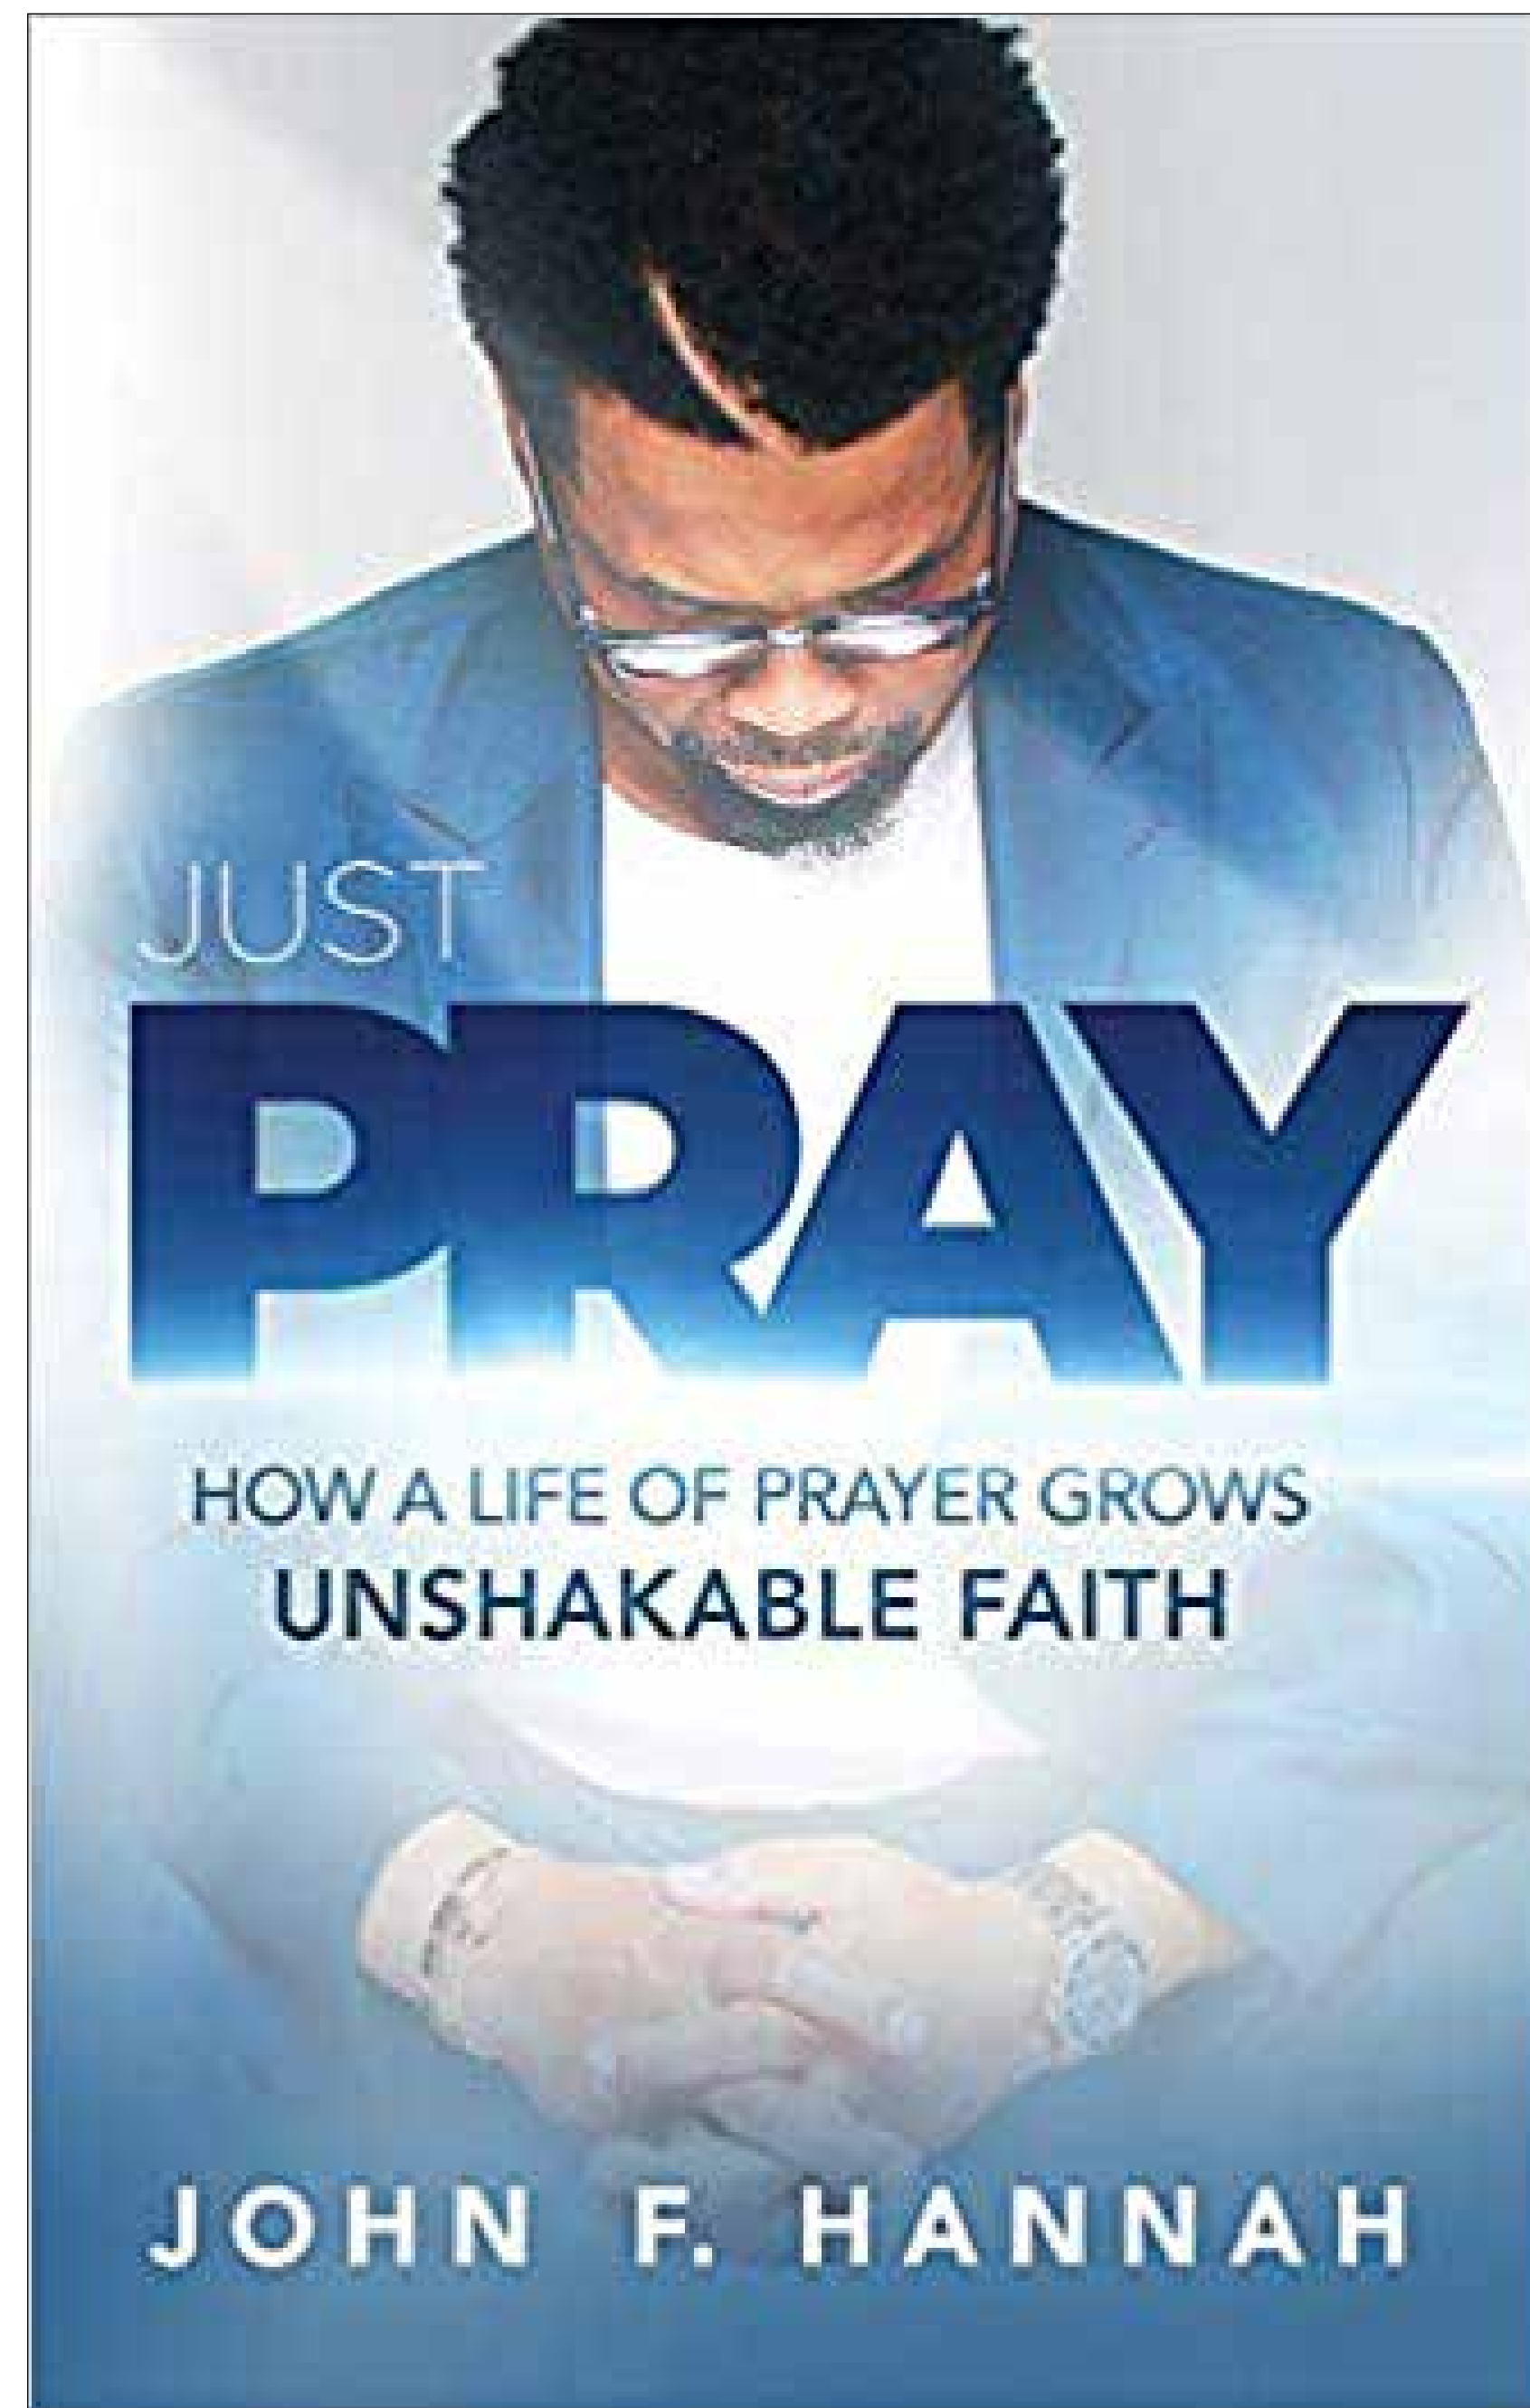

Readers will find encouragement and affirmation that they matter as men, that they can be difference-makers in their circles of influence and have a positive impact on the culture. They will find grace for their shame over past mistakes and find the ability to move forward.

## About the Author

Tim Clinton, Ed.D, LPC, LMFT, is the President of the American Association of Christian Counselors (AACC), the largest and most diverse Christian counseling association in the world. Dr. Clinton also serves as the Executive Director of the James Dobson Family Institute and recurring co-host of “Dr. James Dobson’s Family Talk,” heard on nearly 1,300 radio outlets daily. Licensed as a Professional Counselor and as a Marriage and Family Therapist, Dr. Clinton is recognized as a world leader in mental health and relationship issues and spends much of his time working with Christian leaders and professional athletes. ## Description

The answer to your need is locked in prayer.

While prayer has not been a “hot” topic for many Christians, it is the most substantive course one could ever enroll in. I haven’t met a person who didn’t want to be better. I haven’t spoken to an individual who didn’t want to have the best job and the best spouse, attend the best school, and experience the best life. But in our attempt to have the best, we often look to people to give us what only prayer can give. We look for things that can only be received via spiritual transfer. What we really need is prayer.

Pastor John Hannah shares insights on how prayer is the most under-utilized tool in the treasure chest of Christianity, and it is a MUST HAVE. Just Pray explores the call, the seat, and the warfare of prayer. When you finish this book, not only will you have practical tools to improve your prayer life, but also an encyclopedia of benefits that will help you to experience your best life now.

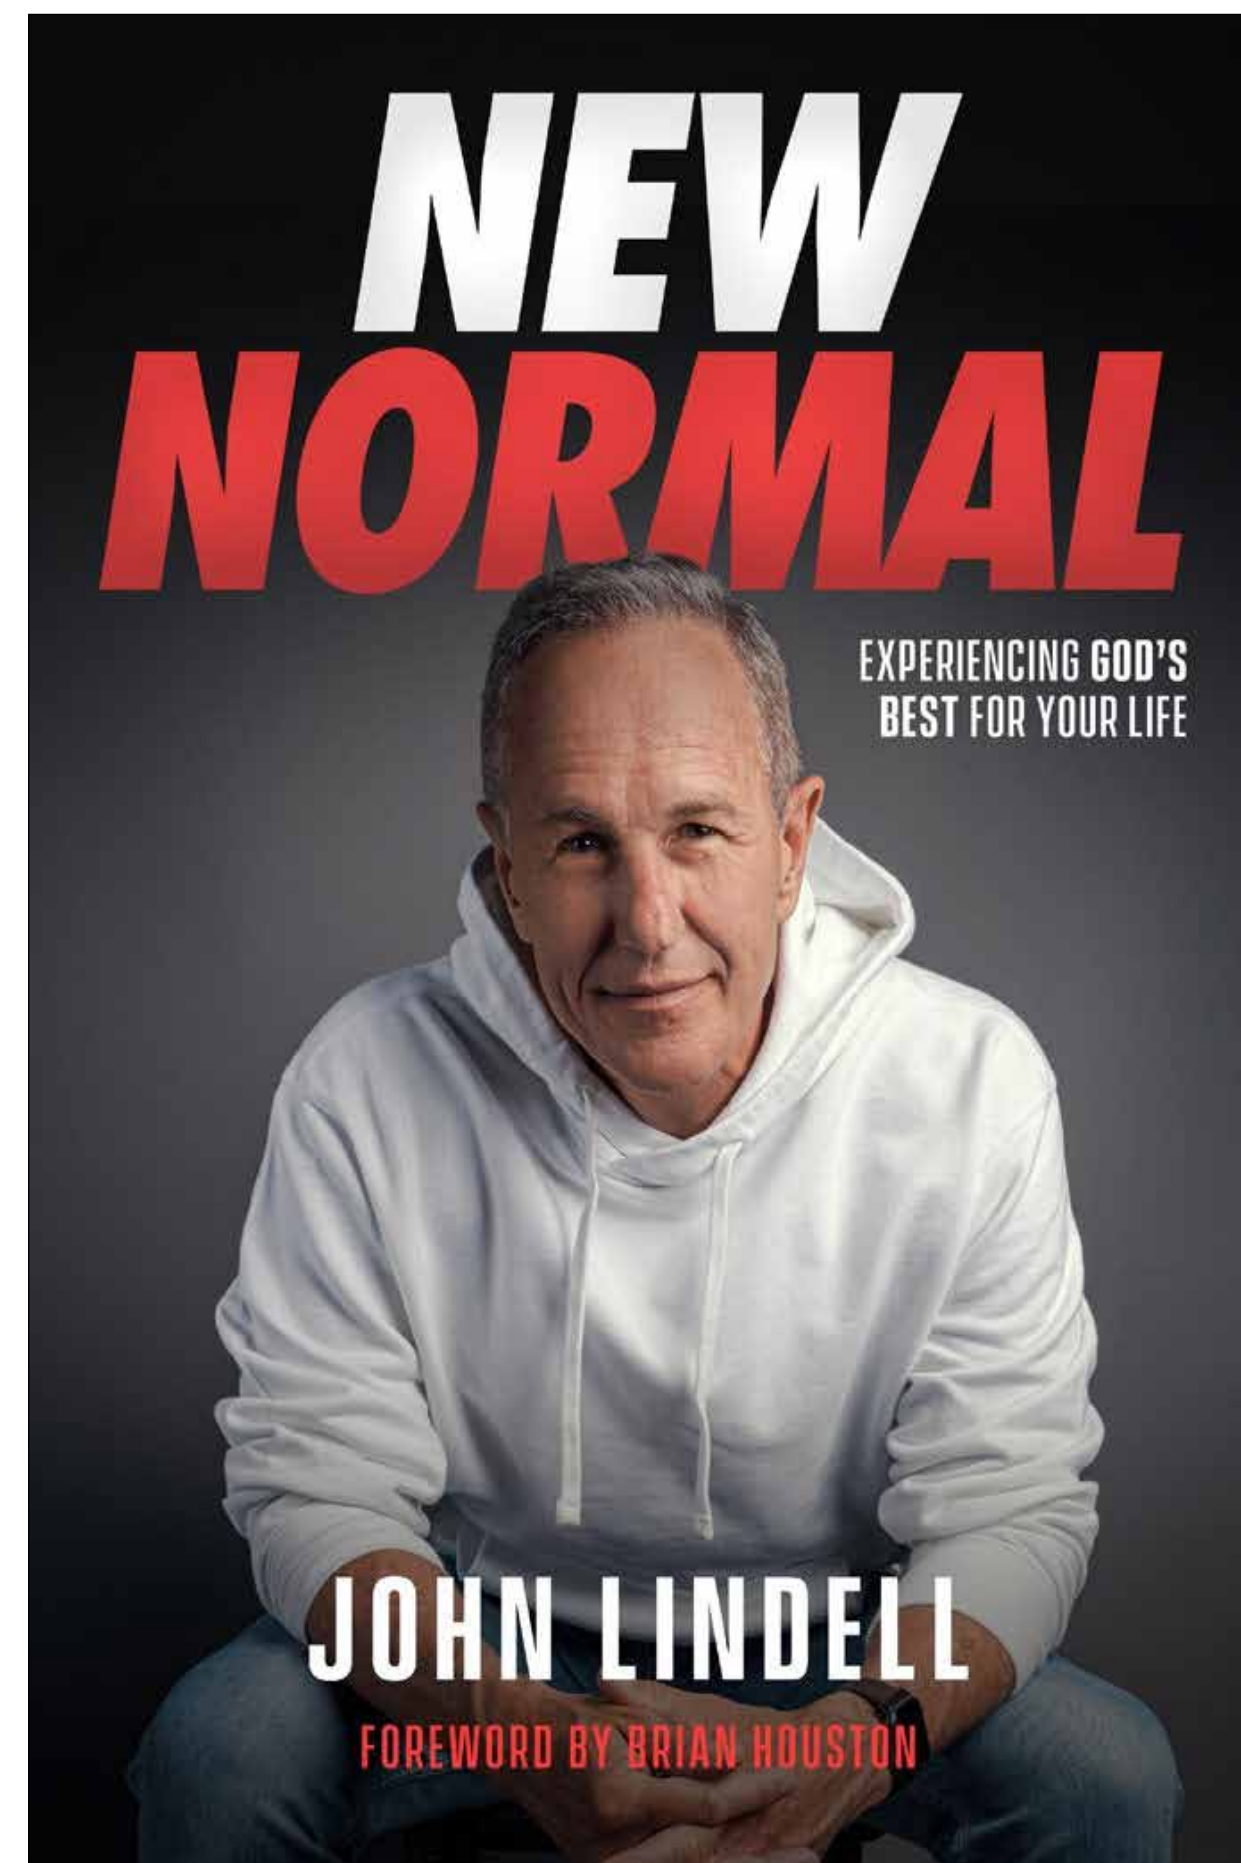

This book will show you how to deepen and intensify your prayer life and gain wisdom on how to access heaven on Earth in powerful and yet practical ways.

The reason for our sporadic acquaintance with the fullness of God's goodness is that we are not willing to wage the battle necessary to inhabit that new normal.

This book explores the pathway into the Promise Land that Joshua and the people of Israel trekked and provides spiritual principles for fighting the spiritual battles that unlock a life of walking in God's best.

## Description

King David is regarded as one of the Bible's greatest heroes for one reason: he was a sold-out worshipper. Through all of his success, failures, and pain, David worshipped God with his whole heart. The first 30 Psalms provide a record of his prayers to God--a window into his prayers as he wrestled through every circumstance across the full spectrum of human emotion.

David's example is an important model for modern-day Christians, and his words in the Psalms provide powerful language we can use in our own journey.

Psalmist and worship leader Julie Meyer has spent decades helping everyday believers encounter God through Davidic worship. By declaring and singing the Psalms, Julie has discovered that she is able to access that same open Heaven as David--a spiritual dimension where we are confident that God hears us (even when Heaven seems silent), we know that He's with us (even when He feels distant), and that--whether we feel it or not--we can trust that the giant-slaying God of David is fighting on our behalf!

In 30 Days of Praying the Psalms, Julie takes you on a prayer journey through 30 of David's songs, equipping you with:

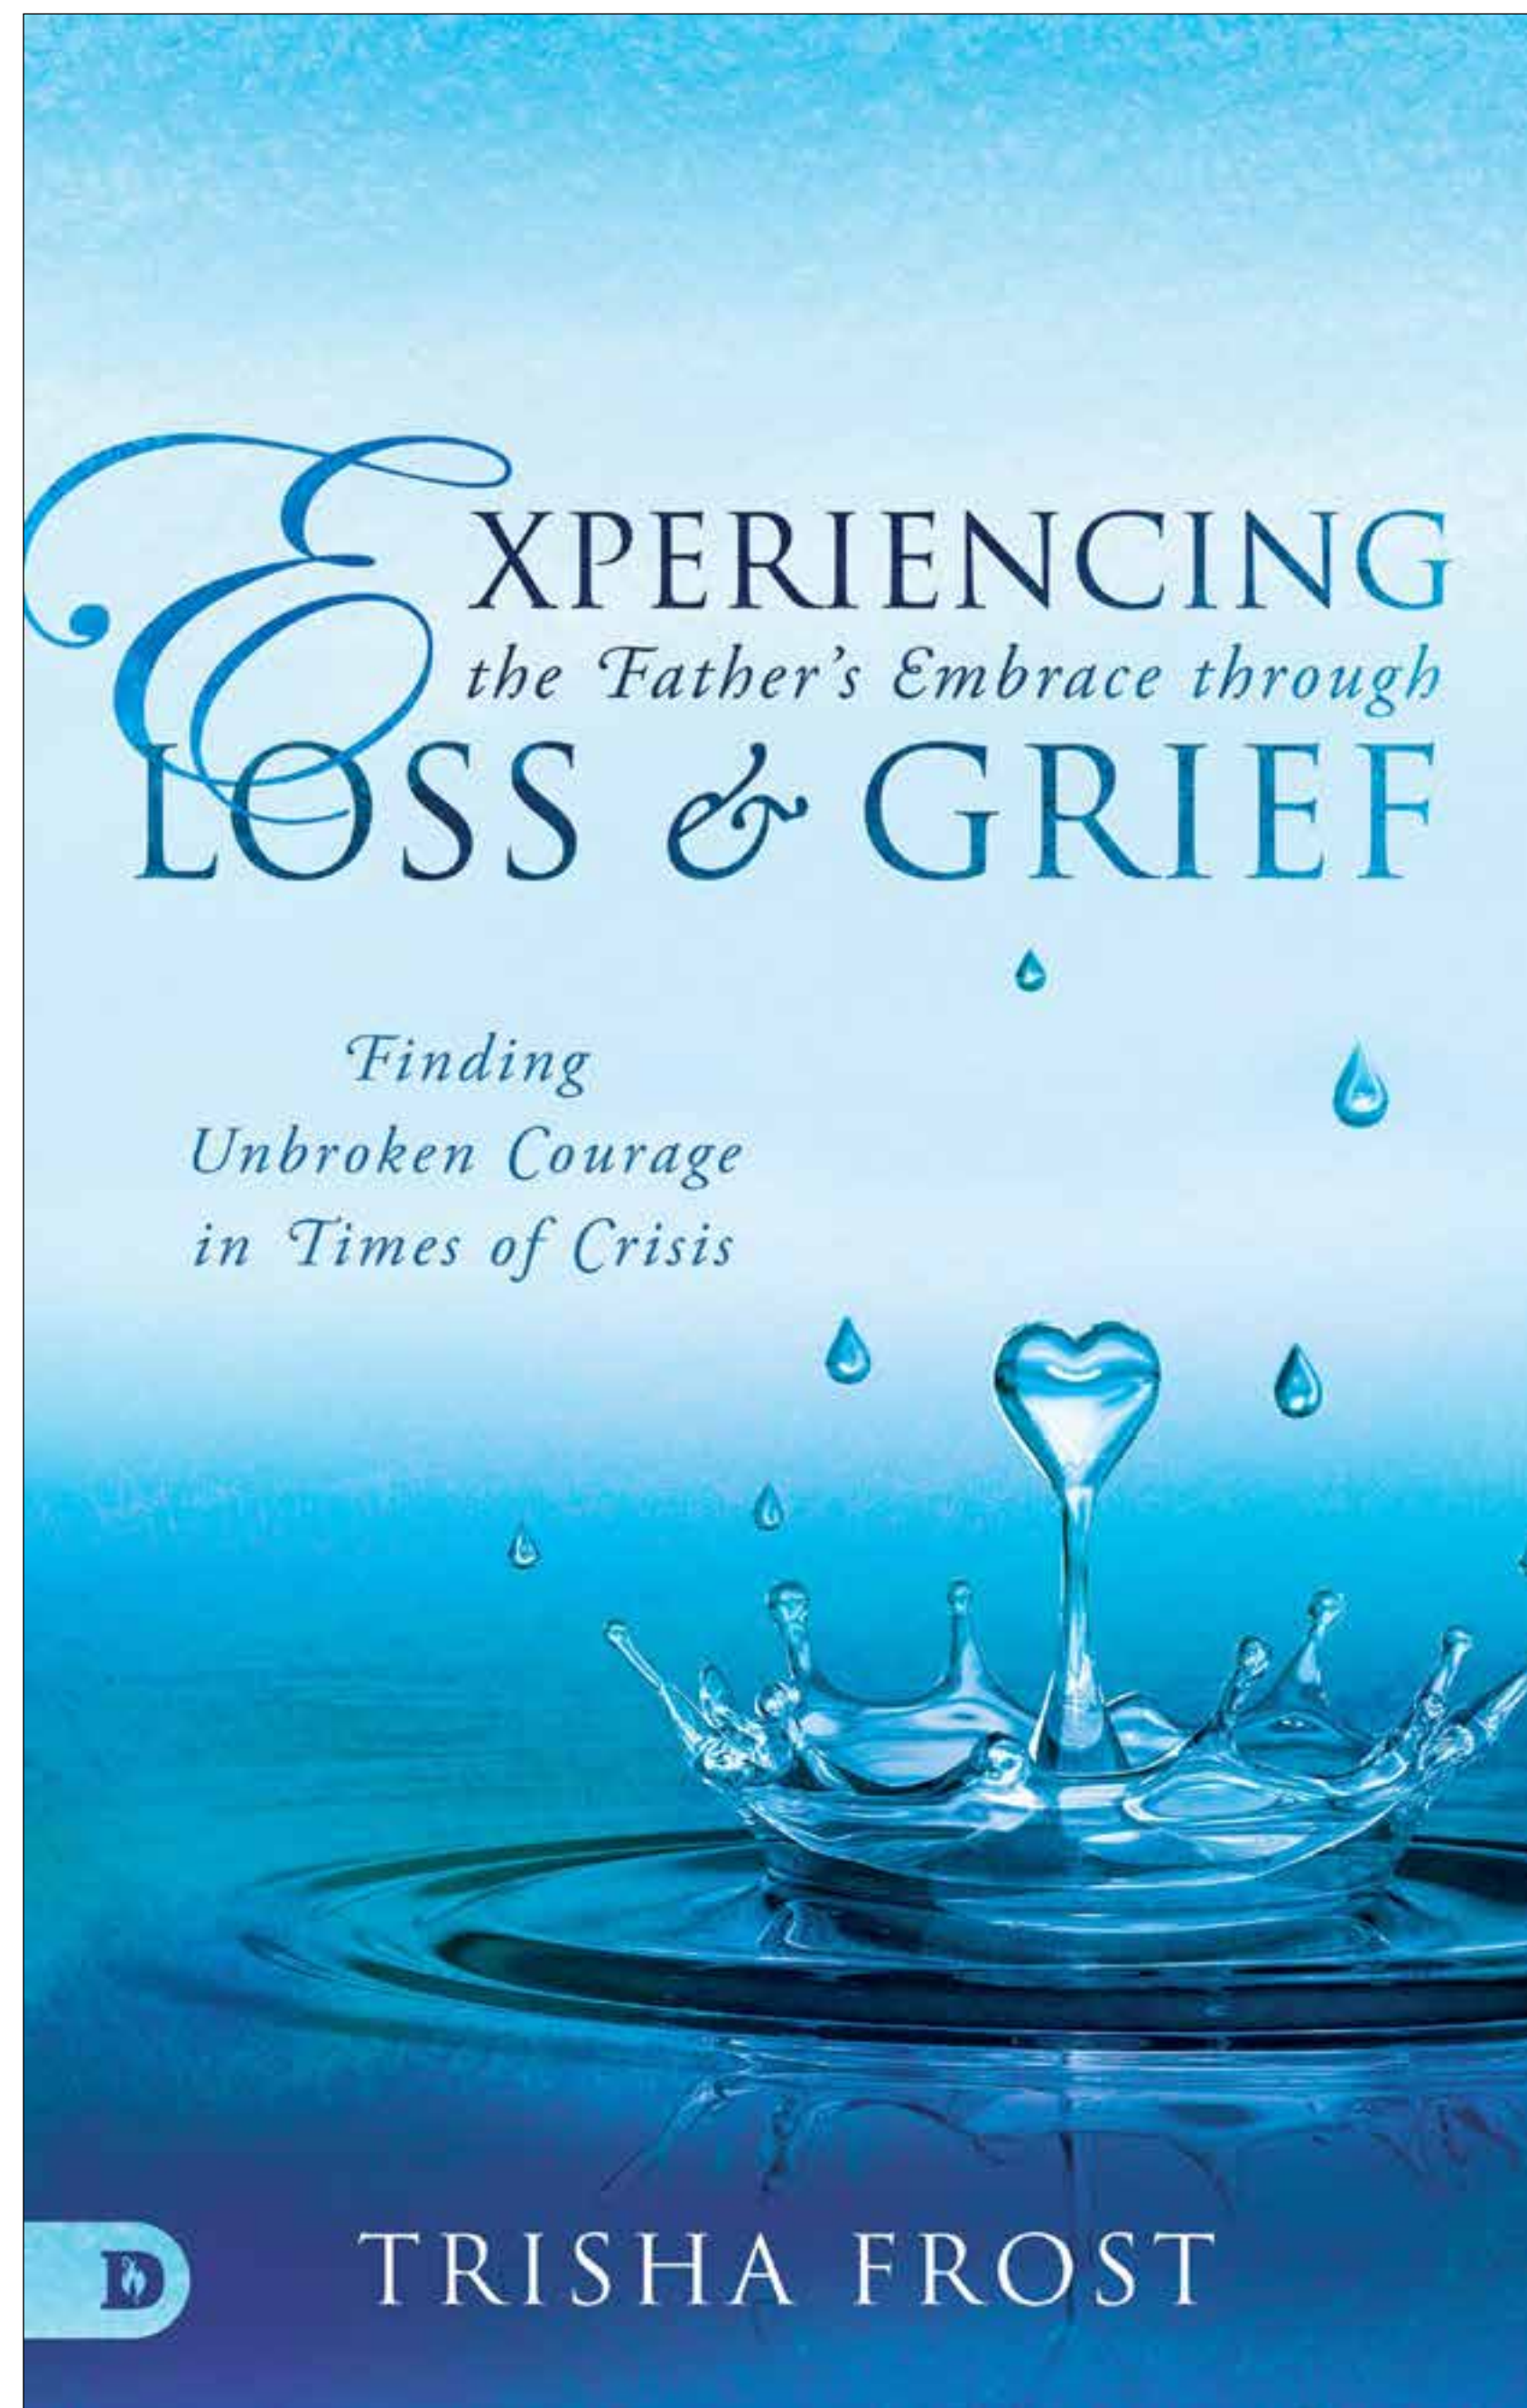

- Templates for powerful breakthrough prayers.
- Guidance for singing and declaring your way into an awareness of God's Presence.
- Simple keys to lay hold of God's promises for healing.
- Easy and comfortable language you can use when talking with God.
- The ability to make God your refuge through every storm.

King David saw every type of need answered by declaring God's faithfulness through the Psalms. Now, discover how you can see the same in your life!
