We are in times where everything is trying to pull us apart & divide us. Jesus was a figure with a longstanding voice throughout history who brought the broken and hurting together, offering hope to those who had lost their way. That is the goal for this album; stripping everything away and reminding people of the unconditional love and truth that unites us.

The desire is for all listeners to find encouragement through each of these 12 songs, and that no person feels the message of hope is not for them.

NEEDTOBREATHE – Into The Mystery CD

Description

Just as their critically acclaimed 2020 album ‘Out of Body’ impacted audiences, NEEDTOBREATHE capitalized on a rush of inspiration and rode the wave of creativity with the writing and recording of “Into The Mystery.”

Without telling a soul, the band decamped to a historic house-turned-recording studio in Columbia, TN to begin working on new music. Over the course of three weeks, they resided under one roof, laughed during meals, explored their surroundings, and recorded together with co-producer and engineer Konrad Snyder and special guests, Carrie Underwood, Jon Foreman (Switchfoot) and Natalie Hemby (The Highwomen).

Out of this de facto creative hub and “extended summer camp,” they handcrafted an album reflective of the moment, yet independent of all expectations—even their own.

PHINEHAS – The Fire Itself CD

Description

Southern California metal force Phinehas release their fifth album, 'The Fire Itself,' on Solid State Records.

During the COVID-19 pandemic, members of Phinehas took the necessary time to reflect on and process the last few years of constant touring with little to no time for creativity. "Stillness amplified some struggles I knew I had but hadn't processed," McCulloch of the band said. "For the first time, I had to deal head-on with fear and anxiety."

The result of the band's efforts became 'The Fire Itself,' a transparent outpouring of McCulloch's internal thoughts. Intentional, painful, and wholly authentic, the album presses into what it feels like to be a broken human being from their perspective. Instrumentally, the album is just as thoughtful but with a sharper edge than records past.

Track Listing:

01. Eternally Apart
02. The Fire Itself
- 03 Thorns

Description

The WHO, WHAT, and HOW of responding to those who want to silence you.

You've based your understanding of today's sensitive social issues on the Bible's truth. Mainstream culture not only sees these issues differently but calls you bigoted for rejecting views they've deemed self-evident.

So how do you witness Christ's love to those ready to write you off as hateful?

Christians in a Cancel Culture breaks down how you can speak wisdom about politically charged and personal subjects with equal parts compassion and conviction. This book will affirm your understanding of the Bible's views on sin, salvation, racism, gender identity, homosexuality, and abortion while teaching you...

- Why today's world has grown so hostile to Christians and biblical values
- Where you can find room to minister within challenging conversations
- How you can sustain relationships with those who feel threatened by God's truth

Walking in faith isn't about fighting culture wars but witnessing Jesus's restorative grace to those who haven't yet found it. Christians in a Cancel Culture will prepare you to stay true to your beliefs as you address today's controversies while opening doors to deeper discussions about Christ's redeeming love.

Is your worldview enlightened enough to accommodate both science and God at the same time?

Dr. Michael Guillen, a best-selling author, Emmy award-winning journalist and former physics instructor at Harvard, used to be an Atheist—until science changed his mind. Once of the opinion that people of faith are weak, small-minded folks who just don't understand science, Dr. Guillen ultimately concluded that not only does science itself depend on faith, but faith is actually the mightiest power in the universe.

In 'Believing Is Seeing', Dr. Guillen recounts the fascinating story of his journey from Atheism to Christianity, citing the latest discoveries in neuroscience, physics, astronomy, and mathematics to pull back the curtain on the mystery of faith as no one ever has.

Is it true that "seeing is believing?" Or is it possible that reality can be perceived most clearly with the eyes of faith—and that truth is bigger than proof?

Let Dr. Guillen be your guide as he brilliantly argues for a large and enlightened worldview consistent with both God and modern science.

Para muchos, la preocupación, la ansiedad y el miedo son compañeros constantes: miedo a la muerte, miedo al peligro, miedo a la enfermedad. En el mundo impredecible y contencioso de hoy, ¿quién puede culparnos? Con demasiada frecuencia, estos temores son paralizantes y nos roban la vida que Dios nos ha llamado a vivir. ¿Hay esperanza alguna en medio de toda esta oscuridad?

En Esperanza, el Dr. David Jeremiah explora los siete miedos principales que nos impiden vivir la vida a la cual Dios nos ha llamado. También nos comparte secretos para enfrentar estos temores con la esperanza puesta en Dios.

For many people, worry, anxiety, and fear are constant companions: fear of death, fear of danger, fear of disease. In today's unpredictable and contentious world, who can blame us? All too often, these fears are crippling, keeping us from the life God has called us to live. Is there any hope amidst all this darkness?

In Hope, Dr. David Jeremiah explores the top seven fears that are holding so many of us back from the life God has called us to live and shares secrets for facing down these fears with hope in God.

Description

So much is tied up in our longing to know who we are: our worth, whether we're loved, what we're meant to do with our lives. But there's a powerful truth that settles every question: God has named us, and the names he has spoken over us settle every question and pain we have experienced in our search for identity.

Names help us know that we belong and to whom we belong. Names carry authority and power. But we also carry other names--painful, damaging names that we have spoken over ourselves or that others have branded on us. Too often, in times of low self-worth, grief, or failure, we exchange our God-given identity for those false names.

When we believe God's names for us, we will discover a life lived with purpose and passion. Are you ready to accept God's invitation to silence the inner voice that keeps you from living freely, joyfully, and confidently?

'Known' invites you to understand and embrace what it means to be created and named in the image of God. In the process, it will ignite a passion to speak life-giving names over others, to bless them through the power of the Name that is above every other.

With vulnerability and humour, Aubrey Sampson shows you what it means to be powerfully and personally made and named in the image of God. Everything changes when you believe this incredible truth: You are known by God.

Description

Loneliness has reached epidemic proportions. We have lost the art of connection and relationship, and it's killing us.

Odds are good that you have a loved one or friend whose struggle with addiction, mental illness, suicidal thoughts, or self-injury stems from loneliness. Maybe it's you. Perhaps you're feeling depressed or anxious, struggling with compulsive behaviour, or simply questioning whether you are truly seen, loved, and valued. The culprit could well be that you're lonely.

Dr. Mark Mayfield understands the crisis well, as it led to him nearly taking his own life as a teen. As a board-certified counsellor, he has built a reputable counselling practice on the forefront of brain science and attachment therapies, dedicating his life to helping adults and adolescents confront their feelings of isolation and alienation. He is relied upon by new and experienced counsellors for training, and he has become an anchor and guide for community leaders, educators, and faith leaders.

When you read and apply the practices in 'The Path out of Loneliness', you'll develop habits that move you from isolation to connection. You'll learn the importance of attachment, the art of connection, the power of relationships, the priority of personal responsibility, the gift of vulnerability, and the vision of God, who knew from the beginning that it's not good for us to be abandoned to ourselves. This book will guide you, the people you love, and the community you live in toward a richer, fuller, healthier life.

About the Author

Dr. Mark Mayfield is a former pastor, a licensed professional counsellor (LPC), a board certified counsellor, and founder and CEO of Mayfield Counselling Centres.

Dr. Mayfield is on a list of mental health professionals that was invited to the White House in December 2019 and has had periodic calls with the White House to discuss mental health in America.

The closer we get to the heart of God, the closer we should grow toward the doubter, the skeptic, the differing perspective, even the atheist.

And that should make us wonder: Is it possible to grow in our Christian faith without engaging the doubter or the skeptic? And if growing in our faith means growing closer to the doubter, how do we do that without compromising what we believe to be true?

The Doubters' Club is a guide for people who want to live in friendship with those who think differently than them.

In The Doubters' Club, you'll learn how to:

- Rebuild the impression the other person has of us as Christians
- Renovate the intention we have with the nonbeliever
- Rely on an invitation into real life (not a church service)
- Reexamine our views through initiating conversations that matter
- Redefine progress as imitation, not just immersion.

You'll get practical steps and tools to help you navigate relationships and conversations.

The Doubters' Club invites you to bring your uncertainties as common ground for relationship with skeptics and see what God does.

Description

How do I humble myself?

Humility, according to the Bible, is not something we can just up and do. Both the negative and positive examples of Scripture—from Pharaoh to Rehoboam, from Josiah to Ahab, from Hezekiah to Manasseh, and even to Christ himself—teach us that humility first comes from the hand of God.

He initiates the humbling of his creatures. And once he has, the question confronts us: Will you receive it? Will you humble yourself in response to his humbling hand, or will you kick against him?

This concise, accessible study of Scripture's humble-self language uncovers two surprising lessons about the pursuit of humility in the Christian—both what we cannot do and also what steps we can take.

Description

In the middle of Psalm 43, God offers us a dynamic invitation: Send out your light.

Prolific singer-songwriter Sandra McCracken believes we each have the opportunity to hear and answer this invitation.

This book is written in three parts:

- Part one is the becoming, the creation, how God makes us and gives us an identity.
- Part two is the disorientation of loss, displacement, and the dark night of the soul.
- Part three is reorientation, how God brings us through the darkness and illuminates our path with Scripture, sending us out to take the light to others.

This has been the shape of Sandra McCracken's life. Through it all, songs and Scripture have been there to light the way, helping her respond to God's call.

How will you respond to God's call to send out your light?

Description

'In the Name of God' tells the story of two of the most iconic figures of national lore, George W. Truett and J. Frank Norris, who dominated much of the first half of twentieth century ecclesiology and culture not just in Fort Worth and Dallas but in the whole of America.

Norris, at the First Baptist Church in Fort Worth, and Truett, at the First Baptist Church in Dallas lived lives of conflict and controversy with each other for decades. Both led the largest churches in the world in the 1920s and 1930s. Both shot and killed a man, one by accident and the other in self-defense.

This work provides a virtual panoply of intrigue, espionage, confrontation, manipulation, plotting, scheming, and even blackmail. All in God's name.

Description

More than 70 percent of Muslims worldwide practice “folk” Islam, a syncretistic mix of theologically orthodox Islam and traditional religious beliefs and practices native to their culture of origin.

Unlike many published works on evangelism to Muslims, which argue for either apologetic or contextualized “bridge” approaches that are often ineffective in reaching adherents of popular Islam, missiologist Robin Haddaway outlines a contextual approach that addresses the unique perspective of popular Islam.

The Muslim Majority explains the differences between folk Islam and orthodox Islam, and then explores best practices for reaching folk Muslims with the gospel of Jesus Christ.

This book does not cover basics of Islam but shows a deeper understanding of Islam

Audience:

- Missionaries, or missionaries in training, serving in Muslim countries
- Seminary classes focused on world religions or apologetics geared towards Muslims
- Helpful for those seeking the next level understanding of Islam

About the Author

Robin D. Hadaway (ThD, University of South Africa) is senior professor of missions at Midwestern Baptist Theological Seminary.

Robin has more than eighteen years experience serving as a missionary.

Today's teen girls are coming of age in a world full of shallow distraction, divided communities, and cancel culture.

To counter these crazy days, bestselling author Sophie Hudson offers Grace upon Grace, a journaling devotional to encourage young women to spend time engaging with Scripture, insightful devotional thoughts, and the wild gift of God's grace.

For much of her career, Sophie has worked with teen girls, so she knows not only their struggles but how to reach their hearts as well.

These 100 devotions offer the right balance of wise words, thought-provoking journal prompts, and plenty of Sophie's trademark wit. Elegantly designed, this new book will be a sister devotional to Sophie's first teen journaling devotional, All in All.

This new collection will have a similar format and feel, but it will focus on grace—God's grace in the day to day, and His grace in the hard stuff too. Teen girls and young women will read, write, and walk away with tons of encouragement and a new understanding of God's goodness toward us.

Title: Birds of the Air: Seeing the Hidden Value That God Sees
 Author: S.E.M. Ishida
 Price: £11.99*
 Product Code: 9781087741567
 Format: Hard Cover
 Genre: Children's Books
 Distribution: UK & Europe

Set against the historical backdrop of Jesus' baptism, Birds of the Air is a fictional tale about where true value and worth lie.

In this beautifully illustrated picture book, several birds hear the news that God's Spirit will descend on Jesus in the form of a bird, but no one knows which bird.

Immediately, they begin to compare themselves, boasting about why each should be God's symbol—the peacock for his beauty, the eagle for his strength, and the parrot for his smarts. But the dove, the least impressive bird of all, has more in common with Jesus than the other birds realize.

Told in thoughtful prose with a traditional, fable-like quality, Birds of the Air will capture the imaginations of children, ages 4–8, emphasizing that God sees the hidden value in each of us and chooses the least likely among us for His great purposes.

Description

What would it look like to genuinely love God with our head AND our heart? To have a faith marked by right thinking AND right feeling? To know God deeply AND worship him passionately? Too often, Christians act as though these things are at odds with one another. But what if God intends for us to possess a Christianity that is radically committed to biblical truth, in a way that did not diminish the life of the heart, but actually intensified it?

Adam Ramsey invites us to engage both our minds and our emotions in our walk with God as we gaze at him until our hearts sing.

If you yearn for God but desire a clearer biblical picture of this God whom you love, or if you have been walking with God for a while now, but your experience of him has become settled or dry, then this book is for you.

Description

Evangelism is an extraordinary task; it's what God uses to bring people from death to life. But it has always been difficult.

C.S. Lewis was used by God in the conversions of countless people, from friends and acquaintances in his own lifetime to modern-day readers of books such as *The Chronicles of Narnia* and *Mere Christianity* (the most influential Christian book of the 20th century). So, if we want help with evangelism, there is much we can learn from the clarity and imagination of this hugely influential Christian writer.

You may feel inadequate to the task; after all, there is only one C.S. Lewis. But evangelist Randy Newman skillfully helps us to apply the methods Lewis used (storytelling, humor, imagery and more) in our own conversations.

You will be equipped to talk about your faith and engage with unbelievers wisely, whatever their attitude towards the Christian faith.

Gladys had to cross a dark forest, surrounded by packs of hungry wolves. She met scary people who thought she was a spy. She sneaked onto a ship, and then took another boat, another train, a bus and lastly a donkey!

When she eventually arrived, the villagers were deeply suspicious and threw mud at her! But, with time, Gladys earned the trust of those around her and helped the elderly missionary, Jeannie, to run a guesthouse for tired travellers, where they would read them stories from the Bible every night. Description

A faithful examination of the role of John Calvin in the execution of Michael Servetus.

The execution of Michael Servetus (1511–53) is one of the most debated events in the life of John Calvin (1509–1564). It has left an indelible stain on his reputation, and unfortunately, the retelling of the story is often dependent on the historian's relationship to Calvinism.

Jonathan Moorhead here seeks to give a faithful narrative of the role of John Calvin in the execution of Michael Servetus. He examines the life of Servetus, with emphasis given to his education, publications, and relationship with John Calvin. Moorhead also gives attention to the role of Calvin in Servetus' arrests, trials, and execution.

Understanding the extent of Calvin's power in Geneva at the time of the trial is critical to understanding the events, as is the context of executing heretics throughout history, and in particular, in the 16th Century.

This book will challenge readers to think critically about the ethics of telling history, the standards of properly judging previous generations, and the benefits of this study for the building up of the Body of Christ.

Description

William Wilberforce (1759–1833) is best remembered as a leading figure in the movement to have the slave trade abolished throughout the British Empire. He was a Member of Parliament from the age of 21 until he retired due to ill health at the age of 66. His conversion in 1785 caused him to change his lifestyle and to commit his future life and work to the service of God.

He wrote a series of spiritual journals as a record of his spiritual pilgrimage. These journals are an honest record of Wilberforce's spiritual life: the Scriptures and Christian books he read; people he met; people he witnessed to; his spiritual and physical struggles; and many other fascinating insights.

Throughout his writings his constant desire to be a better Christian is striking. This man, admired by many, saw himself as a sinner, and his diaries are filled with his striving to put this sin to death. He follows a Puritan pattern of self-introspection and his journals are form of spiritual confession.

Michael McMullen has transcribed the original manuscripts and has added many helpful annotations and footnotes. Scripture passages, book titles, names of people and events are clarified. These annotations will assist the reader to better understand the context and value of the journals. This work gives an invaluable insight into the life and motivations of William Wilberforce. There is much to be gleaned from his example in life and culture today.

Description

We are starving for want of wonder. In what we perceive to be the desert wasteland of daily life and regular responsibilities, our souls hunger for more. We instinctively feel there must be more to life than merely waiting for the next big movie to be released, or the next sport season to come back around, or the next holiday to arrive on the calendar. We long to be truly in awe.

All the while, true wonders abound. They abound in the natural world, and they super-abound in the supernatural realm. What our souls are starving for is not merely to be awed, but to discover something or someone that is truly, permanently, and altogether awesome.

God tells us, over and over again, to focus our starving souls on the superb reality of who He is, what He is doing, and what He promises to do for all who trust in Him. God invites us to pause within the pages of Scripture, to consider what we are reading, and thereby to feast on His majesty. And God's invitation to glory in Him is nowhere more explicit than in the repeated command to 'Behold.'

Justin O. Huffman invites us to meditate on ten of the occasions the command 'Behold' is used in the New Testament, and to feast on the wonderful truth we find there.

About the Author

Justin Huffman is a graduate of Reformed Theological Seminary and pastored in the USA for 20 years.

He is lead pastor of Morningstar in Toronto, where he lives with his wife Chau and their four children.

Justin strives to awake wonder through God's Word at justinhuffman.org and the Daily Devotion app.

 Product Code: 9781527107229
 Format: Paperback
 Genre: Pastoral Resources
 Distribution: UK & Europe

A pastoral guide to dealing wisely with domestic abuse in the local church.

This book is intended to equip pastors, church leaders and church members to respond with the heart of God to situations of domestic abuse that occur in their local church. Prioritising the safety of the victim at all times, Jeremy Pierre and Greg Wilson seek to help you be the kind of church leader, church member, friend, parent, sibling, or neighbour who responds wisely. We want the church to be a new normal for those grown accustomed to abuse. A home that doesn't hurt those inside, but instead welcomes them into the tender care of the Lord.

Split into three sections, When Home Hurts begins with an overview to provide a framework for understanding abuse and the people caught up in it, before moving on to advice on how to help in the short and long terms.

This very practical, pastoral book acknowledges the reality and the horror of domestic abuse, but also the reality and power of God to heal. It will be a helpful guide to anyone who suspects abuse within their church family but is unsure how to help without making things worse.

Description

After your faith has fractured, let what takes its place be the real thing . . . at last.

Somewhere along the way, the Christianity you knew began to crumble. You began to suspect your faith was misplaced. Disillusionment set in. Churches hurt you. Their people failed you. Christian institutions were exposed as fake. And in it all, God was silent. Is He gone? Or is God really there, waiting for you to find Him instead of the counterfeits?

If you're walking this difficult spiritual path, Lina Abujamra understands you. After experiencing the near deconstruction of her own faith, Lina had to rebuild something more solid when the faith she once knew let her down. With her diagnostic style that comes from her training as an ER doc, Lina helps you grapple with questions like:

- Is this how Christians are supposed to act?
- Why did my story end up this way?

- Why is it so hard for Christians to love?

Let 'Fractured Faith' help you find your way back to God. You just might discover that the real God has been waiting for you all along.

Description

Can joy come from suffering?

We think of suffering as the worst of all evils. Our culture tells us to avoid it at all costs. But can suffering produce growth in us when we learn to endure it . . . then value it . . . then allow God to redeem it?

John Perkins' response to suffering at the hands of a white sheriff in a Mississippi jail became the springboard that God used to put him in front of U.S. presidents, international politicians, and evangelical church leaders. Perkins sees endurance in suffering as a virtue that makes us more like Christ and ultimately produces uncommon joy in the heart of the sufferer who trusts in Him. Christ walked the path of love all the way to the cross, and even in the midst our brokenness, we can do the same.

In 'Count it All Joy', you will be encouraged to lean into suffering when it comes your way, stand alongside others who suffer, and believe that God will repurpose your suffering according to His good plan. God doesn't intend your life to be free of all suffering. Instead, He wants you trust Him in the midst of it and discover the unexpected joy that trials can produce.

Everyone thinks you've got it together. But inside, you're asking, "Am I enough?"

No matter how good we look to others, the nagging voice of self-doubt is hard to shake. We ask questions like:

- If people really knew me would they still accept me?
- Will I be rejected when I can't perform?
- Can I pull this off?
- What if I end up alone?
- Am I missing out on what life should be because I can't shake this fear?

If you find yourself having thoughts like these, Erica Wiggenhorn wants to lead you to freedom. Drawing from the story of Moses--the greatest self-doubter in the Bible--Erica shows how self-doubt is tied closely to self-reliance. It's only when you cast yourself on God that you find the true source of strength.

Are you enough? The answer is no . . . but your God certainly is. Step out in His power instead of your own and watch your confidence blossom because you're in the hands of I AM.

Title: So How Do I Parent This Child?
 Author: Bill Hendricks & Bev Hendricks Godby
 Price: £12.99*
 Product Code: 9780802422132
 Format: Paperback
 Genre: Family & Relationships
 Distribution: UK & Europe

Parents don't determine who their kids become. They steward them into who they're meant to be.

One of the most common myths in parenting books--you see it everywhere--is that parents are responsible for who their children turn out to be. Proper input yields proper output, or so the thinking goes. But that mindset works with machinery, not people.

The truth is, your child has a unique set of traits--their giftedness--that only they possess. The parent's job isn't to crank out a product, but to point an individual human being toward a healthy, flourishing life.

In So How Do I Parent This Child?, brother and sister duo Bill Hendricks and Bev Hendricks Godby team up to help you understand the difference between producing a product and parenting a person. They take you through all the stages of child rearing--from diapers to driver's licenses to diplomas--to give you a comprehensive look at how identifying giftedness and helping your children discover it for themselves makes all the difference.

 Author: Ashley Terradez
 Price: £13.50*
 Product Code: 9781680317831
 Format: Paperback
 Genre: Spiritual Growth
 Distribution: UK & Europe

Too many Christians have the wrong idea about money! Some base their thinking on the world's system, while others base their opinions on unbalanced church doctrines. Some have gone so far as to advocate poverty as being godly.

Yet, author Ashley Terradez points out that Jesus purchased financial prosperity for us and taught on finances more than any other subject. Why? Because religious attitudes against prosperity can limit God's supply to us.

In Thorns, Barns and Oil Jars, Ashley shares a scriptural foundation of abundance and the practical steps to walk in it as he outlines the biblical tripod of financial prosperity. True financial freedom is found in the balance of all three:

- Thorns – Symbolizing work and how God blesses the work of your hands
- Barns – Symbolizing the need to save so God can bless your storehouse
- Oil jars – Symbolizing God's favour and anointing so God can supernaturally bless your life

Description

Many people believe cancel culture is a threat to their freedom. This book will help you realize the seriousness of the battle before us and illuminate the present circumstance for the purpose of doing good—to bring hope. It will document what is happening, how believers can respond, and why we can look expectantly to the future. This is the time for neither religious fatalism nor political inaction. No matter how bad things get in the culture or in government, the Bible is true and God has plans and purposes we don't understand—and in the end we win.

The term 'cancel culture' applies to all conservatives who oppose the politically correct crowd, but it's part of a bigger effort to cancel Christianity and those who espouse biblical principles. It almost seems this is the beginning of the end and the Antichrist will appear at any time.

It seems that Christians are in an unprecedented season of fragmentation, potential division, and actual separation on many fronts. Instead of going forward, much of the church seems to be moving backward or standing still, waiting for what's next. Even though things are bad, we must understand that conditions have been this bad or worse in the past and God always came through. He has plans and purposes we don't understand. Christians must not lose heart. We must stand strong and not be intimidated. We must pray, and we must believe God for a great awakening. No matter how bad things get in the culture or in government, the Bible is true and 'all things work together for good to those who love God'; (Rom. 8:28, MEV).

This book will reveal what that looks like in its various forms in the day in which we live. It gives a great handle for promoting unity and appreciation of one another when that is breaking down so badly elsewhere.

Description

Carl Trueman analyses the theology of the great Puritan theologian, John Owen, paying particular attention to his vigorous trinitarianism.

To understand Owen, we need to see him as a seventeenth-century representative of the Western trinitarian and anti-Pelagian tradition. Trueman demonstrates how Owen used the theological insights of patristic, medieval, and Reformation theologians to meet the challenges posed to Reformed Orthodoxy by his contemporaries.

A picture emerges of a theologian whose thought represented a critical reappropriation of aspects of the Western tradition for the purpose of developing a systematic restatement of Reformed theology capable of withstanding the assaults of both the subtly heterodox and the openly heretical.

Table of Contents:

1. Owen in Context
 2. The Principles of Theology
 3. The Doctrine of God
 4. The Person and Work of Christ
 5. The Nature of Satisfaction
 6. The Man Who Wasn't There
- Appendix One: The Role of Aristotelian Teleology in Owen's Doctrine of Atonement
Appendix Two: Owen, Baxter, and the Threefold Office

Thomas Goodwin was a prolific author and editor. During the 1630s he coedited with John Ball the works of John Preston and Richard Sibbes.

He began to publish his own sermons in 1636. Prior to his death, he had published at least twelve devotional works, most of which were collections of sermons. The fact that they were reissued forty-seven times indicates the high demand and wide circulation of his publications.

Most of Goodwin's major theological writings were the fruit of his riper years and were published posthumously. His unusually large corpus of treatises display a pastoral and scholarly zeal rivaled by few Puritans.

Goodwin represents the best of Puritanism in addressing the intellect, will, and heart. His writings reveal the vigor of earlier Puritans such as William Perkins and Richard Sibbes as well as the mature thought of later Puritan divines, supremely represented by Owen.

If you want to grow in grace and have your soul fed on the deep things of God, buy and prayerfully read Goodwin's Works.

Price: £19.99*
Product Code: 9781683595373
Format: Paperback
Genre: Bible Commentaries NT

The letter to the Hebrews is unique in the New Testament for its focus on the priesthood of Jesus and its interaction with the Old Testament. But beyond this deep theology, Hebrews is a practical book that addresses the very real challenges believers face when life gets difficult.

In Hebrews Verse by Verse, the late Grant R. Osborne, with George H. Guthrie, shows readers how this beautifully crafted letter encourages believers to endure in faithfulness to Jesus.

By using Scripture and theology to lay the foundation for these exhortations, the central message of Hebrews continues to be relevant for the church today.

Osborne's commentary delves into the grand implications of Christ's identity and its importance for our spiritual lives.

Author: Scott R. Swain
Price: £21.99*
Product Code: 9781683595359
Format: Hard Cover
Genre: Doctrine & Theology

Orthodox Christians affirm and worship a triune God. But how should this affect our reading of the Bible?

In *The Trinity and the Bible*, Scott R. Swain asserts that not only does the Bible reveal the Trinity, but the Trinity illuminates our reading of the Bible.

Swain reflects on method and applies a Trinitarian framework to three exegetical studies. Explorations of three genres of New Testament literature—Gospel, epistle, and apocalyptic—display the profits of theological interpretation.

Through loving attention to the Scriptures, one can understand and marvel at the singular identity and activity of the triune God.

Description

Since 2011, tens of thousands of churches and small groups have turned Adam Hamilton's best-selling book on the birth of Christ into a classic that's read each year.

In 'The Journey', Adam Hamilton travels from Nazareth to Bethlehem in a fascinating look at the birth of Jesus Christ. As he did with Jesus' crucifixion in '24 Hours That Changed the World', Hamilton once again approaches a world-changing event with thoughtfulness. Using historical information, archaeological data, and a personal look at some of the stories surrounding the birth, the most amazing moment in history will become more real and heart-felt as you walk along this road. Read The Journey on your own or, for a more in-depth study, enjoy it with a small group utilizing the Leader, DVD featuring Adam on-site in the Holy Land, and resources for youth and children.

"This book may be the greatest Christmas present of the year. Adam thoughtfully, movingly walks us through what really happened when God touched this planet. The richness of the full story will touch your life as well."

– John Ortberg

"If you think you know the story of Jesus' birth, think again! This wonderful book sets us on a journey to the times and characters of Christmas so that we experience the birth of Christ in our lives in a new way."

– Joel C. Hunter, author of Church Distributed

 Product Code: 9781501858956
 Format: Paperback
 Genre: Bible Studies
 Distribution: UK & Europe

Deep Calls to Deep demonstrates a new and generative way of reading the Bible, which looks for differences among texts to engage in dialogue over critical issues that are not only biblical but also are relevant to our contemporary crises.

Bill Brown explores uncharted territory in the Bible with a particular focus on the Psalms, the most diverse book of the Bible. By taking his cue from Martin Luther, Brown explores how the “little bible” (the Psalter) engages the larger Hebrew Bible in dialogue, specifically how the Psalms counter, complement, reconstruct, and transform biblical traditions and themes across the Hebrew canon, from creation and law to justice and wisdom.

In this deep study of the Psalms, Brown asks What is humanity’s place and role in creation? What makes for a credible leader? What is “law and order”? What is the role of wisdom in the life of faith? What is the shape of justice in a society polarized by power and fear?

These and other questions are hosted by the Psalms with the aim of prompting dialogue, the kind of dialogue that is most needed in a time of deep division and disruption.

Devising a plan to get Bombus to stop, they tell him that he's just too bulky to be flying and that he would be better suited to being on the ground crawling. Bombus looks at all the other flying bugs and decides that perhaps they're right, so he stops flying and starts crawling.

Then God shows up and corrects Bombus saying, "what did I tell you to do? Fly! So fly."

 Author: Nick Liguori
 Price: £23.99*
 Product Code: 9781683442714
 Format: Paperback
 Genre: Science, Creation & Evolution
 Distribution: UK & Europe

More than 300 Flood traditions from all over North and South America are included, organized by regions beginning in Canada and proceeding southward.

In Echoes of Ararat, author Nick Liguori contends that oral traditions of the Flood—and the survival of the few inside the floating Ark—are even more prevalent than previously thought, and they powerfully confirm the truth of the Genesis account.

This unprecedented work carefully documents hundreds of native traditions of the Flood—as well as the Tower of Babel and the Garden of Eden—from the tribes of North and South America.

Learn what the Cherokee, Lakota, Iroquois, Cheyenne, Inuit, Inca, Aztec, Guaraní, and countless other tribes claimed about the early history of the world. Liguori also shares many evidences for the historical reliability of Genesis, and shows that the Genesis Flood account is not dependent on the Epic of Gilgamesh or other Near-Eastern texts, as skeptics claim.

Rather, its author Moses had access to ancient records passed down by the early Patriarchs, including Joseph, Jacob, Abraham, and even Noah himself.
