# Bethel Music – Homecoming (Live) 2CD

## Description

'Homecoming', Bethel Music's most recent compilation album, features 15 new songs, each brimming with the love and embrace of our Father. Inspired by the parable of the Prodigal Son in Luke 15, we believe that this is an invitation to return to who we truly are as sons and daughters.

Recorded live in Redding, California, this album reminds us of the reconciliation, forgiveness, inner healing, and celebration that awaits us when we run to Jesus. 'Homecoming' invites listeners to return to the One who waits with open arms, ready to embrace His children with complete love.

"Bring quickly the best robe, and put it on him, and put a ring on his hand, and shoes on his feet. And bring the fattened calf and kill it, and let us eat and celebrate. For this my son was dead, and is alive again; he was lost, and is found.' And they began to celebrate." Luke 15:22-24

# Planetshakers – Revival (Live) CD

## Description

As the world faced one of its most challenging predicaments and the church globally faced restrictions in the free world that were surprising to say the least, God declared over Planetshakers as a movement REVIVAL!

He then opened up a window of opportunity for us to join together as a church to hold 'REVIVAL' Conference where we recorded this live album. It was raw, emotional and it was powerful! I

n the midst of restriction, God was not restricted. He moved in healing power restoring, renewing, reviving.

We want to share this experience with the world with the hope of encouraging and empowering others to stand on God's promise and believe in His ability to revive any situation with His mighty resurrection power.

# Mike Donehey – Flourish CD

## Description

Previous 'Tenth Avenue North' front man, Mike Donehey set out to share a simple, yet profound message in his debut solo project 'Flourish'; Sometimes God redeems us from our struggles and sometimes God redeems us through our struggles.

The debut single "All Together" asks what the Church might look like if it embraced radical vulnerability and acceptance, while standout track 'Glory I Couldn't See' explores the beauty that can be found all around us when we are truly present in our lives.

'Flourish' encourages us to be fully present and to meet one another's brokenness with grace because, after all, the cracks are where the light gets in.

# Mac Powell – New Creation CD

## Description

Mac Powell, originally from Alabama, moved to Atlanta, GA as a sophomore in high school where he would soon co-found the Christian rock band Third Day. Throughout their nearly three decade career the band sold over 10 million albums, earned four Grammy awards, one American Music Award, 24 Dove Awards, and was inducted into the Georgia Music Hall of Fame.

Mac's newest solo offering, a 10-track album titled "New Creation," is jam packed with rock and roll riffs, southern-drenched vocals, and praise anthems for the whole family. Lead single "River of Life" is a powerful invitation and reminder that the blood of Christ is a river of life and source of strength for all Christians to live by. "1991" is a fun autobiographical track about a life changing decision for Mac. And the title track "New Creation" ushers listeners into a spirit of praise and celebration for the new freedom we find in a life with Jesus.

Mac is on staff at Church of the Apostles in Atlanta, GA where he lives with his wife Aimee and their five children.

## Description

Anne Wilson is the new standout artist from Capitol. The title track has had over 6 million views on YouTube. The song has also gone to #1 at radio. “My Jesus” is the first debut single to top Hot Christian Songs since Cory Asbury’s “Reckless Love”.

‘My Jesus’ is full of Southern roots sounds that will take us to Anne’s hometown.

“I hope you feel the love of Jesus as you listen. I’ve been blown away by how God has been using the single, ‘My Jesus,’ to impact many lives,” shares Anne. “I also grew up listening to Country music, and as we were brainstorming this album, I wanted to do a cover song.

‘Boondocks!’ describes where I’m from, where I grew up, and what it really means to be country at heart. I hope you enjoy this fun version.”

# Various – The Life Of Jesus DVD

## Description

'The Life of Jesus' tells the story of Jesus Christ, as seen through the eyes of his follower John. Jesus is almost 30 years old when he becomes a public figure and he is quickly known for his wise lessons about knowing God, his inspirational stories and the miraculous healings he performs. He heals the son of a Roman centurion, brings a disabled man to his feet, gives sight to a blind man, and wakes his friend Lazarus from the dead.

His growing following is an increasing concern for the Jewish leaders. When he starts to ignore their strict religious laws by performing miracles on the Sabbath and offends them by saying he is the Son of God, his fate is sealed. He is betrayed, arrested and taken to the Roman governor Pilate, who is thrust into a difficult political situation. He lets a mob decide Jesus' fate, washing his hands of the consequences, and Jesus is put to death. His followers are shocked and dismayed. IS his death really the end...?

### Description

Have you ever faced a season where the ‘life to the full’ that Jesus promises feels just out of reach, light seems like it’s just over the horizon, or lies seem to crowd out the truth?

If you’re anything like Ellie Holcomb, the answer is yes. For her in these seasons, God’s Word has been a shelter, a comfort, a song, a balm, an anchor, and ultimately, a light that has helped kick back at the darkness of lies we so often believe.

In her debut devotional, ‘Fighting Words’, you are invited to come alongside Ellie as you ponder the power of God’s promises together and speak them into the darkest corners of your soul.

Filled with encouraging and honest reflections, beautifully designed Scripture memory pages, and wonderful questions to help you process. ‘Fighting Words’ is a place where you can wrestle, respond to, and take hold of precious truths in God’s Word to help you push back the lies that so often consume, distract, and destroy us.

As you steep your soul in the living Word, take hold of it, wrestle with it, and bury it in your heart along with Ellie, you’ll find that little by little, you’re fighting the lies with the truth, kicking back the darkness, and living in the light.

## Description

God, do you hear me? If we're honest, that's a sentiment we've all shared.

Prayer can be challenging and confusing. We don't know what to pray for, we don't know the words to say, and sometimes it just feels like there's no one on the other side.

Through the pages of this book, pastor and bestselling author Derwin Gray will journey with you, in learning and living the prayer that God always answers. This prayer is commonly called the Lord's Prayer (Matt 6:9-13).

The Lord's Prayer is the firm foundation God uses to build our lives on the Rock. It will help you break through to a completely new and refreshing prayer life. Along this journey, you'll learn several things about prayer:

- Prayer is the secret place where we find God waiting for us.
- Prayer is the door we enter to discover God's heart of unending grace.
- Prayer is the home we have always wanted, where we can crawl into our Father's lap and find our purpose.
- Prayer is not about getting God to give us stuff. It is about becoming who we were made to be: a reflection of Jesus in the world.

## Description

Have you ever thought your life is beyond repair? Perhaps you asked, “How could God possibly use my brokenness for good?” We all tend to look for purpose in our pain. We are broken people living in a broken world. Depression, anxiety, hurting relationships, unmet expectations, and just that constant feeling of unease and discouragement make us question God, wondering if there is even a purpose to be found.

In ‘Repurposed’, Noe Garcia takes readers on a journey through Romans 8, which many have called “The Greatest Chapter in the Bible.” Noe shares his life story, including abuse, depression, and overwhelming hopelessness. He reveals how God has redeemed him, repaired his brokenness, and restored him to new life. Whether your life is like Noe’s was, or your brokenness looks different, this book will meet you where you are, and:

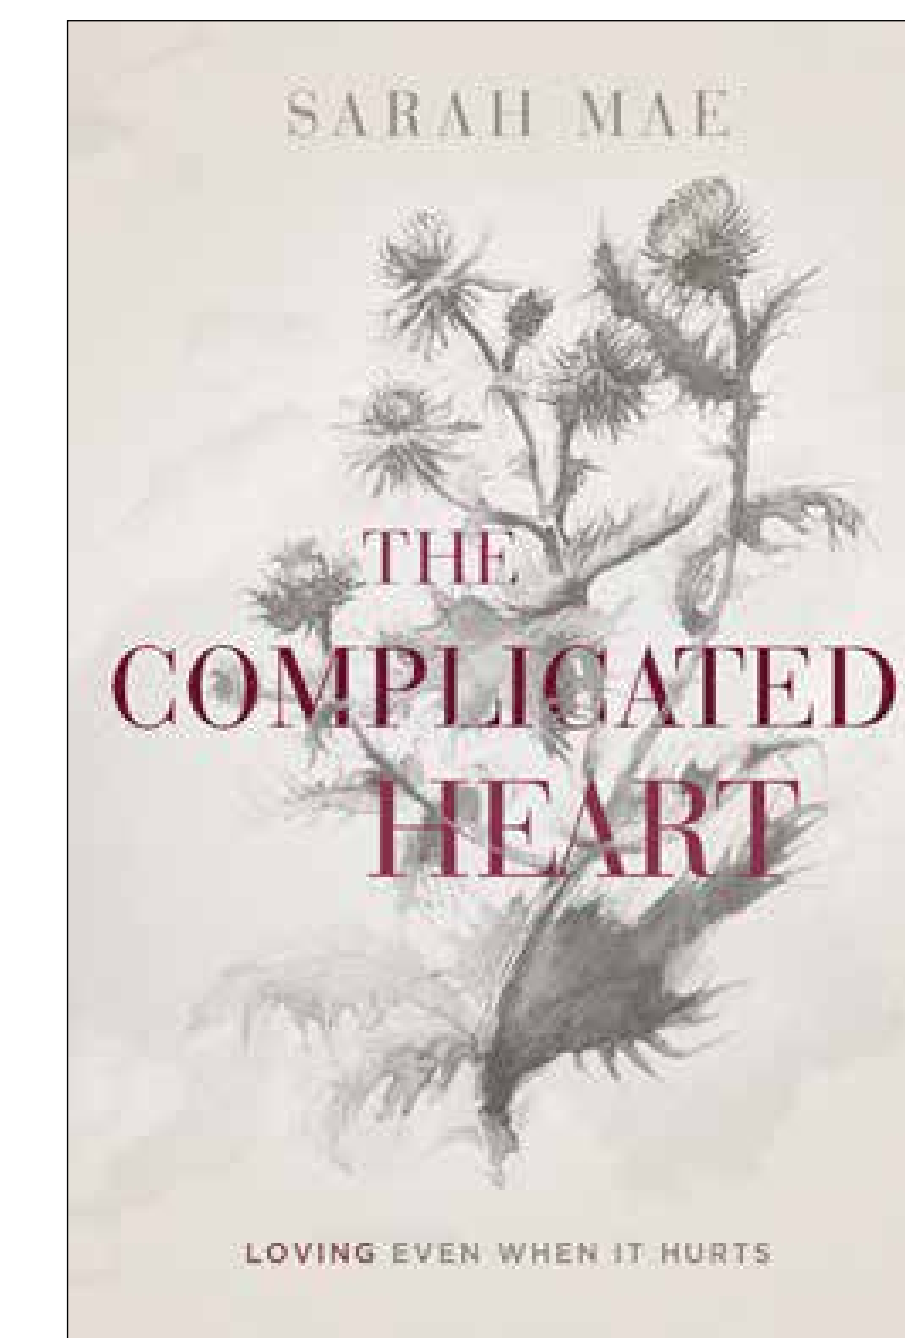

- Provide hope for your future.
- Remind you of the promise that God is for you.
- Lead you to surrender your brokenness to God.
- Help you see how God is using all things together for your good.

## About the Author

Dr. Noe Garcia is the Senior Pastor at North Phoenix Baptist Church in Phoenix, Arizona. He and his wife have four children. ## Description

In a narrative sense, people are trees. There's a connection. They both come from dirt. They're both told to bear fruit. As the story continues, arboreal language is so often applied to humans that it's easy to miss, whether we're talking about family trees, passing along our seed, cutting someone off like a branch, planting ourselves in a new place, or bearing the fruit of the Spirit. It's hard to deny that trees mean something, theologically speaking.

This book is in many ways a memoir, but it's also an attempt to wake up the reader to the glory of God shining through his creation. One of his first commands to Adam and Eve was to "work and keep" the garden (Genesis 2:15).

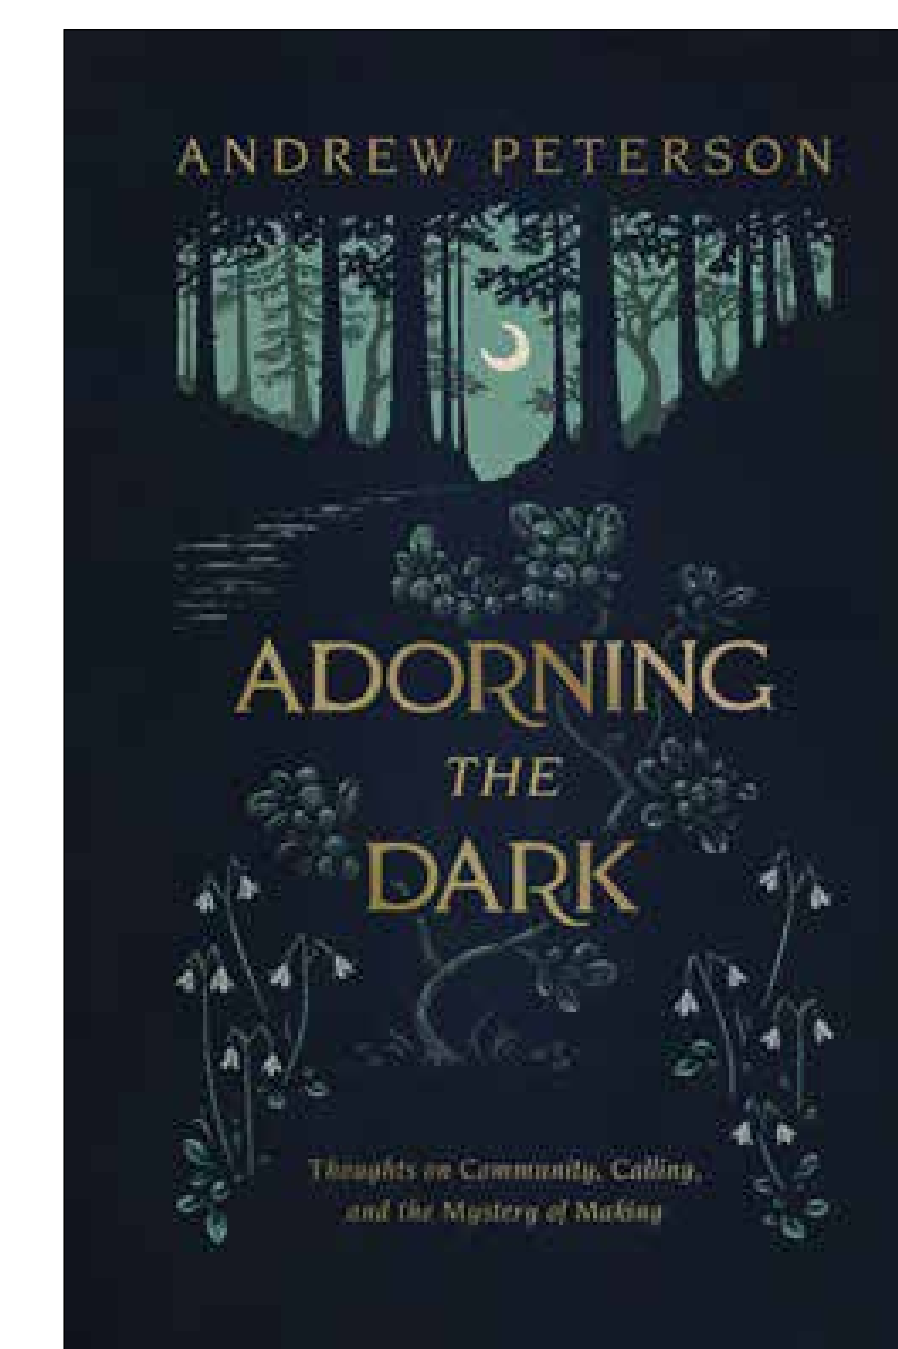

Award-winning author and songwriter Andrew Peterson, being as honest as possible, seeks to give glory to God by spreading out his roots and raising my branches in a way that no other tree can: "I trust that by telling my story, you'll encounter yours. Hopefully, like me, you'll see that the God of the Garden is and has always been present, working and keeping what he loves."

Sometimes he plants, sometimes he prunes, but in his goodness he intends to reap a harvest of righteousness.

## About the Author

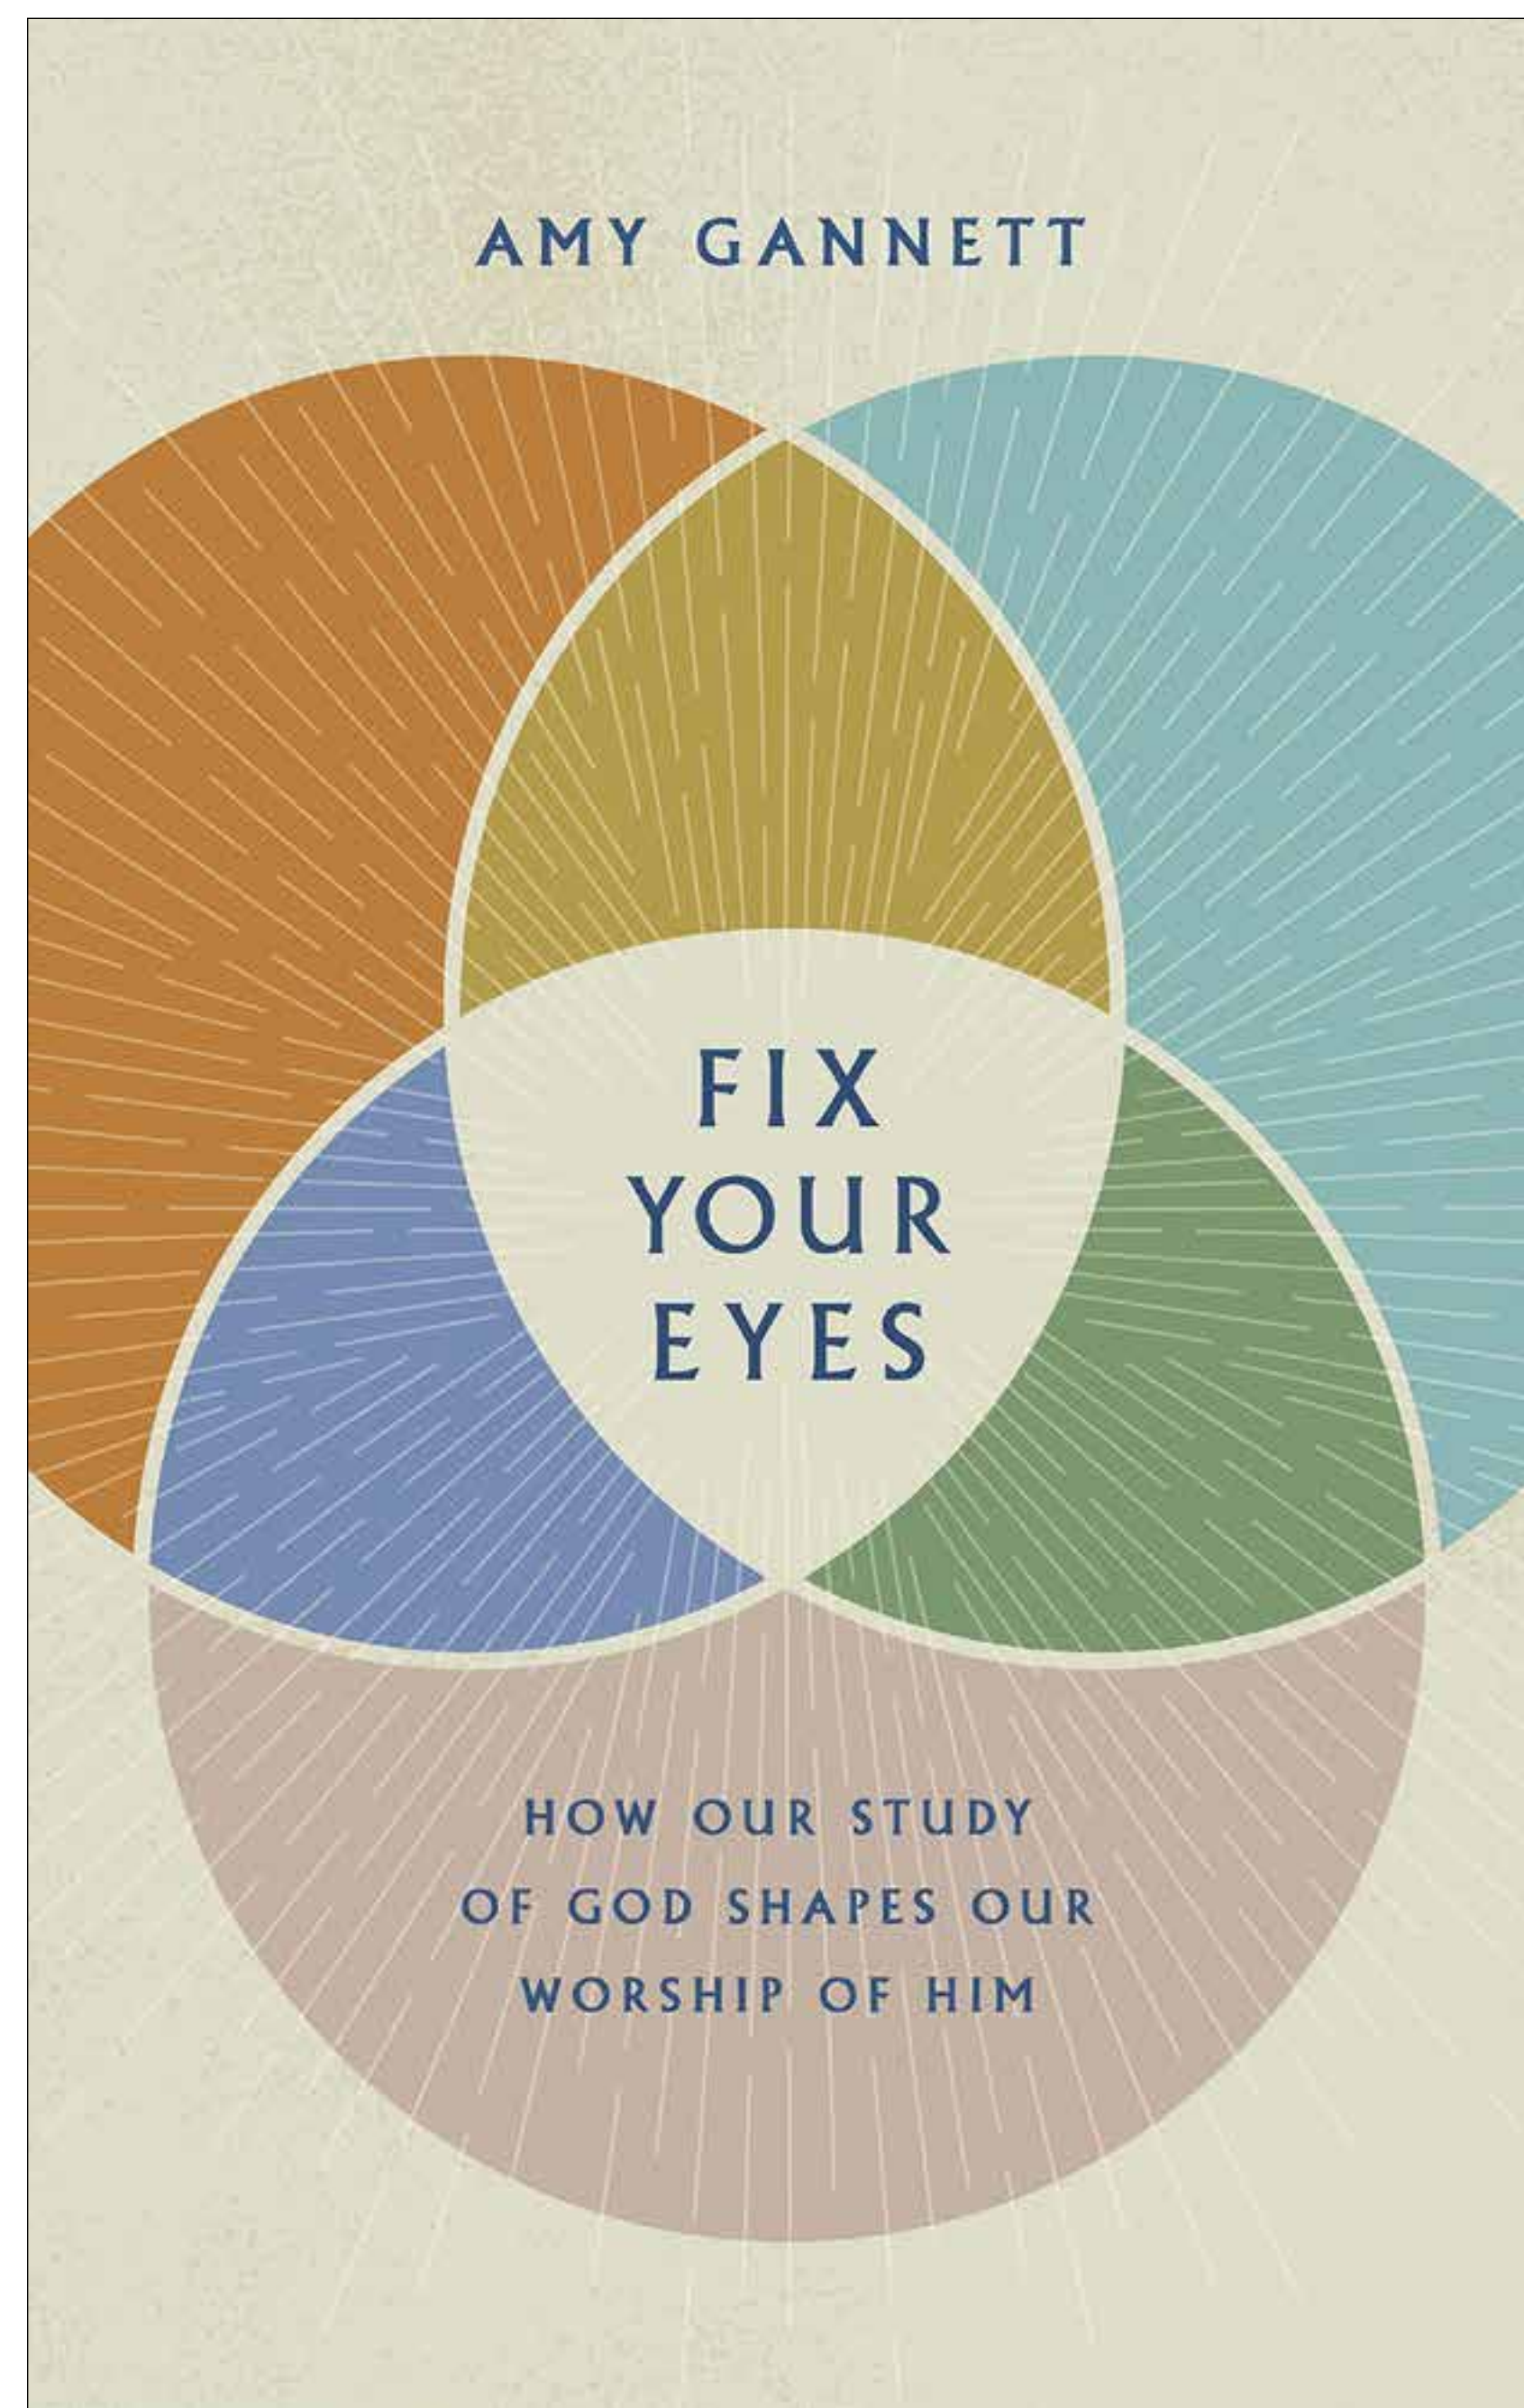

Andrew Peterson is an award-winning singer-songwriter and author. The second book in his Wingfeather Saga, *North! Or Be Eaten* (2009) won the Christy Award for Young Adult Fiction, and the fourth, 'The Warden and the Wolf King' (2014) won World Magazine's Children's Book of the Year in August 2015. In 2008, driven by a desire to cultivate a strong Christian arts community, Andrew founded a ministry called The Rabbit Room, which led to a yearly conference, countless concerts and symposiums, and Rabbit Room Press, which has published thirty books to date. He's been married for 24 years to his wife Jamie, with whom they have three children.

## Description

We live in a polarized time. Christians are quick to conceive of themselves either as theologically-minded or worship-minded; either thinking Christians or feeling Christians.

The results are damaging: theology without worship is muted, stifled, and cold, and worship without theology is ungrounded, unrooted, and uninformed. This is not the way it was meant to be.

Theology (our study and knowledge of God) should always lead to doxology (our worship of Him). Worship should always be rooted in theology. When we study the nature and character of God as revealed in his Word, we are invited to respond in the affectionate, obedient discipleship of worship.

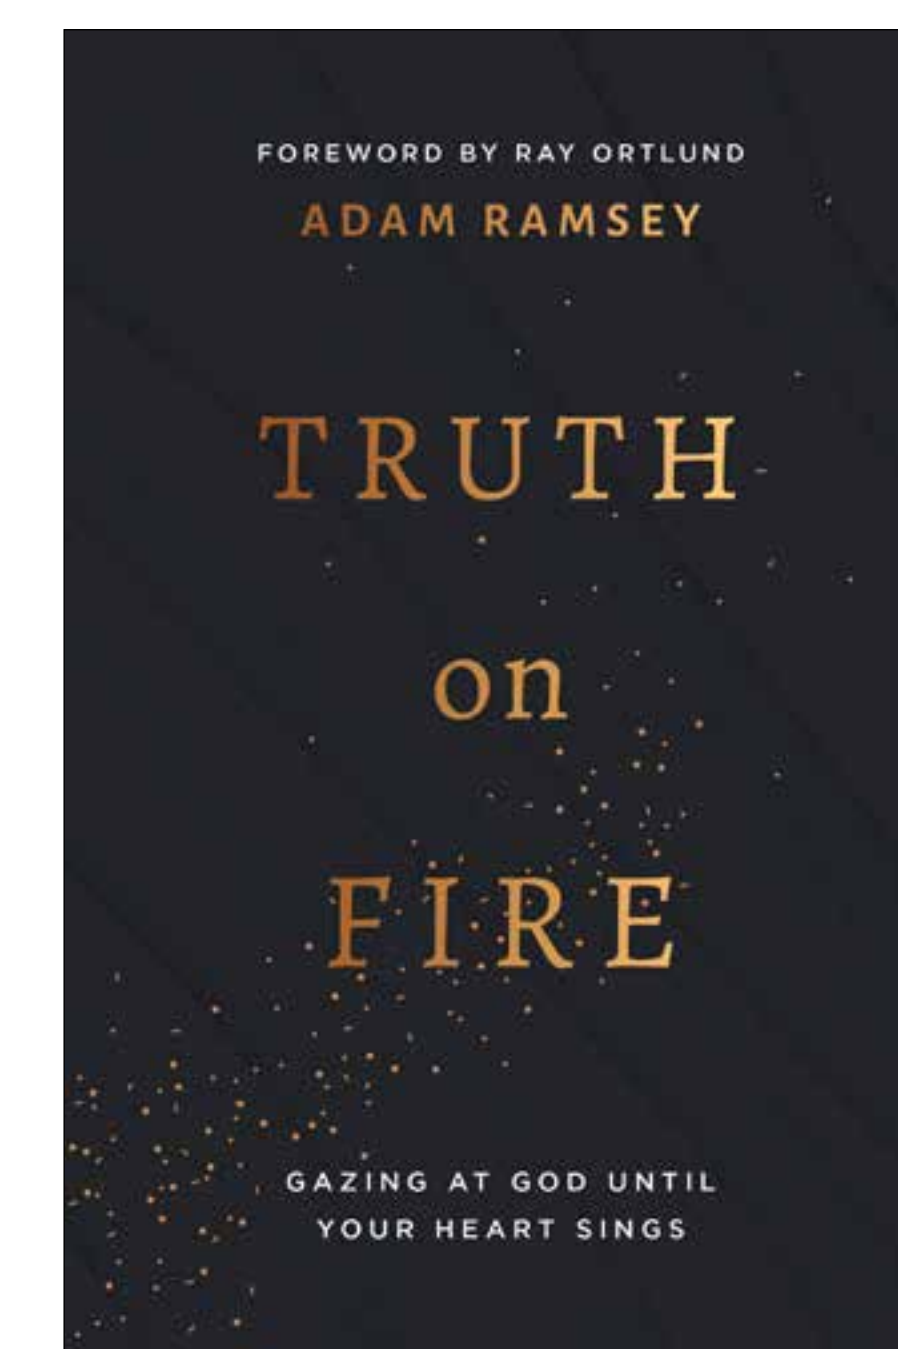

How can we keep our theology from being mere head knowledge? How do we give our worship roots that will last? By fixing our eyes on God Himself—the object of our study and the object of our worship.

Fix Your Eyes? is an invitation to understand core doctrines of the Christian faith and apply them in our daily worship of God. It walks believers through key theological concepts and shows how each can be lived out in daily life.

Brought to you from the thought leaders in next generation, kids, and student ministries, Levels of Biblical Learning© has been the framework of a wise discipleship plan for babies through preteen Bible study resources taught at workshops, colleges, seminaries, and through the resources produced by LifeWay Christian Resources.

Now, this tool has been expanded to include spiritual concepts and milestones for middle and high school students.

Based on the principle that kids and teens learn and comprehend concepts differently as they grow in maturity, Levels of Biblical Learning outlines how to best understand different biblical concepts at various age levels.

These concepts are categorized by ten concept areas: God, Jesus, Holy Spirit, Bible, Salvation, Creation, Church, People, Family, and Community and World.

The book will equip ministry leaders and teachers as they prepare a vision for their ministries and teach biblical concepts in the classroom. It will also serve to equip parents to be their children's primary Bible teachers, putting children and teens on the right path to a life of growth in biblical knowledge.

Sammy the saguaro cactus is stuck—sticky stuck in the ground with no way to move, run, or roam. Snake can slither. Hawk can soar. Jackrabbit can hop. But Sammy? He must stay rooted in one spot.

This makes Sammy sad, and he begins to wish he could be more like his friends and less like himself. But could there be a reason Sammy is stuck in one place? Did God make him this way on purpose?

In this fun, rhyming board book for children ages 2–6, Sammy discovers that God made him sticky stuck so that he can help many of his friends in his desert community.

The message of 'God Made You to Be You' is so important for children: God made you unique and for a reason. So be brave and be yourself! Instead of comparing yourself to others, be the person God made you to be, and do what God created you to do. Only then will you find true joy!

Have you ever thought your life is beyond repair or wondered if God could use your brokenness for good? We all tend to look and search for purpose in our pain and suffering. Depression, anxiety, hurting relationships, and unmet expectations can cause us to question God.

In this study, Noe Garcia takes participants on a journey through Romans 8, which many scholars believe is the greatest chapter in the Bible. Noe shares his life story and experiences of abuse, depression, and overwhelming hopelessness. He reveals how God redeemed, repaired, and restored him.

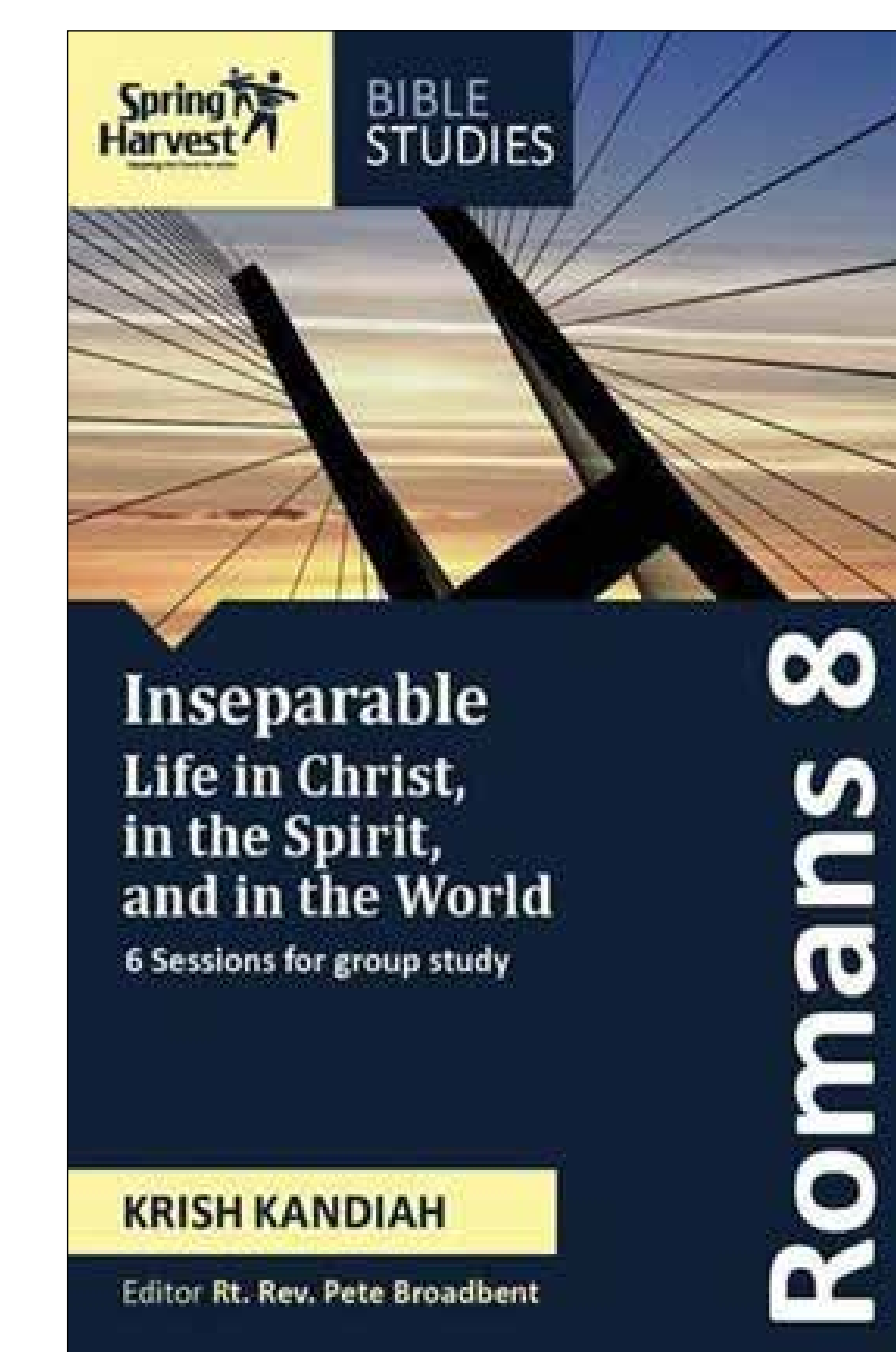

Through Romans 8, he'll help you understand Christ's transformative power to repurpose hurt and brokenness for your good and His glory.

### Description

God's code of conduct is as relevant and insistent today as it's always been. The landscape of contemporary society reveals that we neither know nor care much about the Law of God.

There is:

- A general lawlessness in the lives of professing Christians.
- An absence of the fear of God in public worship and private living.
- A growing confidence in ourselves and doubt concerning God and His Word.

Amidst this moral crisis, the message of the Ten Commandments can give us order, direction, and hope.

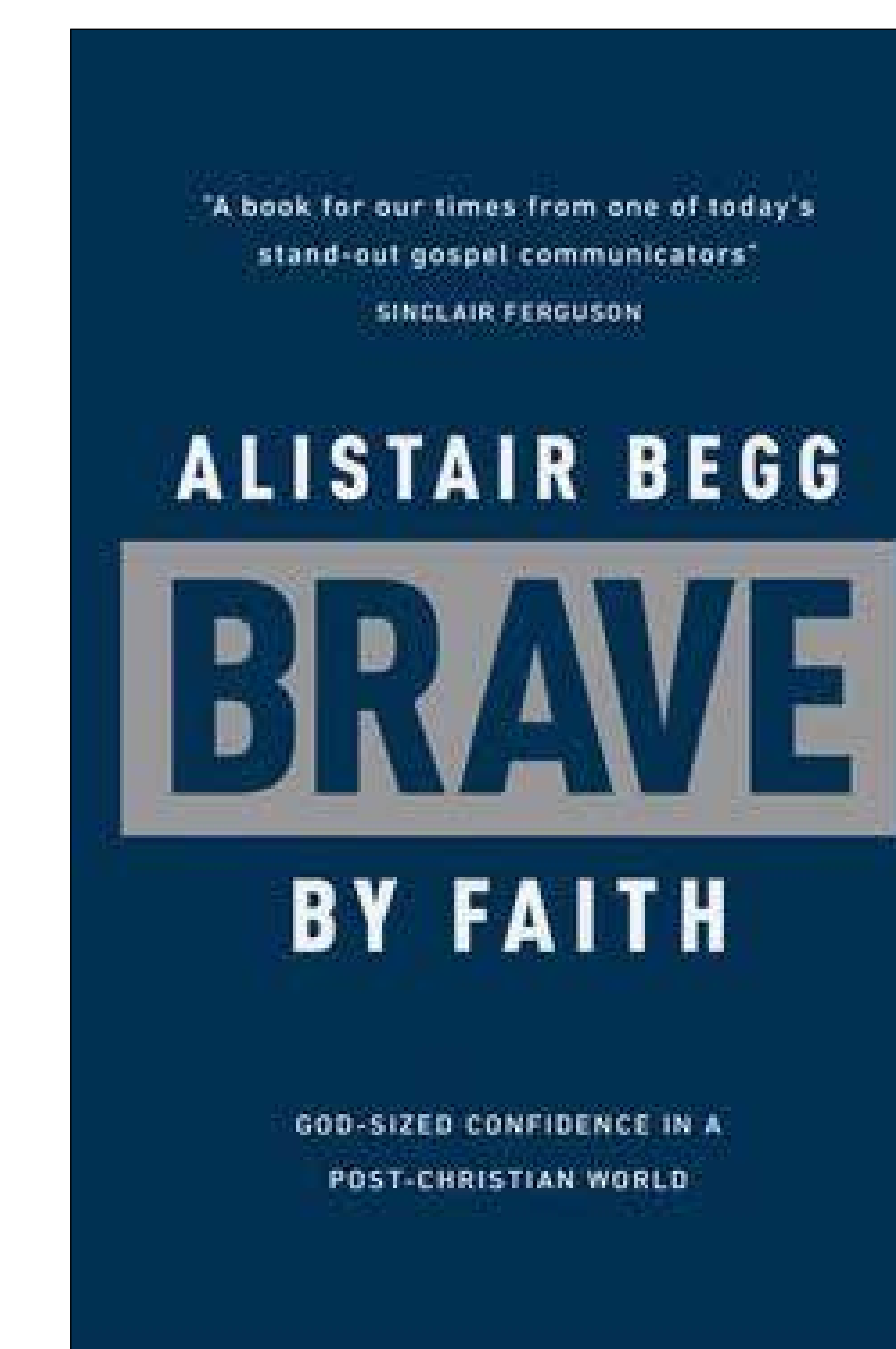

With dynamic implications for how each of us lives every day, 'Pathway to Freedom' will challenge you to think long and hard about the significance of God's Law. "We have entered into a time of moral crisis in our culture and in the church as well. Stories about divorce, adultery, and the individualized picking and choosing of doctrines abound. 'Pathway to Freedom' is forthright and necessary teaching that today's church cannot afford to ignore. How now shall we live? The beginning of the answer must be in obedience to God's moral law summarized in the Ten Commandments." —CHARLES COLSON, PRISON FELLOWSHIP MINISTRIES, WASHINGTON, D.C.

## Description

Is there a holier moment than when a preacher steps into the pulpit and opens the Scriptures before the people of the Lord?

A. W. Tozer certainly understood the gravity and sanctity of that moment. His pulpit prayers reflect the holy awe that he experienced as he stood before God and the gathered congregation.

Although Tozer fans are familiar with his writings and sermons, now for the first time, 'Approaching the Almighty' collects the prayers that Tozer offered as he stepped into the pulpit to preach. Phil Shappard, a Moody Radio manager whose job was to remaster the audiotapes of Tozer's sermons, has collected and transcribed almost two hundred prayers that reveal the great preacher's intimate walk with God. The path to a rich prayer life is to pray alongside others whose faith is deep.

Let Tozer's pulpit prayers guide your own heart in its steadfast pursuit of God.

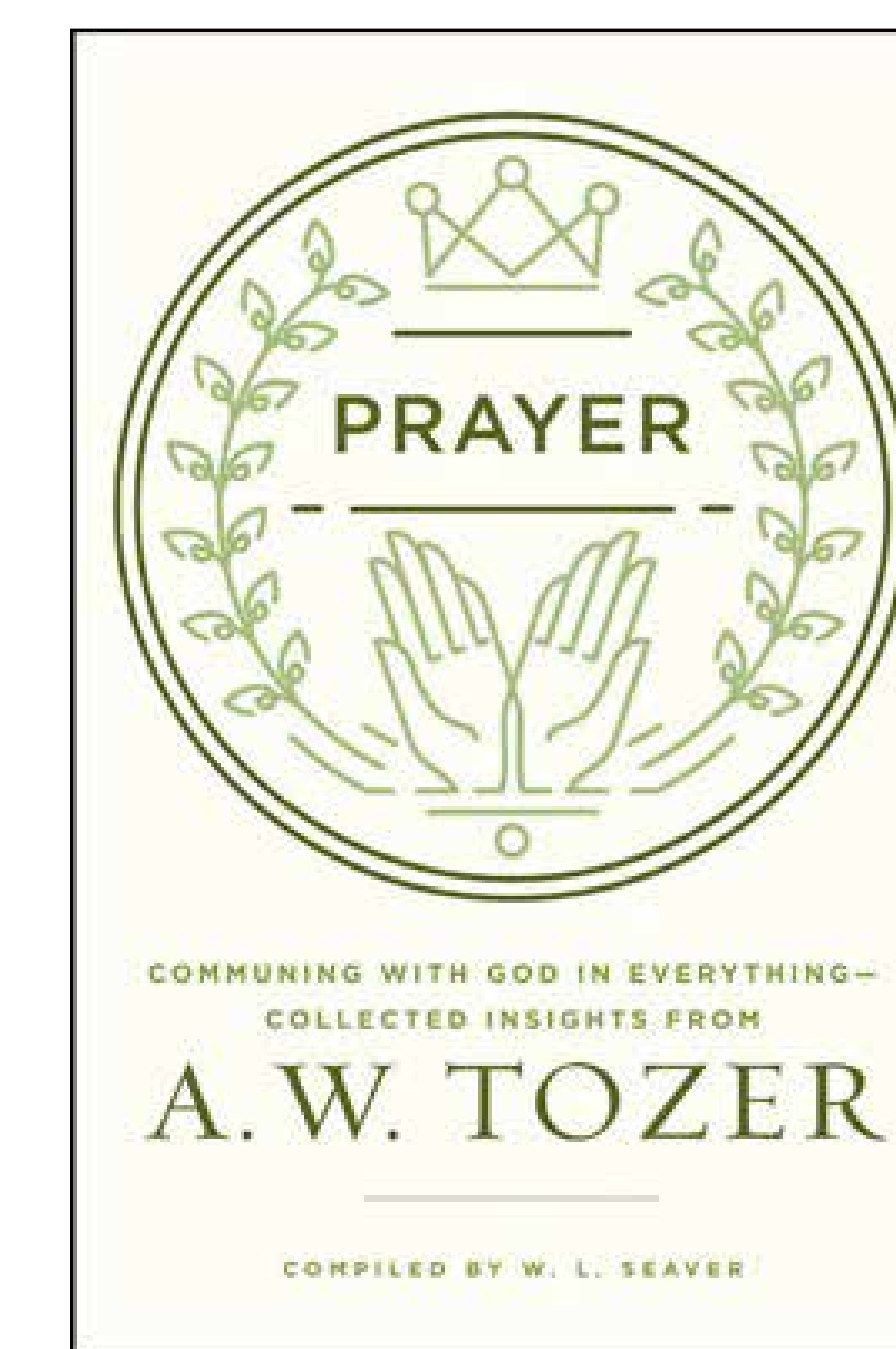

## About the Author

A.W. TOZER began his lifelong pursuit of God at the age of seventeen after hearing a street preacher in Akron, Ohio.

A self-taught theologian, Tozer was a pastor, writer and editor whose powerful use of words continues to grip the intellect and stir the soul of today's reader.

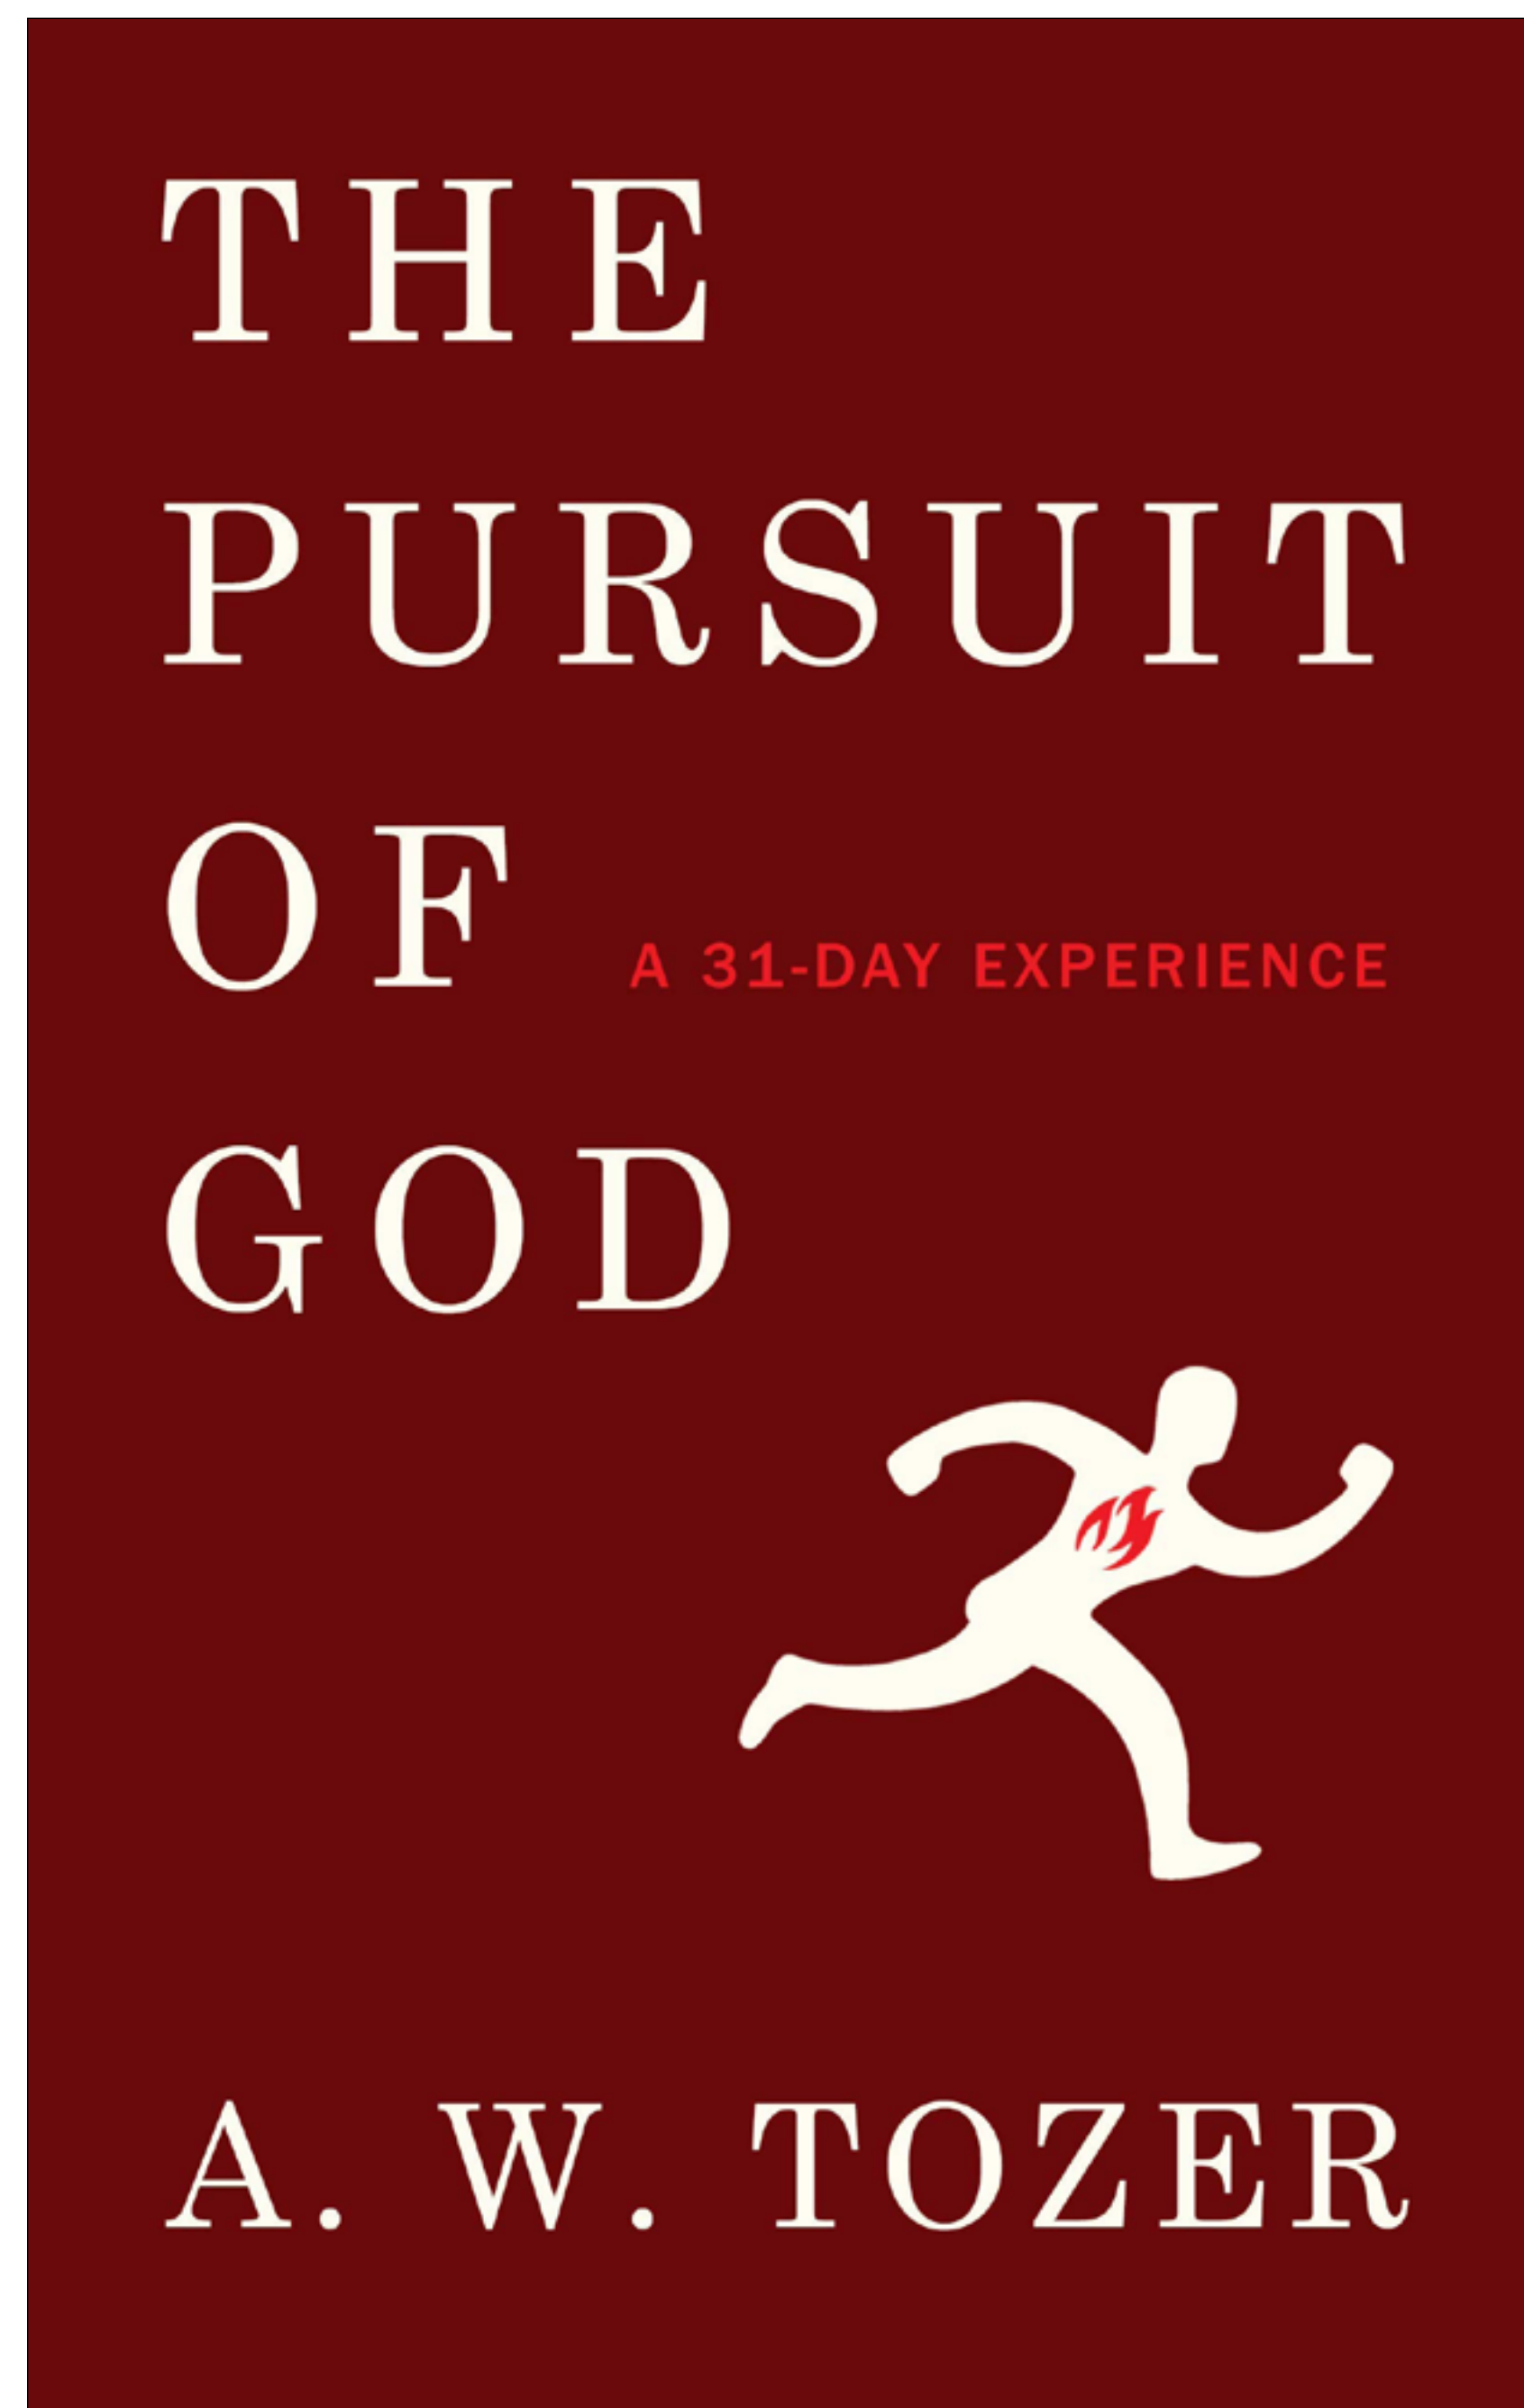

Among his best-loved books are the classics 'The Pursuit of God' and 'The Attributes of God.'

## Description

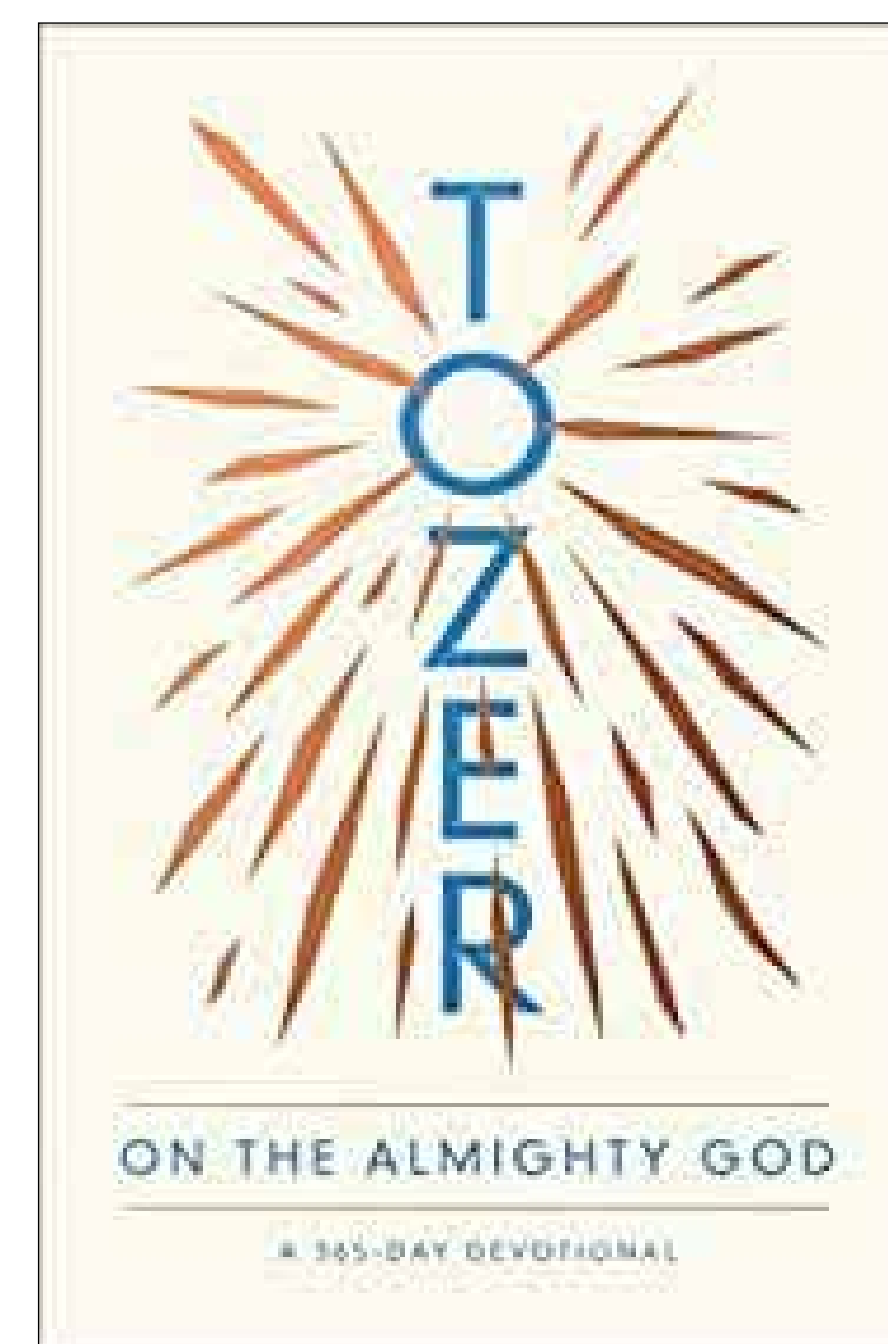

During a train trip from Chicago in the late 1940s, A. W. Tozer began to work on The Pursuit of God. He wrote all night long, the words coming to him as fast as he could put them down. By the next morning, when the train pulled into McAllen, Texas, the rough draft was done.

Although written in such a remarkably short period of time, the depth, clarity, and completeness of A. W. Tozer's message has made 'The Pursuit of God' an enduring favourite—over a million copies are now in print in 20 languages.

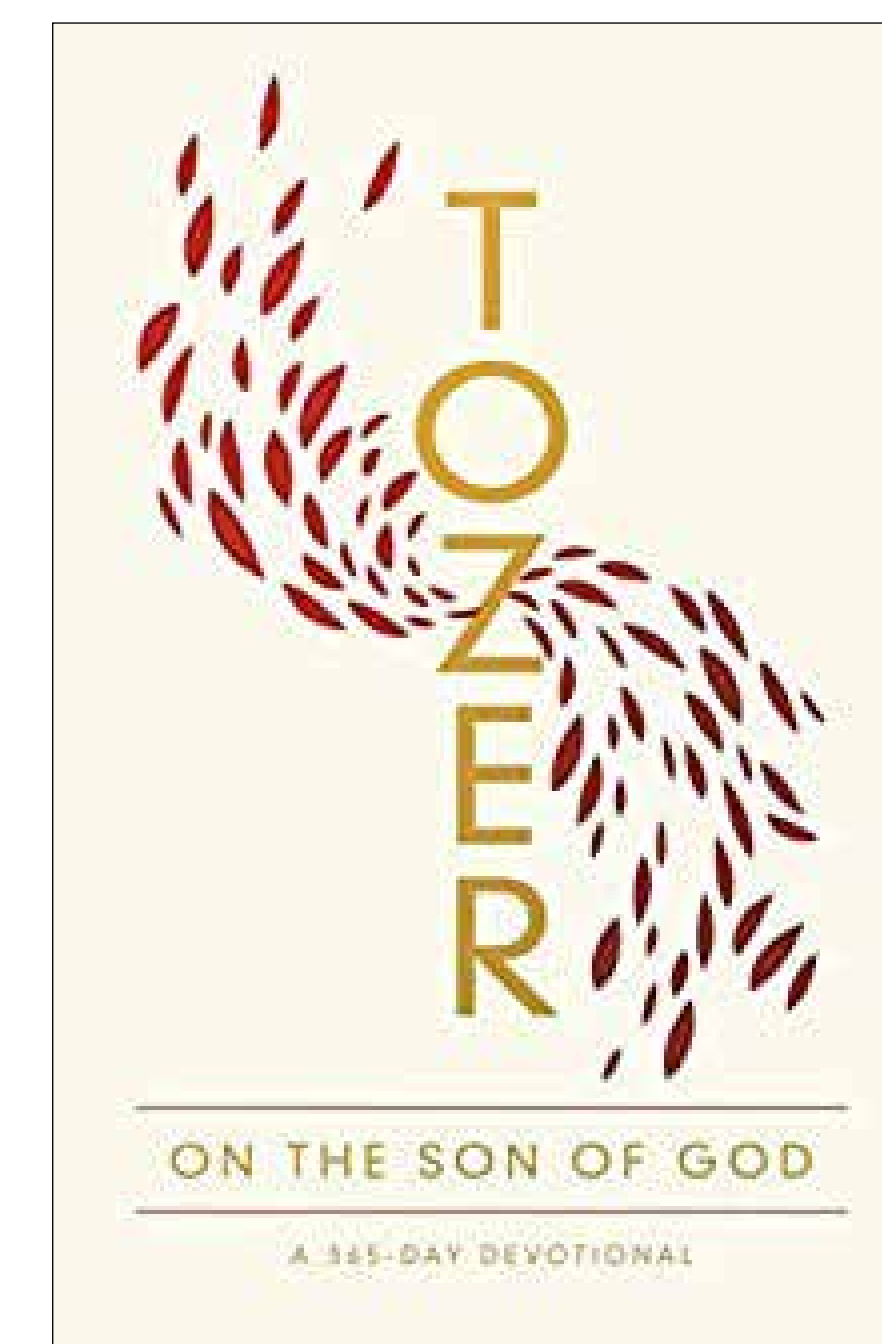

The complete text of this classic has been divided into 31 daily meditations. Quotations from some of Tozer's forty-plus works, contemporary authors, and even classic authors enhance the text. This reimagined, illustrated rendition brings you the wisdom and passion of Tozer like never before.

Prepare yourself for a deeply meaningful and enjoyable experience.

No matter how good we look to others, the nagging voice of self-doubt is hard to shake. We ask questions like: If people really knew me would they still accept me? Will I be rejected when I can't perform? Can I pull this off? What if I end up alone? Am I missing out on what life should be because I can't shake this fear?

If you find yourself having thoughts like these, Erica Wiggernhorn wants to lead you to freedom. Drawing from the story of Moses—the greatest self-doubter in the Bible—Erica shows how self-doubt is tied closely to self-reliance. It's only when you cast yourself on God that you find the true source of strength.

Are you enough? The answer is no . . . but your God certainly is. Step out in His power instead of your own and watch your confidence blossom because you're in the hands of I AM.

Is motherhood only about self-sacrifice? Or will it bless your life, too?

You know that motherhood makes high demands. Yet you know it's worth the cost because it benefits your child. On some grand level, it's also good for civilization. And of course, it's a calling from God.

So is that what you're doing here—pouring out your life for God and others while getting little in return except the consolation that you've done the right thing?

Laura Booz wants you to expect something more out of motherhood—something truly beautiful. You might be asking: Will I lose myself in motherhood? Compromise my career? Squander my potential? What's the point of all that unseen (and uncelebrated) serving, cleaning, caring, snuggling, discipling, and praying?

Laura wants to help you see that behind all the giving that mothers do is the receiving of something special and unique—a growth in God that only mothers can know. Let this book give you a renewed vision of motherhood: to see God's good purpose for you as a mother, a woman, and a follower of Christ.

Finding your true value and purpose begins with a simple but profound truth: you have been wonderfully made.

Do you ever question your worth or wonder what on earth you're here for? The everyday pressures and struggles young women face and the feeling of not measuring up can be overwhelming. You might be left wondering: Is this all there is? A constant striving for self-acceptance and human approval? Or are you made for something more?

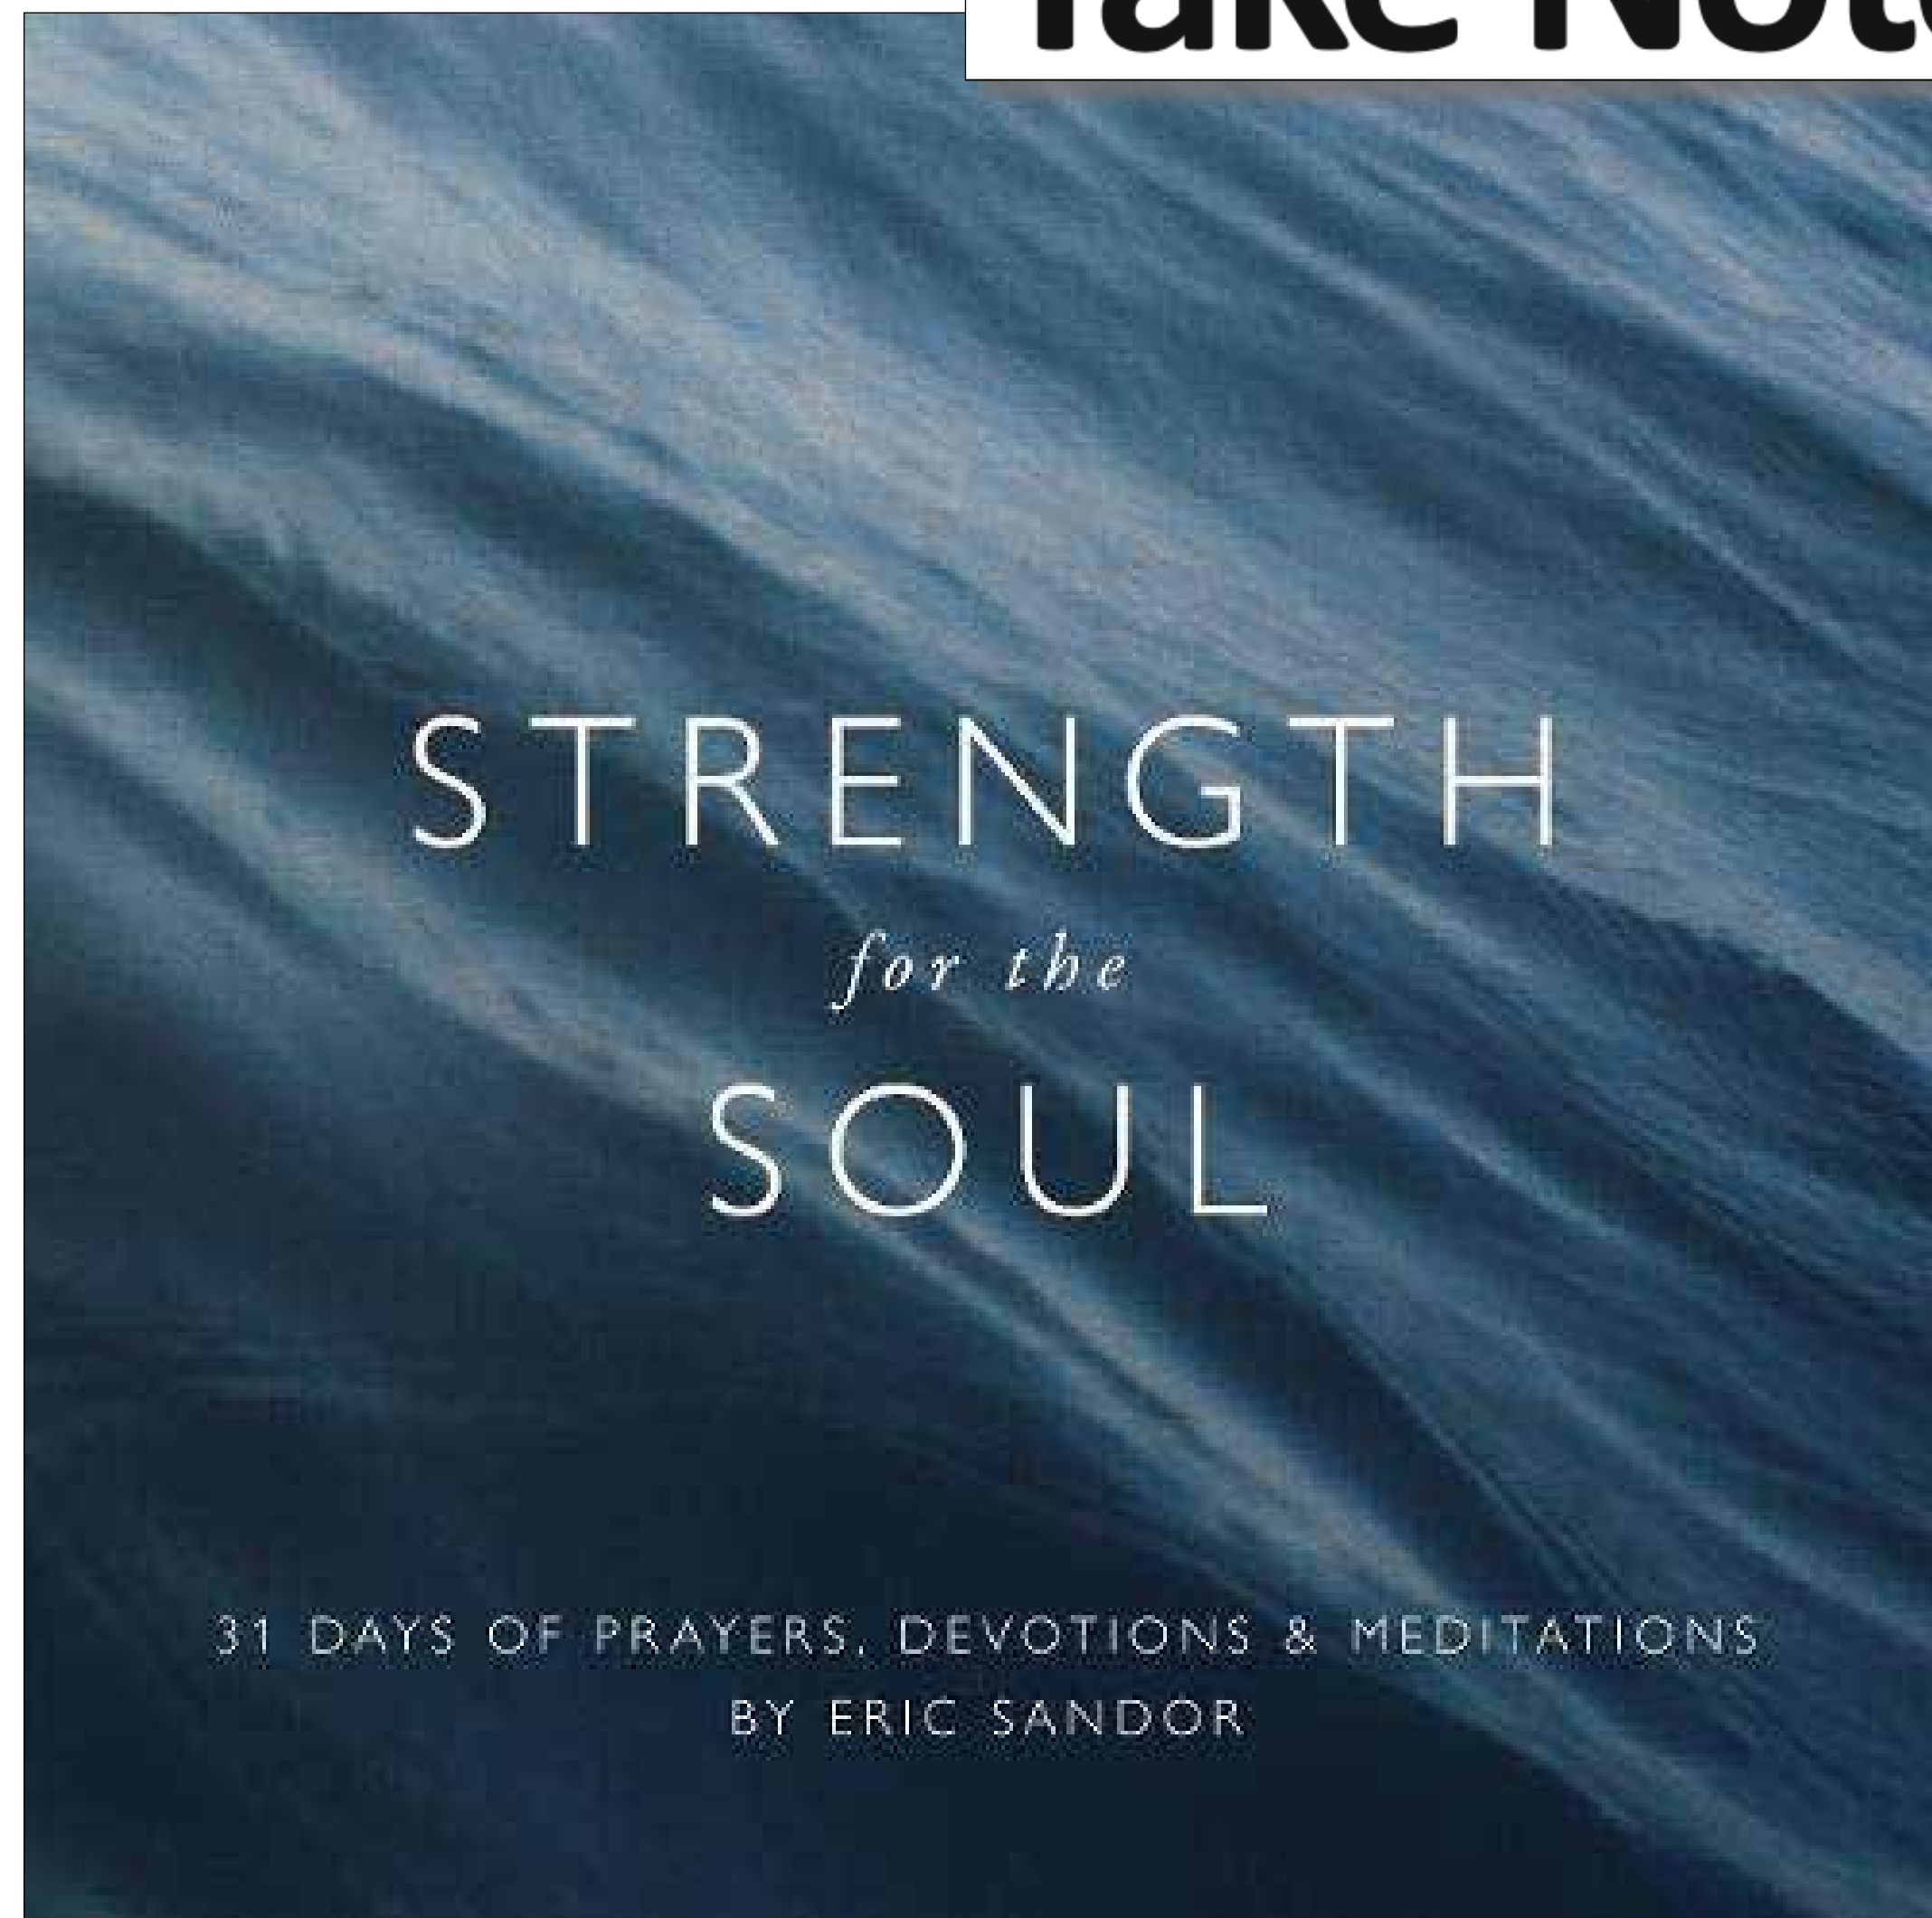

Allie Marie Smith has walked the familiar road of self-doubt and depression. Like a companion on the journey, she wants you to join her in discovering a better life—the life you've been made for.

God planned your days before you were born and He longs for you to discover the life He created you to live—here on earth and in eternity. This abundant life comes from knowing you are: Made for relationship with God; Made to be loved; Made to know your true identity; Made to overcome; Made to live free...And so much more

Don't believe the lie that you are defined by your struggles or that your worth comes from your achievements or looks. Your identity comes from God. No matter what the other voices might say, God declares that you are lovingly and wonderfully made and His eternal plan for you is good.

# Eric Sandor – Strength for the Soul

## Take Note

### Description

While beauty may be said to be skin-deep, true strength is soul-deep. We need strength in our inner beings to make the very most of life – particularly amidst pain, hardship, and temptation. Our souls are strengthened with nourishment and exercise.

As we meditate on the truth, we feed our souls. And as we worship in contemplation of the beauty of God and the wonder of His ways, we build muscles in the depths of our being. This collection of prayers and meditations is intended to help you do just that – to build inner strength that will endure, by establishing greater intimacy with Jesus.

*“Eric’s psalm-like outpourings of his heart toward God will, I believe, strengthen your soul. Like the psalms they come from a deep and often desperate place, rooted in real life trials, tragedies and triumphs of the kind that drive us to our knees wondering where God is in it all, or find us exulting in surprising interventions. They function like psalms too – as jumping off points, catalysts for our own outpourings to God. For many readers there will be an immediate bond of identification, a fellowship in sufferings that says; ‘I’ve been there too’, ‘You understand my journey’. For others Eric will be like a scout who ventures ahead into unknown territory and returns with reassurance that despite towering obstacles, there will be a way through. So read them, engage with them as you might a psalm or a poem, feeling the emotion, making the words your own. Then give voice to your own prayers, longings and meditations or wait in silence as God speaks strength into your soul.”*

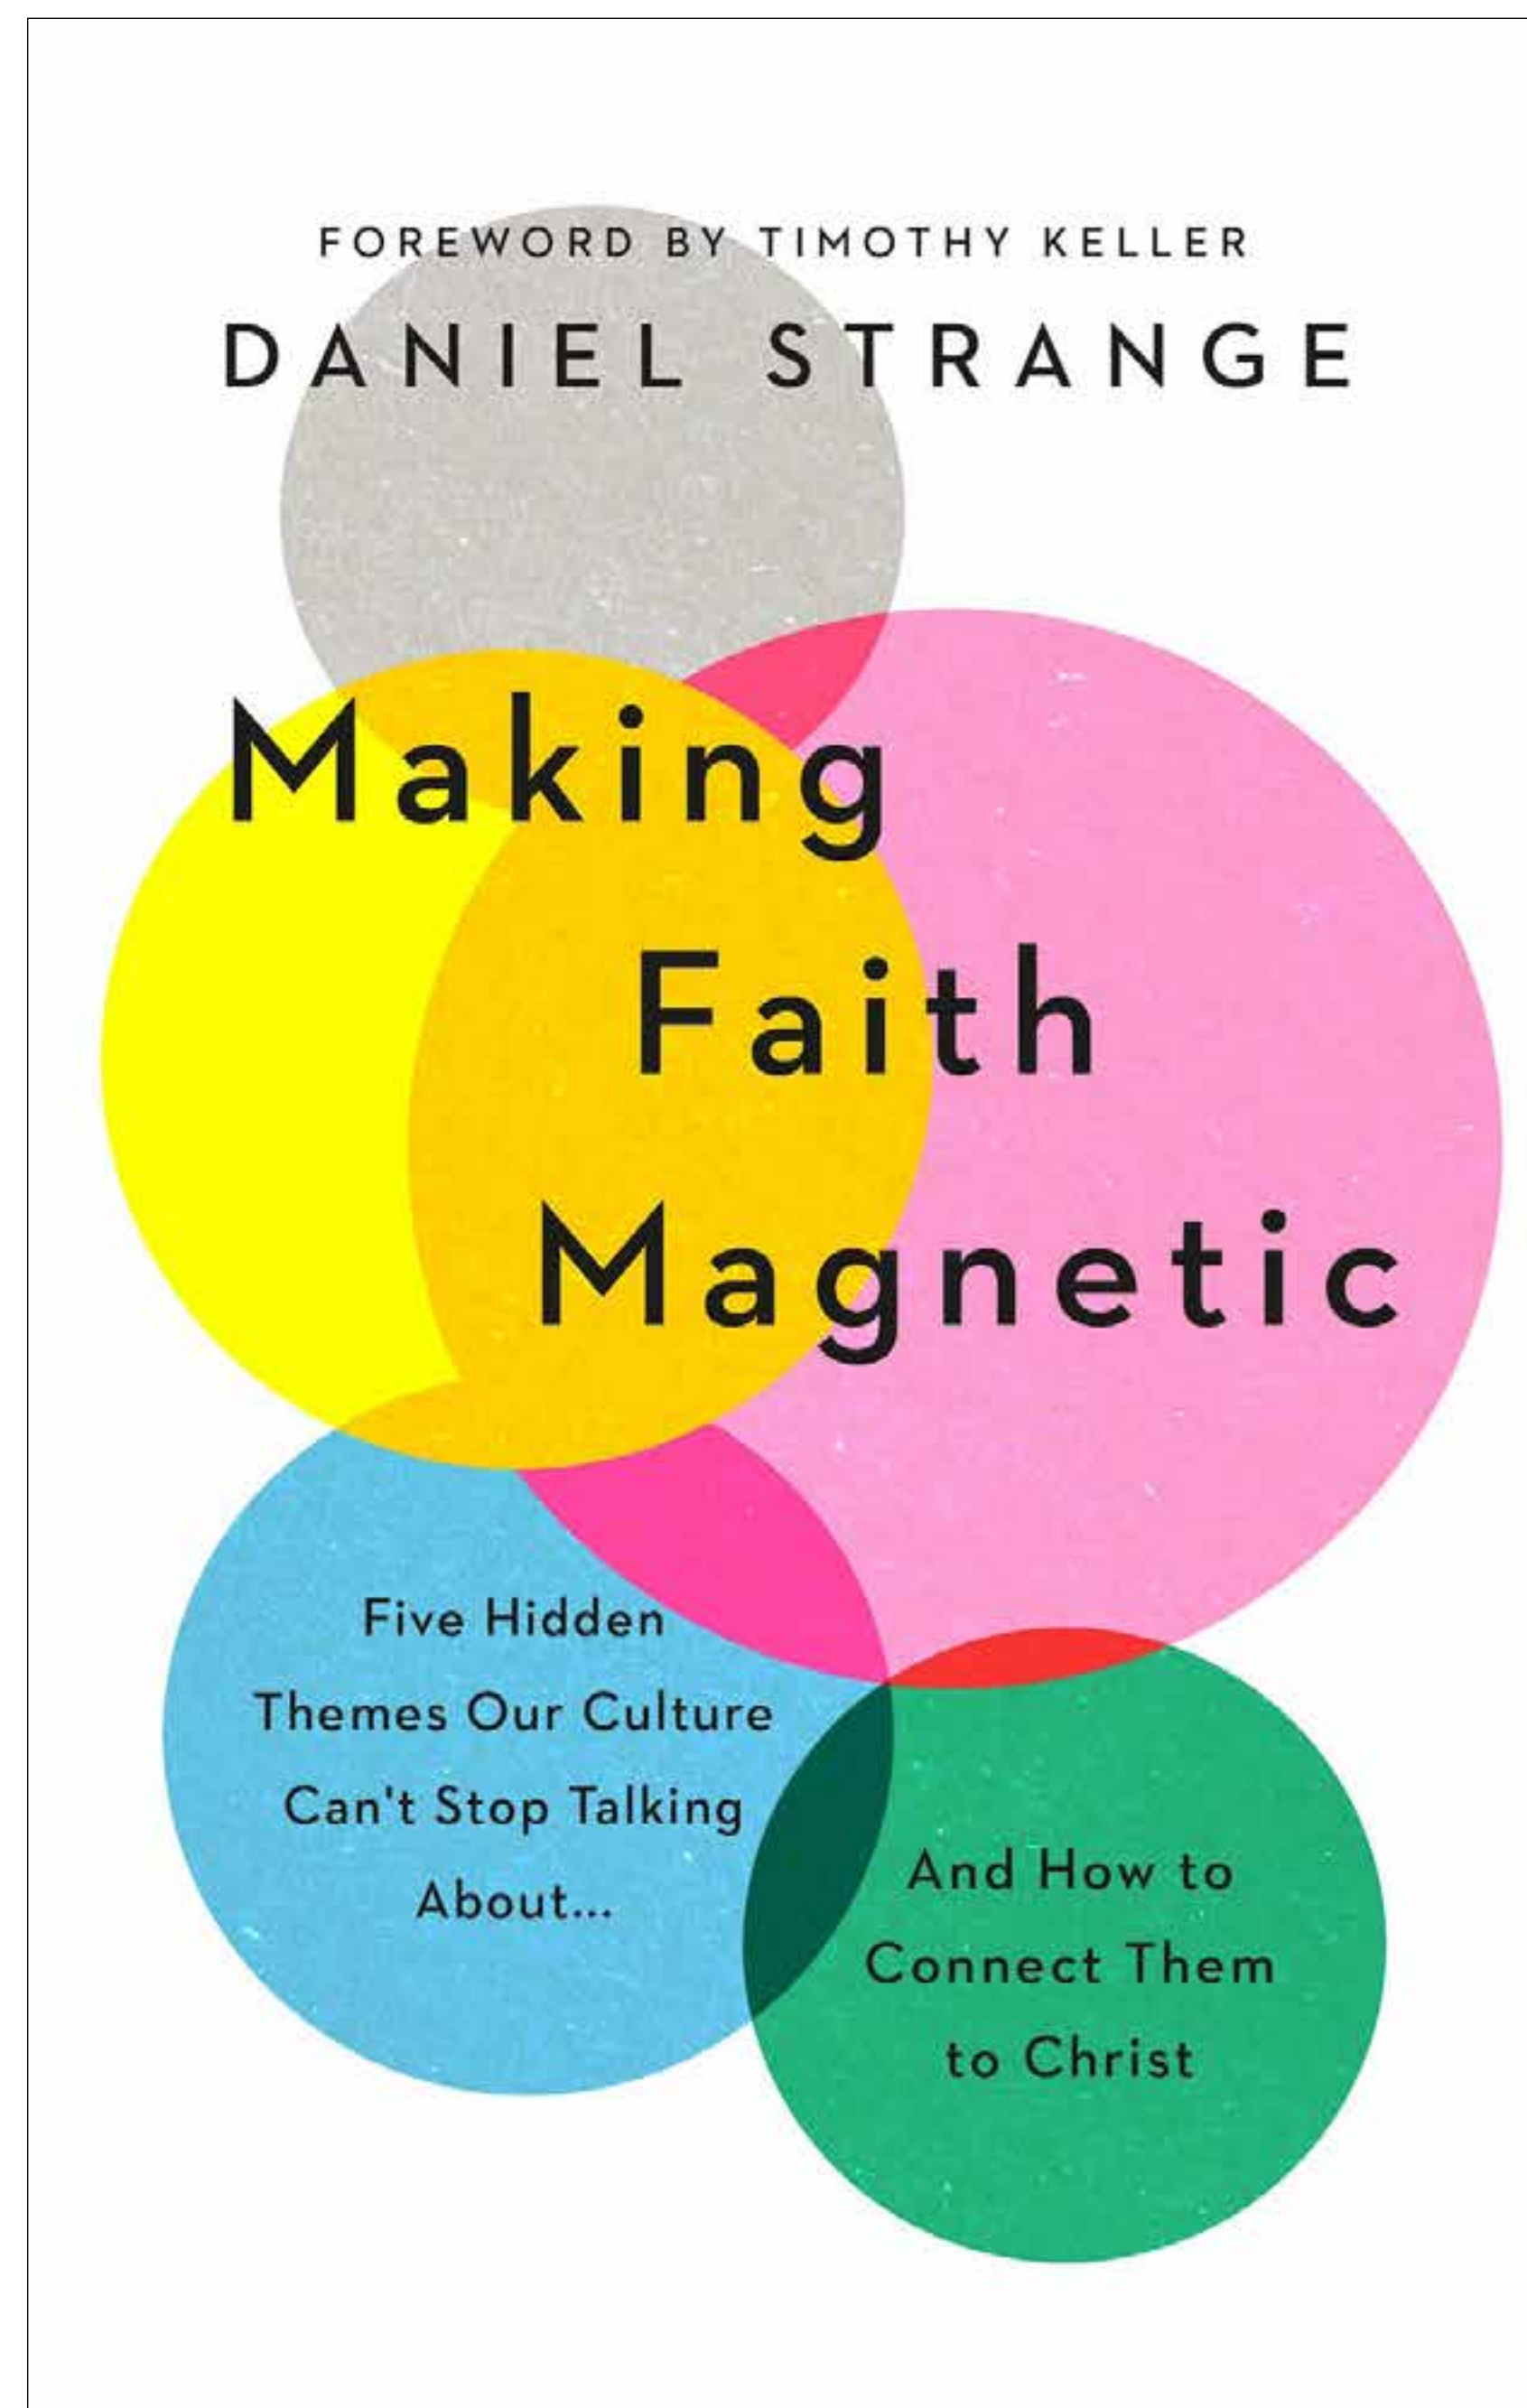

– Graham Kendrick, Songwriter

*“Eric Sandor has created a beautiful and heartfelt set of meditations that encourage us all to dwell on the faithfulness of God. Borne from his own walk with the Lord, this book reveals the Father’s Heart on every page. As a daily devotional, it should be cherished, lingered in and focused on. This book is medicine for the soul, and a true companion in our journey with the Lord.”*

– Fergus Scarfe, GOD TV.

## Description

As followers of Jesus, we know that the good news is deeply attractive. But we often fear that to those on the outside, it comes across as irrelevant or even repellent. Sometimes the Christian worldview feels so out of step with everything else going on that we don't know how to share our faith.

However, author Daniel Strange wants to show you that the connections are there—in fact, the longings that our culture cannot help but express are the very ones that Jesus fulfils. Building on the work of theologian J.H. Bavinck, Dan reveals five recurring themes that our culture can't stop talking about, or, as he puts it, the "five permanent 'itches' that in our work, rest, and play, we have to vigorously scratch." From TV to books to social media, these are the questions we can't stop asking and the tensions we can't stop wrestling with—and Jesus speaks powerfully into each one.

This book will help you to spot these connections in our culture, excite you about how Jesus makes sense of humankind's deepest questions and longings, and equip you to speak of him to others in a way that is truly magnetic.

## Description

Blair Linne's personal story of growing up without a father at home reflects the experiences of millions. She weaves her personal story with thoughtful theological reflection, inviting readers to learn from God what "father" really means and to trust Him, even if they feel their earthly father has let them down.

This book will help readers to shift their eyes from what they do not have in their earthly fathers (who, whether present or absent, loving or the opposite, can never be perfect) to what they do have in their eternal Father, who will never disappoint, reject or abandon them.

Readers will see that the gospel promises not just forgiveness but also a place in God's family, experienced in a local church, where they can enjoy the fullness of His fatherly joy, care, wisdom, provision, protection and security. Also includes a chapter by Blair's husband, the Christian hip-hop artist Shai, on his own story of fatherlessness and faith.

Many people assume that the story of the baby in the manger at Bethlehem is just another made-up fantasy for kids.

In this concise book, respected apologist Rebecca McLaughlin outlines the evidence that Jesus was a real person, explaining the reliability of the Bible's accounts of his life and why believing in a virgin birth is not as ridiculous as it might sound.

This book shows that there is a rational basis for the belief that the world's most famous story is fact, not fantasy—and how those events in history can infuse our lives today with meaning and joy.

## Description

What are demons? How do they gain entry? Do Christians ever need deliverance from demons?

In this practical, comprehensive handbook on deliverance, Derek Prince addresses the fears and misconceptions often associated with the subject of demons. Speaking from more than thirty years of personal experience in this ministry and study of God's Word, he offers down-to-earth advice on how to receive and minister deliverance and how to remain free.

He also describes characteristic activities of demons, ways demons gain access to people's lives and steps leading to deliverance. If you are struggling with problems that never seem to go away, has it ever occurred to you that demons may be at work? Or perhaps you want to help others with such problems.

Derek Prince points out that 'Jesus never sent anyone out to preach the Gospel without specifically instructing and equipping them to take action against demons in the same way that He Himself did.' If this is not true today, Prince asks, 'Who has changed: Jesus? The demons? The Church?'

This expanded edition of the classing work features a brand-new study course for groups or individuals. Each chapter includes review questions, life applications, a memory verse and a faith response.

As each believer comes to faith in Christ, we can recognize that four elements are required:

- a direct confrontation
- a revelation of the identity of Jesus Christ as the eternal Son of God
- acknowledgement of the Lord Jesus
- a public confession of faith.

If we have never laid that foundation, we can never erect the building that is our life in Christ.

Once we have laid the foundation, we can go on to complete the building, "and this we will do if God permits" (Hebrews 6:3)

One of the most vital themes of the New Testament, faith and works, is a theme to which Paul devoted the entire epistle of Galatians.

Paul emphasized that a proper understanding of this topic was absolutely critical for their spiritual survival, and it is just as serious for us today.

In this book you will learn:

- the real relationship between faith and works
- the nature of grace
- how you can be righteous before God
- that law and grace are mutually exclusive
- that keeping rules does not make you righteous.

Many Christians live in a kind of twilight – halfway between law and grace. They do not know which is which nor how to avail themselves of God's grace. Learn how you can "do the work" (James 1:25) and be blessed in what you do.

Laying on of hands is one of the basic tenets of the Christian faith. By it, we may transmit God's blessing and authority and commission someone for service.

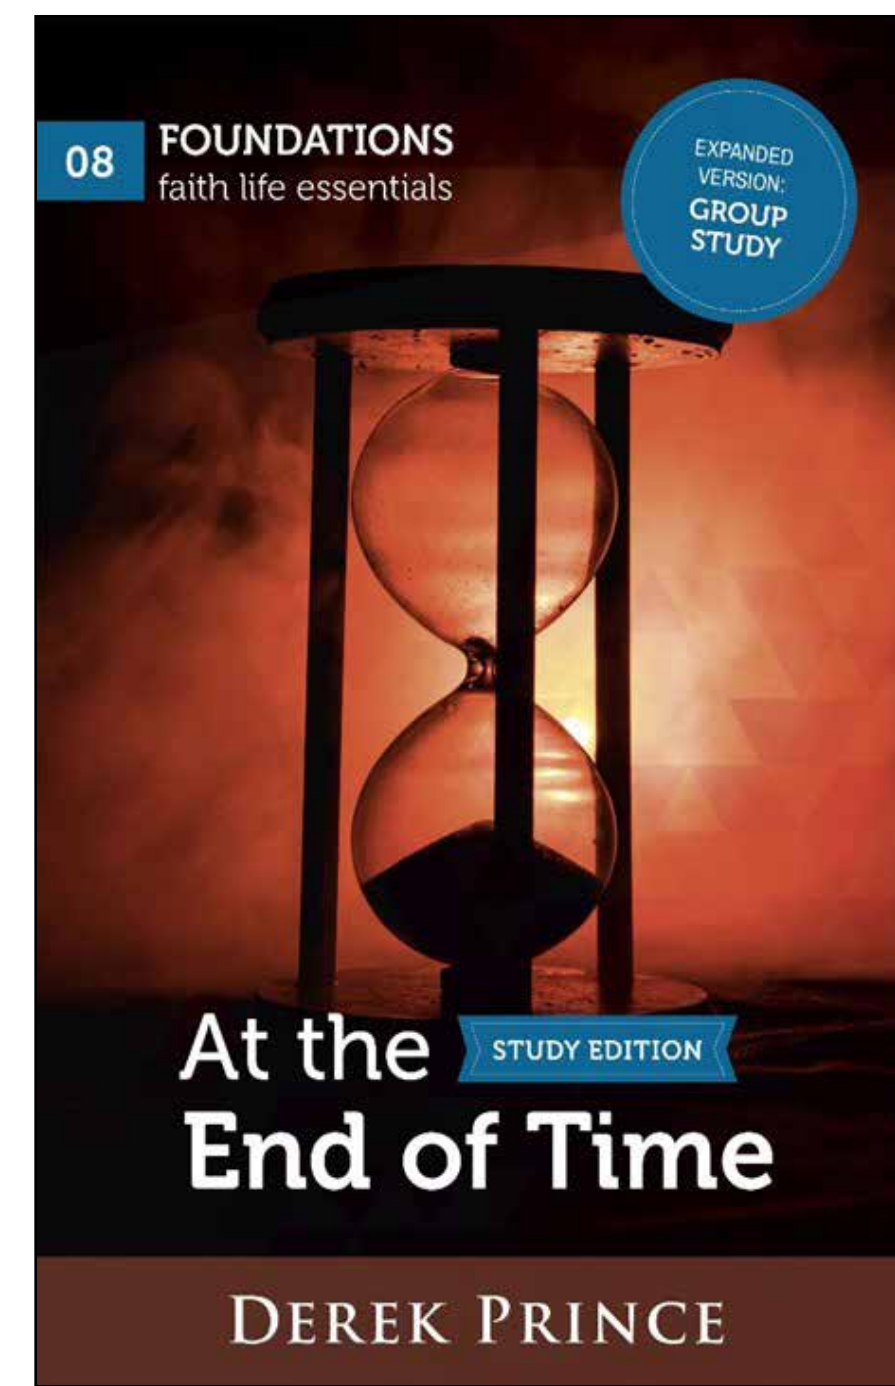

Discover this Biblical doctrine!

We find this practice in the first book of the Bible and extending through the entire history of God's people. By it, we may transmit God's blessing and authority and commission someone for service by recognizing and endorsing God's choice.

In the New Testament, the laying on of hands was used to:

Impact healing \* Transmit the power of the Holy Spirit \* Commission church servants (deacons) \* Send out apostles \* Appoint elders \* And impart spiritual gifts

Derek concludes by issuing a warning about the dangers of spiritual contamination and commending the safeguards of prayer and humility.

In this booklet, Derek Prince reveals the nature of eternity and outlines what lies ahead in the realm of end-time events.

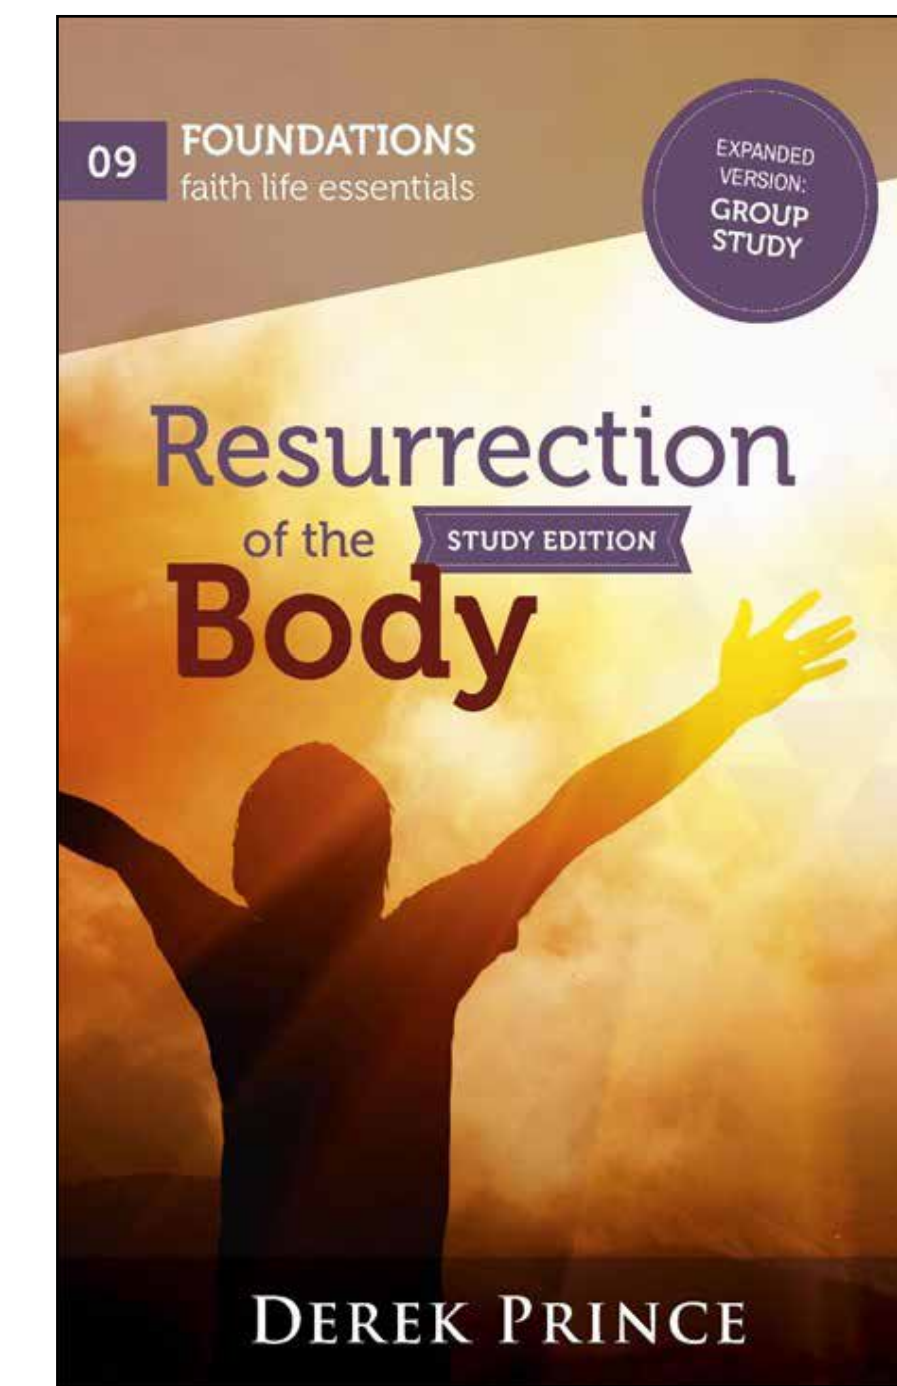

Many Christians today think only in terms of what God will do for them in this life. However, this life is just a tiny fraction of all that God has for us.

The final two foundational doctrines presented in Hebrews 6:1-2 are "resurrection of the body" and "eternal judgment".

These doctrines take us out of time and into eternity.

The purpose of this focus on eternity is to teach us that we should not set our sights on this life only.

This book is part of a series of 10 messages by Derek Prince, based on the doctrinal foundation of the Christian Life described in Hebrews 6:1-2.

The death and resurrection of Jesus produced a change in the universe. Derek explains here how the resurrection of Jesus impacted man's spirit, soul, and body.

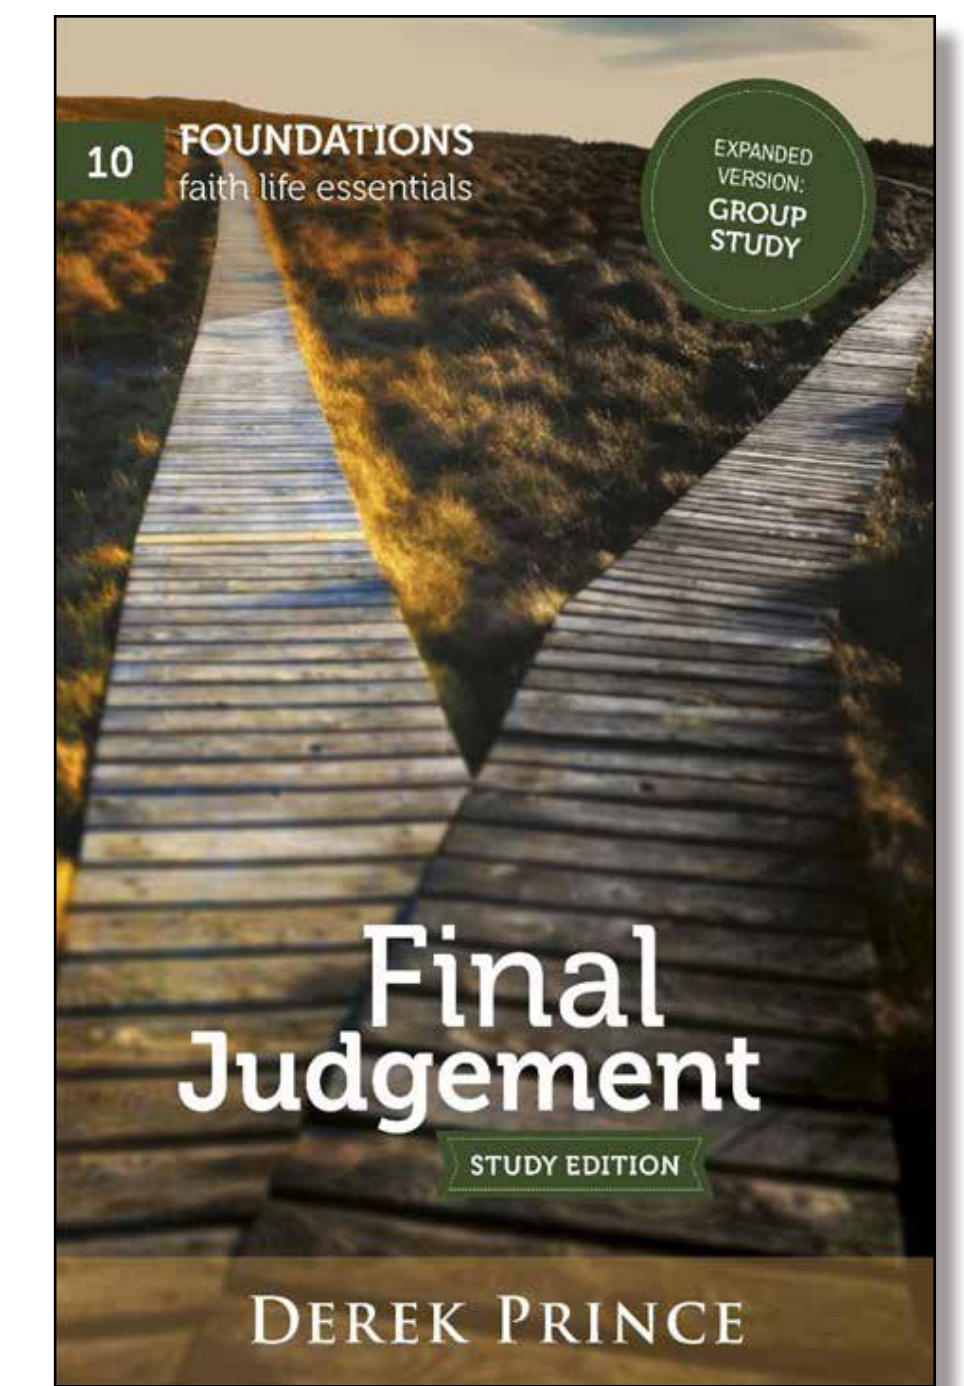

As the church, we are Christ's body and so we are partakers of His resurrection.

Individually, each of us also faces an "end of time" that we will encounter as we enter eternity. Using Jesus as an example, Derek Prince reveals what will happen when we depart this physical realm.

He answers such questions as:

- How will our resurrection bodies be different?
- What specific changes take place?
- Why is the resurrection so important?

Finally, Derek presents the resurrection in its three phases. Are your priorities aligned with those of your heavenly Father?

This booklet examines the four major, successive scenes of judgment in eternity.

Exploring the distinctive aspects of these four judgments – the who, the what and the why of them – Derek opens the Scriptures to bring forth treasures hidden there.

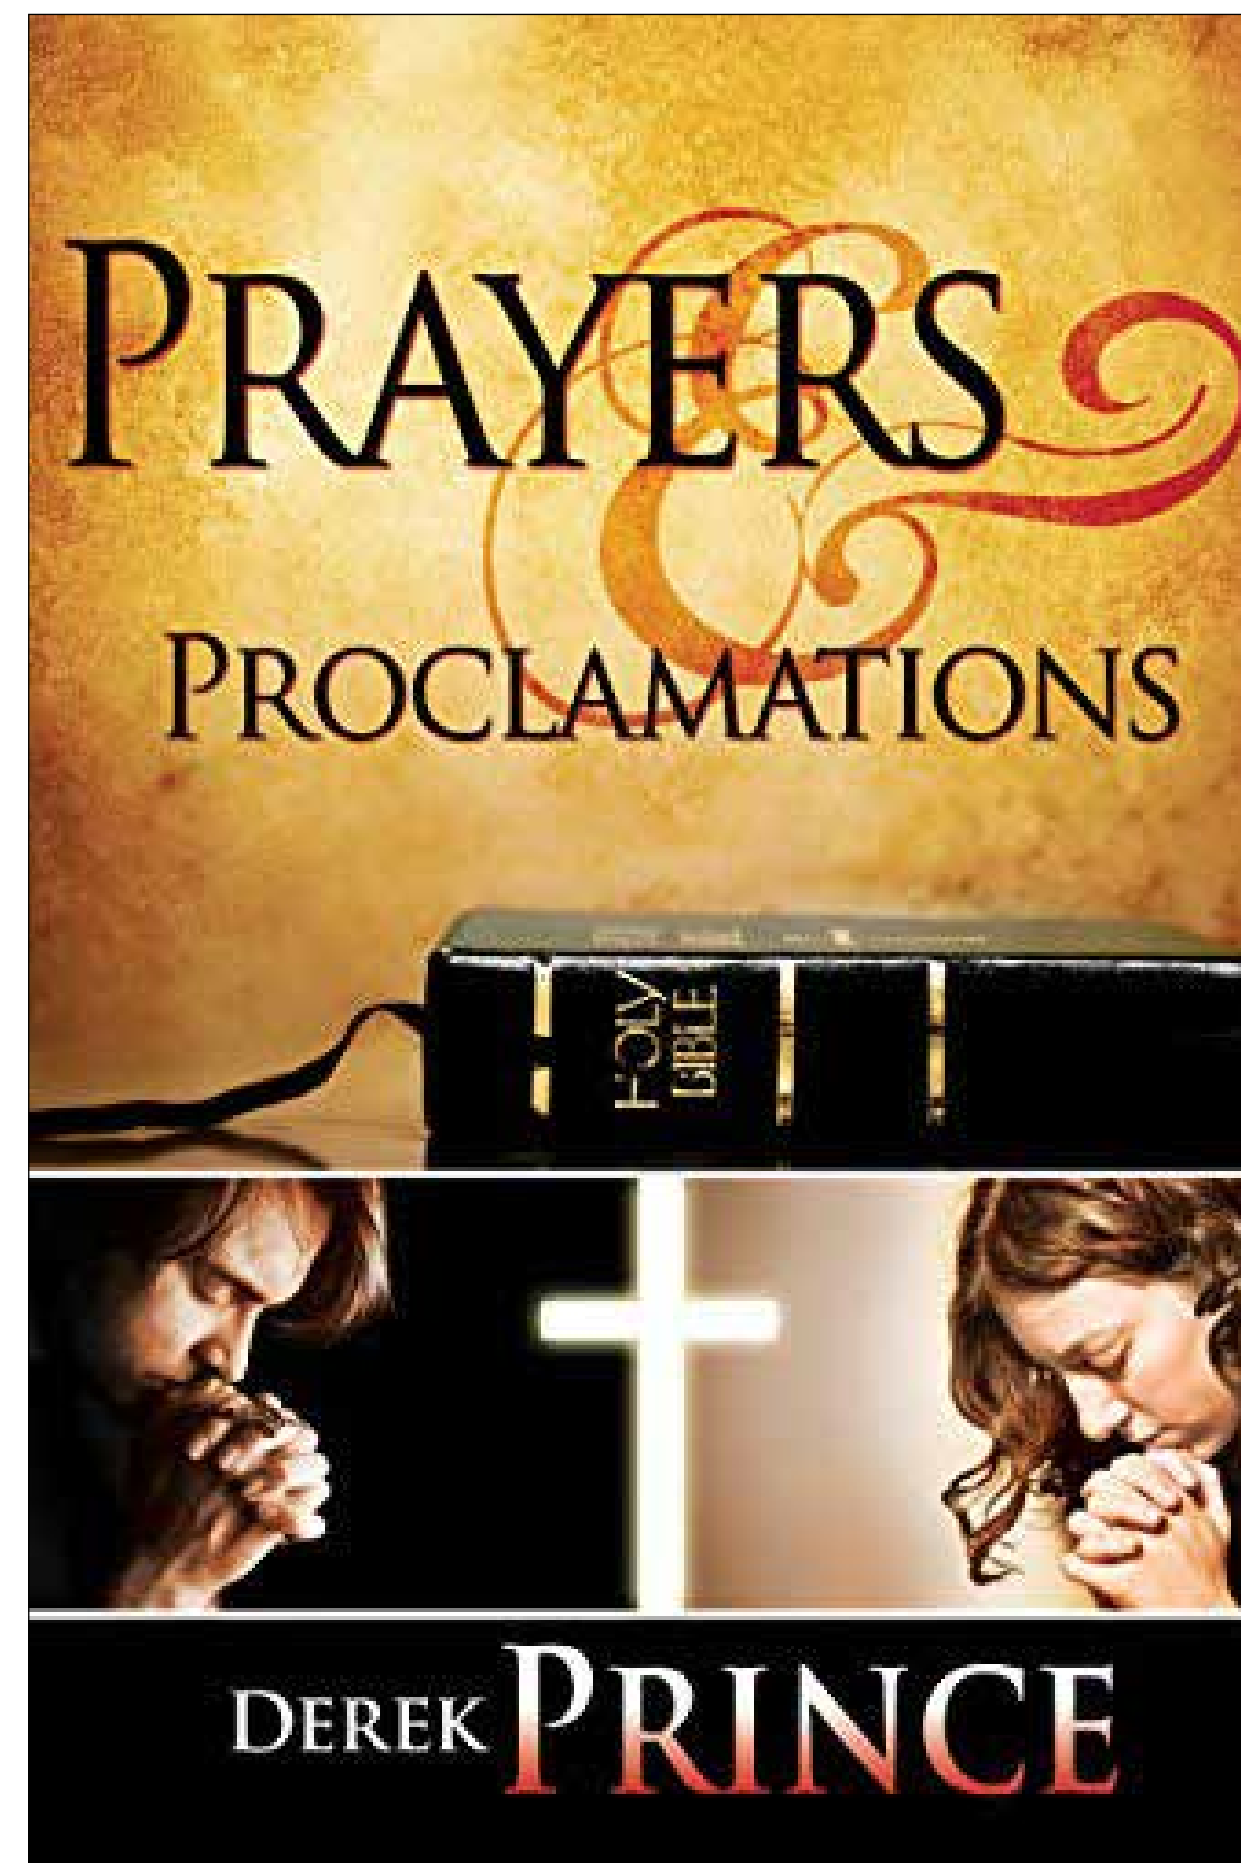

This last of the foundation doctrines refers to God's judgments in history as well as judgments that will confront us when we step out of time into eternity.

- The judgment seat of Christ
- The judgment of Israel
- The judgment of the Gentile nations
- The great white throne judgment

The study contains the transcript of Derek's talk, Bible verses for memorisation, questions for personal applications and questions that can be discussed in a group setting.

You cannot fully understand the Bible unless you know something about Israel. And if you're confused about Israel, you're confused about the Bible.

The nations of the earth owe all that is most precious in their spiritual inheritance to the Jews.

This is true of all of us – whether we be Arabs, Africans, Asians or Europeans, Russians, Americans or Chinese. We all owe a spiritual debt to the Jews that cannot be calculated.

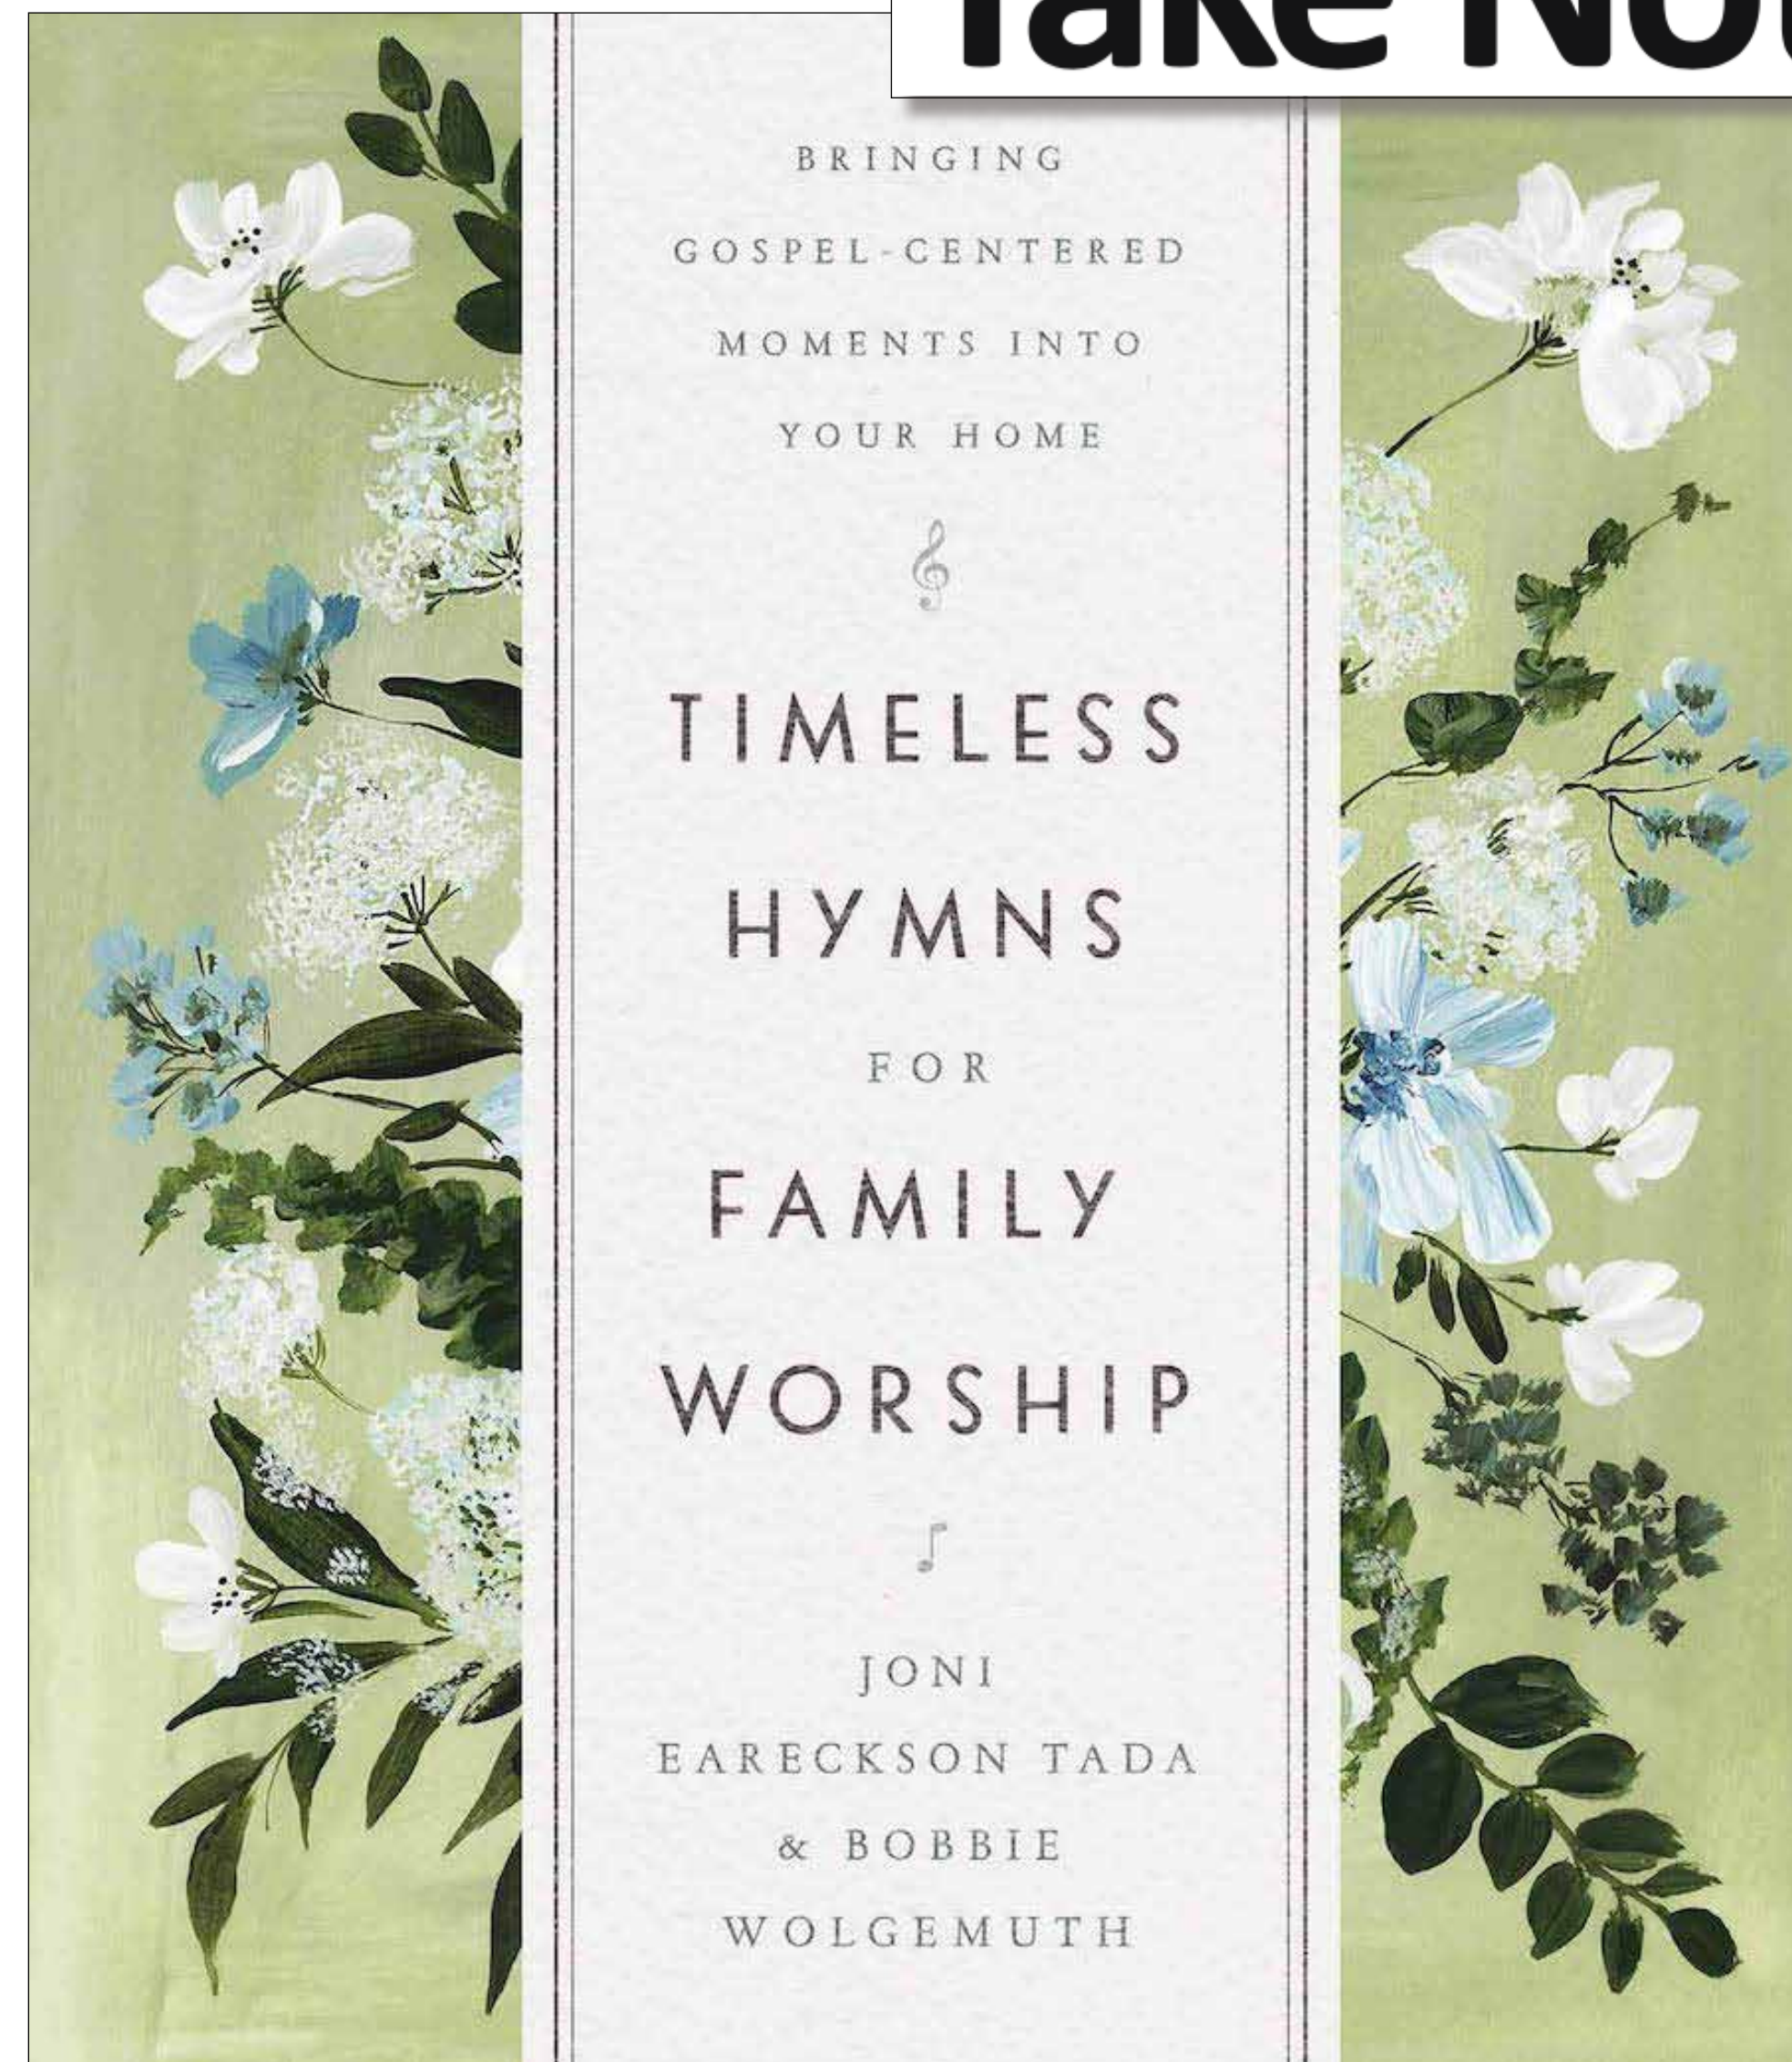

One of the best ways we can begin to repay that debt of love is by prayer and intercession.

Using colourful, engaging artwork, Our God introduces children to some of the many ways the Lord is described in the Bible—as our rock, the bread of life, the bright morning star, and more.

Children will delight in the beautiful illustrations as they learn about primary shapes and how those shapes reveal God's character. You will appreciate the artistic design, theologically sound content, and helping your little one form a firm spiritual foundation built on biblical truth.

Baby Believer® primers are designed to grow with children, from early infancy through elementary school. In addition to basic Bible theology, Baby Believer® board books are filled with quotations from the Bible, creeds, hymns, church fathers, and other articles of faith to help reinforce the content and provide intellectual handholds for older children who possess a greater capacity for learning and memorization.

## Description

If you were to pick one word for the year, what would it be? Invite . . . Abide . . . Balance . . . Simplify . . . ?

Every January, many of us proclaim our word for the year, choosing something inspiring that will help us set our intention for the coming months. But what would happen if rather than choosing one word for an entire year (because let's face it, some of us forget by March), we focused on one good word each day—one thought-provoking, spiritually relevant, and encouraging word that reveals the many lovely and delightful truths of who Jesus is in our lives?

'One Good Word a Day' offers simple, but deeply spiritual meditations that will help readers linger on one word each day so they can identify and reflect on how Jesus as the Word influences their daily lives. Jesus is more than one word. He offers us abundance, hope, peace, kindness, courage, mercy, and so much more.

'One Good Word a Day' reminds readers that in Christ, we find all we need to live encouraged and uplifted every day.

## Description

As believers, we often struggle to let go of the things that keep us from reaching out to God. We ask ourselves, Why don't I have this figured out by now? Why do I struggle to take my prayer life seriously? Why do I feel so weighed down by prayer? Why is it so difficult to pray without getting distracted?

But there's good news! In 'Pray Confidently and Consistently', Valerie Woerner, popular author and creator of purposeful journals designed to transform your prayer life, teaches that we don't have to limp through our prayer lives carrying the weights of every distraction. We can learn to pray boldly to the God of the universe who is beckoning us to come sit with him, share our needs and our hearts, and simply know him.

Prayer invites action into our lives by the God who is more powerful than we are on our own. What weights do we need to take off so they don't hold us back from a deeper conversation with God? What distractions are holding us back from running freely with our Father?

Let's get rid of the burdens that are suffocating our prayer lives and leaving us gasping for Jesus so we can experience true joy in prayer that we never thought possible. Because, ultimately, prayer changes everything.

## Description

Three popular books, now collected for the first time in one special edition!

We live in a world that seems to be on the verge of coming apart. Shootings. Killer viruses. The threat of nuclear war. All of it is just too real.

What is happening in our world today is moving Christians to return to the foundations of our spiritual existence. Believers everywhere must get back to what matters most. We must always remember our battle, at its most basic level, is spiritual.

In 'The Prophecy Collection', popular Bible teacher Mark Hitchcock helps you discover spiritual insight and spiritual tools to understand what's happening—and to prepare for the future—through three important works:

- The End Times Survival Guide
- The Coming Apostasy (coauthored with Jeff Kinley)
- Russia Rising

As we prepare for the Lord's coming, it's time to understand the biblical truths you need to know in order to face an increasingly decaying, darkening world. No matter what the future holds, anchor your spiritual health and welfare on the immovable rock of God's Word.

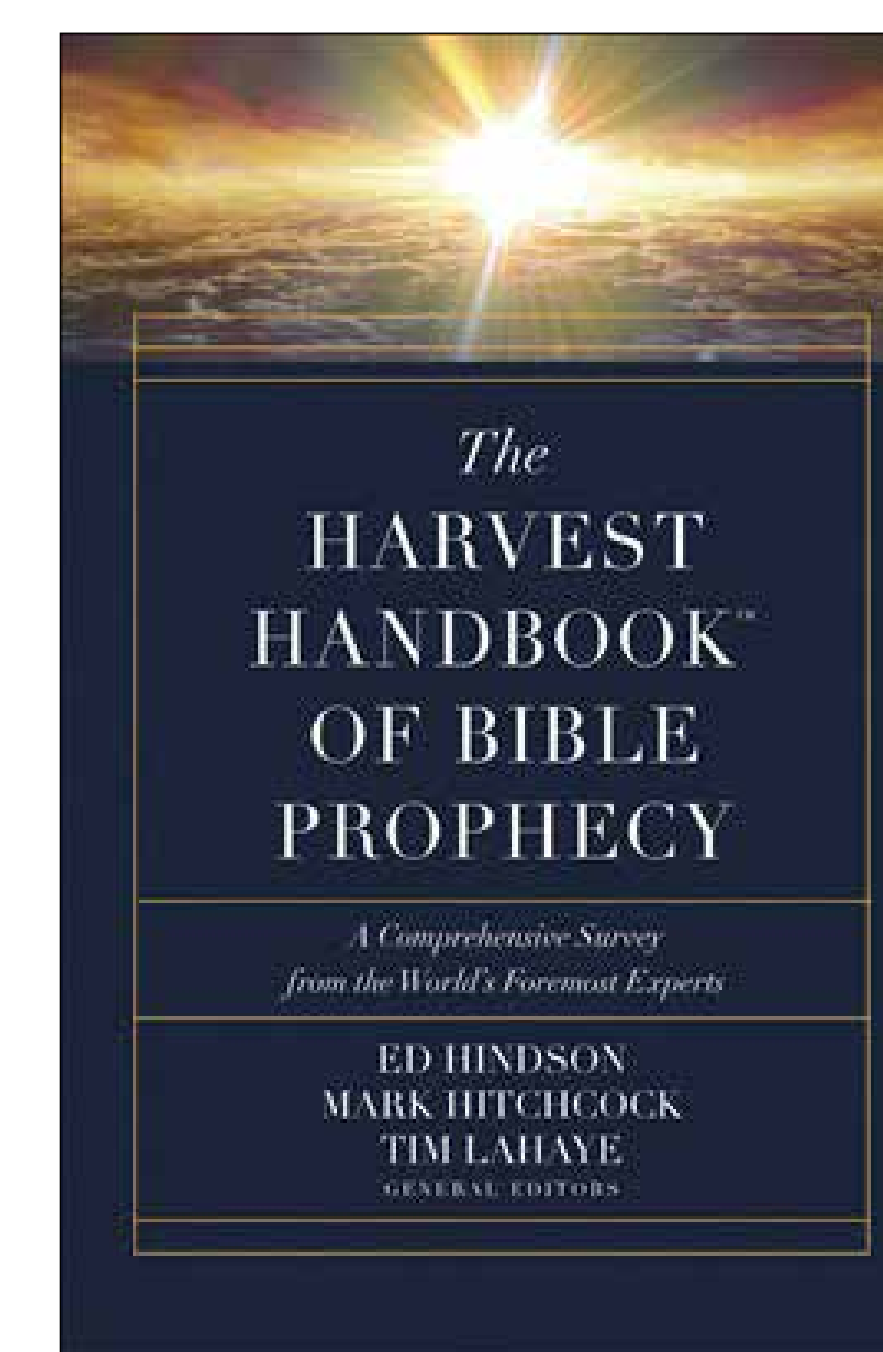

## About the Author

Attorney Mark Hitchcock thought his career was set after graduating from law school. But after what Mark calls a "clear call to full-time ministry," he changed course and went to Dallas Theological Seminary, completing master's and doctoral degrees.

Since 1991, Mark has authored numerous books, serves as senior pastor of Faith Bible Church in Edmond, Oklahoma and is also an Associate Professor of Bible Exposition at Dallas Theological Seminary.

Mark and his wife, Cheryl, live in Edmond with their family.

When Matt and his wife, Sarah, were halfway through her pregnancy, they discovered their son would be born with Hypoplastic Left Heart Syndrome (HLHS), a rare congenital defect. Matt and Sarah's son, Bowen, was born on 9/9/10 and received a huge following through the Hammitt's blog (bowensheart.com). No one knows more about living with all the feels than teenage girls. In other words: all the feels all the time. Yep, no one knows about having all the feels quite like teenage girls—but few girls know what to do with all those feelings.

Christian teens need Bible-based help to show them that it's okay to feel deeply (after all, God himself is the Author of all feelings), but each of us must learn to train our emotions in the ways of Christ.

As they learn how to deal with all the feels, girls need scriptural foundations, practical strategies, and the assurance that they are not weird—and never alone.

## Description

“Warning: If you start reading the Tony Maisey story make sure you have plenty of time. Read it, buy it, give it, send it to someone that’s living Tony’s past and you may give them a passport to freedom.”  
–DON WILKERSON, co-founder of Teen Challenge and founder of Global Teen Challenge

Tony had mastered the art of hiding the frightened child, behind the mask of a fearless criminal. Years later, exhausted from holding up that same weary disguise, he headed for Peru in pursuit of freedom and truth in sheer desperation.

Stumbling from bar to bar in hope of something, anything, Tony found a connection to take him to meet a shaman the following day. With a bottle of water in hand to nurse a significant hangover Tony boarded the cramped fishing boat and set off up the Amazon River. No amount of hard living could have prepared him for what he would be spiritually subjected to deep in the Amazon Jungle. He had opened himself up to the realms of the demonic through torturous Ayahuasca ceremonies.

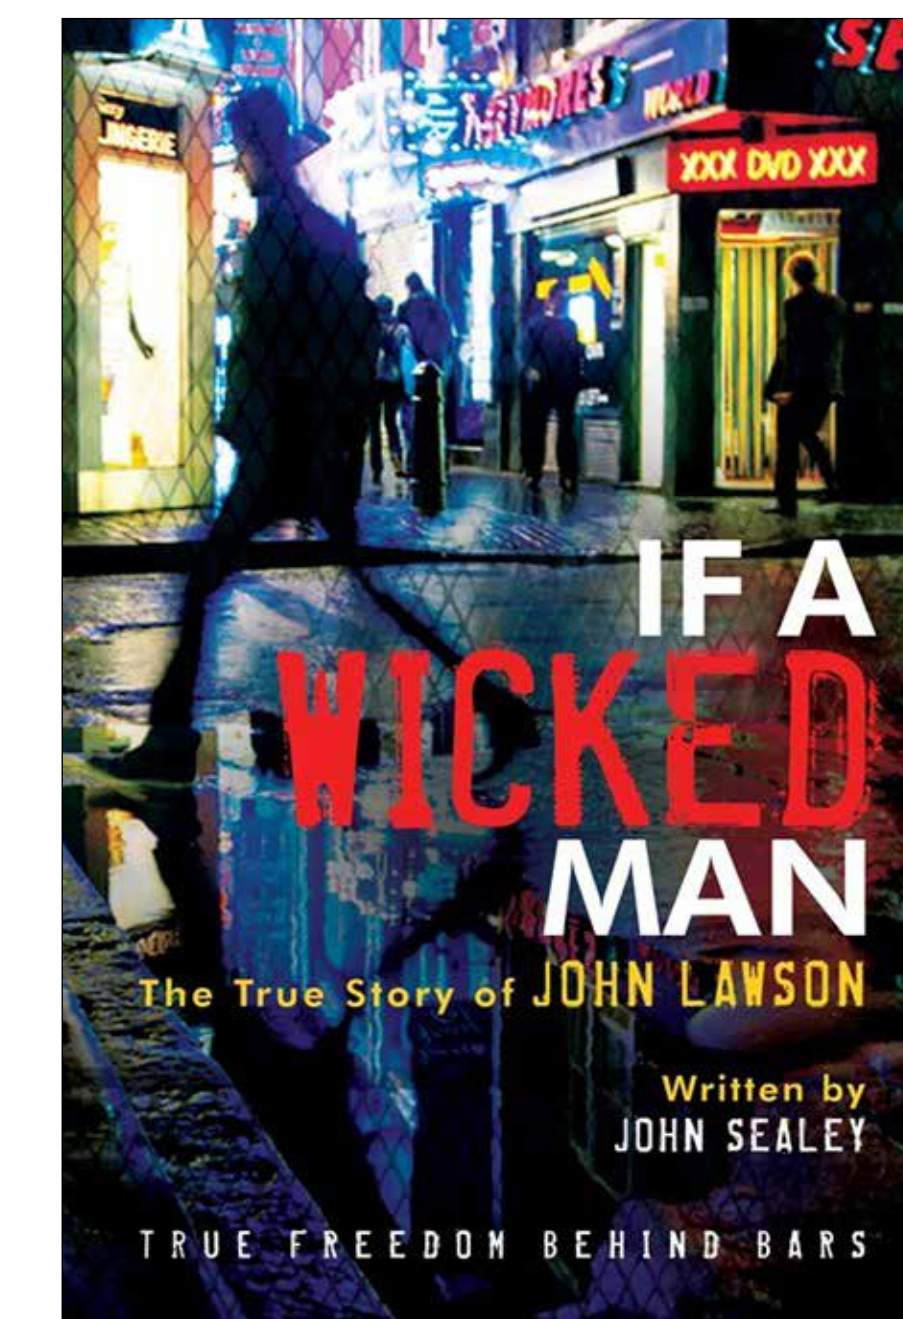

When returning to London drenched in fear and darkness, suicide seemed to be the only escape from his vivid evil hallucinations. One night alone and frightened he experienced a vision which promised him a way out. But there was something he needed to do first before it could happen. This is that true story.

## About the Author

TONY MAISEY is an engaging guest speaker who shares his gripping life changing story with a wide range of audiences from radio to prison inmates to the public on the streets of London.

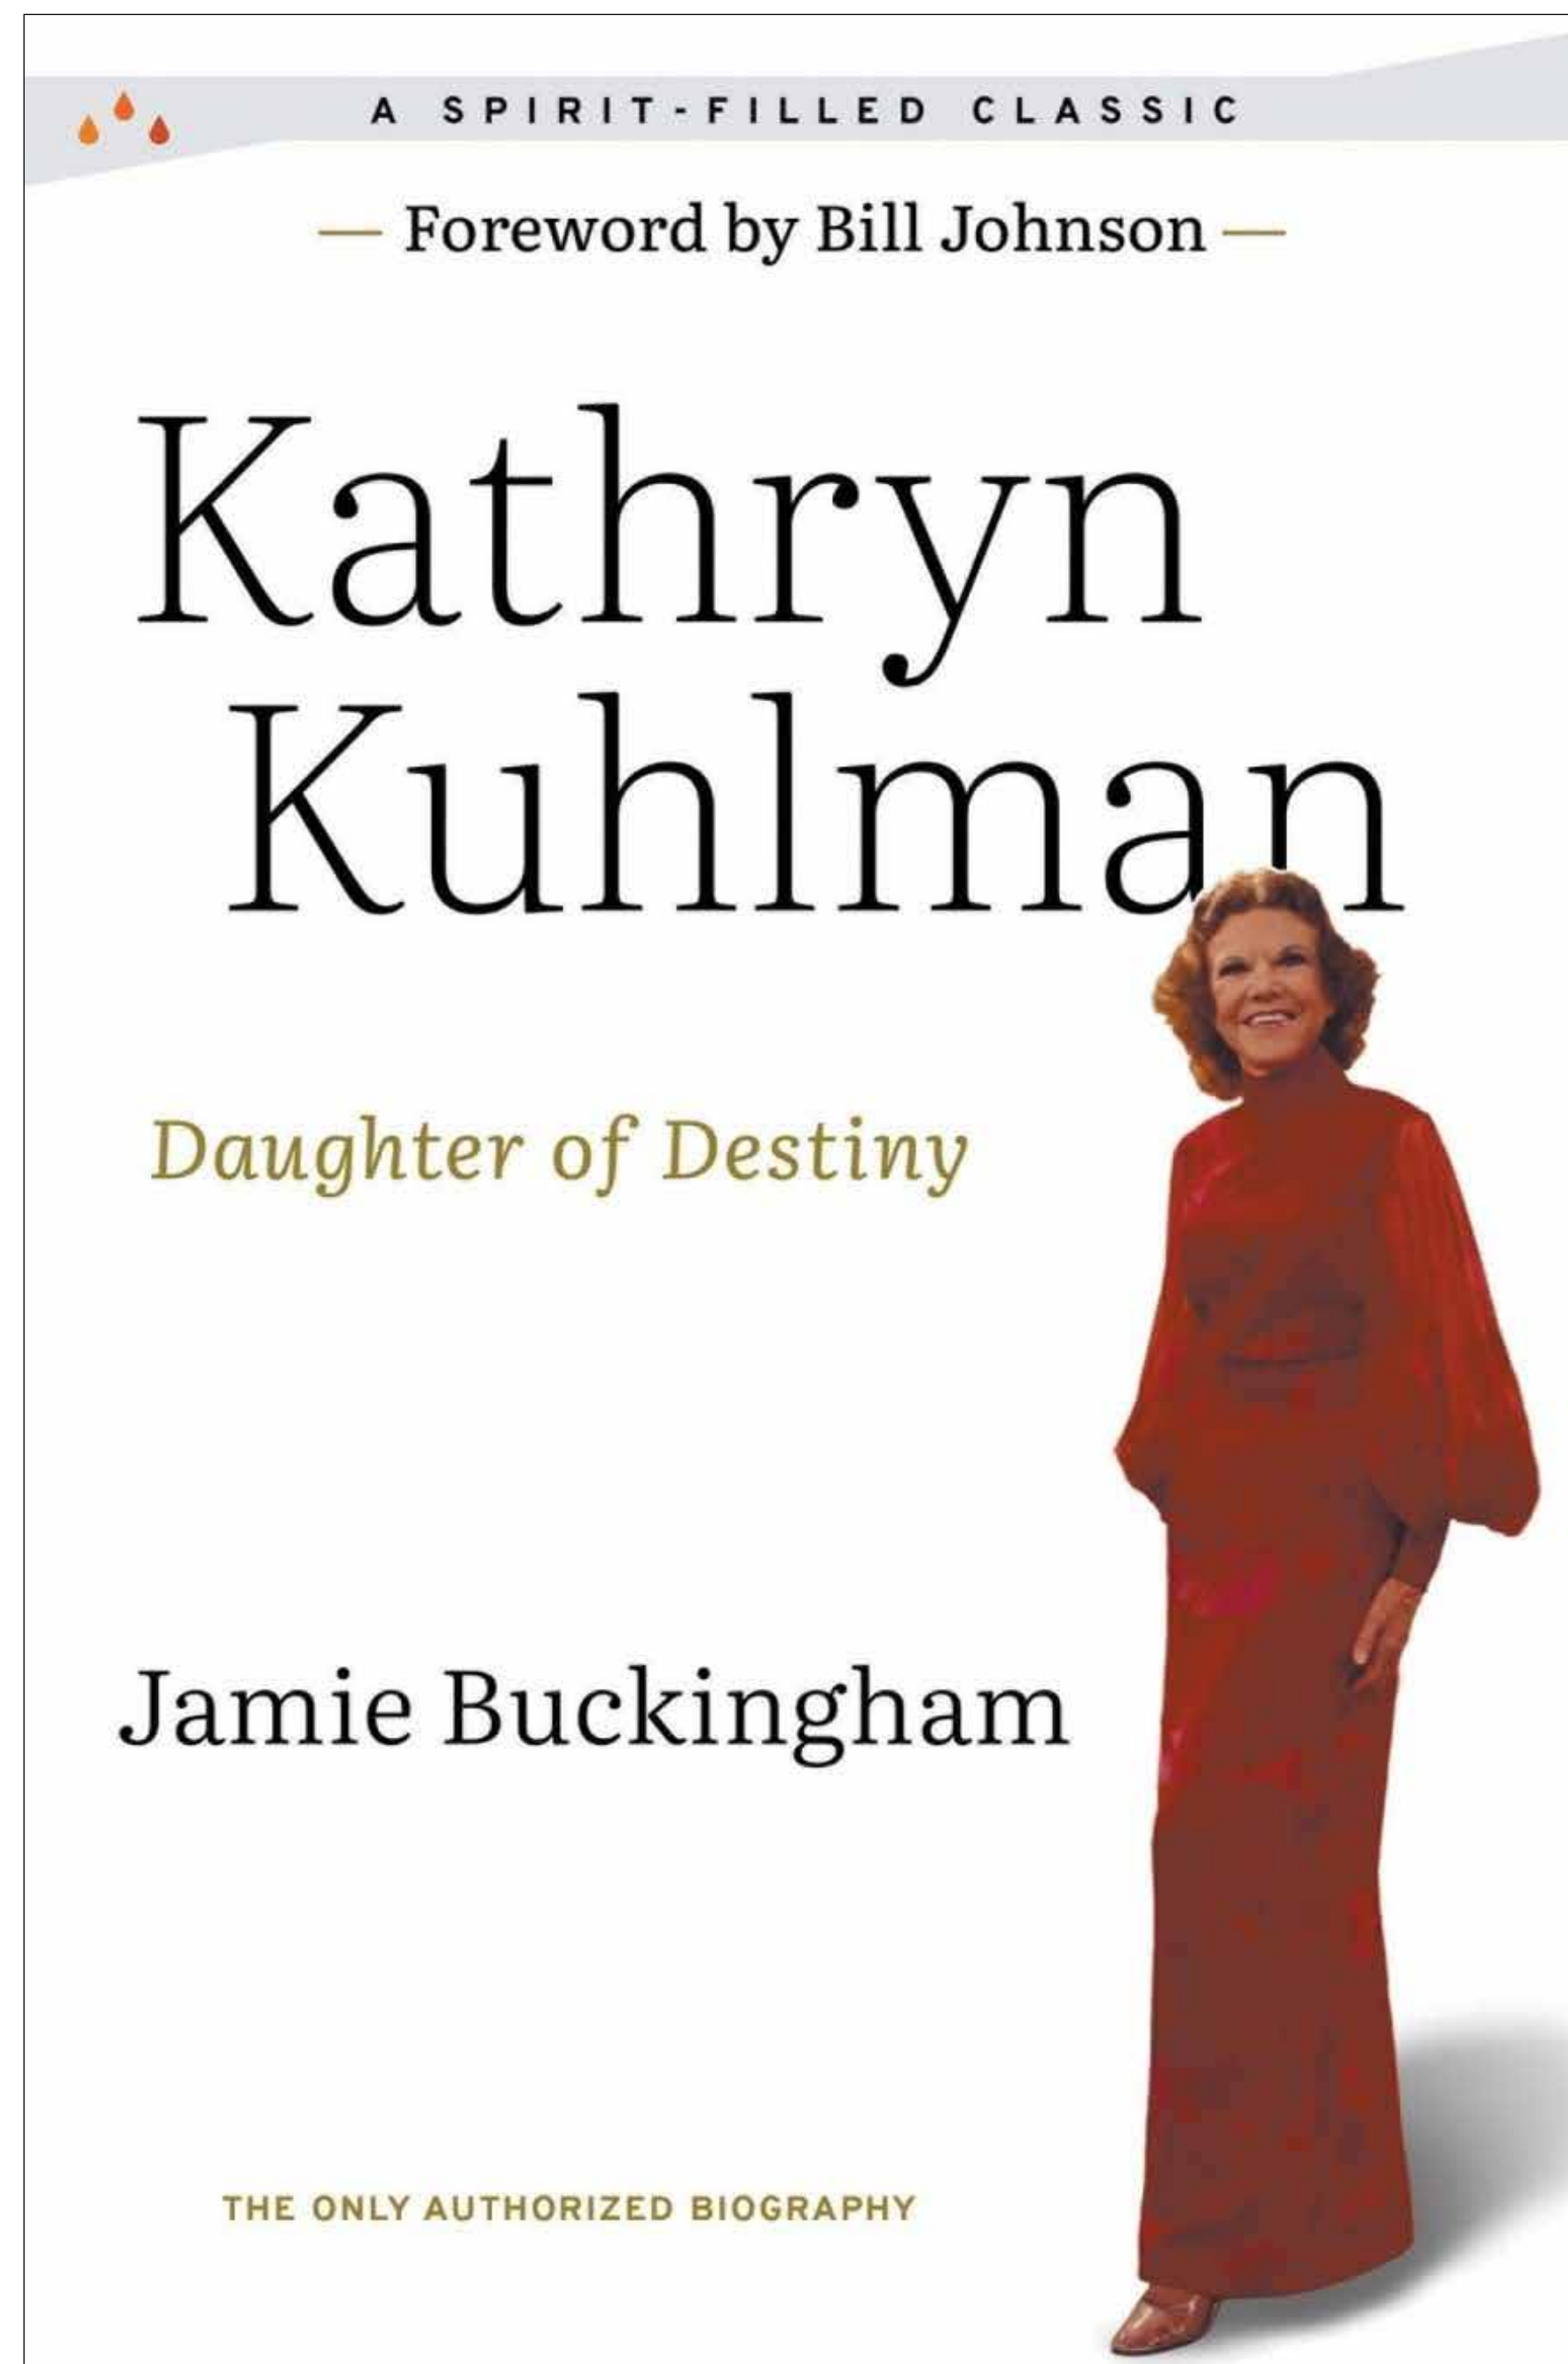

Tony is available for interview to UK and European media outlets.

## Description

“Kathryn’s life helped to reestablish a value that has not been the norm for a long time. This is the power of the gospel, burning in us, yearning to be released. May we be forever marked as people for God’s glory, and live inspired by this Daughter of Destiny.” –Bill Johnson, Bethel Church, Redding, CA

Wherever Kathryn Kuhlman went, people who once thought miracles impossible learned to believe in miracles.

Before she died, she asked that only Jamie Buckingham be allowed to write her official biography—withholding nothing. Here, then, is the story, not of a plaster saint, but of a very human woman—of marriage and divorce, of betrayal by those she trusted, of the shadowy events that surrounded her death. It is the story of Kathryn Kuhlman that few knew, as she wanted it told—all of it. It is the story of the redhead from Missouri who became the foremost woman evangelist of the 20th century.

Enhanced with personal photographs from Kathryn’s family album, illustrating her life story.

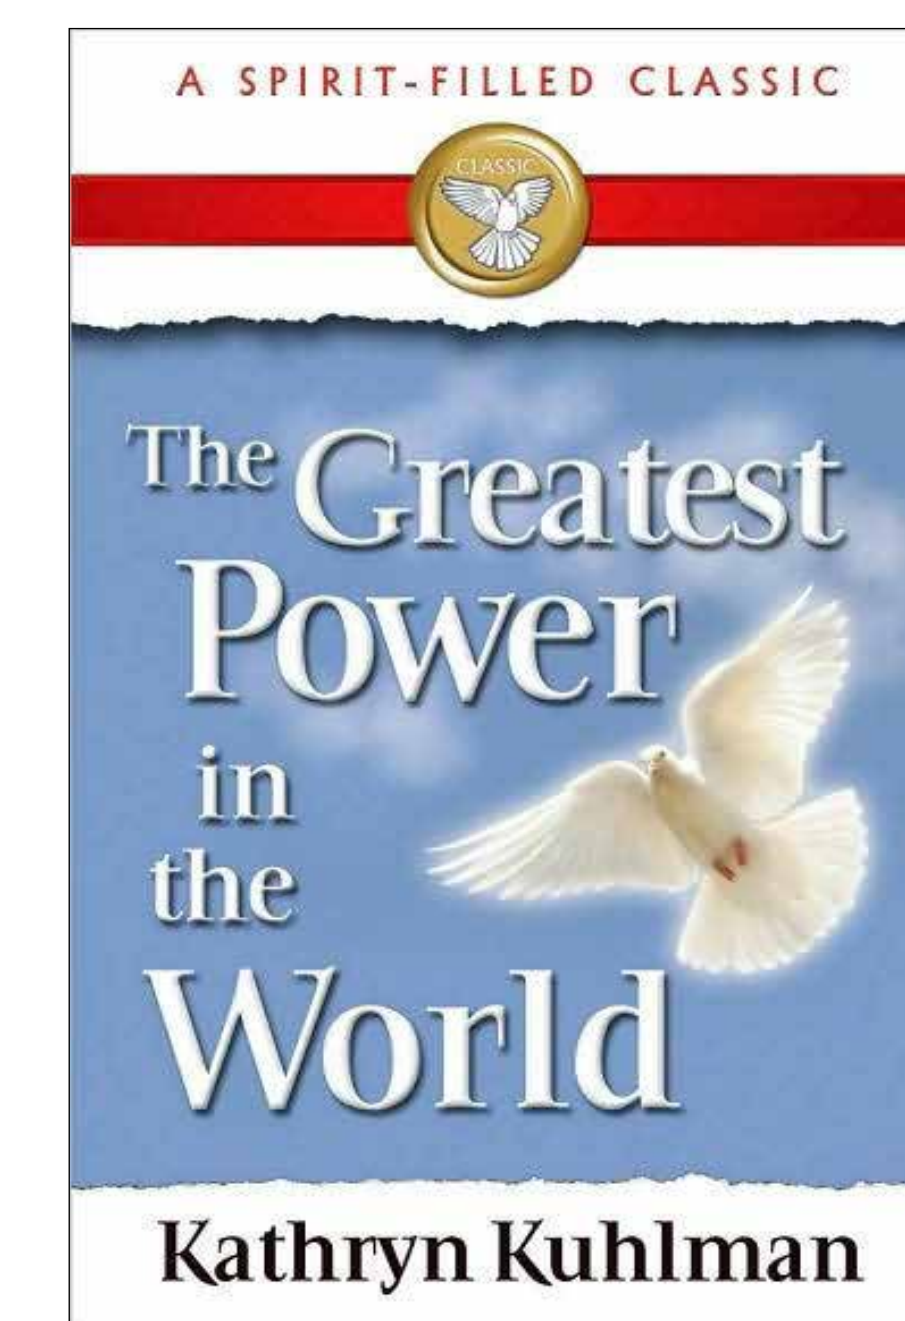

“It is impossible to write about Kathryn Kuhlman without writing about God. Her life was not her own. In a very real way, she was a daughter of destiny. Chosen. Ordained to be His special handmaiden.” –Jamie Buckingham

The challenge of the Christian life is learning to talk Christian. There may be religions that arise from within, or accompany your birth, faiths that occur to you after secluded meditation, or as fruit of long walks in the woods, human experience, good and bad, or what you've learned from your wounds.

Christianity isn't one of them. Somebody has got to tell us, give us the words that open the door to the faith called Christian.

Each of us is due the delight of discovery that in submitting to God's talk to us—in allowing ourselves to be addressed by the God we're unable to love without first being loved, welcomed, and found—we have been apprehended. While we were trying so hard to think about God, God was already thinking about us.

God Turned Toward Us: The ABCs of Christian Faith is organized by the words the church teaches us to use to talk about ordinary life apprehended by a God who is Jesus Christ—short, meditative reflections upon key concepts that guide Christians, new or longstanding. These reflections, which are accessible to all Christians, are also particularly inspiring for pastors, church leaders, and seminarians who want to communicate the faith in entertaining ways to others and who want to find fresh meaning in traditional Christian concepts.

Every sermon has a theology, and a god of that theology behind it.

Preaching is more effective, and has more integrity when preachers understand the god behind their theology. Specifically, whether the god is a universal God, like the one expressed by Christ and the Christian faith, or a tribal god, which is sometimes dressed up to resemble Christianity but is something else entirely.

Frank A. Thomas culminates his exploration of the Dangerous Sermon with this book, which leads readers through the process of identifying and understanding the gods behind theology, and their connection to preaching.

The reader is equipped to discern the metaphors, symbols, and rhetorical indicators which point to the god a preacher is serving and calling others to serve.

 Author: Megan Hill

 Format: Paperback  
 Genre: Devotional Books  
 Distribution: UK & Europe

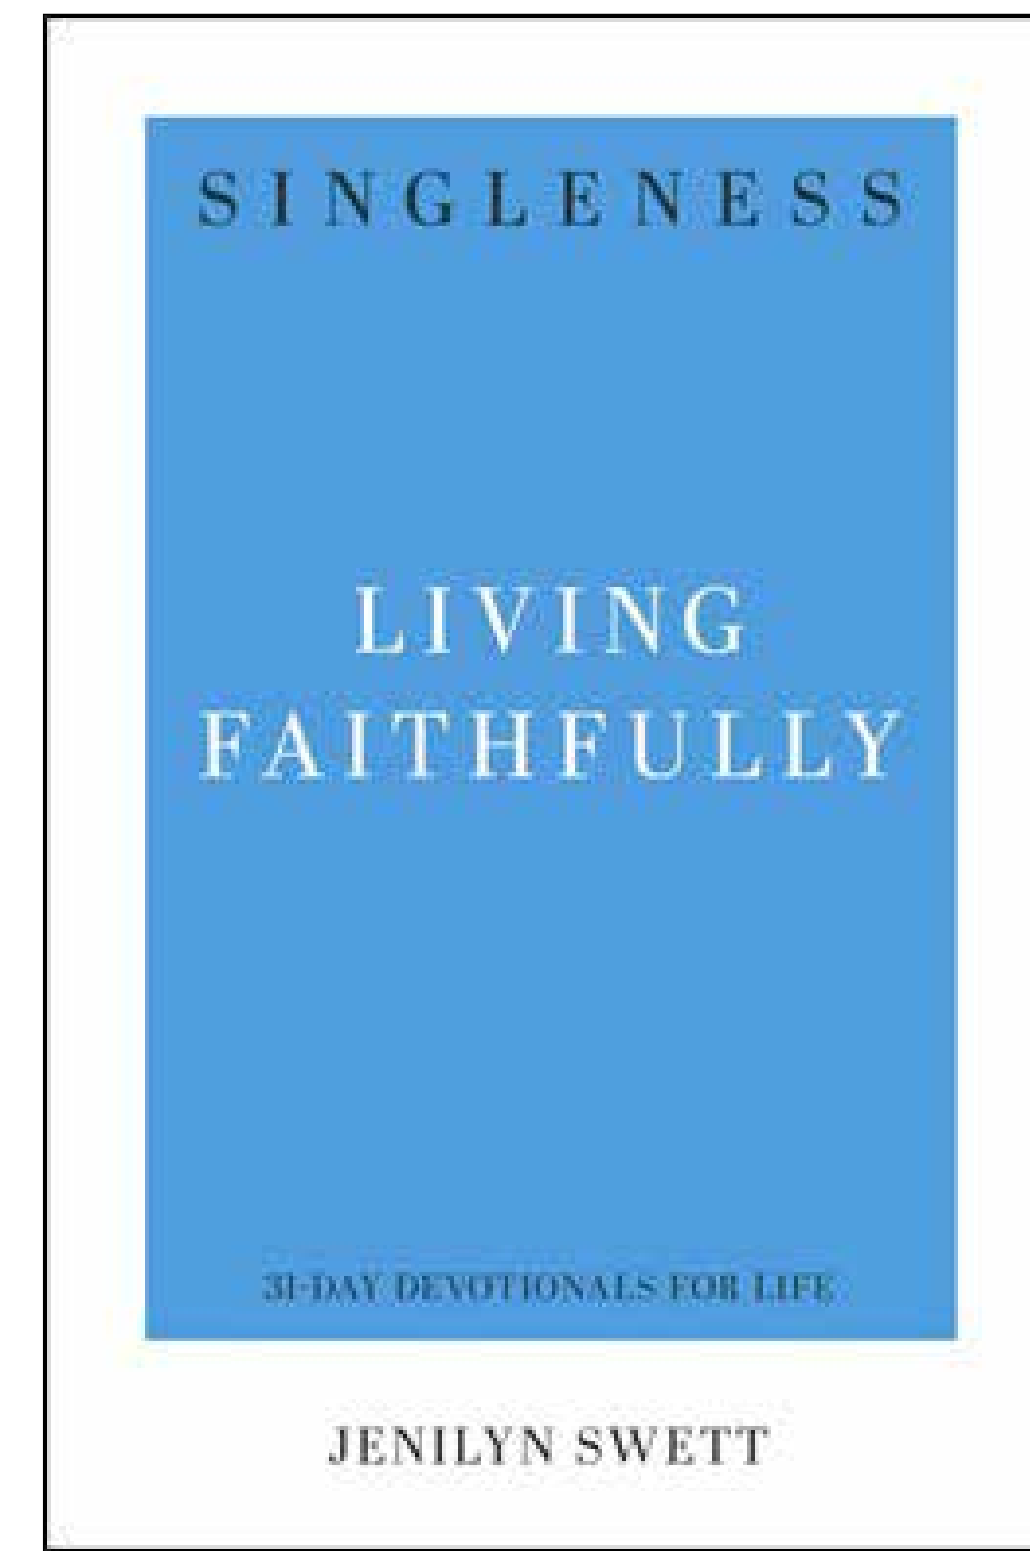

Do you find your patience running thin when you are forced to wait for a green light or a dawdling child?

In a culture that strives for maximum efficiency and instant gratification, it's easy to get frustrated when we are forced to wait.

We expect an apology or compensation in return for our "patience." But this is bitter endurance, not true patience. We need to be reminded of patience as God intended it and how it can bring us peace in our fast-paced world.

In this devotional, Megan Hill puts patience back into perspective with thirty-one daily reflections and calls to action. It's easy to see patience as what it is not and forget what patience is.

Being patient is more than just not getting upset when your restaurant order is delayed. Patience is faithfulness over time. It's the diligent practice of godliness while you wait. It is a virtue that Christ embodied here on earth, and with his help, we can understand and cultivate steadfast patience ourselves.

Singleness is not a problem or a waiting period—it's a place where many of us live, and it offers unique blessings, challenges, and opportunities.

Many resources on Christian living focus on the particular situations of married people. Yet many are single longer than they would like, some expect never to marry, and others find themselves single again.

Whatever your situation, faithful living is possible, and so are flourishing and growth. Writing as a fellow traveller on this road, Jenilyn Swett turns to Scripture to show how our identity in Christ, paired with a robust theology of singleness, gives us a vision for the single life, no matter how short or long it may be.

Daily readings reflect on practical, emotional, and spiritual dimensions of faithful living as a single person, and each entry concludes with a point of reflection and a call to action. We are God's children above all else—we find in him all the riches we need.

Sometimes one word is all that stands between the truth and a lie, between life and death.

In the Reformation, that word was sola, “alone.” At a time when leaders in the church claimed to speak for God, the Protestant Reformers reminded God’s people that Scripture alone is our infallible authority.

While many people sought to work their way to heaven, the Reformers boldly proclaimed the only true gospel: salvation is by God’s grace alone, through faith alone, in Christ alone, to the glory of God alone.

That word, “alone,” made all the difference then, and the same is true today.

Take up this devotional to spend ninety days with the five solas of the Reformation. These core biblical truths display the reliability of God’s Word and the depths of His mercy, helping you grow in faith day by day.

Product Code: 9781601788405  
Format: Hard Cover  
Genre: Doctrine & Theology

Petrus van Mastricht’s Theoretical–Practical Theology presents one of the most comprehensive methods of treating Christian doctrine. In it, Mastricht treats every theological topic according to a four–part approach: exegetical, dogmatic, elenctic, and practical.

As a body of divinity, it combines a rigorous, scholastic treatment of doctrine with the pastoral aim of preparing people to live for God through Christ.

Students and pastors will find it a valuable model for moving from the text of Scripture to doctrinal formulation that will edify the people of God. Volume 3, The Works of God and the Fall of Man, is a book of origins—origins of the created order and of sin. Mastricht begins with a discussion of the decrees of God and how they establish His eternal purpose for everything.

He then shows how the decrees are carried out in creation and in God’s continual providence. The volume concludes with Mastricht’s treatment of the apostacy of Adam from his original estate and the devastating effects of sin that followed. This is an important volume for learning how God governs all things, even the rebellious actions of those good things He created.

Octavius Winslow has long been highly regarded for his warm engagement of biblical truth.

In The Glory of the Redeemer, Winslow delivers a devotional Christology that will excite the believer’s soul. He examines the person and work of Christ: tracing Jesus’s glory from the eternal existence of His divine nature, through the Old Testament types and shadows His humiliation and exaltation in the New Testament, even up to and including His second coming.

Read Winslow’s treatment of our great redeemer and see how good theology naturally leads to hearty doxology!

The autobiography of Geoff Thomas and his ministry for over 50 years to the people of Aberystwyth and to the wider world.

During Geoff's time in Alfred Place Church he preached through (almost) every verse in the Bible. Geoff received his theological training at Westminster Theological Seminary, Philadelphia, where he was especially influenced by the teaching of Professors John Murray, Cornelius Van Til, and E.J. Young.

Westminster awarded him an honorary doctorate in 2011.

In a day when self-promotion is common, this is the story of a ministry deliberately placed under the shadow of Jesus in order to have a wider impact than any man could.

## Description

A teacher nicknamed him Stupid for an entire school year...job-placement counselors told him to steer clear of college due to his academic ineptitude...friends shied away from him because of his love for the arts...even those closest to him were mystified by his early passion for the Bible and his lack of interest in sports. And the enemy used it all to torment him daily for years.

But Rick Renner was no misfit, as his young mind had been told. He not only marched to the beat of a different drummer from a very young age -- he was marching to the rhythm of God's unique calling on his life. It was a call to full-time ministry that drew him through the confusing mire of opposing voices and dream thieves...

Rick's intellectual "ineptitude" was also refuted when he studied Greek in college and went on to become a foremost teacher of New Testament Greek in the international Christian community. Having begun the first Christian television network in the former Soviet Union; produced daily TV teaching programmes that air around the world; and written more than 50 books on topics ranging from Church history and spiritual warfare to events concerning the last days, Rick's story is as unlikely as they come.

In his autobiography, he writes about:

- the pain of suicide and multiple divorces in his extended family.
- his struggles against mind-bending spirits that tried to derail him from his youth.
- his close experience with the spirit of death.
- angelic encounters.
- saboteurs "on the inside."
- threats against his life by a motorcycle gang, a madman, and the Russian mafia.
- a government confrontation when he and his team were building the first Protestant church in that former Soviet republic since it had become a part of the USSR decades earlier.

You will laugh and cry -- and be encouraged and inspired -- as you read this author's vulnerable account of his unlikely calling and the many obstacles and personal challenges he had to overcome to fulfill it.

 Format: Paperback  
 Genre: Contemporary Social Issues

On the brink of collapse, our nation's only hope is a visitation of God's power and presence. What will heal the deep racial, social, and political divisions that are tearing us apart? How can we stop the evil of human trafficking? What can turn the rising tide of opioid addiction? What will cure the epidemic of fatherless homes?

Man-made laws and policies don't hold the answers. Social programmes and initiatives fall hopelessly short. There is no political solution. We must have divine visitation. We must have awakening. We must have revival.

In *Revival or We Die*, respected biblical scholar, bestselling author, and radio host, Dr. Michael Brown calls the American Church back to God and His Kingdom purposes. He presents a prophetic "state of the union" address, offering a candid look at the United States and revealing why our only hope is a true spiritual awakening.

If we are going to save our nation, the church must... • Rediscover the lost Word of God • Restore the Fear of the Lord by catching a revelation of divine judgment and calling the Body to holiness • Rekindle the fire of first-love zeal and simple devotion to Jesus • Reignite a hunger for the all-consuming Spirit of God The stirring message of this book is what every Christian must hear at this crucial moment.

Fasting is about feasting on more of God! When many hear the word "fasting," they immediately think of what they have to give up. But what if fasting was more about gaining from God instead of giving up? What if fasting is a sacred doorway into fresh encounters with the all consuming fire of God?

Author and revival historian, Jennifer Miskov, has tapped into an ancient pathway to divine encounter. She has given her life to studying how the greater pioneers of revival experienced dynamic moves of the Holy Spirit, both in their personal lives and in the corporate church. One of the key common denominators has been fasting.

In *Fasting for Fire*, you will discover and experience: • Deeper levels of union and connection with Jesus • Greater flow of revelation from the Holy Spirit • Extraordinary miracles, signs and wonders, supernatural power • Increased hunger for God • The supernatural benefits of fasting • The dimensions of fire fasting • Testimonies of revivalists like Charles and John Wesley, Smith Wigglesworth and William Seymour who experienced significant God-encounters through fasting.

Featuring easy to follow fasting exercises, Scripture meditations, reflection questions, and activations, *Fasting for Fire* will stir you to pursue the presence of God with more passion and zeal than ever before!

## Description

The culture won't change your faith. But it will challenge it. This book will equip you to protect your family, your society, and your convictions in a world that increasingly challenges your Christian faith.

Tim Clinton an eminent counsellor and associate of the revered James Dobson, believes this moment in American history is a reprieve. It is a moment to take stock. It is a moment to prepare. It is a moment to focus on the future. We must know the season we are in and prepare to maximize our opportunities as we engage in the cultural battles that are sure to befall us.

In his stirring new book, Focus on the Future, Clinton provides a learned overview of our embattled liberties, the intents of our Founding Fathers, and the heroic efforts of individuals such as Dobson to preserve those intentions. Clinton arms readers for the days ahead by tackling topics such as the following:

- The new war on the American family and how we can change America one family at a time
- The power of righteous masculinity and the forces determined to destroy it
- The battle against abortion
- How neuroscience is changing our approach to healing the traumatized, our veterans, and our society as a whole.

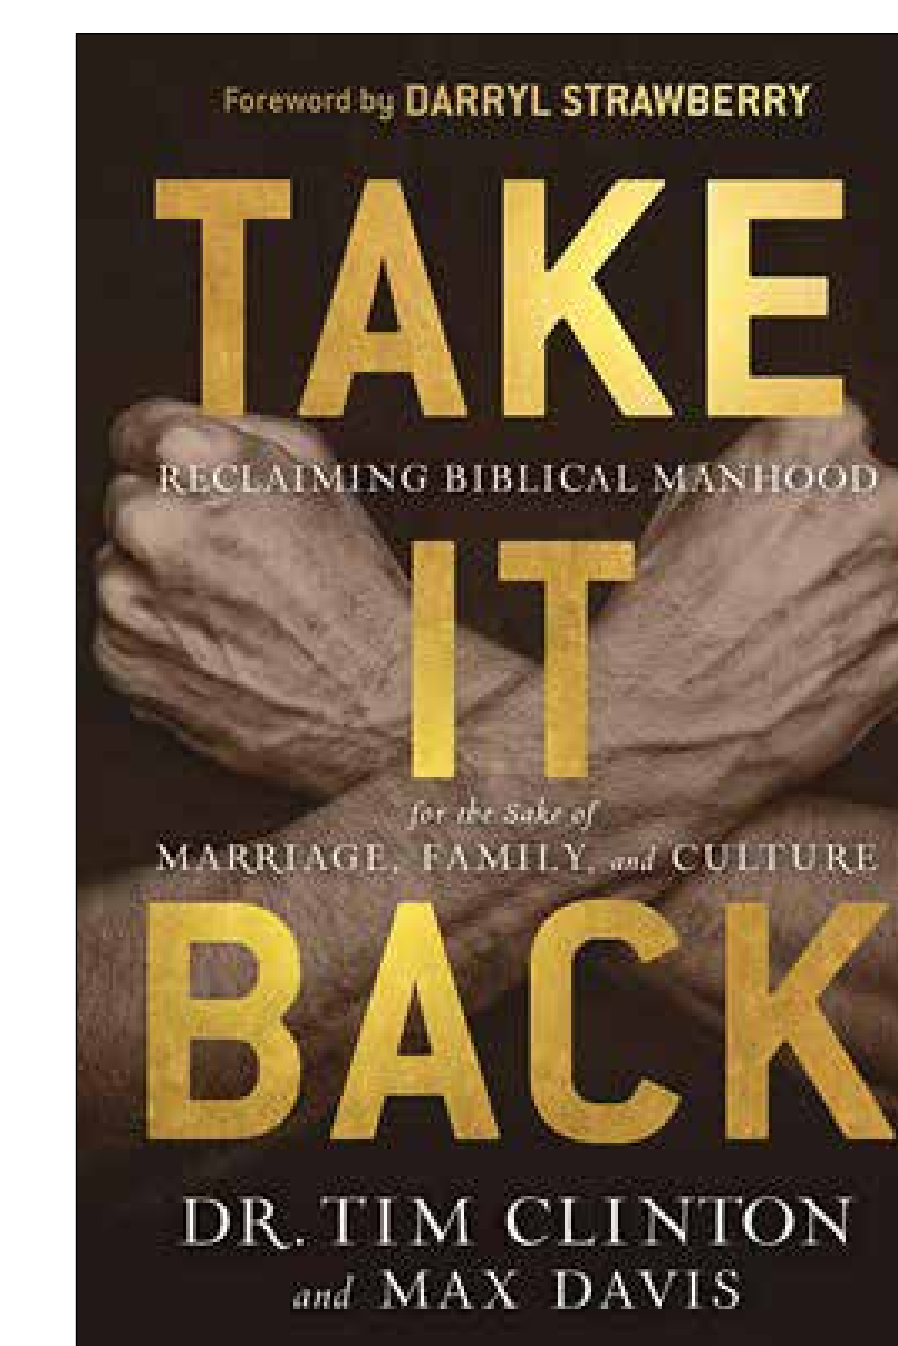

He challenges readers by chronicling the global persecution of the Christian faith and by telling believers how they can make a difference. 'Focus on the Future' is both a culmination of decades of learning and activism as well as a cutting-edge response to today's events. The future is bright, victories are destined, and great things await the faithful who prepare. We can indeed have vital families in a thriving nation and see righteousness pervade our land.

## About the Author

Tim Clinton, EdD, LPC, LMFT, is the president of the American Association of Christian Counselors (AACC), the largest and most diverse Christian counseling association in the world. Title: Of Kings and Prophets  
Author: Mark Rutland

Format: Hard Cover  
Genre: Bible Background  
Distribution: UK & Europe

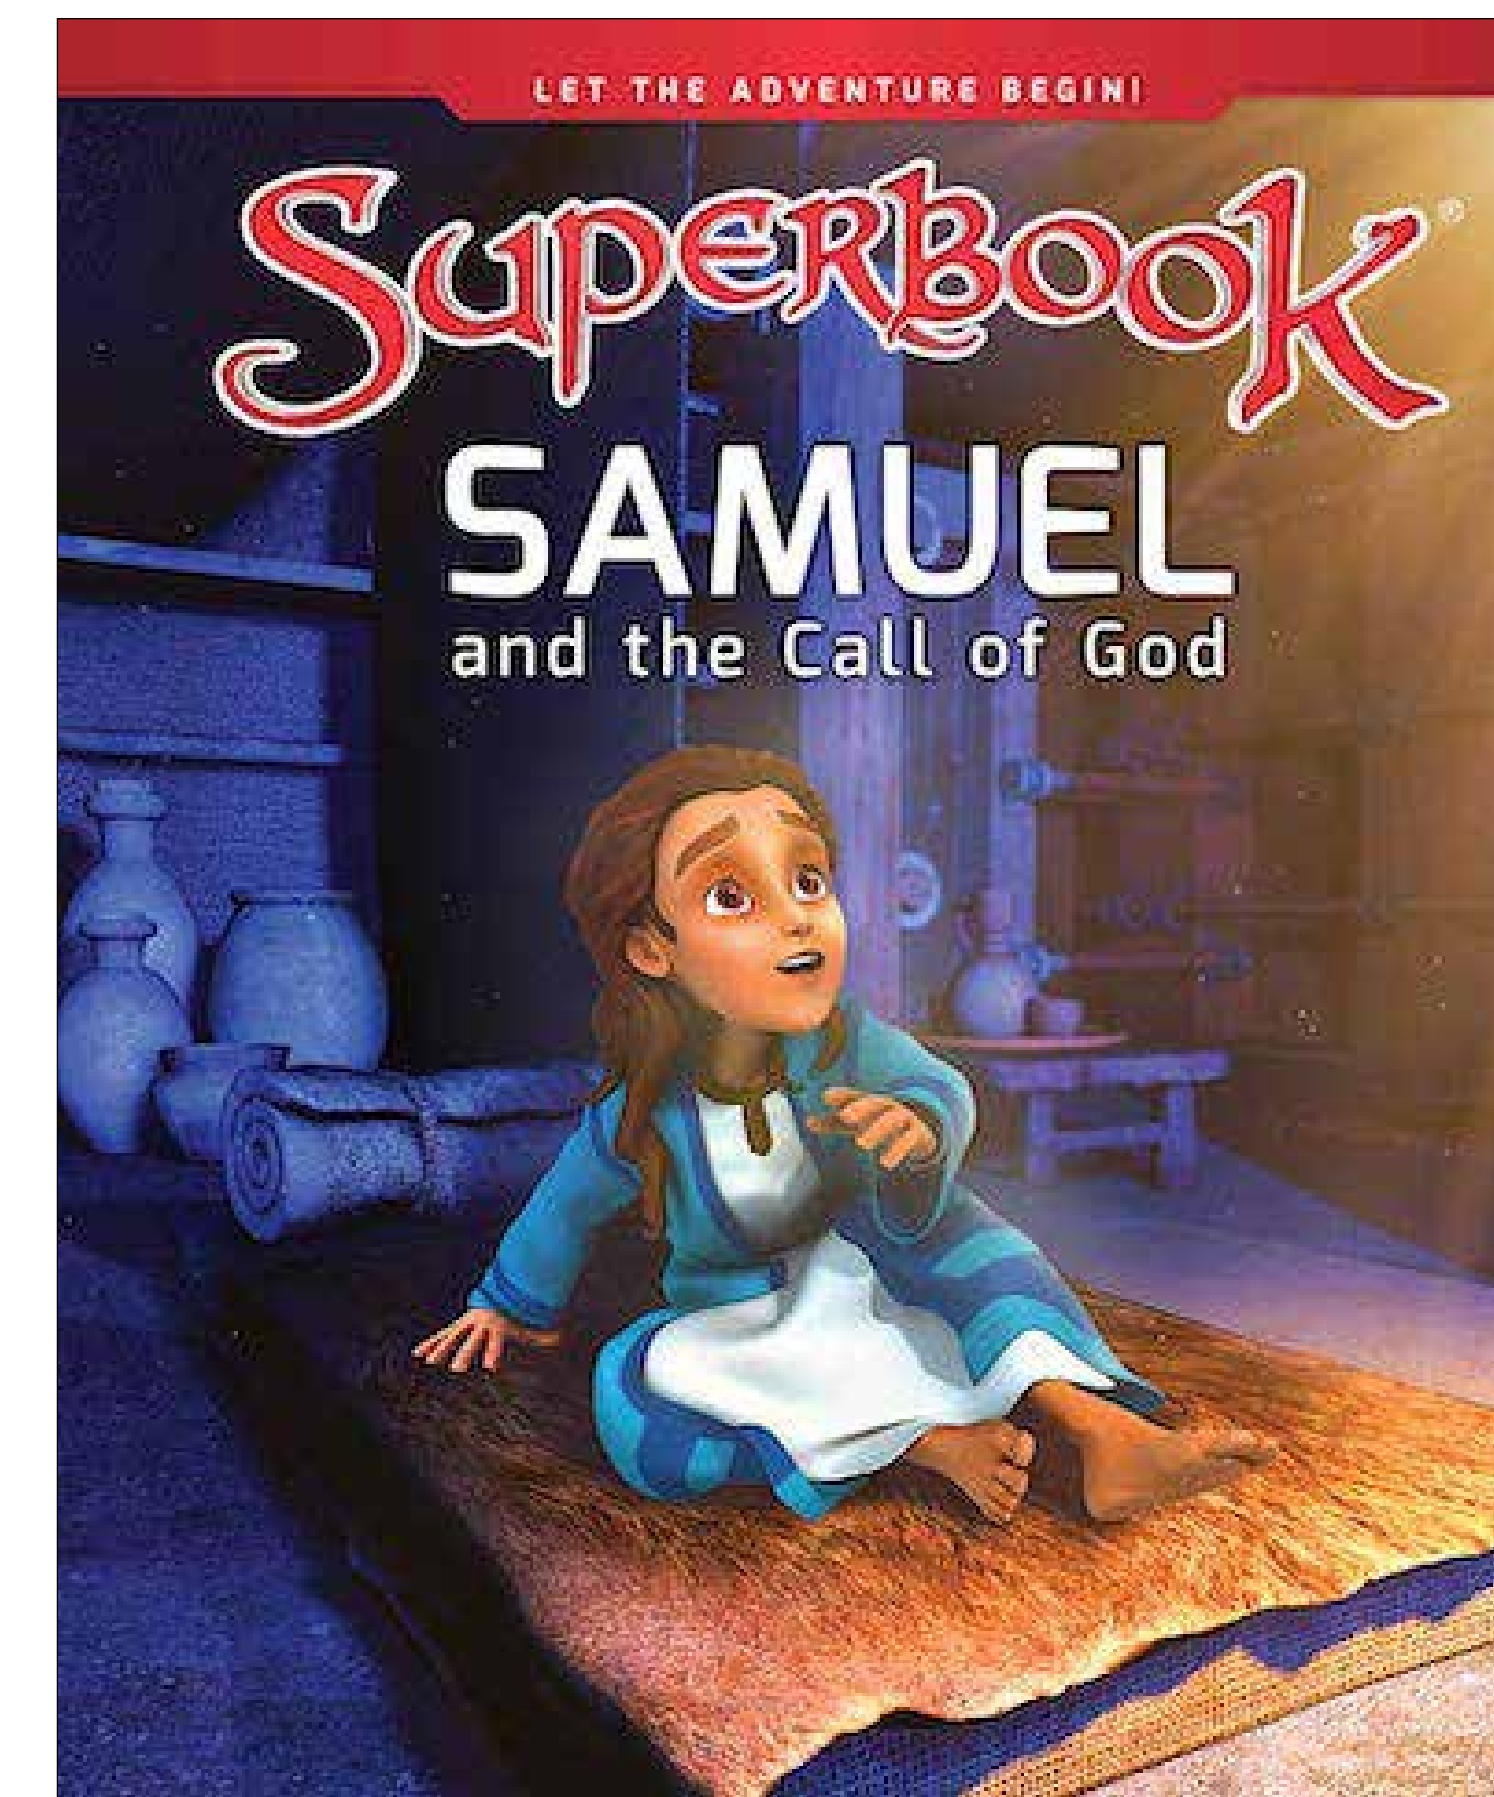

Power is only as strong as the authority that sustains it. This book will help you be a better leader. It will help you receive a healthy dose of accountability through applied spiritual authority.

The biblical prophets did not live or prophesy in a contextual vacuum. They spoke into real-life circumstances to real-life leaders such as kings, queens, governors, and generals.

Drawing largely on the biblical accounts, Dr. Mark Rutland shows how these interactions, sometimes in the form of advice but more often as dramatic confrontations, demonstrate the tension between heaven's authority and the princes of this world.

Every believer should be open to being "God's prophetic voice" in someone else's life, whether that person is a child, a boss, or a town councilman. Likewise, every believer should be in constant prayer for and humbly sensitive to wise counsel sent from God as a gift of grace.

God makes and unmakes kings. When they can discern and listen to His voice, He sustains their well-wielded authority with His supernatural power.

During Advent season, we often sing, "Come thou long-expected Jesus...". We put up the same decorations, sing the same carols, lay out the same creche; we imagine what it was like to welcome Jesus into the world on that silent night.

So peaceful. So lovely. But what if everything was not as it seems?

What if Jesus actually challenged everyone's expectations of what a Messiah would be like, how he should arrive, what he would do?

What if he was born in a house with a family, in a noisy bustling town and not a quiet stable? What if he was more interested in those who were outside the religious and social establishment than those who were in it?

What if looking closely at the scriptures overturns our expectations of Advent and Christmas in a way that changes us forever?

“Where did Narnia come from?” The answer will change everything.

Megs Devonshire is brilliant with numbers and equations, on a scholarship at Oxford, and dreams of solving the greatest mysteries of physics.

She prefers the dependability of facts—except for one: the younger brother she loves with all her heart doesn’t have long to live.

When George becomes captivated by a brand-new book called *The Lion, the Witch and the Wardrobe* and begs her to find out where Narnia came from, there’s no way she can refuse. Despite her timidity about approaching the famous author, Megs soon finds herself taking tea with the Oxford don and his own brother, imploring them for answers.

What she receives instead are more stories . . . stories of Jack Lewis’s life, which she takes home to George. Why won’t Mr. Lewis just tell her plainly what George wants to know? The answer will reveal to Meg many truths that science and math cannot, and the gift she thought she was giving to her brother—the story behind Narnia—turns out to be his gift to her, instead: hope.
