Keith & Kristyn Getty – Confessio: Irish American Roots CD

Description

Announcing Confessio: A diary of hymns and songs that underscore the Gettys' Irish American journey. This collection is a 'confessio' in word and note of the musical and spiritual roots that continue to call us to the ancient paths.

When Psalm 1 compares the godly life to a tree planted by streams of water it is a water stream reached for by millions of people over centuries and around the world who have joined their roots together.

This idea of intertwining roots also paints a beautiful picture of how our musical roots link. They help strengthen old shelters and blossom new trees. Over the last 20 years of writing and recording music we have leaned on this – the heritage of our Irish and Scottish roots and how they grew across to the new world where we now make our home. This album shares the words and melodies of that journey.

Mirours – Gilded Paradise

Description

Mirours is an alt-pop duo from Sacramento, California. After years spent on stages and in studios, married partners Jake and Hilary Owen began Mirours with purpose. By constantly consuming records across decades and genres, the couple bred a distinct sonic experience – one heavy in pop nostalgia and filled with alternative influences.

Creating the music they wanted to listen to meant writing honest songs filled with cultural and religious angst, faith and human nature, and the power of love and inclusivity. Known for fun, shimmering instrumentals that dance around heavy, thought-provoking lyrics, Mirours is a juxtaposition that not only helps the medicine go down but proves that you can dance in the chaos. Mirours writes to remind us just how beautiful, diverse and colourful this world truly is.

Description

Most Christians know the Lord's Prayer by heart. We pray it often, at different times and in different settings. We remember it as the prayer that Jesus taught his disciples. But do we really understand and appreciate the meaning and power of its words, what we ask of God each time we pray it?

When the disciples asked Jesus how to pray, Jesus gave them this prayer. He likely taught it to his followers often, not just one time. He never intended the Lord's Prayer to be a museum piece, framed and placed on a mantel or in a display case. It was Jesus teaching God's people, through his disciples, how to pray.

In *The Lord's Prayer: The Meaning and Power of the Prayer Jesus Taught*, pastor and bestselling author Adam Hamilton guides us to really know—and really pray—the Lord's Prayer. He explores each of its rich lines and their meaning in the Bible, illuminating what we ask of God and what we ask of ourselves through its words.

And he teaches us how to use it as a pattern for our own prayer life.

Additional components for a six-week study include a DVD featuring Adam Hamilton and a comprehensive Leader Guide.

About the Author

Adam Hamilton is senior pastor of The United Methodist Church of the Resurrection in Leawood, Kansas, one of the fastest growing, most highly visible churches in the country. Hamilton is the best-selling and award-winning author of *The Walk*, *Simon Peter*, *Creed*, *Half Truths*, *The Call*, *The Journey*, *The Way*, *24 Hours That Changed the World*, *John*, *Revival*, *Not a Silent Night*, *Enough*, *When Christians Get It Wrong*, and *Seeing Gray in a World of Black and White*.

Description

Experience Holy Friday from the perspective of those who watched Jesus die:

- Mary his mother;
- the Beloved Disciple from the Gospel of John;
- Mary Magdalene and the other women from Galilee;
- the two men, usually identified as thieves, crucified with Jesus;
- the centurion and the soldiers;
- Joseph of Arimathea and Nicodemus.

Jews and Romans, friends and strangers, the powerful and the powerless, the hopeful and the despairing.

In *Witness at the Cross*, Amy-Jill Levine shows how the people at the cross each have distinct roles to play in the Gospels. For each, Jesus has a particular meaning and message, and from each, we learn how those meanings and messages cross the centuries to any who would come to the cross today.

Galatians reveals how Christ changes everything.

Matthew S. Harmon traces the argument of Paul's most polemic letter. In Galatians, Paul defends his authority and attacks his opponents' arguments—and in both cases, the decisive factor is the Gospel.

History and Scripture must be interpreted in light of Christ's arrival. The new creation has broken in, leaving nothing unaltered.

Harmon plumbs Galatians' theological depth, including its view of sin and exile, apocalyptic antitheses, the Trinity, Isaiah's servant figure, the law, righteousness, and faith(fulness).

Title: Theoretical-Practical Theology Vol. 3
 Author: Petrus Van Mastricht
 Price: £39.99*
 Product Code: 9781601788405
 Format: Hard Cover
 Genre: Doctrine & Theology
 Distribution: UK & Europe

Petrus van Mastricht's Theoretical-Practical Theology presents one of the most comprehensive methods of treating Christian doctrine. In it, Mastricht treats every theological topic according to a four-part approach: exegetical, dogmatic, elenctic, and practical.

As a body of divinity, it combines a rigorous, scholastic treatment of doctrine with the pastoral aim of preparing people to live for God through Christ.

Students and pastors will find it a valuable model for moving from the text of Scripture to doctrinal formulation that will edify the people of God.

Volume 3, The Works of God and the Fall of Man, is a book of origins—origins of the created order and of sin. Mastricht begins with a discussion of the decrees of God and how they establish His eternal purpose for everything. He then shows how the decrees are carried out in creation and in God's continual providence.

The volume concludes with Mastricht's treatment of the apostasy of Adam from his original estate and the devastating effects of sin that followed. This is an important volume for learning how God governs all things, even the rebellious actions of those good things He created.

Title: The Claims of Truth: John Owen's...
 Author: Carl R. Trueman
 Price: £19.99*
 Product Code: 9781601788818
 Format: Paperback
 Genre: Doctrine & Theology
 Distribution: UK & Europe

Carl Trueman analyses the theology of the great Puritan theologian, John Owen, paying particular attention to his vigorous trinitarianism.

To understand Owen, we need to see him as a seventeenth-century representative of the Western trinitarian and anti-Pelagian tradition.

Trueman demonstrates how Owen used the theological insights of patristic, medieval, and Reformation theologians to meet the challenges posed to Reformed Orthodoxy by his contemporaries.

A picture emerges of a theologian whose thought represented a critical reappropriation of aspects of the Western tradition for the purpose of developing a systematic restatement of Reformed theology capable of withstanding the assaults of both the subtly heterodox and the openly heretical.

Title: The Works of Hugh Binning
 Author: Hugh Binning
 Price: £43.99*
 Product Code: 9781877611452
 Format: Hard Cover
 Genre: Doctrine & Theology
 Distribution: UK & Europe

Hugh Binning (1627–1653) lived at a time when politics and religion were inexorably intertwined.

Binning trained as a Philosopher – believing that philosophy was the servant of theology but that both should be taught in parallel.

Binning's writing forms an important bridge between the 17th century, when philosophy in Scotland was heavily dominated by Calvinism, and the 18th century when there was a greater degree of independence between theology and allied philosophy.

Of his speaking style, it was said: "There is originality without any affectation, a rich imagination, without anything fanciful or extravagant, the utmost simplicity, without a thing mean or trifling." – The Religious Magazine, 1830

Love is glorious—we might even say transcendent. Yet no love is as glorious as the Lord Jesus's love for His people.

From Ephesians 3:19, John Durant explains the greatness of Christ's love as beyond what words can express or our wildest imagination.

While this love is so great that we cannot fully comprehend it, it is indeed true and among the sweetest comforts that can ease our troubled hearts.

Durant reveals the many ways that Christ's heart is full of tender love for all believers. But has this love captured your heart?

Author: Michael P.V. Barrett
Price: £14.50*
Product Code: 9781601789006

Some Christians find the Old Testament intimidating and irrelevant today because we are under a new and better covenant.

In this book, Michael P. V. Barrett demonstrates how vitally important the Old Testament is.

Instead of giving a systematic apology for the Old Testament, Barrett simply serves up fifty-two meditations on various passages, allowing us to taste and see how good the Old Testament is in light of Christ's coming.

You will learn how the Old Testament shows us God's concern for true and spiritual worship, teaches us lessons in the life of faith, and reveals to us the glory of our Redeemer. A real feast for the soul!
