## Description

Since the very beginning, God’s glory has been displayed in the heavens – His faithfulness and splendour on parade from the rising of the sun to the place where it sets. These same skies that declare God’s glory day after day and night after night, are the same skies under which Christ Jesus was born, lived, was crucified and rose again in victory.

These same skies the disciples saw the Lord ascend into, are the same ones that Jesus Himself will someday return on. Whether in the northern or southern hemisphere, these same skies unite us, all of God’s children, as many as the stars in the sky, just as the Lord promised Abraham. It is under these same skies that Christ’s church, His body on earth, exists today. Though separated by oceans and borders, the mandate of Hillsong Worship continues under these same skies. One in heart and spirit, unified in mission and cause – to glorify the Name of the Lord Jesus Christ, to build His Church, and to serve His Church with the new song. Songs like “Never Walk Alone” and “That’s The Power,” explore the greatness of the character of God, while “Resurrender” and “Secret Place” lead us back to the altar, surrendering in devotion and stirring a hunger for righteousness.

‘These Same Skies’ was recorded in California, the album is led by worship leaders Brooke Ligertwood, Reuben Morgan, Joel Houston, Benjamin Hastings, Aodhan King, Chris Davenport, Mikaisha Masella and Tracy Redfern.

## Description

“In seasons of unrest when we can’t see what lies ahead we can find Peace in the person that is Jesus. He is constant, unchanging, and near.

Bethel Music and Ed Cash have created PEACE, Vol. II for those who are needing to be reminded that the love and serenity of the Father is closer than we know. The album features well-known songs “Graves Into Gardens”, “Rescue”, “You Came”, and “You’re Gonna Be Ok” and includes the voices of many familiar Bethel Music artists; plus guests Phil Wickham, Lauren Daigle, We The Kingdom, and Pat Barrett.

Using bi-lateral audio, with frequencies scientifically proven to reduce stress and anxiety, and soundscapes coupled with the truth of the Word of God, each song is produced with the intention of creating a peaceful atmosphere for listeners to experience God’s presence. Our prayer is that our album PEACE, Vol. II would bring you into the unending peace of God the Father, and that His Presence would bring refreshing to your mind, body, and soul.”

J. V. Fesko seeks to recover and defend the doctrine of the covenant of works in this second book in his three-part series. He argues that it is biblical and a necessary element for a right understanding of God, the world, Christ and our redemption.

Understanding the nature of the triune God's interaction with Adam ultimately sets the stage for the work of the last Adam, Jesus.

The book is split into three sections: history, exegesis and doctrine.

The chapter headings are:

- History • Terms • Do This and Live • Adam's Faith • Covenant or Contract? • Grace in the Covenant of Works • The Covenant of Works and Sinai • Exegesis • Written on the Heart (Rom. 2:14–15) • In the Day that you Eat (Gen. 2:16–17) • Do This and Live (Lev. 18:5) • They Broke the Everlasting Covenant (Isa. 24:5) • Like Adam They Broke the Covenant (Hos. 6:7) • These Are Two Covenants (Gal. 4:24) • Adam, Israel, and Christ (Rom. 5:12–21) • Captive to the Law (Rom. 7:16) • Doctrine • Statement of the Doctrine • The Covenant of Works and Sinai • Justification and the Covenant of Works • Grace and Merit in the Covenant of Works • Excursus on Genesis 1:26

Closely intertwined with the work of the Spirit, Kelly also examines the Church – a major theme in Old and New Testament. Scripture speaks of it as an 'assembly', composed of those who are called out of the world and into it.

From its presupposition in Israel to its place in the fulfillment of the Covenant. Kelly touches on all aspects of the church, including unity, governance, the sacraments, and the election of the members of the body.

This modern systematic theology written from a reformed and non-dispensational view by a worldwide respected professor is sure to delight scholars everywhere.

Real intimacy with God is incredible but will require honesty, wrestling with difficult issues and asking challenging questions.

Come along on this possibly life-transforming journey – it's well worth the trip.

Title: Liberated: How the Bible Exalts and Dignifies Women

 Format: Paperback  
 Genre: Women's Interests

There are parts of the Bible that I have struggled with, and bits that seemed far removed from my life as a twenty-first-century woman. I have wrestled with them, but as I read, I came to know that God offers more liberation, more freedom, and more fulfilment than I could dare to imagine.

Equality for all people is a foundational principle in our culture and embedded in our law. The consensus is clear: all people are equally valuable. However, religion is seen as a stronghold that promotes inequality. There is a widespread belief that the Bible is sexist.

Bible teacher, conference speaker and author Karen Soole shares what she has discovered as she has read the Bible and grappled with it over many years.

She takes us through the Bible story from Genesis to Revelation and challenges the reader to decide whether God is offering life and liberation, or suffocation and oppression. It is an invitation to meet and know the God of the Bible, and to view his Word through the lens of his character.

## Description

There used to be a time we called normal.

In the years leading up to the COVID-19 pandemic, we led distracted lives in a chaotic world. Though things seemed in control, we were lacking the joy of accomplishment, the courage from pushing through the unknown into the beautiful, the wonder of walking down an untravelled road to a new destination. We sought refuge in the safe confines of what we knew, what was familiar.

Then, everything changed. Things will never go back to normal. This may seem pessimistic, but author Brent Crowe shows us there is a time-tested, pandemic-tested approach to a more fulfilling kind of life. There is a new normal that can, and should, emerge from the ashes of 2020.

The ancient wisdom of Jesus gives us just that. 'Ten Steps to Your Best Life' extracts 10 clear steps that Jesus taught for living in and through the most difficult times of transition.

Discover how to emerge from the shadows with a clear vision for living well in a post-pandemic world.

Brent Crowe is Vice President of Student Leadership University in Orlando, Florida. He is married to Christina, and together they have several children.

## Description

Across the generations, many Christians have made a habit of praying monthly through all 150 psalms—the biblical songs that undergird much of our corporate worship and individual devotion. Over thousands of years of memorization, recitation, and singing, the people of God have found in the Psalms a God-centred view of reality that speaks to all our joys, trials, times of suffering, and experiences of faith and doubt.

In 'Psalms in 30 Days,' author and teacher Trevin Wax has adapted a centuries-old approach to reading the Psalms by providing a "Morning," "Midday" and "Evening" pattern, following the Scriptural precedent for praying three times a day. This journey through the Psalms features other songs from the Bible, confessions of faith, and written prayers from faithful Christians who have gone before us. Here is a guide to praying through the Psalms each month by lifting our eyes, three times a day, to see and experience the goodness and faithfulness of God in the midst of all things..

'Psalms in 30 Days' features the highly readable, highly reliable text of the Christian Standard Bible® (CSB). The CSB stays as literal as possible to the Bible's original meaning without sacrificing clarity, making it easier to engage with Scripture's life-transforming message and to share it with others.

## About the Author

Trevin Wax is vice president of research and resource development at the North American Mission Board and a visiting professor at Wheaton College.

A former missionary to Romania, Trevin is a regular columnist at The Gospel Coalition and has contributed to 'The Washington Post', 'Religion News Service', 'World', and 'Christianity Today', which named him one of 33 millennials shaping the next generation of evangelicals.

Some of his books are 'Rethink Your Self', 'This Is Our Time', and 'Gospel-Centered Teaching'.

He and his wife Corina have three children.

Where's my little love bug? Where's my lovey best? Did God tuck him tightly in a tree or put him in a nest?

In this sweet flap book, young readers will spot new parent/child bug pairs—from buzzing bees to lovely ladybugs—in each new landscape.

They will have fun searching for all the hiding little love bugs, discovering them under the flaps, and saying, "Here I am!" along with each little bug.

The book's sweet artwork and rollicking, rhyming text reveals that God puts all of His creatures—including animals, bugs, and kids—right where they belong.

While bunnies belong in holes, snails along streams, and spiders in webs, children belong safe and sound, wrapped tightly in their loved ones' arms.

On the last spread, young readers will find a special surprise: a mirror where they can see themselves cuddling with the adult who is reading to them.

Title: Renovation of the Heart  
20th Anniversary

Author: Dallas Willard

Price: £22.50\*

Product Code: 9781641584425

Format: Hard Cover

Genre: Spiritual Growth

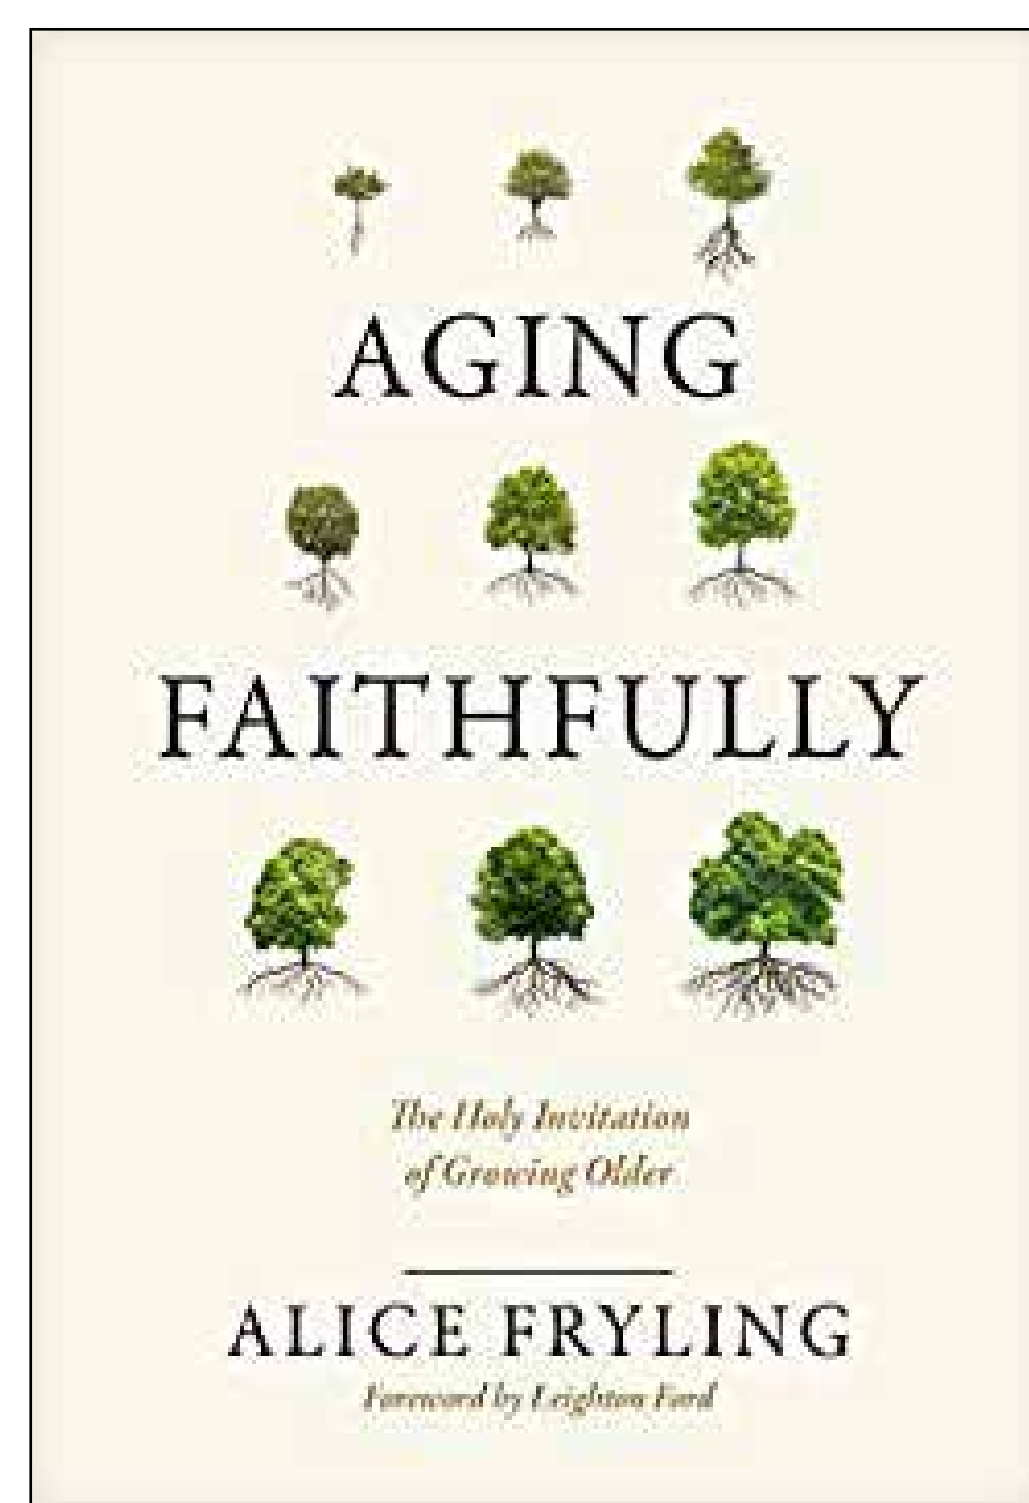

Distribution: UK & Europe

Renovation of the Heart is an influential contribution from the late Dallas Willard that continues to break ground twenty years after its first release.

Helping us to understand how character is formed and where Jesus does his most significant work on our spiritual and emotional health, this book changed a generation's mind about what it means to follow Jesus—not a matter of sin management but a matter of drawing near and letting ourselves be shaped into the eternal people of God.

With reflections on the book's impact over its life from family, friends, and admirers of Dallas, and supplemental resources for the first time in print, Renovation of the Heart will continue its ministry of liberation-by-formation for years to come.

Includes a foreword by John Mark Comer and an afterword by Natasha Sistrunk Robinson.

Title: Aging Faithfully

Author: Alice Fryling

Price: £13.50\*

Product Code: 9781641583596

Format: Hard Cover

Genre: Spiritual Growth

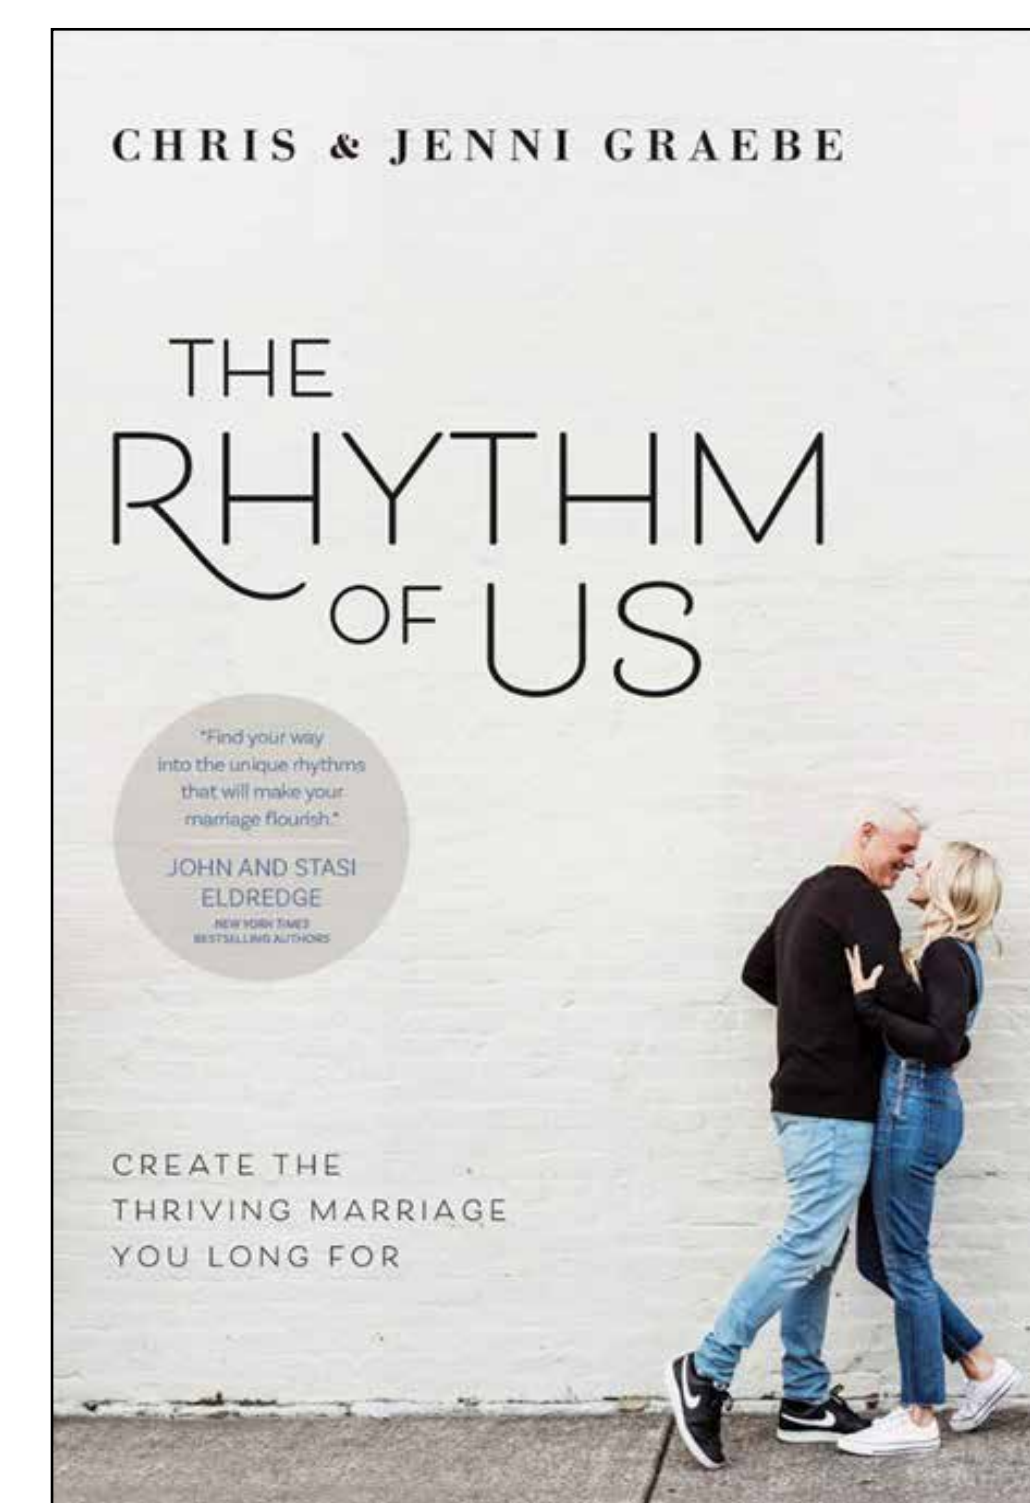

Distribution: UK & Europe

Every new year of life is an undiscovered country. There's no map through our later years, and the new terrain can bring anxiety and uncertainty, when our souls are more preoccupied with what has been lost than what is to come.

While our physical stamina, independence, and career fulfillment decline, each of these losses invites us to grow, inward and upward. God calls us to let go of our need for fulfillment and embrace the gift of fruitfulness so that we might be transformed in this final season of our lives.

In Aging Faithfully, spiritual director Alice Fryling guides our walk with God in a vulnerable time, listening for his voice and responding. As we age, something unusual happens: God renews us from within, when we allow him access. As we accept our responses to the aging process, we grow closer to God and experience his grace.

Whether you are approaching the beginning, middle, or end of your senior years, you are invited. Come and be transformed.

For marriage partners, Chris and Jenni show how the classic spiritual practice of the rule of life can create a dynamic and lifelong "rhythm of us."

Together and individually, you will learn how to create space in your busy lives to spend time with Jesus and become more like Jesus.

The Rhythm of Us also includes exercises to evaluate your personal habits, values, and vision inventories. Leave behind the busy life of chaos and hurry and develop your unique Rhythm of Us. Change your marriage for the better. Start living intentionally and fully now.

Title: A Deeper Kind of Calm

Author: Linda Dillow

Price: £10.99\*

Product Code: 9781600060755

Format: Paperback

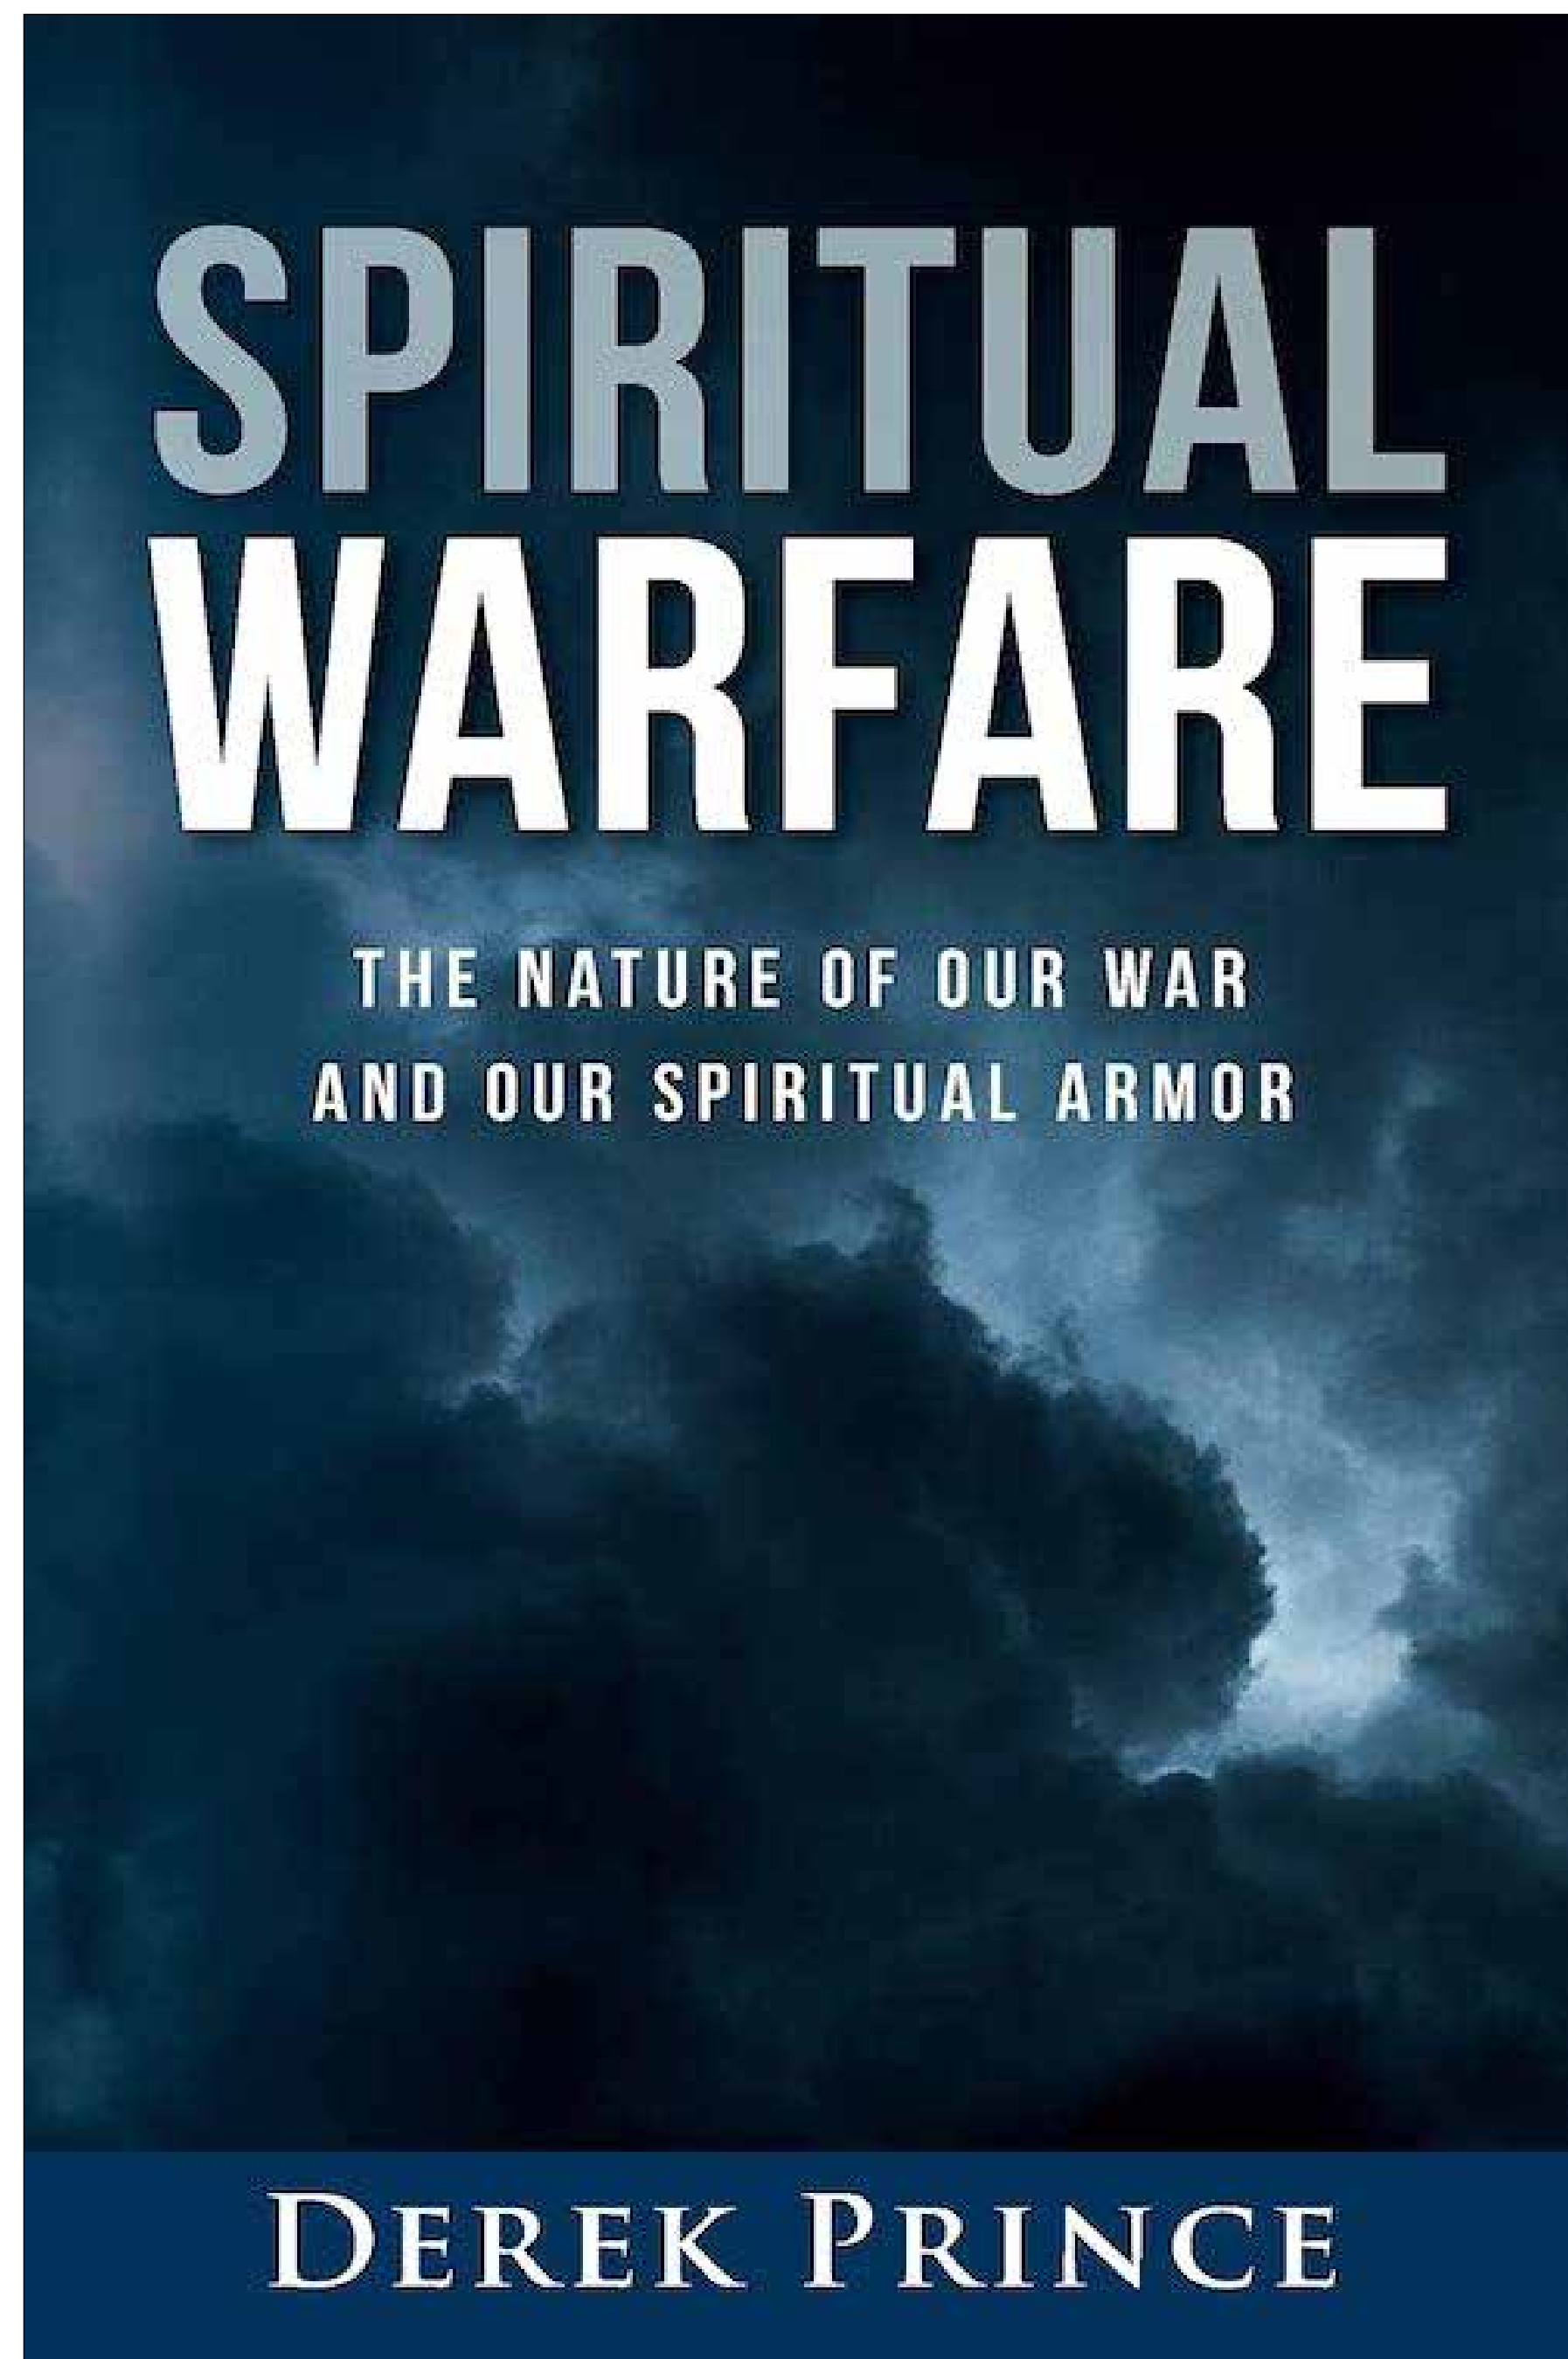

Genre: Women's Interests

Distribution: UK & Europe

As women, we sometimes face difficult seasons in life. We need help dealing with the waves of trials, depression, and discouragement that threaten to overwhelm us. During such times, we long for comfort and yearn to be reminded of the hope that we have in the Lord.

In A Deeper Kind of Calm, Linda Dillow demonstrates how the Psalms can teach us how to positively handle the disappointments of life, discern the comforting truth found in God's Word, and be encouraged during difficult times. One reassuring promise found in the Psalms is that as we walk through the "valley of weeping," it can be transformed into a place of blessing.

Hidden throughout the Psalms are pictures of what faith looks like in times of trial. This book will encourage you to remember God's faithfulness, motivate you to cling to Him and hide in His presence, and drive you to praise Him for what He is doing—even when you can't see it. Included is a four-week Bible study to help you further unpack the comforting truths of God's Word.

Title: Risen Again  
 Author: Gary R. Habermas  
 Price: £23.99\*  
 Product Code: 9781683595496  
 Format: Paperback  
 Genre: Doctrine & Theology  
 Distribution: UK & Europe

Gary Habermas has spent a career defending the historicity and truthfulness of the resurrection of Jesus. But his earliest writing on Jesus' resurrection has been unavailable to the broader public, until now.

In Risen Indeed: A Historical Investigation Into the Resurrection of Jesus, readers will encounter Gary Habermas' foundational research into the historicity of the resurrection.

With a new, extensive, introductory essay on contemporary scholarship regarding the resurrection, Habermas shows how the questions surrounding the historicity of the resurrection and arguments raised by critics are perennially important for Christian faith.

Title: Pastoral Ethics  
 Author: W. Ross Hastings  
 Price: £23.99\*  
 Product Code: 9781683595458  
 Format: Hard Cover  
 Genre: Doctrine & Theology  
 Distribution: UK & Europe

Ethics is freedom in Christ to pursue the good, true, and beautiful. Pastors regularly face concrete ethical questions. And they, too, pursue a moral life. In the busyness of ministry, it can be tempting to think pragmatically or derive one's ethics from the latest cultural concerns.

But standard approaches to ethics, whether deontological, utilitarian, or virtue-ethical, all fall short of being distinctly Christian. Ethics ought to be grounded in the gospel and in our triune God.

In Pastoral Ethics, W. Ross Hastings provides pastors an evangelical and trinitarian framework for moral formation and ethical discernment. For Hastings, ethics must be reclaimed as theological.

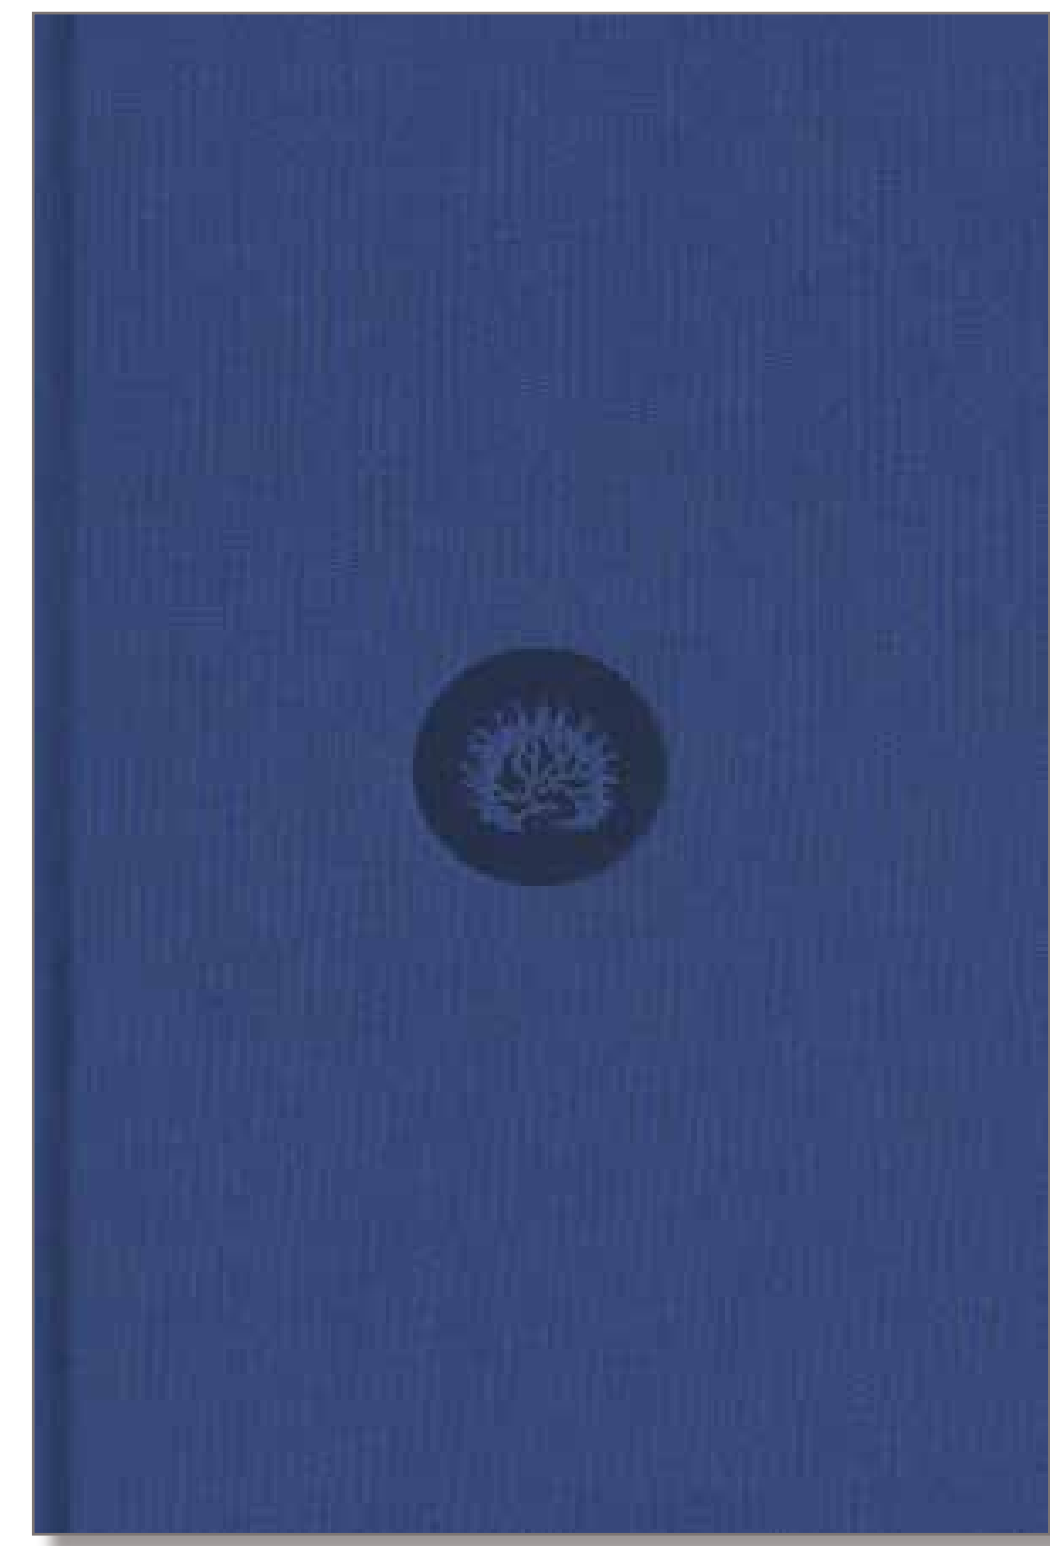

Hastings provides a rich exposition for pastoral formation. Pastors find their identity in God, and this inspires right thinking and acting with regard to authority, life and death, sexuality, work and rest, speech, and desires. An approach to ethics that prompts faith, hope, and love,

Pastoral Ethics is an essential guide for Christians in all ministry contexts

## Description

This book will inform, equip, and inspire you to proclaim prayers that spread the gospel.

We are living in times of great discrimination against the message of the church. Special interest groups boldly stand on platforms and speak out in ways much like Goliath did when he mocked the armies of the Lord. The generals of that time hid and were afraid to speak out, but we must learn from their mistake.

God is recruiting voices from the wilderness we live in today to stand and speak truth in love. The general attitude of many people is that prayer should be offered up only in the privacy of sanctuaries or the seclusion of prayer closets. This book defies that idea.

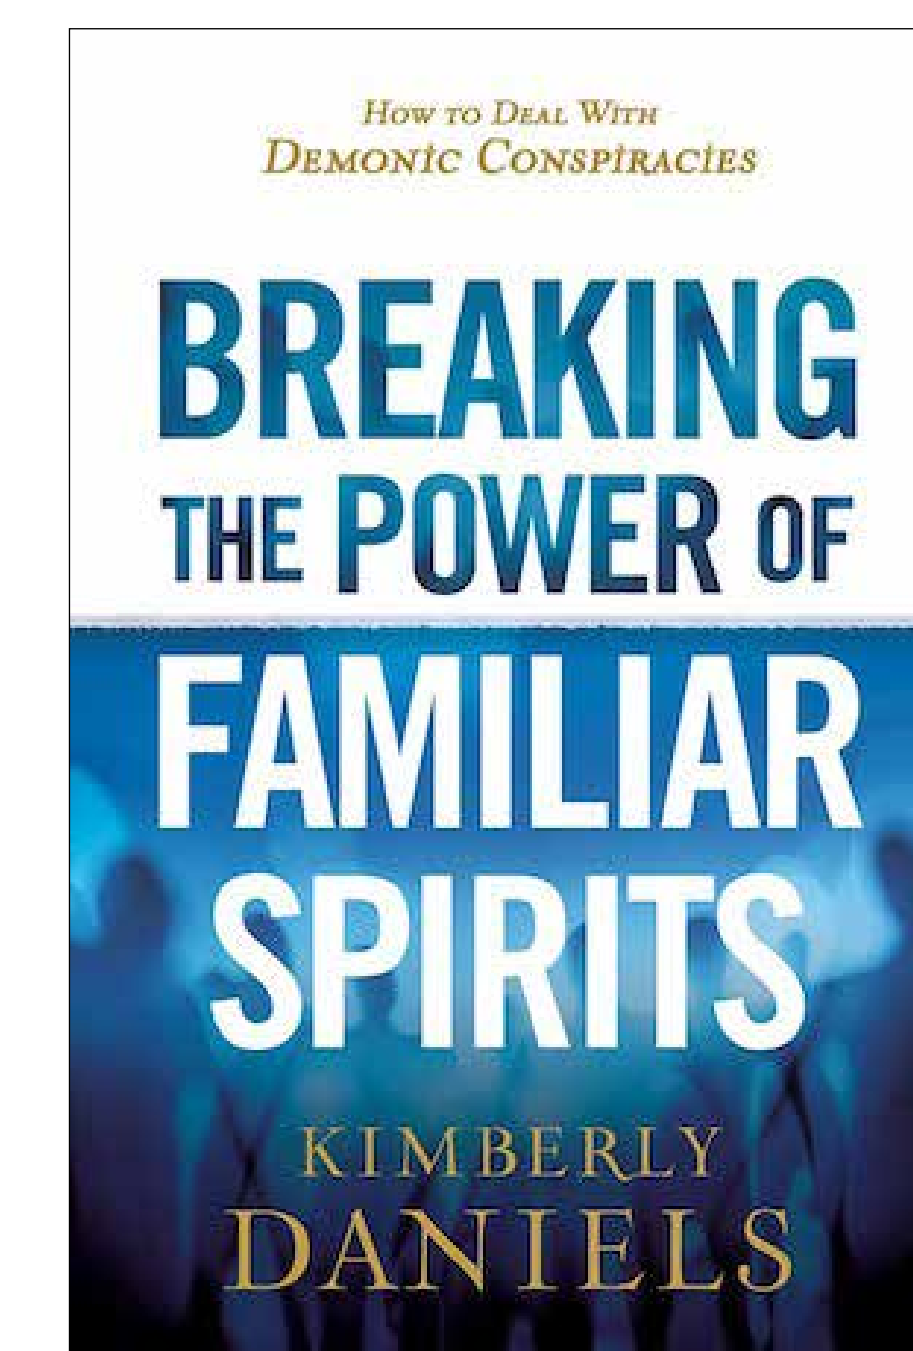

As others are boldly coming out of the closet for whatever they are passionate about, so should believers! We know that there is life and death in the power of the tongue. We also know God's people perish for a lack of knowledge.

Pray Out Loud not only informs and trains readers; it also equips them with prayers and declarations so they can intercede with power. This book encourages Christians to refuse to be silenced and instead to become violent interrupters who stand in the gap and with loud voices proclaim the gospel of Jesus Christ.

What if just beyond this season of turmoil is your best season yet?

This book will help you understand that God is working all things for your good and that He can turn any season into a time of blessing. It would be easy to navigate life if every problem, every pain, and every setback came with a telegraph that enabled us to prepare for their arrival. But often our greatest struggles come with the least warning and feel like the greatest threat to our future.

'After This' is an encouraging compass that points us to all that is waiting for us in the next season of our lives. It is a prophetic word revealing that this coming shift is a transition into a time of peace, multiplication, comfort, and strength.

After the misery, after the mess, after the divorce, after the break up, after the bankruptcy, after the failure—even after COVID-19—there is an “after this” coming that will change everything for those who belong to God.

In the Quantum yard, during a spirited water fight, Joy accidentally gets Gizmo's inner workings wet and he fritzes out, suddenly believing he belongs to Joy. Chris can't seem to correct the problem and is furious with Joy, saying he'll never forgive her. Superbook intercedes and whisks the kids back to the days of Jacob and Esau.

The two brothers compete over many things, but when Esau gives up his birthright and Jacob tricks his father out of a blessing, they become estranged for many years thereafter.

Chris and Joy witness the animosity between the two brothers and the separation it has caused them for years. Chris begins to think about his own unforgiving attitude with Joy.

When Jacob finally goes to Esau and his brother finds it in his heart to forgive Jacob, Chris takes the cue and forgives Joy as well. The two are best friends once again. And they work together to repair Gizmo's still-comical malfunctioning microchip.

Leaders are unique individuals. They seem to have the innate ability to dream big, craft a vision, rally followers, and create change. While it's true that leaders think and act differently than the average person, the truth is that these distinctions all have a surprisingly simple origin: their words.

If the words we use affect our thoughts, and these thoughts govern our actions, then the great chasm between success and failure lies within our speech. Great leaders recognize this, and are committed to intentionally crafting their language. Like with any new language, you can become fluent in the language of leadership through a few simple practices: setting learning goals, learning proper vocabulary, daily practice, cultural immersion, and real-world use.

Once you become fluent in the language of leadership, the words you use will begin to shape your mindset, your actions, and ultimately, the results.

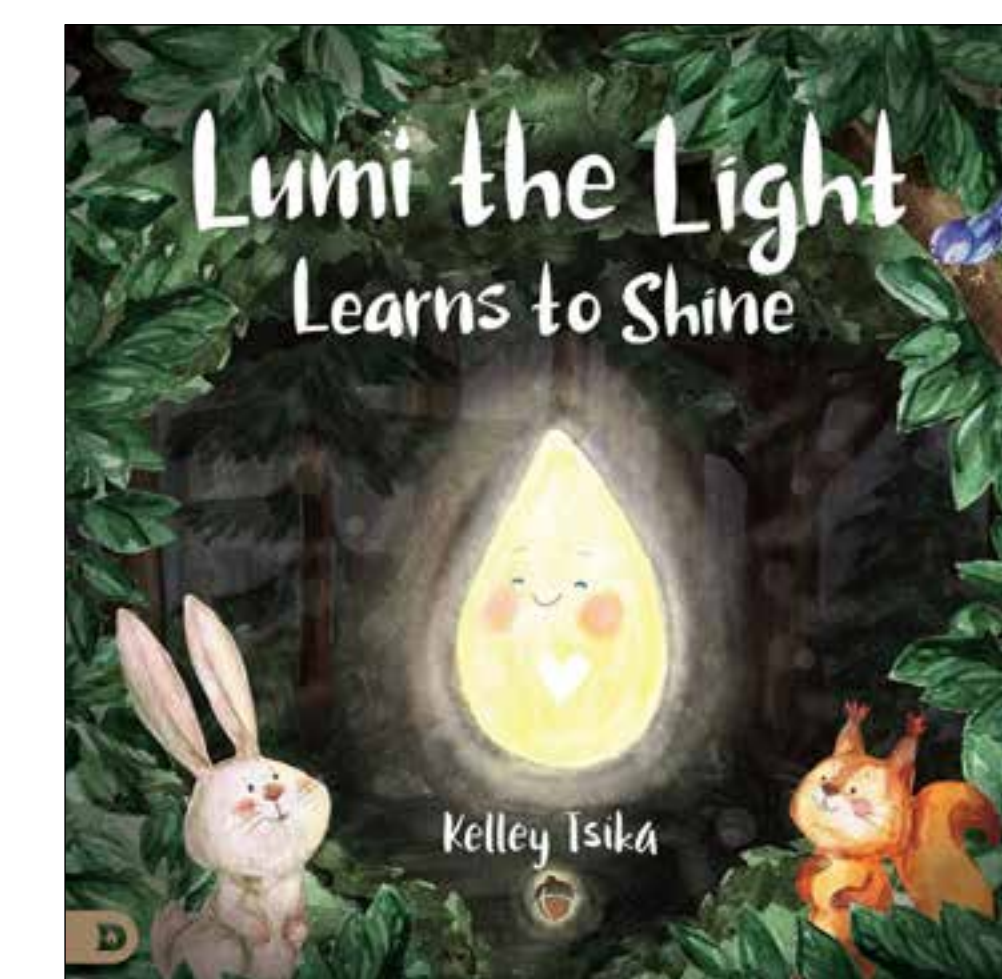

The Language of Leadership is your guide to mastering this new language. Beginning with your vocabulary, and moving into your thoughts and practices, this book is your roadmap to success. You can become the leader you've always wanted to be. It all starts by learning The Language of Leadership!

## Description

God’s Elect offers a message of hope for all Christians who worry about whether they, or their loved ones, have been chosen by God.

The biblical doctrines of election and predestination generate much passion and emotional intensity among Christians. Most theologians have determined that these are doctrines filled with mystery, tension, and paradox which will never be resolved.

Author John E. Chipman disagrees. He provides a fresh, biblical viewpoint regarding the perplexing doctrine of election that has the potential to kindle a re-thinking of the way Christians view and talk about God’s purpose of election in the New Testament. In God’s Elect, Chipman presents a truth that is neither Calvinistic nor Arminian—a truth that is simply, well, biblical.

This book makes no claim to be deeply philosophical or scholarly. The arguments are intentionally simple, yet profoundly biblical. If you feel like you are caught in an ever-darkening doctrinal bog of election and predestination, and sense that you have lost God somewhere along the way, then you will want to read God’s Elect. In its pages, you will find a path that leads back to the sunlight, back to solid ground, and back to the true God of the Bible.

## About the Author

John E. Chipman has earned and utilized a Master of Architecture degree, taught high school Spanish, played in a jazz/rock band, and currently teaches at The Spoken Word Christian Church in Southern California. John and his wife, Nancy, a beautiful and talented artist, have one adopted child who, coincidentally, is also married to a beautiful and talented artist.

Having studied architecture, music, art, math, and foreign languages at nine different colleges and universities, John Chipman’s bio sounds like it describes someone who either could not decide what he wanted to be when he grew up or is intrigued and inspired by a variety of academic and intellectual challenges. He confesses to being guilty on both counts.

Through all his academic and business pursuits, John has come to realize that glorifying God by reflecting God’s grace to others is the real business of life.
