# Planetshakers – Revival: Live at Chapel CD

## Description

'REVIVAL, Live At Chapel' the album, was recorded organically, together with the students of Planetshakers Bible College, during a break in the pandemic lockdowns.

While not the big production held in a massive arena that is generally expected from Planetshakers, the resulting 'Revival, Live At Chapel' album was just as alive and celebratory, perhaps even more so due to the palpable joy of the students expressing worship together for the first time in months.

"The songs, born out of a time where things looked so bleak, declare a different story," says Worship Leader and Pastor Sam Evans, "a God-story of faith, hope and trust in the unfailing Word of God, which is good and true in every season of life."

# Crowder – Milk & Honey LP Vinyl

## Description

Genre-defying artist and multi-instrumentalist Crowder announced a brand new studio album 'Milk & Honey'.

"The title "Milk and Honey" is about promise. When God brought his people out of Egypt, He was leading them to the land of Canaan, a land full of every good thing, flowing with milk and honey. But to get there, He led them into the wilderness..."

During a season of desolation and wandering, I've been writing songs to remind me that we are headed somewhere beyond this — songs that remind me that it is the God of Abraham and Isaac, the God of Jacob, Moses and David, the God who promised a Saviour and a way back to Him, it is He that we follow and He has not left us alone. On the other side of the desert is a land of covenant promise...

This album is a celebration of the future we are marching towards together and a prayer that each of us can live in this promise in the here and now."

## Description

The Eyewitness Bible Series is a fascinating behind-the-scenes study of the people and stories that are bedrock to the Christian faith, ancient stories that still echo with deep significance for today's world through eyewitness accounts. The series of narrations are an exploration of Scripture to empower your faith.

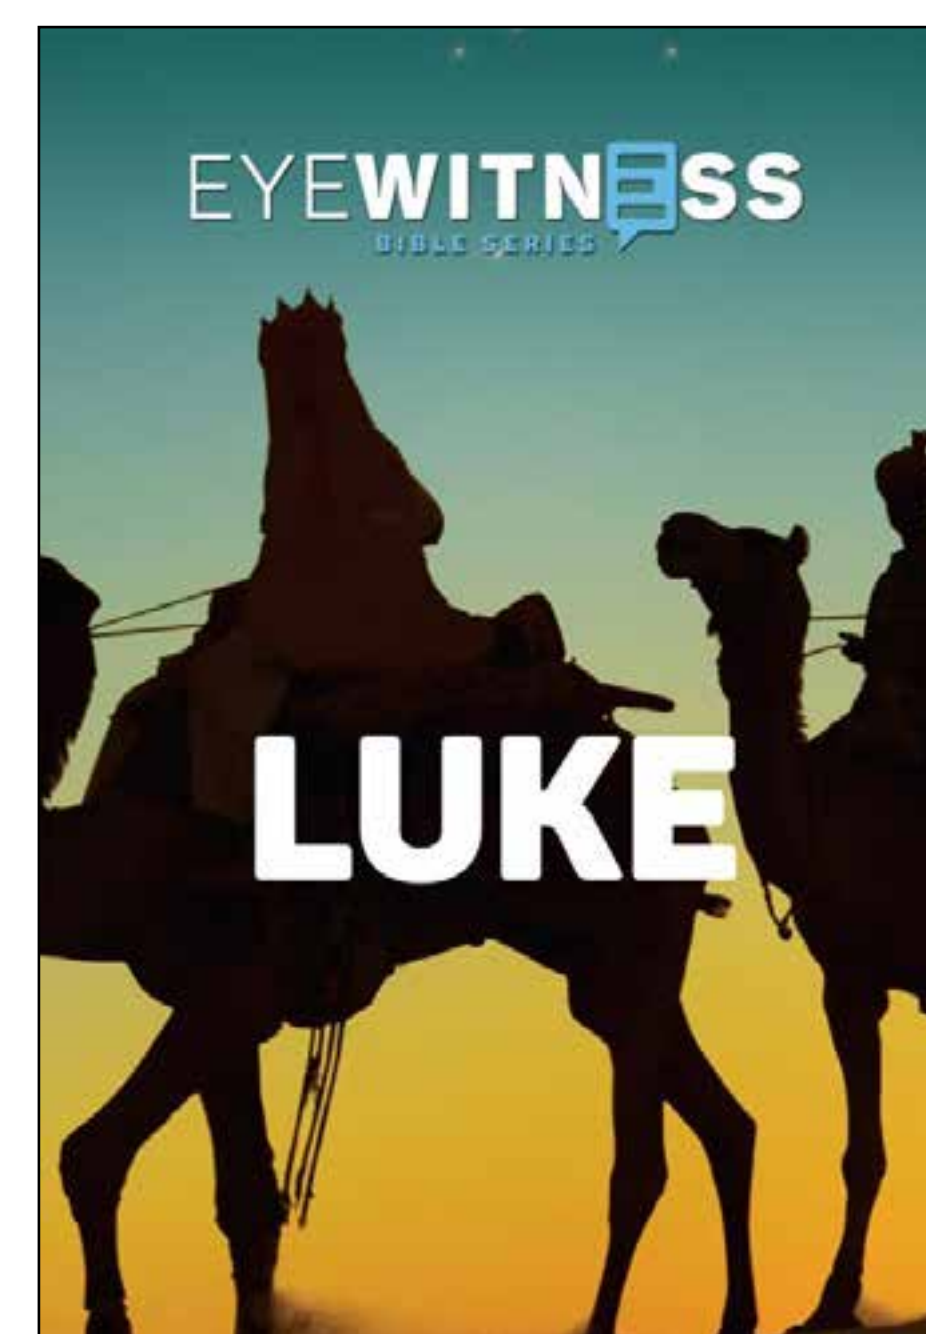

Genesis describes the creation of Earth, gives the history of all mankind, and describes a brief history of the Israelite nation from its beginning until it moves to Egypt. All of Genesis is saturated with knowledge about God, his power, and his relationship with mankind. Job is a story of an ancient man, his struggles, and his dealings with God. Although nothing is absolutely clear concerning the time period of his life, it seems as if Job lived in the time before the Israelite nation existed. Running Time: 2 Hours 53 Mins.

## Description

The Eyewitness Bible Series is a fascinating behind-the-scenes study of the people and stories that are bedrock to the Christian faith, ancient stories that still echo with deep significance for today's world through eyewitness accounts. The series of narrations are an exploration of Scripture to empower your faith.

Acts is a history of the first three decades of the Church. It is the only existing history of the Church that was written in the first century. Although the Bible does not specify it, Church tradition and many scholars agree that Luke wrote both Luke and Acts. A purpose of the Acts Series is to tell some of the information of the book of Acts from different vantage points. The series illustrates the stories that Luke might have heard from a dozen of the characters featured in his book of Acts. It is presented in 18 segments.

What if you don't have a calling from God . . . but callings?

Often we think of our calling as a singular moment of divine purpose revealed to us in young adulthood and static for the rest of our lives. But consider how God usually works. He created the cosmos in six successive days. Might He not also have six seasons of calling for the lives of His people?

In *The 6 Seasons of Calling*, Brian Sanders helps you view your calling as something ongoing and dynamic. Because your calling is rooted in your relationship with God and your perception of His voice, it isn't a static or one-time experience. Of course, your calling doesn't constantly shift and change. Yet God has ordained six basic seasons as your life unfolds:

- Childhood – the season of bonding
- Adolescence – the season of learning
- Early Career – the season of serving
- Mid-Career – the season of creating
- Late Career – the season of giving
- Transition – the season of leaving

Jesus knows that everyone needs him to rescue them from their sin, and he welcomes anyone who is sorry and asks to be his friend.

In this book, children will learn that Christians and churches are called to be like Jesus: to give a big, wide welcome to all kinds of people so that they can hear the good news for themselves.

Have you found it?"

In this short booklet, evangelist Rico Tice explains the gospel simply and powerfully from John 7 v 37-38, showing how Jesus can quench our thirst for satisfaction: "Let anyone who is thirsty come to me and drink".

This booklet has been designed to be used as part of Life 2022, a focused month of mission leading up to Easter 2022 facilitated by A Passion for Life. It's ideal to hand out at events, use in door-to-door or street evangelism, or give to friends and family along with an invitation.

 Genre: Bible Studies

When friends, family members, and even respected church leaders fall away from the faith, it is deeply sad and painful. But the reality is that we are all tempted to compromise our faith in one way or another. We all need to be careful not to fall.

Peter and Jude knew that first-hand. They wrote with a sense of urgency, showing a deep concern for the believers they were addressing. Their aim? To help their readers stand firm.

Verse by verse, pastor Miguel Núñez unpacks these two short letters, showing how they are still utterly relevant to us today—warning us where we may be in danger of stumbling and equipping us to stand firm in our faith.

This expository guide is less academic than a traditional commentary and includes lots of application. It can be read from cover to cover, used in personal devotions, or referred to as a resource for leading small groups or preparing sermons.

“Make every effort to confirm your calling and election,” 2 Peter 1:10 tells us. “For if you do these things, you will never stumble”.

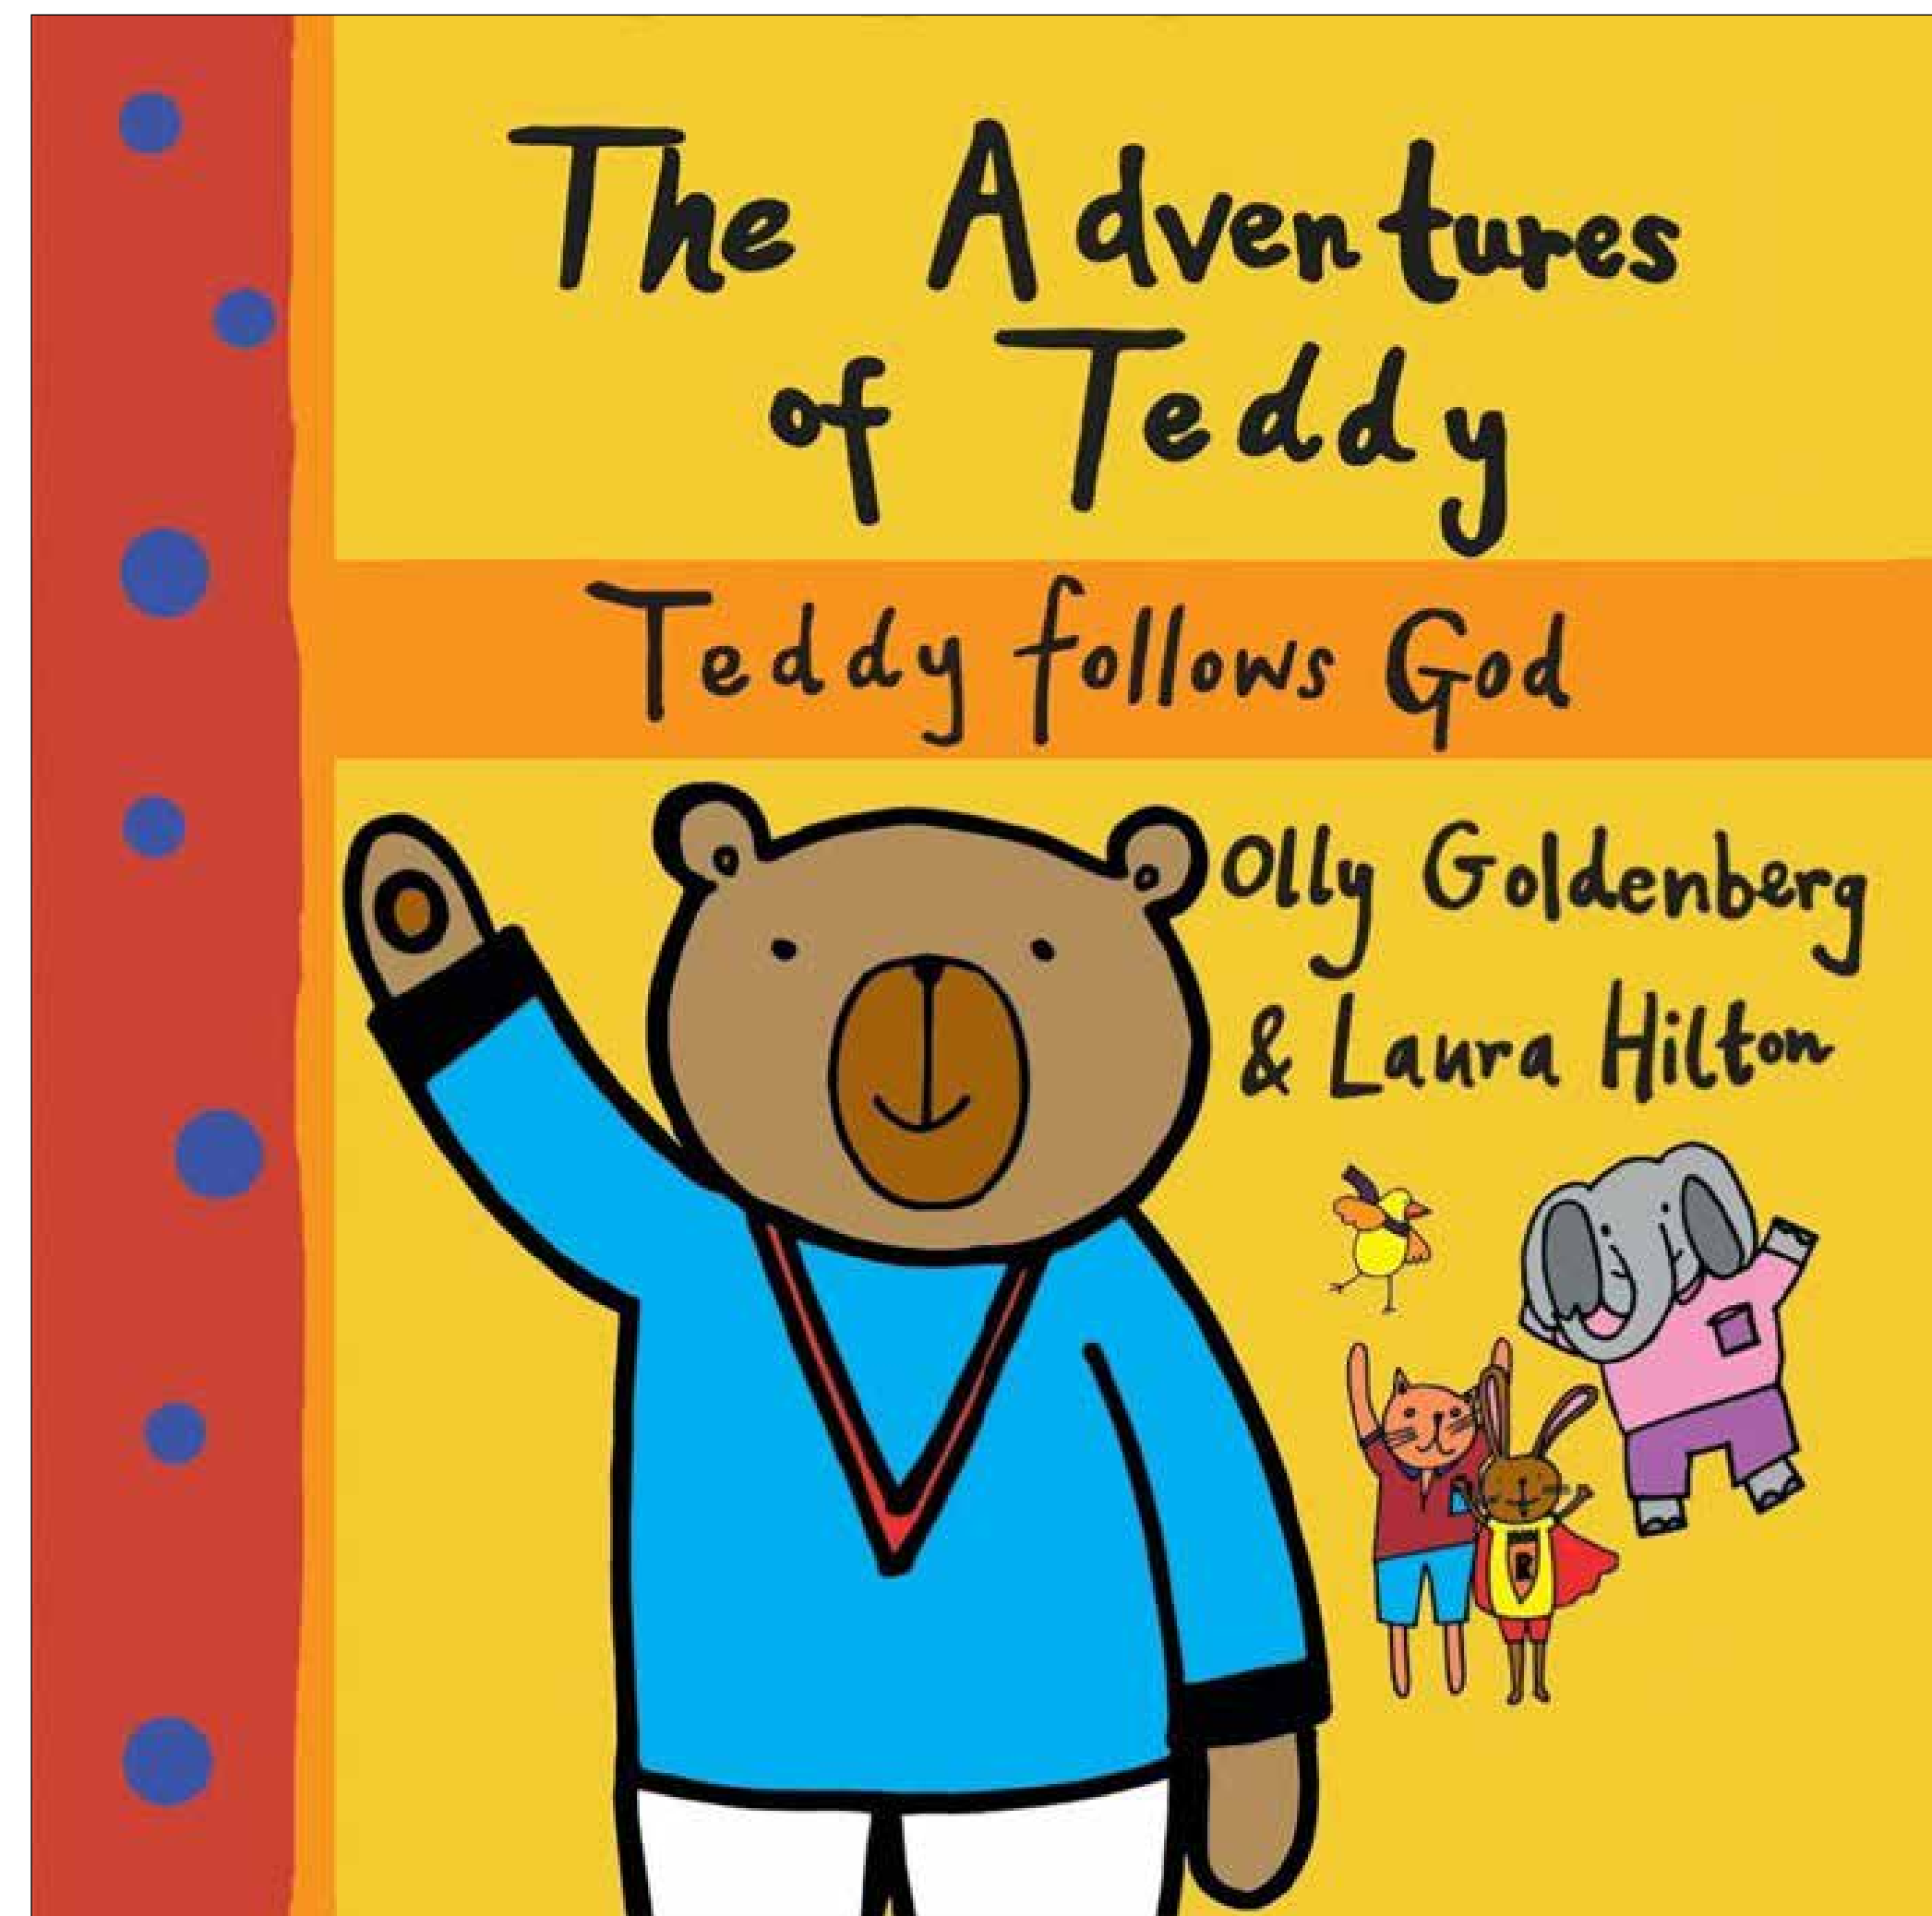

However well we are running now, we all need to be aware of the danger of falling away—especially in today’s culture, where we are constantly bombarded by ideas contrary to the word of God. We are each responsible to hold on to the truth.

The original readers of 2 Peter and Jude had come under the influence of false and immoral teachings, and these letters were written precisely to help us to stand firm in our faith.

These letters include serious warnings but also deep hope. It is through pursuing God, the one who keeps us from stumbling, and throwing ourselves on his mercy that we will make it to the end of the race. We can look forward to being presented before his glorious throne “without fault and with great joy” (Jude v 24).

These six studies take you step by step through 2 Peter and Jude, with questions that open up discussion, a focus on real-life application and ideas for prayer.

## Description

From New York Times, USA Today, and Publishers Weekly bestselling author Joel C. Rosenberg!

A game-changing peace treaty between Israel and the Saudis is nearly done. The secretary of state is headed to the region to seal the deal. And Special Agent Marcus Ryker is leading an advance trip along the Israel-Lebanon border, ahead of the secretary's arrival.

But when Ryker and his team are ambushed by Hezbollah forces, a nightmare scenario begins to unfold. The last thing the White House can afford is a new war in the Mideast that could derail the treaty and set the region ablaze. U.S. and Israeli forces are mobilizing to find the hostages and get them home, but Ryker knows the clock is ticking. When Hezbollah realizes who they've captured, no amount of ransom will save them—they'll be transferred to Beirut and then to Tehran to be executed on live television.

In the fourth installment of Rosenberg's gripping new series, Marcus Ryker finds himself in the most dangerous situation he has ever faced—captured, brutalized, and dragged deep behind enemy lines. Should he wait to be rescued? Or try to escape? How? And what if his colleagues are too wounded to run? This is the CIA's most valuable operative as you have never seen him before.

So many of us feel as though accepting our bodies means abandoning any effort to improve. We look in the mirror and tell ourselves that we are going to love the skin we are in, but most days our inner self-critic is all we can hear. We constantly ask ourselves

- How can I have a healthy lifestyle that will keep me motivated and inspired?
- Why does it even matter how I think about my body? Can't I just lose weight and be happy?
- What is it going to take for me to be content with the way I look, even if I'm not thin? But there is hope!

Pursuing the healthiest version of you means learning to love the reflection in the mirror, and Jennifer Wagner understands this all too well. From looking at her today, you wouldn't know that she used to weigh 336 pounds. ## Description

Practice the three simple phrases that heal relationships, strengthen connection, and change the world.

We all believe that saying, “Thank you,” “I’m sorry,” and “Tell me more” will help us become better people, friends, partners, employees, neighbours, and global citizens. And yet, having been brought up on rugged individualism, we often slip into self-centredness and a corresponding sense of entitlement. We have lost the ability to speak with gentleness toward one another. We have replaced kind words that connect us to one another with ones that divide, isolate, and hurt. Everywhere we turn there is deep conflict.

In this simple yet profound book, clinical psychologist Rod Wilson introduces us to the sacredness of these familiar but forgotten sayings. What impact do these sayings have on our relationships? When we say, “Thank you,” we acknowledge the way others impact us. When we say, “I’m sorry,” we acknowledge the way we impact others. When we say, “Tell me more,” we acknowledge the way we impact each other. Try it.

Read this book and be encouraged and equipped to deliver kindness in your speech. As you engage with these three phrases more thoughtfully and speak them more frequently, you will enjoy a life full of deeper friendships and joy.

## About the Author

Dr. Rod Wilson lives in Vancouver, Canada with his wife, Bev.

His formative life-long question? What is the relationship between the human and the spiritual? With this question as a backdrop, he notes that people with a high commitment to the human often have little time for the spiritual. He loves spaces where the human and the spiritual are blended seamlessly.

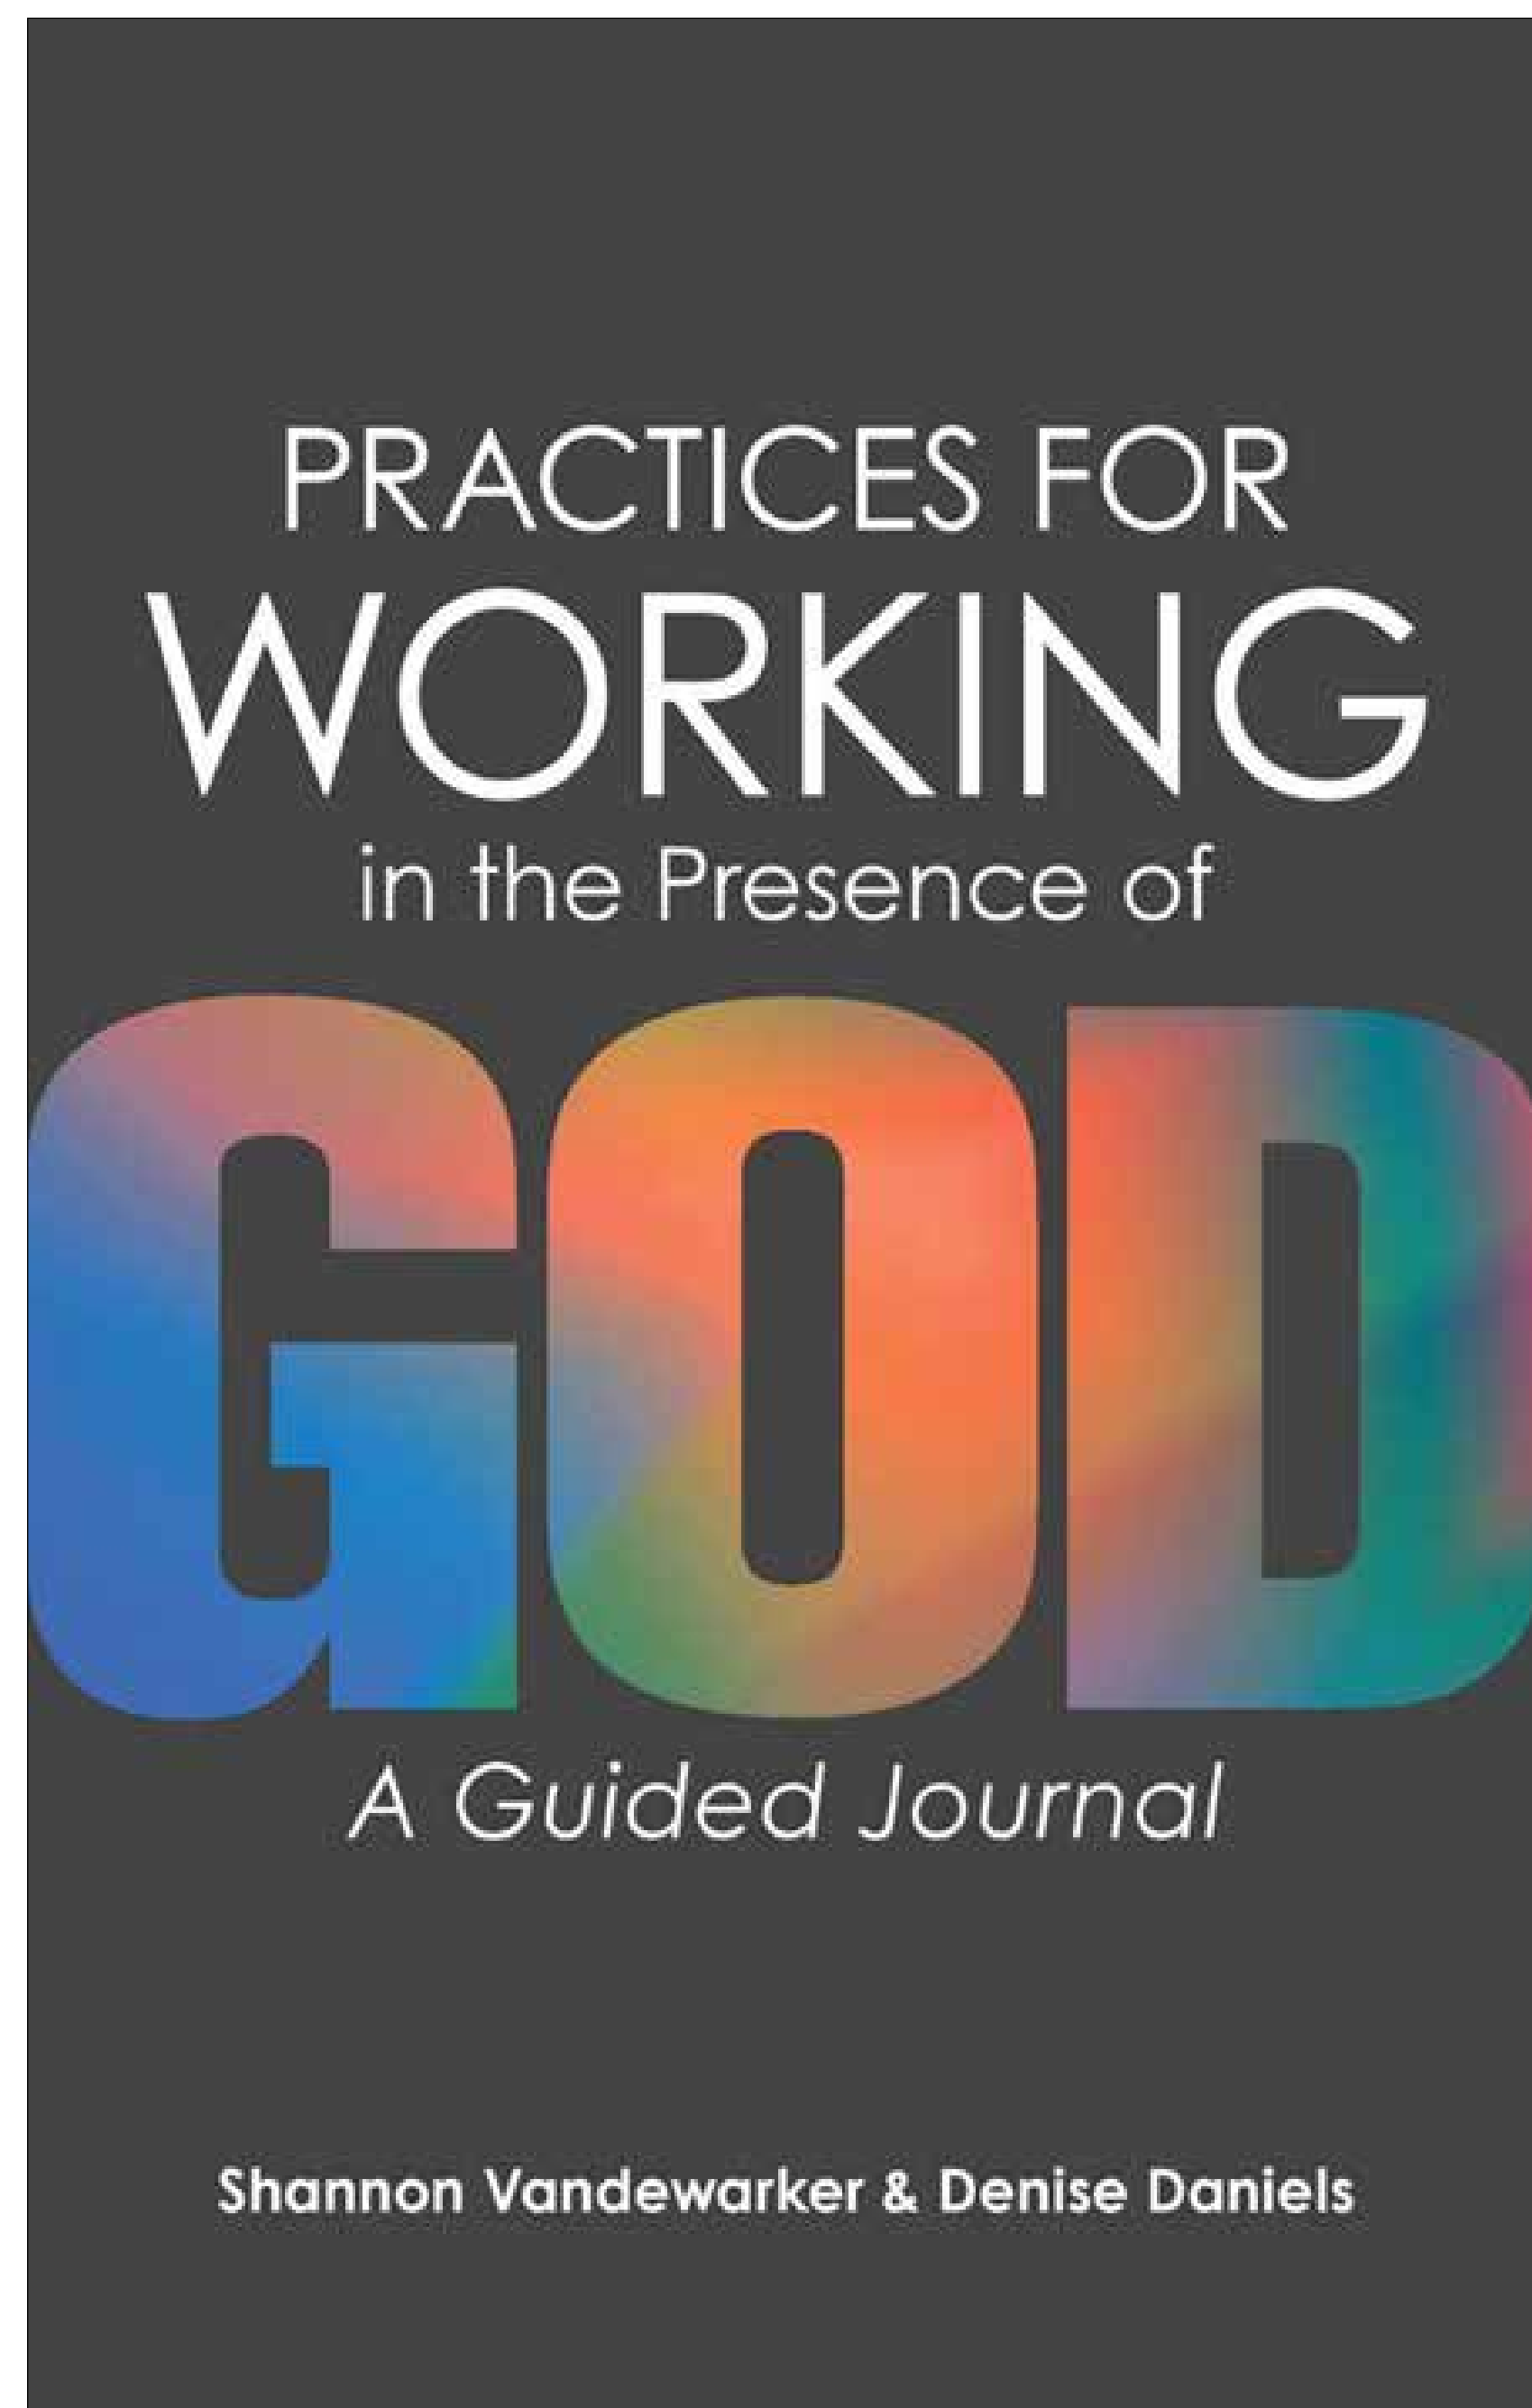

This quest has taken him into various vocational sectors—including education, mental health, the disability community, church, and non-profit—as a teacher, leader, preacher, therapist, mentor, facilitator, and conversation partner.

## Description

Life is painful.

Everyone’s story comes with unique challenges, difficulties, bumps, and bruises that leave you lost and drowning in their wake. It could be a financial disaster, a health issue, a broken relationship, or the loss of a loved one.

Dr. Tony Evans, bestselling author and pastor of Oak Cliff Bible Fellowship, understands life’s hardships firsthand. In a span of less than two years, he lost his brother, sister, brother-in-law, two nieces, father, and wife. At the same time, both of his daughters received cancer diagnoses.

In the wake of all this pain, Dr. Evans had to put into practice, at the deepest levels, the truths he has preached about God for more than forty years. God’s Word doesn’t promise us a life free from pain and trouble. It promises us something else—Someone else. Someone who will walk with us through all of life’s trials and troubles.

There is hope for the hurting: His name is Jesus.

## About the Author

Tony Evans is one of the U.S. most respected leaders in evangelical circles. As a pastor, teacher, author, and speaker, he serves the body of Christ through his unique ability to communicate complex theological truths through simple yet profound illustrations.

While addressing the practical issues of today, Dr. Evans is known as a relevant expositor. New and veteran pastors alike regard him as a pastor of pastors and a father in the faith.

Deciding to follow Jesus is a reason to celebrate!

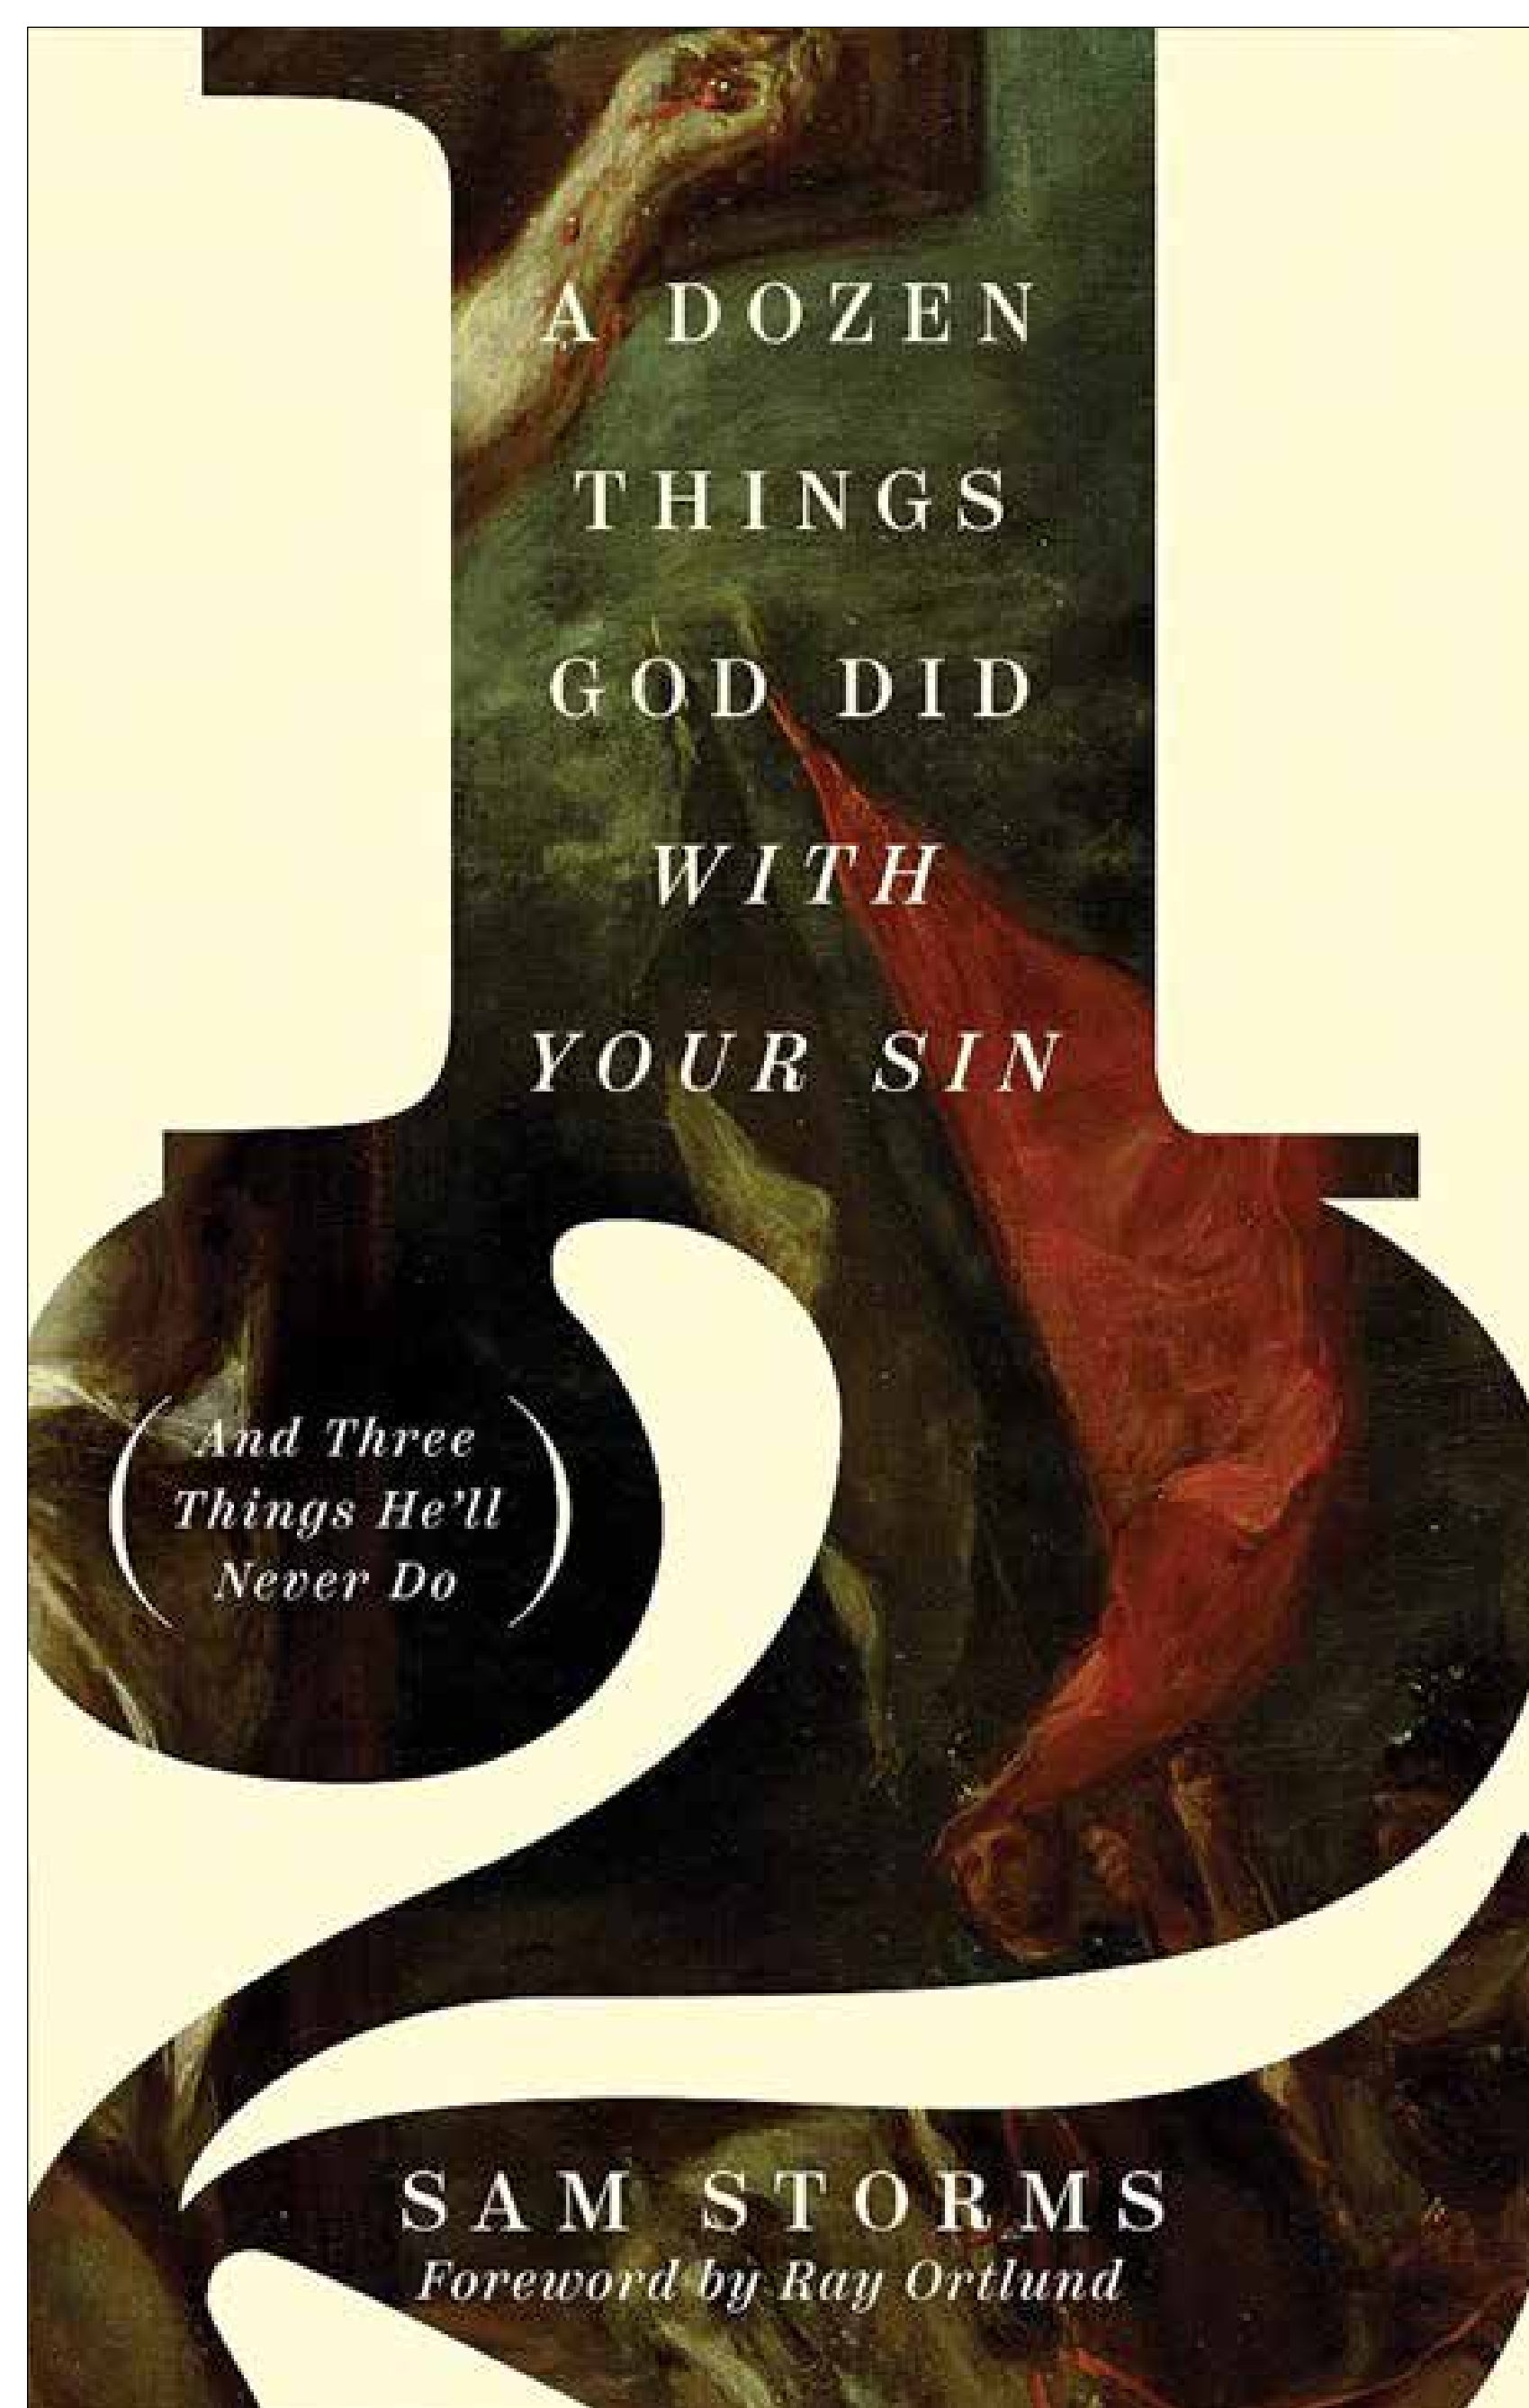

New Christians are beginning beautiful relationships with God, but they might also be starting a list of questions about what Christians believe and how they live.

Life as a Christian invites readers to explore the key truths of the Christian faith and find the answers to big questions such as:

- Who is God and how should I respond to Him?
- Why should I trust the Bible?
- Who does God say I am?
- What is the Church, and why should I be part of it?

With this clear explanation about spiritual disciplines and God's plan for His creation, new Christians will better know God and who they are called to be as His people.

Life as a Christian works well in a church setting, for personal use, or as an evangelism tool, laying a strong foundation that new believers can build on with confidence as their faith grows.

## Description

Every Christian has experienced days or even seasons of feeling extreme guilt over past or present sins, thinking that God is angry or disgusted with them—sometimes even wondering if they’re truly saved. This often happens when believers fixate on their sins while forgetting what Christ has already done on their behalf at the cross.

Sam Storms explains it this way: “What consumes us is what we have done by sinning. What ought to consume us is grateful meditation on what God has done with our sinning.”

In his latest book, Storms addresses this anxiety over sin by reminding believers of the good news of the gospel. Beginning with an explanation of the glory of penal substitution, he walks through 12 things God did with their sin, including forgiving it, passing over it, and casting it into the depths of the sea. He also explains 3 things God will never do with their sin, such as counting it against them.

Walking through the Bible’s teaching, Storms helps believers find freedom, joy, and peace in knowing what God has done (and will never do) with their sin through the redemptive sacrifice of Jesus.

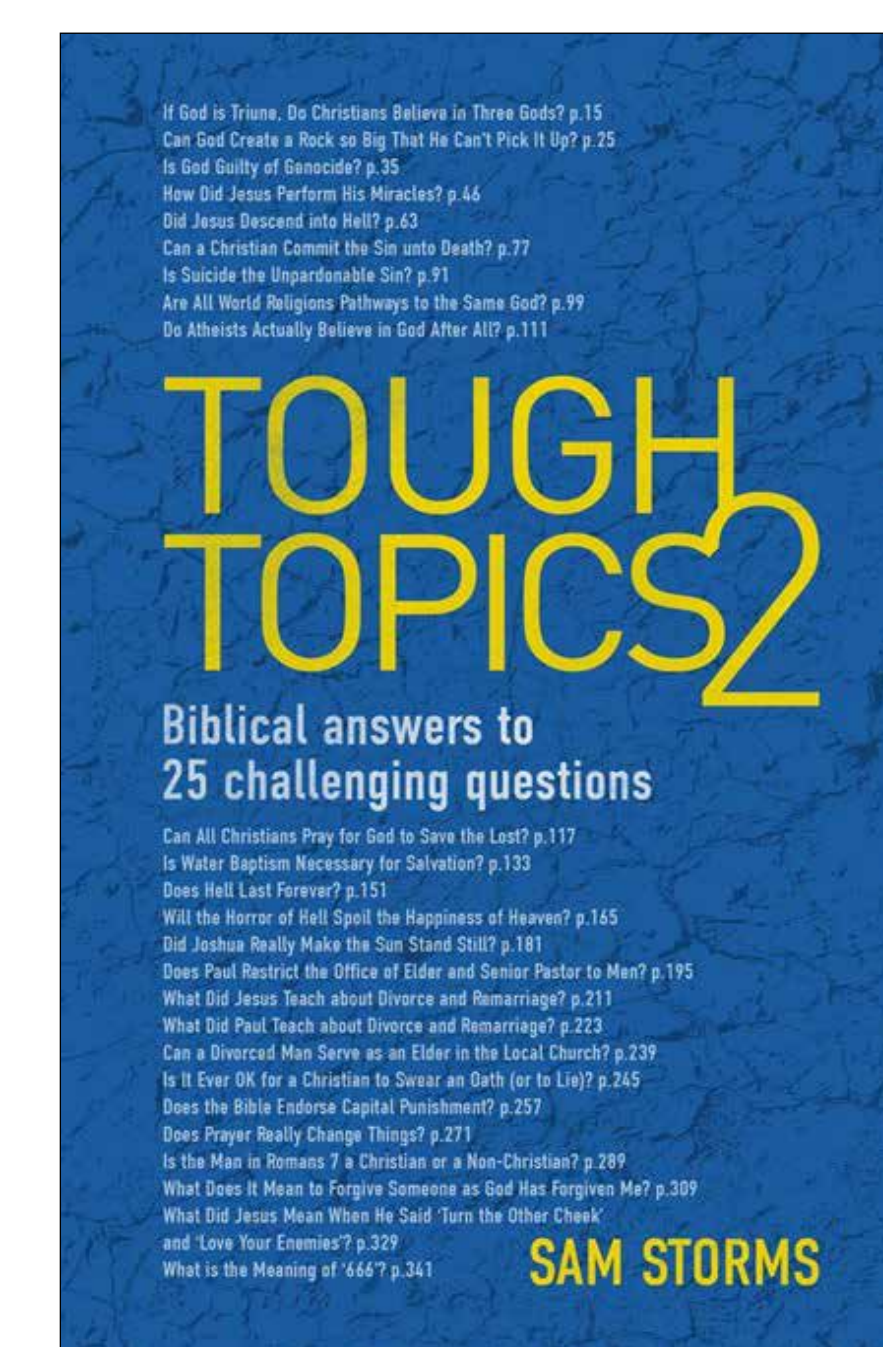

## About the Author

Sam Storms (PhD, University of Texas at Dallas) has spent more than four decades in ministry as a pastor, professor, and author.

What Does God Think about Technology?

Many Christians remain perplexed about modern technology. New iPhones and social media platforms, self-driving cars, and genetic engineering all prove that human innovation is not slowing down for anyone.

But as technologies multiply and life in this age becomes more complex, the questions become more stark: What does God think of human technology? Is he threatened by all its power? Is he trying to dismantle Silicon Valley?

In his latest book, journalist Tony Reinke addresses these and other hard questions head-on from the Bible.

By turning to 9 key passages and engaging with several theologians and thinkers, Reinke seeks to dismantle 12 common myths Christians often hold about technology, helping them understand the story of where human innovation came from and to embrace the church's essential role in it.

## About the Author

Tony Reinke is a journalist and serves as senior teacher and host of the 'Ask Pastor John' podcast for [desiringGod.org](http://desiringGod.org).

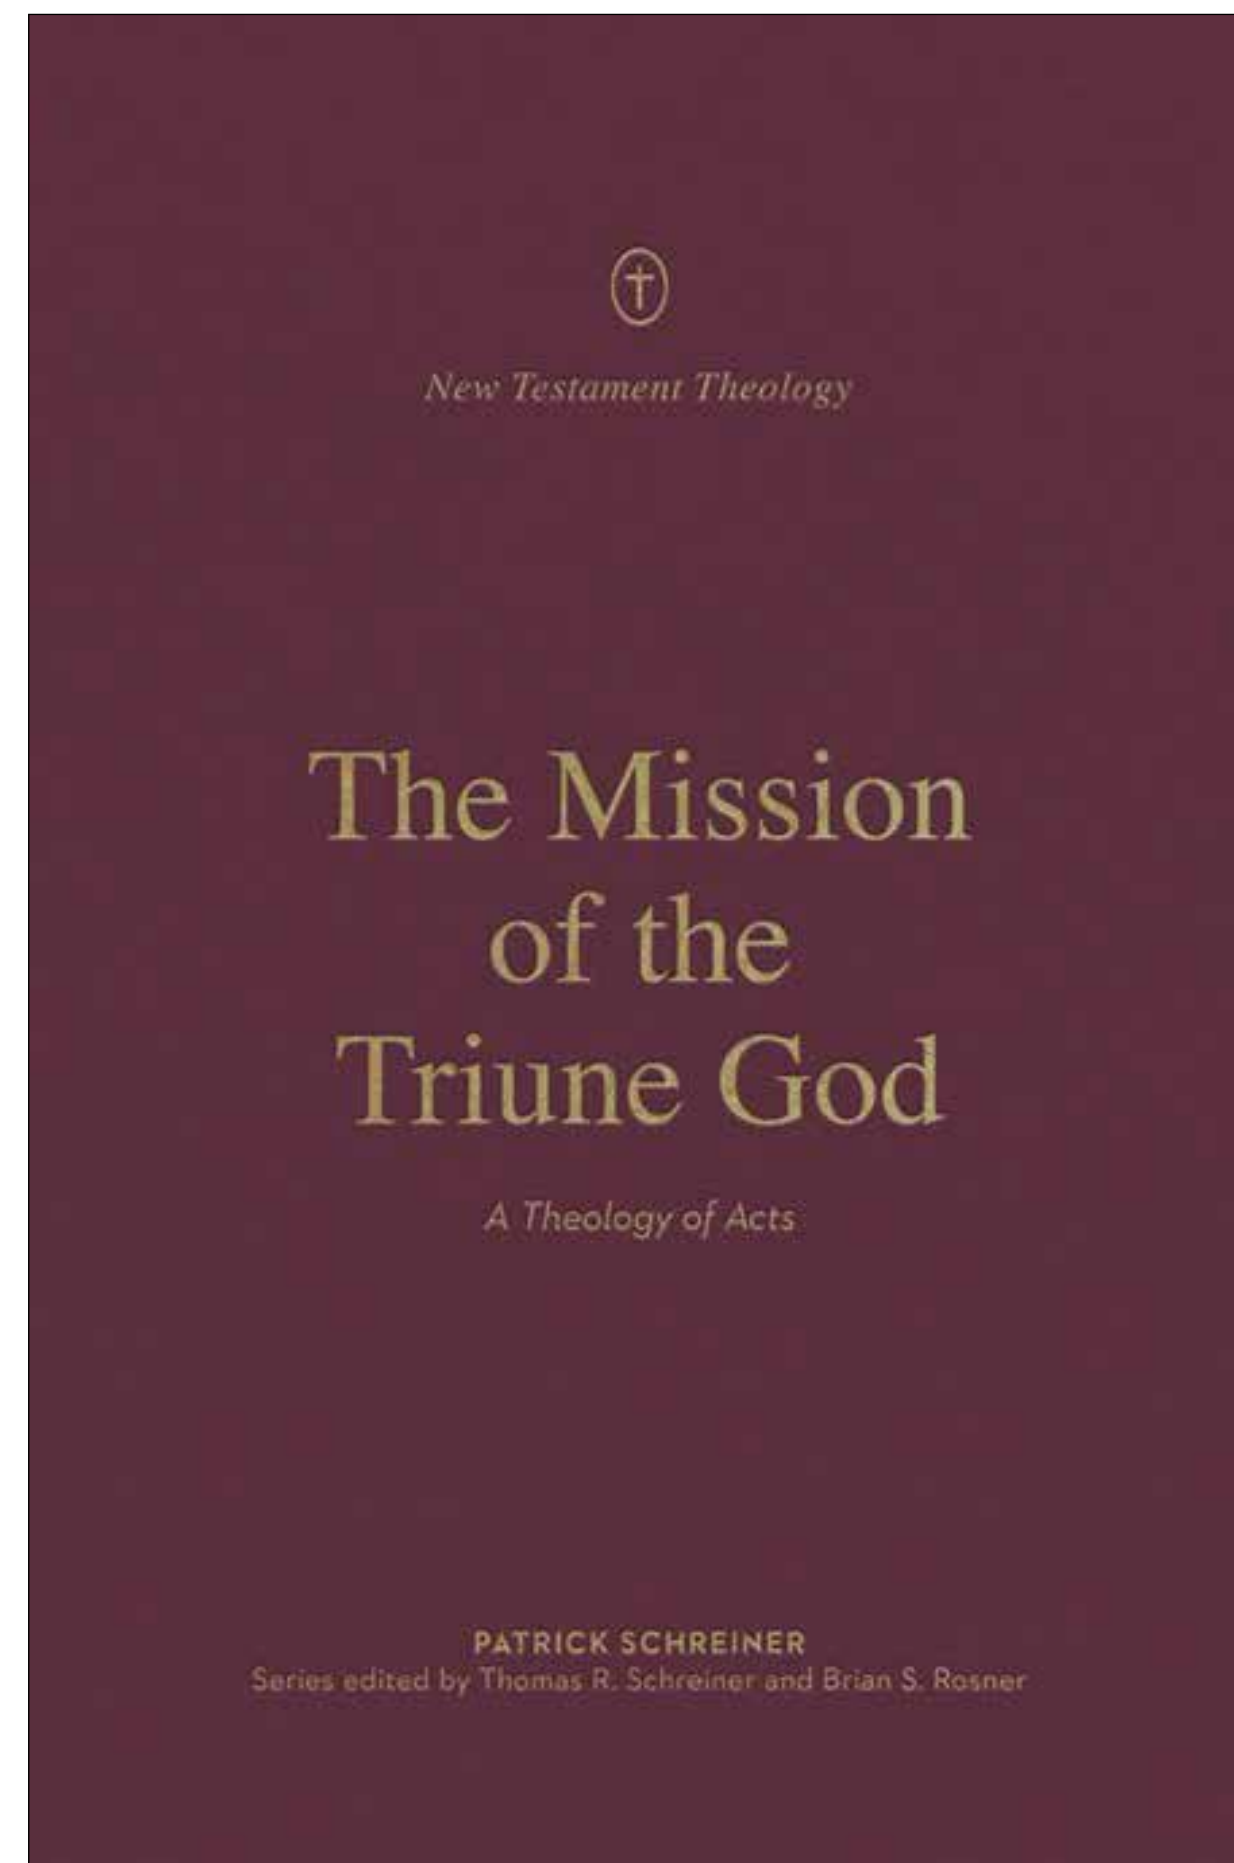

He is the author of 'Lit!: A Christian Guide to Reading Books'; 'Competing Spectacles'; and '12 Ways Your Phone Is Changing You.'

Title: The Mission of the Triune God

 Price: £21.99\*  
 Product Code: 9781433574115  
 Format: Paperback  
 Genre: Bible Commentaries NT  
 Distribution: UK & Europe

The book of Acts is unlike any other in Scripture; it has no rival in terms of a book spanning so many different lands. Written by a Gentile, it recounts the birth of the church age and the lives of early Christians that serve as lasting examples for the church today. When believers see how these events worked together to fulfill God's promises, they gain a better understanding of the Trinitarian heart of Acts.

In 'The Mission of the Triune God,' author Patrick Schreiner argues that Luke's theology stems from the order of his narrative. He shows how the major themes of Acts, including the formation of the church, salvation offered to all flesh, and the prolific spread of the gospel, connect. Through Schreiner's clear presentation and helpful graphics, readers follow the early church as it grows "all under the plan of God, centred on King Jesus, and empowered by the Spirit."

The book of Philippians describes the pain the apostle Paul endured as a follower of Christ.

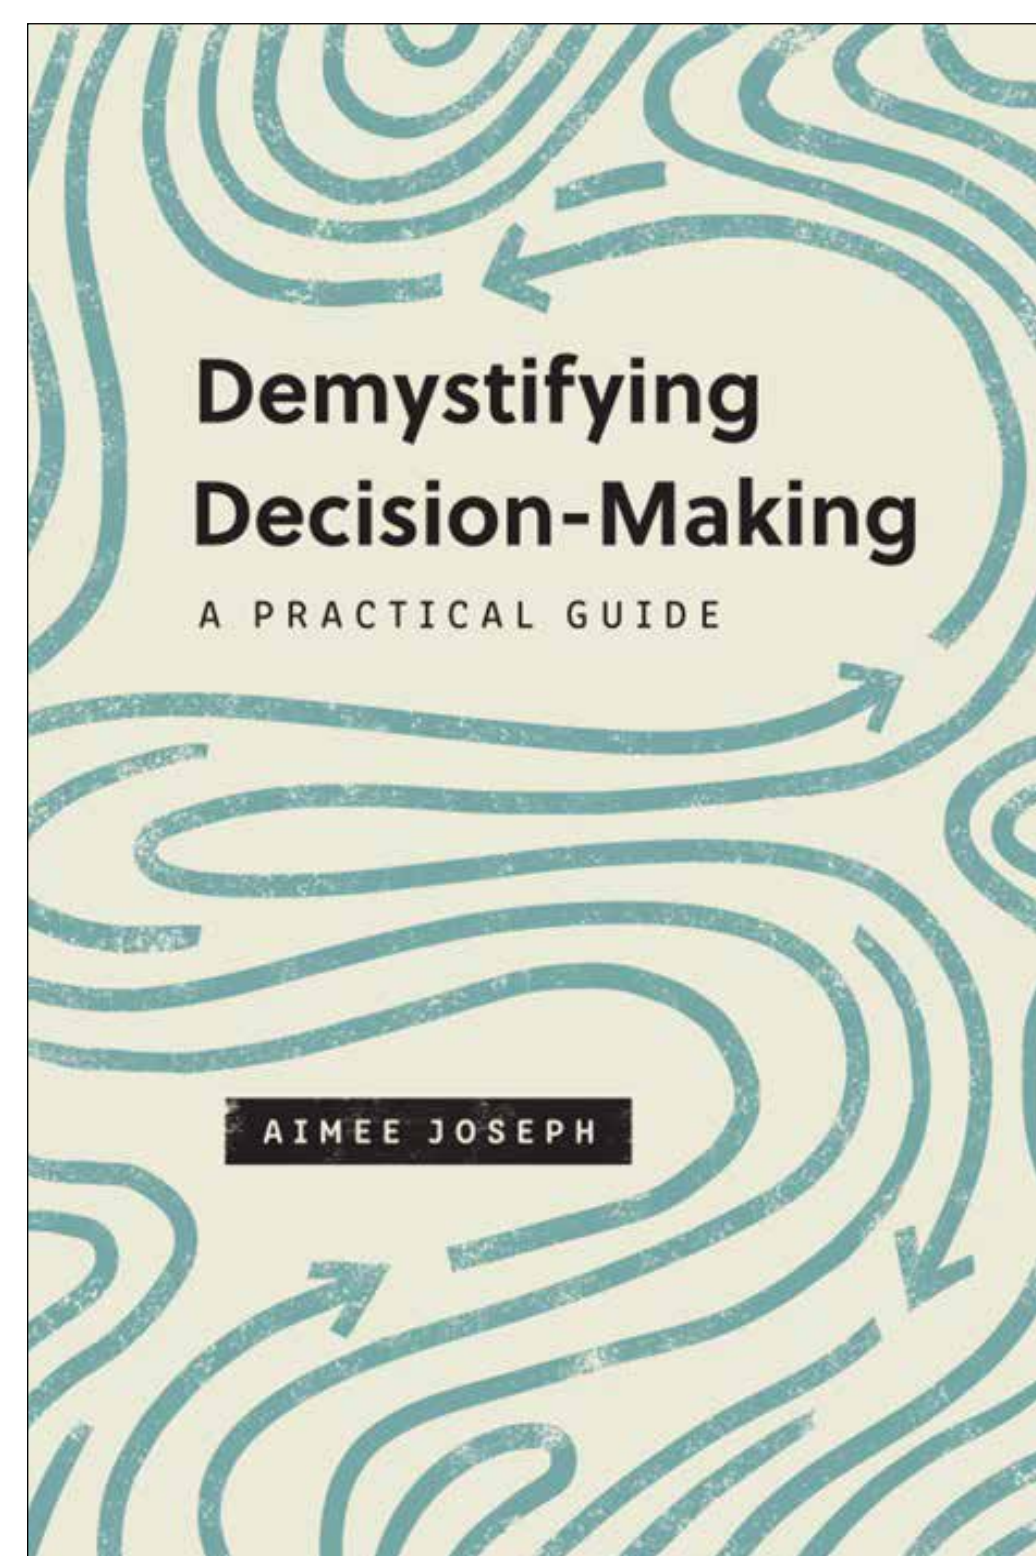

Writing to the church in Philippi, he declares that nothing—not even imprisonment—will stop him from rejoicing in the Lord. That's because Jesus was Paul's whole reason for living.

Philippians, perhaps more than any other New Testament epistle, anchors believers in joy and a contagious passion for Christ.

Join Lydia Brownback as she walks chapter by chapter through the book of Philippians. Paul's letter demonstrates the abundant joy that is possible through unity in Christ and the indwelling of the Holy Spirit. By understanding Philippians, believers learn how to find contentment in God, even during difficult times.

The Flourish Bible Study series equips women to study the overarching storyline of the Bible book by book. Designed for individual or group use, each 10-week workbook features conversational teaching that aims to make in-depth Bible study accessible to women in all seasons of life, along with practical application questions and additional recommended resources.

 Product Code: 9781433575419  
 Format: Paperback  
 Genre: Discipleship

On an average day, people make countless decisions: Should I get out of bed or hit the snooze button? What should I have for breakfast? Where should we go for this year's vacation?

While some decisions are easy to make, others can leave individuals paralyzed and full of anxiety. As Christians living in an increasingly individualistic society, what's the best strategy for making decisions that honour God while becoming more like him in the process?

Writing from her own experience and pointing to biblical examples, Aimee Joseph offers a biblical and theological framework for decision-making. She explains God's design for humans as decision-makers, the biblical model for making choices, common wrong approaches, practical tips, and what to do when you've made a poor decision.

With the philosophy that "as we shape our decisions, our decisions shape us," Joseph teaches readers how to worship and draw closer to Christ through their daily decisions.

Title: Mission Affirmed: Recovering the Missionary Motivation of Paul  
 Author: Elliot Clark  
 Price: £15.99\*  
 Product Code: 9781433573804  
 Format: Paperback  
 Genre: Christian Missions  
 Distribution: UK & Europe

That's the question evangelicals have been asking for over a century, but our efforts to reach the unreached and finish the task have often sacrificed the important for the immediate.

The greatest challenge in evangelical missions isn't a lack of urgency, but a lack of discernment. As we've prioritized movements that are simple and reproducible, the gospel and faithful churches are now threatened. Our mission itself could be disqualified.

In Mission Affirmed, Elliot Clark seeks to reshape our motivation by considering the example of Paul the missionary. The desire for God's approval is what formed his ambition and directed his methods, and it should guide ours too.

In these pages, we rediscover how pursuing God's praise can both motivate and regulate our gospel ministries. We also refocus—as missionaries, pastors, churches, and individuals—on what matters more than a mission accomplished: a mission God affirms.

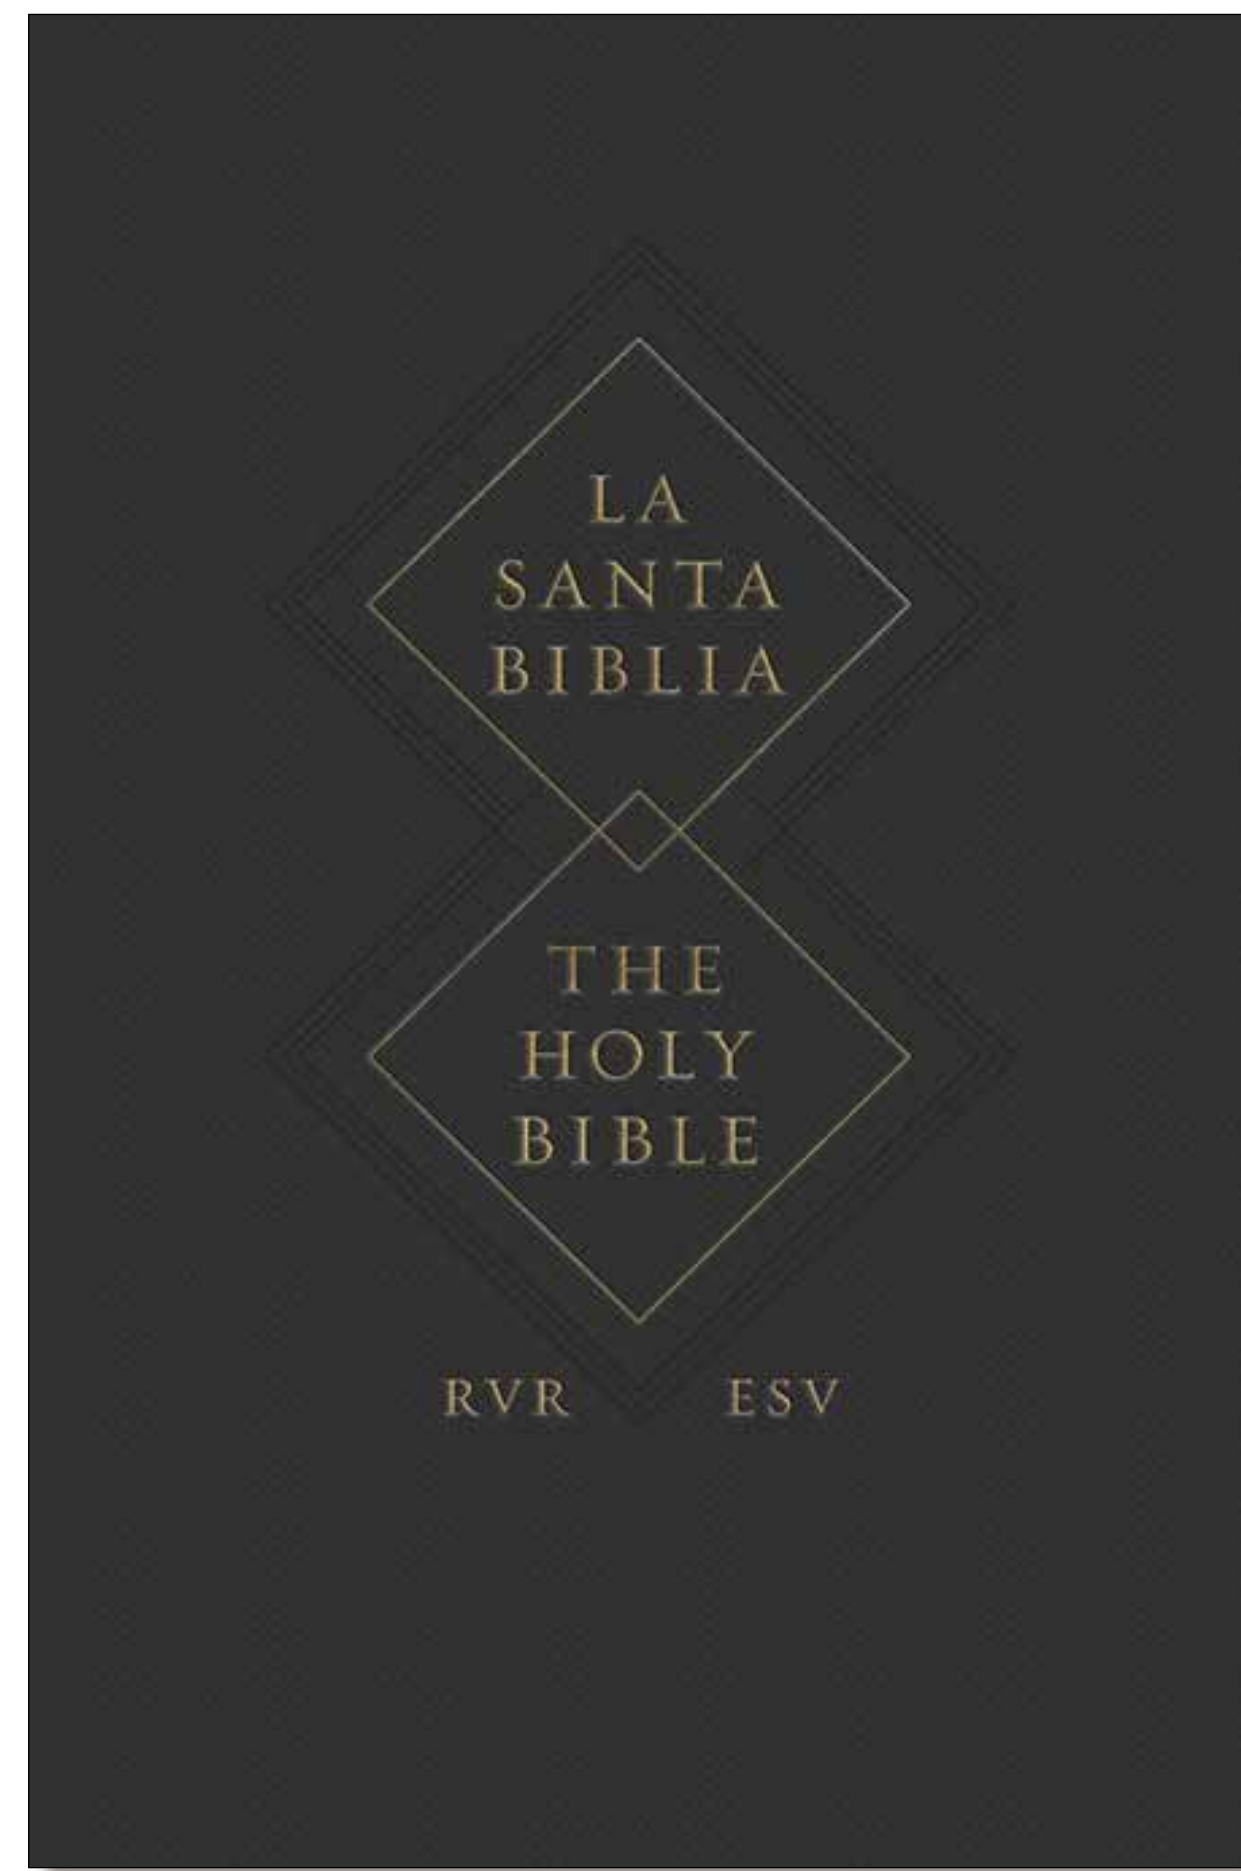

Title: Anglican Mission: Bearing and Sharing the Good News - Beginnings, Reformation, and Now

 Product Code: 9781433577079  
 Format: Hard Cover

In churches today, a fresh hunger for missions is growing. Replacing therapeutic approaches to ministry, there is a deep desire to actively share the gospel. By studying the Anglicans' rich history of missionary engagement, from the early church to the present, clergy and laymen can learn which aspects to emulate and avoid.

In this addition to the Reformation Anglicanism Essential Library, Michael Nazir-Ali examines historical and global lessons from various Anglican evangelistic techniques. He seamlessly moves through different time periods, from the sixteenth century to the present, as well as different parts of the world, to see how the gospel connects with culture. Exploring the successes and failures of Anglicans, Nazir-Ali illuminates for readers twin aspects of missions: embassy (going out) and hospitality (welcoming in).

## Description

This book contains the stories of ten women whose circumstances and choices led them to a place that seemed far removed from the fruitful, joy-filled life we are called to live in Christ. But each of their stories is a testament to the work God does through his imperfect children. Their stories will encourage and inspire, and remind you that you are not alone in your struggles.

The names of some of these women are well-known, some are less so. The first five stories are about relationships with other people; the next five stories are about inner struggles.

- Overcoming Sexual Sin & Identity – Rosaria Butterfield
- Difficult Marriage and Divorce – Joy Davidman
- Bereavement – Elisabeth Elliot
- Singleness – Betsie & Corrie ten Boom
- Overcoming with Forgiveness – Betsie & Corrie ten Boom
- Eating Disorders – Christie Dondero
- Betty's Illness – Susannah Spurgeon
- False Beliefs – Doreen Virtue
- Self-Righteousness – Susanna Wesley
- The Fear of Man – Sarah Edwards

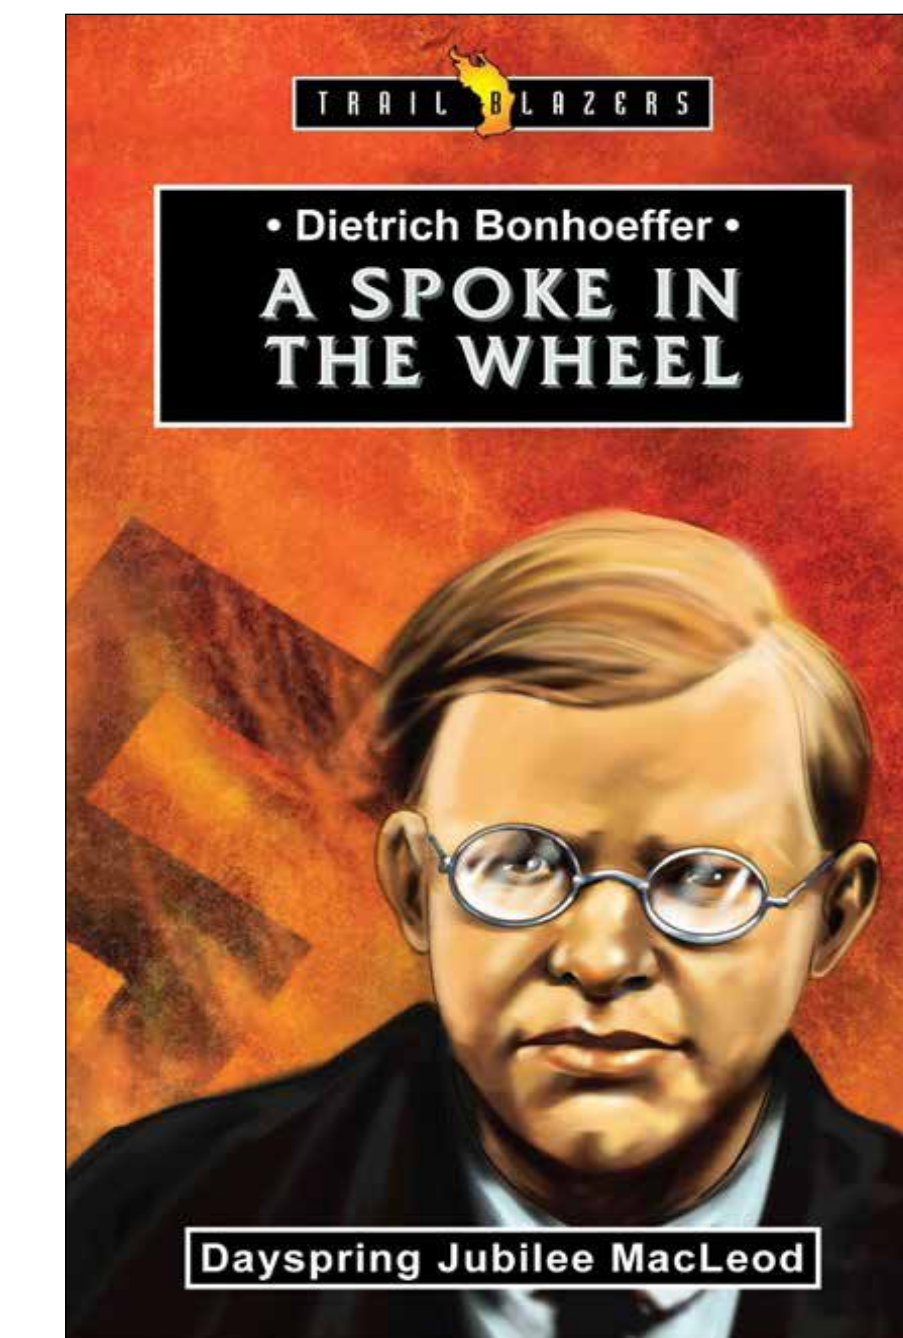

Through exploring how other women of Christ's Kingdom began anew in him, you will be encouraged on your own path of joy and freedom. In every chapter, MacLeod focuses on bearing fruit for Christ even in these circumstances and includes questions to think through and discuss how the truths learned by these women could be applied to your own life.

### Description

We are surrounded by lies. They are incorporated into the worldview of our culture. We daily absorb them, and these lies can have deadly effects on individuals, societies and whole civilisations.

Sharon James investigates the origins of some of these lies and looks at how we have got to the point where 'my truth' is as valid as 'your truth', and absolute truth is an outdated way of thinking. In examining the evidence of history, she highlights the consequences of applying dangerous untruths. She also looks at how Christians often respond to the culture's lies – in silence, acquiescence or celebration of them – and why these responses can be as harmful as the lies themselves.

In the second part she turns to the truth which leads to real liberation and justice. She shows why we don't need to be ashamed of Christ, or intimidated by the claims of those who are militantly opposed to the Bible. This book aims to equip Christians to navigate the minefield of current claims.

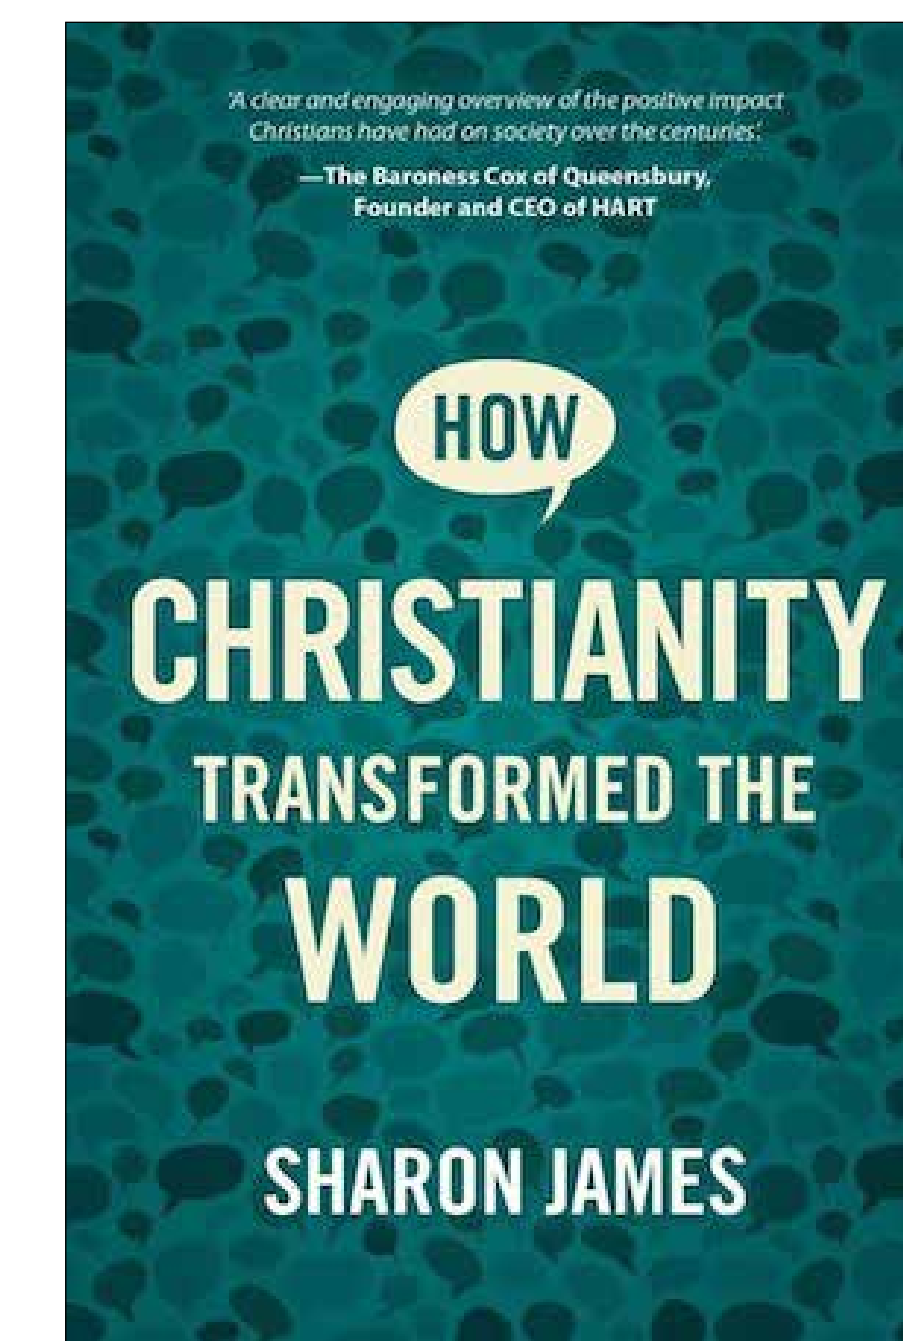

1. There is no God and no Absolute Morality
2. 'No God': From Atheism to Death Camps
3. 'No Absolute Morality': From Relativism to Fatherlessness
4. 'No Universal Truth': The Death of Common Sense
5. 'No Universal Humanity': Divided We Fall
6. False Prophets: The Compromised Church
7. The Biblical Worldview: Foundation of Truth, Freedom and Dignity
8. The Biblical Worldview: Foundation of Human Flourishing
9. The Biblical Worldview: Christ is King – Hope for the Future
10. What Should I Do Now?

## Description

Did the Fall and the Curse cause depression and anxiety in the world?

Firstly, we need to explain what depression and anxiety are. Depression involves a persisting low mood. Depressed people feel an almost constant state of sadness. It does not matter how happy you look to the outside world, if your heart and mind are being torn apart every waking minute, life sometimes seems so bleak.

But surely if I am a Christian, I cannot get depressed? See what I have, the love of Jesus, see what I have to look forward to, an everlasting life in Glory with my Saviour. Or maybe that means I am not really saved, because if I were really saved God would not punish me like this.

But we can take comfort that even David felt sorrow 'How long, Lord? Will you forget me forever? How long will you hide your face from me? How long must I wrestle with my thoughts and day after day have sorrow in my heart?' (Psalm 13:1-2).

Spurgeon spent a lifetime preaching, and through him many were converted. His Christian writings are profound and have brought many to the Lord, but he also suffered from the illness.

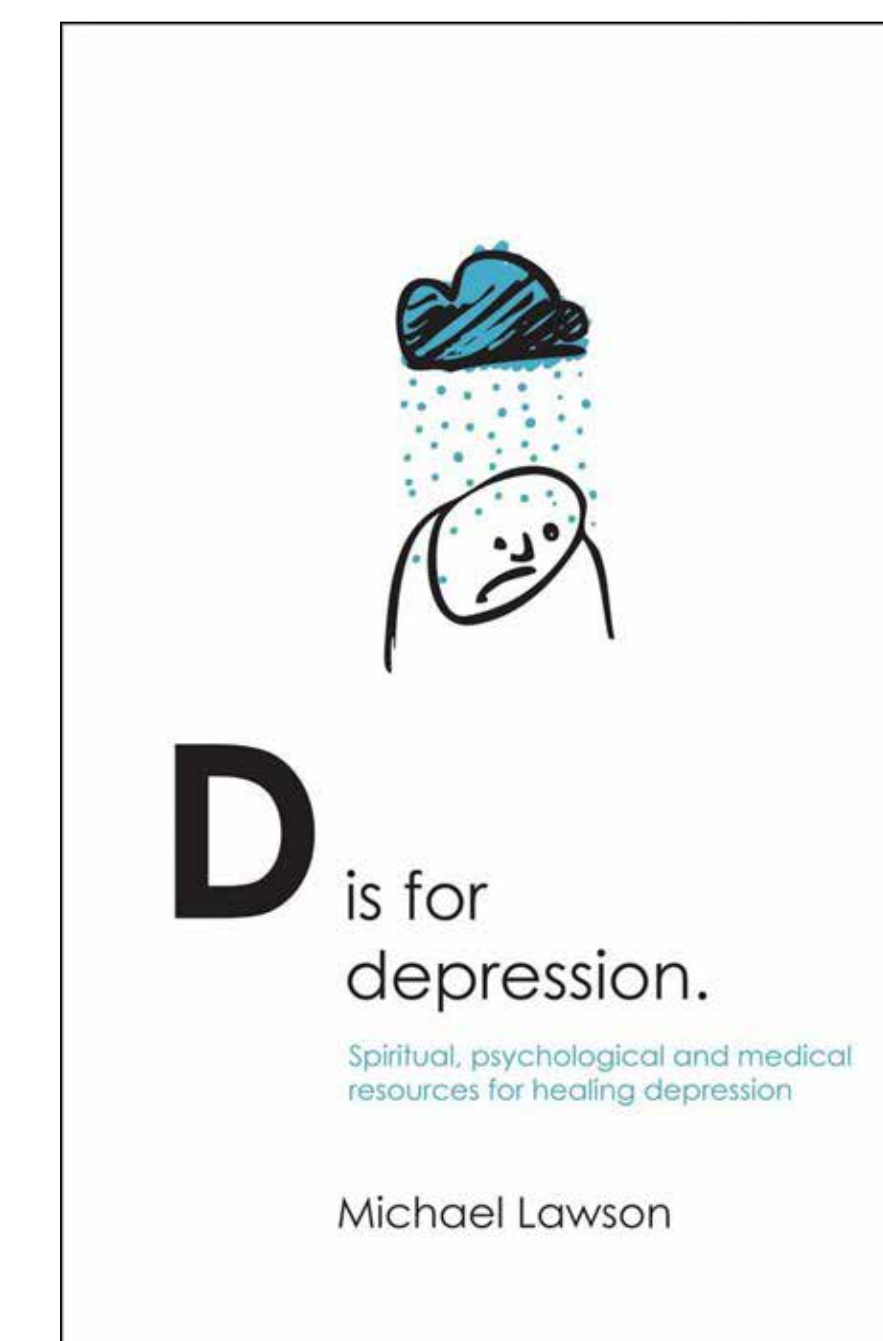

Read Paul Ritchie's experience as a Pastor who has also suffered this terrible malaise.

## About the Author

Paul Ritchie is the husband of Caroline and father of Anya, Ronan & Sian. He serves as pastor to Limerick Baptist Church.

His ministry has been deepened by his own experience of O.C.D. and struggles with anxiety. He is a devoted Munster Rugby fan and loves a game of pitch & putt.

 Format: Paperback  
 Genre: Children & Family

An enriching companion to Terry L. Johnson's popular Family Worship Book

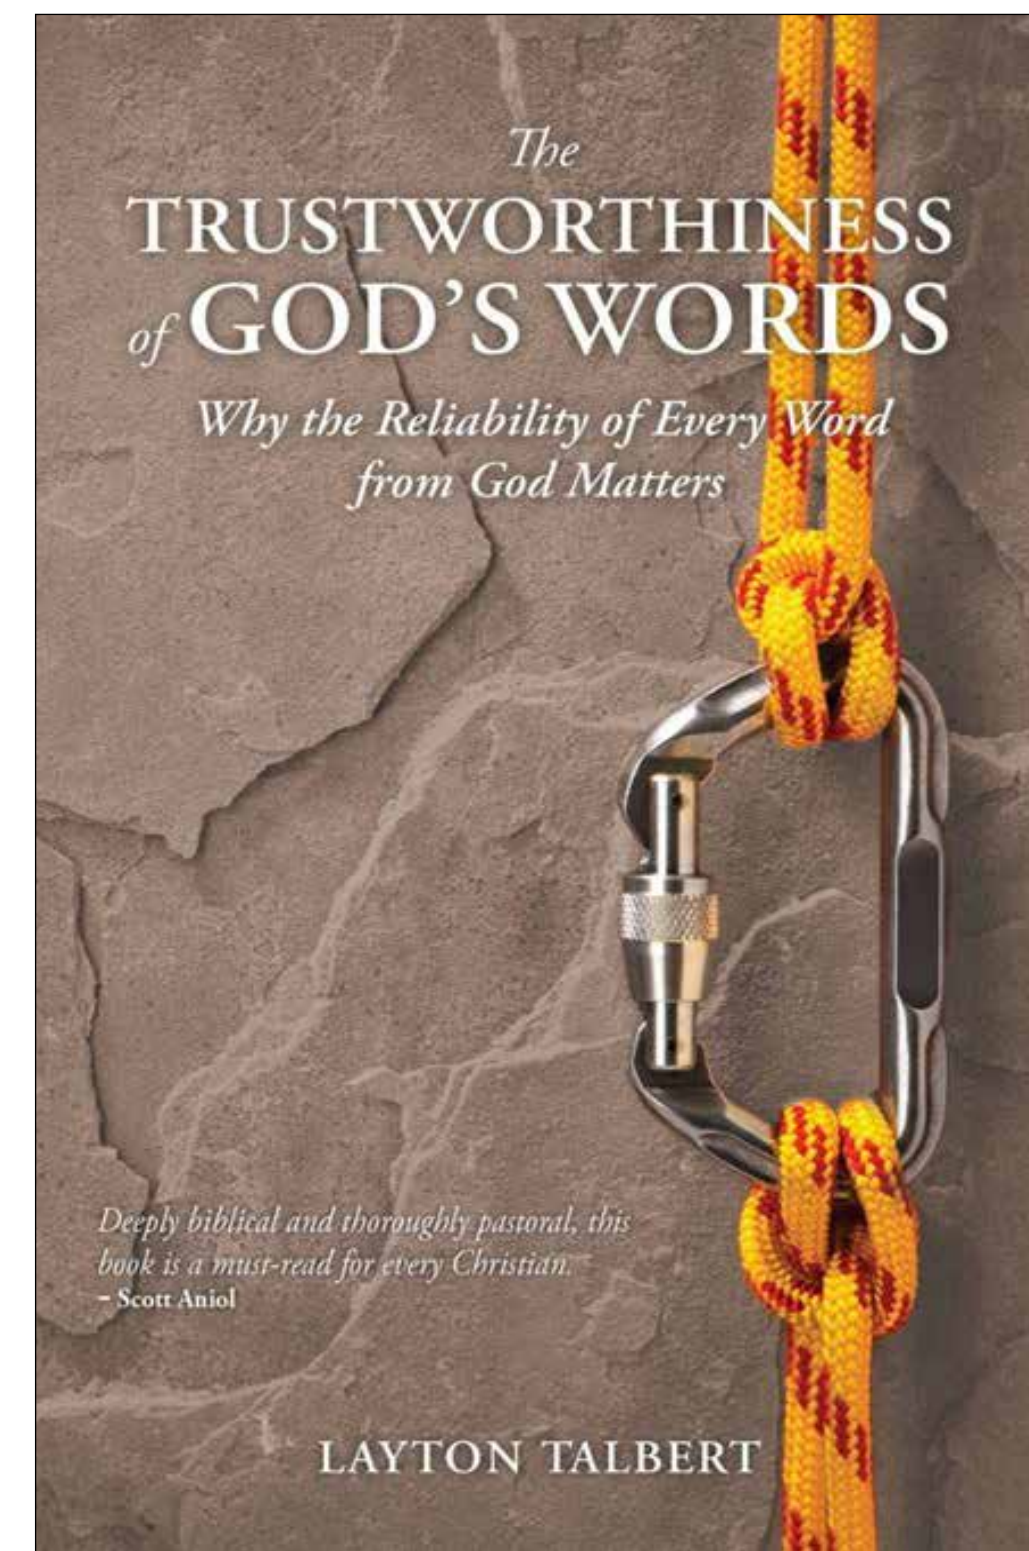

The practice of family worship has been a foundation stone of faith for many families across many generations.

In his book The Family Worship Book, Terry L. Johnson aided families to have meaningful times of devotion together. In this supplement to The Family Worship Book Terry L. Johnson seeks to strengthen, clarify and enrich those devotions.

He begins by looking at the godly home, which provides the vital context in which family worship occurs. Then the biblical and theological arguments for daily family worship in are examined drawing from the Old and New Testaments as well as the classic authors.

Once the case for family worship has been made, Johnson then moves on to develop the elements or practices of which family worship consists, as well as helpful tips for establishing the discipline practice of family worship.

Finally, he discusses catechizing. Together, this monogram provides a feast of classic Reformed insight.

Title: The Trustworthiness of God's Words  
 Author: Layton Talbert  
 Price: £9.99\*  
 Product Code: 9781527107908  
 Format: Paperback  
 Genre: Doctrine & Theology  
 Distribution: UK & Europe

This is a book about God's jealousy for his integrity, his passion to be believed, on the basis of his words alone.

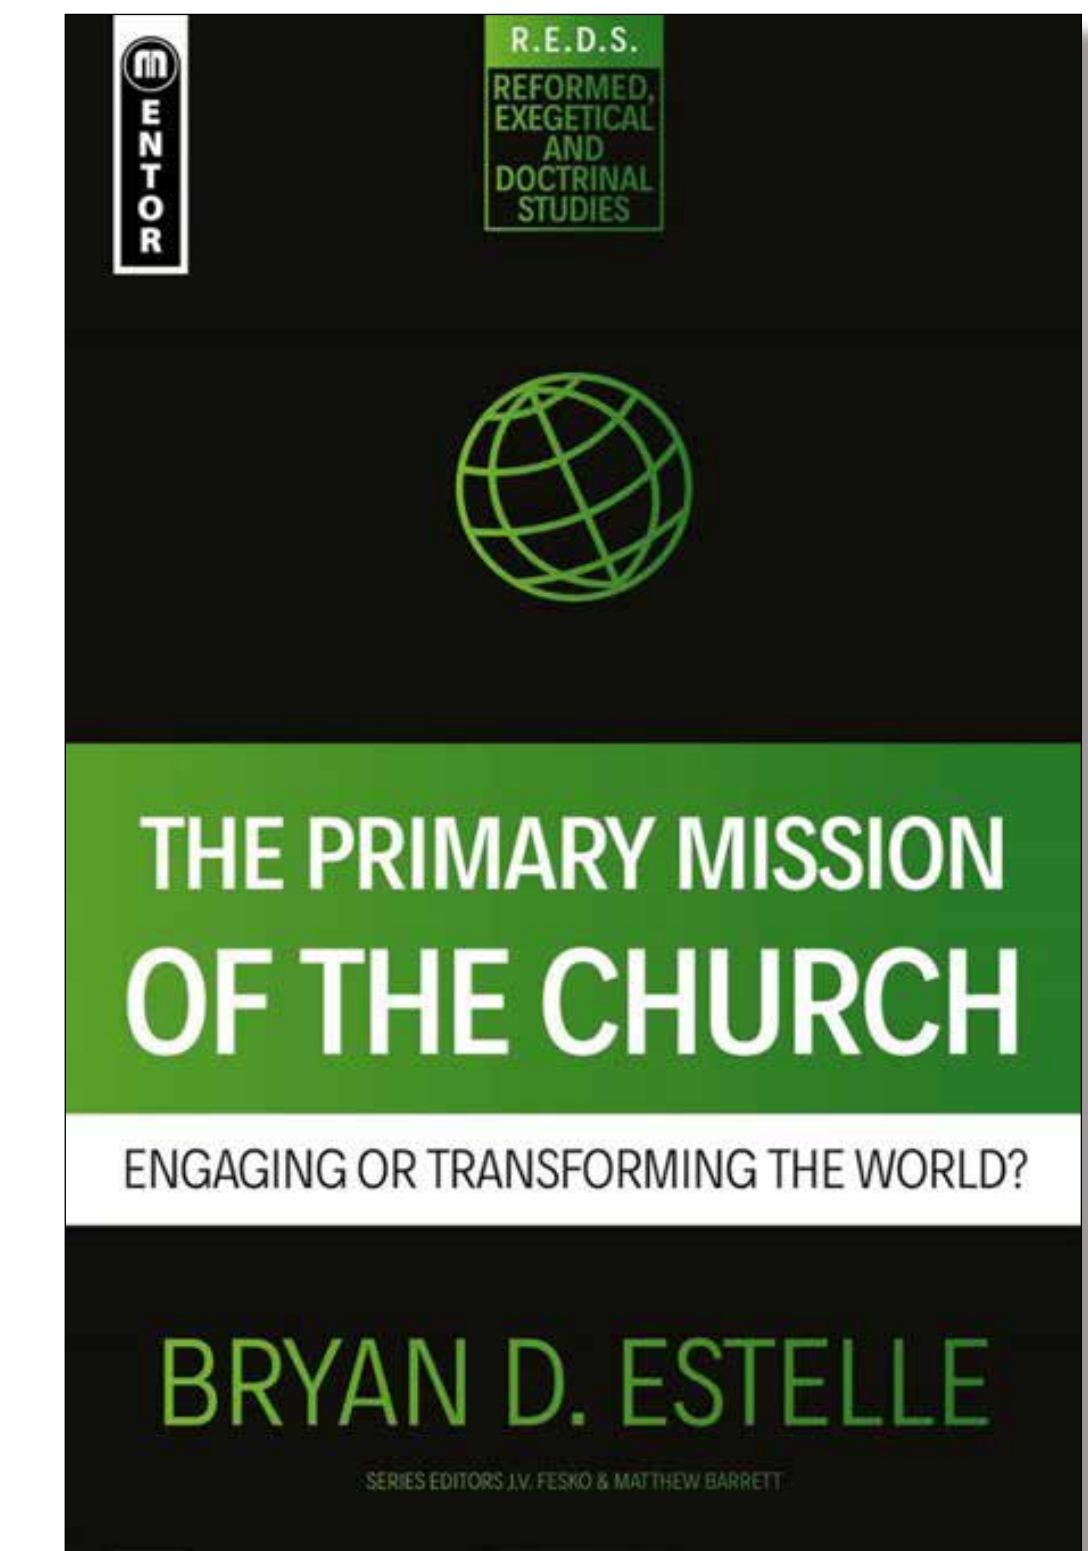

Throughout Scripture God expresses his determination to be known as the God who keeps his words. He has resolved that every person and nation will see and confess that all his words are reliable down to every last syllable, jot, and tittle.

Learning to trust a God who is sovereign and in control, especially in the ache and throb of life, means hanging on to the conviction that everything he says is utterly dependable.

Knowing that God's words are trustworthy and living it out can be two different things though, so as well as laying out the theological foundations, Layton Macdonald Talbert explores the practical applications.

What does trusting God's words look like in real life and how has it played out in the experience of God's people?

Let Talbert show you how in tracing the reliability of God through history we can learn to trust in with the future.

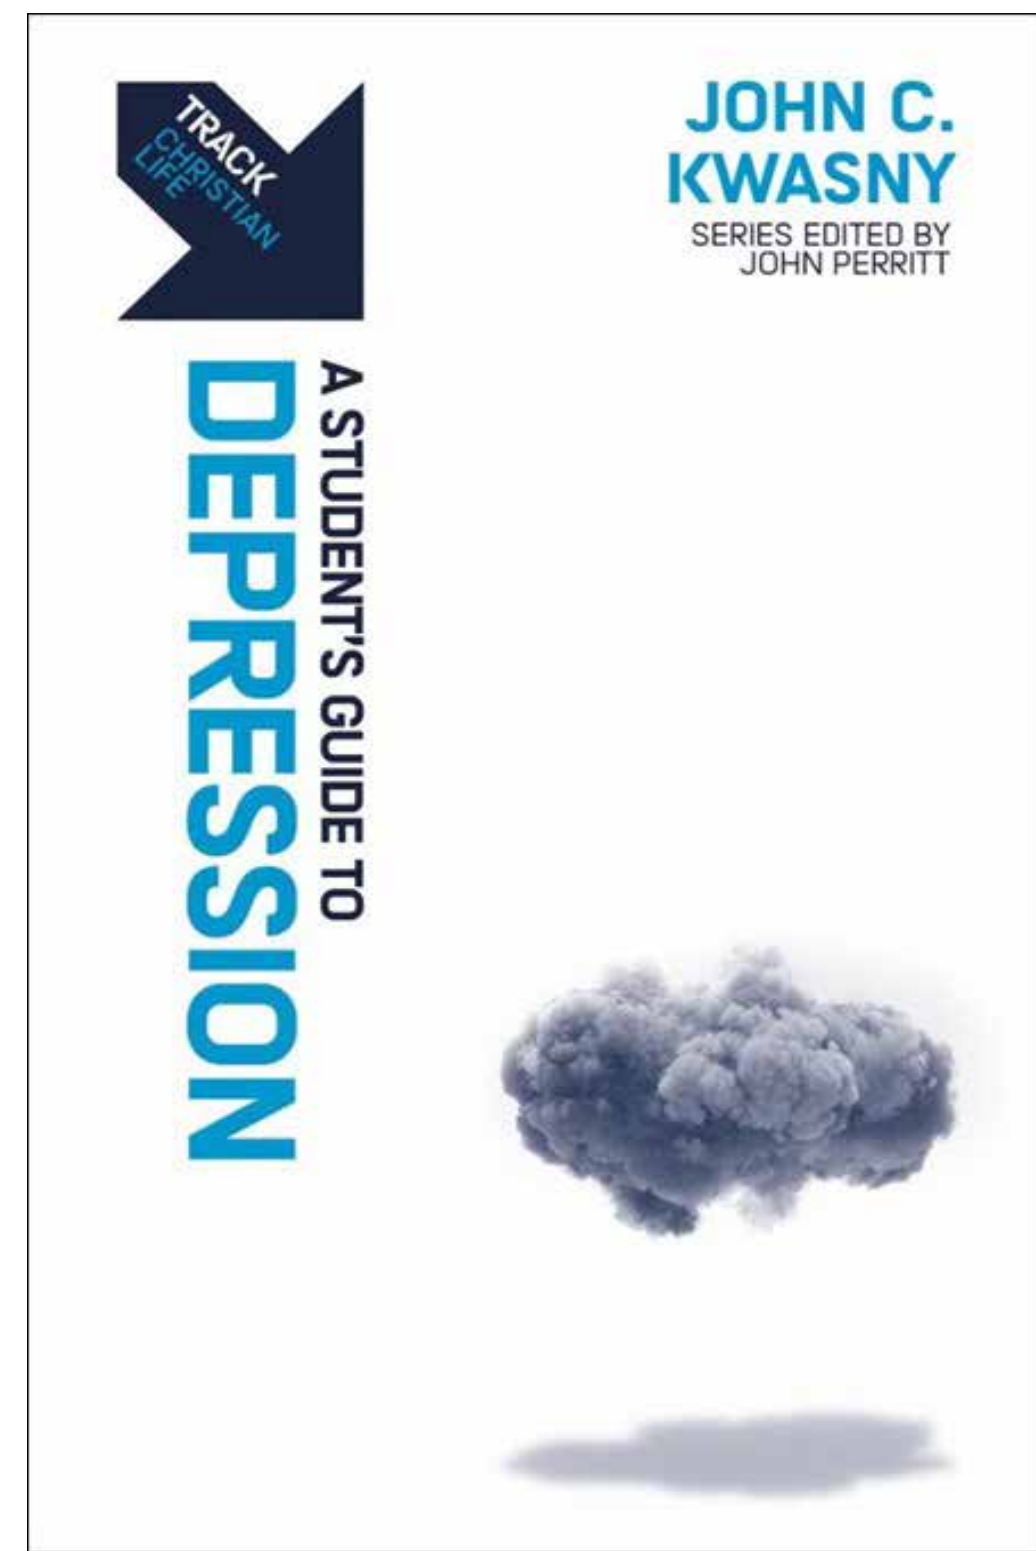

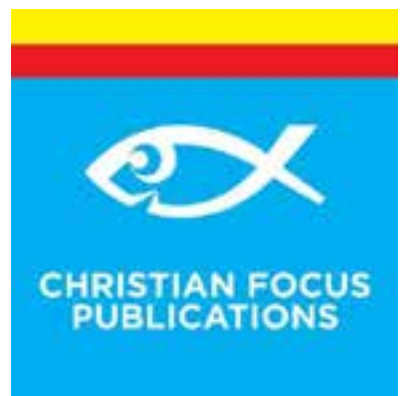

Title: The Primary Mission of the Church  
 Author: Bryan D. Estelle  
 Price: £14.99\*  
 Product Code: 9781527107762  
 Format: Paperback  
 Genre: Devotional Books  
 Distribution: UK & Europe

This book argues for the separation of the church and the state. Additionally, Estelle claims that the historically reformed position is that Christ is ruler of all; however, he manifests his rule in different ways. These basic categories, i.e., that God rules the church as a redeemer (a spiritual kingdom) and rules the state and all other social institutions (the civil kingdom) as creator and sustainer, has been widely held by Reformed thinkers for centuries until the modern period. Estelle claims that without this bedrock truth, any attempt to describe the primary mission of the church will collapse.

This book has four parts.

- Part one gives the biblical basis for the primary mission of the Church.
- Part two of this book explores what the primary mission of the church is not.
- Part three of this book pivots toward a positive definition of what the primary mission of the Church is.
- Part four is more practical. In the final three chapters (part four) of the book, the discussion turns to several areas where the Scripture's teaching about ecclesiology, specifically on the primary mission of the Church.

Format: Paperback  
Genre: Children's Biography

The silence of the arctic night was broken by the strange sound of husky dogs barking. A boat was approaching in the distance. Out of the darkness loomed the shadowy figure of a local Inuit. He had made the dangerous journey along the west coast of Baffin Island to Arctic Bay.

Jack Turner had been shot and was in urgent need of medical attention. Usually it was Jack who was the one who helped others. Being a trained pharmacist and pastor he was the one who would heal people's bodies and tend to their souls with the message of the gospel.

He had come to this inhospitable land to translate God's Word into the native language. It was a world of snow and hunting and anyone who lived there had to become familiar with the ways of living in the arctic.

Ten weeks out of every year the sun never set and for three months the world was in complete darkness. The spiritual darkness of the North was being pushed back by the power of the Gospel and the Lord Jesus Christ that Jack Turner followed. But danger is around every corner in the wild North – and Jack runs into trouble.

Elaine Townsend was a bright young thing in 1930's Chicago. Despite struggles and family heartache Elaine was full of energy and enterprise.

She once won a reward for being 'The Best Protestant' and as a result was given an amazing prize which enabled her to go on a round the world trip.

This was a unique experience but one that she would continue to do in later life after she had come to faith in Christ.

However, it wouldn't be trips and luxury travel – rather the hard work and sacrifice of missionary endeavour.

When she became a Wycliffe missionary and Cameron Townsend's wife Elaine discovered how adventurous life can be when you simply say yes to God. It was as though being God's servant meant that the whole world was her home.

## Description

Haldane proves the Lord's Day is a permanent obligation, afterward embodied in the Ten Commandments and recognized by Jesus and His apostles, and that the change of day does not void the fourth commandment.

He sets forth how beautifully the Sabbath day depicts the patience, goodness, and mercy of Jehovah.

Most divine institutions point out the consequences of sin, but the Sabbath traces its origin to the time when man walked in innocence in the immediate presence of the Lord. We are to remember an institution forgotten in the bondage of Egypt—to keep holy a day God claims as His inalienable property, a claim restated by Jesus Christ for us.

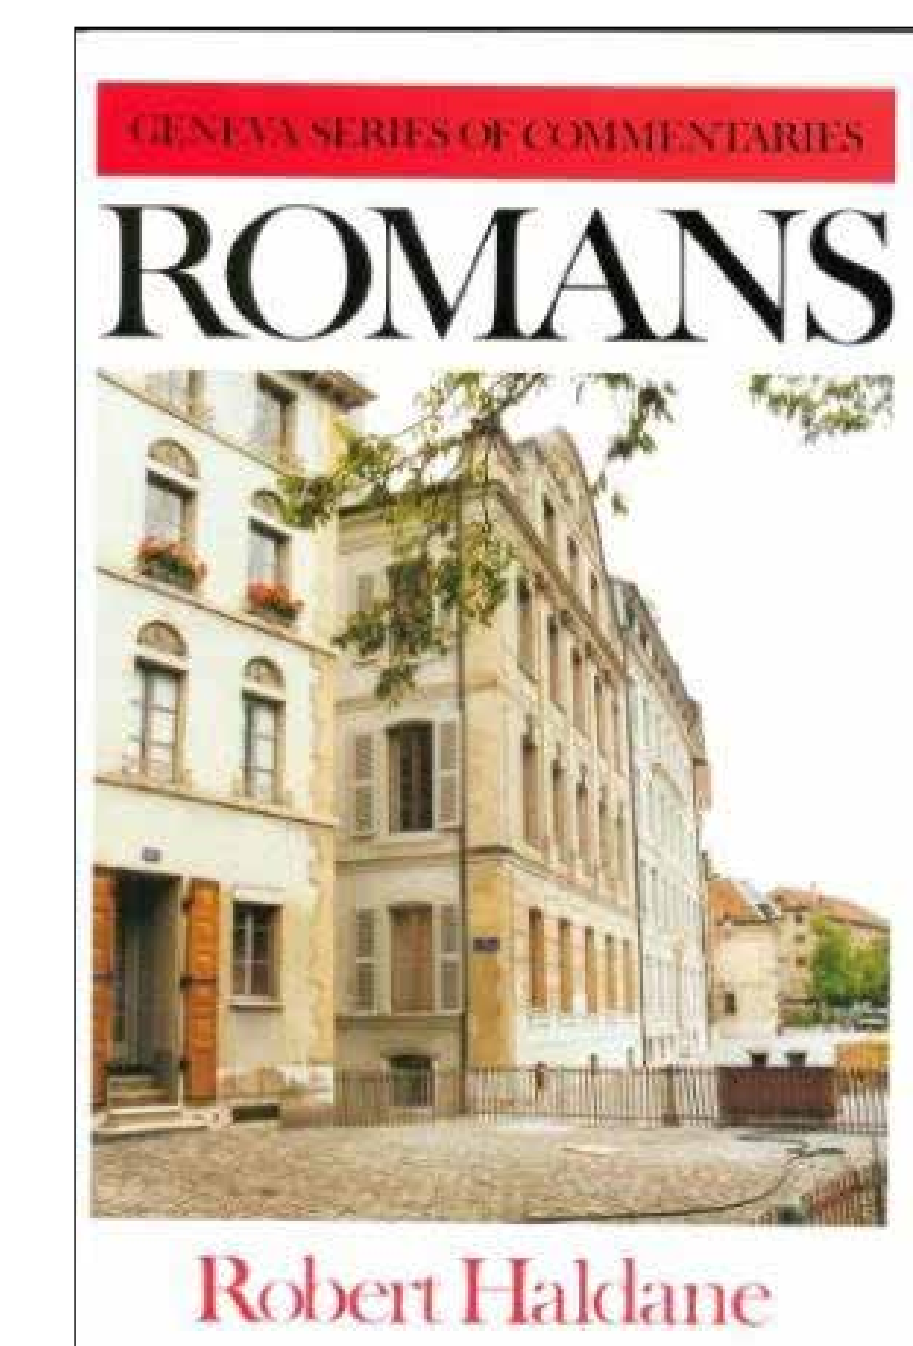

### Table of Contents:

1. The Sabbath Anterior to the Mosaic Dispensation
2. The Sabbath Binding Alike under the Jewish and Christian Dispensations
3. The Manner of the Promulgation of the Decalogue
4. The Manner of the Preservation of the Decalogue and the Lessons Thereby Taught
5. Proof of the Permanence of the Fourth Commandment Derived from the Foregoing Statements
6. Internal Evidence Shows that the Fourth Commandment Is of Universal Obligation
7. Objections to the Permanent Obligation of the Sabbath Considered
8. The Observance of the Sabbath under the Christian Dispensation Is Fully Recognized by the Prophets
9. The Change from the Last to the First Day of the Week Has Not Invalidated the Obligation of the Sabbath

## About the Author

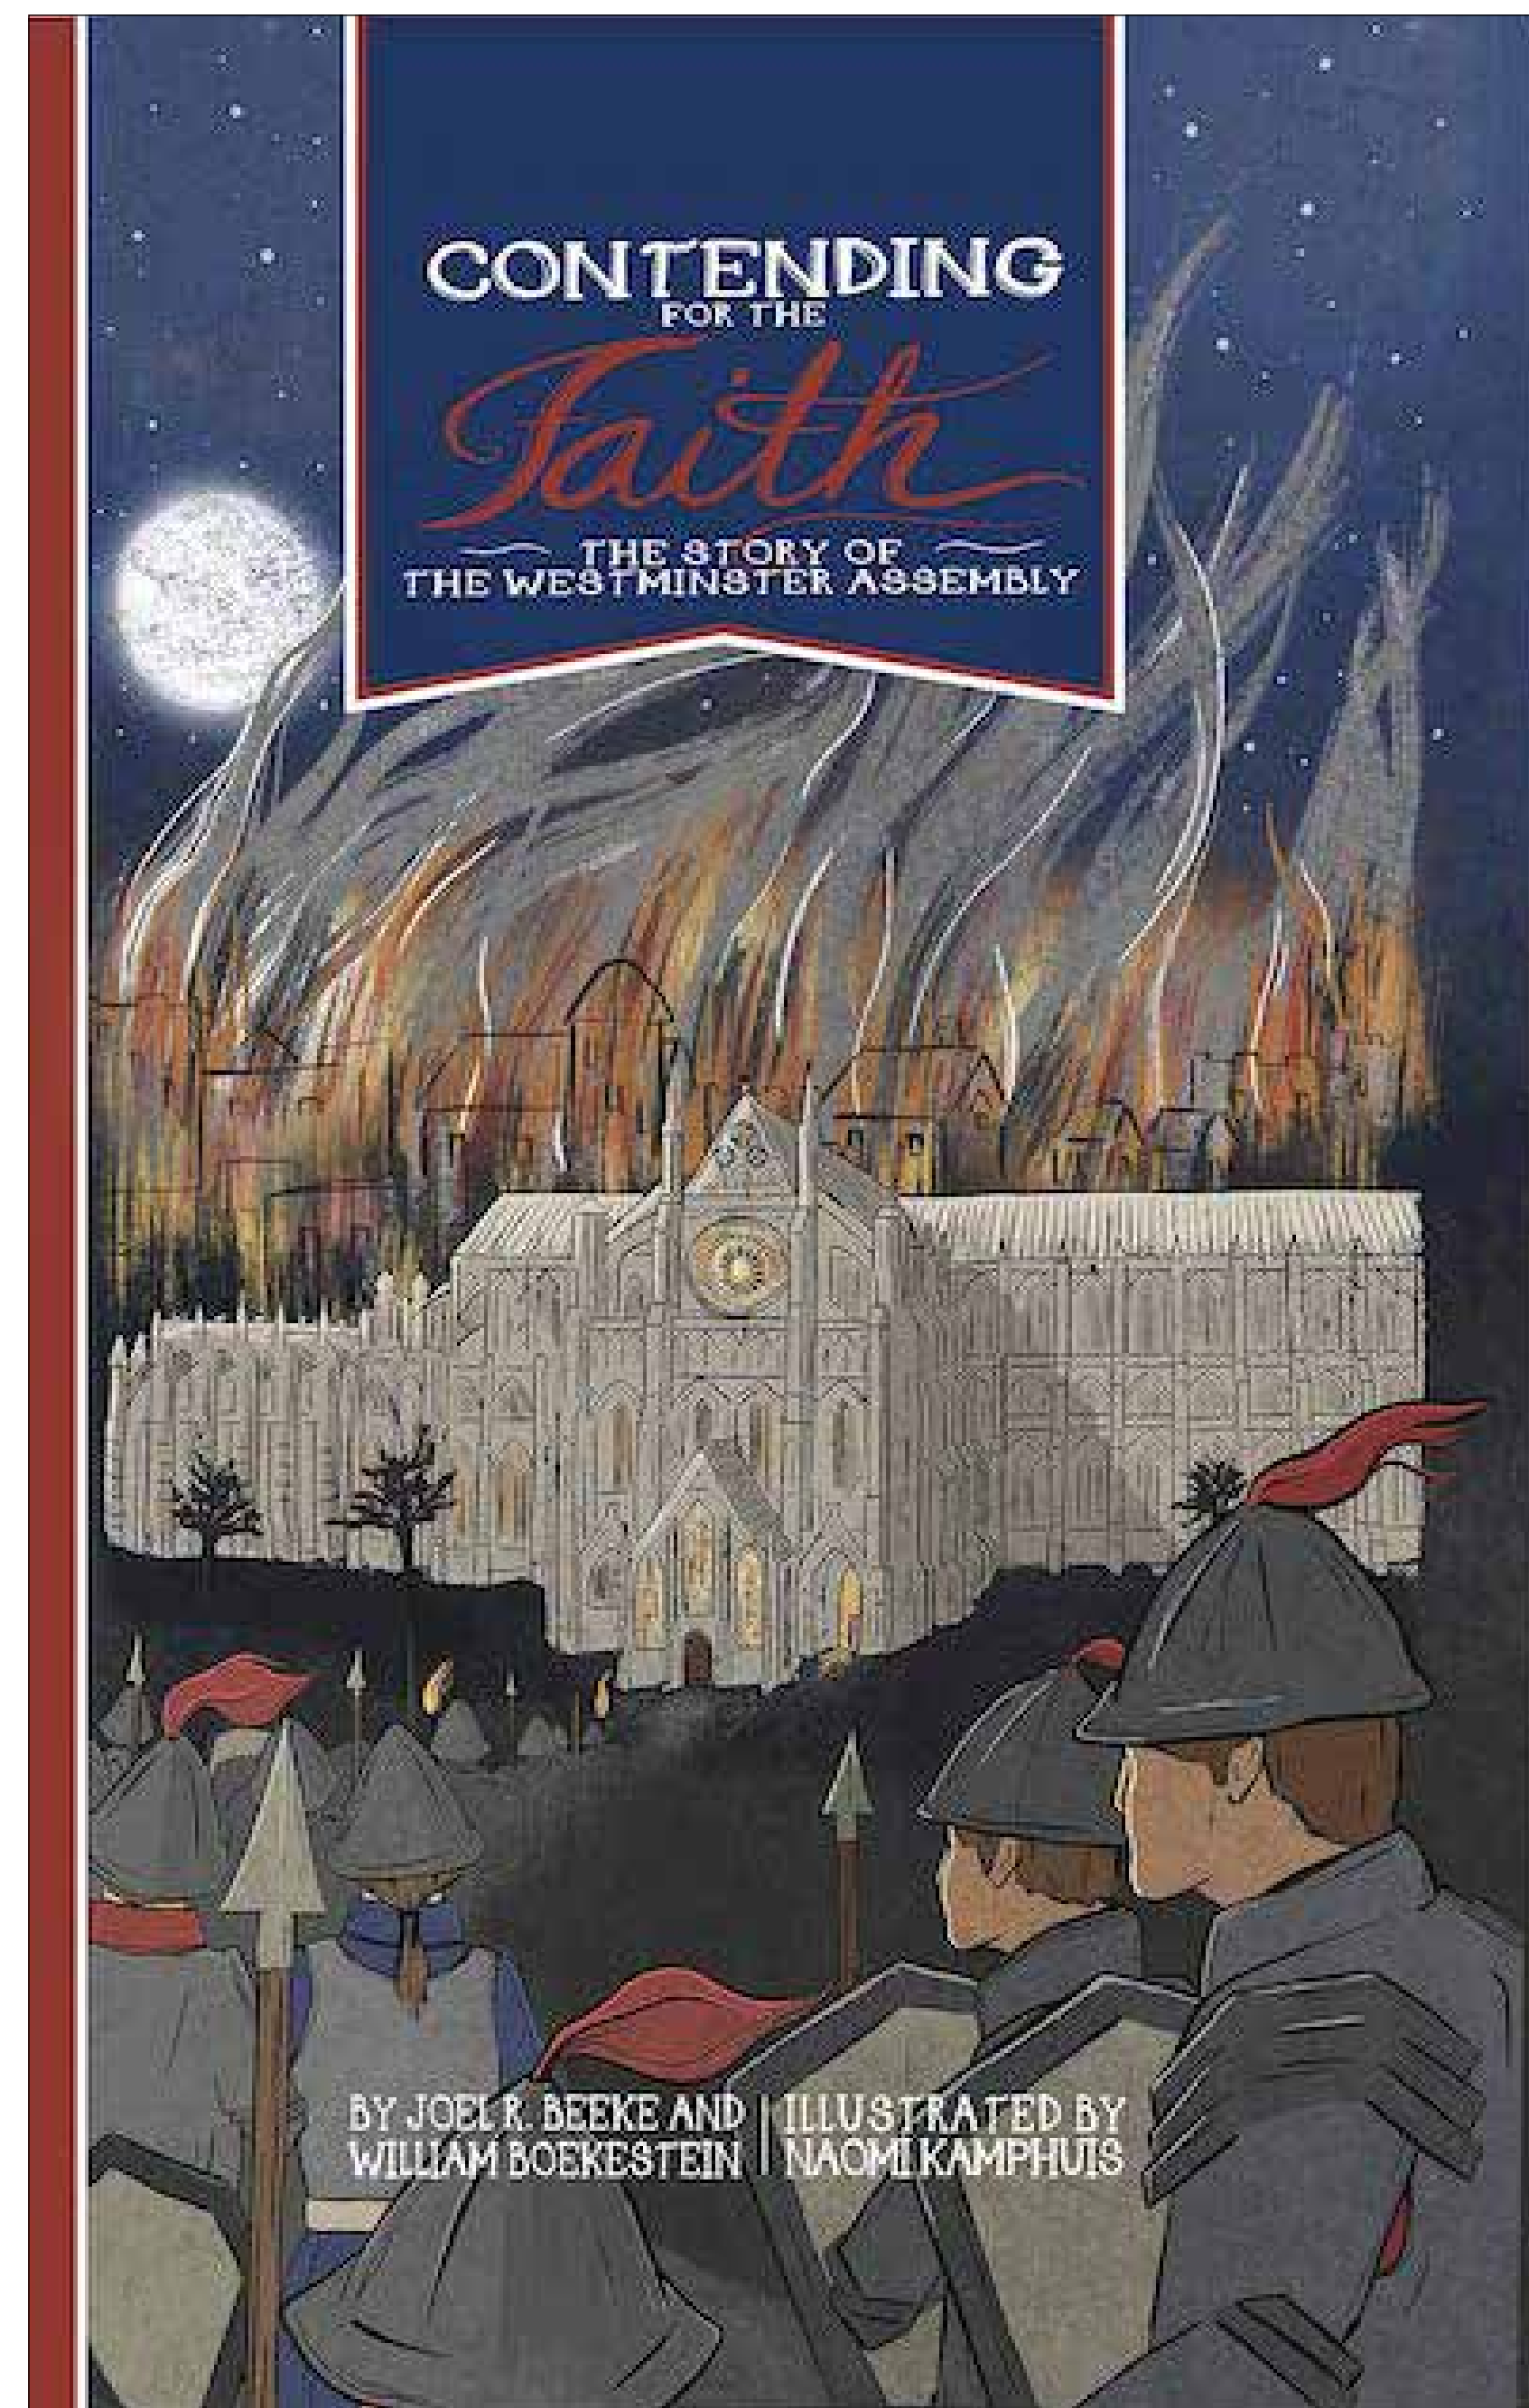

Robert Haldane (1764–1842) was from Scottish aristocracy, owning the famous Gleneagles estate as well as others in Perthshire. After selling a major part of his lands in 1798, Haldane was prevented by the East India Company from proceeding with his hope of a mission in Bengal. Instead, he gave himself to the spread of the gospel in Scotland and in Europe. His remarkable visit to Geneva in 1816 led to a widespread awakening and, ultimately, to the publication of his most famous work, his Exposition of the Epistle to the Romans.

In *Contending for the Faith*, Joel Beeke and William Boekestein help children understand the struggle for reformation in England and how the Westminster Assembly sought to further the Reformation in that land.

In this book, children will learn about the five documents that became key standards of Presbyterianism:

- the Form of Church Government
- the Directory of Public Worship
- the Confession of Faith
- the Larger Catechism
- the Shorter Catechism

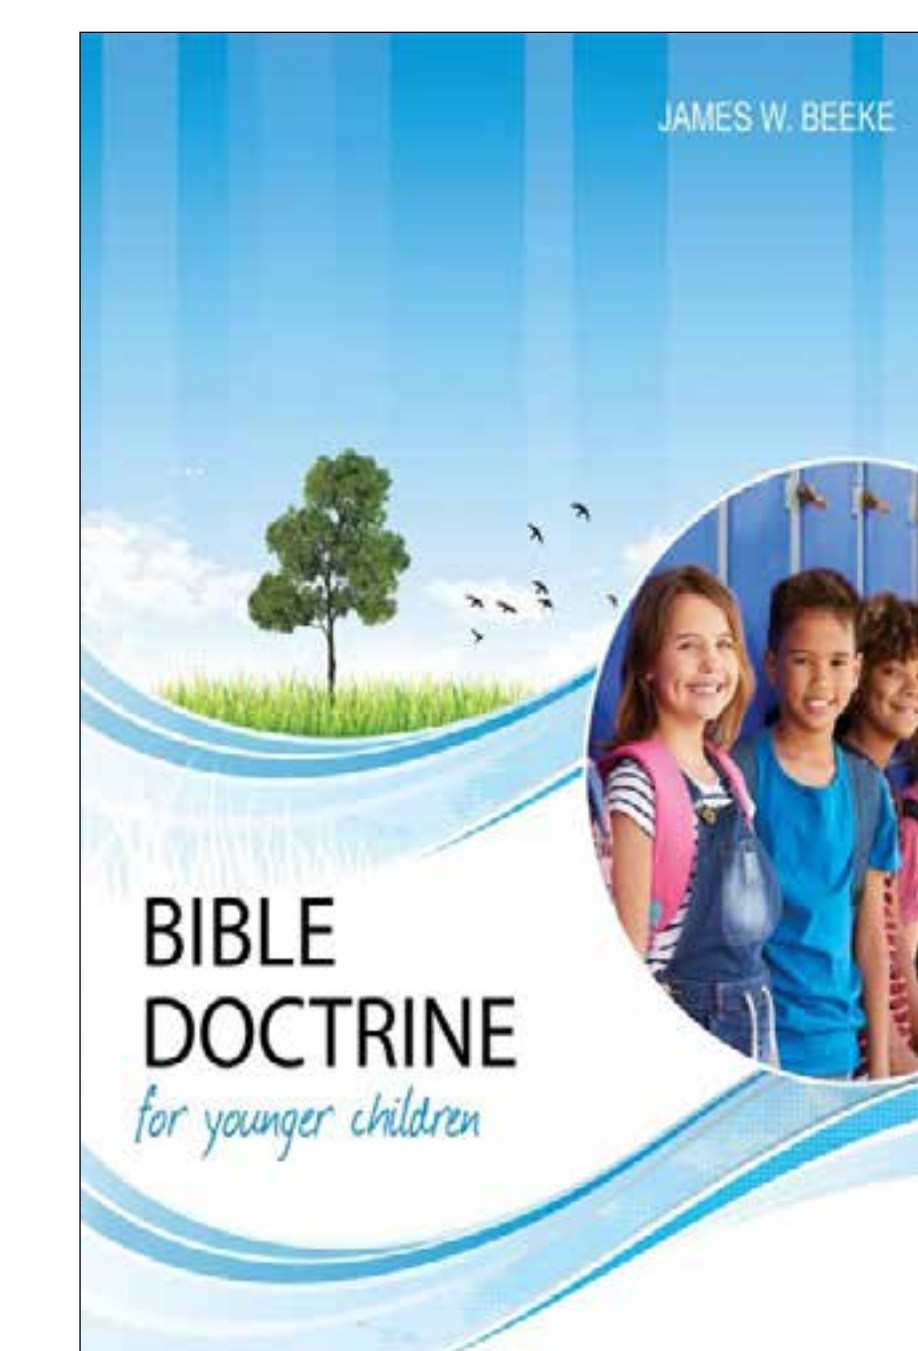

Although these reforms did not find a lasting place within the Church of England, they have remained formative for Presbyterian and Reformed congregations around the world.

“*Contending for the Faith* tells children what the Westminster Assembly was and what it did. Key people are introduced. Colorful pictures illustrate a simplified story. Important quotes teach life lessons about doctrine, the church, and worship. I know one child who will have a copy in her hands as soon as this book is available!” – Chad Van Dixhoorn, professor of church history, Westminster Theological Seminary, and director of the Craig Centre for the study of the Westminster Standards.

## Description

One of the greatest spiritual battles right now is over perspective—the way you see possibilities, limitations, and what God is doing.

This book will help you encounter God in such a way that you are able to walk in His original design for you, which is to not only commune with Him through conversation but to be aligned with His mind. When you share His thoughts and perceptions, you will be able to live the abundant, supernatural, super-empowered life God desires for you.

In this book, Shawn Bolz shares a series of rich, divine encounters that have defined his spiritual perspective so others can be released into new ways of thinking and experience an expansion of their spiritual intelligence. To walk with God, you need to know not only His heart but also His mind.

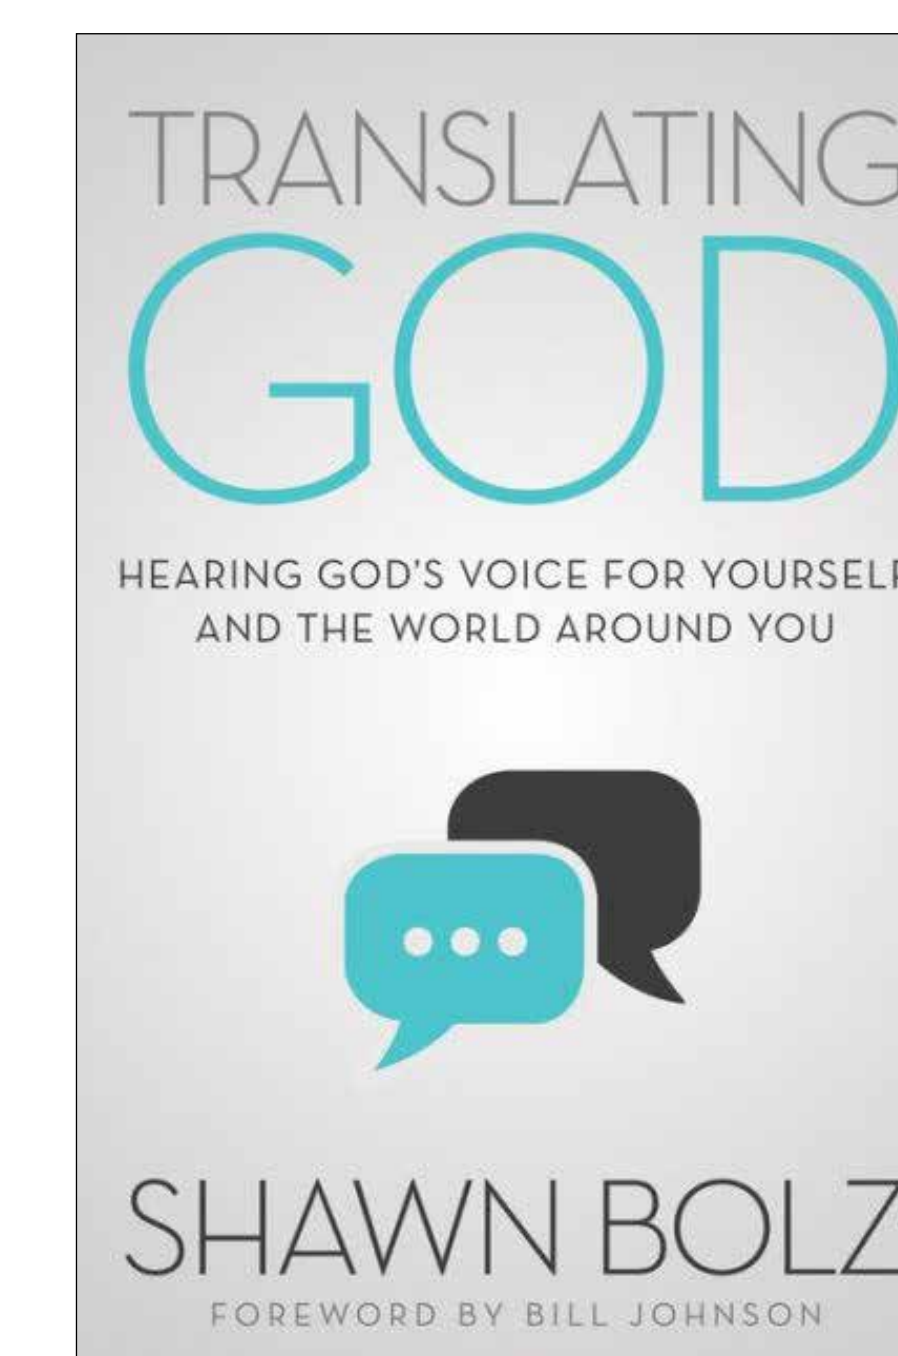

As believers, we were designed to commune with God, sharing not only conversation with Him but also His thoughts and perceptions—to know His mind through His Spirit. When Adam and Eve walked with God in the cool of the day, they didn't always need the verbal communication that so limits humanity today. They had inner communication from their connectedness. This is the kind of connectedness Solomon, Joseph, Daniel, Esther, and the apostle Paul experienced, and this is what God wants to restore to His people today.

This book will help readers gain a fresh vision of their faith so they can walk out their spirituality exactly as God intended and take their place in the coming move of God.

## About the Author

Shawn Bolz has been a pioneer in ministry, including the prophetic movement, since he was in his teens. His focus on having a genuine relationship with God, creativity through entertainment & social justice have brought him around the world to meet with churches, CEO's, entertainers, and world leaders. Shawn is an author of several books including best-selling *Translating God & Keys to Heaven's Economy*. He is also the founding pastor of Expression58 Christian Ministries, a ministry focused on the entertainment industry and the poor in Los Angeles, California where he lives with his wife, Cherie and their two daughters.

## Description

When many Christians think about the second coming of Jesus, they imagine apocalyptic disaster, prophetic fulfillment, and world-collapse. But what if the second coming was more like a wedding than a catastrophe?

If Jesus is returning as the Bridegroom, shouldn't His Bride – the Church – focus more on deepening their commitment to Him than on comparing global events to last-days timelines?

Burning with passion and zeal for Jesus, and driven by a vision to see the church revived, pastor and author, Jeremiah Johnson offers a prophetic plea to the people of God: "Come to the altar! Purify yourselves for the coming Bridegroom!"

In this timely prophetic message, *The Altar* shows you how to:

- Cultivate a Holy Zeal for Jesus, that burns with increasing intensity until you meet Him face to face
- Join the Glory Company that reveals God's light in a dark world
- Live an unshakeable life that cannot be moved by the chaos around you
- Take your place in the coming revival that will sweep through the nations

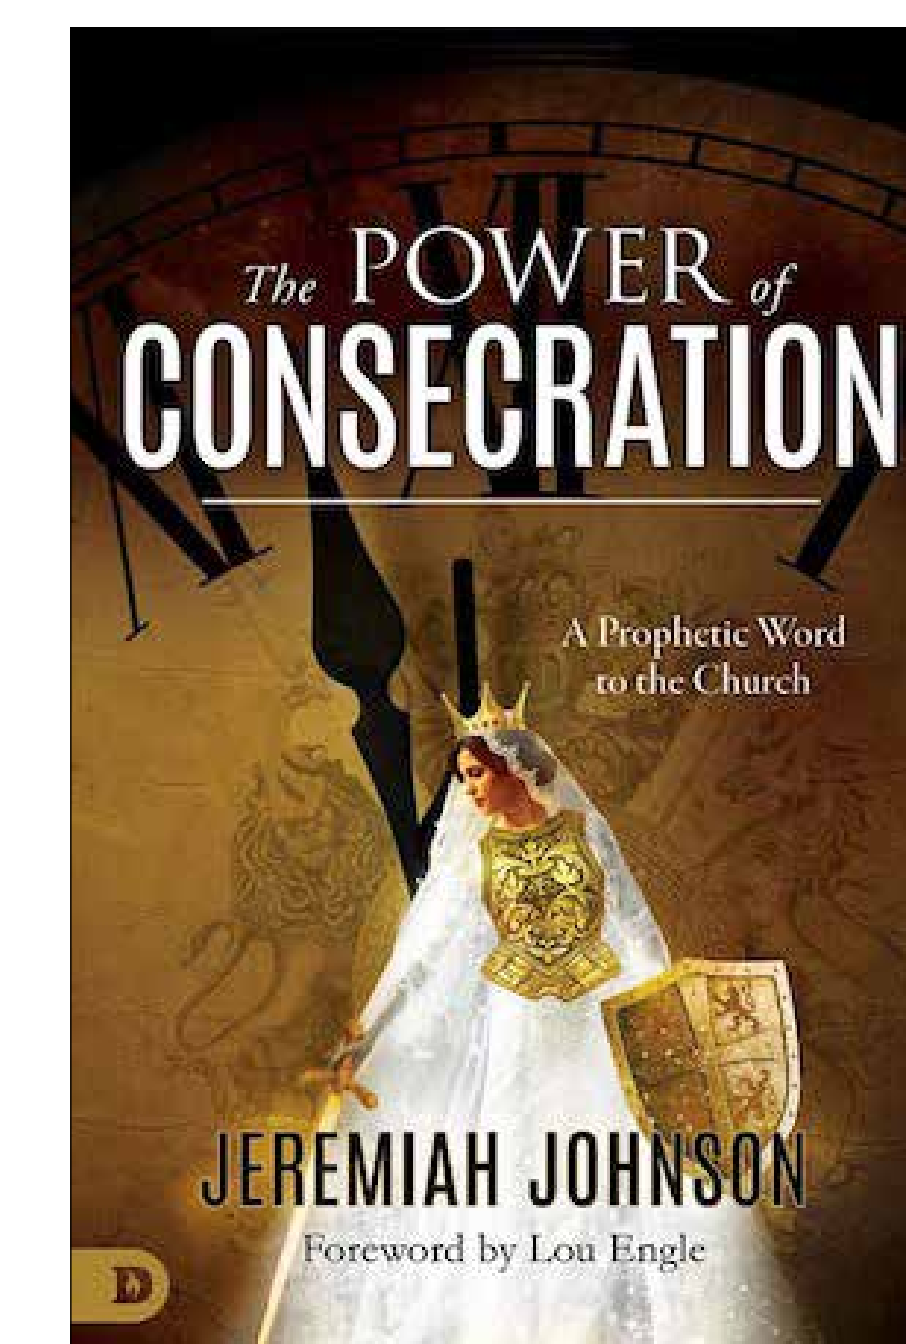

The Bridegroom is coming! Are you ready for the wedding day?

## About the Author

Jeremiah Johnson is the founder of The Altar Global, a movement of Christians who share a common urgency and desire for the return of Jesus Christ and the preparation of the Bride for that glorious day. He is also a best-selling author of multiple books and travels extensively throughout the United States and abroad as a conference and guest speaker. Jeremiah has been a guest on many popular Christian television and radio shows such as Daystar, TBN, GodTV, Sid Roth's *It's Supernatural!*, and *The 700 Club*.

He currently resides in Charlotte, North Carolina.

Every book of the Bible tells us what is true about God. In Genesis we see Him as Creator and Covenant Maker. In Exodus we see Him as our strong Deliverer who sets us free from sin and death.

In this 10-session study of Exodus 19–40, journey through the story of how God shepherds His newly-liberated children into an understanding of what their freedom means: lives consecrated for service to God and to one another.

Revisit familiar scenes of the giving of the Ten Commandments, the idolatrous worship of a golden calf, and of the intricate details of the tabernacle. And with fresh perspective, ask what these stories teach God's children today about how to live as those set free.

In every page of the Bible, learn to see Christ through the stories of His people. And discover how the God who created you and made a covenant with you will deliver you from death to life, for His name and renown.

Additional purchase or renting of the video teaching sessions is recommended for the best experience of this Bible study book.

For many people, the term discipline is not high on their list of favourite words. However, when it comes to our relationship with God, spiritual disciplines are vitally important.

How can we find life-giving joy through spiritual disciplines? Look to the example of Jesus. He practiced and taught how to have a vibrant relationship with God the Father through a life of spiritual disciplines.

Following the Master's example will give us what we need to fuel our relationship with the Father.

LOVE MEANS SACRIFICE.

Throughout Scripture, we see Jesus live this truth over and over. He emptied Himself of His heavenly rights to serve us. He gave of His time to offer us an eternal inheritance. He cried out to God, His sweat becoming like "drops of blood" (Luke 22:44), asking for another way.

But Jesus was always obedient, no matter how inconvenient or painful, and God's plan moved forward.

We are called to this life of obedience Jesus modelled so perfectly for us, and as we answer that call--through spiritual disciplines like prayer, Bible study, and service--we'll cultivate a deeper and abiding faith.
