Description

A new approach to quiet time that will refresh your heart and soul.

So many of us struggle to create space in our daily routines for time with God. We deeply desire to feel close to Him, but we are constantly asking,

- How do I create a quiet space with God in my busy, chaotic schedule?
- Why does having a quiet time require so much effort?
- Am I the only one who feels this way?

We know that setting aside quiet moments with God is important, but for one reason or another, meeting with him on a regular basis just feels hard.

In Quiet, Naomi Vacaro, creator of the online community Wholehearted and the Quiet Time Companion journal, offers hope and a unique solution for creating (and maintaining) a quiet-time habit. Naomi will show readers that having daily time with God is simple, attractive, and achievable no matter what season of life they are in. In Quiet she'll explore • what it means to practice a grace-based approach to quiet time, • quiet-time ruts and how to get out of them, • and how to conquer feelings of guilt and failure—and move into freedom instead. Time with God can happen anytime, anywhere, and Quiet will help you create new habits to keep you uplifted and enjoy the grace God freely offers.

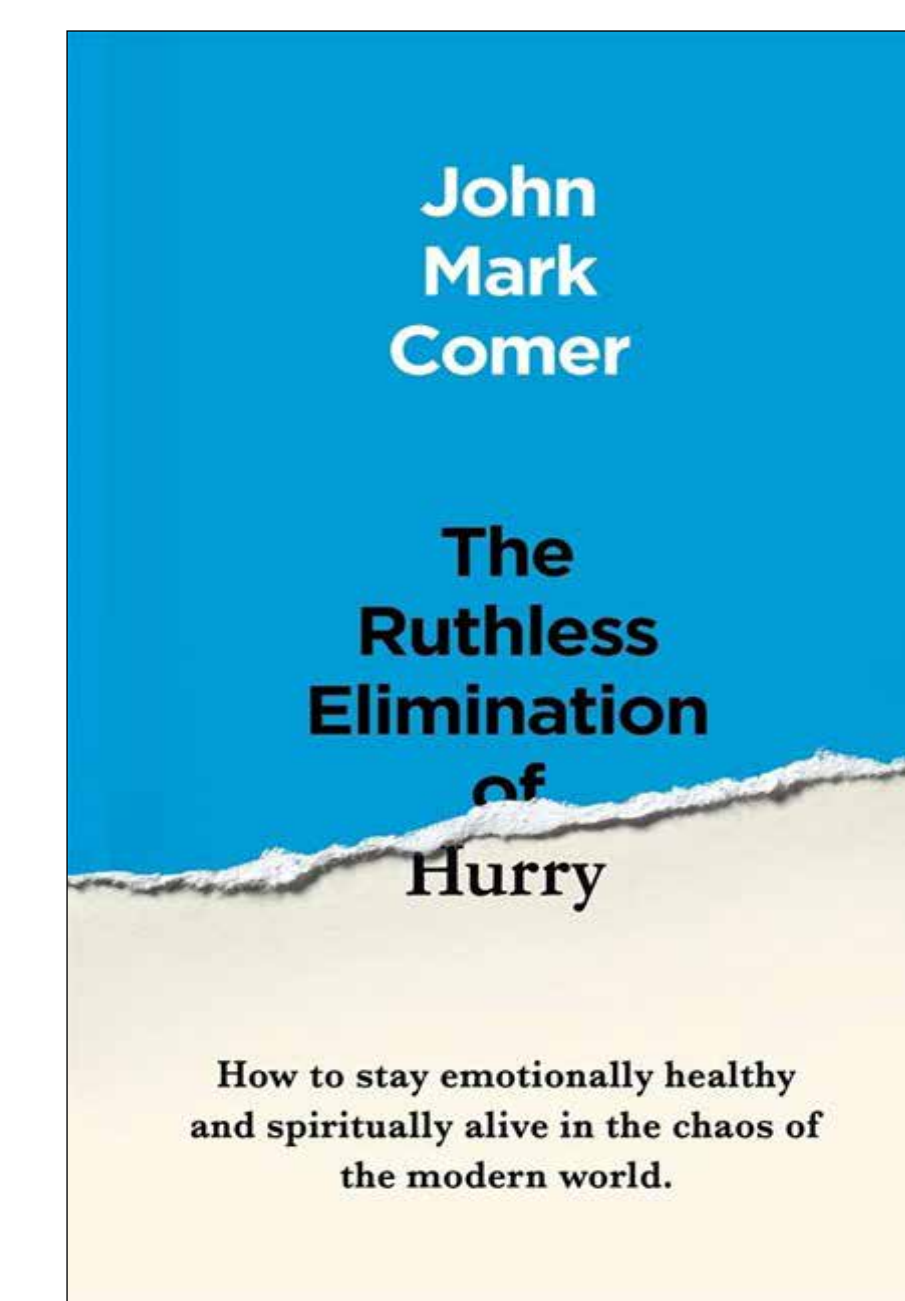

About the Author

NAOMI VACARO grew up in Outer Mongolia as a missionary kid before moving to Central Florida at the age of 18. After getting a degree in graphic design, she started working as a wedding photographer and married Matthew Vacaro shortly after.

In 2018, Naomi designed a journal called the 'Quiet Time Companion' and launched an online ministry to help Christians develop the daily habit of Bible reading and prayer.

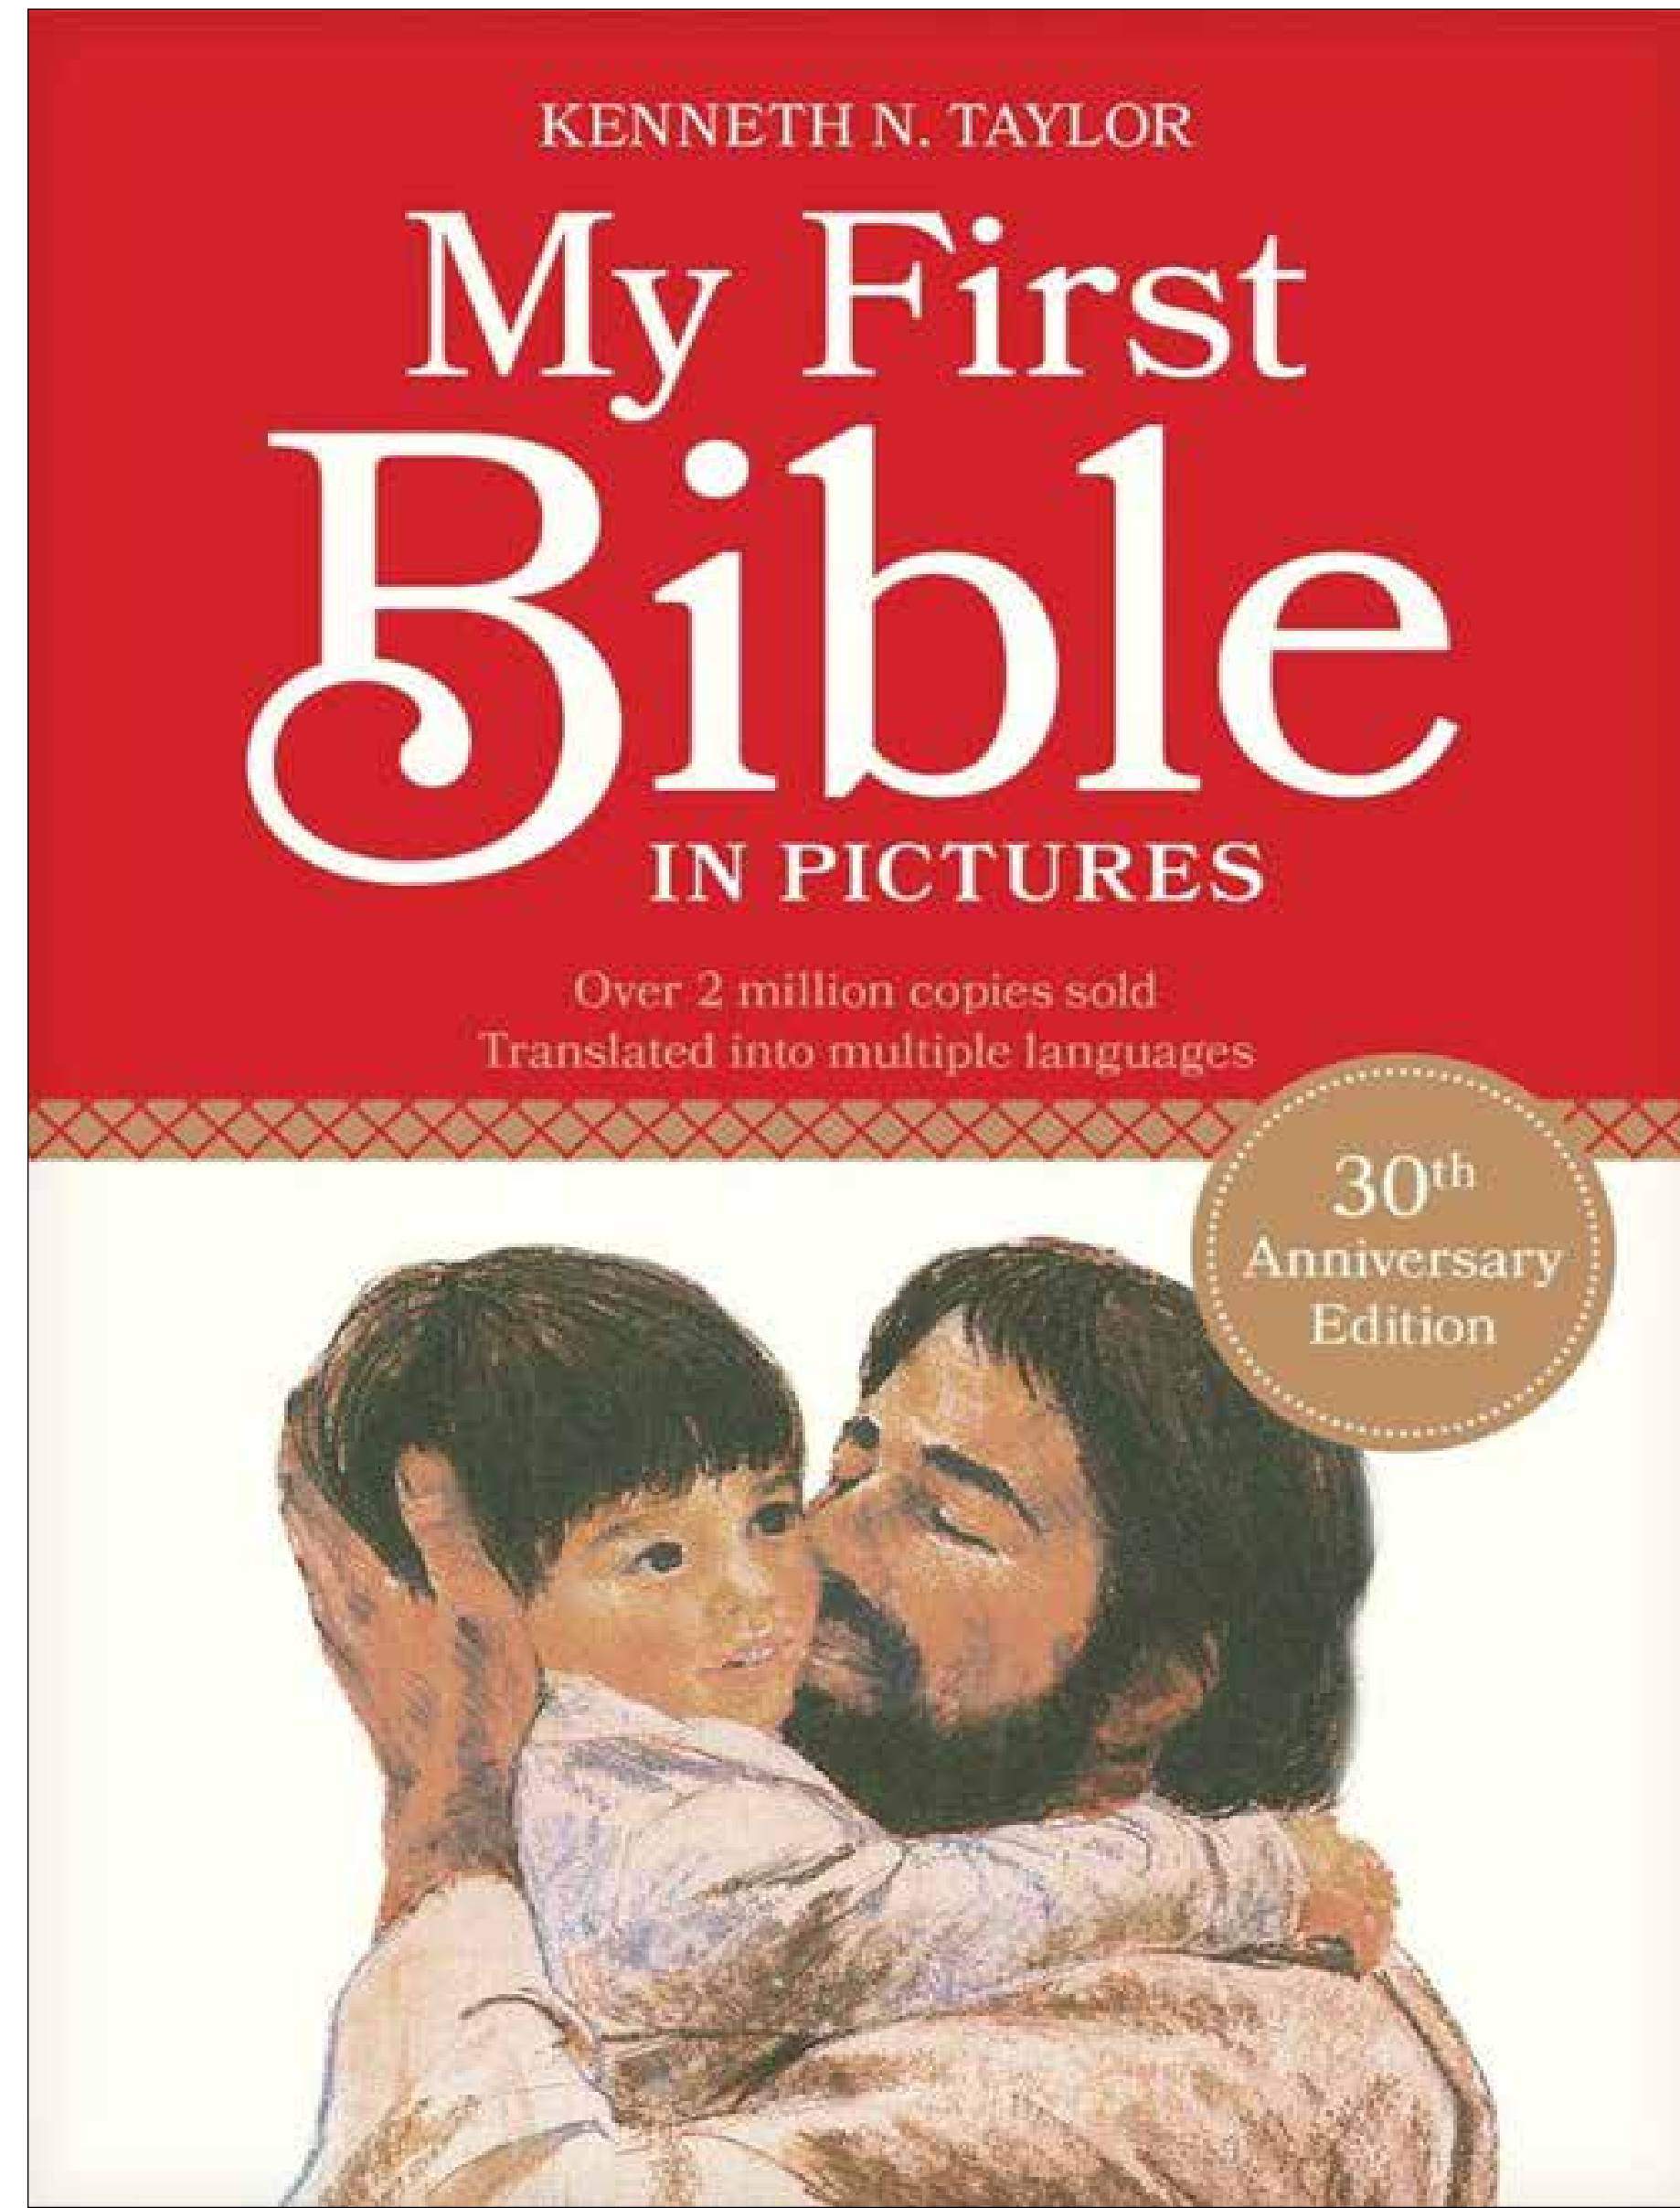

She now spends her time writing, running the Wholehearted ministry, and being a stay-at-home mum.

About the Author

Ken Taylor, founder of Tyndale House Publishers, died in June 2005 at the age of 88. Early in his publishing career in the 1950s as director of Moody Press, Dr. Taylor wrote several children's books. Born out of experience with his own ten children, "Stories for the Children's Hour," "The Bible in Pictures for Little Eyes," and others are now being enjoyed by a third generation of children. "My First Bible in Pictures" was included in "Publishers Weekly"'s list of "All-Time Best-Selling Children's Books" in 2001.

His love for children (including his 28 grandchildren and 35 great-grandchildren) continues to inspire new titles. In fact, it was his children, in their confusion over the meaning of the King James Version, who prompted his mission to make the Bible understandable for everyone. Dr. Taylor's "Living Letters," a thought-for-thought translation of the New Testament Epistles, was published by the newly formed Tyndale House Publishers in 1962. The complete "Living Bible" followed in 1971 and has now sold over 40 million copies in its many editions.

Description

Why must everything be so black and white? Like many of us, Derwin Gray is weary of the racial divide in our society. He longs to see hurts healed, wrongs corrected, and trust replace distrust.

The good news is that the Bible has a lot to say about how to heal our persistent racial divides. In this book, popular Bible teacher Derwin Gray walks us through Scripture, showing us the heart of God—how God from the beginning envisioned a reconciled multiethnic family in loving community, reflecting his beauty and healing presence in the world. This message is central to the gospel itself.

After reading this book, you won't read the Bible the same way again—and you'll want to walk through this eye-opening scriptural journey with your friends or small group.

As founding pastor of Transformation Church, a multiethnic church located in the Charlotte metro area, Derwin knows firsthand the hurdles and challenges to the reconciliation that Scripture commands. That is why he carefully outlines in this book how to establish colour-blessed discipleship in your own church.

Together, we can become the change that God yearns to see in this world.

Description

Are you tired of the unrelenting pressure to be the best at everything? Author and speaker Scarlet Hiltibidal was too. For Scarlet, attempting to be the best at pretty much everything—whether that be the best wife or the best sub-sandwich maker or the best Christian—was her life story.

But in the midst of all her striving and reaching to hit the mark, she somehow still couldn't grab hold of the joy and freedom and life-change that's supposed to come with the gospel's good news. That is, until she realized something revolutionary—instead of the best, she might actually be...the worst. The "chief of sinners." Poor in spirit and gone astray.

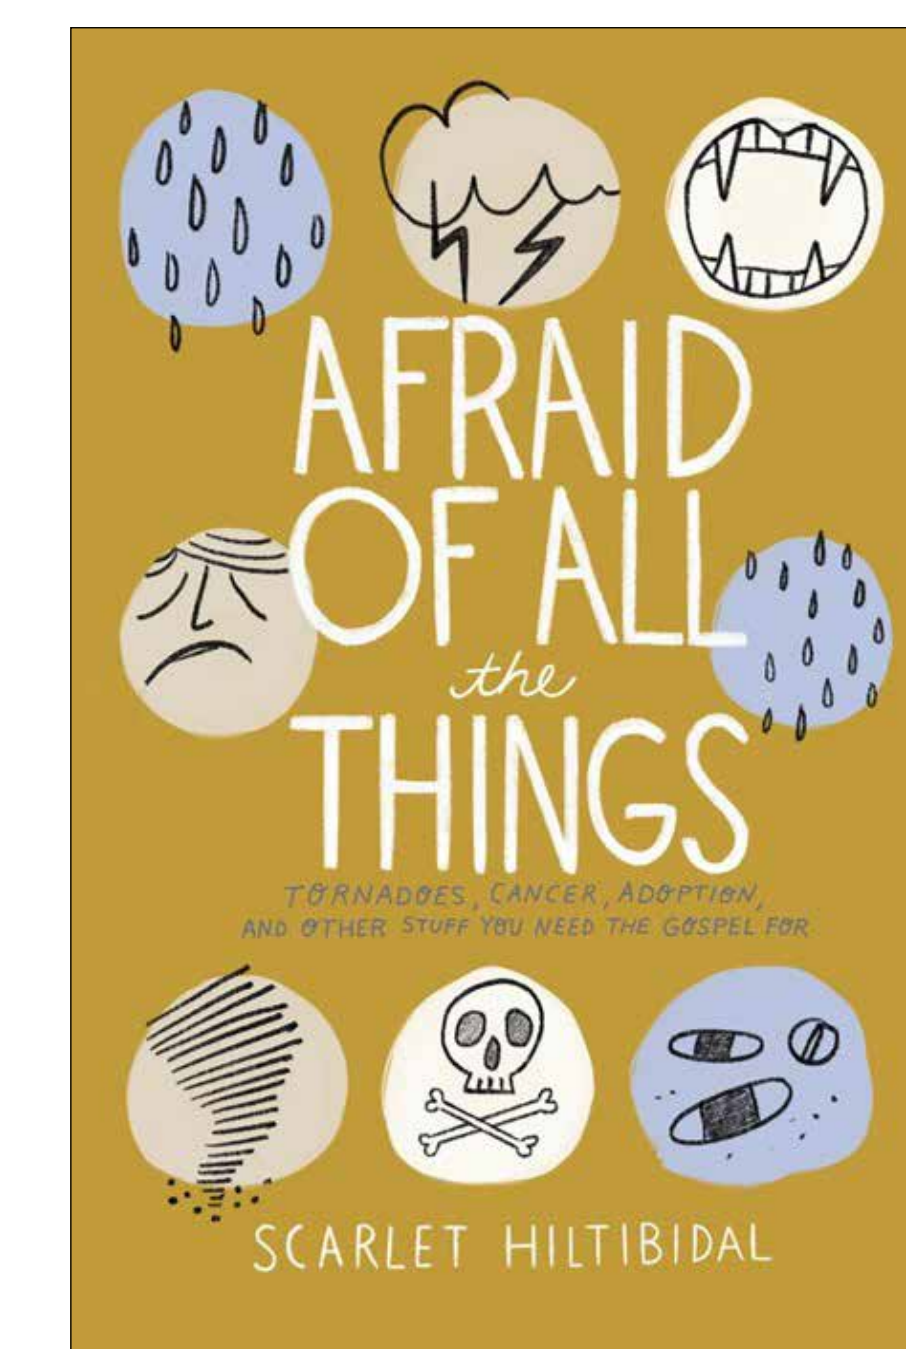

In her much-anticipated follow-up to 'Afraid of All the Things' (and in her humorous and relatable style), Scarlet tells plenty of stories of her own "worstness" to help you see your own and rejoice in the reality that our goodness and badness aren't what make God smile at us. Instead of hiding from our brokenness, this book will help us stare that broken reality straight in the face, along with a laugh or two, as we feel the weight of just how absurdly and glaringly off the mark we all are!

What's more—this book will also help us embrace our status as "sinners" and "sheep" and "worst people on earth" who have been mercifully rescued and impossibly loved by the best person who has ever lived: Jesus. And the unbelievable part? As we admit our worstness, stop trying to be perfect on our own, and simply walk with the One who really is perfect, we'll find along the way that we are actually changing for the better! If you're tired of hustling to be the best, take a load off with Scarlet and say the honest and laughable truth along with her: we're the worst people in the world!

About the Author

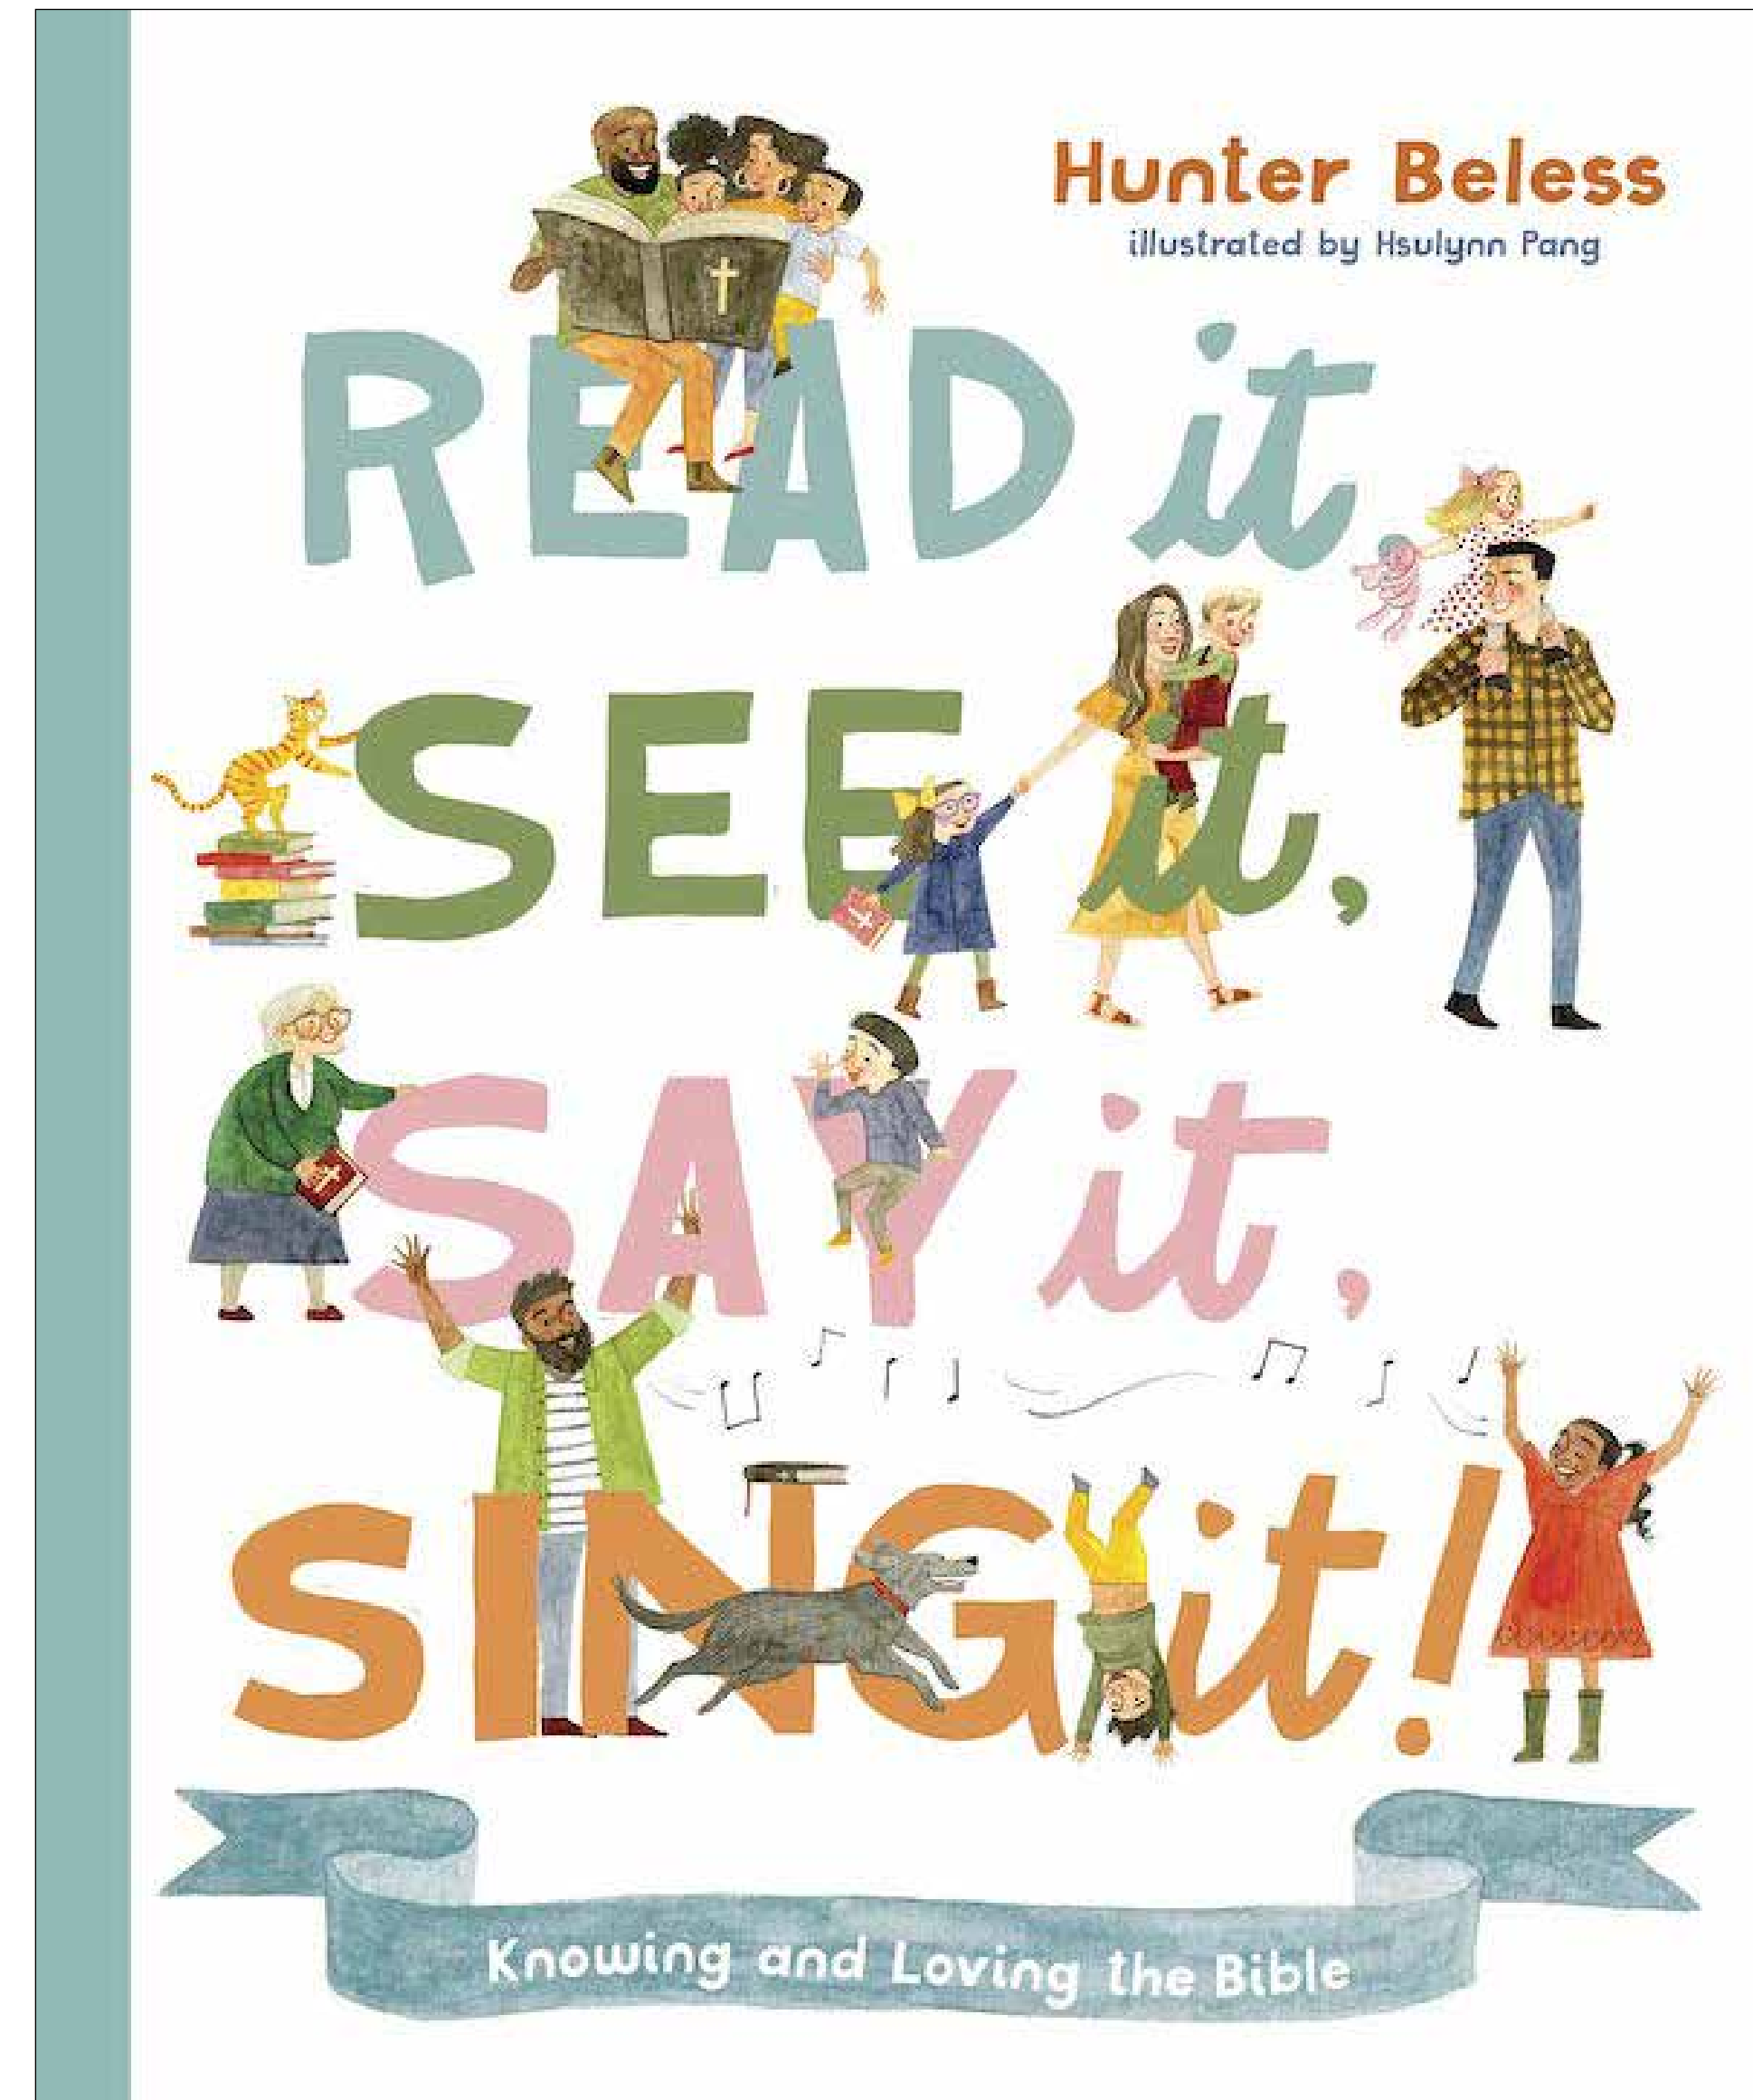

Scarlet Hiltibidal is the author of a number of books and Bible studies. She writes regularly for ParentLife Magazine and She Reads Truth, and enjoys speaking to women around the country about the freedom and rest available in Jesus. Scarlet has a degree in biblical counselling and taught elementary school before she started writing. She and her husband live in Southern California, where she loves signing with her three daughters, eating nachos by herself, writing for her friends, and studying stand-up comedy with a passion that should be reserved for more important pursuits.

Description

Have you heard of the special Book God gave to us? If not, this is something that we should discuss! This Book is the Bible. It's timeless and true. It's God's written Word—both for me and for you.

In Hunter Beless's delightfully whimsical picture book, 'Read It, See It, Say It, Sing it', multiple diverse families grow in their knowledge of and love for the Bible in four simple ways:

- Reading, or hearing God's Word read aloud
- Seeing, or memorizing Scripture
- Saying, or talking about the Bible together
- Singing, or worshiping God and proclaiming the gospel.

As the characters read, see, say, and sing the Bible, they learn that God uses His Word to speak to us, mature us, help us fight sin, and expand His kingdom. Young readers will understand that as we study, memorize, repeat, and declare Scripture, Jesus is glorified, and our lives are changed forever! A celebration of the living and active Word of God, 'Read It, See It, Say It, Sing It' elevates Scripture to the place it belongs in our lives—as the highest and most trustworthy authority.

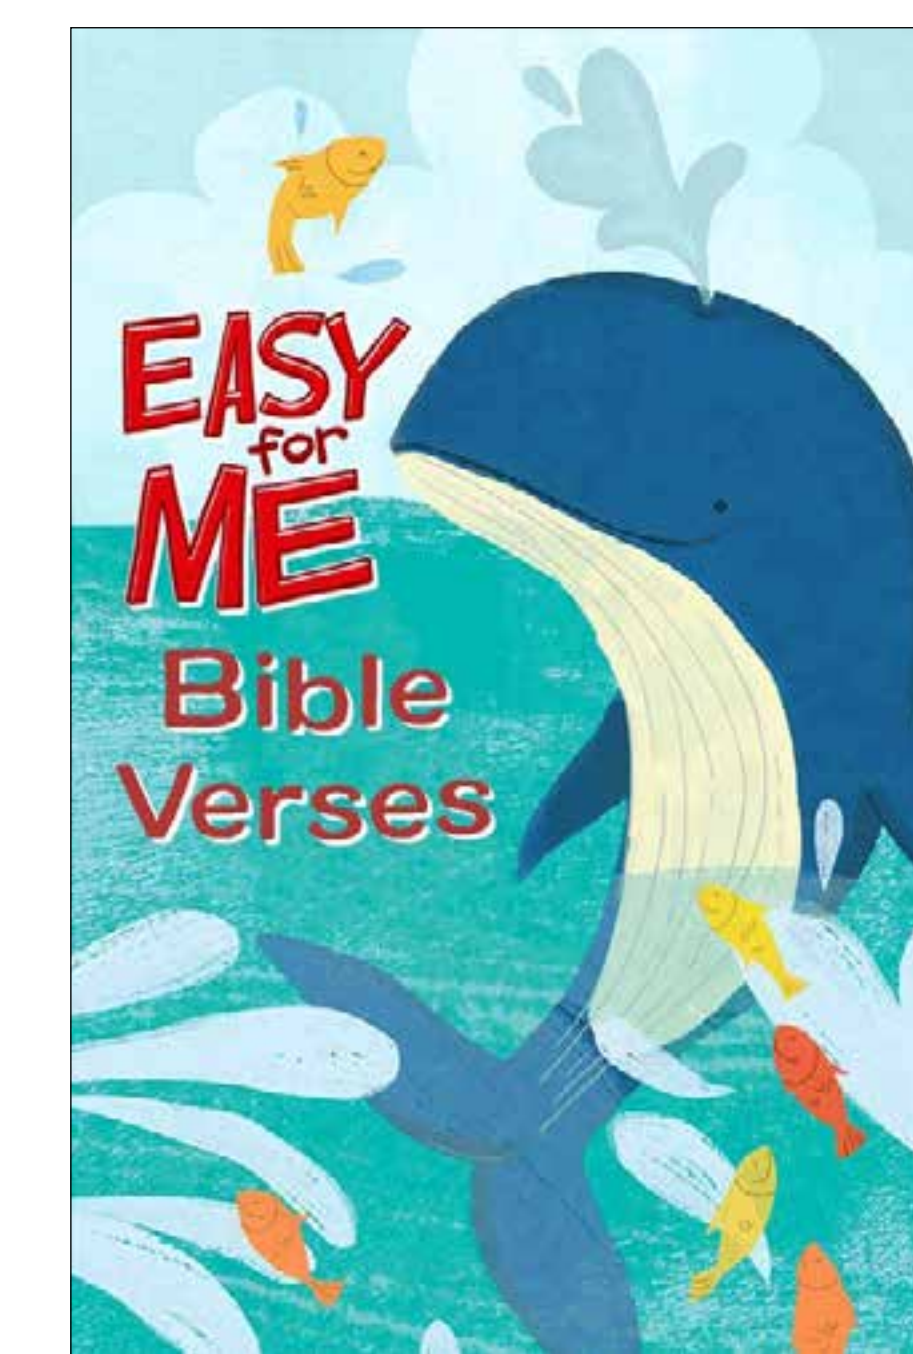

Children will see that by knowing and loving God's Word, we can draw closer to Jesus, the hero of the Bible! along with her: we're the worst people in the world!

About the Author

Hunter Beless is passionate about helping women know and love God more, especially through His Word. She is the founder of Journeywomen, hosts the Journeywomen podcast, and loves doing ministry in her local church context.

Hunter and her husband, Brooks, have three amazing kiddos who memorize Scripture way faster than their mama! When they're not reading, seeing, saying, or singing the Bible, you can find the Beless family camping, riding bikes, or snuggling up with a good book. Description

Isn't it time you said yes to God?

What's holding you back? The risk? The unknown? The unwillingness to shake up the comfortable status quo? Whatever it is, if you're not in God's best place, you're missing out on something great. The Lord is calling you into a Promised Land. But it's going to take some faith steps to get there.

Jenn Hand wants you to be able to say to God, "My yes is on the table." Not halfheartedly. Not half the time. Not halfway there. Jenn wants you to go all in with God--because God is all in for you.

'My Yes Is on the Table' takes you into the story of the Israelites as they journeyed out of the wilderness and into the Holy Land that God had granted them. Each chapter will challenge you to move from a fear stop to a faith step. And once you've started taking those steps with God, there's no telling where you'll end up.

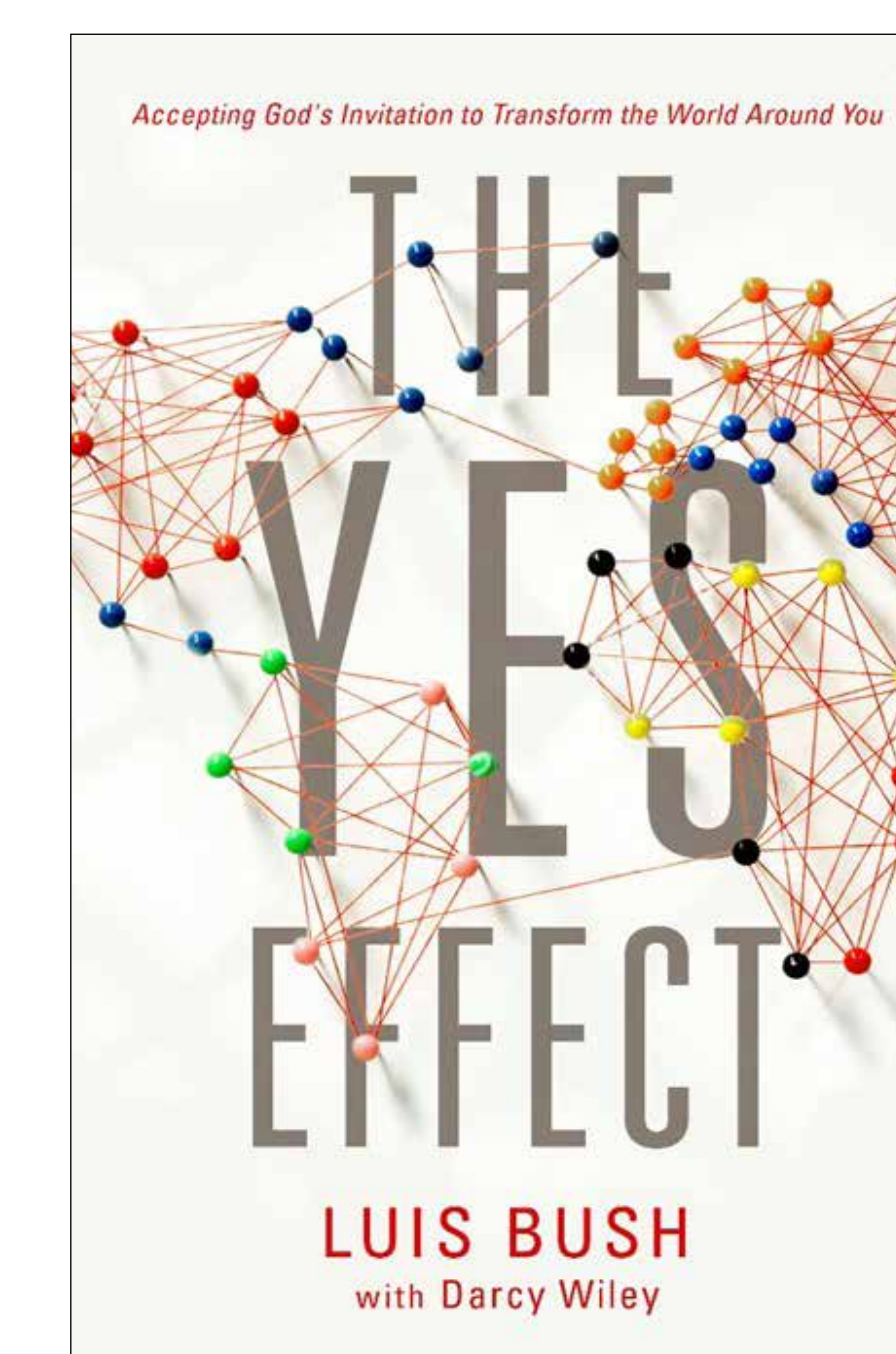

For too long, you've been paralyzed by fear of the future. You feel God calling. You want to go forward with His plans. Yet fear has stopped you from taking the leap. No more! Instead of letting fear stop you short, let faith call you forward with newfound confidence and holy boldness. Put your "yes" on the table, and watch God do more in your life than you could have ever imagined.

Description

Being an adoptive parent is hard enough. But when your family is multiracial, things get even trickier. Parenting transracially doesn't come naturally, nor does it just happen with time. Love is essential--yet by itself, love isn't enough. Cross-cultural parenting also takes intentionality, listening, learning, growing, repenting, changing . . . then starting all over and doing it again. It's hard work! And yet, when an adoptive family honors the ethnic heritages of their children, the whole family--as well as the watching world--gets to see the beauty of a gloriously creative God.

In 'It Takes More Than Love', Brittany Salmon shares her own family's story of transracial adoption and offers a biblically-based guide for others following the same path. Brittany recognizes that we live in divided times and there are extra challenges whenever race is part of the conversation. But with wise insight and hard-won experience, she provides guidance about topics such as:

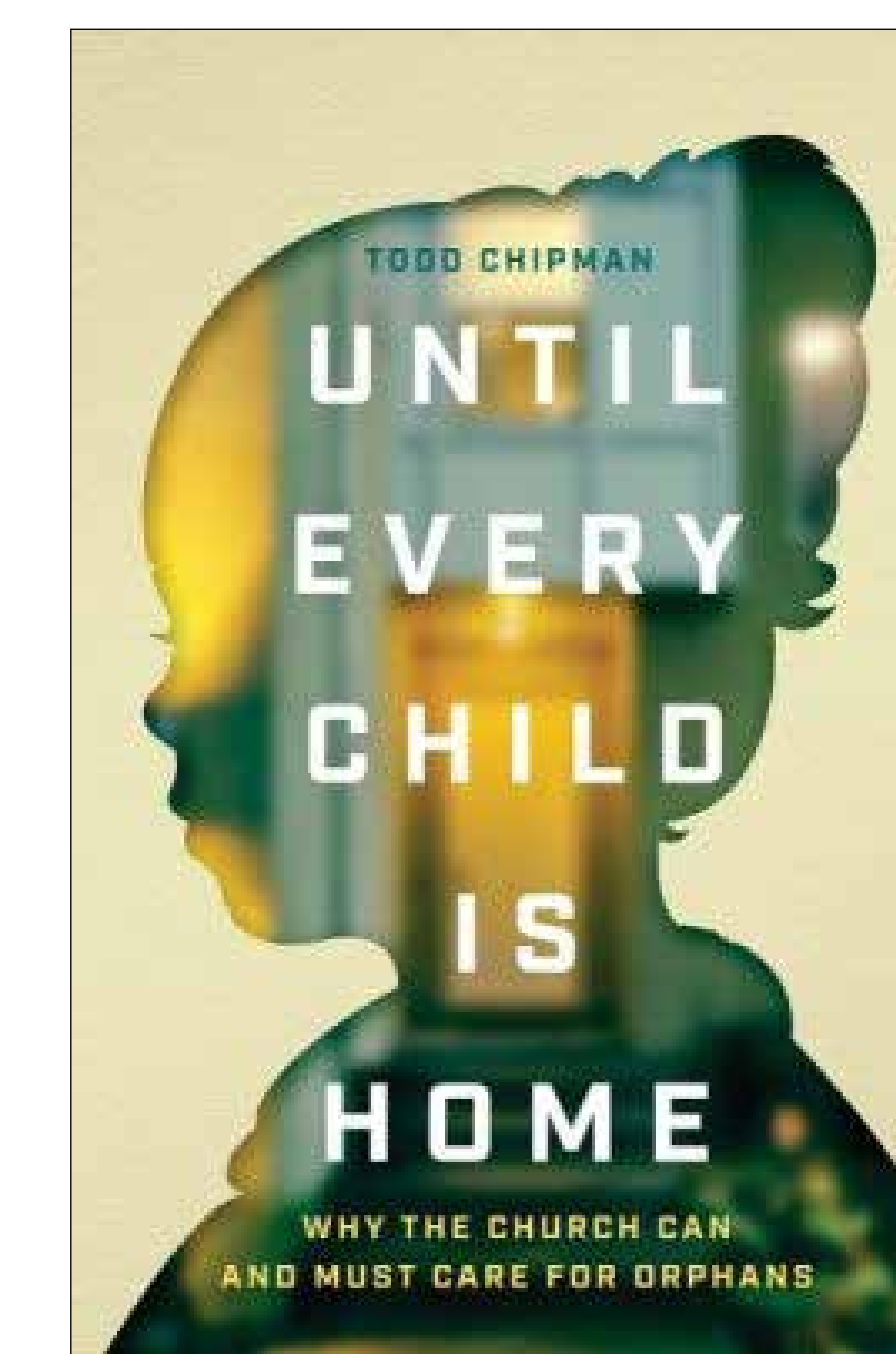

- Maintaining a Gospel perspective throughout the journey
- Celebrating your child's history and heritage
- Confronting racism
- Responding to comments about your family
- Avoiding pitfalls in adoption
- Helping your kids feel represented in your home and community

Satan is the master deceiver; his lies are endless. And the lies Christian women believe are at the root of most of their struggles. "Many women live under a cloud of personal guilt and condemnation," says Nancy DeMoss Wolgemuth. "Many are in bondage to their past. Others are gripped by fear of rejection and a longing for approval. Still others are emotional prisoners."

In this bestseller, 'Lies Women Believe', Nancy exposes those areas of deception most commonly believed by Christian women--lies about God, sin, priorities, marriage and family, emotions, and more.

She then sheds light on how we can be delivered from bondage and set free to walk in God's grace, forgiveness, and abundant life. Nancy offers the most effective weapon to counter and overcome Satan's deceptions: God's truth!

'Lies Men Believe' exposes the lies that men most commonly believe, and shows you how to combat those lies with the truth.

What will your legacy be? Long ago, God's people were divided into two kingdoms. The land of Judah—with Jerusalem as its capital—was led by twenty kings, only eight of whom were good. Not even half!

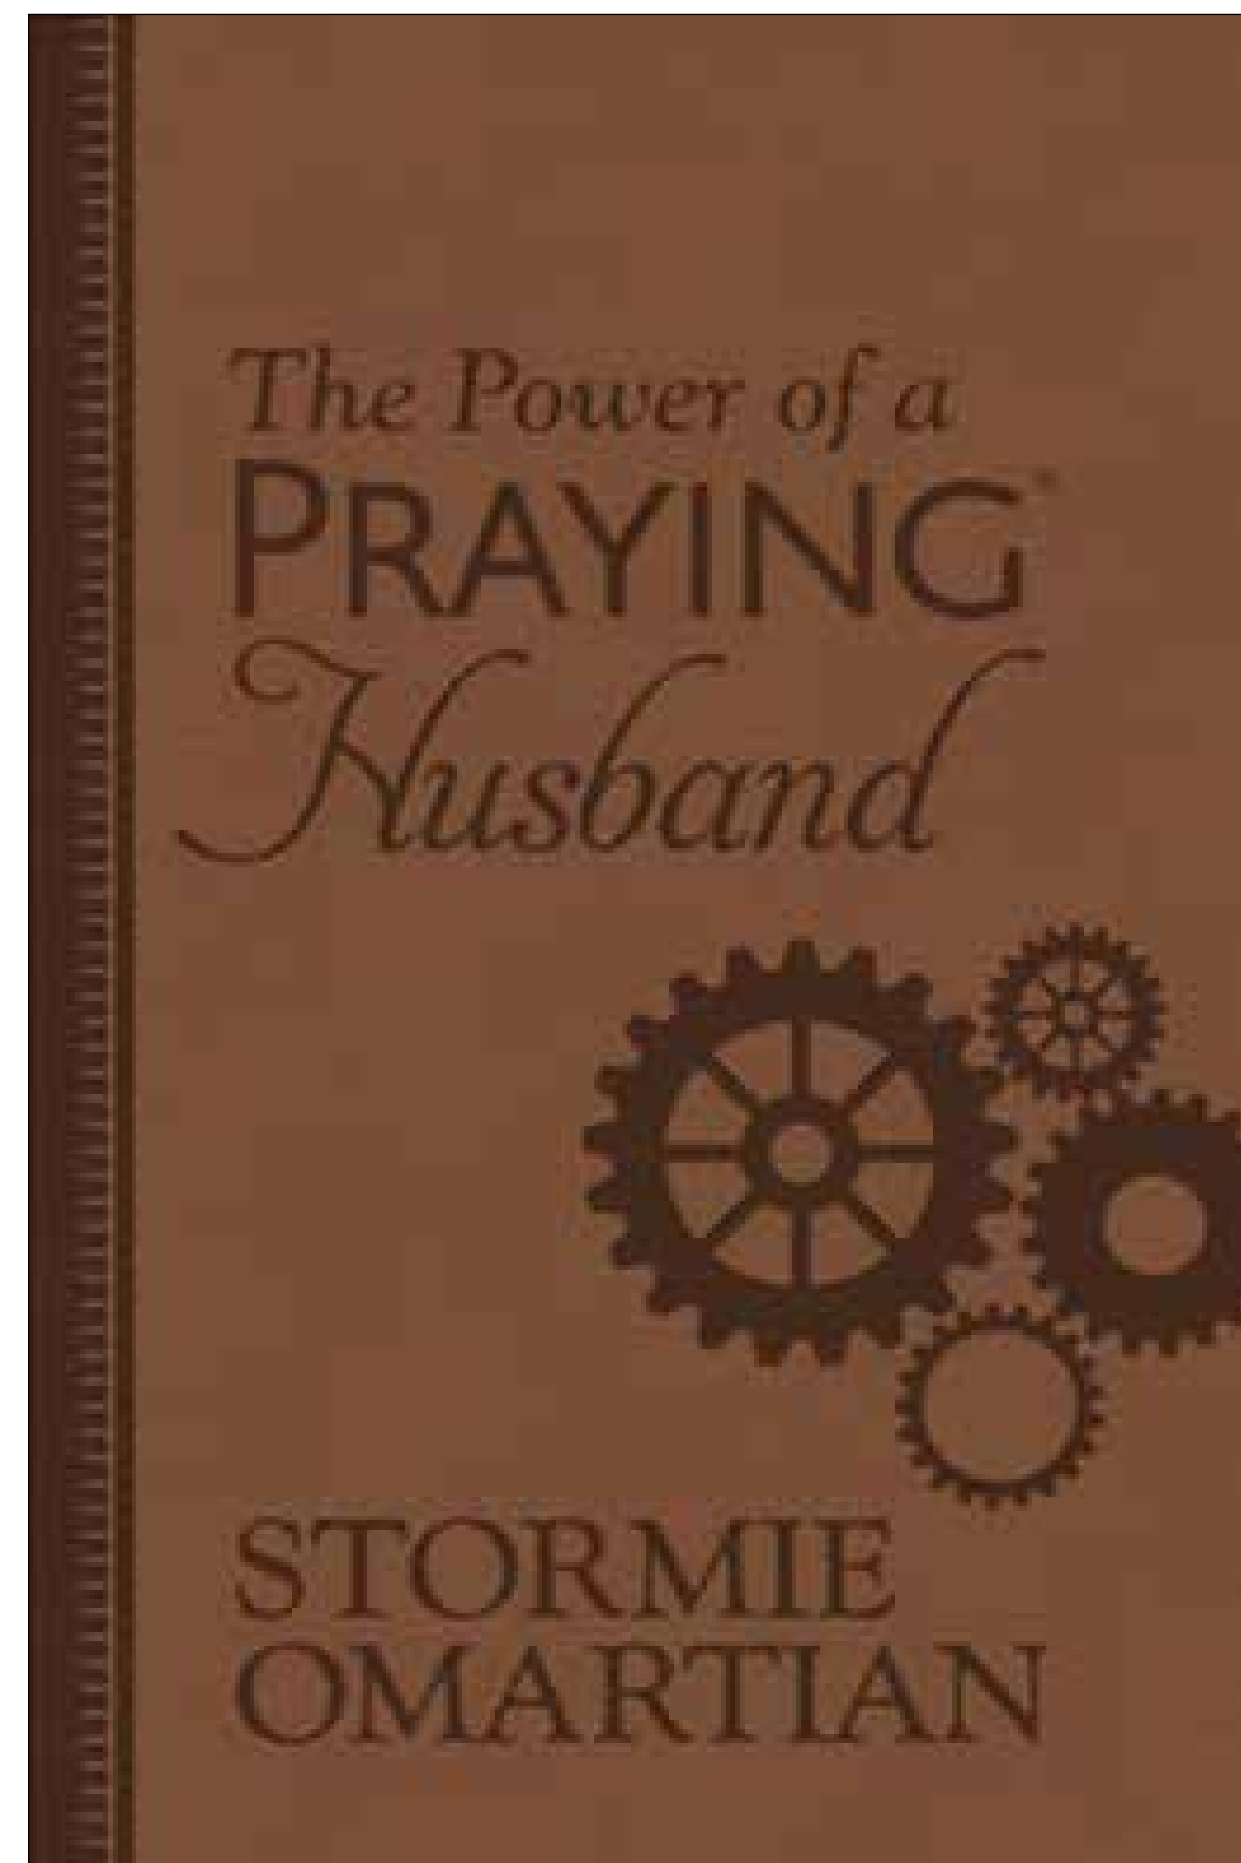

What does that tell you? That it's hard to follow God to the end and leave a legacy that's remembered well.

Bible teacher Cynthia Cavanaugh wants you to meet the good kings of Judah who earned a reputation for godliness and received the Lord's favour. Though their names aren't well known to us, their examples should be celebrated.

Cynthia takes you deep into the Word of God, heading into the often-overlooked corners of 1–2 Kings and 1–2 Chronicles to uncover these ancient rulers whose lives—full of ups and downs—have hidden lessons for us today.

In The Godly Kings of Judah, you'll embark on an 8-week Bible study that leads you through a process of repentance, renewal, and revival. The Old Testament kings will be your companions as you fight the Lord's battles, topple the idols that claw at our hearts, and bring reformation to the holy people of God. Don't miss out on this exciting adventure! Because when all is said and done, you want the legacy of the godly kings to be your own as well: "She did what was right in the Lord's eyes."

Description

Practical Religion, by J. C. Ryle (1816–1900), was first published in 1878 and is renowned as a theological and apologetic Christian “classic”--esteemed for its clear, profound and penetrating narrative on the practice of genuine Christian living. Within its pages, Ryle masterfully unfolds practical biblical truths in a series of treatises, or “papers” as he calls them, each written to address a critical aspect of where personal faith in Christ and the practice of that faith in holy living unite and are essential for Christian growth and effectiveness as a witness for Christ in the world.

Ryle exposes hypocrisy and nominalism in religion, or “Churchianity” as he calls it, which was as systemic in his day as it is today. His poignant narrative appeals to the Church as well as to individuals who profess to be Christians--a call to self-examination in all things, and a return to sound Biblical truths seriously and practically applied in every aspect of Christian life. Some of the subjects addressed include: Self-Inquiry, Reality, Prayer, Bible Reading, Zeal, Formality, The World, Sickness, Riches and Poverty, Eternity, among others.

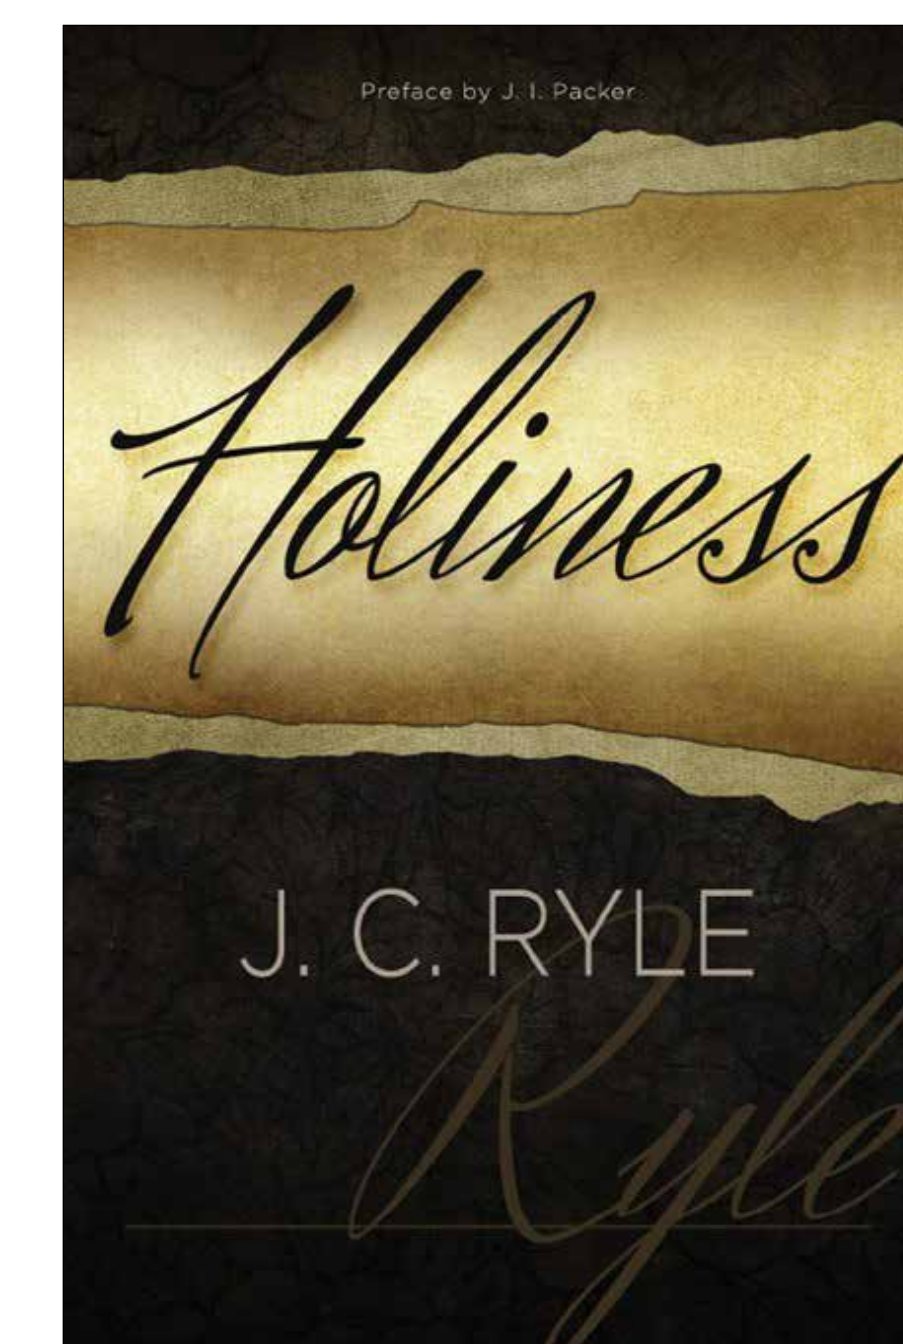

Ryle’s unique style penetrates the heart and challenges the mind of its readers and is not for the faint of heart--but is designed for those who genuinely and humbly seek a deeper abiding, surrendered life in Christ. No wonder his equally renowned contemporary English minister, Charles Spurgeon, called him “an evangelical champion. One of the bravest and best of men.”

About the Author

J. C. RYLE (1816–1900) was a prominent writer, preacher, and Anglican clergyman in nineteenth-century Britain.

He is the author of the classic Expository Thoughts on the Gospels and retired as the bishop of Liverpool.

Many have surmised about the foods Jesus of Nazareth may have eaten. But this book is specific. It points to nine foods in Scripture that Jesus either consumed Himself, recommended as being good food, or approved of by strong inference.

But what are the credentials of a lowly carpenter who lived 2,000 years ago? In speaking of Jesus, the Scriptures say, “All things were made through Him, and without Him nothing was made that was made” (John 1:3). His credentials pass the test. Therefore, we will take note of each of these nine foods if we know what’s good for us.

As a child, Petr Jasek (Yash-eck) watched Soviet tanks roll through the streets of his village in Czechoslovakia, taking the country by force and subjecting it to decades of communist oppression.

As a result, Petr grew up in the underground church, relying on financial help and Bibles smuggled to his family, which prepared him for living in Islamist hotspots in Africa and the Middle East as an adult.

In 2015, he was arrested in Sudan on charges of espionage and sentenced to life in prison, where he was forced to share a cell with ISIS terrorists.

The true story of what God did in and through Petr has already inspired tens of thousands around the world. Now, for the first time, Petr tells the whole story.

Break the cycles of sin and defeat in your family bloodline.

There is much talk and teaching about generational curses and how they can be spiritually transmitted through the family bloodline. But what about generational blessings? What you do today in the Courts of Heaven can release generational blessings for you and your family!

Description

In trying times, the first thing people lose is perspective. This book will help you understand how to gain spiritual perspective even in times of chaos and uncertainty.

After a year like 2020, with its deadly pandemic and turbulent presidential election, Christians are eager to know what's next. They want to understand the times and seasons and how to move forward.

In this book respected prophetic minister Chuck D. Pierce shows readers how to gain spiritual perspective by receiving revelation that leads to understanding. So many believers read the Word but don't understand what it is saying. Yet Pierce says it is understanding that will give them the perspective that moves them from where they are to the future God has for them. We lose perspective when we try to put understanding before revelation.

In this season we are supposed to wait for revelation, and then we will gain understanding. We have a future, but we have to put the pieces together to get there. We have to take risks to get there. We have to grow in our understanding in order to get there. This book will use biblical and practical wisdom to help readers see their lives as God sees them and lay hold of the future He has in store for them.

Title: The Sarah Anointing
 Author: Michelle McClain-Walters
 Price: £10.99*
 Product Code: 9781629996752
 Format: Paperback
 Genre: Women's Interests
 Distribution: UK & Europe

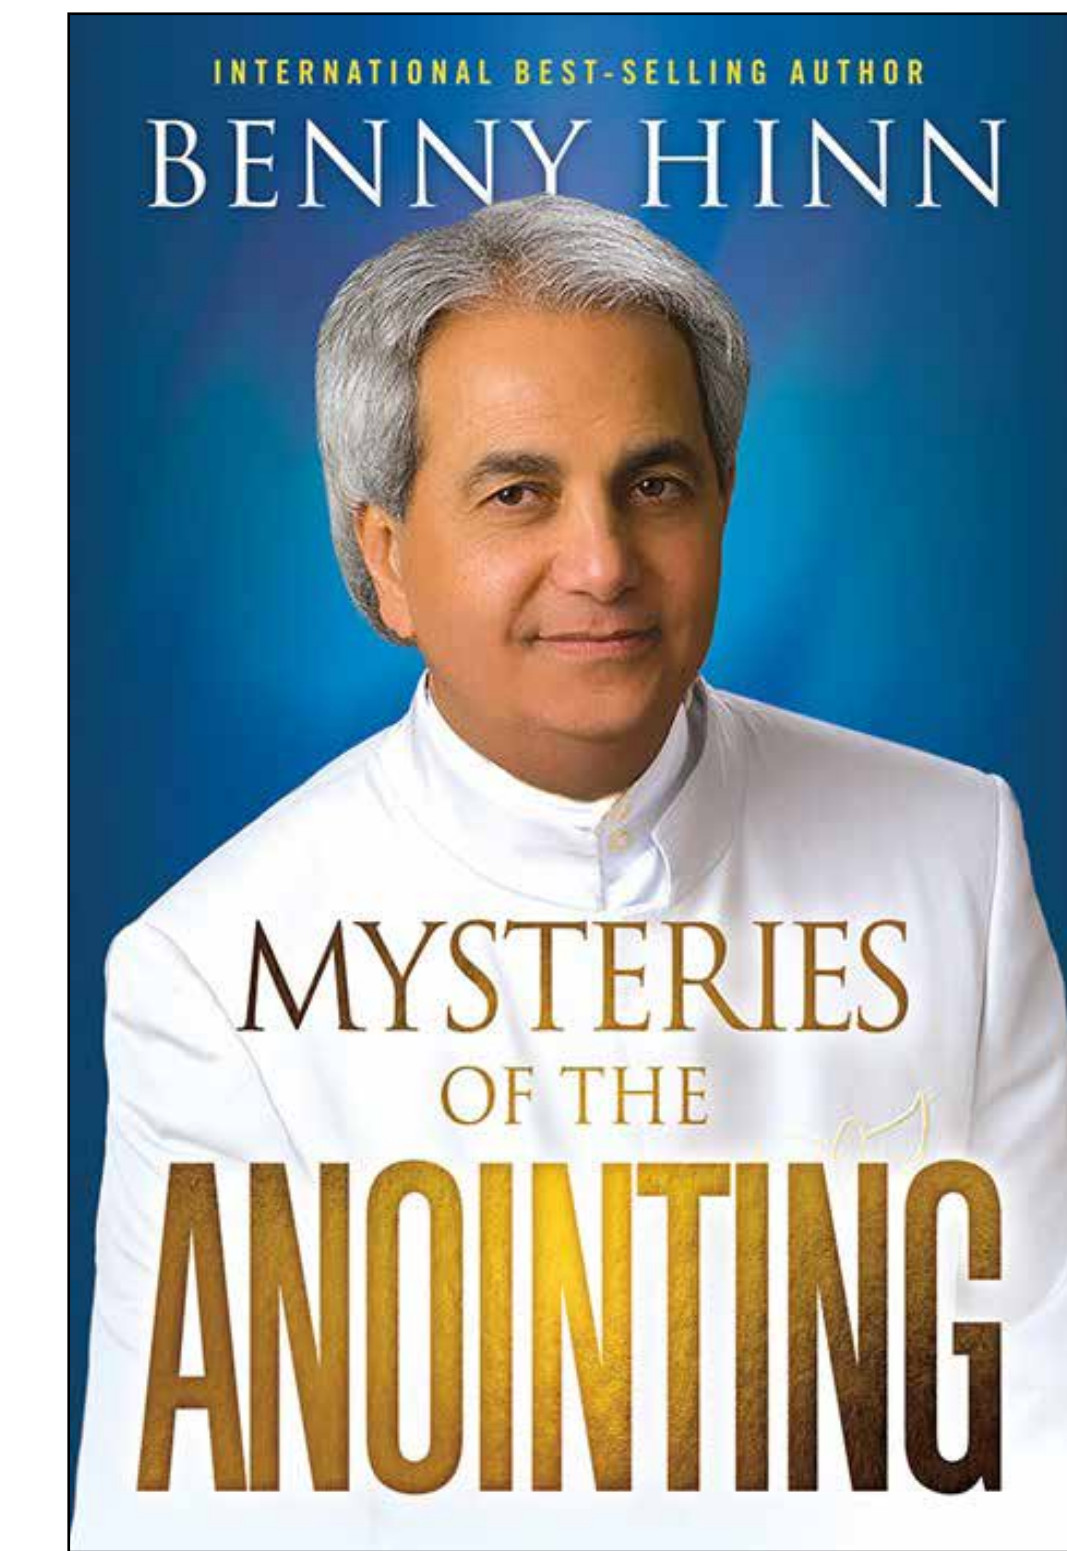

When your faith fails, God prevails. This book will teach you how to live out your nature as an active participant in God's vision.

Sarah was a loyal wife who followed her husband, Abraham, when God spoke to him. Even when Abraham made mistakes she still called him "lord." She is an example of a woman with a submitted spirit who responded biblically to her husband without losing her identity.

Sarah was an active participant in God's vision—perhaps too active, as she ran ahead of God and tried to fulfill His covenant in her own timing. She also laughed at the possibility of a miracle.

But when God changed Sarah's name, He changed her nature. The name change linked her to Abraham in co-rulership including her in God's covenant promise, which was fulfilled by the couple's working together.

Sarah's example shows us that God has included women in His purposes and plans throughout history and will include them in the next great awakening. Her life is a positive lesson in faith that breaks personal limitations.

Title: The Mysteries of the Anointing
 Author: Benny Hinn
 Price: £14.99*
 Product Code: 9781636410678
 Format: Paperback
 Genre: Spiritual Growth
 Distribution: UK & Europe

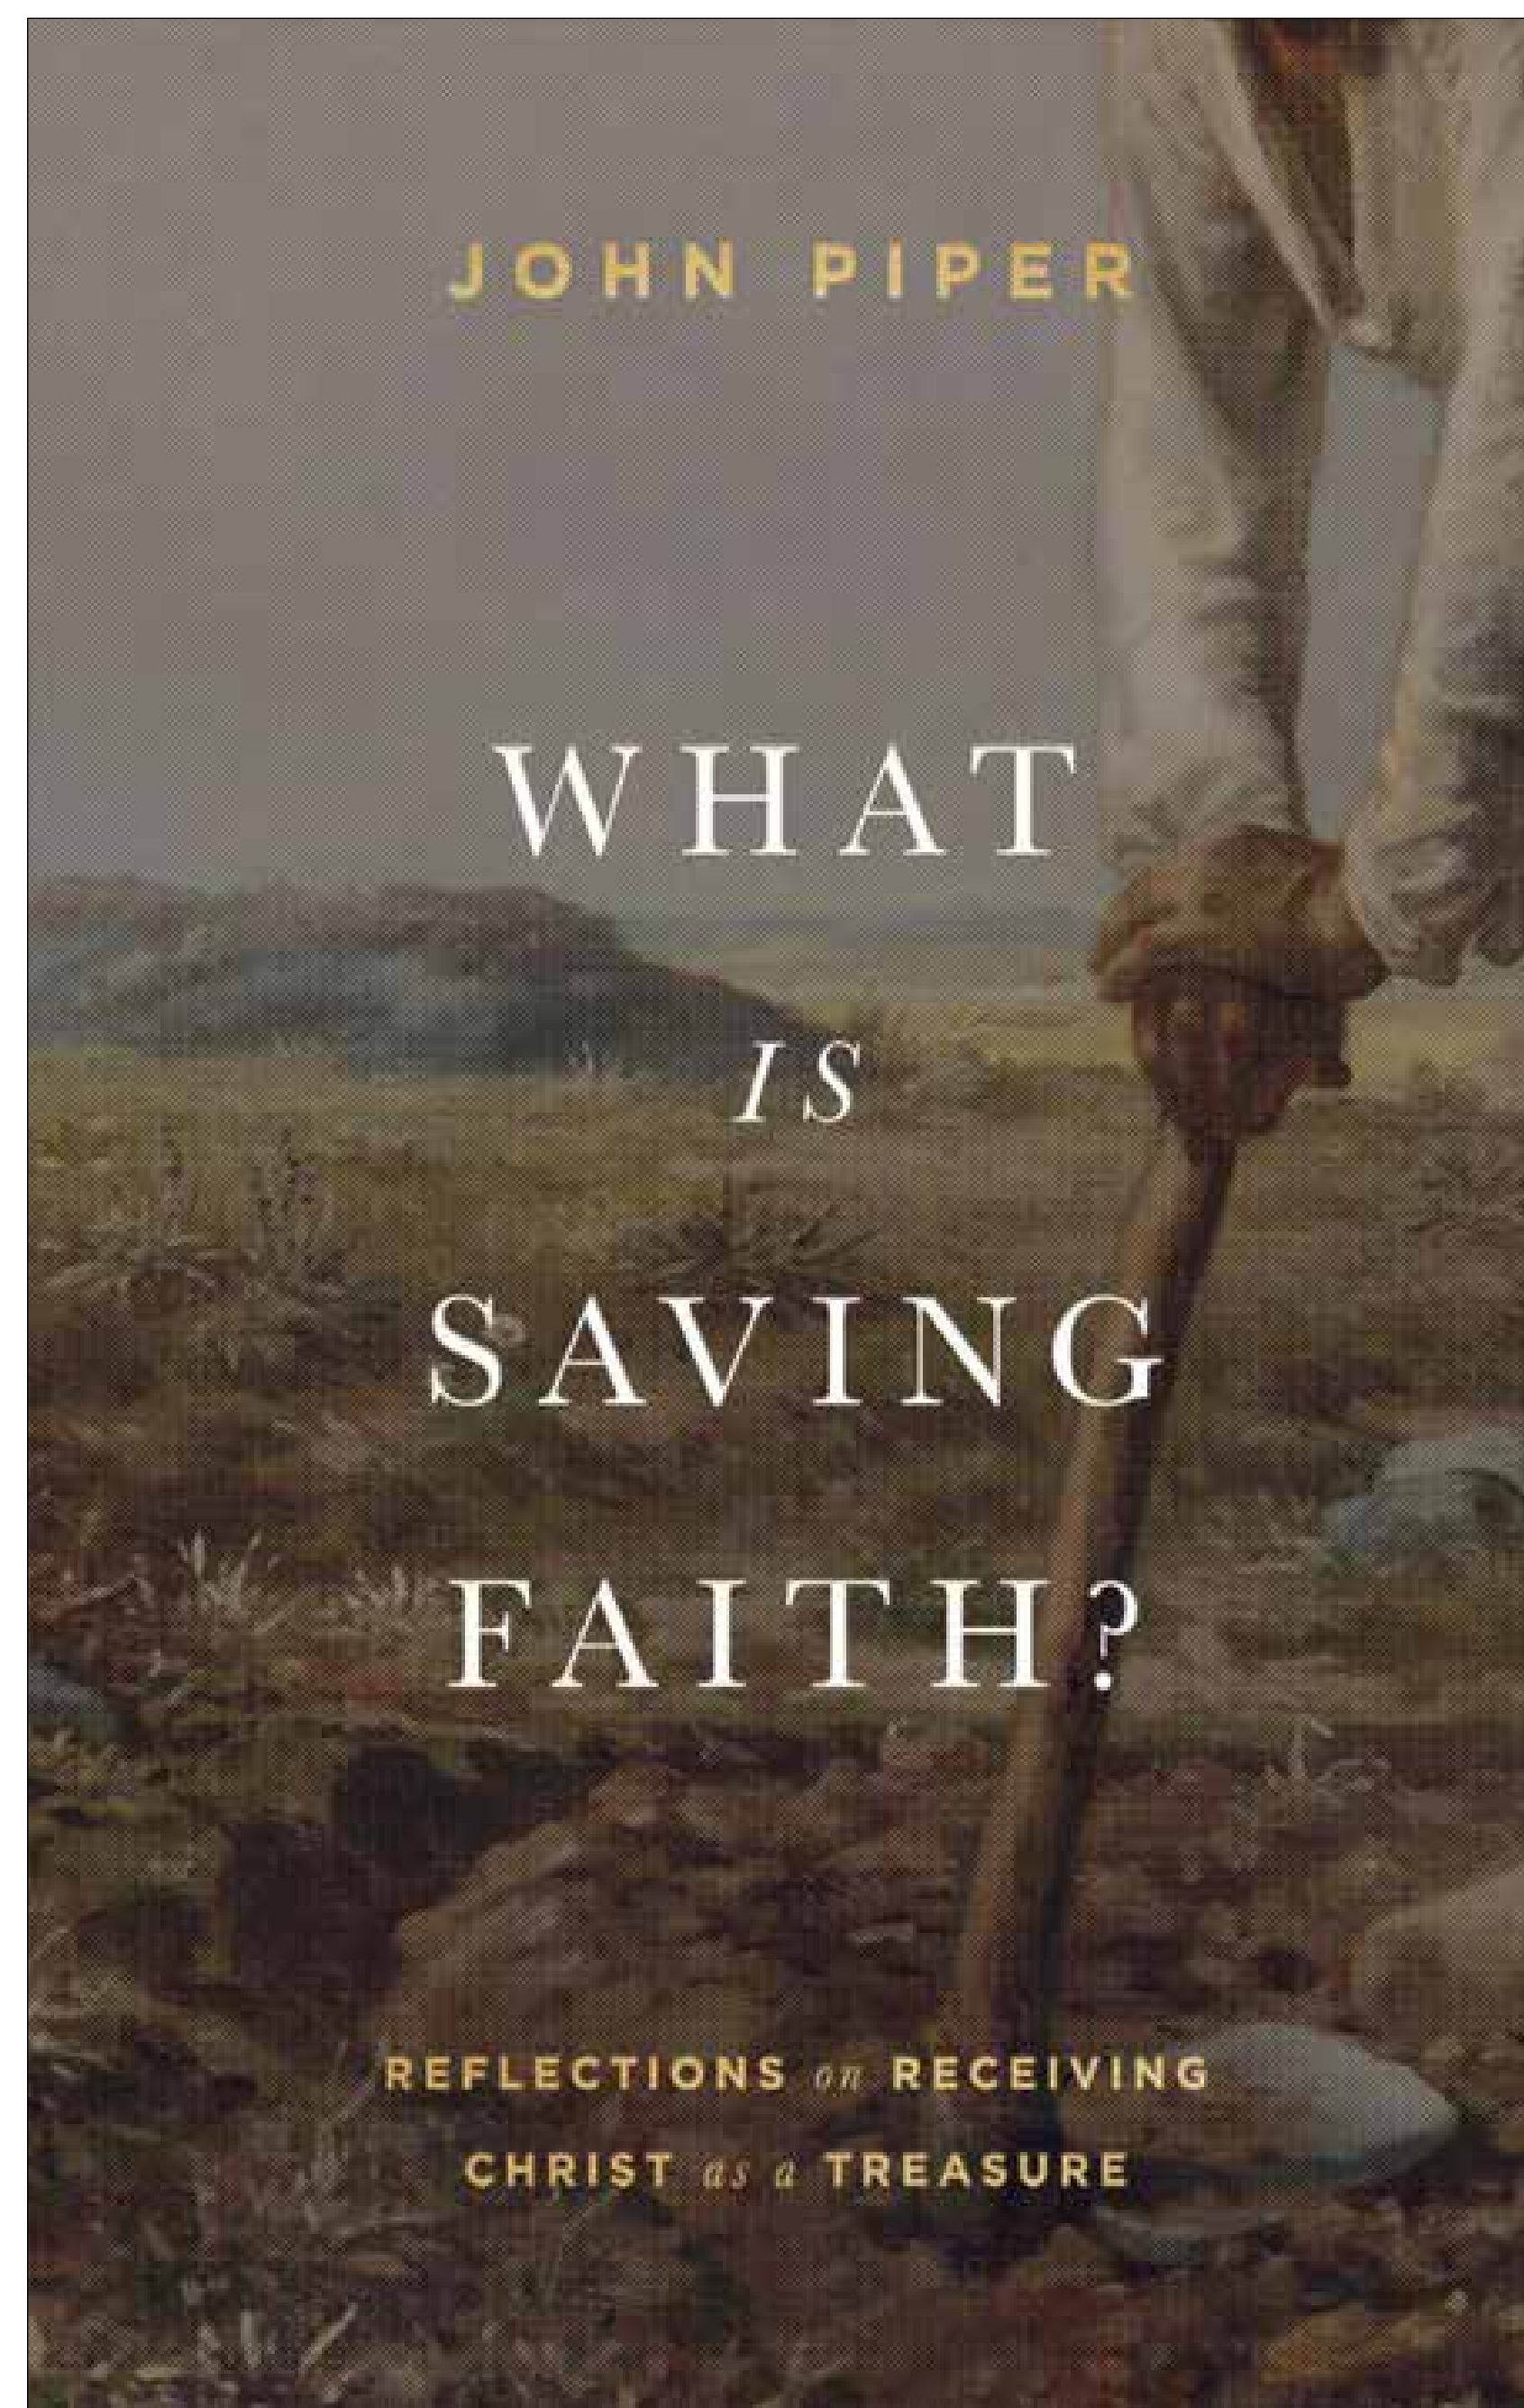

You are not limited to your own human abilities. This book will answer all of your questions about the anointing. It will prepare you to experience the precious touch of God on everything you do.

How can some ministers whose personal and spiritual lives are dried up and in shambles still operate in the anointing and continue to minister with power?

Pastor Benny Hinn asked this question during a season of personal trial, and his quest led him to an in-depth understanding of the three "rivers," or types, of anointing in Scripture:

- 1 John 2:27 (the anointing within you);
- Acts 1:8 (the anointing upon you)
- Isaiah 10 (a global anointing related to building up and destroying nations).

In *The Mysteries of the Anointing*, Hinn explores these three types of anointing, sharing personal stories of things he learned firsthand from Kathryn Kuhlman and Oral Roberts, as well as providing biblical and historical examples that illustrate his teachings.

Description

What happens in the heart when it experiences real saving faith? John Piper argues that faith in Christ is not saving unless it includes what he calls “the affectional dimension of treasuring Christ”. Nor is God glorified as he ought to be unless he is treasured in being trusted. Saving faith in Jesus Christ welcomes him forever as our supreme and inexhaustible pleasure.

What Is Saving Faith? explains that a Saviour who is treasured for his all-satisfying worth is more glorified than a Saviour who is only trusted for his all-forgiving competence. In this way, saving faith reaches its God-appointed goal: the perfections of Christ glorified by our being satisfied in him forever.

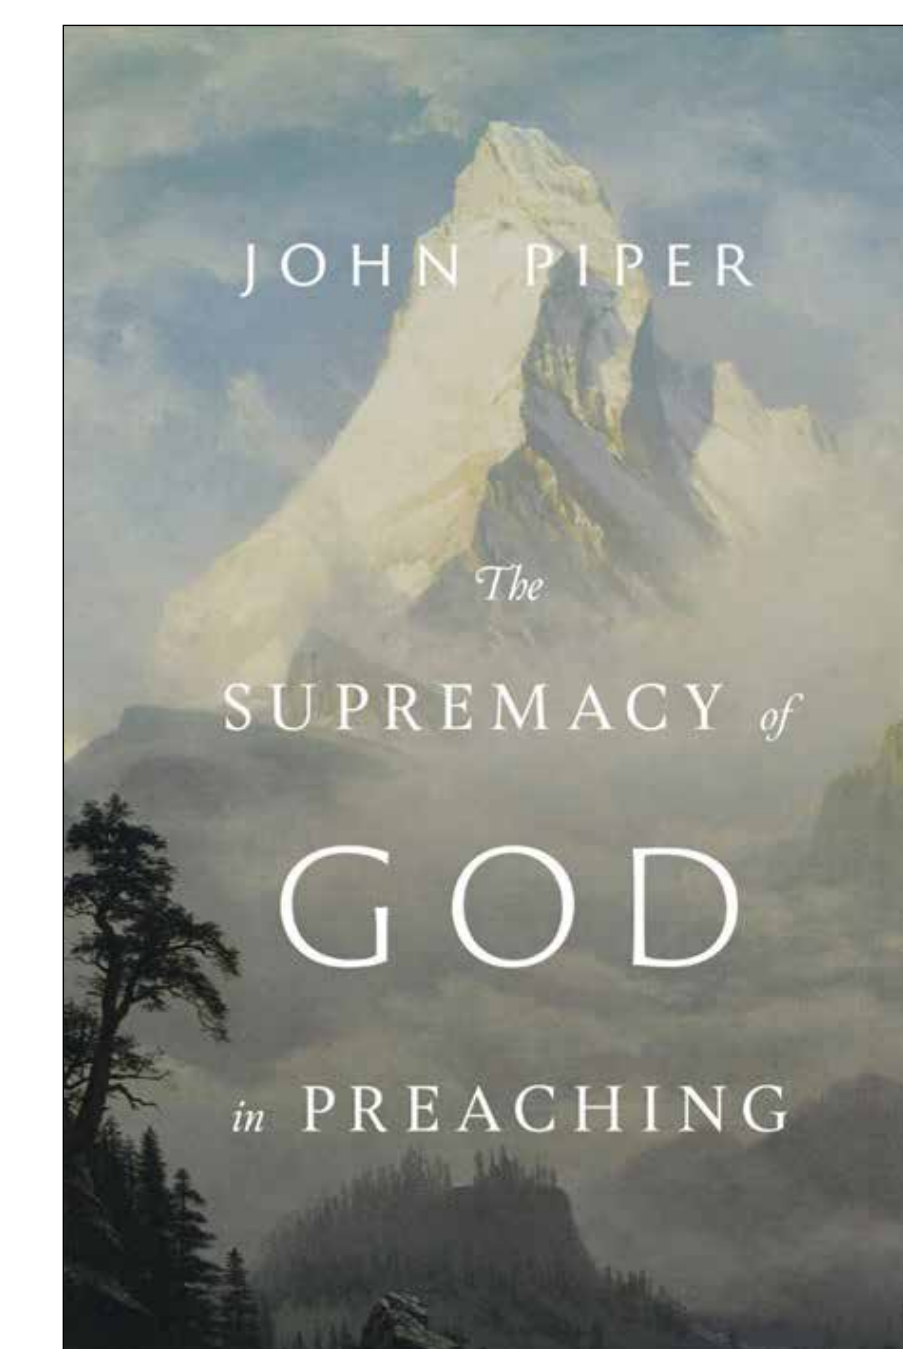

- Written by Best-Selling Author and Pastor John Piper: Explores a critical and misunderstood element of the Christian faith, urging believers to ask the unsettling question, Do I have saving faith?
- Theologically Robust: Studies respected theologians’ work regarding salvation, including John Calvin, Jonathan Edwards, Henry Scougal, John Owen, Wayne Grudem, and J. I. Packer
- Accessible: Written for students, nominal or thoughtful Christians, and church leaders of all levels, as well as anyone interested in the nature of faith and the essential relationship between faith and feeling

John Piper is founder and lead teacher of desiringGod.org and chancellor of Bethlehem College & Seminary.

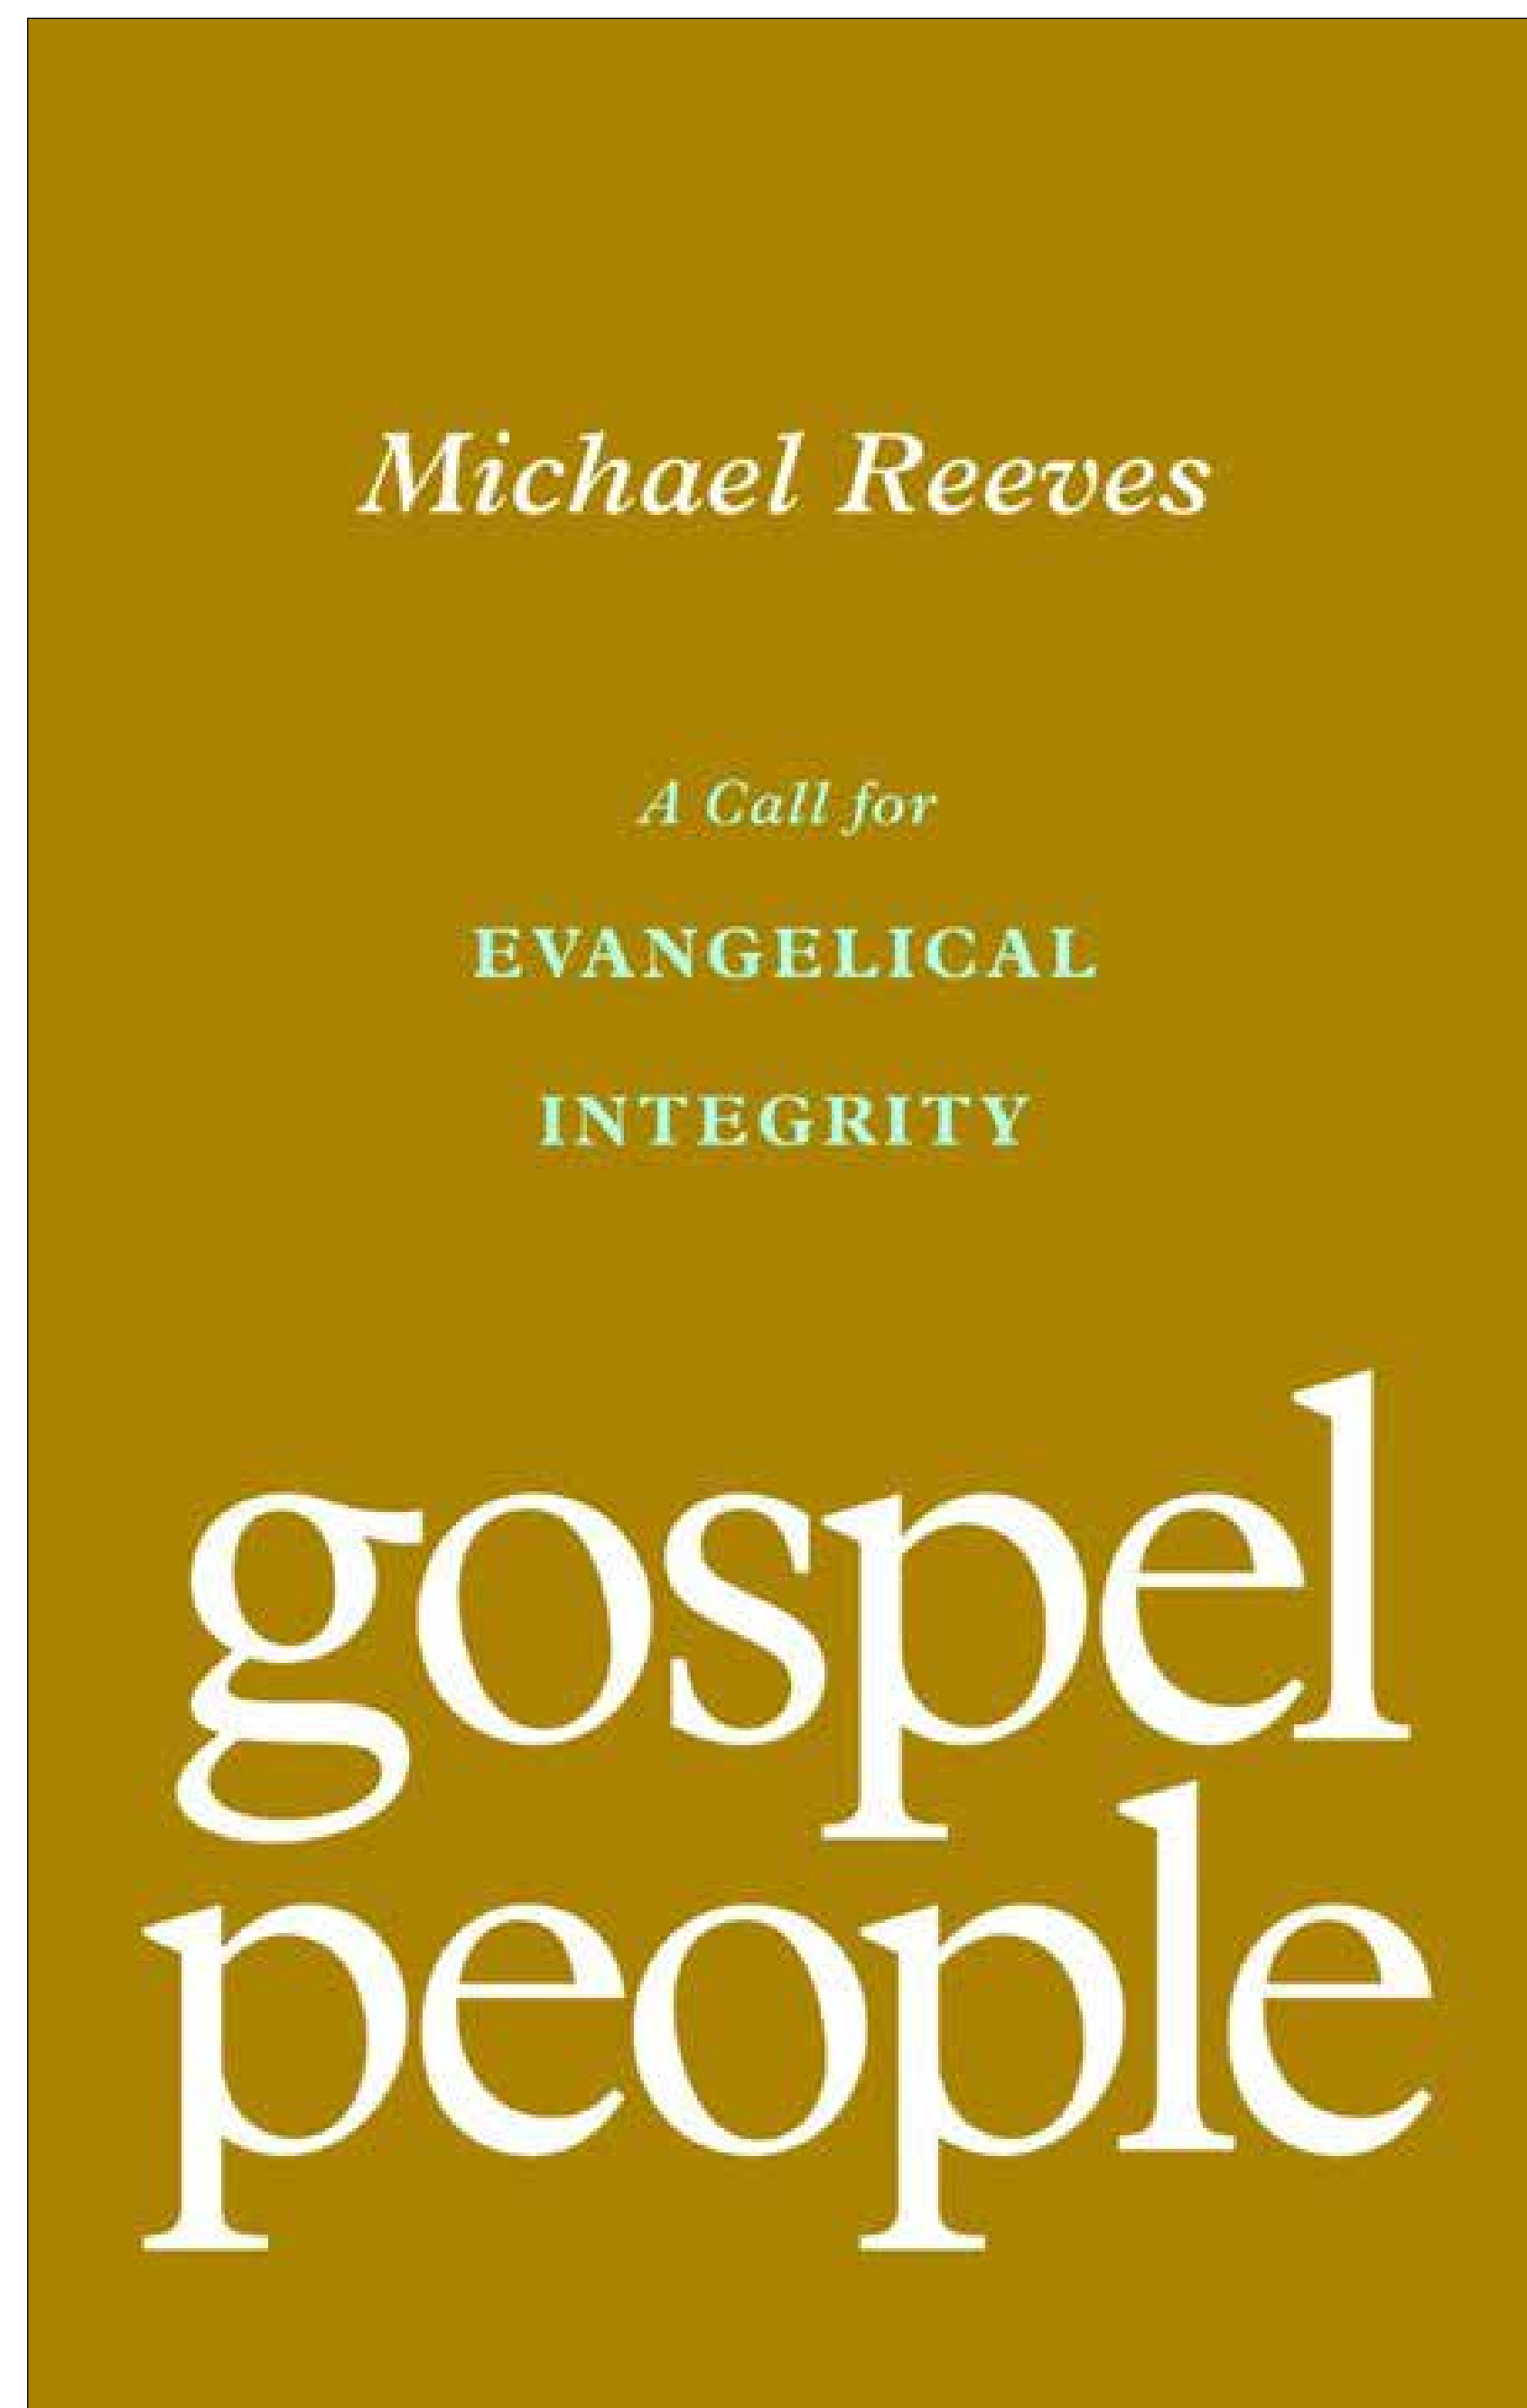

He served for thirty-three years as the pastor for preaching and vision of Bethlehem Baptist Church in Minneapolis, Minnesota, and is the author of more than fifty books, including *Desiring God*; *Don't Waste Your Life*; and *Providence*.

A biblical case for the importance and goodness of being “Evangelical”

The term evangelical is often poorly defined and frequently comes with cultural and political baggage. As the label has become more controversial, many Christians have begun to wonder if they should abandon it altogether.

Michael Reeves argues from a global, scriptural, and historical perspective that, while it’s not necessary to discard the label altogether, Christians must return to the root of the term—the evangel, or “gospel”—in order to understand what it truly means. He identifies the theology of evangelicalism and its essential doctrine—the Father’s revelation in the Bible, the Son’s redemption in the gospel, and the Spirit’s regeneration of the heart—calling believers to stand with integrity as people of the gospel.

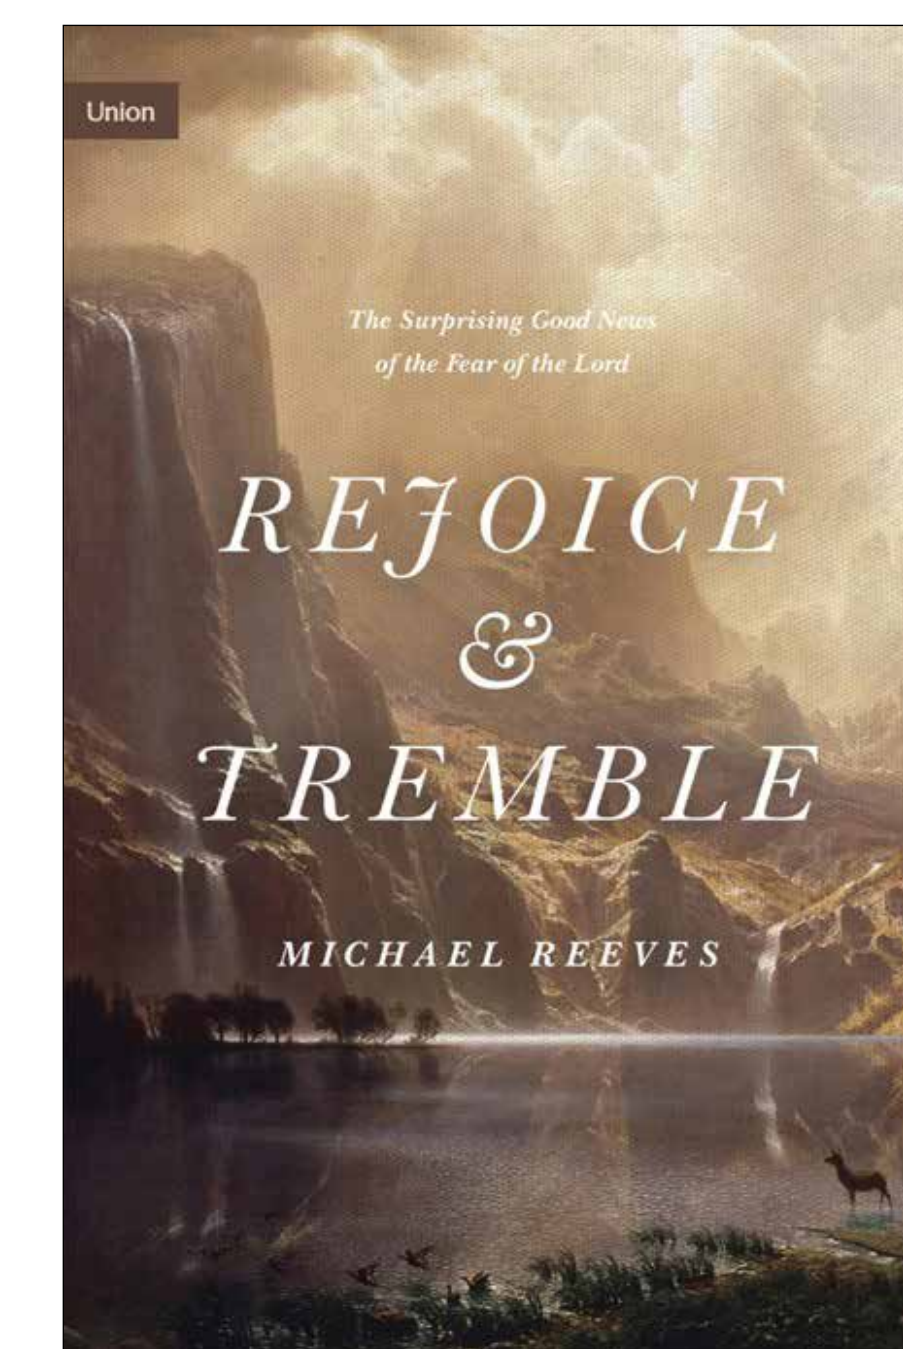

- A Biblical and Theological Explanation of Evangelicalism: Rooted in Scripture and the writings of figures throughout church history
- Globally-Minded: Explores evangelical theology and distinctives outside of narrow cultural definitions
- Brief and Accessible: Written for both lay people and church leaders

About the Author

Michael Reeves (PhD, King’s College, London) is President and Professor of Theology at Union School of Theology in the UK (www.ust.ac.uk). He is a Senior Fellow of Newton House, Oxford, Director of the European Theologians Network, and speaks and teaches regularly worldwide.

Description

Even Christians strongly debate Scripture’s account of creation, with some declaring that major events in the book of Genesis—from the origin of Adam and Eve to God’s curse on the world—were purely symbolic. Several respected scholars endorse this theory, but is it consistent with the Bible’s teaching?

In ‘A Biblical Case against Theistic Evolution’, condensed and adapted from *Theistic Evolution*, Wayne Grudem and other leading scholars challenge the belief that Genesis is mostly symbolic, rather than a true, historical narrative.

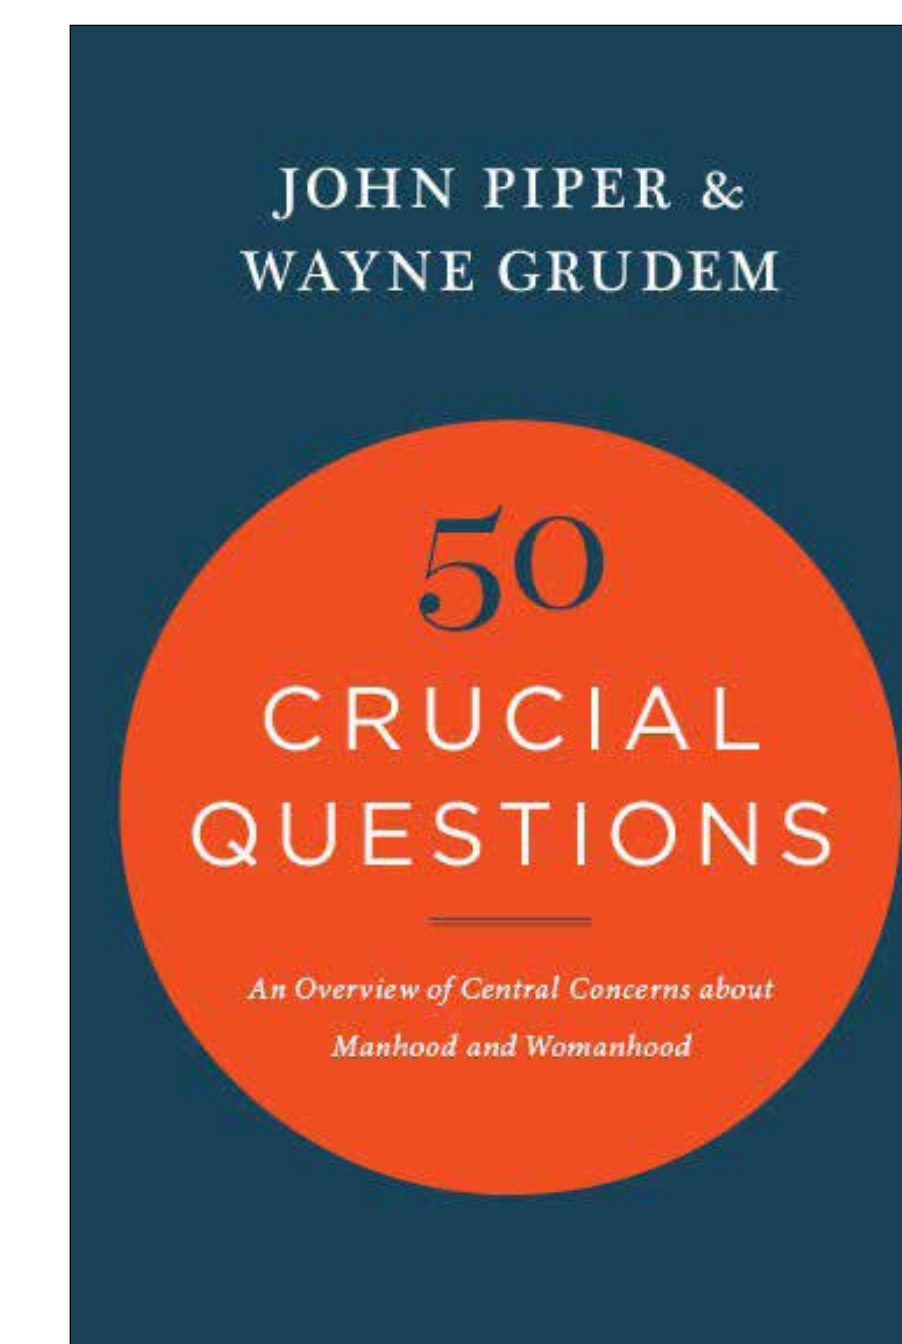

Grudem examines 12 specific events in Genesis 1–3 and explains why acknowledging their historicity is critical to understanding the rest of Scripture. He also emphasizes several foundational doctrines, including God’s ongoing involvement in creation, the beginnings of mankind, and the origin of sin and death, to show readers how the theory of theistic evolution undermines essential truths throughout the Old and New Testaments.

About the Author

Wayne Grudem (PhD, University of Cambridge; DD, Westminster Theological Seminary) is Distinguished Research Professor of Theology and Biblical Studies at Phoenix Seminary.

He is a member of the Translation Oversight Committee for the English Standard Version of the Bible, the general editor of the ESV Study Bible, and the author of over twenty-five books.

Description

Many Christian women and men carry heavy burdens. Much teaching on gender relations, roles, and rules binds the conscience beyond what Scripture actually teaches. Gender has become a battleground for power. But God created men and women not to compete for glory but to cooperate for his glory.

In 'Jesus and Gender', Elyse Fitzpatrick and Eric Schumacher paint a new vision for gender--Christ's gentle and lowly heart. The centrality of the gospel has been lost in gender debates. Our ultimate example is Jesus, our humble king, who used his power to serve others. So we must rethink our identities, roles, and relationships around him. Christ transformed enemies into family. Men and women are allies in God's mission.

Drawing from Scripture and experience, Fitzpatrick and Schumacher show how Jesus's example speaks to all areas of our lives as men and women, including vocation, marriage, parenting, friendships, and relating to each other as sisters and brothers in Christ. Real--life testimonies from a variety of Christians--including Christine Caine, Justin Holcomb, Karen Swallow Prior, and others--show a variety of men and women freed to pursue their gifts for God's glory.

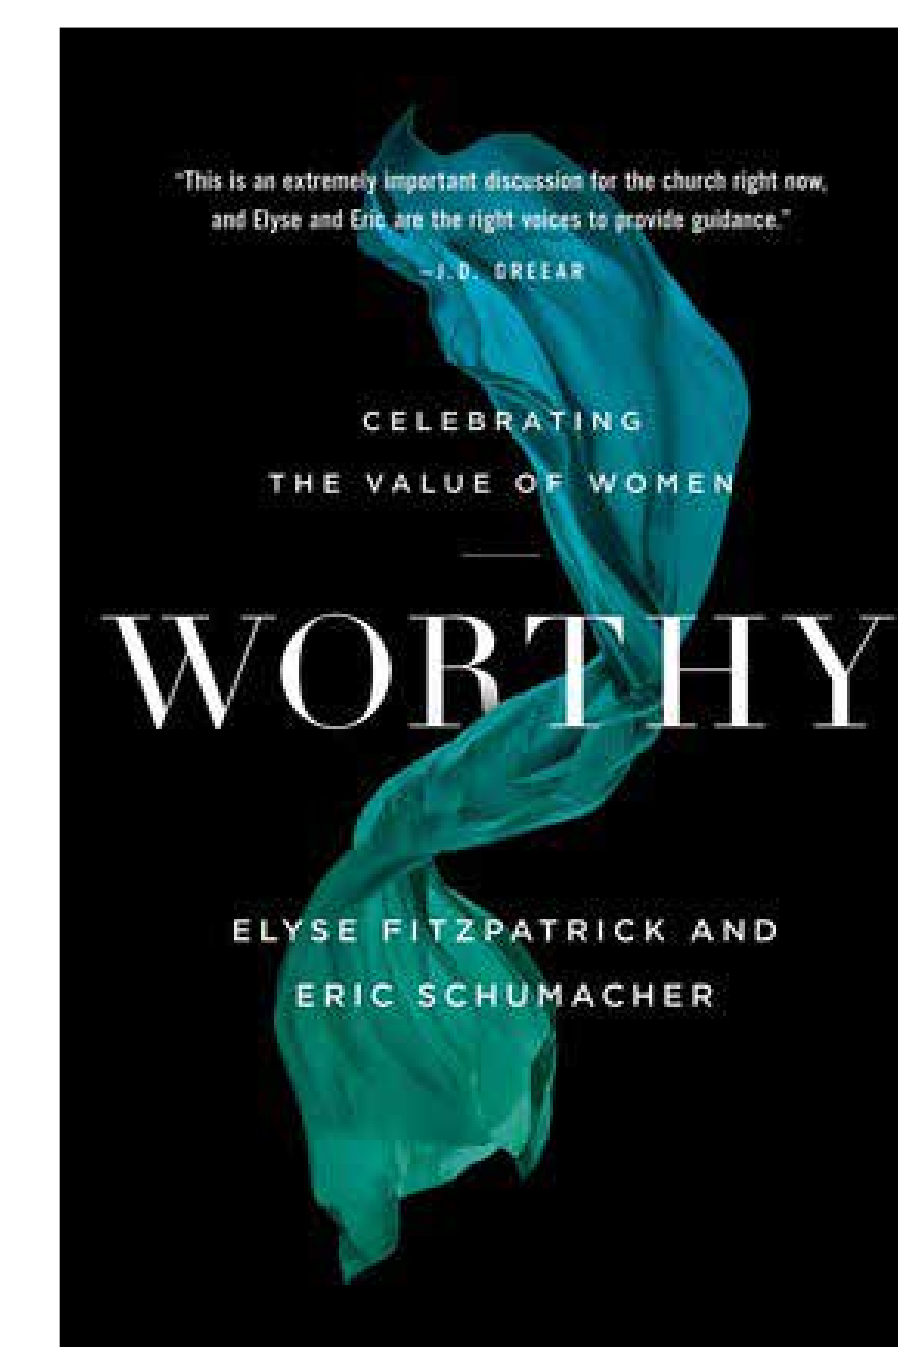

Fitzpatrick and Schumacher's perspective untangles what God has said about gender from what he hasn't. By coming to Jesus, women and men can find rest.

Description

Christians live in the house built by the church fathers. The fathers' reading of the Scriptures shaped key doctrines that are essential to Christianity. But appreciating how the fathers read the Bible is not just for the historically curious, as if it were only a matter of literary archaeology. Nor should it be intimidating. Rather, the fathers gleaned insights from Scripture that continue to be relevant to all Christians.

'How the Church Fathers Read the Bible' is an accessible introduction to help you read Scripture with the early church. With a clear and simple style, Gerald Bray explains the distinctives of early Christian interpretation and shows how the fathers interpreted key Bible passages from Genesis to Revelation.

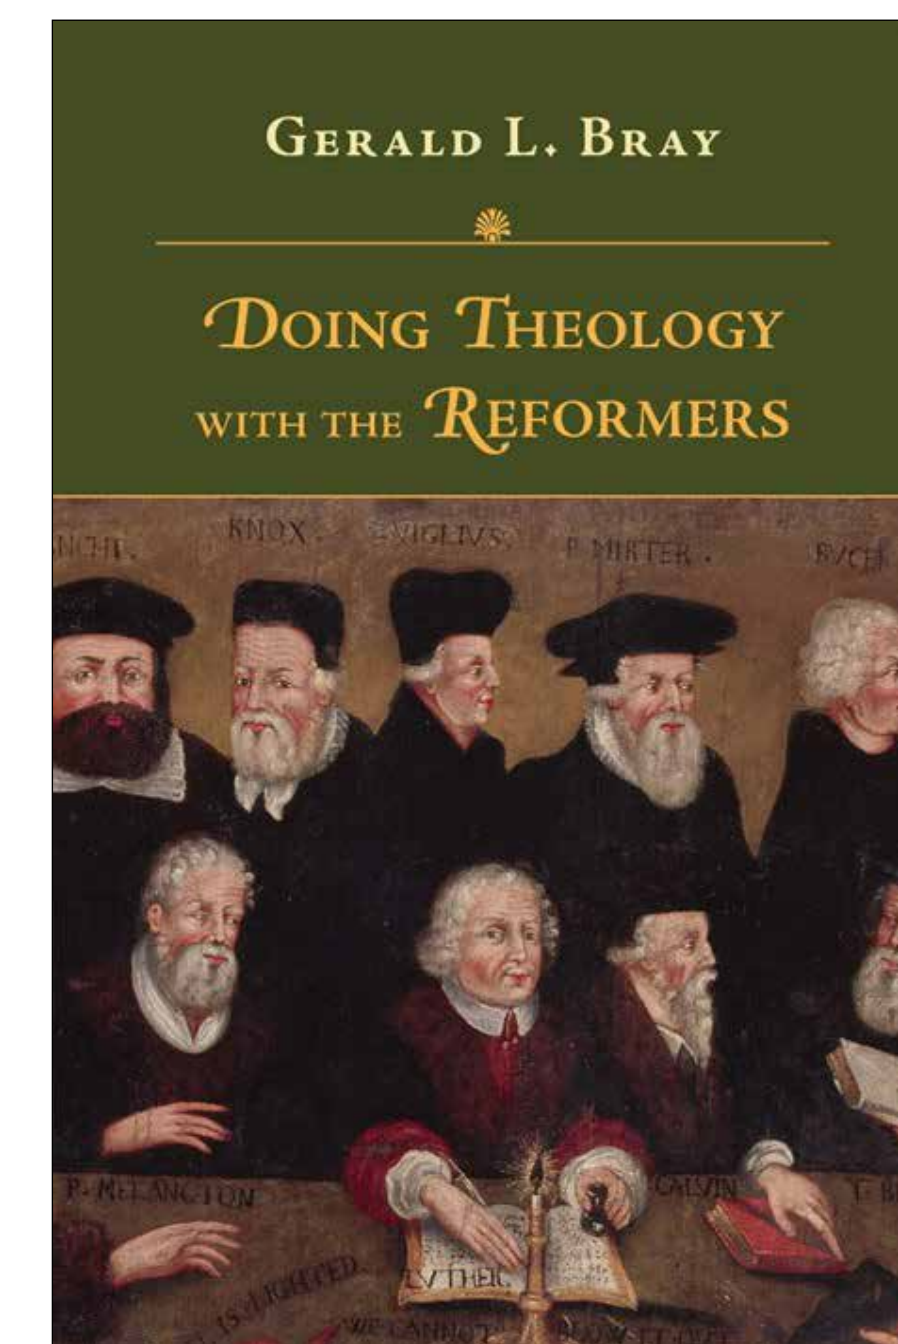

Their unique perspective is summed up in seven principles that can inspire our Bible reading today. With Bray as your guide, you can reclaim the rich insights of the fathers with reverence and discernment.

Gerald Bray is research professor of divinity at Beeson Divinity School of Samford University in Birmingham, Alabama.

He is the author of numerous books, including *Biblical Interpretation: Past and Present*, *God Has Spoken: A History of Christian Theology*, and *Preaching the Word with John Chrysostom*.
