Martin Smith – Dancing in the Fire CD

Description

Acclaimed worship artist, songwriter and producer Martin Smith releases his latest worship offering called 'Dancing In The Fire.' Showcasing 11 powerful songs that will uplift your spirit, and featuring The Kingdom Choir, Elle Limebear, Victory Boyd and Stu G.

"This album is so dear to my heart, during the writing of this I was having a revelation of my own self, my humanness, my sadness, my joy. Everything was heightened and I think you can hear 'gratefulness' in these songs. I hope the songs are more honest, more direct now. Maybe you become more confident in who you are and more secure in what you want to say. I definitely worry less about what people think and so it allows you to keep on experimenting and being brave." – Martin Smith

For three decades, the Brighton, U.K.-based Smith has been penning songs that bring fresh air to the lungs of the church, whether as a solo artist or a founding member of the ground-breaking band Delirious?. This includes favourites "Did You Feel The Mountains Tremble?," "Waiting Here For You," "I Could Sing Of Your Love Forever" and "History Maker."

Jonathan David & Melissa Helser – The Land I’m Livin’ In CD

Description

‘The Land I’m Livin’ In’ is a new live album from Jonathan and Melissa Helser. It was recorded on the land in North Carolina where the Helsers have poured the last two decades into cultivating community and discipleship. In approaching this album, Jonathan and Melissa wanted the sound of testimony that they’ve fought for on this land to ring through the music. With that in mind, they decided to fill the room with alumni from their discipleship schools and worship alongside a company of musicians and friends who have journeyed with them for years. Together, they left space within the music for the band to walk off the map of the written song into what God was doing in the moment.

Captured over three days, The Land I’m Livin’ In is an album filled with the spontaneous, raw and personal moments of adoration that have marked the Helsers’ worship since the beginning. From the passionate surrender of “I am Your Beloved” to the explosive joy found in “I Can’t Get Away” and the confident declaration of “Sound Mind”, this album is an authentic expression of what God has been doing in a community for more than twenty years.

Track Listing:

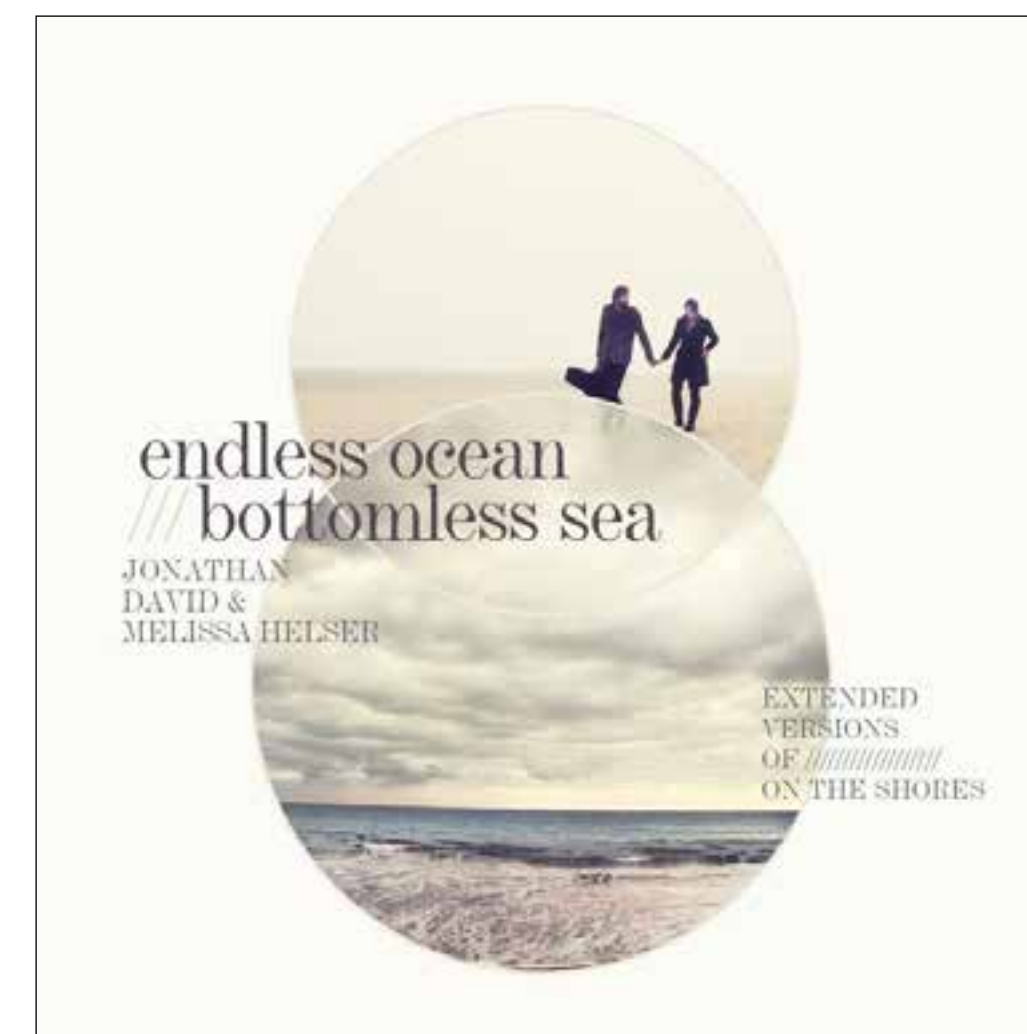

- | | |
|--------------------------------|---|
| 01. I Am Your Beloved | 08. 4th Man |
| 02. Running Home (Spontaneous) | 09. Magnificent Trinity |

Description

Their 11th studio project, “Dominion” follows SKILLET’s amazing track record of two RIAA certified multi-platinum albums, two Gold Albums, five RIAA certified multi-platinum singles, and four gold singles. The album, produced by Kevin Churko (Ozzy Osbourne, Papa Roach, Disturbed) with songs written by John Cooper, Korey Cooper, Kevin Churko and Kane Churko, was created 100% remotely between the band’s tour dates, home studio in Wisconsin, and the Churko’s studio in Las Vegas.

“DOMINION is about the celebration of freedom, a liberation from fear – to be who we want to be, say what we want to say, believe what we want to believe,” Cooper says. “In some ways it’s a reminder of the God-given rights that we were born with. It’s time to regain some sort of control over our lives and not be a slave to fear. I hope this record is going to make people feel empowered, inspired, uplifted and want to rock their faces off!”

Hebron Road – In A Moment CD

Description

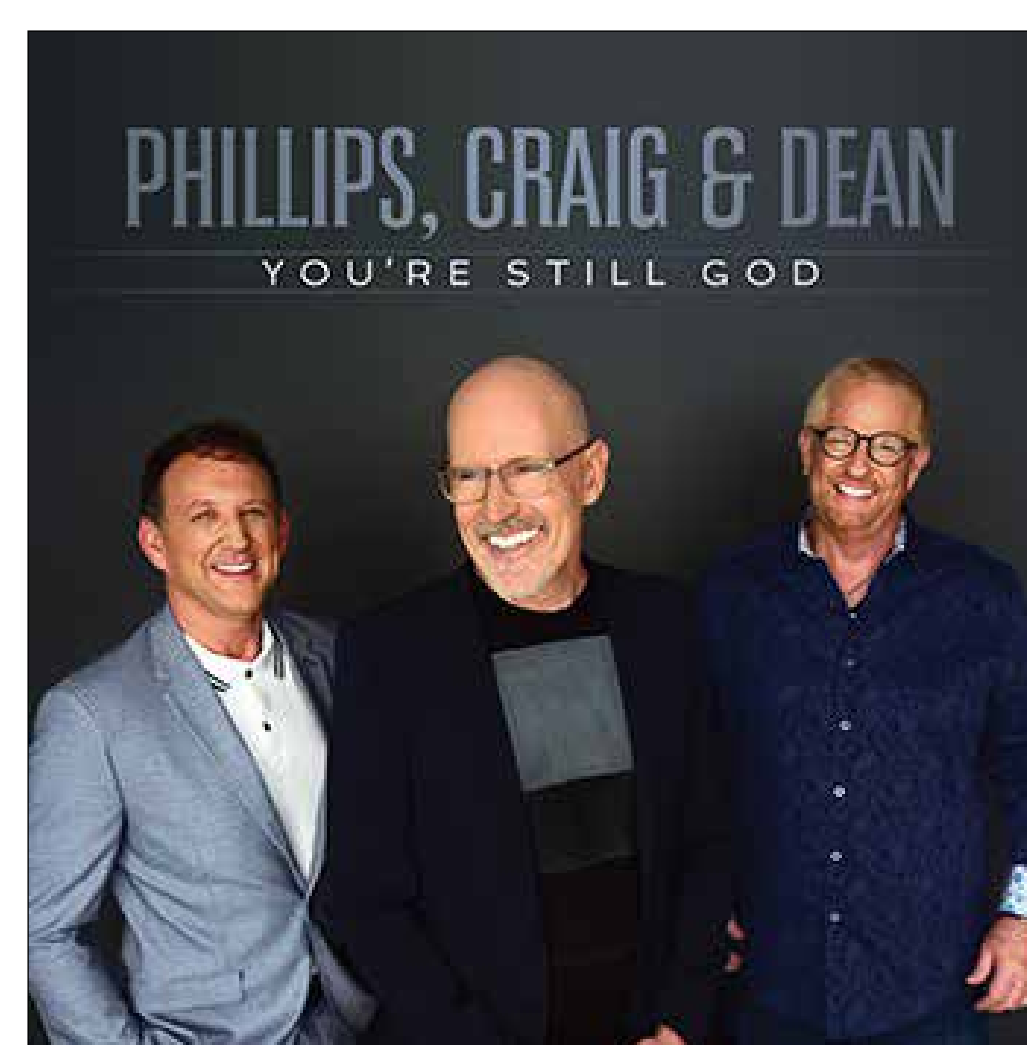

Phillips, Craig & Dean. Selah. The Three Tenors. If you had to compare the sound of Hebron Road to another artist, these would be accurate. Hebron Road’s goal is to use their God-given talents to point others to the throne of the King of kings.

Bringing their best in content and production, Hebron Road’s debut album, ‘In A Moment’, showcases pitch-perfect unison and glorious harmonies akin to what we anticipate hearing around that throne. The focus throughout is praise to God. Friend and songwriter Michael Neale (Natalie Grant, Michael W. Smith, Kutless, Shane & Shane) contributes three songs or arrangements to the album and producer Keith Everette Smith (Tasha Layton, Danny Gokey, Charles Billingsley) co-wrote two additional songs. For this debut, Hebron Road recorded their version of Crowder’s “All My Hope” and Lauren Daigle’s “You Say” bringing these contemporary songs into the church sanctuary. These expressions of worship are truly inspirational and appeal to a wide variety of audiences.

Description

Nothing could possibly matter more than learning to discern the authentic voice of God, but few things in life are more susceptible to delusion, deception and downright abuse. When life falls apart and we need God's comfort; in moments of cultural turmoil when we need God's clarity; facing formidable decisions when we need God's guidance; desiring a deeper faith when we need God to say something, anything, to turn the monologue we call prayer into a genuine conversation.

Having addressed God's silence in 'God on Mute', and then 'How to Pray' in his previous bestseller, Pete Greig is back to bring wisdom and guidance to one of the most pressing and perplexing aspects of universal Christian experience – 'How to Hear God'.

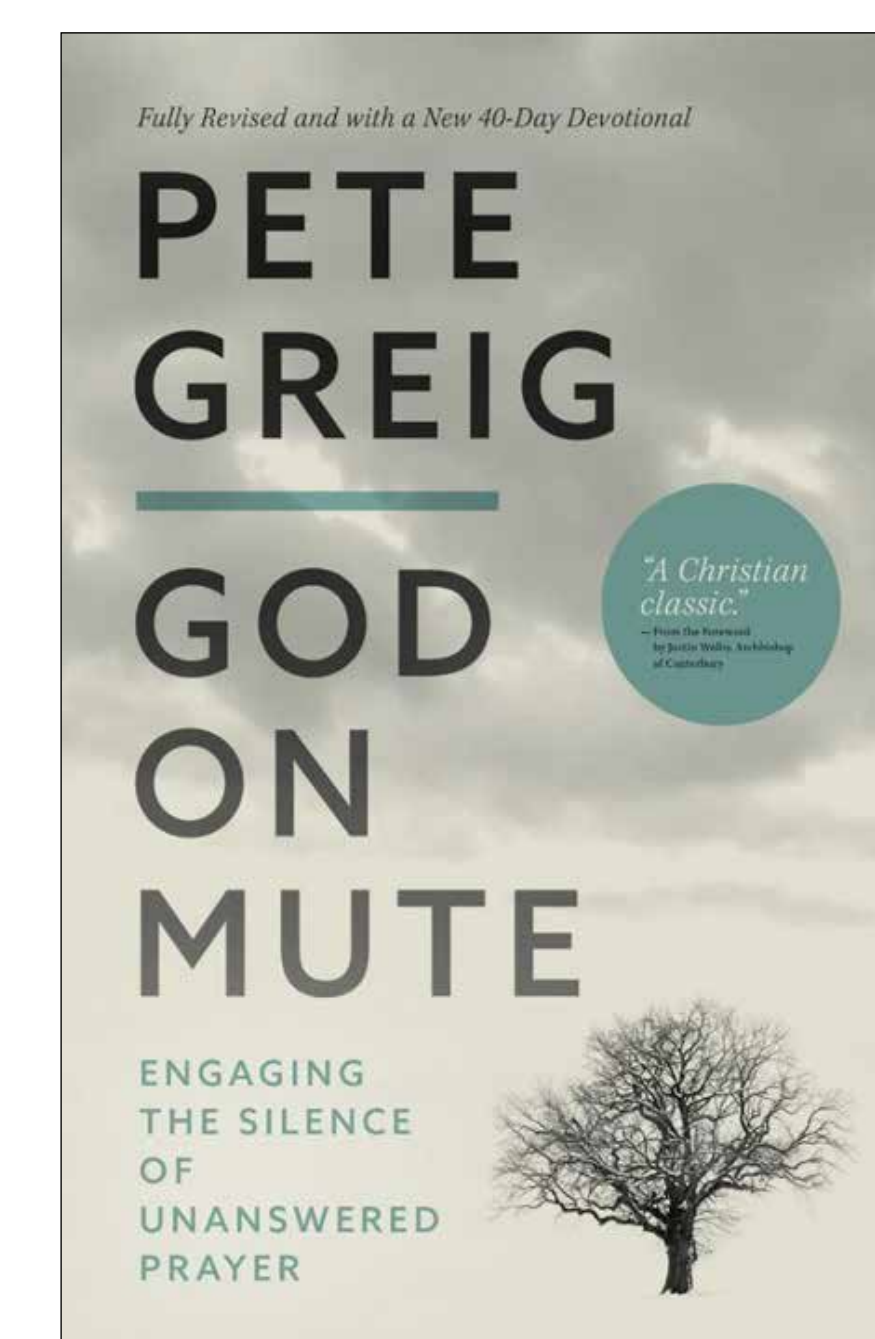

Exploring the story of Christ's playful, poignant conversation on the road to Emmaus, Pete draws deeply from the insights of a wide range of Christian traditions. He weaves together the evangelical emphasis upon hearing God in the Bible, and the charismatic commitment to hearing God in the prophetic, with the contemplative understanding of God's 'still, small voice' within.

About the Author

Pete Greig is a writer, church-planter and bewildered co-founder of the 24-7 movement. He heads up Emmaus Rd in Guildford with his wife Sammy, serves as Vice-President for the NGO Tearfund and was part of the senior leadership team at HTB in London for seven years.

Pete's publications include 'Red Moon Rising', 'God on Mute', 'The Prayer Course' and 'Dirty Glory'. He loves art galleries, live music and knocking down walls. Pete tweets regularly @petegreig

“Faith is confidence in what we hope for and assurance about what we do not see. This is what the ancients were commended for.” —Hebrews 11:1–2.

Like the Bible heroes found in Hebrews 11, you’ll face hardships in life where all you can do is cry out to your Heavenly Father. For those trials, ‘Praying Like a Kingdom Hero’ will help you seek God’s providence and peace with a heart of worship, wisdom, and willingness to follow His plan for your life.

In this companion to ‘Kingdom Heroes’, Dr. Tony Evans will show you how to pray like those praised by God. He’ll guide you through prayers that let you humbly approach God with your fears and desires, seeking a spirit of Christ-centred endurance that will carry you to victory. When the winds of chaos blow turmoil into your life, God remains your perfect refuge.

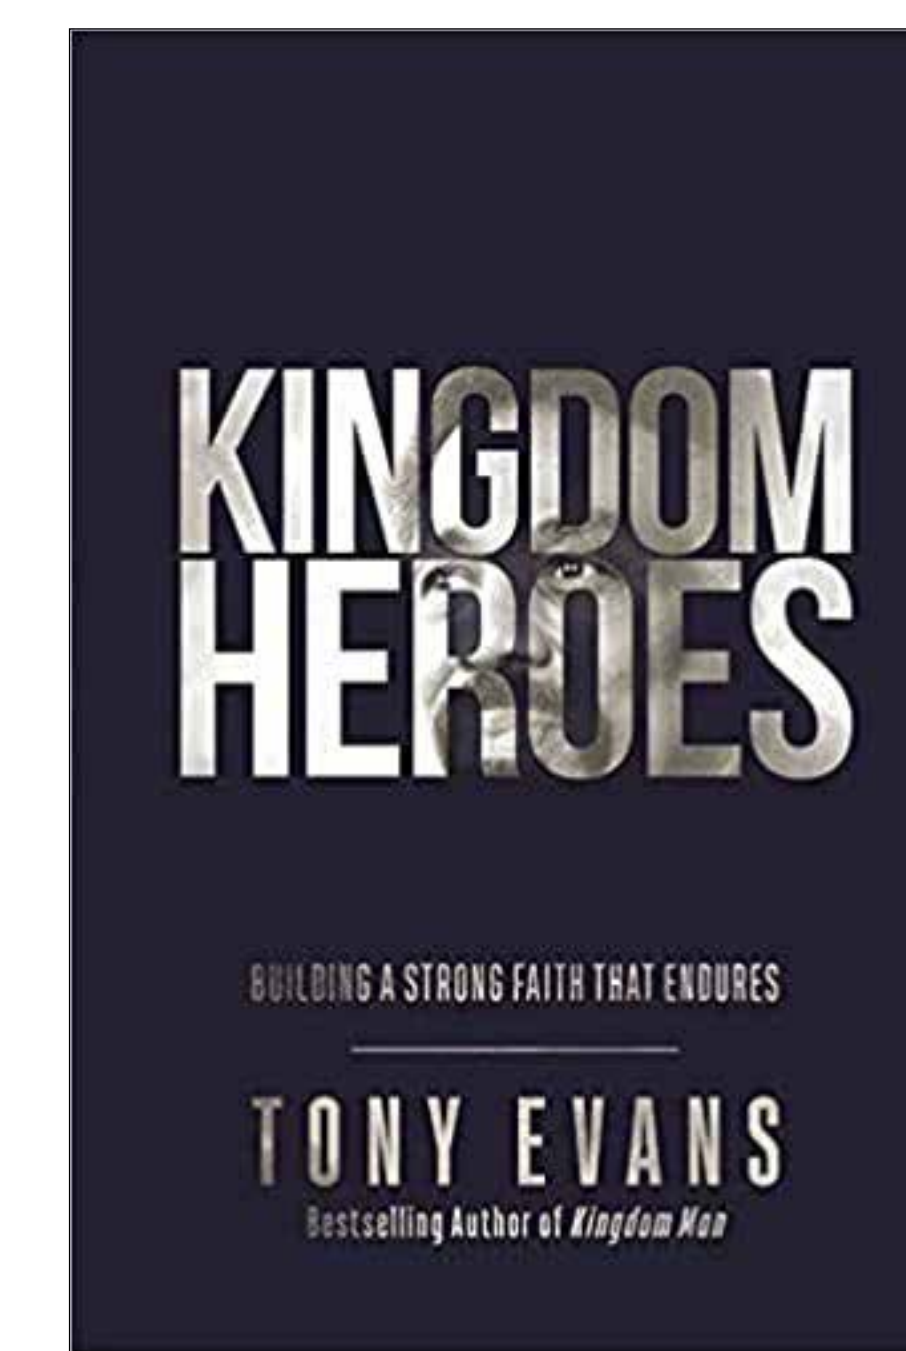

‘Praying Like a Kingdom Hero’ encourages you to seek God through conversation with Him, confident that He’ll enact His perfect will through life’s imperfect circumstances.

Description

No other figure has impacted history like Jesus. Yet today, he's often seen as a mythical character whose legend increased over time. So what does the historical and archaeological evidence say about Jesus?

Archaeologist Dr. Titus Kennedy has investigated firsthand the discoveries connected to Jesus' birth, ministry, crucifixion, and resurrection. He has visited and excavated where Jesus walked, and examined the artifacts connected to Jesus' life. Here, he presents an up-to-date and comprehensive overview of the research and findings that illuminate the historicity of Christ as presented in the Bible.

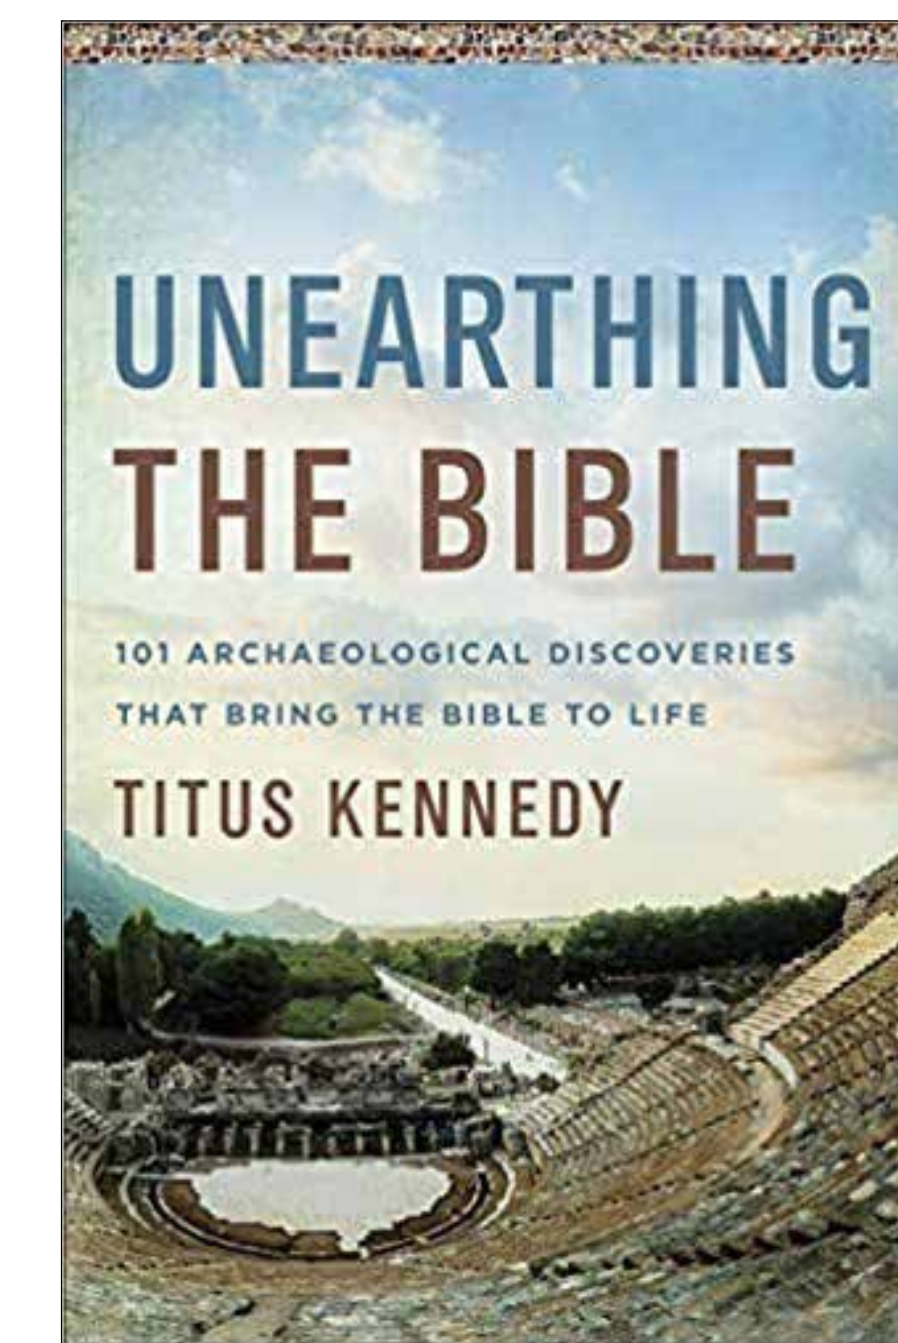

'Excavating the Evidence for Jesus' progresses chronologically through the Gospels, noting the many relevant archaeological, historical, geographic, and literary findings. As you read, you'll be able to decide for yourself whether the evidence confirms the existence and story of Jesus, and determine whether the Gospels are worthy of being approached not as legends, but as history.

Further, you'll gain a deeper understanding of the historic basis of Christianity, a richer knowledge of the ancient world, and an evidence-based perspective on the reliability of the Bible.

About the Author

Dr. Titus Kennedy is a professional field archaeologist currently directing archaeological projects in Bible lands while researching, writing, and teaching in the field of biblical archaeology. In addition to being an adjunct professor at Biola University and a research fellow at Discovery Institute, he has been a consultant, writer, and guide for history and archaeology documentaries and curricula, and has also researched and photographed the known archaeological sites and artifacts connected with the life of Jesus

What do the feasts of the Bible have to say about our place in the tired world in which we live?

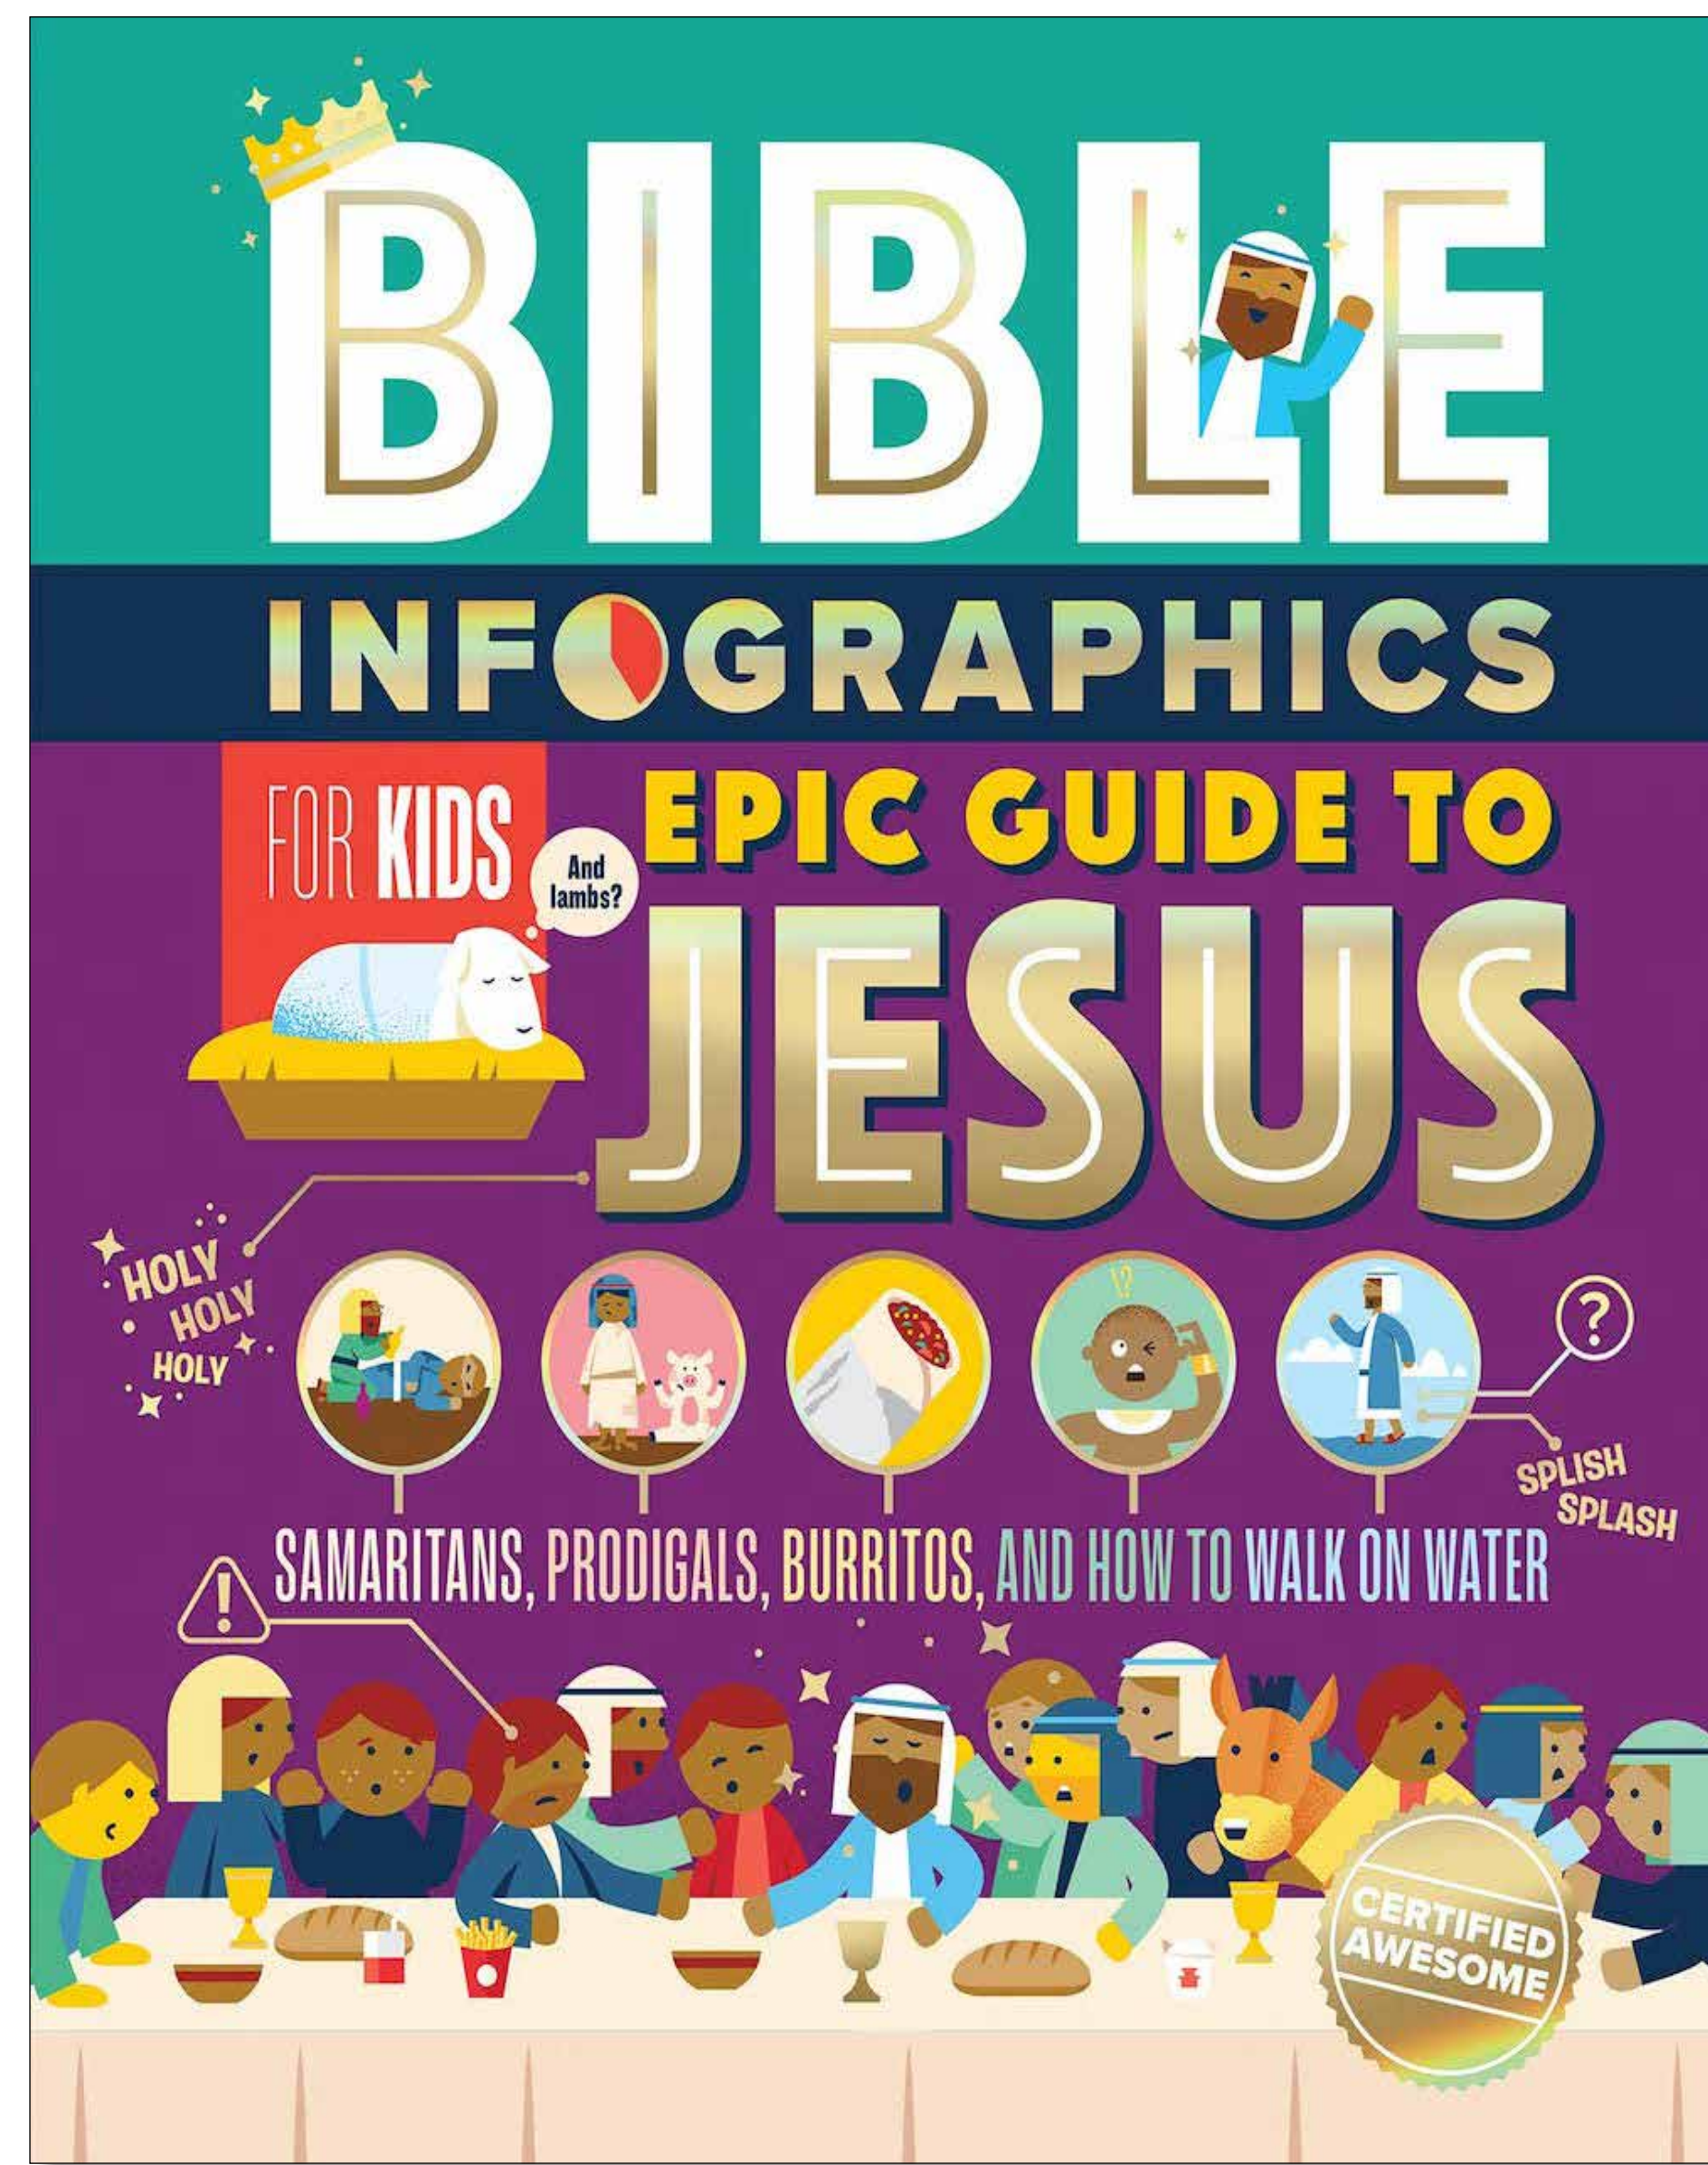

In short, everything. From Genesis through Revelation, redemptive history is captured through feasts. Through them, God calls his people to remember mercy, delight in grace, and commune with him—and proves he doesn't ration his rich, soul-satisfying love, but instead lavishes it upon us.

'Invitations to Abundance' brings alive the feasts of scripture and illuminates how relevant they are in our modern world that's so defined by worry, isolation, and disillusionment.

When your heart needs encouragement, these wondrous celebrations give you a reason to find security, unity, and hope.

Each chapter presents a unique feast from Scripture—from the well-known to the less familiar—and considers how you can respond worshipfully as a partaker of these celebrations.

'Invitations to Abundance' shows you how to reciprocate God's initiating kindness, and what it means to live knowing God's table is spread before you.

Description

The Hiding Place is Corrie ten Boom’s personal story of faith, forgiveness, and love for the persecuted Jewish community during the World War II Nazi invasion and occupation of Holland.

Part of an underground resistance movement, Corrie and her family risked their lives to hide Jewish friends within a secret wall space of the Beje, their beloved clock shop and home in Haarlem, Netherlands. Her heroic actions eventually led to her arrest and imprisonment at Ravensbrück, the German Reich’s largest concentration camp for women.

For the first time, the ten Boom family’s heart-wrenching story of sacrifice and survival is presented as a special edition complete with rare family photos, accents of Dutch Delft-style design, artwork by Dutch artists, and personal ephemera.

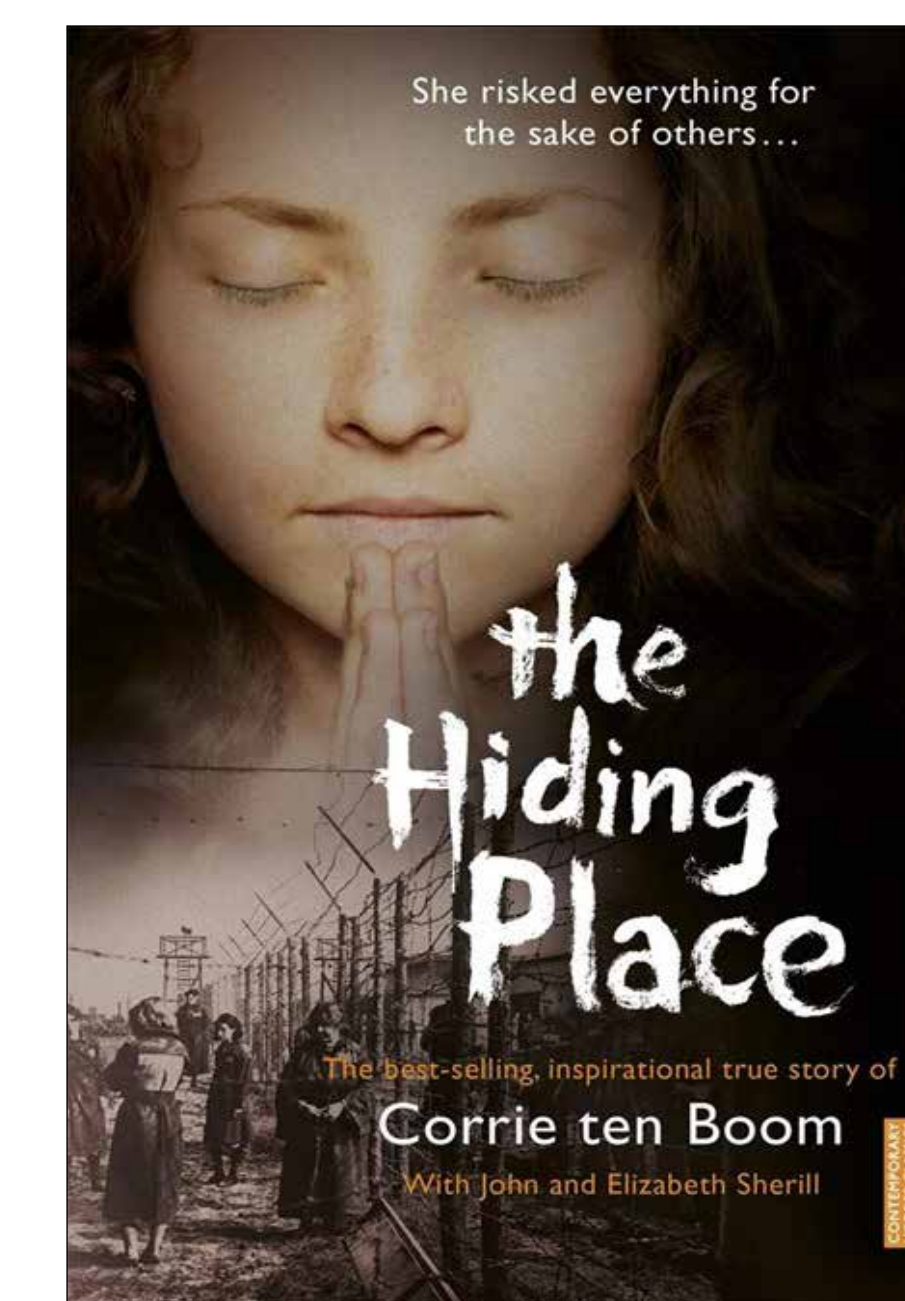

Hand-lettered inspirational quotes and Scripture combined with artwork reminiscent of World War II Europe make The Hiding Place come alive like never before.

About the Author

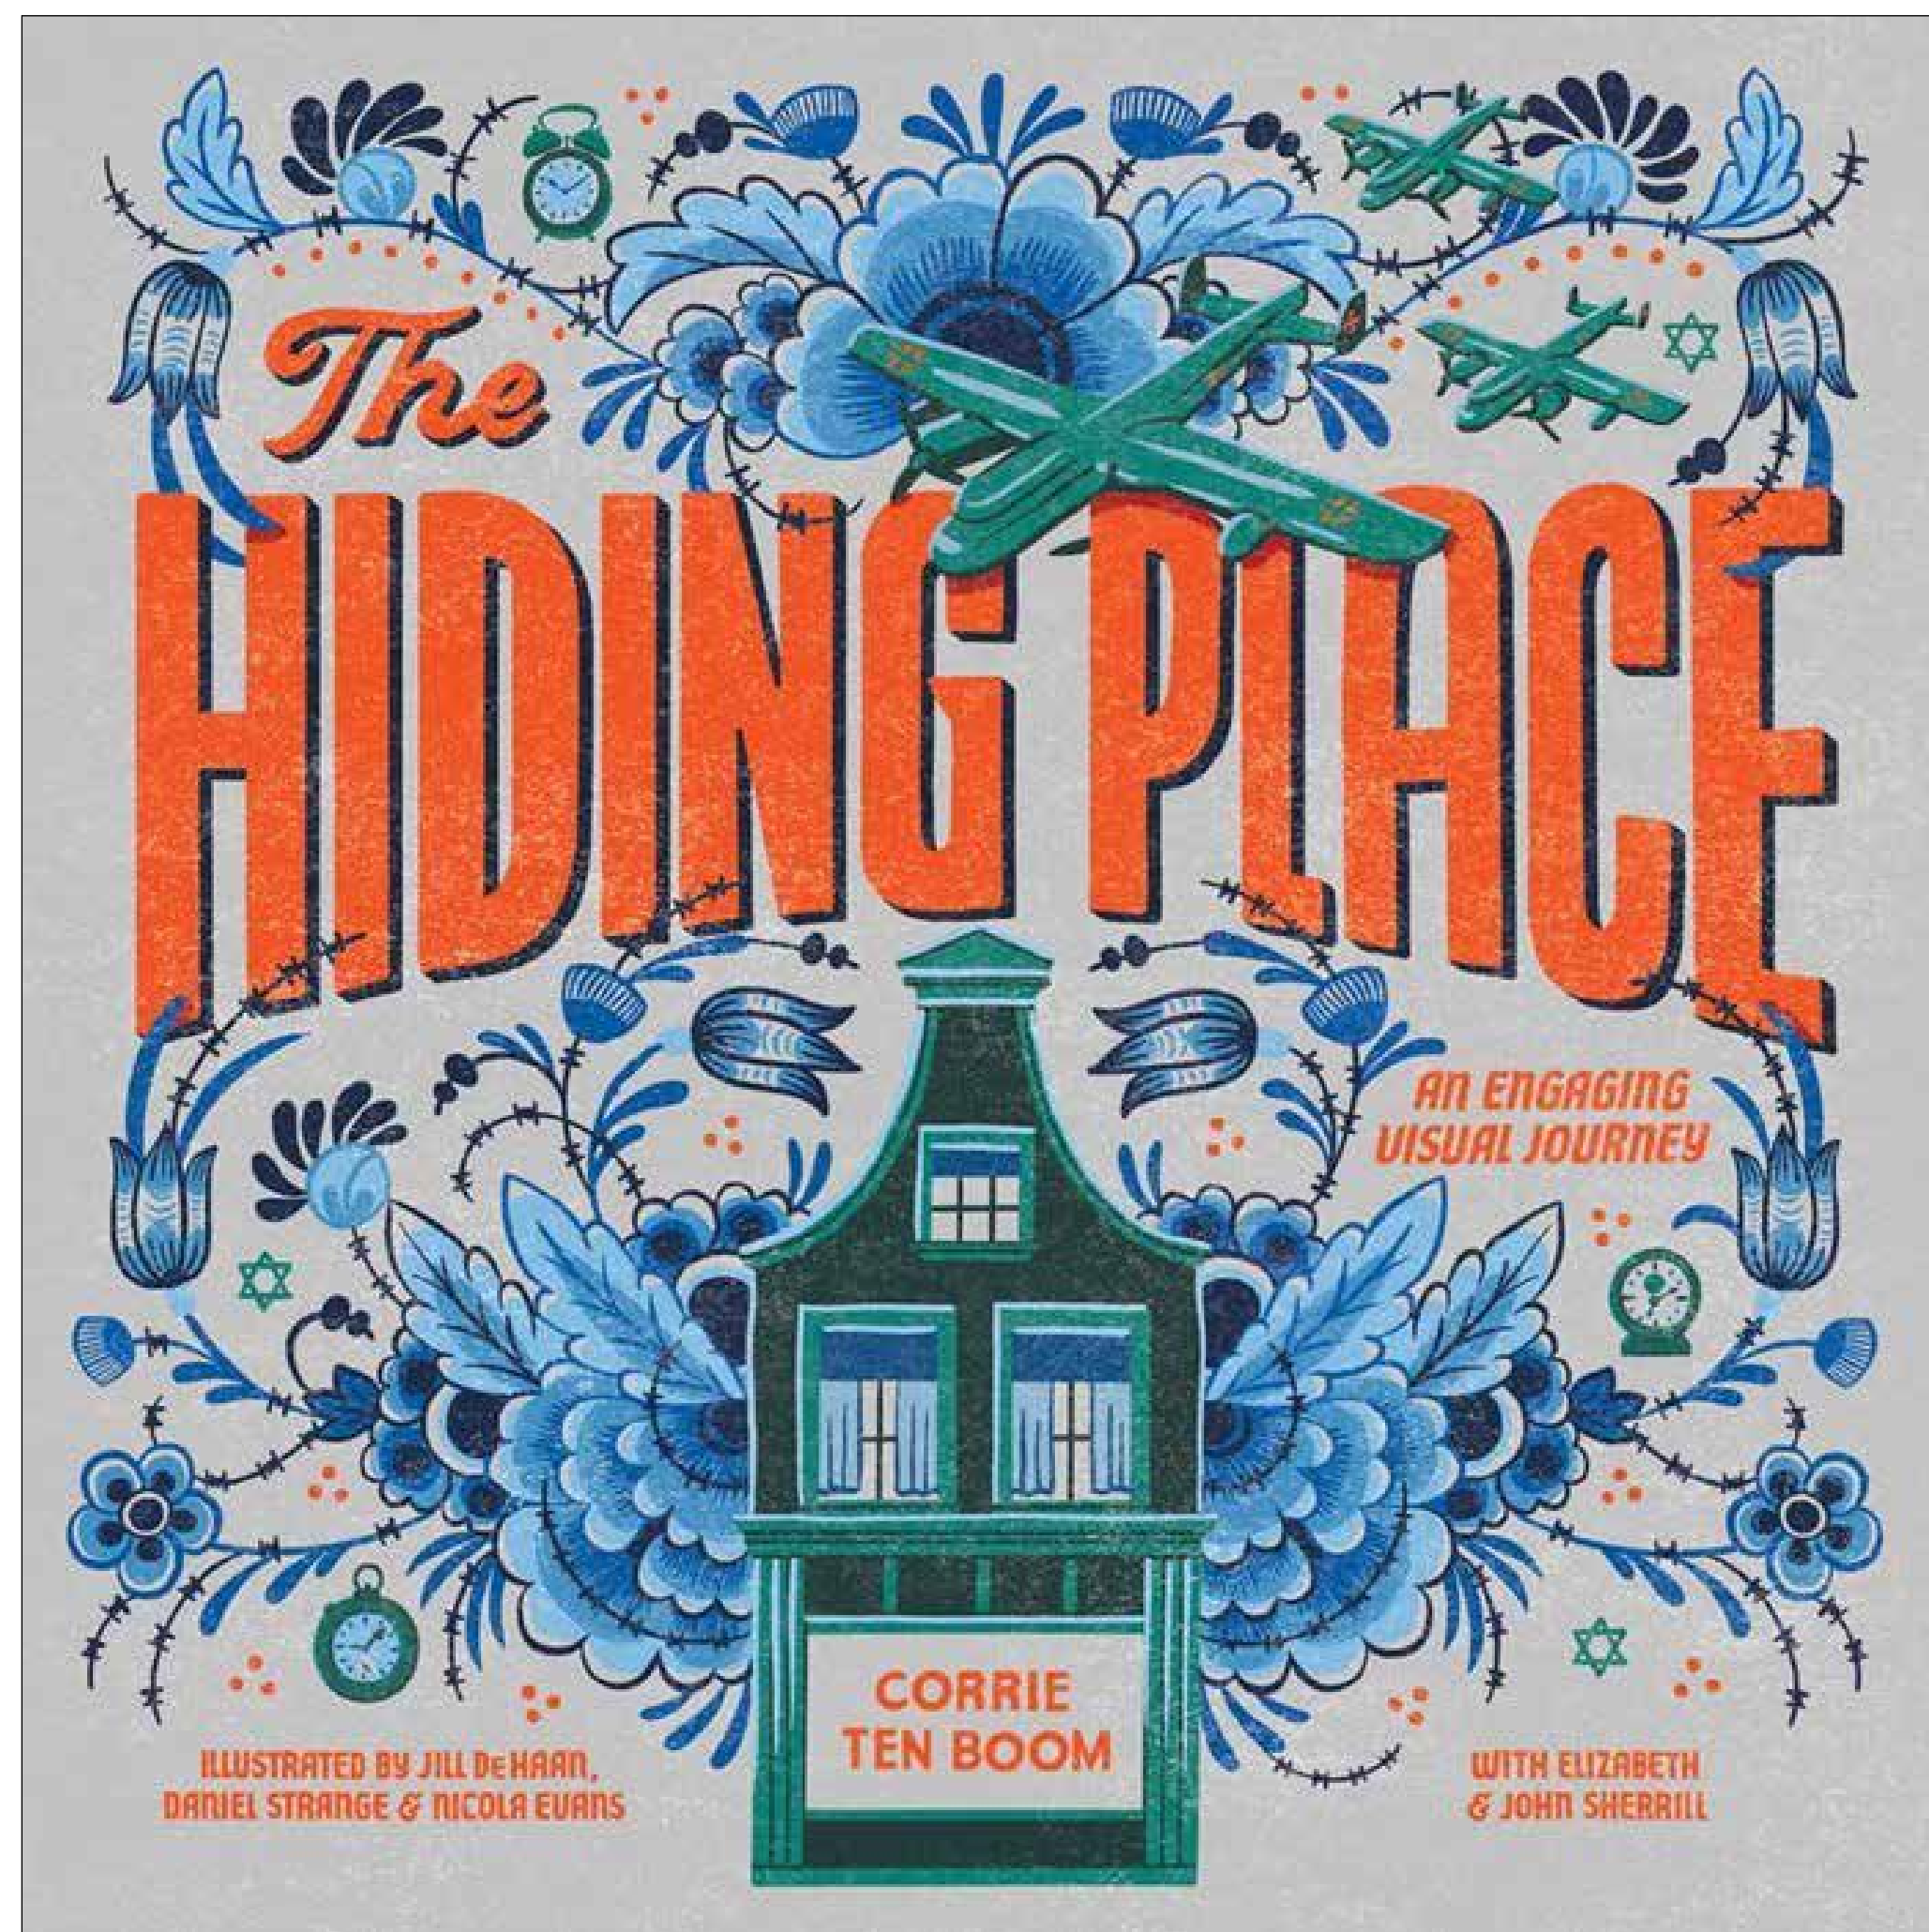

Cornelia “Corrie” ten Boom (15 April 1892 – 15 April 1983) was a Dutch Christian who, along with her father and other family members, helped many Jews escape the Nazi Holocaust during World War II.

She was imprisoned for her actions. Her most famous book, *The Hiding Place*, describes the ordeal.

Title: What Is Christianity?
Author: Herman Bavinck, Gregory Parker Jr.
Price: £15.99*
Product Code: 9781683074205
Format: Paperback
Genre: Doctrine & Theology
Distribution: UK & Europe

In this book, Dutch theologian Herman Bavinck (1854–1921) provides a historical sketch on the nature of Christianity and the unifying power of Christ.

He proceeds from unity to diversity--on what the Christian church agrees and the areas where it differs. It is apologetic and evangelistic, ecumenical and Reformed, and historical and theological in scope.

In this succinct book, Bavinck traces the history of Christian doctrine and life, distinguishing the East from the West, and then focusing on the West through the Reformation to the twentieth century.

Both at the beginning and the end of the book, he places before the reader what he deemed the most important religious and theological question of the day: Who is Jesus?

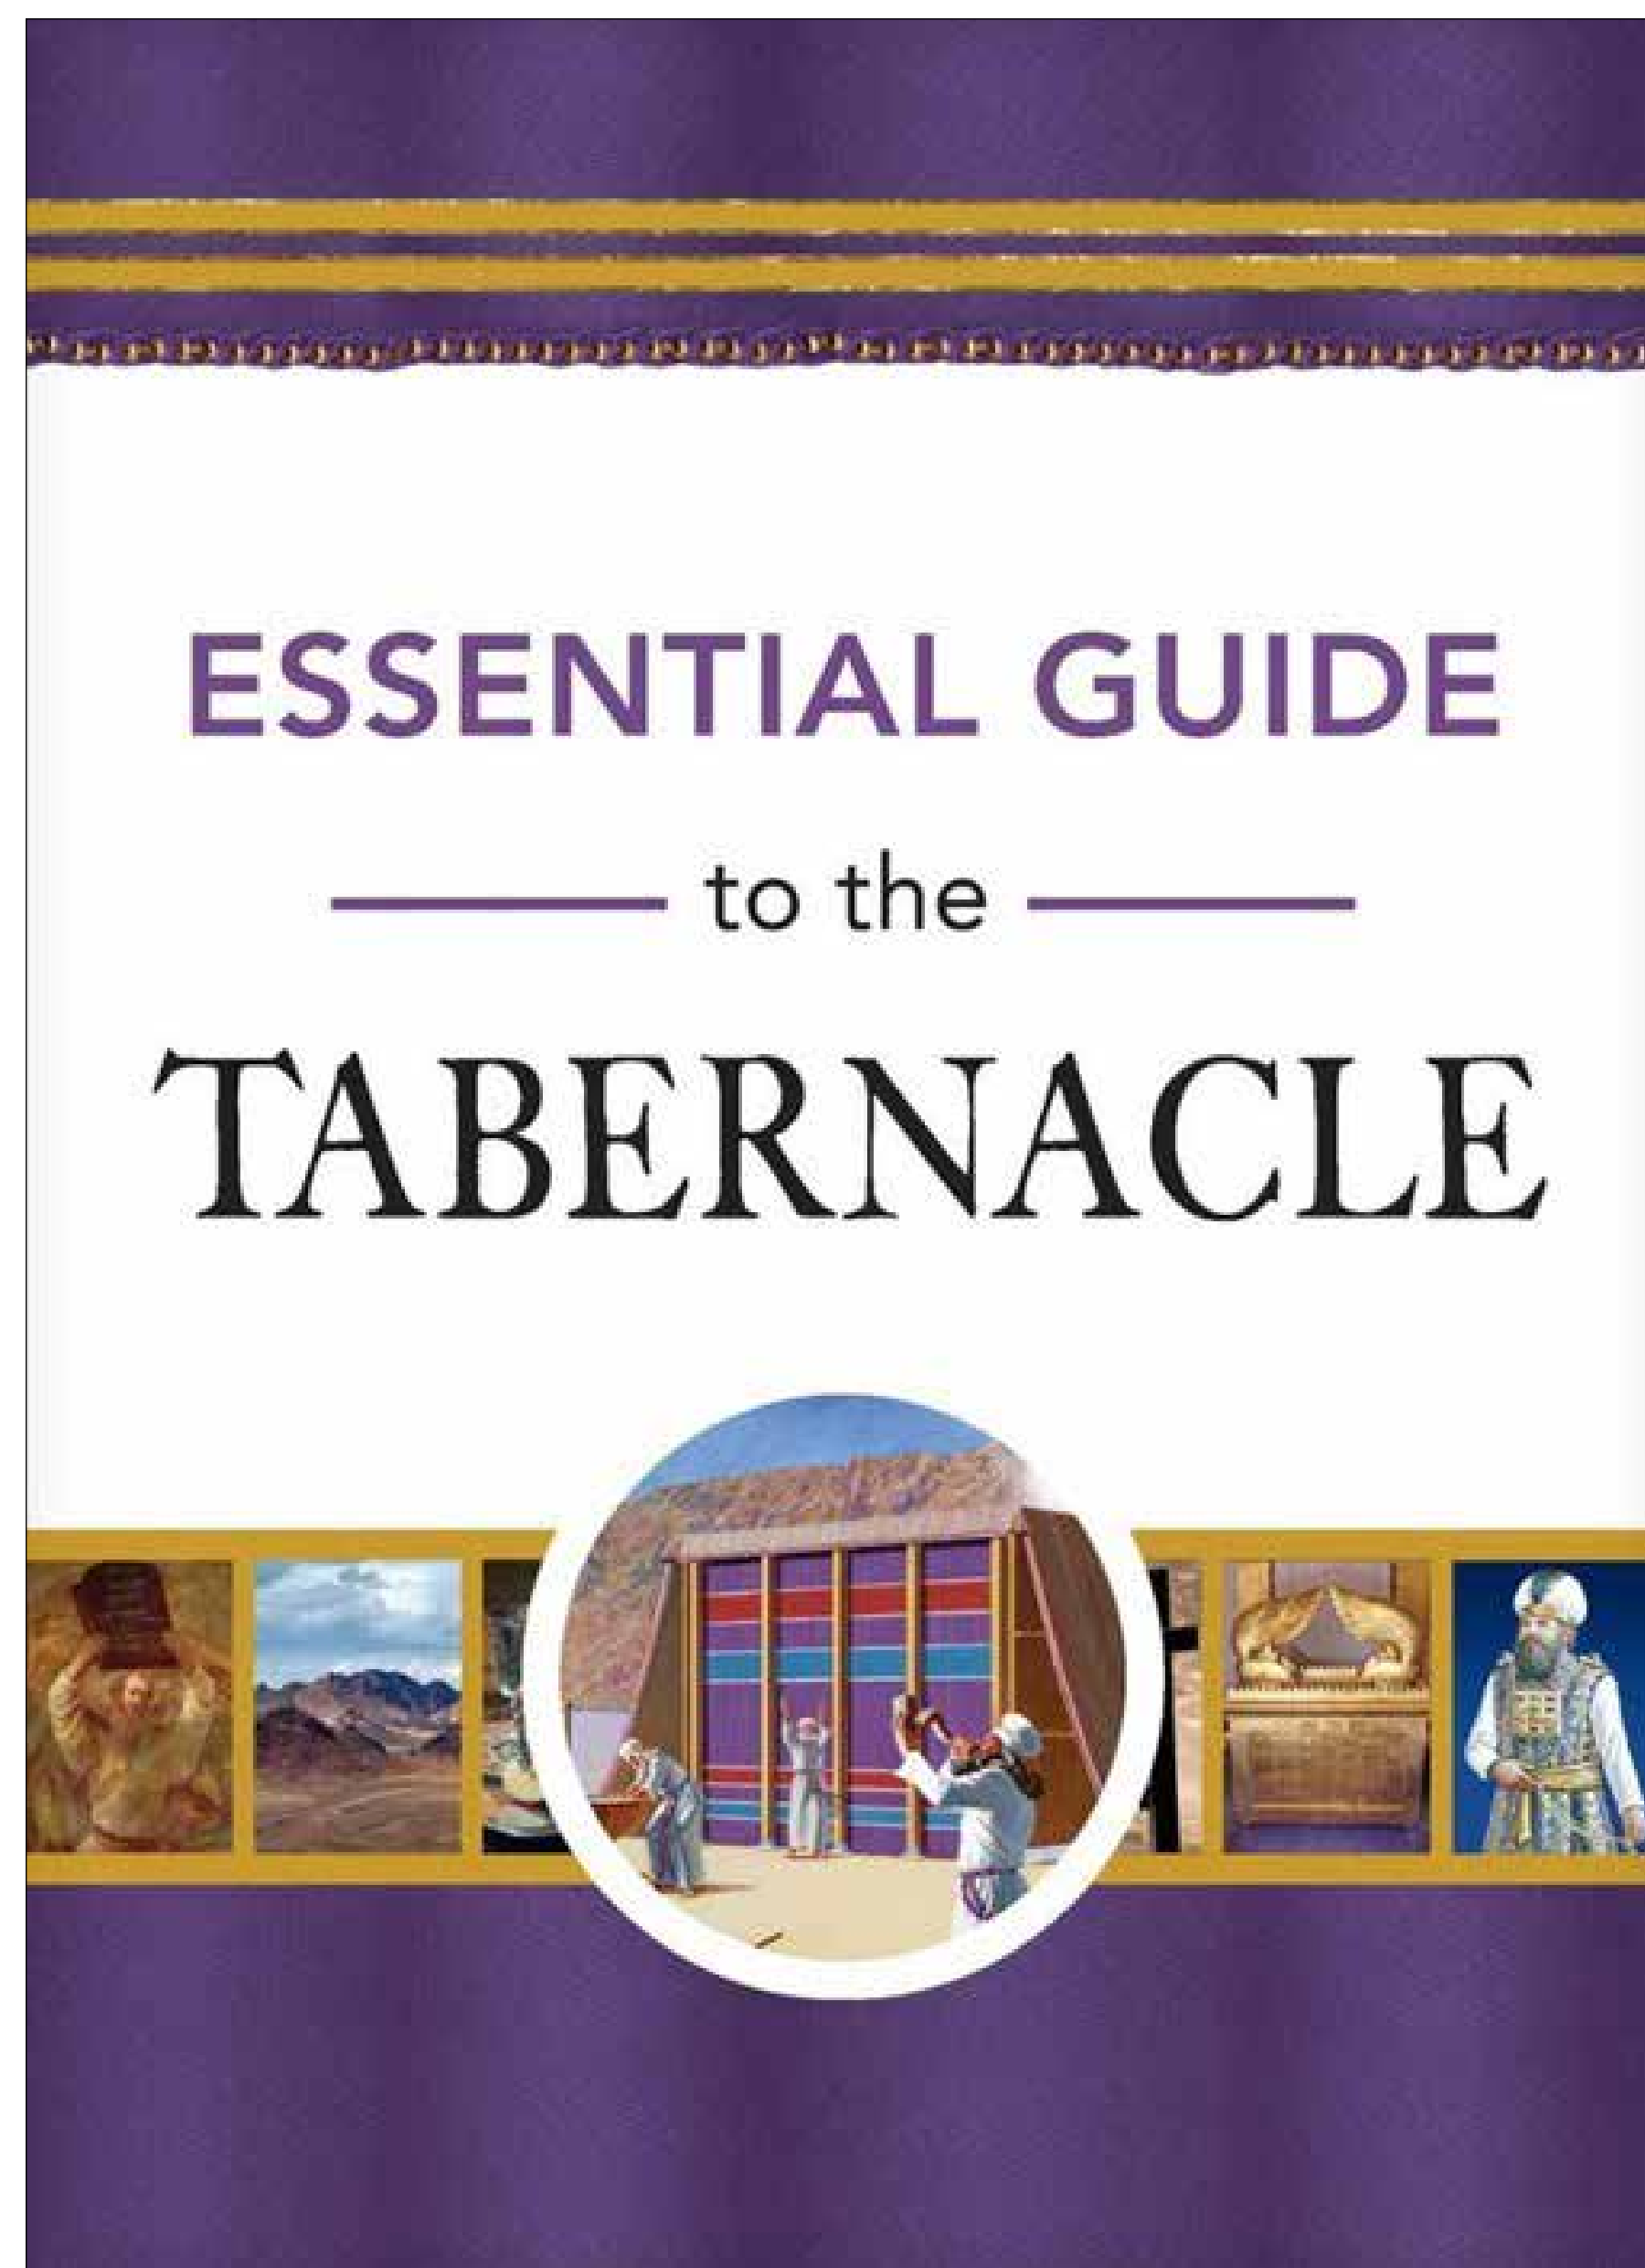

Title: Guidebook for Instruction in the Christian Religion
Author: Herman Bavinck, Gregory Parker Jr.
Price: £23.99*
Product Code: 9781683072997
Format: Hard Cover
Genre: Doctrine & Theology
Distribution: UK & Europe

"In writing this Guidebook," Bavinck says in his preface, "I had in mind, the pupils in the highest classes of our Christian gymnasium, public schools, in the education of teachers, and in normal schools, etc. and moreover those who desire to understand the main content of our Christian, Reformed confession of faith through a not too comprehensive or expensive book."

Herman Bavinck completed Guidebook for Instruction in the Christian Religion in 1913 and reprinted it in the Netherlands in 1931. He originally intended it for high school students and Christians of every confession. Bavinck's goal was to make Christians more familiar with the rich, deep thoughts of Scripture as universally expressed in the Christian faith.

Guidebook for Instruction in the Christian Religion is an introductory systematic theology by one of the foremost theologians of the past century. Alongside The Sacrifice of Praise, this is Bavinck at his best doing catechetical theology.

To this end, Bavinck sets off to explain in a simplified manner the main contents of the Christian religion, even giving it a title that is a tip of the hat to John Calvin's Institute of the Christian Religion. While Bavinck's lengthy Reformed Dogmatics is an academic work, Guidebook for Instruction serves a more egalitarian aim. It is a theological guide for the everyday person in the pew. In this one--and much shorter--volume, Bavinck walks Christian readers through all the major topics covered in Reformed Dogmatics with theological depth and insight.

Title: The 5 Masculine Instincts
 Author: Chase Replogle
 Price: £11.99*
 Product Code: 9780802425546
 Format: Paperback
 Genre: Men's Interests
 Distribution: UK & Europe

It's no secret: today's men face a dilemma. Our culture tells them that their instincts are either toxic or salvific. Men are left with only two options: deconstruct and forfeit masculine identity or embrace it with wild abandon. They're left to decide between ignoring their instincts or indulging them. Neither approach helps them actually understand their own masculine experiences nor how those experiences can lead them to become better men of God.

The Bible doesn't shy away from the reality of masculine instincts nor all of the ways those instincts can lead to destruction. Examining the lives of five men of the Bible, The 5 Masculine Instincts shows that these men aren't masculine role models or heroes but are men who wrestled with their own desires and, by faith, matured them into something better.

Through this book you'll discover your own instincts are neither curse nor virtue. They are the experiences by which you develop a new and better instinct—an instinct of faith.

By exploring sarcasm, adventure, ambition, reputation, and apathy, The 5 Masculine Instincts shows you how to better understand yourself and how your own instincts can be matured into something better.

A lot of times, we treat Scripture like it's all the same from Genesis to Revelation. After all, it only has one Author. Isn't it just one big book, identical from beginning to end?

While it's true that the Bible is unified, it is also diverse. The Bible can be grouped according to key categories, called genres, that help us to read and properly interpret the Scriptures. An understanding of these genres, and the literary themes and devices used within them, makes all the difference when encountering God's Word.

Long-time Bible teacher Kristie Anyabwile discovered as she prepared her lessons that a single inductive approach doesn't do justice to the variety of genres that make up the Word of God.

Because Scripture is a collection of writings that spans 1,500 years, many literary styles are represented and each must be taken into account for the fullest understanding of God's Word.

Kristie shows you the immense value of studying the Bible literarily--that is, according to the literary style presented in a particular book, chapter, or passage.

Description

This is a new edition of 'Only A Prayer Meeting' with a foreword by Mark Dever.

Spurgeon used to address his church at midweek meetings as well as the powerful sermons on Sundays. These addresses were generally more informal in tone and were designed to supply motivation for the church to pray. They are classic Spurgeon and are divided into 4 sections and each concludes with a hymn Spurgeon composed himself for morning prayer meetings.

Section 1 – Addresses on prayer and prayer meetings

Section 2 – Expositions of scripture

Section 3 – Incidents and illustrations

Section 4 – Addresses on practical matters in the church

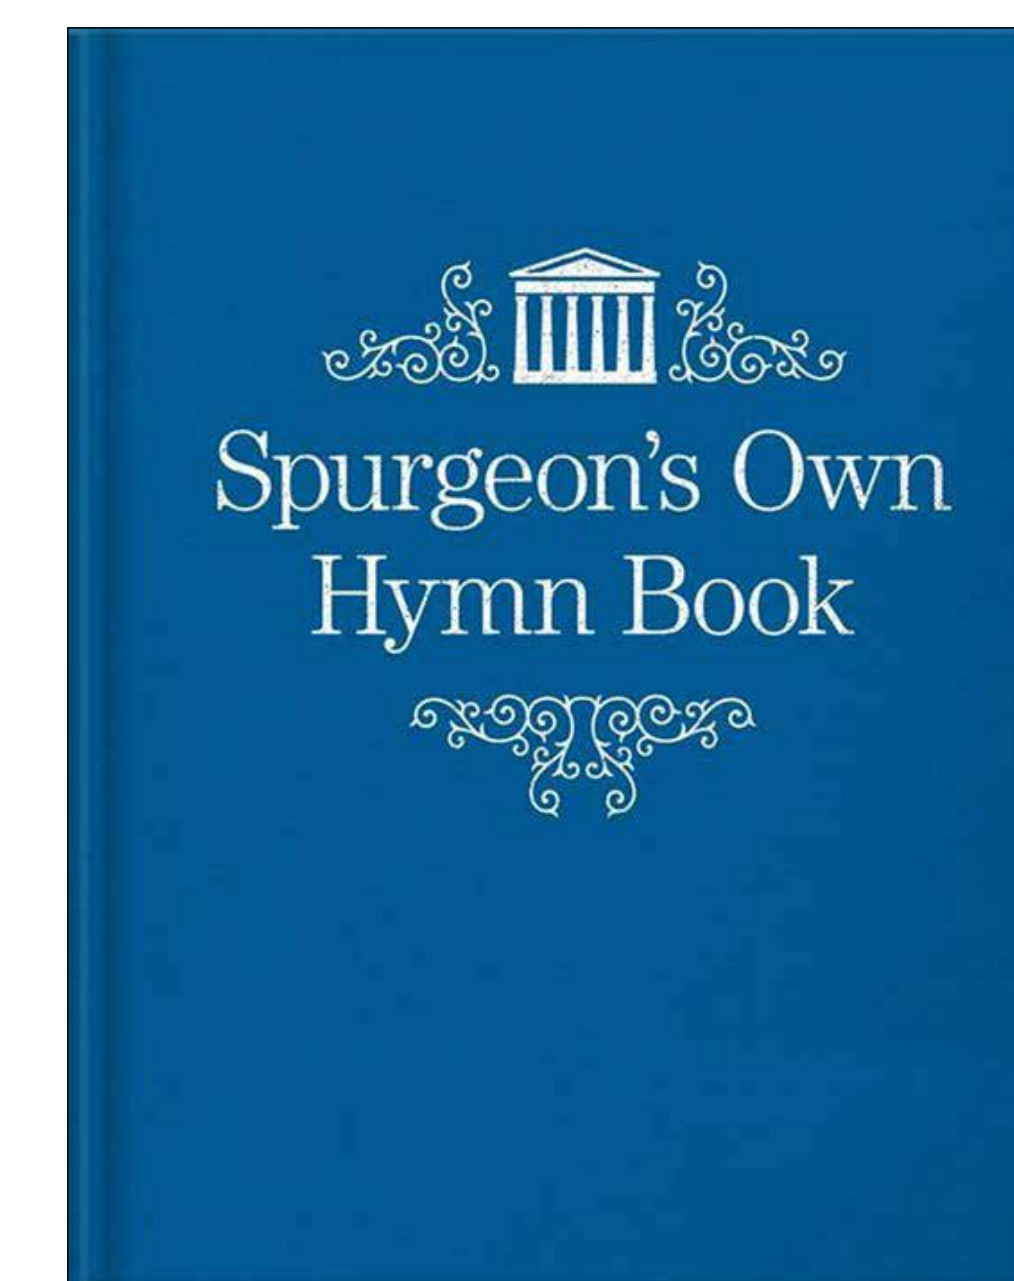

Together this collection is charming, challenging and cheering! If you wanted to find out how Spurgeon fuelled his church for everyday Christian living and a life of prayer then there is no better starting place.

Description

Christian men today are unprepared for the reality and scope of spiritual warfare they face. Some go about their lives naively ignoring the power that spiritual forces like sin and Satan have in their lives. Joe Barnard has written a book to help men not only wake up to the existence of sin in their lives, but, in the power of the Holy Spirit, to tackle it head on.

This may seem like a daunting task. Although few would admit it publicly, privately many share the deep anxiety that the resources of the gospel are inadequate to deal with – not the guilt of sin – but the power of sin. Sin may look like an insurmountable problem when measured by the stature of a fallen man, but to God, sin is no more than a weed planted in sand.

This book is for men who are willing to fight and it will arm them for the task at hand.

 Author: Sean DeMars and Mike McKinley

Having experienced its damaging effects, Sean DeMars and Mike McKinley set out to reveal the insidious toxicity found in the prosperity gospel.

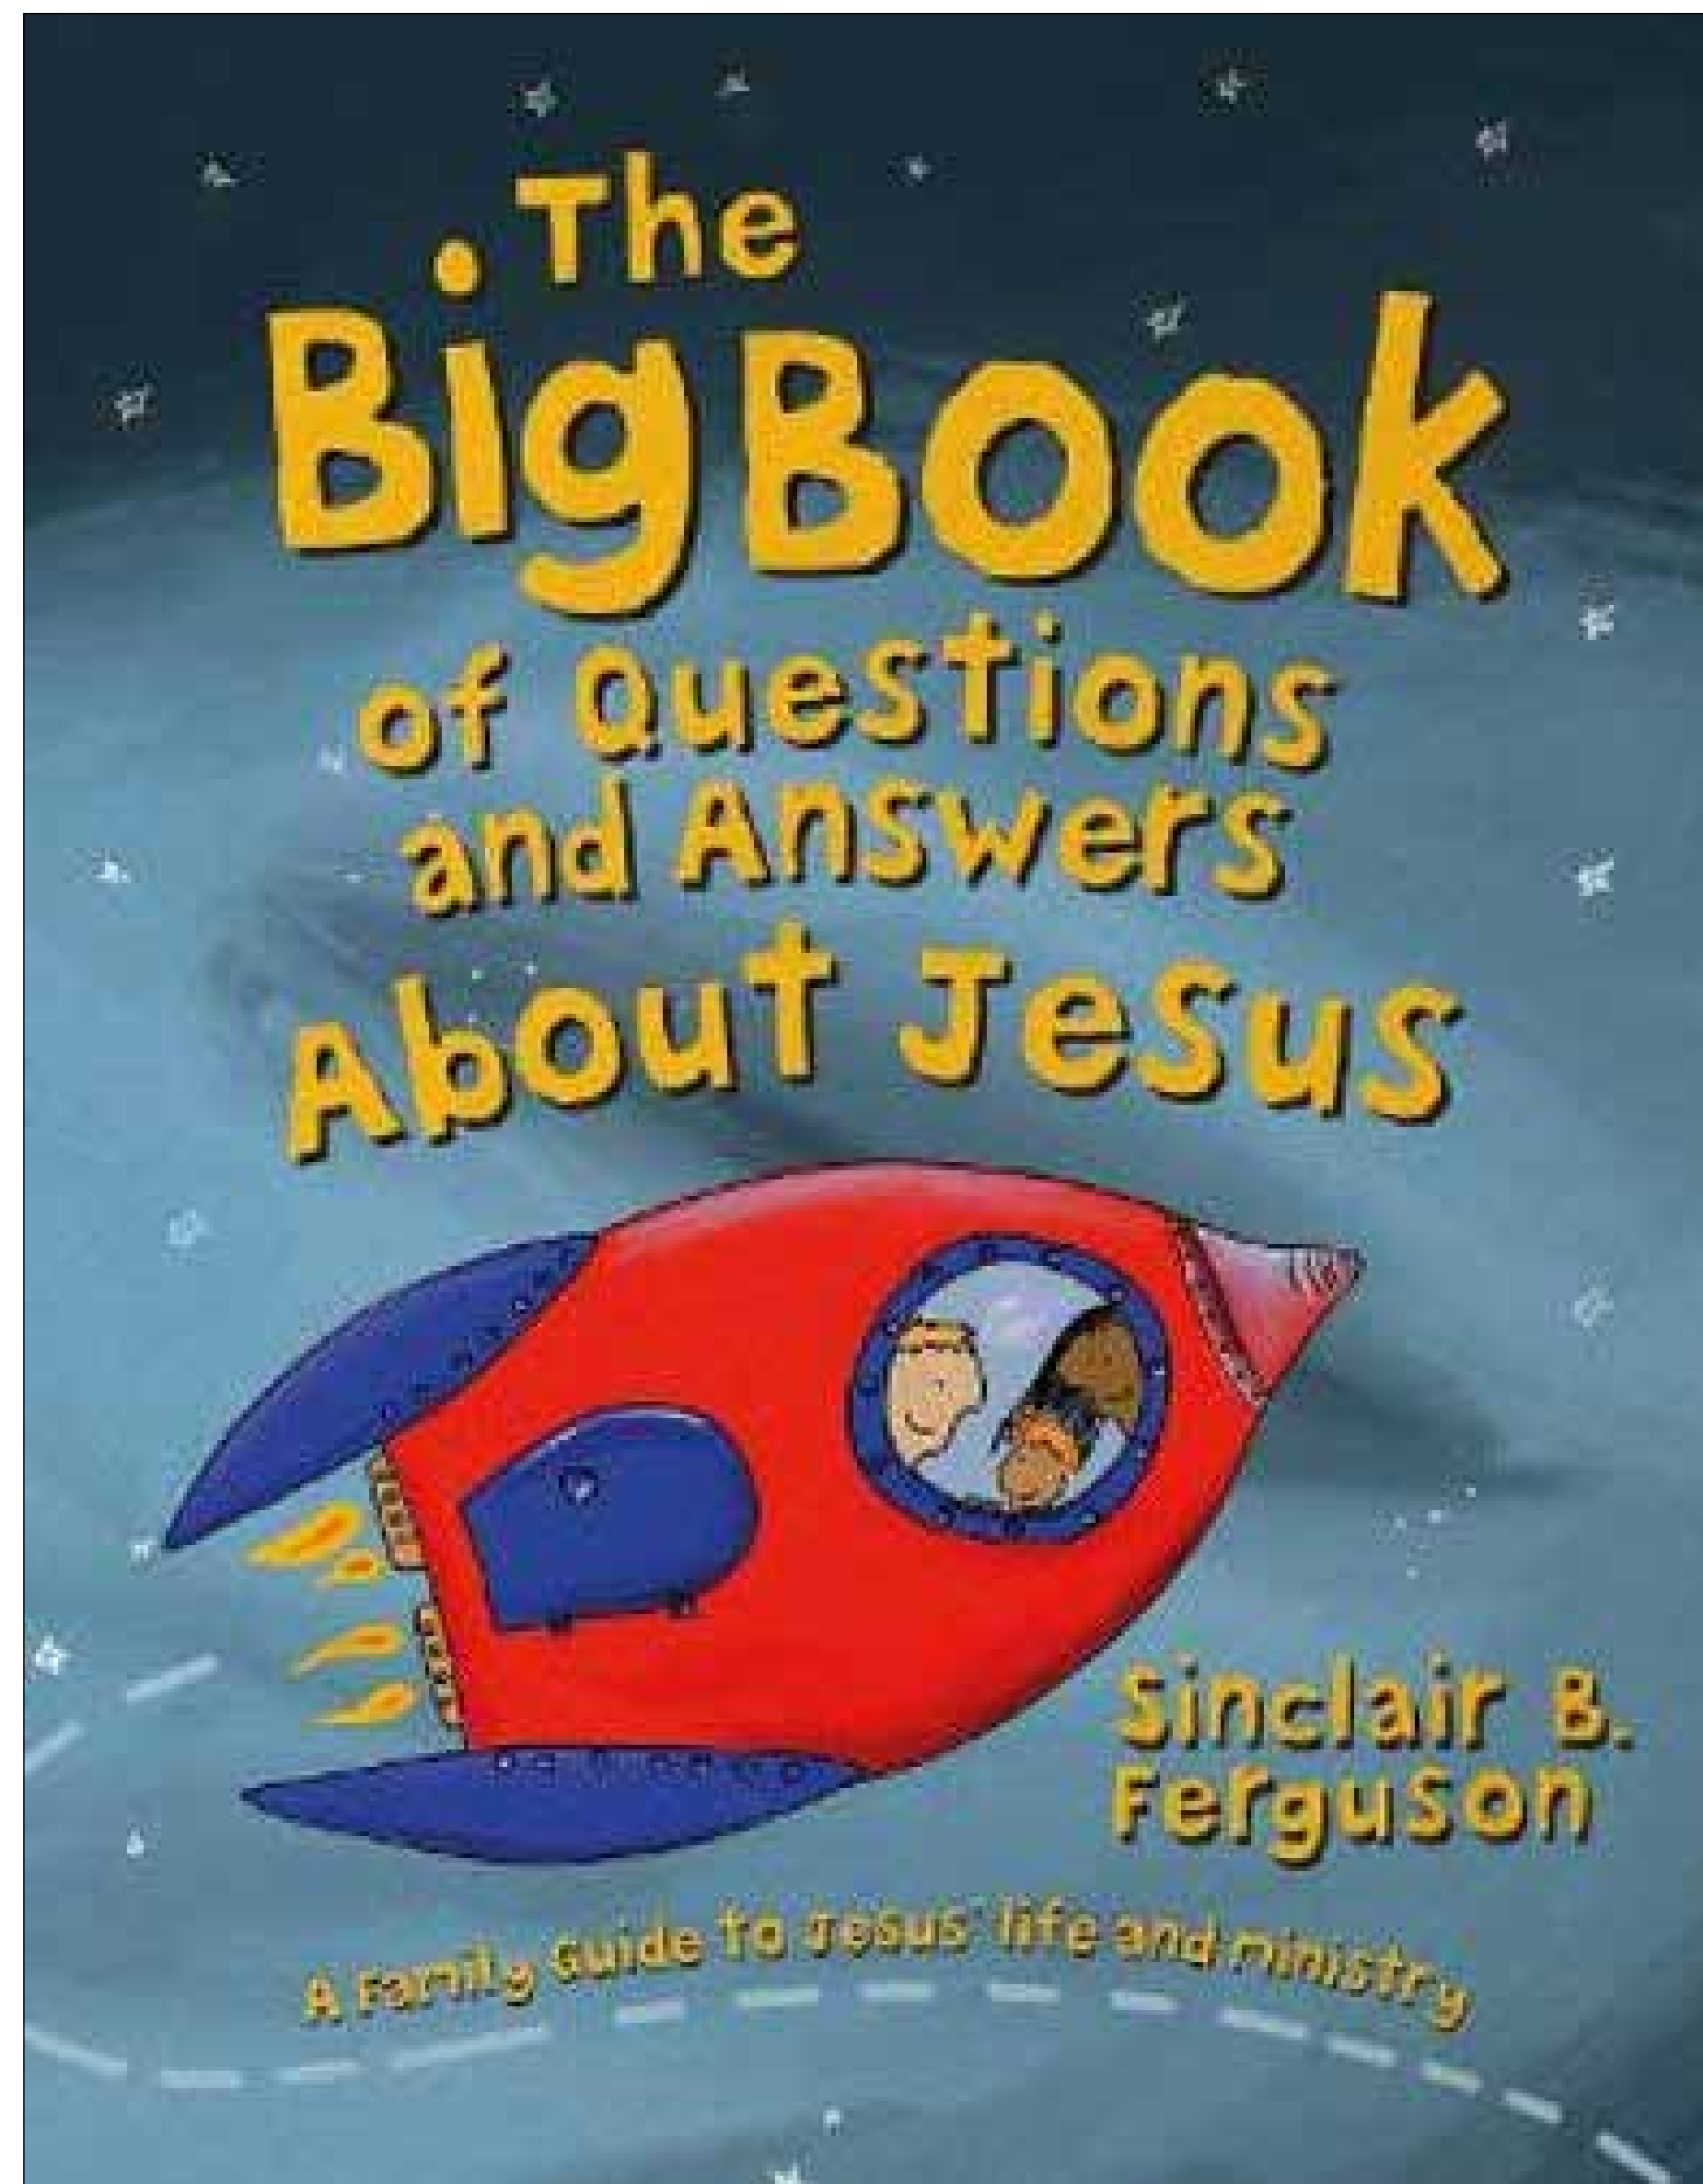

Naming and claiming promises of material blessing for those who believe enough may seem at first glance to be biblical but turn out to be a distortion of God's truth.

Beginning by countering claims made by the prosperity gospel with what scripture actually teaches, they highlight the places in scripture that stand directly opposed to prosperity teachings.

They explore what the Bible teaches about whether people who believe false doctrine are eternally saved, and how to examine our hearts for a prosperity-style understanding of God.

- Excuse Me, but Your Bible is Upside Down
- Yeah, but What About Promises of Health and Happiness?
- Yeah, but What About Promises of Wealth?
- Do TBN Viewers Go to Heaven?

Author: Luke H. Davis
Price: £8.99*
Product Code: 9781527108004
Format: Paperback
Genre: Children's Books/Bible Background

3 BC – 476 AD. The story of the ancient Church is one of a people who were finding their way over many years by the light that God shined forth for them. Today, we are looking back over the centuries with many more years of understanding but we stand on the shoulders of those who braved persecution, death, debate, and mystery on behalf of generations to come.

For the early church persecution was so intense that a number of Christians were martyred. Bishops such as Ignatius, Polycarp, and Cyprian were among them.

The Church produced many great writers, thinkers, bishops, and pastors to offer deep and practical guidance. Justin Martyr, Tertullian, Origen, Athanasius, Ambrose, John Chrysostom, Jerome, and Augustine

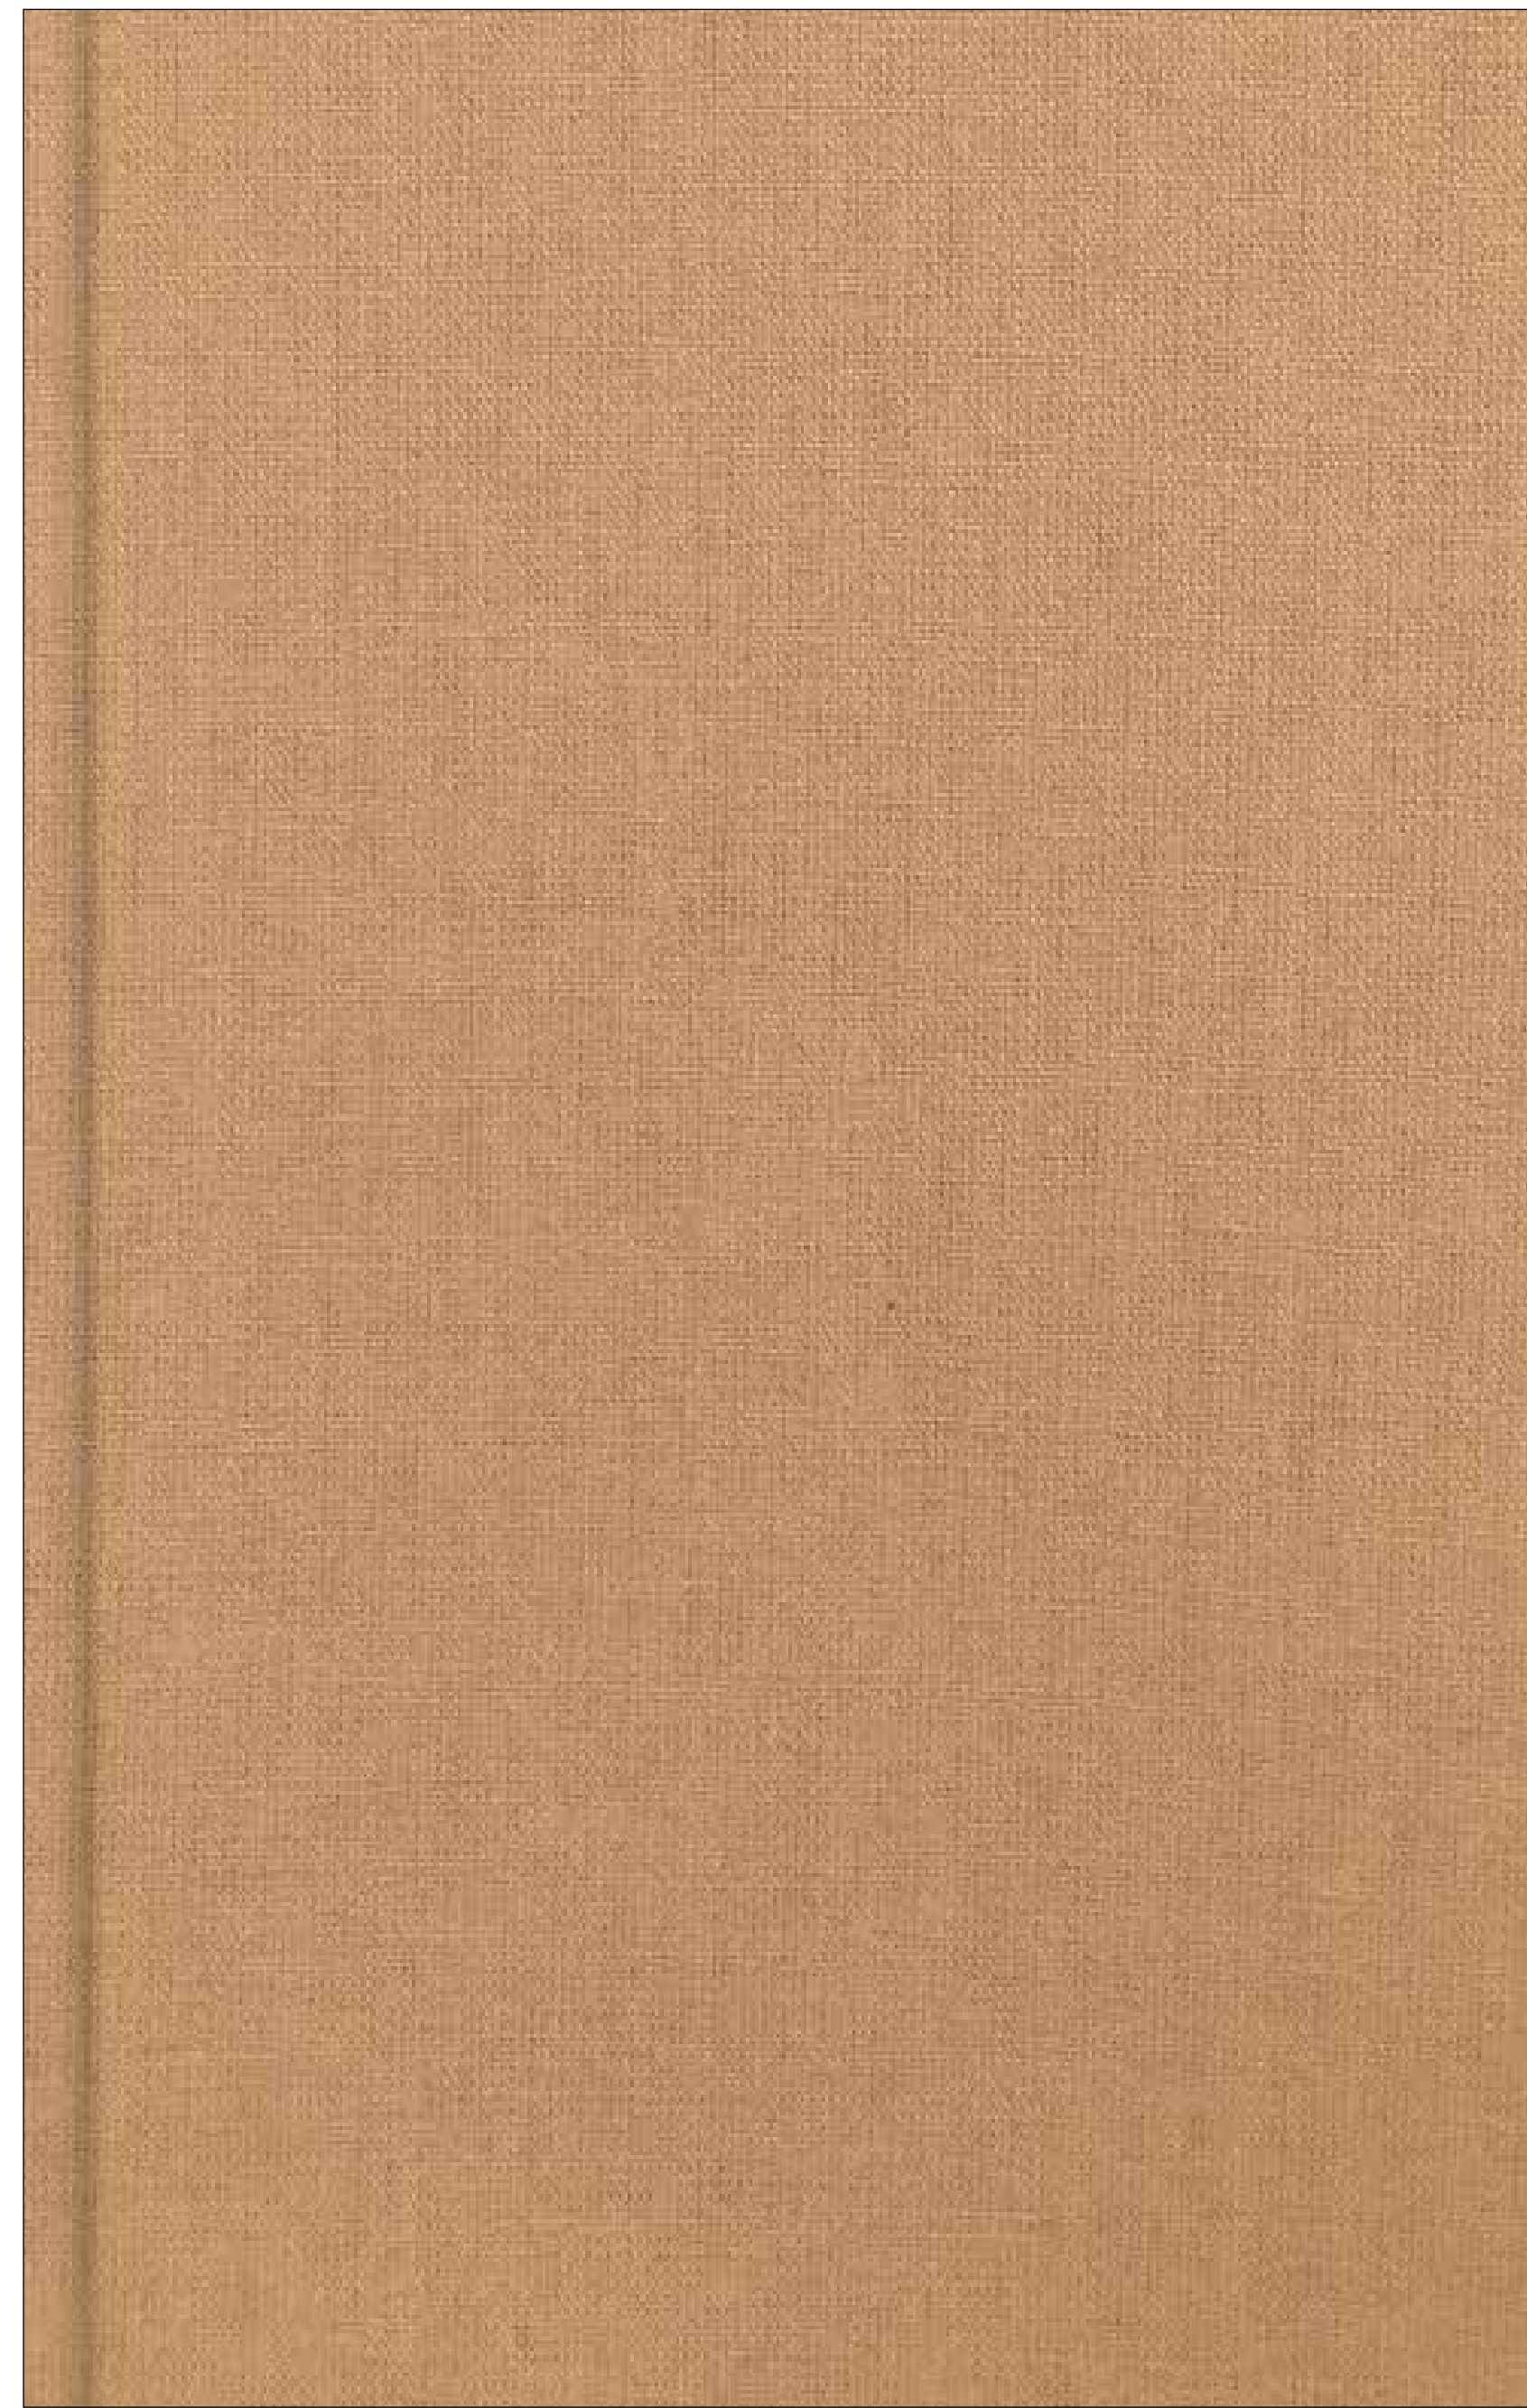

From the Apostle Peter at Pentecost in Jerusalem to St. Patrick on the shores of Ireland in the year 432 – the ancient church has much to teach the church of today.

Title: Reign: The Church in the Middle Ages
Author: Luke H. Davis
Price: £8.99*
Product Code: 9781527108011
Format: Paperback
Genre: Children's Books/Bible Background
Distribution: UK & Europe

During the Middle Ages the church laboured to build a community of faith. Benedict, Columba, and Francis organized communities in which the Gospel could be preached. Theodulf, Anselm, and Bernard of Clairvaux answered the call to reform that community and theology. And when the church's leaders drifted from the authority of Scripture, a first wave of reformers in Peter Waldo, John Wycliffe, and John Hus arose to call God's people back to the grace of God.

This was a Church that sought to reign, love and conquest, a Church that wanted to secure freedom, and proclaim the gospel. When that Church fell into corruption it undertook its own reform. Which one of these is the medieval Church? They all are! And in that we can find hope in the God Who loves His Church as we seek to live in His name.

Description

Spiritually bankrupt. Broken. Humble. Hungry. Sympathetic. Pure. Reconciling. Enduring.

These are not the words that describe the typical picture of the modern-day successful American pastor, but these are the words Jesus said should characterize the lives of his twelve disciples.

In the beatitudes of the Sermon on the Mount, Jesus paints a very clear picture of eight attitudes his disciples should embrace if they expect blessing. Many modern-day pastors cut a very different image than the biblical picture of a local church shepherd. We are supposed to be dreamers, visionaries, catalysts, ambitious, thought leaders, influencers, motivators, and change agents. Much time is spent crafting and sustaining our image, broadening our reach, and extending our platform.

Poor in spirit? Mourning? Humble? Not so much. In many circles, the image of what a pastor is or does looks nothing like the picture Jesus paints for his disciples of the character that marks citizens of his kingdom.

Shepherding like Jesus is a call to rebel against much of what our culture understands pastoral leadership to be and return to being the shepherd God has called pastors to be. It's an invitation to recover the most essential element of pastoral ministry: the character of Christ.

All of us live with some sort of longing in our hearts—a gap between the life we want and the life we actually have. As we try to navigate this sense of longing and the circumstances we desperately wish would change, we try to hang on to the belief that God will fulfill our desires, while waiting to see the answers to our prayers realized.

For some, those prayers are answered. Yet for others, the longing persists, making us weary at best and debilitated at worst.

Living this way leaves us asking the same questions: "How do I find God's joy in this life when it isn't the life I hoped for?" or "How do I deal with the gap between the life I want and the life I've been given?"

In this powerful book, Bible teacher and fellow traveller down the well-worn road of unmet longings Elizabeth Woodson equips you for joyful living in that gap.

"To be continued..." The words build anticipation for what's coming . . . which is great for a Netflix binge, but not a healthy pattern for our lives.

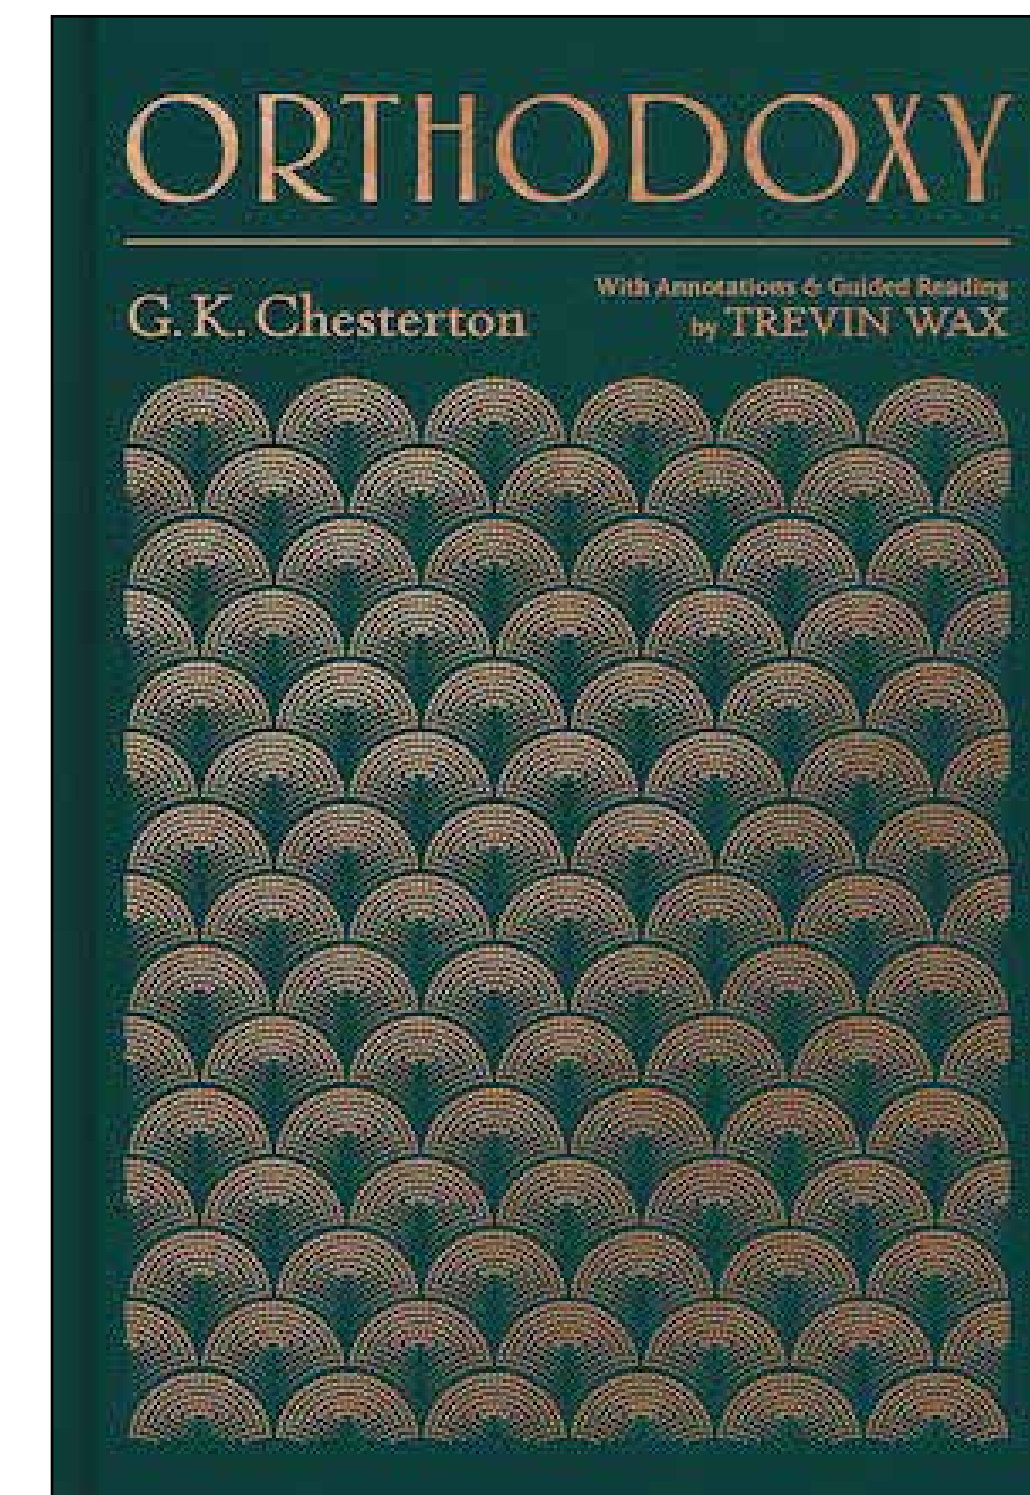

In real life, constant continuation causes our lives to pile up, episode upon episode, with no space for reflection or rest, contentment or closure.

This book is for the too-busy, driven person who's moving on to the next win, without ever processing how one season of life affects the next. It's for the person stuck and held back because she's never done the hard work of getting real closure on a season.

When we fail to finish well, we live with a pile of unfinished beginnings. But finished things become usable things because they are a part of the story of God's grace and faithfulness.

In these pages, you'll discover:

- How beginnings are important because they give birth to hope
- How we can hold on to hope when the journey is hard and the future is uncertain
- How to conclude moments, days, and seasons and find God's grace to be enough
- How hope sustains us as we learn to live in this moment and discover the beauty of redemption.

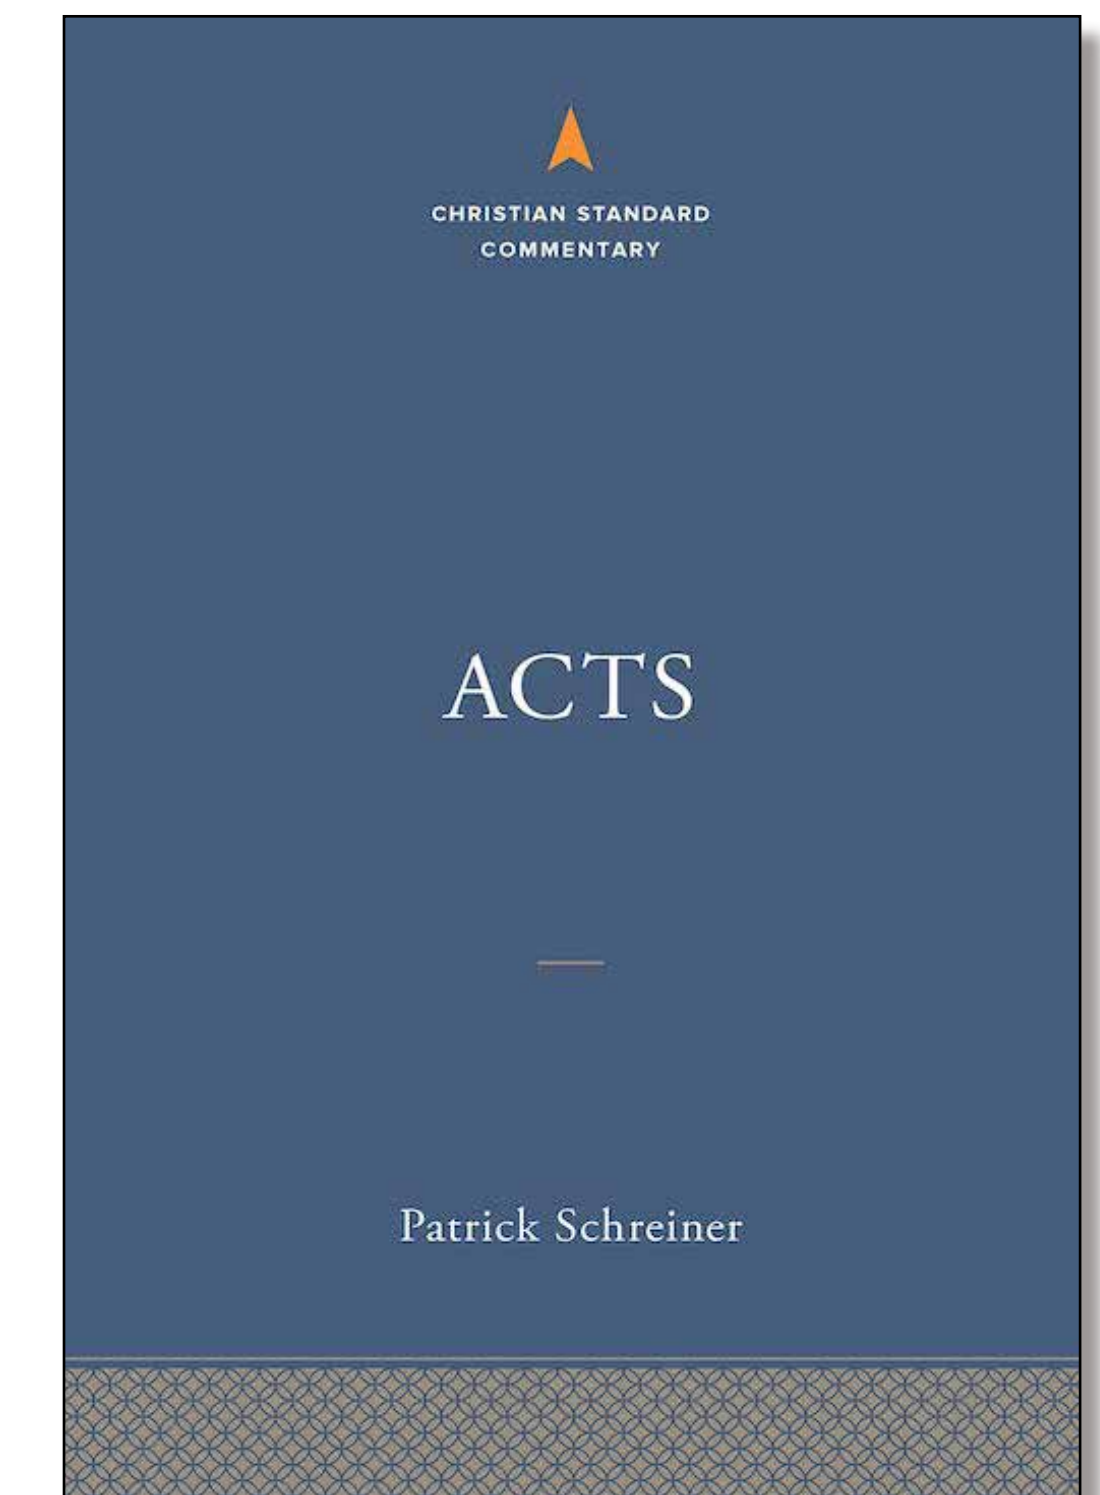

Title: Orthodoxy
 Author: G.K. Chesterton and Trevin Wax
 Price: £14.50*
 Product Code: 9781535995672
 Format: Hard Cover
 Genre: Apologetics
 Distribution: UK & Europe

Catholics and Protestants alike have long appreciated Chesterton's *Orthodoxy* as a classic work of apologetics.

It is his recounting of his quest to found a new religion, a philosophy of life that would include everything that makes most sense of the world, only to discover at the end of his journey that the religion and its philosophy already exist. It is Christianity.

However, due to the temporal and cultural difference between us and Chesterton in 1908, much of the book is not easy to understand upon first (or second) reading.

This version of *Orthodoxy* (with annotations and guided reading) will make Chesterton's classic more accessible for the first-time reader and will also provide enjoyment for the person who has enjoyed *Orthodoxy* for many years.

Is your worry wheel spinning out of control?

According to the Anxiety and Depression Association of America, anxiety disorders affect 1 in 8 children. With constant access to technology, news cycles, and social media—and with heightened pressures to perform in all areas of life—kids' brains are simply overwhelmed with worries and fears, and they don't know how to slow down and rest.

Katy Boatman, who has worked with tween girls in ministry for 15 years, tackles this phenomenon head-on in *You Can Rest*, a 100-day devotional that takes an empathetic and honest approach to the topic of anxiety in the day-to-day. Structured with a Scripture to open, a devotional to ponder, a prayer to close, and a weekly journaling prompt, the book guides readers to reflect on everyday concerns from a biblical and hopeful perspective.

You Can Rest addresses relevant topics such as: · Anxiety about the future · Making (and keeping) friends · Getting sick · Believing God · Resolving conflict · Being misunderstood · Feeling isolated · Even falling asleep!

Packed with grace and truth and sprinkled with humour and delight, *You Can Rest* shows tween girls that their anxieties do not have the final say. Jesus does.

Title: The Silencing of the Lambs
Author: Michael L. Brown, PhD
Price: £18.50*
Product Code: 9781629999845
Format: Hard Cover
Genre: Contemporary Social Issues
Distribution: UK & Europe

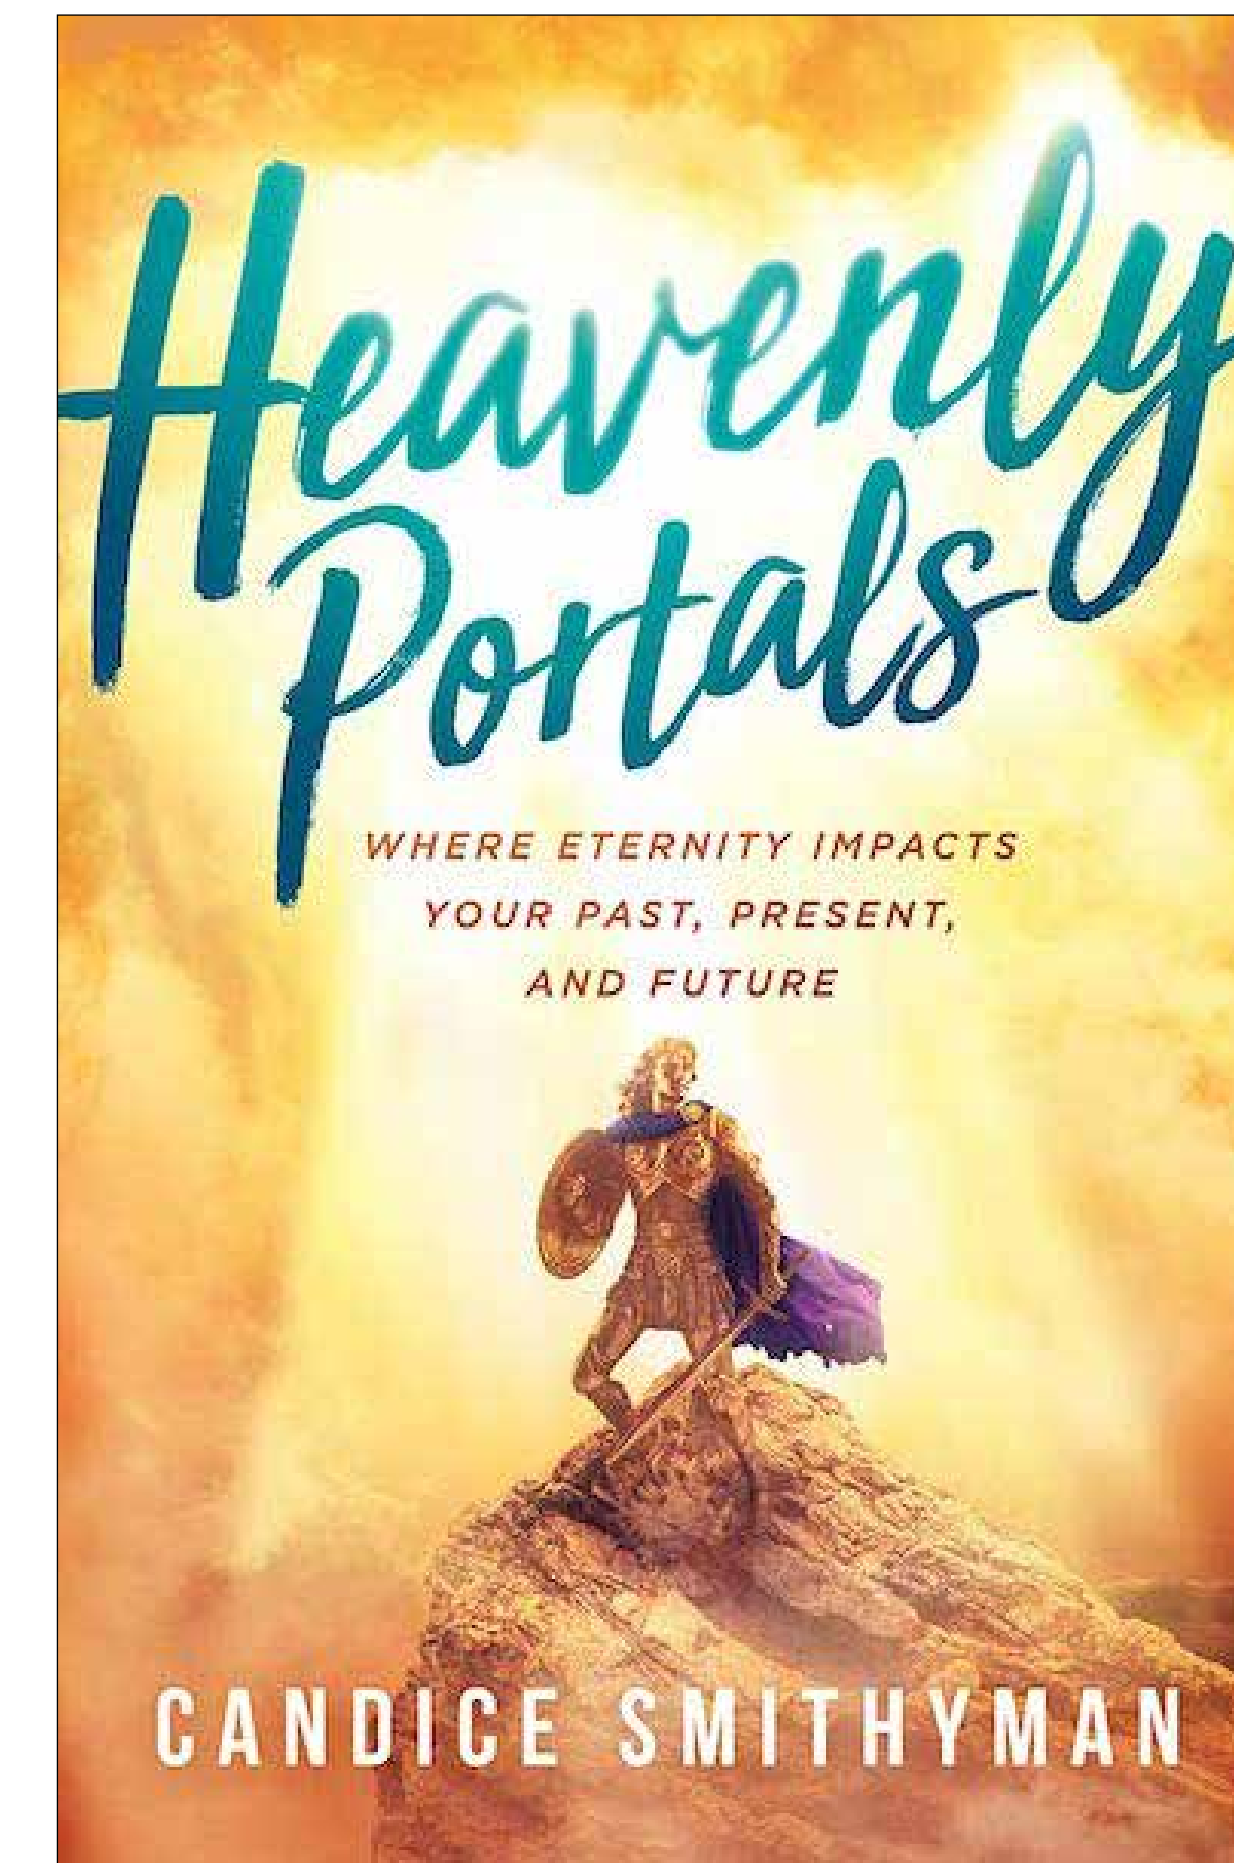

How long will the church's voice be drowned out by the roar of the enemy? After reading this book, you will understand the critical issues threatening the spread of the gospel in America, and how you can play a part and no longer be a "silent lamb" drowned out by the voices of secularism, liberalism, and pagan thinking in America.

If you are a conservative living in America today, there is a target on your back. If you are a Christian conservative, that target is even bigger. If you are a Christian conservative who refuses to bow down to the spirit of the age, the spirit of political correctness, that target is so big that you are a marked man or woman. A person like that--like you!--must be silenced. So says today's cultural elite, who are making it increasingly difficult for Christians to stand up and live out their faith.

In 'The Silencing of the Lambs', Dr. Michael L. Brown lays out what is happening in the world around us--from the assault on children in schools and on college campuses to the unprecedented censorship of Christians and conservatives through Big Tech.

He then maps out strategies for how we can turn the pitfalls into platforms and find courage in the midst of opposition. The Word of God cannot be bound. The church cannot be cancelled.

This book sounds the alarm, alerting Christians to the increasing censorship, opposition, and even persecution believers are facing today, and calls them to remove the muzzle, take their place as the church in this nation, and turn the tide.

 Distribution: UK & Europe

For the Puritans, prayer was neither casual nor dull. Their prayers were passionate affairs, from earnestly pleading for mercy to joyfully praising God. These rich expressions of deep Christian faith are a shining example of holy living

The Puritans' combination of warm piety and careful intellect have fueled a renaissance of interest in their movement. This combination is on display in Piercing Heaven, a collection of carefully selected prayers from leading Puritans.

The language in these prayers has been slightly updated for a modern audience while retaining the elevated tone of the Puritans.

With prayers from Richard Baxter, Thomas Brooks, John Owen, and many more, Piercing Heaven reminds us that heartfelt prayer is central to the Christian life.

This edition has been reformatted for journaling and meditation. With wider margins, readers of the Piercing Heaven Prayer Journal will be able to pray more deeply with the Puritans through note-taking and reflection.

Title: Christ, The Way: Augustine's Theology of Wisdom
 Author: Benjamin T. Quinn
 Price: £23.99*
 Product Code: 9781683595793
 Format: Paperback
 Genre: Doctrine & Theology
 Distribution: UK & Europe

Augustine's love of wisdom drove him to Christ—and wisdom remained central to his thought.

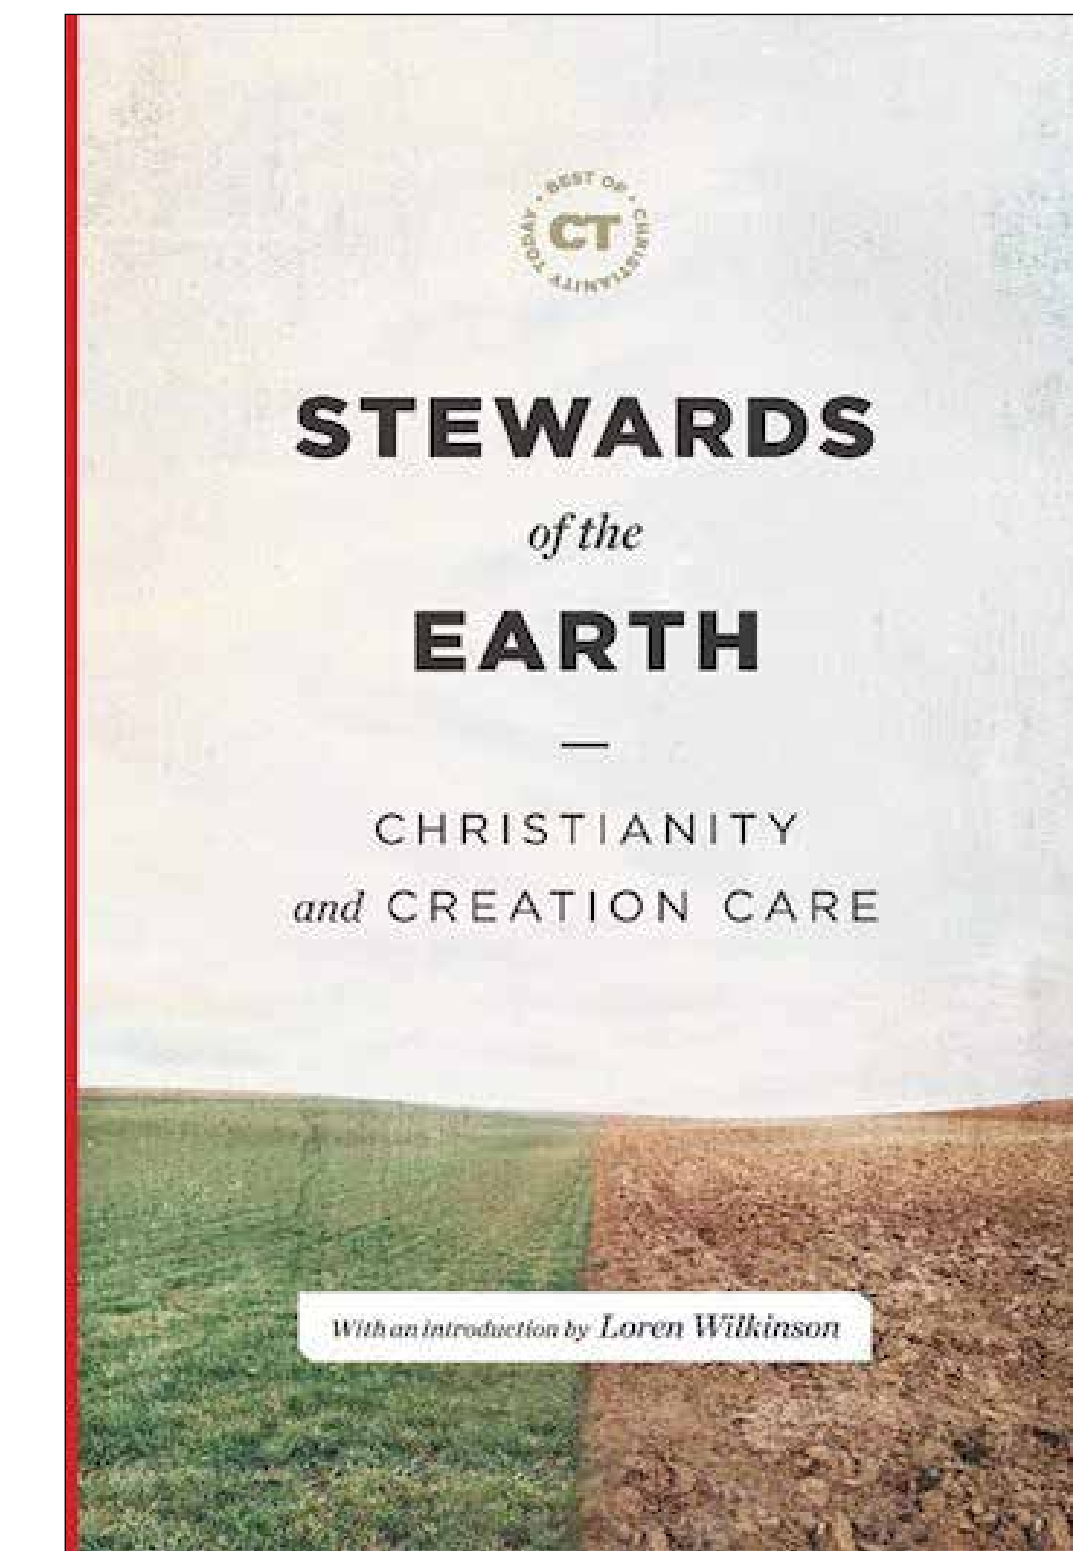

Modern biblical scholars and theologians have much to learn from one of Christianity's most prominent and prolific theologians. Retrieval of Augustine can revive and renew thinking on wisdom.

In Christ, the Way, Benjamin T. Quinn recovers and evaluates Augustine's rich writing on wisdom. While many have acknowledged sapientia (wisdom) as central in Augustine, few have offered a full treatment of his definition of wisdom and how it ordered his thought.

Quinn remedies this need, tracing the development of Augustine's thought from his earliest reflections to De Trinitate, his most systematic treatment of wisdom.

For Augustine, sapientia is the incarnate Christ, who by the Spirit enlightens all God's people to see clearly, live virtuously, and participate in God—thereby restoring his people to his image.

Quinn then brings Augustine into dialogue with contemporary wisdom scholarship, displaying where his biblically rooted, Christocentric, faith-first approach holds rich insights for scholars and Christians today.

Evangelicals have a complex relationship with environmentalism.

Some lament the church's apparent disinterest in humanity's negative impact upon the earth. Others denounce environmentalism as a distraction from the church's mission.

In the face of polarization over the issue, how should evangelicals steward creation well?

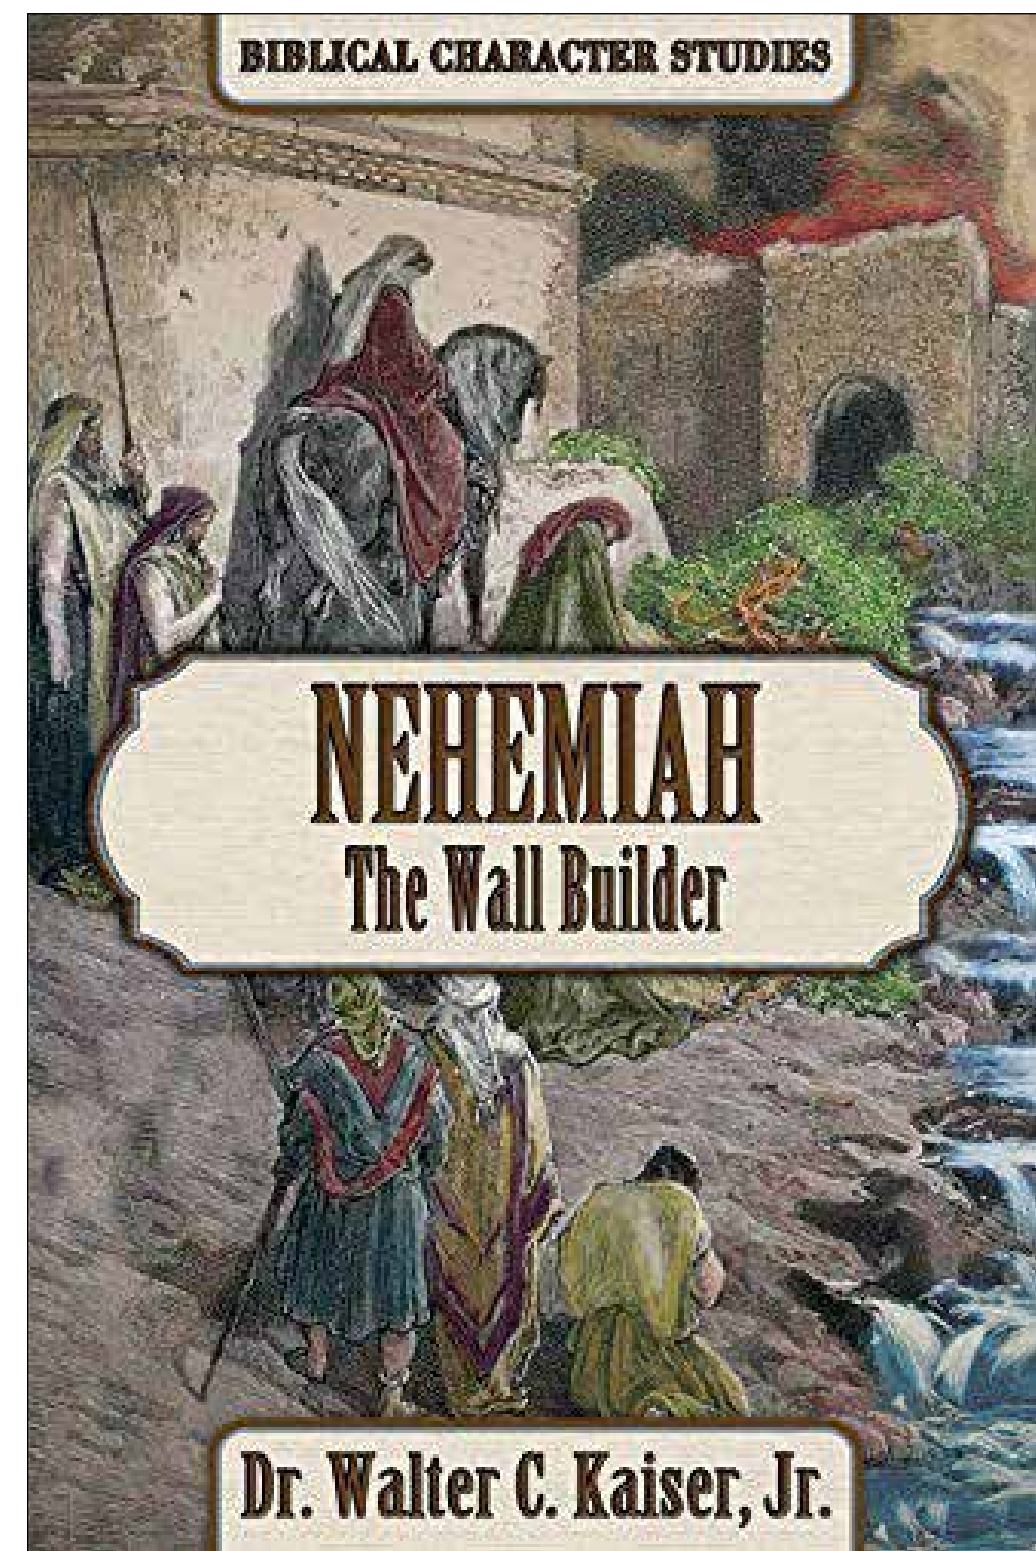

Stewards of the Earth collects five decades of articles from Christianity Today that display the diversity and development of evangelical perspectives on creation care.

Some articles address the concerns evangelicals have over cooperating with the broader environmentalist movement or lay out positive ways to navigate or overcome these hesitations.

Other articles present constructive approaches to creation care. Readers will gain a nuanced view of evangelical thought over the decades.

With a new introduction by Loren Wilkinson and contributions from writers like Bill McKibben, Ronald Sider, Leslie Leyland Fields, and Andy Crouch, these essays preserve the wisdom of the past to provide insight for the future.

The first two chapters of 1 Kings are truly transitional, for they mark the move from the rule of King David to the next in line in his family, King Solomon

King David appears to have little zest for life in his senior years, with a result that matters of state were beginning to slip, and events were about to preempt any wish or instruction David might give about who was to be the future king.

It was time someone took action, and that person seems to have been Nathan the prophet.

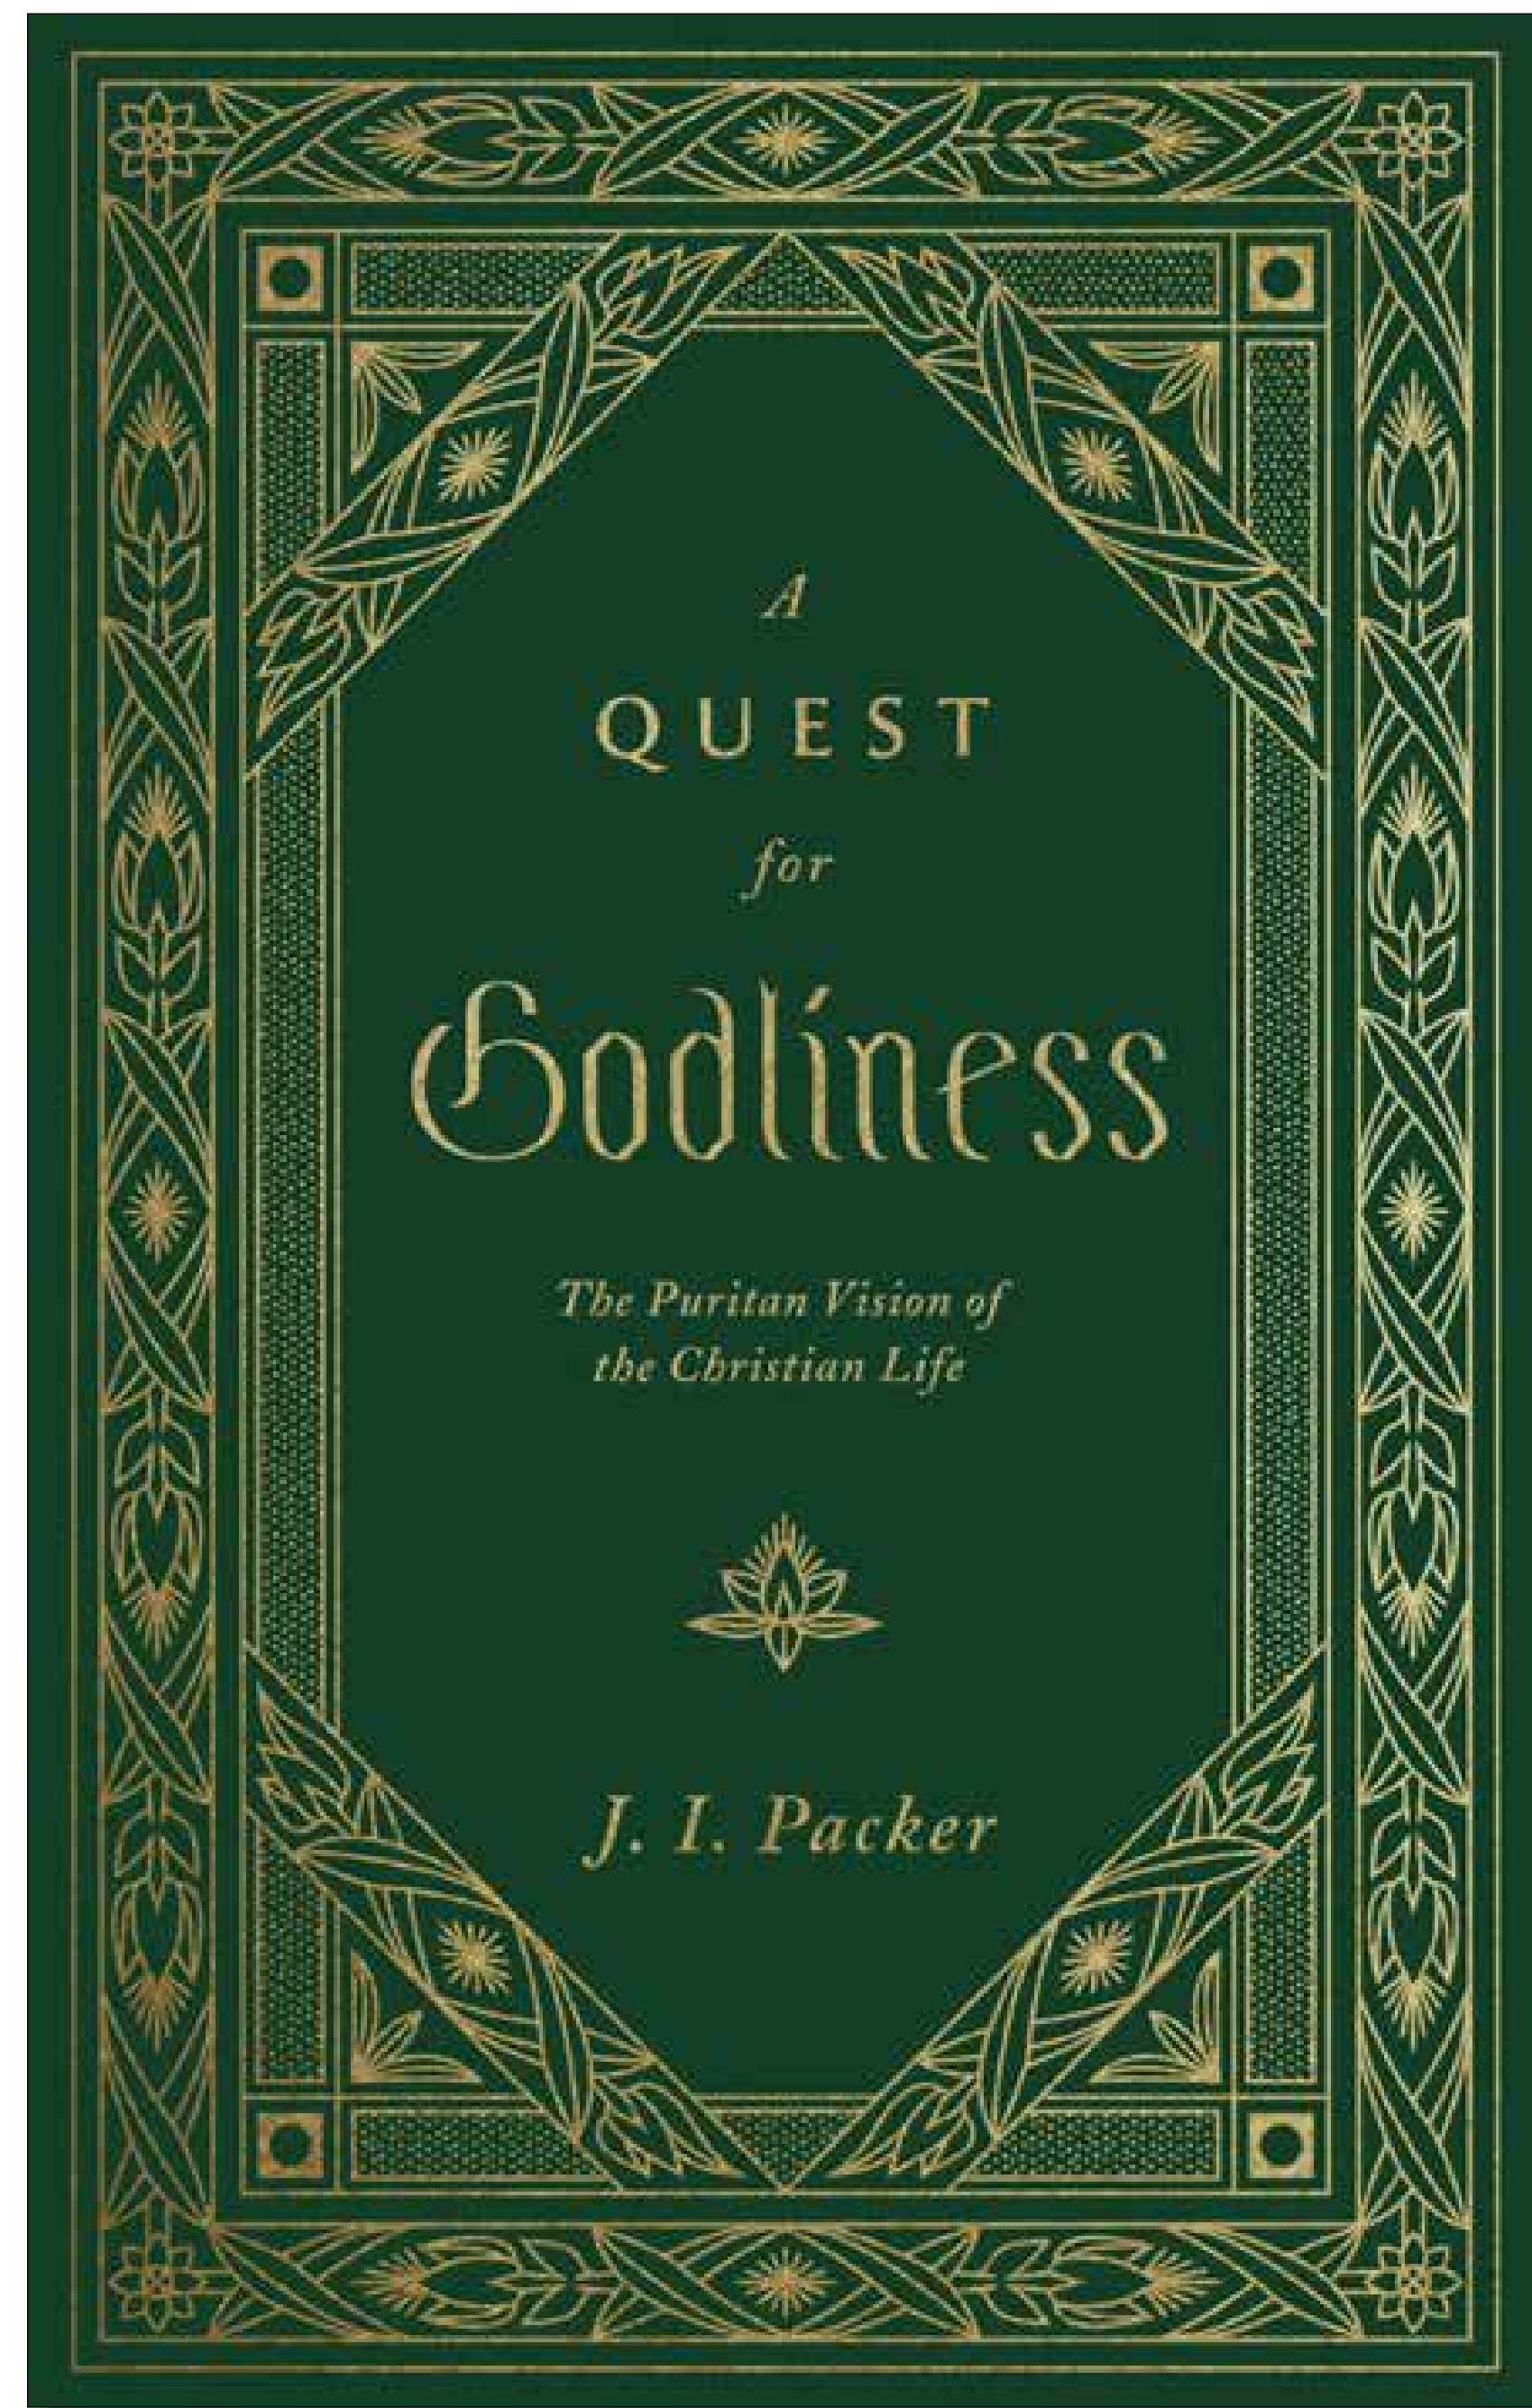

With Solomon, Dr Walter Kaiser examines and discovers the character and life of Solomon.

Description

Committed to hard work, humility, and serious study of Scripture, the Puritans lived out their faith in a way that many now dismiss as antiquated. But in an increasingly fast-paced, materialistic culture, Christ followers today can learn a lot from these spiritual giants of the past.

In 'A Quest for Godliness', J. I. Packer thoughtfully surveys the life of the Puritans, their influence in church history, and their important virtues that modern-day believers can emulate.

Exploring the works of Puritan leaders including John Owen, Richard Baxter, and Jonathan Edwards, Packer uncovers the beauty of their holistic, Christ-centred lifestyle—from vibrant worship, devotion to family, and strong sense of humanity, to their social action, evangelism, and revival.

This classic book helps readers appreciate the enduring relevance of Puritan devotion.

Description

How did the world arrive at its current, disorienting state of identity politics, and how should the church respond?

Historian Carl R. Trueman shows how influences ranging from traditional institutions to technology and pornography moved modern culture toward an era of “expressive individualism.” Investigating philosophies from the Romantics, Nietzsche, Marx, Wilde, Freud, and the New Left, he outlines the history of Western thought to the distinctly sexual direction of present-day identity politics, providing readers with a clearer understanding of the modern implications of these ideas on religion, free speech, and issues related to personal identity.

For fans of Trueman’s ‘The Rise and Triumph of the Modern Self,’ this new book offers a more concise presentation and application of some of the most critical topics of our day.

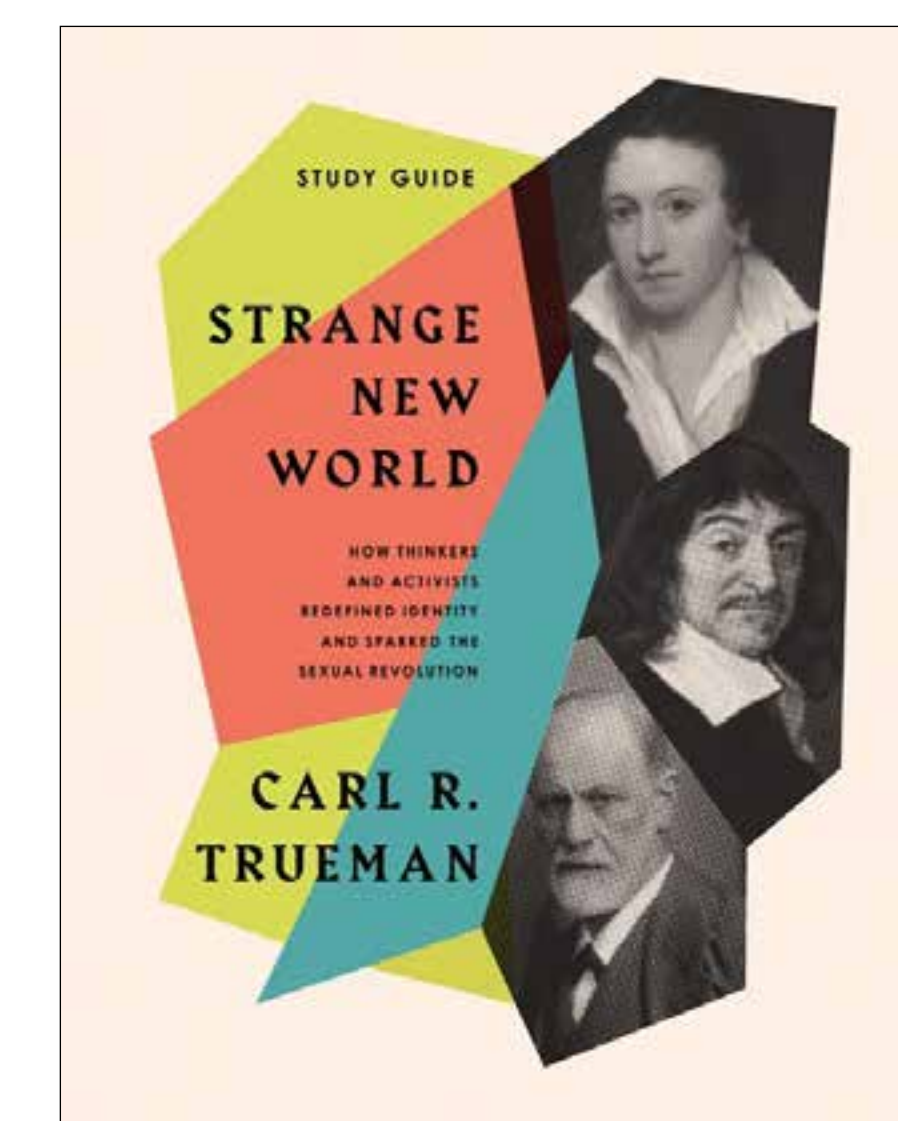

About the Author

Carl R. Trueman (PhD, University of Aberdeen) is professor of biblical and religious studies at Grove City College. He is an esteemed church historian and previously served as the William E. Simon Fellow in Religion and Public Life at Princeton University.

Why the Theory of Theistic Evolution Conflicts with Christian Doctrine

Even Christians strongly debate Scripture's account of creation, with some declaring that major events in the book of Genesis—from the origin of Adam and Eve to God's curse on the world—were purely symbolic. Several respected scholars endorse this theory, but is it consistent with the Bible's teaching?

In 'A Biblical Case against Theistic Evolution', condensed and adapted from Theistic Evolution, Wayne Grudem and other leading scholars challenge the belief that Genesis is mostly symbolic, rather than a true, historical narrative.

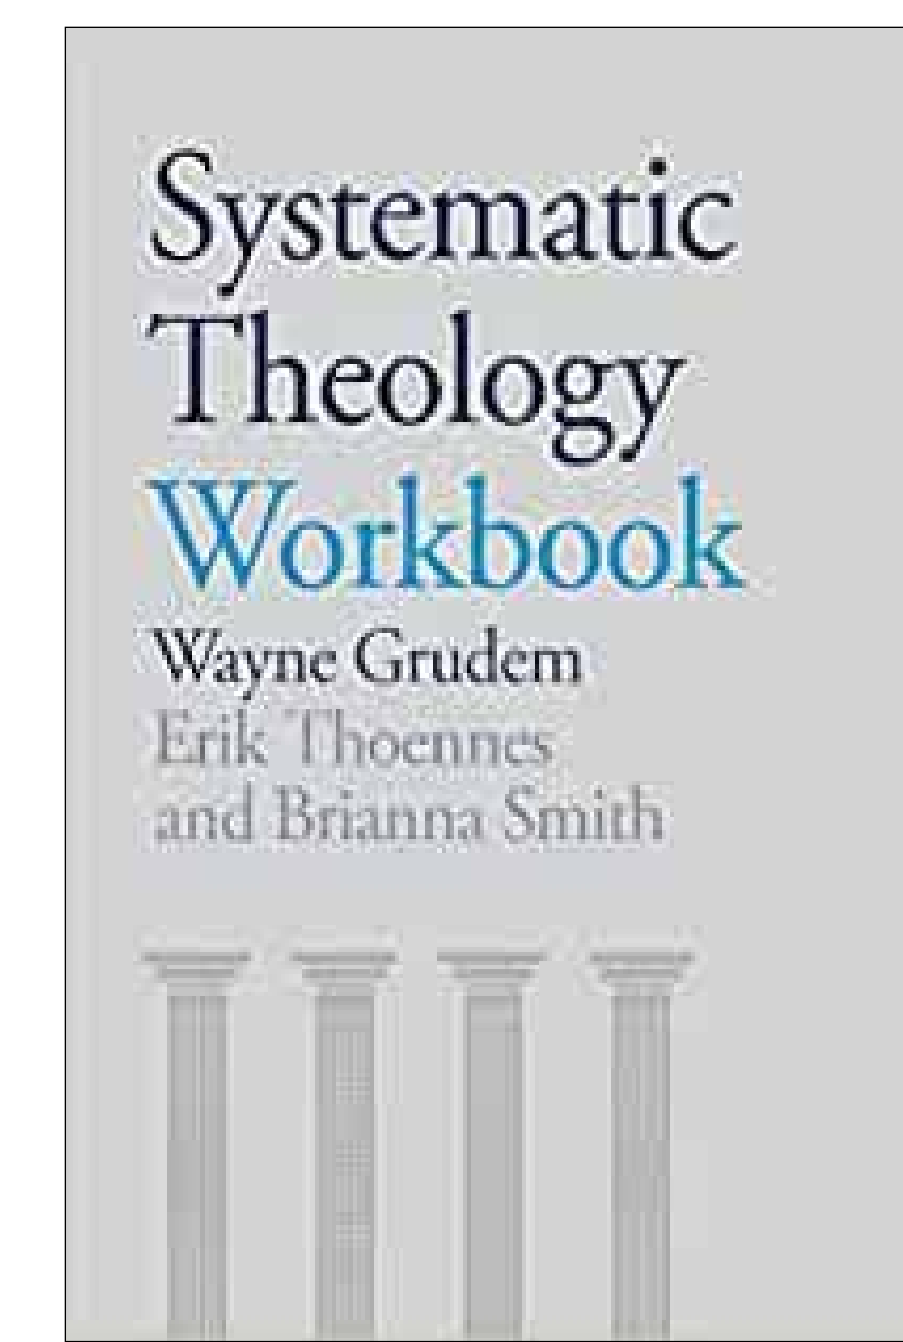

Grudem examines 12 specific events in Genesis 1–3 and explains why acknowledging their historicity is critical to understanding the rest of Scripture. He also emphasizes several foundational doctrines, including God's ongoing involvement in creation, the beginnings of mankind, and the origin of sin and death, to show readers how the theory of theistic evolution undermines essential truths throughout the Old and New Testaments.

About the Author

Wayne Grudem (PhD, University of Cambridge) is Distinguished Research Professor of Theology and Biblical Studies at Phoenix Seminary.

He is a member of the Translation Oversight Committee for the English Standard Version of the Bible, the general editor of the ESV Study Bible, and the author of over twenty-five books.

Description

When building a children’s ministry at a church, there is so much to consider: Which curriculum should we use? How many volunteers do we need? How do we keep parents in the loop? And that’s before we run into stalled check-in computers, missing activity sheets, and floors that need to be vacuumed.

While all of the tasks of children’s ministry are important, leaders can get easily distracted with the everyday work of doing ministry and lose sight of the main focus—the gospel.

Writing from personal ministry experience, Jared Kennedy shares a four-fold approach for gospel-centred, missional children’s ministry: hospitality, teaching, discipleship, and mission.

This practical resource covers a variety of topics ranging from creating child protection policies to putting together lesson plans to catechism, helpful for children’s ministers and volunteers alike as they disciple children with the powerful message of the gospel.

- Published in conjunction with the Gospel Coalition (TGC)
- Includes questions for reflection and evaluation

Jared Kennedy (ThM, Southern Baptist Theological Seminary) serves as managing editor of Gospel-Centred Family, a ministry that helps parents and church leaders share Jesus with the next generation.

He is the author of ‘God Made Me for Worship’ and ‘The Beginner’s Gospel Story Bible’.

New Francis A. Schaeffer Titles from Crossway

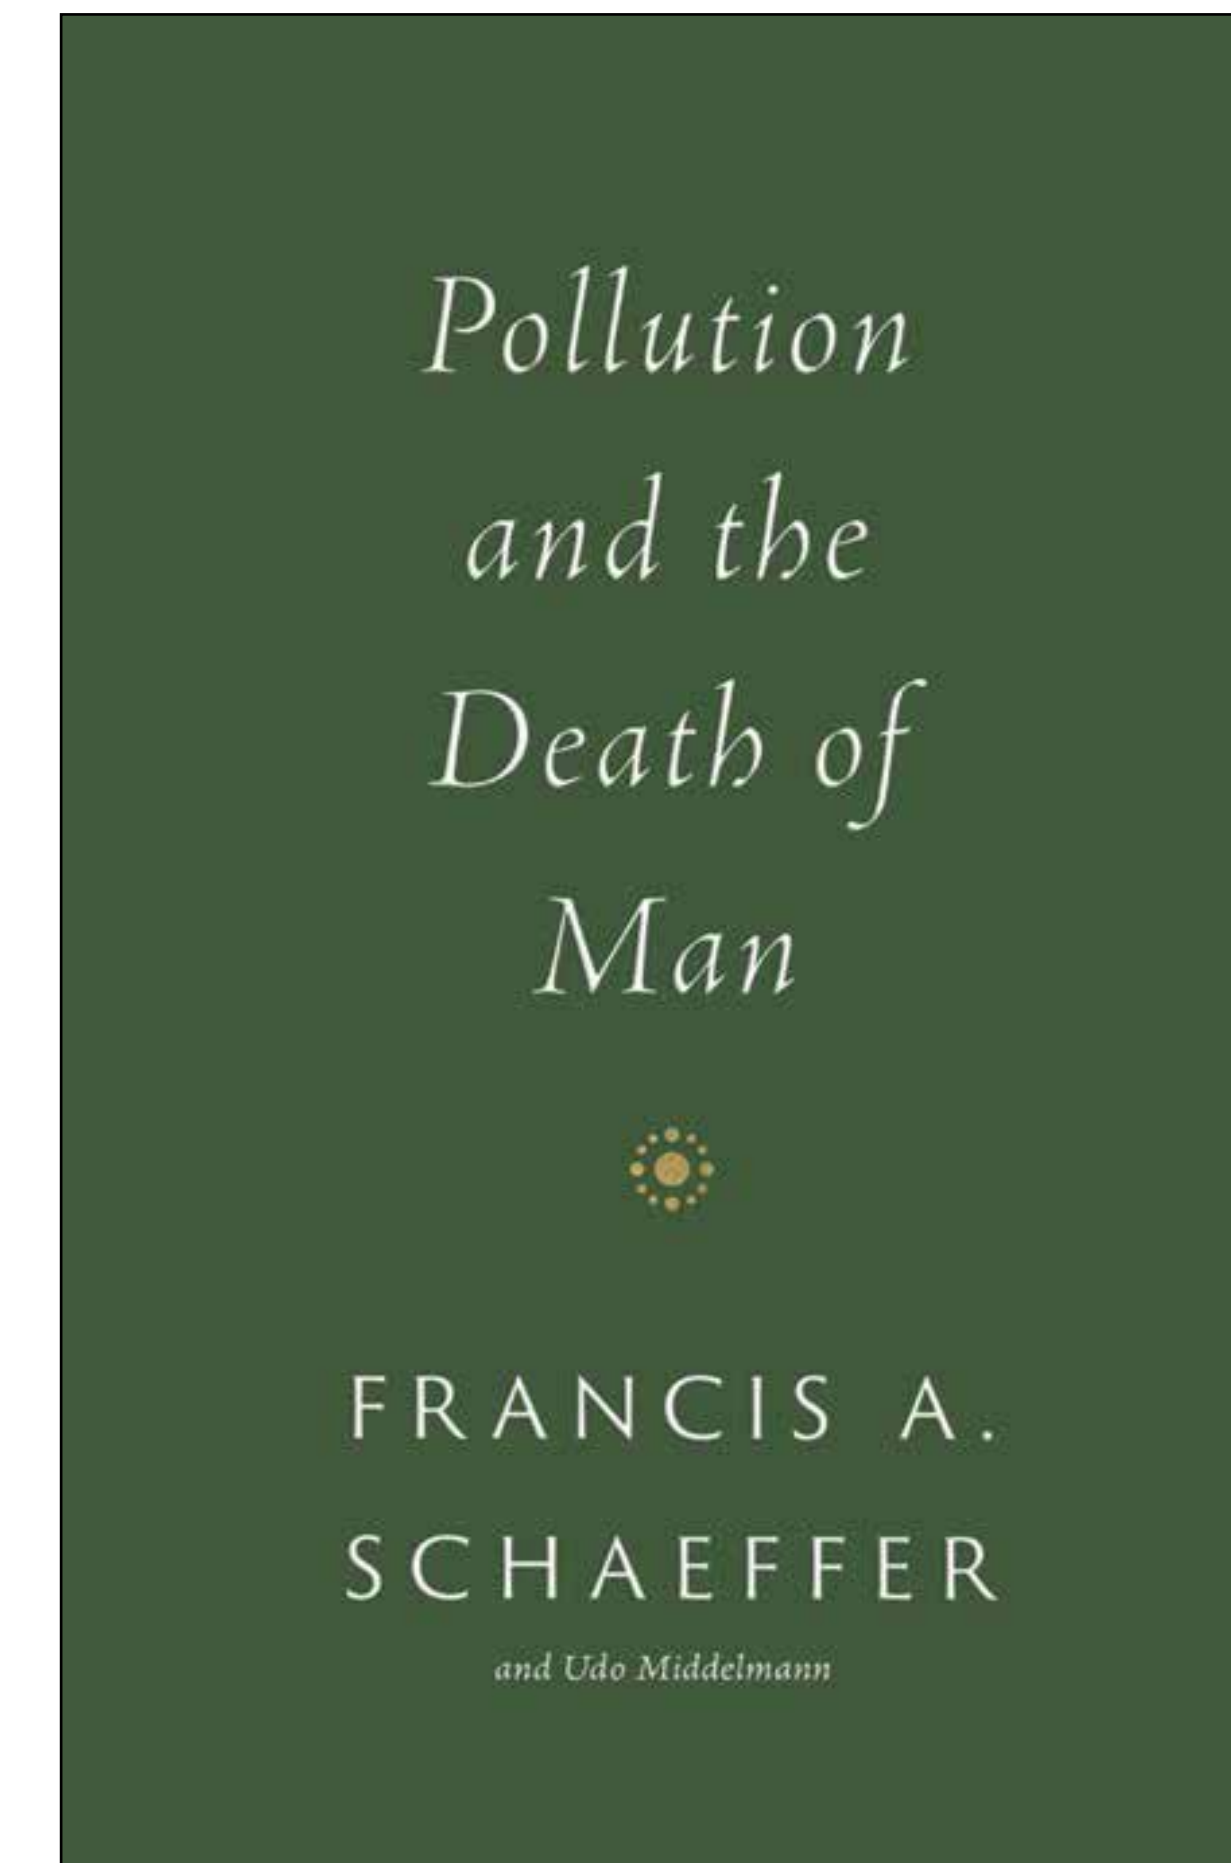

Title: How Should We Then Live? The Rise and Decline of Western Thought and Culture
Author: Francis A. Schaeffer
Price: £19.99*
Product Code: 9781433576911
Format: Paperback
Genre: Apologetics
Distribution: UK & Europe

As one of the foremost evangelical thinkers of the twentieth century, Francis A. Schaeffer long pondered the fate of declining Western culture. Profoundly aware of the similarities modern culture shares with societies that came before, Schaeffer embarked on a journey to uncover the movements that gave rise to modern culture and resulted in the decline of the Christian worldview.

Forty years later, his classic book 'How Should We Then Live?' is as relevant today as it was when it was first published. Schaeffer argues that the erosion of society begins with a shift away from biblical truth. To support this claim, he walks readers through history, beginning with the fall of Rome, through the Middle Ages, the Enlightenment, and up to the twentieth century.

This latest edition analyzes the reasons for modern society's state of affairs and presents the solution: living by the Christian ethic, fully accepting God's revelation, and affirming the morals, values, and meaning of the Bible.

Format: Paperback
Genre: Apologetics
Distribution: UK & Europe

A classic work on the Christian response to today's ecological crisis

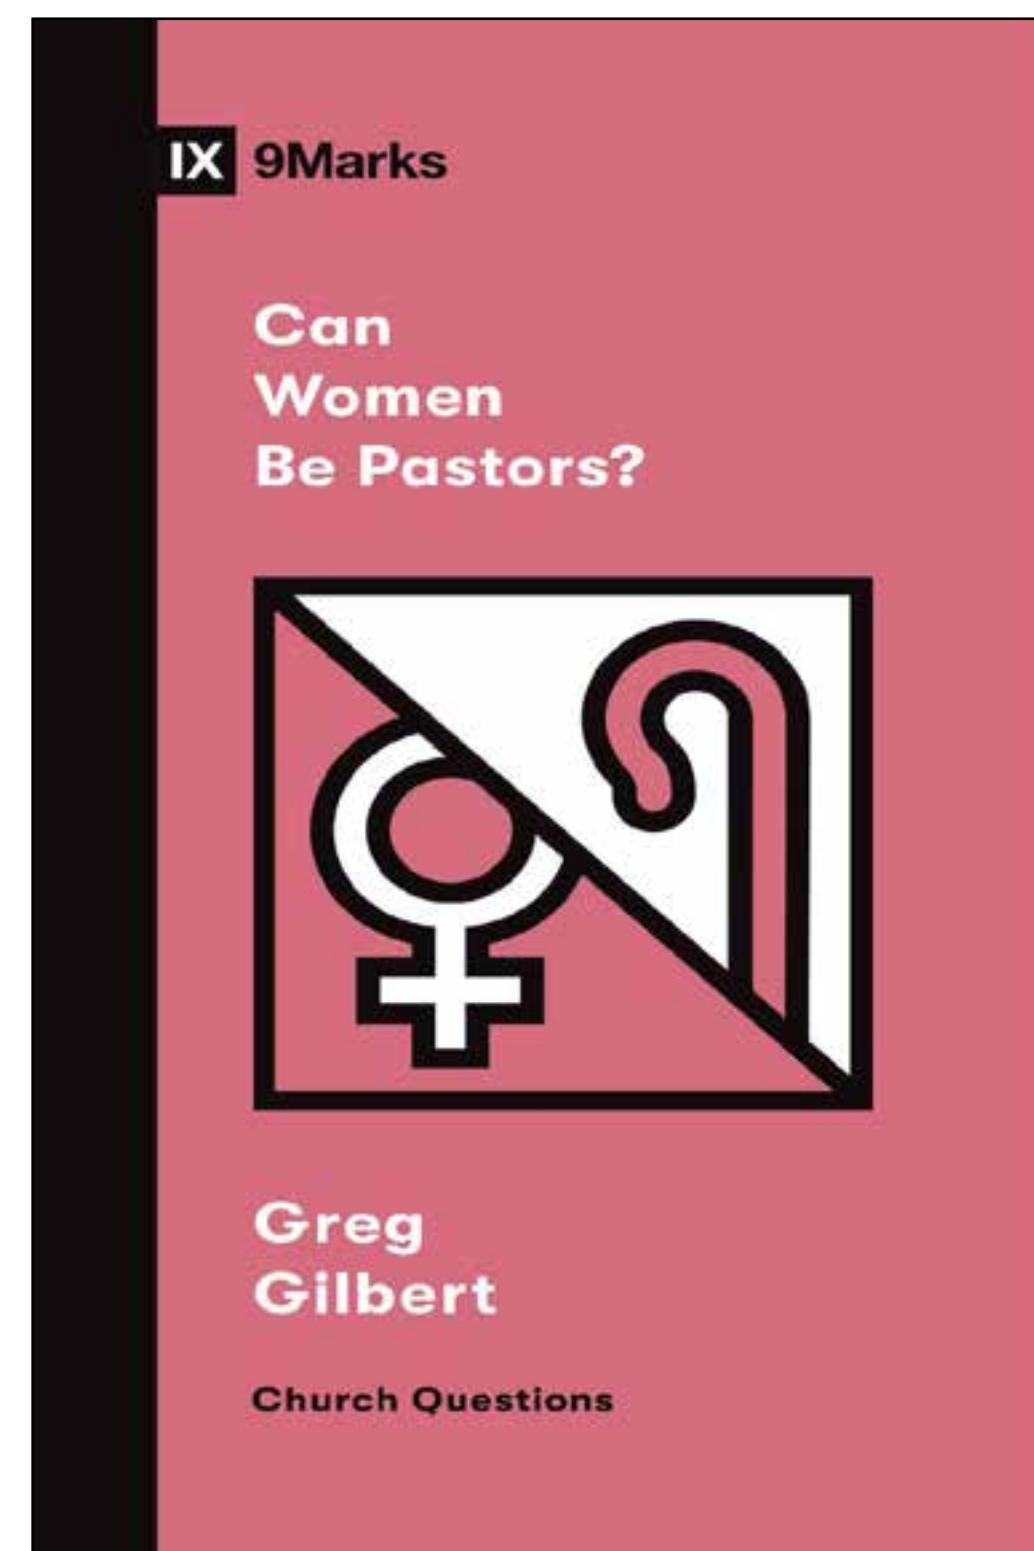

The earth is home to 7.8 billion people. As this number grows, so does the awareness of a seemingly endless list of environmental concerns threatening their existence—landfills, off-shore spills, toxic wastes, population explosion, and ozone depletion.

As each of these concerns are a threat to humanity, how should Christians respond?

'Pollution and the Death of Man' by Francis A. Schaeffer was first written in 1970, yet it remains relevant as the ecological threats of Schaeffer's day continue to pose challenges today.

Schaeffer studies these contemporary ecological crises through the lens of theology and Scripture, arguing that Christians must return to a profoundly biblical understanding of God's relationship to the earth and his divine mandate to exercise godly dominion over it.

Title: Gospel-Centered Discipleship
 Author: Jonathan K. Dodson
 Price: £13.50*
 Product Code: 9781433574078
 Format: Paperback
 Genre: Discipleship
 Distribution: UK & Europe

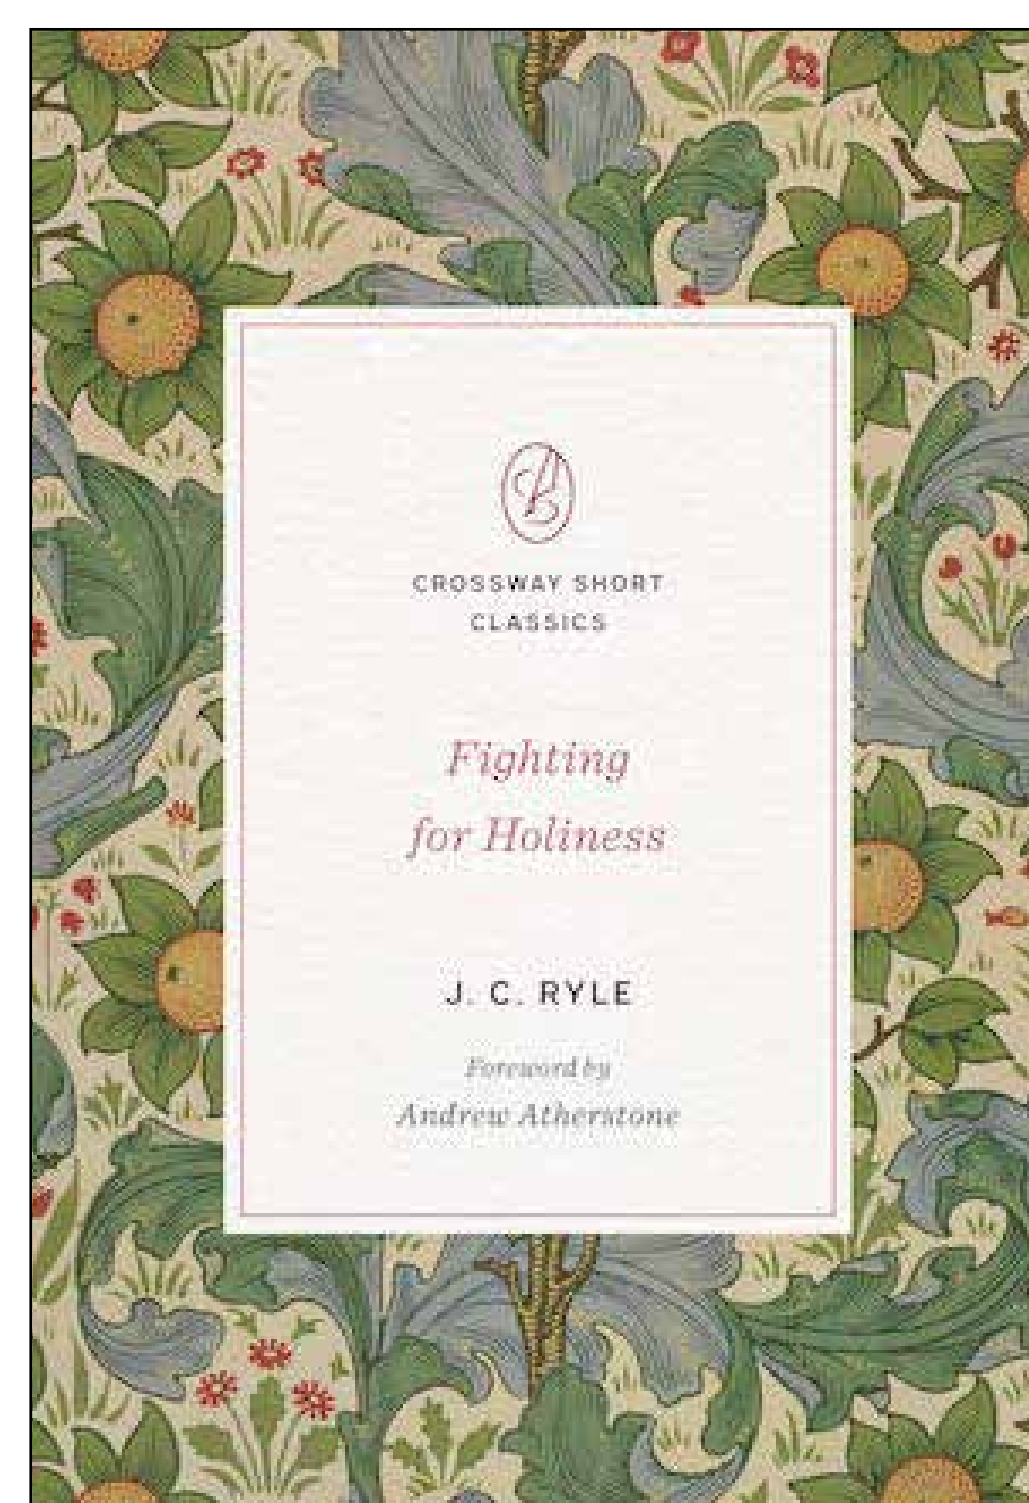

Biblical discipleship emphasizes encouragement, repentance, and spiritual growth—essential parts of the Christian life.

However, well-meaning believers often struggle to follow Jesus, unaware their views are too legalistic, licentious, or individualistic.

How can churches and Christians develop a healthy, successful path to disciple-making?

In this second edition of 'Gospel-Centered Discipleship', Jonathan Dodson presents an effective, Spirit-led model for sanctification. Reminding readers that real discipleship is imperfect yet transformational, Dodson encourages Christians to engage more authentically with others as they grow in faith.

Drawing from his own failures and successes while following Jesus, Dodson defines discipleship, describes the heart of a disciple, and gives practical guidance for mentor and peer-based discipleship as Jesus intended.

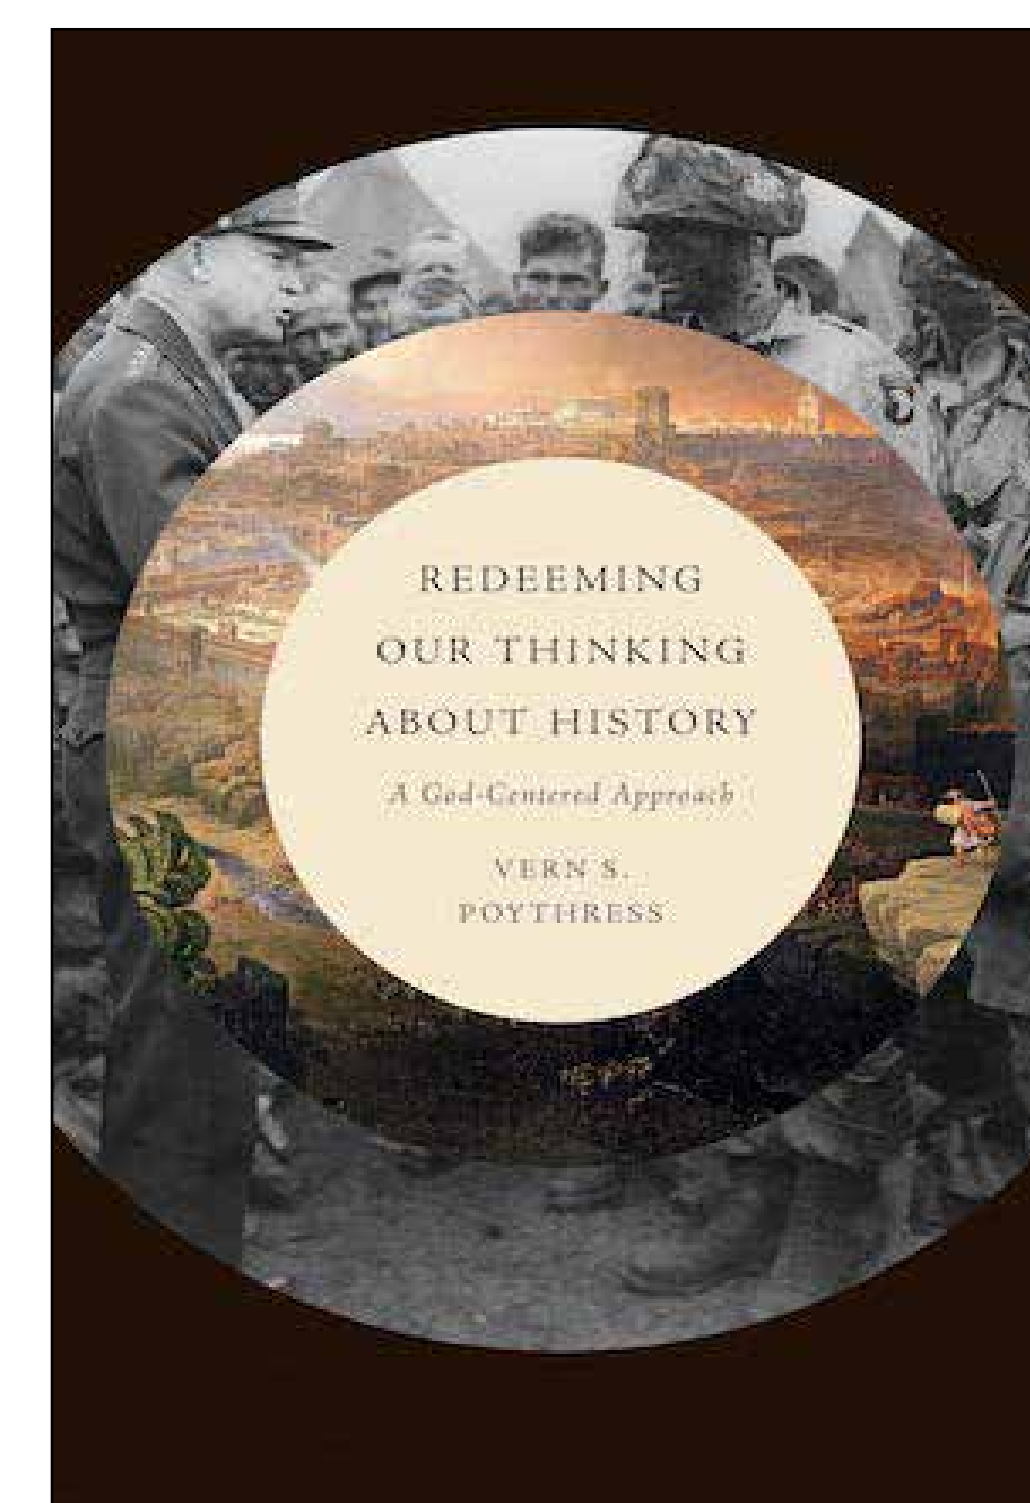

Title: Fighting for Holiness
 Author: J. C. Ryle
 Price: £6.99*
 Product Code: 9781433580086
 Format: Paperback
 Genre: Discipleship
 Distribution: UK & Europe

"True Christianity is a fight," wrote J. C. Ryle in 1877.

He argued that from the day of their conversion until the day they die, Christians are called to be soldiers for Christ in a war for their holiness. This inspiring call to action written more than 100 years ago continues to be a source of great encouragement and inspiration for believers today.

In this addition to the Crossway Short Classics series, Ryle explains why the fight for holiness is one of absolute necessity for Christians. Identifying the three main enemies of every believer—the world, the flesh, and the devil—he emboldens them to "either fight or be lost" in their daily battle and offers biblical and historical examples of notable Christian "soldiers."

Fighting for Holiness is a bold reminder for believers to daily put on the whole armor of God and train their eyes on Christ.

Introducing kids to the importance of boundaries with technology.

Technology can be a helpful tool and source of enjoyment for many families—a way to aid children with learning, to connect with loved ones, and to provide entertainment. But as with many good gifts from God, tech devices are best used in moderation.

In this new picture book, readers meet Polly while on a trip to her grandparents' farm. During her visit she spends all her time on her new tablet instead of enjoying the farm animals and playing with her cousins. A chat with her grandfather teaches her that, though screen time can be good, it can also keep kids away from better things.

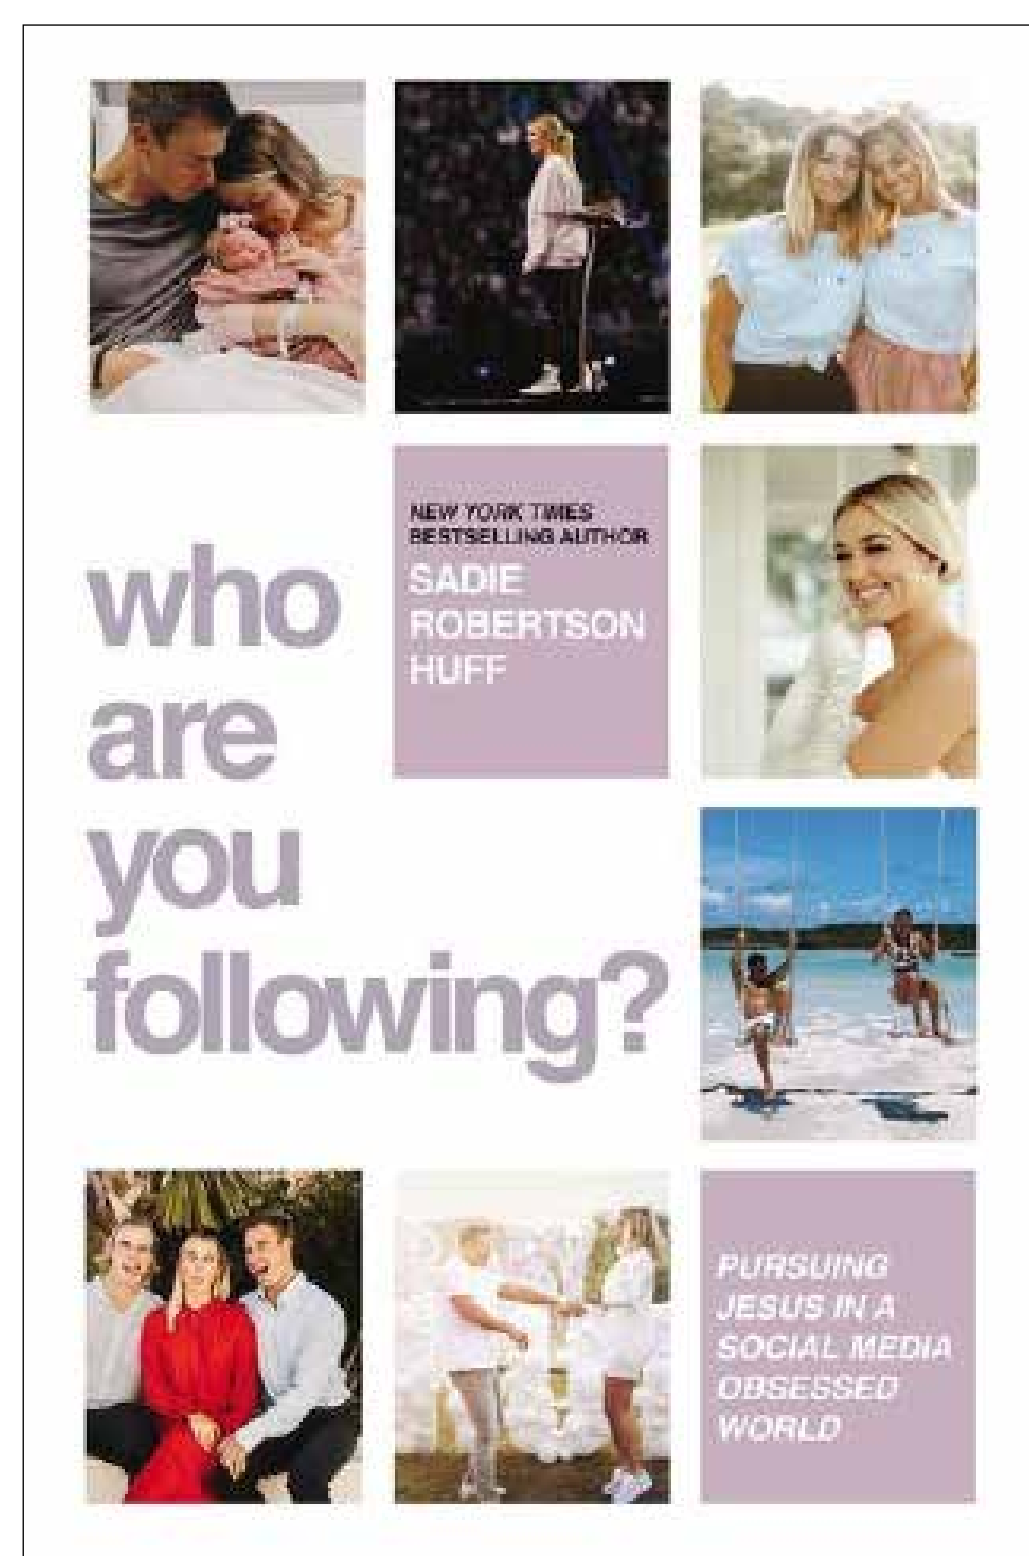

Using simple language and beautiful illustrations, children ages 3–7 are introduced to the idea that technology is best enjoyed within boundaries. TGC Kids illustrated storybooks engage the hearts and imaginations of kids aged 3–7 by teaching them biblical truths about how to live and grow as God's children in today's culture.
