Anne Wilson – My Jesus CD

Description

Singer/songwriter Anne Wilson knows the healing power of music firsthand. The lyrics of Hillsong Worship’s “What A Beautiful Name” became a lifeline for the Lexington, Kentucky native after her brother was tragically killed in a car accident at the age of 23. Although she spent much of her childhood behind a piano, Wilson sang in front of an audience for the first time at her brother’s funeral. It was in that moment that she realized what she was born to do.

Anne Wilson’s highly anticipated debut album My Jesus features the chart topping smash hit “My Jesus” (over 15 million views on YouTube) along with stand out tracks like “Sunday Sermons”, “Hey Girl”, “God Thing” and “Mamas (with Hillary Scott)”.

As a Billboard featured Chartbreaker artist and Christian music’s biggest breakout artist of 2021, Anne Wilson’s My Jesus is set to inspire and delight audiences of all ages and walks of life.

Kristene DiMarco (Bethel Music) – The Field CD

Description

The Field, Kristene DiMarco’s highly anticipated sophomore album, born out of a vulnerable time spent with the Lord in the summer of 2020, speaks to our most basic need as followers of Christ: being with Him.

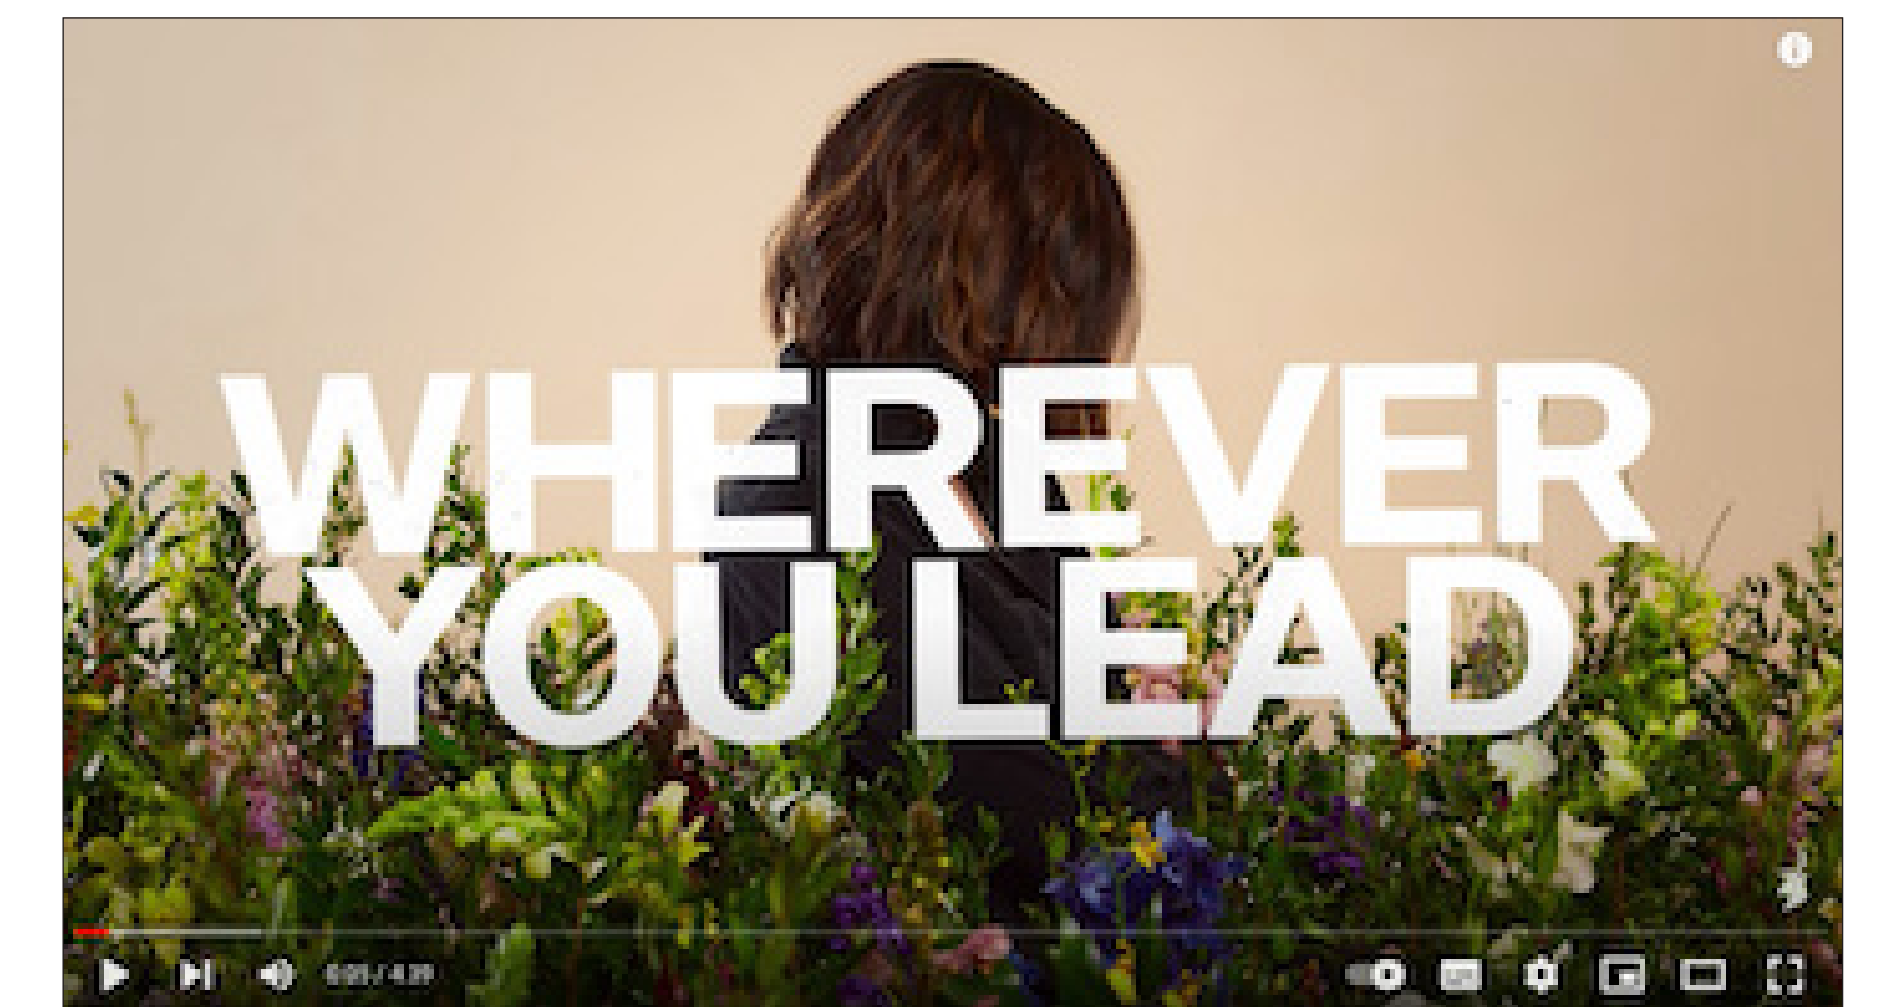

Repentance driven, this album points its listeners back to the basics, that conviction and correction from the Lord is the most beautiful thing; it’s in His kindness and love that He calls us back to Him.

Inspired by the sounds of blues-rock and rhythm & blues, DiMarco sets out to remind us that maybe the Lord doesn’t have the same opinions as us, and that God deeply feels the times and the seasons that we are in on this earth. With songs like “Gravity”, reminding us to feel the brutal along with the beautiful, The Field is set to release in May.

Honor & Glory – Honor & Glory CD

Description

Honor & Glory is a band whose name epitomizes their purpose: an outpouring of honour, unwaveringly fixed on the victorious glory of God.

Each band member is a successful staple in the Christian rock industry, with the venture being helmed by Disciple members Kevin Young, Josiah Prince, Joey West, and Andrew Stanton. The lineup is rounded out by Dane Allen (LOYALS) on acoustic guitar and Marco Pera (Amongst the Giants) on bass. For each of the veteran musicians, Honor & Glory is a project born of pure devotion.

The project's inception came organically through a conversation on Disciple's bus, a spontaneous moment when the band members realized they were each using their time off the road to lead worship in local churches. It led to the musicians collectively asking a hypothetical question: "We're leading worship anyway. Instead of doing it apart from each other, why don't we just play worship music together?"

Track Listing:

| 01. Victory | 06. Come Alive |

Bishop Leonard Scott – Keep Hymns Alive CD

Description

Bishop Leonard Scott, a legend in traditional gospel music circles, has sprinkled hymns throughout his contemporary gospel albums for over 40 years. His best-selling albums to date such as 'Hymns for the Nation' (2004) and 'Hymns & Church Songs Live from Alabama' (2006) were completely hymns projects.

So, it should come as no surprise that the hymnologist's first album in five years, 'Keep Hymns Alive' (Tyscot), is a new set of church standards. It's a nine-track showcase of well-worn songs that have earned a fresh but familiar reprise.

In a world of programmed beats and electronic drum machines, 'Keep Hymns Alive', is a reminder of how some of the most poignant sounds are the simple ones.

"Most will think the title, The End, is connected to my final departure from making music, but that's far from the truth," shares Trip Lee. It's symbolic of the season I'm in personally and musically right now. It symbolizes the coming to the end of ourselves, where one door closes so another can open," he explains "

The state of our nation and the world has caused so many of us to look inward at the legacy we would leave behind if the world were really to end. The end of ourselves is not necessarily the end of our story. The suffering and uncertainty we're in now feel like the end of everything, but actually the Lord is clearing the pathway that leads to him and a renewed life!"

Various – Protestant Reformation at 500 Years DVD

Description

This series gives viewers an in-depth look at the forces and people who shaped the Protestant Reformation. It describes in detail the social and theological issues at stake in the conflict between the Catholic Church and Protestant reformers during the 16th century.

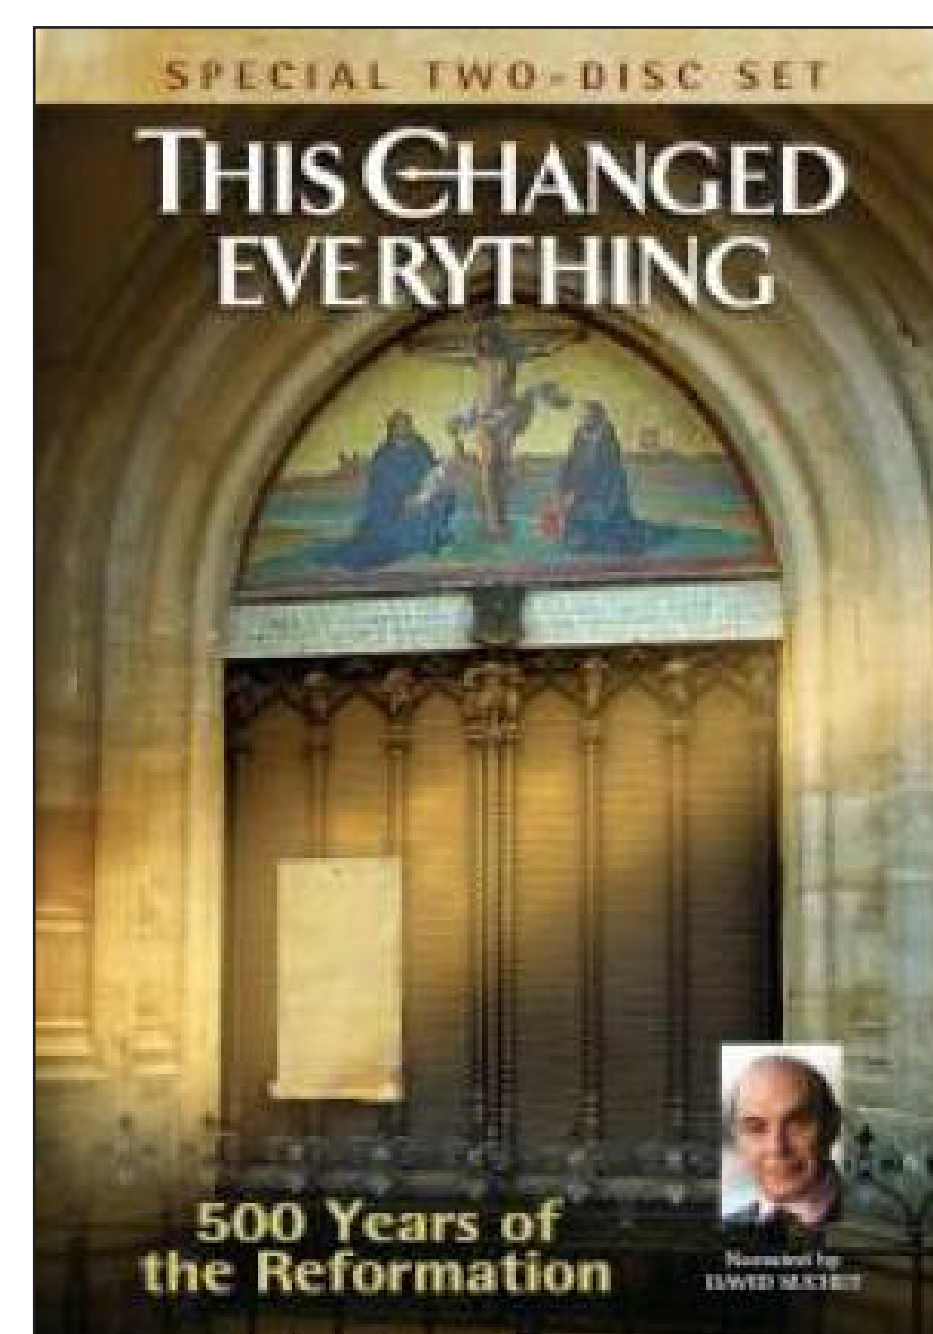

Produced and directed by award-winning filmmaker T N Mohan, the series highlights the lives of the three mainstream Protestant reformers—Martin Luther, Ulrich Zwingli, and John Calvin—and shows how God used them to restore a more biblical and Christ-centered understanding of the Christian faith.

Additional episodes are planned for the series.

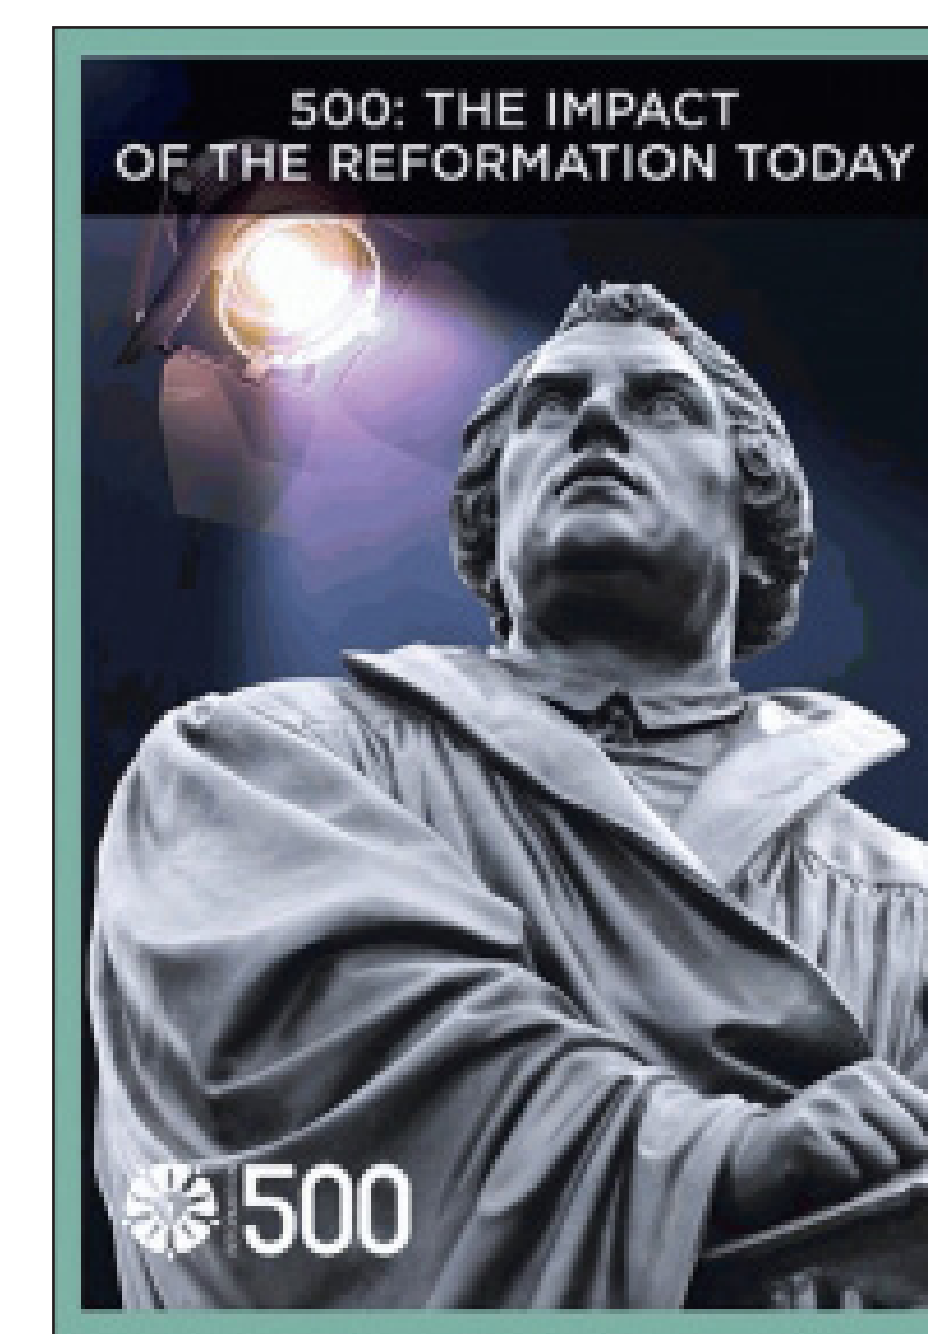

Episode 1: A Very German Protest introduces viewers to the world of the middle ages, the world in which Martin Luther lived. It was a time of sweeping change and ongoing corruption.

Against this backdrop, an obscure German Monk rose to become the spark that lit the Protestant Reformation.

Description

In 1244, during a time of religious persecution, Pope Innocent IV and King Louis IX of France sought to eradicate a pacifist Christian group known as Cathars. The last of the Cathar heretics found protection at the Castle of Montsegur. Here a dedicated group of about 100 defending knights, under the Leadership of Lord Raymond and his family, held a crusading army of over 10,000 mercenaries at bay for 9 months. To this day, many people believe that the Cathars were the guardians of a treasure of great significance, possibly even the Holy Grail. It is rumoured that in the last days of the siege a small group managed to slip away in the dead of night to retrieve this hidden treasure and get it safely away from the clutches of the Catholic Church. This is their story.

This illustrated, rhyming book will help parents explain to children the unique and wonderful Christian message of God's grace—that Jesus offers forgiveness and allows us to move on from our mistakes.

It can be used to share the heart of the Christian faith with children or to remind them that Jesus is the person to run to when they mess up.

Children will learn that God's grace is enough to cleanse and change us every day, as the book itself says...

My child, here's the truth:
 From God, you can't hide
 He sees what you've done
 He knows what's inside
 But please don't despair
 There's good news, I say!
 Whatever you do
 God's grace makes a way
 Yes, his grace is enough
 It's so big and so free
 His grace is enough
 Both for you and for me

This beautiful hardback book makes a great gift for children aged 3-6 and even beyond.

Holidays often give us an opportunity to rest and reflect. However, when our normal routines and habits are suspended, it can be hard to spend time with God.

These 30 devotions have been specifically designed to help you to rest in the Lord's goodness and glory during your time away so that you can return home feeling refreshed spiritually as well as physically.

Author John Hindley, who also wrote 'Serving without Sinking', says this: "I want to help you find rest, peace, joy, hope and renewed zeal. We go away to be refreshed. Christ is the one who sets his Spirit in our hearts to cause streams of living water to well up within us and flow from us. Sometimes we rest away from Jesus, but how much better to rest with and in him? He is where our true refreshment is found."

You can pick and choose which devotions to read depending on the type of holiday you are on (for example, city break or beach) and there are optional family activities and questions linked to each devotion giving other family members an opportunity to reflect alongside you.

Description

When Paul wrote to the church in Colossae, he warned them against false teachers who were claiming that faith in Jesus wasn't enough to save them. Paul writes that faith in Christ is not only enough to save us, but also the beginning of a new life, in which we can become more like Him.

In his invaluable book Josh Moody directs our attention not only to the theory of how we fight this battle, but also practical strategies for how we can train in holiness. Moody also highlights the practical instructions the letter to the Colossians give us for growing in holiness.

When we are united to Christ we are new creations, but how do we live in a way that shows that? We let Christ rule our hearts. Moody not only explains the thinking behind this but gives suggestions for steps we can take today to put it into practice.

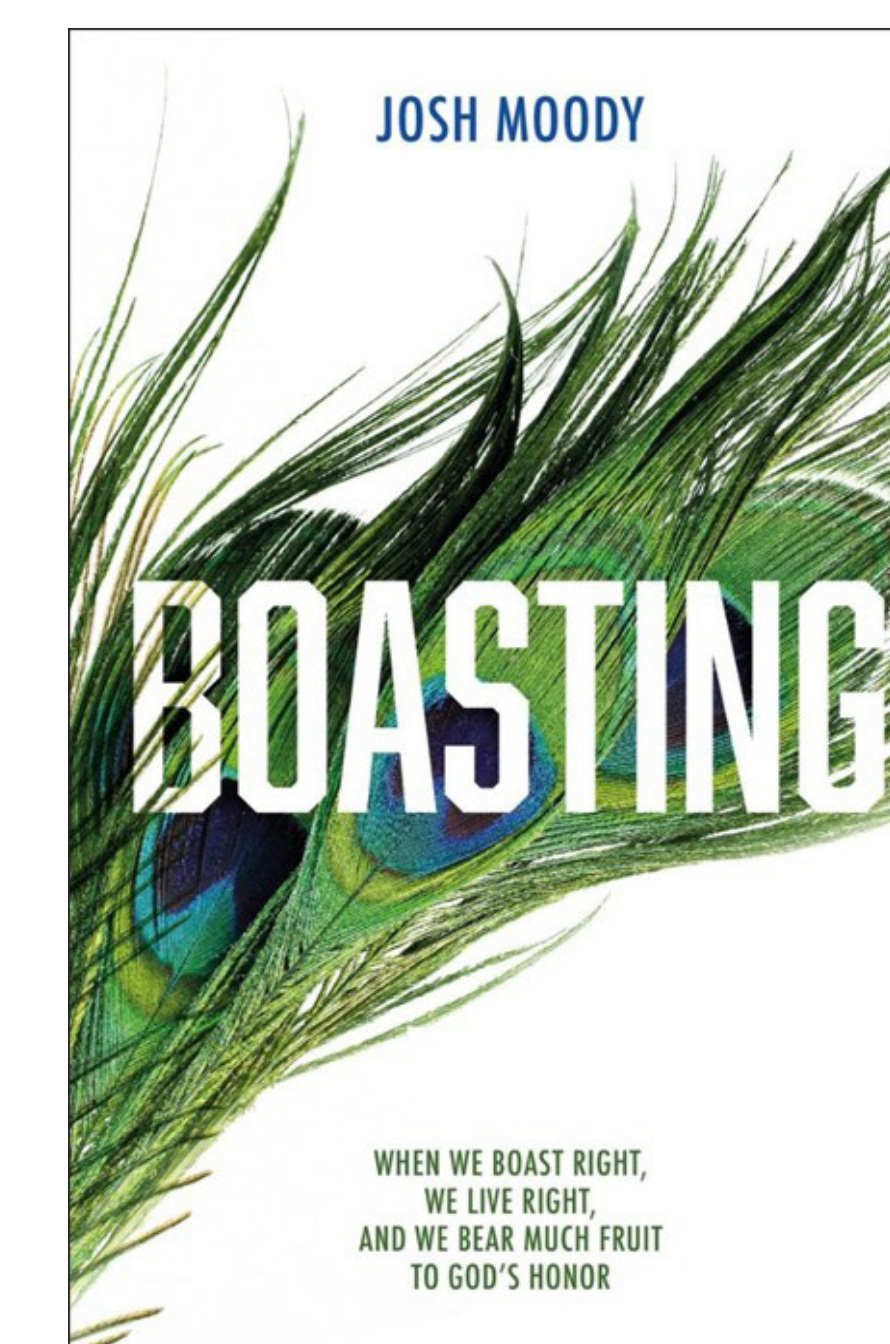

This increasing holiness affects our relationships too. Imagine a family, church or workplace whose members are committed to this process, who all seek to please God instead of themselves with their choices. What a joy that would be. What a witness that would be to those who do not yet know Jesus. This is the goal that Josh Moody encourages us to look towards as we seek to be more like Christ in our day to day lives.

Josh Moody (Ph.D., University of Cambridge) is Senior Pastor of College Church in Wheaton, Illinois, and president and founder of God Centered Life Ministries.

Description

To live well in this world, we need more than to just try harder. If we want lives that are marked by love, joy and peace, if we want to see goodness planted in the soil of our marriages and families, we need something we can't actually drum up from inside ourselves, however hard we try or how disciplined we become.

The truth is, we need someone to come from outside of us to empower us to live the good life. The good life not on my terms but on God's terms. It is His world, and He wants us to live a certain way. But He doesn't just say try harder, He comes to us in the person of His Spirit, to enable us to grow into those people, to more closely resemble His Son, the Lord Jesus.

This book contains a reminder and a profound encouragement for the Christian. You have been given the Holy Spirit through faith in Jesus Christ and he is working these beautiful qualities in you. You have the resources you need at your disposal to live a life of love, joy, peace, patience, kindness, goodness, faithfulness, gentleness and self-control. God has gifted this to you through His Son, so look to him to grow and develop them in you, don't think they can be found anywhere else.

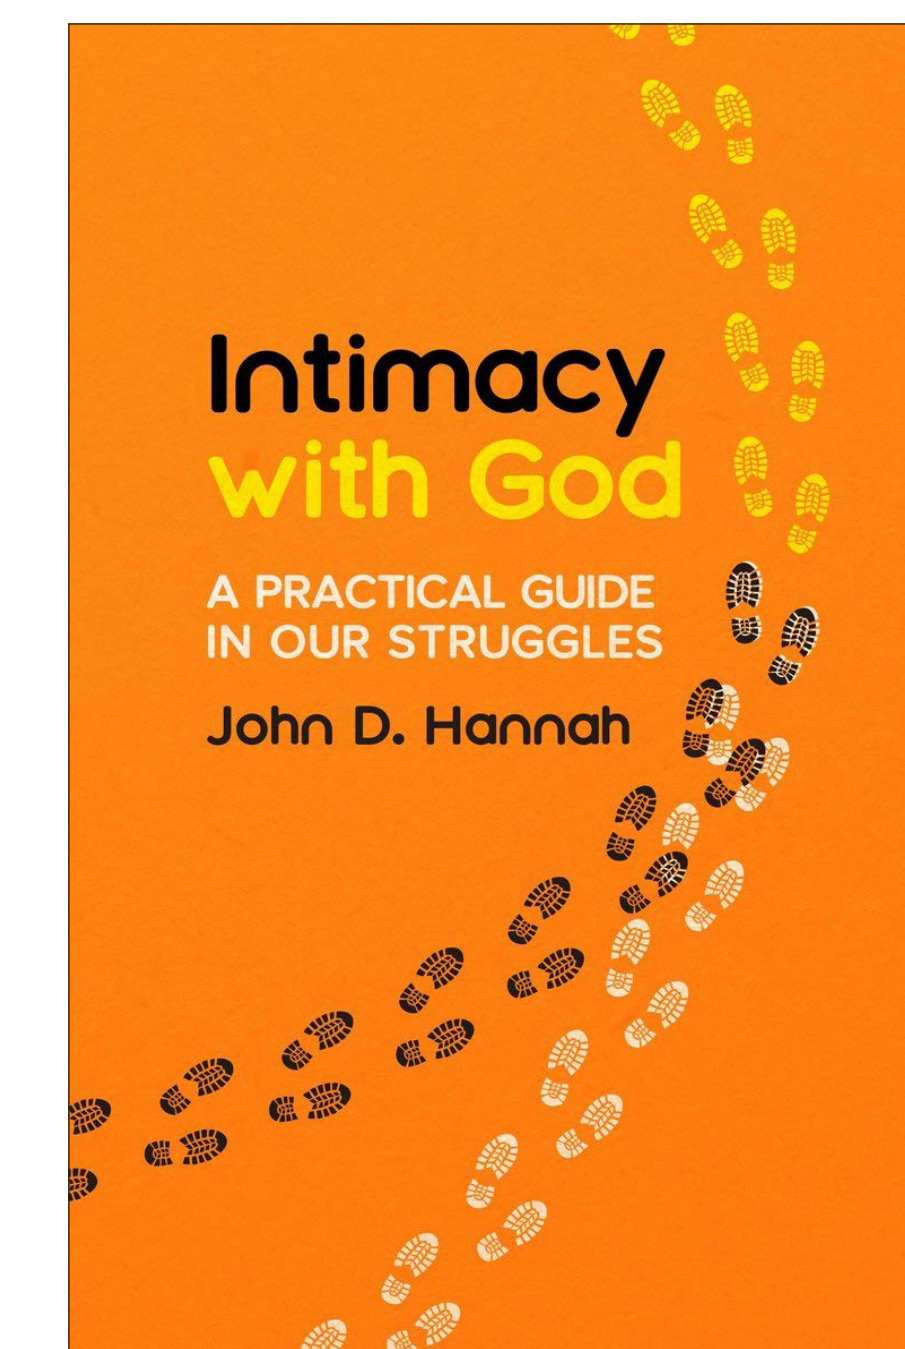

Look at the qualities that God grows in those who put their faith in Him, isn't this the sort of life we are all trying to live? Isn't a life marked by these beautiful qualities what everyone is seeking? We look in all kinds of places to find it, we put ourselves under all kinds of stress trying to achieve it, and yet here is God offering it to us as a gift. Come and welcome to the good life.

Terry Johnson – Who Needs the Church?

Description

A thought-provoking introduction to the importance of the local church.

It seems that increasing numbers of professing Christians in the West do not attend church. Church, to many, has become a place to go when it is convenient, to have one's needs met. Terry L. Johnson asks whether our individualistic, dismissive attitude to the gathering of the local church can be squared with that of the New Testament.

Examining what the Bible has to say about the church, Johnson shows why the local body of believers is an essential part of the life of every believer – and the role that each individual believer plays in the life of the church.

This thought-provoking, challenging book will benefit every believer.

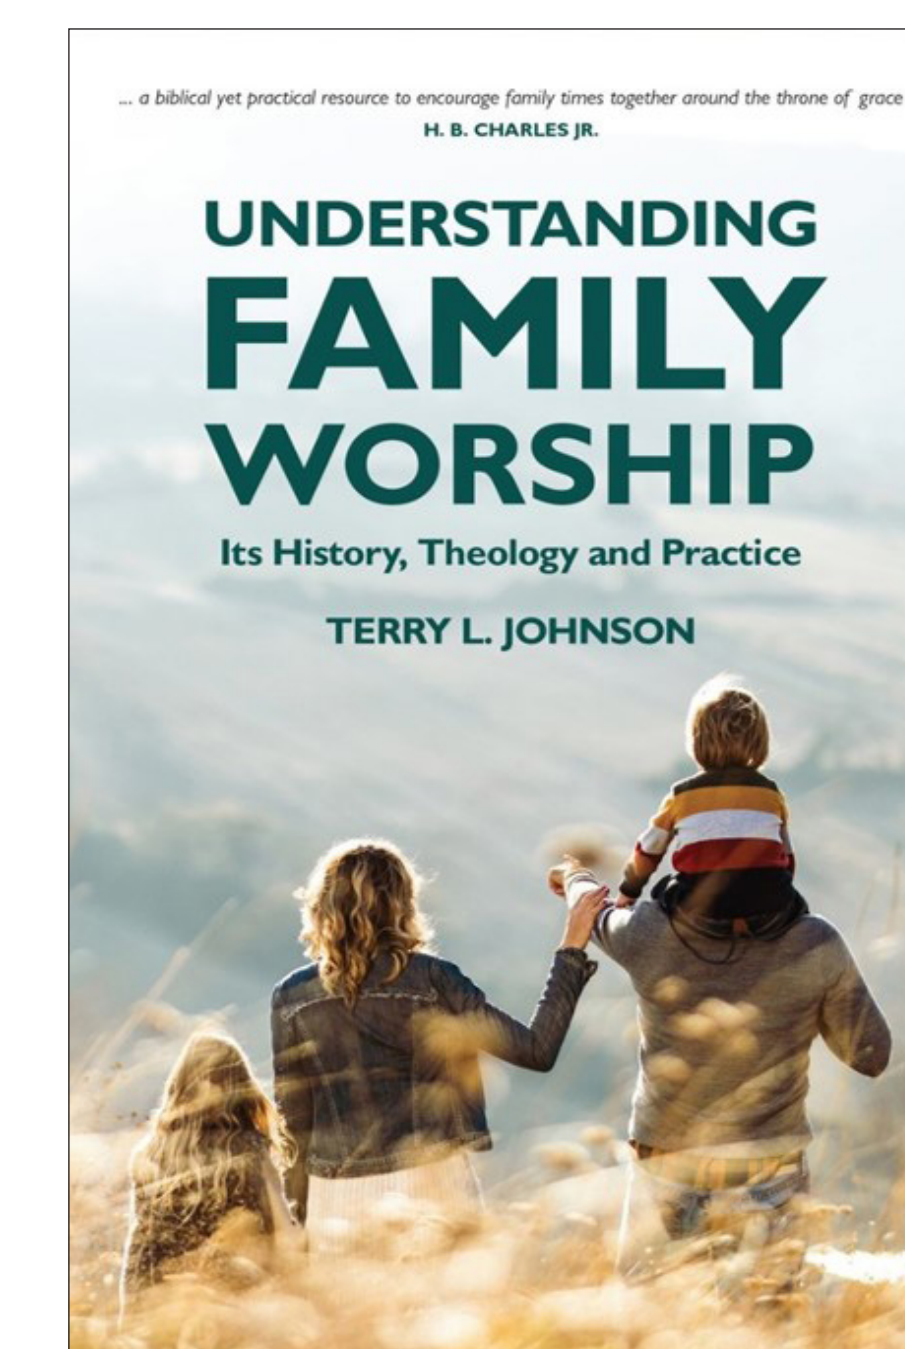

"... a compelling and exciting vision for the local church, for your local congregation. If you're feeling sceptical and jaded about the church then this book will renew your enthusiasm. It will help you to see afresh that the 'ordinary' life of an 'ordinary' church is actual something extraordinary, filled with Christ's supernatural presence and power." --**Tim Chester** (Author and senior faculty member, Crosslands Training)

Title: A Tale of Two
 Author: Donald Mackay
 Price: £8.99*
 Product Code: 9781527107953
 Format: Paperback
 Genre: Bible Studies
 Distribution: UK & Europe

The story of redemption is studded with men and women who had a direct and personal relationship with God, so many studies of biblical characters tend to be of individuals. But no man is an island.

Many of these individuals also had relationships with other individuals which were important and even crucial to their success or failure.

In 38 short chapters Donald MacKay explores pairs of characters in the Bible. Some have obvious connections like Martha and Mary or David and Jonathan, but other relationships may be less clear, such as Timothy and Titus or Ahab and Jehoshaphat, but there is something to be learned from all of them.

These helpful stories will encourage readers to reflect on the lives and choices on these biblical characters, and also on the impact they have on the people around them and vice versa.

Title: Hidden Agendas

 Format: Paperback
 Genre: Spiritual Growth

This book lifts the lid on the human heart, seeking to uncover the hidden agendas that stop us from loving God and others as we should.

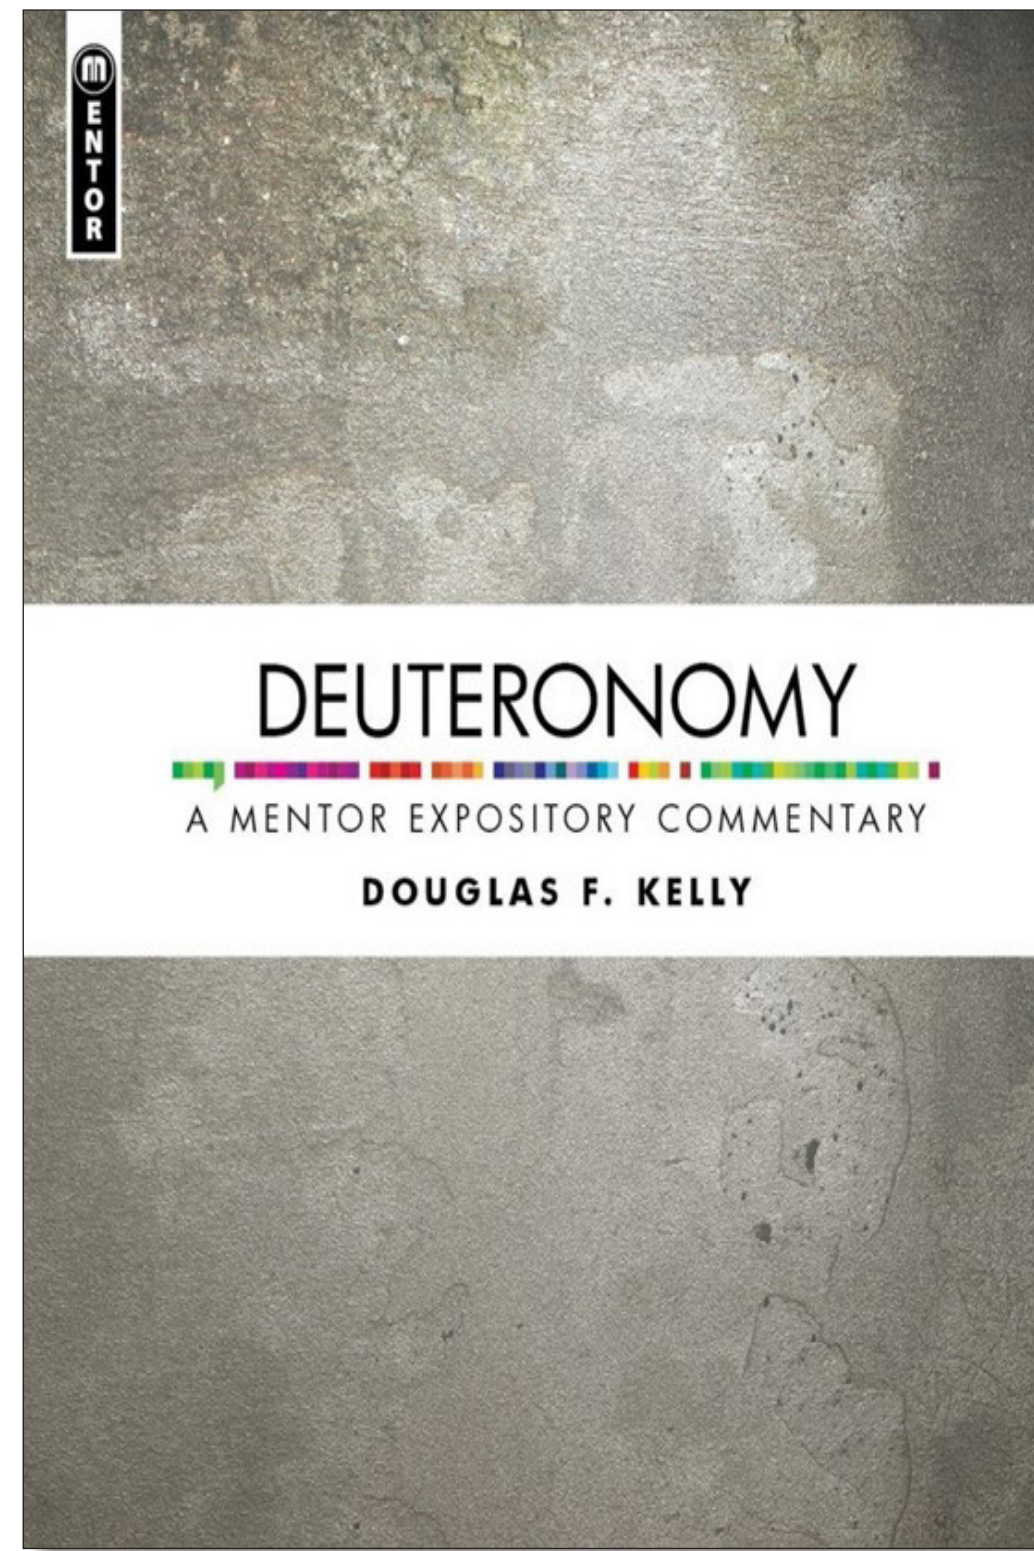

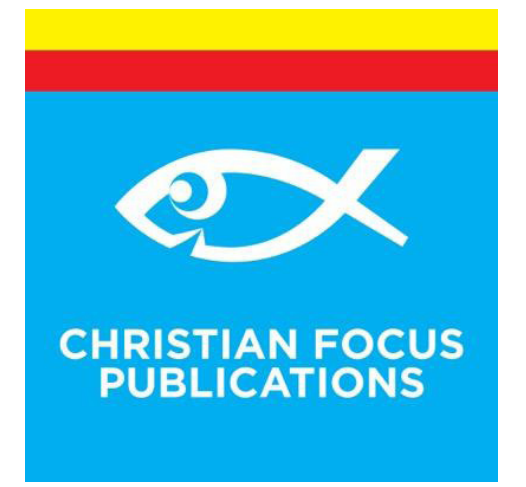

Our hearts have a selfish list of priorities that we believe are important and need to be given attention. But often these heart agendas are in tension with God's agenda.

David Smith uses four biblical pictures to help us consider these agendas that are often hidden so deep within our hearts that we are unaware of them.

Using examples from the Bible, he uncovers the desire to be significant; the desire to have certainty; the desire to have peace, safety, and security; and the desire for our own fulfilment.

“Where were you, God? You betrayed me. You might be good, but just not to me.” We’ve all struggled with thoughts like these, unable to trace where God was in pivotal moments of our story.

In her debut book ‘Eyes Up’, author and speaker Alexandra Hoover shows you that she’s been in this place of questioning too. As God led her through that place of confusion and doubt, He helped her get to the other side by teaching her how to trace His grace in her life, even in the places she previously couldn’t see His hand at work.

Ebenezer stone by Ebenezer stone, God lifted her eyes to see the places He had met her and helped her along, even in the darkest parts of the story. After being led so kindly by the hand of God through her own Ebenezer journey, Alex now seeks to lead fellow strugglers on theirs.

In Eyes Up, you will be led into a story of faithfulness, redemption, healing, and mission.

Are you ready to finally see God’s heart, and His holy handprints, all over your life? Even in the moments you thought He was absent? Journey with Alex through these pages, and lift your eyes to the Ebenezer stones that God has built in your life. By the end of the journey, you’ll know what it looks like to truly trust God’s heart in the places you once couldn’t see His hand.

Description

Fruitfulness—how would you define it? A big family? An abundant ministry? An overflowing bank account?

While there are certainly aspects of life that can be fruitful on the outside, the Bible elevates God’s most fruitful work in our lives as something that He does on the inside. Through his Spirit, God makes us fruitful from the inside out, cultivating the famous fruit of Galatians 6:22–23: love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, and self-control.

In this beautiful 45-day journalling devotional, Yahaira Ramos (author and founder of Fruitful Girl) explores each fruit of the Spirit that God is bearing in you, right here and right now.

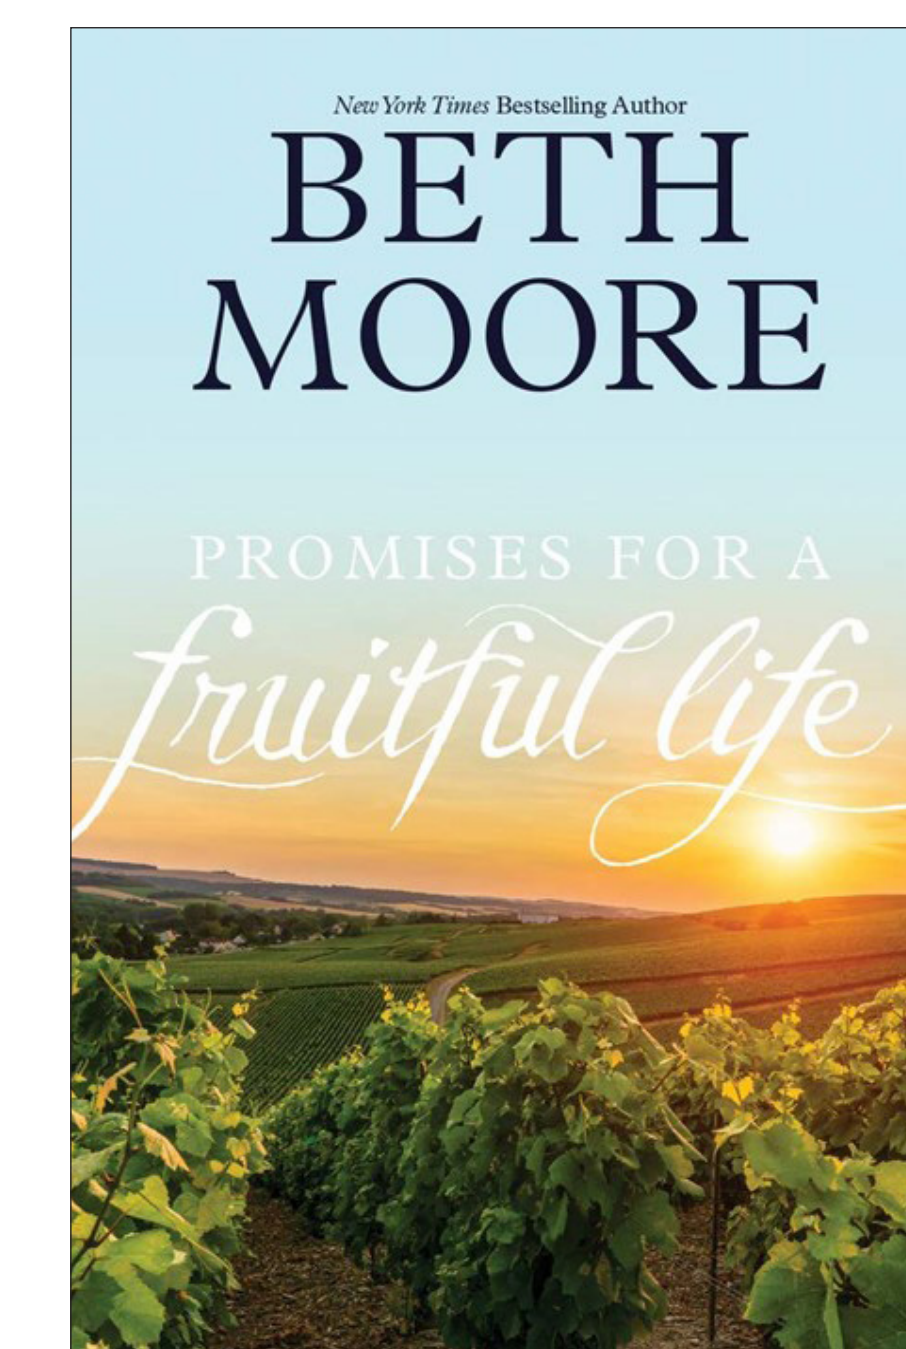

No matter what life might look like for you in this season, take heart in knowing that God is doing a work in and through you—a fruitful work.

About the Author

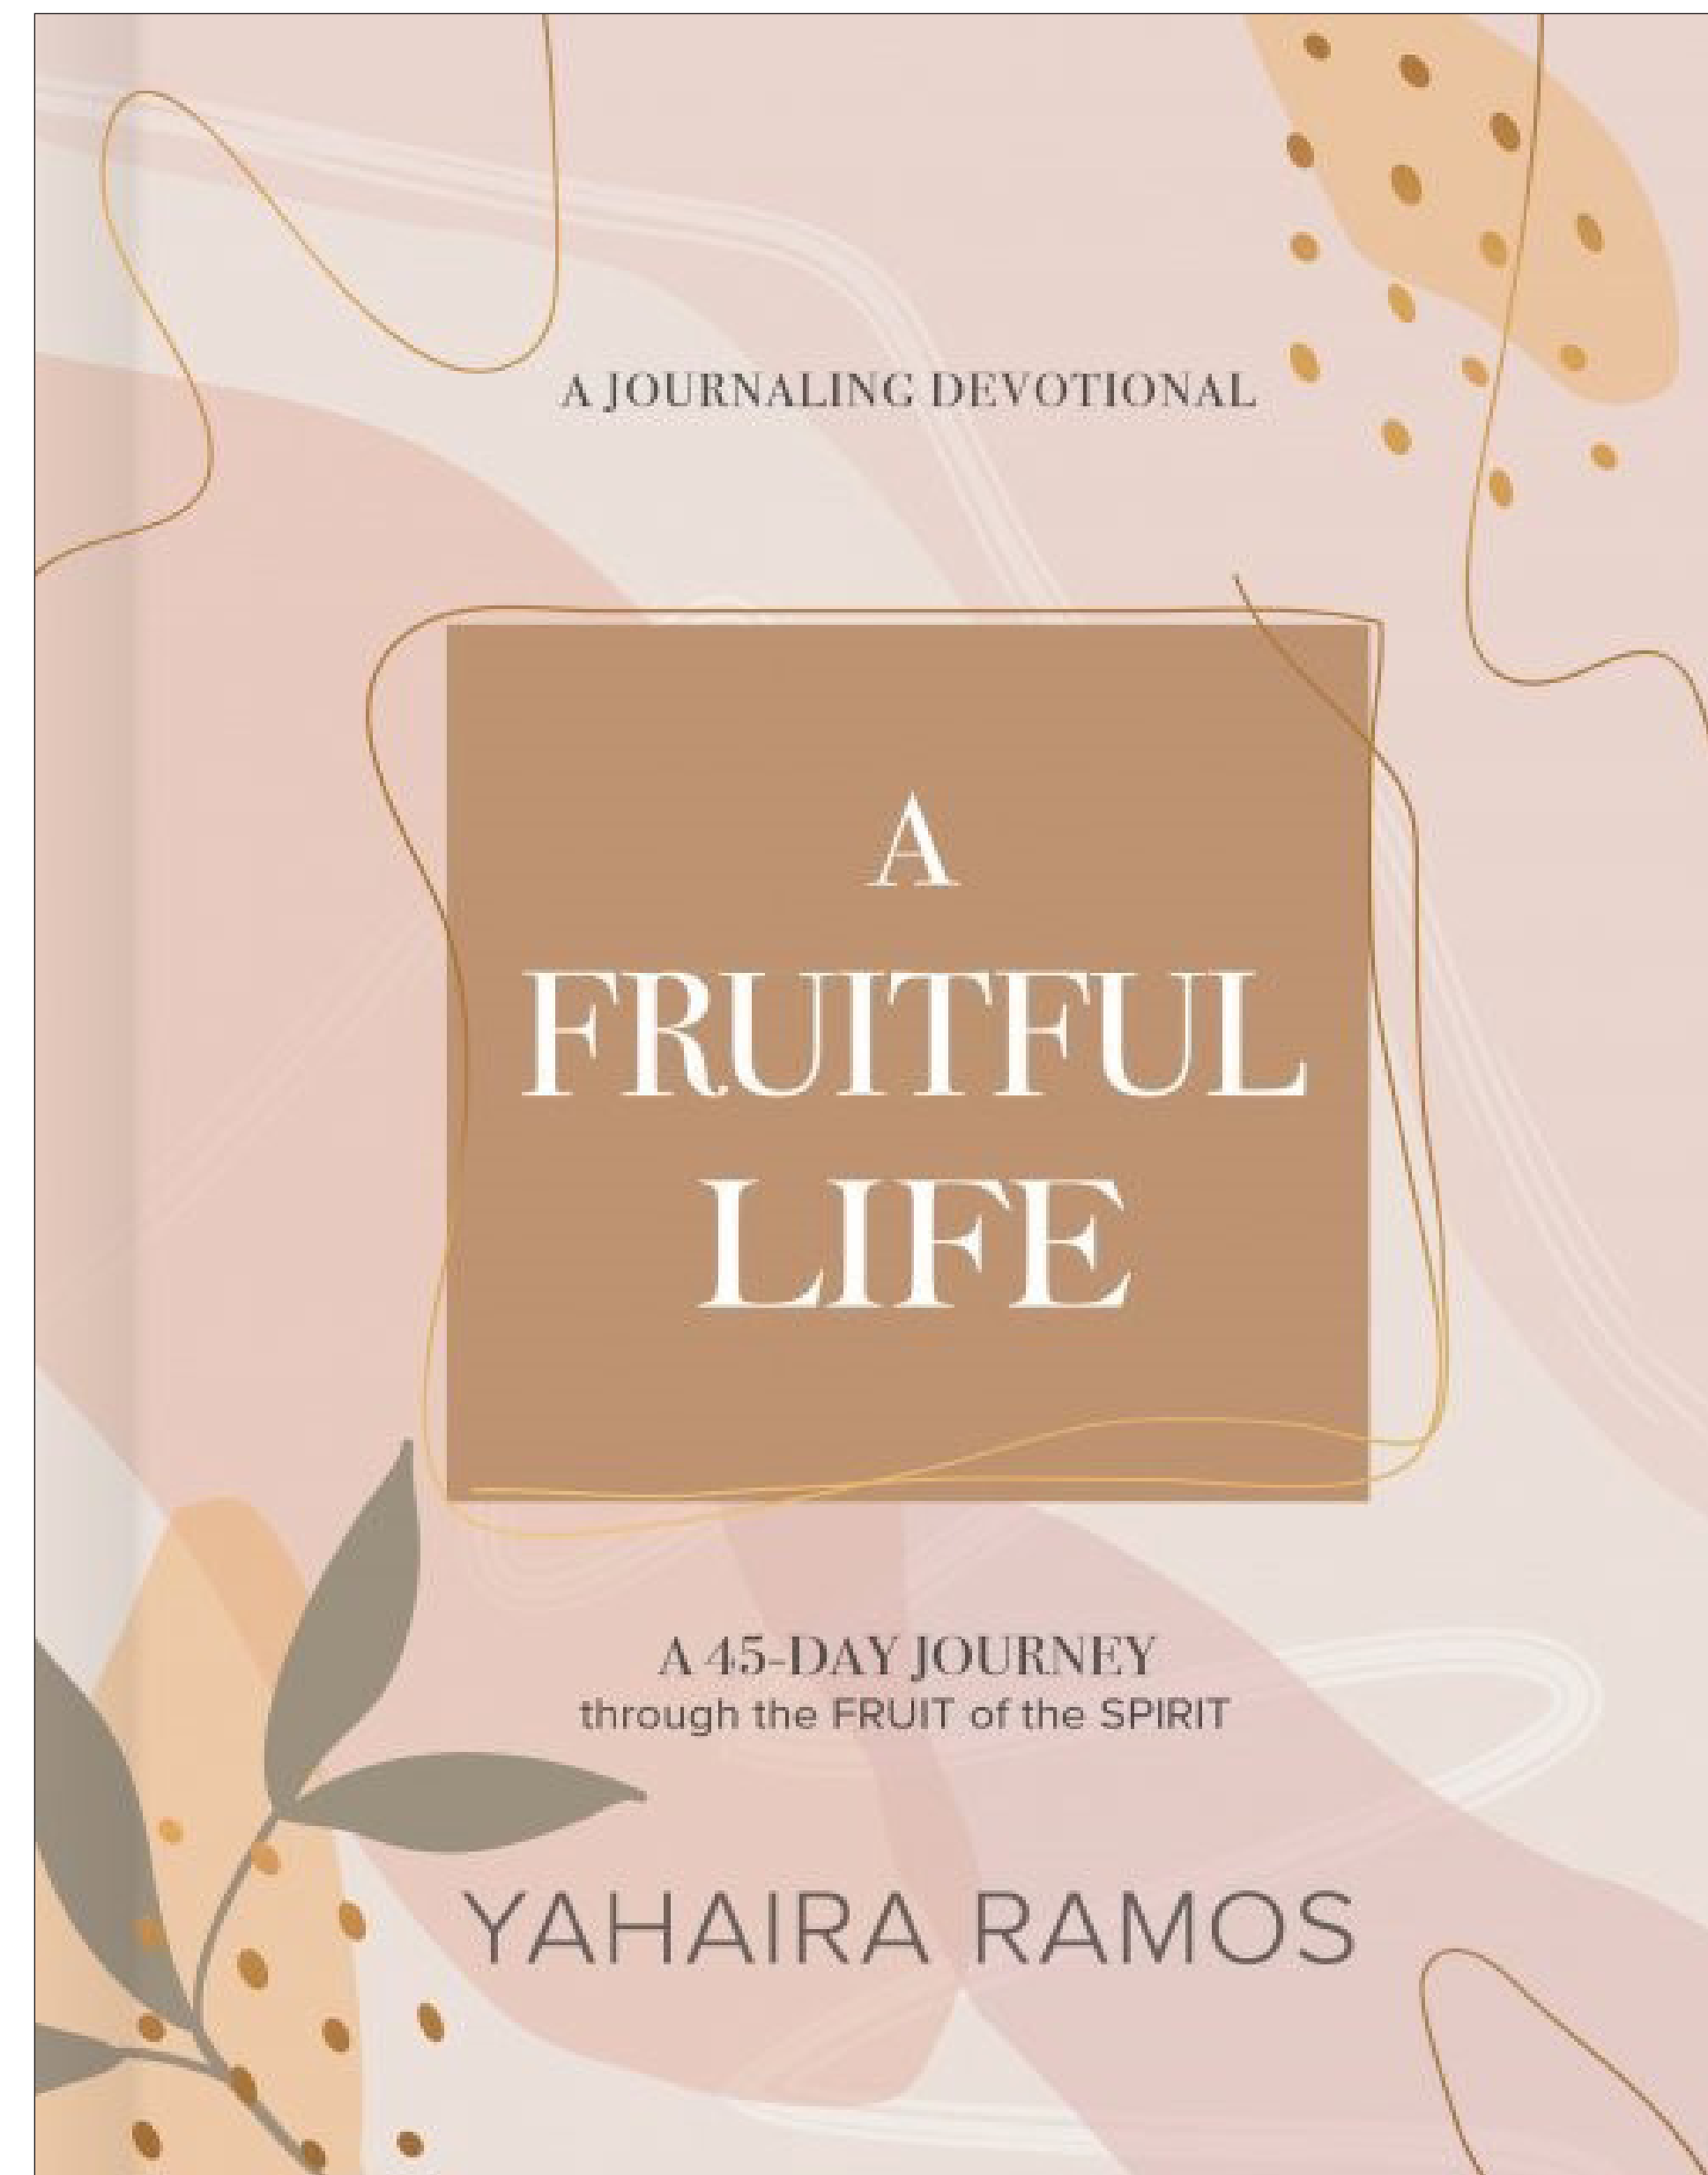

Yahaira F. Ramos was born in Sonora, Mexico, and at the age of twelve she relocated to Southern California where God gave her a new gospel purpose—to walk in obedience and bear fruit in His name.

An entrepreneur at heart, Yahaira co-founded the brand ‘Risen Apparel’ alongside her husband, and also founded the online community known as ‘Fruitful Girl,’ where she makes God known and builds up others in the faith so that they might be fruitful in the Lord. She is blessed to be a wife, a mum of three, and a leader at her church.

But we can be overwhelmed by the sheer number of decisions we face, and the challenge of weighing the risks and rewards of each. In all this confusion, how can you be sure you won't end up asking yourself, what was I thinking?

In this new book, David Ashcraft, pastor of a large and influential church, and Rob Skacel, licensed psychologist and business leader, encourage readers to embrace risk and to live their lives to the fullest potential, in order to both run and finish the race with no regrets.

Mark Sayers – A Non-Anxious Presence

Description

For much of recent history individuals and institutions could plan, execute, and flourish with their visions of a better world. Volatile, complex forces could be addressed and confronted with planning and management.

But crisis is a great revealer. It knocks us off our thrones. It uncovers the weaknesses in our strategies and brings to light our myths and idols.

Our past strategies run aground, smashed by unpredictable and chaotic waves. Yet in the midst of the chaos of a crisis comes opportunity.

The history of the church tells us that crisis always precedes renewal, and the framework of renewal offers us new ways forward.

'A Non-Anxious Presence' shows how that renewal happens and offers churches and leaders strategic ways to awaken the Church and see our culture changed for Christ.

About the Author

MARK SAYERS is a cultural commentator, writer and speaker, who is highly sought out for his unique and perceptive insights into faith and contemporary culture.

Mark is the author of 'The Trouble with Paris and The Vertical Self.' Mark is also the Senior Leader of Red Church.

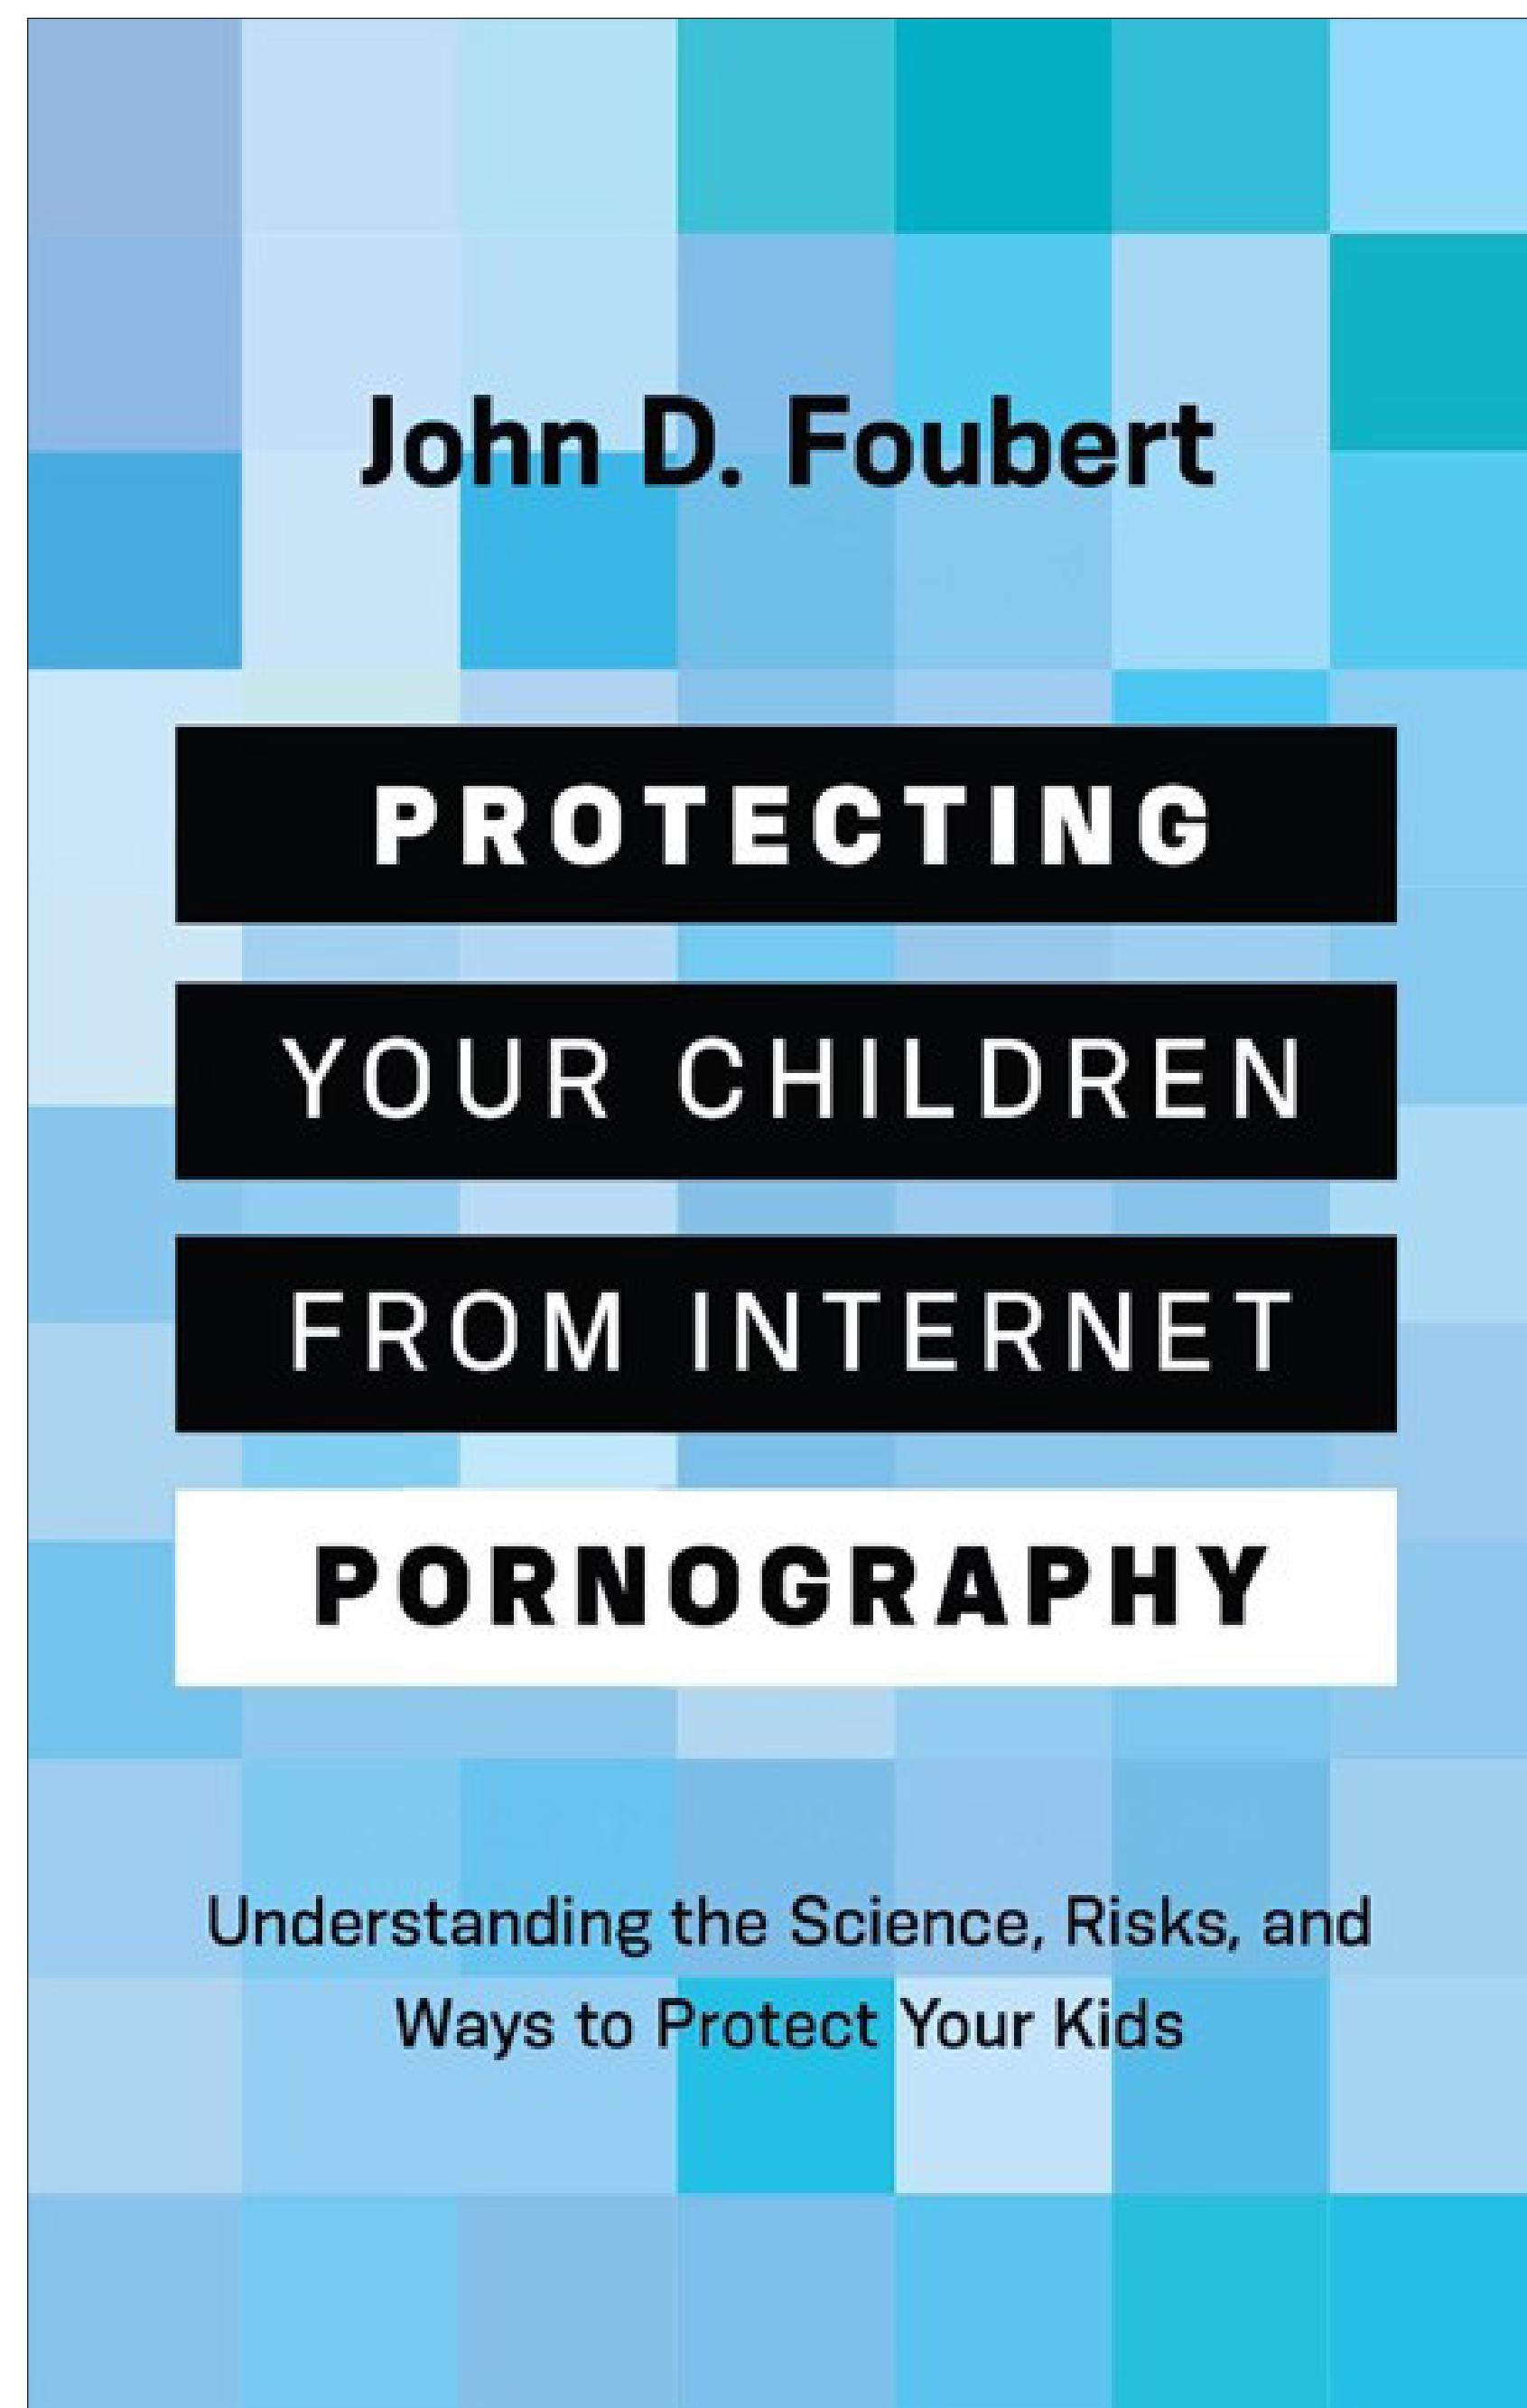

Mark lives in Melbourne, Australia with his wife Trudi, daughter Grace, and twin boys Hudson and Billy.

Description

'Protecting Your Children from Internet Pornography' exposes the many ways that pornography is menacing people, relationships, society, and—especially—our children.

Dr. John Foubert's ability to write about complex concepts in practical terms will help you understand issues like how pornography affects the brain, how pornography is a recipe for sexual violence, and why you should take measures to protect your children and those you love.

This scholarly perspective is well balanced by practical suggestions at the end of each chapter that gives parents advice on how to apply the information in their own home.

It is time for a national conversation about what pornography is really all about. Foubert's book opens the door on that discussion and invites the reader to join the battle against porn with greater knowledge of its actual effects.

You will be disturbed, shocked, motivated, and empowered to make a difference after reading this book.

About the Author

JOHN D. FOUBERT is Dean of the College of Education at Union University and serves as the Highly Qualified Expert for Sexual Assault Prevention for the U.S. Army. He founded the national nonprofit organization 'One in Four' which worked for twenty years to apply research to rape prevention programmes on college campuses and in the military.

Dr. Foubert has testified before Congress and has been called upon by the White House and all four branches of the military for his expertise. He lives in Jackson, TN with his wife and two children, ages 13 and 11

Title: Know. Own. Change
 Author: Josh Clemons, Hazen Stevens
 Price: £11.99*
 Product Code: 9780802424891
 Format: Paperback
 Genre: Contemporary Social Issues
 Distribution: UK & Europe

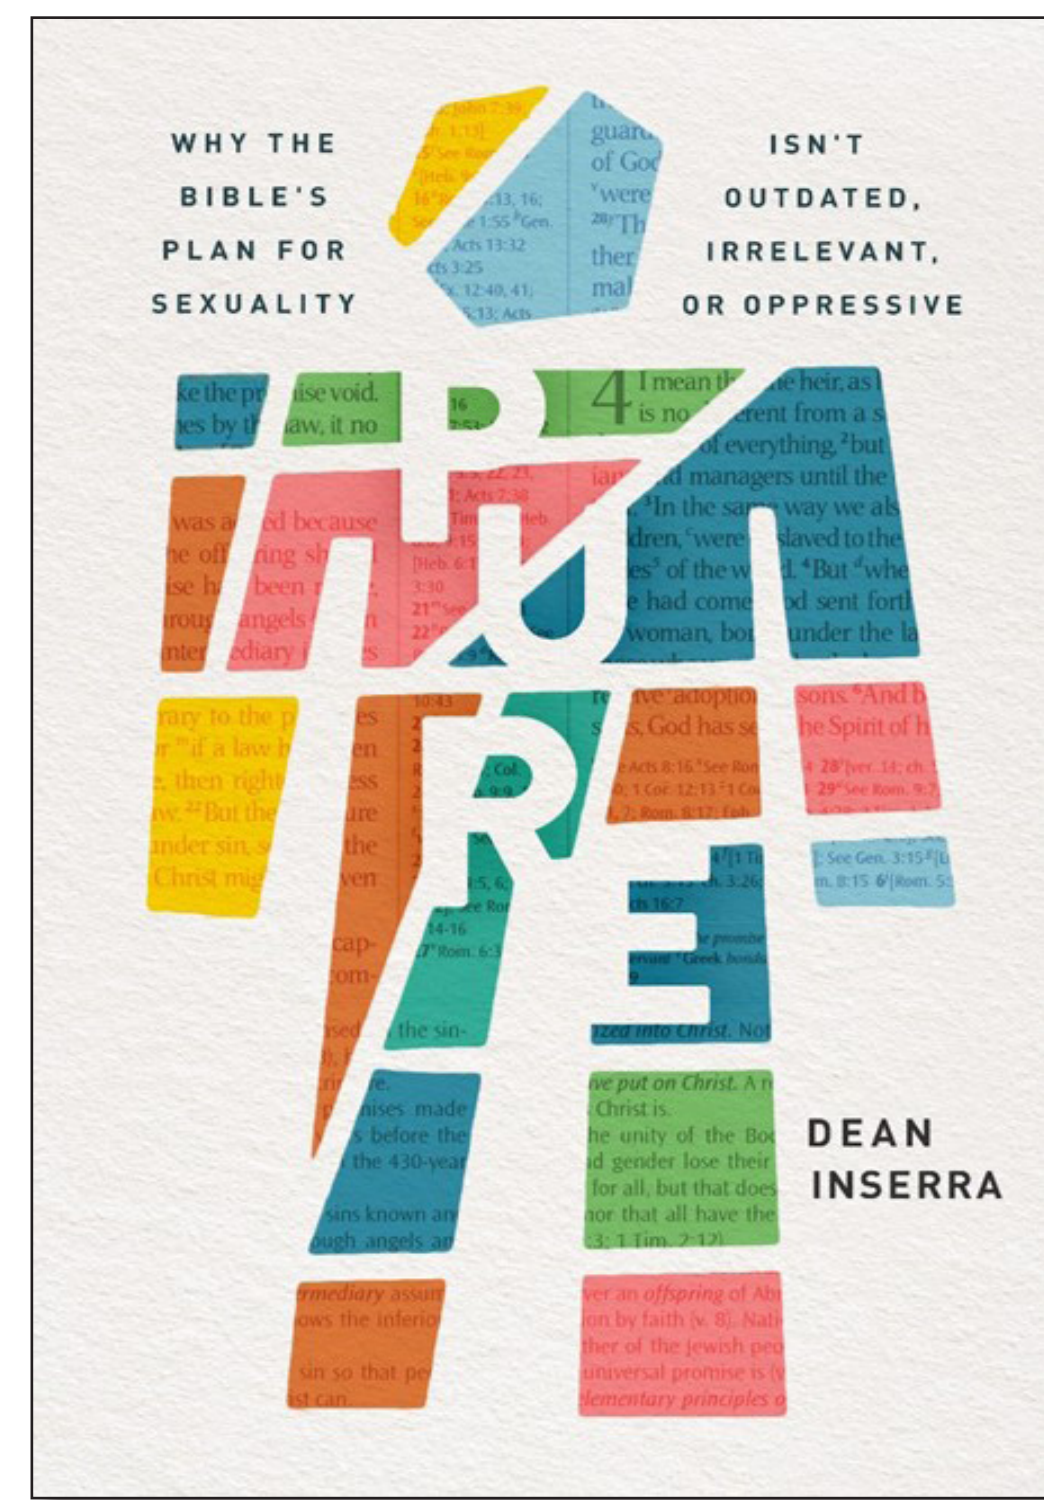

When it comes to racial reconciliation, we often ask, “Where do we go from here?” But has it ever occurred to you that the real question is “Why are we still here?”

In other words, until we’ve seen the problem of racism correctly—its history, its current effects, and its root causes—we aren’t equipped to head in the right direction. We’ll just keep falling into the same old patterns. The blind will lead the blind, and no one will have the vision to foster real change.

But take hope! Restoring our spiritual sight is exactly what Jesus came to achieve.

In this book, Josh Clemons and Hazen Stevens—one white, one black, and both brothers in Christ—will invite you to start the journey toward racial reconciliation and justice.

In Know. Own. Change., the authors set aside the world’s patterns of division and hate. Instead, they set a tone that emerges from spiritual kinship in Christ. Every page seeks to honour Him, pointing believers back to Jesus as the one who is reconciling all things to himself.

Title: Pure
 Author: Dean Inserra
 Price: £11.99*
 Product Code: 9780802423085
 Format: Paperback
 Genre: Contemporary Social Issues
 Distribution: UK & Europe

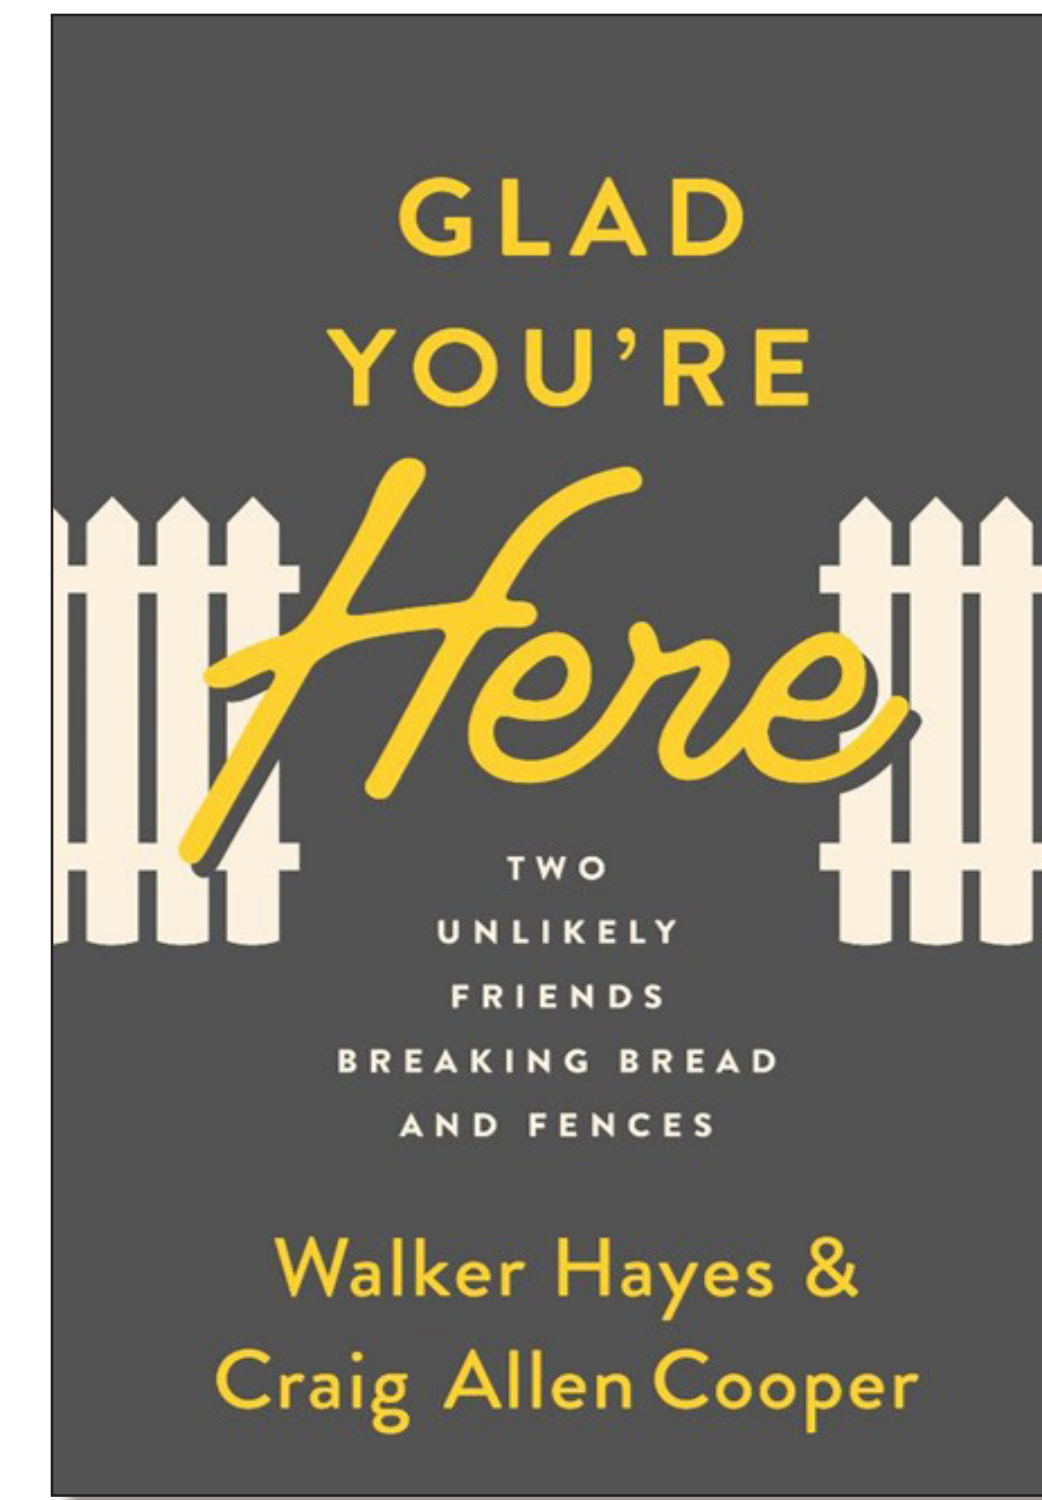

Few things bring more immediate scrutiny and impassioned angst among young adult Christians today than hearing the words “purity culture.”

Serious flaws from purity culture deserve to be scrutinized, especially given its lasting negative effects on some raised in the movement.

Many Christians today reject the movement—and all that it stood for—wholesale. However, we can’t ignore the clear sexual ethics of the Bible.

Pure dives into the big picture of God’s design for men and women regarding sexuality, and seeks to reclaim one of the clearest teaching in the scriptures: the call to sexual purity.

While purity culture gets the truth right, the approach and gospel elements it espouses are often wrong. Let’s not throw the baby out with the bath water, but rather celebrate God’s great design for marriage and the loving boundaries he has put in place for our joy, protection, and flourishing.

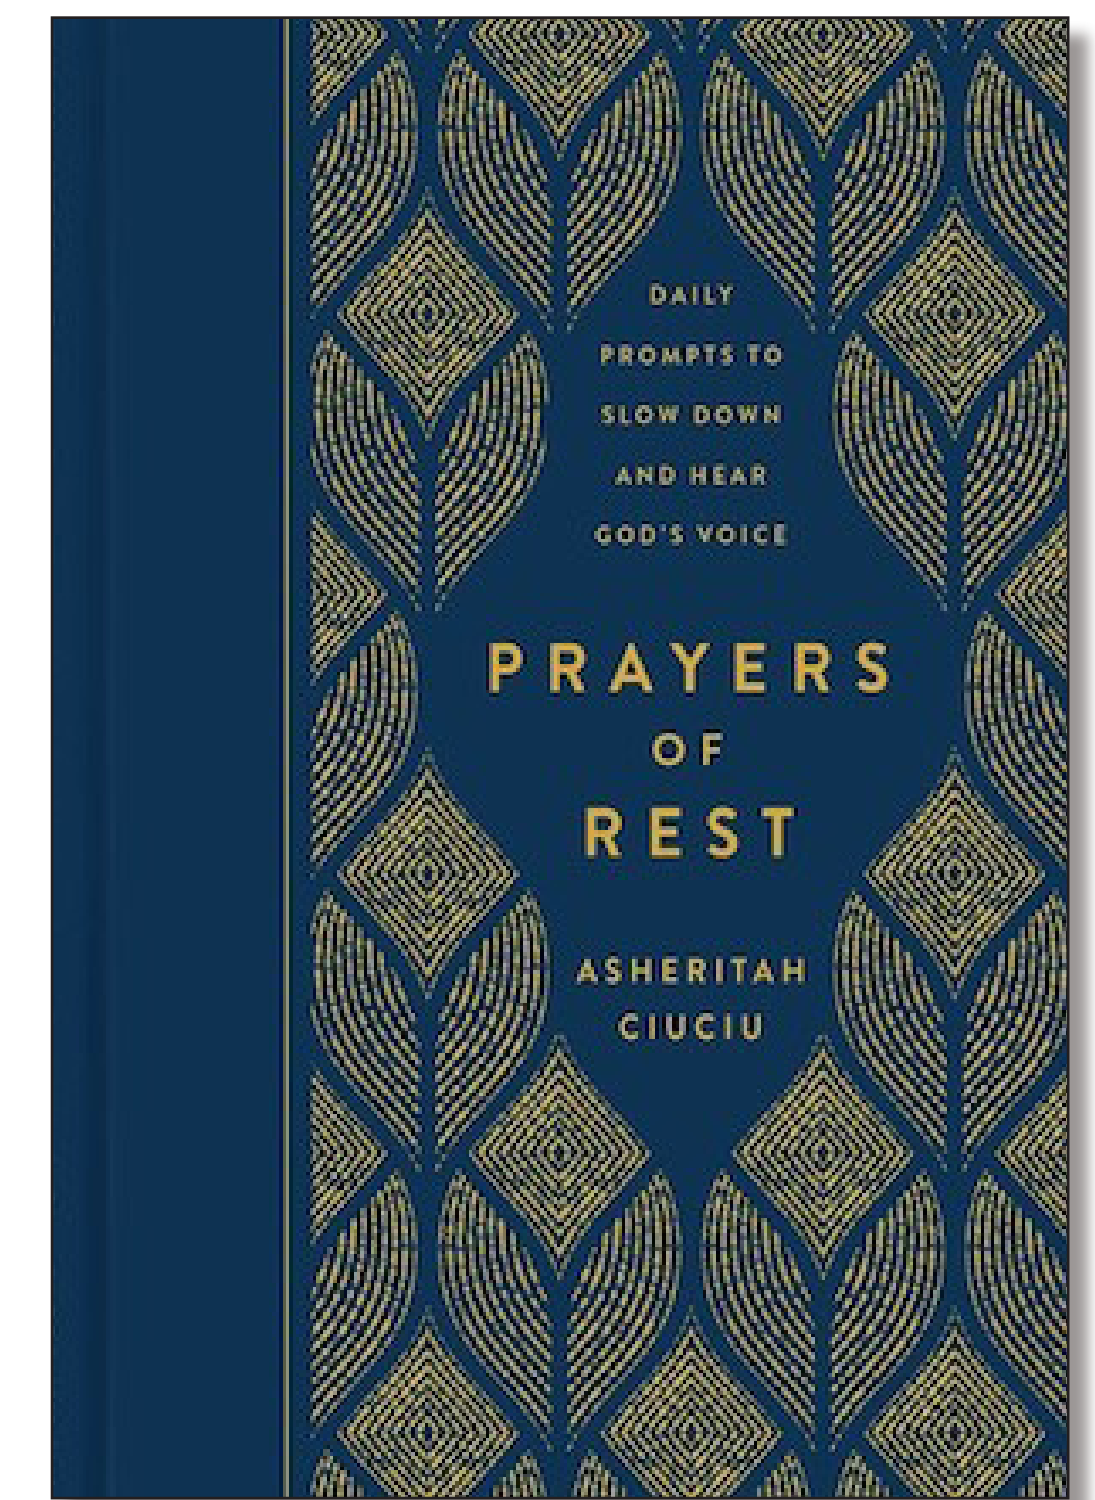

Title: Glad You’re Here
 Author: Walker Hayes, Craig Allen Cooper
 Price: £12.99*
 Product Code: 9780802424716
 Format: Paperback
 Genre: Family & Relationships

When Craig Cooper and Walker Hayes met, Walker was an alcoholic atheist reeling from the backlash of a failed music career. Through their unlikely friendship, Craig’s life demonstrated the love of Christ in a way that shattered Walker’s misconceptions of Christianity, ultimately leading him down the path to a dramatic conversion.

The two are now close as brothers, choosing to be next-door neighbours and ripped out the fence between their homes as a testament to the power of the gospel to break down barriers and unite people together in Christ.

‘Glad You’re Here’ helps us discover how building relationships, sacrificing for the good of others, and drawing near in times of need can lead to powerful transformation.

Through story and biblical reflections, ‘Glad You’re Here’ helps readers see how God works in the everyday lives of those who love him.

Description

No one wakes up and decides, “I’m planning to ruin my marriage, neglect my kids, and cause mistrust in my family.” Yet our personal pursuits and busyness can lead us there. In this book, marriage and leadership coaches Dr. Josh and Christi Straub show how seven core decisions can help us put what’s most important centre stage in our lives.

‘Famous at Home’ is Josh and Christi’s realistic, grace-filled look at the struggles families face in a culture that competes for their time, attention, and identity. Whether you’ve found yourself putting more effort into becoming famous on stages outside the home, or your stage is the home, ‘Famous at Home’ offers guidance and inspiration to help you give your family the best version of you instead of your leftovers.

‘Famous at Home’ will help you and your spouse

- Be on the same team—fighting for each other and not against each other
- Stay emotionally connected even if work, distance, or busyness are in the way
- Deeply invest in the emotional lives of your children

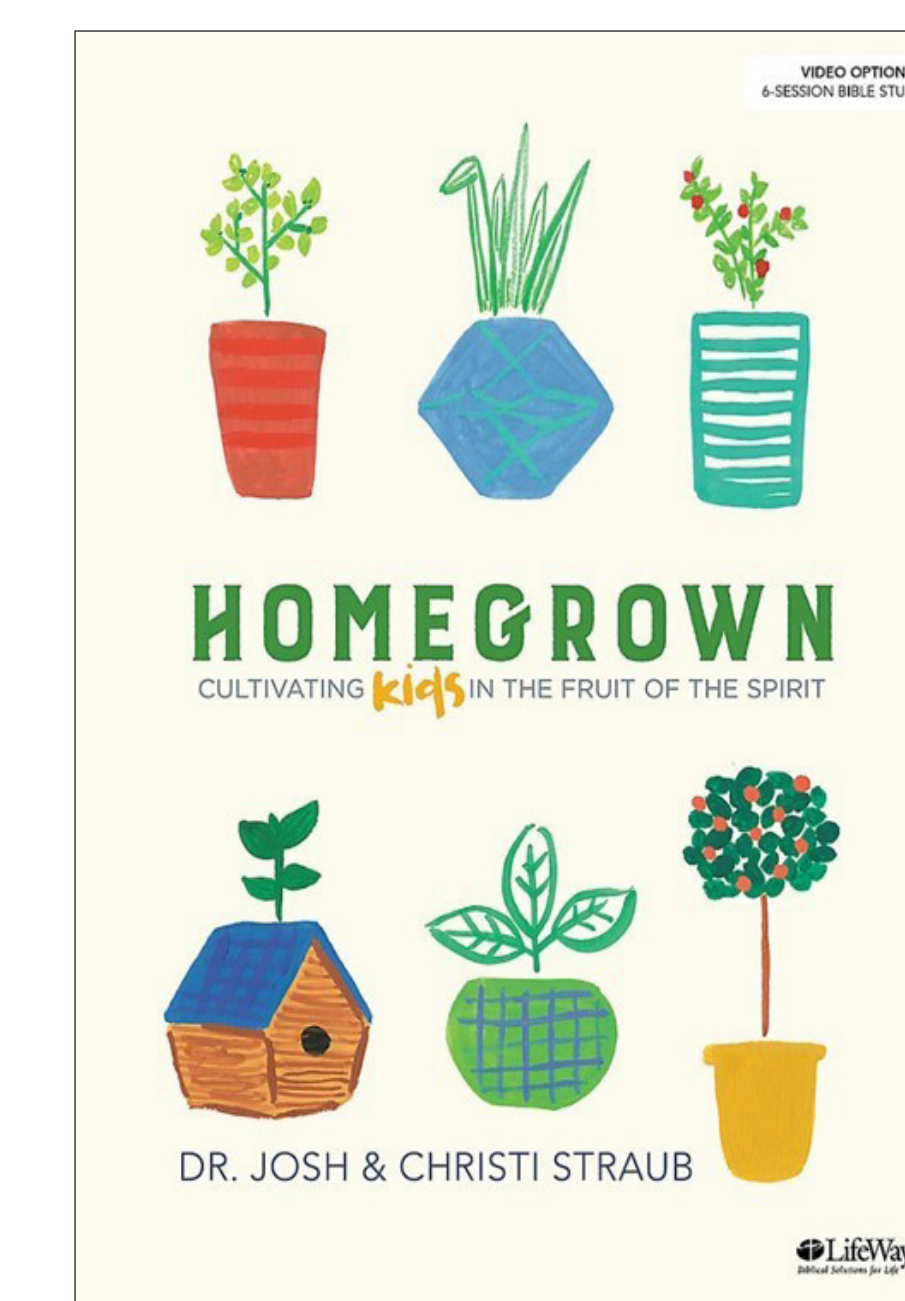

You really can be famous at home, showing up in intentional and meaningful ways for your biggest fans. All it takes is realizing that the greatest red carpet you’ll ever walk is through your front door.

Authors Frank and Zach Turek then use Spider-Man's origin story to address the question: "Why would a good God allow evil?" You'll then read how seven movie franchises—Captain America, Iron Man, Harry Potter, Star Wars, The Lord of the Rings, Batman, and Wonder Woman—portray the battle against evil, providing a set of modern-day parables that reveal truths about God and His mission for us.

 Product Code: 9781641583732
 Format: Paperback
 Genre: Christian Living

This is the story of how casual Tuesday meetings about friendship, leadership, mentoring, parenting, and marriage—and the sacred thread through it all—led to an intimate relationship with Jesus Christ.

When Dianne Derby arrived as a news anchor in Colorado Springs, she was hungry for approval, affirmation, and connections. She raced from one event to the next, capturing stories and sound bites. Everything changed when she met centenarian Jim Downing at a luncheon for World War II veterans.

Over the course of five years, Jim Downing taught Dianne Derby to slow down; to embrace only what is true, real, and good; and to live a life of significance.

She delivered the eulogy at his funeral, a memorial service that was broadcast for the world. His lessons live on in her stories, her friendships, and the significance of her work as a journalist, a mother, a wife, and a follower of Christ.

Caregiver, are you overwhelmed? Do you secretly have bouts of despair, bitterness, and even hopelessness?

As a caregiver, you run the risk of disappearing. Your time goes overwhelmingly to the needs of your loved one. Your relationships get strained, and your challenges and anxieties are difficult to articulate. It's easier to just keep your head down and do what must be done.

What's more, you probably didn't sign up for this role or train for it. And yet here you are, reliving the trauma that got you here, providing support you didn't know you had in you to give, struggling with fatigue, making critical, life-altering decisions, and yearning for the community you had that has changed or disappeared.

Rich in stories and unflinchingly pragmatic, 'We're Stronger than We Look' is an invitation to look up and remember the life you've been given, the image of God that you bear, and the assurance that God loves you as much as you love the person entrusted to your care. This message is delivered by a caregiver who, while writing this helpful book, has cared for her paraplegic husband, who was suddenly disabled in a bicycling accident.

Description

'Blessed', by best-selling author and speaker Nancy Guthrie, provides individuals and small groups a friendly yet theologically robust guide to understanding the book of Revelation. Over 12 chapters, 'Blessed' covers the full text of the book of Revelation, exploring its call to patient endurance as God's sovereign plans for judgment and salvation are worked out in the world.

In this book, Guthrie shows how Revelation is less about when Jesus will return and more about who we are to be, what we are to do, and what we can expect to endure as we wait for Jesus to return to establish his kingdom in the new creation.

With a friendly and engaging tone, 'Blessed' takes the fear, intimidation, and confusion away from studying Revelation, providing a solid and accessible resource that individuals and small groups can use to study this important yet often avoided book.

- Understand the Book of Revelation: Helps readers make sense of Revelation's unique apocalyptic symbolism, visual imagery, and Old Testament allusions
- Transformative Personal Application: Every chapter asks and answers the question, What does it mean to hear and keep this part of Revelation and thereby experience its promised blessing?
- A Focus on What Is Clear and Uncontroversial: Highlights Revelation's call for a costly allegiance to Christ and a refusal to compromise with the world rather than focusing on interpretive approaches and disputes.

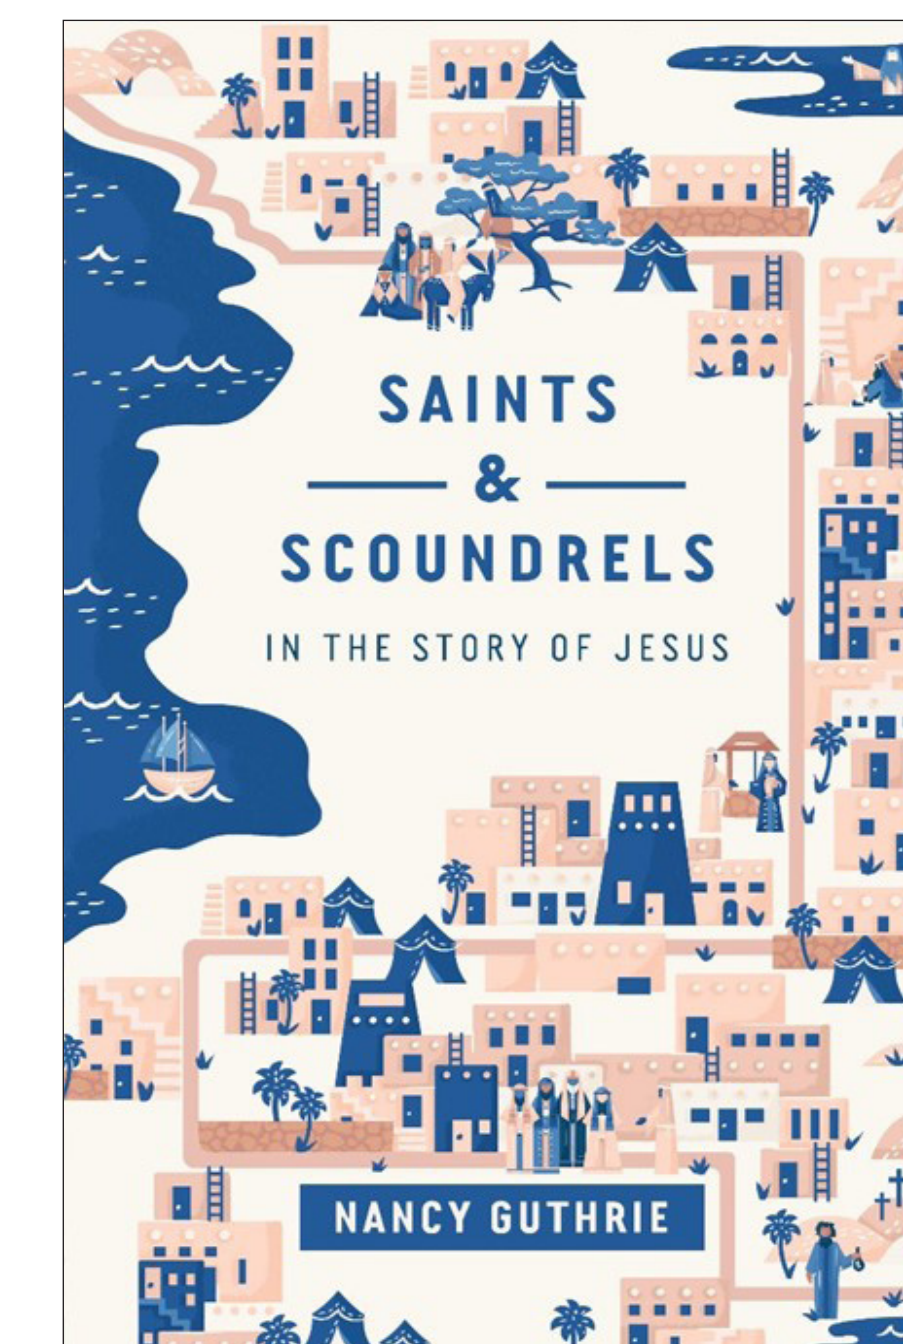

About the Author

Nancy Guthrie teaches the Bible at her home church, Cornerstone Presbyterian Church in Franklin, Tennessee, as well as at conferences around the country and internationally, including her Biblical Theology Workshops for Women.

She is the host of the 'Help Me Teach the Bible' podcast from the Gospel Coalition and the author of numerous books, including 'Even Better than Eden' and 'Saints and Scoundrels in the Story of Jesus'.

Description

Christians know the importance of prayer, but the act of praying can be a real challenge. Some have the desire, but not always the will; others worry they don't do it well. Books about prayer usually emphasize spiritual discipline, but that can foster more guilt than reassurance. So how can Christians improve their prayer life, embracing the privilege of communicating with God?

In 'The Lord's Prayer', Kevin DeYoung closely examines Christ's model for prayer, giving readers a deeper understanding of its content and meaning, and how it works in the lives of God's people. Walking through the Lord's Prayer word by word, DeYoung helps believers gain the conviction to develop a stronger prayer life, and a sense of freedom to do so.

- Concise, Inspiring Guide to Prayer: Examines Luke 11:1–2 and Matthew 6:5–9, gives biblical and historical context to each part of the Lord's Prayer, and ends with a doxology
- Accessible Resource for Many Readers: A great guide for laypeople and students as well as for pastors, church leaders, and ministry leaders
- Versatile Resource: A useful reference for seminary review or personal devotional reading

What Should Retirement Look Like for a Christian?

Preparation for retirement requires more than just financial planning. For most people, and especially for Christians, it comes with a host of other considerations—when to retire, where to live, and how to spend one’s time. Many find themselves asking, Is there a right way to retire?

Drawing from his work with geriatric patients and his own retirement experience, Dr. John Dunlop shares practical strategies for Christians as they approach their retirement years. With Scripture as his guide, he promotes balance between rest and activity—encouraging intimacy with God, service to churches and communities, time with friends and family, and care for one’s health. Among the uncertainties of major life change, readers will be equipped to make decisions for their future as they seek to glorify God in their retirement.

- **Practical:** Provides 10 specific strategies for readers who are facing difficult decisions about their approaching retirement, including guiding questions at the end of each chapter.
- **Grounded in Experience:** Written by a retired doctor who practiced geriatric medicine.
- **Balanced:** Promotes rest and care for one’s health while also encouraging ongoing work and service for the kingdom of God.
- **Biblical:** Draws from Scripture passages on the topics of work, rest, and aging.

John Dunlop (MD, Johns Hopkins University) practiced geriatric medicine for thirty-eight years and taught in the bioethics programme at Trinity International University.

He now lives in New Haven, Connecticut, where he taught at the Yale School of Medicine.

Description

Even though she's only 12 years old, Lily McKinley already feels the weight of the world's brokenness. She's seen it in her mother's exhaustion, her grandmother's illness, and the cruelty of Adam, the bully at her school. But most tragically, she experienced it two months ago when her father died in a terrible accident.

As an artistic daydreamer, Lily has a brilliant imagination to help her cope, but that imagination often gets her into trouble. One day, it transports her to a fantasy world called the Somnium Realm, where her father's secret history embroils her in an epic quest. With the help of a dragon guide named Cedric, Lily battles evil shrouds, harpies, and other creatures to find her way through grief, rescue the world from evil, and discover the power of redemption.

This thrilling novel by Kathryn Butler mixes fantasy with Christian themes, taking middle school readers on a quest through castles, forests, and caverns to help a young girl find hope and usher in restoration.

Many Christians—especially those who have grown up in the church—seem to be living “good” lives, free from extreme hardship and scandalous sin.

Yet even this good life leaves them longing. Regardless of our backgrounds and circumstances, all of us have a deep hunger that only Jesus can satisfy.

In this book, Amy DiMarcangelo invites readers to feast at the table of grace, where they will find God’s vast glory and intimate care, his strength made perfect in weakness, and his gifts of joy and comfort to his children.

Even the most hungry Christians will be encouraged that they “may be filled with all the fullness of God” (Ephesians 3:19).

Title: Habakkuk
 Author: Lydia Brownback
 Price: £11.99*
 Code: 9781433569999
 Format: Paperback
 Genre: Bible Studies
 Distribution: UK & Europe

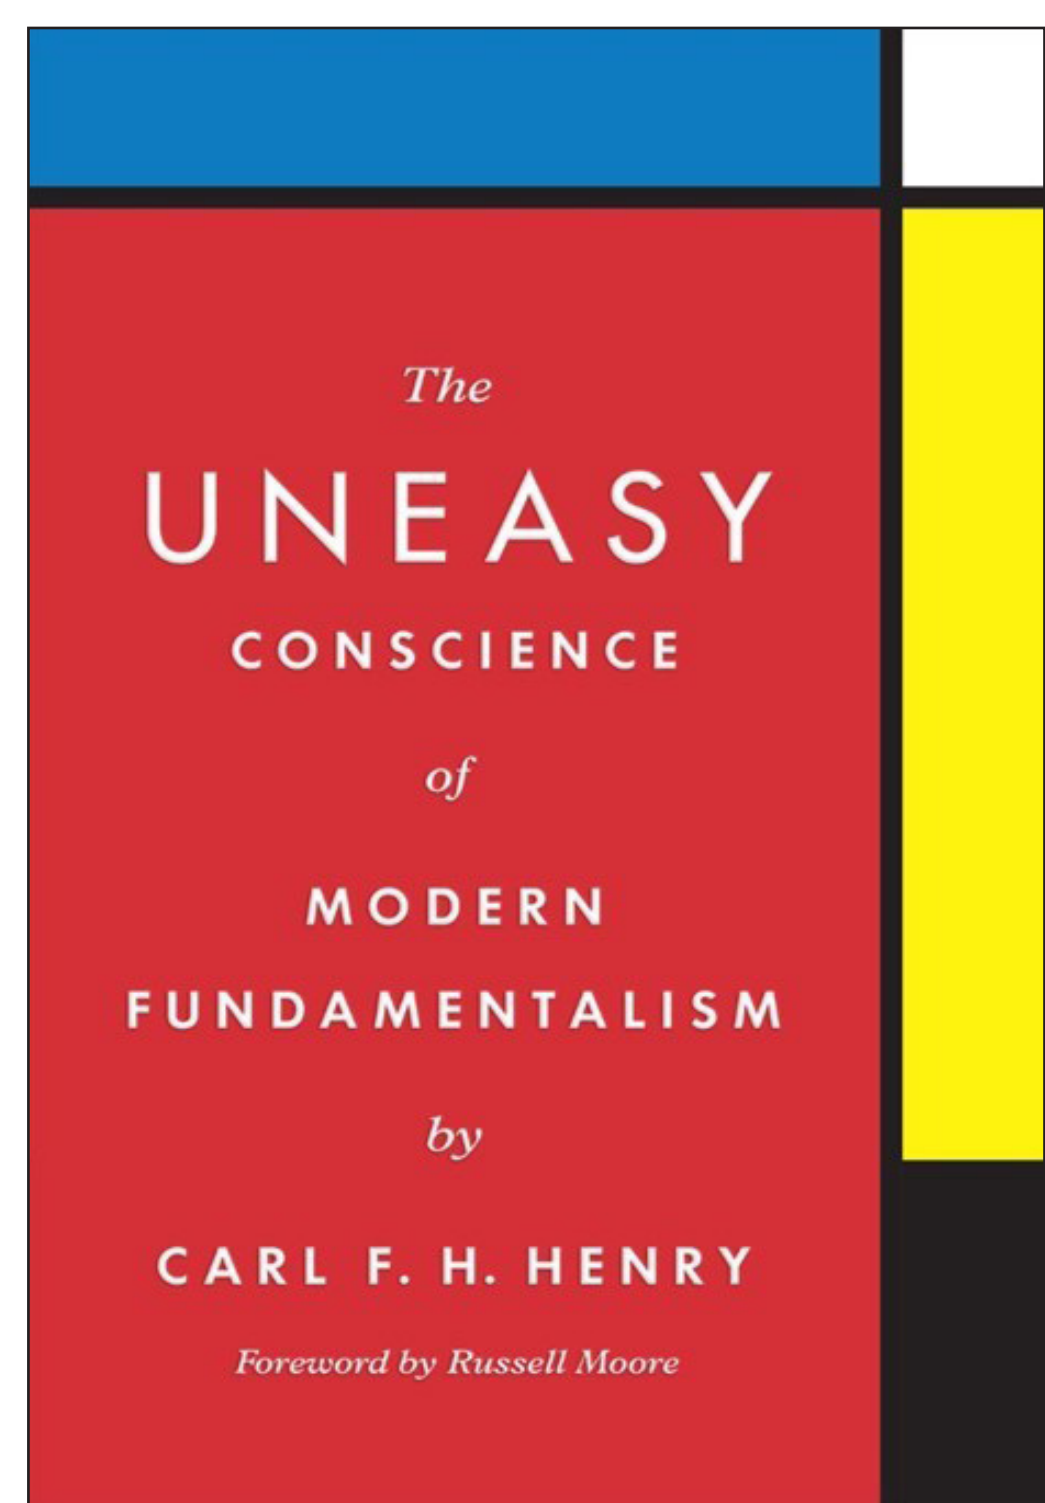

Though only three chapters long, the Old Testament book of Habakkuk overflows with stories of plagues, violence, and pleas for deliverance.

Why does God seemingly allow evil to flourish? And what can Habakkuk’s complaints teach believers today about trusting God in the face of evil?

In this 10-week Bible study for women, Lydia Brownback explores Habakkuk verse by verse, addressing the complex subject of God’s judgment and wrath.

Written for individuals or groups, each lesson helps women understand why God allows pain and illness, and how he deals with unrepentant sin.

This study also teaches how to wait faithfully for God to answer prayer.

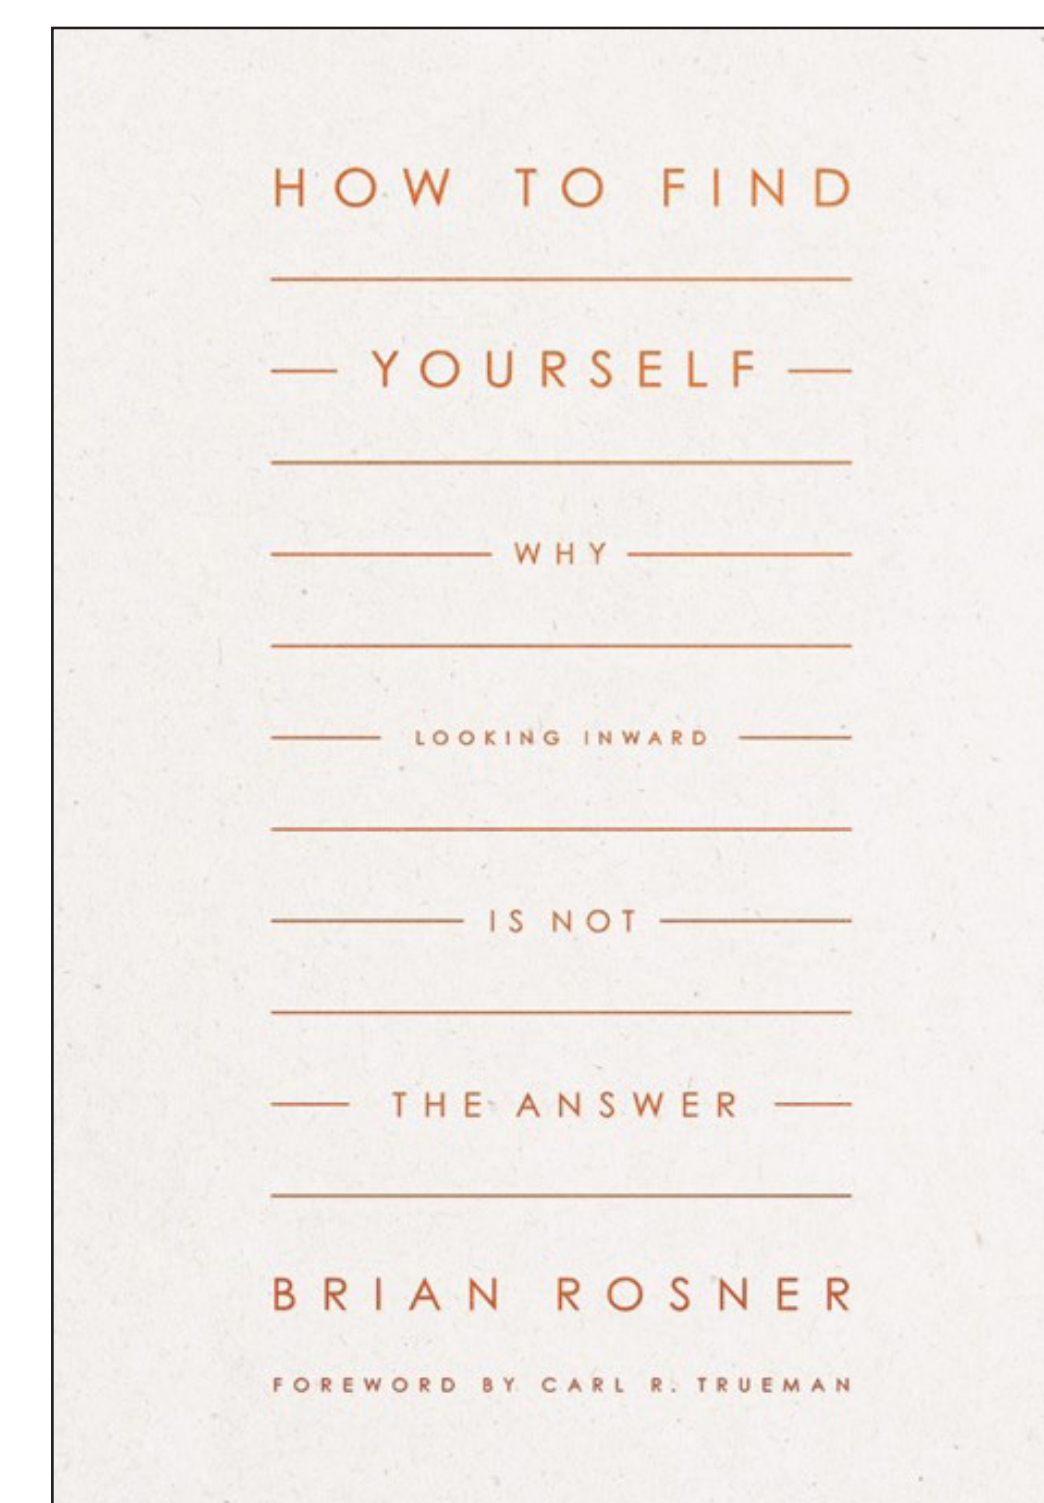

Title: The Uneasy Conscience of Modern Fundamentalism
 Author: Carl F.H. Henry

 Genre: Contemporary Social Issues
 Distribution: UK & Europe

As social problems including prejudice, classism, and war dominated conversations in the 1940s, orthodox Christians became known for their indifference rather than compassionate leadership around the issues.

If the gospel has the power to change the world, shouldn’t Christians engage in global matters with biblical authority?

In *The Uneasy Conscience of Modern Fundamentalism*, theologian Carl F. H. Henry critiques separatist evangelicals and their absence from the social arena, calling on all Christians to unite humanitarianism with Christ-centred leadership to impact the kingdom of God.

With cultural and political analysis that is still timely today, he inspires believers to reject pessimism about the human condition and embrace action, responding to global needs and pointing to Christ as the ultimate solution for every social ill.

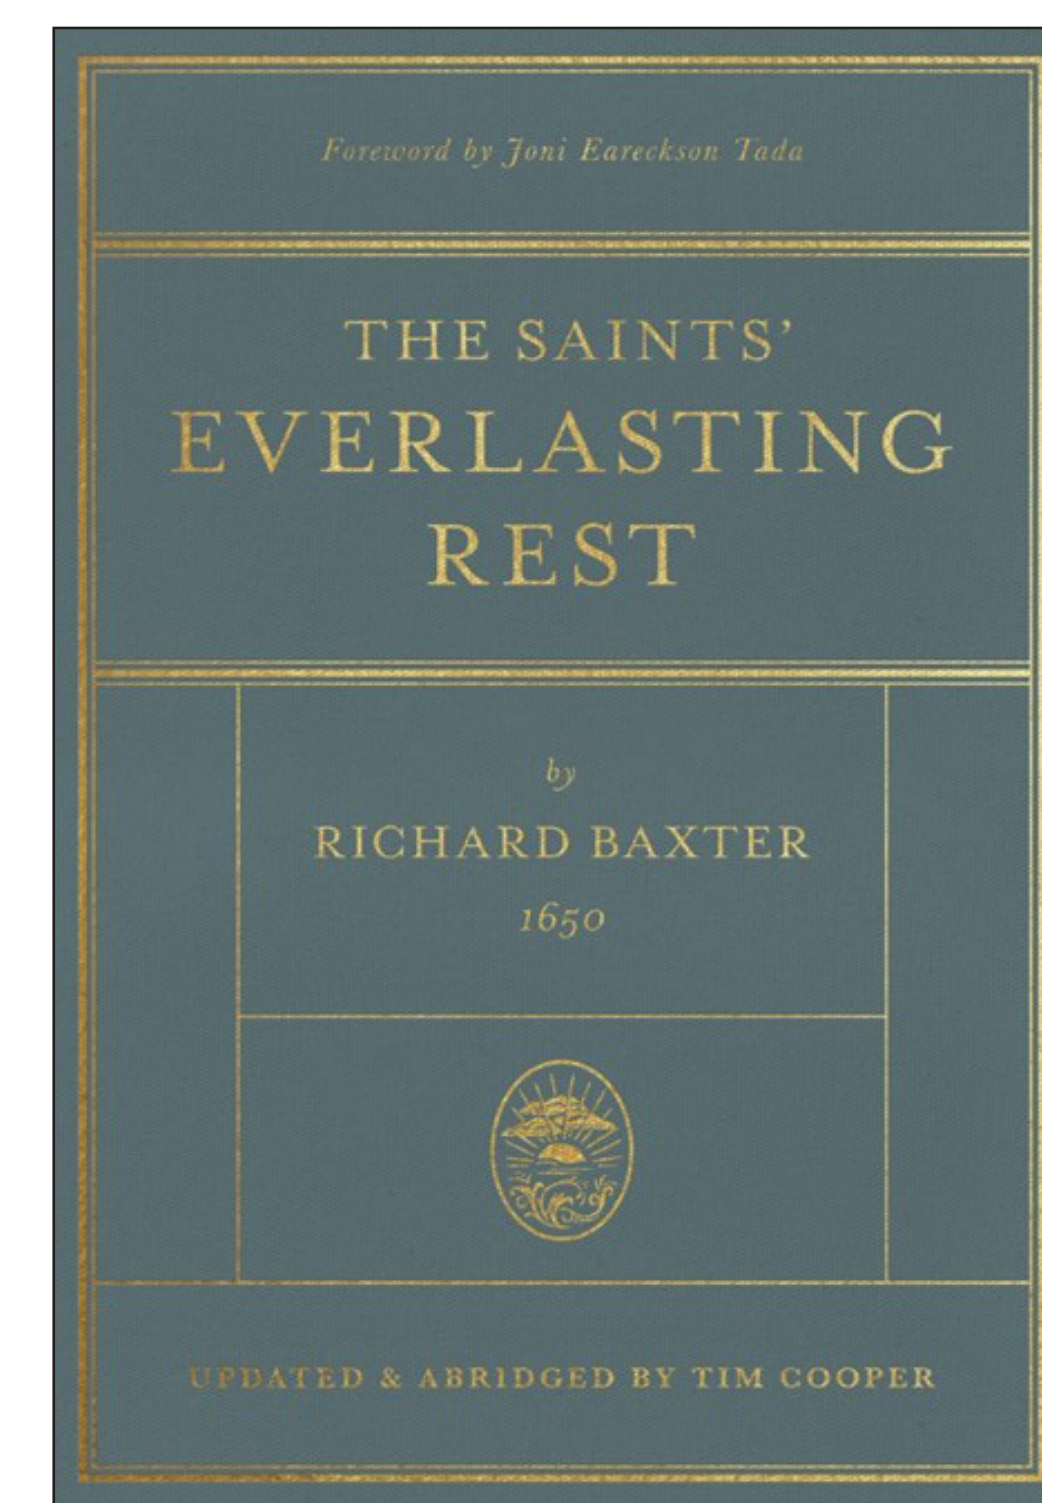

Title: How To Find Yourself
 Author: Brian Rosner
 Price: £15.99*
 Code: 9781433578151
 Format: Paperback
 Genre: Contemporary Social Issues
 Distribution: UK & Europe

In the 21st-century West, identity is everything. Never has it been more important, culturally speaking, to know who you are and remain true to yourself.

Expressive individualism—the belief that looking inward is the way to find yourself—has become the primary approach to identity formation, and questioning anyone’s “self-made self” is often considered a threat or attack.

Prompted by his own past crisis of identity, Brian Rosner challenges the status quo by arguing that, while knowing yourself is of some value, it cannot be the sole basis for one’s identity. He provides an approach to identity formation that leads to a more stable and satisfying sense of self. This approach looks outward to others—acknowledging that we are social beings—and looks upward to God to find a self who is intimately known and loved by him.

Title: The Saints' Everlasting Rest

 Genre: Spiritual Growth

In the throes of a long illness and confronting the possibility of death, 17th-century theologian Richard Baxter found comfort in the reality of heaven that awaits believers of Christ.

During his recovery, Baxter wrote about the afterlife in what would become his best-selling book.

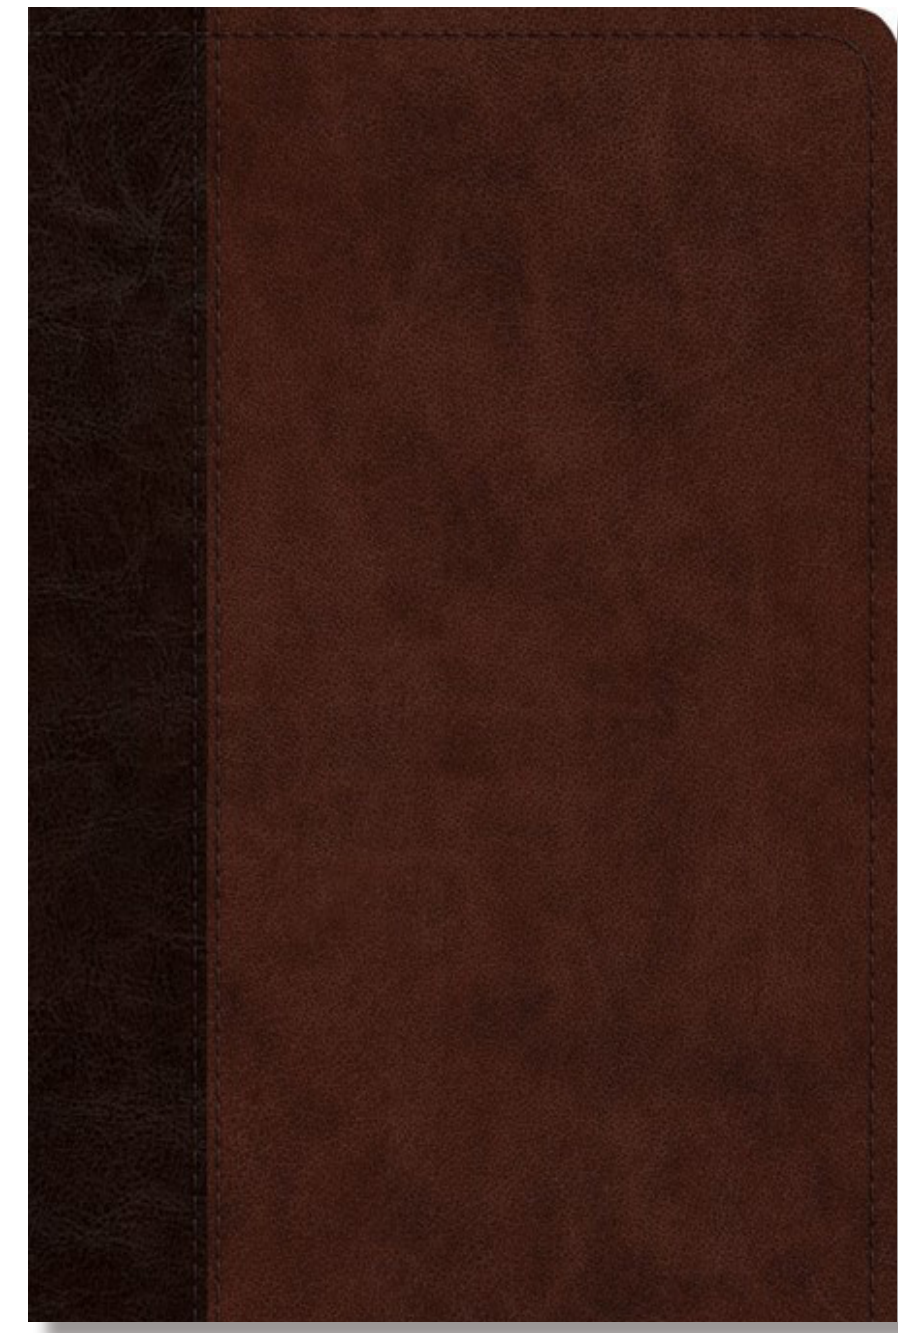

‘The Saints’ Everlasting Rest’ meditates on what Scripture reveals about heaven, helping believers live an abundant, God-honouring life in anticipation of eternal rest.

Baxter encourages readers not to become distracted or discouraged by the temporal as he refocuses their minds on the eternal.

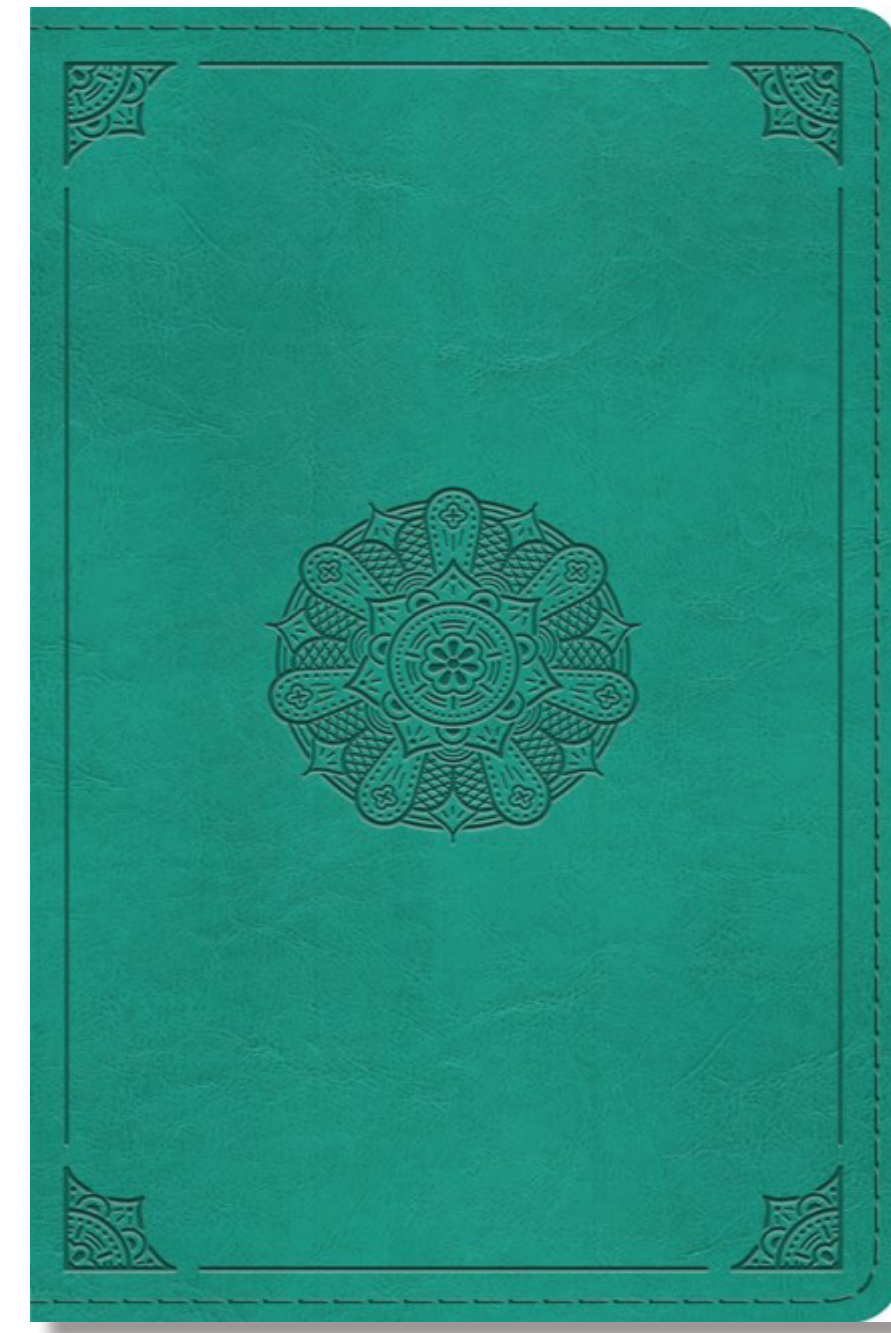

Confronting difficult topics including sin, suffering, and fear of death, he also emphasizes God’s sufficient grace and how the promise of heaven enriches life on earth.

Description

For a parent, the teen years are years of unprecedented opportunity—years of penetrating questions and exciting new discussions, years that open the door to a teen’s heart.

In this wise and hopeful book, Paul Tripp shows parents how to connect with their children as never before, drawing on practical strategies shaped by God’s Word. This revised and updated edition features fresh, heart-focused discussion questions for each chapter as well as a bonus Q&A section.

“Age of Opportunity avoids a formulaic how-to approach to rearing children and instead shows how to apply the gospel to the unique spiritual struggles of your child’s heart. . . . Though I have read dozens of parenting books, two or three have profoundly reshaped my whole approach. Age of Opportunity is one of those.”

—**J.D. Greear, Pastor, The Summit Church, Durham, North Carolina**

“Lauren and I first read Age of Opportunity almost fifteen years ago, and it served as a foundation for how we have tried to parent. Through the peaks and valleys of raising our three kids, we came back to this resource several times. I couldn’t be more excited about this revised and expanded version.”

—**Matt Chandler, Lead Pastor, The Village Church, Flower Mound, Texas**

Description

For some people, unwanted thoughts are a nagging discomfort. Others experience them as a brutal and invisible form of torture.

Are you distracted by racing or anxious thoughts? Distressed by intrusive or irrational thoughts? Struggling with sinful or untrue thoughts? You may feel trapped in your own head, but God has given you many different ways to calm your mind and live at peace.

In this practical and sympathetic guidebook, biblical counsellor Esther Smith lays out twelve powerful strategies for addressing unwanted thoughts.

You will learn which thoughts to fight and take captive—and which thoughts to slow down, set aside, sit with, and more. As you get to know your thoughts, observing them rather than being swept away by them, you will learn how to bring them into God's presence in an intentional, life-giving way. A variety of simple and effective exercises in each chapter give you the tools you need to start changing your thoughts today.

Description

Author Nick Thompson recognizes that pride is our worst enemy. If pride is our chief foe, then humility is our chief friend, even though its company may be painful. But spiritual growth is a descent—we must grow downward.

Defining humility as “the downward disposition of a Godward self-perception,” Thompson walks us through the practical implications of this definition, leading us to embrace a God-centred perspective on the self.

With winsome illustration and warm pastoral instruction, *Growing Downward* shows us that the path of humility, though difficult, is the way to true meaning and fulfillment in Jesus Christ.

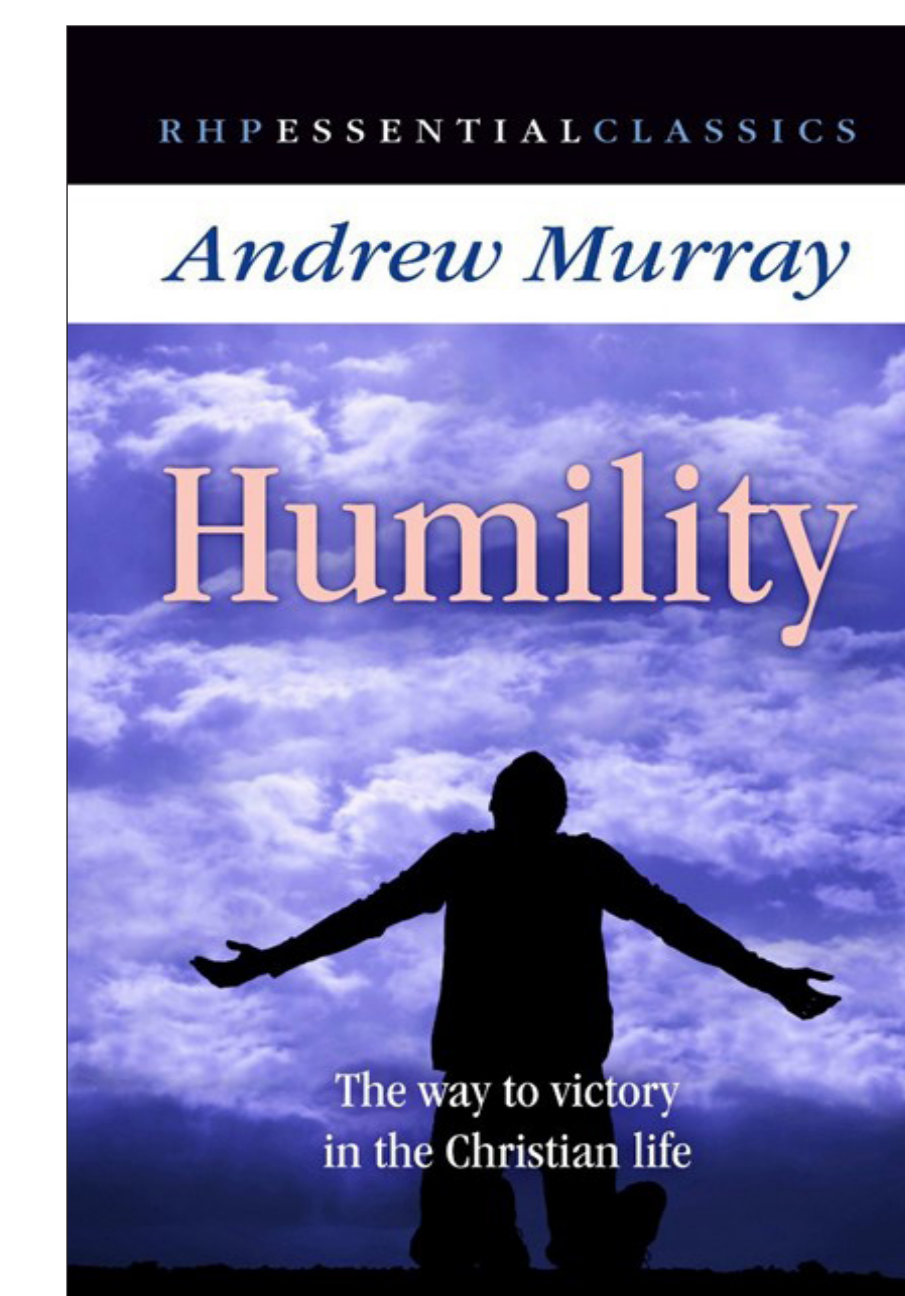

Chapter headings:

Toward a definition of Humility – (Part 1: Existential Humility) Dependent Creatures – Covenantal Creatures – Temporal Creatures – (Part 2: Ethical Humility) Fallen Sinners – Delusional Sinners – Hopeless Sinners – (Part 3: Evangelical Humility) Represented Believers – Foreloved Believers – Adopted Believers – (Part 4: Ecclesiological Humility) Devoted Members – Imperfect Members – Missional Members – (Part 5: Eschatological Humility) Grave-bound Mortals – Judgement-bound Mortals – Eternity-bound Mortals

Author: Richard A. Muller

Product Code: 9781601789129
Format: Paperback
Genre: Doctrine & Theology

Too often scholars impose on the past modern terms and theories. This is particularly evident concerning discussions of divine sovereignty and human responsibility, where libertarian and compatibilist notions of freedom obscure older understandings of concurrence.

Providence, Freedom, and the Will is one historian's attempt to help us interpret early modern documents in context with attention to their theological and philosophical terminology. In it, Richard A. Muller investigates the Reformed approach to causality and governance as it relates to divine concurrence with creaturely or temporal causes.

He examines treatments of grace and freedom concerning the capabilities of the will as a free cause, operating of its own accord. And he explains free choice in the light of traditional assumptions concerning faculty psychology and the way in which external objects are selected or rejected.

William McEwen is one of the forgotten writers of the Scottish church of the eighteenth century and one of the great popular exponents of a sound biblical typology.

In this book, McEwen investigates numerous people, places, and things in the Old Testament and shows how they prefigure the Lord Jesus Christ.

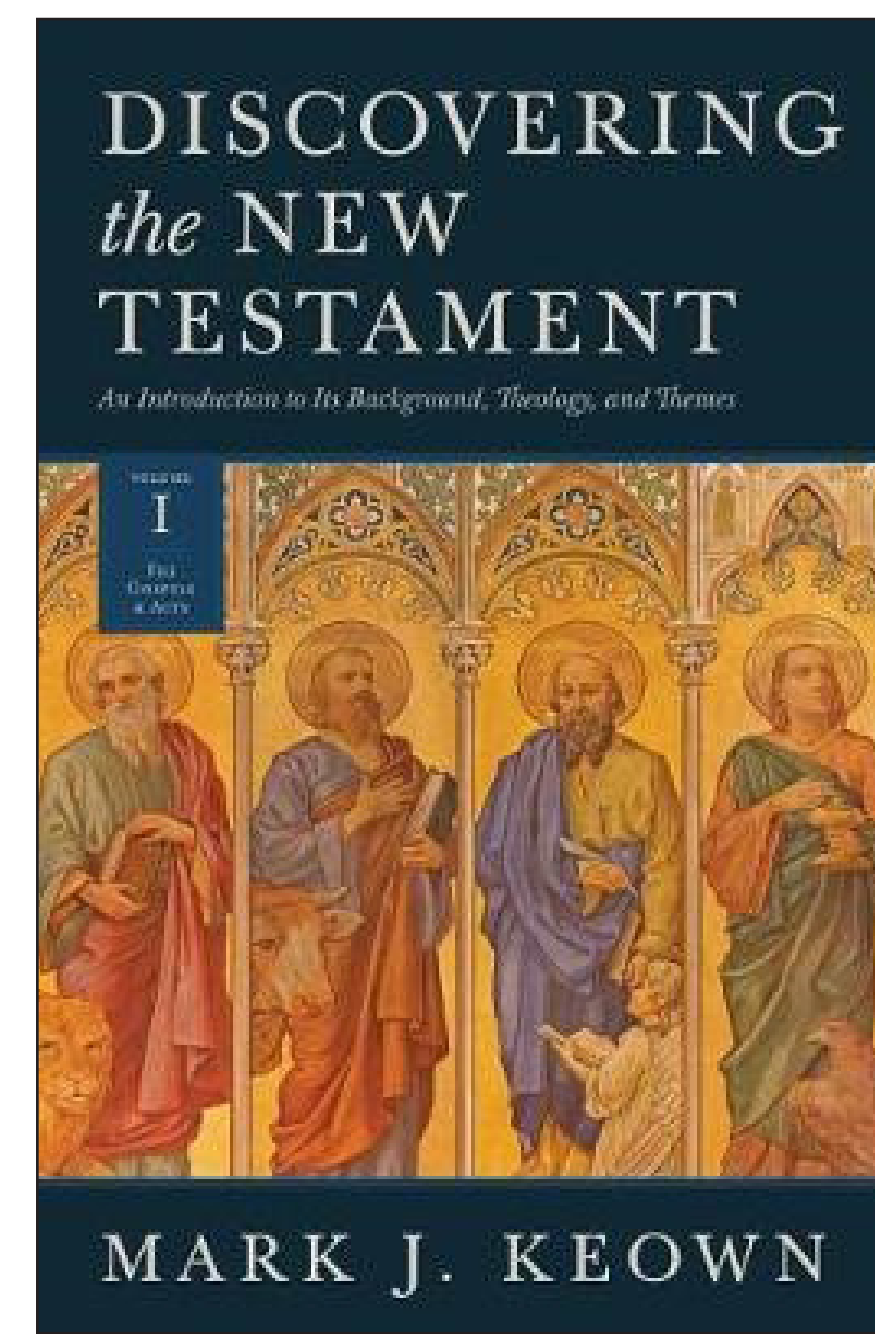

Each chapter exhibits a lively meditation, providing concise, conversational, and user-friendly explanations of each subject under review.

If you wish to better understand how the Hebrew Scriptures point to Jesus, read McEwen on the types and prepare to delight in the glory and fullness of Christ.

Have you ever wondered what happened to Lazarus after Jesus resurrected him from death? Lazarus was given an extension of life and the time spent on earth. Do you think Lazarus lived a drastically different life after resurrection? Would you think and live differently if you were given such an opportunity?

Dr. Asher Khan shares his unique perspective as a world-renowned cancer physician, scientist, researcher and treatment innovator who himself battles life-threatening cancer.

Add that to being a Pakistani Christian—amidst the Muslim background—and this makes for a wonderfully unique dive into the Lazarus life experience.

Dr. Khan's shift from renowned research enthusiast and physician to a cancer patient traumatized with a severe diagnosis, humanizes the story with reality and warmth. His insights here are priceless!

In Lazarus and Me, Dr. Chanan-Khan guides us to consider how to best invest our remaining days in the Lord's service, just as Lazarus did. Our allotted number of days mean far less to God than how we choose to live them. Lazarus and Me is a vivid reminder of that reality.

Description

God uses people as they are and will let history determine one's legacy.

Next to Moses, Elijah was the greatest prophet of the Old Testament. But he was so human—so much so that James said he was “just like us” (Jas. 5:17). One day he challenged the prophets of Baal on Mount Carmel and fire fell from heaven. The next day he was running from Jezebel, scared to death. Toward the end of his ministry Elijah selected an unknown person—Elisha—with no obvious qualifications to succeed him. Elijah was Elisha's mentor, but they were different. Elijah was colourful; Elisha was by comparison colourless. But God's hand was equally on Elisha as with Elijah. In a short period of time Elisha put a bold request to Elijah, asking for a double portion of his spirit. It was granted. But how was this manifested? That is what this book is about.

The anointing can be manifested in more than one way; we must all discover our anointing and live within it (Rom. 12:3). Elisha's double anointing was partly in quantity rather than quality. Elijah performed something like seven miracles; some of Elisha's miracles overlap with Elijah's. But the total of Elisha's miracles comes to at least fourteen, including raising the dead, as Elijah did.

This book will guide you through the challenges and blessings of receiving God's anointing so that you can use greater wisdom and discernment of how to properly use a double portion of anointing.

Author: Kirt A. Schneider
Price: £15.99*
Product Code: 9781636410739
Format: Hard Cover
Genre: Prayer
Distribution: UK & Europe

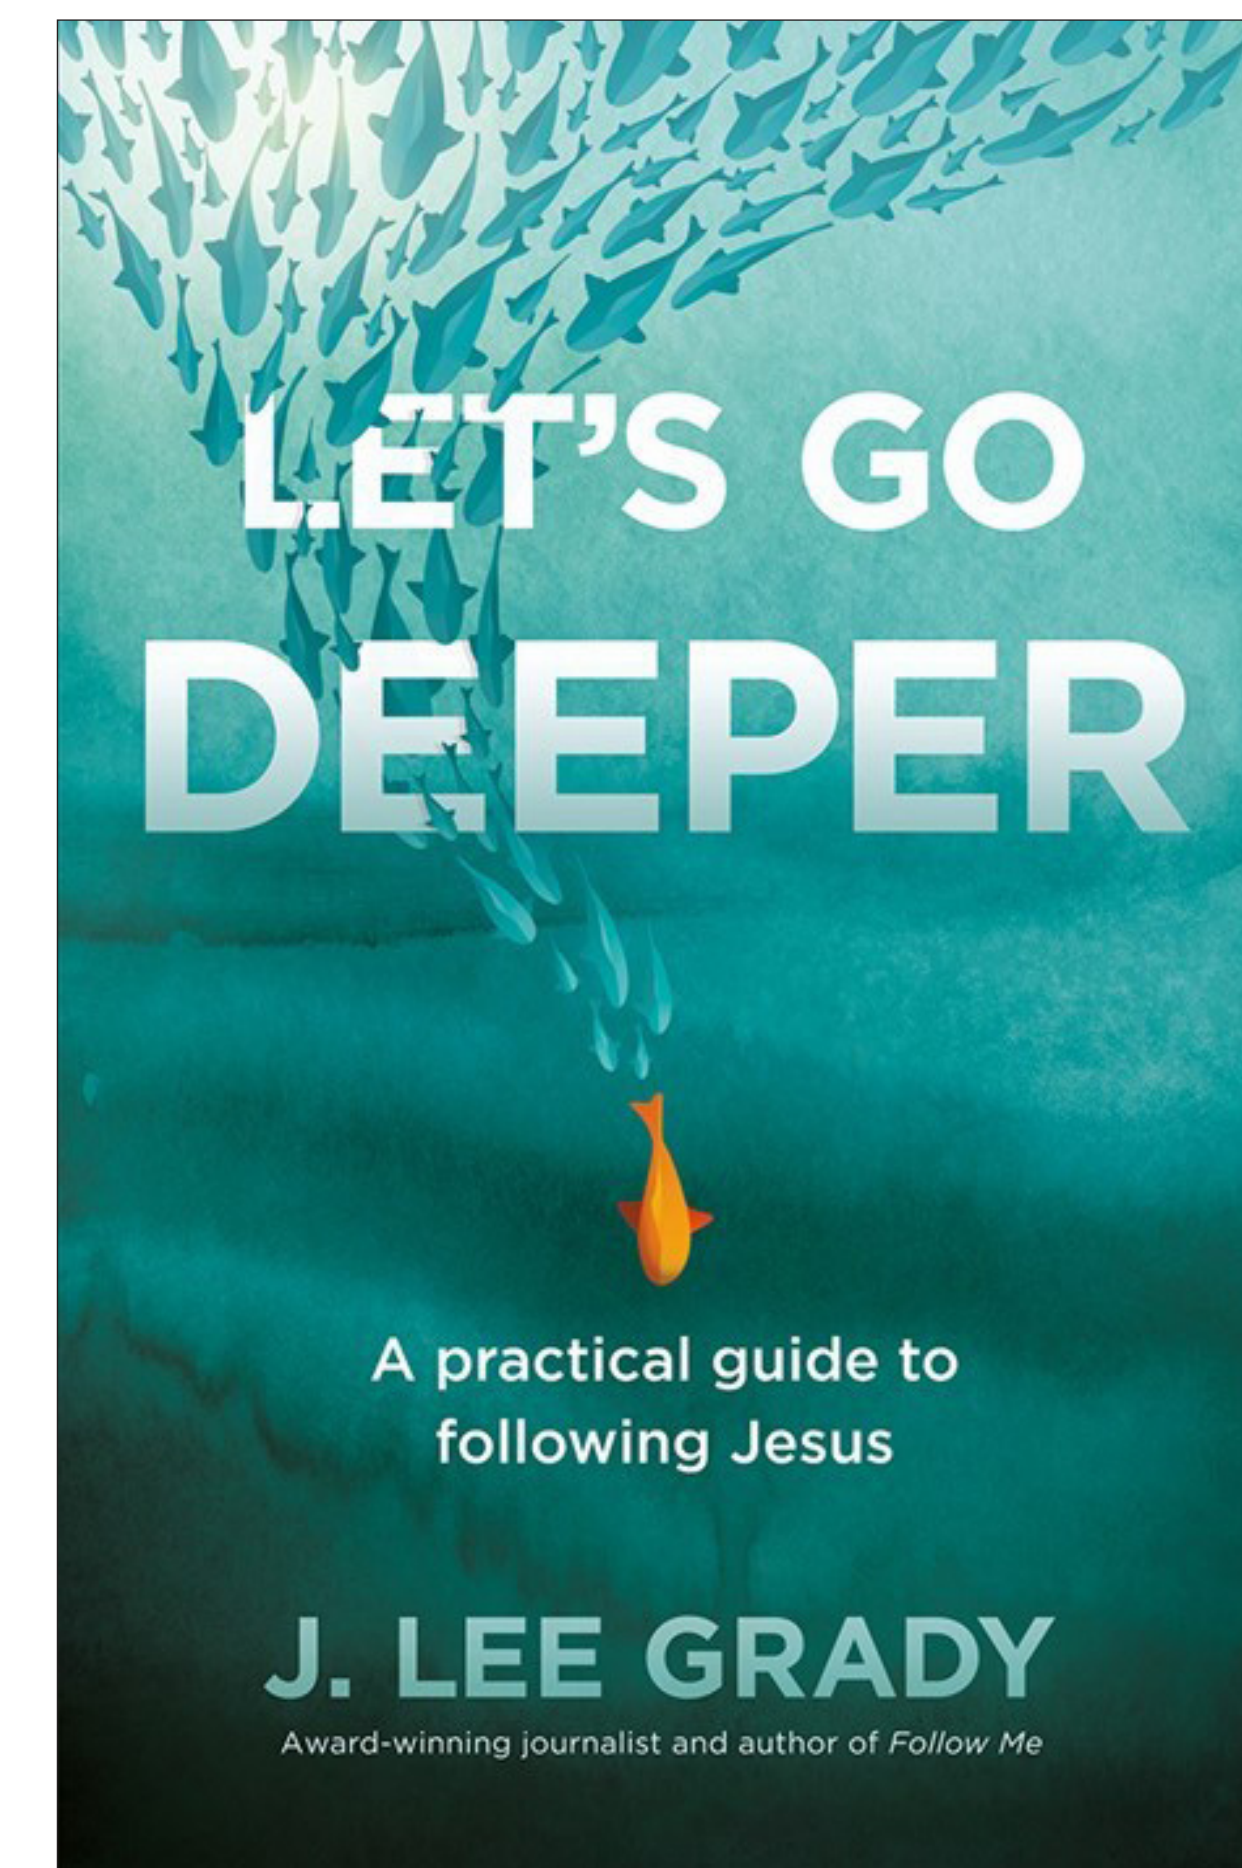

Have you ever wondered what prayers always move God into action? This book will guide you to pray biblically founded prayers so that you can have a meaningful relationship with God, fix your heart on His plan and purposes, and experience answers to your prayers.

In the beginning there was no need for answered prayer. God placed Adam and Eve in the centre of a bountiful garden, gave them dominion over His creation, and walked with them in the cool of the day. They had no hunger, no sorrow, no disease—it was a paradise on earth.

The relationship God first established with humanity was one of unhindered communication and companionship. He was enough. We needed no answers other than Him. He was our Father, Friend, and Provider. Today, despite all our knowledge and understanding, we live on a planet full of the hunger, sorrow, and disease that were absent so long ago.

How did we get to this point? Where is the God of the Bible in the midst of all this loneliness and pain? Why do our prayers often seem to go unanswered?

In *The Key to Answered Prayer*, Rabbi Kirt A. Schneider takes readers on a journey through the Scriptures to discover the heart of key prayers in the Old and New Testaments. Examining prayers of safety, provision, deliverance, vindication, forgiveness, thanksgiving, and more, this book reveals why there are certain prayers God always answers.

Nothing's Going To Stop Your Limitless Supply!

The Word says that God gives every one of us a unique and vital supply to help us do our part in His great plan (Ephesians 4:16). But we also have an enemy that wants to stop our supply through any means possible.

In her book 'Unstoppable', Denise Renner brings fresh insight from God's Word on how to overcome key hindrances that the enemy exploits to clog up our supply – whether it's fear of man, rejection, unforgiveness, other people's negative opinions, or even our own poor opinion of ourselves.

No one else can take your place; your part is absolutely crucial to God's plan. So don't let anyone or anything stop you from doing what He wants you to do.

This book will help you push past obstacles you may be facing so you can keep on pressing "...toward the goal for the prize of the upward call of God in Christ Jesus" (Philippians 3:14 NKJV) – your place of limitless supply in Him!

 Format: Paperback
 Genre: Spiritual Growth

'I asked God for a mic, and He gave me a broom!' Have you noticed Jesus' kingdom is upside down? To be first, you must be last. To find your life, you must lose it. To receive, you must give. And to lead, you must follow.

Jenny Kutz Papapostolou, who accepted God's assignment to run a children's orphanage in Greece, knows from experience that to achieve greatness in God's Kingdom, you must first learn humility.

In 'Sacred Smallness', Jenny points out that, while Christian culture often heralds notoriety and wealth as the ultimate success, God is delighted in humble surrender—even when it leads to sacred smallness and holy hiddenness.

The granddaughter of well-known ministers Kenneth and Gloria Copeland, Jenny observed firsthand that successful ministry actually begins in servanthood and shares:

- The best place to be faithful is wherever God has put you
- God's measuring stick is all that counts, so don't compare yourself to others
- God says you're precious, so refuse all pressure to be perfect
- The key to finding quiet, dynamic strength in mustard-seed faith
- How to identify and remove idols that block you from God's highest and best

Title: When the Heavens are Brass
 Author: John Kilpatrick
 Price: £15.99*
 Product Code: 9780768462456
 Format: Paperback
 Genre: Prayer
 Distribution: UK & Europe

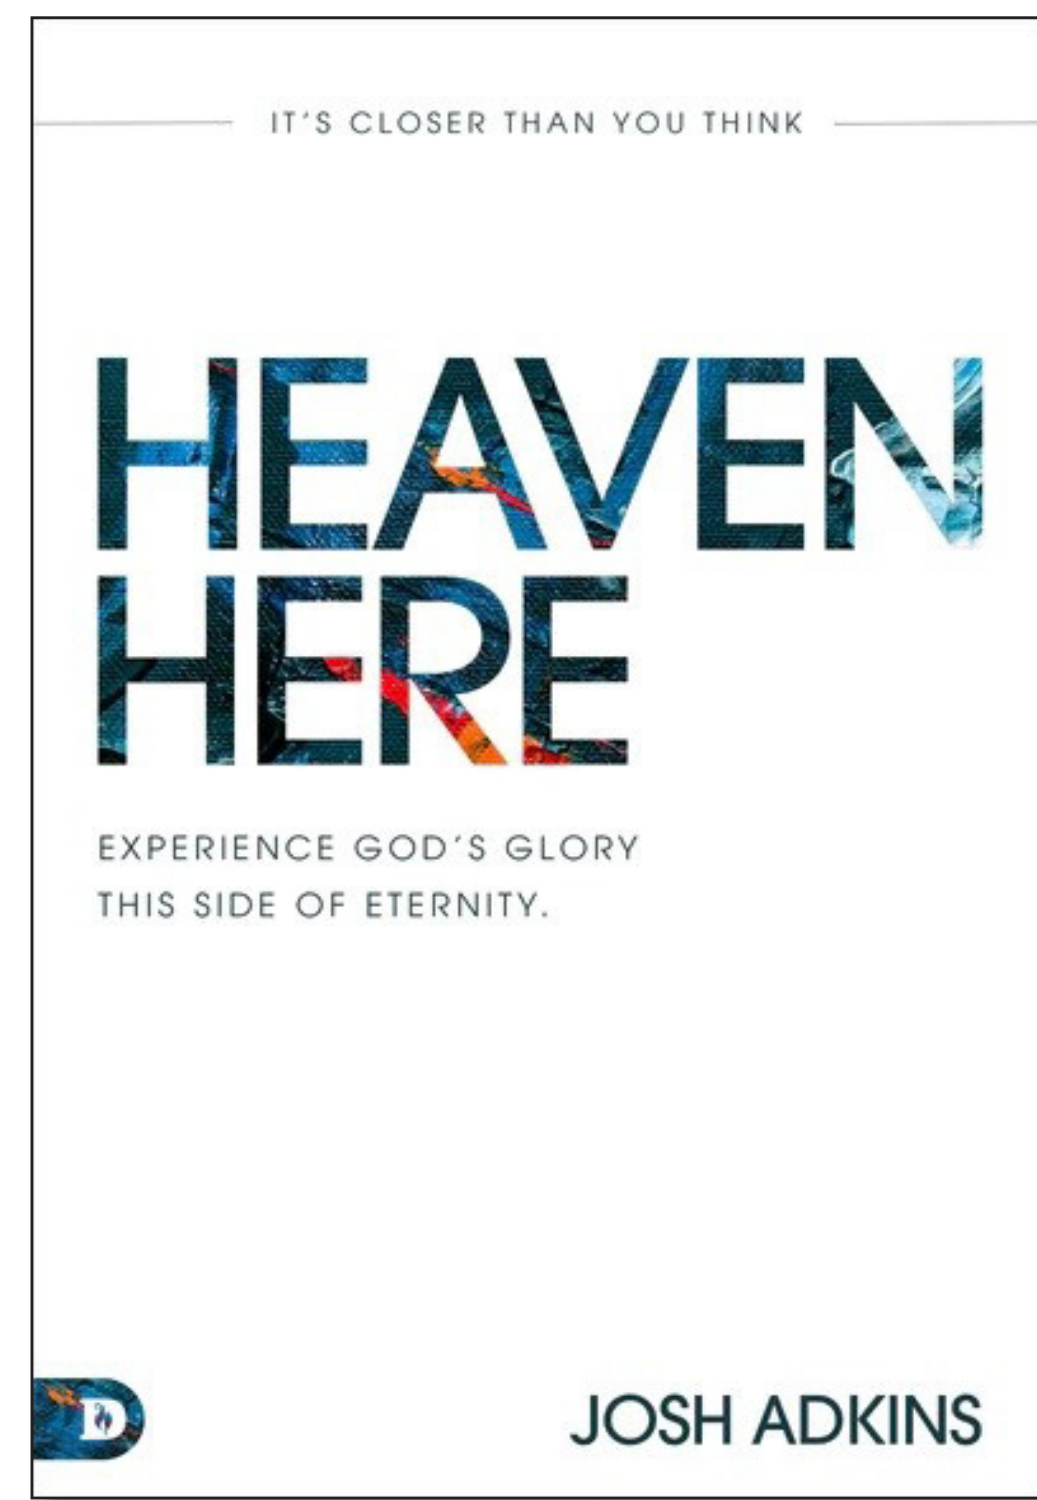

Pastor John Kilpatrick sounds a prophetic trumpet for believers to lay down their plans and programmes that will never bring true revival.

This is a call to return to the simplicity of the Gospel!

“When we turn from the ways of man and cling to the power of God, we will see men’s hearts changed, their bodies healed, and their lives mended. ... If we want genuine revival, we will have to do things God’s way. Period.”

Drawing on his experience hosting the Brownsville revival in Pensacola, FL from 1995 until 2000, Pastor Kilpatrick speaks from experience as he compels us to face the fact that comfortable, halfhearted self-help messages will never bring the revival we need. We need the gospel of Jesus’ crucifixion and resurrection that requires us to give our whole lives to Him. Anything less than this is a shallow imitation of what we’ve been created for.

With updated content and a fresh presentation to a new generation, *When the Heavens are Brass* provides practical keys to experiencing revival.

When many consider modern Christianity, they rightly wonder how we have come so far from the dynamic, supernatural community pictured in the Book of Acts. God did not change between then and now.

What happened? Could it be that, in our quest to be relevant, entertaining, hip and appealing to modern culture, we have lowered the standard for the Christian life?

We need a true revival that restores Christianity to the standard found in Acts Chapter 2. That standard is Pentecostal Fire!

Minister, revival teacher, and publisher, Larry Sparks, received a life-changing encounter with the Holy Spirit that revealed how Acts Chapter 2—and specifically the Day of Pentecost—is a blueprint for Jesus-followers of all eras, ages, and generations to walk in the revival fire of the Holy Spirit’s presence.
