Description

Is Christianity history? Or is Christian history the deepest explanation of the modern world?

Today in the west, many consider the church to be dead or dying. Christianity is seen as outdated, bigoted and responsible for many of society's problems. This leaves many believers embarrassed about their faith and many outsiders wary of religion.

But what if the Christian message is not the enemy of our modern Western values, but the very thing that makes sense of them?

In this fascinating book, Glen Scrivener takes readers on a journey to discover how the teachings of Jesus not only turned the ancient world upside down, but continue to underpin the way we think of life, worth, and meaning. Far from being a relic from the past, the distinctive ideas of Christianity, such as freedom, kindness, progress and equality, are a crucial part of the air that we breathe.

As author Glen Scrivener says in his introduction: *"The extraordinary impact of Christianity is seen in the fact that we don't notice it"*. This is a book for both believers and sceptics—giving Christians confidence to be open about their faith and showing non-Christians the ways in which the message of Jesus makes sense of their most cherished beliefs.

Whoever you are, you'll gain a deeper appreciation for the values you hold dear as you discover the power and profundity of Jesus and his revolution.

Description

What's the secret to truly trusting God so that we can rest easy at night? How can we have the same faith and confidence as David who said: "In peace I will lie down and sleep, for you alone, LORD, make me dwell in safety" (Ps 4:8)?

The answer lies in focusing on God's greatness. When we consider God's greatness, we usually tend to think about what God can do. However, this book explores 12 things that God can't do. They all express aspects of his nature and character which we can embrace with relief, celebrate with joy and worship with awe.

You will marvel both at God's otherness and at how he became one of us in the person of Jesus. Read this book to grow in faith, live with confidence and rest easy at night, trusting in the God who never sleeps.

 Price: £8.99*
 Product Code: 9781784987275

 Genre: Contemporary Social Issues

The Bible paints a compelling picture of a diverse people united in worship of Jesus. In a society that is divided along lines of race, culture and class, such a vision can feel out of reach. But in the power of the Holy Spirit, it really is possible for our churches to increasingly become the communities of unity and justice that they are called to be. So, what are the practical steps every Christian can take to help make this a reality?

As well as inspiring readers with God's vision for unity and diversity, this book will help them better understand the experiences of others and become aware of any blind spots in their church culture that may be putting up barriers to inclusivity. It will also help them to engage constructively with the wider conversation in our culture around movements like Black Lives Matter.

So be inspired by God's vision for racial unity and justice, consider things from a different point of view, and play your part in healing the divides—to the glory of God.

Challenging circumstances, especially ones with no immediate end in sight, can cause us to question God's character, his purpose and his ways.

Each of these 20 biblical reflections examines a truth about God and shows how it provides an anchor for the soul in hard times.

Author Katie Faris writes with warmth and compassion, weaving in stories of her own family's struggles with complex medical conditions. She encourages readers to entrust their confusing circumstances and unanswered questions to the Lord and place their hope in his promises.

Description

Derek Prince experienced a life-changing encounter with Jesus Christ while serving with the British Army during World War II.

Derek shares his search for truth – first in philosophy and then in the Bible.

After meeting Jesus he was discipled by the Holy Spirit for three years in the desert where God healed him of a chronic skin disease.

Description

Young Alex keeps hearing about a Man from the House of Bread who has miraculous powers, who heals the sick and walks on water. When Alex finally gets to witness the miracles and meet the Man, his life is forever changed.

With lyrical rhyme and quirky illustrations, 'The Boy from the House of Bread' shares the story of Jesus' ministry in a compelling way, through the eyes and voice of an African boy.

Walk with Alex through his bustling first-century world as he watches Jesus multiply bread and hears Him tell stories about loaves and call Himself the life-giving Bread.

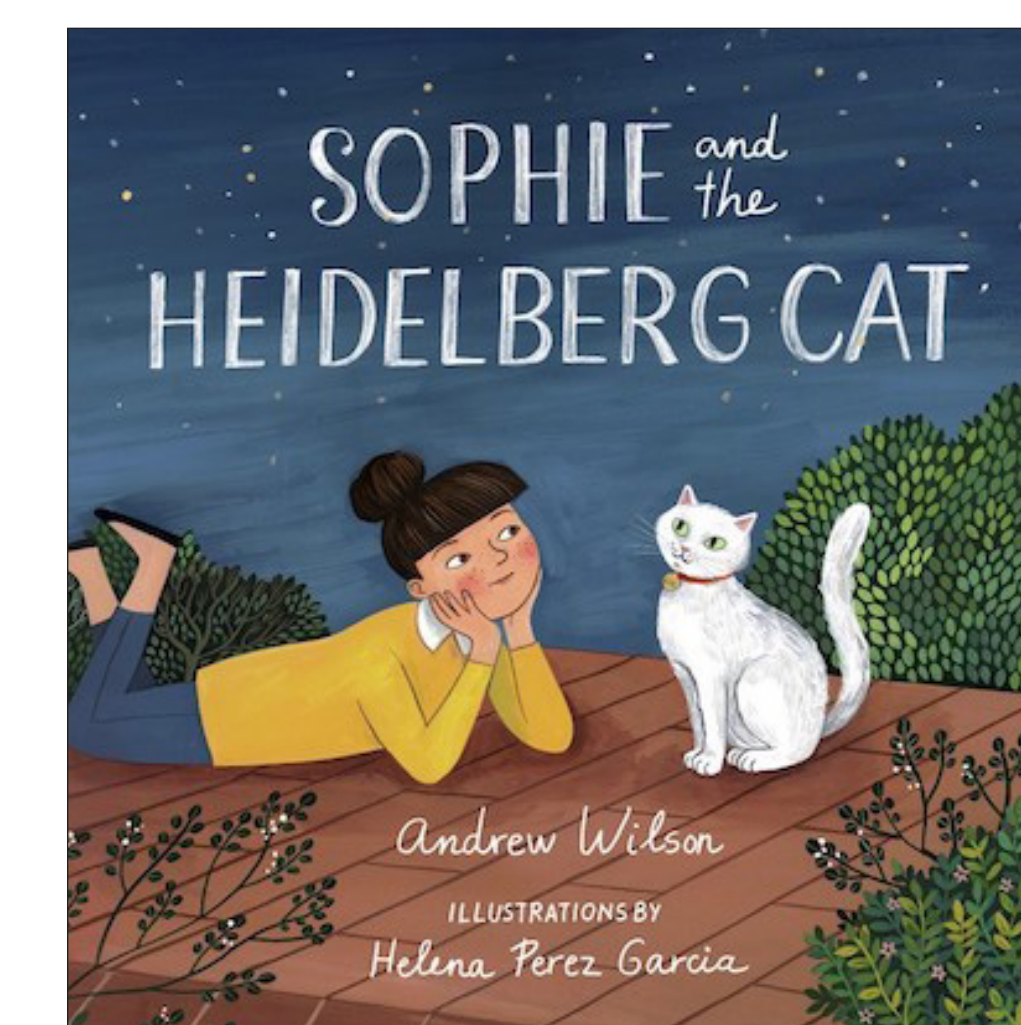

This recurring symbol fascinates both Alex and the reader, leaving children ages 4 to 8 (and the adults who read with them) thinking differently about not only the bread on their plates but the Man who makes miracles happen.

Title: Succession: Preparing Your Ministry for the Next Leader
 Author: Bryant Wright
 Price: £10.99*
 Product Code: 9781087758756
 Format: Hard Cover
 Genre: Pastoral Resources
 Distribution: UK & Europe

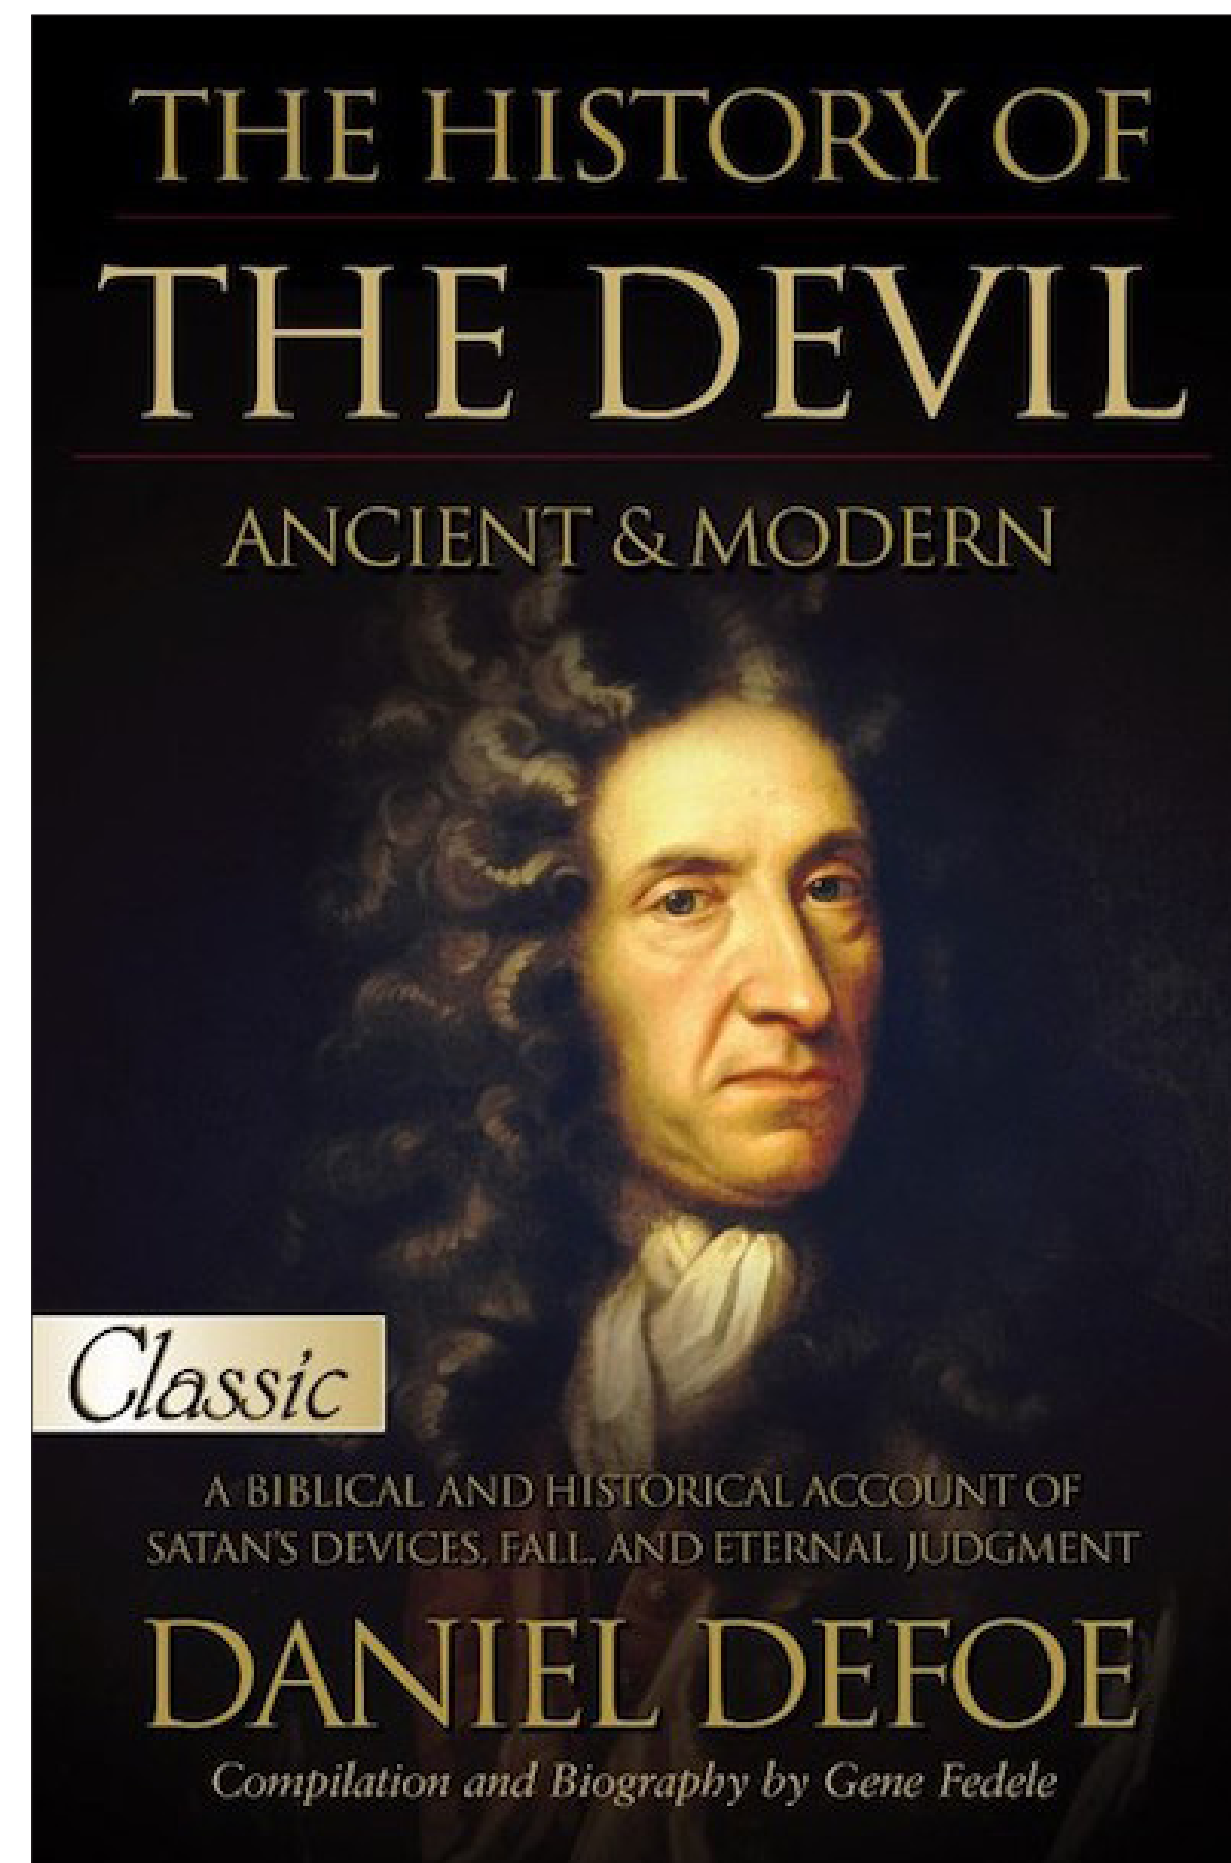

One of the most daunting tasks that a pastor will ever face is leading his congregation to the future he will not see. It is a reality that no leader wants to admit exists, but whether they like it or not, they will all have to face it one way or another.

Bryant Wright, the former long-term pastor of Johnson Ferry Baptist Church, faced this issue. After decades of serving his church, the Lord led Bryant to carry out a succession plan.

This book captures that journey from the first conversations about stepping down to the final sermon he preached. Succession discusses this journey in a way that shows the leadership of an experienced pastor, the wisdom of a knowledgeable shepherd, and the humility of an obedient servant.

This book not only displays the heart of a man who loved and led his church well, but also serves as a model for those preparing for the most difficult task they will ever face.

Title: The History of the Devil Ancient & Modern
 Author: Daniel Defoe
 Price: £19.99*
 Product Code: 9781610362733
 Format: Paperback
 Genre: Christian Living
 Distribution: UK & Europe

The History of the Devil is a classic historical and religious book universally considered one of Daniel Defoe's greatest works of non-fiction. The book was first published in 1726 and made an immediate impact on English literature, society and the ecclesiastical community in the early 18th century and continues to enrich humanity as a faithful source of historical and biblical truth and wisdom.

The History of the Devil cleverly unfolds the actions, devices, and evil nature of Satan and his host of devils against God and mankind throughout the history of the world.

Defoe divides the book into two parts: Ancient, or the time from before the creation of the universe to the coming of the Messiah, Jesus Christ; and Modern, or from the time of Christ and establishment of the Christian Church to the present day.

His style is one that uniquely blends serious biblical principles and history with lighter satirical narrative, especially when dealing with mankind's many false presuppositions about the Devil, and clearly delineates when each, or both, is applicable to the subject of discussion.

Description

Most Christians are familiar with the opening words of Genesis: “In the beginning, God created the heavens and the earth.” But push beyond those iconic words, and sometimes the details get a little hazy. And strange.

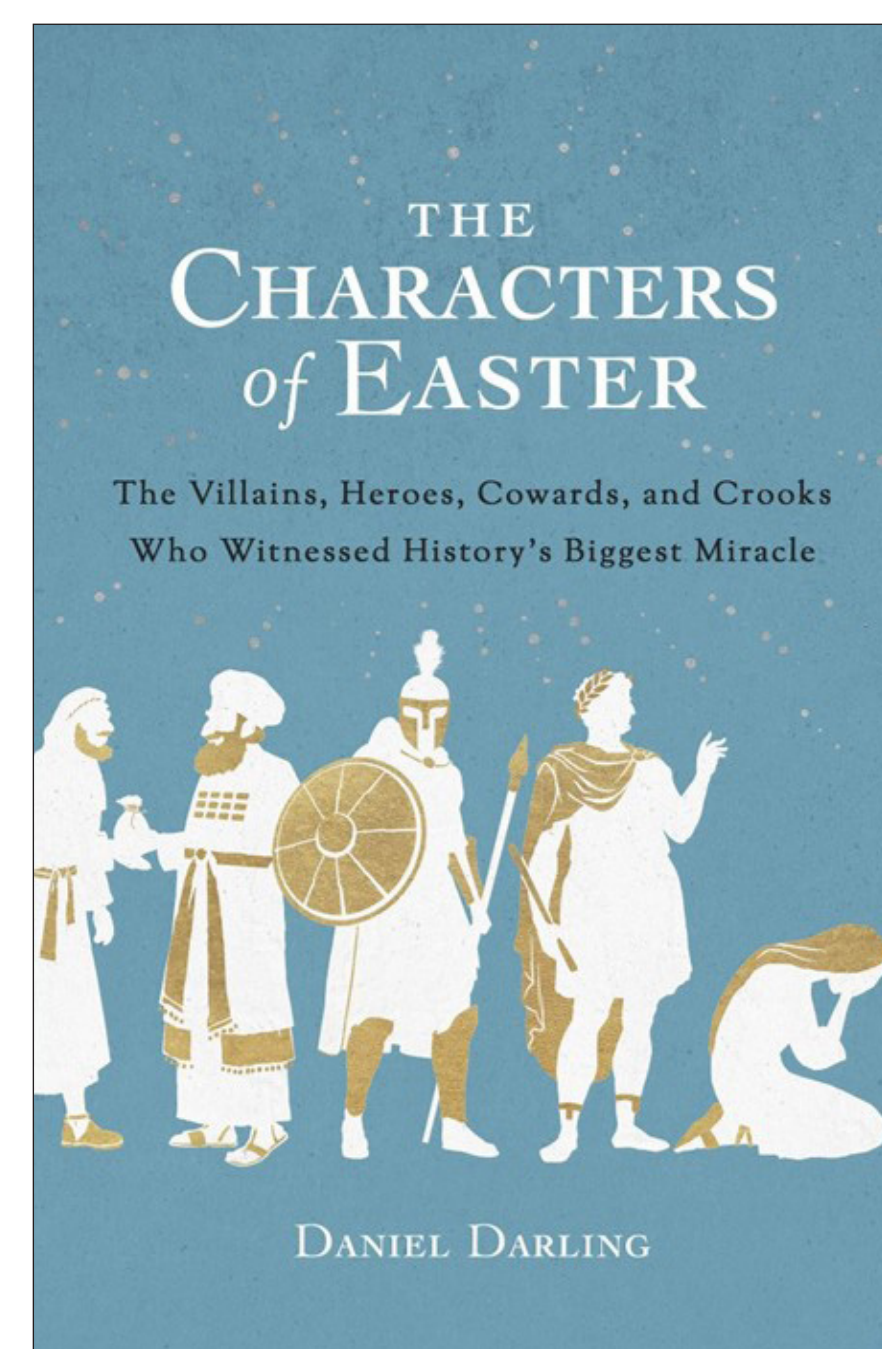

God walked around in a garden? Eve was made from Adam’s rib? A talking serpent? And what the in the world were the “Nephilim”?

In ‘The Characters of Creation’, Daniel Darling re-introduces readers to the story they thought they knew. He explains the Bible’s story of how we got here and how things got messed up, and gives fresh insights into the first people in God’s unfolding plan of redemption—from Adam and Eve, The Serpent, Cain and Abel, and Noah.

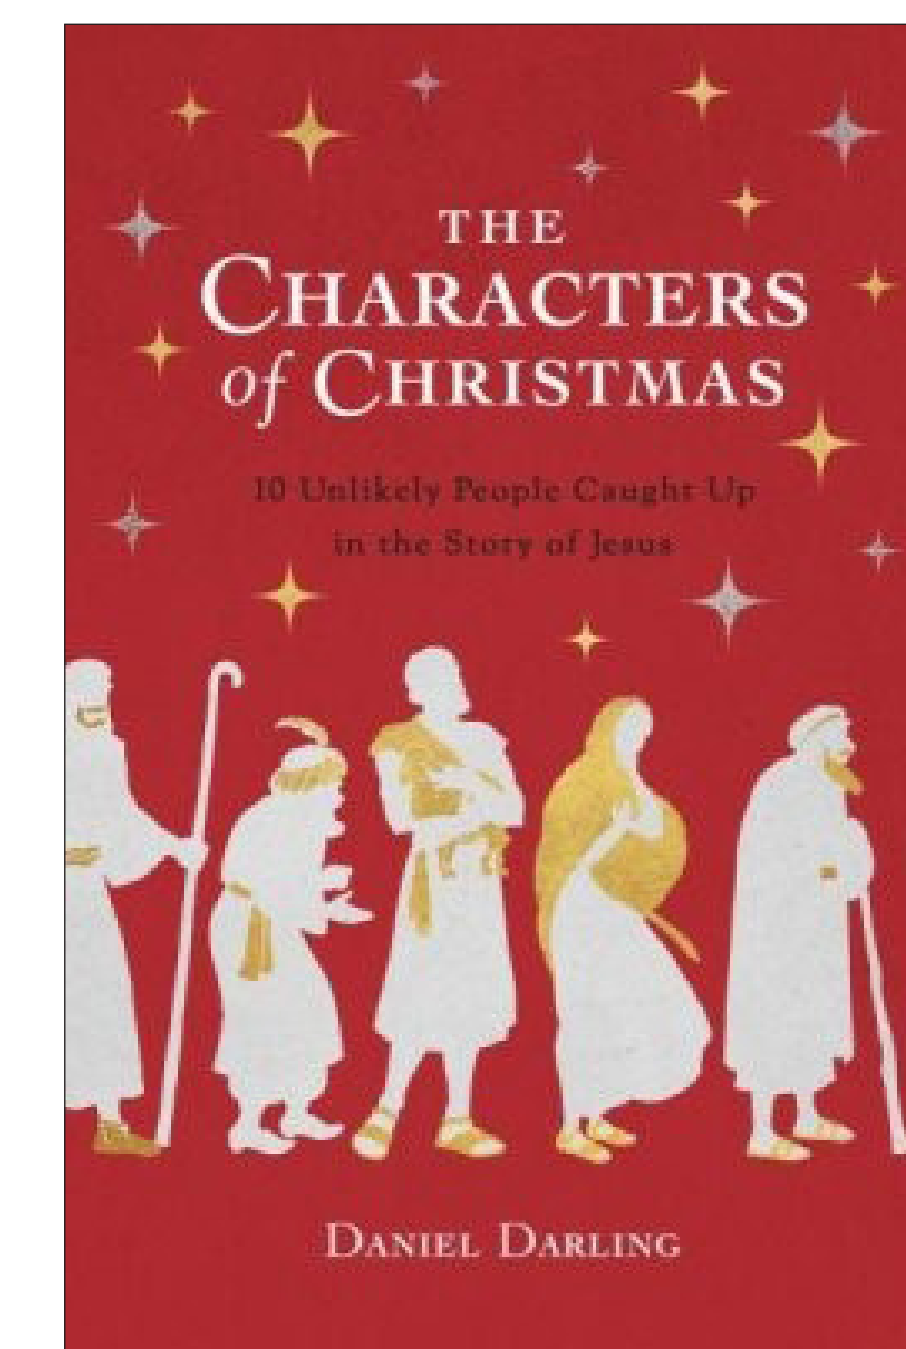

About the Author

DANIEL DARLING is the Senior Vice-President of Communications for the National Religious Broadcasters (NRB), and a regular contributor to several leading evangelical publications, including Christianity Today, Homelife, InTouch and others. He has authored six books, including Teen People of the Bible, The Original Jesus, and The Dignity Revolution. Dan is a teaching pastor at Green Hill Church in Mt. Juliet, Tennessee and lives with his wife and four children in the Nashville area.

Joshua Sherif – The Stranger at Our Shore

Description

A gripping tale of escape from Egypt, 'The Stranger at Our Shore' is the true story of one young man's journey out of Islam into new life in Christ.

Through his remarkable testimony, Chicago pastor Joshua Sherif calls the Western Church to reconsider the plight of the modern day sojourners in our land—the strangers at our shore and the ones living right next door—and to return wholeheartedly to its first charge: making disciples.

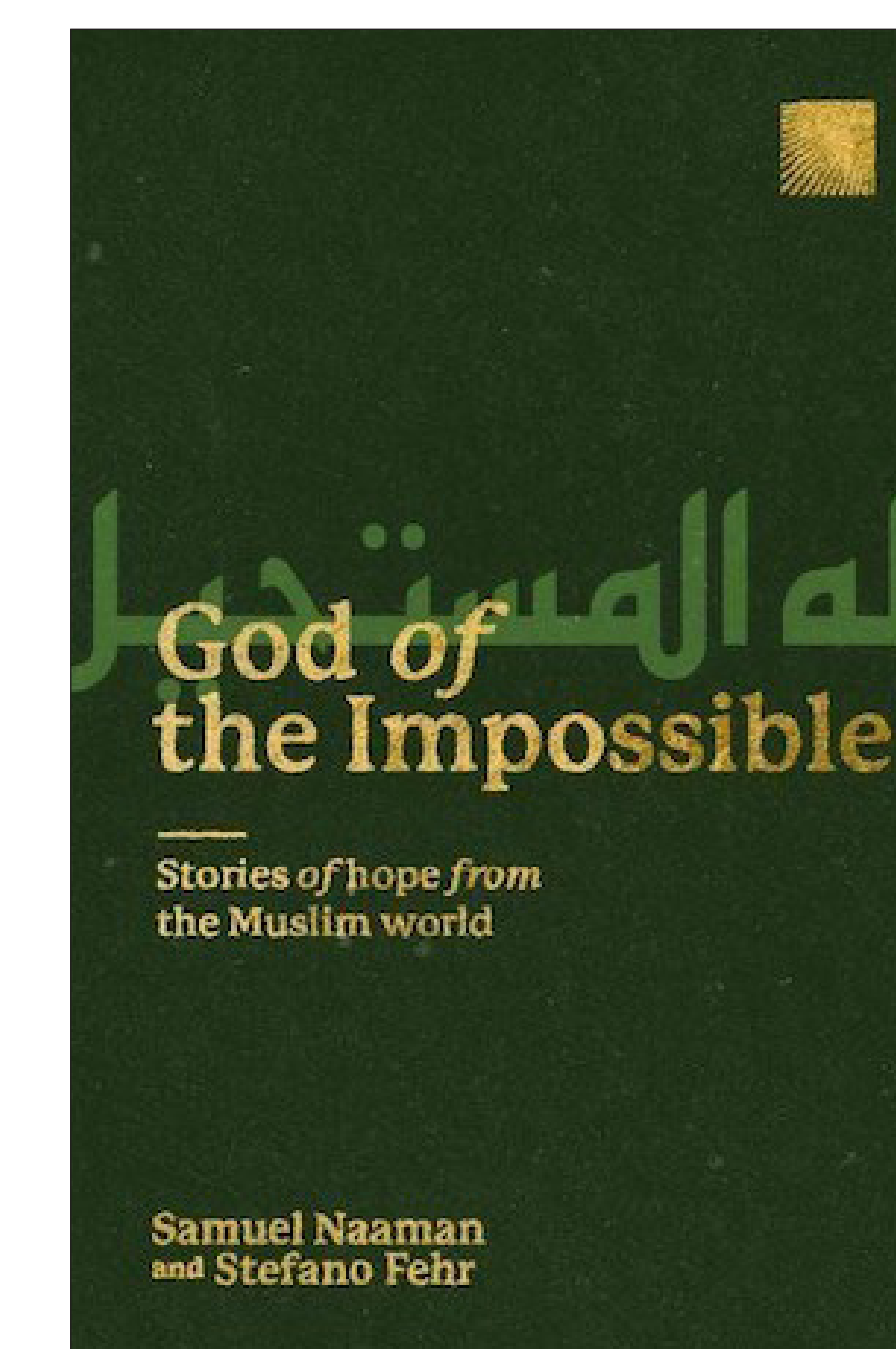

The book examines three ways believers harden their hearts towards the stranger and suggests three practical remedies to help us begin casting a wider net for discipleship in our communities.

Though any reader will be captivated by the powerful story, any believer will walk away from this book feeling less intimidated and better equipped to disciple people who are different than them.

About the Author

JOSHUA SHERIF was born in Egypt to a Muslim family and immigrated to the United States, where he later came to faith in Jesus. For the past decade, he has planted and pastored in Albany Park, Chicago, IL, one of the most diverse neighbourhoods in the USA. His congregation represents more than thirty nationalities, speaking twenty languages. Josh has enjoyed his years equipping and coaching other missionaries and pastors around the world. His story was featured in Love Costs Everything, a documentary produced by CIY and Voice of the Martyrs, concerning Christian persecution.

Ezekiel's visions and word pictures prompt readers to contemplate their own obedience to God's call and awaken to their purpose in their generation.

There are five days of lessons per week, totalling 40 lessons in all. After eight weeks readers will be awakened to a need for revival in their own hearts and lives. A deep dive into Ezekiel results in greater obedience and a bolstered faith.

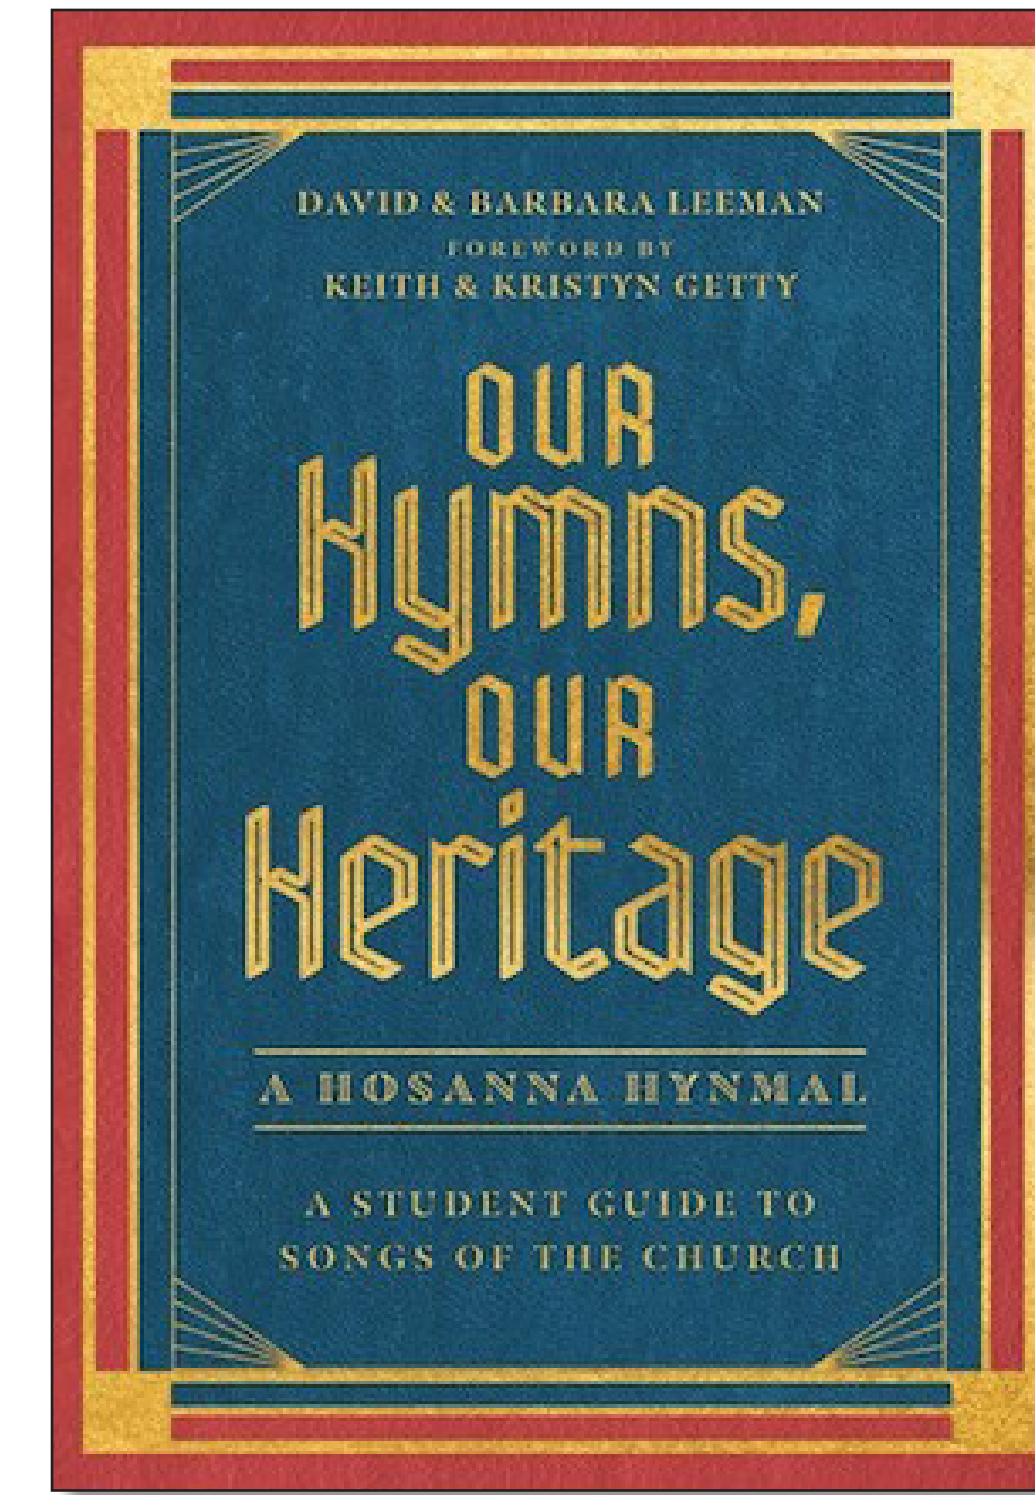

Title: God, Sex, and Your Marriage
 Author: Dr. Juli Slattery
 Price: £12.99*
 Product Code: 9780802429018
 Format: Paperback
 Genre: Love, Sex & Marriage
 Distribution: UK & Europe

Many Christian books talk about sexual issues within broader works on marriage, but few resources comprehensively and biblically guide couples specifically on sexual intimacy.

God, Sex, and Your Marriage challenges the common assumptions couples have about sexuality and presents the richer biblical narrative of sex as a metaphor of God's covenant love.

Dr. Juli Slattery applies that biblical framework to the practical challenges in sexual intimacy. Godly sexuality extends far beyond sexual purity and calls us to sexual integrity.

God invites every couple to view their sexual relationship including their greatest struggles, as an avenue to learn about the nature of His covenant love. It's God's desire to make us more like Himself and sex within marriage is often a powerful training ground for godly character. That desire gives purpose and context to addressing pornography, healing from past wounds, sexual incompatibility, pursuing pleasure together, and forgiveness.

God Wasn't In His Plans Until . . .

Guillaume Bignon was a French atheist . . . and he was perfectly happy. He was very successful as a software engineer in finance, a musician, and a volleyball player. Yet a chance encounter with a beautiful woman would change the way he thought about his life and beliefs forever.

'Confessions of a French Atheist' is the unusual story of Guillaume Bignon—a man who didn't need God but who grew to believe in God after he thought through the nature of morality, the relationship between science and faith, the supernatural, and the reliability of the Bible.

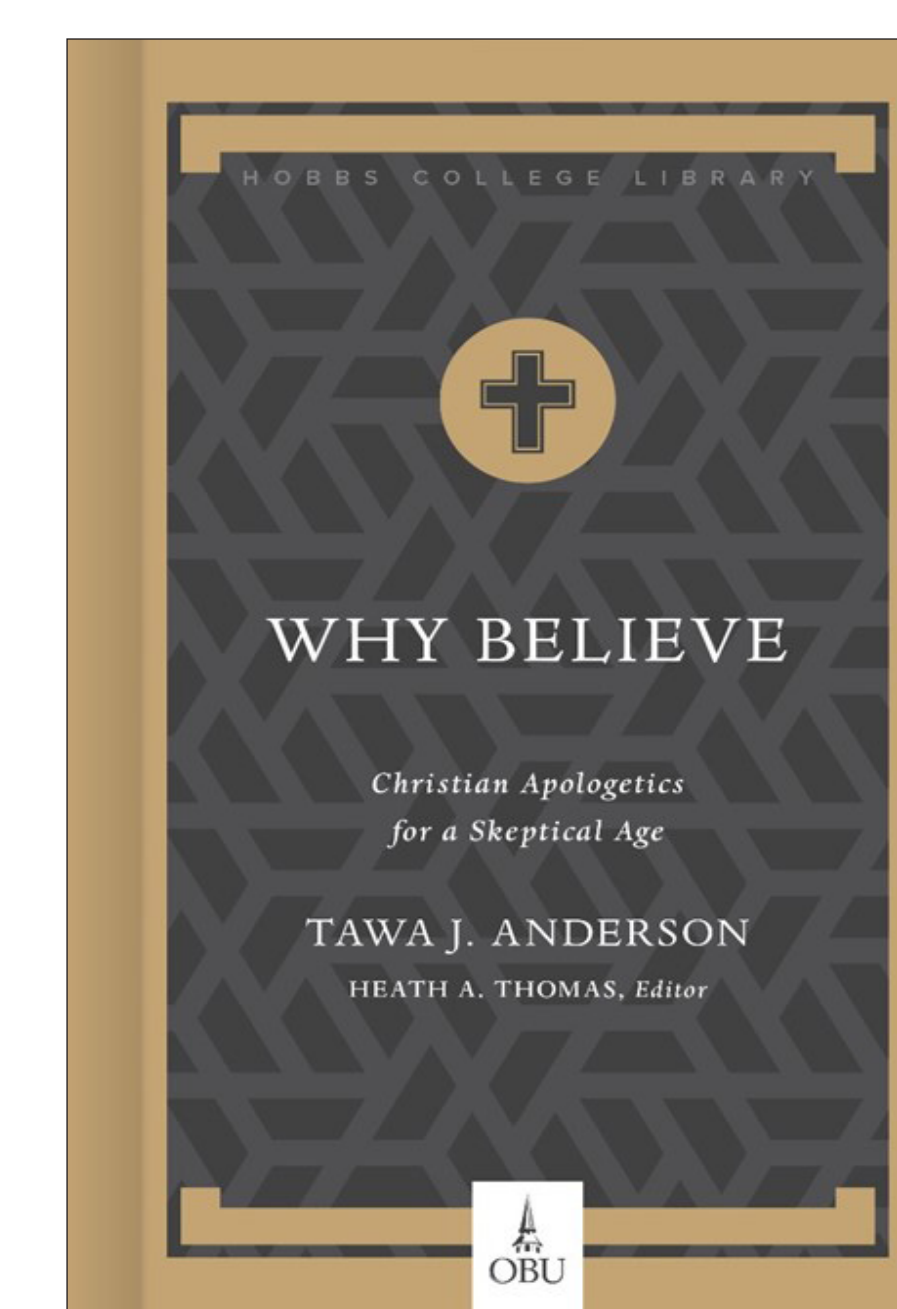

With rigorous reasoning, remarkable authenticity, and a sense of humour, Guillaume takes the reader on a journey of his innermost questions and surprising discoveries.

About the Author

Dr. Guillaume Bignon was born and raised in France, where he studied math, physics, and engineering science. He currently works as a software engineering manager. After a wholly improbable conversion from atheism to Christianity, Guillaume earned a master's in biblical literature with an emphasis on the New Testament, and a PhD in philosophical theology. His areas of interest include the metaphysics of free will, natural theology, and soteriology.

Guillaume is an executive committee member of Association Axiome, a society of French-speaking Christian scholars. He and his wife, Katherine, have five young (and adorable) children.

Most people would agree that the church is an amazing concept—the idea that people who share faith in Christ can worship and serve together and enjoy sweet fellowship that has love, forgiveness, and mutual support as its hallmarks. But the reality is often quite different.

When people who are part of the church behave in ways that are thoughtless, selfish, and even vicious, then that shining ideal dims drastically and people get wounded, sometimes never to recover. Suddenly, the one place in the community that should symbolize hope and light becomes a house of horror.

Why does this happen? The easy answer is to point an accusing finger at Satan, but what about our own culpability?

Troublemakers in the Church: Dealing with the Difficult, the Dangerous, and the Deadly identifies twenty-five types of troublesome church members and offers insights on how to deal with them, while also offering a specific plan for how to build a church culture that manages and minimizes trouble.

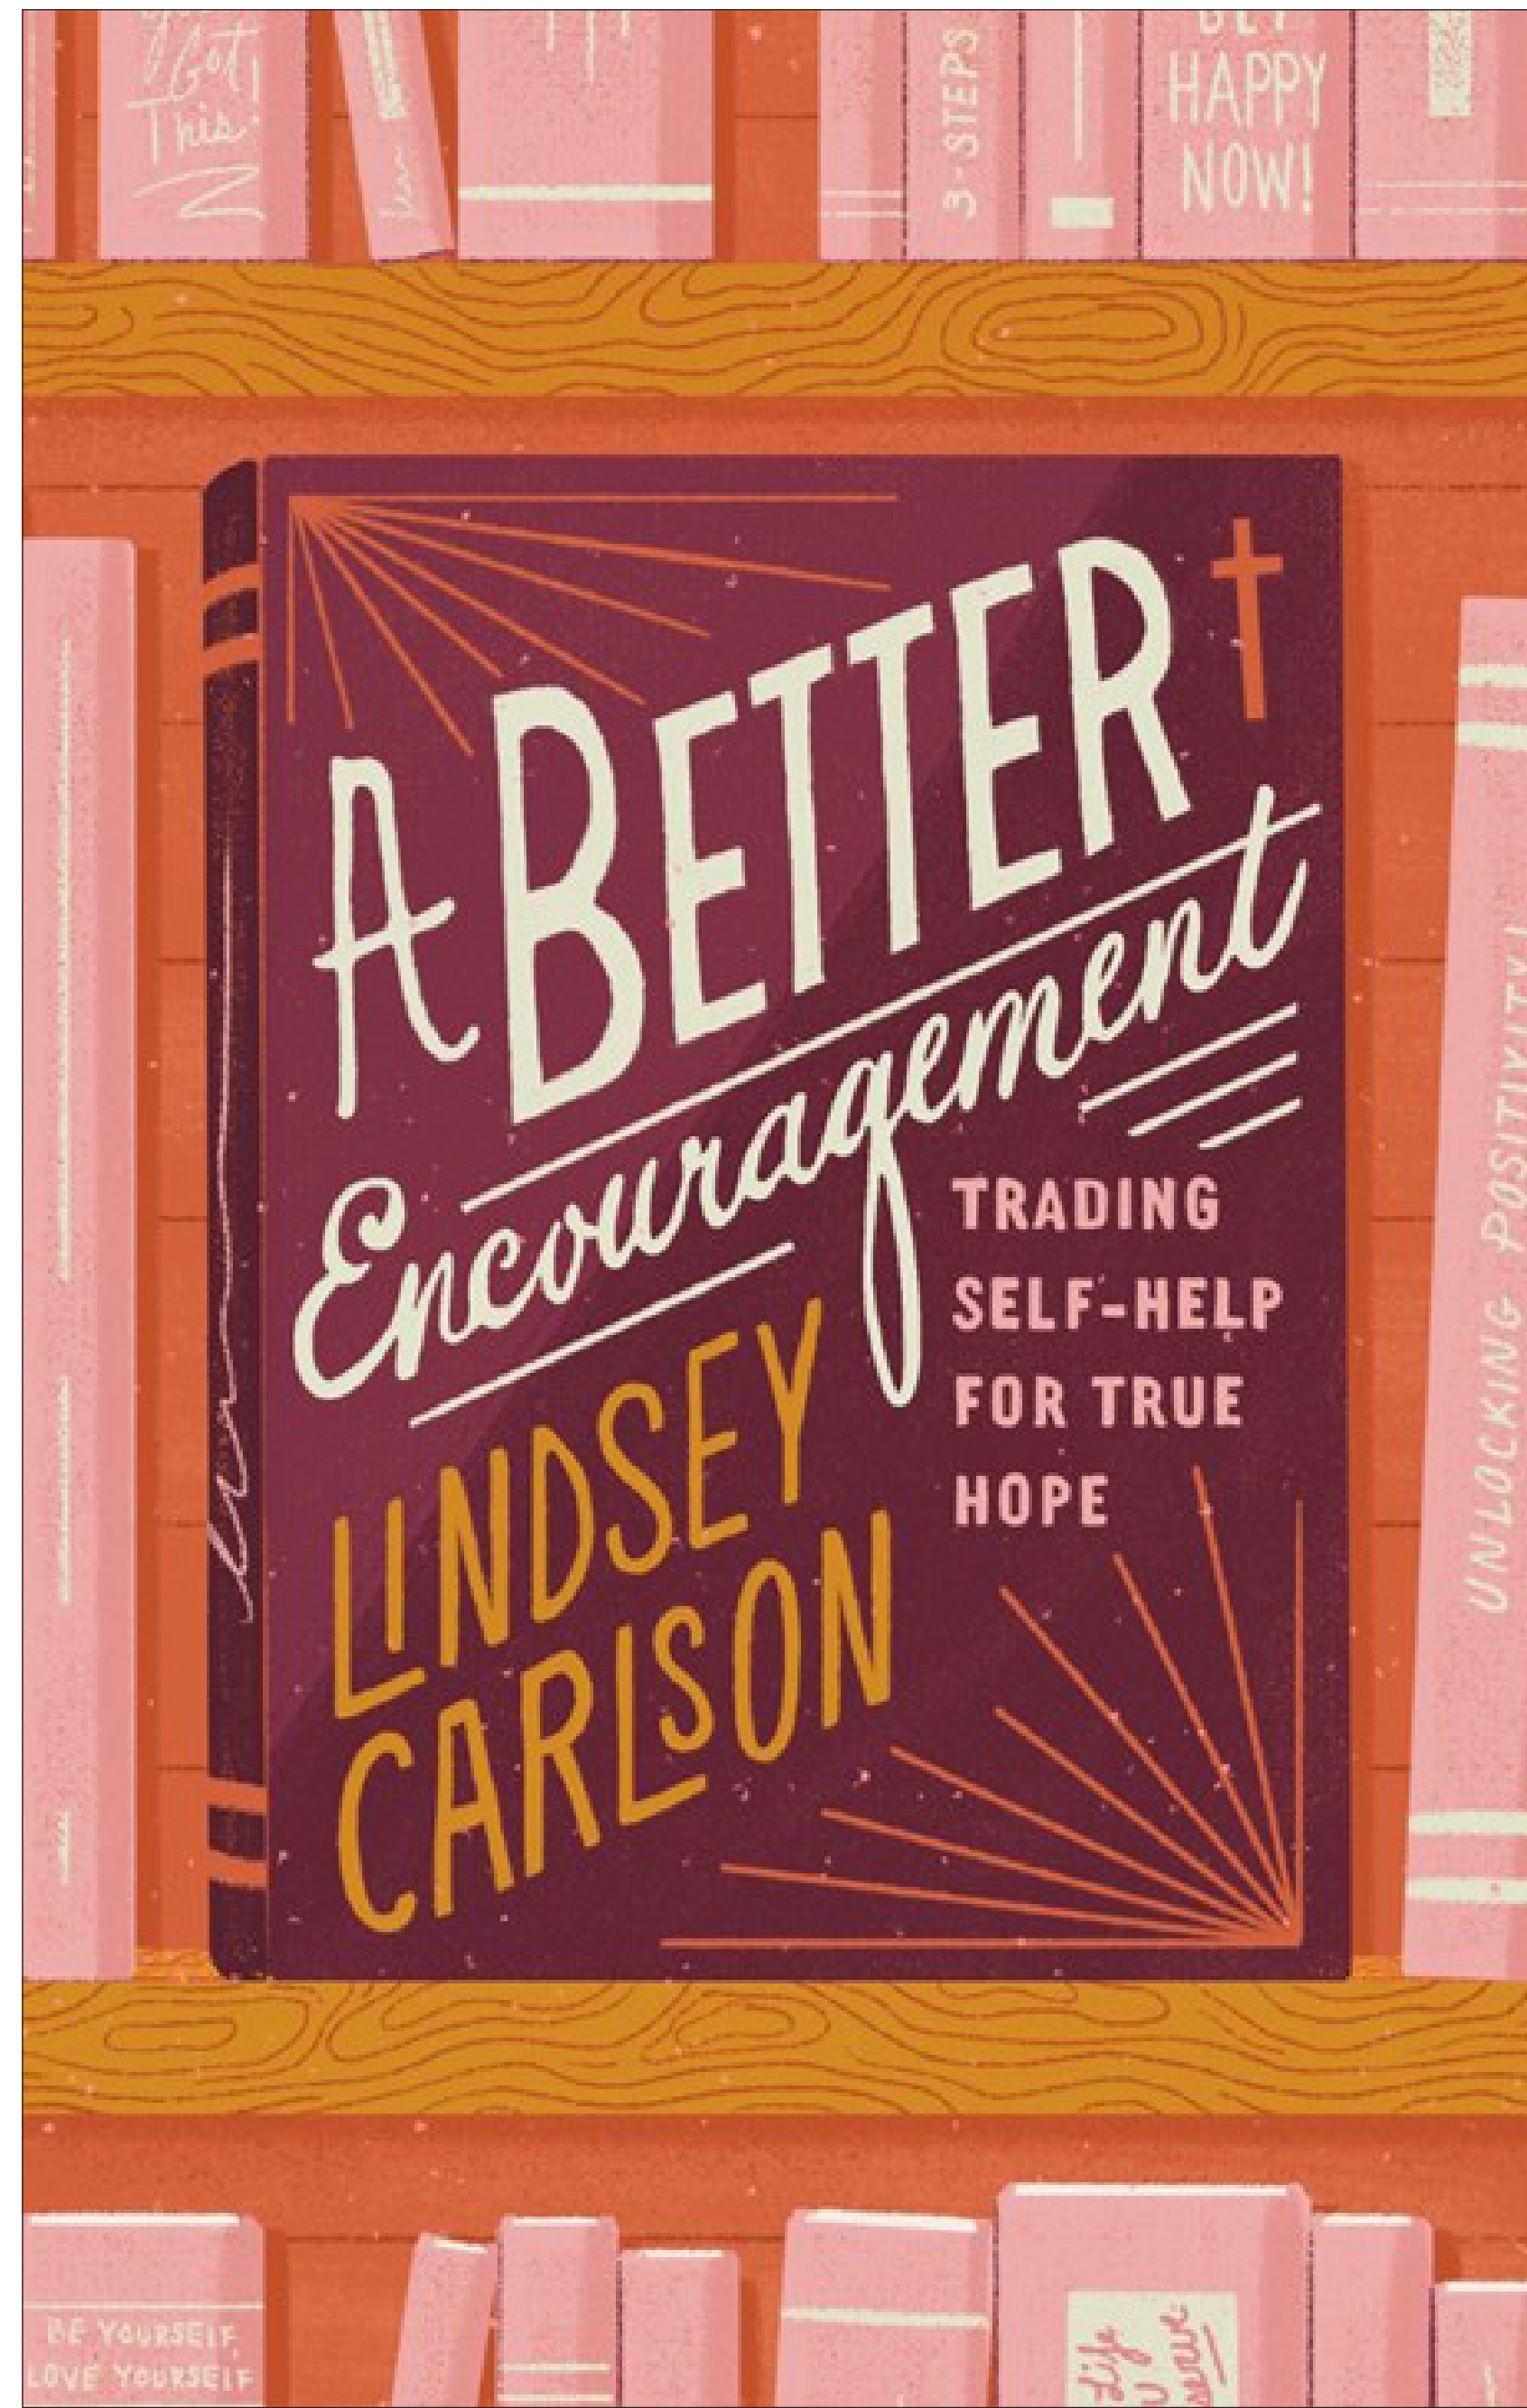

Title: Guidebook for Instruction in the Christian Religion
Author: Herman Bavinck
Price: £23.99*
Product Code: 9781683072997
Format: Hard Cover
Genre: Doctrine & Theology
Distribution: UK & Europe

"In writing this Guidebook," Bavinck says in his preface, "I had in mind, the pupils in the highest classes of our Christian gymnasium, public schools, in the education of teachers, and in normal schools, etc. and moreover those who desire to understand the main content of our Christian, Reformed confession of faith through a not too comprehensive or expensive book."

Herman Bavinck completed Guidebook for Instruction in the Christian Religion in 1913 and reprinted it in the Netherlands in 1931. He originally intended it for high school students and Christians of every confession. Bavinck's goal was to make Christians more familiar with the rich, deep thoughts of Scripture as universally expressed in the Christian faith.

Guidebook for Instruction in the Christian Religion is an introductory systematic theology by one of the foremost theologians of the past century. Alongside The Sacrifice of Praise, this is Bavinck at his best doing catechetical theology. To this end, Bavinck sets off to explain in a simplified manner the main contents of the Christian religion, even giving it a title that is a tip of the hat to John Calvin's Institute of the Christian Religion. While Bavinck's lengthy Reformed Dogmatics is an academic work, Guidebook for Instruction serves a more egalitarian aim. It is a theological guide for the everyday person in the pew. In this one--and much shorter--volume, Bavinck walks Christian readers through all the major topics covered in Reformed Dogmatics with theological depth and insight.

Drop the Self-Help and Look to God Who Speaks a Better Word

Women thrive on encouragement, connection, and support. And yet, this desire leads many to be culturally catechized by a multibillion dollar self-help industry. Because foolish motivational messages flow freely from the world like a dripping faucet and are repeated by the person in the mirror, women remain discouraged, disconnected, and alone. If women believe happiness and success are their responsibility, they will assume discouragement must be too. Women need better news.

In this hope-filled book, Lindsey Carlson leads weak and weary women to the well to find better refreshment in the living water of Christ, who speaks a better word of encouragement than the world. As women are connected to God's promises and God's people, they will be better encouraged to endure with their hope fixed on Christ.

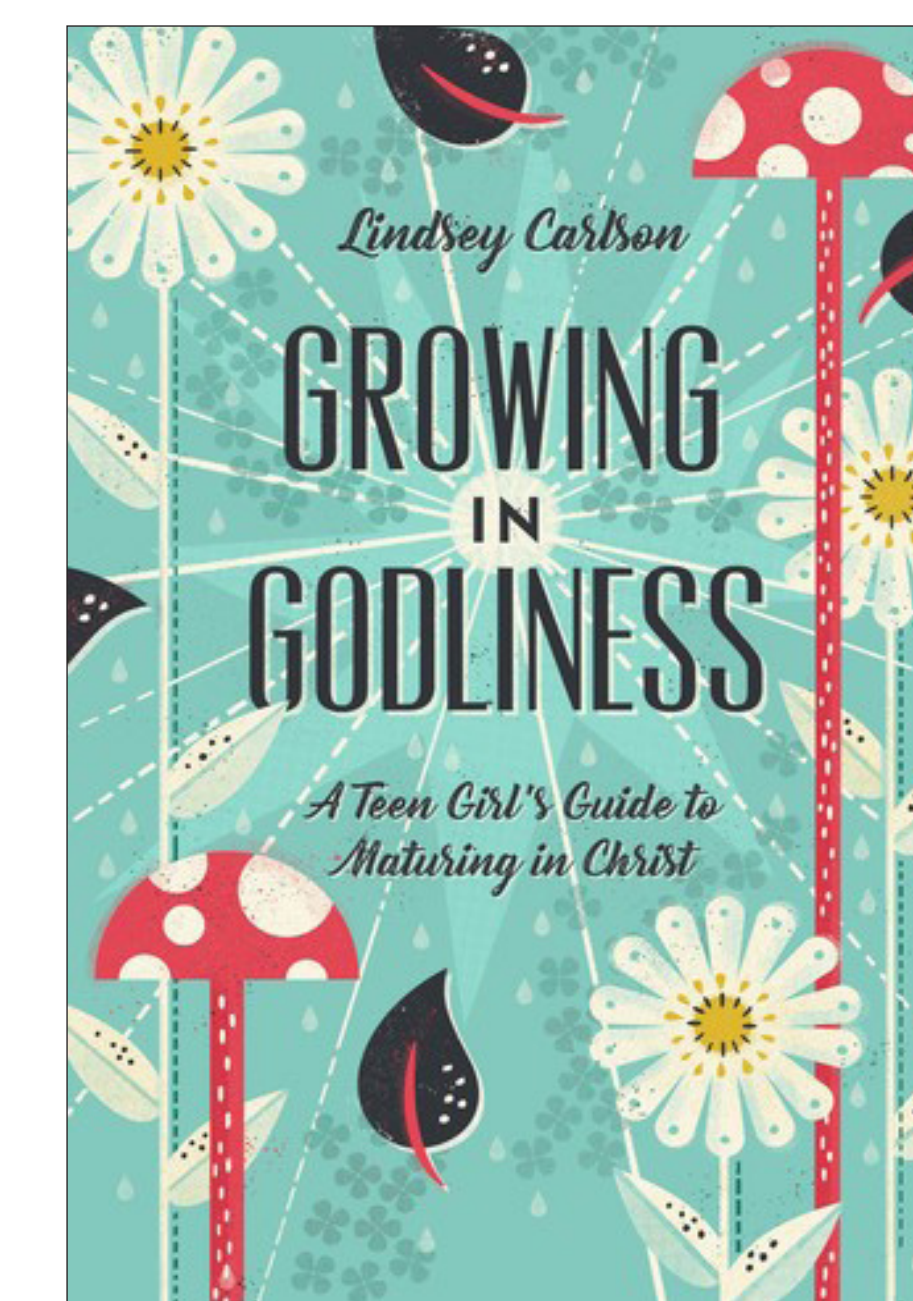

Written for discouraged Christian women who need better encouragement they can't provide themselves, but who are hesitant to trust good encouragement exists. Offers relatable stories and counsel to teach women how to biblically discern truth from worldly philosophy in messages of encouragement and to provide confident assurance in God's promises of power, strength, comfort, and hope.

How Jesus Changes Our Story with His Story

Each person's life tells a story. These stories have happy chapters, sad chapters, boring chapters, and exciting chapters. Some people seem to author their own stories, while others have the pens snatched from their hands. Some stories feel hopeless.

Can our stories ever be rewritten? Will they have a happy ending?

David Murray introduces readers to the StoryChanger, Jesus Christ—the only one who can rewrite human stories with his better Story. Both Christians and non-Christians will discover how God's Story can transform their own messy stories into stories worth telling.

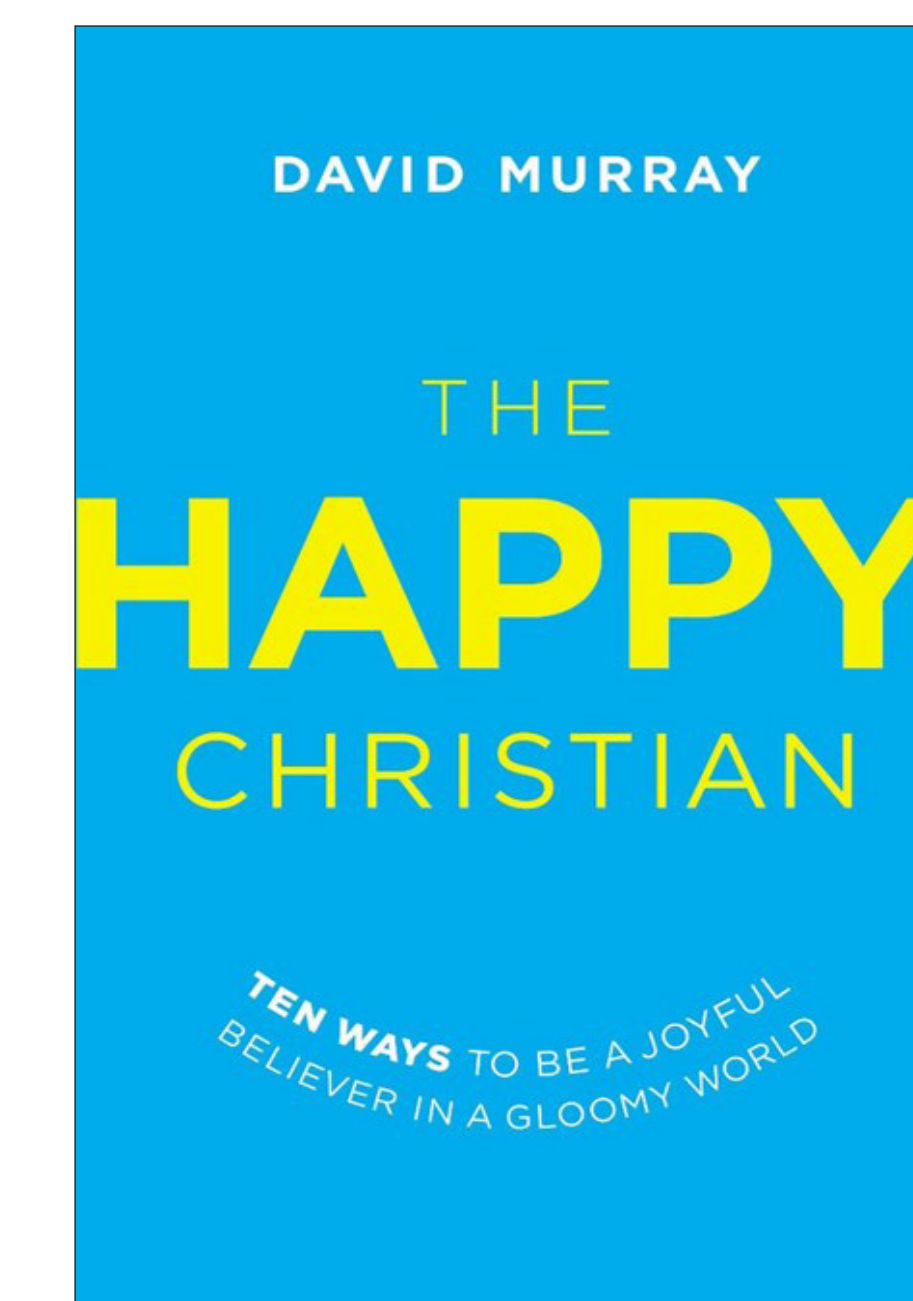

- Easy to recommend to both non-Christians and new Christians
- Tells the first story of God's good and beautiful creation, how sin and Satan—the StoryShredder—ruined human stories, and how Jesus rewrites and redeems those stories.
- Shares Murray's testimony of how God changed his story and points readers toward specific ways Jesus can change their stories as well
- Includes questions for further reflection or discussion at the end of each chapter

Chemist and Christian Apologist Neil Shenvi Explores the Evidence for Christianity.

For centuries, skeptics have disputed the claims of Christianity—such as belief in an eternal God and the resurrection of Jesus Christ—arguing that they simply cannot be accepted by reasonable individuals. Furthermore, efforts to demonstrate the evidence and rational basis for Christianity through apologetics are often deemed too simplistic to be taken seriously in intellectual circles.

Apologist and theoretical chemist Neil Shenvi engages some of the best contemporary arguments against Christianity, presenting compelling evidence for the identity of Jesus as portrayed in the Gospels, his death and resurrection, the existence of God, and the unique message of the gospel. Why Believe? calls readers from all backgrounds not only to accept Christianity as true, but also to entrust their lives to Christ and worship him alone.

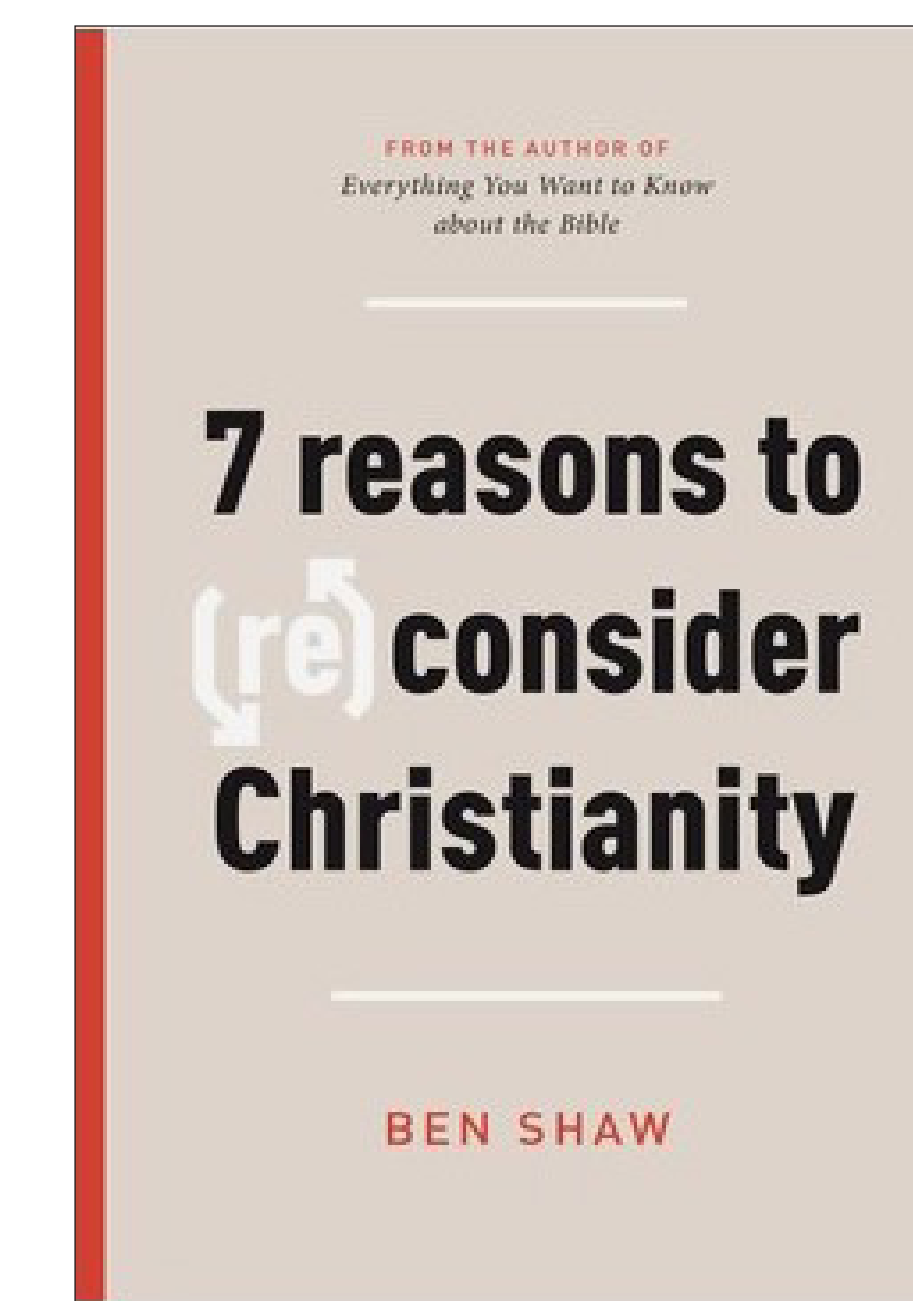

- Ideal for intellectuals and academics, as well as high school and college students
- Interacts with skeptical arguments against Christianity and God's existence
- Grounded in Scripture and centered on the claims of the gospel

About the Author

Neil Shenvi (PhD, University of California, Berkeley) has worked as a research scientist at Yale University and Duke University and has published over thirty peer-reviewed papers.

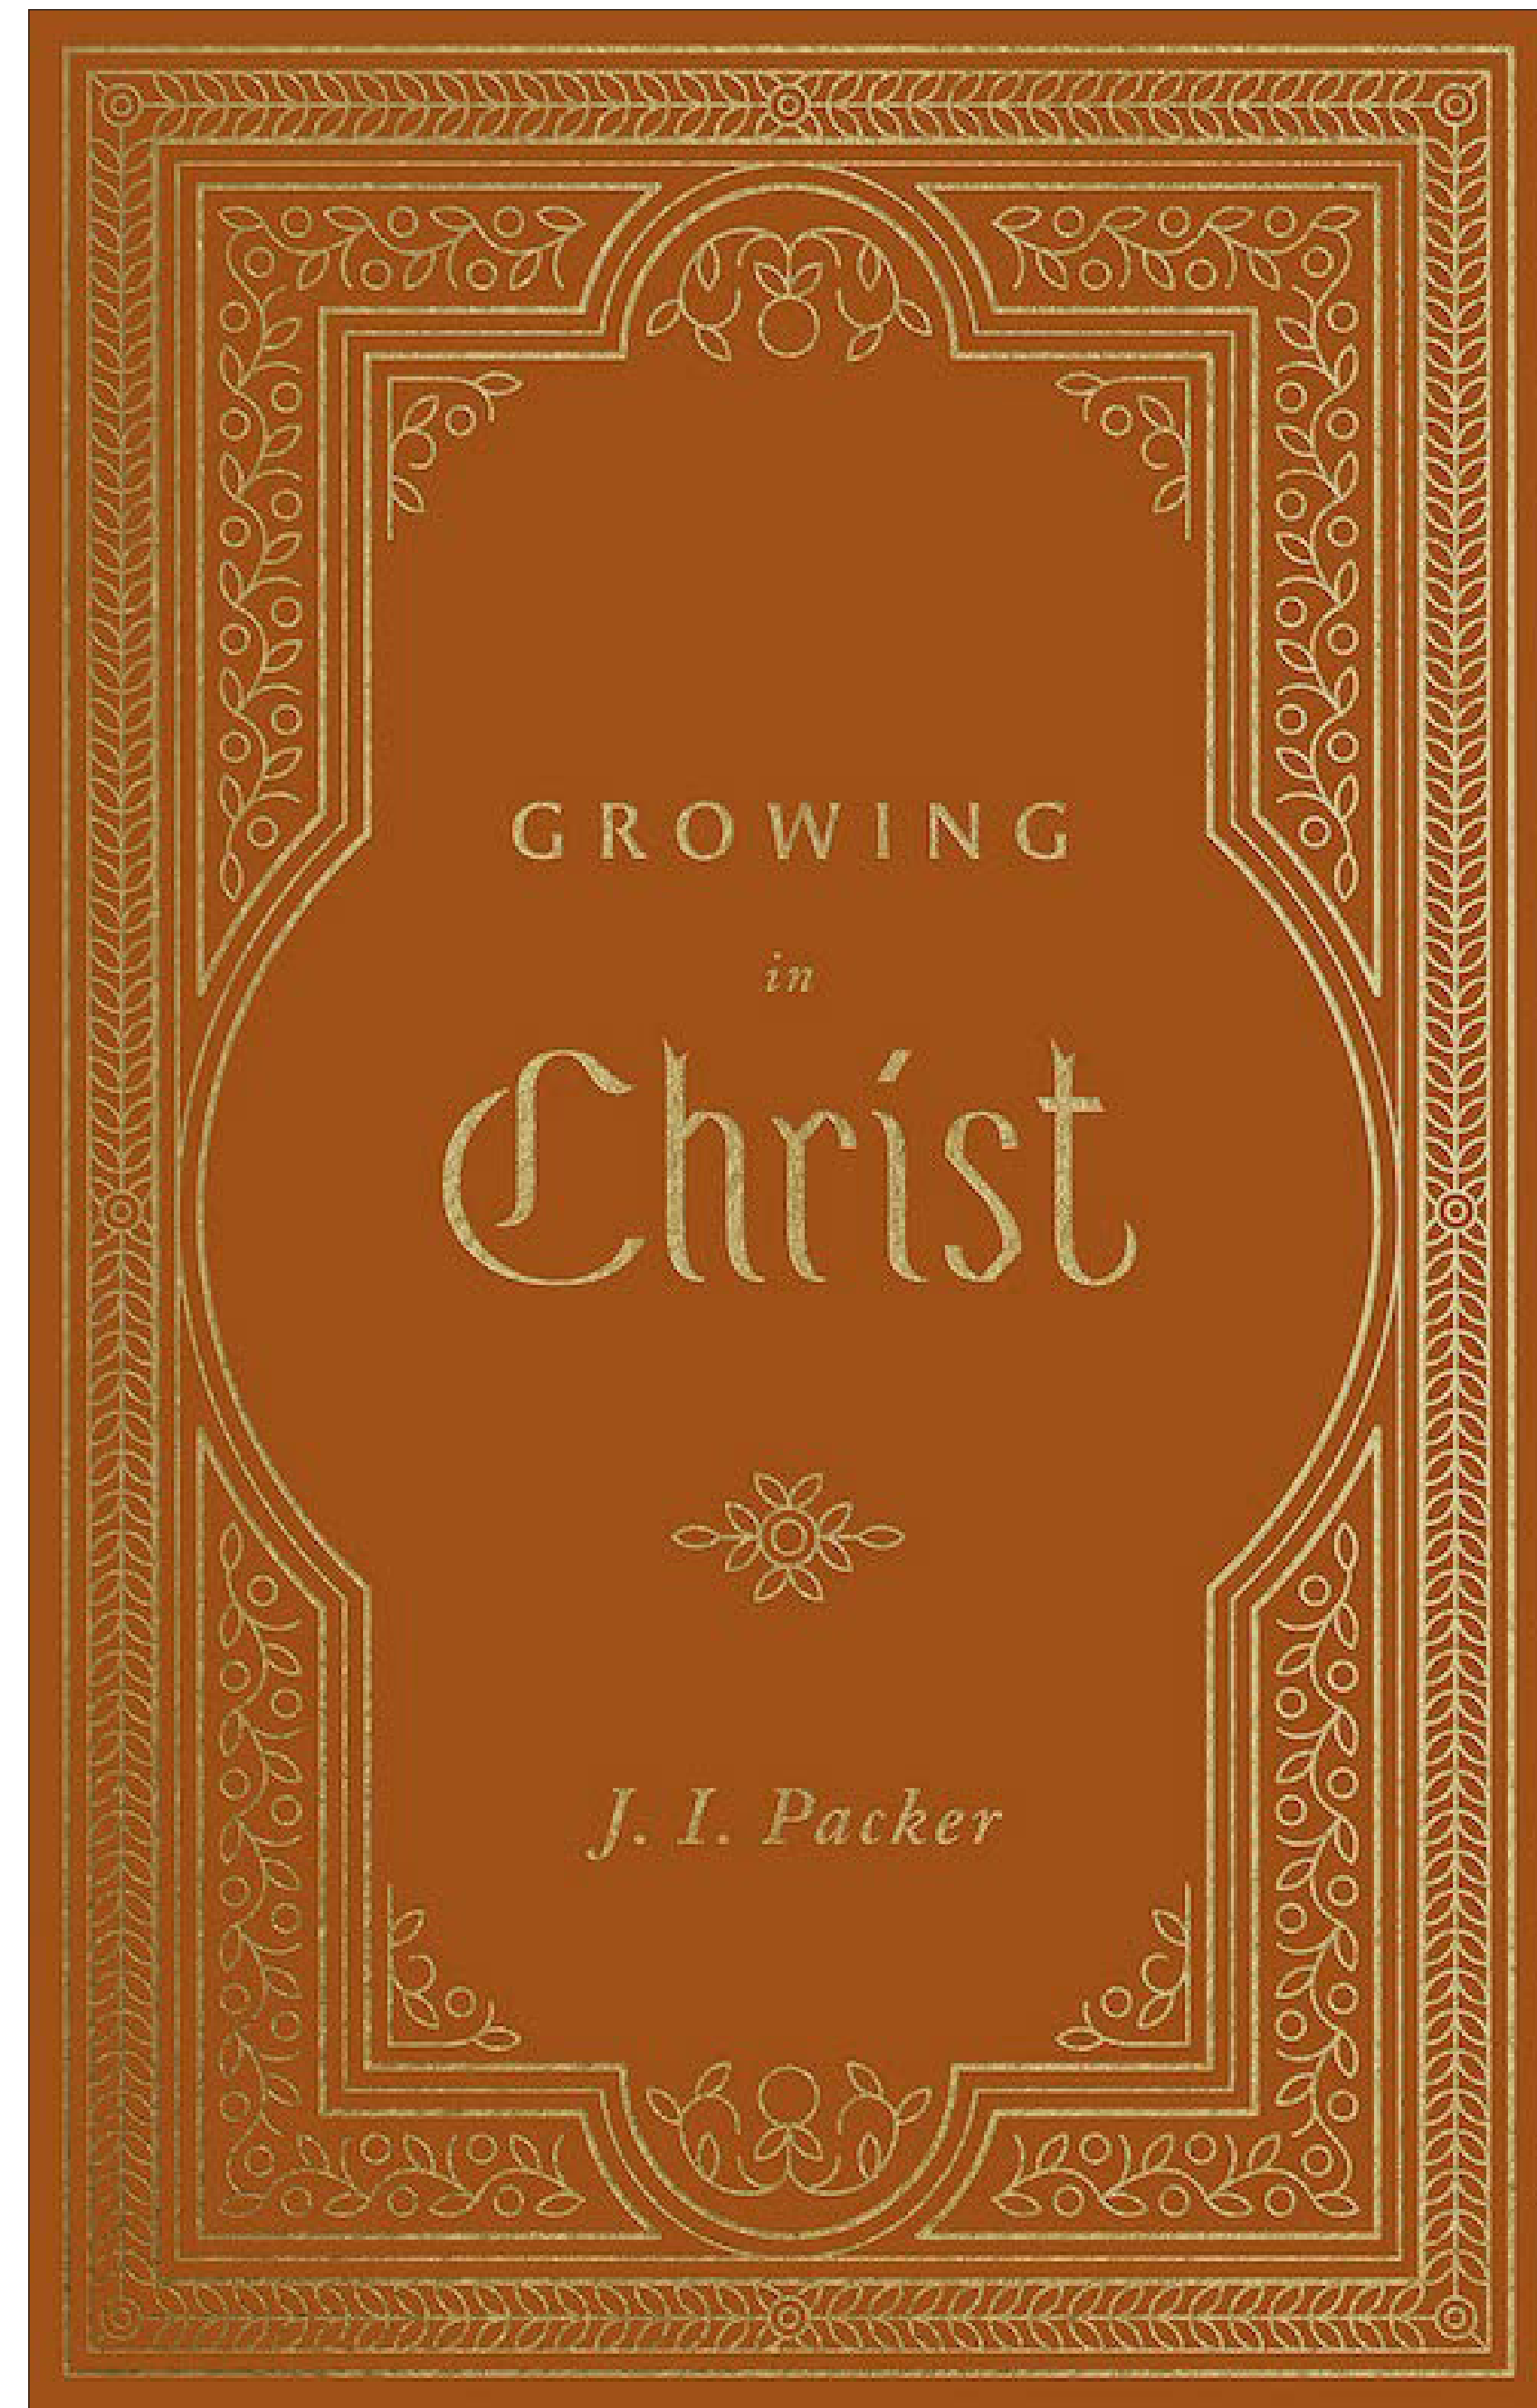

He is married to Christina and currently homeschools their four children.

A Gracious, Biblical Model for Marriage

Married Christians, and those preparing for marriage, know that they're sinners—and that their sin threatens God's great purposes for their union, including mutual support, companionship, and intimacy. But how often do believers recognize that they are also saints, equipped through God's power to create a healthy, loving marriage?

In *Gospel-Shaped Marriage*, Chad and Emily Van Dixhoorn encourage couples with how Christ calls and enables them to love their spouse.

They give a brief assessment of the biblical design for marriage while offering practical, proven advice for husbands and wives.

Drawing from Scripture and the writings of Puritan minister William Gouge, their advice also prepares churches, friends, and others to support married couples in their lives.

An Effective, Holistic Guide for Teaching Children in Any Educational Setting

Every parent and teacher wants to give his or her children the best education possible. They hope that the teaching they provide is a joyful adventure, a celebration of life, and preparation for living. But sadly, most education today falls short of this goal.

For the Children's Sake imagines how education can be based on a Christian understanding of the meaning of life and what it means to be human—a child, a parent, a teacher.

The central ideas have been proven over many years and in almost every kind of educational situation including ideas that author Susan Schaeffer Macaulay and her husband, Randal, have implemented in their own family and school experience.

Includes a foreword by daughter and educator Fiona Fletcher.

Why a Holy God Delights to Claim Broken People as His Family Christians belong to God's own family.

This promise is difficult for some people to believe, and even for some believers to remember in their day-to-day struggles with shame or regret. But it's repeated throughout the Bible, reflected in Christ's genealogy, and true of the church today; God's family is filled with broken people whose stories are a testament to his staggering love.

In *He Is Not Ashamed*, Erik Raymond takes a close look at the "family portrait" of God—filled with imperfect people throughout Scripture—and shows that God is not repelled by anyone's shameful past, but delights to redeem and receive those who believe in him.

Studying Hebrews 2:11 and other passages in both the Old and New Testaments, Raymond shows that Jesus' heart is bent toward those who have an embarrassing history, feel far from God, or struggle with sin.

By studying God's abounding love for undeserving people, Christians learn to accept his grace and confidently embrace their place in God's family portrait.

Words of Encouragement for Christians Who Doubt Their Salvation

Countless Christians are weighed down with fear that God doesn't truly love them. Although they have heard and affirmed the gospel, repented of their sins, and turned to Christ, the depths of their sin or long stretches of suffering have eroded away any sense of assurance.

Is it possible for Christians to be confident in their salvation?

With pastoral wisdom, Jeremy Pierre encourages doubt-filled Christians with the truths of Scripture. He shifts their perspective to see themselves as God sees them, comforts their hearts with the abundant love initiated by God, and teaches them to receive this love through the gifts Christ has given them: God's word, prayer, and the fellowship of the church.

Readers will learn to find rest in the unlimited knowledge and love of Jesus Christ.

 Author: Jonathan Leeman
 Price: £3.99*
 Product Code: 9781433578557
 Format: Paperback
 Genre: Pastoral Resources

How Can We Know What the Church Is Supposed to Do?

What is the mission of the church? Although most Christians might agree that the church's mission is whatever God calls his church to do, many times that calling seems open to interpretation—with each local church adopting whatever tasks seem most aligned to its values, demographics, and political views.

But what does the Bible say about Christ's mission for his church?

In this short book, Jonathan Leeman argues from Scripture that the mission of the church is first and foremost to make disciples—the task that each local assembly is called to do collectively—and to be disciples—the task for each individual Christian.

He equips readers to obey this disciple-making mission both inside and outside the local church as they seek to follow Christ's call and make God's glory known in all the world.

Practical Advice on Biblical Church Leadership and Membership

God created his church to be a covenant of love and service among believers. It's an ideal design for fellowship, but one that's pushed to the side in the busyness of church life.

How can congregations be sure to embrace God's purpose for them?

In the short book *Who Leads the Church?*, Sam Emadi explains that church polity isn't just transactional; it's meant to be transformative. He describes how churches should reflect biblical authority, particularly members' responsibilities to one another, their elders, and deacons.

Emadi's direction helps provide clarity for congregations, showing them how to operate within God's perfect design and grow stronger in their love for Christ.

Title: After the Revolution
 Author: David J. Ayers
 Price: £19.99*
 Code: 9781683595779
 Format: Paperback
 Genre: Contemporary Social Issues
 Distribution: UK & Europe

In *After the Revolution*, David J. Ayers provides the Christian heirs of the sexual revolution a resource to understand their challenges and social context to find a way forward.

Drawing on social sciences and history, Ayers traces recent worldview shifts in the United States. The historic Christian understanding of sex and marriage has been supplanted. And sexual confusion has infiltrated the church, especially influencing younger Christians.

The church can uniquely and compassionately support sexual faithfulness and flourishing, but we need to reject formulas, surefire methods, and judgmentalism. Instead, we must recover a positive vision for Christian sexuality, singleness, and marriage that is firmly grounded in God's word.

An approach to ethics that prompts faith, hope, and love, *Pastoral Ethics* is an essential guide for Christians in all ministry contexts.

Title: Suffering, Not Power
 Author: Benjamin Wheaton

 Code: 9781683595991
 Format: Paperback
 Genre: Doctrine & Theology
 Distribution: UK & Europe

Correcting a popular view of the atonement Was Christ's death a victory over death or a substitution for sin? Many today follow Gustav Aulén's Christus Victor view, which portrays Christ's death as primarily a victory over the powers of evil and death. According to Aulén, this was the dominant view of the church until Anselm reframed atonement as satisfaction and the Reformers reframed it as penal substitution.

In *Suffering, Not Power*, Benjamin Wheaton challenges this common narrative. Sacrificial and substitutionary language was common well before Anselm's Cur Deus Homo. Wheaton displays this through a careful analysis of three medieval figures whose writings on the atonement are commonly overlooked: Caesarius of Arles, Haimo of Auxerre, and Dante Alighieri. Let history speak for itself, read the evidence, and reconsider the church's belief in Christ's substitutionary death of sinners.

Paul believed Israel's Messiah had come. But what does this mean for Israel?

Debate rages over Paul and supersessionism: the question of whether—and if so, to what extent—the new covenant in Christ replaces God's old covenant with Israel. Discussion of supersessionism carries much historical, theological, and political baggage, complicating attempts at dialogue.

Scot McKnight, Michael F. Bird, and Ben Witherington III consider supersessionism from political, biblical, and historical angles each concluding that if Paul believed Jesus was Israel's Messiah, then some degree of supersessionism is unavoidable. Lynn H. Cohick, David J. Rudolph, Janelle Peters, and Ronald Charles respond to the opening essays and offer their own perspectives. You will gain a broader understanding of the debate, its key texts, and the factors that shaped Paul's view of Israel.

- (2) the law as a rule of life combats both antinomianism and legalism;
- (3) the law shows us how to love;
- (4) the law promotes true freedom.

Description

The battle is raging. Two realms are seeking to influence the natural world—light and darkness. There is no middle ground. Depending on how you participate in life, either Heaven or Hell will advance its agenda into the Earth. The Holy Spirit is trying to show us what is at stake. He is trying to create something that will stop an evil every bit as hideous as Hitler. His voice is crying out to everyone, from celebrity pastors to Christian billionaires to everyday believers. He is ordering us to toss aside petty squabbles and build a movement that can destroy the nameless horror we face.

Mario Murillo is a bestselling author, popular blogger, and minister of the Gospel. As an evangelist for nearly 50 years, Murillo has weathered many cultural shifts, but his message has remained steadfast. In the midst of our current cultural climate, God is seeking to raise an army of prophetic people whose voices shape the direction of the nation.

Do Not Leave Quietly is a prophetic war cry for every reader to:

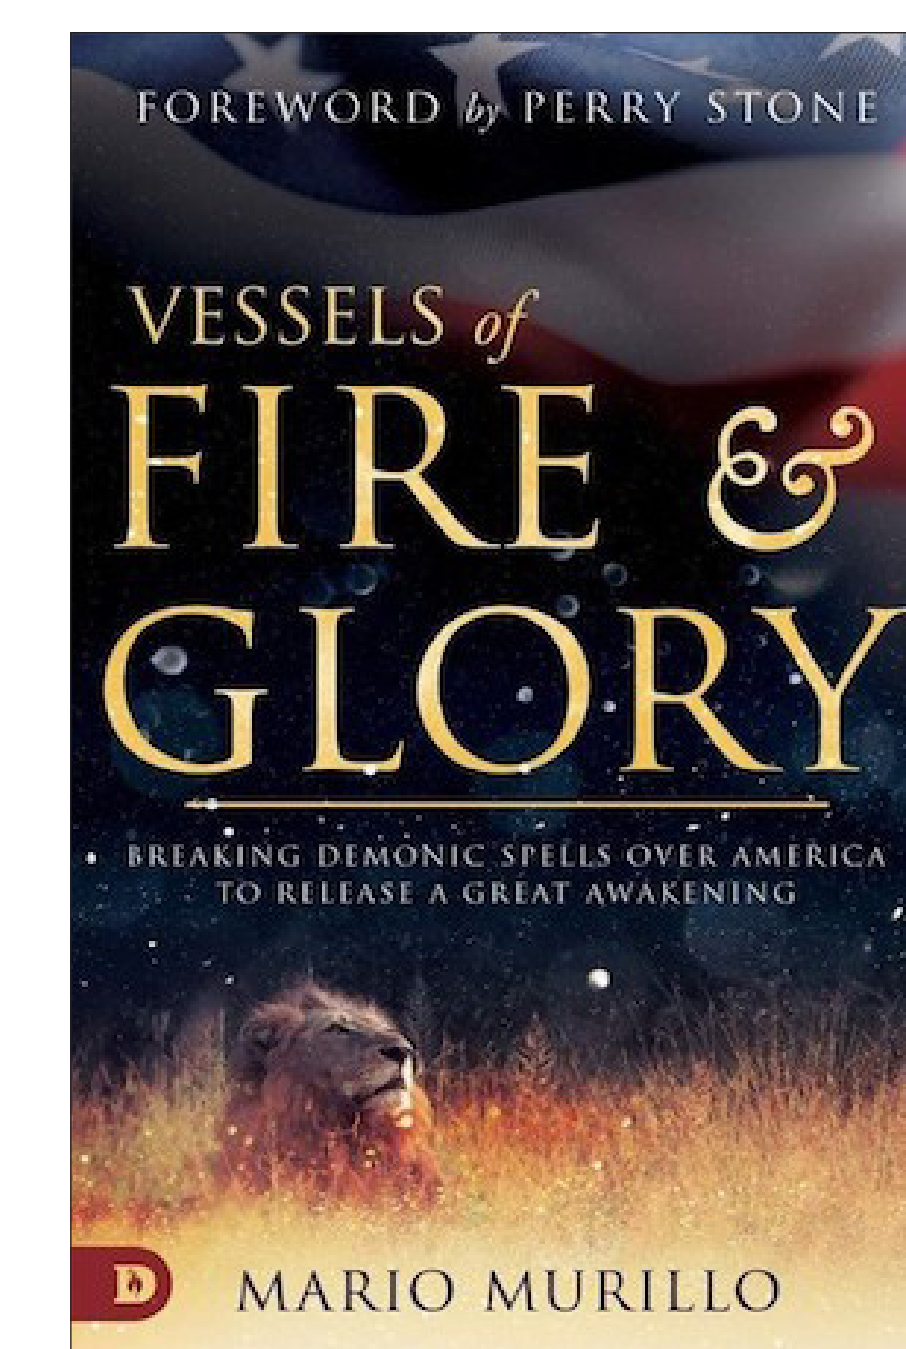

- Be ignited with a holy resolve to stop the enemy's plans.
- Expose and defeat woke and cancel cultures, and win the war on our freedom.
- Activate the key to seeing signs and wonders to impact your community.
- Advance the light of God's Kingdom in the spheres of influence you are called to impact.

Lord, let me use the rest of my life to strike terror into the heart of evil! Say that prayer. Make it your own. If you can do that with faith and sincerity, then you are ready to read this book.

About the Author

Mario Murillo rose from poverty in the Mission District of San Francisco. After being revolutionized by Christ, he felt a call to the riot-torn University of California at Berkeley. He was rejected until a desperate prayer season resulted in supernatural power. It began with preaching that was different than students had heard before. Then the students began to report healings in the Name of Jesus. A 4-day crusade in San Jose, California, lasting 6 months with a total of over 250,000 people, birthed an international ministry that is reaching millions!

Description

“When we turn from the ways of man and cling to the power of God, we will see men’s hearts changed, their bodies healed, and their lives mended. ... If we want genuine revival, we will have to do things God’s way. Period.”

Drawing on his experience hosting the Brownsville revival in Pensacola, FL from 1995 until 2000, Pastor Kilpatrick speaks from experience as he compels us to face the fact that comfortable, halfhearted self-help messages will never bring the revival we need. We need the gospel of Jesus’ crucifixion and resurrection that requires us to give our whole lives to Him. Anything less than this is a shallow imitation of what we’ve been created for.

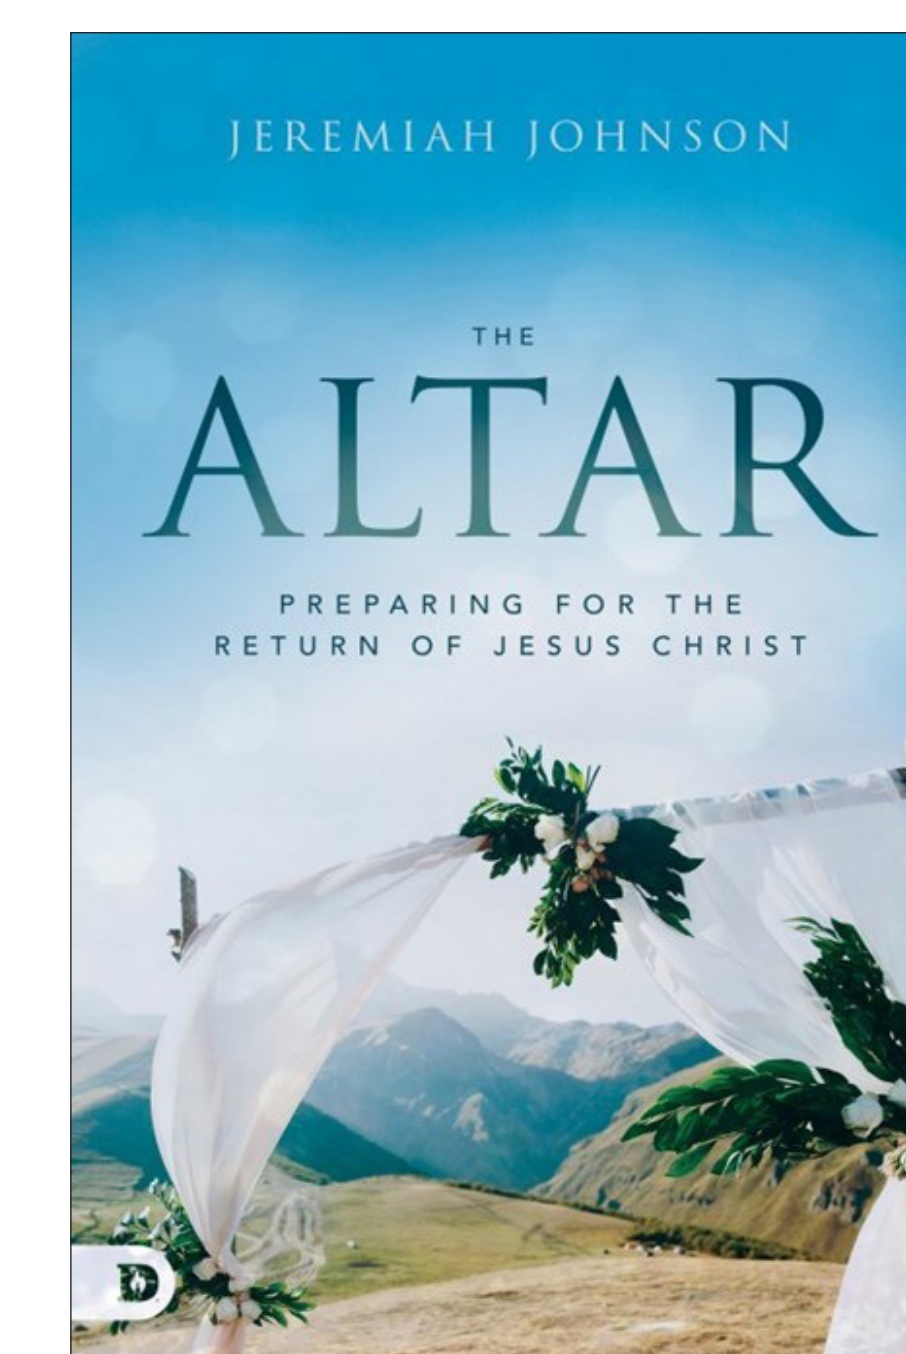

When the Heavens are Brass provides practical keys to experiencing revival. These include:

- The power of obedience and warfare.
- Learn how to seek God with your whole heart.
- Identify and avoid common obstacles to revival.
- Discover the true power of repentance, deliverance, and walking in sexual purity.
- Protect the atmosphere of your home and family.
- Use the power of the tongue for blessing.
- Operate in powerful, childlike faith.

About the Author

John Kilpatrick was blessed to experience the glory of God as Holy Spirit entrusted him with pastoral oversight of the historic Brownsville Revival in Pensacola, Florida and the Bay Revival in Mobile, Alabama. He currently serves as the founder and executive pastor of Church of His Presence. He also travels across the nation spreading the fires of revival and impacts churches worldwide through media ministry. With over fifty years of pastoral ministry, he and his wife, Brenda, are fulfilling their apostolic call by helping to establish churches and mentoring ministers.

Title: Satan's Big Fat Lie
 Author: Steve Foss
 Price: £15.99*
 Product Code: 9781636411224
 Format: Paperback
 Genre: Spiritual Warfare
 Distribution: UK & Europe

During one of his most intense spiritual battles, international evangelist Steve Foss received a series of prophetic dreams and visions that exposed the key weapon the enemy is using against God's people—shame.

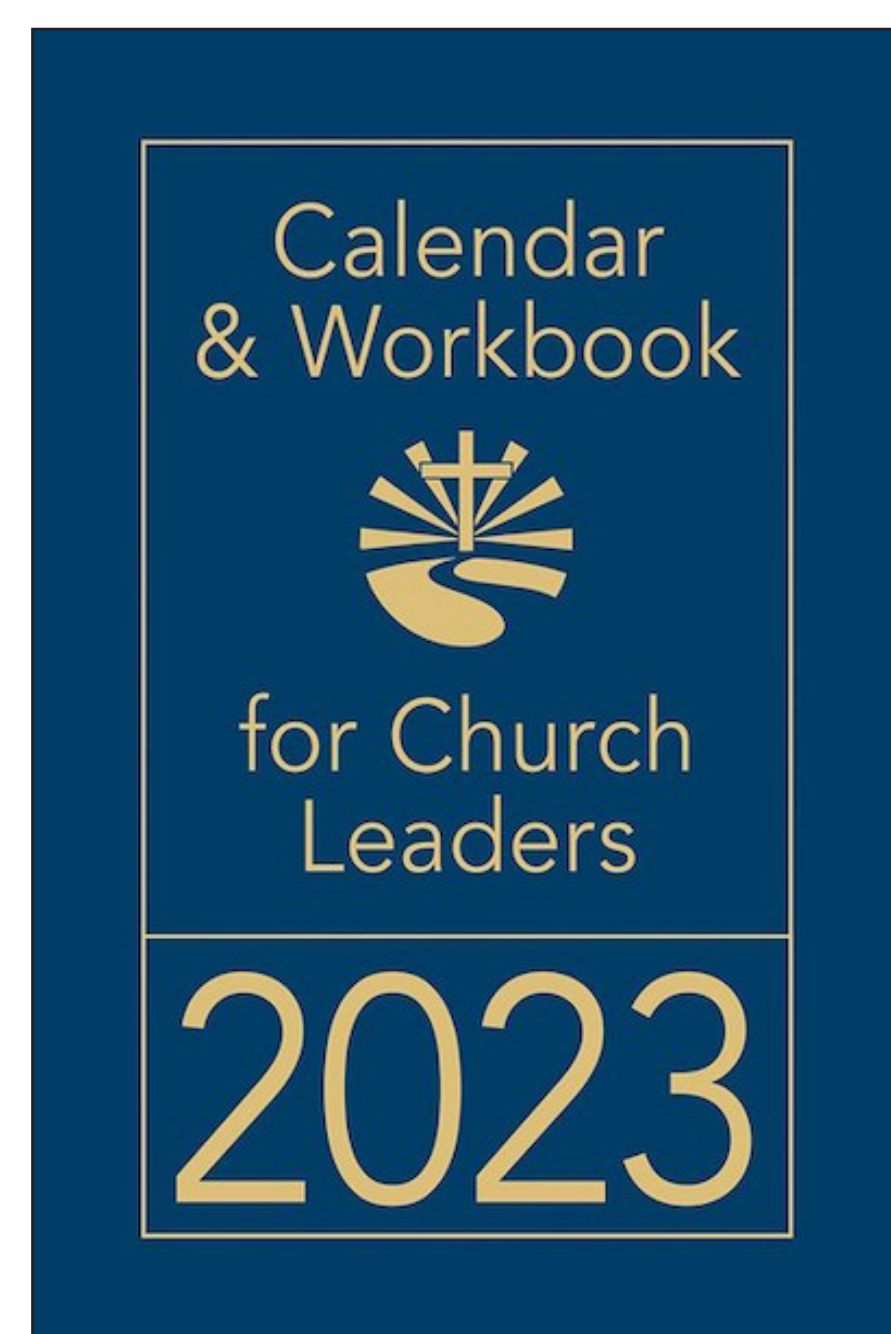

Believers are ashamed of past mistakes. Churches are being shamed for standing for the gospel. Brother is turning against brother as the culture shames those who don't walk in lockstep with their agenda. Cancel culture itself is a way of shaming people into submission to the status quo.

Shame is transforming our culture into a godless, sin-celebrating society. Shame was the final attack upon Jesus when He was on the cross, and it was designed to keep Him from fulfilling His destiny. But God has given His people a more powerful weapon to overcome the enemy's attacks. We just have to learn how to use it.

In *Satan's Big Fat Lie*, Foss exposes Satan's great end-time strategy and how Christians can war against it. Shame is that great demon power the enemy has unleashed to control, dominate, manipulate, and demoralize God's people. But discovering what Jesus is focused on will empower us to overcome and walk in perfect peace in the midst of the chaos of this world.
