Description

The Planetshakers *Greater – Live* album was recorded at the Planetshakers Conference in Melbourne Australia this Spring. It features 11 new songs that carry the high energy praise songs, together with heartfelt worship moments. This combination is what Planetshakers listeners love about Planetshakers praise and worship. The listener is taken on a journey that will bring them through both uptempo praise songs and deeply moving worship expressions.

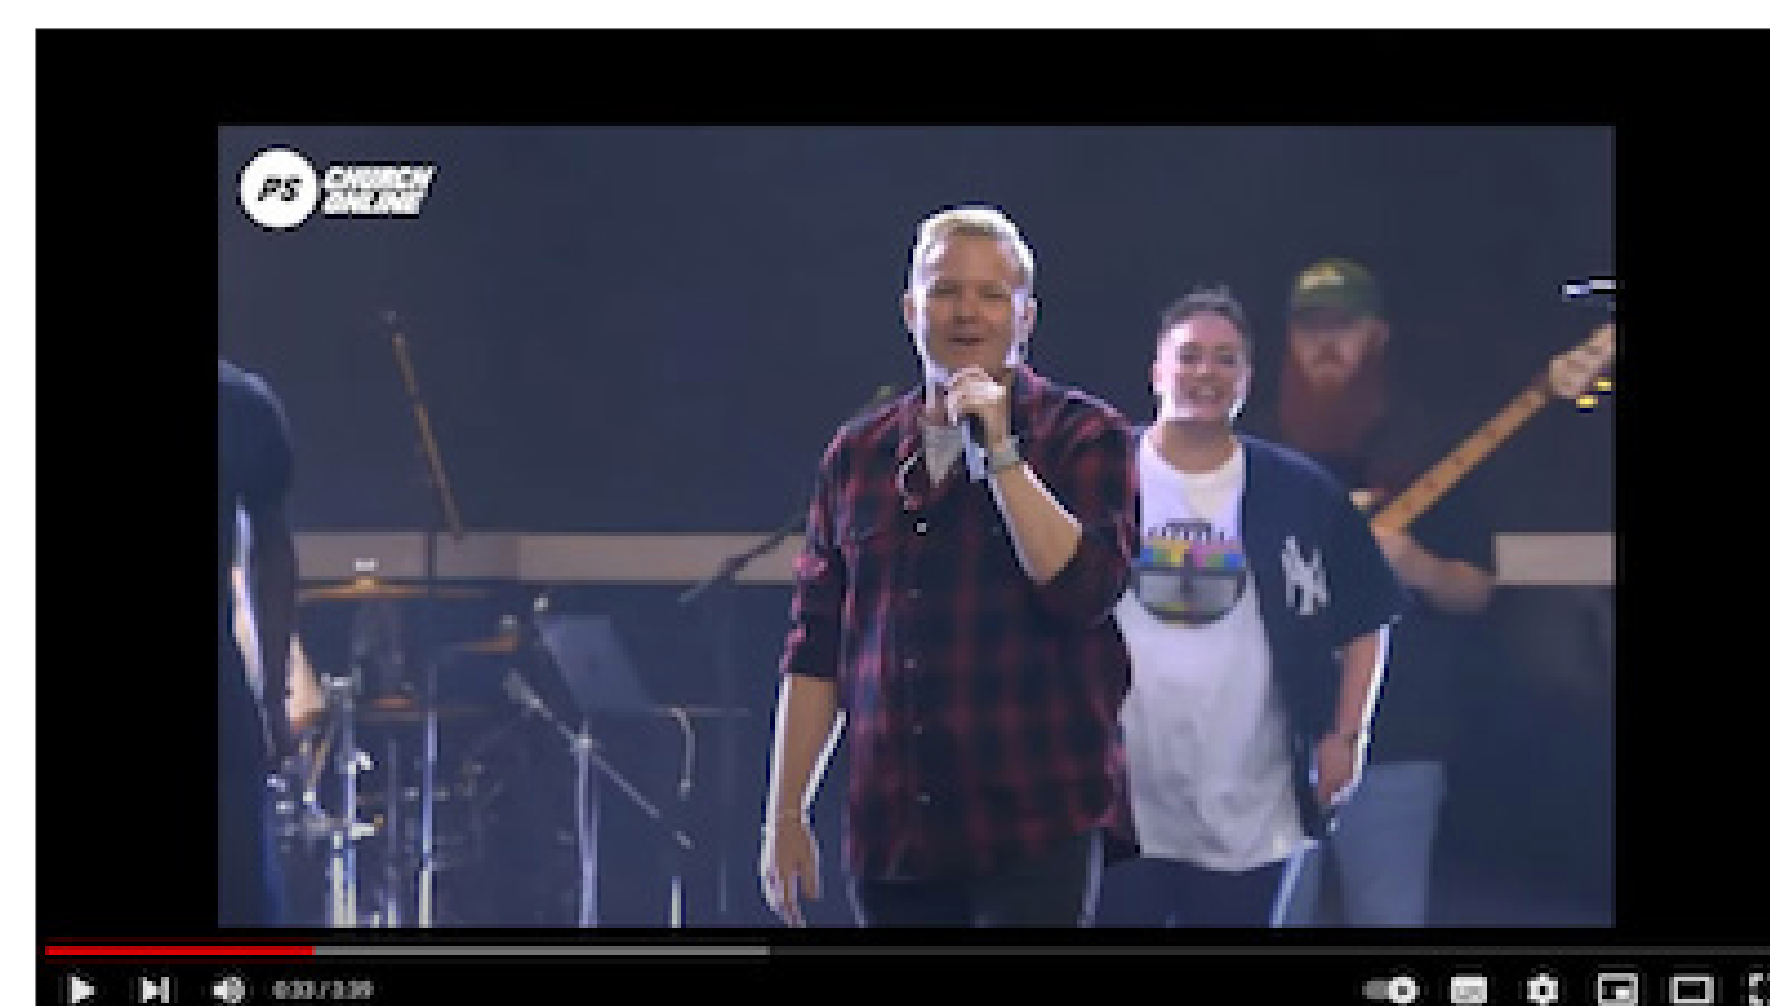

When these songs were written, Melbourne Australia was one of the most locked down cities in the world, When the songs were recorded, they were coming out of this extremely trying time. The atmosphere at the conference was one of faith, hope and the assurance that God is ‘Greater’ than any circumstance we find ourselves. As the lyrics from the title track declare:

“You are greater than the world I’ve seen, Jesus, You are above everything, And Your Spirit is alive in me, With You I can do anything, Your greater”

Title: Temporary Tears CD
 Artist: JoJo Martin
 Price: £9.99*
 Product Code: 014998423826
 Format: CD
 Genre: Gospel
 Release Date: 23/09/2022
 Distribution: UK & Europe

Temporary Tears is a deeply reflective muse on the tearful moments of Martin's own life. However, the message is that tears are temporary and dry eyes will prevail with God's help. Against a backdrop of sophisticated urban instrumentation, Martin sings of the premature loss of his mother, his near-death battle with kidney disease, ridding himself of false friends, and simply trying to find his footing as a man.

Temporary Tears is not an album full of tracks. Instead, it's a short story broken up into separate tracks. There are stellar appearances from gospel royals such as Kirk Franklin and Kierra Sheard; but Martin's smooth and comforting tenor is the notepad upon which this musical open letter was written.

TRACK LISTING:

01. Temporary Tears
02. Worth the Wait
03. Run On
04. Never Left Me Alone
05. Even If It Takes Forever (ft. Kierra Sheard)
06. Nobody Knows

Children of the Great Extinction is an organic amalgamation and evolution of ideas and influences drawn from across most of the trio's history together (with a heavy overarching influence from Dichotomy, right down to the album's allegorical sci-fi storyline) which finds every element of their signature sound – Jason Wisdom's humongous roar, Duckett's hard-hitting rhythms, Hecox's subtly technical, shamelessly hooky riffs – operating at peak efficiency.

02. The Lost Colony

04. The Calling

WOSAKA – the Chichewa word for “hunter” or “seeker”

The incredible story of Basil O’Connell-Jones, a thrill-seeking young man whom, while in the Rhodesian Army’s Light Infantry, was shot in the head during a deployment, declared dead and then returned to life 28 minutes later.

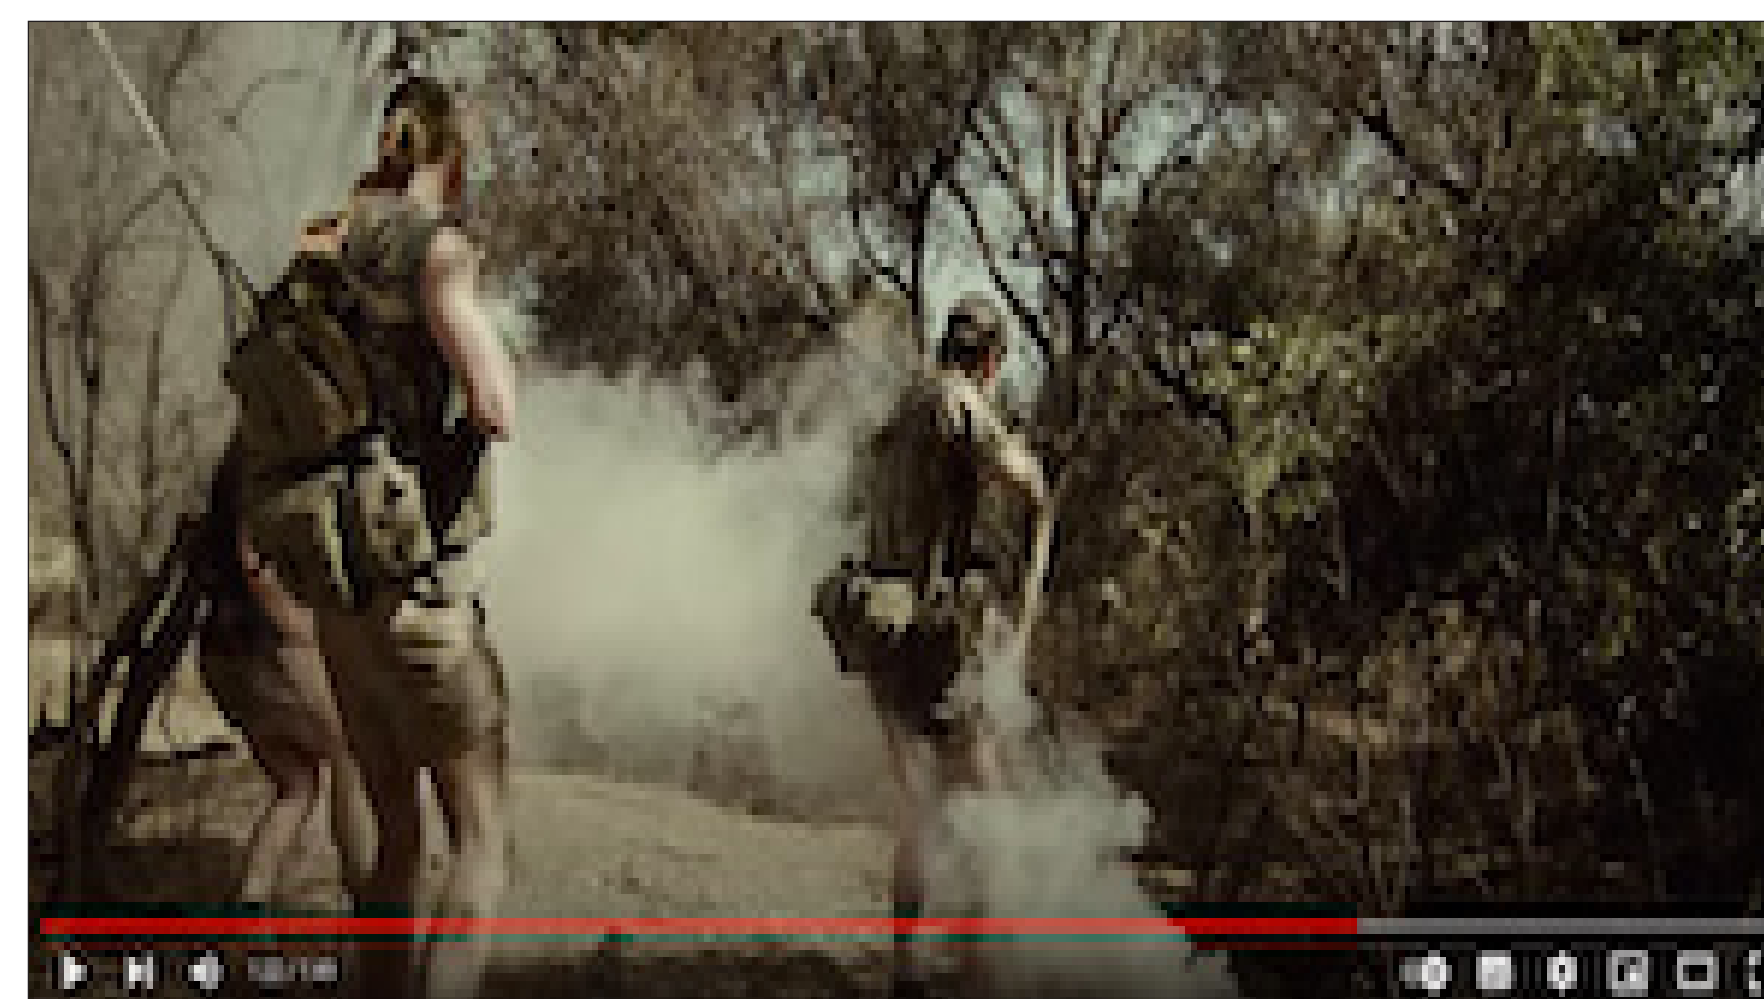

Within those 28 minutes, Basil felt his soul leaving his body and experienced seeing his entire life flash before him. After coming back to life, he was told he would never walk, talk or write ever again, a prognosis that would send him into depression and anger.

For the next 18 months, he continually searched his heart and soul for answers, but found none. It wasn’t until an Army medic shared the Gospel and his conversion story with him that Basil found the answers and peace he was so desperately seeking.

Basil today has miraculously regained many of the abilities and has dedicated his life to Christ, serving his Church and sharing his life and testimony with people worldwide.

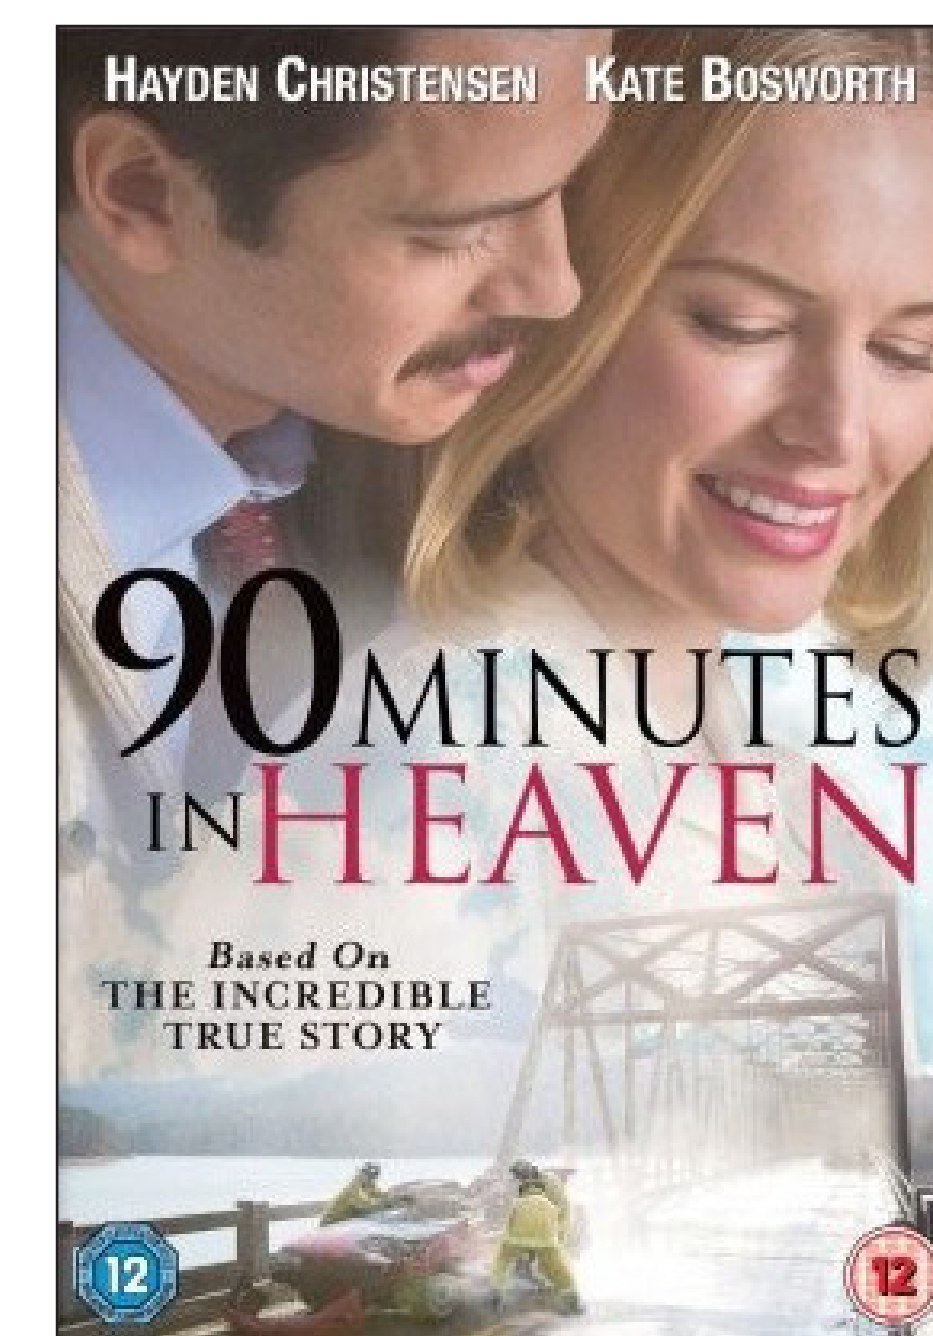

This documentary includes dramatized re-enactments, interviews and archival photographs.

Various – Hope Lives In Hohenwald DVD

Description

When people in a rural middle Tennessee community decided “enough is enough” as drugs and alcohol took a heavy toll, they united with the determination that *“Hope Lives in Hohenwald.”*

Tired of family and friends dying and lives shattered from the effects of drugs and alcohol, pastors and ministries from Hohenwald and Lewis County churches came together as partners with local law enforcement.

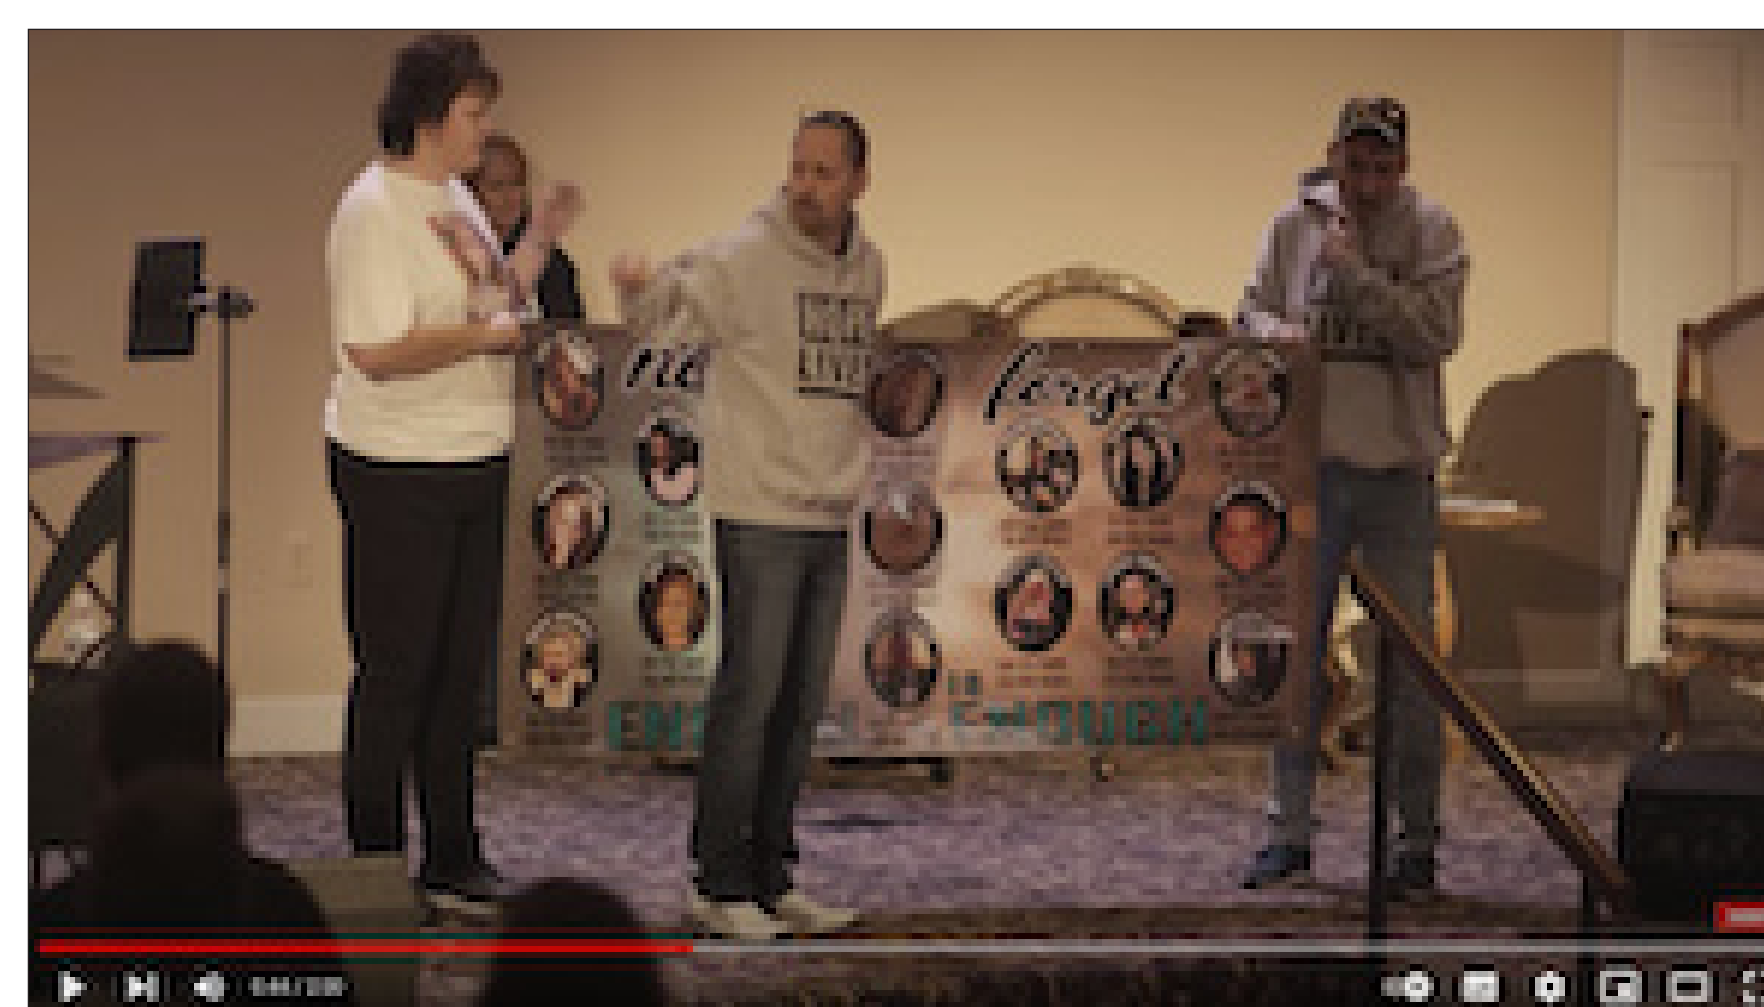

They prayed. They were unified. They held a rally in fall 2021, walking through downtown Hohenwald. It has led to extraordinary changes.

This is the miracle story of how a community of believers stepped up to fight and is winning the war on drugs and drawing many to Jesus Christ!

Will the church rise up to take our cities back for Jesus?

We can see revival throughout our land if the church will rise and bring the darkness into the light.

Various – Life and Legacy of John Amos Comenius DVD

Description

As the world-famous Dutch artist Rembrandt paints his portrait, John Amos Comenius tells him about his extraordinary life.

Comenius was a brilliant 17th-century Czech scholar, educator, philosopher, and theologian. He is considered the father of modern universal education. He championed equal educational opportunities for the poor and for women, and his ideas were adopted in many European countries.

Despite his international reputation, Comenius was persecuted in his own homeland because of his Protestant faith, forcing him into life-long exile.

Today he is considered a hero of the Czech Republic.

His tragic, yet triumphant, story is brought to life in this moving and visually rich production.

Description

We are all looking for significance and meaning in our lives. The world tells us that this comes from dreaming big, achieving personal success and making a big impact. But the Bible says that self-worth is found in knowing our Creator, and contentment is found in discovering his purpose for our lives.

This book reminds us that when we know Jesus, we are free from the world's definition of success. We can listen to God's word and direct our dreams towards the things that he says matter most, even if they are small and unimpressive in the world's eyes.

Celebrate the dreams God has for us: serving others, investing in individuals and living faithfully. Although these things seem small, their impact will be bigger, and their rewards will be better, than anything we could dream for ourselves.

Description

Christian faith is not only a matter of emotion but is a matter for the intellect.

Donald MacLeod outlines not only what he believes, but why he believes, and how what he believes affects how he lives his life.

Winsomely written, with unimpeachable logic, Professor MacLeod shows once again why he is a beloved teacher and writer.

After reading Faith Undaunted, I can't help thinking of the elderly lady's reaction when she heard J. C. Ryle preach: 'He's no Bishop. I could understand every word!' And so...Donald Macleod blesses us with his vintage clarity in this stirring, searching, sustaining apology for 'Apostles' Creed' faith.

– Dale Ralph Davis (Respected Author and Old Testament Scholar)

Selling Points:

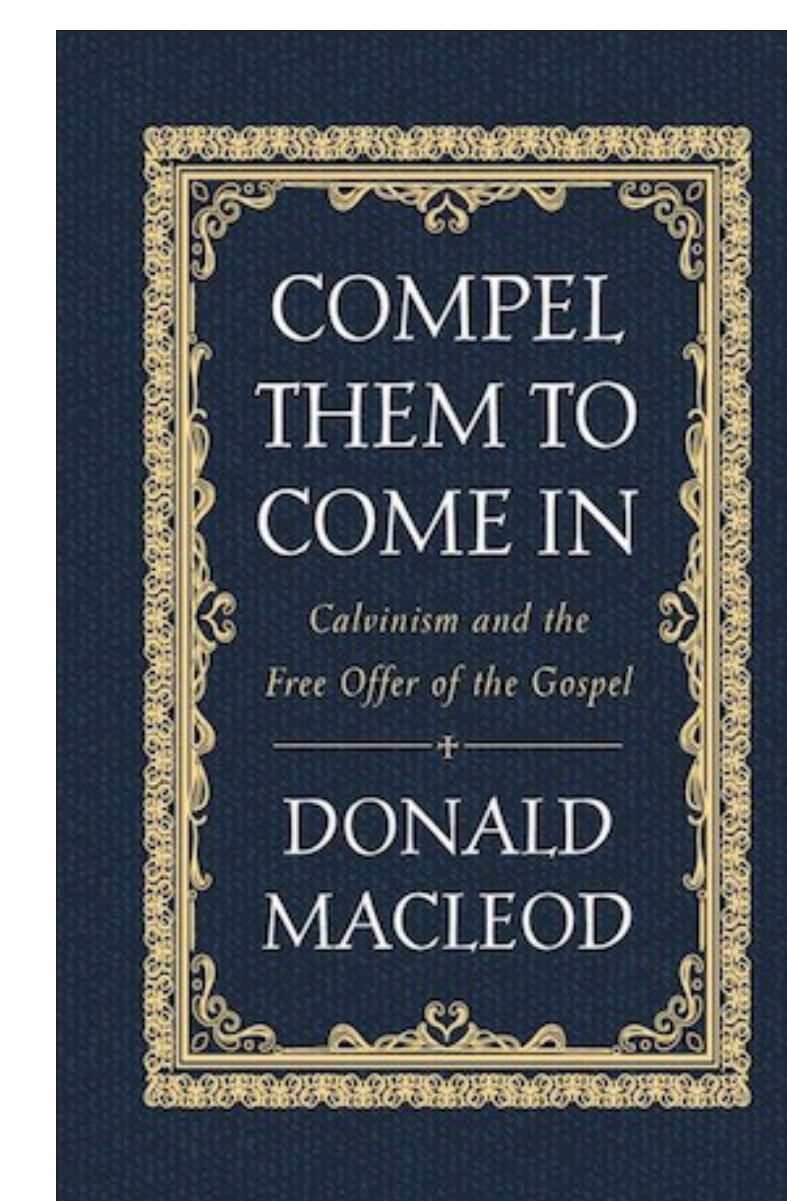

- Faith is matter of intellect, not just emotion
- Will help readers explain what and why we believe
- By highly regarded theologian

About the Author

Donald Macleod retired as the Principal of the Free Church of Scotland College, Edinburgh in 2010.

Regarded as one of Britain's most prominent theologians he has written extensively on a wide range of issues.

Andrew Green – The Illustrated Westminster Shorter Catechism

Description

For almost 400 years families have been using The Westminster Shorter Catechism as a guide to understanding the basics of the Christian faith.

This new, illustrated edition breathes fresh life into these timeless questions and answers, helping a new generation to learn the primary truths drawn from the Bible and laid out by our fathers in the faith.

Ira Miniof's striking images will help families engage with and meditate on the meaning of each entry.

"This beautifully illustrated version updates the language without losing the meaning or simplicity of the original. As a result, it could be an extremely useful tool in defending the truth once delivered to the saints."

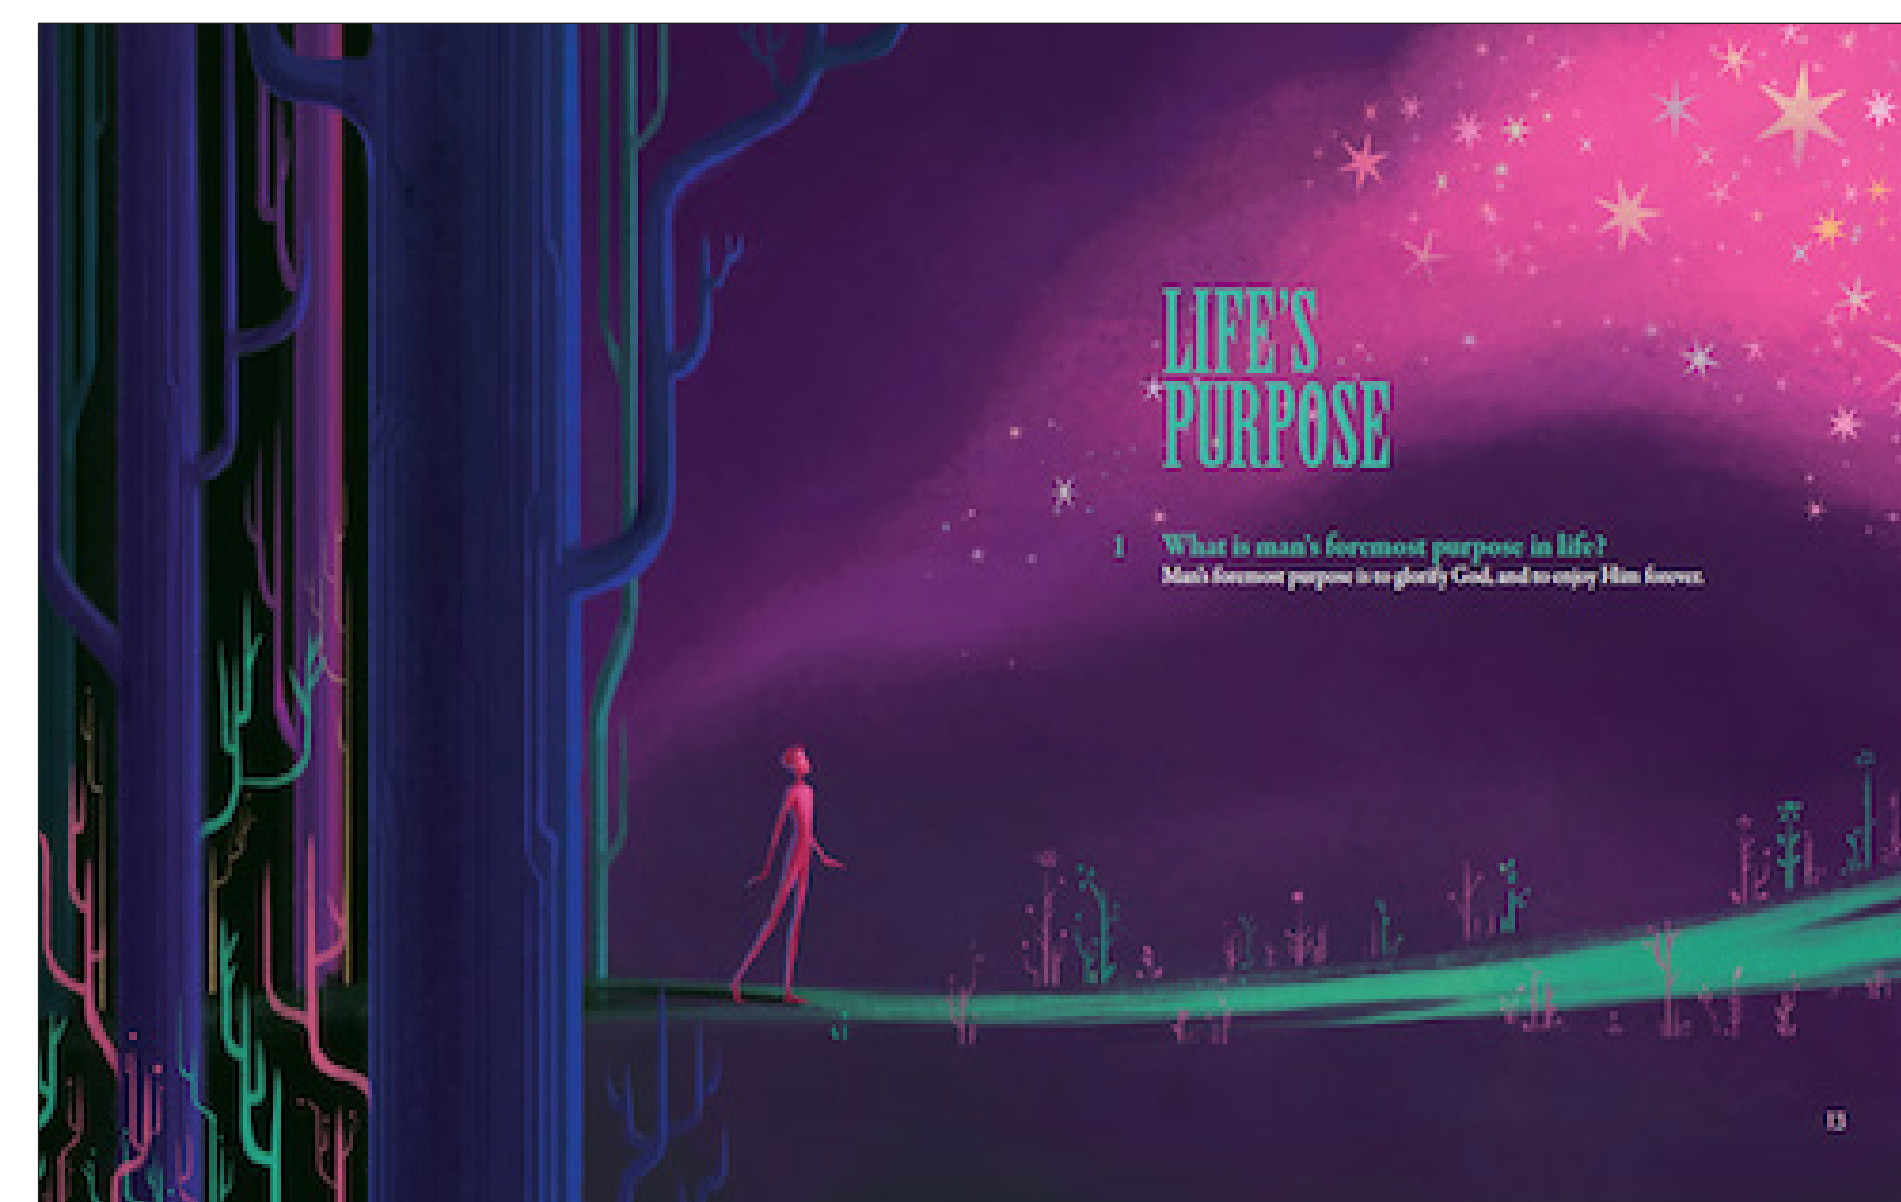

– David Robertson (Well-known pastor and apologist)

"The Shorter Catechism ... has shaped the lives of generations of Christians throughout the world. So it is fitting that it should be produced in this beautiful 21st century edition. For genuine beauty, true likeness to Jesus Christ, is what the Catechism helps to create in anyone--old or young--who uses it faithfully."

– Sinclair B. Ferguson (Chancellor's Professor of Systematic Theology, Reformed Theological Seminary, Jackson, Mississippi)

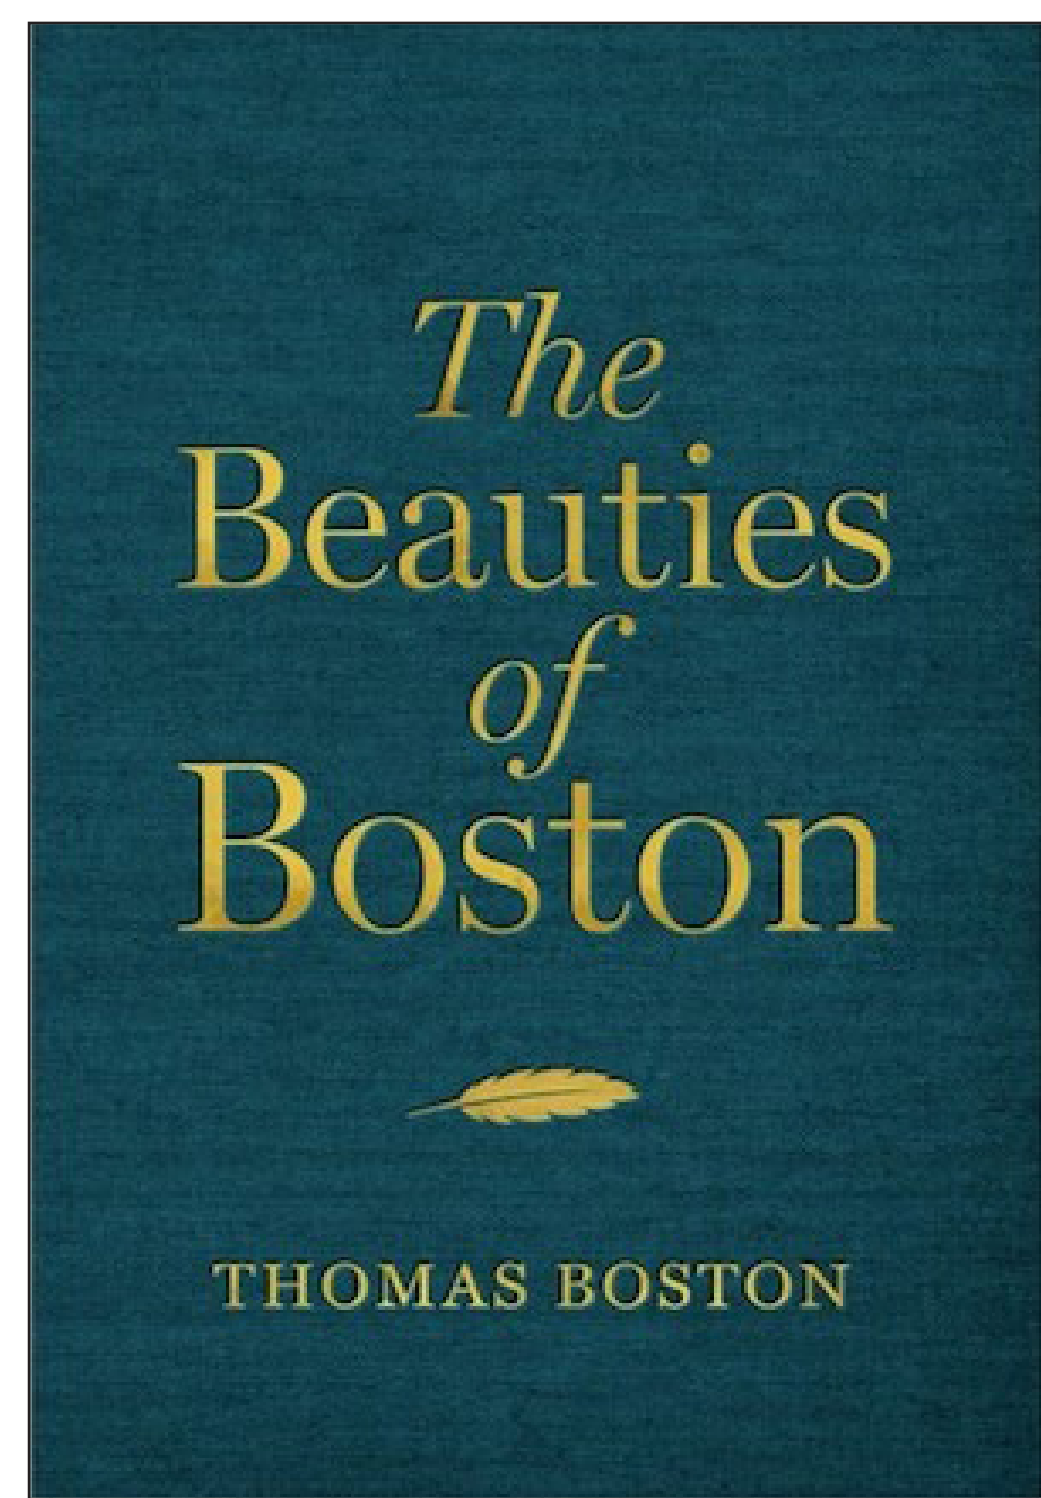

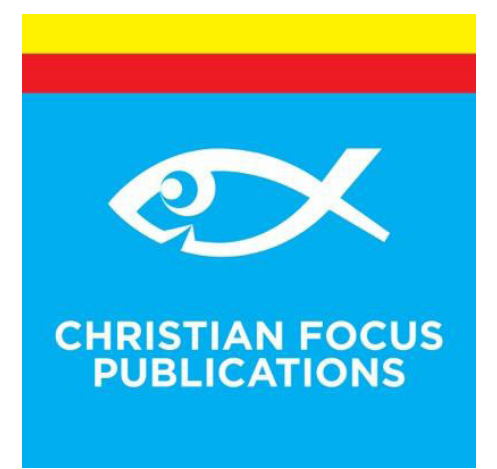

"We have used the Westminster Shorter Catechism with our own children, and now with our grandchildren. This is by far the most visually attractive version we have ever encountered. We expect that many parents will want to get a copy as soon as they see it!"

– Tim Keller (Redeemer City to City)

Friendship is a need that touches the deepest parts of the human soul. This is especially true in ministry.

It is a need that is not simply rooted in enjoyment and companionship, but in the necessity to care well of one's soul and survive a long-term ministry.

This book seeks to persuade every modern pastor of the essential need of friendship. And not just any friendship, but a close, personal, intimate, and sacrificial pastor-to-pastor friendship that regularly turns each other's gaze to Jesus.

Friends and pastors, Michael Haykin, Brian Croft and James Carroll examine portraits of friendship in scripture and church history, before exhorting readers to modern pastoral friendships.

Baptism is a subject which has caused division and confusion amongst Christians for many years.

Jesus included it in his final charge to the disciples. It is clearly important, so why do we spend so much time arguing about it?

Baptism is a God-given sign, not to obscure the gospel, but to make it clearer.

Karl Deenick explains not only what baptism is, what it isn't, and who should be baptised, but he follows the threads of symbolic cleansing through both the Old and New Testaments. He explains and exalts the gospel and shows how the Old Testament foreshadows Jesus and how Jesus fulfils everything in the Old Testament.

The life of Thomas Cranmer shows that God uses failures in his church for his own glory.

He moved amongst Kings and Queens, influencing the throne of England and the centre of national power. But he lived at a time when the power of the monarch was absolute and sometimes the decisions you made were a matter of life and death.

Thomas Cranmer's life is perhaps best known for a decision he made that he later regretted and deeply repented of. But his final legacy is the truth that he held on to the last.

Description

Are you ready for a rich, fresh experience with God's Word? *The One Year Chronological Study Bible* from Tyndale orders the entire Bible chronologically and divides it into 365 daily readings. As you read, you'll discover how the narrative of Scripture fits together from beginning to end.

Through the chronology of 14 historical eras, the Bible's magnificent story unfolds with greater clarity and power as you read each day, harmonizing the narrative, history, teachings, and redemptive covenants in a seamless account. This, the greatest story ever told, reads as we're used to a story reading—from the beginning to the end, aligning the drama, teaching, prophecy, and poetry in the timeline from the ancient past to the promised future.

With study notes and devotional questions each day, you'll see the unfolding of God's work among His people. Even better, you'll also see your place in God's grand story. While there are many chronological Bibles, study Bibles, and devotional Bibles, *The One Year Chronological Study Bible* stands out as a Bible offering all of those elements. It's a rare combination of study and devotional content on nearly every page and the chronologically ordered New Living Translation text organized in 14 eras of history.

Description

What if our exhaustion, burnout, and pain are an invitation into a more vibrant faith?

Christianity is fighting for its soul. We've enjoyed the benefits of power and privilege for so long that many of us have forgotten the radical way of Jesus.

But we have been here before. And there is a way through.

Within a few hundred years after the death and resurrection of Jesus, Christianity emerged as the dominant religion of the Roman Empire. Where once it took courage to be a Christian, now it took courage to be a pagan. The radical way of Jesus was being lost.

Toward the end of the fourth century, a group of men and women began to withdraw from the halls of privilege and power into the desert to rediscover the essence of Jesus Christ. The stories and examples of these desert fathers and mothers are recorded for us. And their lives still speak.

By embracing the disciplines of solitude, silence, and prayer; by pursuing humility, generosity, and unity above all things; and by developing a keen eye for wisdom and laying down their rights; the desert fathers and mothers found a way to live radically, humanly, and beautifully. So can we.

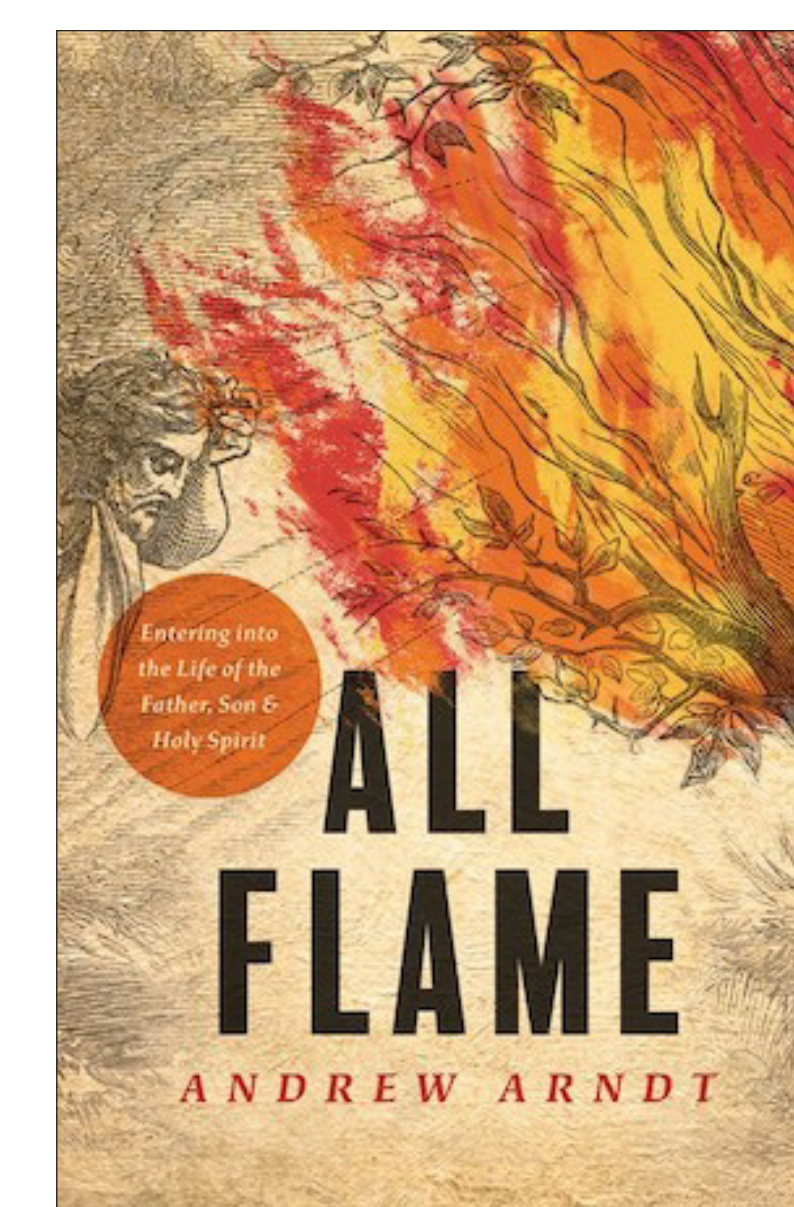

Streams in the Wasteland is for all those who thirst for a better way—the radical way of Jesus amid the desert of our age.

We love God. We love our country. What does it look like to love each properly and well?

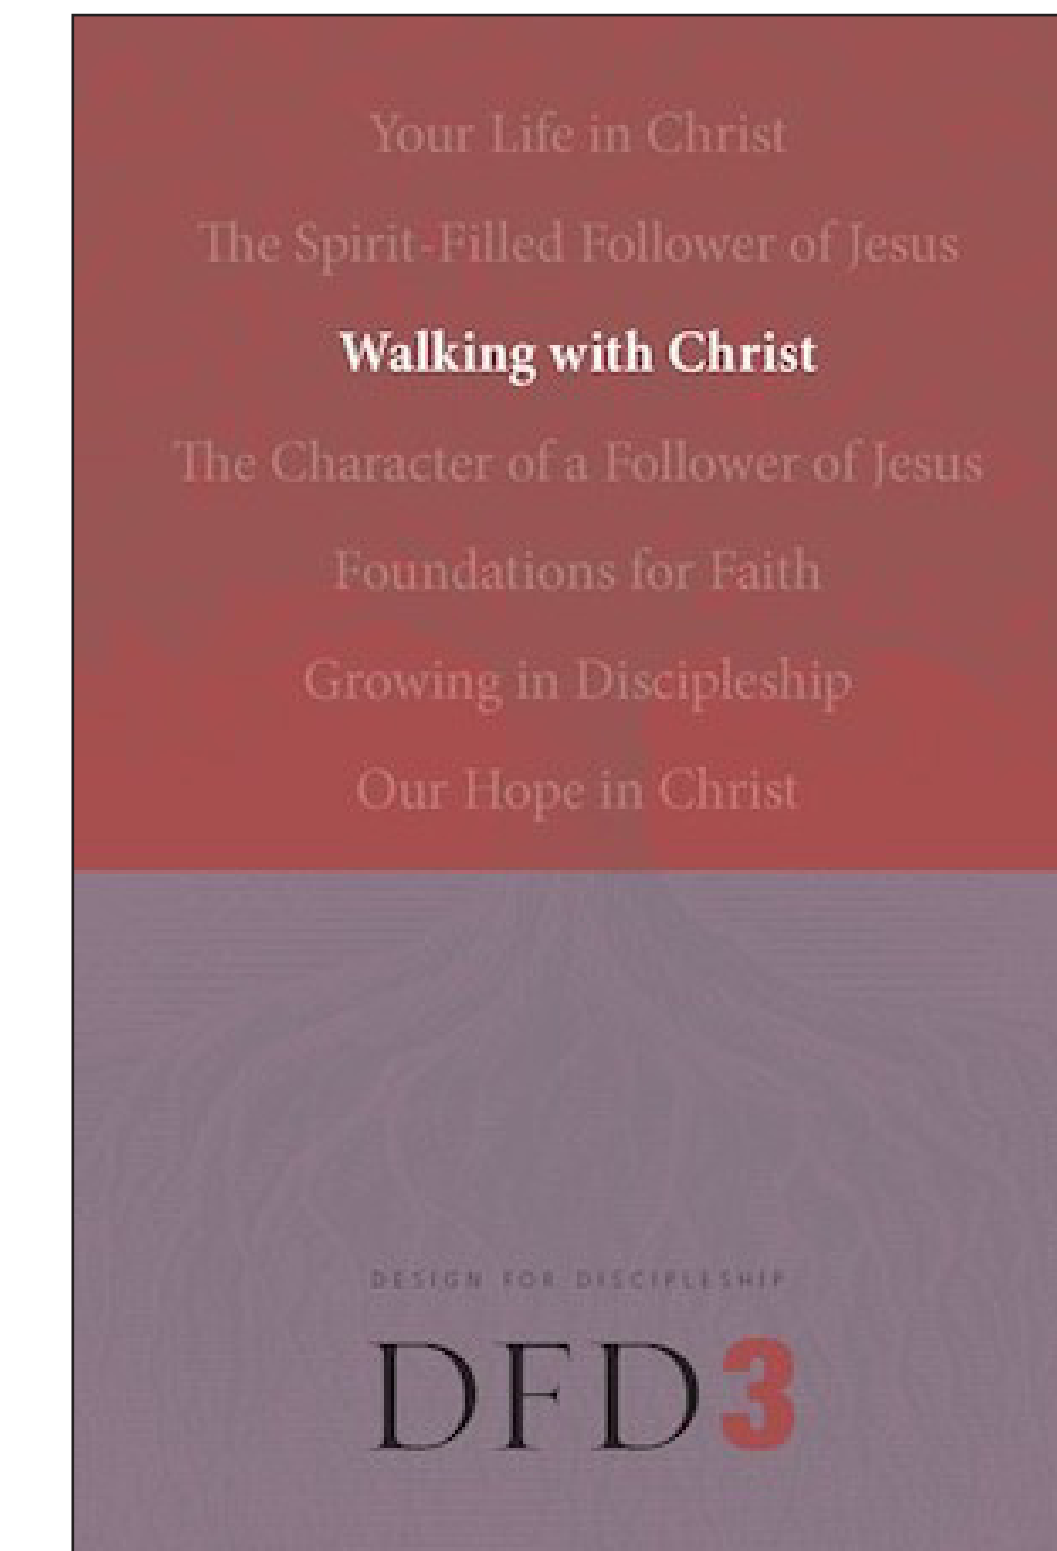

National tensions are at a record high. People on all points in the political spectrum care deeply about their country, although they differ wildly in their opinions about what it looks like to serve that country well.

As Christians, we love God and seek to follow him. At the same time, nothing shapes us and tugs at our loyalties quite like the place we live. And of course we are regularly encouraged to pledge our allegiance to our country—or particular understandings of it. Who wins when the priorities of God and our country clash?

In *Kingdom and Country*, a collection of leading Christian thinkers and practitioners take a holistic approach to considering the questions of patriotism, nationalism, and where our ultimate loyalties must lie.

Contributors include Alejandro Mandes, Juliet Liu, Ryan Tafelwiski, Derek Vreeland, Rod Wilson, Michelle Reyes, Amanda Smith, Karen Wilk, Sean Palmer, and Tina Boesch

Kingdom and Country is the second in a series of Kingdom Conversations, books that bring together trusted Christian voices to address some of the most urgent and perplexing challenges of our time in timeless and redemptive ways.

At its heart, the Christian life is about relationships—loving God, our neighbours, and our brothers and sisters in Christ.

In this LifeChange topical Bible study you'll learn what life is supposed to be like in God's family, a life that is patterned after the eternal relationship between the Father, Son, and Holy Spirit.

This LifeChange study guides you towards genuine Biblical community. Every session includes:

- Questions, interpretation, and application of a passage to the topic
- Personally focused "Your Response" question
- "For Further Study" section that gives readers another passage to explore around the topic
- Callouts that include language study, historical context, and illuminating quotes from commentaries

The fruit of the Spirit is love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, self-control.

Jesus displayed these excellent qualities throughout his life on earth, because they reflect the character of God himself. And from the moment you received Jesus as your Saviour and Lord, that "fruit" has gradually and increasingly begun to appear in your life.

This study helps you recognize these truths and how you can increasingly allow the holy spirit to work through you to bear good fruit in all walks of your life.

In this LifeChange topical Bible study you will look at each fruit of the Spirit one session at a time in the order that Paul presents them. Each session will focus on one key passage of scripture that fully describes the fruit being considered. Every session includes:

- Questions, interpretation, and application of a passage to the topic
- Personally focused "Your Response" question
- "For Further Study" section that gives readers another passage to explore around the topic
- Callouts that include language study, historical context, and illuminating quotes from commentaries

 Format: Paperback
 Genre: Bible Studies
 Distribution: UK & Europe

When you ask people today who they think Jesus is, you will get a variety of answers. Some will reply that Jesus was the greatest teacher who ever lived. Others will say he was a wonderful moral example, a prophet, or even the Son of God. But when you ask these same people whether they have ever read the first-century accounts about Jesus' life and ministry in the four Gospels (Matthew, Mark, Luke, and John), many will admit that they have not read them.

So their views of Jesus often reflect who they want him to be, not who he really is.

In this LifeChange topical Bible study we look at eight amazing "I Am" statements Jesus made about himself. Each one reveals that the Messiah and Saviour is far greater and more powerful than anyone could have imagined.

Jesus wants every Christian to know who he is and what he has done for us. This LifeChange topical Bible study helps you achieve that goal.

Description

Remember this, a simple song, and lift your voice and praise!

In this beautifully illustrated board book, Lauren Chandler’s lyrical lines encourage us that in the day or in the night, wherever we go, we can praise God continually.

From page to page, follow a child through her day as she goes from sunny morning to stormy afternoon and then shadowy night.

Be reminded that God is always there with us, even when days are hard, and that we need only simple words to praise Him.

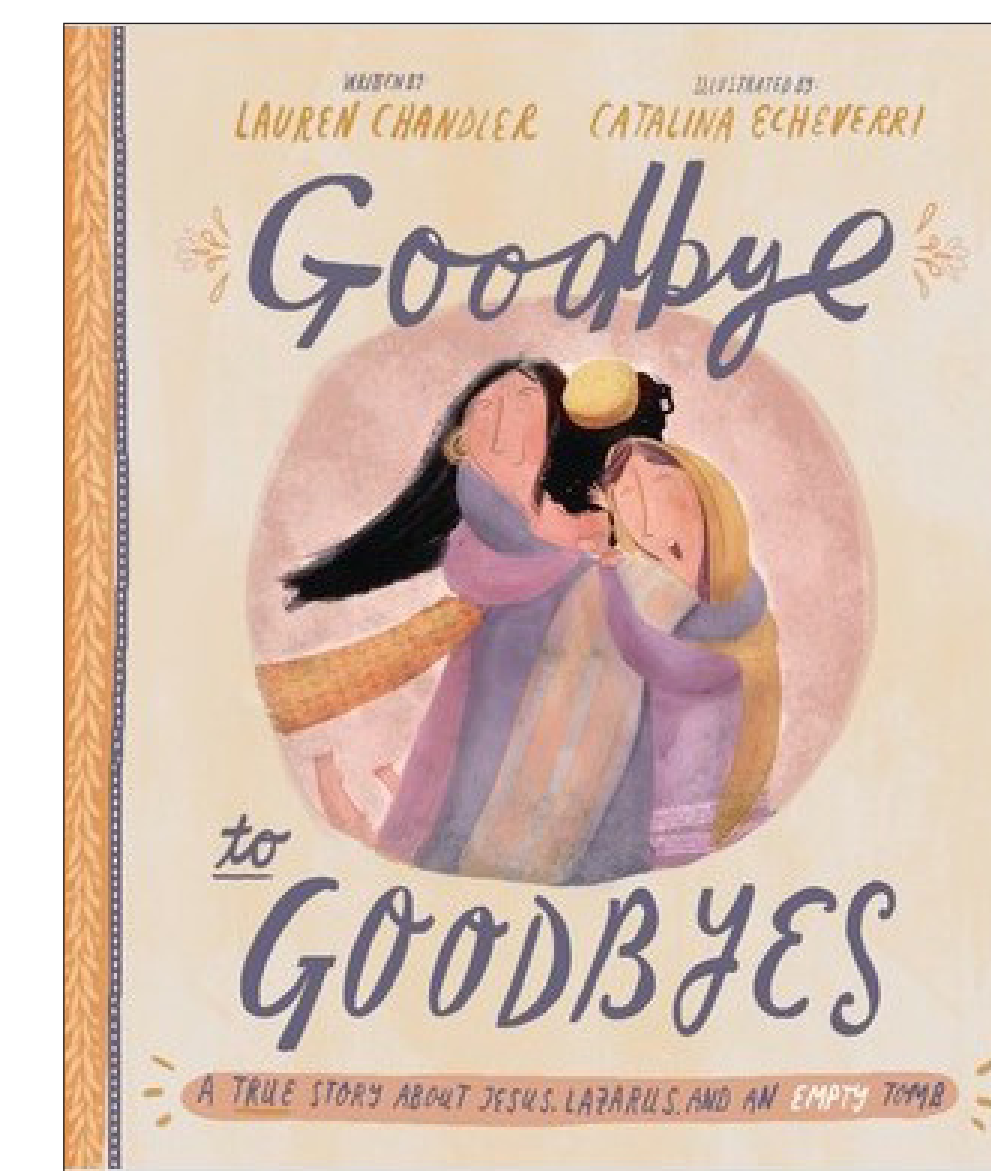

About the Author

Lauren Chandler is passionate about writing, music and leading worship at her home church congregation, The Village Church, and across the country.

Does your relationship with food come as a constant source of regret, frustration, or shame? Or does it feel like a God-given blessing? Do you bounce between the two sometimes, in a love/hate relationship with food?

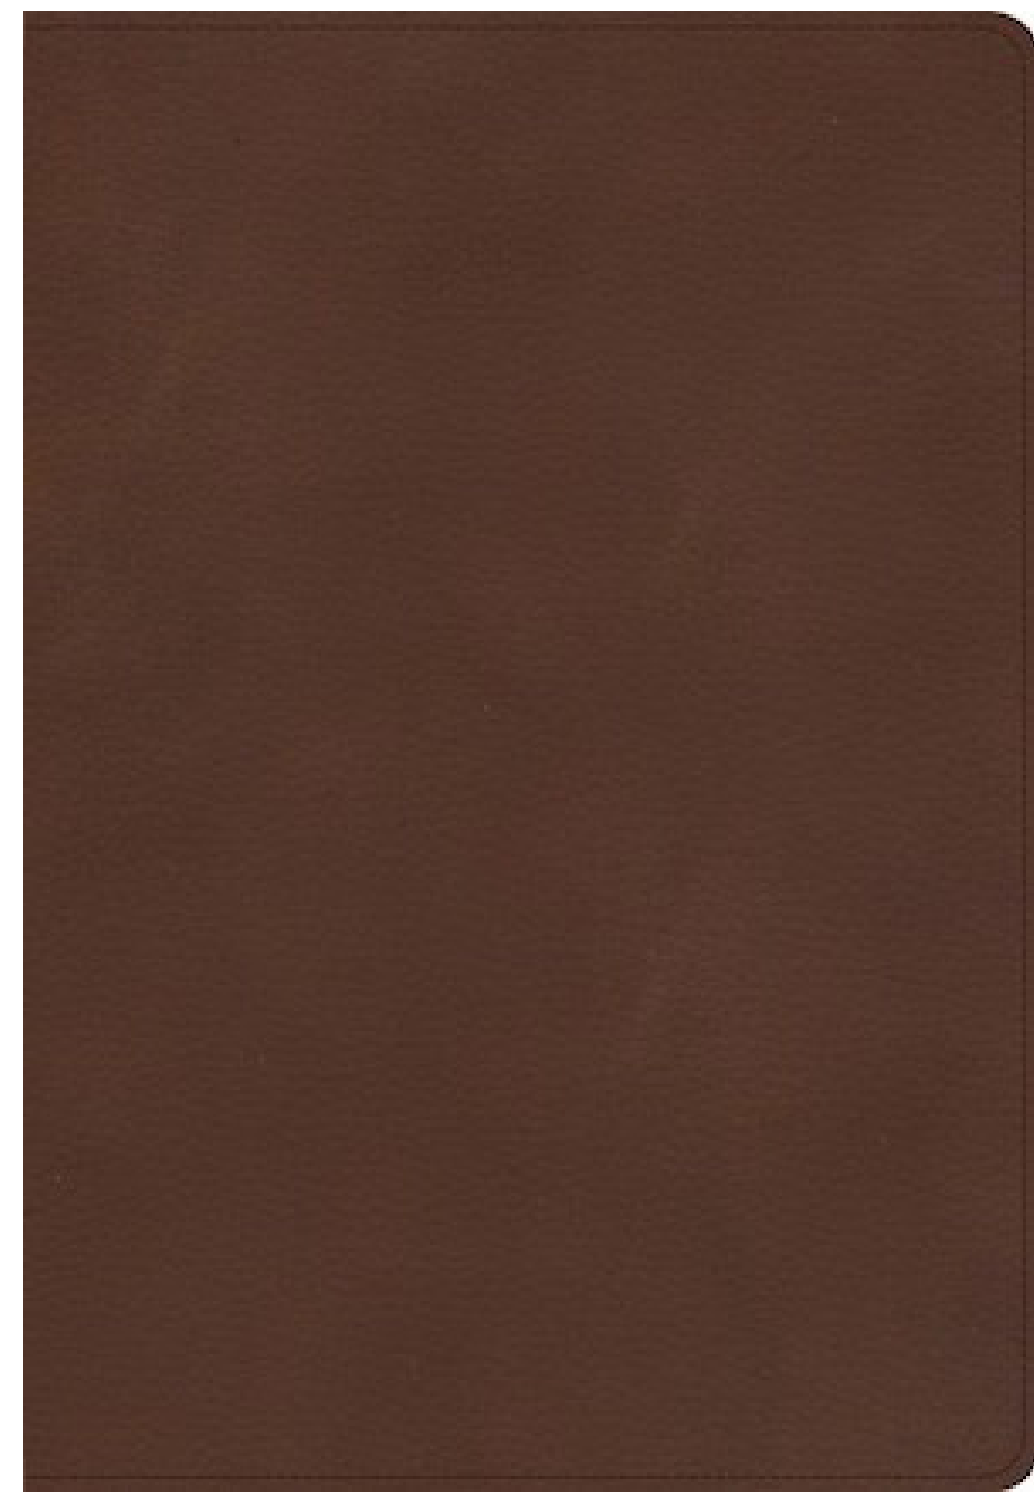

Whether it's a warm croissant, a bright bowl of fruit, a piece of cake, or a steaming cup of coffee put in front of her, author and Bible teacher Erin Davis has experienced all sorts of complicated reactions to food, too. And she's come to find that God's Word celebrates food as a gift while simultaneously inviting us to surrender every area of our lives to the authority of Jesus, including the very things we put on our plates.

Rather than the yo-yo of loving food versus hating it, Erin invites you to accept Scripture's invitation into a different, nourishing, and refreshing rhythm.

In this 40-day devotional filled with heartfelt reflections on key passages of Scripture (and a few inspirational stories thrown in for good measure!), you'll learn just how satisfying it is to join in the biblical rhythms of fasting and feasting.

Description

Two words are sometimes all it takes to upset and overwhelm us. Treatment options, work layoffs, election season, pandemic spikes, family trouble, car repairs. They take up so little room, just two little words, and yet they can fill the whole day, the whole house, our whole lives with anxiety and fear.

Heaven Rules is the two-word answer for every two-word worry. The promise we need for every wave of trouble, every assault on our peace of mind. Heaven's rule is God's rule: His rule over nations and nature. His rule over renegade viruses, cancer, and concerns about your marriage, your kids, your job, and everything else. The Bible says God is personally, purposefully involved in all that's taking place here on earth. He's reigning over each tear and scar and crisis and conflict. Heaven is ruling, always ruling. That doesn't mean we won't experience distress, but it does mean we can find a refuge by looking upward and letting His peace rule in our hearts.

Using the timeless book and example of Daniel as a guide, author Nancy DeMoss Wolgemuth reveals how seeing our lives and world through the lens of Heaven's rule can shield us from panic and give us renewed hope and perspective.

Job worries. Deadline pressures. Deep regrets. Culture wars. There will always be alarms screeching. But two simple words can quiet them, calm our fears, comfort our hearts, and give us courage to press on: Heaven Rules!

Her books have sold more than four million copies and are reaching the hearts of women around the world.

Skye Jethani – What If Jesus Was Serious About the Church?

Description

Researchers have uncovered the following three trends:

- First, distrust of institutions, including the church, is at an all-time high.
- Second, young people raised in the church are leaving at alarming rates and not returning.
- Third, loneliness and social isolation are at pandemic levels.

What's the connection? It appears that an entire generation is starving for the very thing the church is called to provide but has chosen to look for it elsewhere. Why is this happening?

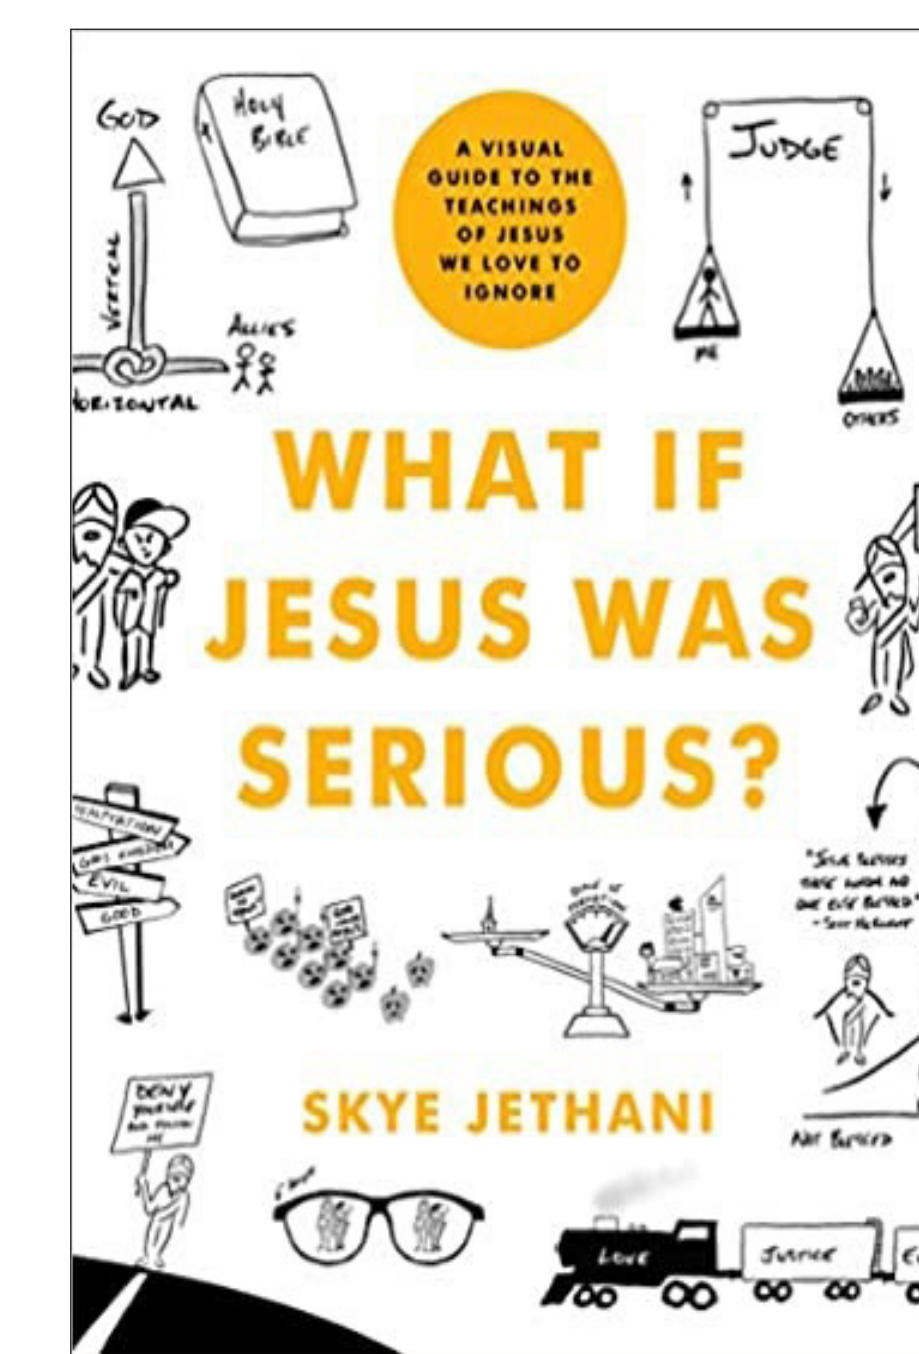

Following the model set by *What If Jesus Was Serious?*—short readings and engaging illustrations—*What If Jesus Was Serious about the Church?* looks at what the Bible really says about the church, its purpose, and the impact of its modern captivity to consumer values.

Rather than an event, a building, or an institution, the New Testament calls the church to be a community living in communion with God and one another for the sake of the world.

About the Author

SKYE JETHANI is an author, speaker, consultant and ordained pastor. He also serves as the co-host of the popular Phil Vischer Podcast, a weekly show that blends astute cultural and theological insights with comical conversation. He has been a sought after consultant for groups facing challenges at the intersection of faith and culture like The Lausanne Movement, The White House Office of Faith-Based and Neighborhood Partnerships, and the Interfaith Youth Core. Skye has authored three books, *The Divine Commodity: Discovering a Faith Beyond Consumer Christianity*, *WITH: Reimagining the Way You Relate to God*, and *Futureville*. Skye and his wife Amanda have three children: Zoe, Isaac, and Lucy.

Ben Connelly – Reading the Bible, Missing the Gospel

Description

You're getting this wrong! Over and over, throughout the Gospels, this was the message of Jesus. With frustration and sometimes pity, He addressed the religious leaders and His disciples: Somewhere along the way your hearts and thoughts got confused, lost, way off track.

Would Jesus have the same assessment of us today?
How have we missed the teachings and messages of the Bible?
How are we missing Jesus?

In *Reading the Bible, Missing the Gospel*, pastor and author Ben Connelly shows us how to recover God's original intentions in light of the story of redemption. Connelly helps us celebrate and understand how Jesus' life, death, and resurrection are truly good news for the tangible situations in our everyday lives. Biblical misunderstandings can lead to a small view of God—but truth overturns that. It expands our hearts for God and enables us to truly love others!

The author reveals shockingly common ways we get the Bible wrong. Connelly invites Christians to see themes and teachings with new eyes—or, rather, with old eyes—on topics like confession and forgiveness . . . what it means to be blessed or happy . . . whether we're commanded to or prohibited from passing judgement. How does the gospel inform our understanding and answer these questions?

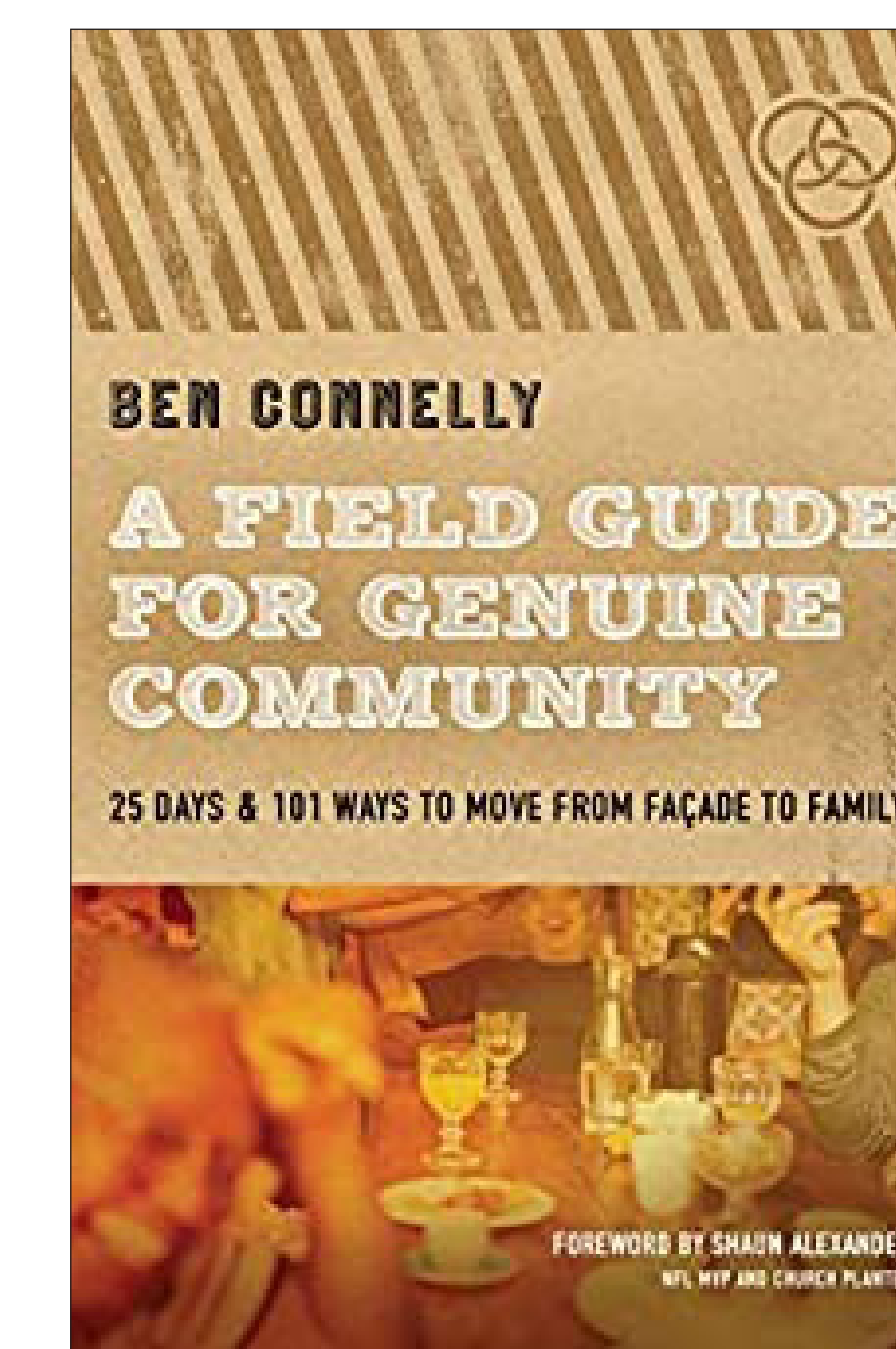

About the Author

Ben Connelly is a pastor, author, equipper, and occasional professor.

He is honoured to serve everyday disciples, ministry leaders, and church planters across the world through The Equipping Group, and to help lead Salt+Light Community and Plant Fort Worth in Fort Worth, TX.

Ben has written/contributed to several books, workbooks, articles, and publications, has overseen church planting efforts for multiple organizations, and has also taught university and seminary classes. He and Jess have three children and at times, host short-term foster kids too.

Title: Holy Hygge
 Author: Jamie Erickson
 Price: £13.99*
 Product Code: 9780802427977
 Format: Paperback
 Genre: Christian Living
 Distribution: UK & Europe

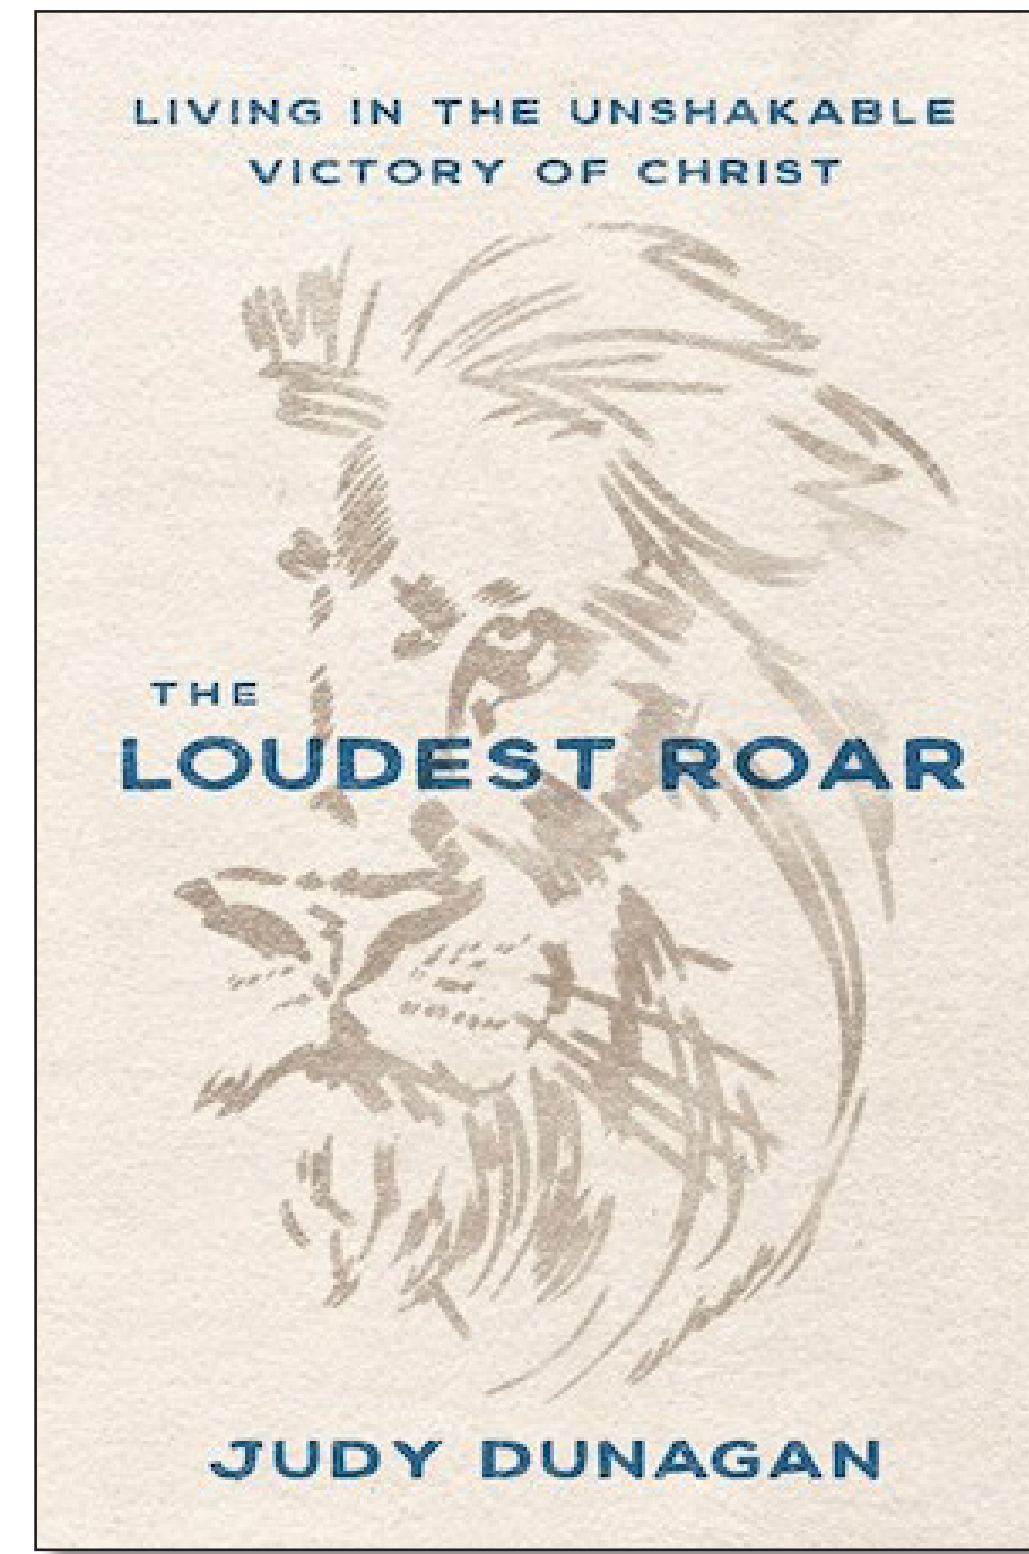

Hygge (hue-guh) has become a cultural buzzword. When many read about this Danish practice, their shoulders lift in excitement, then fall in exhale. In a culture of rush, hygge appeals to their desire for rest—for slow living, shared moments, and fostered friendships. Hygge has strong ties to beauty, contentment, and well-being. It's warm and inviting. Hygge is the opposite of hustle.

In *Holy Hygge*, author Jamie Erickson unites the popular Danish practice with the deep, theological truths of the gospel. She unpacks the seven tenets of hygge:

hospitality, relationships, well-being, atmosphere, comfort, contentment, and rest.

In addition, Erickson shows how the external veneer of a lifestyle can create a life-giving home only when placed under the hope of the gospel.

Holy Hygge provides practical ideas for using hygge to gather people and introduce them to faith in Christ. Each chapter concludes with discussion questions, Scripture references, and a prayer.

Take heart. The enemy's roar is but a whisper in the presence of our mighty God.

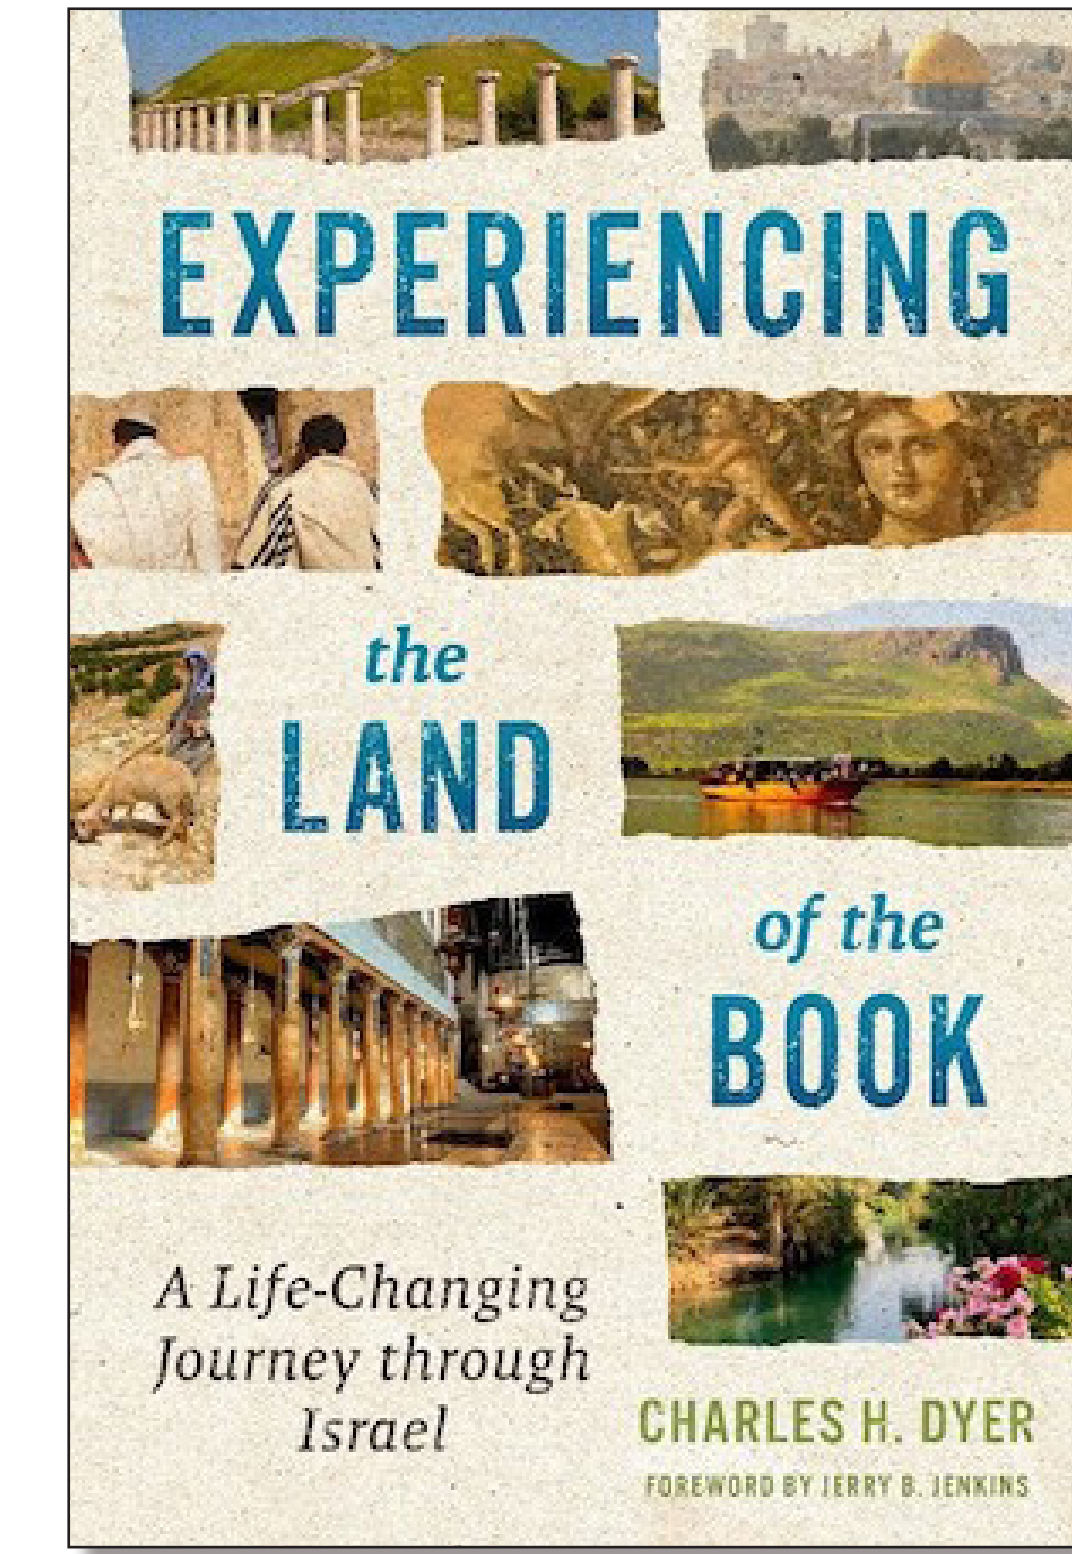

Do you often feel stuck battling the same fears, temptations, lies, and doubts, wondering if you'll ever overcome them? Does it seem as if you're in that battle alone?

Author Judy Dunagan has been there. In *The Loudest Roar*, you'll marvel at the power, majesty, and authority of our Lord Jesus and learn how to stand in the unshakable victory He's already won for you.

In that victory, you will:

- Discern God's voice over the lies of the enemy
- Stand firm in faith rather than give way to fear
- Dwell in the cover of God's armour over you and your loved ones
- Keep your thoughts captive to truth
- Find victory over cycles of sin in your life

God's roar over you will become your roar, diminishing the lies of the enemy . . . to a whisper. Questions for each chapter will help you discover how to apply the biblical truths in this book to your life.

Description

Award-winning author Rebecca McLaughlin explores who Jesus really is in this follow-up to *Confronting Christianity*

Jesus is the most famous human being in all of history. But while many people have a basic sketch of Jesus in their minds, comparatively few have taken time to read the four biographies of his life in the New Testament Gospels of Matthew, Mark, Luke, and John.

In *Confronting Jesus*, Rebecca McLaughlin shares important biblical context to help all readers see why the Gospels should be taken seriously as historical documents. Exploring eyewitness testimony about Jesus, McLaughlin points to him as a first-century Jewish man who is the Son of God, King of the Jews, mighty healer, greatest teacher, lover of sinners, suffering servant, perfect sacrifice, and universal Lord.

This follow-up to her first book, *Confronting Christianity*, helps readers understand the message of the Gospels and explore who Jesus really is. Individuals and groups can work through the book together with the *Confronting Jesus Study Guide* and the *Confronting Jesus Video Study*.

 Price: £17.50*
 Code: 9781433578076
 Format: Paperback
 Genre: Leadership Books
 Distribution: UK & Europe

We live in an age increasingly cynical about leadership—some of it for good reason, much of it simply the mood of our times. Still, the risen Christ continues the counter-cultural work he’s done for two millennia: he appoints leaders in his church—not as a burden, but as a gift to his people. “He gave . . . the shepherds and teachers, to equip the saints for the work of ministry” (Ephesians 4:11–12).

What is the nature, calling, and work of local church leadership? Pastor and seminary professor David Mathis considers the elder qualifications in 1 Timothy 3 and Titus 1 not only as prerequisites but as daily necessities to carry out joyfully.

This accessible guide aims to serve current and aspiring pastors and elders, as well as church members who want to know the expectations for their leaders and how to pray for them.

From the words of Christ to Peter and Paul and Hebrews, the New Testament casts a vision for church leaders that is good news to churches and leaders alike: joyful workers for the joy of their people.

 Format: Paperback

Dane Ortlund Explains That Hell Is Indeed Real, but Hope Comes through Jesus Christ

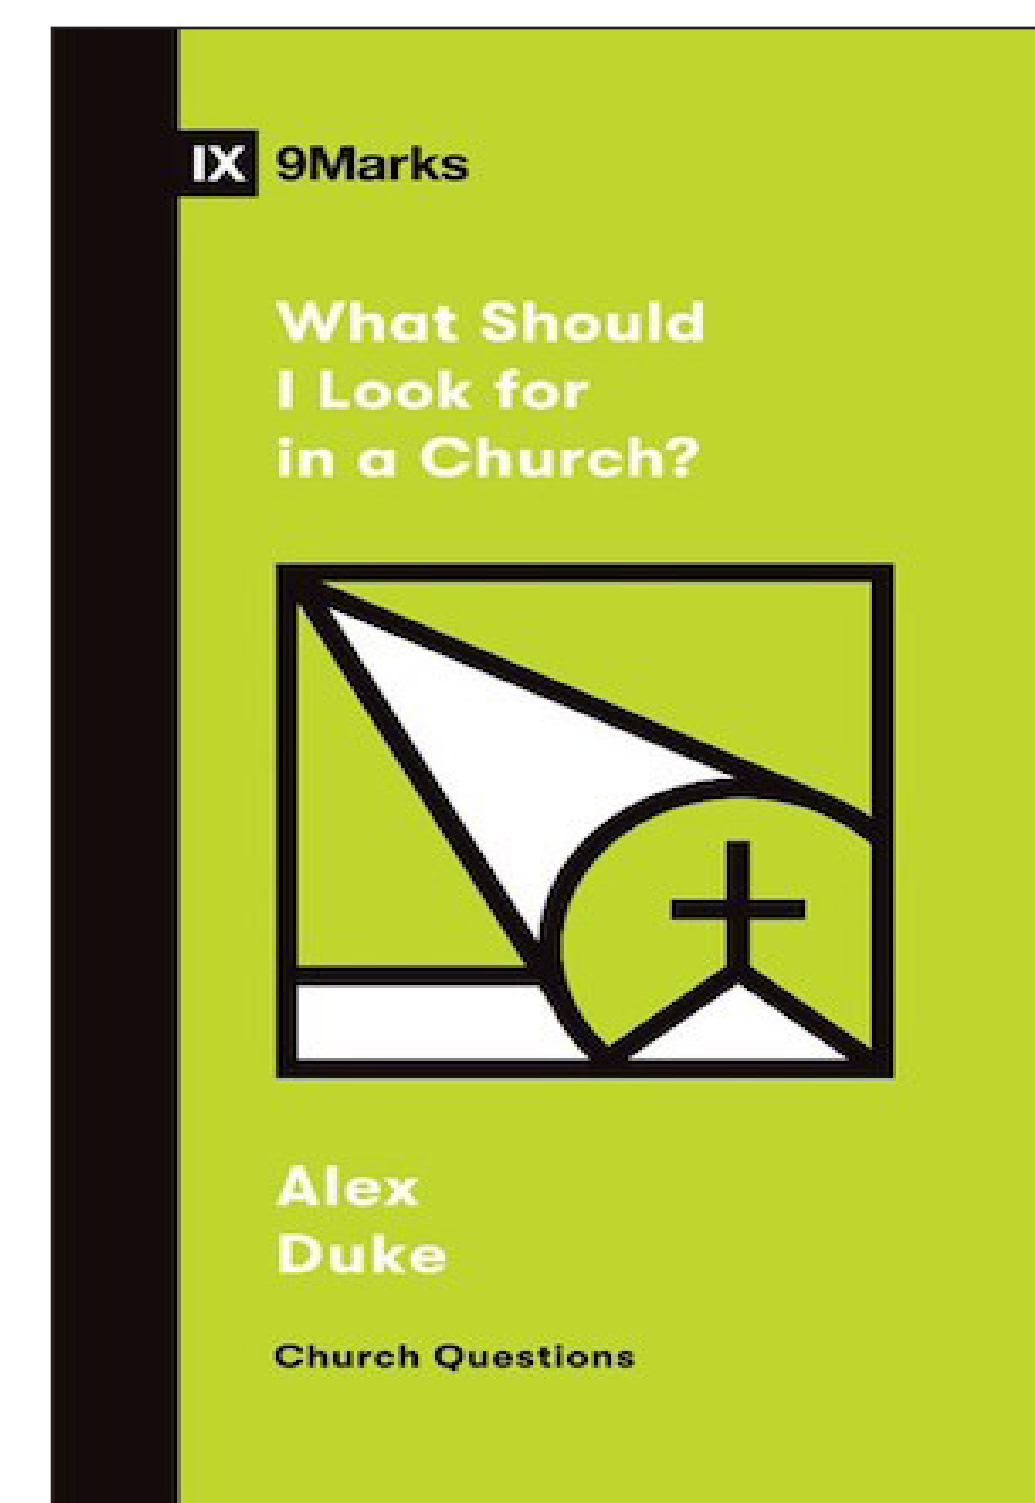

When individuals talk about an afterlife, they often talk about heaven and avoid any mention of hell. The idea of hell is uncomfortable and most people prefer to not discuss it.

Given this reality, our society lacks an understanding of what hell is, why it exists, and how people can avoid it.

Pastor Dane Ortlund has written this Church Questions booklet to educate readers on the reality of hell and the hope found in Jesus Christ. Using a variety of biblical passages, Ortlund explains that God is just, righteous, and deals perfectly with humanity.

In light of God’s holiness and our sin, we fall woefully short of heaven. Humanity deserves hell, but heaven is offered to believers through the death and resurrection of Jesus Christ.

Description

This is a book for people who teach the Bible—for people who seek to interpret and apply the Scriptures with confidence. Do you want to remind yourself of familiar principles? Organize scattered methods? Prepare for a teaching ministry? Learn more about what exegesis entails? This serious but nontechnical introduction to Bible interpretation will meet you where you are and help you to hone critical skills.

Professor, author, and former pastor Daniel Doriani presents six steps of interpretation in the order in which students of Scripture use them: context, analysis, problems, themes, obligations, and reflection. He also presents the steps for a topical Bible study, discusses available resources, and offers suggestions for getting started.

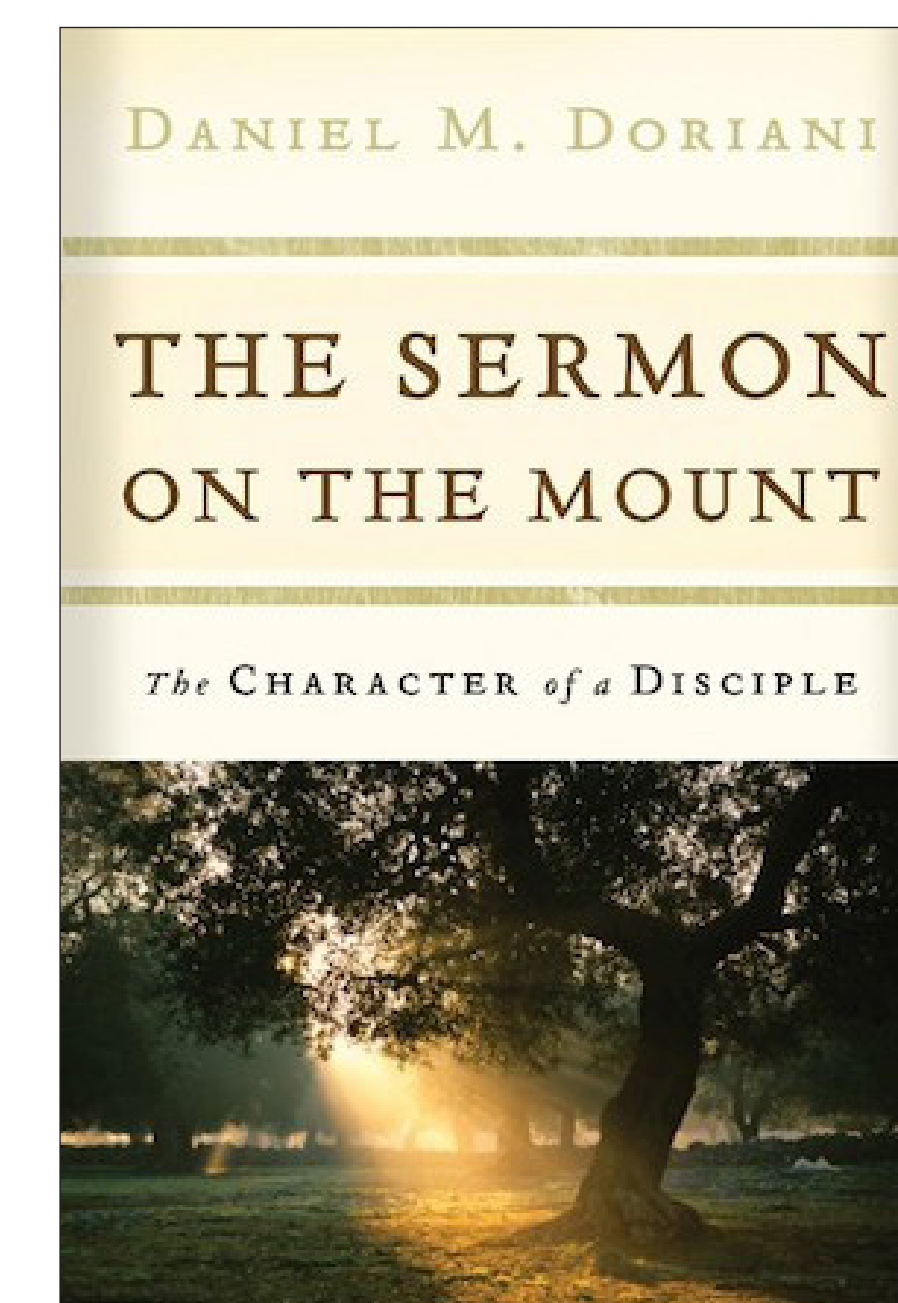

Since its original publication in 1996, *Getting the Message* has been used by teenagers, college students, and seminarians and by Christian leaders on each inhabited continent. This new edition has been revised with a global audience in mind.

 Author: Bruce P. Baugus
 Price: £26.50*
 Code: 9781601789280
 Format: Paperback
 Genre: Doctrine & Theology

Reformed moral teaching embraces the authority of Scripture, a stable moral order from creation, and the moral law expressed in the Ten Commandments as a guide for developing a virtuous life.

But did such ideas radically appear during the Reformation?

In *The Roots of Reformed Moral Theology*, Bruce P. Baugus traces the story of moral theology from its biblical origins to the eve of the Reformation, demonstrating that Reformed moral sensibilities were received and developed from the greater church tradition.

The result is a commendable survey that pays particular attention to the questions and themes most significant to the formation of what became a distinctly Reformed moral theology.

Title: Justification by the Word
 Author: Jack D. Kilcrease
 Price: £31.99*
 Code: 9781683596035
 Format: Hard Cover
 Genre: Doctrine & Theology
 Distribution: UK & Europe

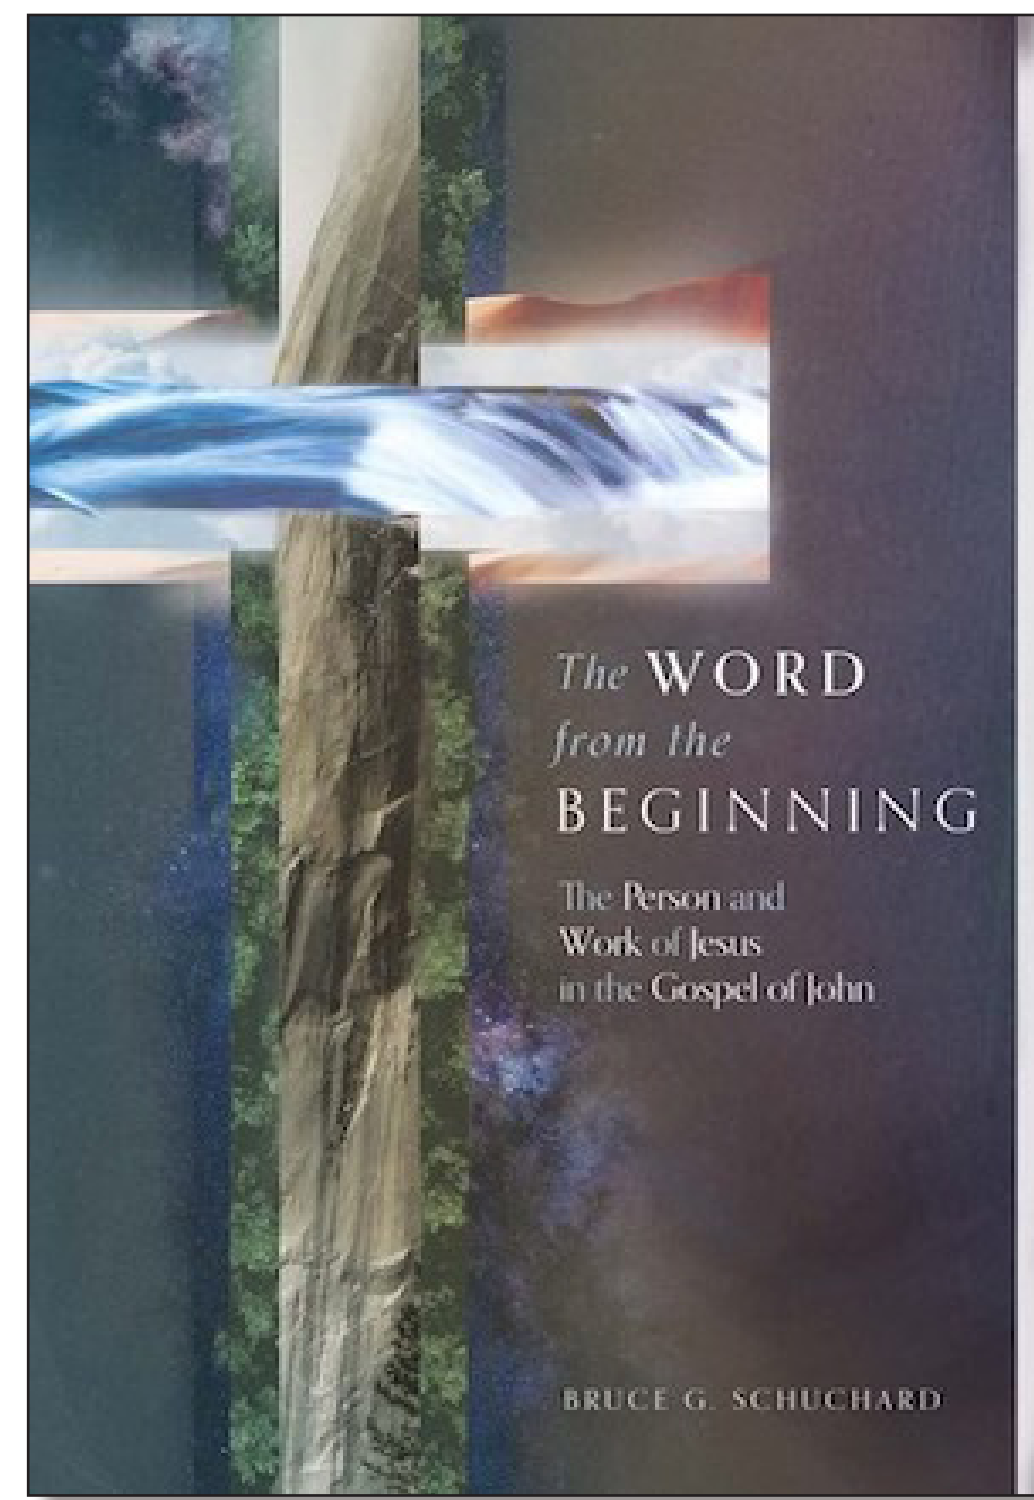

In *Justification by the Word*, Jack D. Kilcrease reintroduces Martin Luther's key doctrine.

Though a linchpin of the Reformation, Luther's view of justification is often misunderstood. For Luther, justification is an expression of God's creative Word.

To understand Luther on justification, one must grasp his doctrine of the Word. The same God who declared let there be light--and it was so--also declares your sins are forgiven. Justification is an objective reality.

It is achieved in Christ's resurrection and received through an encounter with the risen Christ in Word and sacrament. Justification turns us outward, away from our own unsteady feelings and limited understanding, to look to Christ. And the church must preach justification, lest we so easily forfeit the joy of the gospel.

Justification by the Word inspires readers to re-encounter the radical doctrine of justification by faith alone.

 Author: Bruce G. Schuchard
 Price: £21.99*
 Code: 9781683596028
 Format: Hard Cover
 Genre: Bible Studies

John's Gospel famously opens with a poetic prologue about the Word. However, after these initial verses, the theme of God's Word incarnate seems to fade.

The silence is only apparent. In *The Word from the Beginning*, Bruce G. Schuchard reunites John's prologue with the rest of his Gospel. What Jesus does in the Gospel embodies who Jesus is in the prologue. Jesus's words and actions reveal and unfold his unique identity as the Word. Jesus is indeed God's Word enfleshed.

This theological reading of John's Gospel unifies Jesus's identity, words, and work, opening up implications for Johannine Christology.

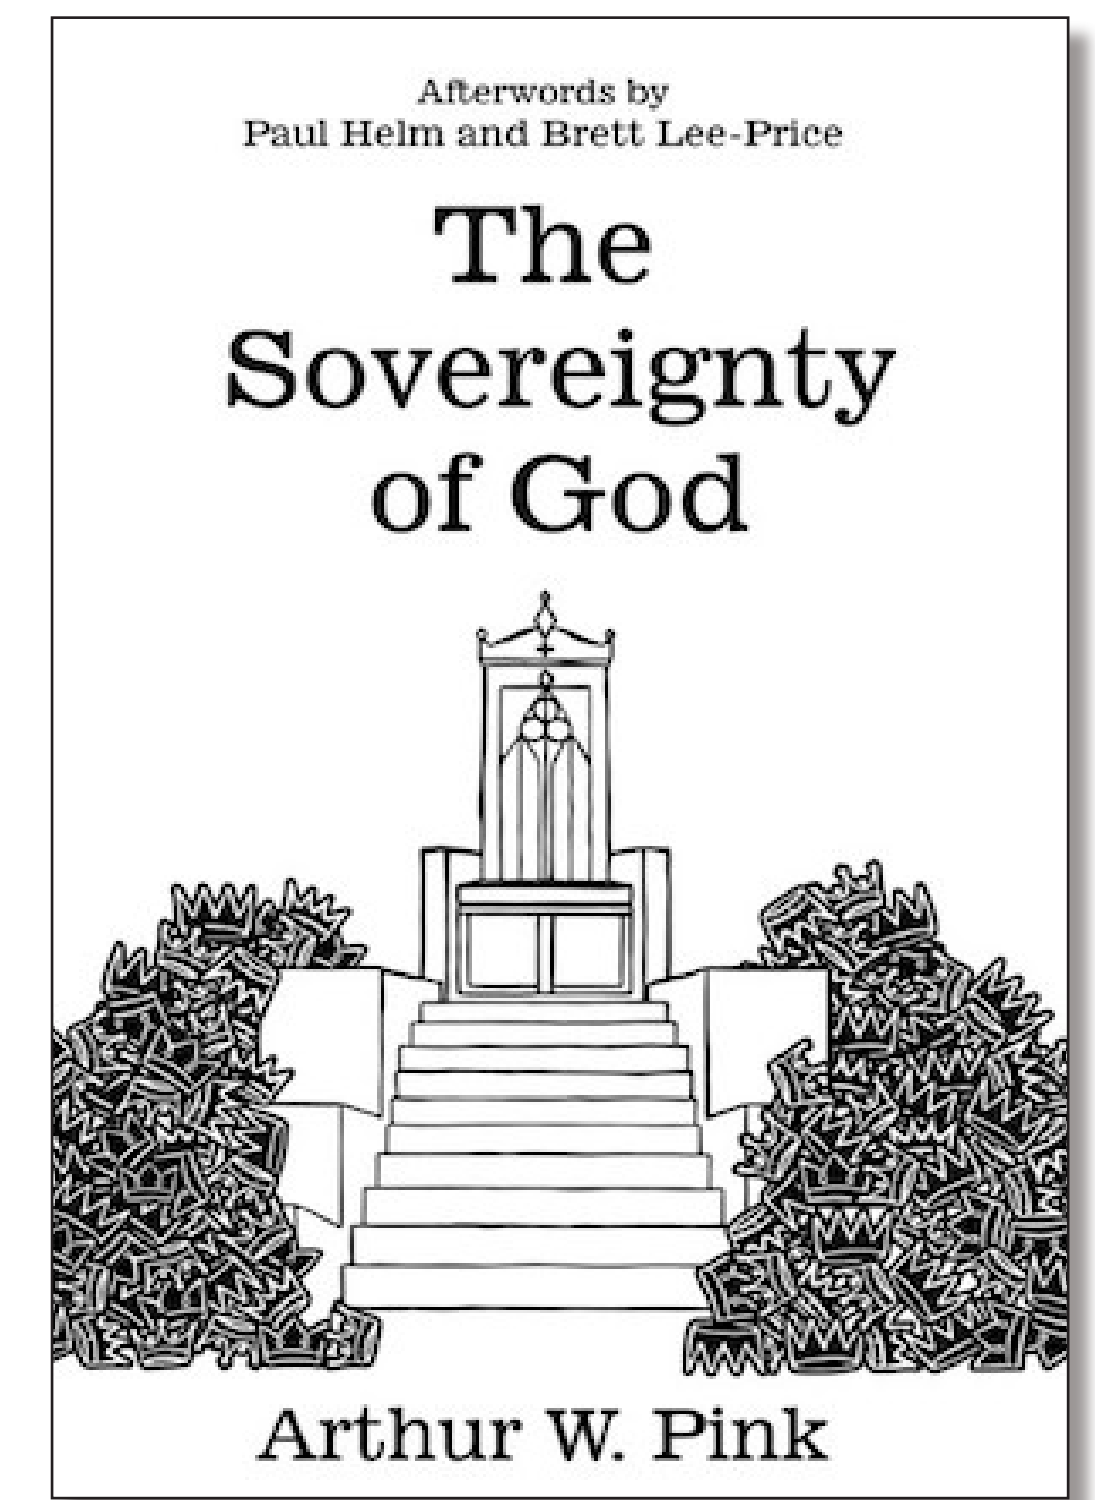

Title: The Letter of Jude
 Author: Guy Manuell
 Price: £13.99*
 Code: 9781922584083
 Format: Paperback
 Genre: Bible Commentaries NT
 Distribution: UK & Europe

This commentary on *The Letter of Jude* engages the Greek text and is designed for pastors, theological students, and lay readers.

Jude, a brother of Jesus, warns members of the early Jesus movement against intruders in their midst and exhorts those believers not to deviate from the fundamental tenets of "the faith" in behaviour and belief.

The Letter of Jude is highly relevant to Christians in the twenty-first century. Even many of those now calling themselves evangelical have abandoned any pretence to adhering to biblical doctrines.

This commentary seeks to emphasise Jude's message: contend for biblical truth, and live so that the Gospel of our Lord Jesus Christ is alive, true, and liberating.

 Format: Paperback
 Genre: Church Growth & Revival
 Distribution: UK & Europe

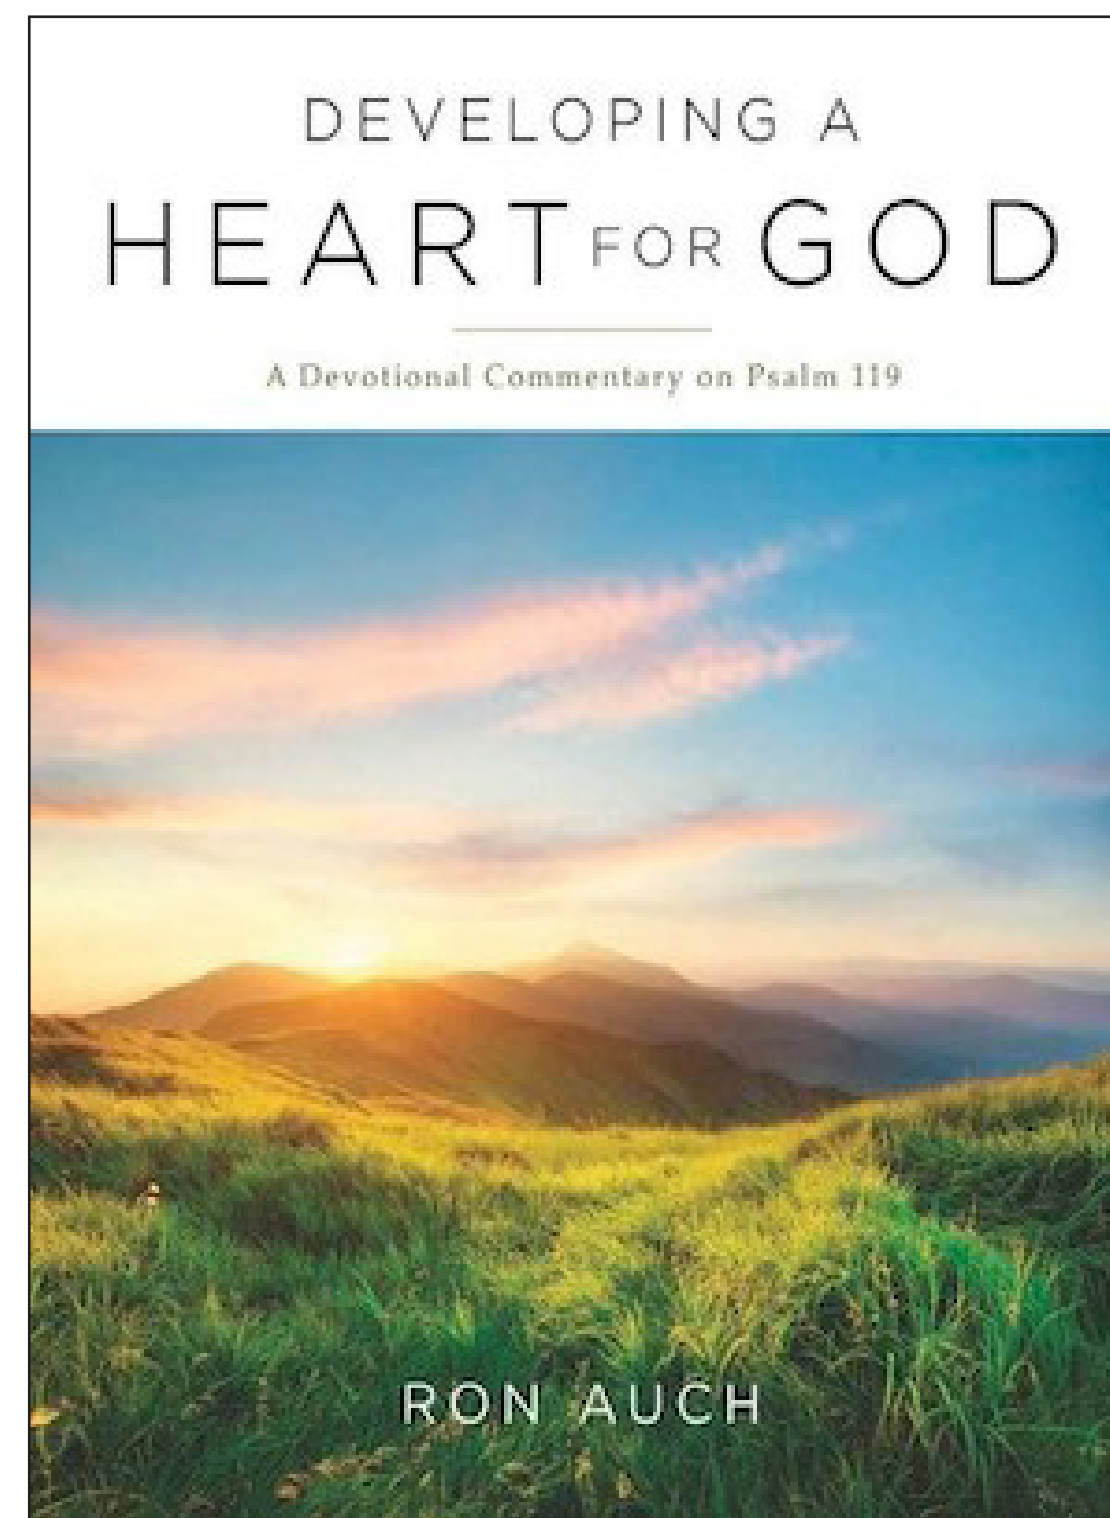

Hope and help for pastors and congregations who are asking, What now? And What's next?

Some pastors and congregations have managed remarkable innovation, creation of new ministries, courageous pruning of old programmes, and rediscovery of core Wesleyan convictions in recent years. Others have experienced a long, slow-motion, downward cycle of loss.

We might be tempted to 'sit down' wherever we are, looking back at all that's happened, shaking our heads in disbelief. But it's time to stand up, to move forward.

Will Willimon shows what that could look like. He spent a year committed to asking questions and careful listening in conversations with clergy, organizational leaders, and parishioners across the U.S.

The honesty, wisdom, and inspiration you find here may point you in new directions. What do you think God is up to in the present moment? What should we stop doing and begin doing, responding to God's call now? What are the biblical texts, stories from our past, and core Wesleyan convictions that might guide us from this point? And are we at Good Friday or at Easter?

Title: Running into the Fire
 Author: Terri Hasdorff
 Price: £17.50*
 Code: 9781636411675
 Format: Paperback
 Genre: Spiritual Growth
 Distribution: UK & Europe

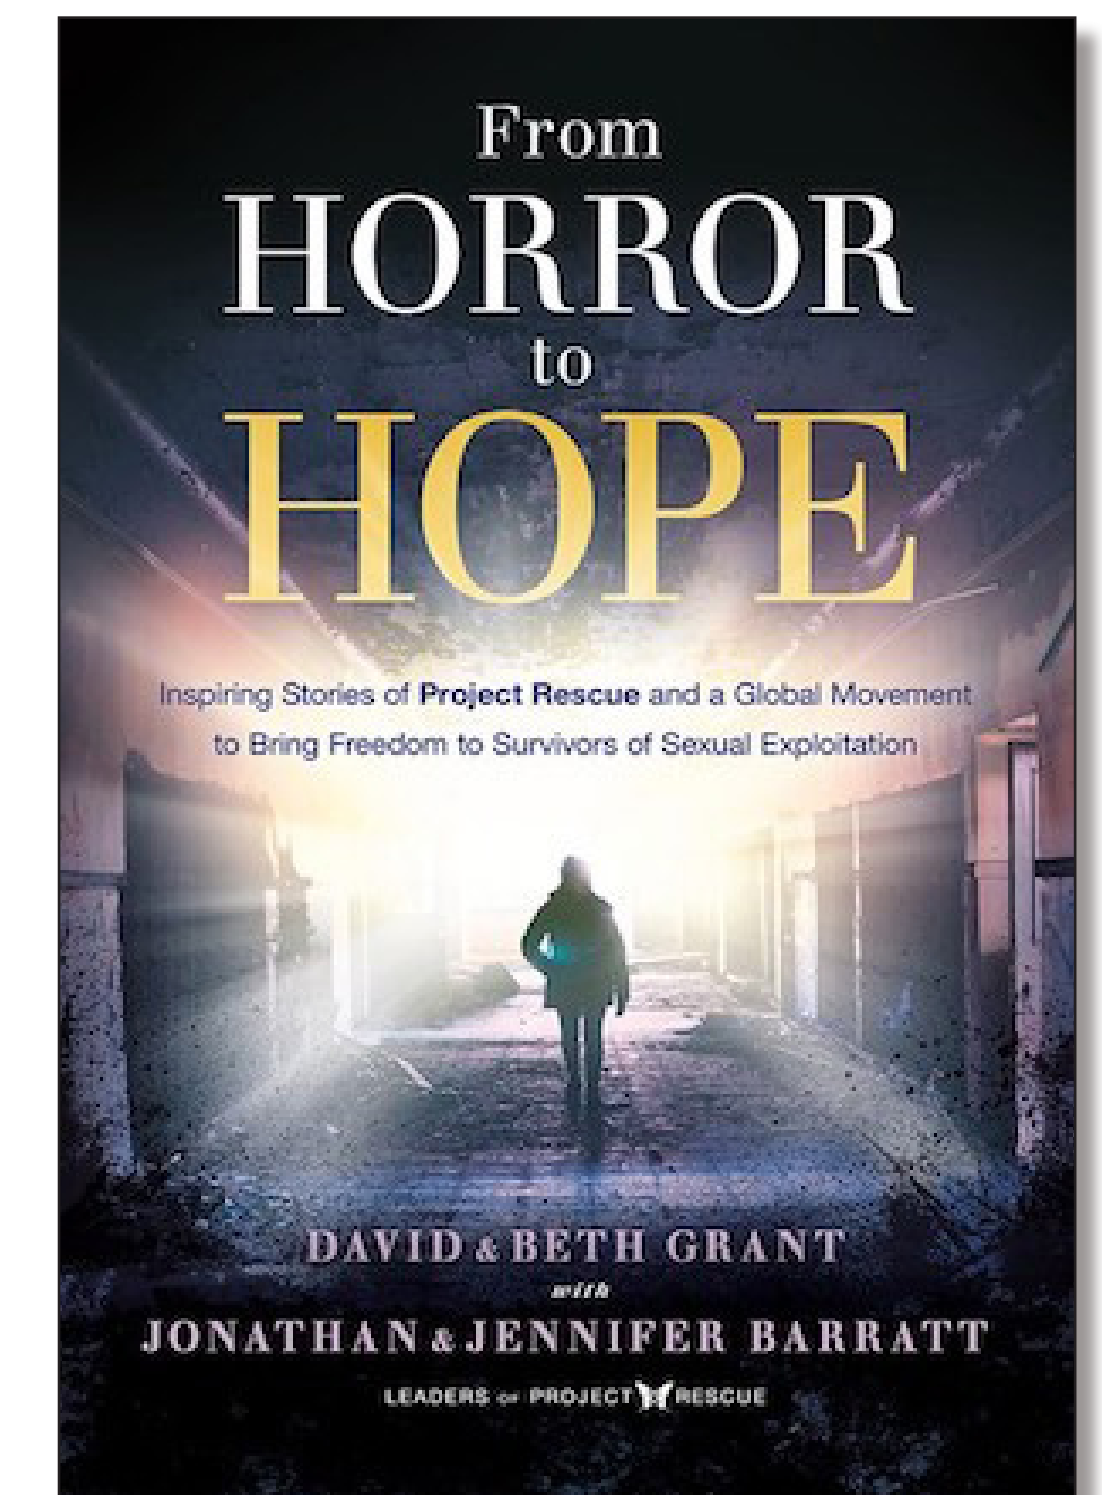

In *Running Into the Fire*, Terri Hasdorff draws from her more than twenty years in politics to reveal how people of faith can effectively influence government and push back against the liberal socialist agenda.

In addition to revealing how the rise of super PACs and massive marketing machines are getting unqualified and corrupt candidates elected, this book gives clear-cut direction for how people of conscience can get involved in politics, whether they are soccer moms with limited resources or multimillionaires capable of making sizeable campaign contributions.

Sharing advice for finding and supporting honest candidates and ensuring contributions go to campaign needs and not bloated consultant salaries, Hasdorff also reveals:

- how to make a difference as an average citizen,
- what to know before running for political office, and
- how to give in the most effective way.

People of faith really can make a difference in their communities and the nation, but they must get involved in politics. If they don't, the country could be in for years of darkness. This book will reveal practical ways they can affect change starting now.

After reading this book, you will appreciate those who have dedicated their lives to preaching the Gospel, and you will empathize with those imprisoned by human trafficking as you see how God can redeem their lives.

Project Rescue was no grand strategy of a lone abolitionist who set out to stop sex slavery twenty-five years ago. Instead, courageous men and women of God in different cities of Southern Asia and Europe were led by the Spirit to take Jesus and hope to their cities' darkest streets and victims of sex slavery. These pioneers had little in common to bring to this battle. But each one was marked by a daring willingness to obey God's voice and a relentless belief that women and children in prostitution were indeed in the heart and plans of God. What made them different in the anti-trafficking space is that they decided to do the journey together, not alone.

In *From Horror to Hope*, Grant shares Project Rescue's inspiring story of a growing collaborative movement to bring hope, restoration, and freedom to generations of trafficked women and their children around the world. But even more, it's the grand story of God's great love for victims of sexual exploitation and His amazing power to redeem and restore their lives.

..Blood dripped from my arm, cold rain pelted my face. I stood bewildered in the middle of the street. As I shivered in fright, I realized I went to Hell, and Hell was real. Darkness encircled me on every side. Suddenly, an enormous skull loomed in front of me. Hands reached from the darkness to draw me into death...

After dying twice, Michelle Steele escaped death and hell and ran for her life. She ran straight to Jesus, her only answer.

In Escaping Hell, Michelle shares the shocking tale of how one bad choice after another led her from a happy childhood in an affluent family down a self-destructive path to become a prostitute, junkie, and criminal.

Yet even more captivating is the story of how Jesus' miracle-working power transformed her into the wife, mother, and pastor she is today. Michelle tells how Jesus took her from death to victorious life, and how He can do the same for you.

Description

You were raised up for this moment to speak on behalf of Heaven. The battle is raging. Two realms are seeking to influence the natural world – light or darkness. There is no middle ground. Depending on how you participate and show up in life, either Heaven or Hell will advance its agenda into the Earth.

The invisible world, by and large, does not simply manifest its objectives and agendas. It seeks a person and requires a voice. The choice is yours: will you be a voice for Heaven to advance in the Earth... or an idle endorser of Hell's agenda to steal, kill and destroy?

Mario Murillo is a bestselling author, popular blogger, and minister of the Gospel. He has been an evangelist for nearly 50 years. As culture has changed, Murillo's message has remained fixed and steadfast. As culture shifts again, God is looking to raise up an army of prophetic people whose voices have impact and actually shape the direction of their nations.

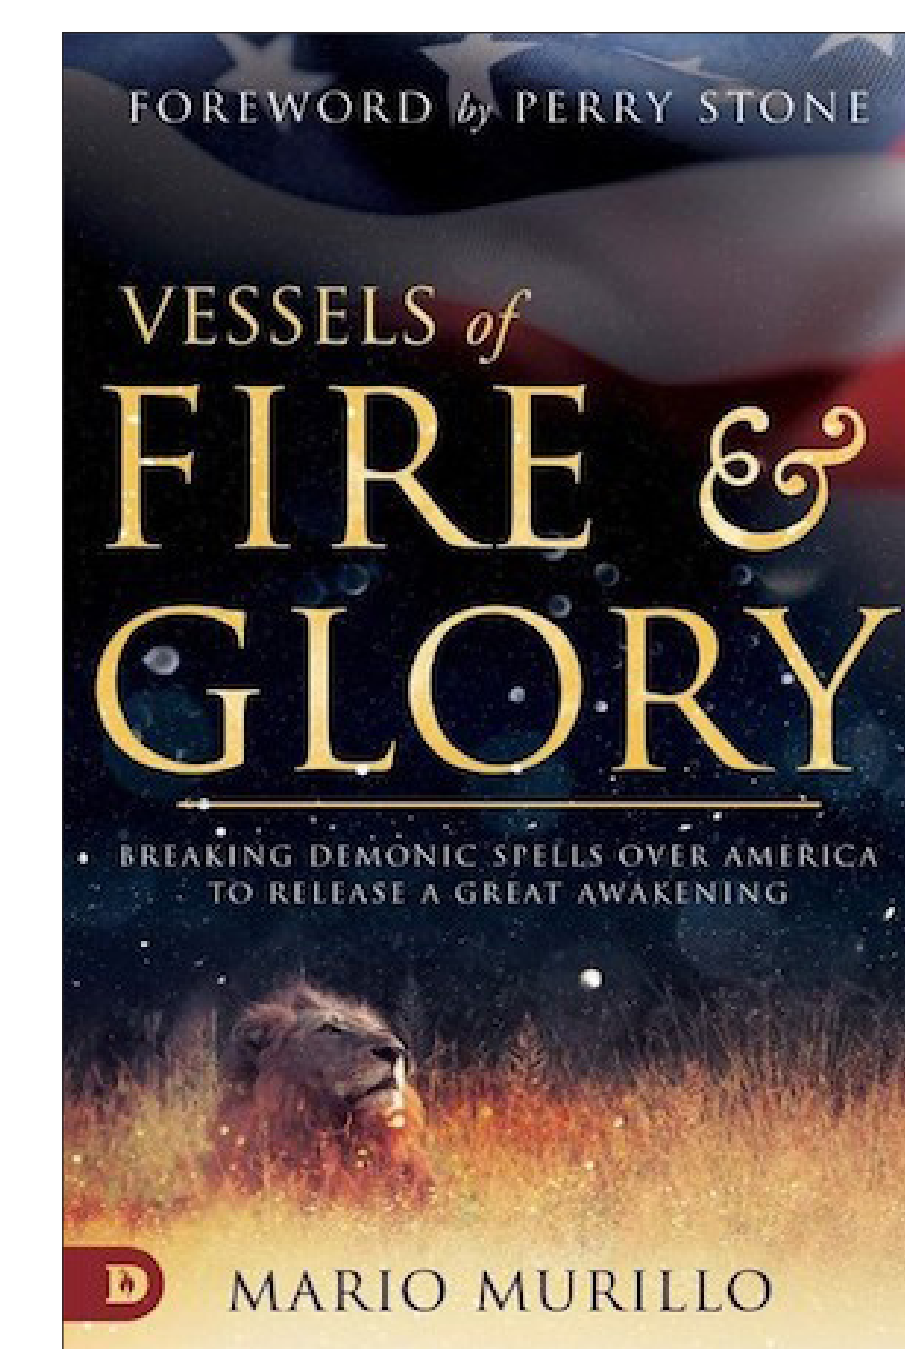

Do Not Leave Quietly is a prophetic call to action for every single reader to:

- To fulfill your destiny, live with purpose and feel significant.
- Give your life and voice to speaking what the Spirit of God is saying.
- Activating the key to seeing signs and wonders flow.
- Discover the secret to prophesying with power and holy thunder.

About the Author

Mario Murillo rose from poverty in the Mission District of San Francisco. After being revolutionized by Christ, he felt a call to the riot-torn University of California at Berkeley. He was rejected until a desperate prayer season resulted in supernatural power. It began with preaching that was different than students had heard before. Then the students began to report healings in the Name of Jesus. A 4-day crusade in San Jose, California, lasting 6 months with a total of over 250,000 people, birthed an international ministry that is reaching millions!

Throughout history, God has anointed the unqualified, empowered the weak, and chosen the least likely to change the world. The individual's ability is not what makes them powerful; they are empowered by the assignment — the mantle — they receive from Heaven. When these anointed people die, their mantles are left behind, waiting to be taken up by other Christians.

Using Elijah and Elisha as prophetic examples, bestselling author Robert Henderson takes you a step further into the Courts of Heaven, revealing how spiritual mantles are reserved for the body of Christ, waiting to be accessed, received, and stewarded for supernatural results.

Are you ready to access Heaven's supernatural resources to fulfill your destiny? You will discover:

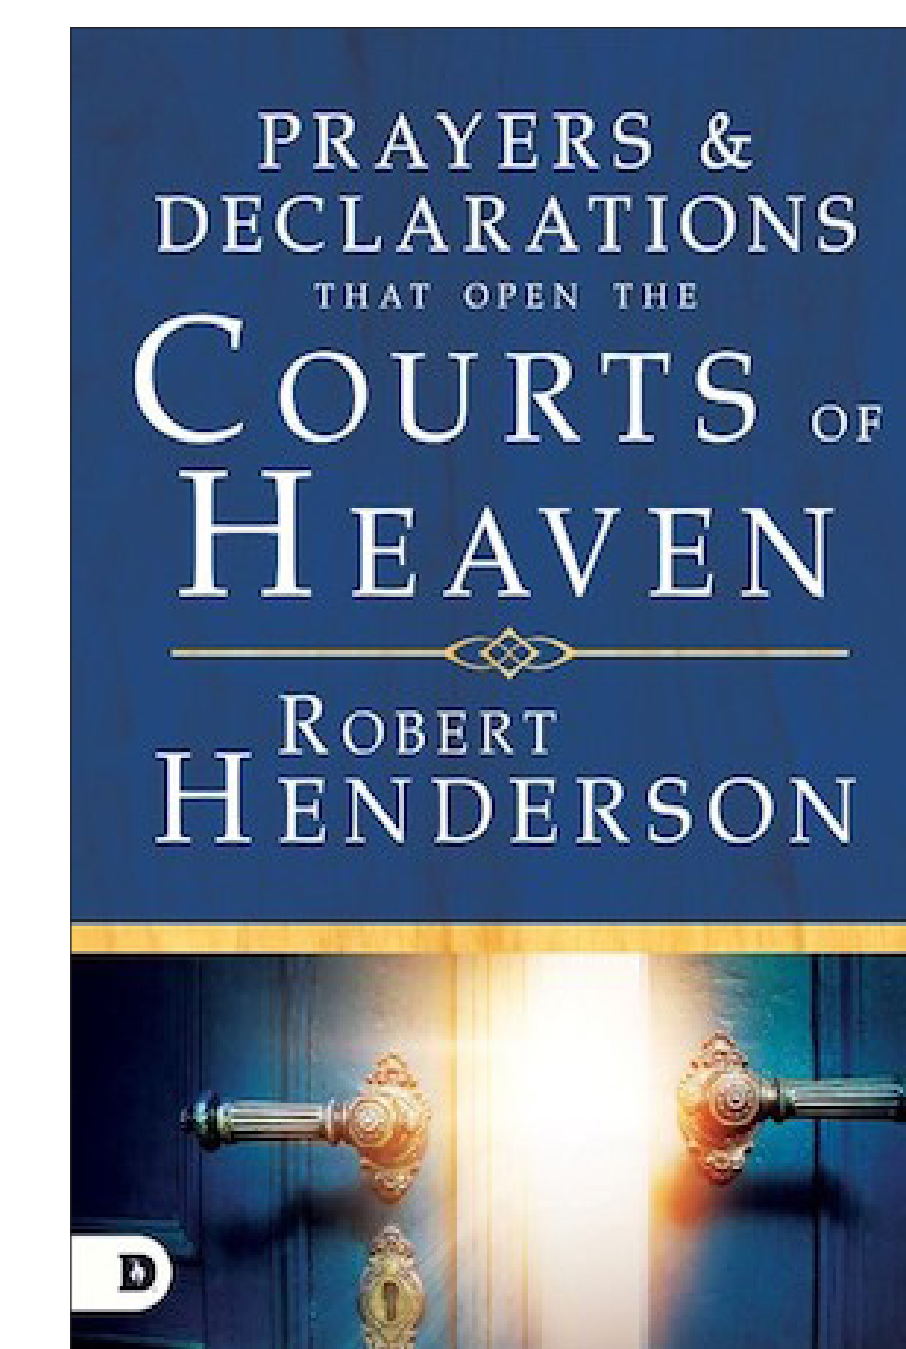

- 6 Secrets to receiving mantles from the Courts of Heaven
- How to recognize when mantles are being released from Heaven and how to access them
- Understand corporate mantles meant to be received by the entire body of Christ because of the passing of key leaders or shifts in times and seasons
- Activate generational mantles that bring blessing to your family
- The power of impartation and how you can Biblically stir up anointings and spiritual gifts

The God of Elijah wants to mantle you with His power, and flow through you to change the world!
