

Land of the Living CD

Jason Gray

AVAILABLE DECEMBER

Description

When Jason Gray sets out to craft an album, more often than not, he holds an image in his mind that helps guide the songs.

For his latest full-length endeavour, *Land of the Living*, the critically acclaimed singer/songwriter says he envisioned Ray Charles standing on a stage, arms wide open. "I thought if I wrote with that spirit, of knowing your audience so well that you know how to love them, I could speak their language. I could break into their world and speak to them right where they are," Gray asserts. "It could be more about loving them than about my own self-expression."

Wrestling With Doubt, Finding Faith

Adam Hamilton

AVAILABLE DECEMBER

Description

Does your faith make room for questions?

Everyone has doubts. Where is God when bad things happen? Does God hear our prayers? Is there a heaven? How can we know? Often we treat such questions as the enemy of faith. But uncertainty doesn't mean our belief is lacking. Doubt can be a path to a deeper, richer encounter with God.

In *Wrestling with Doubt, Finding Faith*, join best-selling author and pastor Adam Hamilton as he discusses some of our most significant sources of doubt and shows how a steady trust in God can emerge from them. You will delve into questions like: "Does God exist? How can I know?" "Is the Bible true?" "Why do prayers go unanswered?"

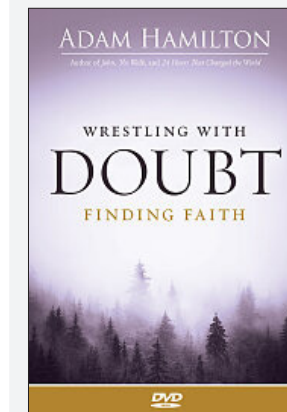

Hamilton approaches these sources of doubt with honesty and insight, drawing on the rich wisdom of the Bible, Christian tradition, and his experience walking with thousands of people on their spiritual journey.

Whether you're a longtime Christian or someone brand new to faith, this book will lead you to a trust in God that is unafraid of hard questions. Wrestle with doubt and find faith--belief and trust, not certainty; mystery rather than simple answers.

The book can be used anytime throughout the year and can be read alone, used by small groups, or as an outreach gift for visitors. Components include a comprehensive Leader Guide, a six-session DVD featuring Adam Hamilton (with closed captioning), and a digital worship and sermon series, making this perfect as a group study and churchwide programme done throughout the year.

Why Easter?

Nicky Gumbel

Description

Easter is all about the death and resurrection of Jesus Christ. This Easter edition of *Why Jesus?* is a concise, easy-to-read study of the very real questions people may have about Jesus and why his birth, death and resurrection are central to the Christian faith.

Written by Nicky Gumbel, the pioneer of Alpha and vicar of HTB in London from 2005 to 2022, it explores why we need Jesus and how he satisfies our hunger for meaning and purpose in life, for life beyond death, and for forgiveness.

Exploring Jesus' claims, character and death, Nicky uses effortlessly uncomplicated language to talk about the freedom we receive from guilt, addition, and fear, and the freedom to know God, to love other people, and to change.

Why Easter? is illustrated throughout by Charlie Mackesy, author of the best-selling book 'The Boy, the Mole, the Fox and the Horse'.

The booklet is designed to be given away at Easter services and events and to anyone with questions about Jesus and the Christian faith.

This classic edition is thinner and lighter than the Expanded Edition which included excerpts from the Bible in One Year and is also still available.

Sections within the booklet include:

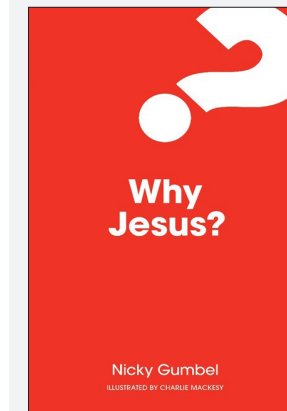

Why Easter? – Why do we need Jesus? – How do we know Christianity is true? – Who is Jesus? – Why did he come? – Why did he die? – Common excuses for not accepting the gift – What do we have to do? – A simple prayer to start your relationship with God – What now?

Also available in the series: *Why Christmas?* and *Why Jesus?*

Ancient Wisdom for the Good Life

Ralph K. Hawkins

Description

In *Ancient Wisdom for the Good Life*, Ralph K. Hawkins turns our attention to the Bible's Wisdom Literature (Job, Psalms, Proverbs, Ecclesiastes, and Song of Songs) and how it can correct us, train us in righteousness, and ultimately empower us for successful living.

In these books, ancient Israel's sages wrote about how to live stable, harmonious, productive, and joyous lives. Together, they interlock to cover the entire field of wisdom, providing contemporary readers with the tools to develop a unified world view with God at the centre.

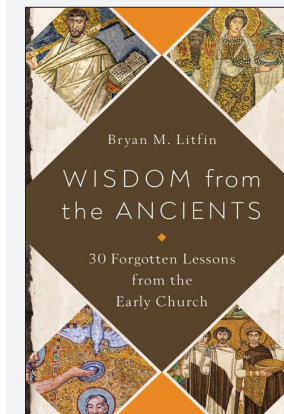

Ancient Wisdom for the Good Life culls out the guidance of ancient Israel's sages for a modern society that has been cut adrift from its moorings.

Full of wisdom and practically written, this book could be used as a supplementary text in an undergraduate or seminary course in the Wisdom Literature, and it would certainly be useful for pastors in their sermon preparation or even just general reading.

When David Oliver faced the death of his son Joel, at the age of 38, following a short and brutal fight with cancer, he set about researching and writing this powerful short book on heaven and committed to write whatever he discovered.
