# The Chosen DVD – Season 3 Special Edition DVD

## Description

“Come to me... I will give you rest.” – Matthew 28:11

In Season 3, all 12 disciples face new fears and entrenched, old ways when Jesus sends them on their first mission. But each faces his own unique burden, too: Matthew’s estrangement from family, Little James’ unhealed disability, Simon Z’s unresolved past, and Simon and Eden’s marriage crisis – just to name a few.

Meanwhile, scores of newcomers like Veronica and Jairus desperately seek Jesus for relief from crushing crises and heavy-handed authorities, religious and Roman. Thousands ultimately converge on Jesus, first to argue then to listen. But as His preaching extends to the next day, they find themselves in a new predicament – far from home, famished, and without any food to eat.

Until a little boy with five loaves and two fishes shows up...

# In Search of Truth

Derek Prince

## Description

Do you want to know what God intends for your life and what your future looks like? *In Search of Truth* is the result of Derek Prince's own search for the answer to that question. Beginning with Abraham, the only person called the "friend of God" in the Scriptures, you proceed, step by step, through the unfolding destiny of the human race.

Find answers to questions such as: What is God's purpose for Israel and my life? How can I receive answers to my prayers? Who is the 'Prophet like Moses' mentioned in the Bible? What is God's plan for prosperity? How can I have victory over sin and receive supernatural power? What will happen in the last days before Messiah's return?

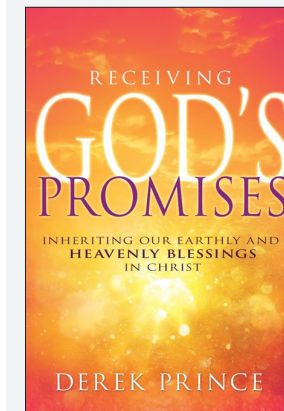

Derek Prince sought answers to these questions in ancient and modern philosophy, and also in oriental mysticism. He was educated as a scholar of classical languages (Greek, Latin, Hebrew, and Aramaic) at Eton College and Cambridge University in England and later at Hebrew University, Israel. However, it was in the study of the Bible, while serving with the British Army during World War II, that he found his answer. From that time on, he devoted himself to studying and teaching the Word of God.

In the late 1950s, while serving as head of a teacher training college in Kenya, Derek Prince prepared a manual to help others who were searching as he had been. The Self-Study Bible Course, has sold millions of copies in English and many other languages. *In Search of Truth* is an expanded and revised version of that original course.

# The Wait

Lucy West

## Finding Peace When Facing the Challenge of Infertility

### Description

The wait... There she was again, in the corner of the room, rocking backwards and forwards, hugging her knees tightly to her chest. She wouldn't move from this spot until all her crying was done for the day. This girl in the corner was barely recognisable from the happy-go-lucky, maybe a little naïve, girl who had loved till it hurt...

This is who I had become over the course of a few deeply painful years of waiting and trying for children. In my corner I felt like I was outside of myself, looking down on a mess of a human being

Who was this person? This wasn't me was it?

*"Remarkable for its honesty and raw vulnerability – no sugar coating here! While Lucy's own story is about infertility and waiting for a baby, the book she's written is actually relevant to any of us experiencing personal pain, whatever it may look like."* – Revd Canon Archie Coates. Vicar, Holy Trinity Brompton

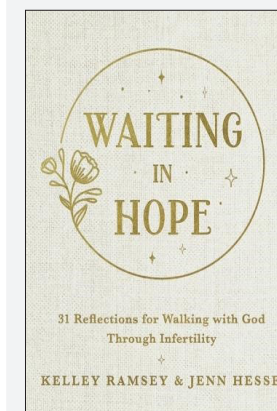

*"This is such a helpful book, addressing the silent pain of childlessness and the complex joy. Lucy writes honestly and with wonderful warmth. I'm quite sure that her story is going to bring comfort and hope to many, many people."* – Pete Greig, 24-7 Prayer International

*"We've long admired our friends Lucy and Lindz for the way they've navigated their story of starting a family. After reading Lucy's wonderful new book, we admire them even more. In The Wait we're invited deep inside their journey – from infertility through to adoption. Along the way are many raw emotions, agonising prayers and painful questions. Yet running through it all is a thread of hope and their faith in God – and ultimately this is a redemptive story. This is a powerful read and will help many!"* – Matt and Beth Redman

# Why Jesus?

Nicky Gumbel

## Description

*Why Jesus?* is a concise, easy-to-read study of the very real questions people may have about Jesus and why his birth, death and resurrection are central to the Christian faith.

Over 9 million copies of this popular booklet have been sold across the world since it was first published. Written by Nicky Gumbel, the pioneer of Alpha and vicar of HTB in London from 2005 to 2022, it explores why we need Jesus and how he satisfies our hunger for meaning and purpose in life, for life beyond death, and for forgiveness.

Exploring Jesus' claims, character and death, Nicky uses effortlessly uncomplicated language to talk about the freedom we receive from guilt, addition, and fear, and the freedom to know God, to love other people, and to change.

*Why Jesus?* is illustrated throughout by Charlie Mackesy, author of the best-selling book *'The Boy, the Mole, the Fox and the Horse'*.

The booklet is designed to be given away at church services and events, to all guests at Alpha, and to anyone with questions about Jesus and the Christian faith.

This classic edition is thinner and lighter than the Expanded Edition which included excerpts from the Bible in One Year and is also still available.

Sections within the booklet include:

- Why do we need Jesus? · How do we know Christianity is true? · Who is Jesus? · Why did he come? · Why did he die? · Common excuses for not accepting the gift · What do we have to do? · A simple prayer to start your relationship with God · What now?

# When Jesus Met Hippies

Andrew Whitman

The Story and Legacy of the Jesus People Movement in the UK

## Description

Step back in time to the tumultuous era of the 1960s and 70s, a time of counterculture clashes, societal upheaval, and spiritual seeking.

In this thought-provoking exploration, *'When Jesus Met Hippies'* delves into the enduring ripples of the Jesus People Movement (JPM) – a revival, a revolution, a movement – that transformed the lives of hippies into devoted followers of Jesus.

Spanning over half a century, from the inception of the JPM to the present day, this book contemplates the echoes of a revival that many believe had the power to reshape faith and culture. Was it truly a revival, a spiritual awakening, or a movement of its own unique kind?

Travel back to the vibrant streets of post-war America where the JPM took root, led by converted hippies who took to the pavements, passionately sharing their newfound faith with 'street people.' Against the backdrop of a church struggling to connect with the counterculture, this movement emerged, capturing headlines and hearts alike. Discipleship flourished in commune-style houses, and the contagion spread beyond borders, crossing oceans to Europe and beyond.

*When Jesus Met Hippies* challenges you to revisit history and ponder the legacy of a movement that dared to redefine faith, culture, and community.

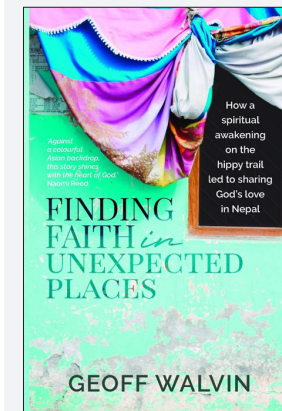

Engage with the spirited debates, immerse in personal testimonies, and unravel the enigma of a movement that still resonates today. Through meticulous research and thoughtful analysis, this book captures the essence of a generation's search for truth and meaning, and how it continues to influence our world.

## Guarding Against Backsliding and Apostasy in the Christian Life

### Description

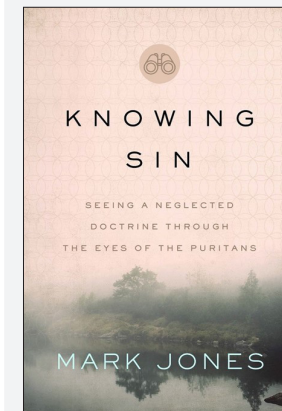

Mark Jones addresses the uncomfortable topic of backsliding believers--and, to a lesser extent, apostasy--in a serious, hopeful, and pastoral work informed by wise theologians of eras past.

Backsliding in the church is not a fun topic to discuss, but the reality of Christians losing their zeal for the kingdom and for Christ is plain enough based upon the teachings and warnings in the Scriptures and, indeed, our experience.

This book looks at the dangers of backsliding and apostasy in the church but also aims to provide remedies for these twin threats.

# The Peasant King

Tessa Afshar

## Description

Jemmah has always thought of herself as perfectly ordinary . . . until she faces extraordinary circumstances. When her mother, the Persian king's famous senior scribe, is kidnapped, Jemmah and her sister must sneak undetected into enemy territory to rescue her. But infiltrating their adversary's lands proves easier than escaping them.

Fleeing through dangerous mountain passes, their survival depends on the skills of a stranger they free from prison: a mysterious prince named Asher. Asher is not who the world believes he is. Despite his royal blood, he has had to climb his way out of poverty to forge success from nothing.

A manufacturer of some of the best weaponry in the East, Asher has only one goal: to destroy his father. But following his escape from prison, Asher is irresistibly drawn to Jemmah, unaware that she guards her own secret. Jemmah must convince Asher to give up everything he has worked for, all for the sake of a higher purpose he's not sure he believes in.

The fate of the Persian empire—and possibly the Judean people—hang in the balance and in the persuasive power of one ordinary woman.

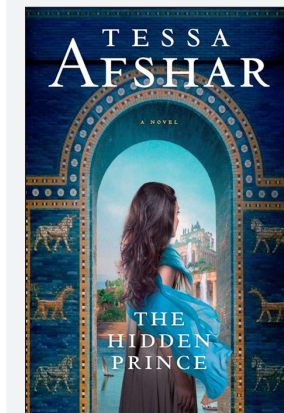

Bestselling author Tessa Afshar delivers another adventurous novel filled with romance and imagination, reminding readers of what Publishers Weekly calls her “amazing talent for packing action and intrigue into the biblical setting for modern readers.”

## Living a Life of Wisdom

### Description

These helpful guides in the Cover to Cover series are ideal for group and individual study. Experience the reality of Bible events like never before and live through the inspiring lives of key characters in Scripture. Learn how to apply God's Word to your life as you explore seven compelling sessions and gain a new depth in your Bible knowledge. Living a life of wisdom.

As Christians we constantly face questions about how we can live God's way in a world which, though created by Him, has chosen a different path.

Proverbs contain a wealth of practical advice about many of the issues faced at the time of writing and which we still face today. The reader is challenged with the truth that to choose not to follow God leads to disaster.

However, God is not portrayed as a 'Victorian schoolmaster', stick in hand, waiting to punish us, but as a loving God who seeks to draw us into a deeper relationship with Him.

Ice breakers, Bible readings, eye openers, discussion starters, personal application and 'Seeing Jesus' sections make this a rich resource for group or individual study.
