Kingdom Authority

Tony Evans

Exercising God's Rule in Your Life

Description

Are you living with the authority God has given you?

Many are desperate for power, but power is useless without the authority to use it. God has given His people His power and His authority to be used for His purposes.

This is kingdom authority, or the divinely-authorized right and responsibility delegated to believers to act on God's behalf in spiritually ruling over His creation under the Lordship of Jesus Christ. However, only those who are fully surrendered to Christ and aware of this gift use it.

In this book, Dr. Tony Evans, pastor and bestselling author, will help you discover:

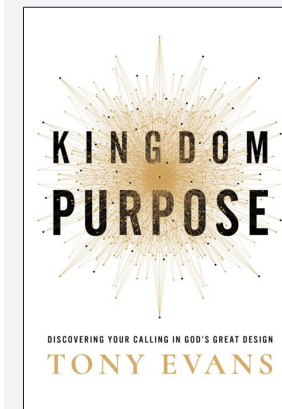

- how to see God's Kingdom initiatives more clearly
 - how to take on God's perspective in your life and remember the inheritance He has given you
 - how to draw near to God and commit yourself to essential requirements for experiencing kingdom authority like prayer
 - how to be aware of the spiritual realm in which God's people operate
- Kingdom authority can only be experienced by those who live out their days underneath the power of God.

It's by aligning our lives with Him that He allows us to share in His work.

Being Elisabeth Elliot

Ellen Vaughn

Description

Elisabeth Elliot was a young missionary in Ecuador when members of a violent Amazonian tribe savagely speared her husband Jim and his four colleagues. And yet, she stayed in the jungle with her young daughter to minister to the very people who had held the spears.

Bestselling author Ellen Vaughn recounts this first half of Elisabeth's journey in *Becoming Elisabeth Elliot*. But Elisabeth's journey did not end there. This courageous, no-nonsense Christian went on to write dozens of books, host a long-running radio show, and speak at conferences all over the world. She was a pillar of coherent, committed faith—a beloved and sometimes controversial icon. And while things in the limelight often look golden, her suffering continued as well, showing up in many different and unexpected ways.

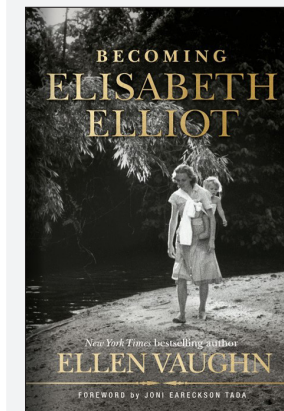

Her earlier years, related in *Becoming Elisabeth Elliot*, traced the transition of a young woman who dealt in "certainties" to the older woman who dealt, far too often, in the realm of the unknown. Now, being Elisabeth Elliot increasingly meant understanding how much she did not understand. She was certain of very few things—the good and holy character of God, and His redeeming love and merciful faithfulness.

She sought her reference point beyond her own experiences, always pondering what she called the "impenetrable mystery" of the interplay between God's will and human choices. And it is that strange mystery which shaped the rest of her startling life story.

The Josiah Manifesto

The Ancient Mystery and Guide for the End Times

Description

After seven explosive New York Times Bestsellers, Jonathan Cahn releases *THE JOSIAH MANIFESTO – The Ancient Mystery & Guide for the End-Times* – as mind-blowing as all his bestsellers – and with something different: the Blueprint, the Answer – the Manifesto!

The Josiah Manifesto opens up the stunning mysteries that lie behind the dramatic events of recent times that have changed our world – and the message hidden within them with regard to what lies ahead.

Could an ancient array of mysteries from the Middle East have converged on Washington DC in a single hour to change the history of America? • Could a 3000-year-old calendar of appointed days provide the secret to the most dramatic year of our lives – even ordaining a plague, a national lockdown, days of fire, and the changing of the Supreme Court? • Could an ancient pagan temple, an ominous prayer, and a mysterious template lie behind the event that overtook Capitol Hill and shook the nation? • Could an enigmatic ancient king reveal the secret of a modern American president? • Could an ordinance given in the middle of a desert 3000 years ago have determined the rise and fall of a Latin American dictator? • What does the future hold? Is America heading for calamity? Is the world? And what do you need to know to survive, to stand, and prevail in the days ahead? • Is there hope? Have we been given a last chance? Is it possible to change history? And have we been given a blueprint for what we need to know for the days ahead – even the 'end-times'?

The Josiah Manifesto will take you on a prophetic journey from a Caribbean Island to the Washington D.C. to the ancient Valley of Hinnom to the Supreme Court to a desert mountain to an ancient middle eastern temple to the gates of America – to uncover an ancient puzzle that lies behind the events that have altered our lives ...

The Early Church Creeds and Their Value for Today

From the Latin word credo, meaning 'I believe', creeds are statements of personal belief. They are a valuable in that they: – Summarize Christian truth – Testify to what the Church has always believed – Help us be precise in how we express truth – Guard us against heresy and error – Unify believers who share the same testimony

In *Christ and Creed* Nate Pickowicz helpfully examines the early major ecumenical creeds, providing historical context and highlighting the distinctives in the Apostles' Creed, the Nicene Creed, the Definition of Chalcedon and the Athanasian Creed.

Five Lies of Our Anti-Christian Age

Rosaria Butterfield

AVAILABLE SEPTEMBER

Description

Bestselling Author Rosaria Butterfield Confronts 5 Cultural Lies She Once Believed

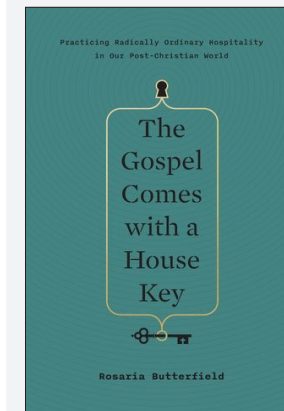

Our culture changes at a constant and rapid pace, swaying in its beliefs on sexuality and spirituality. Author Rosaria Butterfield argues that the word of God is the answer to such swaying opinions and uses Scripture to illuminate 5 lies that our prevailing culture often promotes, including how being a spiritual person is kinder than being a biblical Christian, that feminism is good for the world and the church, and that transgenderism is normal and healthy.

Written in the style of a memoir, Rosaria shares personal stories interwoven with cultural studies, literary criticism, and theology. She explains that these lies are direct attacks on biblical womanhood and the Christian home, both of which are honorable and dignified. This culturally relevant book will help readers gain a clearer understanding of how the word of God is applicable to these critical cultural issues facing the church today.

- Written by Rosaria Butterfield: Bestselling author of *The Gospel Comes with a House Key* (100,000+ copies sold) and *The Secret Thoughts of an Unlikely Convert* (100,000+ copies sold)

Remaking The World

Andrew Wilson

How 1776 Created the Post-Christian West

Description

With dizzying social transformations in everything from gender to social justice, it may seem like there's never been a more tumultuous period in history. But a single year in the late 18th century saw a number of influential transformations—or even revolutions—that changed the social trajectory of the Western world. By understanding how those events influenced today's cultural landscape, Christians can more effectively bear witness to God's truth in a post-Christian age.

In *Remaking the World*, Andrew Wilson highlights 7 major developments from the year 1776—globalization, the Enlightenment, the Industrial Revolution, the Great Enrichment, the American Revolution, the rise of post-Christianity, and the dawn of Romanticism—and explains their relevance to social changes happening today.

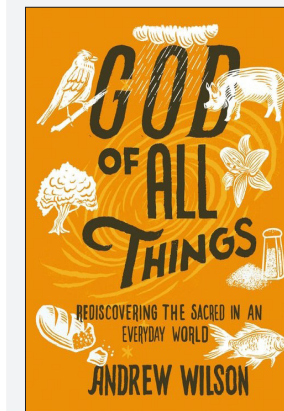

Carefully examining key documents and historical figures, Wilson demonstrates how a monumental number of political, philosophical, economical, and industrial changes in the year of America's founding shaped the modern West into a "WEIRDER" society: Western, Educated, Industrialized, Rich, Democratic, Ex-Christian, and Romantic.

This thoroughly researched yet accessible book offers a unique historical perspective on modern views of family, government, religion, and morality—giving Christians the historical lens they need to understand today's post-Christian trends and respond accordingly.

Position Yourself for the Fullness of God's End-Time Outpouring

Description

Have we experienced the pinnacle of Holy Spirit power? Has the Lord poured out the full measure of His presence on the earth? Is what we've seen all there is?

The devil wants you to think so. And just like he did with Abraham, he's working hard to stop you short of God's miracle promise. He wants you to settle for an "Ishmael" when your supernatural "Isaac" awaits.

In his most prophetic book yet, R. T. Kendall—one of the most respected and reputable Bible teachers of this generation—exposes the dangerous deception preventing you from experiencing more of the Spirit in your life, showing you how to stop striving and instead position yourself for the coming outpouring that's beyond anything the Earth has ever seen.

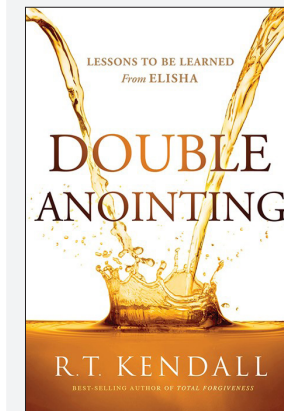

This prophetic wake-up call is a burning exhortation from one who cherishes the movement of the Spirit, equipping you to join the company of people who, like Abraham...

- break out of spiritual confinement,
- believe and agree with His Word,
- pray and contend for the fullness of what's available,
- position yourself to receive His supernatural promise, and
- experience an unprecedented outpouring of the Holy Spirit.

Stop settling for a foretaste of glory. Stand in faith that the best is yet to come and help usher in a sweeping supernatural awakening and endtimes revival unlike anything the world has ever seen.

The Christian Manifesto

Alistair Begg

Jesus' Life-Changing Words from the Sermon on the Plain

Description

What does genuine Christian living look like in the 21st century, and how can we be motivated to live that way?

The answer comes from Jesus' sermon in Luke 6 (sometimes known as the Sermon on the Plain), which starts, "Blessed are you who are poor, for yours is the kingdom of God", and goes on to lay out God's vision statement for the Christian life. It is a manifesto that transcends politics, culture and personality, detailing God's intentions for his people.

Alistair Begg unpacks this sermon, encouraging Christians to live a radically different life that upends the world's values and philosophies. It's a lifestyle that is counterintuitive and countercultural, yet one that God blesses with true meaning and impact.

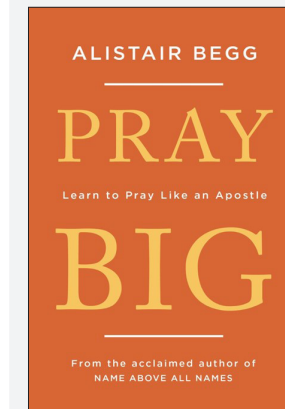

As we look at the kindness and compassion of Jesus and ask for the Holy Spirit's help, we'll grow in both the motivation and the ability to obey Jesus' teaching and experience the blessing that comes from that.

This compelling book will remind you of God's grace and what it means to follow him, helping you discover the ultimate blessing that is found in him.

No Greater Love

Rebecca McLaughlin

A Biblical Vision for Friendship

Description

Greater love has no one than this: that he lay down his life for his friends.
–John 15:13

Our culture idolizes romance and the love of parents for their children. But Jesus said there was no greater love than sacrificial friendship love. What's more, He issued a command to His disciples that they live into this kind of love.

Christian friendship isn't just a nice-to-have. It's vital. But it's also dangerous. Friends can pull us up when we're knocked down, embrace us with their love, and spur us on to follow Jesus better. But friends can also grind us to the ground, exploit, or invite us into sin.

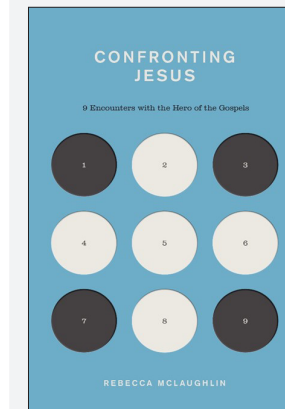

In *No Greater Love*, Rebecca McLaughlin walks us through the highs and lows of friendship love—a love that's been neglected and malnourished in our modern world. She draws especially on Jesus in the Gospels and on Paul to show how powerful and precious Christian friendship is and how we can walk through the hurt, loss, and disillusionment that comes from broken friendship trust. Beginning with the words of Jesus on the night he was betrayed and abandoned, she points us to His battle-tested love as the unending source of our best love for one another.

Male or female, single or married, joyful or lamenting, lonely or embraced, we all need friendship love. This book will help us give and receive it in a way that calls us back to Jesus's commandment: that we love each other just like He loves us.

Landscape of Hope

Heather Holdsworth

AVAILABLE SEPTEMBER

An Illustrated Journey Into the Psalms

Description

The world is noisy and disorientating. Our hearts need beauty and truth.

Heather Holdsworth experienced the death of her father followed shortly by the death of her mother. A few years later she battled a sickness that left her without the strength to stand, walk, or even speak.

She opened the book of Psalms. She began writing. And from her writing emerged drawings that brought solace to her soul.

Through the medium of art and words, artist and Bible teacher Heather Holdsworth shares an illustrated journey into the Psalms.

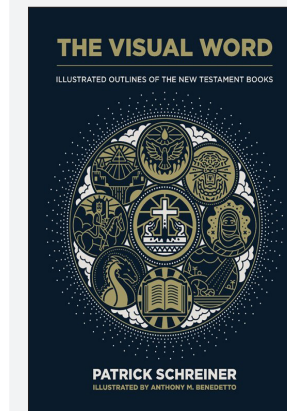

Landscape of Hope takes passages that have become familiar—perhaps too familiar—and reveals their soul-strengthening, heart-restoring power.

Through artwork and teaching, readers find themselves deeply engaging with the Bible and our beautiful triune God. Heather invites us to come alongside her in discovering the artistry, symmetry, and wonder of Scripture.

Readers experience the presence of Jesus Christ as they engage with the truth of life's fragility and the fortifying hope of the gospel.

The Holiness of God

R. C. Sproul

Description

"I walked by my copy of this classic book the other day and opened it randomly. I could not put the book down. . . . Sproul is one of a kind in the way he combines depth and clarity." – John Piper

Central to God's character is the quality of holiness. Yet, even so, most people are hard-pressed to define what God's holiness precisely is. Many preachers today avoid the topic altogether because people don't quite know what to do with words like awe or fear.

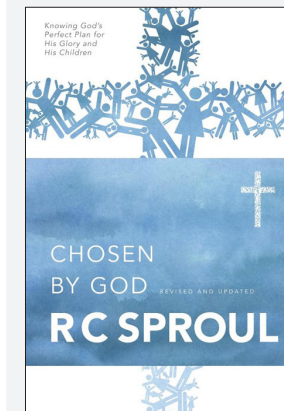

R. C. Sproul, in this classic work, puts the holiness of God in its proper and central place in the Christian life. He paints an awe-inspiring vision of God that encourages Christians to become holy just as God is holy.

Once you encounter the holiness of God, your life will never be the same.

The Surprising Rebirth of Belief in God

Justin Brierley

AVAILABLE SEPTEMBER

Why New Atheism Grew Old and Secular Thinkers Are Considering Christianity Again

Description

Could we be witnessing a return of belief in our generation?

Justin Brierley, the host of the popular radio show and podcast *Unbelievable?*, is convinced that in our time we are witnessing a growing wave of faith.

Famously described as the “long, withdrawing roar” of the “Sea of Faith,” the Christian narrative that shaped the West has been replaced by sweeping secularism. But is that the end of the story?

It was a conversation with agnostic journalist Douglas Murray that led Brierley to investigate whether a change was on the horizon. Speaking of the “Sea of Faith,” Murray remarked that a number of his intelligent friends had converted to Christianity in recent years. Brierley was seeing a similar trend among the secular thinkers he had interviewed on his show.

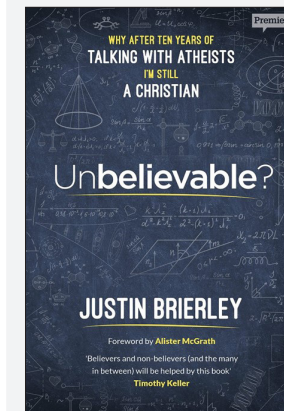

Jordan Peterson, Tom Holland, Dave Rubin, and many others have found themselves surprised by the continuing resonance of the Christian faith.

In *The Surprising Rebirth of Belief in God*, Brierley outlines the dramatic fall of New Atheism and the birth of a new conversation on whether God makes sense of science, history, culture, and the search for meaning.

People are returning to Christianity—but is the church prepared to welcome a new wave of faith? There’s a new conversation building. The tide is coming.

Hearts of Fire 2

The Voice of the Martyrs

Twelve Inspiring Stories of Costly Faith From Today's Persecuted Christians

Description

Shortly after Tamara and her husband moved to the city of Isfara, Tajikistan, a delegation of Muslim women paid her a visit. After welcoming the women into her home, Tamara realized their visit was not a friendly one. The women knew she and her husband were sharing the gospel and declared the two needed to leave the city.

Christians—especially those who would share their faith with Muslims—were not welcome. While Tamara heard their message, she did not fully understand the danger she and her husband were in.

Tamara is one of twelve courageous women you will meet in this follow-up to *Hearts of Fire*. From the Colombian evangelist on the run for witnessing to guerrilla fighters, to the American woman who publicly forgave the Islamic extremists who gunned down her husband on the streets of Benghazi, Libya, these women's lives were turned upside down when they obeyed the words of Christ. However, each embraced the hope found only in the unshakeable eternal kingdom of Jesus Christ our Lord.

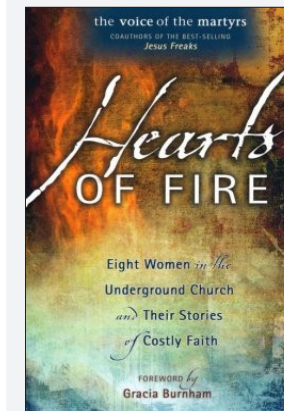

In addition to these twelve stories, you will also read the testimonies of eleven women who share how God strengthened them and provided for them when their earthly kingdom was shaken as they served Him.

For more than 50 years, The Voice of the Martyrs has shared the stories of courageous Christians in the world's most difficult and dangerous places to follow Christ. This new volume brings you true stories of courageous women, heroes of the faith, who represent countless others facing similar trials today. These role models of faith and obedience will inspire you to pursue Christ with heart aflame, no matter the cost!
