

The Passion: Anniversary Edition CD

Adrian Snell

AVAILABLE FEBRUARY

Description

Sometimes a particular work from an artist proves to be timeless and it enjoys enduring popularity for decades. Such is certainly the case with 'The Passion', arguably Adrian Snell's best known work. It included songs that aimed to picture the unique and deep love of Christ in His walk and sacrifice on Earth, featuring a mixture of progressive rock, choral and pop elements. A groundbreaking work that features the Royal Philharmonic Orchestra with some of the world's finest rock musicians.

Originally released in 1980, 'The Passion' has now been remixed by Jamie Snell, whose mixing credits include Ellie Goulding, Dua Lipa and Paloma Faith. With the anniversary of the genesis of these songs and the 45th anniversary of the original album on the horizon, the time is right for a refreshed, remixed and mastered edition of 'The Passion'!

Experience 'The Passion' anew with stunning new mixes! Thanks to the discovery of the original master recordings, the project has been lovingly refreshed to sound better than ever. Available on CD and LP Vinyl.

Proclaiming Christ in a Pluralistic Age

J. I. Packer

The 1978 Lectures

Description

5 Classic Lectures from J. I. Packer Defending the Truth of the Gospel against Humanism, Universalism, and More...

Christians today confront complex opposition to the gospel from intellectuals, skeptics, and pluralists who deny the divinity of Christ. But these are not new issues; the first-century church encountered similar challenges to their faith. How did the apostle Paul address these questions and doubts to effectively spread God's word?

In these never-before-published lectures, originally given at Reformed Bible College and Moore College in 1978, renowned theologian J. I. Packer tackles common objections to Christianity including secular humanism, pluralism, and universalism. By studying the evangelistic efforts of Paul and the early church, Packer skillfully preaches the glory of Christ crucified and helps students, pastors, and believers share their faith in an age of skepticism.

- 5 Vintage Lectures: Covering topics including Jesus's humanity and divinity, substitutionary atonement, and the truth of Christ's resurrection
- A Great Resource for Pastors and Thoughtful Christians: Provides gospel-centred answers to different worldviews including universalism, secular humanism, and pluralism
- From J. I. Packer: Prolific theologian and bestselling author of *Knowing God*

Questioning Faith

Randy Newman

Indirect Journeys of Belief Through Terrains of Doubt

Description

Sort through Your Questions and Find a Path from Doubt to Faith

Do you have honest questions about faith? Or have you walked away from faith altogether? Perhaps you've been part of a faith tradition, but you've begun to question parts of what you've been taught. Students and young professionals today are submerged in a culture of cynicism and doubt. Many identify as nonreligious but wrestle with questions about God's existence, the meaning of life, and whether it's possible to find goodness and beauty in this world.

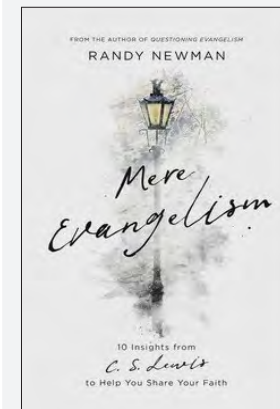

After 40 years listening to hundreds of people's stories of faith, Randy Newman has come to see that answering spiritual questions usually involves a series of twists and turns, not a direct ascent from one belief to another. Our political view, family background, understanding of sexuality, and religious background all play a part in our faith journeys. If you or a friend are navigating terrains of doubt, you'll find Newman to be a faithful guide. He'll help you sort through your many questions and find solid answers.

- Culturally Aware: Touches on matters of morality, identity, suffering, sexuality, and science
- Accessible: Newman mixes thought-provoking anecdotes with a clear and compelling message about the Christian faith
- A Tool for Winsome Apologetics: Written to help those who doubt to answer their questions about the Christian faith; will also help Christians strengthen their beliefs and share them with doubting friends
- Written by Randy Newman: Senior fellow for apologetics and evangelism at the C. S. Lewis Institute

Description

Is it possible modern believers are missing out on the fullness of Heaven by neglecting God's prophetic calendar? Is there something the saints of old knew that we don't?

How to Live for Jesus in a Culture That Keeps on Changing

Description

How the gospel equips Christians to live confidently for Christ in an increasingly secular culture, facing the challenges of the future with confidence.

We are living in a time of rapid cultural change, when Christian views are often seen as outdated and even dangerous. This can leave us feeling anxious about how to live out what we believe and uncertain about the future of the church.

Steve McAlpine's first book, *Being the Bad Guys*, sought to explain how our culture ended up so far away from biblical Christianity and how to reach out with the gospel wisely. In this book, he explores where things are heading and what we can do about that now, both as individuals and as a church.

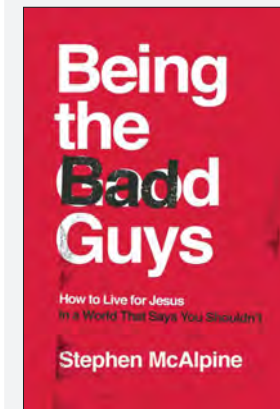

Steve examines secular narratives about purpose and authenticity, connectedness and progress, and compares them to the promises made by the Bible. He shows that the Bible offers a more satisfying, more realistic and more hopeful vision of the future.

He also examines the things that cause many Christians and non-Christians to be anxious about the future: technological change, political polarisation, clashes over climate and culture wars around gender and identity. He reminds readers that God is in control and helps them to think through how they can live wholeheartedly for Christ, facing the challenges of the future with confidence and leading the way in terms of citizenship, stewardship and community.

Living in the Daze of Deception

Jack Hibbs

How to Discern Truth from Culture's Lies

Description

A High-Stakes Battle for Every Christian

Jesus warned that deception would grow as we draw nearer to the end times, saying, *"Take heed that no one deceives you"* (Matthew 24:4).

Distinguishing truth from error has become an increasingly challenging task—even in the church. We live in a time when falsehoods assault us from every direction, an ever-advancing and unavoidable tempest of deception. Packaged with just enough truth to make them appear trustworthy, these counterfeits have grown more and more difficult to detect and avoid.

Living in the Daze of Deception explores the many ways error is masquerading as truth—and how you can discern the difference. From pastor Jack Hibbs, you'll learn

- the characteristics of deceivers and how they have brought harm to both secular culture and the church
- the many deceptions that are altering and replacing the truth, and how to recognize them
- the keys to standing strong as the spiritual battle surrounding us intensifies

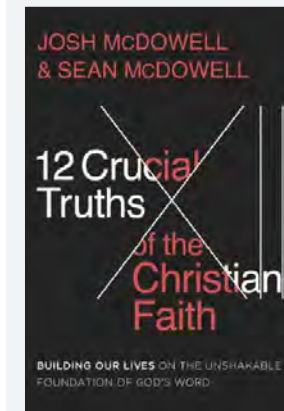

The greatest antidote to deception is truth. Equip yourself now to grow in discernment so that you can protect yourself from error and remain steadfast in your faith!

Bible Prophecy Under Siege

Ron Rhodes

Responding Biblically to Confusion About the End Times

Description

Understanding and Answering False Claims about Prophecy

Many people today cast doubt on the promises God gives his church in Bible prophecy, as predicted by Scripture itself: *"Scoffers will come in the last days with scoffing, following their own sinful desires. They will say, 'Where is the promise of his coming?'"* (2 Peter 3:3-4).

Bible Prophecy Under Siege provides a thorough survey of the misunderstandings and misguided thinking people sometimes have about the last days. Prophecy expert Ron Rhodes offers you careful guidance through these differing viewpoints, and you will

- learn the ways Bible prophecy is under siege and how to respond to false claims biblically
- gain helpful historical insights about the rapture and other prophetic issues
- be emboldened to hold firmly to prophetic biblical truth during trying times
- be encouraged to live with conviction rooted in God's Word

With a perspective grounded in the Bible, you will be equipped to discern flawed views on prophecy, rest secure in immovable truth, and grow in anticipation of the day when Christ will make all things new.

A Study on the Resurrection of Jesus

Description

The single most important fact of the Christian faith is that Jesus isn't dead.

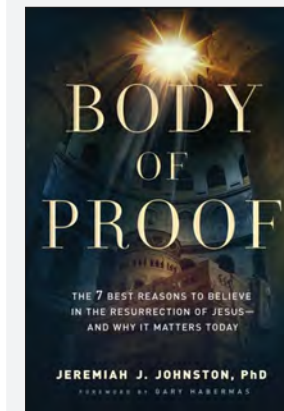

He was resurrected from the dead on a particular weekend 2000 years ago. Little did everyone know it would include execution, an earthquake, daytime darkness, an uprising, and a miracle unlike any the world had ever seen.

Yet outside of a couple of weekends a year, we don't spend a lot of time contemplating the resurrection itself. The events of this weekend and the days that follow changed everything about the world and form the centre of our faith.

In this Bible study we'll look back on that weekend and see why the resurrection of Jesus gives us hope and confidence today.

The Kindness of God

Nate Pickowicz

AVAILABLE FEBRUARY

Beholding His Goodness in a Cruel World

Description

Kindness has fallen on hard times. Almost daily, we witness or experience cynicism, impatience, or incivility. And it begins to wear on a soul. Overall, we're not doing well. We need hope. We need truth. We need God.

In *The Kindness of God*, pastor and teacher Nate Pickowicz shows how our lives must be understood and lived in light of God's kindness. Pickowicz brings the reader along a joy-filled journey of discovering God's lifegiving lovingkindness and compassion.

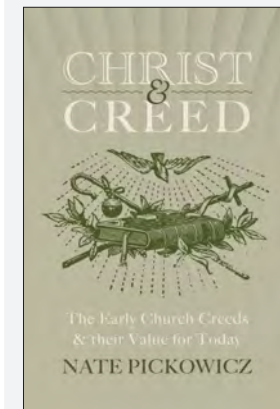

This book is for Christians overwhelmed with their life circumstances. It's for anyone who is feeling disappointment or hurt from a fractured relationship. It's for all those who are discouraged by caustic political discourse. And it's for those who are saddened or frustrated, desiring more from life . . . more from God.

This book offers biblical salve to spiritual wounds and answers how God's own character remains intact even when wounds are inflicted by others.

You will come away from this book, marvelling and thanking God for His immeasurable kindness. And you will come to reflect His kindness more deeply in your own life toward others. In a world that can feel dark and cold, this resource is a light of God's kindness!

We Shall All Be Changed

Whitney K. Pipkin

How Facing Death With Loved Ones Transforms Us

Description

When Whitney K. Pipkin's mother was diagnosed with terminal cancer, she wasn't ready. How could she be? She searched for resources that could help her walk through this heavy yet sacred time in her life. But she struggled to find the guidance she longed for in a season of anticipatory grief.

We Shall All Be Changed is a companion for those experiencing the lonely season of suffering and death. In this book, Whitney reaches across the pages to hold the hand of the caregiver. Walking through death with a loved one can be incredibly isolating and unsettling. This book reminds us that we can experience God's very presence in life's dark and deep valleys. As Whitney draws from her own experience, she sheds light and hope. She shows that we are not alone. And she reveals the mysterious way that God ministers to and transforms us through death and suffering.

Beautifully honest and theologically rich, Whitney invites us to consider death so that we might understand life and how to live it.

"Rather than wanting to run from discussions of death—as I did for so long—I now want to press into them, to wring from one of the hardest trials life has to offer every drop of sanctification and glory. I see now that having a front seat to my mum's final days has forever changed the ones I have left to live." —Whitney Pipkin

A book for those who are caring for the sick and dying . . . for those who will care for parents, family, or friends in their last days . . . and for those who have already walked this journey.

Even If He Doesn't

Kristen LaValley

What We Believe About God When Life Doesn't Make Sense

Description

How can I approach God if I'm struggling to believe in His goodness?

So much of our belief can be formulaic. We often think that if we do A, B, and C, then God will do X, Y, and Z. We check things off the "Good Christian Checklist," trusting we'll be okay, and our trials will be minimal. But when our experiences inevitably deviate from that belief, our trust in God often crumbles. After a series of life-altering trials--including a devastating diagnosis--uncovering faith in the cracks of pain is something Kristen LaValley knows well.

In *Even If He Doesn't*, Kristen will:

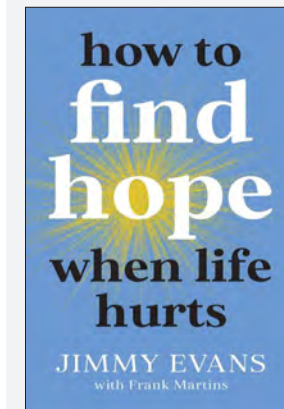

- share her vulnerable and honest story
- unpack the nuances of suffering and faith, holding space for the tension between the two
- reveal how engaging the gentleness and grace of Christ in our suffering offers a surprising path to healing
- remind us that when our belief is reduced to a formula, we rob ourselves of a faith that's enriched by suffering, not crippled by it

Those in the midst of heartache will find strength and renewal as Kristen approaches the complexity of suffering with compassion, guiding us to endure while not forsaking the joy, hope, and peace of those marked by Jesus.

Praying With Saint Patrick

Aaron Burns & Matt Mikalatos

Prayers and Devotions Inspired by the Irish Hero of the Faith

Description

One of Ireland's most beloved figures, St. Patrick was a man who lived a life soaked in prayer. A risk-taker in the service of others—particularly women, slaves, and the poor—Patrick spent years enslaved, in which he found himself praying all the time—praying for freedom, for a warm place to sleep, or to return home. He never stopped. It was something he did with great intentionality, but also in the breath between one task and the next.

Praying with Patrick takes us on a journey through Patrick's life, allowing us to pray alongside him using his story and his actual prayers to deepen and enrich our own prayer lives. Each reading features a quote from Patrick, a scripture, a devotion, and a prayer such as:

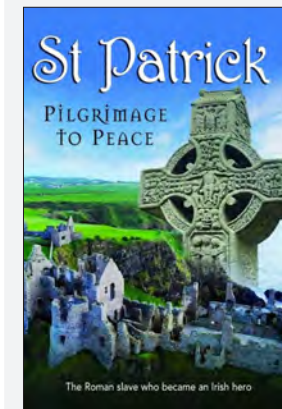

- A Prayer for Times of Trouble
- A Prayer for When We Feel Helpless
- A Prayer for Hope
- A Prayer for Freedom
- A Prayer for When You Don't Fit In
- A Prayer for the Presence of Christ
- A Prayer for God's Salvation
- A Prayer in Times of Grief

Praying with Patrick will draw you deeper into conversation with a God who cares deeply about you and your needs, concerns, and worries. Just as Patrick experienced God's presence in the rugged wilds of Ireland, may you experience God's presence in a powerful and vibrant way.

Activating Miracles

Chris Mikkelson

AVAILABLE FEBRUARY

Enter Into Supernatural Faith Without Limits

Description

“God has an amazing plan for you in which He will use you to do great and mighty things,” says international evangelist Chris Mikkelson.

Mikkelson has held meetings for millions and seen a multitude of healings and changed lives. *“I believe God is bringing forth a new generation of people like you who will stand in faith, trust completely in His holy Word, confront the fears that paralyze us, and defeat the enemy of our souls. You are part of that generation of believers God wants to use to reach our world with boldness and miraculous power.”*

Belief in God and His power is the key that opens the supernatural to us, and Mikkelson explains that a spiritual war is raging to weaken our faith and stop us from activating miracles. We are being attacked by fears, uncertainties, and challenges to our trust in God. But we can enter into a new dimension of supernatural faith and power that is without limits because it comes directly from God to accomplish His purposes through us.

Activating Miracles is filled with faith-building teachings and inspiring stories that demonstrate the miraculous events taking place today, from the United States to so-called closed nations, including Pakistan, where God is working in an unprecedented way.

Prepare to move in a realm of faith that unlocks miracles in your life, enables you to overcome difficult obstacles, and allows you to move into a higher level of ministry to many others who need healing and deliverance. Prepare to activate the miraculous.

Raising Kids to Follow Christ

Lee Ann Mancini

Instilling a Lifelong Trust in God

Description

How can we raise the next generation to follow Christ and live according to God's directives in His Word?

Author Lee Ann Mancini says what our children need is a heart change not just a behavioral change so that they become effective disciples.

In *Raising Kids to Follow Christ: Instilling a Lifelong Trust in God*, she inspires parents, grandparents, teachers, and others to teach their children using loving guidance and discipline. Scripture tells us, "For the moment all discipline seems painful rather than pleasant, but later it yields the peaceful fruit of righteousness to those who have been trained by it" (Hebrews 12:11).

Lee Ann shares tried-and-true methods for raising children who bear that peaceful fruit. *Raising Kids to Follow Christ* offers:

- Personal experiences and teachings based on God's Word
- Strategies and techniques for transforming disciplining into discipling
- Ways to help children control their emotions and actions in various situations
- Suggestions from some of today's brightest Christian minds in children's spirituality
- Real-life examples of parenting do's and don'ts
- Easy-to-understand apologetics for children and adults
- Fun ways to connect your child's heart to Christ

The Cross Our Glory

Charles H. Spurgeon

Reflections on Christ's Triumphant Sacrifice

Description

The Cross, Our Glory Reflections on Christ's Triumphant Sacrifice is a rich collection of messages by Charles H. Spurgeon on the Jesus' journey from the garden of Gethsemane to Calvary.

Spurgeon's direct, compassionate, deep words surrounding Christ's passion and His death will engage any reader eager to grow in their knowledge of Christ's love for humankind.

Sample of selected sermon themes:

- Gethsemane
- Mourning at the Sight of the Crucified
- The Crown of Thorns
- The Believing Thief
- The Messages of Our Lord's Love
- The Cross, Our Glory

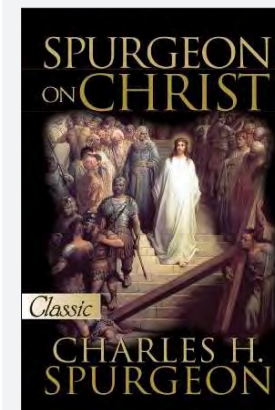

Spurgeon published over two thousand of his sermons, as well as numerous books, which constitute the largest collection of work by a single author. His printed Sunday sermons were so popular that they were literally sold by the ton. He continually appealed to his audiences to allow the Lord to minister to them individually.

Highlighted with splashes of spontaneous, delightful humour, his teachings still provide direction to all who are seeking true joy and genuine intimacy with God.
