Love Is A Choice

Gary Chapman with James Stuart Bell

28 Extraordinary Stories of the 5 Love Languages in Action

Description

Real life, encouraging stories embodying the bold, brave, beautiful choice to love.

"To last for the long haul and through the stresses and complexities of life, love has to be more than something we feel. It has to be something we do. We have to demonstrate it concretely in our marriages and families, among our friends and acquaintances, and, yes, even among our enemies. And that's what this book is about. In its pages, you'll see examples of people just like you--like all of us--who learned to take the obstacles, the lemons they face in life, and turn them into satisfying, emotional thirst-quenching nectar. These are the success stories that make you want to go out and discover the power of love." – Gary Chapman

If you're feeling weary or burdened by the call to love, you'll find strength and hope in the pages of this book. *Love is a Choice* gives us stories of love in action, inspiring us to go deeper in our relationships. Each story is coupled with 5 Love Languages(R) insights and application points.

The Blessed Life

Kelly Minter

A 90-Day Devotional through the Teachings and Miracles of Jesus

Description

The Blessed Life is a 90-day devotional that walks through Matthew 5-9, covering Jesus' Sermon on the Mount and a collection of His miracles. Matthew brings Jesus' teachings and healings together in a wonderfully crafted segment of his Gospel that is packed with treasures for the modern reader. While many have thought Jesus' Sermon an unrelated string of nearly impossible teachings, *The Blessed Life* helps both the brand new and seasoned believer find continuity and uncover its practical truths, day by day. It also explores the unparalleled love and compassion Jesus has for the sick, marginalized, religious and non-religious alike, and how His matchless power brought miracles to bear upon those He encountered. With accessible and down-to-earth writing, beloved author and Bible teacher Kelly Minter seeks to bring together both the teachings and healings of Jesus while sharing her own heart along the way. She shares historical and cultural elements of Jesus' day, and references to the original language when illuminating, while keeping her writing style practical and inviting. *The Blessed Life* is for anyone wanting to know the mind and heart of Jesus more deeply, and who's willing to take a slow and reflective 90 day journey with Him.

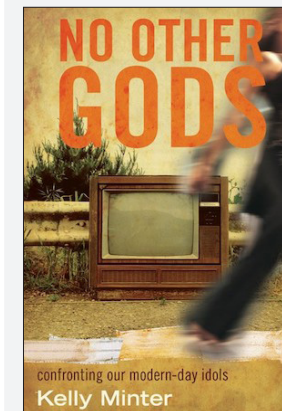

About the Author

Kelly Minter is a Bible teacher and author who has found deep hope and healing through Christ and His Word. Her writing and teaching are personal and relational, stemming from her passionate belief that God and His Word are meant for our lives here and now. Along with her love of Scripture, at the core of her ministry is a deep affection for the local church and ministering to the vulnerable and forgotten through her partnership with Justice & Mercy International, an organization that cares for those in the Amazon and Moldova.

All My Knotted-Up Life

Beth Moore

A Memoir

Description

An incredibly thoughtful, disarmingly funny, and intensely vulnerable glimpse into the life and ministry of a woman familiar to many but known by few.

"It's a peculiar thing, this having lived long enough to take a good look back. We go from knowing each other better than we know ourselves to barely sure if we know each other at all, to precisely sure that we don't. All my knotted-up life I've longed for the sanity and simplicity of knowing who's good and who's bad. I've wanted to know this about myself as much as anyone. This was not theological. It was strictly relational. God could do what he wanted with eternity. I was just trying to make it here in the meantime. As benevolent as he has been in a myriad of ways, God has remained aloof on this uncomplicated request." —Beth Moore

All My Knotted-Up Life is a beautifully crafted portrait of resilience and survival, a poignant reminder of God's enduring faithfulness, and proof positive that if we ever truly took the time to hear people's full stories . . . we'd all walk around slack-jawed.

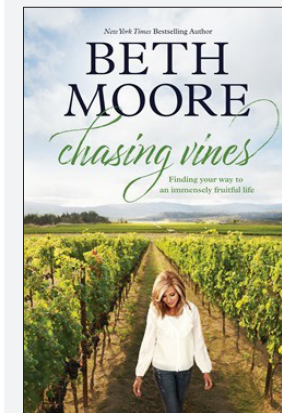

About the Author

Beth Moore has written many best-selling books and is a dynamic teacher and a prolific Bible-study author whose public speaking engagements take her across the United States to challenge tens of thousands. Beth is focused on teaching women all over the world and is known and respected wherever she goes. She is a dedicated wife and mother of two adult daughters and lives in Houston, Texas, where she leads Living Proof Ministries and teaches an adult Sunday school class at her church.

Is Easter Unbelievable?

Rebecca McLaughlin

Four Questions Everyone Should Ask About the Resurrection Story

Description

The resurrection of Jesus from the dead is an extraordinary thing to believe. Such a supernatural event is the stuff of make-believe, many think. Yet millions of Christians around the world believe that Jesus' resurrection was a real, historical event. Indeed, *"if Christ has not been raised, our preaching is useless and so is your faith" and Christians are "of all people most to be pitied."* (1 Corinthians 15)

In this concise book, respected apologist Rebecca McLaughlin outlines the evidence that Jesus really did rise from the dead and why it's the best news ever.

Ideal to give away at Easter outreach services and events, as well as to give to new Christians wanting to remind themselves of the evidence for their faith.

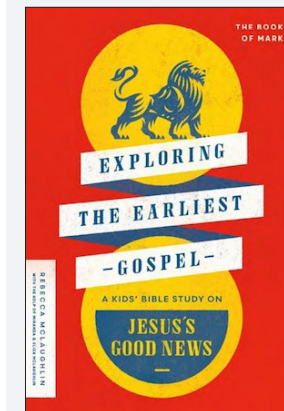

About the Author

Rebecca McLaughlin holds a PhD in renaissance literature from Cambridge University and a theology degree from Oak Hill College in London. She is cofounder of Vocable Communications and former vice president of content at the Veritas Forum, where she spent almost a decade working with Christian academics at leading secular universities. Right Thinking For A Culture in Chaos

John MacArthur, Nathan Busenitz

Responding Biblically to Today's Most Urgent Needs

Description

In an age of moral and spiritual decline, you will inevitably face pressure to view truth as something subjective, shifting, and ultimately unknowable. Yet the Word of God stands in bold contrast against this postmodern sentiment. The absolute truth of Scripture is timeless, extending even to today's most heated controversies.

From the bestselling team behind *Right Thinking in a World Gone Wrong* comes *Right Thinking for a Culture in Chaos*: a biblical response to contemporary issues like gender identity, government authority, deconstruction of faith, critical race theory, and more. Each chapter illuminates how the principles of God's Word equip you to honour Him in an increasingly corrupt world. You'll also be encouraged by the profound hope of the gospel of Jesus Christ—the only remedy for humanity's brokenness.

No matter what society teaches, God's Word cuts through the haze of confusion with the light of truth. This book encourages you to ground your convictions in Christ and His all-sufficient Word.

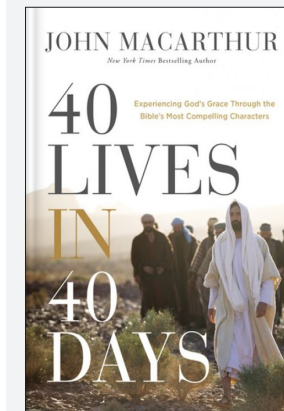

About the Author

John MacArthur is the pastor-teacher of Grace Community Church in Sun Valley, California; chancellor of The Master's University and Seminary; and featured teacher for the Grace to You media ministry, which reaches millions worldwide. Your Brave Song

Ann Voskamp

Description

Early one foggy morning, Una Rayne feels unsure about the day ahead of her. She sits down on the porch with her mama, who sings a song of truth over her: *“Jesus loves you, makes you strong. In Him, you’re brave and you belong.”* Una Rayne steps bravely into her day, her mama’s words a reminder of how much she is loved by Jesus. When no one seems to want to sit with Una Rayne at lunchtime, Una Rayne bravely sings the song, and others are drawn to come sit with her. Through the song, the children hear that they are chosen and loved by Jesus, *“not for what you do, but for who you are. For whose you are.”* As Una Rayne continues to live with bravery and kindness, the song spreads throughout the world and fills the hearts of all who hear it. Many children face fear and uncertainty.

This book gives them the confidence to know that they are secure and safe in Jesus, no matter what comes. It also encourages them to share God’s love with others because bravery in Jesus is contagious and world-changing! The song Una Rayne’s mama sings is simple to remember, making it easy for children and parents to memorize and return to its truth every day.

Martin Luther – The Freedom of a Christian

❖ CROSSWAY

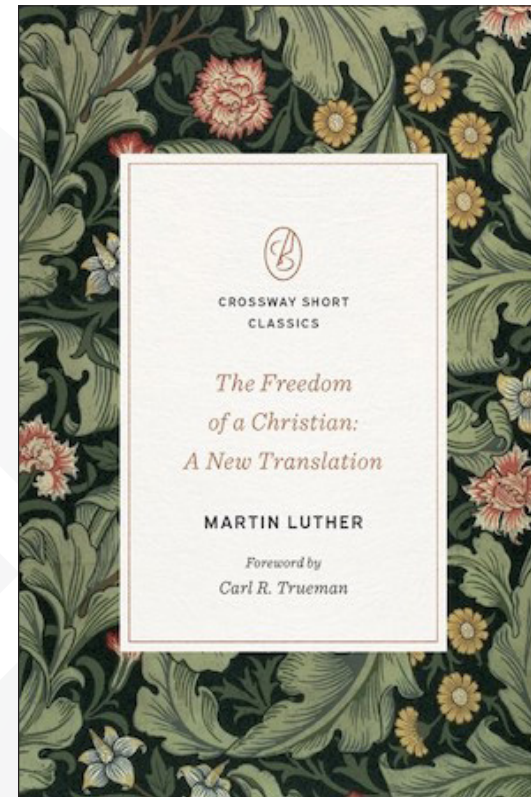

A New Translation

Description

Martin Luther's classic work, newly translated by Robert Kolb.

Originally published in 1520, *The Freedom of a Christian* is one of Martin Luther's most well-known and enduring treatises.

In it, the German Reformer examines Christian ethics and how justification by faith alone impacts the liberty of believers. He famously writes, "A Christian is a free lord of everything and subject to no one. A Christian is a willing servant of everything and subject to everyone." Luther also further develops ideas and doctrines that were key to the Reformation, such as the priesthood of all believers and union with Christ.
