When God Seems Gone

Finding Hope When Nothing Makes Sense

Description

What do you do when it feels like God isn't there—when the state of the world, our own suffering, or the struggles of those we know suggest that God is absent? When you've experienced soul-crushing silence from heaven, despite your fervent supplications?

Using the book of Habakkuk, as well as his own personal experience of deep suffering, Adam Mabry examines the art of lament—how to cry out to God in desperation from a place of faith and hope.

Readers will learn that God is big enough and good enough to handle hard questions and that his sovereign silence is filled with purpose for their lives. They will be encouraged to keep trusting God even when he seems silent, slow, unfair, different or wrong.

There are video introductions for each chapter as well as very practical suggestions for what you can do to keep faith even in times of darkness and doubt.

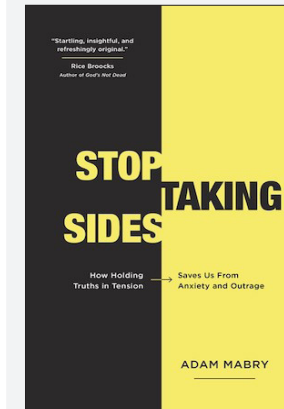

About the Author

Adam Mabry is Lead Pastor of Aletheia Church Boston, MA, a rapidly-growing downtown church. He is married to Hope and they have four children. Before planting Aletheia, they had planted two churches in Edinburgh, Scotland. Adam did his theological studies at Reformed Theological Seminary and is studying for a PhD at Aberdeen. Adam is author of *Stop Taking Sides* and *The Art of Rest*.

Mental Health and Your Church

A Handbook for Biblical Care

Description

Many people are struggling with mental-health conditions, exacerbated by the COVID-19 pandemic and life in our image-conscious culture. Statistics tell us that, worldwide, one in six of us will have experienced a mental-health struggle in the past week, and serious depression is the second-leading cause of disability (Mental Health Foundation).

That means there are brothers and sisters in our church families battling with thoughts, feelings, impulses and even voices that distract, drag down and nudge them towards despair. But when it comes to helping, it can be tricky to know where to begin, especially if we have very little knowledge of mental illnesses and are afraid of making things worse by saying and doing the wrong things.

This wise, compassionate and practical book will help readers understand and respond with biblical wisdom to people who are struggling with their mental health.

This is a useful book for anyone who cares for others pastorally: pastors, elders, small-group leaders and congregation members.

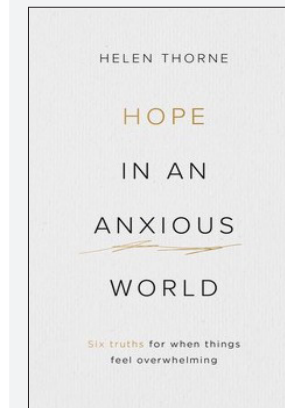

About the Author

Helen Thorne is Director of Training and Resources at Biblical Counselling UK. She formerly worked with the London City Mission and has written *Hope in an Anxious World*, *Purity is Possible*, *Walking with Domestic Abuse Sufferers* and *5 Things to Pray for Your City*.

Steve Midgley is executive director of Biblical Counselling UK and a senior minister at Christ Church, Cambridge.

How Can I Feel Closer to God?

Chris Morphey

Description

Sooner or later, kids ask big questions about themselves and their faith: If God is real, why doesn't he feel real? How can I make him seem less far away? What does a relationship with Jesus actually look like? What about when going to church or reading the Bible just feels boring and pointless?

Christian Studies teacher and school chaplain Chris Morphey has been answering big questions from kids for over a decade. In this fun and fast-paced book, he shows children how to grow in their relationship with God through the ordinary yet powerful habits of everyday discipleship: prayer, Bible reading, church community, rest and simplicity.

Lively stories and illustrations make this book easy for 9–13s to engage with. Readers will be helped to develop a vibrant, living and life-altering faith of their own as they learn to walk with Jesus day by day.

Big Questions is a series of fun and fast-paced books walking kids aged 9–13 through what the Bible says about some of the big questions of life, and helping them to grow in confident and considered faith.

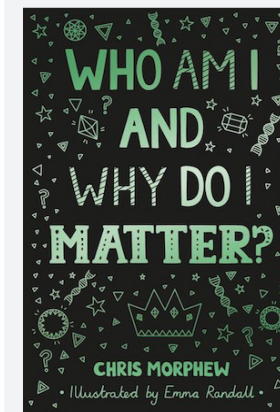

About the Author

Chris Morphey is an author, teacher, and school chaplain living in Sydney, Australia. He has written over 20 novels for children and youth, including his six-book young adult series, *The Phoenix Files*.

And Other Questions About Jesus, the Bible, and Same-Sex Sexuality

Description

Is it ok to be gay and Christian? Does the Bible really say that homosexuality is wrong? Is sexual orientation fundamental to identity?

Author and speaker Sam Allberry has expanded and restructured his best-selling book, which draws on his own experience as a believer who experiences same-sex attraction. As well as exploring Bible passages that talk directly about homosexuality, this new edition frames the whole discussion with Jesus' general teaching on sex and marriage, as well as what Jesus teaches about finding ultimate satisfaction and happiness. It also challenges the current culture narrative, which inextricably ties sexuality to personal identity, and he shows that the gospel is good news for everyone, whatever their sexual orientation.

Includes answers to questions such as... • Does Jesus ever mention same-sex relationships? • Aren't people just born this way? • What should I do if a Christian comes out to me? • Surely, isn't a same-sex partnership ok if it's committed and faithful? • Is it sinful to experience same-sex attraction? • Isn't the Christian view of sexuality harmful? • Aren't we just picking and choosing which Old Testament laws apply? • Can't Christians just agree to differ on this? • Should Christians attend gay weddings?

About the Author

Sam Allberry speaks around the world as a preacher and apologist, and is part of the leadership team at Immanuel Nashville. He is the author of 7 *Myths about Singleness* and *Why Does God Care Who I Sleep With?*

An 8-Week Study on Gender

Description

The aim of this study is to provide an accessible curriculum for the average church-goer, to those looking for biblical and theological answers to the questions of gender identity in the 21st century.

Male and Female He Created Him is a new curriculum on manhood, womanhood, gender and sexuality. Curated by specialists in the area of study, Burke, Smothers and Closson present a positive vision for biblical sexuality and engage contemporary discussions around gender orientation, gender dysphoria and identity with the timeless truth of Scripture.

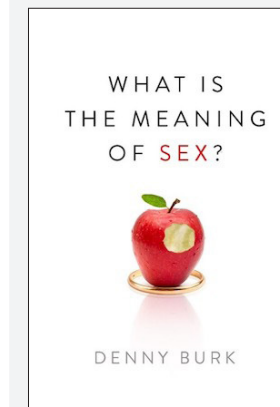

By the completion of the study, participants will have a better grasp on the Biblical teachings around gender, sexuality and the implications around such subjects in the 21st century; thence allowing an increased scope in their ministries in church, home and work.

About the Author

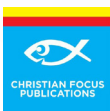

Colin J. Smothers (PhD, The Southern Baptist Theological Seminary) is adjunct professor of New Testament at Boyce College in Louisville, Kentucky. He also serves as executive director of the Council on Biblical Manhood and Womanhood and pastor of First Baptist Church of Maize, Kansas.

10 Women Who Were Spiritual Mothers

Dayspring MacLeod

Description

Motherhood. Not for the faint hearted or blasé, it's a state of being that tries one's patience, purpose and peace.

Sequel to her widely acclaimed *10 Women Who Overcame their Past*, Dayspring MacLeod's *10 Women Who were Spiritual Mothers* is set to be yet another poignant read.

In tackling themes from purity to patience, each focused narrative allows the reader an insight into the lives of women whom they may have heard of but not known well.

From Katherine Parr, sixth and final wife of Henry VIII, to Sharon Dickens and Lisa Harper, the ten women represent a spectrum of life delivered via the prism of motherhood. This book isn't only for mothers. It's for those who are heartbroken, single, bereft or at peace in later life. Discipleship is a key theme, be it with the children who litter your hallways with Nerf Pellets or friends undergoing the ups and downs of infertility. As a woman who knows the support of women in her own life, MacLeod has gracefully painted a canvas of joy in sorrows, peace and panic and Christ's love triumphant.

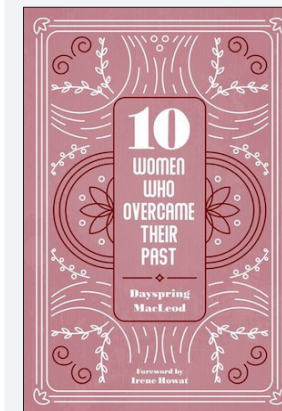

About the Author

Dayspring MacLeod splits her heart between her home country of America and her newer home of Scotland. She has considerable experience in writing for the Christian community, including a devotional column in an evangelical magazine and Christian biographies for both children and adults. She is also an editor and writes fiction in her spare time.

Resilient Faith

Lewis Allen, Sarah Allen

Learning To Rely On Jesus In The Struggles Of Life

Description

We all encounter problems and challenges on a daily basis, ranging from small things—traffic, losing your keys, or running late—to much bigger issues—job insecurity, health issues, and relationship struggles. What should a believer in Christ do in the face of such adversities? Authors Lewis and Sarah Allen propose that while the world may teach us one way to approach challenges, there is a better way—complete dependence on Christ and pursuit of wise living. With the help of the Holy Spirit, Christians are able to live more joy-filled lives in the midst of adversity. In a conversational and personal tone, the Allens walk through key biblical passages as they relate to challenges and share stories, case studies, and illustrations to encourage us to rely on Christ and commit to his church in the battle of Christian life.

- Ideal for New or Young Christians: Especially those feeling discouraged by doubt and disappointment
- Includes case studies and illustrations, with questions and prayers
- Readers will receive biblical direction for applying these principles to their daily lives

Toward A More Perfect Faith

A. W. Tozer

4 Stages in Your Pursuit of God

Description

“There has hardly ever been in my ministry a series of sermons to which I have given more time, more pain and more prayer than I did to this series from Philipians 3.”

A. W. Tozer called these sermons the most important he ever preached. Looking closely at Philipians 3, he describes the Christian as a modern-day Lazarus who hears the call to arise—but can't escape the grave clothes.

In this new series of sermon transcriptions, Tozer shows us how to live with freedom. *Toward a Deeper Faith* gives us Tozer's sermons on: • Considering Perfection in the Christian Life • Four Kinds of Christians • Discovering the Loveliness of Jesus Christ • The Will of God and Its Relationship to Our Cross • The Obstacle of Self Trust • Living in His Righteousness . . . and more.

We are heirs to the King, and Tozer wants us to reclaim our heritage. Return again and again to Tozer's twelve sermons that will bring you into a deeper life of love and maturity in Jesus Christ.

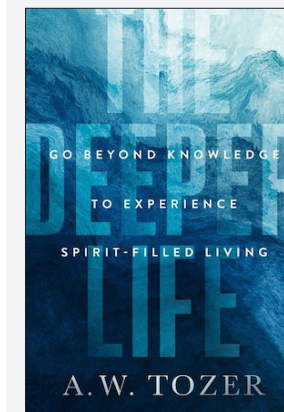

About the Author

A.W. TOZER began his lifelong pursuit of God at the age of seventeen after hearing a street preacher. He never attended high school or seminary—his spiritual understanding came from the power of the Word and the power of the Spirit. While serving as a pastor and magazine editor, he wrote prolifically about basic spiritual disciplines and their relationship to contemporary life. His powerful use of words continues to grip the intellect and stir the soul of today's reader.

Dangerous Jesus

Kevin "KB" Burgess

Why the Only Thing More Risky than Getting Jesus Right Is Getting Jesus Wrong

Description

From the moment He arrived on the scene, Jesus posed a threat to the unjust, a threat to the oppressors, and a threat to every semblance of authority wielded by the kingdom of darkness. He invaded the world with love for the forgotten, hope for the hopeless, and freedom for the bound. His ideas were disruptive, subversive, and scandalous to the world around Him.

Today, our generation is seeing a surge of people walking away from the Christian faith. But what's repelling people isn't Jesus; it's that what is often propagated as mainstream Christianity is simply not worthy of His name. Jesus is the most admired figure in history. He is also the most ignored, weaponized, reinterpreted, and misappropriated figure in history. The question is . . . who do you think He is?

In *Dangerous Jesus*, Kevin "KB" Burgess reintroduces us to the true Jesus, the one who poses a living threat to the status quo. He's a threat to our division. He's a threat to our rebellion. He is the kind of dangerous that is so infused with power from on high that nothing stays the same when He walks into the room. His love is so strong, it's intoxicating. His truth is so good, it sets people free.

Responding to the Deconstructionist Movement With Unshakable, Timeless Truth

Description

At a time when the Bible and Christianity are considered untrustworthy, will we choose faith or follow the culture?

This book will provide you with the facts and understanding you need to respond to difficult questions biblically and stay rooted in your faith even when others seem to be abandoning theirs.

We are living in unprecedented times when Christian leaders are renouncing their faith and large numbers of believers are falling away.

Is this the final apostasy prophesied by Jesus and Paul? And can we do anything to help those struggling with their faith?

In *Why So Many Christians Have Left the Faith*, Dr. Michael L. Brown confronts the problem of "Christian deconstruction" with solid, faith-building answers and honest responses to difficult questions.

Looking at the stories of those who fell away as well as the larger cultural factors, this book offers solid answers to the major attacks against the Bible and helps readers build an unshakable faith.

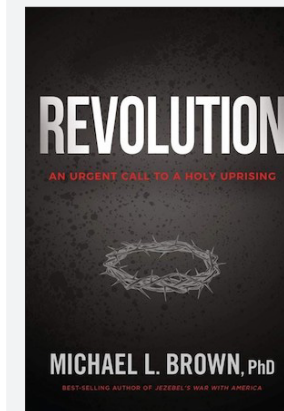

About the Author

Michael L. Brown, PhD, is founder and president of AskDrBrown Ministries and the president of FIRE School of Ministry.

The author of more than forty books, he is also the host of the nationally syndicated daily talk radio show *The Line of Fire*, where he serves as your voice for moral sanity and spiritual clarity.

Fire Prayers

John Ramirez

Building Arsenals That Destroy Satanic Kingdoms

Description

Satan doesn't want you to tap into one spiritual weapon: PRAYER. This book will show you the importance of fighting the enemy in the spirit, and why being equipped with God's warfare weapons is one of the most life-changing experiences of all.

Christians have an enemy who will do everything in his power to alter, edit, stop, delay, and abort their God-given destiny. Satan and his demonic kingdom have one purpose: to kill, steal, and destroy. The enemy does not want our God-ordained prophetic destiny to be fulfilled in this very hour.

This is why we need to pray like never before and arm ourselves with the arsenal of heaven like the ambassadors and soldiers of the Lord we are.

Fire Prayers will equip you to pick up your weapons of warfare and fight the good fight of faith. Filled with powerful teachings, Fire Prayers will equip you with a spiritual warfare arsenal that will leave Satan and his kingdom trembling and unable to manipulate, control, or dominate you; hinder your relationship with Jesus; or thwart your destiny.

About the Author

Evangelist John Ramirez used to fight on the enemy's side, so he understands from an insider's point of view how the enemy works. He now fights for Jesus Christ and uses the experience and knowledge he has to teach believers how to fight and gain victory. He is an internationally known evangelist, author, and highly sought-after speaker who teaches believers around the globe how to defeat the enemy.

Alex Diprima – Spurgeon and the Poor

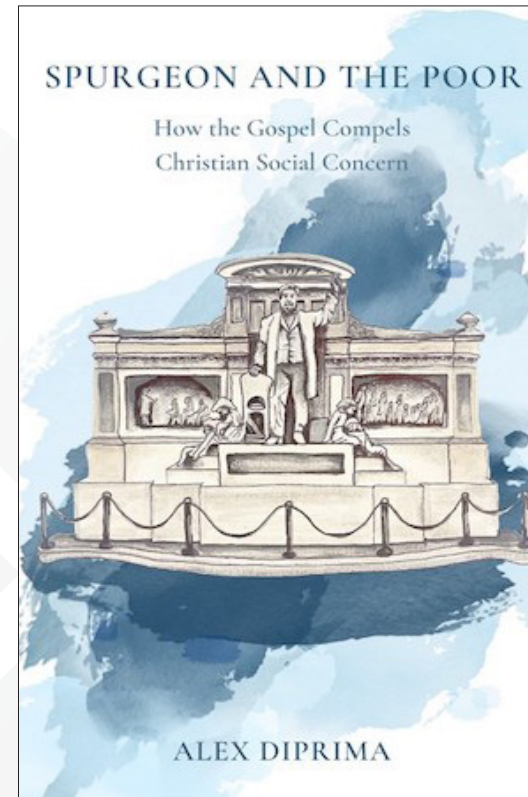

How the Gospel Compels Christian Social Concern

Description

Spurgeon and the Poor is a fascinating study into the life and ministry of Charles Haddon Spurgeon, exploring his understanding of the place of benevolence in the ministry of the local church.

Alex DiPrima examines the way Spurgeon's belief that gospel preaching and soul-winning formed the church's mission informed his view of social concern as a compelling argument for its power. Readers will gain insight into Spurgeon's theology and experience as he ministered to the oppressed through ministries, private philanthropy, and public advocacy.
